PREGLED NAJVAŽNEJŠIH DOGODKOV

(Vesti pripravljene že v četrtek popoldne. Ur.)

Ameriška vloga v El Salvadorju še vedno sporna zadeva v Kongresu – Brez pomoči ZDA Duartejeva vlada obsojena na smrt

WASHINGTON, D.C. – Ta teden zopet razpravljajo in tudi glasujejo v zveznem kongresu o višini ameriške pomoči El Salvadorju. Zvezni senat je sicer s precejšnjo večino zavrnil poskuse liberalcev, predvsem demokratov, da bi bila vojaška pomoč ZDA El Salvadorju znatno manjša kot doslej, a v spodnjem domu so liberalci oz. nasprotniki takšne pomoči močnejši. V želji, da bi prepričala tiste kongresnike, ki še niso opredeljeni, je Reaganova administracija objavila več doslej strogo tajnih podatkov, ki pričajo o pošiljanju pomoči elsalvadorskim gverilcem iz Nikaragve.

Gen. Paul F. Gorman, poveljnik ameriških vojaških sil na območju karibskega morja, je trdil, da brez ameriške pomoči bi bila pred kratkim svobodno izvoljena elsalvadorska vlada predsednika Joseja Napoleona Duarteja enostavno obsojena na smrt. To je tudi stališče Bele hiše in tistih kongresnikov, ki podpirajo Reaganovo politiko do El Salvadorja in Srednje Amerike.

OPEC skuša obdržati ceno soda nafte na \$29 – V tem prizadevanju sodelujejo zahodna naftna družba – Iran dela težave

TEHERAN, Iran - V to mesto je prispele delegacija OPEC organizacije z željo, da bi dosegla sporazum z Iranom glede cene soda nafte, prodanega na svetovnem trgu. OPEC države namreč želijo obdržati ceno nafte na višini \$29 za sod, Iran pa prodaja nafto za nižjo ceno, ker potrebuje devize radi vojne z Irakom. OPEC države tudi skušajo kontrolirati količino nafte, ki jo prodajajo dnevno. Ako je namreč ta količina omejena, je lažje ceno kontrolirati. Iran pa kaže pripravljenost, prodajati čim več nafte.

Dejstvo je, da večina OPEC držav podpira Irak v iraško-iranski vojni. Zaradi tega, menijo opazovalci razmer v OPEC-u in na Srednjem vzhodu, je malo verjetno, da bi razum med Iranom in OPEC-om. Nekateri govorijo celo o možnosti, da bi cena soda nafte padla v prihodnjem letu kar na \$15 dolarjev, kar bi imelo dobre pa tudi neugodne posledice za svetovno gospodarstvo. Radi tega, pripominjajo, zahodna naftna družba sodelujejo z namenom, da se cena nafte na svetovnem tržišču ne znižuje.

Republikanci se pripravljajo na strankino konvencijo, ki se bo začela v Dallasu, Teksas v ponedeljek, 20. avgusta

WASHINGTON, D.C. – Republikanska strankina konvencija se bo začela 20. avgusta v Dallasu, Teksas. Na konvenciji bosta ponovno imenovana predsednik Ronald Reagan in podpredsednik George Bush. O tem ni najmanjšega dvoma, ker drugih republikanskih tekmecev ni. Kot kaže, bodo na konvenciji poudarjali predvsem gospodarski napredek v zadnjem času, za katerega naj bi bil odgovoren predsednik Reagan in njegova politika. Čeprav je nezadovoljnih z Reaganovo politiko tako nekaj skrajnih konservativcev kot skrajnih liberalcev (tudi teh jih je nekaj v stranki), imata Reagan in Bush podporo ogromne večine republikancev.

Organizatorji konvencije so izbrali blagajničarko ZDA Katherine Davalos Ortega

za glavno govornico na konvenciji. Ortega bi naj imela torej isto vlogo, kot jo je imel na demokratski konvenciji newyorški guverner Mario Cuomo. Ortega, ki je španskega oz. mehiškega rodu in izhaja iz države New Mexico, vodi zvezni zavod za tiskanje bankovcev in zadolžic ZDA. Baje bo nekaj rekla tudi v španskem jeziku.

Najnovejša ugrabitev iranskega letala se končala brez preliivanja krvi

RIM, It. – Druga ugrabitev iranskega letala v zadnjem tednu se je končala na rimskem letališču brez preliivanja krvi. Ugrabitelji so namreč izpustili več kot 300 potnikov in članov posadke. Rimski policisti so priprili dva ugrabitelja, ki sta zaprosila za politični azil, menijo pa, da so drugi ugrabitelji letalo zapustili skupaj s potniki. Koliko ugrabiteljev je bilo sodelovalo v akciji namreč še ni znano. Podsekretar notranjega ministrstva Raffaele Costa je dejal, da morajo zaslišati vse potnike, predno jim dovolijo odhod domov. Odkriti moramo vse ugrabitelje, je rekel Costa. Iransko letalo je bilo namenjeno v Saudsko Arabijo, kjer naj bi potniki obiskali islamski sveti mesti Meko in Medino.

Predsednik Nacionalne škofovske konference o stališču škofov do političnih kandidatov na letošnjih volitvah

NEW YORK, N.Y. – Škof James W. Malone, ki vodi škofijo v Youngstownu, Ohio, obenem je pa predsednik Nacionalne škofovske konference, je pripravil izjavo, v kateri svetuje vsem ameriškim škofom, naj ne podpirajo ali nasprotujejo političnih kandidatov na letošnjih volitvah. Izjavo bodo prejeli že ta teden vsi ameriški škofje, ki bodo nato poslali svoje pripombe, predno bo izjava objavljena kot uradno stališče 286-članske škofovske konference. Škof Malone je prepričan, da je izjava popolnoma v skladu s stališčem papeža Janeza Pavla II. o političnem ravnanju škofov.

– Olimpijske vesti –

LOS ANGELES, Kalif. – Prednost ameriških športnikov na olimpijskih igrah se nadaljuje. Do četrtega popoldne so Amerikanci kot posamezniki in v raznih ekipah dobili skoraj 130 kolajn, Zahodnonemci 38, Romunci 37 in Kitajci 27. Ameriški atleti so močni v skoraj vseh glavnih panogah. Med njimi izstopa Carl Lewis, ki ima že 3 zlate kolajne, išče pa četrto. S tem bi dosegel isto športno višino kot Jesse Owens na berlinskih igrah l. 1936. Lewis je že zmagal v tekih na 100 m in 200 m ter v skoku v daljavo, v soboto pa bo v štiričlanski ekipi ZDA za tek na 400 m.

Jugoslavija ima še vedno 4 kolajne, 1 zlato, 1 srebrno in 2 bronasti, vendar napredujejo nekateri člani ekipe SFRJ. Košarkarska ekipa iz Jugoslavije, ki naj bi bila tekmovala za zlato kolajno skupaj z ZDA, je bila premagana od Španije v polfinalu. Danes se bosta ekipi ZDA in Španije borila za zlato kolajno. Ameriške košarkarice so že dobile zlato kolajno, ko so premagale Južnokorejke.

