VESTI IZ SLOVENIJE

KMETIJSKA ZADRUGA V POLJANSKI DOLINI. — Slovenski poročevalci se je razpisal o kmetijski zadruži v Poljanski dolini. Zadruga ima značilno me 24. decembra. V zadruži je sedaj 6 vasi. Poročevalci pravi, da je iz nekaterih vasi vstopilo v zadružo že 90% kmetov, da je v zadruži sedaj 35 posestnikov s 146 člani, zadružne zemlje pa je preko 500 ha. Patronat nad zadružo je prevzelo poveljstvo narodne milice v Ljubljani in miličniki so letos pomagali pri zadružni košnji. Milični bodo pomagali tudi pri kulturnoprosvetnem udejstvovanju zadruži in že pri koncertu 21. julija letos sta nastopila zbor in godba narodne milice.

Kaj je za temi čudnimi kulisami? V Poljanski dolini je doma znani razbojniški Maks Krmelj-Krivar. Ta nosi največjo odgovornost za umore v dolini in v hribih. Z neštetimi zločini je zaslužil poslansko mesto in celo stolček v predsedstvu ljudske republike Slovenije. Pri pametnih ljudeh pa velja ta Krmelj za postopača. Ta možakar je že več let sanjal kako bi spravil celo poljansko dolino v en sam kolhoz. Ljudstvo se je dobro zavedalo, da bo taka zadružna posnemila za vas prisilno delavnično in podjetje za podpiranje njegove lenobe. Zato je mož iznesel patronat policije. Pa se upraviči se moreš. Tako je nastala ta zadružna.

LETO KOLHOZOV V SLOVENIJI. — Leto 1948 je bilo v Sloveniji po petletki "letu zadružnih domov." Leto 1949 je "leto kolhozov." Za komunistične priganače je vprašanje kolhozov še trši oreh kot je bilo vprašanje graditve zadružnih domov. Uporabljajo najhujši pritisak z vsemi sredstvi. Policijski patronat zadruge v Poljanski dolini pove vse. Da bi madino pridobili ji prepeva policijski zbor in igra policijska godba. Policia je zadruži podarila knjižno omaro in sto knjig. Vsa knjižnica ima seveda zopet že propagandni namen, da bi kmetje brali in se omehčali za kolhoz. Če so res iz šestih vasi zbrali doslej 35 posestnikov, kaže, da je doslej uspeh majhen. Pravih poljanskih kmetov v tej zadruži še ni.

"DOM IN SVET" katoliška literarna revija, bi danes izhaja že 61. leto, da dogodki leta 1945 niso pretrgali izhajanja in pognali založnika, urednika in sodelavce med izgnance. Vendar se je krog teh bivših "dominsvetovcev" in novih strnil v "Pisateljsko družino France Balantič" in skuša ustvarjati naprej, kakor, da njihova revija še živi. Zato je ta krog proslavljen 60 let revije in se spomni njenje poti, urednikov in sodelavcev, zlasti pa ustanovitelja katerega 90. letnica rojstva je bila pred meseci in bo 50. letnica smrti drugega leta. Predsednik "Pisateljske družine France Balantič" dr. Kovačič se je spomnil vseh "dominsvetovcev" pobitih v domači vojni, vseh v begunstvu in doma, nakar je zadnji urednik "Doma in sveta" dr. Tine Debeljak podal kratki pregled revijneg dela v 60. letih. Nato so trije izmed biv. "dominsvetovcev" brali svoja nova, še neobjavljana dela: Jeremija Kalin pesmi iz zbirke "Čez Oceán," dr. Kocipcer novo "Prpekov Tila" in Andrej zgodbo v Raba. Prelat dr. Odar kot predsednik založbe je postal lepo pozdravljeno pismo: "Dominsvetovci," pa so poslali lepe pozdrave predstavnikom naše slovenske skupnosti v emigraciji ter razmetanim "dominsvetovcem" po svetu.

V CLEVELANDU NE BO PRIMARNIH ZA ŽUPANA

Ker sta v Clevelandu zdaj samo dva kandidata za župana, odpadejo primarne županske volitve. Odpovedal se je kandidat William Bromley House in ostala sta samo sedanji župan Tom A. Burke in republikanec Franklin Polk. Ta dva bosta pred volivce pri glavnih volitvah 8. novembra.

Primarne volitve 4. okt. imajo namen, da izmed več kot dveh kandidatov izberejo dva, ki dobita največ glasov, ki gresta potem na volitve pri glavnih volitvah. Ker sta same dva kandidata, sta torej ta dva avtomatično izbrana za glavne volitve.

