### Yugo's Trouble Pose Problems for Car Owners

by Gregory A. Patterson  
*The Wall Street Journal*

These are the best of times and the worst of times for people who want to buy a Yugo automobile.

In the wake of Yugo America Inc's bankruptcy filing recently, some dealers are holding a fire sale on the cars, offering up to \$1,000 off the \$4,500 sticker price. But other Yugo dealers have halted sales, because they fear they won't get reimbursed for warranty repairs.

Times are especially tough for people who already own Yugos and want to get them repaired. Many dealerships are simply refusing to do warranty work.

The uncertainties about sales and service are putting into peril the very reason for the Chapter 11 bankruptcy filing: to allow Yugo America to reorganize and keep selling cars in the U.S.

The company insists it's making progress toward that goal. "The game plan is to continue marketing the Yugo in the U.S. and to continue to support the 120,000 Yugo owners," says Ronald Hoffman, senior vice president for operations. And some dealers

are sticking with Yugo. "It's a good car for our (local) economy," says Richard Kelley, owner of MacKenzie Motors in tiny Brewer, Maine, where incomes are low by national standards. Mr. Kelley continues to sell the car (at about \$400 below sticker price) and says he's honoring warranty claims.

But many dealers paint a far less rosy picture. Crystal Chrysler-Plymouth-Yugo, Kalamazoo, Mich., says Yugo sales in the week after Yugo America's Chapter 11 filing fell 40% from a year earlier.

"The bankruptcy filing didn't do a whole lot for the marketability of the Yugo," says Bruce Bronson, general manager of Brookdale Chrysler Plymouth Inc., a Minneapolis-area dealership. Brookdale, like some other dealerships, stopped selling the Yugo after the filing. About 100 Brookdale Yugos now sit in a storage lot behind the dealership, well out of sight.

Warranty reimbursements are part of the reason Yugo America got into trouble. A year ago, as sales began to drop amid widespread criticism about the Yugo's

quality, the company adopted a broad warranty that even covered windshield-wiper blades. The move failed to halt the sales decline, and now, according to the bankruptcy filing, the company owes dealers \$2.5 million, much of it for warranty repairs.

Some dealers will do warranty work, but only if the owner pays for the repairs and then waits for reimbursement from Yugo America.

Yugo America officials promise to take care of Yugo owners. "If anyone has a problem, tell him to call us," says Mr. Hoffman. In areas where there are no Yugo dealers, the company has serviced customers through independent garages, says Mr. Hoffman. "We've gone through whatever hoops necessary to make sure the customer gets satisfied."

But some owners are going through plenty of hoops of their own. One is Glenn Rahming, of Levittown, Pa., who laid out \$5,000 for a new Yugo GV two months ago. Just two weeks after purchasing the car, Mr. Rahming returned the car to the dealer to get a faulty interior light replaced.

The dealer, Mr. Rahming recalls, said he stopped doing Yugo warranty work. Two other Yugo dealers in the area told him the same thing. Mr. Rahming now is awaiting a call from Yugo's district service manager to address the problem.

Yugo America's woes come less than four years after the car's August 1985 U.S. debut. In April, Malcolm Bricklin, the entrepreneur who started Yugo America, sold his stake in the company for \$14 million to a group of investors led by Mabon Nugent & Co., a New York investment bank. Now he and Mabon Nugent, which wound up with a 33% stake in Yugo America, are trading charges on who's to blame for what happened.

Zavodi Crvena Zastava, the Yugoslavian state company that makes the Yugo, pledges to put up enough money to keep Yugo America in business. But in the end, the fate of the company and of the car will rest on whether Yugo America can inspire confidence in consumers and dealers. Only 260 dealers are left, down from 320 a year ago, and more defections are likely.

## 2 Collinwood Pensioners visit Tangiers (Akron) for polka party

by Jennie Schultz

The Collinwood (Holmes Ave.) Slovenian Pensioners club are on the go again and on January 29 we visited Tangiers restaurant in Akron, Ohio for a Winterfest.

