NO. 153

CLEVELAND, O. SATURDAY MORNING, JUNE 29, 1940

LETO XLIII. — VOL. XLIII.

KONCEM TEDNA

KAKOR vedo povedati dobro poučeni politikarji, še ni go-to, če bo kandidiral Roosevelt za tretji termen. Govori se, da je Roosevelt izmučen in da bi se rad umaknil v privatno življenje. Če bo kandidiral, bo le radi tega, če demokratska stranka ne bo imela nobenega kandidata, ki bi imel priliko do zmage.

PRICAJUJE se v bližnji bodočnosti važnih izjav v Washingtonu. Kongresni že namreč dobivajo informacije o delovanju japonskega publicista Kawakami v Washingtonu, kateri je baje potrošil \$7,000,000 med vplivnimi Amerikanci, da bi pridobil ameriško javno mnenje za japonsko stvar ter da bi Zed. države zopet začele prodajati vojni material Japoncem. Govori se, da bodo prisa v javnost imena odličnih Amerikaneev, ki so jemali japonski denar.

GOTOVA stvar je, da je bil mornariški tajnik Woodring prisiljen resignirati iz urada, ker je nasprotoval posiljanju orožja zavezniškemu. Woodring kuha jezo in nič čudnega ne bo, če bo podpiral republikanskega kandidata za predsednika.

AMERIŠKI poslanik za Francijo, Bullitt, je padel v nemost pri državnem tajniku Hullu in pri predsedniku Rooseveltu, ker je pošiljal iz Evrope, kako zapeljiva in netočna poročila. Najbrže ne bo več nosil poslanški časti, ampak bo dobil manj važen urad v državnem oddelku.

PO Washingtonu se šepeče, da je John L. Lewis, predsednik CIO, zato največ jezen na Rooseveltu, ker je bil on in njegova družina prezirana pri officialnih prireditvah v Beli hiši.

BERLIN je začel naenkrat širiti gvorico, da bo vojvoda Windsor zopet postavljen na angleški prestol, kateremu se je odpovedal radi tega, da je lahko poročil navadno Američanko. Trdi se, da bo Hitler ponudil Angliji premirje, če postavi Windsorja zopet na prestol, katerega ima angleški narod še vedno rad.

ZJugoslavije se poroča, da bi regent Pavel rad dobil iz Londona svojo zbirko dragocenih slik, katere je poslal tje spravit. Zdaj misli, da bodo slike bolj varne v Jugoslaviji kot v Angliji.

PRUDENTIAL zavarovalno družbo skrbi geslo: "Prudential je tako močna kot je Gibraltar." Boje se namreč, da bo Gibraltar padel, kadar ga bodo začeli napadati Nemci, Italijani in Španci. Zavarovalna družba bo moralna potem geslo kar naglo spremeni, če hoče biti bolj "trdna" kot Gibraltar.

ANGLESKA filmska industrija se že seli v Kanado. Nekaj umetnikov, igralcev in direktorjev je že v Kanadi, drugi pa v kratkem sledijo.

Mladinski piknik

Mladinski pevski zbor Slovenskega doma na Holmes Ave. ima v nedeljo svoj letni piknik na Stuškovem farmu.

Republikanci so šli k farmarjem po kandidata za podpredsednika

Predsedniški kandidat Wilkie obljublja, da bo prinesel v deželo edinstvo, sporazum med delavstvom, kapitalom, farmarjem, trgovcem in industrijem.

Philadelphia, 28. junija. — Republikanska narodna konvenca je danes nominirala za podpredsedniškega kandidata senatorja Charlesa L. McNarya iz Oregonia. Ker prihaja Willkie iz vzhoda, so morali iti po podpredsednika na zapad. In ker zastopa Willkie trgovino in industrijo, so izbrali podpredsednika iz farmarskih slojev. McNary je senator iz države Oregon že od leta 1917. Rojen je bil izbran kandidat stojim pred vsemi brez ene same obljube kakipolitični organizaciji, razen obljube za ohranitev ameriške demokracije.

Precedent konvencije, Joseph Martin je najprej predstavil Mrs. Willkie z besedami, da je bodoča gospodinja v Beli hiši. Nato je pa predstavil kandidata Willkia kot bodočega predsednika Zed. držav. Zbornica je skoro ponorela navdušenja in razigranosti.

