

Zgodovinski podatki bojev med suhimi in mokrimi v Zedinjenih državah

Washington, 7. decembra. V teh dnevih, ko se odločuje, ali bo ameriški narod še imel prohibicijo ali ne, je dobro, če pomnimo zgodovinske dogodke, ki so se vršili v Ameriki pred časom, ko je bila upeljana prohibicija in tekmo skoraj 13 letnega obstanka prohibicije. Boj med pijančijo in med prohibicionisti se je vršil v Ameriki, odkar so Zedinjene države postale republika. Vršilo se je boji v posameznih državah, v posameznih vaseh in mestih. Zanimivo je pogledati nazaj v zgodovino, kako je nastala sedanja prohibicijska postava v Zedinjenih državah. Dne 1. avgusta, leta 1917, v času vojne, je zvezi senat odglasoval, da se razpošlje 18. amandment posameznim državam, da glasujejo, če naj se prepove opojna pijača v Zed. državah. 36 demokratičnih senatorjev in 29 republikaničnih je tozadevno glasovalo "yes," in 12 demokratov ter 8 republikancev proti. V zbornici poslancev je glasovalo 141 demokratov in 137 republikancev za 18. amandment in 69 demokratov ter 62 republikancev proti. Prva država, ki je odobrila 18. amandment, je bila Mississippi, v januarju, 1918, in 36. država, ki je odobrila prohibicijo, je bila Nebraska, v januarju, 1919. Tedaj je bil prišljen državni tajnik Polk, da je dne 29. januarja, 1919, razglasil, da je 18. amandment k ameriški ustavi veljaven. Edini dve državi, ki nista odobrili prohibicije, sta bili Rhode Island in Connecticut, vseh ostalih 46 držav je prohibicijo odobrilo. Potem je pa kongres odobril Volstead postavo, 22. julija, 1919, z 287 glasovi proti 100. Za volstead postavo je glasovalo 168 republikancev in 116 demokratov, nasprotovalo je 48 republikancev in 52 demokratov. Par mesecev pozneje je tudi senat sprejel Volstead postavo, katero je pa predsednik Wilson 27. oktobra, 1919, prepovedal, toda kongres je ponovno glasoval z dvotretinsko večino, in 16. januarja, 1920, je prohibicija postala veljavna. Šest mesecev pozneje je najvišja sodnija izjavila, da je prohibicija ustavna. Letos pa se je demokratska stranka na predsedniški konvenciji izjavila za direktno prepoved in preklic prohibicije, in to je dalo povod zanimivemu boju, ki se bo vršil v prihodnjih mesecih v kongresu.

Mestne oblasti in zavodi na delu, da rešijo naselbino v Newburgu

Cleveland, O. — Sporočali smo že, da je jeklarski trust, United States Steel Corporation, odredil, da se jeklarna v Newburgu, kjer dela stotine Slovencev, opusti in poruši in da se dela v tej tovarni prenesejo v bolj moderne tovarne trusta v Lorainu. Kompenzira trdi, da so stroji in vsa oprema jeklarne v Newburgu zastarelo, in da se kompaniji ne izplača več proizvajati blago v newburški jeklarni. Če bo kdo prizadel, bodo naši stari slovenski naseljenci, ki so bili tam zaposleni zednjih 30 let ali več. Mestna zbornica je že naredila svoje, da pregovori jeklarski trust, da nadaljuje z jeklarjo. Trust je pred dvema letoma odredil, da se vporabi \$20,000,000 za moderniziranje newburške jeklarne, toda letos je to idejo opustil in dolži mesto, da so previsoki davki, da nimajo pravega dostopa potom vode in železnice do jeklarne, in enako. Vse to povzroča za blago izdelano v newburški jeklarni izvanredne stroške. Ljudje v Newburgu so pa medtem obupani. Večinoma imajo male hišice, dolg na njih, velike družine. Trgovci, ki borno poslujejo, kar jim prinesejo delavci za živje, so obupani. Prišljeni bodo zapreti zaeno z delavci. V okolišju Broadway in Union Ave., med 72. in 82. cesto, kjer se v sredini nahaja jeklarna, stanujejo skoro izjemoma sami Slovenci. Vsi ti bodo vrženi enostavno na cesto. Kajti vsi imajo hiše, zadolžene, obilno družino, dela pa ne bo nikjer. Mestna vlada je z mrzlično naglico začela delati, da se jeklarna ne zapre. Pridružila se je tudi trgovska zbornica in mnogo organizacij.