On arrival we were received by officials of Southeastern Trails (bus line) and taken to banquet rooms to be seated. What a setting it was with buffet tables and moving musicians like Jeff Pecon.

After dinner we had dancing for the rest of the afternoon. It would not have been complete without a few photos taken of our group members. Maybe we should call it an afternoon out with my sister. We had Jean Koesel and Rose Lausin.

Mary "Cookie" Gornik and Ann Grzybowski, Rose Rodgers and Frances Erzen, Dorothy Urbancich. Her sister Josephine Klemencic would have been there, but she was cruising on the Caribbean Sea. Also with us were sisters Ann Eichler and Elsie Barbis. We also had a few other members who had a good time. Maybe we could call them fraternal sisters, like Ann Stefancic, Helen Suhy, Lucy Kolodosky, and Mary Krann.

It was a wonderful afternoon spent with friends from other groups as well as ours. Our return trip was great and we are ready to embark on our further travels in 1989!

L. to r., Ann Stefancic, Helen Suhy, Lucy Kolodosky, and Mary Krann.

Ann Eichler and Elsie Barbis.

## Cancer Answers

I read a recent article about barbecued foods containing possible cancer-causing agents. Is this true?

There is no scientific evidence supporting barbecued foods as a cause of cancer in humans.

When fat from barbecuing meat drips onto the coals below, combustion causes smoke to rise and be absorbed into the meat's surface. This smoke contains a substance called benzopyrene.

Although benzopyrene in pure form has caused cancer in laboratory animals, humans would have to eat enormous amounts to equal the levels that caused tumors in these animals.

However reducing the number of times you eat barbecued food can be an important preventive measure.

The National Cancer Institute suggests eating less barbecued meat, cooking foods at lower temperatures, and using hardwoods such as hickory if using wood to barbecue.

### What is the most common type of cancer?

The most common type of human cancer is skin cancer. More than 600,000 new cases of skin cancer are reported each year.

Skin cancer is also the easiest cancer to detect and is, if discovered early, the most curable form of cancer.

Most skin cancers are either basal-cell or squamous-cell carcinomas that are usually not life-threatening. However, malignant melanoma is a much less common type of skin cancer. If not detected early, it can be life-threatening.

It is important to become familiar with your skin through skin self-examination, which you should do monthly.

**Slovene Economist Marjan Senjur To Be Exchange Professor at CSU**

As we've noted before, Cleveland State University has begun a fairly extensive exchange program with Ljubljana University, which involves both students and professors. As part of this program, for the coming spring quarter, noted Slovene economist Dr. Marjan Senjur will be at CSU teaching various courses and giving lectures.

Dr. Senjur has a good command of English, and no doubt will be available to speak to groups within our local Slovenian American community, and perhaps to Slovene groups elsewhere as well. Of course, it would be necessary to cover his travel expenses and also provide an honorarium. When specifics are available on this, if they will be, we'll report them.

Dr. Senjur wrote an article evaluating the new prime minister-designate of Yugoslavia, Ante Marković, which appeared in the February 2 issue of the Slovene weekly news magazine "Teleks". That article will be reprinted in the Tuesday American Home. Dr. Senjur indicates Marković's policies as he has discussed them so far show promise, but that it is necessary to wait for actual results.

There is nothing especially new in recent developments in Slovenia and Yugoslavia. A meeting of the ruling Central Committee of the Communist Party simply highlighted the basic divisions in the country. For those who read Slovene, in

the Slovene section today is an article from Teleks in which the writer, Janez Stanič, analyzes why Slovenes and others who support the efforts to democratize the economic and political system in Yugoslavia can not hope to make any compromise with the Serbian leader Milošević. Stanič also argues that if Milošević and his clique win, Slovenia and the rest of Yugoslavia, Serbia included, will sink into an era of despotism similar to what is going on in present-day Romania and Albania. "Teleks" is the central news weekly in Slovenia, so its publication of Stanič's article is important.