Jutri zvečer bo moška odbojbarska ekipa ZDA spoprijela z brazilsko ekipo za zlato kolajno. Ameriška ženska ekipa si je priborila srebrno kolajno. V finalu so jo premagale Kitajke.

Stalin učenec Lenina

Med zadnjo vojno in revolucijo ter tik po njej je vladal v Jugoslaviji in posebej še v Sloveniji pristni stalinizem. Njegove strašne metode v ZSSR so znane: vsi vidni ali nevidni nasprotniki režima se morajo ali pobiti, ali pa spraviti v taborišča trpljenja in smrti (Gulag!). Ko pa je Tito po vojni izgnal Stalinove agente iz svoje dežele in se je Stalinu smrtno zameril, ga je ta vrgel iz Kominforma, kar je privedlo do razkola med Moskvo in Beogradom; od tedaj dalje v Jugoslaviji ni bilo več stalinizma, temveč leninizem, ki se je izživljal s stalinovimi metodami na znanem Golem otoku.

Toda stalinizem je doživel dokončno obsodbo na 20. kongresu sovjetske komunistične partije, ko je tedanji diktator Nikita Hruščov javno iznesel strahote Stalinovega režima, ga odklonil in njegovo truplo dal odstraniti iz mavzoleja v Kremliju. Od tedaj dalje v komunističnem besednjaku ni več besede stalinizem, na njeno mesto je stopila beseda leninizem, ki jo komunisti gonijo do onemoglosti tudi v Sloveniji, kjer da ima oblast marksizem-leninizem. Do nje pa se je dokopal kot pravi stalinizem s poboji, požigi in umori svojih nasprotnikov pri toliko opevanem »osvobodilnem« boju in tik po njem. Pozneje so ga zavrgli z gnusom sami revolucionarji in se ga sedaj sramujejo. S ponosom in samozavestno poudarjajo, da je temelj »osvoboditve« in revolucije — marksizem-leninizem. Kako je s to rečjo?

Aleksandr Solženicin, sam dolgoletni jetnik proslulih taborišč na otokih Severnega morja, ki iz lastne strahovite skušnje opisuje trpljenje in umiranje v Stalinovem Otočju Gulag, ugotavlja, da te strahotne morilske ustanove ni zamislil Stalin, marveč Lenin. To se je zgodilo že 7. novembra 1918, ko je Lenin ustanovil Čeko in z njo odobril nasilje kot temelj za ohranjanje komunistične oblasti. Nasilje torej, in zapiranje nasprotnikov režima, pobijanje brez sodnijskih preiskav in dokazov izvira od Lenina, ki je postal učitelj Stalina in njegovih metod, ki so v Sovjetski zvezi potrjene že od vsega početka in služijo za vzorec marksističnim nasiljem po vsem svetu, kjer se polastijo oblasti.

Komunisti lahko z Leninom v kalnem ribarju, ker je ta oče komunističnih diktatur prehitro umrl in zatorej svojih načrtov v Rusiji sam ni mogel z nasiljem izvesti. Umrl je namreč že l. 1924, ko je bil ves revolucionarni proces še v razvoju. Uresničil in izpeljal ga je v vsej dosledni strahoti njegov učenec Stalin za časa svojega 30 letnega vladanja, ko je dal pobiti na milijone in milijone nasprotnikov, druge milijone pa pošiljal v taborišča trpljenja in smrti.

Velja pri tej priliki podčrtati, da se je revolucija v bivši ljubljanski pokrajini vodila pod geslom Stalinizma, in je bil takrat Stalin božanski idol partizanskih borcev, ki so se borili za Stalina in z njegovim imenom na ustnicah umirali. Sam sedanji vodilni oporečnik v Jugoslaviji Milovan Djilas je med revolucijo Stalina po božje častil in nasprotnike pobijal dosledno po njegovem zgledu.

Čas in razvoj sta več ali manj odprla vrata svobodnemu svetu, da je razločno mogel videti, kaj se godi v pašaluku za železnim zatorom. Po vojni so se tudi v Rusiji krute metode nasilja nekoliko omilile, zlasti po Stalinovi smrti l. 1953. Za znosne odnose s svobodnim svetom, ki jih je realna politika nujno terjala, so Stalina začeli skrivati in kazati Lenina. Ni bilo več mogoče zločinca (kakor ga je na sliki imenoval brez pomišljanja mojster Jakopič) slaviti kot simbol sveto-

LETOŠNJA ROMANJA

LEMONT, Ill. - Marsikdo se ne more pridružiti romarjem, ki letos prihajajo k Mariji Pomagaj v Lemontu. Letošnja romanja so se do sedaj vršila nemoteno po sporedu, ker nam je bilo vreme zelo naklonjeno. Marsikdo, ki je vsako leto prišel v Lemont, je v večnosti, zato sem pa tem lažje opazil one, ki romajo že dolga leta vsako leto.

V razgovoru s posamezniki sem lahko ugotovil, da je duhovna hrana, ki jo dobivajo po mesečniku Ave Maria in med našimi romanji, prinesla nekaj sadov. Skušamo nuditi

slovenski vernosti primerno duhovno hrano, kar sem letos izrazil z besedo, ki to označuje: PRISTNOST.

Ob pristni slovenski duhovni hrani človek začuti in doživlja, da pripadnost slovenskemu narodu ni brez pomena v prizadevanju za osebnostno srečo in zadovoljstvo. Pristnost v vernosti pomeni, da človek med molitvijo, med duhovnim branjem, med poslušanjem božje besede in med bogoslužjem začuti domačnost cerkve, ki jo je obiskoval v rojstnem kraju in poslušal slovesno zvonjenje ob nedeljah in pra-

Vsem skupaj najlepša hvala!

vnega marksističnega gibanja, nadomestili so ga zatorej z Leninom. A Stalina je rodil — Lenin!

Ruski emigranti okrog revije Posev so izdali pred nekaj leti Zbornik člankov, kjer se govori tudi o Leninu in Stalinu. V enem teh člankov so zbrane Leninove osnove o upravljanju Sovjetske zveze, na katerih je Stalin gradil svoj teror. Omenjena je ustanovitev prvega taborišča l. 1919 na otokih Severnega morja, Leninov ukaz množičnega streljanja nasprotnikov in podobne ugotovitve. Tam je tudi zapisano, da vsako vračanje k leninističnim načelom pomeni vračanje k stalinizmu.

Solženicin in sotrudniki revije Posev so ugotovili, da je leninizem oče stalinizma. Kdor postavlja marksizem-leninizem za vodilo svojega javnega dela, se istočasno izjavlja tudi za stalinizem, pa naj pred svetom še tako goreče stalinizem taji in odklanja.