Trije srnjaki

Pretekli terek so se vrnili z lova iz države Pennsylvanije naši pogumni lovci, rojaki Mr. Josip Mlakar, Mr. Krist Mandel in Mr. Anton Baraga. Seveda, prazni niso prišli: trije krasni srnjaki so njih lovski plen. Kdor jih hoče videti, si jih lahko ogleda pri Jos. Mlakarju na Sylvia Ave. Dva od teh srnjakov bosta za okusno večerjo Euclid Rifle kluba, ki se vrši 15. januarja, 1933, v Slovenskem Domu na Holmes Ave. Našim lovcem čestitamo na njih lovsko srečo!

Tudi drugi laški parnik je imel smolo

New York, 7. decembra. Novi laški parnik Conte di Savoia, ki bi imel dospeti danes v pristanišče, ima 30 ur zamude, ker so se stroji polomili 900 milj od Ambrose svetilnika. Škoda so popravili na morju. To je že drugi novi laški parnik, ki je imel smolo. V oktobru je prišel v Ameriko s štiridnevno zamudo novi parnik "Rex," katerega so morali spotoma tudi popravljati.

Zaslišanje pred kongresnim odborom radi dovoljenja pive se je začelo

Washington, 7. decembra. Danes so se začela zaslišanja pred pristojnim kongresnim odborom glede predlaganja za dovoljenje pive in vina. Ta predlog bo sprejet z navadno večino v kongresu, ker se tiče Volstead postavbe. Ako bo ta predlog sprejet, bo dovoljeno pivo, ki vsebuje 2.75 odstotka alkohola po obsegu, kar bi bilo nekako 5.50 odstotkov alkohola, poleg tega pa bi bilo dovoljeno tudi vino, ki se pridela iz čistega mošta, čisto naravno vino brez vsakih primeš. Kongres sam ne bo določil nobene alkoholne mere za vino, in na ta način bo vsa zadeva prepuščena sodnijem, ker je absolutno sigurno, da se bodo s postavbo pečale sodnije. O tej postavi bodo glasovali še pred Božičem. Postava ima polno podporo demokratske stranke, ki je obvezana, da spremeni Volstead postavbo. Navadna večina zadoštuje za spremembo, dočim mora za spremembo 18. amandmenta glasovati dvotretinska večina.

Vladno poročilo pravi, da se je število tovarov in industrij znižalo

Washington, 8. decembra. — Zvezna vlada je pravkar objavila v javnosti podatke glede ameriških industrij in njih položaja od leta 1929 do konca leta 1931. Vlada je dala podatke kar 150 različnih industrij, od izdelovalcev gumbov in bonbov, do velikih avtomobilskih in jeklarskih industrij. Poročilo kaže, da se je v omenjenih letih znižalo število raznih tovarov od 10 do 15 odstotkov, in da se je zmanjšalo število različnih industrij za nekako 35 odstotkov. Ena novejših industrij v Zedinjenih državah je izdelovanje kosmetičnih sredstev, dišav, parfumerije, in enako. Dočim smo imeli v letu 1929 v Ameriki 815 vo parfumerije, je njih število v letu 1931 padlo na 657. Jako značilno je število tovarov, v katerih se izdeluje candy. Dočim je bilo teh podjetij v letu 1929 še 2,021, se je število v letu 1931 skrcilo na 1,554. Menj so pa prizadeti izdelovalci sladoleda, ker se je število njih podjetij skrcilo na 7 odstotkov. Število avtomobilskih tovarov je padlo od 1,154 na 917, dočim se je število delavnic zlatarske industrije znižalo za 27 odstotkov. Značilno je, da smo imeli v Zedinjenih državah v letu 1914 vsega skupaj 272,517 raznih delavnic in tovarov, v letu 1929, ko je bile še dobro leto, je pa padlo to število za 62,000, pa vendar v letu 1914 nihče ni govoril o kaki nadprodukciji.

Iz Barbertona, O.

Prav lepo prireditve postavili na oder, v nedeljo, 11. decembra, društvo sv. Srca Marije, št. 111 K. S. K. J., ko vprizori lepo igro "Turški križ." Že ime pove, da je to nekaj zanimivega. Snov igre je povzeta iz dobe, ko so Turki ropali in morili po lepi naši domovini. V pričo temu stoje še dandanes takozvani tabori, kamor so se zatekali naši predniki, da so se laglje ubranili krvočolnim Turkom, ki so odpeljavali mlade dečke in dekleta. Dečke so vzgajali v janičarje, kateri so bili pozneje v strah in trepet lastnim bratom. Enak ver in 18. amandment sta še v prizor predstavlja omenjena igra. Ves slovenski narod v Barbertonu in okolici se prijazno vabi k tej predstavi, in vljudno se vabi tudi vrle sosede Clevelandčane, kar bodo znali Barbertončani gotovo upoštevati.

