Francija omejila uvoz olja za prihodnje leto

Francoska vlada je objavila, da bo Francija uvozila prihodnje leto olja le v skupno vrednosti 10.1 bilijona dolarjev. V zvezi s tem je odredila omejitev njegove uporabe.

PARIJ, Fr. — Vlada je objavila za prihodnje leto omejitev uvoza olja na skupno vrednost 50 bilijonov frankov (10.1 bilijon dolarjev). Pri tej vsoti bo ostala tudi, če ibi se cene olja povečale. Pri sedanjih cenah bo uvoz zmanjšan napram sedanju za 10%. To zahteva omejitev porabe olja.

Zato je vlada izdala ukrepe za omejitev rabe olja pri ogrevanju domov in podjetij. Doslej so ti ukrepi najostrejši, kar jih je katera izmed držav Zahoda izdala na tem področju. Francija se zaveda, da večje porabe olja pri sedanjih cenah enostavno ne izmora.

Na novo ustanovljena "Agenca za porabo energije" bo nadzirala uporabo goriva v privatnih domovih in v industriji. V domovih in v javnih poslopijih je temperatura za zimo omejena na 20 C (68 F). Kako bodo izvajanje te odredbe izjavili, za enkrat še niso povedali.

Vlada je razpravljala o povečanju nakopa premoga in o omejitvi porabe električnega toka.

Francija je prva prešla k deljanjem, ko ZDA pritisajo na izvoznice olja, naj znižajo njekove cene, ki so postale neznotne in grozijo vsemu svobodnemu svetu z gospodarsko stisko in polomom. Pri tem v Parizu pozivajo k sodelovanju med državami Skupnega trga in med izvoznicami olja na Srednjem vzhodu ter svarijo pred soočenjem, ki utegne postati nevarno za obe strani.

Kissinger govoril s Turkom in Grkom

NEW YORK, N.Y. — Ameriški državni tajnik H. Kissinger je v torek sprejel in se dalj časa razgovarjal z zunanjim ministrom Grčije G. Mavrosom in zunanjim ministrom Turčije Turanom Gunesom. Hotel je pregledati z njima položaj in dogmati, če je možno kako ameriško posredovanje z izgledom na uspeh.

Razgovor je pokazal, da za enkrat takih izgledov ni, ker položaj še ni dozorel. Kissinger je pouparil, da morajo ciprsko krizo rešiti Grčija, Turčija in Ciper sami. La taka rešitev more biti trajna, vsaka rešitev, ki ne bi imela polnega soglasja Cipra, Grčije in Turčije, na dolgo roko ne more uspeti.

V Grčiji se pripravlja na volitve in jim je Ciper trenutno precej daleč. Turčija je sredi vladne krize, ki je delno povezana s Ciprom, in zato ni ne pripravljena ne sposobna začeti kakšna resna pogajanja.

V Pekingu svarilo Zahod pred namerami Sovjetije

HONG KONG. — Teng Hsiaoping, podpredsednik kitajske vlade, ki nadomešča bolnega predsednika vlade Ču En-laja, je zadnjič svaril nekega zahodnega obiskovalca pred sovjetskim načrti "proti Evropi".

Kitajec je navajal, da ima Sovjetska zveza trenutno na svoji zahodni meji zbrani trikrat toliko oboroženih sil kot na Kitajski. V Evropi naj bodo torej pazljivi.

Brežnjev hvalil Forda

Sovjetski vodnik je na večerji v čast madžarskega vodnika Janosa Kadarja v Kremlju hvalil politiko predsednika ZDA do Sovjetske zveze.

MOSKVA, ZSSR. — Na večerji v čast madžarskega vodnika Janosa Kadarja v Kremlju preteklo sredo je Leonid I. Brežnjev posvetil dober del svojega govora odnosom med Sovjetsko zvezo in Združenimi državami. Pri tem je bil poln hvalje na predsednika ZDA G. R. Forda, ki je objabil nadaljevanje politike pomirjevanja med obe-

moskovska konferenca se bo začela oba dneva ob devetih dopoldne v Washington Hilton hotelu in jo bosta radio in televizija v celoti prenasala po vsej državi. Glavna tema je inflacija, ki je zdaj vse svet, za katere pa ni nobenih naglih in učinkovitih zdravil. Konference, ki bo zasedala v hotelu Hilton, se bo udeleževalo kakih 800 delegatov, okoli 150 tujih opazovalcev in kakih 300 novinarjev. Delegati so se udeležili 12 pripravljalnih konferenc posameznih skupin in panog v gospodarstvu.

