ENGLISH SECTION OF
Official Organ
of the
American Fraternal Union.

Nova Doba

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

Which Lodge Will Be the First?

The interest in our membership campaign is increasing. The latest report which I received from the Supreme Office shows that seven lodges, which up to now have not been active, have acquired new members. Lodge No. 55, AFU of Uniontown, Pa. has moved into second place with 11 points. Much interest in the campaign is shown also by the following lodges: No. 2 in Ely, Minn.; No. 28 in Kemmerer, Wyo.; No. 36 in Conemaugh, Pa.; and No. 136 in Krayn, Pa. Keep it up!

One hundred and thirty new members were enrolled in the Juvenile Department and 153 in the Adult Department, making a total of 283 new members in both departments.

I ask all those lodges who have not as yet become active in the AFU 45th Anniversary Membership Campaign to do so soon. I do not think there will be any lodge which will not do its duty toward our Union for its 45th anniversary.

Secretaries and members, step out and do your utmost! Every lodge secretary is manager of the campaign for his or her lodge. Each one needs a great deal of help. And if you ever showed how highly you regard your lodge secretary now is the time for all you members to show that you respect the work of your lodge secretary.

I am anxious to know which lodge will be the first in the campaign! This will be an honor for the lodge and all its members.

Janko N. Rogelj
AFU Supreme President.

We Do Our Part For Victory!

The Nova Doba has at all times cooperated in every way with the U. S. Government and its various bureaus in America's fight for victory and lasting peace. Much of our newspaper space is devoted each week in bringing the story of America's war effort to our members who live in all parts of the United States.

It is gratifying to know that our cooperation is appreciated. The following excerpts from various government bureaus are ample proof of the appreciation of our efforts.

U. S. Treasury Department, War Savings Staff,
Washington, D. C.

"We deeply appreciate your cooperation in furthering the U. S. War Savings Program."
Office of War Information, Foreign Language Division,
Washington, D. C.

"The office of War Information hopes that every word of expression will take advantage of the day to show the whole truth about Hitler and Nazism. We are certain that the foreign language press will take its place, side by side, with its English-language contemporaries in the Fight for Freedom."

The American Red Cross Headquarters, Cleveland, Ohio.

"We wish to thank you for the inspiring and informative articles and editorials Nova Doba has been printing in the interests of the American Red Cross. It is a direct contribution to total victory."

These are only several of many acknowledgements our paper receives from various government bureaus. The American Fraternal Union and its members are 100 per cent behind America at all times!

The war story is brought to our readers both in the English and Slovene language which gives added incentive to America's fight for the liberation of all mankind from tyranny and slavery.

The AFU does its part and shall continue to do it until final victory is achieved!

Thought For The Day

We can always live on less when we have more to live for.

—S. Stephan McKenney

TAKE YOUR TIME

All of us have seen photographs of wrecked automobiles, and probably most of us have seen a car that's been in a real bad crash.

Just imagine your car—the family bus on whose care you're lavishing so much time and attention these days—those tires you inflate with such loving care—just imagine that car is a wreck... damaged beyond repair... wheels rusted... tires torn.

Then ask yourself, the Great Cleveland Safety Council suggests, whether a minute saved makes it worth while to run the risk of an accident to your beloved car—not to mention yourself and your family. The answer is No! Don't be careless today and careless tomorrow!

Day after day important production plants in occupied Europe are destroyed by explosion. "Spontaneous combustion" say the workers with their tongues in their cheeks. The Nazis know better. They raved and shot more hostages; sent more prisoners to work camps. The destruction ruins even the people's chance to earn food from their military masters. They are faced with starvation—but the demolition continues.

Be thankful you may work peacefully at your task and put your earnings into United States War Bonds and Stamps.

Collinwood Boosters News

Last week I received mail from three popular members of the Collinwood Booster's Lodge No. 188, AFU of Cleveland, Ohio who are now in the service. The latest inductee is Lud Laurich. Lud was the star pitcher of our baseball team the past few seasons. He is an all-around athlete having also played basketball, threw a better than average game of horseshoes and was a very good bowler. He left his job at White Motors to join the service. After a week at Camp Perry he was sent to Camp Haan, Cal. His address will be found at the end of this column.

Sgt. Joe Champa tells how much he enjoys his editions of the Nova Doba. "Chub," as he is better known, is also stationed in California.

Pvt. Stan Barba, in a message from Oklahoma, writes that he is very proud of his \$20 a month raise in salary. He's right in thick with the officers.

Word was also received that Bill Champa is now seeing action out of the United States. He was very unfortunate in the matter of furloughs. A few months ago a leave was all arranged for Bill at which time he was to be married to Mollie Ostranic. All plans went astray when his furlough was cancelled. That is what I call a tough break. So Bill, keep your courage up and we'll have a big celebration when this is all over.

Lud Laurich's camp address is:

Pvt. Lud Laurich
487th C. A.
2nd Prov. S. L.—B. N.
Camp Haan, California

The addresses of other Booster servicemen have been printed in previous editions of this paper. So as a well-known radio star says: "If you don't write you're wrong."