Razne stranke se trudijo, da postane Smith kandidat za župana v N. Y.

New York, 6. decembra. Tu se je csnoval odbor, ki bo prevzel naloge, da prisili Alfred Smitha, da prevzame župansko kandidacijo za mesto New York v letu 1933, in da naredi tako potrebne reforme za mesto. V odbor, ki bo skušal Smitha pregovoriti, da prevzame kandidacijo, so bili imenovani ljudje raznih političnih prepričanj. Smith sam o tem še ni obveščen, in kot ga poročajo najboljši prijatelji, se bo dobro branil kandidature, toda narejen bo tako hud pritisk na njega, da se ne bo mogel odpovedati in bo moral sprejeti. Vsa ta akcija je naperjena proti politični organizaciji Tammany Hall, katero skušajo uničiti. Obenem se pa tudi republikanci pripravljajo, da z vsemi silami stopijo v boj, v nadi da porazijo Tammany Hall. Medtem se tudi perča, da se je Tammany Hall organizacija podala zahtevam bankirjev ter je odredila znatno znižanje mestnih izdatkov. Odpravljene so razne komisije in odbori. Določilo se je, da se zniža vsem mestnim uslužbencem, ki zaslužijo od \$3000 do \$5000 na leto, plača za 5 odstotkov, oni ki služijo od \$5000 do \$7500 na leto, se zniža za 7 in pol procenta, od \$7500 do \$10,000 na leto se zniža za 10 odstotkov, in vsi, ki dobivajo več kot \$10,000 na leto, pa za dvajset odstotkov. Uslužbenci manj kot \$2000 na leto, ostanejo pri starih plačah.

Zvezni pogoni

Cleveland. — Zvezni prohibicijski direktor v Clevelandu L. A. Toombs je izdal včeraj v javnost vest, naj se ljudje nikar ne motijo, da je prohibicija odpravljena. Dokler kongres in posamezne države uradno ne odpravijo prohibicije, pravi Toombs, bo on delal pogone na vse, kar diši po več kot pol procenta alkohola. Toombs je dejal, da ga ljudje ne bi spoštovali, če ne bi vršili svoje dolžnosti. Ako policija ne aretirja kršilcev prohibicije, pa so tu zvezni uradniki, ki ki bodo vršili to dolžnost do zadnjega. Torej, look out! Hoover in 18. amandment sta še v Washingtonu. In hujše je priti v roke zveznim agentom kot mestnim policistom.

Problem naše mladine

Dočim nikakor ne moremo trditi, da so ameriške šole pomanjkljive, kar se tiče raznovrstnega pouka in v mnogih oziirih naravnost vzorne, pa je gotovo, da se v teh šolah slovenska mladina v Ameriki ni mogla naučiti ljubezni do svoje rodne zemlje. Saj so premnogokrat slišali v teh šolah, da je sleherni dežela, razven Amerike in v gotovi meri Anglije, nekaka divja dežela, brez civilizacije, brez kulture, in da jih nekak izvanreden božji dar, ker je bil otrok rojen v Ameriki, ker uživa nesporno superiornost v zemlji prilike, enakosti, demokracije, kulture, itd. itd.

Toda kljub temu so tisočeri slučaj, ko naši otroci v ameriško družbo nimajo pristopa, ker se njih ime glasi na ič ali ik ali in, in ker njegovi pradedi niso dospeli v Ameriko na ladji "Mayflower." Zadovoljni morajo biti mladini, da jih nazivljejo nekak "melting-pot," v katerem svojo evropsko okorelost, zaostalost in dvomljivo kulturo mešajo s stoprocentnim amerikanizmom.

Resnica je, da je ameriška cesta ali ulica nekaka glavna vzgojevalnica ameriške mladine. Nikjer drugje po svetu niso otroci toliko na cestah kot so v Ameriki. V družbi z ostalimi otroci se naši vežbajo in tekmujejo, kdo bo "večji in boljši Amerikanec," in kadar se pa sporečejo in stapejo, tedaj ta mladina eden drugega nazivlje "hunkie," "pollack," "dago," hoteč s tem zasramovati narodnost iz katere so izšli. Otroci seveda ne pomislijo, da s tem zmerjajo sami sebe in poleg tega rodne očeta in mater.