CLEV. ELECTRIC ILLUMINATING POVEČA PROSTORE

Včeraj je Cleveland Electric novem poslopu, katerega zida Illuminating vložila prošnjo pri ob jezeru koncem vzhodne 70. federalni utilitetni komisiji za ceste. Čez en teden stopijo v vjejavne nove znižane cene, pri katerih bo Cleveland prihranil letno \$778,500 in ostali odjemalcu zmanj mesta na \$599,500. Znižane cene bodo stopile v veljavno začenši 6. julija, toda to bo pokazal vaš račun šele po 6. avgustu. Družba bo plačala mestu \$50,000 kot povrnitev del stroškov, ki jih je imelo mesto v tožbi za nižje cene električne energije.

Anton Kmet v reviji Kdo ne pozna našega starosta, občespoštovanega slovenskega pionirja Anton Kmeta iz Shade Ave? Mož je v letih, toda še vedno krepak. In o tem našem pionirju je napisal pisatelj Louis Adamic v ameriški reviji Saturday Evening Post zanimivo črtico. Revija bo razposlana prihodnjem torku v prodajo. Opazujemo torej našo čitatelje, naj v torku kupijo en iztis te zanimive ameriške revije, ki jo dobite povsod, kjer prodajajo take stvari. Stane samo 5 centov.

Nasi lovci v tekmi Opozarmajo na strelsko tekmo, ki se vrši v nedeljo popoldne na Močilnikarjevi farmi med tremi slovenskimi lovskimi klubami. Tekma bo zelo zanimiva in bo borba za zastavo, ki jo ima sedaj Barberontski lovski klub. Vsi ste vabljeni, ker bo na razpolago dovolj okreplil za grlo in želodec.

Prvi izled Glasbene Matice Glasbena Matica, ki se je porodila iz bivše samostojne Zarje, ima v nedeljo izlet na vrt Slovenskega narodnega doma na Denison Ave. Zbor bo zapel nekaj lepih pesmi, za pleš bo igral Trebarjev orkester. Prav vesel nedeljski popoldan se obeta vsem.

Pevska vaja Prihodna pevska vaja Glasbene Matice se vrši v nedeljk včeraj, 1. julija mesto v četrtek.

Danes je poteklo leto dni, kar je odšel k Stvarniku naš nepozabni urednik Lojze Pirč. Spomin na Te, Lojze, je še vedno svež in vedno iznova mu prilivamo, da ne ovene. Spocij se tam v tih gomili, kamor ne seže svetni hrup, kjer na veste d udarajoči granatah in ne o pokolju, ki se grozi razpaliti po vsem svetu. Verjemi nam, Lojze, da Ti včasih zavidamo tisti mirni prostorček! Počivaj v miru!

BOGATA BERAČICA

New York — V revnem stanovanju, za katerega je plačevala \$10 na mesec, so našli merto 65 letno Rashe Silverman. Povsod je bila znana kot zelo revna žena, ki se je preživila s pobiranjem cunj. Zdaj so pa našli v njenem stanovanju bančne knjižice za \$11,970 in prve vknjižbe v vrednosti \$25,000.

Važno za one, ki bodo petovali na obisk v Kanado

Naselniški urad naznanja, da se bo moral vsak ameriški državljan izkazati, da je res ameriški državljan, predno bo mogel čez mejo nazaj v Zed. države. Ameriške oblasti bodo sprejele dokaz ameriškega državljanstva eno izmed sledečih listin: rojstni list, državljanski papir, notarsko zaprisežena izjava zdravnika pri porodu, krstni list, ali pa zaprisežena izjava staršev, da je bil otrok rojen v Zed. državah. Vsem onim, ki namenava to poletje iti na obisk v Kanado, se priporoča, da se pred odhodom preskrbijo z eno goriomenjenih listin.

Hitler se je ustrašil

Philadelphia, 28. jun. — Kako so iznajdljivi ameriški prodajalci časopisov, že naslednji pripeljaj. Ko je bilo v petek zjutraj zborovanje republikanske konvencije končano in so se delegatje vsili iz dvorane, jim je nek fantič ponujal jutranje časopise z besedami: "Willkie je nominiran! Hitler se ga je ustrašil in bo prosil za mir!" (Ravno v tem času je prisla namreč iz Evrope vest, da bo Hitler ponudil Angliji premirje).