Tako je tudi v 23. vardi, kjer sta same dva kandidata za mestni koncil. Za ta dva tudi ne bo treba voliti pri primarnih volitvah, ampak bo treba glasovati za enega samo pri glavnih volitvah 8. novembra. Tako je v parvadah. V 32. in drugih vardi, kjer je pa več kandidatov, bo treba v primarnih volitvah izbrati dva, ki se bosta potem poskusila za izvolitev 8. novembra.

To veliko knjigo, ki je ob enem mašni molitve in slovenska zgodovina, si oskrbite. Ne zamudite. Pri Ameriški Domovini jo naročite. Cena \$2.75, s poštnino \$2.00.

Nedeljsko pismo

Dragi prijatelj!

Imaš še mater? Stokrat si srčen, če jo imaš, saj mati je največji zaklad, ki ga nudi otroku ta svet. Kajne še se spominjaš, kako smo nekdaj obhajali praznike naših mater, godove, rojstne dneve, materinske dneve. Danes za mnoge ni več mater, za vse izmed nas pa ne več naših materinskih praznikov. Matere so daleč, daleč, mi pa brez njihovega vodstva v vrtincih življenja. Pa se mi zdi, da je Bog tudi vse to predvidel. Misliš je tudi na tiste, ki se bodo moralno ločiti od svojih zemskih mater, pa jim je dal pod križem, predno je v smerti zafisnil svoje oči, drugo Mater, Marijo.

Tu vidiš prijatelj, ki greš brez matere v življenje, vso Očetovsko božjo skrbnost za nas. Oni dan smo obhajali rojstni dan te naše najboljše matere, najine vodnice in srednice. Obhajali smo rojstni dan Kraljice nebes in zemlje, rojstni dan naše zaščitnice. Prav je, da se spomniva nanjo, da jo počasti, da ji čestitava za njen rojstni dan, pa tudi da jo ob tej priliki zopet poprosiva pomoči v stiski in bedi našega begunskega življenja, prosiva za naš narod, ki je ves Njej posvečen, prosiva za ves svet, katerega Kraljica je.

Vzemi si malo časa, prijatelj, pa premislji z menoj skrivnost in pomen Marijinega rojstva.

V galilejskem mestu Nazaretu sta v tihem, skromnem domu živel začetnika Joahima in Ana. Sveti in bogoljubno je bilo njuno življenje, vendar v njuni hiši je bilo kot v grobu. Nikdar se ni tam oglašil otroški smeh. Tam ni bilo slišati besedice očka, mamic, ker otrok nista imela. Zato je bila pač najbolj gorenca njuna prošnja, da bi dobila otroka, ki bi s svojim smehom in čebljankem razveselil stare dni njunega življenja. Bog svojih zvestih ne zapusti. Uslijal je prošnje Joahima in Ane in jima poslal otroka, otroka prošnja, molitve in vročega hrepenjenja. Marijo jima je dal. Moj Bog, kakšno veselje je moralno pač ta dan zavladati v hiši. Marija je s svojim smehom napolnila praznoto življenja Joahima in Ane. Z nedopovedljivim veseljem sta sprejela otroka, največji zaklad, s katerim more Bog zakonce obdariti. Marija sta dobila, dolče prerokovano Zvezdo, ki je oznanila prihod Večnega Sonca, Marijo, katere ljubezen je večja kot serafska, katere modrost je globokejša kot Salomonova, katere lepota je večja kot lepota zvezdnatega neba in njena čistota populnejša kot čistost snežne poljane. Res v Aninem naročju je vzcvetel najlepši cvet, ki ga je kedaj božja Dobrota svetu podarila. O kako pobozno sta Joahim in Ane z detetom v naročju poklepnili in zapela Bogu posem zahvale, hvaležnosti. Vidiš prijatelj to pomeni praznik rojstva Marijinega za Joahima in Ane.

In kaj pomeni ta praznik za Marijo samo? Dan njene rojstva pomeni začetek najlepšega življenja na zemlji.

Sredi hudobije, poganstva, malikovanja, sovraštva, napuha in nečistosti tistih dni je kot med trnjem vzvetela Roža vsa čista, bela in nedolžna. Z zlatom brezmadežnosti je posejana, da je od vekomaj postavljena oznanjevalka prihoda Odrešenika. Zasleduj Marijino življenje od njene prvega diha pa do smrti. Nikdar ni niti najmanjša senca napačnosti, greha zasenčila njene duše. Ni imela bogastva tega sveta, ne knežjega prestola na zemlji, ne biserov, ne draguljev na vratu, bila je s Sinom pregnanča, zasnovana, v bedi in revščini. Pretokla se je skozi življenje kot drugo ubogo ustvarjeno bitje, toda bila je po svojih krestih, po svoji veri, zaupanju in ljubezni, po svoji čistoti in dobruti največja in najbogatejša med človeškimi otroci. "Zares vsa čista si in madežna ni na Tebi."

