

DRUŠTVENA NAZNANILA

Društvo sv. Jožefa, št. 2,
Joliet, Ill.

S tem naznanjam članom našega društva, da se vrši prihodnja naša seja drugo nedeljo v oktobru. Premembra je zato nazajena, ker prvo nedeljo (1. oktobra) je tudi naše društvo povabljeno na slavnost 25-letnice društva sv. Ane, št. 127 KSKJ v Waukeganu, Ill. Torej prihodnja naša seja se vrši dne 8. oktobra, ter so člani vladivo vabjeni, da se iste udeležijo v velikem številu. Na tej seji bomo glasovali o resoluciji društva št. 101 za uvedbo nove plačilne lestice na podlagi American Experience Table of Mortality, in o resoluciji, odobreni po glavnem odboru za znižanje operacijskih in poškodninskih podpor. Kdor hoče glasovati, mora priti na sejo, izven sej ni mogoče voliti ali glasovati.

Dalje prosim in vabim člane, katerim je mogoče, naj se udeleži slavnosti društva sv. Ane v Waukeganu. Članice tega društva so se v velikem številu udeležile slavnosti našega društva, torej ni več kot prav, da se jim tudi naše društvo s tem hvaležnega izkaže, da se udeležimo v velikem številu njih slavnosti dne 1. oktobra.

Dolžnost me veže, da se zahvalim članstvu našega društva za sodelovanje pri velikem pikniku Zveze slovenskih društev dne 3. septembra v Rivals parku na naš Slovenski dan. Hvala onim, ki so s svojim delom ter udeležbo pripomogli k tako lepemu uspehu skupne prireditve.

Vse priznanje za tako lep uspeh gre odboru Zvezne, posebno pa še predsedniku iste, sobratu John Živetzu ml. Njegova zasluga je, da smo imeli omenjeni dan toliko različne zabave. Sobrat Živetz ima zopet nekaj drugega na programu in to je redni slovenski radio program na tukajšnji oddajni postaji. Kdaj se bo z istim pričelo, bo pravočasno naznanjeno v slovenskih listih.

Iz urada Zveze naših slovenskih društev se poroča, da bodo imela sledenca društva svoje jenske prireditve: Društvo sv. Družine, št. 1 DSD 28. oktobra vinsko trgatve in društvo sv. Frančiška Saleškega, št. 29 KSKJ "Barn Dance" dne 29. novembra, oba društva v Slovenija dvorani.

Ker sta obe prireditvi zanimivi, zato že sedaj pripomorem članstvu našega društva, kolikor največ mogoče veliko udeležbo.

S pozdravom,
Louis Kosmerl, tajnik.

Društvo Vitezi sv. Jurija, št. 3, Joliet, Ill.

S tem naznanjam vsem članom in članicam našega društva, da bomo zanaprej imeli zopet zborovanje, in sicer vsako drugo nedeljo v mesecu, torej ne več na soboto kadar dosedajo.

Ker na zadnji seji ni bilo zavestno število članov, da bi glasovali za resolucijo društva št. 101, kakor tudi za resolucijo glavnega odbora KSKJ, bomo torej glasovali na prihodnji seji na nedeljo, dne 8. oktobra ob eni uri popoldne.

Zatorej prosim cenjeno članstvo, da se za gotovo udeleži prihodnje seje, ker obenem boste tudi slišali trimesečno poročilo od bratov nadzornikov.

S sobratskim pozdravom,
Peter Metesh, tajnik.

Vabilo na sejo

S tem priporočam članom in članicam našega društva, da se v obilnem številu udeležite prihodnje seje, dne 1. oktobra ob dveh popoldne. Ker smo prejeli da stvar uredite in ves zaostali člani na praznovanje 25-letnice društva sv. Ane.

plačilne lestice in resolucijo, odobreno po glavnem odboru za znižanje poškodninskih ter operacijskih podpor, bo treba na tej seji glasovati, kajti nihče more drugače glasovati kar na seji. Torej na svidenje na prihodnji seji dne 1. oktobra! — S pozdravom,

August C. Verbič, tajnik.

Društvo sv. Janeza Krstnika, št. 14, Biwabik, Minn.

Uradno se naznanja vsem članom in članicam našega društva, da se prihodnje mesečne seje dne 1. oktobra za gotovo vsi udeležijo; izvzeti so le bolni člani in članice in tisti, ki so oddaljeni od društvenega sedeža.

Kakor vam je že gotovo znano, imeli bomo splošno glasovanje dveh resolucij; ena je društva št. 101 za uveljavno nove plačilne lestice American Experience Table of Mortality, druga pa izdana po glavnem odboru za znižanje operacijskih in poškodninskih podpor. Kdor hoče glasovati, mora priti na sejo, izven sej ni mogoče voliti ali glasovati.

Ob enem še posebno prosim nadzorni odbor, da za gotovo pride na prihodnjo sejo, ker knjige je že čas pregledati. Nadzorni odbor se ne udeležuje sej, torej tudi ne poroča o nobenih računih.

Prosim vas, da se malo bolj zanimalte za društvene reči, ker le na ta način se more pričakovati napredka pri društву. Torej ako ste za napredek društva, se za gotovo udeležite prihodnje seje 1. oktobra ob dveh popoldne v navadnih prostorih.

S sobratskim pozdravom do vsega članstva naše Jednote.

Društvo sv. Frančiška Saleškega, št. 29, Joliet, Ill.

Članstvu našega društva naznanjam, da se bo prihodnja mesečna seja vršila v nedeljo, dne 8. oktobra. Seja je preložena zaradi slavnosti 25-letnice v blagovljenju nove zastave društva sv. Ane, št. 127 KSKJ v Waukeganu, Ill. Na zadnji mesečni seji je bilo sklenjeno, da se naše društvo udeleži te proslave v Waukeganu, vršeče se prihodnjo nedeljo, dne 1. oktobra. Člani, ki se boste udeležili te proslave, naznanite se pri tajniku ali predsedniku našega društva do 28. septembra zvečer, da bomo znali, koliko nas bo šlo dne 1. oktobra v našo sosedno slovensko naselbino Waukegan, Ill., na slavnost društva sv. Ane.