Tine Debeljak je v Svobodni Sloveniji (5. julija 1984), kjer razpravlja o tem aktualnem problemu, zapisal: »Do tega so, kakor vidim, prišli že tudi ljubljanski oporečniki in tamkajšnji časopisi.« Če to drži, smemo pričakovati kaj novega v domovini.

znikih. To se je vtisnilo v njegovo duševnost. V svoji notranjosti doživlja svojo slovensko naravo, ki teži po duhovni hrani, ki mu jo lahko nudi vernost, ki je tekom preteklih časov ustvarjala slovensko izročilo.

K pristnosti v vernosti nas vodi Baragova duhovnost. V njegovih časih je v veliki meri prevladovala pod vplivom jansenizma in drugih gibanj miselnost, ki je bila popolnoma tuja in nasprotna krščanstvu. V duhu te miselnosti so verovali, da je Bog ustvaril svet in človeka, a sedaj se več ne zanima za svoje stvarstvo. To je vodilo v versko brezbriznost in opuščanje verskih vaj in pobožnosti. Janzenistično predstavljanje Boga kot strogega in pravičnega sodnika, ki je brez usmiljenja do slabotnega človeka, je ljudi odtujevalo od Cerkve in krščanstva. Baraga pa je dobil v vernosti slovenskega preprostega ljudstva oporo v gorečnosti duhovniške službe in je v svojih pridigah, krščanskem nauku in svojih spisih predstavljal usmiljenega Boga, ki prihaja k človeku s svojo ljubeznijo in rešenjsko pomočjo. Baraga je učil tako, da je vsakdo, ki je sprejemal njegove nauke začutil, da Bog prihaja k njemu s svojo ljubeznijo in usmiljenjem.

Človek, ki je božja stvar in sprejema vase Kristusovo odrešilno delo, doživlja v sebi pristnost svoje vernosti, ki je božji dar dan vsakemu posebej tako, da človek ni izgubljen v množici. V sebi po veri doživlja Boga in njegovo rešenjsko pomoč. To je pristnost vernosti.

Ne zdi se nam dovolj, da samo govorimo o ohranjanju slovenske besede in slovenskih pobožnostih, vsem, ki jih dosežemo s svojim delom, in posamezniku moramo pomagati, da bo tudi v molitvi in v vseh verskih vajah doživljal slovensko pristnost.

To naše prizadevanje daje smisel in pravico do obstoja slovenskega Lemonta. Mislim, da Slovenci, ki prihajajo v Lemont in podpirajo slovenski verski tisk, to čutijo. In lahko ugotovimo, da je med letošnjimi obiskovalci Lemonta, veliko mladine.

Povedati pa moramo, da vse to ne more plavati v zraku in v čustvenosti prijateljev Lemonta. Naše prostore in stavbe je treba tudi vzdrževati. To poudarjam posebno sedaj, ko se pripravljamo na lemontski letni Baragov dan in na medeni piknik. Baragovo duhovnost Vam bomo lahko nudili, dokler bomo sposobni tudi finančno vzdrževati Lemont. Zato Vas prosim, da nas podprete pri letošnjem »medenim pikniku« s kupovanjem in razprodajanjem srečk za denarne dobitke, z darovi in s svojo udeležbo pri lemontskem Baragovem dnevu in pri pikniku na to nedeljo. Podprete nas tudi lahko s pecivom in poticami in pa s sodelovanjem pri pripravi kosila v nedeljo, 26. avgusta.

Mimogrede iz Milwaukeeja

MILWAUKEE, Wis. - Nekdaj so vedeli povedati o avgustu tole: Avgust ima še nekaj starih slovenskih imen: veliki srpan, prašnjak, mešnjek, mlatnik, osemnik in poznoleten. Veliki srpan je višek poletja, ki se v drugi polovici že nagiba k jeseni.

V tem mesecu sejemo dveletne rastline, ki naj prihodnje leto cveto, in cepljemo rože in nekatere cvetlice. Urejamo tudi kleti, tople grede in drugo, ki mora biti za jesen pripravljeno. V kuhinji ni posebne izbire v mesu velikih domačih živali; izvrstna je govedina in teletina. Dovolj je zelenjadi in kompotov, na vrtu so sedaj zreli paradižniki in paprika. V tem času so najokusnejši rečni in morski raki. Sedaj je tudi ugoden čas za sušenje raznih želišč, srpan je tudi mesec gob, ako ni presuho vreme. Sadje dozoreva in naj bi ga jedli šele tedaj, ko ga opere avgustovski dež.

Če se avgusta po gorah kadi, kupi si kožuh za zimske noči. — Če se megla zjutraj vzdiguje, slabo vreme napoveduje; če pa zemlja meglo posrka, lepo vreme na vrata trka. — To je nekaj splošnih vremenskih rekov za avgust, nekaj jih ima še Lovrenc (10.), Veliki Šmaren (15.) in Jernej (24. avgusta).

Dan se je že skrajšal za celo uro, toda pasja vročina nas sili, da se kopljemo v hladnih vodah, zvečer pa imamo priložnost v raznih parkih uživati koncertne in plesne prireditve. Nekateri zlobneži trdijo, da so ljudje v tem mesecu veliko bolj pasje vdani kot psi in ki niti ne tulijo, če so tepeni. Naj bo kakorkoli, veliki srpan naj nam prizanese s pasjo vročino.

Vsem onim, ki so rojeni v tem mesecu, in vsem godovnikom, vso srečo in lepo pozdravljeni!

Tako proketo vroče je zadnje dni, da ne bo odveč opozoriti občutljivih in starejših ljudi na vročinsko kap, ki sodi skupaj s sončarico med neljube sopotnike poletnega vremena. Do vročinske kapi pride zaradi bolezenskega zastoja toplote v organizmu, torej tedaj, kadar telo ne more oddajati odvečne toplote. To se rado primeri v zaprtih prostorih, kjer je mnogo ljudi, pa tudi na prostem sredi množice. Običajno ohlajevanje telesa je onemogočeno ker pot s telesa ne shlapi, vrh tega pa se telo ne more ohladiti z oddajanjem toplote, ker oddajajo sosednji ljudje prav toliko toplote. Človek v obraz zariplo pomodri, oči mu izstopijo in zrejo nepremično. Prizadetega je treba naglo spraviti na senčen kraj, mu odpeti vso obleko, ki ga utesnjuje, ga škropiti z vodo in pospešiti izhlapevanje s palčkanjem!