Ce bi Ti in jaz pogledala sedaj nazaj na pota svojega življenja, ali bi bilo tudi tam vse čisto, lepo, neomadeževano? Poglejva in potem storiva, kar vsa dolžna, da naju bo Mati vesela sprejela za svoja sinova na svoj rojstni dan.

Marija je bila rojena tudi za nas. Vse Njeno življenje oznanja veliko resnico: "Po Mariji k Jezusu." Kjerkoli jo pogledaš, ali v Betlehemu ali v Nazaretu, ali na ženitnini v Kani, ali pri drugih Jezusovih čudežih, ali pa na križevem potu, ali tam pod križem, kjer daruje svojega Šina za nas, kjerkoli, pravim, od Betlehema do Kalvarije, povsod nas spremlja resnica: Bedno človeštvo, vedi, da samo po Mariji vodi pot k Jezusu, ki je Vstajenje in Življenje. In prav je tako. Katera roka bi mogla biti pripravnija za delitev milosti Križa kot Marijina, ki je vse trpljenje sama okušila in s Šinom soodreševala človeški rod? Dokler bomo ljudje umirali v tej solzni dolini, bomo potrebovali Rešenja in Usmiljenja. Vedno ga bomo dobili po Marijini roki in le po tej. Ona je Srednica vseh milosti.

Prijatelj moj dragi. Morda tudi Ti jokaš obupan sredji življenja, morda so Ti ugasnile luči, ki so Ti korak osvet-

ljavele, zvezde vodnice so zatemnile, cilje si morda izgubili, poto do njih so Ti morda strašne razmere prekrizale ali pa si jih sam zgrešil. Morda je tudi Tvoje življenje, življenje begunca, izgnanca, življenje križeve poti in Golgotе. Morda si kdaj slab in misliš, da ni rešitve, ne izhoda.

Spomni se, če si pozabil, da je Marija, ki sedaj praznuje svoj rojstni dan in je Tvoja in moja mati, šla tudi takot pot izrednega trpljenja, samo še hujo, še strašnejšo, popolnoma nedolžna, vsega madeža obvarovana, vsa čista in sama dobrota. In ta Marija je Tvoja in moja najboljša Mati. Zgled nama je dala. Sama je šla skozi trpljene in preganjanje, vse ljudi razume in ljubi, kako ne bi razumela in pomagala preganjanju. Le verjemi, da naju vodi po poti, ki je najkoristenjsa za nuju oba in vse naše dobre namene in želje. Le zaupava, da nama je pripravljena vedno pomagati. Kar kot sinova ji voščiva in jo poprosiva. Vstani prijatelj, daj mi roko, pa greva na božjo pot k Mariji Pomagajo.

S prisrčnim pozdravom

njam, da se ji je stanje zelo zboljšalo, tako da je zdaj že skoraj zdrava."

Skozi dobo enega meseca se je naša naselbina pomnožila za slednje nove naseljence: Donald Lee Hrovat, Raymond Gray Plute, Ronald Boldan, Donna Marie Swegel, Sharon Ann Nawalaniec, Joseph Andrew Tomšič, Joseph Šeme in Maryann Roberts Čestitamo!

Kako se nevoščljivost kaznjuje sama sebe, je razvidno iz slednjega: V Bostonu je bila odredba, ki je dovoljevala, da se katoliški otroci smeli voziti brezplačno v katoliške šole. To je nekatere protestantske ministre bolelo in zato so sklenili, da bodo ljudi nauhiskali proti temu. Zahtevali naj bi, da se to ukine. Ko je postavodaja vzel to v pretres, je naredila drugo postavo, katera daje katoliškim otrokom več pravice, kot so jih imeli poprej.

Neki prodajalec je moral iti daleč na duželo s svojim blagom. Ker ni bil mest in restavrantov, je naročil južino pri nekem naseljencu. Ker ni bil zadovoljen s koruzo in krompirjem, je vprašal za kozarcem mleka.

"Ja, tega ti pa ne moremo dati," je rekel mož v vrgel čik pri oknu ven. "Mleka že nimamo, odkar nam je pes poginil."

"Pa kako to? Kaj ima pa pes z mlekom opraviti?" se je hudoval popotnik.

"Pa šele, da ima opraviti. Ni nikogar, ki bi šel po kravo na pašnik."

