Urad in tiskarna en teden zaprla!

Naročnikom in ostalim čitateljem Ameriške Domovine naznanjamo, da ne bomo izdali lista v zadnjem tednu junija. Urad in tiskarna bosta zaprta vključno od sobote, 27. junija, do ponedeljka, 6. julija. —To bomo storili iz razloga, da bodo lahko dobili vsi uslužbenci počitnice, kar bi bilo sicer nekaterim nemogoče.

Dopisnikom in vsem ostalim priporočamo, da vzamejo to vest blagohotno na znanje ter se temu odgovarjajoče ravnajo.

Kdo je pravi morilec?

Dva sta priznala umor iste dekleta. Eden je že tako obsojen na smrt, drugi pa pojde na svobodo, če bo tako odločila porota.

NEW YORK, N.Y. — Lani 20. julija okoli štirih zjutraj je bila v Springfield Gardens od smrti zabodena z nožem ali ostrimi škarjami 15 let stara Barbara Kralik v domačem stanovanju. Predno je mogla o napadalcu kaj točnejšega povedati, je umrla pred očmi zaprepaščenega očeta.

Morilec naj bi bil odstranil mrežo z okna v pritličju ter se mimo spalnice staršev utihotopil v dekletovo sobo, pa nato po isti poti tudi izginil. Policija je 29. avg. prišla pretekli tork 19 let starega Alvina Mitchella, ki je pri policijskem zaslišanju priznal, da je dekleta zabodel, ko je prišel v stanovanje, kjer je iskal neko drugo, znano dekletko. Ko je Barbara začela kričati, jo je zabodel z nožem. Kasneje je med sodno razpravo to priznanje prekalal češ, da je bilo izsiljeno.

Letos 19. marca je policija prejela 29 let starega črnca Wintona Moseleyja, ki je bil obtožen, da je 13. marca zabodel v Queens Kittie Genovese, ko se je vračala domov iz gostilne, ki jo je vodila. Ta umor je pretresel ves New York, ker je po poročilu policije 38 ljudi slišalo klic napadene na pomoč, pa ji ni nihče prišel pomagat niti ni nihče klical policijo. Moseley je tekom zaslišanja vse priznal in povedal, da je umoril tudi dve drugi ženski, med njimi Barbaro Kralik, pet drugih poslil in izvršil od 30 do 40 vlovov tekom zadnjega leta. Moseley je bil obsojen na smrt, čeprav je obramba napela vse sile, da bi ga spravili kot duševno bolnega v norišnico.

Oče umorjene Barbare pravi, da mu je umirajoča hčerka dejala, da je bil napadalec verjetno belec. Mitchell je belec, Moseley črnc.

Nova taktika v Južnem Vietnamu že v teku

SAJGON, Juž. Viet. — Prva poročila iz notranjosti dežele že govorijo o tem, da se je začela nova doba za vojskovanje z rdečimi gverilci. Osnovana je na sledečih stebrih: vsaka provinca naj postane samostojno vojaško in civilno "operacijsko" področje, ki naj bo kar najmanj odvisna od sajgonske vlade.

Dokler tam komunistični gverilci strahujejo prebivalstvo, vodi vse posle v provinci vojaštvo ob sodelovanju z ameriškiimi svetovalci. Kakor hitro mine gverilska nevarnost, prevzamejo civilno upravo domače uprave oblasti, seveda zopet ob sodelovanju z ameriškiimi svetovalci. Tudi svetovalci bodo imeli veliko več samostojnosti kot do sedaj. Posebno bodo lahko odločali o načinu in trajanju podpiranja.

Novega sistema ne bodo začeli izvajati v vseh provincih naenkrat. Ga bodo postopoma uvajali od province do province. Tako je bilo v načelu dogovorjeno že na znani konferenci v Honolulu.

Kongres se žene za 14 dni političnih počitnic

WASHINGTON, D.C. — Predsednik Johnson misli, da ima sedaj Kongres "v rokah". Zato je rekel pretekli tork demokratskim voditeljem, naj gledajo, da bo Kongres čim prej izglasoval kakih 30 zakonskih osnutkov, ki so mnogi med njimi že v postopku. Najbolj pa vztraja na tem, da bi bila do 4. julija izglasovana zakon o civilnih pravicah in zakon o boju proti revščini, drugače ne bo 14-dnevni počitnic od 6. do 20. julija, ki jih republikanci krvavo rabijo za svojo konvencijo.

Ko so v sredo za to izvedeli republikanci, je završalo med njimi. Očitati so Johnsonu ne-hvaležnost, ker so toliko in tako vneto sodelovali pri zakonu o civilnih pravicah. Kongresni demokrate dajo deloma prav republikancem in ravno te dni skušajo pregovoriti Johnsona, naj bo bolj obziren in naj ne vztraja, da mora do 4. julija biti sprejet tudi zakon o boju proti revščini.

O usodi ostalih zakonskih osnutkov, ki ležijo Johnsonu na srcu, se debata še ni začela, bo pa gotovo trajala ves prihodnji teden.

Guvernerske konference prilika za razkošna darila

WASHINGTON, D.C. — Prišlo je v navado kar samo po sebi, nihče ne ve, kdaj, da porablja velike industrije guvernerske konference za priliko, da dajejo vsem prisotnim guvernerjem razkošna darila. O korupciji je težko govoriti, ker je teh dobrot deležno 45-50 guvernerjev, toda darila sama gotovo niso samo izraz hvalečnosti ali nesebičnosti.

V Clevelandu so dobili guvernerji na primer radio in televizijske aparate, športno obleko, električne aparate za gospodinjstvo itd. Hvaležni darovalci so svoj postopek označili kot "propagando za ohajske izdelke". Vendar pa pomenijo ta darila grenke občutke tudi za guvernerje. Ne da bi se dail braili, bojijo se samo sitnosti, kadar pridejo njihove države na vrsto za konference.

Guverner Powell iz New Hampshireja je na primer predlagal, naj ima vrednost darov neko mejo, ki se ne sme preokračiti. So namreč nekatere države, ki skoraj nimajo nobenih "svojih izdelkov", kako naj pa tam industrija dela propagando zanje, ako jih sploh ni. Razume se pa na drugi strani, da imajo guvernerji na svojih konferencah druge skrbi in da si ne belijo radi glave z darili. Počemu imajo pa svoje žene seboj?