— PREGLED NAJVAŽNEJŠIH DOGODKOV —

### NEODVISNA POLITIČNA STRANKA USTANOVljENA V SLOVENIJI

LJUBLJANA, Slov. — Ta teden je bila v Sloveniji ustanovljena neodvisna politična stranka, ki se imenuje Socialistična demokratska zveza Slovenije. Več kot 1000 Slovencev in Slovenk se je zbral v prostornem Cankarjevem domu v Ljubljani, da bi prisostvovali slovenski proglašitvi te prve popolnoma neodvisne politične stranke v Sloveniji in tudi Jugoslaviji vse od komunističnega prevzema oblasti ob koncu druge svetovne vojne. Ustanovitev nove stranke je proglašil njen načelnik, France Tomšič.

Tomšič je dejal v svojem govoru, da bo nova stranka podpirala uvedbo parlamentarne demokracije v Sloveniji in Jugoslaviji. Zavzemala se bo tudi za svobodne volitve. Socialistična demokratska zveza bo skušala tekmovati na takih volitvah za zastopstvo v skupščini s tem, da bodo v volilnih okrožjih njeni kandidatje nudili alternativo kandidatom, ki jih predlaga edina zakonita stranka v Sloveniji, Zveza komunistov Slovenije.

Proglašitev nove neodvisne stranke je pa v sedanjih razmerah v Sloveniji in Jugoslaviji tvegana čeprav logična poteza upoštevajoč razvoj dogodkov v zadnjih letih. Slovenska in jugoslovanska družbenopolitična ureditev ne predvideva neodvisnih strank razen komunistične. Tako je po poročilih policija grozila, da bo po še veljavnem zakonu ukrepala zoper novo stranko, ako bo ta skušala ostati neodvisna. To se pravi, ako ne bo hotela priti pod okrilje od partije nadzorovane in kontrolirane frontne organizacije, Socialistične zvezze delovnega ljudstva Slovenije. Zadeva je kočljiva tudi zaradi možnosti posega zveznih državno-policijskih organov, ako slovensko partijsko vodstvo ne bo hitro in učinkovito ukrotilo delovanje nove stranke. Z ustanovitvijo nove stranke so v Sloveniji morda izsilili tisti »ali-ali« končni obračun, do katerega bo moralno slej ko prej priti in sicer med tistimi, ki branijo demokracijo, in tistimi, ki zagovarjajo nadaljevanje partiske diktature in celo vrnitev stalinističnemu načinu vodenja. Ena ali druga stran mora zmagati, kajti kompromis med njima ni možen oziroma bi ne mogel biti trajnega značaja.

### Južnoafričansko proti-apartheidsko gibanje izključilo iz svojih vrst Winnie Mandela — Osumljena sodelovanja v uboju mladeniča

JOHANNESBURG, J. Af. — Vodstvo Združene demokratične fronte, organizacije, ki vodi odpor proti sistemu apartheida v Južni Afriki, je včeraj izključilo iz svojih vrst Winnie Mandela, žena Nelsona Mandele, voditelja proti-apartheidskega gibanja, ki je v zaporu že 26 let. Winnie Mandela naj bi sodelovala v ugrabitvi in uboju 14-letnega Stompeja Moeketsija. Mandelova sicer trdi, da je nedolžna, priznava pa, da je bil mladenič nekaj časa v njenem domu. Mandelova ima skupino osebnih stražarjev, ki naj bi bili odgovorni za več nezakonitih dejanj.

Anti-apartheidsko vodstvo je trdilo v izjavi, da so razmere v črnskem naselju Soweto, kjer živi Mandelova, nezgodne in terorističnega značaja, za vse to pa naj bi bila v veliki meri odgovorna prav ona. Vodstvo organizacije noče biti povezano z negativnimi vtisi, ki jih dajejo te razmere, še posebej pa ne s človekom, namreč Mandelovo, ki naj bi bila povezana celo z ubojem. To bi gibanje škodovalo tako v Južni Afriki kot v tujini, kjer uživa ogromno moralne in tudi materi-

alne podpore.