Nadalje opozarjam članstvo na bolj točno plačevanje mesečnih prispevkov; posebno zdaj tam, da bi morali vsi poravnati svoje zaostale dolgove. Za mesec september je razpisana posebni asesment 50 centov za operacijski in poškodninski sklad. Zatorej tudi oni člani in članice, kateri ste na rezervi, tudi za vas mora biti plačan ta posebni asesment. Ker društvo nima denarja na razpolago, da bi Jednoti plačalo posebni asesment za vas, zatorej je dolžnost vseh članov in članic na rezervi, da plačate do 30. septembra.

Društvo sv. Petar i Pavao, broj 64, Etna, Pa.

Poziva se članstvo na dojčujoči sjednici, koja će se obdržavati 1. oktobra u odredenem prostorijama na 110 Bridge St., Etna, Pa. Ova sjednica je, brača i sestre, vrlo važna, pa sto-

ga ne bi smio ni jedan član da izostane, i da ne bude prisutan, pošto imademo vrlo važnu točko za rješiti, a to jest glasovanje za resolucijo društva sv. Cirila i Metoda, broj 101, Lorain, O., koju je glavni odbor poprimio i dao društvinama na glasovanje; a drugo glasovanje jest resolucija glavnog odbora za znižanje operacijske potpore za 20%.

Dakle to su dvije vrlo važne važne stvari za rješiti, pa s tega razloga je dužan svaki član i članica, da bude prisutan na ovoj sjednici, isprika je samo rad i boljst. Glasovanje će početi točno u 1 sat posle podne, a trajati će dok vrši; tako će moći svaki da glasuje. Da je bilo 50 centov, za tiste, kateri ste pa zaostali z asesmentom, tudi dolgo poravnajte in vpoštujte ta moj opomin, kajti v nasprotnem slučaju se bo boste sami suspendirali.

NAZNANILO

članstvu društva sv. Jožefa, št. 53, Waukegan, Ill.

Na prihodnji mesečni seji našega društva, to je v nedeljo dne 8. oktobra zjutraj ob 9:30 imamo na dnevnom redu glasovanje za resolucijo društva sv. Cirila i Metoda, št. 101, Lorain, O., za uveljavno plačilne lestice na podlagi American Experience Table of Mortality, kakor tudi resolucije, odobrene po glavnem odboru za znižanje operacijskih in poškodninskih podpor. Te dve točke imajo velik pomen za vse članstvo naša Jednote, zato je vredno da se prihodnje seje udeleži v polnem številu in se izrazite potom tega splošnega glasovanja, kako da mislite o tem načrtu.

Kampanja za pridobivanje

novih članov je v polnem teklu. Do sedaj se je pridobil osem (8) novih članov v oboj oddelku. Ako bi se vsi člani pridružili tej kampanji, bi društvo dobilo najmanj 30 novih članov.

Jednota sedaj potrebuje veliko število novih članov, da se za nekaj pokrije zguba zaradi slabih razmer po širini Amerike. Ako vsak član stopi s kreplim korkom na delo, bomo eni najprihodnji v tekm pri naši Jednoti, ako pa bomo spali, potem se bomo pa zbudili takrat, ko bodo zmagovali peli svojo zmago. Torej na delo, gotovo je vam znano ed

KAMPANJSKI PAPERKI (Pleš urednik)

Kakor znano, imamo do sedaj pripravljenih že 21 Jednotinj zrakoplovov ali kampanjskih Zeppelinov. Seveda niso še vsi v tekmi, pač pa se začenjajo. Prepričan pa sem, da jih bo več kot polovica brnejo po zraku začetkom prihodnjega meseca (oktobra), v novembri se bodo pa že vsi giblji v smeri proti cilju do Jolieta. Samo Zeppelin "GLASILLO" se bo spustil v zrak šele decembra, da pobere in pridobi one mlade potnike, katerih drugi Zeppelini niso mogli spraviti na svoj krov.

Baš v čeraj sem ogledoval gradnjo mojega Zeppelina v naši znani tvornici aeroplakov na St. Clair Ave. blizu Nottinghama. To bo nekaj nad vse modernega, privlačnega in velikega. Novi zračni orjak "GLASILLO" bo imel več kompartimentov ali oddelkov za mladino, in sicer za deklice in za dečke posebej; naravno tudi za "babice." Bojsi bodo lahko tekom vožnje na posebnem prostoru pod Zeppelinom igrali takozvano "football" ali "baseball" igro potem bo poseben prostor za igranje z frnikoli (nibsi), za vožnjo z Jednotinimi "Booster" vozički itd. Deklice bodo imele tudi svoje igrišče, dalje takozvani "ringelspil" ali "Merry go round" in pa poseben oddelek za igranje z Jednotinimi punčkami (dolicami). Dojenčki ali bebički bodo pa v oskrbi kakje slovenske nurse, saj jih je več v Clevelandu. Ker bo s pestovanjem gotovo zelo busy, bo imela na razpolago posebni najnovješti električni pestovalni stroj mojega izuma.

Ko bo Zeppelin "GLASILLO" krožil širom Združenih držav, bomo urejevali list, stavili, tiskali in razposlali v zraku. Tako izide posebna kampanjska številka, kakorše še niste čitali.

Dodatno k vsem tem zrakoplovom bo treba naročiti še enega. Pravkar sem prejel iz glavnega urada od naših nameščenk ali uslužbenik zelo laskavo pismo, da je zadnja izdaja Glasila vse tako navdušila, da hočejo imeti tudi one svoj Zeppelin, oziroma, da se bodo tudi podale v kampanjo za pridobivanje novega članstva v mlađinskom oddelku. Omenjam sicer, da morda ne bodo tako uspešne, toda poskusiti hočejo vseeno.

