

K smrti dr. Joška Arko

Cleveland, O. — Pred enim mesecem je umrl v St. Vidu pri Ljubljani zdravnik dr. Joško Arko, moj dober prijatelj. Po rodnu je bil Ribnican.

Pred prvo svetovno vojno je dovršil gimnazijo v Škofovih zavodih v St. Vidu. Nato je služil nekaj let v bivši avstrijski armadi na italijanski fronti. Po vojni pa je dovršil medicinske študije v Zagrebu in na Dunaju, na kar je postal zdravnik. Po končani dveletni službi v Splošni in Ženski bolnišnici v Ljubljani je nastopil službo občinskega zdravnika v St. Vidu in okolici, kar je vestno vršil več kot 35 let, prav do svoje smrti.

Dr. Arko sem poznal še kot dijaka v Škofovih zavodih, videl sem ga večkrat v Zagrebu, kjer je začel medicinske študije, prijatelja pa sva postala za časa njegovega zdravnikega udejstvovanja v St. Vidu in okolici, kjer sva se večkrat našla pri kakšni težje oboleli osebi, ker sva bila mnogokrat klicana oba kar istočasno k istemu bolniku.

Spoznan sem, da je izvrsten zdravnik, doma na raznih poljih medicine, zlasti pa v porodništvu.

Bil je pravi Ribnican: Vedno nasmejan in dobre volje, vedno šegav in do zadnjega ni izgubil upanja v najtežjih primerih, da se bo vse srečno iztekel. Že njegov veseli obraz je pri bolnicah vzbujal upanje, ker se je vedno držal na smeh, dajal porodnicam z raznimi šalami veselje in tolažbo. Če pa ni šlo vse kot potni ali drži, vendar ni odstopil do konca.

Njegova dobra volja, povezana s pogostim, nenašnim glasnim smehom, ki je še tako potrtega bolnika ali bolnico spravil v dobro voljo, je delala skoraj čudež. Prej težka zadeva je naenkrat postala lahka in vse se je srečno iztekel. Če je bilo treba komu pomagati, bodisi ponesrečencu ali v gostilni oklanemu fantu, je bil skrajno ljubeznejiv in človekoljuben.

Še mnogo vrednejša pa je bila njegova res strokovnjaška pomoč porodnicam, pri katerih se je večkrat zamudil cele noči, samo da bi materam in njih novorojenčkom rešil življene večkrat brez vsakega plačila. S svojo šegavostjo je spravljal še tako trpeče na druge misli in v njih zbudil spet veselje do življenga.

Med drugo svetovno vojno so ga Nemci kmalu po zasedbi St. Vida odpeljali kot talca v Begunje pod Begunščico, kjer bi bil prav gotovo prej ali slej ustreljen, ako bi ne uspelo rešiti ga z zdrženimi močmi. Vrnjen je bil v St. Vid, kjer je nadaljeval svoje človekoljubno, nevarnosti polno delo do konca vojne in po nej.

Kako mu je moralno biti pri srču, ko je v l. 1945 dan za dnevom stjal na lastna ušesa krike in vpitje mučenih domobrancev v Škofovih zavodih, ali pa videl, kako so jih partizani zvezane nakladali na avtomobile, da bi jih odpeljali do zadnje mučeniške življenske postaje.

Dr. Arkovega mlajšega sina medicinca Branka so med vojno ubili partizani, starejši sin Dr. Vojko pa se je moral umakniti pred njimi v Italijo in pozneje v Argentino, kjer se poleg družega bavi s planinstvom in plezanjem ter pisateljevanjem.

V Sloveniji žaluje za dr. Arkom njegova dobrosrčna gospa in dobra hčerka Irene poleg drugih sorodnikov. Plemeniti gospogrovi in hčerki kakor tudi sinu Dr. Vojku v Argentini in sorodnikom v Clevelandu in v Sloveniji iskreno sožalje!