P. S. With apologies to Kate Smith.

—John Laurich

PUT OUT THAT MATCH!

Do you make it a habit to put out a match or the fire of a cigarette before tossing it aside? The Greater Cleveland Safety Council asks you to remember that a match in a Boston night club started the nation's greatest home-front disaster in 1942. Save manpower for warpower.

AFU 45th Anniversary Radio Program in Joliet, Ill., to Be Great Affair

Lodges 66 and 92, AFU Sponsor March 28 Broadcast

Lodges 66 and 92, AFU are making final plans for the AFU 45th Anniversary—Flag Dedication radio program to be heard over station WCLS, Joliet, Ill., on March 28th from 9 to 10 p. m. A rich program of songs, music and talks has been planned. The complete program will appear in the next issue of the Nova Doba.

BRIEFS

Mr. Frank L. Shepel of Ely, Minn. was a visitor to the Nova Doba office this week. He tells us the weather in Ely is much colder this winter than in previous years. We hope you enjoy your stay in Cleveland, Frank.

This week we inaugurate a new column in the Nova Doba. "Ely News Flashes" will be covered by Miss Florence Startz, member of Lodge No. 1, AFU of Ely, Minn. Welcome to our pages, Florence!

Mayor Frank J. Lausche of Cleveland was invited to visit England by the British Ministry of Information. The invitation was sent through the War Information Bureau of Washington, D. C. He plans to leave sometime in April or May. Important war problems of large industrial cities will be discussed by Mayor Lausche and various officials of British cities. We know Mayor Lausche will do his best in this important role.

Anton Popek, treasurer of Lodge No. 66, AFU, Joliet, Ill., was taken to the hospital when he became seriously ill while at work at the American Cyanamid and Chemical Corporation. We wish him a speedy recovery.

Danger for Those Over 50

Let's all do our part to make Cleveland's streets safe for people over 50 years of age. The child is not the traffic problem that most people think. During the past two months there have been fourteen pedestrians killed and eleven of them were persons over the age of fifty. If you are over fifty, now would be a good time to examine your walking habits. Do you obey traffic signals? Do you cross the street at crosswalks? Do you make sure that motorists see you before attempting to cross the street at night? Do you look both ways and make sure the way is clear before attempting to cross?

It will be the exceptional person who will be able to answer "yes" to all these questions because sometimes our minds are preoccupied and we are not as alert as we should be. Three out of four accidents happen during the hours of darkness. It is well to remember to wear something white at night.

Lodge 55, Uniontown, Pa., Enrolls 7 New Members in Feb.

Uniontown, Pa. — Lodge No. 55, AFU and Lodge No. 326, SNPJ of this locality decided to work together to give financial aid to the Slovenian-American National Council. We have organized a local organization for this purpose. The officers are Joseph Prah, president; Urban Rupar, vice-president; Louis Dornik, secretary; and Joseph Sintich, Lemont Furnace, Pa., treasurer.

It was decided that every member contribute at least one dollar for the liberation of our countrymen in the old country who are today slaves of nazifascism. Anyone wishing to contribute can give their donation to me and I will pass it on to the treasurer.

Members of Lodge No. 55, AFU are reminded of the AFU membership campaign which is being held in celebration of the 45th anniversary of the American Fraternal Union. The best gift we can give our organization for this jubilee is new members; many new members. At the February meeting we enrolled 7 new members, 4 adults and 3 juveniles. In March I hope to enroll just as many, at least they have promised me they will and I hope they shall keep their promise. Members are asked to tell their friends and acquaintances about our wonderful organization and of the various insurance plans it has to offer. Many people would have already joined if they knew what a good organization it is. Therefore, let's tell them! It will be of benefit to them and us. Fraternal regards.

Q. Can Stamps of various denominations be placed in one album?

A. More than one denomination in an album greatly increases the work and cost of redemption. Please, therefore, don't mix denominations.

Q. May a minor designate a co-owner or beneficiary?

A. Yes, if the purchase is made by the minor from his own wages or earnings.

Q. Do I lose my investment if my War Savings Bond is lost, stolen, or destroyed?

A. No; upon satisfactory proof of loss or destruction, the Treasury Department will issue a duplicate, usually without requiring a bond of indemnity.

Q. May I register the name of a beneficiary on a Bond without his knowledge?

A. Yes. Records of War Savings Bonds are confidential. It is not necessary for the Treasury to contact the beneficiary during the owner's lifetime. Only individuals may be named as beneficiaries. No associations, churches, or clubs may be so named.

Remember—the longer you keep War Bonds, up to 10 years, the more valuable they become.

The Supreme Secretary's Column

ARE THE BENEFICIARIES OF YOUR INSURANCE POLICY LIVING OR DECEASED?

In our and other fraternal benefit organizations and insurance companies we have without a doubt, many members who know that the beneficiaries named in their certificates or policies have already died and in spite of this they do not name new beneficiaries. The result is that when such a member dies the Supreme Office has much work and often unnecessary legal expense before they can ascertain who is the legal heir.

