VESTI IZ SLOVENIJE

KOMUNISTIČNA JUMETNOST. — V Ljubljani so imeli koncem maja mladi komunistični književniki, pisatelji in pesniki, prvo konferenco, kjer so jih učili, kako se mora pisati po "novem," da ne zaidejo v kako krivovertovo, katero bi videlo v staro, kapitalistično mirenost. Glavni učitelji so bili Ivan Bratko, bivši glavni urednik "Ljudske pravice," dalje znani komunistični pisatelj Miško Kranjc in komunistično vpreženi France Ševk. Bratko je učil, kot bremo, da mora vsak pisatelj stremeti za tem, "da si osvoji edino znanstveno filozofska teorijo,

marksizem-leninizem, ki mu bo pomogla razložiti ne samo družbeni, ampak tudi kulturne, umetniške pojave." Marks in Lenin sta torej komunisti sveta knjiga, ki ga nauči vsega, tudi pravega pisateljevanja.

IN SEVEDA HLAPČIČ Oton Župančič je moral poslati konferenci svoj žegen. Ker stari pesnik ni sam prišel in tudi nič ne ve ne o Marksu ne o Lenini, je moral napraviti konferenci poklon s priljubljenim pismom.

Berlinski župan se je uprl sovjetskom

Berlin, Nemčija. — Gospa Aljozija Schroeder, ki je sedaj župan v Berlinu, se je odločno uprla odredbi sovjetskega komandanta, da mora odpustiti iz službe namestnika policijskega šefa, ki ni po godu boljševikom. Gospa Schroeder je znani politik socialno demokratske stranke. Ko je v Berlinu se vladala porazumno komandatura štirih zavezniških komandantov, je bila izvoljena in potrena za župana mesta. Od tedaj ta posebno opravlja z velikimi uspehi in je med prebivalstvom znana kot mati Berlina. Rusi so večkrat izjavili, da so ze' o začajovljeni z njenim delom. Sedaj so pa zahtevali, da naj odpusti mestnega uradnika zgolj po želji ruskega komandanta, česar pa 61 let stara gospa ni hotela izvršiti, češ, da ji take odredbe morejo dajati samo vsi komandanti skupno.

Explozija v Nemčiji

Ludwigshafen, Nemčija. — Eksplozija, ki je največja po vojni, je nastala v takozvanem poslopju za nitrat. Tako je bilo celo postope v plamenih. Ljudje so oslepeli in kamenje in opeka je začelo padati celo v Mannheim, ki leži nasproti Fridrichshafena preko reke Rena. Plameni so se dvignili do 400 metrov višino.

Grški komunisti napadli Turke

Ankara, Turčija. — Minister za promet je obdolžil grške gerilce, da so napadli turške motorne čolne v zalivu Saros blizu Dardanel. Turki so streljali in odgnali grške napadale.

Tri na dan

Znanstveniki so končno dosegli, da je življenje na mesecu nemogoče. Prav kot na zemlji, prav kot na zemljilj če bo šlo tako naprej.

Lahko si mislimo, kakšno veselje mora biti v Moskvi, ko opazujejo v Ameriki boje med kandidati in naš konгрес, kjer se demokrati iz juga z vso silo upravo priznati vsem enake civilne pravice.

Ako je kdo proti predsedniku Trumanu, nikomer ne pride na misel, da bi ga obdolžil, da je radi tega tudi proti Zed. državam. Ako ste pa proti Titu, vas pa zmerajo, da ste proti Jugoslaviji, čudna logika, bi rekli.

Borba za stanovanjski zakon in novi zakon o naselitvi beguncov

Washington. — Za zakon o gradbi novih cenih stanovanj, se biće huda borba v poslanski zbornici in v senatu. Vodstvo republikanske večine je sklenilo, da se o zakonu ne bo razpravljalo v izrednem zasedanju. 155 poslancev pa je podpisalo zahtevo, da naj zakon pride na dnevni red. Da bi mogel zakon prijeti na dnevni red kljub sklepnu vodstva republikanske večine, je pa potrebo 217 podpisov. Tudi nekateri republikanci so predlog že podpisali.

Tako po predsednikovem govoru je demokratski poslanec iz Pennsylvania Francis E. Walter predložil zakonski načrt v smislu katerega naj se priprasti 405 tisoč beguncov v Združenih državah. Vsi ti begunci naj se naselijo izven kvote. Zakonski načrt vsebuje tudi razširjenje pojma kdo je begunec in deloča, da naj se smatra za begunca vsaka oseba, ki je pribegala v Nemčijo, Avstrijo ali Italijo po 1. septembra 1939, pa pred 21. aprilom 1947 in ki je prebivala 1. januarja 1948 še v ameriški, britanski ali francoski coni Nemčije in Avstrije ali v Italiji.