BESEDA IZ NARODA**K obletnici****40 let zakonske zvestobe**

Naša srca so polna globoke hvaležnosti za plemenito delo, katerega je v svojem kratkem življenju izvrševal pokojni Louis J. Pirce, ki je dne 29. junija, 1939 zaveden zatisnil svoje trudne oči ter zasinal svoj večni sen. Zato ne morem molčati k obletnici, ko se je poslovil od nas velik prijatelj ameriških Slovencev in Slovenk, ker njegova dobra dela bodo živel, dokler se bo brala zgodovina rodoljubov v Ameriki.

V naših sreih še vedno preveva žalost nad prenaglo smrtjo, ker nihče ni najmanj slutil, da se bo takoj nahitroma brez slovenkega ga namreč še nisem nikdar videl, celo tedaj ne, ko svata New York stopala z ladje — oči mu zastirajo črno obrobljeni naočniki, v rokah pa drži "Slovenca" in nepremično buljan. Nobena reč ga ne zmoti, ne otroška razposajenost malega vnuka Ivana, ne divje lajanje vedno čuječega "Nerona." Pač, nekaj bi ga pa le spravilo iz ravnotežja! Če bi g. ravnatelj vedel, da obešam njegovega življenja tek na veliki zvon, bi jadrnu vstal, se strumno vzvral in vojaško odločno zapovedal: "Ne, tega pa ne maram!"

Vest vsakega človeka je močnejša kot vsako trenutno veselje nad zmago, katera je včasih naša, ko si prizadevamo do svojega poželjenja ne oziraje se, da ravno s tem mogoče ranimo srce svojega najboljšega prijatelja. Kakor bridko je bilo v mnogih slučajih življenje pokojnega Louis J. Pirce, ravno tako iškren je bil njegov smehljaj na ustnih. Biti žaljen, s tisočimi meči v duši, — zmore le tisti, ki ne vidi slabega v nikomur, pač pa v svoji plemenitosti srca zamori vsak neprjetno misel ali sum. In ravno to silo in moč je najti le v življenju osebe, ki ne pozna sebičnih nazorov, ampak deluje še z vso vnemo za druge ne oziraje se za žrtev ali denar.

Gospod Lože, mi vemo, da ste tam, kjer bridkosti in krivice več ni — usmiljenja smo torej potrebni mi, ki še tavamo, padamo in vstajamo. Želimo si eno, da bi bil spomin na nas ohranjen vsaj deloma v časti in hvaležnosti kot je Vaš. Vaše vsestransko požrtvovalno delo nam bo ostalo svetel vzor v društvenem življenju. Slika Vašega dobrega življenja bo visela še dolgo let nad nami in našim društvenim življenje kot ščit načelom, za katere sta se Vi borili.

Danes romajo naše misli na grob Louis J. Pirce. V duhu nam stopi pred oči prizor ob zadnjem slovesu mnogoštevilnih prijateljev. Bilo je nenavadno tisto poletno dopoldne, sonce je sijalo z zlatimi žarki nad raken v kateri so bili Vaši telesni ostanek. Vaš grob je bil obsut s cvetjem in stali smo s klonjenimi glavami, ko je bil zapet zadnji "miserere." Kmalu je vse utonilo, zveneli so tudi cvetke, a le spomin na Vas dragi Louis J. Pirce bo stal vedno svetel in jasen v nas. Prsten oklep čaka večnega vstajenja, medtem, ko že duša biva na večnih livadah odkoder je — izšla.

Vaše življenje je bilo kakor lepa knjiga, katero človek radi hrani in večkrat pogleda v njo in bero dejanje za dejanjem ter si pri tem osvežuje najlepše spomine. Ta knjiga "Vaše življenje" ostane najdražja dedičina slovenskemu narodu v Ameriki. Kratko je bilo Vaše življenje v letih, toda dolgo v zakladih in zaslugah, katere ste si iztekli in zato se bomo vselej hvaležno spominjali na Vas.

A Vas ni...
Vse je minilo
le sonce poletno
prinaša nad Vašo gomilo
naše tihé žalostne pozdrave.