Ce se ne motim, je v glavnem uradu naše Jednote sedaj pet pomočnic ali pisarniških nameščenk. Ena izmed teh, je že več let poročena. Ta jim bo šla gotovo rada na pomoci, toda druge so še samske, ena lepša in bolj brhka od druge. Zag želim vsem tem, da naj se takoj meseca oktobra poročijo, saj lepih in dobrih slovenskih žen nov je dosti v Jolietu. No, če vsaka izmed teh pridobi v tej kampanji okrog svojih omožnih prijateljev 10 novih članov ali članic, ji bo naš kampanjski vodja morda prisodil tudi kako jednotino dollico, ali pa voziček kot posebno nagrado. Take stvari pridejo čez sedem let vse prav ... Poveljstvo tega novega Zepelinu "AMAZONKE K. S. K. J." bo skoro gotovo izročeno oni uslužbenki, ki meri nekaj nad šest čevljev. Imena iste ne vem. Moj prijatelj in znanec Mihail Hochevar bo pa za strojnika in kurjača, saj se na take reči zastopi. Vprašanje nastane: Ali bo Zeppelin "GLASILLO" prekosil ali premagal Zeppelin joličkih Amazonk ali ne? Bomo videli!

Pozdrav,
Maria Hochevar, tajnica.

V današnji izdaji Glasila videite na tretji strani sliko posnemanja vredne Miholičeve

družine iz Waukegana, Ill., ki ima 18 otrok. Skoda, da je nekaj izmed teh že doraslih; v nasprotnem slučaju bi urednik Glasila vso to veliko družino skušal pridobiti za vožnjo na svojem Zeppelinu in če bi ne bili že pri Jednoti. 18 otrok ene in iste družine bi bila čast za moj zrakoplov.

Agitatorjem iz Clevelandu v tej kampanji svetujem, da naj si v Grdinovi prodajalni železnične in barv na St. Clair Ave. ogledajo krasne Jednotne kampanjske vozičke (Booster wagon) in pa kampanjske punčke (dollice). Ko bo enkrat naša splošna kampanja v Clevelandu v teku, bomo priredili po St. Clairju veliko parado in dirko s temi vozički. To bo nekaj zanimivega. K tej dirki povabimo tudi naše Jednotarje iz Newburga, Collinwooda, Nove Ljubljane, ter iz Zapadnega dela mesta. Nagrade do sedaj še niso določene. Zatem sledi dirka z Lorainčani in Barbertončani.

VELIKA K. S. K. J. ŽOGOMETNA TEKMA

So. Chicago, Ill.—Nihče se ne oglasi iz naše naselbine. Zastonj pričakujem poročila o zmagi naših baseball igralcev, kateri so izvojevali dne 3. in 4. septembra, ko se je bila odločilna borba med dvema odličnima skupinama Žogometne Lige K. S. K. J., in sicer med našimi in minnesotskimi igralci, ki so prišli iz Eveletha. Evelethčani so prišli k nam že v petek 1. septembra zvečer in so dobili prenosiče v hišah naših rojakov, kateri so jih drage volje sprejeli. Malo postrani smo gledali velike in močne minnesotske fante, proti katerim so izgledali naši kakor fanatički. Marsikateri je že rek, da bodo vse dosedanje zmage naših baseballarjev zatemneže takoj prvi dan spopada. Drugi so pa govorili, da se ni bati velikih in močnih, ampak trdno zaupati našim igralcem, saj niso izgubili še nobene igre do sedaj. Tako smo v pričakovanju dočakali 3. septembra. Kar je bilo napovedano, je bila latinska peta sv. maša ob 10. uri. Oboji, minnesotski in naši baseball igralci so moško prikorakali v cerkev in zasedli prve klopi na obeh straneh v cerkvi. Po končani sv. maši so enako slovesno odkorakali iz cerkve in se udeležili obeda, ki je bil pripravljen v dvorani. Ljudje so v resnici ogledovali postavne in močne minnesotske fante in zopet ugibali o poteku igre popoldne. Ze ob pol tretji uri, pol ure pred začetkom igre, je Calumet park ves oživel. Vse, ne samo naši rojaki, tudi druge narodnosti, se je zanimalo za potek baseball igre. Največ ljudstva je pa bilo seveda izbranega na igrišču štev. 2, na katerem so se imelo vršiti tekme in je imela pasti odločitev. Nebo je bilo preprečeno z oblaki, ki pa niso grozili toliko z dejzem, pač pa so napravili pravo soparico, da je skoraj bi reknel kar kuhalo v zraku. Igra se je pričela in se kljub soparici nadaljevala. Naši so dobili v njej prvo točko, minnesotski pa samo eno. Konč igre je bil, da so naši imeli 13 točk, Minnesotčani pa le dve, medtem ko so dan potrej napravili tri. Oboji igralci so bili do konca izčrpani, tako naši kakor minnesotski in so se izrazili, da će bi bilo treba igrat še eno igro, bi je nikar ne mogli ta dan igrati. Tolikega utrjenja je bila kriva vročina, ker ni bilo nikake slike, ki bi vsaj nekoliko shladila ozračje.

Tako se je končala slavna baseball tekma med srednjezapadno in minnesotsko baseball

igralcu kot zmagovalci in lahko rečemo, sto procentni zmagovalci, ker niso izgubili v letošnji sezoni nobene igre, ki je bila igrana v KSKJ. baseball ali žogometni igri.

