JUBILEE NOTES

About the Capes... As previously announced, every present Sodalist will be required to wear a blue and white cape over a white dress at the Solemn Pontifical Mass to be celebrated by the Most Rev. Joseph Schrems, in commemoration of the 25th anniversary of the St. Vitus Young Ladies' Sodality.

That Yellow Post Card!

In an effort to include every Sodalist in the celebration of the Y. L. S. Jubilee, Sept. 18, the Membership Committee has been mailing explanatory correspondence to all former Sodality members.

The Most Rev. Bishop Jos. Schrems, who will officiate at the Pontifical Mass scheduled for 8:30, will be presented with a spiritual bouquet composed of prayers, rosaries, Masses, etc. to which all members are asked to contribute.

Our goal—a church full of men on Sunday, October 9th. Can we do it?

SIRC BATS IN SIX AS TEAM MAKES IT 3 IN ROW

Friday, August 5, Manager Andy Sirc's single and double each cleaned the sacks to make a total of six runs batted in for "big Andy." The victory made it three in a row and brought the season's average to .500.

Eddie Zakrajsek still holds the distinction of being the only player competing in every inning the local team has played in the league schedule.

Bill Tomc would have had a homer in the second had not right fielder F. Murphy caught his line drive bare-handed.

Maybe Elmer Kuhar has had something to do with the three-game winning streak. Kuhar with his brother Eddie has been unofficial mascot at those three games.

JUNIOR JOURNAL

Last Thursday evening the Holy Name Juniors held one of their very interesting meetings again. As the President, Anthony Orehek, was out on vacation (second this year!) John Vidmar, vice-president was chairman of the meeting.

One of the most important discussions was the arrangements for the final championship games of the Junior League. The championship will be determined between the Goldies, Black Hawks, and the Blue-Boys. All games will be played evenings on the newly finished diamonds on Lake Shore Blvd. known as Nicholson Field. Games are scheduled for 6:00 p. m. Actual dates will be announced later.

We wonder when our Advisor from the senior section will again attend our meetings to help stimulate interest in the Juniors. There has been a bad slump in meeting attendance of the lads. What say, seniors?

Say Juniors! If you are planning a vacation, or are on a vacation how about dropping your Junior editor a card telling him where you are and what you are doing? The members are glad and even anxious to know how you are spending

CHURCH PICNIC

The St. Mary's Church Picnic held Sunday at Mocilnikar's Farm proved a great success both financially and as a bit of entertainment and diversion for the parishioners.

There was a showing of fine cooperation upon the part of all groups. The Ilirija Choir, Holy Name Juniors and Seniors and Young Ladies' Sodality members being well represented among the help given the Church Board which sponsored the picnic.

The afternoon found many parishioners and representatives of other parishes on the picnic grounds who enjoyed the program.

The awarding of certificates to the holders of lucky numbers and free prizes to registrants certainly helped to score a real success for this year's Annual Picnic.

The Complete list of winners may be referred to in the St. Mary's Hall.

To all merchants who have extended their help and cooperation the Executive Board wishes to express its gratitude.

THOUGHT FOR THE WEEK

"Sweetheart of the World" On Monday, August 15th throughout the churches of Catholic America there shall be honor paid to the Blessed Virgin Mary on the feast of her Assumption into Heaven.

And thus should it have been for one so perfect and undefiled.

Honored by her children in all portions of the world she can truly be known as the "Sweetheart of the World."

The short verse below explains somewhat the helpfulness of our Mother Mary.

FLASHES AND DASHES

Did you know that Frank Mecnik knows how to spend his time sitting on porches with his chums dreaming of the future?—that is, when he is not working or practicing on his accordion—Did you know that Frankie Lauric can fiddle a violin?—And Johnny Vidmar is an excellent guitar player?—and for beating drums, look up Donald Miller—Ruddy Zulich is a close rival of Frank Mecnik?—Frank Repar leads the league in four base clouts—after a hard day at work, Frankie Svigel still struggles at a game of horse-shoes?—Tony Orehek's hobby is vacations—while his brother specializes in distributing papers at a downtown corner—add to the news industry the following: Rudy Klemencic, Frank Jamnik, Frank Mecnik, Johnny Vurich is a jumper, Zore Brothers, and others—Bob Levec leads the league in pitching—and that's about all for now but do not take this too seriously! So long!