Društvo Najs. Imena ne bo volilo letos novih uradnikov. Sedanji uradniki ostanejo do meseca junija. Tiso:

Predsednik Joseph Kenik, podpredsednik Anthony Košak, tajnik Jakob Resnik, blagajnik Joseph Hrovat. Za program Franciscus Dissauer, marsal Frank Košak, bolniški obiskovalec Anton Meljač Sr. Za tisk, dramatiko in radio John Grahek, publicitet Fr. Snyder, za šport Louis Barle, za "Retreat" Joseph Yancher, delegata Frank Snyder in Frank Dissauer.

Ali ste slišali o tistem zakonskem paru, ki sta se močno prepričala. Kar nista mogla in nista mogla priti do sporazuma. Končno se je mož naveličal vednega prepričanja. "Ves, ljuba žena, jaz sem tole reč premisil in sem prišel do zakljucka, da jmaš ti prav, strinjam se s teboj."

"To ti ne bo prav nič mučalo," ga je zavrnila ona osorono. "Jaz sem se premisnila."

Naše čestitke in dobra voščila naj spremljajo Miss Jean Tekavčič, ki je zadnjo soboto postala Mrs. Victor Morrison in Anna Marie Zaletel, ki je zdaj Mrs. Adam Lonczak.

Štiri milijone in pol poslušalcev ima "Catholic Hour" vsake nedelje ob šestih zvečer. Tako trdi Mr. James Seiler, eden izmed višjih nadzornikov na NBC (National Broadcasting kompanije). On pravi, da je to največja grpa ljudi, ki se zanima za kak radio program; 118 postaj povzema in oddaja ta program in se strinjam. Ali ni škoda, da Slovenci danes le preveč zanemarjam to krasno molitev, katera je bila v takem veliko pomoč in tolažbo našim pradedom? Saj Marija sama kljče ljudi v današnjih dneh k tej molitvi. Tako se je izrazila v Fatimi in se po drugih krajih, kjer se je v zadnjih časih prikazala. Ta molitev osrečuje družine in jih veže skupaj v ljubezni, da zmanjšujejo nad težavami zemeljskega življenja.

Seveda, moramo moliti tako, da vsebinu rožnega venca res nekaj pomeni, da je res premisiljevanje Kristusovega življenja, trpljenja in smrti. Zato ne smemo drveti skozi rožni venec, kot bi gorelo za nami. Bolje je s premislekom zmoliti vsak dan par vrstic, recimo polovico rožnega venca, kot pa zdrveti skozi celi rožni venec brez premisleka.

Zadnji pondeljek po slovenski pogrebni maši smo zopet odpeljali enega dobro poznanega farana na Kalvarijo, kjer počiva prav gotovo že deset tisoč Slovencev. Frank Škufov iz Maple Heights nas je zapustil po kratki bolezni. Kolikor nam znano, je živel veliko večino svojega bivanja v Ameriki tukaj med sorodniki. Sopropri Alojzij, ki je ostala, sama in drugimi sorodnikom izražamo naše sožalje. Njega pa priporočamo v molitveni spomin.

Nekdo pravi: "Nepotrpežljivo sem godrnjal nad svojim uboštrom, ker nisem imel čevljev, dokler nisem videl človeka, ki niti nog ni imel." Res se nam morda slabo godi na svetu. Pa so morda ljudje, katerim je še hujše. Smo pač v dolini solz.

Več deklet je zadnje čase nastopilo vaje za bolniške postrežnice — student nurse. Ta je odšla Miss Theresa Mik-

ljavele, zvezde vodnice so zatemnile, cilje si morda izgubili, poto do njih so Ti morda strašne razmere prekrizale ali pa si jih sam zgrešil. Morda je tudi Tvoje življenje, življenje begunca, izgnanca, življenje križeve poti in Golgotе. Morda si kdaj slab in misliš, da ni rešitve, ne izhoda.

Skozi dobo enega meseca se je naša naselbina pomnožila za slednje nove naseljence: Donald Lee Hrovat, Raymond Gray Plute, Ronald Boldan, Donna Marie Swegel, Sharon Ann Nawalaniec, Joseph Andrew Tomšič, Joseph Šeme in Maryann Roberts Čestitamo!

Komarji so me tako opikal, da sem bil ves zatečen, kot bi me bolel zob. Pa štemelo me je, da sem se venomer praskal po bolečih delih telesa. Kdo bi misil, da so kanadski komarji tako hudi. Saj smo imeli tudi na Menišiji komarje, ki so včasih pognali naše krave v grmovje, da se je vse kadilo za njimi, pa smo imeli vsaj mi pastirji mir pred njimi. Ni se se slišalo, da bi komarji pognali človeka v beg. Ako bi se bila kakšna taka domača zabava primerila tam na Menišiji, bi ta ali ona staru ujnu takoj uganila, da to ni bilo po gravdansko, da niso mogli biti komarji, ampak so morale biti kakšne revne duševne, ki se martrajo po tem svestran zastran svojih storjenih grobov.