The beneficiaries named do not live, in all cases, in one and the same locality or state but are often scattered throughout the world. A few years ago we had a case where a member died whose beneficiary had already died. It took us almost a year to investigate and ascertain as to who the just beneficiaries of his policy were. There were about 15 altogether, some of whom lived in Yugoslavia, some in South America and some in Canada. No one would believe how many official documents, which had to be legalized by the American Consulate, were necessary in this case and how much expense was incurred. All this could have been avoided if the member had changed the name of his beneficiary in time.

It is the duty of every member to change the name of his beneficiary as soon as he knows that the beneficiary named has died. This is his obligation to our Union as well as to the relatives to whom he, himself would will his insurance. There are certain exceptions which cannot be expected nor asked or a member in order to change his beneficiary in time; that is: where all his relatives live in the old country and at this time he does not know who among them is living and who is dead. However, those members having relatives here in America have no excuse for not naming new beneficiaries on their certificates as soon as they positively know that their present beneficiaries have died.

I ask all those members who know that the beneficiaries named on their certificates are no longer alive, and who are in a position to name new beneficiaries living here in America, to do so immediately and in this way to save the Union unnecessary expense.

Fraternal regards,

ANTON ZBASNIK, Supreme Secretary.

Every AFU lodge can earn a \$45 cash award during the AFU 45th Anniversary Membership Campaign by acquiring 45 points during the 45-week campaign. Newly-enrolled juvenile members count as one point; newly-enrolled adult members count as two points.

Help your secretary stack up those points by enrolling your friends and neighbors in the American Fraternal Union! The Nova Doba carries a list of individual cash awards for members enrolling new members!

CHECK YOUR ELECTRIC WIRING!

The Greater Cleveland Safety Council urges you to be especially careful with electricity, now that replacements and repair materials are so scarce. If you are in doubt, have an electrician make a check of the wiring in your home, business place, or industrial building right now! In the meantime, always observe such common-sense precautions as these: Don't risk a short circuit by hooking an electric cord on a nail. Replace all frayed cords at once. Save manpower for warpower.

The A. F. U. Goes On the Air

Yes, dear friends and fellow members, we intend to do just that.

Many of you will no doubt recall that in August of 1942 Lodges No. 66 and No. 92, AFU of Joliet and Rockdale, Ill., had arranged a program, very elaborate in every respect, at which they intended to dedicate their two newly-acquired American flags. However it was not meant to be. On that particular day it rained so hard that it was entirely an impossibility to carry out our plans. We know that thousands of people would have been present had the day been a fitting one.

After several months of debating and what not, we decided to completely ignore the weatherman and take matters into our own hands. Let it rain or snow or let the north winds blow, we'll still have things our own way.

On Sunday, March 28th, 1943—between the hours of 9:00 and 10:00 p. m. we will come over the air with a program that has never been sponsored here before. This program will come over radio station WCLS here in Joliet, Ill.

Whereas in August we were anticipating several thousand people to attend our Twin Flag Dedication we are now quite aware of the fact that our listeners will number tens of thousands. Let me see—Will County has some 115,000 people and then of course we must remember that Chicago, Aurora, La Salle, Waukegan and all our other neighboring cities simply will not be slighted. They too will be listening in. So you can see dear friends and fellow members that we really intend to shine regardless of weather conditions.

Yes, we are aware of the fact that this is the 45th anniversary of our dear AFU. This anniversary is to be celebrated right along with our Flag Dedication. We feel sure that each and every one of you will consider listening to this program an hour well spent.

Who could ask for anything more than a nice easy chair to relax in—a good smile and a good radio program to listen to? These are things that we Americans are privileged to enjoy. None of us need worry about gas rationing to attend this wonderful affair, because all we need do is dial the station, 1310 kilocycles, and enjoy the most wonderful Slovene-American program ever broadcast.

Let us inform you right here and now that the program that we have scheduled will simply hold you spellbound. Appropriate speeches by noted speakers, lovely old Slovene songs and patriotic American numbers and all the necessary sound effects will make you feel that you yourself are taking an active part of this program.

In next week's edition of our Nova Doba you will find in detail the program scheduled. I'm sure it will prove to each and every one of you that I haven't been talking through my hat.

In conclusion may I ask that you give radio station WCLS your undivided attention on March 28, 1943 from 9:00 to 10:00 p. m.

We know that our newly-acquired Old Glory will wave forever.

My Native Land

By Louis Adamic

I am writing a book under the above title, a sequel to "The Native's Return" and "Two-Way Passage." The following questionnaire is motivated by the hope that I can get some of you readers to help me turn out a better book than I might make it without them. My mail address is below. Please answer, as concretely and factually as possible, the questions that interest you. Do not assume that I already know what you can tell me.

What, in your view, are the chief and most interesting characteristics of the Serbians, Croats and Slovenians? I am interested in both positive and negative characteristics; also in those which may be positive under one set of circumstances and negative under another set.

Please illustrate the various characteristics with concrete examples of individual, group or national behavior, which you observed or which are a matter of historical record. I am most eager for such concrete material.

What are your explanations of the various characteristics? That is, how did the peoples acquire them?

