CERKEV V GROBLJAH pri razmetano pšenico vsaj ponovno Domžalah je zaprta. V njej je maševanje prepovedano.

FARO v DOMŽALAH upravlja 74 let stari, upokojeni duhovnik Koželj Franc, ki stanuje na Rodici. Enkrat tedensko mu je dovoljeno maševati v zavetišču v Mengšu, kjer je ostalo še nekaj usmiljenih sester, oblečenih v civilne obleke.

KOMUNISTIČNE oblasti so na Primorskem odstavile že skoraj vse komuniste in njihove sopotnike, ki so prevzeli leta 1945 oblast v svoje roke. Mnogo od teh je v zaporih ali na prisilnem delu.

V zadnjem času je bil odstavljen predsednik KLO v Dornbergu pri Gorici, češ da je nezanesljiv. Očitajo mu, da je njegov brat župnik (Berce Mirko, župnik v Šturijah) in da sta 2 njegova sorodnika v emigraciji kot protikomunisti.

Ker niso imeli komunisti med domačini nobenega primerne in zanesljivega človeka so postavili za predsednika KLO v Ajdovščini nekakega tujca iz okolice Ljubljane. Kmetijski referent na okraju pa je po poklicu čevljar.

SOCIALISTIČNO gospodarstvo v praksi. — Dne 19. julija je prinesel "Slovenski poročevalec" sledeči dopis iz Brežic:

"Preživela sem nekoliko dni v Trnju pri Brežicah, kjer imajo mestna ekonomija Brežice svojo njivo. Pšenico so pred dobrimi 10 dnevi poželi in nato snopce zložili v kopice. Pridelek je bil izredno lep. Po žetvi se za pšenico ni nihče več zmenil. Bila je popolnoma suha in bi jo lahko takoj spravili pod streho. Toda "skrbni gospodarji ekonomije so verjetno čakali na dež. Preteklo soboto je dež res namočil pšenico. V nedeljo so odpeljali nekoliko vozov, velika večina pšenice pa je še vedno ostala na polju. Nikomur ni prišlo na misel, da bi od viharja in dežja

Nov York. — Dne 30. avgusta zvečer je priredil Jakob Malik, glavni delegat Sovjetske zveze, slavnostno večerjo na čast ostalim delegatom, kakor je običaj, da vsak delegat po enomeščnem predsedovanju priredi večerjo ostalim delegatom.

Povabilo so se odzvali vsi delegati Varnostnega sveta, razen delegata nacionalistične Kitajske, ki ga Malik ni povabil. Toda, ko je kitajski delegat po svojem predsedovanju meseca januarja priredil tako večerjo, tudi ni povabil Malika, torej si nimata kaj očitati.

Vežo in hodnike okoli dvorane so stražili detektivji, ki so bili oblečeni v večernih oblekah, ki jih je predpisal "proletarec" Malik za vse goste.

Pred vhomom v hotel je pikturala neka neznana ženska, ki je nosila tablo z napisom: — "Noben dostojen Amerikanec ne bo sedel in jedel z Malikom!" — Hujše nesreče ni bilo.

Joseph Levstik

Umrli je dobro poznani Joseph Levstik, stanujoč na E. 76. cesti. Podrobnosti pozneje.

Oblačno in dežni prši, mala sprememba temperatura, jasneje in hladneje zvečer.

Tri na dan

Nobenega dvoma ni, da ne bi Amerika končno zmagala v prepiranju za prvenstvo. Demokracija mora zmagati, drugače ne gre in ne bo šlo. Komunizem je bil po drugi svetovni vojni na višku, zdaj gre rapidno rakovo pot.

Česar se nam je v Ameriki bati je samo takih diplomatov, kakor je bil ranjki Roosevelt. Njegove napake zdaj drago plačujejo, ampak plačali jih bomo in račune zaključili.

Še en Teheran, pa še ena Jalta, pa bi postala iz ponosne Amerike deželica, ki bi bila sluga pokorni — Sovjetski Rusiji. Hvala Bogu in zavednemu ameriškega narodu, da se to ni že zgodilo v teh zadnjih letih.

OBNOVA
PROMETA
V KANADI

Vlada je pozvala železničarje, da se morajo v teku 48 ur vrniti na delo.

OTTAWA, 30. avgusta. — Devet dni trajajoča železniška stavka v Kanadi je bila nocoj končana, ko je parlament ukazal, naj se 24.000 železničarjev vrne nazaj na svoje delo. Jutri se bo začel zopet normalen obrat vlakov.

Voditelji stavkarjev so proglasili konec stavke 19 minut nato, ko je vlada proglasila novo predlogo za poravnavo stavke za postavno.

Postava določa, da se imajo delavci v teku 48 ur vrniti na delo. Unijski voditelji so nemudoma sporočili stavkarjem, naj se jutri priklone za delo.

Stavka je imela težke posledice. Zaradi nje je bila silno prizadeta industrija, poleg 124 tisoč delavcev, ki so bili na stavki, je bilo ob delo mnogo nadaljnjih tisočev ljudi, pokvarilo je mnogo zelenjave in sadja, ki je stalo v vročini v vagonih na stranskih progah in hudo je bila prizadeta tudi potujoča publika.

VELJAVEN ZA 3 LETA

Državna legislatura v Ohio je odobrila nov zakon, po katerem bodo vozniki avtov posledje dobili voziške licence. Doslej smo ga morali dobiti vsako leto novega in plačali smo zanj 40 centov. Posledje bo dovoljenje veljavno za 3 leta in bo treba plačati zanj \$1.

Nov zakon pravi, da je treba dobiti novo voziško licenco dneva prvega rojstnega dneva, ki ga ima voznik po 30. septembru letos. Za licenco lahko vpraša pa 30 dni poprej. Ni rečeno, da mora voznik praznati za novo licenco ravno na dan svojega rojstva, pač pravi zakon, da mora novo licenco imeti takrat, ko poteče stara.

Torej, ako je vaš rojstni dan 1. oktobra letos, greste lahko po novo licenco že 30 dni poprej ali kadar hočete do dneva, ko je vaš rojstni dan. Na 5. septembra bo

Smrtna nesreča z avtom

Sem fantič star komaj 18 let ... tako pojo ta teden naši fantje, ki so dobili poziv od Strica Sama, da se priklone za obrambo domovine. Med temi so sledeči naši fantje: Joseph Zernic, star 17 let, sin Mr. in Mrs. Mike Zernic iz 19402 Mohawk Ave., Charles Pezdirtz, sin Mr. in Mrs. John Pezdirtz, poslovodja pri Slovenski zadrugi. Ta dva se morata zglasti v taborišču Pendleton v Kaliforniji pri marinah. V ponedeljek bosta korakala z drugimi iz vojaške barake Grays Armory do Terminal postaje. Na četu jim bo igrala godba kora marinov.

Drugi naši fantje, ki tudi odhajajo v taborišča, da oblečejo vojaško suknjo so sledeči, kakor povzemamo iz ameriškega časopisa: Donald Dolenc, Thomas Supanick, Robert Novak, John Vidmar, Edward Zitko in George Antolovič.

Družina Mr. in Mrs. Vic Jadric, (Mr. Jadrich je naš strojni stavec), je tudi že dala dva sinova Stricu Samu te dni in sicer je že odšel na Korejo Cpt. Henry Joseph Jadrich, ki služi pri marinah v letalskem oddelku in Pfc. Thomas Jadrich, ki je tudi pri marinah in sicer v taborišču Pendleton, Cal. pri komunikacijskem oddelku.

V torek odide k mornarici Joseph Grdina, sin poznanih Mr. in Mrs. Joe Grdina iz 6113 St. Clair Ave. Joseph je služil pri mornarici tekom 2. svetovne vojne, zdaj so ga pa kot rezervno zopet poklicali v aktivno službo. Najprej se mora zglasti v Pittsburghu za zdravniško preiskavo, potem pa gre v Filadelfijo, kjer ga bodo dodelili enici. Joe se je pred dvema leti oženil z Mary Brilan iz Collinwooda. Ker ne bi mogel pred odhodom obiskati vseh prijateljev, kliče vsem skupaj: na zopetno svidenje!

Fantje, le dobro se držite in pridite zdravi nazaj. Bog in sreča junaška!

TOKIO. — Nad 30.000 komunistov in z nadaljnjimi 20.000 v rezervi, je podvzelo danes s podporo tankov veliko ofenzivo na 47 milj dolgi fronti, da se polastijo za Amerikance življenjsko važnega pristanišča Pusana. — Ob težkih izgubah na moštvo in orožju so komunisti prodrli na nekaterih mestih do pet milj naprej. Obkolili so kraj Haman. Na petih točkah so prekoračili reko Naktong ter vzpostavili cestni blok preko ceste v Čangnyong okrožju.