Tisti večer gospodar ni breal konj, ko je prišel iz mesta. Načel na duželo s svojim blagom. Ker ni bil mest in restavrantov, je naročil južino pri nekem naseljencu. Ker ni bil zadovoljen s koruzo in krompirjem, je vprašal za kozarcem mleka.

"Ja, tega ti pa ne moremo dati," je rekel mož v vrgel čik pri oknu ven. "Mleka že nimamo, odkar nam je pes poginil."

"Pa kako to? Kaj ima pa pes z mlekom opraviti?" se je hudoval popotnik.

"Pa šele, da ima opraviti. Ni nikogar, ki bi šel po kravo na pašnik."

Tito komunost je umrl in prišel mimo nebes. Kamor je pogledal, povsod je videj samo bogastvo — ure, zapestnice, prstane, uhane in drugo lepotičje. Zlato in srebro se je čarobno utrinjalo in biseri so se lesketali kakor zvezde. Izvedel je tudi, da vlada v nebesih pravi komunizem: vzorno bratstvo, popolna enakost in neomejena svoboda. — "Jeji!" se je obližil ter se požejljivo oziral okrog sebe. "Koliko bi se dalo tukaj 'suniti' in zapleniti! Kaj, ali je res ni bilo nobenega življenja?"

Johnny: "Ata, daj mi nekaj denarja."

Oče: "Zakaj vendar?"

Johnny: "Veš, tolikokrat se primeri, da roparji napadejo ljudi. Kaj pa, če bi bime na poti v solo napadli in bi zahtevali, 'Denar ali pa življenje,' in jaz bi ne imel centa v žepu?"

Iz Augusta, Georgia, piše neka protestantska mati: "Pred kratkim je prijazna sosedka vzela mojo hčerkko, ki ima srčno bolezen, seboj v cerkev k devetobrenevi čudodelne svetinje. Globoka pobožnost ljudi in cerkev in krasne molitve so hčerkko globoko ganile. Prejela je tudi svetinja in je tudi ona molila z drugimi vrednimi.

JETNIK V GORAH MESECA

Bridges — Anžič

"Dobro srečo!" pravi Bart rasla z gostim grmovjem in sam pri sebi. "Stari fant se je prav v to goščo so vodili sledovi ter izginili."

Bart je nekoč videl, kako je lovec zasledoval ranjenega leva v palmongo goščo; da bi pa on zdaj sledil čimisetu v njegov brlog, je bilo nemogoče.

Grmovje je bilo gosto kakor živa meja, da ni bilo v nobeno smer videti dalje ko le nekaj čevljev. Zato so vsi obstali.

"To pot prišel čimiset od druge strani," razlagata Bartu. "Poskusil priti v kočo, pa ta mož ga videl, vrgel ogenj vanj in ga prepolil. Pokažem ti."

Stvar je bila jasna: zver, katerakoli je pač bila, si je utrla novo luknjo kar gladko skozi visoko trnjevno ograjo in jo mahnila naravnost proti eni izmed koč. Bart je videl, kje je udrla skozi debelo, na solčnu posušeno ilovico, ki je bila stara koča z njo ometana. Mož, ki jo je videl in vrgel vanjo baklo, je bil od strahu svet kot pepel. Videti je torej bilo, da je ogenj edina stvar, katere se čimiset boji, in ga je zato tudi pregnal.

Bart zbere pogum in reče Lumbvi, naj skliče ljudi in jim zapove, da gredo za njim. S seboj naj prineso bakle in bobne. Vsi so bili prav hudo prestrašeni, pa vendar so glavarjeva naročila ubogali. Bart je korakal spredaj, sredi med Fortyjem in Lumbvo. Imel je repertirko, Forty, pa navadno risanko. Odprli so glavni vhod, ki je bil ponosči zadelan s tremjem, in došli iz vasi v grmovje.

Zunaj so naleteli na sledove zagonevne pošasti. Ogoromni oditki stopala so bili skoraj štirikrat takoj veliki kakor levji in kazali podobno tri velike prste s krempijami. Bartu se nikoli niti sanjalo ni o takih pošastnih sledovih in tudi Forty ni bil niti kaj srečen.

"Bas, jaz misliti, on hudičeva zver," je reklo z nizkim glasom in Bart bi mu bil najrajsi pritrdil.

Nizkega grmovja blizu vasi ni bilo veliko, zato so se sledovi v pščenih tleh videli jasno kakor tiskani. Vodili so južno proti nizki naplavini, ki se je dvignila nad reko, in sicer kaže miljo od vasi. Bila je po-

Leđena groza je spreletela Barta. V srcu se je popolnoma strinjal s Fortyjem in ga je prav tako zelo mikalo, da bi pokazal pete, kakor zamoci.