How do the national characteristics of the three nations vary, as between the various classes in, the population, in the several regions which made up Yugoslavia? That is, how does the Serb city person differ from the Serb peasant? How does the Bosnian Serb or Croat differ from the Shumadijac or the Croat from Croatia? How do the Dalmatians differ from inland Croats? Et cetera.

What besides geography have the South Slavs in common that can be regarded as certain, probable or possible bases for a worthwhile cooperative and integrating future for the three nations? Please give me concrete illustrative incidents in history or in your experience which support your ideas favoring such a future.

What are the causes, historic Yugoslav peoples? How deep do those antagonisms go? Which are superficial, or have been artificially stimulated, and to what extent? By whom? For what purpose? Give illustrations in concrete, dramatic incidents or facts of the antagonisms. How have some of them been resolved? If not, why not? Please draw on history; better still, on your experience and observation.

Most of Slovenian history is largely independent of Serbo-Croatian history, while the history of the Serbians and the history of the Croats have interpenetrated often and for long periods. There were times when trends might have developed toward their becoming one people. If this is correct, what transpired to make them two such distinct nations in spite of their common language? Why? Under which forces? Which of the several historic theories do you accept?

How did it happen, as you know history, that Croats became Catholics and Serbians "pravoslavni"? Do you think, perhaps, that the most serious cleavage developed in religion? Who or what is responsible for it? Is there a solution for it? Why should two brother-nations be antagonistic over two versions of Christianity, both teaching the brotherhood of man?

Was the geographical position of the South Slavs ever an advantage to them? Is it now? If not, can and will it ever be? Why? How?

What were the beginnings of the Yugoslav Idea, which was realized, however imperfectly, in 1918?

I hold that the most villainous factor working against the development of many potentials in the South Slavic peoples have been the big powers pursuing their imperialistic aims. Do you agree or not? Whether you do or not, give your reasons for agreement or disagreement. If you disagree, what is your "most villainous" factor in Yugoslav history?

What were the most magnificent, tragic, dismal, or sordid incidents, events, developments and periods in Serbian, Croatian and Slovenian history? Why?

Through long stretches of their history, South-Slavic peoples have been producing a great number of extraordinary individuals. They were or are representative of something or other in Serbians, Croats or Slovenians, or in the collective character and historic experience of the Yugoslav "race" as a whole. Some of them were great or near-great men who changed the course of history and added to the power or complexity of the Yugoslav character. Limiting your list to, say, a dozen, please give me the names of those figures in South-Slavic life, past or present, whom you consider great or extraordinary, stating in concrete, factual terms why you so regard them.

South Slavic peoples have produced also villainous figures. Who were or are they? (Please limit yourself to a dozen.) Why do you consider them villains?

Who, so far as you can see, are the most hope-giving and the most villainous figures in Serbian, Croatian and Slovenian politics today? Do not list more than a dozen of each category, and please give your reasons in concrete, factual terms for listing them.

Please give me factual and anecdotal material on such recent and current figures on South-Slavic affairs as the following:

Nikola Pasich
"Apis"
King Peter I
Radomir Putnik
King Alexander I
Svetozar Pribicevic
Stefan Radic
Vladko Macek
Janez Krek
Anton Korosec
Ivan Frank
Frano Supilo
Ante Starcevic
Draga Mashin
Peter Zivkovic
Milan Stojadinovic
Milan Nedec
Ante Pavelic ("Poglavnik")
Draza Mihajlovic and his lieutenants
Anton Natlacen
Tito, Nagy, any other Partisan leaders
Ivan Ribar
Miroslav Krleza
Ivan Cankar
Dusan Simovic
Momeilo Nincic
King Peter II
Prince Paul
The Knezevic brothers.

But please do not necessarily restrict yourself to these; tell me anything that you regard as significant or interesting about anyone else, even if not as well known as those above.

What do you think are the chief reasons for the ease with which the Nazis and the Italian Fascists overran Yugoslavia in April 1941?

How do you explain the amazing Yugoslav resistance to the Axis?

What are the political and subjective drives of Pan-Serbian campaign against the Croatian people as a whole which began early in '41 and is still

"It Takes Both"

It takes an Isbell and a Hutson... a Sammy Baugh and a Dick Todd to form a forward pass combination. It takes both... War Bonds and Taxes to provide the necessary finances to win this war—a war for freedom and humanity. Are you doing your part?
U. S. Treasury Department

going on? Has Pan-Serbianism any sort of future?

Were or are there any figures in South-Slavic life who were or are incontestably great as were, say, Abraham Lincoln, Walt Whitman or the late Justice Holmes? If so, who were they and why are they comparable to Lincoln, Whitman and Holmes? If not, why not?

You have heard the remark: a people have the government they deserve. Does this apply to the Serbians, Croats and Slovenians during the career of Yugoslavia as a sovereign state? Why? Or why not?

How do you define the struggle that has developed in occupied Yugoslavia between Mihailovitch and the Partisans?

Don't you think that, in spite of all her ups and downs between 1918 and 1940 and her quick collapse in '41, Yugoslavia was somewhat of a success? If so, in what way? Please be as concrete and specific as possible.

How do you see the political and social-economic future of the Yugoslav peoples?

Do you favor the restoration of Yugoslavia as it was before Hitler overran it? Is it possible? If you think it is, and you favor it, why do you?