O preganjanju coprnice, rdečih slanikih in
zgrevanih revah

Lee Pressman, bivši vladni odvetnik, je pred kongresnim odborom za preiskovanje neameriških aktivnosti identifikiral troje svojih kolegov in vplivnih oseb v časih "New Deal", kot komuniste in člane komunistične partije. Ti trije so: John J. Abt, bivši glavni pomožni odvetnik, svetovalec Works Progress administracije, glavni svetovalec senatnega Civil Liberties Investigating odbora ter bivši pomočnik vladnega generalnega odvetnika. — Nathan Witt, bivši generalni tajnik vladnega National Labor Relations odbora, in Charles Kramer, svetovalec specialnega senatnega odbora, v čigar področju so bili delavski problemi. Vplivne vladne funkcije teh treh smo omenili z namenom, da ne bi nihče zmotno mislil, da so bili to morda kaki brezpomembni pisarji.

Imena teh treh in še mnogih drugih je navedel istemu odboru dne 3. avgusta 1948 že Whittaker Chambers, svoječasni kurir komunističnega aparata, čigar svrha in naloga je bila, infiltrirati državni departament s komunisti.

Omenjeni trije so bili leta 1948 poklicani pred kongresni preiskovalni odbor, kjer pa niso hoteli odgovarjati na vprašanja, sklicujoč se na ustavo, ki jim dovoljuje "zaščito pred diskriminacijo." Z isto motivacijo tudi Pressman sam ni takrat hotel odgovoriti na vprašanje, če je komunist.

Zdaj pa radovoljno odgovarja na vsa stavljena vprašanja ter potrjuje, da so res bili komunisti in člani komunistične partije vsi oni njegovi kolegi na visokih vladnih položajih, ki jih je kot take označil Whittaker Chambers! — "Enakopravnost" in "Prosveta" sta vse te in ostale vzeli v zaščito ter jih proglašali za nedolžne žrtve Whittakerjeve propalosti, zaslišanje samo pa sta proglašali za "rdečega slanika" in za "preganjanje coprnice" ...

Število "zgrevanih rev" , o kakršnih govori neki prosekutor in uradnik ameriškega pravosodstva, — ponavljamo — pravosodstva! (če je sploh še to?) — v "Enakopravnosti", je ob razbojniških političnih mahinacijah "diktatur proletariata" in "ljudskih demokracij" ter ob njihovih tiranskih metodah, ki jih izvajajo nad svojimi nesrečnimi narodi, čedalje večje, ker vsem onim, ki so iskreno mislili in delovali, padajo končno luskinje z oči! Tudi prosekutorjev vzor H. A. Wallace je postal takšna "zgrevana reva".

Sicer pa poznamo zgrevane reve, ki so se poskušile že na vseh političnih in kulturnih popriščih in mejdanjih, dokler se niso končno znašle v tovarišiji, ki tiči danes "between the Devil and the Blue Sea".

RAZKROPITEV VLADNIH
URADOV V WASHINGTONU

Razkropitev vladnih uradov je varnostna naredba za slučaj atomskega napada. — Novi uradi bodo nameščeni v bližini Washingtona.

WASHINGTON. — Predsednik Truman je apeliral na konda bi se uradniki in nastavljen-gres, naj dovoli \$139,800,000 za izgradnjo novih poslopj izven nima prevoznimi sredstvi na de-Washingtona, ki bi jih vlada rabila za svoje urade v slučaju "nujnosti in potrebe."

Po vsej priliki je to program za razkropitev vladnih uradov v zaščito proti morebitnim atomskim napadom. Kakor ta program predvideva, bi zavzemala nova poslopja štiri sedeže, ki bi bili vsi tako blizu Washingtona, da bi se uradniki in nastavljen-gres, naj dovoli \$13,740,000 za izgradnjo uradov, ki bodo potrebni za 40.000 novih vladnih uslužbencev, ki jih bo najela vlada v soglasju z razširjenim obrambnim programom.

Zavezniki v Pohangu so izvedli protinapad
ter zavzeli dve milji strateškega ozemlja

Za mesto Pohang, ki je drugo najvažnejše pristanišče v Koreji za dovoz ameriškega mostva in materiala, se vrše krvavi boji.

POHANG, 31. avgusta. — Juž-MacArthurja pa je bilo naznanokorejska pehota z ameriškim tanki na čelu, je prodrla danes dve milji naprej zapadno od Pohanga.

TOKIO. — Silno stiskani brambovci Pohanga so danes udarili v protinapadu z vso silo nazaj na komunistično armado 25.000 mož, ki je prodrla do razdalje dveh milj do tega korejskega pristanišča.

Neki ameriški častnik v Pohangu je izjavil, da so severni Korejci bržkone zamudili zadnjo priliko, da bi zavzeli Pohang — toda iz glavnega stana gen.

Kako je v domovini

Na Primorskem je človek mnogokrat priča izjav vaščanov, da ne želijo drugega kot, da jim naj dajo samo to, kar so jim dajali fašisti-Italijani, pa bo življenje lepo. To se vidi, da so pod toliko opevanem "krvavem fašističnem terorju" na Primorskem ljudje živeli neprimerno boljše, kot pa sedaj. Neredko so po primorskih vaseh napadene razne "komisije" za odkup itd. Vaščani jih enostavno naženejo. Primorci, če se le da, pobegnejo čez mejo. UDB-a divlja po Primorski, vendar ne morejo zatreti vseh sabotaz. Z grožnjami, kaznimi, represalijami silijo ljudi, da bi sodelovali kot voluni med svojimi sovrstniki, če ne pomagajo obljube in materialne ugodnosti, ki jih jim nudijo.

Ljudje po Sloveniji so po sporu z Moskvo postali še bolj zaprti vase in neredko slišiš, da ne verjamejo nikomur več. Do junija 1948 je vse moralo do nebes poveljčevati Sovjetsko zvezo in njeno Rdečo armado. Treba je bilo verovati, da so samo oni porazili Nemce, da nam nudijo ogromno pomoč, da brez Sovjetske zveze ne bi bilo mogoče, da bi obstojal svet, da je najboljši plemeniti, da je najboljša itd. Skratka, biser in svetnik med človeštvom. Potem pa naenkrat, kot strela z jasnega, je ta isti svetnik in biser postal največja baraba, lopov, prevarant, falsifikator, pošast, netilec vojne, moloh, ki žre male narode, krvnik, kolonijalni eksponent itd. Značilno za njega je: korupcija, strah pred odgovornostjo, gospodarski kaos in zmešnjava, polom, policijski teror, pomanjkanje, zelo mnogo začetega dela, pa nikjer dovršenega, suženjsko delo brez plačila in pa totalni režim. Hujski od vseh znanih fašističnih do sedaj, nekoliko ljudi, ki žive v malih nebesih na zemlji in na stotisoče sužnjem, ki delajo zanje.

Ljudje pričakujejo nekaj drugega. Upajo, da se bo spor z Moskvo razvil radi delovanja Kominforme v državljansko vojsko, da bo Rusija posegla vmes in bi tako tudi Zapad dobil priliko vtakniti se vmes. Želijo si, da bi jih okupirali Amerikanci in vpostavili svojo vladno iz domačih ljudi. Želijo si svobodno demokratične republike Slovenije z vlado sposobnih ljudi iz raznih strank, ki bi se kontrolirale med seboj, parlamentarni sistem po ameriškem vzorcu in svobodno dela, samoinicijative, tiska in govorjenja. Ne pa vlade kot je današnja, kjer so bivši pastirji in hlapci (Marinko Miha, Hribar Janez in drugi ministri), ki v mnogih slučajih ne znajo niti dobro brati, niti pisati. Da ne bodo na visokih vojaških in državnih položajih ljudje iz vrst kriminalcev, tatov in postopačev (general Matevž Hace, Stanko Semič — Daki in vrsta polkovnikov in majorjev, znanih pred vojno kot kriminalci in moralno pokvarjeni ljudje). Skratka, ljudje si žele enkrat resne vlade, brez kralja, demokracije po ameriškem sistemu v svobodni državi z vlado slovenskih ljudi, sposobnih in pametnih. To je v bistvu želja vseh poštenih slovenskih intelektualcev, delavcev in kmetov.