Erhard poročal o Johnsonu

BONN, Nem. — Nemški kancler je za zaprtimi vrati poročal svojemu parlamentarnemu klubi. Tudi svetovalci bodo imeli veliko več samostojnosti kot do sedaj. Posebno bodo lahko odločali o načinu in trajanju podpiranja.

Novega sistema ne bodo začeli izvajati v vseh provincih naenkrat. Ga bodo postopoma uvajali od province do province. Tako je bilo v načelu dogovorjeno že na znani konferenci v Honolulu.

bridkega konca". Zato Johnson ne gleda s posebnim zaupanjem v sedanje zatišje v mednarodni politiki.

Erhard je zato takoj sklenil, da ne bo delal nobenih gospodarskih in političnih kupcij s kitajskimi komunisti, da ne bi imela Amerika radi tega kakih sitnosti.

To je bil najbrže tudi povod za Erhardovo stališče, da sedaj ni čas, da bi govorili o sestanku med njim in Hruščevim.

Nadškof E. Hoban obžaluje odločitev Vrhovnega sodišča

CLEVELAND, O. — Nadškof E. Hoban je označil odločitev Vrhovnega sodišča o francoskem filmu "Ljubimci" za "nesrečno" in škodljivo, ker bo omogočila predvajanje opolzkih in drugih nespodobnih filmov. Izrazil je upanje, da časopisje ne bo nutilo možnosti širokega oglaševanja takih filmov.

Katoličane je opozoril na Ligo dostojnosti in njene ocenitve filmov, ki povedo, kateri film je primeren za javno predvajanje in neškodljiv javni morali. Razumljivo je, da katoličani ne bodo obiskovali kino-gledališč, ki opolzke in nespodobne filme predvajajo, tudi tedaj, ko bodo imeli za spremembo na sporedu kak dostojen film.

Schaefer je tisto pivo, ki ga vzamete, kadar mislite na več kot eno.

Kadar ste res žejni, tekne prvo hladno pivo — vsako hladno pivo — naravnost čudovito.

Toda kasneje, pri drugem in tretjem kozarcu, začne večina piv izgubljati okus. Izgleda kot bi postala nekako prazna.

Toda Schaefer je drugačno. Užitek Schaefer piva po eni ali dveh časih nikoli ne izgine.

Se celo tedaj, ko je vaša žeja prešla, ima Schaefer prijeten in krepilni okus.

To je kakovost, ki loči Schaefer od drugih finih piv. Ljudje pra-

vijo, da jim daje to krepilno mrazo, bleščeče zlato Schaefer pivo isti polni užitek čašo za čašo.

Oni so dejansko deležni užitka prvega piva pri vsakem pivu. Čemu torej vi ne poskusite Schaefer piva?

Prihodnjic, ko kupujete, vzemite en šeststeklenični zavo ali morda dva.

Ugotovite sami, zakaj imenujejo Schaeferja pivo, ki ga vzamete, kadar mislite na več kot eno.

Pojdite na svetovni velesejem v New York?

Paterson, N. J. — Morda bo prav, če upoštevate sledeče nasvete:

1. Če le morete, ne hodite v počitnicah, marveč, ko se bo šola zopet začela, ali pa prihodnje leto. Velesejem bo odprt do 18. oktobra. Zdaj je hud naval. Hoteli v New Yorku so prenapolnjeni in dnevno pošiljajo na tisoče turistov prenočevati ven iz mesta.

2. Oskrbite si prenočišče po možnosti vnaprej. Ceneje boste shajali, če prenočujete kje zunaj New Yorka, od koder je dobra zveza. V New Yorku so mnogi hoteli občutno dvignili cene.

3. Če bi si radi velesejem dobro ogledali, potrebujete več dni. Vstopnina je \$2, za otroke do 12. leta \$1. Če je družina ali družba večja, se splača kupiti zvezek z 20 vstopnicami za \$30, otroških \$15. Računajte z dejstvom, da je za več razstav treba plačati še posebno vstopnino, in da je na velesejmu veliko privlačnosti za odrasle in za otroke, ki praznično žepo. Hrana je na velesejmu razmeroma zelo draga, zato se rajši prej pošteno podprite.

4. Z avtomobili je v New Yorku križ. Velesejmski prostor stoji sicer ob treh velecestah, zato je kaj lahko priti do njega, traja pa dolgo, da s ceste privedete na velesejem. Najprej morate v dolgi vrsti čakati, da morete na prostor za parkiranje, kjer boste plačali \$1.50, potem se morate postaviti v vrsto in čakati na avtobus, ki vas popelje k vhodu na velesejem. Ko pa odhajate, se pa zgodba začenja pri avtobusu. Zapomnite si dobro, na katerem prostoru za parkiranje, — jih je namreč 5 — ste pustili svoj avtomobil, da boste vedeli, s katerim avtobusom se potem vrniti do njega.

5. Javnih prevoznih sredstev na velesejem je vse polno. Vsi večji hoteli imajo svoje avtobuse, prav tako nekatere letalske družbe, ki prevažajo kar z letališč. Tudi vse avtobusne družbe. Prednost teh avtobusov je, da pripeljejo tik do vhoda na velesejem in tam parkirajo, zato jih je lahko najti za povratek.

S Pennsylvanske železnice postaje vozi Long Island vlak do vhoda na velesejem. Stane 50 centov. Najboljši in najcenejši prevoz je pa s podzemsko železnico. Na Times Squaru ali na Grand Central je treba vzeti IRT Subway, ki vozi na Flushing. Zdaj to linijo kratkoma imenujejo World's Fair Line. Glejte, da vstopite po možnosti na ekspresni vlak, ki se od Grand Centrala do velesejma nič ne ustavi. Vozi predpoludne in zgodaj popoldne, nazaj pa v večernih urah. Iz Times Squara odpelje vlak vsake 3 minute, enkrat ekspresni, drugi lokalni.

Če naletite ob povratku na velesejmski postaji na preveliko gnečo, vstopite rajši na vlak, ki pripelje s Times Squara in se peljete naprej do končne postaje v Flushing — le ena postaja — pa ostanite v vlaku, ker bo od tam čez 2 minuti odpeljal nazaj.