How about a Yugoslav federation with large autonomy for the various regions? If you favor it, how do you visualize its organization? Where does the Karageorgevic dynasty come in? Or does it? If not, do you favor a republic?

How about a Balkan federation or confederation? If you favor it, how do you visualize it? Which countries would be included? How about their kings? Would you have a republic and rotate presidents by nationality? Or what?

How can such a federation—whether Yugoslav or Balkan—be brought about? Would America and/or Britain favor it? Would Russia? Could it come into existence in opposition to Russia's will?

Would you favor an anti-Russian or anti-Communist Yugoslav or Balkan state, assuming such a state is conceivable to you?

Suppose Russia decides to extend her Soviet system over eastern Europe, including the Balkans—would you object? Why, or why not?

Please send me names and addresses of people you may know who were in Yugoslavia early in 1941 or later and have some first-hand concrete information on what happened there in that period.

Again: please do not assume that I already know what you know. Write to me even if it is probable that you will not tell me anything I don't know. Do not hesitate to write me about things not covered by the above questions.

I shall respect, of course, all limitations placed on the use of information sent to me.

Write in English or Serbo-Croatian or Slovenian, on one side of the paper; and please begin your answer to each question on a separate sheet. My address is: Louis Adamic, Milford, New Jersey.

Yugoslav Relief Committee, Slovene Section

"Slovenes are Slav people of Yugoslavia, chiefly to be found in Carniola, Styria and So. Carinthia. Tall, round headed, they are intelligent, industrious, musical, sociable and independent people."

Have you ever heard so much praise about any nation in so few words. The above words, as you probably know, are printed in the Book of Knowledge, which is definitely unbiased.

These people of Yugoslavia are yours and mine, our relatives. Right now they are suffering the terrible consequences of nazi-fascism. They are tortured, starving and enslaved. Their only hope lies with us Slovenes in USA. We cannot reach them right now, but whenever we will be able to reach them, the need will be great, and the help imminent. Considerable help will be possible only if the Yugoslav War Relief Committee will have the funds for this purpose. The Yugoslav War Relief Committee of Waukegan and N. Chicago is giving a party on Saturday, March 20th, at 7:30 p. m. in the Slov. Nat. Home. The admission is 30c. The committee will be happy if some of you English-speaking members will be able to participate with us in this worthy cause.

A few weeks ago I have been asked to describe the life of children in Yugoslavia, to a group of Girl Scouts. When preparing this work, I realized how very few good things these children really had, and how little they were appreciated even in the peace-time. When I visited my home village in 1938, I knew four of our neighbor's children who were our daily visitors. Mayda, the youngest one, was three years old, very cute and talkative. Once when I offered her a piece of well-frosted cake, she said: "Oh, I cannot eat such mush," but she never refused the hard dark bread. Of course, bread was her daily diet, and she was not acquainted with the cake, but her older brothers and sister liked the cake very much. I often wonder how these, and other children are now, they don't even have the bread today, and maybe hunger isn't the worse fate that befell them.

WORK SAFELY

War workers! You are not expendable! You and your work are needed for victory that you and your family need. The Greater Cleveland Safety Council urges war workers to do all work safely. If you're not absolutely sure of the safe way, ask your foreman. Save manpower for warpower!

AMERICAN RED CROSS

This month is dedicated to the American Red Cross. If you contributed to this humanitarian cause? At time it would also be a idea for you to donate blood to the American Cross Blood Bank. It's a contribution in comparison what our servicemen are risking for liberty for you the rest of us at home. Do part now!

MESSAGE FROM EDDIE RICKENBACKER

As I have had the privilege of seeing and talking to our boys in the combat zones in the old world and throughout the Pacific, I am convinced that if our people on the home front knew what these boys are going through in the hell-holes of the world for us, they would not worry about taxes and war bonds.

The least we can do is to accept the privilege of paying taxes and buying more and more war bonds to finance and win this war in the shortest possible time, thereby saving the lives of thousands upon thousands of the cream of our young manhood and additional billions of dollars for the cost of it.

Ely News Flashes

By Florence D. Startz

Things have been pretty top-sy-turvey here in Ely, Minnesota as far as the weather is concerned. In the latter part of February it was so warm outdoors that many Elyites plainly showed symptoms of Spring fever. Now in March the thermometer often registers around 60 degrees below! March certainly came in like a lion. I would like to introduce Mr. and Mrs. Frank Sustercich Sr. and family to the readers of the Nova Doba. They live in Ely and are a real American family as well as a 100 per cent AFU family (every one is a member of our Union). Four sons have entered the armed services of our country. Joe and Albert serve in the Navy and Stanley and John in the Army. Congratulations, Mr. and Mrs. Sustercich, you have a right to be proud of your family!

One of our members, Mrs. Anton Murgel received a pleasant surprise on her birthday recently when her two daughters in California had a birthday cake made for her in Ely. A party was held at the Murgel home. She is a diligent lodge worker—a live wire in every lodge to which she belongs. Mrs. Murgel, Mr. Murgel and their son, Robert, qualified as delegates to the last AFU convention held in Ely, Minn.