A. N.

Jerica! Ljubi Bog, ki je že 40 let tako čudovito vodil Vajina pota, naj Vaju blagoslovila tudi naprej, da bosta kdaj zdrava in črsta obhajala tudi zlati, diamanti in železni poročni jubilej!

Željam in čestitkam dr. Trdanu se pridružujem tudi uredništvo Ameriške Domovine.

Ob 15 letnici mašništva

Danes 29. junija bo minilo 15 let, kar je bil naš priljubljeni Father Julius Slapšak posvečen v mašnika. V torek 2. julija pa bo 15 let, kar je prvič pristopil k oltarju Gospodovemu. Nato pa je začel pridno obdelovati virogad Gospodov.

Vsepovsod, koder je deloval, si je pridobil številnih prijateljev, ki so mu z veseljem in otroško udanostjo sledili. Če je bil slučajno prestavljen, jih je moral zapustiti skrivaj. Nam, ki ga poznamo se to ne zdri prav nič cudno. Kje pa je kdo, ki bi ne imel rad njegov prijazni vedno smehljajoči se obraz? Njegova vesela narava spravi vsakogar v dobro voljo.

Lepo pobožno obnašanje v cerkvi, krasne pridige in vse lepe lastnosti dičijo njegovo glavo. Poleg tega pa je tudi dober delavec za faro in voditelj društva sv. Rešnjega Telesa. Pod njegovim vodstvom je to društvo spravilo skupaj nad \$6000 za novi oltar in to prej ko v enem letu. Njemu ni nobena žrtev prevelika, sam hodi okrog in prosi, poleg tega pa ima tudi pridne in agilne članice, ki so mu pomagale pri tem težavnem delu takoj, da je sedaj oltar skoro plačan.

Prav ta mesec pa je tudi poteklo osem let, odkar je Rev. Slapšak naš voditelj in zato so tudi v tem oziru čestitke na mestu, posebno pa mu gredo iskrene čestitke in njegovi 15 letnici mašništva. Sprejmite šopek molitve in zahvale za ves Vaš trud od članic društva sv. Rešnjega Telesa, želimo, da bi dočakali še 25 in tudi 50 letnico. Bog Vas živi!

Borštnarji na plan!

Zopet se bomo člani in prijatelji društva Katoliških Borštnarjev dvor Marije Pomagaj št. 1640 v Collinwoodu zbrali in sicer v nedeljo 30. junija ob 11. dopoldne, da se potem skupno odpeljemo na izlet.

Ta naš izlet se vrši na Zorcove farme kakor po navadi. Pričakuje se, da vsak moški plača en dolar zase in svojo prijateljico, ali za svojo soprogo in otroke, a če pride mož sam, pa plača ravno tako en dolar. Vsak naj prinese s seboj, svoj kozarc in jestvine, pivo pa boste dobili tam kolikor ga boste želeli.

Pridite in zabavajte se z nami v senčnem gozdovu v veseli družbi. Vas vabi in kliče na svetje,

Frank Trepal, Jr.
fin. tajnik.

Še o romanju

Na mnoga vprašanja onih, ki so namenjeni potovati v Lemont dne 14. julija na blagovlajevi franciškanskega samostana odgovarjam, da je družba Nickel Plate železnice pravljena dati posebni vlak za tri dni, to je od petka zvečer do pondeljka zjutraj za ceno \$6.45 do Chicaga in nazaj, od Chicaga do Lemonta in nazaj pa za 55c. Tako bi vožnja stala \$7.00. Tak izlet bi bil res najboljši, ker bi imeli romanji dva dneva na Lemont. Kdor bi želel, da se udeleži tega izleta, naj bi se takoj priglasil. Kdor ima prijatelje, za katere ve, da bi želeli potovati, naj jih napoti, da se javijo. S tem je dano naznanje onim, ki želijo vedeti.

Kdor namerava potovati, naj bo treba plačevati več na dolg, se bo začelo plačevati nazaj vlagateljem. Samo potrpite in ne napravljajte stroškov s takimi sitnarijami, ki so včasih jako drage in gredo na robo.

Vsi oni, ki ste se udeležili lanskega piknika, se še gotovo spominjate kako veselo je bilo med našimi mladimi pevci. Zato vas vse skupaj prav prijazno vabimo, da nas posepite tudi letos.