Prednost vožnje s podzemsko železnico je v tem, da se s katerekoli točke v New Yorku pripeljete na velesejem za 15c. Ko kupite tokene, prosite za načrt podzemске železnice, da se z njo seznanite. — Mestna uprava je dala v promet 430 novih vagonov na velesejmsko progo, ki je dolga nekaj več kot 8 milj.

Najhitrejša, a tudi najdražja zveza pa je s helikopterjem z vseh treh letališč in z Wall Streeta. Vas postavi kar na streho velesejmskih prostorov za \$8.

6. Ni težko priti na velesejem. Vse ceste imajo jasne in vidne napise, ki vas usmerjajo tja. Prav tako postaje podzemске železnice, ki tudi povedo, kje in kam prestopiti. Dobro si pa zapomnite, kako se z velesejma vrniti na vaše bivališče. Za to ni napisov.

7. V New Yorku se izogibljite Harlema in drugih zamorskih naselbin, zlasti ponoči.

8. Če hočete svoje prijatelje po svetu iznenaditi, pošljite jim razglednico iz Vatikana. V vatikanskem paviljonu boste našli avtomat, ki vam bo za quarter postregel z razglednico s sliko sv. Očeta. Napišite jo in jo vrzite zopet v avtomat. Letela bo v Vatikan, kjer ji bodo prilepili vatikansko znamko in jo poslali naslovniku.

9. Slovensko službo božjo v New Yorku boste našli v cerkvi sv. Cirila na 62 St. Mark's Place v Manhattanu. Sedež Lige je pa na 5733 Catalpa Ave. v Brooklynu.

Rev. dr. Franc Blatnik, SDB.

Unče, sežnji in druge težave

Astin, ravnatelj ameriškega zveznega urada za mere in uteži, se je pridružil tistim, ki predlagajo, naj tudi ZDA čim prej zamenjajo sedanje mere in uteži z enotami decimalnega merskega sistema. V senatnem odboru je dejal, da bi postopni prehod stal približno tri milijarde dolarjev v prvem letu. "Če se bomo vzorovali po Angliji, od katere smo prevzeli stare mere," je dejal Astin, "bo še dolgo ostalo vsem pri starem."

Prva angleška komisija je proučevala možnosti za prehod na decimalni sistem že leta 1824, potem so ji sledile še štiri druge, uspeh pa je vsaj doslej samo to, da so začeli Angleži leta 1962 meriti temperaturo s Celzijevimi (prej s Fahrenheitovimi) stopinjami. Le posamezna britanska podjetja so zaradi izvoznih kupčij uvedla decimalne merske enote, razen tega pa znanstveniki tako v ZDA kakor v Veliki Britaniji že vrsto let merijo s kilogrami in z metri.

V glavnem se Angleži in Američani še vedno ubadamo s pinti, sežnji in unčami, torej z merskimi enotami, ki jim je že Karel Veliki položil temelje.

Poklicni vzgojitelji so izračunali, da potrebujejo angleški otroci četrtno več časa kot njihovi vrstniki na evropski celine, preden se dobrega seznanijo z osnovnimi merskimi enotami in pretvorniki med njimi. Mnogi se pritožbe in težave evropskih podjetij — je dejal Astin v senatnem odboru — ki se morajo ameriške bušle, sode, škatle in mernike preračunavati v litre in kilograme. Posebnost je še to, da pomeni ista merska enota drugo težo za različno žito (bušel rži je 25.4 kilograma, bušel ovsu pa le 14.5 kilograma). Barel (sod) nafte ima — povsem razumljivo — drugačno težo kot barel bencina.

Celo Angleži se zlahka zmedejo, kadar nanese beseda na galono (približno 4.5 litra) votlo mero, ki je v ZDA prostorninsko za pet odstotkov manjša od istoimenske angleške merske enote.

Najbolj svojevrstne so merske enote v lekarnah in v trgovini s papirjem. Tradiciji verni angleški apotekarji še vedno z zrnci in z drahmami tehtajo zdravila, papir pa se prodaja po normah, kot so "cesar", "dvojni slon", "veliki orel" in "topovski naboj".

OB PRVI OBLETNICE ODKAR JE UMRLA MOJA PRELJUBA MAMA

Jožefa Belle

Izdihnila je svojo blago dušo dne 4. julija 1963.

Hvala, moja zlata mama! vso ljubezen si nam dala, vse moči in vse skrbi. Rajski mir, nebeška sreča naj bo Tvoja v večnosti.

Tvoja zalujoča hči MIMI
Cleveland, O., 26. junija 1964.

Tudi sicer je razdelitev angleških mer prava preizkušnja naglega računanja na pamet, zato šolarčkov, ki si še s poštevanko belijo glavo, nikakor ni mogoče poslati nakupovat. Tuji turisti plačajo visoko "solnino", preden doumejo, da ima funt 14 unč in da je 14 funtov "stone" povsod — z izjemo mesa in rib, kjer ima "stone" samo osem funtov.

Kljub tej zapletenosti pa so se te srednjeveške mere in uteži trdno zasidrale v zavesti angležke in ameriške javnosti. Kdor jih bo skušal odstraniti, oziroma zamenjati z decimalnimi, bo moral ne le pripraviti izdatna finančna sredstva, marveč premagati tudi ne glede na splošno korist po vsej verjetnosti močan odpor med prebivalstvom.

Salomonska sodba

Tak vzdevek je dal neki škotski list kazni, ki jo je izreklo neko glasovsko sodišče proti 18-letnemu pristaniškemu delavcu Johnu Pattonu: fant, navdušen športni navijač, se je tako razvnel na nogometni tekmi, da je grdo opsoval sosede na tribuni, z nekaterimi gledalci pa se je stregel.

Sodba se glasi: vsako soboto ob pol štirih popoldne se mora Patton do nadaljnjega javiti na policijski postaji v svoji mestni četrti. Dežurnemu stražniku je dolžan pol ure opisovati svoje doživljaje v minulem tednu — vse to prav v času, ko se 'njegov' nogometno moštvo "Glasgow Rangers" podi za žogo in se bori za zmago...