Sabotaže v Srbiji, Banatu, na Hrvaškem, v manjši meri v Sloveniji, so jih spravile iz tira, ker ne vedo, kdo je pravzaprav glavni povzročitelj. Tisk in radio valita krivdo v pretežni večini na Kominformo, vendar pa imajo tudi drugi prste vmes. Zato ljudje samo čakajo, kaj bo. Jasno pa je, da bi pri najmanjšem začetku stopili kot eden proti sedanjemu režimu, potem pa bi bilo treba hitro delati, da se ne polasti oblasti zopet kak diktator. Predvsem pa nuditi takoj ekonomsko izboljšanje.

Komunizem potvarja Slovanstvo

Moderni brezbožni komunizem si je izbral različna sredstva, da privablja ljudi v svoje vrste. Slovanska in narodna krinka je ena njegovih najuspešnejših krink za Slovane tostran in onstran oceana. Poglejmo v kratkem, kako je do slovenske krinke komunizma prišlo, saj je komunizem po svoji naravi nasproten vsaki narodni ideji.

Nemški Žid Karl Marx, ki ga imajo vsi komunisti za svojega duhovnega očeta, ni ljubil Slovanov. Njegove blodne ideje so zrastle na nemških tleh in našle večji odmev v Zapadni Evropi, kot pri Slovanih. Slovanski narodi tedanje avstrijske monarhije so se mu posebno zamerili leta 1848., ko so bela avstrijski Slovani uničili revolucionarje. Zaradi bana Jelčića, ki pod svojim praporom ni zbral le Hrvatov, ampak tudi Srbe in so mu navdušeni Slovenci pošiljali denarno pomoč, je Marx posebno sovražil Jugoslovane in jim odrekal vsako pravico do svoje lastne državnosti.

Lenin, gibalni duh sodobnega komunizma, je bil v emigraciji v Švici, toda Nemci, ki so tedaj bili v vojni z Rusijo, ki se je v prvi svetovni vojni borila na strani Angije in Amerike, so 1917. poslali Lenina v plómbiranem vagonu preko Nemčije v Rusijo z namenom, da tam prične revolucijo. Boljševiška revolucija je bila izrazita revolucija, ki je hotela uničiti vsak slovenski čut ruskega naroda. V državljanski vojni 1917. do 1921. niso boljševiki zažigali samo božjih hramov, ampak so hoteli uničiti vsako sled "buržujskih"

slovanskih idej. Ko so po miru v Brest-Litovskem vprašali Lenina, čemu je podpisal mirovno pogodbo, ki daje Rusiji zelo slabe meje, je odgovoril, da boljševikom ne gre za ruske narodne interese ampak zato, da mednarodni komunizem na nekem teritoriju prvič v zgodovini izvaja svojo oblast. Slovanska Rusija je tedaj dobila ime SSSR in ime Rusija je bilo izbrisano.

Newburške novice

Zdi se mi, da smo pred leti lepše praznovali farnega patro- na kot ga v zadnjih letih. Ni bilo sicer slovesne sv. maše, toda cerkev je bila polna. Društva so prišla v paradi v cerkev k glavni maši in nekako vsesplošno več zanimanja je bilo tiste dni. To so bila ista leta, ko je bila naša fara še vsa slovenska in je bilo med nami še vse polno onih, ki so iz svoje rojstne domovine prinesli krščanskega pa veselega duha, ki je ob takih prilikah poživljal versko in telesno življenje. Ljudje so se živo zanimali za take dni kot je god sv. Lovrenca. Velika noč, Veliki smerni in druge praznike. Zdaj smo pa postali pomešani z raznimi narodnostmi, z ljudmi kateri imajo drugačne običaje in navade. To je moderna generacija, ki si cer še prihaja v cerkev ob nedeljah in po večini tudi še o praznikih, ki pa je pri vsem tem nekam mrzla in mlačna za vse razen športa. Saj tudi jaz "lajkam" base ball. Saj tudi jaz pogledam tu pa tam takozvane "funnies." Če že ne iz vzroka, da jih "lajkam," že radi tega, da vidim kaj mladina uživa in s čim se duševno hrani. Ne mogel pa bi se nikakor zadostiti edino le s tako puhlo duševno hrano. Tudi šport me zanima do meje, ki mi pokaže, kako stojijo "Indians." Saj človek ne more biti vedno resen. Včasih moramo vsaj za kratek čas odložiti svoje skrbi, da duh počije. Toda misliti, govoriti, sanjati edino le o športu, base ball, basket ball, dance in prav nič drugega, to mora konečno prinesiti stud nad praznoto tega življenja. Cerkev je modro uredila vse to, ko je delavnice pomešala z prazniki, ki nas opozarjajo tudi na dušne potrebe. Nič ni bolj navduševalnega in razveseljivega kot je velik praznik s svojo cerkveno godbo in petjam ter liturgijo, ki povzdigne človeku glavo od zemlje in njenih problemov in težav ter mu pokaže na zvezdnato nebo, na nebesa in njih trajno neskaljeno večno srečo in veselje. Zato so prazniki. Obhajamo praznike v krščanskem duhu, ki pomnožuje srečo in veselje že tu na zemlji.

V delu Berlina, ki je pod komando boljševikov, je bila odstavljena neka učitelica zato, ker je začela nauk z molitvijo. Svoboda vere, kaj ne?

"Pa povejte, kedaj boste prišli v vas, da bo žena malo popravila po hiši poprej," je dejal neki možki. Potem pa se je čudil, zakaj ga je soproga tako grdo pogledala.

Žena: "Nekdo se plazi po stopnicah gori."

Mož: "Koliko pa je ura?"

Žena: "Pol treh."

Mož: "Potem pa to že nisem jaz."

Japonec je prišel k misijonarju in misijonarjev pes ga ni prav prijazno sprejel. Misijonar je videl, da se mož boji psa in zato je dejal prijazno: "Pravijo, da lajajoči pes ne ugrizne" Japonec se je nakremžil in dejal: "Ti poznaš ta pogovor. Jaz ga tudi, toda, ali ga pozna tudi pes?"

Naš sosed, Jernej Tomšič se je moral podati v bolnico radi boleznj v nogah. Upamo, da bo zopet kmalu na nogah in sicer zdravih.

Nevarno je zbolel Frank Mir-tič iz Glendale Ave. Upamo, da ne bo nič hudega, saj je Frank

krepak in je bil vedno zdrav.

Neka bolezen "badra" tudi Pucelnovega Toňčka, da mora ostati v izbi, kar ni lahko zanj.

Joe Matešič, ki je bil pod zdravniško oskrbo, bo tudi kmalo zopet pri svojem delu. Vsem želimo polnega zdravja.

Father Lombardi je dejal oni dan: "Govoril sem zadnje čase v 75 mestih in petih različnih deželah. Spoznal sem, da je ljudstvo lačno Kristusovega evan-gelija. Povem vam, da prihaja boljša doba." Tako je. Če bi se vsi ljudje ravnali po sv. evan-gelju, bi sedaj naši fantje ne trpeli na Koreji.

Nekaj novih faranov smo dobili. Prišli smo pred kratkem v Ameriko; Michael Barnoski, stariši Charles in Josephine Modic. Garry Leander Novak, stariši Daniel Novak in Anna Veres. Timothy Rus, stariši Anton Rus in Antonia Tekavčič. William Ranik, stariši William in Anna Molek. Barbara Jean, stariši Rudolph Koračin in Hermina Kováčič. Vsem naše iskrene čestitke. Bog jim daj veliko veselja užiti na tem svetu, predno se preselijo v večno veselje.

Naši možje se zadnjič, ko smo romali v štiri cerkve, niso udeležili. Samo nekaj malega jih je bilo. Oni bodo rajši v vicah delali zadoščenje, — tako bi človek računal.

Na konvencijo v Milwaukee smo se prav gosposko peljali v svojem železniškem vozu. Pot je bila prijetna in kratka se nam je zdela, ker je bilo vse skozi polno šal, petja pa razgovora. Kompanija Nickel Plate, nam je prav dobro postregla. Zato smo jim hvaležni kakor tudi Jos. Nemanihu, ki je vse to naročil.

Pa tudi milvaucani so nam izredno dobro postregli z raznimi zabavami po večerih in tudi z izbornimi stanovanji v hotelu Schroeder. Tam sem srečel vse polno starih prijateljev, to se pravi delegatov, kateri so bili tudi pri prejšnjih zborovanjih. Hvalnik je le to, da je moj spomin tako za nič, da si imen ne zapomnim. Naj mi ne zamerijo. Končno ni na mojem spominu prav nič ležedečega. Za dosti je če jih Bog pozna.