Tito se ne mara zameriti Peipingu

BEograd, FLRJ. — Vodniki titovcev so v prvih dneh spora Indije in rdeče Kitajske podpisali kar odločno stališče Indije. V tej smerni se je zlasti izjavila beografska POLITIKA. Sedaj

je tega konec in titovi skušajo stasti v sporu neutralni.

Novo stališče je določil sam Tito, ker ne mara, da bi ga Peiping znova napadel, ko je komaj malo opustil kampanjo proti njemu.

Kako si obvaraže zdravje

G. John Shimo iz Meadville, Pa., piše:

Dragi gospodje: Celih 35 let sem delal v rudnikih in sedaj sem že 73 let star. Moje zdravje je hvala Bogu odlično... Zaka?.. Zaradi tega, ker stalno pijem zeliščne čaje, za katere se Vam najlepše zahvaljujem. Že dolgo časa uživam te zeliščne čaje, ki so najboljše sredstvo za moje zdravje. Vedno jih imam pri roki in ne dopustim, da bi se bolezni naselila in razplasila po mojem telesu. Če slučajno nimam redne prebave in se slabšo počutim, uživam čaj št. 1. Od premogovnega prahu imam oslabela pljuča in če se prehladim in pričenjam kaščati, vzamem takoj čaj št. 2. Pre pričan sem, da je čaj št. 3 posebno priporočljiv za starejše ljudi, ki čutijo svoja leta in tudi čaja št. 4 in 5 sta odlična. Vsakdo me vpraša, kaj dela in kaj uživam, da sem pri taki moči, tako svež in imam za svoja leta mladosten izraz. Moj odgovor je: "Tatratr čaj" — naravno zdravilo, katerega priporočam vsakomur. Z najlepšimi pozdravi.

John Shimo.

KRIŠTOF KOLUMB ali Odkritje Amerike

ZGODOVINSKA POVEST

Prisedi k ladijam so divjaki itro spletali nanje in začeli zamenjevalno trgovino. Zvončki bleščeči stvari so jih posebno zanimali in trudili so se nabratiti jih, kolikor je bilo mogoče. Nič manje se pa ni vzbudila pozljivost Špancev, ko so videli zlati lišči, katerega so domaćini nosili v nosu in ušesih. Rudečkoči so kmalu razumeli željo Špancev in dajali se zlatnino za vsako malenkost. Ker je dobivanje zlata bilo državni monopol v vseh zemljah, katere je odkril Kolumb, je admiral prepovedal to zamenjanje in tudi kupovanje bombaža.

Kolumb si je prizadeval izvedeti od domaćinov, kje se dobiva zlato. Iz njih znakov se je dalо sklepati, da je zemlja, ki ima mnogo zlata, na jugu. Ker so čloni domaćinov bili lahki in nedovršeni, torej nesposobni za vožnjo na širinem morju, je Kolumb skopal, da dotična zemlja ne more biti daleč od odkritega otoka. Zaradi tega je sklenil odpluti, ne obotavljoč se v počasno smer, da pripelje svojim zapovednikom, kolikor je moč, veliko dragocenega plena.

OSEMNAJSTO POGLAVJE

Odpoljanstvo k velikemu hanu

Zapustivši Guanahani, je Kolumb odplul s svojim brodovjem sprva na jugozapad, šel mimo otoka Rum Kana in odšel k severnemu koncu otoka Long Is-

pičnih gozdih tega otoka. Posebno je bilo mnogo papig in nekih malih ptičkov, ki žive barve. Kar se tiče živosti barv, so se mogle meriti z njimi morske ribe nekaterih vrst; njih luskine so se lesketale na solncu, kakor biseri. Izmed pozemeljskih živali so našli množino kuščaric, vrsto psov, ki niso lajali, kuncne in grebenaste kuščarje. Poslednje so španci sprva meli za strupene, a so se kmalu prepričali, da so popolnoma neškodljivi in da jih domaćini posebno radi jedo. Zastonj je Kolumb pri domaćinu iskal zlatega lišča: naročnic, prstanov itd.; so li bile domišljije Indijanov ali pa je napak razumel in tolmačil njih kazanja.