Imeli bomo vsega dovolj kar spada k pravemu pikniku. Tudi za plesalec je preskrbljeno, igral bo Peconov orkester.

Za one, ki nimate svojih vozil bo vozil truk izpred Slovenskega doma na Holmes Ave. od 1 ure naprej.

Ne pozabite torej, v nedeljo vsi k Stušku, kajti s svojo navzočnostjo boste pomagali Mladinskemu zboru do nadaljnega obstoja. Čim več nas bo, tem več veselja bo med našo mladino in več zabave med nami starejšimi.

M. Lokar, zap.

Piknik, piknik

"Alo Urška, kam pa greš? Tako me je nagovorila moja prijateljica in me vprašala, če vem kaj novic. Takoj sem ji povedala, da jih vem pa še koliko. Največja novica pa je, da bomo imeli pri fari sv. Kristine farm piknik v nedeljo 30. junija.

"Piknik bo na našem domaćem vrtu, le pridi pa še svoje prijatelje pripelji s seboj, da nas bo več," tako sem jo povabila. Prav prijazno pa vabim tudi druge naše rojake in rojakinje, čeprav ne spadate v našo faro, vseeno pridite se bomo vsaj malo spoznali in razveselili v veseli družbi.

Prav vsi ste vabjeni, brez izjeme, vsak je dobrodošel pa naj spada v katero faro hoče. Nikar se ne izgovarjajte, da ne spadate v našo faro, saj kadar boste potrebovali kakšne pomoči, tedaj pa ne boste gledali kam spadate. Vsi, posebno pa farani fare sv. Kristine se moramo zavedati, da je fara za nas vse in ne samo za nekatere, zato je tudi naša dolžnost, da jo vsak po svoji moći podpiramo.

Torej ne pozabite na naš piknik, ki se vrši v nedeljo 30. junija na farnih prostorih pri sv. Kristini. Na svidenje,

U. Trtnik.

Prebivalci evropskega severa

Skozi tisočletja so ljudje, ki prebivajo na severu Evrope, ohranili povsem svojski obraz. Tesno zrastli z naravo predstavljajo lepe in simpatične postave, ki jim je svežina in zdravje napisana na licu, z oči pa jim odseva resnoben ponos in duševna živahnost. Prebivalci nordijskih dežel ne pripadajo samo germanski rasi. Na Finškem in v Laponiji se najdejo tudi pasovi vzhodnobaltske in mongolske rase, katerih prednike je spoznati po zašiljenih spodnih delih obrazu in pomičnih ličnih kosteh ali pa vsaj po očesnih odprtinah, ki so zarezane pod čelom nekoliko poševno. Videti pa je tudi precej mešancev, ki se spoznajo po barvi las in drugih znakih.

Ljudje, ki žive na evropskem severu, predvsem kmečko prebivalstvo, ne ljubijo mestne tesnobe. Celo to je opaziti, da je v Skandinaviji razmeroma zelo malo vasi in naselij v našem smislu, nego stremi vsak severnjak za tem, da si postavi svoj dom nekje na samem. Tako vidimo po Norveški in Švedski nešteto kmečkih dvorcev, okrog katerih so namizana gospodarska poslopja. Tako žive vlepotevniki, kmetje, pa tudi preprosti kmečki zakupniki. Takšen način življenja vzgaja močne in ponosne ljudi, ki se odlikujejo po marljivosti, poslošnosti in resnicoljubnosti. Pri večini severnjakov, ki so navadno na glasu kot zelo hladni in mrzli ljudje, opazimo naspfotno veliko skalo čuvstvovanja — od najhladnejše neobčutljivosti pa do najstrastnejših izbruhov. Pri vseh severnih prebivalcih se opaža močna elementarnost, ki so se je navzeli v življenju in boju z naravnimi silami, s katerimi je po večini zvezano njihovo delo. Norvežani so izvrstni mornarji in morda najboljši krmari na svetu. Prebivalci ob obali so večinoma marljivi ribiči in kakor hitro se prične umikati zima, zažive stotine ribiških vasi ob fjordih in ob odpretem morju.