Konference je razdeljena na podajanje poročil zastopnikov vsake od 12 pripravljalnih konferenc in kratka razprave o teh poročilih in priporočilih v njih.

Danes bo podatih 7 takih poročil, ostala pa jutri. Predsednik Ford bo konferenco danes odpril in jo jutri zaključil z govorom, v katerem napovedujejo, da bo navedel osnove načrta za boj proti inflaciji in za rešitev gospodarstva iz sedanjega težavnega položaja.

Brežnjev je dejal, da visoko ceni obrat v odnosih med ZDA in ZSSR in uspehe dosežene na tem polju v zadnjih letih, zato

so v Moskvi z zadoščenjem in zadovoljstvom sprejeli izjavo predsednika ZDA Forda, da bo nadaljeval politiko zbljevanja med obema državama.

V zvezi z razgovori zunanjega ministra A. Gromika s predsednikom Fordom v Washingtonu pretekli teden je Brežnjev rekel, da so sporocili ZDA, da je ZSSR za "ohranjanje dosedanjih stikov in za utrjevanje dobrih sosedskih odnosov med našima deželama".

Izjava Brežnjeva o želji ZSSR za nadaljevanje dobrih odnosov z ZDA je posebno važna zato, ker je sovjetsko časopisje v zadnjih dneh nepričakovano začelo zopet eno izmed svojih proti-ameriških gonj. Zahodni opozovalci sodijo, da je ta gonja na-

menjena domaći javnosti.

Znižanje davkov za revnje sloje

WASHINGTON, D.C. — Glasovi iz Bele hiše trdijo, da tam resno preudarjajo možnosti o znižanju davkov za revne sloje, ki jih je inflacija najhujše prisadela.

Na ta način nastalo zgubo v davčnem dohodku zvezne vlade naj bi izpolnili povišani davki na premožne in na podjetja.

Nesreča v domovih zakriva letno v ZDA okoli 26,000 smrtnih.

SLOVENSKE ŠKOFE SO V LJUBLJANI KLICALI NA ODGOVOR

V Sloveniji se pritisik na Cerkev nadaljuje, kot je razvidno iz poročil v tamkajnjem časopisu. Tako poroča ljubljansko "Delo" o "sprejemu" škofov rimske-katoliške cerkve iz Slovenije pri podpredsedniku vlade Rudiju Čačinoviču. Pod naslovom "Cerkve v okvire ustave" je "Delo" 19. septembra zapisalo:

Podpredsednik iz vrste sveta Slovenije in predsednik komisije SRS za verska vprašanja Rudi Čačinovič — tako poroča sekretariat za informacije — je danes sprejel v prostorih republiškega izvrstnega sveta škofov rimske-katoliške cerkve iz Slovenije. Razgovoru so prisostvovali tudi predsednika izvrstnih svetov občine Koper in Ljubljana-Center, Darjo Valentič in Miro Samardžija ter tajnik komisije Peter Kastelic.

Podpredsednik iz vrste sveta je sprejel nad delovanje katoliške Cerkve s Sloveniji neki Jože Šircelj v "Delu" 18. septembra. Trdi, da je "klerikalizem spet na dnevnem redu" in da "se je postavil nanj sam". To se po njegovem zgodil zmeraj, "kadar nekateri cerkveni krogi prestopijo črti, ki je bila zarisana že med narodno-ovsobodilnim bojem... Očutljivost, čuječnost na tej razmejitveni črti med vero in klerikalizmom je občutljivost, ne pa preobčutljivost. Čuječnost tudi ni... apriorna nezaupljivost do vernikov in duhovnikov..."

Šircelj se je na tiste, ki trdijo, da so kristjani v Sloveniji "potisnjeni na obrobje družbe", kjer nimajo nobene

besede. To dejstvo je priljivo jasno že iz samega besedila ustreve, kjer je Zvezni komunistov pridržana vsa pravica pri čuvanju "pridobitev narodno-ovsobodilnega boja", "bratstva in edinstva", "samoupravljanja" in vsega drugega, med tem ko o vernikih in njihovih pravicah pri tem ni nikjer nobenega govorja, četudi bi naj po Širceljevem mnenju bili "enakopravni pri snovanju in oblikovanju socijalistične samoupravne družbe".