Ob osmih ur zvečer je bil v cerkveni dvorani slovenski banket v počast zmagovalcem, kakor tudi minnesotskim igralcem, saj so se tudi oni trudili kolikor so pač mogli, a jim sreča očvidno ni bila mila. Med banketom so se slišale med govori razne častitke na oboje igralce, največ seveda na zmagovalce, ki so tako častno izšli iz letošnjih bojev, kljub zavisti od raznih strani. Najbolj pohvalno se je pa menda slišala častitka, ki jo je omenil preds. dr. Vitezov sv. Florijana št. 44, KSKJ., sobrat W. F. Kompare, ki je bil stolovarnatelj pri banketu, ko se je izrazil, da so bili naši baseball igralci zmagovalci na celi črti, ne samo pri Lignih igrach, ampak sploh zmagovalci pri igrah v znamen Calumet parku, saj so izmed 19 iger, ki so jih igrali, dobili 17 in le dve izgubili. Pri tem so premagali dva igralska baseball klubova (professional baseball players), katerim se lansko leto ni zdelo vredno z našimi igrati in so se celo letos skoraj enako izrazili. S St. Clair Ave. jo krene južno po Norwood Rd. in pazno ogleduje hiše na obeh straneh ceste. Zamolko so odmevale stopinje ali koraki njenih koščenih nog. Pred pogrebnim zavodom Fr. Zakrajska si je mislila: Zoper boš danes enega rojaka polozil v rakev.

"Da, prav tukaj se moram za malo časa ustaviti in posetiti nekega zemljana, kateremu se baš sedaj bliža zadnja ura." Tako je dejala ta čudna žena in krenila v hišo dragega mi prijatelja in sobrata John Widerolu. To se je vršilo ono rano jutro, 20 minut čez eno uro.

O mučni Johnovi bolezni sem dobro zнал, saj sem ga baš dva tedna (4. septembra) pred njegovim smrtjo še obiskal na domu; vendar si tedaj še nisem predstavljal, da bo ona bela žena tako naglo potrka na njegova vrata. Naravno, da me je ta žalostna novica ganila do srca; saj je vendar vedno izguba kakega dobrega prijatelja ali znanca vredna žalovanja.

Pet oseb nas je bilo oni dan pri Johnu na obisku. Njegov brat Tone, dve rojakinji, neki rojak in jaz, in seveda je bila navzoča tudi Johnova soprona. Z že bolj slabotnim glasom, a vendar prijazno, me je pozdravil John in podal svojo desnico. Sedel sem tik njegove postelje, nakar se je počasi dvignil iz postelje, in sedel na isto, opriavoč se z rokami in glavo na bližnjo mizico.

"Kako je kaj, John?" ga vprašam.

"I, slabo, slabo, vedno slabše. Zadnji teden je bil vsak dan zdravnik pri meni. Imel sem celo 104 stopinj vročine, a danes me pa zebe; tudi gospod župnik je bil že pri meni."

Tako mi je ternal bolnik John in si skrivoma otrnil solzo iz očes. Ostal sem pri njem celo uro. In naravno, da sva se tedaj pogovarjala tudi o Jednoti. Pravil mi je, kako ga veseli, da so ga prišli dne 23. avgusta obis-

se podali igralci in ostali na svoje domove. Minnesotsčan se pa še ni ljubilo domov, ampak so ostali še pri nas. Izazili so se, da se jim prav dopade in da je bolj luštno kakor v Minnesoti. Samo malo prevrče da je in oni niso vajeni tolike vročine. Zvečer v torek po Delavskem prazniku, je bil v dvorani še party na Minnesotsčane, pri katerem so se prostro razveseljevali, koliko se jim je ljubilo, prav skoro do polnoči. Zato ni čudno, da so se le s težkim srcem odpravil od nas.

O Minnesotskih fantih pa rečemo, da so prav gentlemani in se jim pozna, da so res slovenske krvi. Prav dobro govorijo vsi slovensko, kar jim bodi v čast povedano.

Pokojnemu prijatelju in sobratu John Widerolu v spomin

V noči od petka na soboto, dne 16. septembra t. l. je po eni izmed glavnih cest naše slovenske naselbine v Clevelandu v bližini cerkve sv. Vida oprezeno in počasi stopala neka nevidna žena, ogrnjena v dolgo belo haljo z nabrušeno koso na ramu. S St. Clair Ave. jo krene južno po Norwood Rd. in pazno ogleduje hiše na obeh straneh ceste. Zamolko so odmevale stopinje ali koraki njenih koščenih nog. Pred pogrebnim zavodom Fr. Zakrajska si je mislila: Zoper boš danes enega rojaka polozil v rakev.

Na banketu so bili razni govoriki in govornice, a banket je otvoril domači g. župnik Rev. Father Leo z molitvo in potem po jedi z govorom na območju baseball igralcev, kakor tudi na stale udeležence in vsem častit, zlasti že častit igralcem oziroma zmagovalcem.

Najbolj slovenski trenutek tega banketa je pa bil, ko so se zmagovalci izročile trofeje. Naši zmagovalni klub baseball igralcev je dobil pri tem dve trofeje in sicer eno od KSKJ., drugo pa od prodajalca športnega blaga (sport goods) Sajovec in drug, pri katerem so igralci Srednje-zapadne Lige kupovali vse potrebščine za letošnjo baseball sezono. KSKJ. trofejo je izročil igralcem Mr. Frank Banich iz Chicago, kot odbornik pri športnem odseku KSKJ. Drugo trofejo je pa izročil igralcem Mr. Edward Kompare, predsednik KSKJ. baseball lige. Za najboljšega igralca v zadnjih dveh igrach je bila pripravljena tretja trofeja, katero je na lastne stroške nabavil Mr. Frank Banich iz Chicago. Najboljšim je bil spoznan po raznih sodnikih igralci Edward Kučič, iz So. Chicago, kateremu je Mr. Frank Banich izročil krasno trofejo. Omenjeni Edward Kučič je do sedaj povsod zmagal, kjer je nastopal. Tako je bil že dve leti prvo nagrada za kegljaško tekmo in ima že več drugih nagrad. Sveda, že bi šli za najboljšega igralca v celi sezoni bi morda toliko, da si se s težavo prerinil toliko bližu, da si mogel vsaj nekoliko zasledovati potek igre. Mnogi so bili na mestu že uro prej, ko se je igra začela in si tako zasigurali udoben sedež. Ta dan nas je pa solnce prav prijazno gledalo in se ni skrivalo za oblake kakor prejšnji dan, ampak nam dobro v obilni meri občutiti svoje tople žarke. Oboji igralci so se najprej nekoliko izvezbali, da so bili potem za igro bolj hitri. Ta dan so naši igralci pričeli, medtem ko so prejšnji dan pričeli minnesotski. Prvi inning je potek tako, da ni nobena stranka nič pridobila, prav kakor je bil dan poprej. V drugem inningu so zopet naši pridobili eno točko, minnesotski nič. V tretjem inningu ni zopet nihče dobil nobene točke, a v četrtem se je našim posrečilo, da so dobili eno točko. V petem niso minnesotski pridobili nič, naši pa kar 4 in tako bili za 6 točk naprej. V sedmem inningu niso naši napravili nič, minnesotski pa so dobili eno točko, minnesotski nič. podal desnicu in odšel po-