Pri narodih, ki so si ohranili tako svojske poteze, ni nič čudnega, če se tudi njihovo duhovno življenje zmerom znova — bi dejali — pomlajuje ob zemlji in njenih lepotah. Iz nordijskih dežel so stopili v svet številni pomembni možje, pesniki, slikarji in raziskovalci: Andersen, Knut Hamsun, Selma Lagerlöf in Sigrid Undset, slikar Anders Zorn in znani polarni

raziskovalce Roald Amundsen, vsi ti so priboril severu Evropo veliko slavo in ugled na duhovnem polju. V socialnem življenu nordijskih ljudi se uveljavljajo močne napetosti. Na eni strani vidimo čustveno domovinsko ljubezen ljudi, ki utesnjeni dostikrat na majhno zaplate plodne zemlje ali na mali otok prežive na tem koščku zemlje vse svoje življenje, ne da bi sploh pogledali v svet, kajti njim predstavljajo svet globoke doline in romantični fjordi — na drugi strani pa vidimo neufešno hrepenenje v daljavo, smisel za pustolovščino in veselje do potovanja, kar jim nudita mornarstvo in ribolov. Še do pred nekaj leti so ravno nordijske dežele dejale silno velik odstotek izseljencev, ki so zapuščali evropsko celino.

Družinsko življenje je v vseh nordijskih deželah zelo lepo in naravnost vzorno. Žena uživa vseposod veliko spoštovanje in predstavlja tudi središče družine.

Takšni so ljudje na evropskem severu, ki jih je te dni vojna vihra potegnila z normalnega tira njihovega življenja in jim brez njihove krvide potisnila v roke orožje, o katerem so mislili, da ga ne bodo več potrebovali.

LAKE SHORE POST, No. 273

AN OPEN LETTER

South Madison, Ohio
June 23, 1940.

Dear Father Jager:

You said to me last time that I should write and tell you all about that Baraga Girls' picnic on Debeye's Farm Sunday. Well, first of all, I have to tell you that I am very much disappointed and surprised because all the girls acted so nice; I did not see a wild squaw in the bunch. You got some very fine girls and they are trained to act as well as to sing.

Did you see Mildred Virant, Esther Cimperman and Josephine Kozel, the bathing beauties, getting a coat of tan? Mildred accidentally wet her toes in the lake and nearly ruined her permanent wave. I never knew that Mary Repar was a lifeguard, but she sure wasn't afraid of the water, was she? On the other hand Hank Zupandic and Frank Moenik were so cold and blue, their teeth were heard chattering even on the shore: they should have left their false plates on shore. Helen Gobec was caught swearing because she didn't bring her bathing suit, but she borrowed one, and everything was alright. But Dorothy Petrincic, her side-kick missed her fancy bathing togs. Then there was Mary Ponikvar who took one step into the water and then jumped back. Mary Hrovat was good enough to lend her blanket to the beach-beauties and everyone forgot to take it along. (Mary's getting another one now.) Florence Tomasic was more afraid of getting her hair wet than anything else. Jo Pureber did not come with the truck, nor did you bring her, and yet she popped up on the farm along about five o'clock. Honest, I did not see Margie Jarc at all. Dorothy Gaenik patiently waited until you brought along her sister, Nettie, who had the lunch-basket. Those kids, Alice Klementic, Mildred Erbeznik, Frances Zakrajsek and Agnes Kosec had a good time all by themselves; they didn't even go to the beach, would you believe it? And Vida Gregoric got the happy news that her marriage bands were announced in church and she was wondering who was the husband-to-be and when her wedding date would be. Who spread that crazy rumor? Frances Pernac, our blushing bride, is happy, there are no color-cameras yet. Millie Branci did not write that article although she doesn't mind being called butch, but nothing else. Baby Frances Cizel took a tramp through the hills then couldn't make it back to the farm. Margie Tomazin and Antoinette Jerman were caught studying cows; of all things! Josie Rupar and Anna Korencan were not heard, but they sure are an eventful. And I have to report that Martha Mencic had a terrible case of seasickness coming to the farm. Helen Rupar, Ann Zajc and her camera, had a lot of fun, eh? Blondie? Emily Arko was there but that's all. Mary Adamic was not seen dancing the Russian kolo, or bolero, or what is it? Dorothy Zigel was in mourning for her boss who was down with tonsillitis complications. So sorry. Dot Therese Gruden had some combination — yellow sports outfit and red hair; but there was no sun to start the fire. We missed Elsie Hrastar, but we heard she took sick in the morning and couldn't come. And you remember those black walnut cookies that Mary Hrovat was