POLOM

POSLOVENIL VLAD, LEVSTIK

Po nasilni smrti svoje žene, ki mu jo je ugrabila zaporedica strasnih dogodkov, se je zdel samemu sebi kakor brez srca; prisegel je bil, da ne pogleda več nobenega tistih bitij, ki delajo človeku toliko trpljenja, tudi če same niso zle. In prijateljstvo jima je bilo obema nekakšna osvoboditev; če se tu di nista objemala, vendar sta se globoko in tesno dotikala drug drugega in sta živila drug v drugem, drug za drugega, načini sta bila še tako različna — na tej strani cesti v Remilly, ko sta držala drug drugega pokoncu, tvoreča zgolj eno, celo bitje, polno usmiljenja in trpljenja.

Ko je arjergarda odhajala iz Raucourt-a, so na drugem koncu Nemci marširali vanj; in dve njihovi bateriji, ki so jih takoj postavili na višinah na levi, sta pričeli streljati. V tem trenotku se je 106. polk, ki je korakal po cesti spuščajoči se pokraj Enmane návdol, nahajal v strelni črti. Ena granata je po sredi presekala topol ob rečnem bregu; druga se ti je poleg kapitana Beau-douina zakopala v tla, ne da bi se razpočila. Toda pot proti dolini je postajala proti Ha-raucourtu čimdalje ožja, in prišli so v tesno sotesko, ki jo po obeh straneh obdajajo gozd-nati gozdniki grebeni; če bi bila tam gori v zasedi le pešica Prusov, je bilo gorje neizgibno.

V hrbot obstreljevanje s topovi, na desni in na levi pa v nevarnosti napada, so korakale čete zdaj le še v naraščajočem strahu naprej, gnane od nujnosti, da pridejo kmalu iz tega nevarnega prehoda. Tako je tudi v najbolj trudnih še enkrat vzpapolača čila moč. Vojaki, ki so se v Rauvourtu pravkar vlačili od vrata do vrata, so delali zdaj velike korake, sveži in ozivljeni pod žgočo ostrogo nevarnosti. Zdelo se je, kako da bi celo konji vedeli, kako dragocena je vsaka izgubljena minuta. In celo kolone je utegnilo biti že v Remilly-u, ko se je marš nenadoma ustavil.

"Hudiča!" je dejal Chouteau. "Ali nas hočejo pustiti tukaj?"

Dočim je polk prestopal na mestu, čakajoč, da se marš nadaljuje, se je na desni razlete la granata, ki na srečo ni rnila nikogar. Preteklo je pet brezkončnih, strasnih minut. Se vedno se niso premaknili z mesta; tam dol nekje je moral biti zapreka, ki je zapirala cesto kakor zid, nemadoma dvignjen iz tal. In polkovnik, ki se je bil vzpel na stremenih, je trepetal gledal v daljavo, čutec za seboj naraščajočo pariko ljudi.

"Vsi že vedo, da smo prodani!" je srdito povzel Choteau.

Nato je izbruhnilo splošno mrmmrjanje in srd obupa, ki je rastel pod bičem strahu. Da, da! Priginali so jih semkaj, da jih prodado, da jih izroče Prusom! V očigled tej trdovratni nesreči, v očigled tej preobilici storjenjih napak je stalo v najomejnejših glavah pribito, da je le z izdajstvom mogoče razložiti takšno vrsto negrod.

"Prodani smo! Prodani smo!" so ponavljali brezumno razburjeni glasovi.

Takrat se je Loubet nečesa domislil.

"Menda ima zopet ta prasec cesarski svojo trpljago tam do na cesti in nas zadržuje."

Novica se je nemudoma razširila. Zatrjevali so, da je zamude v resnici kriv cesarski dvor, ki je odrezal kolono. Vojaki so izbruhnili v strahovitem besu, z ostudnimi besedami, izrajočimi vse sovraščto, ki ga je budila nesramnost cesarjevih ljudi, ki se polaščajo mest, kjer oni prenočujejo, razpolagajo zaloge, svoje jerbase z vini in svojo srebrno posodo priščo, vsakaterga pomanjkanja, ki ga trpe vojaki, in kurijo.

MORNING NEWSPAPER

This and That from Washington

By Congressman Frances P. Bolton

I have been asked many times since I flew from London to Paris to compare the two cities. That is a difficult task, I fear.