Novi zakonski načrt ima še nekaj drugih olajšav in sprememb napram sedaj veljavnemu zakonu in opušča prvenstvo, ki je v dosedanjem zakonu določeno za begunce iz balkanskih držav in vzhodne Poljske.

PREDSEDNIKOVA POSLANICA KONGRESU

Predsednik zahtva federalno pomoč šolam in vzgojnim zavodom, zvišanje minimalne mezde in zvišanje starostnih pokojin

Zato večkrat sme priporočili naj kongres sklene primeren zakon o stanovanju. Zakonski načrt, ki je znani kot senat bill 866 Taft-Ellender-Wagner, ki ga je sprejel 22. aprila, je tak začen, ki ga imam v mislih. Ta zakon bi pomagal rešiti stanovanjsko krizo v mestih, očistiti zapuščene in za nemarjene dele istih in graditi nova stanovanja za najem. Ta zakon bi dal široko pomoč zaščitni podjetnosti za gradbo hiš. Vsebuje dobre odredbe v korist novih farmarskih hiš in zaznajanje gradbenih stroškov. Se več drugih odredib je v njem dobrih, ki vse žele doseči cilj, ki ga hočemo: več stanovanj za nižje cene in nižje najemnine.

Tak zakon potrebujemo. Potrebujemo ga sedaj, ne še cez eno leto. Če se te zakon uveljavlja v tem poletju, bomo takoj mogli graditi več hiš kakršnih družin potrebujejo, za cene, ki jih zmorejo. Ce se zakon ne sprejme, bo 81. kongres moral začeti vse od začetka za nov zakon o stanovanjih. Zgubili bomo celo leto.

Ta kongres lahko dovrši stanovanjski zakon v par dneh. Jaz resno in nujno prosim, da se to zgodi.

Pred vsem sem sklical ta kongres da bi delal in rešil problem vsekih cen in pomanjkanja stanovanj. Odlaganje teh dveh stvari bi bilo zelo navarno in škodljivo.

So pa še druge zakonodajne

Peklena svoboda

Povest o ljubljanski in ižanski revoluciji leta 1848

Škocijanska kronika pravi, da oleplalo. Toda še je šumelo po Gorenjskem in so se pravoverne duši in žito pozrli črv. Povod so še že vedno zgledovali in pojavili močnik iz smrdljive "ljubljanske koruze". Kjer so pa nju. Mnogim, ki so bili vajeni imeli krompirjeve žgance, je bilo kakor svatovščina. Navadno so jedli samo enkrat na dan, in sicer ob desetih močnik, in večerjo so šli pa spati.

Penica je bila že ob novini deset evanegare zglašeni merenik, koruza pa osem. Čim slabša letina je bila za zrnje, tem bolj v živo se je pobirala desetina:

"Slišite! Kam smo prišli? Konjsko meso jedo!"

Ljudje, ki se drže starih šeg, so z ogorčenjem gledali tiste, ki so bili povabljeni na pustni pondeljek h "Kroni" v Gradišče na pojedino konjskega mesa.

Samo gospoda je bila, ki ji nič za vero, ki je tiste dni prihajala od vseh strani v Gradišče h "Kroni" jest konjsko meso.

"Bog jim požegnaj gnušobo!" so vzklikali za njimi pošteni in pravoverni Ljubljanci, ki so niso bili "od stanu, ki so pa vendar vedeli, kaj se spodbobi in ne spodbobi poštenemu človeku, ki drži na vero in svojo čast. S prstom so kazali za njimi in pljuvali, pa z ogorčenjem pripovedovali, kdo vse je se zavil v Gradišče.

"Še Bleiweis so šli! Pomislite! Bleiweis!"

"Vsa gospoda se nam je izmaličila. Za vero jim nič, sedaj pa hočejo še druge zapeljati!"

"Kdo jim je pobil konja?" Vsi ljubljanski mesarji so se srečano zaklinjali pri svojem poštenju in svoji časti ter so se sklicevali na snago, da nobeden izmed njih ni pobil nobenega konja.

"Krombirt je od konjača dobil crkvino! Prašiči jo bodo pa pozrli!"

Tako so zagnali mesarji, ki takrat še niso imeli Šmajhelna v svoji sredi.

Ogorčenje mesarjev je prišlo tudi do ušes onih, ki so se radovali konjske slasčice in hvalili gošč in bržolo iz konjskega mesa. Ti so rekli:

"Ljubljanski mesarji konjače zaklali ne znajo. Konjsko meso so pa dobili iz Šošperka."