VELIKI JEZ

ROMAN IZ IRSKE

Polkovnik je obmolnil. V sobo je stopil upravnik in videl naše prazne čaše.

"Če žele gospodje oditi v svoje sobe, sem jim na razpolago."

Ko sem bil zopet v svoji sobi, sem najprej mislil, da me je potovanje zelo utrudilo. Legel sem takoj v posteljo. Tedaj pa mi je bilo jasno, da sploh ne morem misliti nato, da bi takoj zaspal.

Šel sem h knjižni omari, katere steklena vrata so odsevala iz najtemnejšega kota v sobi. Vzel sem prvo knjigo, ki mi je prišla v roko, in sem legel zopet v posteljo.

Bila je knjiga "Tristram Shandy". Kake pol ure sem čutil v sebi čudno razpoloženje, ki prihaja v človeka, kadar v tuji hiši bere že znano knjigo.

Zunaj so plapolale zastave. Ko sem prišel do poglavja "Kar naredim, naredim napako," so se zastave umirile. Začelo je deževati.

Ugasil sem luč. Iz daljave sem še slišal šum valov, ki so udarjali ob obalo.

Precej časa je minilo, preden sem zaspal.

Prvi dan, ki sem ga preživel v gradu Kendalu, je zelo važen za nadaljnji razvoj te zgodbe. Zato moram prositi oprostjenja, da navajam najmanjše podrobnosti, ki so se dogodile na ta dan.

Najprej moram priznati, da sem slabo spal. Ko sem se

zbudil, sem bil v svoje začudenje v irski sobi in sem se veselil, da sem ušel vsemu vsakdanjemu. To je bilo v teh časih, v katerih sem živel, posebno prijetno.

Odprl sem okna, ki so udarila ob zid. Pred menoj je bil park s temnimi tratami, na katerih je stkal dež mokro kopreno. Na sivem nebu so se dvigali z zlatom obrobjeni oblaki in dajali slutiti, da se bo vreme zboljšalo.

Ko sem končal z oblačenjem, je bilo že jasneje in šumenje vode s streh je že popolnoma ponehalo.

Pozvonil sem Williamu. Prišel je v sobo in mi je prinesel zajutrek.

"Ura še ni osem," sem mu rekel, "in, ker imam čast, da me bo gospod grof sprejel šele ob enajstih, sem se namenil, da grem medtem na kratek sprehod."

"Vaša milost," je odgovoril William, "bi si lahko ogledala opatijo v Ardfertu, ki jo je pred davnimi časi zgradil naš veliki svetnik Brandon, ko se je vrnil z ameriškega potovanja. Od tu je dve milj do tam. Konja ima vaša milost na razpolago."

"Ni vredno," sem rekel, "grem rajši peš, ker nimam namena iti že prvi dan kam daleč. Ali ni morje prav blizu?"

"Prav blizu, vaša milost, z oken na zahodni strani je lep razgled proti morju. Vaša soba, kakor tudi sobe vseh ostalih gostov, je obrnjena na vzhod. Tako je določil gospod Ralph zaradi tega, da bi pri hudem viharju gospode v spanju nič ne motilo... Toda če bi vaša milost želela..."

"Ne, ne," sem dejal, "ta soba mi zelo ugaja."

Stopil sem skozi glavna vrata v park in sem najprej obšel grad. Na severni, južni in vzhodni strani je bil obdan s precej globokimi jarki, na zahodni strani pa je bil zavarovan z velikim prepadom.

bilo ob vznjožu gradu že morje. V skalo je bila vsekana čudovita steza, ki je držala navzdol. Od daleč se je videlo morje, razburkano po velikanskih valovih, ki so se zgubljali na pešeni obali. Po obali je hodil tu in tam kak ribič.

Opazoval sem grad. Med protestantskimi vojnami je moral mnogo pretrpeti. Leta 1649. ga je obiskal Cromwell s svojimi plačanimi vojaki in topničarji. Kamen ni ostal na kamnu, kamor je prišel "stari ničvrednež", kakor so na Irskem običajno rekli "lordu protektorju". Izmed štirih grajskih stolpov je Cromwell podrli tri, četrtega pa je na obeh straneh zažgal. Današnje podobo je grad dobil šele šestdeset let kasneje, ko ga je zopet sezidal grof Jacques Kendale, in sicer z dobičkom od stave, ki mu je vrgla deset tisoč funtov. Grajski lastnik je dobil to stavo od kraljice Ane. Posestvo, ki je tedaj pripadalo gradu, je bilo desetkrat večje kot danes. Zaradi zapravljivega življenja kendantskih grofov in zaradi zaplomb se je posestvo močno zmanjšalo. Vendar pa je bil grad s tisoč osem sto orali zemlje še vedno stalen predmet zavisti angleških veleposestnikov iz sosesčine. Tako je bilo leta 1914. Ko pa je prešel grad v last grofa Antrima, so zgubili mejni sosedje vsako upanje, da bi si bilo mogoče pridobiti to krasno posestvo.

Sonce je posijalo skozi oblake. Ta posebna pokrajina, ki me je obdajala, se je hipoma zasvetila v mokrik barvah. Živahno sem hitel po lahni jutranji sapici.

Po stezah, ki so zginjale pod majhnimi oboki robidnic, so peli liščki, našopirjeni od nedavnega dežja. Šel sem čez polja, ki so bila ograjena s tri do štiri čevlje visoko kamnitimi ograjo, po strmih travnikih. Potočki so brzeli med travo z naglico, ki jo povzročajo zgodnji pomladanski naliivi. To živo in poskakajoče žuborenje zveni povsem drugače kot pa šumenje potoka v jeseni. Pred menoj je zletela divja gos, ki sem jo najprej imel za srako.

Močvirje je sedaj zamenjala široka ravnina, ki je bila pokrita tako daleč, kot je segalo oko, z lepim rjavkastozametnim resjem. Stopal sem po trati. Kdaj pa kdaj je zletel pred menoj neokreten ptič, ki je imel rdečkasto barvo, dolge mahedrave noge, prav tako rumene kot vrat... Bil je večni gost v tej osamelosti, kjer je še bodiče žalostno trepetalo.