Brata John Widervola sem

prič viden leta 1914 na naši

konvenciji v Milwaukee, ven-

tem sva se zopet sešla l. 1920

na konvenciji v Jolietu, in na

naslednji konvenciji v Clevelandu l. 1923. Brat Widervol je

bil vedno delegat dr. sv. Vida,

št. 25.

Pokojnega br. Widervola sem

začel kot dobrega prijatelja in

vrlega Jednotarja spoznavati še-

le ob mojem prihodu v Cleve-

land, meseca novembra pred

desetimi leti (1913). Slučaj je

celo nanesel, da sem bil prve

mesece ob prihodu v Cleveland,

njegov bližnji sosed, vsled če-

sar je večkrat prišel k nam v

vas, ali pa jaz k njemu. Videl

sem ga tudi pogosto na meseč-

nih sejah, pri tej ali drugi dru-

štveni prireditvi in celo v mo-

jem uradu se je ob prilikah

zglasil.

Povsem lahko trdim, da iz-

med stoterih in stoterih mojih

prijateljev in rojakov bi bilo

treba daleč in dolgo iskati ka-

kega drugega, ki bi bil tako

aktivni na društvenem polju

kakor baš pokojni sobrat John

Widervol. Vsako "Glasile" je

prečital od prve do zadnje stra-

gibanje in Jednotino delovanje

povsem znano. Na sejah je

vedno sedel na svojem izbra-

petostjo zasledoval potek dne-

vnega reda. Oglasil se je tudi

večkrat in povedal svoje mne-

nje, če je bilo baš to drugim po-

volji, ali pa ne. Brat Wider-

vol je bil v tem oziru razsoden

in se ni bal nobenih ugovorov.

Bil vam je vnet vernik, vnet

narodnjak, vrl rodoljub in is-

kren prijatelj vseh; sovražni-

kov ni poznal, dasiravno je tu

in tam koga kaj in direktno po-

karal.

Dne 19. septembra se je po

Norwood Rd. proti cerkvi sv.

Vida pomikala dolga vrsta po-

grebec v avtomobilih z dvema

društvenima zastavama na če-

lu. Ko so ga prinesli v hišo

božjo, k pogrebni sv. maši za-

dušnici, mu je šolska mladina

s kora prvič v tej cerkvi zapela

sledenje Jednotino žalostinko:

Blagor Ti, ker že počivaš,

iz doline solz hitiš;

v rakvi smrtne sanje snivaš,

v spravi z Bogom mirno spiš.

Ti prestal si že težave,

hrupni svet in ves nemir —

Hiti brat, le tja v višave,

kjer je prave sreče vir.

Dragi mi John! Naj Ti bo

lahka svobodna ameriška zem-

ljica! Blag Ti spomin!

SMRTNA NESREČA

Peoria, Ill.—Rojak John Ma-

nesreče. Dne 10. septembra se

je namreč odpeljal s svojo ženo

in osemletno hčerkijo ter prija-

telji k reki Illinois. Tam so na-

meravali imeti malo zabave, in

ker je bilo zelo vroče, so se šli

kopat, da se malo ohladijo. Med

temi so bili Annie in sestra

Triplet ter John Mramor. Vsi so

bili slablji plavači. Sestri sta

se kmalu pričeli potapljati in

klicati na pomoč. Prijatelj

ster in ribiči, ki so bili v bli-

žini, so jima prisločili na po-

moč in so ju rešili, na žalost pa

je v istem trenutku Johnu Mra-

moru zmanjkal pod nogami

in tudi on je začel klicati na

pomoč, njegova soproga in pri-

atelji so jokali, toda John je

izginil pod vodo. Našli so ga

po potopljanju in ga posledi-

lo vodil brez dela. Ljudje po-

Prizor ob odprtjem grobu je

bil pretresljiv. Hčerka je kli-

ca svojega očeta, žena in vsi

drugi smo jokali. Pokojni je bil

gemu ne. Da pa ne bom lažnik, hočem stvar pojasniti.

Mr. John Sušnik, tajnik društva št. 226 KSKJ je bil pri meni s prošnjo, da bi mu odstopili dvorano za 22. oktobra, rekel je, da želi društvo proslaviti petletnico blagoslovitve zastave, in pa ker je takrat tu di godovanje društva, da hočejo prirediti igro "Divji lovec." Jaz sem Mr. Sušniku povedal, da mi tega ne moremo napraviti, ker igralci so izrazili željo, da hočejo igrati "Garcia Morena" v Slovenskem Narodnem Domu. In to je bila edina nedelja, ki je bila nam na razpolago v S. N. Domu. Torej klub prošnjo Mr. Sušnika sem odklonil. Nato je prišel nekega dne pa Mr. John Tavčar, tajnik S. N. Doma, ter mi je povedal zadevo društva Kristusa Kralja, da naj se pomenim z Mr. Sušnikom, ako mogoče sporazumno, ako nam je mogoče odstopiti dvorano, na kar sem povedal Mr. Tavčarju, da ne moremo, in Mr. Tavčar je dejal, da je to severa popolnoma naša stvar, ker dvorana je za tisti dan naša.