V daljšem sestavku se je spravil nad delovanje katoliške Cerkve s Sloveniji neki Jože Šircelj v "Delu" 18. septembra. Trdi, da je "klerikalizem spet na dnevnem redu" in da "se je postavil nanj sam". To se po njegovem zgodil zmeraj, "kadar nekateri cerkveni krogi prestopijo črti, ki je bila zarisana že med narodno-ovsobodilnim bojem... Očutljivost, čuječnost na tej razmejitveni črti med vero in klerikalizmom je občutljivost, ne pa preobčutljivost. Čuječnost tudi ni... apriorna nezaupljivost do vernikov in duhovnikov..."

Hudo so Šircelja razburile "Družine" zapisane besede ob posvetitvi prve nove cerkve v Ljubljani po drugi svetovni vojni. "Družina" je k posvetitvi te cerkve — zgrajena je bila v Kosezah — zapisala: "Ob tem se moramo posebej spomniti vseh malih ljudi, tiste delavske množice, ki je od svojega vsakdanjega zasluga žrtvovala, kolikor je bilo mogoče, da je le dobila skupni dom. Dogajalo se je natančno isto, kar v slovenski preteklosti: Preprosti ljudje, skromni in ponižni, tisti z žu-

ljivimi rokami in upognjenimi hrbiti žrtvujejo denar, trud in skrbi za pomnike vere in kulture."

Jože Šircelj ne mara "preprostih, skromnih in ponižnih", trdi celo, da takih v Sloveniji ni več...". Prav tako ga boli namig, da se "javlja lakota po duhu, kulturi, pravici, svobodi...". Posebno je bud na zapisek, da se "Cerkve v resnicu nima česa sramovati niti v preteklosti niti v sedanjosti". "Kaj pa Gregor Rožman?" sprašuje.

Če bi imela "Družina" enake pravice z "Delom", bi lahko odgovorila: "Škof Gregor Rožman je bil pošten, zaveden Slovenec, predan in neustrašen v vodstvu katoliške Cerkve v enem najtežjih časov za slovenski narod. Storil je yse, kar je bilo v njegovi moći, za lajšanje narodovega gorja. Neštetim je pomagal, jim redil življenje, pa je končno odšel na tuje, da ne bi nudil komunističnemu nasilnikom možnosti, da teše svojo divjost in sovraštvo v njegovih krvih."

ZA GOSPODARSKE STISKE NI NOBENE HITRE POMOČI

Ko se začenja veliki posvet o gospodarstvu in o najuspešnejših sredstvih boja proti inflaciji, poudarja večina strokovnjakov, da ni nobenih hitrih zdravil, da bo napor moral biti obsežen in vztrajan. Glavni predsednikov gospodarski svetovalec Alan Greenspan je dejal, da bo vzel leto in pol do treh let, predno bo inflacija resnično omejena in obvladana.

MISIJONSKA SREČANJA IN POMENKI

225. Bogu hvala za božji žegen!

Rev. C. Wolbang in France Rozina pred kapelico v Triglavskem parku pri Milwaukeeju 25. julija 1971 tekom "misijonskega piknika".

Ko smo odhajali v širni svet, smo ponesli s seboj dragoceni nauk naših mater. Eden najglobljih je bil rek: "Z Bogom začni vsako delo, da bo blagoslov imelo."

Mnogi smo si to za življenje zapomnili in za take tudi sam

tedensko pišem MSIP. Knjige bi lahko napisali o številnih izgubljenih eksistencah naših ljudi po Zdrženih državah in Kanadi.

Preupustimo to raje božjemu usmiljenju, saj v večnosti,

ki se nam vsem hitro približuje, bo vsakemu vse jasno in nič nikomur skritega. Osebno naj-

raje gradim, dvigam, navdušujem, pridobivam za Kristusa, ki je edini mogel reči: "Jaz sem POT, RESNICA in ŽIVLJE NJE."

In dodal je obenem, da KDOR VANJ VERUJE, BO ZI-

VEL VEKOMAJ. Mnogi so pri-

šli na ta kontinent z najboljšimi

namenami in pišejo zgodovino, ki

bogati nas vse, osrečuje mnoge,

tolaži prenekaterega in praktično boljša svet za vse.

"Triglav" ima Misijonski krožek

9. septembra je kratko sporočil pionir in sodelavec g. Ludwig Kolman iz Waukegan, Illinois: "Včeraj, 8. sept., smo ustanovili MISIJONSKI KROŽEK V OKVIRU DRUŠTVA "TRIGLAV" v Milwaukeeju. Odbor je sledec: ga. Mary Coffelt, predsednica; g. Franca Rozina, tajnik; odborniki pa: g. Jože Ornig, moja malenkost in gdč. Marija Kaduncova.