Tega jim seveda noben človek ni verjel in mesarji, ki poznajo po vsej deželi prav vse kraje in vsa kota, so jim vrnili:

"Kje pa je Šošperk? V vsej deželi ga ni! Na trnovski Gmajni je vaš mesar!"

Poštana Ljubljana je bila seveda vsa na strani mesarjev in zgrajanja in ogorčenja ni bilo na knoce ne kraja in razburjenje se je različno po vsej deželi, do zadnje kočke v hrivju.

"Konjsko meso jedo! Grdobe, krivoverske! Vse bo lutriš!"

Enako razburjenje kakor pojedine konjskega meso so povzročile tudi žveplenke, ki so takrat prišle med ljudi.

"Hudičeva iznajdba!"

To je bila soglasna sodba Škocijancev, ko so dobili prve žveplenke v kraj, ki jih je bil prinesel krojač Puh iz Ljubljane in jih je razkozoval pri Fajkelnu. Vsa vas je skupaj pridrla.

Tedaj je Puh prasnil žveplenko, ki je hipoma zagorela z višnjevim plamenom in je ostro zdišalo po žveplju.

"Lej ga, lej, zlomka! Takega modrega ognja pa še nisem videl. Po hudiču smrdil!"

"Po samem peku ima duh. Kako duši!"

Fajkel je kašljal in z roko tičal prsi, katere mu je vzdigoval žveplenje duh, ki mu je zašel v pljuča.

"O, hudiman! Lej! Ali je že videl kdo tak plamen? Sam vrag praska in užiga!" Hudičev parkelj vzplamteva in smrdi. Sam pekel. O, Bog nas varuj takega šenta!"

PLANINSKA ZVEZA SLOVENIJE. — V nedeljo 6. junija so v Ljubljani ustanovili "Planinsko zvezo." Njen namen je pospeševanje planinstva in alpinistike. NEWBURSKIE NOVICE

(Nadaljevanje s 2. strani)

kve, ker se v cerkvi nisem mogla. Takrat, seveda sem se počutila zelo opravičeno, da sem storila to, kar sem. V vsakem drugem pogledu je moje življenje z sedanjim možem idealno, razen v eni zadevi in o katero važna je ta reč—prejemanje sv. zakramentov—postala.

Moje srčne bolečine so toliko večji, ker sem s svojim prehitrim, pa nepremišljenim korakom stran od cerkve potegnila s seboj in naredila nesrečnega tudi mojega sedanjega soproga, kateri je ljubezniv in odkritivščin mož.

Najimi otroci sicer dobivajo dobro katoliško vzgojo. Pohaja v katoliško šolo. Vsi gremo k maši vsako nedeljo in molimo doma pred jedjo in po jedi, kakor tudi zvečer. Moj mož je konvertit in bi rad postal prav in praktičen katolik. Toda oba spoznava, da v sedajnih okoliščinah je to nemogoče, ker cerkev ne more priznati najmege zakona, dokler moj prvi mož živi.

In tako, navzlic vsej domači slogi in drugačeidelanemu življению, je moje sreče vedno težko in pogosto jočem neutolažljive žalosti, kakor tudi zdaj jočem, ko pišem to pismo. Kako malo sem se pred desetimi leti zavedala, da bo moje življeno tako prazno pa brido v sredi vseh telesnih dobrobit, brez prejemanja sv. zakramentov! Človek ne čuti in ne spozna te pravnote, dokler je ne izkusi sam.

Preko vsega pa se tresem pred dnevom, ko bo moj devetletni otrok začel vpraševati: "Mama, zakaj pa ti nikdar ne prejmeš sv. obhajila, ko zahtevaš, da ga prejemam jaz redno?"

Ako bi imela priliko zopet preživeti svoje življeno, bi se ustavila prav tam, kjer si ti zdaj (žena je pisala to pismo nekemu moškemu, ki je misli se prečiti Izven cerkve, kjer ker je bil njegov prvi zakon nesrečen) in bi rajšči trpela malo, toda okreplčana s svetimi zakramenti, kakor pa da bi trpela brez zakramentov sama, dobro vedoč, da ni pomoč potem ko pridejo otroci. Moja vera je globoka in tudi neprestano molim, toda ti si neprimeroma srečnejši od mene, ker imaš na razpolago neprecenljivi zaklad sv. zakramentov, med tem ko jaz nimam tega.

Moj iskreni nasvet tebi je: ne dopusti, da te zaslepi razvjetje, da bi ne videl kaj je tvoja sreča za časno in venčno. Ne poročaj se izven cerkve! "Človek pogreša vodo šele tedaj, ko se student posuši." Bodim pameten in uči se iz moje žalostne usode." Mrs. —.