V "Ave Mariji" sem videl sliko Father John Ferlinovih čebel v Lemontu. Kar dve dolgi vr-

Kako delujejo komunisti

(Konec.)

V.: Ali odloča FB, koga naj se zasleduje, oziroma ne zasleduje ali pa je FBI opravičen zbirati samo podatke in jih izročiti kriminalnemu odseku pravnega oddelka?

O.: FBI je preiskovalna roka pravnega oddelka Združenih držav, ki ji je naložena naloga preiskovati prestopke zakonov, zbirati dokaze o stvarih, ki se naše države tičejo in vršiti vse ostale dolžnosti, ki jih zakon predvideva. Edina in izključna naloga FBI je raziskavati in zbirati popolne in zadostne dokaze. FBI nikoli ne dela zaključkov iz svojega raziskavanja, to je naloga kriminalnega oddelka in državnih pravdnikov.

V.: Ali mislite, da bo popolno razkritje dejstev privedlo do zastoja komunističnega razvoja.

O.: Seveda. Komunisti so po

sti panjev je viditi. Pa pravijo nekateri ljudje, da je na tem svetu polno grenkosti. Kaj pa ves ta med? Ha? To je pristna sladkost tega sveta.

Danes, prvega septembra je ravno 35 let odkar sem vzel odgovornost za farane sv. Lovrenca na svoja ramena. Zelo hitro so minula ta leta. Takrat sem bil še mlad, 36 let star, in nobeno delo me ni strašilo, dasi je bilo opravljanje dosti, ker sem bil še sam. Danes me vsako delo utrudila, z eno besedo, takrat sem bil še fust, danes sem za nič. (Kak Gorenje bi to znal bolj "kroftno" zanikati.) Vse eno pa, Bogu zahvala za številne milosti in dobrote, ljudem faranom sv. Lovrenca, pa priznanje in zahvala za vso njihovo potrpežljivost skozi dolga leta. Onim pa, ki so šli pred menoj tja čez, kjer komunistov ni in štrajkov ni in vojska ni, vsem tem pa naj sveti večna luč. Teh je preko 400.

Osmega septembra bo eden naših vrlih fantov, Raymond Miklič, sin Ignac Mikličeve družine stopil v red Marianistov v Marcy New York. Oče in mati pa nekaj sorodnikov od tukaj bodo navzoči. Naše čestitke vrlému fantu, ki je bil vedno priden, doma in v šoli, dasi je bil tudi pri vojaki pred nekaj letimi.

Mr. in Mrs. Joseph Smrdel in družina so obiskali tukaj svoje sorodnike. Pripeljali so se iz države Texas, kamor so pred tremi leti šli, kjer je Mr. Smrdel zaposlen kot delovodja v tovarni. Vsi smo jih bili veseli. Come again and "shoot up the place."

Romarji iz Collinwooda so bili tukaj zadnjo nedeljo. Sedem polnih busov se je ustavilo pred našo cerkvijo. Lepo so peli in molili predpisane molitve za odpustke. Svetoletni odpustiki so posebne vrste in samo po predpisih jih zadobimo. Tudi med collinwoodskimi romarji sem opazil tisto, kot pri naših: Moških je bilo zelo malo. Bog ve, če so naši možje in fantje poznali kako drugo pot v nebesa, kot je pot pokore? Kaj je naredil tisti oskrbnik, ki ga je Gospod odstavil? Preskrbel si je prijateljev, ki se ga bodo usmili, ko bo odstavljen. Dobro, zelo dobro je pomagati dušam v vicah, dokler smo tukaj, da bodo tudi one imele usmiljenje z nami, ko pridemo na njih mesto, ene pa bodo takrat morda že v nebesih.

Zdaj boste pa za neka časa imeli mir pa gmah pred tole mešanco. "Hay Fever" me žene od tod v kraje, kjer bo manj kihanja in solz brez joka. Tudi ribe me že teško čakajo. Zato, Z Bogom.

Ustanovljena 5. julija 1908 na demokratični podlagi. Od leta do leta napreduje, in že mnogo vrsto let plačuje vse smrtnine in dividende svojim članom samo z obrestmi, ki jih zasluzi od investicij svojega premoženja. V sled tega ni bila še prisiljena zvišati lestvice za novopristopne člane. V zadnjih treh letih je plačala po \$6.00 dividende svojim članom za vsak ti-soč dolarjev posmrtninske ali endowment zavarovalnine. Enako vsoto bodo tudi letos prejeli člani, ki niso še dopolnili starost 70 let. Člani, ki so dopolnili starost 70 let bodo pa letos prejeli po \$18.00 dividende za vsakih \$1000.000 zavarovalnine. Kajti solventnost ZSZ je 137.71%. Umrljivost v članstvu je samo 46.82% in obrestj pa zasluzi po 4.58% za vsaki \$100 premoženja.

Vse rojake in rojakinje se vlnudno vabi, da nemudoma pristopijo v to nadsolventno domačo organizacijo. Za vsa pojasnila se obrnite na Mrs. Johanna V. Mervar, tel., EX-1-0069, 7801 Wade Park Ave., Mrs. Antonia Tomle, tel., PO-1-3549, 14823 Sylvia Ave., obe predsednici clevelandskih društev, ali pa direktno na gl. tajnika Anthony Jersin, 4676 Washington St., Denver 16, Colo.

Pristopnina je prosta in provizije za novopridobljene član-pa ne pa od \$5 do \$10 za vsakih \$1000 novo vpisane zavarovalnine. Pristopite z vašo celo družino še danes! Različne vrste zavarovalnine do \$1000.00 za otroke.

V odraslem oddelku, se zavaruje od 18. do 60. leta po starosti, za \$250.00 do \$5000.00. Izdajajo se različni certifikati.

Whole Life, Twenty Pay Life in Twenty Year Endowment. Vsak certifikat niso denarno vrednost, katera se vsako leto viša. Poleg smrtnine, ako želite, se lahko vpišete tudi v bolniško podporo, kakor tudi za razne operacije in poškodnine.

Mesečna plačila (asesments) so urejene po American Experience tabeli.

da bo sodelovalo pri odkrivanju špijonaže in komunističnega delovanja sploh?

O.: Zaradi smešenja in sovražnega razpoloženja, ki se ga poslužujejo subverzivci so izjave pod prisego, in cilju, da se zavaruje nedolžne, potrebne. Privateniki, kakor tudi časopisi nima-jajo možnosti, da se o resnici pre-pričajo. Zato so vse izjave dane pred preiskovalnim odborom, ki ima oblast prisiliti vsakega z zakoni, ki se nanašajo na krivo prisego in ga kaznovati zaradi žalitve sodišča ali uradne osebe.

V.: Ali imate kakšna navodila, kako naj ljudje komuniste odkrivajo in to sporočajo FBI?

O.: Komunisti ni v vsakem slučaju lahko odkriti. On je iz-vežban v pretvarjanju ter v uporabi vsakovrstnih kritik za svoje delovanje. Često pa obstoja možnost, da komunisti spoznajo po njegovem javnem delovanju in govorjenju. Tak običajno višje ceni Sovjetsko zvezo kot Združene države. Njegovi pogledi na dogajanja so istovetni s strankino linijo. Običajno bo govoril nejasno in dvoumno o deželah pod sovjetskimi uplivom, dokazoval njihovo demokracijo in zatirjeval, da so Združene države imperialistične. Skušal se bo urediti v splošne organizacije, dobiti v njih vpliv in po možnosti kontrolo ter jih izkoristiti za delovanje komunistične stranke. Moj nasvet javnosti je tale:

FRANCE SELJAK:

KAMNARJEV JURIJ

V Jurijevem srčnem odnosu do te ženske je nastala grenka motnja. Privlačevali sta ga le njena odkritosrčnost, prostodušnost. Imel bi jo lahko za tovariša, s katerim je mogoče govoriti jasno, odkrito.

"In oče?"

"Oče ne prenese resnice, zato mu lažem. Možu ne bi skrivala. Če bi imela fanta, bi mu rekla: taka sem; če hočeš, tako me vzemi ali — zbogom!"

Jurij se je zasmel. Nekaj prijetnega je bilo v teh besedah. Vzel je ogorek cigarete iz njenih prstov, potegnil dvakrat in ga vrgel na dež, da je v mokroti zacvrel.

"In če bi ga ... ljubila?"

Danica je zrla v daljavo, kakor da je zagledala nekaj zanimivega v sivem plašču pojemačega dežja.