V preteklem mesecu juliju se je vršila v San Franciscu burna konvencija demokratske stranke, katere se je udeležilo

preko 3000 demokratskih delegatov obojega spola, veliko število žensk, včlanjenih v organizaciji NOW, veliko število črncev in predstavnikov »delavskih unij« ter raznih etniških voditeljev. Demokratska stranka ima v svoji sredi par odličnih, naravnost briljantnih govornikov kot so newyorški guverner Mario Cuomo, sen. Gary Hart in črnski pridigar Jesse Jackson, ta pa me v svojih kričavih govorih preveč spominja na Hitlerja, dočim fanatični demokrat, vodja demokratov v predstavniškem domu Thomas O'Neill me spominja preveč na Jurčičevega Krjavlja. Glavni cilj demokratske stranke in vseh govornikov na konvenciji je, za vsako ceno poraziti sedanjega predsednika Ronalda Reagana. Tako je dejala podpredsedniška kandidatka Geraldine Ferraro, predsedniški kandidat Walter F. Mondale pa je v svojem govoru obljubil, da bo kot predsednik Amerike izboljšal oz. popravil vse krivične odločitve predsednika Reagana, izboljšal bo prijateljske odnose s komunističnimi voditelji, napojil bo žejne in nasitil lačne. Kje bo jemal, tega ni povedal.

Ta mesec bo v Dallasu konvencija republikanske stranke, na kateri bosta enoglasno izvoljena kandidata Ronald Reagan in George Bush. Nato pa se običajno prične volilna borba takoj po delavskem prazniku. Toda demokratska kandidata sta začela politično borbo takoj po demokratski konvenciji.

Po mojem mnenju se bo letos vršila politična volilna borba med »demokratskimi liberalnimi idealisti« in »republikanskimi konservativnimi realisti«. Ti republikanski realisti pravijo ljudem: Če zaslužiš s svojim delom 100 dolarjev na teden, zapravi samo 90 dolarjev, 10 jih spravi za slabe dni. Demokratski liberalni idealisti pa pravijo: Če zaslužiš na teden 100 dolarjev, pa ti je premalo, pridi k nam in ti bomo posodili kolikor potrebuješ. Če ti ne boš mogel vrniti, bo pa vrnil tvoj sin ali hčerka. Tak nasvet pripelje do velike ekonomske krize. Sicer pa, ameriški narod bo 6. novembra 1984 glasoval in povedal, kdo ima prav. Važno je, da greste na volišče in glasujete za predsednika in podpredsednika, senatorje in kongresnike, kandidate, ki so vredni vašega zaupanja!

V soboto, 28. julija, se je v Los Angelesu z velikimi ceremonijami pričela XXIII. športna Olimpijada, pri kateri sodeluje 141 držav z okrog

7500 atleti, med njimi je tudi Jugoslavija. Amerika je v prvem delu tekmovanj dosegla veliko število kolajn, med njimi več zlatih. Največ zlatih kolajn so pridobili plavalci in plavalke, največje presenečenje pa so nam pripravili ameriški telovadci s tem, da so zmagali in bili počaščeni z zlato kolajno.

K temu uspehu gre vse priznanje najboljšemu ameriškega telovadcu Petru Vidmar, ki je osvojil največ točk. Peter Vidmar je naš gore list in je dokazal, da je danes eden najboljših telovadcev na svetu, tako, kot je pred leti dokazal v Parizu sokolski telovadec Leon Štukelj, po drugi svetovni vojni pa v Mehiki telovadec Miro Cerar.

Ko gredo igre v Los Angelesu h koncu, se že vprašamo, ali se bo prihodnja Olimpijada leta 1988 vršila kot napovedana v Seoulu, v Južni Koreji, ali ne? Upajmo, da se bo!

V letošnjem juliju in avgustu je milwauški simfonični orkester pripravil več večernih koncertov na prostem v lepem milwauškem »Zoo«. Pa večerov pa je bilo na razpolago raznim etniškim plesnim skupinam. Zadnje julijsko sredo je bil »Balkanski večer«, nato »Slovanski večer« in »Evropski večer«. Na Balkanskem večeru so v narodnih nošah in plesih nastopili bolgarski plesalci in plesalke, grška plesna skupina, hrvatski plesalci skupine Plavega Jadrana, hrvatski tamburica orkester, z velikim uspehom so tudi nastopili izvrstni plesalci in plesalke slovenskega društva Triglav.

To slovensko skupino vodi znana Izabela Kralj-Bambičeva, ki je za ta večer odlično pripravila plesno skupino, kjer so plesalci in plesalke v hitrem polkinem ritmu in radi zapletenih obratov in živahnega rajanja na odru, resnično navdušili vse navzoče. Za ples so igrali naši odlični harmonikaši. Ta triglavanska plesna skupina z I. Kralj-Bambičevom na čelu nam še prikazuje in ohranja pristnost naših narodnih plesov in bogatih ljudskih noš. Da bi tako ostalo še dolgo vrsto let.

V zadnjem mojem poročilu, kjer sem napisal, da se je od nas za vedno poslovil znani in spoštovani staronaseljenec Joseph Matoh, je »tiskarski škrat« (dejansko urednikova napaka, op. ur.) malo ponagajal. Napisal je, da je Joe Matoh emigriral v Mehiko, kar pa ni bilo res. Pokojni Joe Matoh je prišel iz »starega kraja« naravnost v Ameriko pred več

CLEVELAND, O. - Sonce »žarko pali«, zato se pogosto hladim na naši Slovenski pristavi.

Lep je ta košček naše zemlje, pa tako razporejen, da pride lahko vsak do zaželenega. Ko privoziš na to zemljo, kmalu za velikim ovinkom na tvoji levici je lepa ravnica, ki so jo poimenovali Orlov vrh. Vse, kar tukaj vidiš, je kakor majhno pokopališče s kapelico Marije Pomagaj — vse v spomin našim žrtvam vojne in revolucije. Kadar je kapelica odprta (da se zračni), stopi pred Milostno podobo, prižgi svečo, se lahko Mariji zahvališ ali pa ji potožiš svoje gorje.

Spusti se z vozilom ali peš po klančku par sto metrov navzdol pa si tam, kjer »Bog roko moli«. Veliko poslopje, dvorana, kuhinja in gostilna, na drugi strani pa miz in klopi v hladni senci zadosti za tisoč gostov. Starejši se navadno več okoli miz držimo, mladi pa (nič zamere, če so žejni) baro obkrožijo.

Imamo dosti veliko parkališče, pa več igrišč. Jaz, tudi ko sem bil še mlad, se nisem za krogami podil — pred krogami sem bežal in Boga hvalim, da me ni nobena poljubila.

Še naprej od glavnega pristavkega poslopja, na onem koncu, kjer sonce zahaja, sta pa dva plavalna bazena. Pravi-

kot 70 leti in to v Joliet in nato v Milwaukee. S tem popravljamo napako in prizadete prosimo oprostjenja.

Kadar si slabo razpoložen ali pa te napadajo grenke misli, spomni se na razne vesele Slovence, ki ti dokazujejo, kako se naš jezik po raznih naših krajih hitro in nedolžno spreminja. Tisti na Štajerskem so »zarukani« in »tumasti«, tisti proti Gorenjski postajajo vedno bolj »zabiti« in »neumni osli«, na Dolenjskem kdor ni »šobast«, je pa »trobast«.