Bomba, ki je eksplodirala na Pan Am letalu nad Škotskem 21. decembra lani, je bila v radiokaseti — Odgovoren Ahmed Jibril?

LONDON, V. Br. — Včeraj je na tiskovni konferenci John Orr, predstavnik angleške policijske agencije Scotland Yard, dejal, da je bila bomba, ki je uničila letalo Pan Am 21. decembra lani, ko je letelo nad Škotskem, bila v radiokaseti. Aparat je prišel na letalo, domnevajo, v Frankfurt, ZRN. Bomba je bila vrhunske izdelave, je priznal Orr, teroristi so imeli smolo le v tem, da niso mogli vedeti, da bodo med časom poleta pihali močni vetrovi, zaradi katerih so pa kontrolorji poletov letalo usmerili na bolj severno pot. Teroristi so namreč gotovo želeli, da bi bomba eksplodirala, ko bi bilo letalo nad vodami Atlantika, dejansko je pa padlo na Škotsko. Tako so mogli preiskovalci najti in analizirati razbitine letala, pri teh pa so našli veliko podatkov.

Preiskovalci — kot tudi običajno dobro informirani Izraelci — sklepajo, da je odgovoren za bombni atentat Ahmed Jibril, Palestinec, ki je smrtno sprt z voditeljem PLO Jasirjem Arafatom. Jibril živi v Siriji in baje ima 400 do 500 privržencev, financira ga pa Libija. Pred meseci so nemški policisti arretirali večjo skupino Jibrilovih ljudi, pri njih pa našli veliko orožja in streliva ter eksplozivov. Našli so tudi predmete, ki so isti kot takšni, ki so gotovo sestavili bombo na Pan Am letalu. Eksploziv je bil češkega izvora in ga uporabljajo po svetu mnoge teroristične organizacije. V atentatu je bilo ubitih vseh 259 potnikov in tudi 11 vaščanov škotske vasi Lockerbie.

Washington, D.C. — FBI je dobil nove podatke glede osebnega obnašanja Johna Towerja, kandidata za obrambnega sekretarja. FBI pravi, da gre za trditve glede Towerjeve vdanoosti pijači in ženskam. ## Premagati miloševičevstvo

Članek Janeza Staniča je izšel v slovenskem tedniku »Teles« (št. 4, 2. feb. 1989) in zelo pametno analizira »miloševičevstvo«. Seja centralnega komiteja, o kateri piše v prvem odstavku, se je končala brez razrešitve bistvene razdvojenosti v partijskem vodstvu — kar je itak Stanič predvideval. Zelo jasno pa analizira nevarnost, ki jo predstavlja tako za Slovence kot druge narode v jugoslovanski državi — s Srbji vred — »miloševičevstvo«. To ideologijo primerja z drugimi podobnimi ideologijami, ki so se že pojavile v zgodovini — in propadle.

Te vrstice pišem na predvečer 20. seje CK ZKJ, ki zbuja v najširši javnosti toliko pričakovanj in strahov. Seveda je svojevrstno tveganje zapisovati zdajle karkoli, kar bo objavljeno šele po dogodku, ki utegne na vse skupaj vreči novo luč in zagotovo tega ne bi počel, če ne bi bil prepričan o nečem: karkoli se bo že zgodilo na 20. seji, kakršenkoli bo izid — v vsakem primeru bo to samo ena od bitk v sedanji (še) nekravni državljanski vojni v Jugoslaviji, nikakor pa ne dokončni razplet.