"Če bi ga ljubila ... bi tudi jaz prezrla njegove napake. Ali jih možki nimate?"

Dež je ponehaval. Le morje je bilo razburkano ko prej. Za Devinom se je jasnilo nebo, robovi oddaljujočih se oblakov so bili obsijani od solčnih žarkov. Veter je stresal kaplje z dreves. Zrak je bil izčiščen, jasen, da je bil viden slednji list, slednja bilka ob bregu, kakor da leži na dlani.

Danica je postalo hladno, obleka se še ni bila posušila, stresnila se je. Jurij se je ozrl v njen modrikast obraz, v velike oči.

"Tebi je hladno. Obleci moj jopič!"

Ubojala je. Jurij je zdaj slonel na oklah, a Danica na njegovem ramenu. Obraz sta se skoraj dotikala. Nista našla besede. Ozirala sta se po bregu, po morju. Tih, skoraj bolesten nasmeh se je zgenil v obrazu, gorel v očeh. Nekaj nerazločnega, omamnega se je pretakalo v obeh. Ogenj in hlad. Mladeniču se je zdelo, da se Danici na glava nagiba tesneje k njemu in se zopet odmika.

"Zakaj molčiš?"

Očje je veio iz glasu. Nasmešnila se je, prebudila smeh tudi na njegovih ustnicah. Nenadoma, kakor na ukaz, sta se zresnila oba. Glavi sta se utrudili in se kakor v pijanosti ne hote nagnili druga k drugi.

Danica je pianila kvišku, slekla jopič in ga vrgla Juriju na roke. Zasmejala se je na glas.

Popadla je obleko in izginila med skalami.

Jurij je zrl za njo. "Ta ženska ni mene prvega poljubila." Postalo mu je grenko v srcu. Med skalami ni bilo videti njene glave, le enkrat se je prikazala roka, nato je izginila tudi ta. "Vojna! Še dekleta niso več kot sobila." Občutil je odpor, a je hkrati nekaj bridkostnega neslo njegovo misel k njej in ga opletalo z njo.

Soince je posijalo v breg, zablestelo je morje. Živovolen plašč je zagrinjal zemljo, ptice so zletele od obrežja, se vrnile, sedle na smokvo. Valovi so šumeli, bele pene so se prikazovale na njihovih grebenih in se topile. Izza skal je prišla Danica; zaklicala mu je:

"Kaj stojiš? Obleci jopič! Ali me spremljaš?"

Do tistega hipa ni opazil, da je bil z jopičem na roki obstal na mestu, okamenel in zavorovan v svojo misel.

* * *

Danica bi bila rada ljubila svojega trdega očeta, rajši nego molččco, vase zaprto mater. Ljudje nikoli niso slišali njene- ga smeha, radosti, ljubezni je užila malo. Rodila je hčer-edinko. Matej, Daničin oče, je dejal: "Zakaj ni sin?" Ostala je edinka. Otrok se je smehljaj v očeta. Oče je pomolil hčerki prst: "Doto ti bo treba šteti; da si boš izbrala bogatega!" Danica se je smejala, rasla v razposajenost in igro, spoznala očeta in utihnila, koprnela pred njim. Vsako reč ji je vzel iz rok: "To ni zate!" Dobil jo je pred hišo, prijel jo je za roko: "Pojdi na dvorišče!" Danica je bila sama, ni imela nikogar, da bi se bila igrala z njim, igrala se je z mačko, raztrga ti obleko.

Nekoč je mati nenadoma vzklicala, se obrnila od ognjišča, njen blede obraz je zagorel. "Pusti otroka, da živi!" Oče je gledal, se obrnil in šel. Prišla je teta iz Trsta, Matejeva sestra. Z bistrim očesom je videla in spoznala vse. Danico je imela rada, bila je podobna njej. "S seboj jo vzamem." Očetu je bilo ljubo, mati se ni upala braniti. Na pragu je dolgo gledala za hčerjo, obrnila se je, da je zakrila jok. "Pusti otroka, da živi!" Oče je gledal, se obrnil in šel. Prišla je teta iz Trsta, Matejeva sestra. Od tistega dne je Danica živela pol v mestu, pol v vasi. Tetina vesela družba in njene igre so ji ugajale bolj nego dom, ki je bil pust in zoprn, poln očetovega govora o delu in denarju, vojna po plesnobi in stiskavosti. Le življenje na vasi se ji je zdelo mikavnejše, če bi bila smela na cesto. Dorasčala je, priljubilo se ji je tudi mesto s svojim vrvenjem, z zabavami in veselimi ljudmi. Med vojno, ko je pravkar zorela v dekle, in so se globine novih skrivnosti odpirale v njej, se je blazno, opojno življenje pretakalo mimo nje. Tiste dni ji je bil dogodek, katerega se ni rada spominjala in nikoli nikomur o njem govorila, splahlil lica in ubil smeh.

Teta je umrla, vrnila se je domov. Kakor da se je pravkar pogledala v zrcalo, je spoznala, da se je zelo spremenila. Razposajenost in smeh, ki se ji je bil vrnil, je bil krinka, skrival je na dnu nekaj grenkega. Imela je vse znake deklet, ki so dorasle med vojno. Kadila je cigarete, govorila kot bi nosila dušo na dlani. Občutila je, kako mladenič s tem odbija. "Saj druge niso boljše." Iz globokih vzrokov je mislila, da se ne bo omožila, v nekaterih trenutkih je mrzila moške, a je zopet nekatero noč prejkakala nad seboj.

DRAGEGA IN NIKDAR PO-
ZABLJENEGA SOPROGA,
OČETA IN SINA

Stanley
Kutcher

ki je umrl v najlepši mladeniški
dobi dne 1. sept. 1949

Eno leto je minilo
od bridkega spomina dne,
ko Bog poklical Te je k sebi,
dragi soproga, ljubi oči in sin.

Pa mi Te nismo pozabili,
v srcih živi še blag spomin,
počivaj mirno, soproga, oče in
sin,
in prosí pri Bogu za nas.

Zalujoči:

ANN, soproga;
KAREN ANN, hčerka;
ANN, mati.

Naznanilo in Zahvala

Globoko potrti in žalostnega srca naznanjamo vsem sorodnikom, prijateljem in znancem, da je nemila smrt vzela iz naše srede našega ljubljenega soproga, očeta in brata

Valentina Vidmar

ki je po dolgi, mučni bolezni v bolnišnici previden z svetimi zakramenti za vedno zatisnil svoje mile in trudne oči dne 14. julija 1950 ob smrti star 66 let. Doma je bil iz vasi Veliko Lipje, fara Hinje. Pogreb se je vršil v ponedeljek 17. julija iz Frank Zakrajšek pogrebne zavoda v cerkev sv. Vida.

Prav z globoko hvaležnostjo se zahvalim č. g. Rev. Francis M. Baragi za pogrebno sv. mašo, za molitve v kapeli in molitve in za spremstvo na pokopališče. Naša iskrena zahvala vsem, ki so darovali za sv. maše, ki se bodo bodele za pokojnega. Naša globoka zahvala vsem za tako lepe in krasne vence, ki so tako okrasili njegov zadnji dom. Naša prisrčna zahvala društvu Najsvetejšega Imena za sv. maše in društvu sv. Lovrenca za maše in molitve.

Hvala Mr. Resniku za njegov trud in postrežbo. Hvala vsem nosilcem krste. Iskrena zahvala vsem, ki so prišli pokojnega kroit, ki je počival na mrtvaškem odru in ki so molili za mir in pokoj njegove duše.

Prav tako tudi naša zahvala vsem, ki so se udeležili pogreba in pogrebne sv. maše in pokojnega spremili na pokopališče do njegovega groba. Naša globoka zahvala vsem tistim, ki so dali svoje avtomobile brezplačno na razpolago pri pogrebu. Naša iskrena zahvala vsem za sožalje bodisi ustmeno ali pismeno, ravno tako vsem najlepša zahvala za vso pomoč ob tej za nas tako bridki in žalostni uri.

Končno globoka zahvala Frank Zakrajšek in sinovi za prevoz v bolnišnico in za tako vzorno vodstvo pogreba in vso postrežbo, ki nam jo je nudil v dneh naše žalosti. Se enkrat lepa zahvala vsem skupaj in vsakemu posebej. Bog naj vam povrne.

Ti pa, naš ljubljeni soproga, oče, stari oče in brat, mirno počivaj in se odpodij. Naj ti bo lahka ameriška zemlja. Tvoji blagi duši pa večni mir, ki ti ga vsi iz srca želimo.