Od Ljubljane, kjer je človek »trapašt« ali pa »malce čez planke«, je skozi Postojno »neumen«, niže doli proti Krasi začne biti »matast«, iz Šentpetra proti Ilirski Bistrici začne biti »glup« in »bedast«; ko zavije proti Reki je že »munjen«. V smeri proti Trstu se človek spremeni v »zmotjenega«, dokler v Trstu ne postane »šempjast«.

Ko v Ameriki pravimo temu ali onemu, ta je pa malo »off«, pravimo pri nas takemu: »utrgalo se mu je«. Po teh zvenceh imenih se sigurno malo oddahneš in pomiriš in zavedaj se, da danes vsa pota vodijo v Washington, D.C.! A.G.

Na Slovenski pristavi smo. Nateplo nas se je polno omizje. Spoštljivo po požirkih srebljamo iz kozarcev pijačo, kakršna pač možakarjem pripada. (Mleka nismo pili, ker po mleku žile poapnejo.) V pogovoru smo mlatili največ prazno slamo, pa tudi nekaj resnega govorjenja je bilo. Ko nas je (vsaj malo) moč alkohola objela, je bilo na pretek lastne hvale, pa tudi precej kritike. Pojavljala so se tudi vprašanja kot na primer: čemu imamo toliko društev, toliko klubov in »fehtarij«? Malo, čeprav z rokavico, se je dregnilo tudi mene. Kakor gotovo je včasih meni pusto zaradi moje naglušnosti, je po drugi plati prav, če vedno vsega ne slišim.

In smo šteli: Štajerski klub, Belokranjski klub, Primorski klub — kako je to, je nastalo vprašanje, da prav mi Dolenjci, ki nas je največ v Clevelandu, in pametni smo, kako to, da še nimamo svojega kluba?

Še malo popijemo, pa kar hitro je bil sestavljen odbor, in jojmene, mene so za predsednika imenovali! Kar topiti sem se začel, ne vem pa ne, če od same domišljave sreče ali od vročine. Si lahko mislite — iz mojega »nič« pa kar naenkrat priti na tako častno mesto. Sedel bom — ta sem si mislil — jedel same dobrote, zalival se in dajal povelja.

Sedim in gledam po parku naokoli. Može lepe postave, moških let v nedeljski obleki pelje mimo naše mize sod od padkov na smetišče. Kdo je ta človek?, si izprašam. Ne dolgo tem pride neka žena k temu možu in pravi: »V stranišču se je 'zablakalo', je povsod že (Dalje na str. 4)

Slovinci imamo letos 23 novomašnikov

CLEVELAND, O. - Po škofijah je razdelitev novomašnikov naslednja:

v ljubljanski	7
v mariborski	4
v koprski	4
v celovski	1
redovniki	7

Povprečna starost letošnjih novomašnikov je 26 let in pol; najmlajši ima 24, najstarejši pa 32 let. Skoraj vsi izhajajo iz kmečkega odnosno iz delavskega stanu. V družinah z več otroki pogosteje rastejo duhovniški poklici! Med letošnjimi novomašniki sta tako kar dva, v katerih družinah je po devet otrok. Slovenski koroški letošnji novomašnik je g. Peter Olip iz Sel pod Košuto.

Sicer ne spada pod zgornji naslov, pa naj bo vendar priobčeno tu, namreč, da je krški (celovski) škof dr. Egon Kappelari pred kratkim imenoval Poldeja Zundra za župnika v Železni Kapli, Jožega Dameja pa za župnika v St. Rupertu pri Velikovcu.

polno vode.« Isti mož (za mene je izgledal imeniten gospod) hiti v žensko stranišče, da je problem zamašene školjke rešil. Kmalu nastane onkraj poslopja hrup in cviljenje. Izmed podečih se otrok je eden padel in si poškodoval nogo. Isti mož hitro odreja, da se dobi avto in da se otrok odpelje v bolnico.

Sprašujem: »Kdo je ta človek, ki ga vse kliče, in ki popriema za vsako delo na sam nedeljski dan?«

Kaj ga res ne poznaš? To je predsednik Slovenske pristave. Zato je izvoljen, da dela in rešuje vse pristavske probleme!

Posvetilo se mi je! A tako?! Predsednik društva (ali kluba) naj bo na razpolago vsem za vse – odbor in narod ga pa gleda, ko on služi hlapca.

»Fanjte,« sem rekel, »odbor Dolenjskega kluba razpuščam in odstopam od predsedništva.«

Smejali smo se eden drugemu, smejali kaor stara, podna vrata. V nekaj prijetnih uricah je naš klub nastal in propadel. Veseli smo se razšli in odpeljali vsak na svoj dom.

Po naši Ameriki (šla sta tudi v Kanado) se vozarita č.č. duhovna gospoda, koprski škof Janez Jenko in njegov spremljevalec dr. Drago Klemenčič, glavni urednik *Družine*. Primorski klub je njima vozilo naravnal v smer, da sta 5. avgusta privozila na Slovensko pristavo. Brez da bi mežnarji rohnili in se zvonovi zibali – kakor je bilo včasih v obvezni navadi – sta se škof Jenko in dr. Klemenčič znašla med verniki.

V spominski kapelici Marije Pomagaj se je ob 12. uri darovala sv. maša. Po maši pa je čisto preprosto škof hodil med verniki in se prav po domače z nami razgovarjal. Res, bil je kakor pastir med ovčami. Udeležba pri tem srečanju s škofom je bila prav lepa. So bili časi, ko si se v nekem strahu in ne samo v globokem spoštovanju približal pred škofa,

klecnil s kolenom in spoštljivo poljubil njegov škofovski prstan.

Jaz sem to pot na Pristavi sedel pod senco lipe in ravno premišljeval, kako se bom s sedeža skopal in malce poklon napravljal, ko bo prišla prilika se srečati s tem velikim cerkvenim gospodom. Iz počasnega premišljevanja dvignem glavo in, jojmene, pred menoj stoji sam prevzvišeni. Predno sem jaz našel besedo, ki bi jo škofu izrekel v pozdrav, me je že škof prehitel rekoč: »Dober sedež imate in lepo v senco ste se potegnili.«

»Nič hudega mi ni«, sem rekel in iskal izgovora. »Včasih smo verniki prišli pred škofa, danes ste pa Vi prišli pred mene.« Še nekaj sem stokal, ko sem se postavljajal na noge.

Se res časi spreminjajo – pa tudi ljudje!

Dve folklorni skupini imamo, kar po mojem nič narobe ni. Smo lahko le veseli, da imamo še toliko mladine, ki se za kulturne nastope še žrtvuje. Kdor ni bil nikoli v nobenem društvu ne ve, koliko truda je potrebna za dober nastop.