I want to offer my deepest sympathy to the relatives of Mrs. John Shega of Ely, who passed away last week. Mrs. Shega was a member of Lodge 2, AFU. Mr. and Mrs. Shega celebrated their fiftieth wedding anniversary a few years ago.

I notice a fellow member, Christine Koprivnik of Ely, is home on vacation from Washington, D. C. where she is employed as a stenographer for the Army Air Forces. She certainly looks pretty in her smart-looking uniform.

Little Stan seems to be progressing as rapidly in Uncle Sam's Army as he did in his writing. It's Sgt. Stan Pechaver now! Congratulations, Stan!

Tony Baraga, Sr., Brings Cheer to the Betsy Ross Girls

By Dorothy Rossa, League Secretary

Tony Baraga, Sr. brought a quart of his finest wine to the Betsy Ross Girls last Wednesday. Mr. Baraga claimed the girls were such good sports and took it upon himself to reward them. Thanks, Mr. Baraga. The BR's haven't used it yet but they are waiting to celebrate some Wednesday in really grand style.

The boys who have been figuring the averages—that is, Stan Zagore and Ham Laurich—have had seiges of sickness. That explains the absence of the column of bowling reports.

Last week the Ilirska Vila No. 1 team took all three games from the Napredok Girls. Tony Princ led the IV's with 212, 244, for a 603 series. Marge Zgonc led the girls with 387. Frances Gruden's 370 followed right behind. The St. John's Saints also took three games from the Betsy Ross Boys. Jim Ruzic's 522, Stan Zagore's 510 and Anton Baraga's 503 were high for the Saints. Frank Krall's 516 and George Kovitch's 508 were high for the Flagmakers. In the last game Jim Ruzic struck out to tie up the game at 856 for each team. St. John's then won the roll-off with Ruzic, Zagore, and Baraga all marking to break the tie and win the game.

The Collinwood Boosters took three games from the Betsy Ross Girls. Tony Laurich's 575 and Gus Fortuna's 535 were high for the CB's. Rosemary Rossa was high for the BR girls. Rose Rossa now leads in the first place for the Girls' Individual high three with her game of 498. Her games last week were 162, 163, and 173.

The Ilirska Vila No. 2 team took three games from the Napredok Cavaliers. Frank Benigar Sr. was high for the IV's with 563 and Frank Chukayne's 500 was high for the Napredok's.

Juvenile Voices

Hello juveniles, here is your Ely correspondent bringing you the news from our Big Little City of Ely, Minnesota. Since my last letter to the Nova Doba I have received a letter from a new friend, Dorothy Gradisher of Chisholm, Minn. She is 13 years old and is in the seventh grade. She is a very ambitious girl. Among her accomplishments are embroidery, crocheting, and activity in the 4-H Club. She told me quite a few interesting things about her school. Dorothy, please write to the Nova Doba. I want to thank her for the lovely birthday card and gift she sent.

I also want to thank Mrs. Frances Erzen, our English Page Editor, for the nice birthday greeting published in the Nova Doba. I celebrated my birthday with my friends at my home and received many nice gifts for which I thank them.

My sister, Florence, is News Editor for the school paper, the "Ely High Lites," and this is her second year on the paper.

I am a Girl Scout of Troop No. 8. My leader is Miss Edith Bohinc. Our Troop is certainly going places since Edith is our leader. We all like her very much.

The Victory Aides will stage a Red Cross drive this week. Ely's quota of \$5,530 has been assigned to our area. This will mean each and every person person will have to do their best for this very good cause. My mother is a Victory Aide and will assist in the drive.

HEAR YE, HEAR YE!

Here's a St. Patrick Day message Americans might hear if St. Pat had a mike: "If ye don't want to be wearin' six feet of green sod, then don't be thinkin' that a shamrock will keep ye safe from harm. Ye'll be doin' yourself and your Uncle Sam a favor by workin' an' livin' safely all the time, an' savin' your health and strength to help drive the snakes off the earth." . . . The Greater Cleveland Safety Council adds: "Sure, and that's no blarney!"

Prva seja eksekutive Slovenskega ameriškega narodnega sveta

vršča se dne 22. decembra 1942 na naslovu 1904 W. Cermak Road, Chicago, Illinois

Predsednik odpre sejo ob 10. uri dopoldne. Navzoči so sledeči: predsednik Etbir Kristan, prva podpredsednica Marie Prislund, drugi podpredsednik Janko N. Rogelj, tajnik Rev. Kazimir Zakrajšek, blagajnik Joseph Zalar, zapisnikar Mirko G. Kuhel, odborniki Vincent Cankar, Leo Jurjevec, dr. F. J. Kern in Frank Zaitz.

Predsednik Kristan pozdravi navzoče v kratkih besedah in izrazi svojo hvaležnost, ker so se tako številno odzvali vabilu na prvo sejo izvrševalnega odbora Slovenskega ameriškega narodnega sveta. Obenem prečita pismo opravičilo Rt. Rev. J. J. Omana, kateremu se radi bližajočih se božičnih praznikov ni moglo odzvati njegovemu vabilu na sejo. Ker je v brzojavki nekaj drugih važnih reči, jo bo prečital, ko pridejo zadeve na vrsto.