Na Izabeli je admiral točno izvedel, da se nahaja velik otok na jugu. Indijani so ga imenovali Kolba (Kuba). Kolumb si je takoj mislil, da to mora biti Cipango, in dne 24. oktobra je tja odjadral, namenjeni na ravnost do Kvinsaja, da izroči kraljeva pisma velikemu hanu. Dne 28. oktobra so ladije prišle na Kubo in se ustavile v ustju

SHORTS ON SPORTS

Three Win 20th Game on Same Day:

Early Wynn of the White Sox, Sam Jones of the Giants and Lew Burdette of the Braves all became the major leagues' first 20-game winners of the season last Saturday. Wynn, pitching in Baltimore, reached the goal about an hour before Burdette, working in Milwaukee. Jones, in San Francisco, began his chore just as Burdette completed his.

Gibson Heads Ring Group:

Truman Gibson announced in New York that he and promoter Jack Solomons of London have incorporated an international boxing organization called "Worldwide Promotions" to stage fights in U. S. and Europe. Their first fight is tentatively set for Dec. 2 at Houston, Texas, where Joe Brown will defend his world light-heavyweight crown against Dave Charney of England. They will be co-promoters with Texas boxing enterprises. Gibson denied reports that Edwin Ahlquist of Sweden, adviser to heavyweight champion Ingemar Johansson, is a member of the new organization.

U. S. Winner at Pan-American Games:

When the Pan-American Games ended last week, U. S. captured the colorful Prix Des Nation esquestrian championship for its 121st gold medal before a crowd of 50,000 at Soldier's Field in Chicago.

The United States also won 72 silver medals for second and 58 bronze third-place medals.

Canada 7, Mexico 6, Chile 5, Cuba, West Indies Federation and Bahamas 2 each, and Venezuela and Uruguay 1 each.

Las Vegas Ends Calcutta Pool:

Officials of the Tournament of Champions golf tournament recently announced the discontinuance of the controversial Calcutta Pool.

The gambling game, which enabled spectators to bid for golfers and then share in the total betting pool, grossed a record \$380,000 at last year's auction. But the well publicized betting activity drew criticism of some professional golf officials.

Excess Weight Costs Tackle \$1000:

Roosevelt Grier, New York Giants tackle, lost a \$1,000 bonus when he reported for preseason practice. The Giants offered the grand if he weighed in at 280 or less. He came in at 294.

United Appeal at St. Clair Ave.

Mrs. Albin Karlinger, 4029 St. Clair Ave., starting her NINETEENTH year as a volunteer worker for former Community Chest — now United Appeal Drives — will again be in charge of the near east Norwood Section. This is her fifth consecutive year as local top leader for the UA's Metropolitan Section.

"How did I get started?"

"It was after I became an active leader in the Girl Scouts, that I realized the importance of supporting all the Red Feather agencies," said Mrs. Karlinger. In 1939 the Immaculate Conception parish at E. 40th and Superior needed a Girl Scout Leader and Mrs. Karlinger agreed to help out temporarily until a permanent leader could be found.

Mrs. Albin Karlinger, 4029 St.

Clair Ave., starting her NINETEEN-

TH year as a volunteer worker for

former Community Chest — now

United Appeal Drives — will

again be in charge of the near east

Norwood Section. This is her fifth

"It was after I became an active

leader in the Girl Scouts, that I

realized the importance of sup-

porting all the Red Feather agen-

cies," said Mrs. Karlinger. In 1939

the Immaculate Conception parish at

E. 40th and Superior needed a Girl

Scout Leader and Mrs. Karlinger

agreed to help out temporarily until

a permanent leader could be found.

Las Vegas Ends

Officials of the Tournament of

Champions golf tournament recently

announced the discontinuance of

the controversial Calcutta Pool.

The gambling game, which enabled

spectators to bid for golfers and

then share in the total betting pool,

grossed a record \$380,000 at last

year's auction. But the well pub-

licized betting activity drew criti-

cism of some professional golf of-

ficials.