Zaradi mladine same, če že ne iz drugih razlogov, je nujno, da oba nastopa obeh skupin s svojo navzočnostjo posejimo in damo tako mladini za slušeno priznanje.

Povabim vse Slovence in Slovenke za 25. in 26. avgusta na ADZ-AMLA letovišče, kjer bo naša mladina, združena pod imenom »Slovenski folklorni inštitut« v lepih nastopih pokazala, kaj vse že zna in koliko je še napredovala od prejšnjih nastopov, ki so bili vedno lepo podani, in tudi lepo obiskani.

Domači in gostje iz drugih mest bodo nastopali cela dva popoldneva. Kdor ne more se udeležiti obeh popoldnevov, naj si izbere vsaj eno popoldne – sebi za razvedrilo in nastopajočim v veselje.

AMERIŠKA DOMOVINA, AUGUST 10, 1984

A Tribute to Bishop Rožman

The following speech was given by Joseph Likozar on Sunday, July 1 at the Franciscan Monastery, Lemont, Ill., at the site of Bishop Dr. Gregory Rožman's grave. It was translated from Slovenian into English by Joseph Zelle.

Dear Pilgrims:
The hospital priest closed the eyes of Bishop Rožman, at death, with the words, "A saint has died!" This occurred on Monday, the 16th of November, 1959.
Just as the bishop's death was faintly, so was his life pleasing to God. Everything was given to love of God and homeland. For 25 years now, the body of his great Slovene has been resting in the quiet of this monastery, and year after year, we come to his grave to confirm the saintliness of his life by praying at his gravestone, the only memorial to Bishop Rožman.
Here on earth it will not be possible to truly understand the magnitude of Rožman's work. His Excellency did not talk about himself. His unshakeable love for God and the Slovenian nation is well known. He testified to this in his talks all the years as bishop. We can only surmise his personal pains and sufferings, and this only indirectly through Christ's meditations on his wounds. The bishop did not complain. He bore all the burdens submissively and offered them up to God that he might entreat the blessing for his beloved nation. And

this very sacrifice raises him to the rank of saints.

The bishop's activity in the life of the church enriched all faithful Slovenes and with deeds elevated them spiritually. With his introduction, we Slovenes began the devotions of first Fridays and first Saturdays, which we continue even today.

In like manner his dedication of families and all of the dioceses in Slovenia to the Immaculate Heart of Mary is still valid. In 1955 he renewed that dedication here in America, too. Right at this shrine, the American Brezje, during the great pilgrimage of July 2nd to the 4th, the bishop placed the Slovenian families under Mary's protection. Their names, in a bound book, are safeguarded in the Franciscan monastery. As long as we shall be aware of this dedication, we shall be bound to the memory of his excellency.

When, in the most difficult times in Slovenian history, the Lord God in His wisdom, chose Dr. Gregory Rožman as leader and shepherd of the Slovenian Church, Rožman did not decline the responsibility. With the knowledge that he was setting out on a thorny path, he already placed his entire conviction into his episcopal motto: "The weight of the cross and the reward."
And how heavy was the weight of the cross? His episcopacy embraced the period of the Second World War, a triple occupation, and the Communistic revolution.

When the occupation forces

chopped up Slovenia, the bishop's heart began to bleed. Until death, this heart never healed again. When the Germans were locking up priests, transporting families, and filling the concentration camps, it shrank with anguish. It died with every executed hostage. It suffered the hunger and thirst of all of the prisoners at Rab, Gonars, and Padua. It shuddered in horror at the burnings of Slovenian villages. During those times, the Slovenian people shed tears and the bishop wept with them. In prayer, he pleaded: "Lord God, our eyes look up to You, lest we perish." He also turned to God when the exterminating occupation forces were joined by the internal one — the Communist Party.

Bishop Rožman was not a politician. He defended the Faith against Communism. That was an affair of the Church. He was in complete agreement with the declaration

A Pilgrimage to Canada

By Lavona Avitt

Early Sunday morning, July first, 34 pilgrims set out by bus with tour leader Sister Albina and trusty driver Carl McCartney for eight days visiting various shrines and points of interest in Upper New York state and Canada.

After a rest stop, we arrived in Youngstown, New York at about 12:30 for Mass at our Lady of Fatima Shrine which is run by the Barnabite Fathers.

Since 1954, our Lady of Fatima Shrine has become a place of natural beauty, art, communal prayer, and restoration to thousands who visit the unique buildings and grounds each year.

The magnificence and natural beauty of the shrine is highlighted by an awe-inspiring dome basilica covered with 2 layers of glass and plexiglas, with a contour of the Northern Hemisphere

of Pope Pius XI: "No one can be, at the same time, a sincere Christian and true Socialist." The bishop's resistance to Communism was a struggle against Satan. In this struggle he had to be consistent. And such he was, too, for he himself wrote: "Compromises are not made with the devil."

This determination demanded the greatest sacrifice from the bishop. He became a refugee. The new political leadership in the homeland convicted him, in absentia, of high treason. He was reviled and slandered. Grievously he bore the unjust sentence of the

Communist authorities. But, even more, the thought oppressed him, that he could no longer work among the faithful in Ljubljana.

Rožman's name is still stigmatized in his homeland. We Slovenes in the free world, therefore, greet with joy the move that a visible monument be erected to the bishop to counter the Communist mistake. A monument to stand in the student center of Saint Modest in Celovec. This external expression of recognition, a monument beyond the

Slovenian Bishop Honored With Reception

By Madeline Debevec

On Monday evening, Cleveland Mayor George V. Voinovich hosted a lovely reception, honoring Slovenian Bishop Janez Jenko of Koper.

Accompanying the bishop on his visit here is Rev. Dr. Drago Klemencic, editor of the Slovenian newspaper Družina.

They will attend the Baraga festivities in Chicago next month.

Also on Monday night, we enjoyed meeting the delegates of the American Fraternal Union as they convened for the 27th quadrennial convention at the Holiday Inn in Wickliffe.

A delicious Slovenian dinner and social, hosted by the Ohio Federation of AFU Lodges, was held at the Slovenian Society Home of Euclid.

On Tuesday, a banquet was held at the Holiday Inn, with representatives from all the Slovenian fraternals attending.

Daryl Bogatay Ordained

Mr. and Mrs. Norman Bogatay of Newport News, Va., announce the Aug. 16 ordination of their son, Daryl J. Bogatay.

He completed his college work in June 1983 and has been the pastor of the First Church of the Nazarene in Fredericksburg. The church is in the midst of a building project and includes six acres of "beautiful land," according to Norman Bogatay.

When the new church is completed, it will seat 200. It is being constructed by Cogun Industries of North Lima, Ohio.

The church is about four minutes off Route 95 in Fredericksburg. Readers passing through are invited to stop and say hello.

Lausche Enshrined

Ohio Gov. Richard Celeste joined two former governors at the Ohio Conservation Awards ceremony last week when former Gov. and U.S. Sen. Frank Lausche was inducted into the Ohio Conservation Hall of Fame.