One must remember that London was both blitzed and bombed. Paris not at all except for a little damage here and there. So the fact is that London is still a city of pockmarked buildings, of ruins, cleared of debris, but ruins do present a tragic background wherever one goes. Only structures of first importance have been rebuilt—a few stores have a little fresh paint, which one feels quite oddly has been permitted as a bit of good psychology. To me the public squares and parks are very sad—they look so tired, so very tired, like the clothes. Flowers have been planted in many places to cover up that which cannot as yet be put in repair—but to me the whole effect was one of great weariness. And the re-arranging of sugar, the cut in the already inadequate meat and fat ration, were in the air as well as in the market queues.

But at least the taxis are new, and there seems to be many of them. Only those who knew the lack of them in wartime blackout days can begin to appreciate the

help they are, now that they are back.

It must be mentioned here that there are now many more government restaurants in London near factories and large industrial activities where a man can get a real meal for a pretty fair price. This means that there is extra food to be had by the working man who can pay for it, and wages have risen—so all is not gloom!

Paris is an odd mixture of very hard working people in addition to the strange group the war has left in every country who, of course, want everything done for them, but I doubt if they are in the majority.

The streets are full of cars of every description, mostly little ones of all sorts—taxis, carts, bicycles, motorcycles, etc. An American car always attracts attention, especially the large expensive ones of which there seems to be a goodly number.

Prices were high in London—I found them high in Paris also. But if you know where to go and how to buy you do not need to pay the high prices. But in both cities one hears the same refrain—prices must come down.

The long drought has made the soils (woods) tinder dry, and many of the chestnut trees for which Paris is famous, have only shrivelled leaves with which to end the summer. And now both countries have suffered hideous fires that have destroyed much grain, and in the Girdone (around Bordeaux) have cost lives and destroyed many of the forests so important to life.

Chapter Eight
The Misadventures Of
Isabel

At supper, the main topic of conversation among the kids from Ohio was the fact that the Indians were in town. Gloria and I had even gone so far as to decide that we were going to the game, while Susie, not being a baseball enthusiast, was going to stay home and get some rest from us. So we decided, anyway.

Immediately after supper, the girls who were going to the game left. On a sudden impulse, I said that I'd still like to see the Capitol with the floodlights on the Dome.

"Well, then," suggested Gloria, "let's go see the Capitol instead of the baseball game. It's kinda late anyway, and we'd probably get stuck with bleacher seats out in the center field somewhere, where we couldn't see anything anyhow."

"Yes," I agreed. "I really don't have too much money, either. I guess I spent too much on flash bulbs. And I used up two rolls of film today, so we'll have to go get some more."

"I'd rather see the Capitol, put in Susie. 'We can take a taxi, and ride around a little.'

"OK, then, that's settled."

We got cleaned up and went downstairs to the lobby. The doorman found us a taxi, and we began our ride in the direction of the Capitol.

"Shall I go around by Capitol Hill, or are you in a hurry?" asked the taxi driver.

"Oh, go up by the hill," I said. "I want to take a picture of the Capitol anyway, and I guess that'll be better."

"Well, if you want to get a picture, I'll take you up the hill, and you can stop right in front of it, then I'll go around the other side so that you can see the front lawn. That isn't visible from the side of the place."

"Swell!" we said, and settled back to enjoy the ride.

He had the ball game on the radio and we started talking about the two teams.

"Looks like Cleveland will win the pennant again," he remarked. (Of course, you understand, this was last May, when the Tribe was in second place, with only a few games to catch up.)

"I hope so."

"You a Cleveland fan?" he asked me.

"You bet?"

"They will make it," said Gloria.

"They did last year."

"Pure luck," I said, "but it might hold out for another year. You can't tell. Veek seems to have all the good luck on his side."

"How about Washington?" asked Susie.

"Second last. Only St. Louis is lower than Washington."

"Nobody cares here," said the driver. "The team isn't run right, and even though they have some good material, as long as the managers are no good, the team won't be any good."

"The radio sounds as if you have some enthusiastic fans anyway." This came from Susie.

"They came out to see the World Champs," the driver told us.

"Hurrah for Cleveland!" I cheered. There we left the Indians for a few minutes, and we began to ask the taxi driver about Washington. We asked about the population, the types of people, etc.

Then he asked us the population of our home town, and we told him it was somewhere around a million.

"Whew, that's a pretty big town!" he ejaculated. "Where are you from?"

I was astounded. "Why, Cleveland, of course!" I replied.

"Oh! No wonder you are Indian fans! I was wondering why you were all for the Indians!"

We laughed at him, and then told him where we'd been for the rest of the day. When we told him we'd walked to the top of Washington Monument, he said:

"Boy, I wish I had a penny for every person who's climbed to the top of that thing in the past few years! I'd be rich!"

"Do you collect them?" I asked.

"Are you kidding? If I only had them!"

By this time we had reached the top of Capitol Hill, and the huge dome stood out of the early evening dusk like a small hill covered with white snow and gleaming in the sunshine of the floodlights.