passing to you. Father, well they came from Makovec's. Vida Koprivec and Janette Loker will never be movie stars. Why? When the MGM photographer got all set to take a shot, says Vida kind of haughtily: "We don't want our pictures took." But she looked nice in that kiddy-dress, and so was Janette. Helen Gobec, however, did plenty of posing. Anthony Urbas stopped long enough to take a smell of the woods and beat it. You should have seen Mary Tome and Ann Cimperman trying to jump off the truck (a foot and a half high); they had to be helped down by willing hands! Helen Meglic: "cute pink pin-striped sports outfit" (description by Zanoni of Paris). Dorothy Svilic, the song bird, had to stay at home: sick. And where were the following: Father: Angelo Hegler, Frances Zakrajsek, Agnes Turk, Mary Mezic, Frances Rode, Bertha Sajovec, Mary Hadz Doris Matjer, Jean Per, Madeline Zajc, Ursula Rakar and Dorothy Cimperman? I didn't see them around at all. Gee, and you know what got me? The whole bunch of dames kept sitting and sitting in that truck all the time. What's the matter with them all, ha? No life, no pen, no stuff. Nobody said that Dorothy Postnik was lost, strayed, or stolen, because she wasn't there. And once more Lillian Kosel and Mary Ivanek cut the picnic, preferring to go to some wedding shower. You know they boycotted our outing last year, didn't you? Mary Paucke had a better date. Nettie Gaenik came late to work for the first time (five minutes) on Monday, she had such a good time here at Debeye's. I noticed too, that as the weather changed your mood changed too. Or was that a happy coincidence? I guess I didn't miss anybody. If I did that's their fault. There wasn't no scandal to tell like I wanted to because all those girls are OK. And I have to give you credit for having one of the finest organizations in St. Vitus Parish. Keep up that good work.

REPORTER

PEEKING IN
ON THE OREL OUTING

With slight drizzle falling from the clouded sky Sedmak's truck departed from the school at approximately 9:30 a.m. Only one hour past schedule.

Upon arriving at Gramo's farm, the sun was already penetrating the white feathery clouds. The ground was a bit damp, but of course, we didn't mind it at all.

As formerly permitted, all automobiles were forbidden to ride into the woods. So immediately Herman Ozinc thought up a brilliant idea. Just like him, too! With the permission of the farmer, all refreshments, grub and other necessities were placed on a small hay wagon and towed into the woods by the fellows. It was a pretty sight to see Jimmy Gornik, Eddy Kuhel and Eddy Znidarsic at the helm, with Joey Gorlic and Vince Shuman bringing up the rear. The girls naturally followed behind. The first suggestion on schedule was a hike; but Rose Urbic and Flo Jenzan were anxious to have a light dinner first. But, as the odds were against them, they had to follow the program.

It was a scene and a half to see Joey Kuhel trying to snap a picture of the day everyone certainly had a wonderful time.

Anthony Urbas et al. came to Baraga's

You should have seen Tony Mervar

a great deal of careful engineering, he

but then when the lassies couldn't hear

There were some girls complaining

(Not mentioning any names for

CURTAIN CALL

Good luck to Charles Merhar and
Frank Moenik, who have chosen a per-
fect "career ground" — Mount St. John,
near Dayton, O., where they are to be
candidates in the Society of Mary.

Thanks a million, boys, for your co-
operation in all our social activities.

We will be missing you! (two swell
bartenders) and (two "grand guys").

Goodbye, good luck and God bless
you!

JUNIORS' BULLETIN BOARD

SCHOOL TAKES EDITOR

Pursuit of further education necessi-
tates Frank Moenik to resign his
position of "top man" on the society's
publication, the Junior Journal, a
monthly.

With "Beef" at its helm, the Journal
was an influencing force in the Holy
Name's sphere. The editor certainly
was the factor in manning a staff
whose work produced results. That's
an admirable accomplishment. Experi-
ence acquired on this job will be in-
valuable to you in your chosen profes-
sion. On behalf of each and every
Junior Holy Name boy, a sincere
thanks for all you've contributed to
our success. And may the Great
Giver fulfill your highest hopes.