Prvi akt novega odbora je bila odobritev nakazila \$600 za vlogo enega duhovniškega kandidata v misijonih. Upam, da boste imeli ta denar že v rokah, ko dospe to pismo do Vas. Prejeli boste še nadaljnja denarna nakazila, namenjena gotovim misijonarjem(-kam) in večjo vsto v skupni sklad za vse slovenske misijonarje(-ke). Sam sem predlagal, da se izvoli odbor, ki se bo bavil samo z misijonskimi zadevami. S tem je zato lepo poskrbljeno. Močno bodo kake spremembe v odboru, a od teh boste dobili poročilo od gospe Mici Coffeltové. Vdane pozdrave Ludwig Kolman."

Ko iskreno čestitamo v MZA SVETNO URO v župnijskih prostorih fare sv. Cirila in New Yorku se je oglašala k besedi 15. septembra glavna tajnica MZA gdč. Sonja Ferjan, R. N. Prva predsednica MZA NEW YORK 17. sept. o poteku takole poroča: "Glavna tajnica MZA je vsem navzočim izročila pozdrave več slovenskih misijonarjev in misijonark, ki jih je poleti srečala v Sloveniji. Istočasno pa tudi pozdrave g. Wolbunga, ki je duhovni vodja gibanja in celotne organizacije. Šla je pozdraviti tudi g. župnika Rogana in ga je informirala o namenu prvega sestanka MZA v cerkvni dvorani.

G. župnik je ponudil svoje sodelovanje, izrazil željo, da po-maga lahko z nasvetom in dal-

je na razpolago župnijski prostor za sestanke. Glavna tajnica je razlagala pomen in potrebo MZA in obljuhila je po možnosti, kadar bo službeno prosta, u-deležbo na sestankih. Razložila je tudi znamkarsko akcijo ter način zbiranja znakov, da bodo uporabne. Jasno, da je denarna pomoč hitrejša in bolj učinkovita.

Gospa Štalzer je podala misli, ki jih je gdč. Ferjanova sestavila za globalni sestanek sodelavkov na Bregah v Sloveniji, 4. avgusta. Predlagan in sprejet je bil naslednji prvi odbor:

PRVI ODBOR. Ga. Ana Štalzer, predsednica; ga. Ana Oblak, podpredsednica; g. Vinko Burgar, blagajnik (s pripombo, da ga čez par mesecov nadomesti kak mlajši sodelavec). V kolikor je predlagana tajnica bila zadružana in je kasneje telefonično sporočila, da mesta ne prevzame, je tajništvo prevzela ga. Helena Klesin, ki je že na sestanku predlagala, da se pritegnejo počasi k sodelovanju tudi mlajši, ki bi se tako naučili in navadili d a r o v a t i majhne žrtve za misijone in bi se s tem vzgajali in utrjevali za življenjsko odpoved ter samovzgojo, brez katere ne morejo postati ne dobiti družinski člani in še manj dobiti katoličani.

V nadzorni odbor je šel g. Willy Štalzer, ki je predlagal, da se napravi načrt o bodočem delu organizacije, pri katerem je obljubil svoje sodelovanje. Obenem je izrazil željo, da se na prihodnji sestanek povabi tudi o. Kotnik, ki je obenem strokovnjak v Baragovi zadevi. Prihodnji sestanek se bo vršil na tretjo nedeljo v oktobru, ki bo letos misijonska nedelja. Sestanek se je zaključil z molitvijo. Zapisnikarica Ana Štalzer.