Ves čas tega dveurnega sprehoda nisem srečal niti onega kmeta in nobene žive duše. Videl pa sem tri ali štiri

zapuščene kmetije s ščetinasto streho in razpadajočim zidovjem. Stopil sem v eno teh zapuščenih bivališč. Trava in osat sta se bohotila v njem in žalostno so odmevali od praznih sten moji koraki...

Nič ni moglo dati bolj prepričljive slike obupne kmečke politike, ki je privedla tako daleč, da se je število prebivalstva na rajskem otoku v komaj enem stoletju skrčilo za polovico. Medtem ko so zaradi slabega gradiva propadale revne in zapuščene kmetije, so si lepe grofice britanskega cesarstva postavljale palače iz slonovine in zlata.

Nadaljeval sem pot ob globeli. Kar zaslišim glas dirajočega konja. Kmalu sem ga zagledal pred sabo. Stopil sem stran, da bi se mu izognil, tedaj pa sem opazil, da ima žensko sedlo in da visijo vajeti nizdol.

Hipoma sem se domislil, da se je morala zgoditi nesreča. Ko je bil konj prav tik mene, sem zagrabil za vajeti. Odkočil je, da bi se mi iztrgal, pa ni dosegel nič več kot to, da me je zamazal. Pridržal sem ga močnejše in ni se mi več upiral. Bila je krasna črna

KAKO VLAGATI V NEPREMIČNINE

Pridobivanje novih nepremičnin, nove zemlje še ni mrtvo. Se vedno je mogoče najti v naši deželi za nakup dobro zemljo... posebno v naglo se razvijajoči državi Arizona. Se vedno si lahko izberete dobro zemljo za veliko manj, kot bi pričakovali.

Zakaj Arizona? Ker cene zemlje zavise od števila ljudi, ki hočejo vašo zemljo kupiti. Današnja cena temelji na številu ljudi tam in na današnjem povpraševanju... cena jutri bo temeljila na jutrišnjem številu prebivalstva in na jutrišnjem povpraševanju. Zemljo je treba kupiti v naglo se razvijajočih predelih. Arizona je med najhitreje rastočimi predeli vse dežele... z največjo možnostjo dobička.

Treba je staviti še druga vprašanja in dati odgovor na nje.

Kako morete kupiti dobro zemljo? Imajo nekatera zemljišča boljše možnosti kot druga? Kako morete povedati, katero je boljše kupiti? Na kaj morate posebno paziti? Kake prednosti imajo nakupi od izkušene korporacije za razvoj zemljišče? Je še vedno na razpolago dobra zemlja po sprejemljivih cenah in pogojih? Je kako jamstvo, da so ta zemljišča pravilno zastopana?

Da dobite odgovore na ta in ducaat drugih bistvenih vprašanj, pošljite še danes ta kupon. Nobene obveznosti!

OB PRVI OBLETNICI ODKAR JE IZDIHNIL SVOJO PLEMENITO DUŠO NAŠ LJUBLJENI SOPROG, OČE, BRAT

Matt F. Intihar

Preminul je dne 2. julija 1963.

Ura slovesa pred letom je bila; težke ločitve spomin se budi, ljubezen do Tebe pa vedno je živa, v vsem našem življenju kot lučka gori. Ti v zborih nebeskih prepevaj zdaj slavo, mi v sveti ljubezni s Teboj smo vsak čas; kjer Stvarnik je Tvoje neskončno plačilo, tja s svojo priprošnjo pripelji še nas.

kobila. Sedlo in vajeti so bile iz zelo finega usnja in stremena so izdajala odlično lastnico.

"Tu je možno samo eno," sem si mislil, "usmeriti sprehod tja, od koder je prišla lepa begunka. Prav nič se ne bi čudil, če bom kmalu..."

Pospešil sem korake v velikem pričakovanju, ki se je že mešalo z nemirom.

Nisem še naredil niti sto korakov, ko sem na nekem ovinku zagledal prihajati naproti damo v jahalni obleki. Nosila je na levi roki vlečko svoje jahalne obleke. Na obrazu se ji je odražala vidna nejevolja. V desni roki je imela jahalni bič, s katerim je pri hoji nervozno udarjala po robidnicah ob potu.

Veselo je vzkliknila, ko je zagledala konja:

"Ah, tukaj si, miss Peg!"

Kobila je obstala in je boljše hrkala.

Jahalka se ji je počasi blizala z dvignjenim bičem. Z rahlim gibom je pokazala svoje začudenje, ko je opazila, da na tej močvirni stezi ni srečala navadnega kmeta, — kupujte U. S. Saving bonds!

temveč mene. Hkrati je tudi opazila, da sem oškropjen z blatom. Takoj je uganila vzrok in se zasmejala.

Naznanilo in Zahvala

Previden z zadnjimi tolažili sv. vere je odšel k Gospodu dne 29. maja 1964. leta.

Rojen je bil 18. februarja 1888 v vasi Dobravlj pri Ajdovščini na Primorskem, odkoder je prišel v Ameriko leta 1911.

Pogreb se je vršil 3. junija 1964 iz pogreb. zavoda A. Grdina & Sons v cerkev Marije Vnebovzete, kjer je za pokoj njegove duše bila darovana sveta maša zadošnica. Potem pa smo njegovo truplo prepejali na pokopališče Kalvarija in ga tam položili k večnemu počitku v družinsko grobnico.

Pokojnik je bil član društva Vipavski raj št. 312 SNPJ in društva Kras št. 8 SDZ.

V dolžnost si štejemo, da se s tem iskreno zahvalimo č. g. duhovniku iz fare St. Felicitas, ki je pokojniku podelil zadnja tolažila sv. vere. Father Matiji Jagru so zahvalimo za molitev sv. rožnega venca v pogrebem zavodu in za spremstvo na pokopališče. Father Rebol sprejmi našo zahvalo za darovano sv. mašo zadošnico. Lepo se zahvalimo č. g. duhovščini, ki so ga prišli kropiti in to: Father Godina, Father Varga, Father Step, Father Osborn, Father McNally in Zather Zagore.

Srečna hvala vsem, ki so ob oder pokojnika položili tako lepe vence cvetja in mu s tem izkazali svojo ljubezen in spoštovanje. Hvala vsem, ki so darovali za sv. maše in za dobrodelne namene.