Zalujoči ostali:

MARY VIDMAR (rojena Dimec), soproga;
JOE, sin; JOSEPHINE, sinova;
JOSEPHINE in MARY JANE, vnukinje;
VINCENT, brat; in več drugih sorodnikov.
V stari domovini pa zapušta brata JANEZA in FRANCETA, sestro AMALIJO in več drugih sorodnikov.

ZBRANI SPISI

Malo življenje

"To je da! Saj se moraš še spomniti — o svetem Pavlu bo pet let, odkar je šla od brata domov; pol ure pred je bil pa šel ravno tisto pot suhi Gašper, ki vodnjake dela. Pa njemu se ni bilo nič zgodilo, one pa ni bilo domov. Ko so je šli iskat, so našli v gozdu same ostanke. — Preveč pogumi ni vselej dobro. Toda če imaš močnega psa s seboj, se ti ni treba bati. Sultan bi enemu dal dosti opravka. Da bi pa boječega psa s sabo jemal,

to je pa bolje, da sam hodiš, ker volk psa takoj izvoha in ima nanj posebno jezo."

"Kako je to, ker sta si vendar tako podobna?"

"Sam Bog ve: žlahta se večkrat najhuje sovraži in pes pa volk sta brata in menda ga ta zato sovraži, ker se je pes udomačil in svojemu rodu izvrgel."

Veliko je še Ožbe povedal o volkovih, zakaj Bog ve, kdaj bo zopet moči priti in toliko zgodbe je vedel! Nekoliko so se bile res dogodile, nekoliko pa jih je povečalo ustno izporečilo. In v kaki nevarnosti je bil Ožbe tudi sam nekoč! V rebri sta se srečala z volkom, on pa ni imel pri sebi nobenega orožja, samo steklenico hudičevega olja je imel, ki je v prejšnjih časih služilo udi namesto vžgalice, in s tem je delal ogenj in se ubranil zverji. "Oh, koliko sem bil prebil tisto noč! Tukaj-

le boš umrl, sem mislil, in kdo bo potlej zvonil pri Sv. Florjani? Drugim si krste delal, sam pa ne boš pokopan! In kaj bo počela Meta? Omožila se bo zopet, sem dejal sam pri sebi, pa Bog ve, kakega moža dobi! In to je pa tudi res, da se star človek veliko bolj boji smrti kakor pa mladina.

Saj so tudi tisto starko na smrtni postelji gospod zaman tolažili, češ, da bo nočjo že v nebesih večerjela. Rajša bi še tu, je dejala. Jaz sem se pa tudi bal umreti kakor še nikoli. Vendar sem srečno ušel. Doma sem butil v vrata, da je Meta mislila, da je potres, lasje so mi pa stali kakor ščet. Meta, moglek v roke, pa moliva, sem dejal, potlej pa hrševca na mizo; danes sem ga zaslužil!"

Tako je pravil Ožbe in se odpravljaj, ko se je bilo zmrčilo. "Kadar sneg skopni, bomo pa Rozalko možili!" je pristavil in Jurij mu je prižgal baklo iz smrekovega lesa, s tuljem ovitega in v smolo pomočenega, kakršne rabijo, če je treba ponoči kam dlje iti. Z dolgimi koraki je stopal mož proti domu in čamo kratki kožuh in kosmata kapa se je videla iz snega.

Doma so praznovali Pečarjevi in Simonovi božične praznike, ker je bila pot še vedno zaprta. Ko pa je prišel predpustni čas,

le boš umrl, sem mislil, in kdo bo potlej zvonil pri Sv. Florjani? Razodej jih je Rozalki, meneč, da ga bo zdaj vendar že rada poslušala. A zmotil se je; kakor je ljubezno govorila o vsakdanjih rečeh, tako pusta je postala, kadar jo je zabaval s svojo snubitvijo. In Stefan je potčil to Pečarjevi materi in tožil doma; in Simonovim ni šlo v glavo, kaj deklet praz za prav hoče. "Ali ima kakega drugega v glavi, ali kako?" je dejala mati. "Da bi kakemu dekletu snubitev ne bila všeč, le-tega mi nikar ne pravite."

"Saj nobenega moškega ne vidi," se je čudil Simon, "in z Jurijem menda vendar ne vleče."

Na to pa še mislila nisem," reče mati. "O tem moram pa z Nežo govoriti. To bi bilo pa vendar lepo, fanta toliko časa za nos voditi, potlej se pa obesiti na prvega, ki pride Bog ve odkod."

Stefan pa se je žalostno smejal tem besedam, zakaj njegov ponos ni dopuščal misli, da bi Rozalka Jurija rajša imela kot njega. "Vi poznate Rozalko, da!" je dejal. "Sama vase je zaljubljena, pa v nobenega drugega. Nad vsakim viha svoj majhni nos. Če vzame Jurija, kaj pa to? Naj ga vzame! Le tako prevzetna naj nikar ne bo!"

Kljub tem moškim besedam se je bil vendar zbudil sum v Stefanu, ki ni jenjal moledovati okrog Rozalke. Ko pa se je bila Simonovka doteknila te stvari, je poklicala enkrat mati Rozalko k sebi in zvedela po nekaterih ovinkih vso resnico. "Stara si dosti," je rekla mati svoji hčeri, "da veš, kaj delaš in kaj je prav. Premisli in preudari; naglica ni nikjer dobra."

Rozalka pa jo je jokaje objela in prosila, naj ne bo huda, saj jo bo vedno poslušala. "Jaz te ne bom silila nikamor," je dejala mati, "kakor si postaljš, tako boš ležala."

Simonovim pa je rekla, da je Rozalka še premišla in se še ne mara močiti; a dasiravno sta se

stara dva malo napeto držala, vendar Stefana ni odgnala nobena sila, da ne bi prišel zdaj pa zdaj v vas. Zakaj doma se je neizrečeno dolgočasil: oče in mati sta obravnavala svoje reči. Anica pa je skoraj zmeraj molčala. Jurij in Rozalka pa tudi nista imela mnogo priložnosti govoriti med seboj; vedno je bila mati za hrbtnom.

Leto je minulo, odkar je bil prišel Jurij na Strmo peč in zima se je zopet bližala svojemu koncu.

"Jurij, ali si ti snoči streljal?" vpraša nekega večera Stefan, ko je zopet sedel pri Pečarjevih in pomagal Juriju turščico robkati.

"Jaz streljal? Ne!" pravi Ju-

rij. "Kdo bi pa bil! Ob enajstih ponoči!"

"Ponoči jaz spim. In kje bi dobil puško? Tale stara cev visi v hiši, na hlevu pa nimam nobene."

SHORTEST SPEECH ON RECORD

"Airplane pioneers Wilbur and Orville Wright were extremely taciturn. Above all, they hated to make speeches. One day at a luncheon attended by a group of inventors, Wilbur was called on by the toastmaster. There must be some mistake," stammered Wilbur. "Orville is the one who does the talking." The latter stood up and said, "Wilbur just made the speech."

Pfc. Pugel left Collinwood High School in his Junior year, when he was 16, to join the army. He went to Japan in February as an infantryman in the Seventh Cavalry Regiment of the First Cavalry Division. Stationed in Tokyo, he was near the camp of his brother George, 19, an army corporal, who later wrote that Rudolph had gone to Korea in July.

Before the notification of his death on Aug. 14, the soldier had written that he was tired of fighting "day and night" and knew he would not come home.

A half brother, Frank M. Podbevsek, 27, is in the navy, and another half brother, John F. Podbevsek, 26, a Purple Heart Marine veteran of the last war, is in the marine corps reserve in Florida waiting active duty.

Combined Chorus Concert

Many of you have probably attended a number of concerts given by the various Slovenian and singing clubs in the city and the you may not necessarily be a member of any group, you still enjoy listening to the programs. On Sun., Sept. 24th you will have an opportunity to be part of the audience at a concert which will be different from the usual presentations. You will hear songs rendered by a combined chorus of five clubs, Adria, Planina, Slovan, St. Paul and Triglav, all of which are directed by Mr. Frank Vauter. Approximately 150 singers have been rehearsing for months to present a program of Slovenian, Croatian and English songs, done by the chorus and also several duets and solos as well as men's and women's songs.

The date again is Sunday, Sept. 24th at 4:00 and the place is the auditorium of the Slovenian National Home at 6417 St. Clair Ave. Tickets are \$1.00 and may be obtained from the members in the clubs or may be purchased at the door the day of the concert. Following the program there will be refreshments in the Annex and dancing to both Slovenian and Croatian tunes, also for those who like good food there will be a supper served in the lower hall.