Ko MZA čestita in moli, da bi gorčično zrno MZA v New Yorku polagomo postalo mogočno misijonsko drevo, prosi in vabi vse rojake na področju velikega New Yorka — vemo, da jih je polno, ki spadajo v druge župnije ali morda nikam —, da se eno prosvetnil ur, da se je z nekaterimi rojaki spoznala. Večina naših obiskovalcev misijonark in misijonarjev, kot s. Ksaverija Pirc, s. dr. Gabrijela Ehrlich, sr. dr. Terezija Zužek, o. Jože Kokalj, brat Vidmar, o. Jože Čukale, o. Stanko Poderžaj, o. Lovro Tomažin, bogoslovec Peter Opeka in drugi pa niso imeli nobenega foruma, da bi mogli srečati s predavanji kaj rojakov in rojakinj ob svojih kratkih obiskih. Sem in tja so razne družine kakega misijonarja ali misijonarko povabilo k sebi in navadno so to kaka stara ponaznanka, rojak je iz istega kraja ali sorodnik, ki "misijonsko" med nimi niti obstaja ne in bi prav gotovo večina naših v misijonskih deželah taksonz takala, da bi jim kdo takih dal za kozarec osvežilne vode, ker jo je često treba šele poiskati in vratiti, kot ob vodnjakih s. Jeanne Elizabeth Pogorelec, in vsi vemo, da to stane. Najbolj mi, ki na tem kontinentu draga vse za življenje plačujemo, iz dneva v dan.

Med SLOVENSKO PROSVETNO URO v župnijskih prostorih fare sv. Cirila in New Yorku se je oglašala k besedi 15. septembra glavna tajnica MZA gdč. Sonja Ferjan, R. N. Javna tožilstva in sodišča premalo trda v boju proti zločinstvu

WASHINGTON, D.C. — Pravosodni tajnik W. B. Saxbe in direktor FBI Clarence M. Kelley sta na letni konferenci Mednarodne zveze policijskih načelnikov opozorila na preveliko potrustljivost javnih tožilcev in sodelavkov napram ponovnim zločincem. Ko je očitno, da ni mogoče pri takih kršilcih zakonov računati na kako poboljšanje, jih vedno znova po prestani minimalni kazni puščajo v družbo, kjer se znova podajo na zločinska poto.

CVET NAŠE VASI

Mina ni poslušala pravnika, streslo. Pivcem žganja ne diši vino, tudi če je najboljše; zdi se si je pošteno zastopal svoje stanice. Prisluškovala je onemu svetu. Odondon je prihajal ih teči glas matere:

"Skrbi za Lojzeta! Naj stori karkoli, skrbi za Lojzeta!"

Jože je privil stenj petrolejke in dejal:

"Kakšno posestvo si mora kupiti! Samostojen mora postati! Samostojnost je vse, je edino vredno življenja! Za kako veče posestvo nima dovolj denarja. A lahko mu priskočimo na pomoč."

"Daj, Jože, oglej si kaj, poišči kako pripravno posestvo!"

"Seveda bom! Sicer ne utegni dosti, a jutri bom že začel."

Pet dni ni bilo Jožeta. Prav začudil se je ob povratku, da je bilo vsaj deloma v redu v hiši, ko njega ni bilo zraven, nato pa se je namuznil in rekel mini:

"Sem le dobil nekaj za Lojzeta! Nekaj prav posebnega!"

Lojze ni sprejel rok, ki so se mu ponujale v pomoč. Tisti dan, ko je zapustil kaznilnico, je sporočil Mini in Jožetu, ki sta čakala nanj v sobi za obiske, da ju noče videti. Klavrn sta šla spet na cesto in čakala pred vrati več ko eno uro. Slednjič so zjutraj odrihnili velik zapah, v ključavnici je počilo in zarožljalo, vrata so se odprala, Lojze Boštjan je nastopil spet pot svobode.

Onadva sta čakala bolj ob strani. Ni ju zapazil. Gledal je v tla, počasi je hodil, nekoliko je omahoval, se nekolikokrat ustavil, visoko dvignil roke in globoko zavzdihnil. Nato je potopal zunanjno steno visokega obzida in se naslonil nanj. Dvoje let, svoje pet in dvajseto in šest in dvajseto leto življenja, je prebil za tem zidovjem. Obleka, katero mu je nekoč Mina kupila, je bila dobro ohranjena. Vsemu človeku se je poznalo, kakor da ne ve, kaj bi zdaj. Kaj naj bi počel človek, ki čez dve leti pride iz ječe? Bržkone ima vse polno opravkov, mora dohiteti tisočero zamud, mora poskušati, da premosti strahotno mrtvi prepad, ki je zazidal med sedanjam dnem in onim poslednjim živim dnem preteklosti. A kaj naj stori najprej? Iznova pridobljena prostost mu brni in vrvi po glavi in vsem telesu. Omahovaje je šel Lojze Boštjan po cesti. Pisano so se zasvetila kričeča yrata točilnice, v kateri je bil tedaj, ko ga je obiskala Mina. Obstal je; spomnil se je, da je bil nekoč že v njej. Nato je krenil proti vratom. Pa je bila mahoma Mina pri njem.