Prepričan sem namreč, da je za tak razplet neizogiben dokončen poraz politike sedanjega srbskega vodstva in da tu kompromis ni možen. Lahko pride seveda tudi do poraza druge strani — recimo ji reformatorska ali demokratična — in ta poraz je lahko hud in boleč, z zelo težkimi in dolgotrajnimi posledicami. Toda vendarle obstaja določena razlika, ki jo potrjujejo podobne izkušnje vseh drugih držav, po zadnjem vojnem tudi vseh tako imenovanih socialističnih; konzervativne sile lahko beležijo mnogo posamičnih zmag, včasih je njihovo zmagoščevanje tudi dolgotrajno, pet, deset, petnajst ali več let, toda nazadnje so propadli še vsi konzervativni projekti, pa naj so se imenovali stalinizem, brežnjevčina, gomulkizem, husakovčina ali kako drugače. Nobenega preroškega daru ni treba za napoved, da tudi kakšna ceauscovčina ali miloševičevstvo nista trajna projekta.

Res pa je, da je to bolj klavarna tolažba v primeru, če bi v Jugoslaviji vendarle zmagala sedanja srbska politika militantnega nacionalizma in neostalinizma, kajti to bi povzročalo dolgotrajen zastoj in nas potisnilo za tri do štiri desetletja nazaj, na raven kakšne Romunije ali Albanije. Zato je za usodo kar nekaj generacij bistvenega pomena to politiko čimprej in čim bolj temeljito premagati in odpraviti.

Poudarek je na premagati in odpraviti, (močne črke v originalu, op. ur.) kajti prepričan sem, da ni nobene druge možnosti — ni je namreč mogoče ne omejiti samo na Srbijo, ne vzpostaviti z njo nekakšne miroljubne eksistence. V zvezi s tem — bojim se — obstajajo tudi v Sloveniji nekatere utvare, zato moramo to misel razložiti.

V javnosti je bilo že večkrat slišati dobroneamerne zamisli, po katerih naj bi v Jugoslaviji dopustili obstoj različnih političnih, družbenih in razvojnih sistemov, češ, naj vsak živi, kot ve in zna in hoče. Zamisel je veliko prelepa, da bi

## Košilo MZA zelo lepo uspelo

CLEVELAND, O. - Preteklo nedeljo je bilo že dvajsetič pripravljeno košilo v pomoč slovenskim misjonarjem pod okriljem Misijonske Znamkarske Akcije. Bil je lep, sončen dan, ne prehladen za ta čas, da se je dalo iti od doma med znanice in prijatelje.

Ko si stopil v lepo okrašeno svetovidsko dvorano, si takoj opazil polno stojnico raznega ročnega dela, kar so naredile in prinesle pridne roke. Naslednja stojnica je bila dobro založena z raznimi dobitki za »mačka v žaklju«. Tu je vedno heč! Gledaš kak zaželen predmet, poskuša priti do njega, a se ti sreča ne nasmeje, dobiš kaj drugega, večkrat pa samo papirčke odvijaš, ki so brez številke in nič vesel odideš naprej.

Poleg si opazil različno rastlinje. Ker je še sredi februarja, še ni bilo nič primul, bile pa so cvetoče vijolice, rožmarin, božični kaktus in še kaj. Zadnja stojnica je vsebovala domače pecivo in rezance. Ta stojnica je bila zelo založena, a je vse dobilo kupce.

Hvala vsem vam, ki ste pri teh stojnicah sodelovali in davorali dobitke, pecivo in drugo. Iskrena hvala tudi vsem kupcem, ki so vse pokupili.

Vrst se je kar hitro pomikala proti oknu kuhinje, kjer so skrbne kuhanice nalagale košilo na krožnike. Napolnjen je bilo omizje hitro eno za drugim, da je bil prav lep pogled na veliko množico. Hvala vam kuhanicam in vsem pomočnicam, kot tudi Urankarjevima — nosili ste težo dneva, vse dobro in okusno pripravili. Bog vam vsem povrni!

Zahvala gre Ameriški Domovini za vse objavljeno, in dr. Miljanu Pavloviču za vabiла po radijskih valovih.