Starši, če imate otroka, ki je v slični nevarnosti, preberite

mu to pismo.

Taki so ti tiči. Rudolf Kenik in Frank Kenikovi so šli po zraku v Canado. Menda zato, da jih na meji niso mogli frgerati.

Mr. in Mrs. Louis Vadnal sta se oglasila iz države Maryland. Nista rekla kaj ju je zavedlo tako daleč.

Marie Zeitz pa se je oglasila iz nekega daljnega kraja, pa ni povedala ravno kje in od kod.

Doma nas je pa posejali Father Vital Vodušek iz San Francisco. Dobrodoši.

Mr. in Mrs. Frank Silbitzer sta tudi prišla enkrat na vrsto tam, kjer se odbirajo za "stare ste in stare mame." To je pa povzročil tisti paglavcev, ki smo ga zadnjio nedeljo krstili za James Ronald Galla.

Pri Joseph Barlettu pa so dobili Barbaro Ančko. Mati ji je Mary rojena Papež. Botra pa sta Mike Vidic in Albina Molek.

Albert Lipos in Marie Vrček sta pa spremila v cerkev Daniela Albert Vrček, ki je sin Eugena Vrček in Vide rojene Perušek. Tukaj je pa Joseph Vrček postal zopet enkrat več stari oče. Človek le postaja "stari oče" ni drugače, kot da se tudi sam postara. Ja ta leta tako.

Zopet se je pojavil gotove vrste "chain-letter." To pot se skriva pod kinko neke "Nove," katero so začele franciškanske sestre. Sicer trdi pismo, da ni "chain letter," pa se ga spozna po vsebinu in zahtevi, da najja ne pretrga verige kedo. Ne dejte se begati takim neslanostim. Kadar dobite tako pismo, vrzite ga v koš za smeti. Kdor prismodarijo širi, se pregrete, ker širi PRAZNOVERJE in prav nič manj kot praznovanje.

Če se hočeš zveličati ni treba, da postaneš mučenec. Vsak dan sproti spolni božjo voljo. Kadar delas, delaj bogu na čast. Kadar počivaš počivaj zato, da boš zopet mogeš vršiti božjo voljo. Kadar ješ, dej zato da boš mogel vršiti tisto, ker te veže dolžnost. Vse to pa ni težko. Treba je dobre volje.

"Njegov glas je bil kot grom zato, ker je bilo njegovo življeno kot blisk, ki sveti drugim," je rekel sv. Gregor, ko je govoril ob grobu sv. Basila. Lepo povedano. Ali ne?

"Nekateri ljudje verjamajo vse, če jim je pošepetano na uho."

Meni verjemite, ko vam povem, da imajo v Barbertonu Slovenci tako izborni kor kakršnega ni daleč naokolu. Congratulations.

Cambridge v srednjem veku

Eno najprijaznejših mest Velike Britanije staro univerzitetno mesto Cambridge, s svojimi ozkimi ulicami, zavitimi drevoredi in mnogimi srednjeveškimi zgradbami, skriva pomembno središče znanstvenih raziskovanj. Poleg univerze je aukaj še celo vrsta raziskovalnih zavodov. Ti zavodi so samostojni in neodvisni od univerze, pač pa imajo vsi ljudje, ki delajo po teh laboratorijskih, na razpolago obsežne univerzitetne knjižnice. Mnogo časa se posveča znanstvenim raziskovanjem.

Tukaj vodijo že mnogo let večji del poljedelskih raziskovanj. Sele pred nedavnim so poročali časopisi o zavodu za gojenje kmpirja, ki se prav tako nahaja v Cambridgeu. Čim se je končala vojna, so pričeli vneto delovati na tem, da najdejo najboljši način konserviranja živil, ne da bi utrpela na takva važnih vitaminih. Tudi svijetinja, gnajila in še mnoga druga vprašanja so predmet raziskovanj.

Tekom zadnjih let so v tem starem mestu postavili mnogo

velikih modernih zgradb, vendar pa so pri načrtih pazili posebno na to, da nove palače ne motijo celotne harmonične slike mesta. Tako stoji danes nedaleč od najstarejše zgradbe v Cambridgeu "Peterhouse College," ki je bil zgrajen leta 1284, cela kolonija modernih zgradb, ki so nastale šele od leta 1910 dalje. K tem zgradbam spadajo: Kmetijska šola, arheološki in entoloski muzej, palača, v kateri so laboratoriji za psihološka raziskovanja, danje gozdarska akademija, laboratorijski za patologijo, zavod za živalsko parazitologijo in biofiziko itd. Kljub tem novim zgradbam bo zunanj obiskovalec odnesel vtis, da je obiskalo mesto s srednjeveško idilo.