"Lift up thine eyes and call on her Who is thy sorrow's kindliest stay, Whose word the gates of Heaven can stir, And change thy darkest night to day."

So on the Feast of the Assumption, let us implore and say: Sweetheart of the World, triumphant Queen of Heaven, pray for us sinners, now, and at the hour of our death.

HOLY NAME JUNIORS NEWS REVIEW

Church Picnic

Pleasing to the eye, was the crowd that thronged to our church picnic at Mocilnikar's Farm last Sunday. Blessed with perfect weather throughout the whole day, the crowd stayed late and enjoyed itself at the utmost.

Hurrying back and forth were the busy church councilmen, who worked so hard to make this picnic a success. The choir members, with Mr. Rakar in charge, were kept busy as bartenders, while the sun did a good job of keeping the crowd continuously thirsty.

The good ladies of the Altar Society served delicious sandwiches with great rapidity to keep the people from going hungry. The Young Ladies' Sodality got rid of plenty of ice cream and candy and had their "Sweets Bar" very nicely decorated. Other Sodalists were seen selling tickets. The Holy Name boys took care of the dance hall, sold tickets and did odd jobs whenever called upon.

Johnnie O-4 (Ostir) was seen leading the dance orchestra and dancing around with his apron on. Incidentally, the snappy music was supplied by the Kristoff brothers. Johnnie Tercek was here, there and everywhere all at one time, so it seemed. Tickets! Tickets! And the well went dry.

The St. Joseph Band played some good numbers and the audience applauded loudly. Here's hoping that all who missed this picnic won't fail to attend next year.

Hamburger Roast

As was previously announced the H. N. Jrs. are invited to a hamburger roast by the Y. L. S. on Tuesday evening, Aug. 16th. It will be held on a private beach off East Park Dr., near the foot of Neff Rd. We will all meet at the home of Miss Josephine Zulich, 18115 Neff Rd. at 7 p. m. From there we will proceed to the beach. Any member who must attend choir rehearsal on that night, may come down after rehearsal, about 9:30 p. m. Swimming will be in order and delicious "Wimpy's" will make your mouth water. The girls are anxious to show us an evening of fun, so let's all be there next Tuesday.

Y. L. S. BASEBALL PRACTICE

Any member of the Y. L. S. who wants to try out for the baseball team, read the following:

There will be baseball practice on Wed. Aug. 17th at 6:30 p. m. on the church grounds. We want as many girls as possible to come and try out for the team. On Sun. Aug. 21st we will go to Lorain. Our Holy Name team will play against Father Slaje's Holy Name and our Y. L. S. will play against the Lorain Y.L.S. team. It all takes place at their parish picnic, so you can expect to play before a large crowd of people. We are trying to pick

the best ball players to represent our Sodality in order to beat the Lorain girls, so we want a large turnout at the next practice. There were quite a few girls at the last practice and several good players among them. Each one is trying hard to make the team and they really like the idea of going to Lorain with the H. N. Jrs. Every girl who comes to practice will have the same chance to make the team and those that are not chosen can come along to Lorain and cheer and root for the others. Don't forget to come out next Wed. at 6:30 p. m. A couple of H. N. boys will be in charge of the coaching.

MY TRIP TO THE MEDITERRANEAN

by DORIS MARIE BIRTIC

(Continuation.)

We soon glided out of the smooth Mediterranean into the rough Atlantic. The waves were exceedingly large and anyone venturing out on the lower decks was given a free bath which left him feeling coated with salt. The sailors too, were aware of the increasing swells for they had to work doubly hard in order to polish away the crusted salt on the brass porthole casings.

With the large waves came cooler weather which was excellent for game enthusiasts. A comprehensive program of sports was soon under way and we entered competitions wholeheartedly.

To see a rather self-conscious business man become so absorbed in schuffleboard that he forgot to wonder if people were watching his imagined mistakes was a treat for all of his friends. Likewise we all felt happy when table tennis helped bridge a friendship with a pleasant young lady who had heretofore refrained from indulging in the social activities aboard ship.

Deck chair conversations proved to be very popular since everyone enjoyed exchanging tales of adventure. A rather eccentric man with thick greying hair was returning from a brief sojourn in Tel-Aviv which to him seemed a true haven of delight. To everyone who showed the slightest interest he told of the prosperous Jewish settlement there.