Vsem vam skupaj, vi, ki ste delali, prispevali, in vi, ki ste se odzvali vabilom in na košilo prišli, še enkrat najlepša hvala in naj vam vsem poplača vsevedni Bog s svojim blago-

bila uresničljiva, zlasti če se sooča s tako rekoč klasičnima tipoma nacionalizma in totalitarizma. Zgodovina in izkušnje vseh modernih totalitarizmov dokazujejo, da ne prenešejo drugačnosti niti širše, kaj šele v eni sami državi. Če bi v Jugoslaviji res dovolili hkrati obstoj bistveno različnih notranjih sistemov, bi med njimi seveda prišlo do soočanja in konkurenčne, ki je manj učinkoviti ne bi mogli prenesti.

Srbska politika si na daljši rok zagotovo ne more privoščiti nobene notranje konkurenčne in primerjave, kajti tako, kot je, brez konkretnega pozitivnega programa, zasnovana na zastarelem nacionalizmu, je zmožna, pa še to samo začasno, rešiti samo eno vprašanje — vprašanje oblasti. Onkraj tega jo neizogibno čaka neuspeh na gospodarskem, socialnem in vseh drugih področjih, vključno s Kosovom.

Slovenija je za sedanje srbsko politiko popolnoma nesprejemljiva in v resnici smrtno nevarna, ker s svojo modernejo gospodarsko in družbeno politiko obeta večjo uspešnost. Sirša javnost v Srbiji je ta hip vsa osredotočena na boj za oblast, ki se že prenaša tudi na raven vse Jugoslavije. Srbsko vodstvo vodi ta boj s pozicij demagogije, razširanja primitivnih nacionalnih strasti in celo odkritega sovraštva do Albancev, Slovencev, Hrvatov in drugih, kar je seveda skrajno nevarno, med drugim tudi zato, ker je žal vsaj trenutno uspešno.

Toda prej ali slej bo napočil trenutek, ko se bodo razburkane strasti umirile, ko se bodo ljudje začeli spraševati, ali živijo boljše, svobodnejše, bogatejše in srečnejše — ali pa morda slabše kot prej. To bo trenutek resnice, ko se bo

(dalje na str. 7)

vedno našla požrtvovalna slovenska dekla, ki nam bi bile pripravljene pomagati vsaj nekaj let. Molimo v ta namen.

Velik udarec je bil za nas odhod Cvetke, ki je zaradi bolezni nenadoma moral zapustiti Madagaskar. Sedaj je ostala Marija sama, ki korajžno nadaljuje začeto delo. Upamo, da bo v maju prišla pomoc.

Jaz sem Bogu hvaležna, da so naši slovenski ljudje tako zavzeti za misijone, saj le po Vaši dobroti mi lahko nadaljujemo delo. Zato Vas prosim, nadaljujte z Vašo dobrodelno akcijo za pomoč v Tretjem svetu! Pa tudi če včasih mi pozabimo na dolžnost človeške zahvale.

Ob koncu teh vrstic, še enkrat vsem iskren Bog povrni in prisrčen pozdrav. Bog naj bo Vaša moč!

Še poseben pozdrav g. Wolbangu. Priporočam se Vam v molitev!

Omenja, kako je sponzorju hvaležen za duhovno in materialno pomoč. Zaveda se, da bi njegova domača škofija brez take pomoči ne zmogla veliko sama od sebe, kar finance zadeva. Pravi, da se njegovi hvaležnosti gotovo pridružuje zahvala vsega božjega ljudstva škofije Bungoma. Želi, da bi Bog na nas vse rosil mnogo svojih blagoslovov in obljublja, da bo našo finančno pomoč uporabil čim bolj diskretно. Prilaga svojo fotografijo.

Z tega bogoslovca bo MZA darovala letno večjo vsoto kot je za redne vzdrževalnine, ker je pač v Rimu življenje in študij dražji. Rajni o. Inocenc Filip Feryan, njegova sestra Sonja in pisec teh člankov bodo zanj letno prispevali do konca študijev. Navadno taki kandidati, ki so poslani v Rim študirat, kot je bil na primer pred leti naš nadškof Alojzij Šuštar ali o. Kos, delajo doktorat in postanejo običajno voditelji domače Cerkve, če so zvesti in predani.