V središču mesta leži stari trg, kjer stoe še danes stojnice, kjer se lahko nakupi mnogo lepih reči, od cvetnic do knjig. Cambridge je v ostalem poznan tudi po tem, da ima najlepše knjigarno na svetu.

Za velikimi zgradbami se razprostirajo do reke Cam travnate livade, ki so spomladti kar posejane s pisanimi podleski. Eden najlepših ozkih kamnitih mostov, ki peljejo čez reko, nosi ime "Most vzdihljajev," ki je zelo podoben onemu v Benet-

kah, po katerem je v srednjem veku vodila pot do morja.

Velika tradicija Cambridgea kot univerzitetnega mesta vodi v 13. stoletje nazaj. Ustanovitelj prvega kolegija "Peterhouse" je bil Hugh de Balsham. Čeprav je "Peterhouse" že toliko star, je doživel svoje cvetoče dni ob času vladanja kraljice Viktorije, ko so slavnii umetniki izdelali načrte za njegova o-

Ameriška in evropska označba mer

Pri čevljih je razlika v označbi mere za približnih 32 1/2 do 33 točk, ki jih je treba odšteeti od evropske mere, bodisi pri moških ali ženskih čevljih. Na primer: če vam sorodnik piše, da potrebuje čevlje št. 39 je to ameriške mere 6 1/2; št. 40 je 7, št. 41 je 8, 42 je 9, 43 je 10, 44 je 11. Ženski čevlji so navadno manjši kot gornje mere. Take bi na primer št. 38 bila ameriške mere 6, 37 bi bila 5 in 36 pa 4.

Pri moških oblekah pa je razlika v označbi sledenča: št. 35 pomenu ameriško mero 13 1/2, 36 je 14, 37 je 14 1/2, 38 je 15, 39 je 15 1/2, 40 je 15 3/4, 41 je 16, 42 je 16 1/2, 43 je 17. (Po "Obzoru.")

Kjer je bolj potrebno Mati je peljala Živkota h krojača, da bi mu umeril novo obleko. "Ali naj mu denemo dosti podlage v rame?" vpraša mojster. Pa se vmeša fantek: "O, na ramah je ni treba. Dejte jo raje v hlač!"

Na agitacijo za Trumana. — Pohabljeni Eddie Phippen, star 36 let, se je podal na 1,100 milij dolgo pot med Kansas City in Philadelphia na svojem motornem trikolesu, da bi mogel na demokratski konvenciji agitirati za svojega starega prijatelja, ki mu je pred več leti poslal "bike." Harry S. Truman in Eddie sta se srečala pred več leti, ko je sedanji predsednik še vodil svojo trgovino v Kansas City.

PREKLETA KRI

ROMAN

Karel Mauser

Matevž je ves v lesu. Samo Svečnici otajajo pota in redke po gmajnah hodi in za delavci so še ledene sveče, ki svetijo od lazi.

Dzaj bi rad še Mrkova do bil. Kar sedla mu je misel v ne pomaga. Bo pač drugi morad prevzeti domačijo. Hvala Bogu, da bo le noč konec!

Tako bi se nemara starega otepel. Vsaj zvedel bi, kaj strega žene. Na Brezjah je bil tako prijazen, zdaj pa se mu nastavlja na vsak korak.

Ravno na Silvestra sta trčila skupaj. Matevž je šel na Jekliča, Mrkovec pa proti bajti.

Matevž je bilo nerodno, ko se je ustavil.

"Oče, če vam je prav, bi Franca vzel, da bi z volom hlode vlačil iz Hudičevega grabna. Dobar zaslužek bo."

Mrkovec sloni na grčavki in mežika v Piškotarja.

"Ko bi iskal sodnika zate, bi ti ga pripeljal. Za delo ne."

Prav drobno se smeje Mrkovec in opleta v hrib.

V Matevževem obrazu ni za frakelj krv. Tak je kot na novo prebeljena stena.

11.

Zima ni večno, čeprav je Zabrežje v kotlu. Tudi tu se po

ril, kaj naj reva počne? Saj se ji bo zmedlo. Že tako visi kot trhlena vereja.

Mrkovec sedi in kolena ima skoraj pod brado.

Počasi ga bom uničeval kot črv smreko. Grizel ga bom in vrtal vanj, dokler ga ne pode rem. Ko pade on, mi je vseeno, če še jaz."

V pest so stisnjeni Mrkovčevi prsti. Kakor da so členki izrezani in pušpanove korenine. Trdi so in robati.