Jay**2,000 Attend Service at Shrine on Slovenian Day**

More than 2,000 of Slovenian lineage from four Catholic parishes in Cleveland and one in Lorain attended the annual Slovenian service Sunday at the Shrine of Our Lady of Lourdes, Providence Heights.

The program was opened with the recitation of the rosary with the Rev. Matthias Jager of St. Vitus' Church as leader. Slovenian hymns were interspersed with the liturgical hymns.

The Rev. John J. Oman of St. Lawrence's spoke to the assembly in English, and the Rev. Milan Slaje, assistant at St. Mary's, gave an address in Slovenian.

Other clergymen who participated were the Rev. B. J. Ponikvar, St. Vitus'; the Rev. Anthony Bombach, St. Christine's; the Rev. Vitus Hribar and the Rev. Joseph Matun, St. Mary's; the Rev. Victor J. Virant, St. Lawrence's, and the Rev. Ludwig Virant, Lorain.

PRACTICAL JOKING

The modern method of joking about one thing or another has become a very widespread habit. This joking can be taken in several different ways—but the joke that makes the weakness of another person plain is no joke. It is an insult or an injury. Most laughs in this world of today are at the expense of the other fellow—few of us can laugh when the joke is on us. It is then that the personal sting is felt. The playful practical joker is, after all, but the joker in the pack and the game can be played without him.

It seems that every organization has its practical joker, its buffoon who does nothing, except bother others who are trying to do right. He is very easily found, for he most always attracts attention, especially when a worthy project is brought up by another member. He has that cynical, unhealthy tone in his laugh, and seems to want to ridicule all ideas brought forward. If this same person were to taste his own ridiculing he would soon stop and consider the feelings of others.

One can excuse an injury, but when one receives an insult through a practical joker, there is nothing that can compensate it. Silence toward an insult is the safe, sane and successful way to whip the insulter.

Down with the practical joker—the detriment of all organizations.

Frances Jancer.

MEETING ANNOUNCEMENT

Members of SS. Cyril and Methodius Lodge No. 144, Sheboygan, Wis., are requested to attend the next meeting Oct. 1. There will be many important topics in order for discussion, among them also voting to accept or reject two resolutions.

A wheelbarrow will stand on its two legs and never move a foot unless you lift it up and push it along. So would business. You've got to pick it up and push it along.

MEET ANOTHER PITT PLAYER

Pittsburgh, Pa.—Station KSKJ broadcasting from Pitt Jay headquarters. The person before us today is one real fellow, nothing bold or assuming about him, even though he is rated as one of the best mushball pitchers in this vicinity. He is a 100 per cent KSKJ booster, and showed it by refusing offers from several professional mushball teams in order to stick with the team. The members of the team, booster club members and all the KSKJ mushball fans extend their gratitude to him for this unwavering Kay Jay spirit.

Our guest today is Joseph "Ribby" Staresinic. Ribby is the ace pitcher of the Pitt Jay mushball squad. He is 6 feet 1 tall and weighs 170 pounds. He bats fourth in the lineup, with an average of .372 in 39 games.

When he isn't on the slab, he plays right field, because of his hitting ability. He started playing the game when he was 13 years old, with the once famous Terrible Nine. Strange to relate, he began as a catcher. His pitching career started in 1927, at which time he won for the Gay Triangles the Greater Pitt mushball toga, being a victor in the deciding game, which lasted 27 innings.

From then his fame spread as a hurler and he was being continually wrangled over by many prominent mushball clubs, such as the Gay Triangles, Valley Tigers, Drakes, Union Provision and Jack Costello. He was signed with the Pitt Jays in 1932.

"I've pitched many ball games, and never did I mind it to win or lose, but this year it was something different," says Ribby. "I pitched to win them all. I gave everything I had—and why? Because I had something to pull for, and not only was it for the KSKJ or the club, but also for those rooters, those older people of ours who had just started to follow the game. For them a win was a heaven—a loss a disappointment. It was my greatest award after a game to see smiling faces saying, 'Dobro si napravil,' and it was my extreme sorrow to hear those bravely cheerful voices say, 'Bomo jih drugi cajt.'

"Almost all the games were tough for me. We've been in a first class league and we've bucked up against some stormy independents. A real corker was that McConnell game. It was the last of the ninth, and we were leading, 2 to 1. The sacks were loaded with no one out. The Irish were frantic, our crowd was still and quiet. Ribby, must do your stuff now, and give everything you got, even if it kills you," I murmured to myself. Joe Smith and Bill Litz fanned, and since I had 3 and 2 on O'Connor, I had to let him hit the ball. He lined a sharp drive over Vale's head—every-thing went back to me—the game was over—fleet-footed 'Fats' Sprohat made a slide, driving for the ball, and caught it on his fingertips for the put-out.

"The time I got the most kick out of a play was when I had to strike out 'Moe' Karenksi of the Costellos, and I did it. I believe I was the only one in the league to fan this most dangerous batter.

"Good mushball teams never get clicking rightly until after three seasons of tough schedules, but I have hope of our team bettering this record. Under the tutelage of Coach 'Muckles' Matesic, we ought to go places and to do things next year.

"Now let me ask one. 'Did I ever miss a Pitt KSKJ Booster Club affair?'

Next week William "Vales" Matesic will be before the microphone.

I always hold 'Henrietta' (my favorite bat) on the end, because when I do hit the ball,

THINK IT OVER

To the youth in trouble, to the youth away from home, to the youth that needs advice: Remember the day that you left home, when Dad shook your hand, told you to be a man, remember?

When things apparently do not go right, when the entire world seems to be against you, when life does not seem worth living, when you lose your job, when you are broke, when you miss a meal or two, when you sleep in the park. Remember the day that you left home, when Dad shook your hand, told you to be a man, remember?

If you take the wrong trail, go astray, from the path; if you disobey God's laws or man's laws; if you are caught. Remember the day that you left home, when Dad shook your hand, told you to be a man, remember?