Brat Cankar poroča glede kongresnega zapisnika, katerega sta imela v oskrbi brata Jakob Zupančič in Rev. Aleksander Urankar. Brat Urankar je izročil svoje izpiske Zupančiču, da slednji izdela popolen zapisnik. Ker pa Zupančič radi čezurnega dela ni bilo moglo zapisnika izvršiti, je on—brat Cankar—poveril to nalogo bratu Zvonku Novaku, da pripravi zapisnik za našo prvo sejo. Brat Novak se je baval s zapisnikom delj časa in sedaj je tu, da ga prečita.

Brat Zvonko Novak nato prečita obširen zapisnik prvega Slovenskega narodnega kongresa, ki se je vršil v avditoriju Slovenskega narodnega doma v Clevelandu, Ohio, dne 5. in 6. decembra 1942.

Med čitanjem in po čitanju zapisnika se sprejmejo razni popravki, pojasnila in priporočila. Zaključeno je, da se zapisnik popravi v toliko, da se razne točke dnevnega reda kongresa zanesejo v pravo kronologijo, ki bo odgovarjala dejstvu, kakor tudi, da se uključenj v zapisnik razni titli profesionalcev, ki so tvorili gotovi del kongresa.

Brat Jurjevec predlaga, da se zapisnik s temi popravki sprejme. Predlog je podpiran in soglasno sprejet.

Tajnik Rev. K. Zakrajšek poroča, da bomo v vladnih departmentih znani kot Slovenski Ameriški Narodni Svet (Slovenian American National Council) pa priporočajo, da nastopamo pod tem imenom.

Z ozirom na pojasnilo je soglasno zaključeno, da se ime spremeni iz Slovenskega narodnega sveta na SLOVENSKI AMERIŠKI NARODNI SVET (SLOVENIAN AMERICAN NATIONAL COUNCIL).

Predsednik brat Kristan smatra za potrebno, da pride zapisnik v javnost. Služi nam lahko zelo veliko za našo propagando, kakor tudi za poduk onim, ki se še ne zavedajo namenov in potreb našega dela. Mnogim bo odprl oči. Ako bo priobčen samo v naših časopisih, bo razkosan, radi tega ne bi dosegel tistih koristi, ki jih pričakujemo od kongresovih zaključkov. Radi tega priporoča, da se natisne v brošuri in razdeli med zainteresirane posameznike, društva in organizacije. Posebno važnost moramo posvečati angleškemu prevodu. Gledati moramo, da se angleška javnost posebno seznani z našim delom in to, ako bi razdelili izpiske sprejetih resolucij

in zaključkov med člane raznih vladnih organov, med senatorje, kongresnike, po univerzah, javnih knjižnicah itd.

Brat Rev. Zakrajšek omenja, da je po povratku s kongresa v Washington ugotovil, da so naše resolucije v rokah zastopnikov že skoro vseh vlad, kakor tudi državnega departamenta, urada vojnih informacij, justičnega departamenta itd. Kako so tja dospеле, mu ni znano. Uverjen pa je, da je sloga in harmonija našega kongresa napravila sijajen vpliv na uradne osebe, ki so preje dvomile o kakem uspehu. Tudi on priporoča tiskanje zapisnika v obliki brošure.

Brat Zaitz je mnenja, da bi moglo biti priporočljivo izdati mimeografiran zapisnik v takih obliki kot na primer Furlanova "Slovenija v borbi," ki se naj razdeli med slovenske liste za tisk. Smatra, da bo zapisnik bolj čitan, ako bo priobčen v časopisih v odlomkih kot pa, če ga kdo prejme v celoti.

Brat Cankar pravi, da je bil vedno pod vtisom, da zapisnik izide v obliki knjižice, bodisi tiskan—in če bi ne bilo drugače—mimeografiran. Zapisnik mora biti zelo razširjen med našo javnostjo, kajti vsebuje našo glavno propagando, naš program in sploh vse naše stališče in nazore za bodočnost Slovenije in Jugoslavije. Tiskani pa mora biti v obeh jezikih, v slovenščini v celoti, v angleščini pa vsaj v izpiskih. Že na kongresu je opazil veliko zanimanja za naše probleme med tu rojeno mladino, po kongresu pa še veliko več. Propagandnega čtiva v angleščini nimamo. Mladina pa bi rada delala z nami in nam veliko pripomogla, ako bi se o zadevah še bolj seznani v angleščini.

Brat Novak omenja, da bi poleg izpiskov resolucij bilo priporočljivo natisniti v brošuri tudi Furlanovo študijo "Slovenija v borbi," ki je že prevedena v angleščino. Uverjen je, da je moglo napraviti dogovor s tiskarno časopisa, ki bo priobčeval zapisnik v odlomkih, da ohrani postavke in da isti postavke rabi za tisk zapisnika v brošuri. To bi prihranilo veliko stroškov, kajti stavljenje je najdražje.