Počasi so dane okna. Mrkovec gleda vanje in dobro mude media svetloba pomladnega jutra. Hvala Bogu, da bo le noč konec!

Zjutraj gre Mrkovec k maši. Med prvimi sedi v cerkvi. Mežnar je še skoraj motoglav od spanca, Mrkovec pa buden kakor da je spal celo noč.

Se med mašo ne more pregnati Matevža iz misli, čeprav bi ga rad. Ne gre. Po maši pa gre Mrkovec vselej še na Fonzov grob. Iz stekleničke na krizu pokropi z žagnano vodo grobiček in ustnice se mu tresejo.

Mrkovec se več ve pogovori z mrtvimi kot z živimi.

Piškotarjevi Lojzki je v kajži dolgčas. Ne ve, kaj bi počela. Da je Matevž vzel Jekličovo, jo grize, da ne more povediti. Do zadnje ure je v srku upala, da bo Matevž ujela.

Ko je Matevž umrl otrok, se ji je znova zbudilo upanje. Potlej je lovila govorice po vasi. Ni ji uslo, da je Francka reva. Naj le bo. Še ni vse izgubljeno. Matevž bo še vesel, če ga bo hotela pogledati.

Kaj ni Brešarjev iz Srednje vasi že motovili okoli njene bajte? Vdovec in dva otroka imata, grunta pa za dobro polovicu. Dede res ni čeden, toda pomagaj si. Če ne bo nič kazalo, zakaj bi ga ne vzela?

Na Zabrežje je spet v pomladni. Hvala Bogu, saj ljudje, ki ne vozarijo, so zime siti čez glavo. Da se le čobodra unese in pota osuše, potlej bo celo Zabrežje zamigalo v delu.

Mrkovec Fronc že gara. Sredi dela se včasih ustavi in se zagleda v Grmačeve hišo.

"Hudimana, Tomaž je vse zmedel. Nazadnje bi bilo le prav, ko bi se Nežika nekam oddala. Oče bodo spregli, Boštjan se razgleduje in prav bi bilo, ko bi Reza prišla k hiši. Seveda dve ne moreta biti."

Kar sitno je Froncu. Dokler bo Nežika doma, dotlej bo moral Reza biti pri Grmaču. Je nerodno, če sta dve mladi go spodini pri hiši.

Nič prave volje ni Fronc.

"Naznanih bi me, ko bi ne bilo res," se zbuditi sredi noči Mrkovec potan zavoljo sanj.

"Gotovo bi me bil tožil," si zapoveduje.

Zunaj je pomladna noč.

Jasno je videl Mrkovec v sanjah Dovernikov stog in pod napuščem v plevah zlomljeno soro.

S to ga je udaril. Težka je bila, iz jesena. Nekajkrat jo je videl Mrkovec. Dovernik je včasih z njo odnašal voz.

Mrkovec vse stoji pred očmi. Jasno vidi Tomažovo brazgotino. Rdeča je kot kri.

V postelji sedi Mrkovec in ne more več zaspasti. Saj je skoraj vsako noč tako. Zbudi se in mora misliti na Tomaža.

Ko bi Matevž pred cerkvijo ustavil in vprito vseh ljudi prijet.

"Ti si ga."

Morda bi se Matevž zmedel. Tedaj bi videl, ali se je zmotil ali zadel.

Mrkovec se vse mede po glavi. Včasih se mu zdi, da ne dvomi več v Matevžovo krivdo, pa se spet upro misli in nočijo za Mrkovecem.

Matevžu ne uide, da je Kovorski Jere že dvakrat zapored prišel na Breg k maši. In vselej je šel z Lojzko do kajže.

Nekakšna trma vstaja v Matelžu. Jezen je, da mu na prvo trkanje ni odprla. Prevzetna je. Dekliči ji zavijajo, da je tako lepo opravljena.

In Matevž si mora priznati, da je lepša od Francke. Komšata, nič kmečke hoje, kakor mestna.

Francka pa tako trhlena, prijet, da preveč zanemarja Franck. Prav pazil je, če nimata kaj skupaj in nekajkrat je prav nalašč hitro prišel od Jekliča. Pa je Francka že vselej ležala. Se obrnila se ni, ko je nažgal.

Matevž bi skoraj rad, da bi se Francka in Urban spotaknila. Celo misli je, da se bosta. Bi imel vsaj opravičilo pred Jekličem, ki ga je že nekajkrat

Hudič! Franck ima denar, grunt, posle, ki se ga boje, samo ljubezni nima.