The lights were white, but the driver explained that sometimes they use pink or yellow lights. "I think I like the white best, though," he told us.

"I think I do, too. What looks better than any color."

"Where do you want to take the picture from?" he asked me.

"I really don't know . . ." I began. We were up on the Hill with the entire Capitol before us.

"Why not take it from here?" he suggested. "You can get a good view." He got out and looked up and down the street to make sure that no cars were coming, then he let me out and pointed my camera. We were about 50 yards away from the end of the drive that leads around in front of the Capitol, and I could just get the whole of the dome into the view finder.

As soon as I had snapped it, I got back into the cab, and the driver took us around the other side of the Hill, so that we could see the fountain on the front lawn of the building. That is lit, too, with green and pink and white lights on the water. It was rapidly becoming dark and the dome of the capitol and the fountain shone thru the dusky night sky.

Down Capitol Hill we went, and in a few minutes were back at the hotel. The driver was kind enough to consider the thing one trip since he had gone around the Capitol and not two as it would have been if he'd taken us there and back the same way.

I recalled his wishing that he had a penny for every person who had been in the Washington Monument in the past few years, so we each made sure that the tips had a penny in the change somewhere. I told him they were to start his collection. He laughed and thanked us for an enjoyable ride, and wished the Cleveland Indians luck for the rest of the season.

Love, ISABEL

**STRAIGHT FROM
WASHINGTON**

By STEPHEN M. YOUNG
Ohio
Congressman-at-Large

Washington. — Congressman Burdick, (R), North Dakota, in a speech on the European Arms Aid Bill, won approval of his colleagues in the House. He said, "I do not belong to the Committee on Foreign Affairs so I think I know something about the subject." Congressmen generally look with amused tolerance upon members of the Foreign Affairs Committee.

Generally speaking, after they have heard two or three striped pants State Department diplomats testifying before their Committee and have attended a few cocktail parties mingling with State Department "cookie-pushers" and foreign diplomats, they consider themselves the last word and profound authority upon our foreign policy.

Second last. Only St. Louis is lower than Washington."

"Nobody cares here," said the driver. "The team isn't run right, and even though they have some good material, as long as the managers are no good, the team won't be any good."

We were up on the Hill with the entire Capitol before us.

WORTHWHILE HARD LABOR

Let me tell you about twenty-five men at hard labor for six months. Fifteen were Democrats and ten Republicans. No, these men were not sentenced to serve in jail at hard labor. Members of the Committee on Ways and Means of the House of Representatives labored for six months — doing the hardest sort of work — and many of the sessions were stormy and turbulent and many great issues were decided by one vote. This is the best Social Security Bill ever presented to the Representatives of the people anywhere in the world. The title of the bill is a Bill to extend and improve the Federal Old-Age and Survivors Insurance System, to amend the public assistance and child welfare provisions of the Social Security Act, and for other purposes. Forty-six million Americans will directly benefit by the beneficial provisions of this great Social Security legislation which the House of Representatives will pass directly after Labor Day. The bill itself occupies two hundred and one printed pages and in fulfillment of the pledge in the 1948 Democratic platform and upholds the promise President Truman made at every "whistle-stop" last October.

ECONOMY IN GOVERNMENT
Regarding the headlines announcing that more than one hundred and fifty thousand Americans will be let out for economy reasons and some bureaus and Army posts abolished, those who have been advocating economy now complain the loudest. For example, some Chamber of Commerce officials wrote urging support of proposals of the Hoover Commission and then the same persons began objecting when President Truman, in his reorganization proposals, put Hoover Commission recommendations into effect and proposed transfer of a government agency to the Department of Labor. To some big business, the La-

Department is anathema. They also objected to creation of the Welfare Department, the President's Reorganization Plan No. 1, with the head of that department having cabinet status. The reason is that they mortally hate and fear Oscar Ewing, Federal Social Security Administrator. President Truman intends to appoint Oscar Ewing to head this department, if and when it is created. As a boy on the farm in Huron County, I always liked to attend sheep roasts and eat roast meat of my neighbor's lambs. When my turn came and I was expected to have my pet lamb roasted, that was another story.

BACKWARD STATE

As a result of the poll tax requirement, to bar Negroes and the poor

from voting, very few citizens actually vote in Mississippi. The following election totals are illuminating: 1st Congressional District, John E. Rankin, 16,800, opponents, none; 2nd District, Jamie L. Whitten, 13,771, opponents, none; 3rd District, Wm. M. Whittington, 17,369, opponents, none; 4th District, Thos. G. Abernathy, 15,290, W. B. Smith, 252. In Ohio more votes are cast in a single ward in some cities than in some entire Mississippi Congressional Districts.