"Dober dan, Lojze! Pojd vendor rajši z nama; gremo vši skupaj v gostilno! Tudi Jože je tu."

Trmasto jo je zavrnili: "Zakaj me ne pustita pri miru? Saj sem vama vendor sporočil!"

"Le nekoliko pojdi z nama, Lojze!" je zaprosila. "Nekaj važnega ti morava povedati, kar je zate dobro."

"Ce ne bi šel z nama," je rekel Jože, ki je medtem pristopil k njima, "bi zanudil prav dobro kupcijo. Slednjič je pa zate vendor vseeno, ali greš v tole gostilno ali pa z nama v drugo. Saj ni daleč."

Tedaj je Lojze nekaj zamrimal in ne da bi komu segel v roko, je šel z njima.

Vstopili so v gostilno boljše vrste in Mina je naročila steklenico najboljšega vina. Lojze se ni dal pregovoriti, da bi si šlekel sukno; klobuk si je položil na kolena. Videti mu je bilo, da mu je na vso moč zoprno v tej družbi in da hoče proč od njiju. Bržkone bi bil v tem hipu rajši sedel v ječi ko v tem prostoru, kjer so bili dostojni, lepo običeni ljudje. Na dušek je izpil svoj kozarec vina. Pa ga je kar

lahka dobi kjer koli. Jože je postal, kje je omenjeno posestvo; dvajset milj od Loke. Kaj ugodnejšega, je še pripomnil Jože, pač Lojze ne bi mogel dobiti.

Lojze se je namrgodil.

"Dvajset milj od Loke — dobro! In tako menita, da se me iznebital!"

"Lojze," je rekla Mina, "saj si sam dejal, da za noben denar ne bi šel več v Loko! Še več, to si mi rekel tisto noč, ko so mati umrli."

Jože je začel govoriti. Opisal je posestvo, ki si ga je ogledal. Dva dni je bil ondi in je vse pregledal. Izvrstna prilika za nakup! Lojze ima toliko denarja, da primanjkuje le deset tisočakov, ki jih pa na to posestvo iz-

ka? Naka — nikoli — rajši spet v tisto škatlo!"

Molče in potrta sta sedela Mina in Jože. Lojze je govoril dalje, govoril tako, da so začeli nekateri gostje sosednih miz vlec besede na uho.

"In tisti gnoj — tisto posestvo v dvajset milj oddaljenem gnezdu? Če je tako pripravno, zakaj si ga pa ti, Jože, sam ne kupiš? Saj si se hotel že zdavnaj postaviti na lastne noge? He?"

"Star sem," je klavrnjo dejal Jože; "nisem mogel več z Boštjanovine. Star konj naj nikar ne gre iz domačega hleva; sicer pride v slave roke."

Lojzetov obraz je izražal ves čas roganje in nesramno izziva-

nje. Oči so mu sovražno zbadale.

"Je bil tudi zame nekoč tak

čas,

ko ni sem hotel z Boštjanovine!

A prišel sem v ječo, ki ni oddaljen dvajset, ampak dvajset tisoč milj od sveta! To je šele ljubko posestvece, to, Jože!

To je moral tu kdaj pregledati!"

Mina je sedela ko okamenela.

Jože je pomirjevalno in iskreno dejal:

"Ljubi moj, tega pač nisva

midva z Mino zakrivila!"

Tedaj jje Lojze udaril po mizi,

da so zažvenketali kozarci.

Gostje so planili pokonci, neki natkar je prihitek. Pomiril se je

in spet odšel s pripombo:

"Prosim lepo!"

"YOUR VIEWS —
OUR NEWS"**JACOB STREKAL****RECHER HALL MARKS 55TH**

On Sunday, Oct. 6, 1974 the Slovenian Society Home on Recher Ave., Euclid, will celebrate its 55th year with a banquet and dance.

This was the second Slovenian home in greater Cleveland. Title of the property was taken on Aug. 10, 1919 in the name of Slovenski Narodni Dom. On October 3, 1924 it was changed to Slovenski Drustveni Dom, or Slovenian Society Home. The resident was Dragutin Massatio, and secretary Stanko Tapolac.

The societies consisted of Dr. Slovenski Dom No. 6 SDZ (now American Fraternalion, Zavedni Sosedji now Lotes No. 158 SNPJ and Jutranja Zora 337 Hrvaska Zajednica, Croatian Fraternal Union.