The idea young man is this: When you leave home, be it the home that your father made for you or the home that someone else's father made for you, remember this: That no matter the circumstances under which you leave, no matter what your idea was in leaving, no matter how long since you left, that door swings both ways. Out and in. Get it? Sure! Think it over.

The Record.

I want it to go places.

You couldn't persuade me to play for another team as long as the boosters have one; even if they hold me as a bench-warmer. I'm with the team and what it represents heart and soul.

Good mushball teams never get clicking rightly until after three seasons of tough schedules, but I have hope of our team bettering this record. Under the tutelage of Coach 'Muckles' Matesic, we ought to go places and to do things next year.

Now let me ask one. 'Did I ever miss a Pitt KSKJ Booster Club affair?'

Next week William "Vales" Matesic will be before the microphone.

LAPSES

Saving business is just as thrilling as writing business to those who appreciate the value of keeping names of old friends on their books.

While the excitement may not be as great as it is when after a hard fight one is persuaded to sign his name on the dotted line, the art of saving

business in many cases means more than the writing of new applications. In other words, when we save old business we pave the way for more new business. Seldom do we write ex-policyholders' friends. It is hard to interest them.

Men who have practiced their profession for any reasonable length of time know the great value of saving all the old business that they possibly can. They never allow a policyholder to terminate his or her protection if it can be prevented. Never do they say: "Oh, well, let it go; I can write more to take its place." They can, yes; but that is the very thing they avoid doing.

BEER CAN BE TRACED TO BABYLONIANS

Beer can be traced back to earliest Babylonian and Egyptian history and probably originated some millenia earlier, according to the Rev. Dr. John M. Cooper, professor of anthropology at the Catholic University of America, Washington, D. C., in a paper on "Alcoholic Beverages in World Culture" read before the recent conference of the Catholic Anthropological Society held at the University.

Alcoholic beverages are of very widespread, but not worldwide distribution, apart from recent white influence. On the American continent they were in use over most of the area that extends from the northern Mexican border in North America to South Chile and the middle Pampas of South America. North and south of these two lines native alcoholic beverages were not found. Over the continents of Europe, Asia and Africa their use is practically universal except along the Arctic tundra area extending from Lapland to Kamchatka. In Oceania scattered traces only of such beverages, and even these probably due to European influence or to unintentional fermentation, are found in Australia, Polynesia and eastern Melanesia. There was no native alcoholic stimulant in use in Tasmania. Alcoholic beverages are also absent among nearly all of the simplest nomadic hunting peoples whose culture has not been disturbed by influences from more advanced peoples.

The almost universal distribution of alcoholic beverages among the typical agricultural and herding peoples and their absence among the non-agricultural and non-herding peoples who flank the former to the north and south of the continental areas, as well as their absence from the lower nomadic peoples, gives us reasonable grounds for the conclusion that while the invention of alcoholic drinks goes back to prehistoric times, it does not go back to the earliest prehistoric times. The invention probably occurred at or near the period or periods of the invention of agriculture and herding.

Fermented drinks may be divided into beers, wines, mead and kumiss. The beers, made of fermented grain, are distributed in the main as are the staple foods from which they are made; barley and millet beers through Africa, Europe and much of Asia; maize beer or chicha on the American continent; rice beer particularly in southeastern Asia and some of the neighboring islands.

Wine made from grapes is confined almost exclusively to the south and central European, the northern African, and the Asia Minor areas. It, too, goes back to earliest historic times in the Mesopotamian and Nile valleys. The other chief wine, palm wine, is found mainly in the East Indies, Africa and on the Alps, moderate but steady drinking has been a traditional cultural feature. North of about that line, the drinking bout has been more typical, and this from the earliest times to which our information reaches. It never made any difference just what the Baltic and neighboring nations were drinking—mead, beer, or later wine, or

Distilled liquors were seemingly unknown to the ancient Mediterranean civilization.

ST. ANNE'S LODGE, WAUKEGAN, TO MARK 25TH ANNIVERSARY SUNDAY, OCTOBER 1

Waukegan, Ill.—An elaborate program, Oct. 1, will mark the 25th anniversary date of the St. Anne's Lodge No. 127.

Members of the lodge will meet in the school hall at 9:30 to register, and from there with guests and participant lodges will march to the Mother of

God Church to attend the 10:30 Mass.

Following the services a banquet will be held in the church hall. The speakers' program will be interspersed with a variety of entertainment features.

The festivities will come to a close in the evening, with dancing in both school halls.

REASONS FOR EXISTENCE

In a weekly letter to field workers a state manager says: "If fraternal insurance is no better than commercial insurance, we have no excuse for existence." He follows with reasons why fraternal insurance is better for certain purposes than commercial insurance.

"It is true that commercial companies are giving the best of service in the field of business insurance. They have perfected their policies and their sales organizations to the point which seems to be as far as they should go. Indeed it is declared by experts that the old-line companies in their mad scramble for business have ignored the principles of good underwriting. But in the humane undertaking of co-operation for home and family protection their service falls short.

The fellowship and co-operation provided by fraternal insurance societies have always been attractive to those needing protection for loved ones. Even before the fraternal system had its start in this country people could buy commercial life insurance, and it was available during the years that fraternalism spread so rapidly. In a fraternal society the members were permitted to organize for their mutual relief. They gave charity. They directed the management through representative government. The only period in which fraternal societies saw their popularity diminished was during the period of readjustments—a necessary and drastic proceeding.

The fraternal societies have a field of their own and only they may occupy it. Some are planning to occupy it in a large way; others are trying to follow in the footsteps of the commercial companies. Since there are over three hundred companies, it seems that the latter are content to be camp followers. This subject was discussed at the annual meeting of the Canadian Fraternal Association by Prof. M. A. Mackenzie of the University of Toronto.

They have been known from remote times in the far Orient, while they have spread in our western civilization chiefly in the last three hundred years.