Find Giant Bear Bones in Cavern

Tuebingen, Germany. — A large cave which may reveal traces of human beings who lived 300,000 to 500,000 years ago has been discovered near here. Experts found the bones of giant bears and other bones which may have been the remains of early man.

Tuebingen lies 100 miles south of Heidelberg, where the remains of the "Heidelberg" man, who lived about 600,000 years ago, were found.

ALL TO THE GOOD

This year, it is estimated, our per capita meat consumption will be a trifle larger than last — by about one per cent. The amount of beef eaten by the average person will remain approximately the same, and an expected increase in pork consumption will more than offset decreases in veal, lamb and mutton.

A graph showing our consumption of meat during the past century presents some interesting variations. The all-time high was reached in 1908, at 163 pounds. The low came in 1935, during the depression, at 117 pounds. Since that year the tendency has been upward, and in the late years the figure has fluctuated in the neighborhood of 150 pounds.

The average American eats considerably more meat than his counterpart in most of the rest of the world. Our consumption, however, is much below that of a few nations in which meat is the principal industry, such as Argentina. In the future, according to government and other forecasts, the trend will continue in the upward direction.

The fact that meat is so important an element in the American diet is, from the point of view of dieticians and the medical fraternity, all to the good. It is now known that the consumption of large amounts of whole protein, which is found in meat and a brief list of other foods, has a strong bearing on physical and mental health and well-being.

This Tuesday evening, Sept. 5th, the St. Vitus Holy Name Seniors will conduct their general meeting. On the agenda is the retreat and also other topics. Please make it a point to be in attendance.

STAG ROAST NOTES

Last Saturday night, the Holy Name Seniors staged a wiener and corn roast (For Men Only). A good number of members came out to Zup's Grove and really made an evening of it. From all reports a great time was had by all and those who failed to attend missed a swell evening's entertainment.

RETREAT FOR MEN!

Time is drawing to an end for your reservation for this year's St. Vitus men's retreat. As you already know the retreat will be held on

Sept. 8, 9 and 10, at the Diocesan Retreat House at 18485 Lake Shore Boulevard. Reservations can still be made contacting Father Vic Tomc at the parish house. You can also call Michael Kolar at EN 1-5732 in the evenings. Reservations will also be accepted at the Holy Name Society's meeting in Room 4, Tuesday evening. In the event you cannot make a reservation by the means indicated you can do so by calling the Retreat House directly at KE 1-7370 or 7371 and request a reservation for the St. Vitus retreat.

This is a retreat for ALL the men of the parish and we once again extend a cordial invitation to everyone to attend. If you don't attend you may have cause to regret it. If you do attend you have our sincere assurance that you will not be sorry.

Five Registrars Named for Drivers' Licenses

Robert E. Foley, state registrar of motor vehicles, today announced the list of deputy registrars who will issue the new three-year licenses beginning Sept. 5.

Three-year licenses were authorized by the last Legislature. They will cost \$1 as compared with the old charge of 40 cents for each year.

Foley emphasized that only persons whose birthdays fall between Oct. 1-5, inclusive, will be eligible to apply for the new licenses on Sept. 5.

Drivers must apply for their new license on their first birthday after Sept. 30, Foley added. No one may apply for the new license more than 30 days before his birthday.

"Any person who fails to renew his 1950 license more than three months after the license expires, will be required to undergo and pass a driver's examination in order to regain driving privileges," Foley said.

The list of registrars for Cuyahoga County:

BEDFORD: Armando Monday, 310 Broadway.

BEREA: Nick Jaworske, 15 Front St.

CHAGRIN FALLS: James R. Porter, 12 W. Orange St.

Mushrooms Come Up Through Floor

Meibourne, Australia. — Mushrooms keep pushing up through several inches of asphalt at an engineering works here. One nine inches across, weighing a pound and a half, thrust thru the asphalt floor between a forge and some gas cylinders. Another weighing a pound nestled shyly between a drill-press and a screwmachine.

Big Warner Musical "Tea for Two" Due

"Tea for Two" from the studio that produced some of the greatest musical films the screen has ever seen thru the years, from "42nd Street" to "Look for the Silver Lining," opened its local engagement at the Hipp Theatre, yesterday.

Starring Doris Day and Gordon MacRae, the Warner Bros. Technicolor extravaganza has been spared nothing in the way of production values, and big numbers, gay tunes and beautiful chorus lines fill the screen, according to the glowing advance reports. The film also introduces two outstanding Broadway musical stars, Patrice Wymore and Virginia Gibson, fresh from recent successes on the New York stage.

Most of the hit songs in the film are handled by MacRae, as a singing composer, and Miss Day, in the role of a career-bent heiress who loses her money in the stock market crash.

Gene Nelson, who won acclaim for his nimble footwork in "Rosie O'Grady," is highlighted in an amazing staircase dance and unusual African rhythm number atop a huge drum, while comedians Billy De Wolfe and Eve Arden go thru their respective routines to key the film's laughs.

"Tea for Two" is set in the nostalgic 1929 period, and concerns a band of vaudevillians whose efforts to produce a show are hampered by the Wall Street panic. It's the events leading up to their finding a backer that makes for the romance and music that predominate in the story.

Among the songs heard are: "Oh Me! Oh My!", "Do, Do, Do," "I Know That You Know," "Crazy Rhythm," "I Want to Be Happy," then, "No, No, Nanette" and the title song number, "Tea for Two."

David Butler directed the film for Warner Bros.

"TEA FOR TWO" opened at the Hipp Theatre, Aug. 30, 1950.

Light Guiding Fish to Safety

Los Angeles. — Fish, like moths, are attracted by light. Taking advantage of this weakness, Henry R. Burkey has invented a lighting system to prevent newly hatched river fish from committing suicide by emerging irrigation ditches or power diversion channels. Every year millions of fish, particularly fingerling salmon, are lost this way. Burkey has developed a system of moving lights which fish follow.

"We were amazed," Burkey says, "to find how powerful a lure the lights created. Not a single fish appeared immune to the lure of the glow which piloted them safely past the danger area."

NO PAINTING, NO CAULKING—With the introduction of a new 24-foot plastic craft cruiser, the Beetle Boat Company of New Bedford, Mass., believes it will revolutionize manufacture of small boats for civilian and military use. The boat has a single seamless leakproof hull and deck into which the color has been permanently pigmented. Upkeep, it is claimed, will cost about 1/5 as much as that for wooden and metal crafts.

This and That from Washington

By Congressman Frances P. Bolton

Mrs. Bolton to move out of its Chamber on September 2nd, which means holding its sessions in the difficult environment of the Ways and Means Committee Room in the New House Office Building. This unfortunately means no visitors, as there is no accommodation for them.

DOUBLE congratulations are in order in connection with the appointment of Dr. Keith T. Glennan, the new President of Case Institute of Technology, as a member of the all important Atomic Energy Commission.

Dr. Glennan, an outstanding and nationally recognized young leader of 44, is to be congratulated on winning the appointment, and the Board of Trustees of Case is to be congratulated for loaning him to his country in this important capacity. We are proud, Dr. Glennan, that you have accepted this highly responsible position. We shall feel more secure knowing you are there!

IT entirely escaped the notice of the Ohio press that the Cooley Amendment, for which most of the Ohio Republicans voted during debate on H.R. 9176, the Defense Production Act of 1950, was a protection to the small farmer. The bill as introduced would have imposed Presidential controls upon the well functioning

Commodity Exchange authority and would have soon placed the farmer—the very backbone of our country—at the mercy of big financial speculators by limiting margins.

It was for this reason that I voted for the Cooley Amendment to continue the present effective operation of the Commodity Exchanges, the only authentic source of price information for our farmers. The Amendment passed by a vote of 198 to 194.

ACCORDING to the new Census Bureau figures, the tax bill of the United States—for federal, state and local government—last year was \$53,589,000,000. That breaks down to \$359 for every man, woman and child in the country, or \$1,356 for a family of four.

Out of this total of nearly 54 billion tax dollars collected from the American people, the federal government took 70% of the total, or \$253 for each individual, the state took \$56 per person, local governments \$50.

IT is good to know that visitors from the 22nd District of Ohio, check in at my Congressional Office, 450 House Office Building. I wish I might greet all who do me this honor but as you know, most of my time is spent in committee or on the floor of the House.