It was the year of October 18, 1900 that this property was purchased by Charles Mix, a land developer in this area. On March 1, 1907 he sold it to the Austrian Society, Frank Pajk president and Frank Bajt secretary. After several years of picnicking, the Austrian Society decided to convert it to a Catholic church. On August 12, 1909 it was transferred to the Cleveland Catholic Diocese.

A church was built which well served its purpose of religion and its teachings and was

named Our Lady of Perpetual Help. It was an auxiliary of St. Mary's Church on Holmes Ave. Father Paul Hribar came with bicycle or car to say Mass on Sunday and all Holy Days.

It was on Oct. 18, 1917 that a Saturday class of Catechism was to be held when Father Hribar and his sister Anna Hribar were killed in a New York Central R.R. train crash. Both were instantly dead. It was a tragic end to the first Slovenian church in Euclid, especially tragic for the young immigrants who had language barrier and did not understand but limited English.

The Diocese then sold the land and buildings to John Krakar, who owned hundreds of acres of vineyards in the area. He offered it to the good neighbor Slovenians for the same price of \$2500.

Many active fraternalists took part in making this home what it is today. To name some were

Matthew Debevec, James Rotar, James Klopovic, John Korencic, Joseph Plevnik, Frank Zagar, Louis Zdesar, Mike Dolnik, Matt Nemeč, Anton Zele, Louis Rechar, Vincent Kolar, John Mocina, Anton Kos, Anton Globokar, Valentine Kuhar, James Robic, Mike Doljak, Andrew Pezdiric, Anton Darovec, John Picelj, Frank Vidrih, Frank Nosse, Lucas Bojc.

By FRANK ZUPANCIC

The St. Clair community around East 61st lost one of its leading citizens with the passing of Louis Slapnik this week.

Good Slovenian music at Slovenski Fantje concert slated for Oct. 5 at St. Vitus Auditorium

Now that the vacations are over and the picnic season has come to an end, what is there to do?

That should be the least of your worries, for many fall programs are being arranged and worked on by various organizations.

Your attention is especially being called to the fact that for your entertainment and pleasure the Slovenski Fantje are presenting a concert on October 5th at the St. Vitus Hall starting at 7:30 p.m.

As you know, and have heard many times, there is nothing like the good ol' Slovenian music. Each song tells a story, or an

incident that happened in the life of the folks in Slovenia.

You may also be interested to know that in the Slovenski Fantje Chorus, which consists of about 20 men who would rather sing than eat, there are a number of fellows who were born and raised in the St. Clair, Colclidwood and Euclid neighborhoods.

All of the members will be more than happy to see you on October 5th, when they present their program of some of the best of Slovenian songs.

Dancing will follow the performance and refreshments will be available.

By MOJCA SLAK

What's more exciting than aousing polka? It sets your feet tapping, your hands clapping. It makes you want to smile, dance, forget yourself until exhaustion takes you.

What's more colorful than young people in their Slovenian national costumes twirling and jumping to the music of that polka? It makes you feel light-hearted and happy. You are delighted by their exuberance, and almost endless energy.

What's more interesting than an evening spent reliving Slovenian traditions? You become

part of the fun.

I ALSO REMEMBER WHEN . . .

(Conclusion)

Picnic grounds were Mervar's Farm on Dunham and Tinkers Creek Rd., where many AMLA 30's (Depression) at the Klines Farm on Bennett Rd., N. Madison, Frank Zupancic in S. Madison, Joe Zupancic Trumbull, Kluns and the Klaus' in Madison, Arko - Slapniks, N. Madison, Johanna Novak, Debevc's and Rosie Lapp in Geneva. Many are now deceased.

Gee, what wonderful times we had, but now only pleasant memories.

Mother waking us up at midnight, on New Years Eve to listen to the shop whistles, trains, and church bells ringing. All shops had whistles, then.

The out houses (bathrooms) outside the homes and on the farms, till plumbing came.

Reading and studying by kerosene lamps and candles, graduating to gas lighting, with the mantle crumbling, when burning out, then finally electricity. The Lamp Lighter with his ladder and taper making the street rounds at twilight each evening. The wooden oak washing machines, hand operated, then also powered by a water pump, until electricity came.

Huddled around a pot bellied stove, either wood or coal burning, followed by gas, in dining or living rooms, to keep the whole house warm, before base-

ment furnaces. Wow, we really froze those years in the winter. Having hot tea with some wine before jumping into our straw mattress beds, that were ice cold. To keep us warm, mom put a hot brick at the foot of the bed.