MORNING NEWSPAPER

This and That from Washington

By Congressman Frances P. Bolton

WHEN this reaches you Congress will have been convened in special session not to declare war nor to meet any specific emergency, but, according to Mr. Truman in his speech, for political purposes only. Fifteen presidents have called twenty-five special sessions, but none of them for such purposes. This is interesting in itself.

Mrs. Bolton suggested that Mr. Truman make the Republicans uncomfortable over such matters as high prices reveals his own inability to be realistic about the inflationary character of the unrestrained government spending his program would require. Nor do such matters as the interrelation of prices, wages, government spending, etc., seem to register with him. He may have a lovely bright new program, but the probability is that he will present the same general demand to which the 80th Congress with the co-operation of a considerable number of non-New Deal Democrats has already replied. It will be interesting to see politics played in these areas, unfortunate as this special session appears to most people.

A RECENT memorandum from Senator Harry F. Byrd gives staggering figures on civilian employment on federal pay. These employees "have been increasing at an average of 500 a day since January."

"The total in May 1948 was 2,066,285, more than twice the World War I peak, and three and one-half times the level at the end of the last previous Republican

stage in a most interesting way. According to the Shippers Council of America, the United States is in the eighth place in construction. Of the 1,180 vessels of 1,000 register tons or more now being built, 549 are in British yards, 207 in Sweden, 78 in the Netherlands, 67 in France, 61 in Norway, 55 in Denmark, 50 in Italy, 46 in the United States."

158th Anniversary of the U. S. Coast Guard

The official name of the service is: UNITED STATES COAST GUARD. Its motto is: "SEMPER PARATUS" which means, "ALWAYS READY".

It was founded on Aug. 4, 1790 by Alexander Hamilton, the then Secretary of the Treasury, as the Revenue Cutter Service. The name has since been changed to the United States Coast Guard and includes the Light House Service, the Bureau of Marine Inspection and Navigation.

The ranking officer of the Coast Guard is the Commandant, Admiral Joseph F. Parley, USCG, who is a four star Admiral.

The Coast Guard headquarters are in Washington and the principal bases are located in key ports throughout the country. Officers are trained at New London Connecticut, the site of the famed Coast Guard Academy.

The strength of the service is about 20,000. In wartime it numbered almost 180,000.

The official song of the Coast Guard is "SEMPER PARATUS" by Capt. Fr. Von Buskirk. It is available on Victor and Decca recordings.

Here Are A Few Highlights:

In this year the Coast Guard Cutter BIBB rescued sixty-nine persons from the Bermuda SKY QUEEN in a thrilling episode in the North Atlantic —

called by many one of the greatest rescues in history.

Actually rescued more than FIVE THOUSAND persons from danger dur-

ing the year, and saved or protected in these operations property valued at more than 100 MILLION DOLLARS.

Maintained the vital weather patrol in the North Atlantic.

Aided stricken families in the flood areas in the middle West and the hurricane areas in the South and South-

west.

Helped evacuate people stranded and surrounded by forest fires in Maine.

Maintained the inspection and supervi-

sion of safety measures in our Merchant Marine helping to eliminate disaster and danger by supervising construction, inspecting ships and examining men.

Rendered assistance to hundreds of vessels, and completed the busiest year in history answering calls for assistance during the raging winter storms.

Continued to operate and maintain its 38,000 aids to navigation, the International Ice Patrol Law Enforcement on the high seas, Bering Sea Patrol and kept ready for every call its 300 vessels and less than twenty thousand officers and men for any emergency afloat or ashore.

Patrolled the Great Lakes, and, in particular, opened traffic for ice bound ore steamers with the new super ice breaker Machinaw 52 days ahead of schedule.

This in addition to the daily routine of search and rescue and the many other varied duties performed by "The Service That Serves Man-kind."

Don't Take A Chance!

The National Board of Fire Underwriters has issued a timely warning concerning fire hazards that are especially great during summer and early fall.

The fire rate in vacation cottages and resort hotels runs high—due almost entirely to simple carelessness. Many summer homes are far from fire departments, and once a fire gets going, a total loss often results. The only defense is constant watchfulness. Don't overload electrical circuits with extra appliances. Don't use refrigerators and similar equipment which have been out of service for months without oiling them. And above all—see that stoves and pipes are all protected from woodwork, and that fireplaces are screened.

Keep some sort of fire-fighting equipment ready at hand. If a fire is detected quickly, a garden hose or a hand extinguisher may check it before serious damage is done.

The best part of a vacation is getting out of doors. But, in time, there won't be any enticing out of doors to visit if we fail to control fire. Watch your smoking materials. And never leave a camp fire until it has been thoroughly smothered with water and damp earth.

In short, don't take a chance. Then you'll have a happy, healthful vacation—and so will everyone else.