Brat Rev. Zakrajšek omenja, da ima Jugoslovanski informacijski center precejšnjo vsoto na razpolago za propagandne svrhe; mogoče bi nam gotova vsota iz tega vira bila na razpolago vsaj za stroške tiskanja. Želi, da to sugestijo pravilno zastopimo, ker neče ustvarjati mišljenja, da bi iskali financ iz virov, ki mogoče niso naklonjeni vsemu, kar je kongres zaključil.

Brat Rogelj odločno nasprotuje vsaki subvenciji iz virov, ki jih je omenil prejšnji govornik. Če hočemo, da bo Slovenski ameriški narodni svet resnično napredoval tako, kot želi delegacija, ki je tvorila prvi Slovenski narodni kongres, tedaj moramo ostati samostojni. Ako ne, bomo pokvarili vse, kar je kongres dobrega storil.

Brat Kuhel se strinja s tiskanjem zapisnika v brošuri iz razloga, ker bo taka knjižica edina pripravna referenca za naše organizatorje in govornike, ko bomo pričeli z močno propagando. Odlomki v časopisih niso priročni ter so nerodno hranljivi. Brošura res stane nekaj več denarja, toda končno tudi ne toliko, ako se postavke prihrani. Gotovo pa je vredno ohraniti v tiskani obliki dokument prvega slovenskega narodnega zborovanja, mogoče zadnjega, kar nam bo vsem v ponos in dragocen spomin.

Brat Rogelj predlaga in Kuhel podpira, da se tiska zapisnik v obliki brošure v slovenščini v smislu sugestije, ki jo je podal brat Novak.

Brat Zaitz ne želi, da bi katera tiskarna oporekala kasneje, da ni imela prilike tiskati zapisnika: Niti ne želi nezado-

voljstva pri drugih časopisih, ako bi slučajno Prosveta dobila to delo.

Brat Cankar odgovarja, da je delo eno in isto brez razlike, katera tiskarna ga vrši. Glavno je, koliko se plača za isto. Dvomi, da bi izvršni odsek SNPJ ugovarjal, ako je zapisnik priobčen v Prosveti, postavke pa bi se ohranili za tiskanje brošure.

Predlog brata Roglja je brez ugovora sprejet.

V odsek za publikacijo zapisnika so izvoljeni bratje Cankar, Jurjevec in Kuhel.

V razpravo pride vprašanje naklade zapisnika, v katero posežejo bratje Kristan, Zakrajšek, Cankar, Zaitz in Rogelj, ki amandira svoj prejšnji predlog v toliko, da se zapisnik izda v 3000 izvodih in da se po ena kopija istega pošlje vsakemu delegatu in delegatki kongresa, kakor tudi društvu, organizaciji ali skupini, ki je bila na kongresu reprezentirana.

Tudi dodatek k predlogu je bil soglasno sprejet.

Brat Zaitz želi, da bi vsi čitali spis Borisa Furlana "Slovenija v borbi" in da bi se isti v čim večjem številu razširili med našo javnost. Priobčen je v Ameriškem družinskem koledarju, letnik 1943. Pripravljen je že tudi prevod tega spisa in skupaj z resolucijami v angleščini, ali z izpiski istih, se naj razširi med ameriško javnost, da bo ta brošura govorila Američanom, ki nas Slovencev in Jugoslovancev še ne poznajo.

Brat Zakrajšek se strinja z bratom Zaitzom, vendar pa je mišljenja in priporoča, da ponese naše resolucije na najvišja in najvplivnejša mesta posebna deputacija, katere naloga naj bi bila pojasniti in raztolmačiti, kaj je naše delo; da ne zahtevamo nič več kot rešitev in zedinjenje našega uboga naroda iz strašne nesreče, ki ga je zadela in v kateri krvavi, v novo, združeno Slovenijo v demokratični, federativni Jugoslaviji. Pokazalo se je, da je ameriška vlada zelo avstrofilska. Mi moramo protestirati proti Otonu Habsburškemu in sploh proti vsakemu avstrofilu. Radi tega pa je potrebna posebna deputacija, v kateri naj bi bil vključen tudi naš častni predsednik Louis Adamič. Poudariti moramo dejstvo, da smo zadnje čase Slovenci ignorirani od ameriške vlade, namenoma ignorirani, v časopisih in drugače, in to odkar je prišel Oton na površje. Citira odlomek iz članka v washingtonskem dnevniku, ki ga je napisal inž. Raymond Wester in ki govori o istem problemu. Pojasnjuje nadalje, kako se misli in govori v Washingtonu o Slovencih in se jih podcenjuje, a mi pa še nismo ničesar storili, da bi protestirali proti tej veliki krivici. To je potrebno, da stopijo v ospredje ameriški Slovenci in da govore v imenu svojih krvnih bratov, ki danes ne morejo zase govoriti. Resolucije je torej potrebno ponesti na pristojna mesta osebno. Obenem pa bo deputacija dobila prave informacije o "de facto" poziciji in stališču našega problema.

(Dalje prihodnje sredo.)

Amerika mora v tej vojni zmagati, ker le z zmago Amerike in njenih zaveznikov bo ohranjena naša svoboda in bo zažarelo sonce svobode zaslužnim narodom. Boj Amerike je boj nas vseh.