Hvala vsem, ki so ga prišli kropiti in moliti ob njegovi krsti, vsem, ki so se udeležili pogrebne sv. maše in vsem, ki so ga spremili na pokopališče. Posebej se zahvalimo članom društva, ki jim je pripadal, za lepo slevo od svejega umrlega sobrata.

Toplo se zahvalimo članom društva Najsvetejšega Imena fare Marije Vnebo-

vzete za molitev sv. rožnega venca ob krsti pokojnika v pogrebem zavodu.

Toplo se zahvalimo pogrebeem, članom društev, ki jim je pokojnik pripadal in ki so nosili njegovo krsto.

Hvala vsem, ki so dali svoje avtomobile brezplačno na razpolago za spremstvo na pokopališče.

Iskrena hvala vsem, ki so nam pisмено ali ustmeno izrekli svoje sožalje, kakor tudi vsem, ki so nam v dnevih boleznini pokojnika in ob njegovi smrti bili na pomoči.

Hvala g. Martinu Rakarju za lepe žalostinke, ki jih je med sv. mašo zadošnico pel v slevo pokojniku.

Toplo se zahvalimo osebu pogrebne zavoda A. Grdina & Sons za vzorno ureditev vseh pogrebnih priprav in za odlično urejen pogrebni priprad.

Razposlali smo zahvalne kartice vsem, ki so prispevali, darovali ali z nami sočustvovali. Ako kdo take kartice ni sprejel, naj nam blagohotno oprostilo in naj s tem sprejme našo globoko zahvalo!

Dobri Bog Te je končno rešil trpljenja, ki si ga v svoji dolgi boleznini prenašal, vedno vdan v božjo voljo. Vzel Te je k Sebi, da Te obilno poplača za vse dobro, ki si ga na tem svetu storil. Mi žalujemo za Teboj in se Te bomo vedno spominjali v naših mislih in molitvah!

Ti, o Jezus naš premili, zlij na dušo Rešnjo Kri, Ti dobrotno se ga usmili, raj nebeski mu odpri!

The Last Frontier

It is just as normal to live in the Arctic and Antarctic as in other parts of the world—and more normal than tropic dwelling.

That conclusion by the World Health Organization (WHO) is based on reports by medical and public health experts of 11 countries with interests in the polar regions. As far as the human body is concerned, the authorities say, adaptation is relatively easy.

"No special diet is necessary," they conclude. "Eskimos do not eat seal blubber to keep warm but because it is an excellent all-around food—and they like it."

Spurred by commercial and strategic interests, the popula-

tion is increasing year by year in the Arctic and Antarctic, which account for nearly one-fourth of the globe's land mass. Both the United States and Canada are developing their Far Northern regions. Siberia's population growth exceeds half a million a year.

Even Antarctica, the "white continent," has lost its terror. Nearly 300 men live throughout the year at U.S. Antarctic bases; at the height of the summer season, the population rises to 1300 civilian scientists and military men. A dozen other nations also man bases on the continent.

The conquest of the last terrestrial frontier is in sight.

10,000 Free Bats

In this city where baseball is supposed to be dead, a flash crowd of 30,015 stormed the turnstiles on Sunday, June 14, for the largest attendance of the 1964 season.

The lure was a free baseball bat. Not an automobile, nor refrigerator, nor electric stove, nor nylons for the ladies — but a bat.

The Indians ordered 10,000 Louisville Slugger bats to be given to youngsters who attended the double-header with an adult. The long lines started to form at the ticket windows an hour before game time.

When the 2 p.m. starting time arrived, there were still close to 5,000 fans trying to get into the park. Several thousand others had given up and were heading back up the hill to their automobiles.

It took all the help the Tribe office could muster to get the crowd inside the gates by the third inning of the first game. By that time, all the bats had been distributed and those fans who didn't get one were given slips of paper on which to write their names and addresses and to deposit in boxes at each gate during or after the game.

More than 3,000 bats were mailed to these fans during the week.

"Marvelous!" was the first word uttered by President-General Manager Gabe Paul. "It certainly indicates that an attendance explosion can happen in Cleveland. It was a surprise crowd because the advance sale didn't indicate that many."

N.L. Umps Withdraw Strike Threat, Will Meet With Exec Group, July 6: National League umpires have withdrawn threats of a July 3 strike.

The N.L. umpires will meet with the league's Executive Committee in New York, July 6, to discuss a pension plan increase.

John J. Reynolds, Chicago attorney who represents the Association of National League Umpires, said the group's original deadline for "appropriate action" if pension payments were not hiked, would be suspended pending results of the meeting.

The meeting will be held the day before the annual All-Star Game in Snea Stadium.

Twins May Play League All-Stars

A combination of circumstances, not the least of which is Casey Stengel's 74th birthday, endangers continuation of the International League's all-star game against major league opposition.

The world champion Los Angeles Dodgers, who had accepted the invitation to play the I.L.'s best here on July 30, were obliged to back out and the game has been rescheduled for August 18 against another major league team.

Last June 7, the Dodgers and Mets played a 1-1 tie in the second game of a double-header in Shea Stadium. The nearest open date to replay the game was July 30, which also happens to be Stengel's birthday. So Mets' President George Weiss picked that date.

The one hope that the International League's classic can be staged is that the Twins will accept this late overture from I.L. President Tommy Richardson. Tommy notified all I.L. clubs last week to go ahead and schedule postponed games for July 30, an open date on the league chart. Buffalo's War Memorial stadium will be the scene of the all-star game on August 10.

Job Placement Office at St. Joseph High School

This is the second summer, and school year for operation of the Job Placement Office at St. Joseph High School.

"We are extremely in need of jobs for our students," states Mr. Benetti. "Students registering for the job placement service fill out detailed cards listing personal characteristics, type of work desired, and hours available. These are matched with cards filled out by prospective employers contacted by the placement services."

The bureau at St. Joseph High School works with the Ohio State Employment Service and other employment bureaus. Before being sent out on a job interview, students are instructed on proper dress and conduct.

Graduates and students of the school may register in Room 110 for employment, or call Mr. Benetti at IV 1-8414. Employers may place their job placement requests by telephone.