Euclid Vets Festival

By Stan Minotas
TONIGHT'S THE NIGHT!
The Euclid Veterans' Club will launch their second annual three day Festival with a gigantic Street Dance (Free) opening festivities for what promises to be the largest week-end of the year at Slovenian Society Home Grounds, Lindbergh and Recher Avenues in Euclid, Ohio.

Most of Cleveland's leading orchestras will be on hand to provide syncopating rhythms for dancing from 8:00 p.m. to 12:00 midnight.

According to Ed Eckart, general chairman (and providing the "water" does not leak from "upstairs") all concessions will be open on the first night. There will be at least two dozen games of skill to test the accuracy and ability of the visitors to the grounds. Numerous and valuable prizes are listed for all concessions.

For over four months various committees have been organizing the three-day affair so it will meet the approval of the people. The purpose behind the Festival is to raise funds for a membership-owned club building for the youthful Euclid Veterans' Organization. The ex-GIs who are going into their third year as a group of civic minded young men formed the club for the purpose of providing social and athletic activities for World War II Vets. At the same time they are looking out for the welfare of its members and of contributing toward the betterment of the community.

Search For Miss Euclid

As last year, the main attraction will again be the "Miss Euclid Contest". Approximately sixteen of the town's leading beauties will be trying for honors won last year by Miss Janet Shulmeister, a graduate of Euclid Shore High School. Judging the contestants will be three of Cleveland's leading newspaper writers: Howard Preston of the Cleveland News, Marie Daerr and Milton Widdor of the Cleveland Press. To the "old carryovers" of last year—a number of new attractions have been added. Cameramen of Station WEWS (Television) will be on hand Saturday evening to take pictures of the Festival and the Miss Euclid Contest. These will be shown on Television on WEWS at a date to be announced prior to August 19th. On that date, Miss Euclid will compete for Miss Ohio honors in a contest at Public Hall sponsored locally by the Television people. This affair is in conjunction with the annual search for Miss America with finals at Atlantic City, New Jersey, later in the summer.

A Good Time for All

The Euclid Vets haven't overlooked a thing in planning a good time for the whole family for this weekend. For the kiddies, — there will be a Kiddyland with a number of interesting amusements. A program of kids' games is scheduled for Saturday afternoon under the direction of Ed Stock with valuable prizes to be given to winners. The Cleveland Press Traveling Zoo will also be on hand for the enjoyment of the children who missed it on its visits to the playgrounds.

A new feature this year will be the Saturday afternoon "Smash" Show. Over twenty talented young folks will entertain the people and at the same time compete for cash awards.

The above mentioned activities are just a small sample of what to expect at the Festival.

Johnny Vrdnal and his popular orchestra will provide music for free dancing Saturday evening. A War exhibit in the hall should be of interest to all folks. Of the 75 or more souvenirs to be shown a shrunken human head from Central America may or may not attract attention. Other items include the original flag from the State of Bavaria; one of five original books written by Hitler while he was in jail in 1923; uniforms of the Germans and Japs; rifles shells, and countless other items that Club members brought home as souvenirs from the battle fronts. John Adamic and Bill Schutte are in charge of this exhibit.

There'll be music and dancing all day Sunday from 1:00 p.m. until late at night. Al Strukel and his radio playing orchestra will take the band stand for the evenings free dancing.

Around ten o'clock, some person on the grounds may find that he or she is the owner of a new 1949 Ford obtained by the club from Euclid Ford Company.

Potokar Appliance has provided the other feature awards which include a Television Set (Installed), stove, refrigerator and sewing machine.

You won't regret spending the weekend with the Euclid Vets at their Festival.

Ellendale, N. D.—With 14 children in his family, John Bell installed a bus body on a truck chassis and called it a family passenger car.

The State Motor Registrar refuses to license it as such.

In a letter he asked Bell to put up \$32 for a permit to use the vehicle on North Dakota highways, plus a regular bus license.

"A bus? Heavens, when I get all my family into that car there isn't room or commercial passengers," commented Bell.

He says he will contest the requested extra fees.

100th Suicide Dives From Golden Gate

San Francisco.—A middle-aged man paid his 10 cents and walked to the center of the span of the Golden Gate Bridge.

A couple of young men came by. "Boys, I'm from Mexico City," said the man. "Will you give me a cigarette?"

They did and moved on. When 20 feet away, they heard a yell.

The man was standing on the rail. He flipped away the cigarette and jumped.

And so the Golden Gate Bridge record was marked with the 100th suicide in its 11 years.

A Coast Guard boat fished the body out of the water. Papers in a coat pocket gave the name of Fortunato Ornella Anguiano, 52, dishwasher.