Our dear Frank, 88, lives in Bethesda, Md., but claims his hometown of Cleveland as his legal residence. He was honored with the award by the Ohio Department of Natural Resources, formed 35 years ago during his administration.

Jarem Graduates

Tony Jarem of Euclid recently was graduated from Cleveland State University with a degree in civil engineering and is now employed with Triggs & Associates, a Cleveland based geotechnical engineering firm.

A 1979 graduate of St. Joseph High School, Tony participated in Cleveland State's co-op program and worked as a quality control

consultant on a construction site in downtown Cleveland. He also was active in the Civil Engineering Society and was elected president of that organization in the 1983-84 school year.

He also received an award for being the outstanding senior in the civil engineering department.

A Speedy Recovery

Angela Winter of Newburgh is resting at home after eye surgery at St. Alexis Hospital.

Though we're sure she'll be back in circulation soon, for the time being she'll be missed at the St. Lawrence Church rectory, where she does volunteer work each week, and at St. Alexis, where she has received recognition for putting in more than 1,000 volunteer hours.

Of course, she'll also be missed at Sunday's KSKJ picnic, where she always helps wherever needed.

Double Anniversary

On Tuesday, Aug. 7, John and Marinka Skubitz of Willoughby Hills, Ohio, and Jože and Silva Dolence of Gilbert, Minn., celebrated their 30th anniversaries.

They were married in a double ceremony in Eveleth, Minn. Congratulations and best wishes are sent out from their children, grandchildren, relatives and friends.

Happy 50th

Frank C. and Margaret (Orosz) Demshar of North Olmsted, Ohio, celebrated their 50th anniversary June 16 with a Mass of Thanksgiving at St. Brendan Church, followed by a reception at the Westlake Holiday Inn. They were married June 16, 1934, in New Bedford, Pa.

The couple has a son, Frank J.; daughters Jacqueline Hochschild, Margaret Ann Creswell and Sharon McMullen; 17 grandchildren and one great-grandchild.

Associated with the corrugated box industry for more than 50 years, Demshar is now a sales rep for the Tecumseh Corrugated Box Co. Mrs. Demshar is a retired volunteer beautician who gave more than 20 years of service to the Cleveland Psychiatric Institute.

Hiti Fourth in Nationals

Euclid resident Jeanette Hiti, who'll be a junior at Lake Catholic High School in Mentor this fall, recently returned from the Junior Olympics National Track and Field Championships in Baton Rouge, La.

After qualifying for the 400-meter finals with a time of 57.2, she ran a 56.8 in the finals, the fourth fastest time in the nation.

Jeanette twisted her ankle after her first run," reported Lake Erie comet head coach Larry Siebert. "It swelled up pretty good the day of the finals. We honestly feel if she had been 100 percent, she would have placed higher."

Jeanette, in her second summer with the Comets, placed

Travel News

Mary and Cyril Grlic of Pompano Beach, Fla., vacationed in Cleveland this summer. They always find time to visit us at the American Home, and both looked great.

They are now exploring the paths of Bishop Baraga in upper Michigan. They write, "It feels like a holy place. greetings to all!"

Ivanka Kosir of Cleveland and children Joe and Cili visited relatives for a month in Slovenia. It was the first trip abroad for the Kosir twins.

Sophie Matuch and daughter Dina of Euclid enjoyed a great week in New York City. On Broadway, they saw "42nd Street" and the Rockettes and were surprised to see former Cleveland Jiminy Tushar playing the role of Ben in "The Rink."

Rikk Jenko, Tony Zakelj and Michael Tarrington spent two weeks vacationing at Virginia Beach, Myrtle Beach and Daytona Beach.

They were glad to return for some good home cooking after 14 days of fast food restaurants. McDonald's hamburgers, it seems, were getting a little too much to take. All are sporting nice tans.

Happy Retirement

Rose Intihar of South Euclid recently retired after 40 years as an executive secretary at General Electric.

She is a member of the the Holmes Hall Buttonaires and enjoys playing her button box and dancing.

And she doesn't look a day over 40!

Slovene Exhibitors Sought

The Lake Erie Girl Scout Council and WCLV Radio, which are sponsoring a doll fair on Sept. 30, are seeking exhibitors of Slovenian dolls, or makers or collectors of same.

People interested in infor-

mation or reserving space at "Oh! You Beautiful Doll," should call Penny Gordon at 481-1313.

News from South Florida

Miami, Fla. — The American Slovene Club of South Florida held its June meeting on the 3. It was the final meeting of the summer. The next meeting will be on Sept. 9.

We celebrated Fathers Day. Our eldest father was Frank Perhaj. It was good we chose him because he was down in spirits with the shingles. However, he has recovered enough to travel to Slovenia with his lady Ann, daughter and granddaughter.

Fran Vranicar, Hermine Race, Ann Dan Novak, Mamie and Ivan Willis, Theresa Clements, are also going. We have Catherine and Dick Flynn going to Ireland.

The Flynns are celebrating their 50th wedding anniversary this month. They brought a beautiful large, delicious cake, and donated \$50.00 for drinks for all members. George Dobos donated all the sausages, and the ladies made potatoes and sauerkraut. Together with other food, it was a nice dinner.

which will feature more than 30 units, the Slovenian National Art Guild will host an all-day exhibition.

Sunday also will be designated as "Musicians' Day," with a special album display in the lower hall. All are invited to bring albums for the display, which will include special exhibits by the Vadnal and Kocin families.

A special tabloid newspaper also will be printed by the American Home for this auspicious occasion.

We thank the Collinwood Home for its support and hope our subscribers will join in the many festivities planned for the weekend.

We had dancing, singing, and told many jokes. Molly Bogus did her famous Hawaiian specialty. It was a wonderful afternoon.

On the sick list are Nan Gasparic, Mario Jakovich and Mary Nagode. Mary has been ill for a long while, and now the worst has happened, the dear soul had her right leg amputated above the knee. She is very cheerful in spite of all her problems. She has two devoted sons who take exceptional care of her. We wish them all a speedy recovery.

Our member Ned Girlando, formerly of Akron, Ohio, passed away on May 23. He was ill for over a year. We extend our condolences to the family. Burial was in Akron. He was a quiet, smiling man.

John Phillips from Cleveland was our guest.

Our club donated \$100.00 to the great lady of New York (the Statue of Liberty) to have her restored.

borders of the Ljubljana diocese, is to us the assurance that some day the insulting pillar, which the bishop's enemies set up before the Ljubljana cathedral, will become a monument to victory and orthodoxy. At that

time, the earthly remains of Bishop Gregory Rožman will find their proper place, the place of the good shepherd among his flock, in the vault of the Ljubljana cathedral. Until then, your Excellency, may the Lemont soil rest gently on your bosom!