Summer Series of Pops Concerts

A new format gives 1964 "Pops-goers" two chances to hear programs which have proven most popular. In past seasons, two different concerts were presented each week. Maestro Lane and the summer musicians now will offer three performances a week on Wednesday, Friday and Saturday at the Public Auditorium. The weekend programs will be double servings, with the Friday program repeated the following night.

Broadway Night, Wednesday, July 1, brings the Rialto to Cleveland with a program which includes highlights from Frank Loesser's "The Most Happy Fella" and Meredith Willson's "The Music Man." The vocalists are Miss Murray and Norman Atkins.

Assistant Conductor M. Charry steps to the podium on Herbert-Romberg Night, Wednesday, July 8. Anita Darian, Robert Simpson and Jeffrey Lawrence will dispense aural crowd-pleasers from "The Red Mill," "Babes in Toyland," "The Desert Song" and other durable delights.

Henry Mancini — whose radiant sounds and scores have won him a coterie of Grammys and Oscars — makes a triumphant return to his hometown on Friday and Saturday, July 10-11. Last year, in ONE appearance, the Academy Award-winning Composer-conductor set the all-time "Pops" attendance record of 8,333.

The "King of Tin Pan Alley," Cole Porter, is saluted on Wednesday, July 15. Betty Benec, Louise Carlyle, William Tabbert and John Tyers — master vocalists all — contribute "Popsicals" from "Anything Goes," "Can-Can," "Kiss Me Kate," and other top musicals.

Peter Nero, another entertainment notable who made the turnstiles whirl last summer, returns with his sizzling Steinway for a double date on Friday and Saturday, July 17-18.

One of the most exciting in-person musical acts in show business, the Four Freshmen, makes its first Cleveland "Pops" appearance. The famed group will present tender ballads and uptempo swing tunes on Wednesday, July 22.

Rodgers and Hammerstein — the composing team that authored music for "South Pacific," "The King and I" and other Broadway bonanzas — will be hailed on Friday and Saturday, July 24-25. Protagonists in this songfest are Bonnie Murray, Patricia Marand, William Tabbert and Jack Russell.

The summer series draws to a close with "Tops of the Pops," Friday and Saturday, July 31-Aug. 1. This rich dessert is served with a topping of Bonnie Murray and Jack Russell.

A big "Pops" plus, in addition to the summer series, is the first Cleveland appearance in 53 years of the famed Salt Lake Mormon Tabernacle Choir. The 375-voice chorus performs here with Maestro Lane and The Cleveland Summer Orchestra on Wednesday, July 29. Because of the costs involved, tickets for this special event range in price from \$2 to a \$5 top.

The "Pops" Chorale, a dedicated mainstay of this summer music festival, will intone nine of the 15 events with its special brand of joie de vivre.

Tickets for tables in the main floor patio area, and seats in the balcony and mezzanine are available at Severance Hall, 11001 Euclid Avenue; Burrows, 419 Euclid; and through all Burrows stores. For the first time, discounts for groups of 25 or more are available for all concerts. Call CE 1-75001.

VACATIONS

Vacations are wonderful. Nothing like them to relax and refresh you, and give you a happier, healthier outlook on life. That is, if you take a little common sense along with you on your vacation.

Every year, people come back from vacations with raw sun-burned bodies. Others come back limping from twisted ankles or busted legs. Don't let this happen to you. Take it easy those first days in the sun, and don't try to play like a teenager if you're not one.

Then there are the guys who get careless at the beach or in a boat and get into trouble. Stay away from the water if you can't swim.

One of the biggest dangers of all is to travel by car. Thousands of vacation trips have ended with a traffic mishap that brought injury and death. Put some courtesy, caution, and common sense into your driving.

Enjoy yourself on your vacation, but take it easy. Apply safe thinking in your leisure time just as you do on the job.

Cleveland "Pops" Orchestra Samples Broadway's Fabulous Showers On July 1

Conductor Louis Lane and The Cleveland Summer Orchestra take a carefree stroll down the Great Asphalt Way on Wednesday evening, July 1, at 8:30 in the air-conditioned Public Auditorium.

They'll sample airs from several of the most entertaining Broadway musicals of recent years by Leonard Bernstein, Meredith Wilson and Frank Loesser. The latter, of course, is the brother of famed Cleveland personality Arthur Loesser.

Soprano Bonnie Murray and Baritone Norman Atkins, both well known to Broadway theatregoers as well as Cleveland "Pops" audiences, will head the voice brigade. With The "Pops" Chorale assisting, they'll dispense warm, sunny and sentimental highlights from Willson's "The Music Man" and Loesser's "The Most Happy Fella."

Maestro Lane and his 80-plus fair weather musician friends will touch upon instrumental points of interest from Bernstein's most notable shows.

The Broadway Night-opener is the overture to "Candide," followed by a trio of scenes from "On the Town." These three episodes are labeled "The Great Lover," "Lonely Town" and "Times Square." The final measure in the round of Bernstein bars is "West Side Story." Mr. Lane will present vibrant symphonic dances therefrom. This 1957 musical later went on to success in Hollywood. The film version captured the Academy Award in 1961.

Also crawling their name across the Broadway blackboard will be The Chalk-Dusters, a Canton barbershop quartet made up of high school music teachers. For one thing, The Chalk-Dusters promise

they'll be "Standing on the Corner" watching all the girls go by.

Bonnie Murray, who performs here in three programs this summer, has appeared at the "Pops" virtually every season since 1956.

Born in Middletown, O., the lovely blonde singer has appeared with equal success in musical comedy, light and grand opera, supper clubs and on television. Miss Murray comes to Cleveland fresh from the Camellia House of Chicago's Drake Hotel where she was hailed as a "spectacular thrush."

Norman Atkins made his "Pops" bow in 1955 and has established himself as a favorite here in succeeding years. The baritone was acclaimed for his interpretation of "Tony" in the recent New York City production of "The Most Happy Fella." Since his 1949 Carnegie Hall debut, Mr. Atkins' "rich and robust voice" has won him constant acclaim on radio and television, in concert, opera and the musical theatre.