The many doctors in the area in the 20's and 30's. Dr. Dejak, C'Donnell, Evans, Garber, Skur, Stern, Kern, Seliskar Sr., Oman, Rueberger and the dentists: Kalbfleisch, Mally, Zupnik, Garbas and the two Licht brothers.

The closing of the Grdina Bridal Shoppe, recently, brought back memories, where you really got personal service, a half century they were in business. A bride and her attendants could buy a complete wardrobe. Also they came to your home early morning of the wedding, and marcelled your hair, and helped you to get dressed. A salute to the Grdina Gals.

The rebuilding of the St. Clair neighborhood out of the rubble and ashes created after the devastating East Ohio gas explosion on that unforgettable day, Oct. 20, 1944. It certainly wrought terror, death and destruction in the area. Miracle of miracles, our edifices, the beautiful St. Vitus Church, and the Slovenian National Home escaped with only minor damage.

Also the Cleveland Clinic Hospital disaster in the 20's with many deaths and destruction. It is with sadness and a few tears we heard the news of

Maestros Johnny Pecon (Polka Prince) and Lou Trebar (Waltz King) and Orchestra retiring from the music field. I remember dancing to their first orchestras in the early thirties at the S.N.H. and taverns and throughout the passing years they have done a tremendous job of keeping dancers and listeners happy with their inimitable swing style of playing. They sure can make their accordions talk. And your "Janez and Lojze" skit, with your button boxes, are the most.

Everyone is happy that you recorded six LP albums in the last several years, for posterity. Your lilting polkas, waltzes, as well as fox-trots, is the best music in my opinion this side of heaven.

May you both have happy retirements with your families, with good health throughout the years, and join your fellow retirees, Johnny Vadal, Kenny Bass and Eddy Habat. Your live music will be missed by the countless fans you made, but it won't die, as I'm sure your sons will carry on, John. Best of luck to both of you, and also to the other members of the band, Mirk Jamma, Jim Medves, and Paul Janchar.

In conclusion, A Big Hand to the many American-Slovenian men and women who are in the professions of the business, civic, government, musical, cultural, medical radio and TV worlds who make this a better world in which to live.

VISIT TO BEAUTIFUL SLOVENIA

After visiting the Kravec Mountain, north of Kranj, 4700 ft. altitude, we visited the Ribnica and vicinity district where many kitchen utensils are made of wood. Visited Sodrazica, Zimorec, Hrovaca, Velike Lasce, Rob, and nearby is Kravica Pec. After stopping in Koprolas go-stilna, we continued on to Nova Stifta.

Today is Aug. 15th, the feast of the Assumption. A procession with 4 schoolgirls carrying a statue of the Blessed Virgin Mary leading, singing and praying, about 150 feet to the Immaculate Conception Church, where a High Mass and a Benediction follows. Thousands attend this sight to see. This church annual ceremony. This church West of Ljubljana, up to the up on the hillside was under Zalostna Gora in Preserje. We construction in 1641, and was then proceeded on the new completed in 1671. It was blessed by Archdeacon Jan. Ludo-vik Schoenleben. The Holy steps were added in 1780.

On our way to Sevnica, Treb- nje, Karlovac, Metlika, we then stopped in Cvelbars Gostilna in Ivan Skrabec explained the Sent Jernej and were served a delicious meal.

The next day being Sunday, we attended Mass in the chapel Strelak on this tour of beautiful Slovenia. We were fortunate in having two experienced drivers show us the countryside, Slavko Což, and Lojze Gorenec.

Continued on to Kostanjevica. Here we viewed the first world sculpture in wood. Sponsored by The International Symposium of Sculptors, Forma Viva. Some 50 sculptors representing 18 nations and 24 nationalities are engaged in this work. This gallery of wood forms is held on the grounds of the old Cisterion Monastery, which was built in 1234. Most of the Monastery was destroyed by fire on Sept.

28, 1942. A rebuilding program is taking place at this time. Eventually it will be rebuilt and restored and preserved by the Government.

Our next visit is to Skofljica, Višnja Gora, and Nova Vas, up above Poljevo. An old church St. Lenart stands there, age unknown. A mass is held there once a year. As we travel along we see all descriptions of hayracks in every village. New construction of tile and block houses faced with stucco are being built in all sections of Slovenia. Hardly a home is without flowers on the windowsills, gardens, too. A beautiful