Our use of alcoholic beverages in America has followed cultural lines previously existing in Europe. Roughly speaking, south of the Pyrenees and the Alps, moderate but steady drinking has been a traditional cultural feature. North of about that line, the drinking bout has been more typical, and this from the earliest times to which our information reaches. It never made any difference just what the Baltic and neighboring nations were drinking—mead, beer, or later wine, or

distilled liquors were seemingly unknown to the ancient Mediterranean civilization.

A fraternal society may provide the best of home and family protection. That it its excuse for existence.

"KSKJ WISCONSIN" INCREASES LEAD

WESTERN ZEP PASSES 300-MILE MARK AS OVER 100 NEW MEMBERS ARE ENROLLED IN WEEKS DRIVE

West Allis Lodge Will Sponsor Harvest Dance

West Allis, Wis.—St. Mary's
Lodge No. 165 will sponsor its
annual Harvest Dance Oct. 1 at
Labor Hall.

We are in for another good
time. The dance will start at 2
p. m. and end at 7 p. m.

Remember the last dance?
Gee, that delicious "potica"—
we'll have more this time. There
will also be a very humorous
play, which will start at 8 p. m.
Good music, good food, good
time for everyone.

Come all, forget the depression.
A polka and a hop and
we'll be off to prosperity. How
about it? Don't forget the date
—Oct. 1, at Labor Hall.

Stephanie Windishman.

MILWAUKEE JAYS TALK BASEBALL

Milwaukee, Wis.—Leave it
to the Baragites to be either
looking forward to or reviewing
some happy event. This
time it was the September K. L.
B. meeting—and that was some
meeting. Among the questions
discussed was the formation of
boys' and girl's basketball
teams. So all of you basketball
players better practice up be-
cause the K. L. B. eagles are
going to go some.

We discussed the KSKJ Na-
tional Air Race, too, and when
the Baragites found out that
there are "coaster wagons" to
be given away, they all planned
a coaster party. Imagine a
knight riding his "lady fair"
down the street in a coaster
wagon! This certainly is a cen-
tury of progress.

Well, everyone enjoyed the
meeting, but we can't overlook
telling you this: After we ad-
journed we all had a nice little
"round table party" of beer
and cookies, which were fur-
nished by R. Maierle and J.
Matzelle.

START FALL PROGRAM

Butte, Mont.—The St. Anne's
Society No. 208 has started its
program of winter activities.

The card party held after
the September meeting was a
success and hopes are high that
the next one, which will be held
Oct. 11, will be well attended.

Members with names starting
with A and B will be host-
esses, with Mrs. Dorothy But-
tala and Miss Mary Anziec as
chairladies.

A dance will be held Oct. 1,
the Grand Opening Dance, the
first dance of the fall season in
our Narodni Dom. Admission
will be 25 cents, ladies 15 cents.

It was a pleasure to have our
Rev. Fr. Pirnat visit us at our
last meeting. He was accom-
panied by Mr. F. Govednik and
Mr. Flanik. Their talks were
impressive, and each and every

member was attentive.

The series of card parties to
be held during the forthcoming
season are scheduled on our
regular Wednesday evenings.

Seventh place in this grueling
derby was still held down
by the KSKJ Minnesota with a
total of 21 miles. Though fly-
ing slowly, the Minnesota has
been reporting a consistent ad-
vance each week and once it
picks up a little speed should
make a great bid for national
honors.

All members are requested
to attend the meetings. Keep
up the good work and keep
smiling!

Let us work zealously for our
St. Ann's Society, "where every
heart beats truer and the hand-
clasp is stronger."

M. K. Lousen, Treas.

KSKJ Illinois and KSKJ Pennsylvania Make Large Gains

Joliet, Ill., Sept. 26.—Climax-
ing a week studded with some
brilliant and fast flying, the
KSKJ Wisconsin, leader in the
K. S. K. J. National Air Race,
clipped off 56 miles in the
seven-day heat to raise its total
to 345. The marks puts the
giant zeppelin past the one-
third post of this 1,000-mile air
derby and well out in front of
the field.

But two other of the air liners
were capable of coming near
matching the spurt of the
leader. These were the KSKJ
Illinois and the KSKJ Pennsyl-
vania, both of whom covered
42 miles during the week's flying,
the heaviest of the race so far.

Illinois Gains on Kansas

As was predicted, the KSKJ
Illinois continued to show a
steady increase in its weekly
advance. Its total of 97 miles
puts it well on the heels of the
KSKJ Kansas, which was laid
up with motor trouble and re-
ported no advance. The Kansas
is credited with 116 miles. This
is the second time during the
race that the giant craft from
the headquarters state has seriously threatened for
the runner-up post.

Race officials here felt pos-
itive that unless the Kansas get
back in the running during the
coming week it will be forced
to surrender its second-place
position to the fast moving Illinois.

Pennsylvania in Fourth

The only change in the
standings, however, was re-
corded by the KSKJ Pennsylvania,
which moved out of the
fifth place berth for the first
time since the race began. Raising
its total for the derby so far
to 68 miles, the Keystone zep
passed well in front of the slipping
KSKJ Ohio to take fourth
position, 29 miles behind the
Illinois.

The Ohio, which has been
falling behind steadily since
the opening weeks of the race,
when it held second place, ad-
vanced only two miles during
the week and dropped to fifth
place with a total of 36 miles.

Colorado Closes In

Advancing 10 miles, the
KSKJ Colorado moved up to a
point within six miles of the
failing Ohio and its crew felt
confident that the close of next
week's race would see it over-
hauling the Buckeye entry to
take possession of fifth place.

For their part, however, the
Ohio flyers are hopeful of get-
ting their craft back into flying
shape and expect to return to
the meeting know that we will
not have our meeting the first
Sunday of October, because our
dance is being held on that day,
but on Tuesday evening at 7
o'clock, which is Oct. 3, at the
church hall as usual. Please do
not forget to come to meetings,
which most of our young girls
forget.