David Johnson, who appeared here last year on Broadway Night as a member of the delightful Post-Grads, recently formed a new barbershop quartet comprised of Canton high school music teachers. Mr. Johnson, the lead, teaches at Cantor. Lehman. Bruce Shelley, tenor, was at Canton McKinley until this summer. Mr. Shelley also plays drums and has recorded "Jazz from Canton" with his own instrumental combo. William Hamilton, baritone, is director of music at Canton Glenwood. Chuck Ryman, bass, teaches at West Branch.

The next "Pops" is Herbert-Romberg Night or July 8. Tickets for all concerts are available at Severance Hall, 11001 Euclid Ave.; Burrows, 419 Euclid; and through all Burrows stores.

"Pops" Orchestra Serves Up Lerner And Loewe Song-Sorcery On June 26 And 27

Louis Lane and The Cleveland "Pops" Orchestra will serve up sweet-sunged sorcery by Alan Jay Lerner and Frederick Loewe on Friday and Saturday nights, June 26 and 27, at 8:30 in the Public Auditorium.

Soprano Bonnie Murray, Tenor William Tabbert, Baritone Jack Russell and The "Pops" Choral will be on hand for this tribute to a pair of gifted songwriting squires. They will wend their melodic ways through some quarter-of-a-hundred hits from "Brigadoon"; "Paint Your Wagon"; the much-oscared "Gigi"; "Camelot"; the songwriting duo's last success; and "My Fair Lady", the longest run musical in Broadway history. The vocal fare includes "It's Almost Like Being in Love"; "Thank Heaven for Little Girls"; "Gigi"; "If Ever I Would Leave You" and "I Could Have Danced All Night."

Recently "divorced" after an artistic confederacy that lasted 15 years and made them both multimillionaires, Lerner and Loewe remain in union at least as friends — although Lyricist Lerner promptly entered into an alliance with Composer Richard Rodgers.

Bonnie Murray was enthusiastically received in her 1956 Cleveland "Pops" bow and, with the exception of 1959, has returned every summer. Born in Middletown, O., the lovely blonde singer has appeared with equal success in musical comedy, light and grand opera, supper clubs and on television. "In show business parlance," wrote one reviewer, "Miss Murray's in a class act."

Jack Russell, with a long list of credits in every branch of the entertainment world, has been characterized by Variety as "a real pro." Operetta and musical comedy are the young baritone's forte. The handsome singer, whose rendition of "With a Little Bit of Luck" is always a show-stopper here, has

Reporting from Washington

FRANCES P. BOLTON • Congressman, 22nd District, Ohio
450 HOUSE OFFICE BUILDING, WASHINGTON 25, D. C.

LAST CALL FOR ACADEMY EXAMS. In my News Letter of May 30th there was an item about the 1965 appointments to the Service Academies — Annapolis, West Point and the Air Force. I again wish to remind all young men who are interested that the Civil Service competitive examination will be held in Cleveland on Monday, July 13th. Many have written requesting permission to take the exam, but there is still room for more.

Applicants should be actual residents of Ohio's 22nd District, and they must have reached their 17th but not their 22nd birthday by July 1, 1965. This is a wonderful opportunity for young men not only to serve their country, but also to receive an excellent education. I urge all who are interested to write me immediately at 450 Cannon House Office Building, Washington, D. C. 20515.

FEDERAL AID HIGHWAY AUTHORIZATION

Among the measures passed recently by the House was a bill (H.R. 10503) to authorize appropriations for fiscal years 1966 and 1967 to continue the Federal-Aid primary and secondary road construction program and their extensions in urban areas. This legislation is traditionally acted on several years in advance by the Congress in order that the States may have sufficient time for planning their individual road construction programs, including any financing procedures necessary to provide the required State matching funds. Under the allocation formula, Ohio will receive \$29,549,000 for primary, secondary and urban roads in 1966 and 1967.

For the interstate system, we will receive \$190,081,000 in 1966 and \$196,870,000 in 1967.

Ohio has made wonderful progress in its highway program. Of the 1,523 miles of the interstate system to be constructed, 741 miles are now open to traffic and 704 miles are well under way. It has been estimated that Ohio will have 95% of its mileage completed by 1965, which is ahead of schedule by about six years. Ohio ranks sixth among the States in highway progress.

TEACHING CAREERS

A new study indicates that, in spite of an overall shortage of teachers in this country, there is an oversupply in some fields, including men's physical education and certain of the social sciences, such as history and geography. This study, made by the National Education Association, also reveals that approximately 60 percent of this year's graduates are trained for high school teaching, while 60 percent of the demand is for elementary school teachers. Copies of the report, "Teacher Supply and Demand in Public Schools", may be obtained for \$1 each from the NEA, 1201 Sixteenth Street, N.W., Washington, D. C. 20036.

FOOD GUIDE

You can get a new government publication on amounts and types of food needed for an adequate diet by mailing a postcard to the Office of Information, U. S. Department of Agriculture, Washington, D. C. 20250, asking for "Food for Fitness, a Daily Food Guide", Leaflet No. 424.

Blue-Winged Teal Performance Nearly Human

COLUMBUS. — Mother love, with the instinct to protect the progeny, is apparently the same with all species, whether it be bird, animal or human. A recent incident in Delaware County appears to confirm this, the mother being a blue-winged teal duck.

The bird flew about a quarter of a mile alongside the auto of Division of Wildlife Game Protector Richard N. Reece in what evidently was a desperate effort to save her nine ducklings, later found mired in tar on the road.

"I was driving along Horseshoe Road (Delaware County Road 220) when a small duck erupted from the roadside ditch about 50 feet in front of my car," said Reece. "It flew across the road and continued to stay directly alongside at window level, and no more than six feet from the ground."

"I then stopped at a lane to turn around and return to see if the duck had been trying to lead a brood of ducklings across the road. The duck also stopped and returned to where I had first seen her. There I observed a male teal circling the area and found the reason for it. Stuck in tar on the road were nine two-to-three-day-old ducklings, only three of which were still alive. This trio, due to efforts evidently to free themselves, had become hopelessly mired."

"They were too far gone so I disposed of them. The road was literally bleeding tar due to the extreme heat that day. I removed the ducklings and placed them in an adjacent field."

In his report to Dan Armbruster, Wildlife District 1 supervisor, with headquarters here, Reece ended it with this comment: "When I left the pair of ducks was still circling the area."