Ga. Mary Pirjevec iz Minnesota je dodala za bogoslovsko vzdrževalnino \$50, da je sedaj v celoti za to leto zneslo \$300.

Neimenovana dobrotnica iz New Yorka je poslala ček, in doraziran že na nadškofa Šuštarja v Ljubljani. Prosila je, da bi ta tisočak bil za vzdrževalnino kakega potrebnega kandidata, ki bo kmalu posvečen v mašnika. Je v Domu za ostarele in je 93 let mlada! Prijateljici, ki ji je nabavila v banki ček, je morala za uslugo dati \$250. Želela je to urediti in je bila v MZA v pismenem stiku v tej zadevi že več mesecov, pa sama ni mogla v banko. Morda za naše rojake tak primer tudi vzpodbuda, da bodo radi pomagali ubogim ljudem, ki imajo veliko ljubezni, pa manj prilike hoditi ven, kadar niso več pri polnih močeh. To je včasih veliko delo usmiljenja, posebej, ko vemo, da so često ovrani delati dobro, da ostane več tistim, ki že čakajo, koliko bodo lahko od takih ubogih duš »pojerbalci«. Večnost bo pokazala, koliko so taki starci ljudje na tem svetu prestali.

MZA je poslala zadnje

tedne nadškofu dr. Alojziju Šuštarju \$1000, škofu Janezu Jenkotu v Koper \$1000, in misijonarju g. Jožetu Mejaču \$1000 v Dominikansko republiko. Temu zadnjemu nekaj za sv. maše, drugo pomoč v daru za uboge. Obema škofoma pa za njune nujne potrebe v njihovih škofijah. Tisočak za nadškofa dr. Šuštarja za bogoslovsko vzdrževalnino je prišel, ko smo mu prvi ček MZA že poslali.

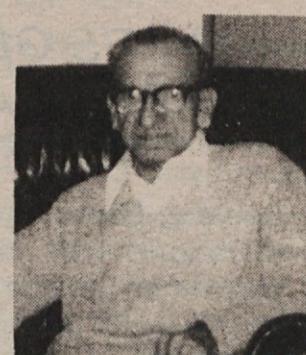

#### Na teren sta se vrnila

salezijanca gg. Jože Mlinarič in Avgust Horvat. A ne v Burundi, ampak v Rwando. V Slonokoščeno obalo se je vrnil g. Ivan Bajec in mu je MZA takoj poslala v pomoč \$500. Še vedno iščemo naslov o. Hugo Delčnjaka, O.F.M., ker ga čaka ček za dve leti v tisočaku in je bil že v decembri nabavljen. Doslej se nam še ni posrečilo najti točen naslov. Pismo, poslano na naslov, ki nam ga je lani sam poslal, se je vrnilo, češ da tam tega moža ni. Je zanimivo, da oo. frančiškani sami ne morejo na tem kontinentu ugotoviti, kje o. Hugo sedaj misijonari.

21. januarja se je oglasila na Madagaskarju laična misjonarka gdč. Marija Veider, ki piše: »Z veseljem sem prejela Vašo pošto in priloženi ček \$200 za misijonske potrebe. Hvala Vam in Bog bogato povrni! Hvala tudi za dobre želje v Novem letu, za božična voščila in molitve. Tudi jaz Vam želim srečno in blagoslovjeno Novo leto, četudi bo že skoraj en mesec mimo. Vesela sem, da se nas res čisto vseh spomnjate, nam pošljate darove in pisma. Brez pomoči od zunaj bi res težko kaj delali. Zahvaljujem se tudi gdč. Sonji Ferjan in ge. Anici Tushar za pripisana voščila. Enako obema želim vse dobro!«

## Premagati miloševičevstvo

(Nadaljevanje s str. 6)

večina zavedala, da je bila izigrana in prevarana, da je pešica politikov toliko opevano ljudstvo samo izrabila, da se je polastila oblasti.