A staff member and intimate pal of
the former editor, Frank Laurich, will
take over the reins. Since there is the
usual summer slack in action, the July
and August issues will be suspended.
But "Goo Goo" promises everybody a
bigger and better publication. That's
the competitive spirit Frankie, with
sincerity we look forward to reading
that September Junior Journal.

BULLETIN CHANGES HANDS TOO

In the big shakeup of executives, a
turnover is being made in the writing
of this column also. Since summer ac-
tivities will occupy the regular scribe,
another will take the pen.

Johnny Vuralich, the secretary, will
provide the faithful readers with the
vitals in Junior News.

NOTICE "DELEGATES" TO
HOT DOG SESSION

This is the last appeal to all dele-
gates to be sure and attend the 1940
Hot Dog Session which is being spon-
sored by the Marie Prisland Cadets of
the Slovenian Women's Union of
America, Branch No. 50, Saturday,
June 29, at Pintar's Grove, at 8 p.m.

Mr. Louis Trebar as acting chairman,
has elected Mr. Bun and Mr. Mustard to
take care of the refreshments. The
entertainment committee has elected
Mr. Louis Trebar to furnish the music
for dancing and the help committee of
course are the Prisland Cadets.

A jolly time is in store for all who
attend this Hot Dog Session. There are
times when an appeal should be heeded
and now is the time. How often,
when you saw the Cadets marching
along in a grand parade, did you point
out with pride and say: "Oh, there is
our group, the Slovenian group." But
have you ever wondered just how all
this can be accomplished, to keep a
marching unit in perfect uniforms,
well, here's the answer. You have helped
us by attending the different affairs.
The Cadets have sponsored from time
to time. Please help us to succeed
again. Send out an SOS to all your
friends and plan to attend our Hot
Dog Session. Young and old, all will
have a good time. Will you be there?

KOVACIC

Councilman
23rd Ward

After many years of discussion and
planning, the Cleveland Baseball Fed-
eration finally succeeded in setting up
a night baseball field at Gordon Park
with the help of W. P. A. In addition to
this diamond the city now has night
taffy games at Brookside Park,
Woodland Hills, Glenview Park and the
Equestrian, the latter two dis-
tinctly having only softball or indoor
games played on them.

The Gordon Park lights were turned
on for the first time on Wednesday
evening, June 5th, with a minimum of
fans. Various representatives of the
city parks and recreation division were
present along with the CBF officials.
A representation of Mr. Frank Miskel,
Cuyahoga County W. P. A. director,
turned over the baseball field to the
city of Cleveland by publicly announc-
ing the presentation to your council-
man from the 23rd ward who accepted
the play-spot on behalf of the City.

After a few speeches, the first night
ball game in the history of Gordon Park
was underway before some 8,000 fans.
It was a Class A game between the
Ferlert Fences and the Factory
Furnitures with manager Kenny Ho-
gan's Fence team emerging victorious.

Since the inaugural night, classes
Senior B, B, and C have played before
large crowds and have provided our
community with very good free enter-
tainment which can be especially ap-
preciated on these hot summer nights.

Baseball Thiefs Expensive

Unfortunately, teams playing there
are facing a very trying experience
that if not remedied soon may cause
the better teams to refuse to appear
at Gordon Park. This unforeseen hard-
ship is in the stealing of baseballs by
some boys who wait for foul balls to be
hit and then relay them to one
another until the ball disappears. In
one game 32 balls were missing at an
expense to backers of some \$25 to \$30.
In addition to this, the teams finished
with only one ball so that the umpires
had to appeal to the sportsmanship of the
audience to kindly return that ball
whenever a foul was hit, in order to
permit them to finish the game. This
caused a great deal of delay and spoil-
ed the game for a good many of those
present.

If this condition is not remedied
soon, I am afraid the backers of the
higher class teams will find it too ex-
pensive and will not desire to play
there, thereby, depriving our people of
seeing the best amateur baseball teams
in the city in action.

Safety Director Ness has promised
full co-operation of his force to remedy
this outrage—but it will also take the
co-operation of all of you baseball
fans to curb this petty larceny by stop-
ping the boys if you see any of them
attempting to get away with the balls.