My visitors Book this week shows the signatures of Miss Leona E. Gardner, of Berea; Miss Cecil L. Haskins, 2052 East 90th Street, Cleveland; Rev. John Poisel, 761 Eddy Road, Cleveland. From Lakewood came Lorraine B. Furbish, 1383 Lakeland Avenue; Mary Alice Willett, 1168 Elbur Avenue; Byron T. Foster, 17873 Lake Road.

Others were Rolla K. Johnson, 1670 Crawford Road, Cleveland; Randolph Eide, 3232 Rumson Rd., Cleveland Heights; Irwin Benjamin and son, Kenneth, 433 Leader Building, Cleveland, and M. D. Harbaugh, 1170 Hanna Building, Cleveland.

"When did you taste it?" "Just before." I fed him a forkful. "Ahhh," he groaned. "I don't know what that stuff tastes like on top of beer, but it sure tastes like 'h' on top of water."

"Want some more?" "No thanks, I want some pop. Here, toss that potato salad out, and let me give you something safe, like a bottle of coke."

He opened a bottle for me and held it out to me.

"Is that poison any better than this?" "No," he said, slowly, "I guess not..." he brightened, "but it tastes better!"

I drank the coke. What can you answer to an argument like that?

So long!—till sometime next year,

STRAIGHT FROM WASHINGTON

By
STEPHEN M. YOUNG
Congressman-at-Large

Washington. — August, when the harvest is in, is the time dictators start wars. If the month of August and the forepart of September pass without the Soviet Union waging war against us, it would appear that President Truman, by his resolute action in Korea, has confined the conflict to that area. Many observers believe dictator Stalin is not ready for war.

War next year? Nobody can say, but the facts are this nation is growing stronger militarily. Nineteen fifty-one will not offer the Russians as favorable prospects as they had in 1950. This Korean war may be the big mistake the Russian dictators made. Dictators have a habit of making mistakes.

We have been pushed around — it is true — but we are learning and building. Perhaps American civilians relied too much on B-36's and the atomic bomb. The foot soldier is just as important as ever. Our Armed Forces, which totalled a million and a half, are likely to be increased to above two million. Critics who complained violently over the expenditures for our Armed Services in 1949 and 1950 are now silenced. Isolationists have again been proved wrong. Yet some of those very isolationists, who in Congress voted against preparing this nation, have the effrontery to criticize our General Staff and pose as military strategists. Drug store generals — Monday morning quarterbacks — one might say.

CIVILIAN DEFENSE Consideration will be given, and properly so, to coordinating civilian defense with other activities of our Armed Services. In fact, a Civilian Defense Agency within the Defense Department might be an excellent idea.

Such an agency could more readily coordinate state and city programs and coordinate research on evacuation, fire fighting, first aid, rescue methods and necessary equipment to be procured for adequate defense of American cities and industrial plants. This would also insure necessary inter-state cooperation.

ITOT What with a reelection campaign involving all members, absenteeism has been quite high in recent days in the House of Representatives.

On one roll call there were 192 not voting of a total membership of 435. When the bill to create a new judgeship for Alaska was put to a voice vote, the Speaker said, "The Chair is in doubt."

Congressman Martin (R), Massachusetts, Republican Leader, spoke up and said, "Mr. Speaker, there were two Ayes and two Nays."

"The ITOT Club" is the term applied by hard-working Congressmen to certain members from nearby states who habitually come in Tuesdays and are out Thursdays.

COLLECTIVE SECURITY From now on we shall hear more and more of the phrase, "collective security."

Planting the United Nations blue and white flag in the front in Korea and rallying some fifty nations behind it has revived hope of a world order in which all measures, including the atomic bomb, if necessary, will be used against the Soviet Union, or any nation which violates the peace.

In addition, the United Nations

is mobilizing the mighty force of ideas in a struggle for a free world.

Korea, known as the "Land of Morning Calm," was violated by Soviet trained infantry and huge Soviet tanks at 4:00 a.m. on June 25th.

Other aggressions in recent years—Manchuria, Ethiopia and Poland were successful. May this be different. The Soviet Union, however, is fighting a war near its base of supplies, and by proxy. This is a cheap way for the Soviets. This nation is at a great disadvantage fighting a war 8,000 miles away and at the same time is compelled to add to our armed forces in Germany and elsewhere in this wide world menaced everywhere by Soviet aggression.

how safe is this?

Chapter Nine . . . KOLLEGE KAPERS with Isabel

This is going to be my last column, I guess, for I'm pretty busy packing to get back to St. Louis. I'm really getting eager to get to work with The Lodgers again. But I haven't told you about that, so here goes:

The Lodgers is an organization of all out-of-town students, for social and business purposes. It was formed just after Easter this year. There are sixteen representatives, of which four are officers, and they more or less do the general planning. They also serve as committee heads, with the members really pitching in to do the work.

Between Easter and the end of the year, The Lodgers held a social, a picnic, and ended the year with a Communion breakfast. That is what is known as fast work, since all that was done in the short time of six weeks.

The social went along fine, without any trouble. The ice was brought in, an extra cooler was put up in the hall, and the cokes, seven-ups etc. were loaded in. We girls made the sandwiches, and found that the boys who had done the buying had gotten 11 heads of lettuce more than we needed: They had also brought about a pound too much cheese. We donated all this stuff to the Jesuit kitchen. There were card tables set upstairs, with pencils and score pads, for the canasta and bridge fans. In a room off to the side, there was a movie projector and screen, where movies of the season's basketball games were shown to those who wanted to see them. Since nearly everyone did, and there wasn't enough room for a hundred and fifty people, the movies were run off about three times. I think some of the more avid fans saw them all three times. Downstairs, the record players were set up, and in one of the rooms, there was space for the food, with the tables all set up, and trays of napkins waiting. We kept the actual food in the kitchen, lest the kids get too eager. It was my job, as chairman of refreshments, to keep the football players out of the kitchen. To this end, I shut the doors, and told those who wanted to drink something, to use the hall cooler. However, three times during the course of the evening, I found the kitchen lights on: twice I found people in there who knew better. I caught Father Luke in there once, and Father Stemper was there too. I drove them out, scolding them for setting a bad example, and then went to dance. About ten minutes later, I went back to look at the food again, and make sure that it was all right, and presto, there were two guys in there, busy with the cheese sandwiches.

"Now, look," I said, "this is going to be served later this evening, and you were told that."

"But," replied one of them, between bites, "we're hungry."

"Well, eat what you've started on, and then get out of here."

They started to leave. "No, you don't!" I blocked the way out. "All you have to do is go out there and let the kids see you with that food. Just stay here in the kitchen, in the dark" — I turned out the lights — "and finish those things you've got, then get out. I'll be back in one minute to see if you are out." I went back to the dance floor. In about a minute, I went back to the kitchen, but there was not a soul there, and the kids who were drinking cokes were helping themselves from the hall cooler.

The rest of the evening passed without incident, except that a boy I didn't know told me, "You're terrific, getting all this food taken care of."

He was blond, dark blond, and had blue eyes and was good looking, extremely so, but I didn't know who he was. I had seen him at committee meetings, but that was all. It wasn't until he was elected vice-president that I found out who he was.

I danced the last dance with another central committee member, who's name I found out three days later. It was very interesting, since I never knew who I was talking to.

I danced the last dance with another central committee member, who's name I found out three days later. It was very interesting, since I never knew who I was talking to.

It was even worse after I was elected secretary of The Lodgers, for then most everyone knew me, and they would stop in the hall and yell, "Hi," but I never knew who they were, tho I would yell back, of course.

The picnic was held shortly after the Constitution was written and approved, and the officers were elected. Bob, our vice-president, joined me on the food committee that time, and devoted most of the afternoon to teasing me. There was a lack of food, since the president, who had done the shopping hadn't figured on the kids being quite so hungry for those hot dogs. About the only thing we didn't run out of was 3.2 beer, which was being freely tapped all afternoon, but still lasted. Of course, the only condition on which we were able to have the beer at all, was that no one got out of hand on account of it. But it would take quite a bit of that stuff to get anyone drunk, and it was carefully guarded, with only committee members being privileged to tap.

I had a glass, and then began on some potato salad, which was the only thing left. The potato salad was sour, due to Bob's having left it in the sun and then leaving the fork in it, which didn't help much either. I made a grimace.

"Let me come over there and hold your head," said Bob.

"What for?"

"So you can get that potato salad in the right place. It's kinda hard when you are drunk."

"It would take more than a glass of 3.2 water to make me drunk," I said, "and I resent that insinuation very much."

He sat down next to me.

"What did you do to this potato salad?" I asked.

"Now it's my turn to resent. Nothing, and it tastes fine."