Naslednji razlog, zaradi katerega z miloševičevstvom ne more biti ne kompromisa ne sožitja, je ekspanzionistična narava te politike, ki se mora nenehno dokazovati navzen in se militantno usmerjati proti drugim, kajti sicer se preveč preprosto razkrije njena notranja pravnost in brezperspektivnost (močne črke v originalu, op. ur.). V tem pogledu je današnja Srbija naravnost primer za učbenike. Najprej pochod zoper Vojvodino in Kosovo, nato izvoz »revolucije« v Črno goro, zatem poskus razbitja in nato polastitve jugoslovanskega političnega vodstva, nakar bo prišla na vrsto »zaščita« Srbov v Bosni in na Hrvaškem, vrnitev »zgodovinskih pravic« Srbije v Makedoniji in še obračun s »kontrarevolucijo« v Sloveniji. Ta scenarij je zdaj mendar jasen tudi že največjim naivnežem v Jugoslaviji.

Ce se miloševičevstvo ne bo moglo tako razvijati, bo propadlo, kajti ostalo bo »brez goriva«. Ta politika lahko živi samo takšna, kakršna je — nacionalistična, totalitarna in ekspanzionistična — ali pa je ni. Zaradi tega je popolna utvara in neopravičljiva naivnost misli, da je s to politiko moč sklepati kompromise ali vzpostaviti z njo sožitje.

Ne! Mogoče jo je samo premagati ali pa se spriznati z dejstvom, da bomo naslednjih deset do dvajset let živel z jezikom za zobmi, v revščini in zaostalosti, brali »Delo« v cirilici in na tihem zavidali Turkom, Bolgarom, morda tudi že Romunom...

#### Iz Goriške je šla za 3 leta

v misijone laična misjonarka, učiteljica Terezika Srebrnič, kot poroča nedavno Katoliški glas.

Spet smo prejeli nekaj pričo, da ne dobiva kdo »Misijonska Obzorja«. Najboljše bo, če se vsak obrne na njihovo Upravo in jim zadevo lepo razloži. Prehodi so vedno po svoje zapleteni. Pri M.O. je čisto drugo vodstvo kot je bilo pri K.M., dasi bo lahko g. Lenček kaj razvozljal, če ga bodo za to vprašali, saj sedaj bližu živi in deluje.

Misijonske pošte je veliko došlo. Polagoma bomo vse važno in zanimivo objavili.

## NA OČETO VEM GROBU

Prinesel sem ti cvetko za spomin.

O trdorčni, nehvaležni sin,  
ki k tebi prihitim šele tedaj,  
ko mi srce predrami sončni maj.

Pomladna mehka sapica pihlja,  
nad tabo zibljejo se travne bilke:  
mladostnih so spominov mi budilke,  
odpirajo najlepši hram srcá.

Spet s tabo na zeleni sem gorici.  
Vsenaokoli se prebuja maj;  
dehtita širno polje, vitki gaj,  
do néba dvigajo se ptičji klaci.

In gledava vasice sred poljan,  
belijo se v opojni mladi dan.

Nad nama gore v soncu se blesté,  
kot žlahtne, tople misli se vrsté...

Spet vidim te v tujini med rojaki,  
kakó povzdigaš sredi zborna glas,  
kakó pričaraš radost duši vsaki,  
ko ji budiš spomin na rodno vas.

Z besedo živo narod naš bodriš,  
modrosti naših dedov ga učiš,  
mu čuvaš lepe šege in vrline,  
opevaš mu krasoto domovine.

Morda še kdo se gorko spomni nate  
in na nekdanji tvoj prelepi čas,  
ko pesem tvoja je družila brate,  
v težavnih dneh jasnili jimi obraz.

Boleča slutnja v srcih se oglaša,  
da bo umrla vsa lepota naša,  
da v silnem tujem morju brez sledú  
končal bo zadnji svojega rodú.

A midva v duši vedela sva davno:  
lepota naša nikdar ne umre,  
v odsevih tisočerih v srca gre,  
med narodi živi, kraljuje slavno.

Ivan Zorman