A Pilgrimage to Canada

(Continued from Page 5)

of the globe. The impressive approach to the chapel is down the Avenue of the Saints and around the serenity of the Rosary pond.

Two flights of stairs with 63 steps each lead to the top of the dome where in graceful majesty stands a huge statue of Our Lady of Fatima. The statue carved from Vermont granite, is 13 feet high and weighs 10 tons. From the top of the dome visitors can view the entire shrine, grounds and the surrounding countryside.

There is a religious article store, where we all had our first fling at shopping. It also has a lovely cafeteria where we enjoyed our lunch together with a birthday cake and candies, brought from home by Nefka Kastelic, for Sister Anna who had a birthday July 1st.

After spending about two hours at Our Lady of Fatima Shrine - we proceeded to Niagara Falls, Canada where we stopped to view the falls and on the Monastery of Mount Carmel overlooking the beautiful falls.

As we entered Canada we were immediately aware of the Holy Father's visit to Canada. The theme being used is "CELEBRATE OUR FAITH" and the Holy Father will be visiting Canada September 9 - 20.

The Carmelite Fathers and Brothers came to Niagara Falls in 1895, to administer the Shrine of our Lady of Peace. The parish was established on the Niagara Peninsula in 1829.

After visiting the Monastery and viewing the falls and the lovely floral arrangements around, we proceeded to our first night's destination, Toronto.

July 1st is Canadian Dominion Day and so there were many patriotic things going on there. We were happy to have two nights in Toronto at the lovely Delta Chelsea Inn - in the heart of town.

Monday morning we attended Mass at St. Michael's Cathedral, built in 1848. In the heart of Toronto, St. Michael's Cathedral is the principal Church of Canada's largest English-speaking Catholic Archdiocese. The Cathedral is the work of both prelates and people, rich and poor. When Fr. Michael Power, pastor of Laprairie, Quebec was named first Bishop of Toronto, December 17, 1841, one of his major problems was to build a Cathedral in his new See of Toronto, at that time a city of 13,000 with a Catholic population of 3,000. Part of the purchase price of the land came from his own modest savings. Another source of funds was a Sunday penny collection among the Irish faithful, rich in faith but poor in goods.

The cathedral is still gloriously served by the great organ brought from the Philadelphia Exposition before the turn of the century.

Approximately 3,000 attend Mass each Sunday.

We visited Casa Loma, Toronto's "House on the Hill." This is the result of the imagination and ambition of Sir Henry Mill Pellatt, Cana-

dian financier, royalist and devoted military officer. It was Sir Henry's purpose, with this magnificent 98-room castle, to offer fitting hospitality for visiting royalty, and to provide a permanent edifice, of which Torontonians could be justly proud. Drawing heavily on the architecture and decor of European castles, and with materials from all parts of the world, Sir Henry began construction of his castle in 1911. It was not quite completed when work was interrupted by the outbreak of World War I.

In the early 1920's times changed and Sir Henry found the cost of upkeep beyond his ample means and the castle was taken over by the City of Toronto for taxes.

In 1937, under an arrangement with the City of Toronto, the Kiwanis Club of West Toronto restored Casa Loma as a tourist attraction and continue to use their share of the proceeds to support many worthwhile community projects.

We also visited Black Creek Pioneer Village - a Heritage project of the Metropolitan Toronto and Region Conservation Authority.

Black Creek Pioneer Village consists of over 30 authentically restored buildings furnished largely through the generous donations from many public spirited friends of the Village. Many of the priceless gifts in the homes have been treasured by families for well over 100 years. The village is still in need of more articles dating prior to 1867. We had lunch at this lovely Pioneer Village.

Our first evening in Toronto we visited the top of the CN tower and viewed the city of lights by night. We also saw a very informative movie about the building of the tower. The second night we had dinner at Ed's Warehouse, Toronto's unique theatre restaurant.

Several years ago, one of North America's most flamboyant and successful merchandisers, Mr. Ed Mirvish of Toronto, Canada, purchased the Royal Alexander Theatre, considered one of the finest theaters in the world. The lack of fine dining facilities in the immediate area prompted him to purchase an adjoining warehouse building in which he created an elegant dining room. The theatrical motif has been blended with one of old world splendor and charm by utilizing much of his famous collection of antiques to create one of the truly fabulous restaurants of our time. The decor features the world's largest collection of Tiffany lamps.

Each night over 3,000 persons enjoy a superb dinner of roast beef or steak.

There is no check room, coats are hung on pillar hooks beside each table; the waiters wear vividly striped blazers and straw boaters. The first impressions that come from all this are perhaps in this order: fun, New York gaslight, warmth, informality.

Tuesday morning, after having Mass at St. Michael's and a short time for shopping at Eaton Center, we left for Ottawa.

Enjoy Reading Paper

Editor:

The enclosed check for a year's subscription includes an extra \$5.00 toward the new printing press.

I should mention at this time how much we enjoy reading the paper. This is the only way we can keep in touch with our former neighborhood and parish church.

We especially enjoy reading "Dan's Diary." He has a real talent and great memory when he writes about all of us who grew up in the St. Vitus parish and participated in all the parish clubs and activities. We can never forget those years and often think of the good times we enjoyed during the 1930's and 1940's.

Just because some of us moved away from the St. Clair Ave. area does not mean we no longer care what is now

happening there. We do care and love to read about our former friends and neighbors. Our roots are there and so are our hearts.

Best wishes to all readers and supporters of the *Ameriška Domovina* newspaper.

Yugoslav Tunnel Built With Blood and Valor

During the Second World War the SS Germans decided they wanted a quick passage through the Karawanken Mountains between occupied Yugoslavia and German-annexed Austria.

They came up with an idea of building a one-mile long tunnel through the mountains. It was to be built with only the labor of unskilled men from Mauthausen concentration camp and other conscripted sources.

It became known as The Tunnel at Loibl Pass.

A Frenchman, André Lacaze, who was there, wrote a book as a fictional novel, about the experiences of the workers there.

The workers had no machinery and dug the tunnel with axes and shovels. The book shows the SS and the Kapos (trusted workers who were in charge of the slave-laborers) to be some of the most cruel people ever to have lived on the face of the earth. How these men could survive the daily beatings and meals consisting of one bowl of water (soup) a day and work

from sun-up to sun-set lifting heavy earth with no resting periods seven days a week is beyond imagination.

The book is a tragedy, and yet it showed that despite all the torture and sadistic deaths, the tunnel was eventually built.

Today it is in use for travelers who might enjoy a delightful trip to the beautiful Yugoslavian mountains for some skiing, or a breathtaking view in the summer. It is ironic, pathetic, and at the same time, a monument to the endurance of mankind.

Need for Paper

Editor:

There is still a need for the Slovenian newspaper for the many Slovenians who came here after World War II plus the elderly or persons like myself, second generation Slovenians who can read Slovenian and keep in practice with your paper.

I also enjoy Eleanor Pavay's travel articles. She is an excellent writer.