Poleg tega razne ameriške organizacije po vsej sili nameravajo in tudi izvršujejo "amerikanizacijo" pri starših tu rojenih otrok, in sicer na oduren, paternalistični način, ki dostikrat ni dostojen kulturne družbe. Navadno so voditelji takih organizacij odurni in oholi "potomci prvih naseljencev," ki se v resnici štejejo, da so zgradili Ameriko. Ne rečemo pa, da je med Amerikanci tupasem nekaj iskrenih organizacij, ki gredo naseljencem dostojno in ljubeznjivo na roke v vseh zadevah.

V taki pomešani atmosferi se torej naša mladina odgaja in odrasča. Ali je kaj čudnega torej, ako se v takih razmerah pripetijo, da gleda ta mladina v mnogih slučajih z nekim preziranjem na svoje roditelje, na svoje rojake, na svojo narodnost in materinsko besedo? Raditega smo že opazili, kako se mlajši rod seli iz naselbine, hoteč biti sam za sebe, v sosesčini "pravih" Amerikancev. Tako prihaja polagoma do pretrganja rodbinskih vezi, do zgube avtoritete staršev nad otroci.

Profesionalni organizatorji amerikanizma so tako kratkovidni, da ne vidijo, kako izpodkopavajo temelje svojega naroda s tem, ko rušijo družinske vezi, nikakor ne morejo spoznati, da s takim delom ustvarjajo generacijo brez zavesti, generale brez idealov, pa tudi brez kontrole.

Seveda so pri tem tudi izjeme. Videli smo in vidimo še danes, da je na primer Anglež vedno ponosen, ker je bil rojen kot Anglež, in nadalje, Nemci, Irci, Skandinavci in Francozi se ne bodo nikdar sramovali svoje govornice in izvora svoje narodnosti. Starši otrok teh narodnosti znajo tako s svojim obnašanjem in s svojo zavestjo viliti mladini že zgođaj v srce spoštovanje do svojega naroda, in tudi v ameriških časopisih boste le v skrajno redkih slučajih dobili napade na pripadnike omenjenih narodnosti, dočim imajo za skoro sleherni drugo narodnost kak prezirajoč izraz. Značaj inferiornosti prevladuje torej samo med manjšimi narodnimi skupinami, zlasti onimi, ki prihajajo iz centralne, južne in vzhodne Evrope. In ravno te narodnosti imajo najmanj vzroke, da se sramujejo svojega izvora, svoje narodnosti, svojih šeg in običajev.

D O P I S I

NEKAJ MISLI ZA DECEMBER

Cleveland, O. — Nahajamo se v mesecu decembru, ki je zadnji v letu. Smelo rečem, da posebno letos vsak komaj čaka, da ga bo konec, ter da nastopimo novo leto 1933. Zekaj? Zato, ker nas to leto najbolj tare kruta depresija. Vsi smo mišljenja in v trdnem upanju, da nam bo v letu 1933 zasijala lepša bodočnost, da se nam časi vsaj nekoliko izboljšajo, ker dovolj je že tega trpljenja med reveži, po katerih kapitalisti vsak dan bolj teptajo, da morajo plesati, kakor jim oni žvižgajo.

Ni moj namen, da bi opisovala depresijo, ker jo itak vsak po svoje najbolj občuti. Moj današnji dopis naj bo namenjen članom in članicam raznih bratskih organizacij. Rekla sem, da se nahajamo v mesecu decembru, ki je največjega pomena za

vsaj društva. To je mesec, v katerem se mora v slehernem članu in članici vzbuditi zavest, da se mora gotovo udeležiti glavne letne seje svojega društva. Mnogo članov je pri enem ali drugem društvu, ki se izražajo: "Zakaj bi šel na sejo, bodo že brez mene napravili; zame je vse dobro. Jaz nisem pri tistih, da bi se vmešaval v take stvari, da bi tam par ur sedel; se mi ne izplača."

Ne, dragi rojaki in rojakinje, saj ni tako. Pri društvih ima ravno tak najboljšo idejo, ki ti ho doma sedi in poslušajo kako drugi debatirajo, pa se končno le skorajži in pride na dan z najboljšim nasvetom, ki je v dobrobit članstvu, društvu in sploh celih organizacij, pri kateri se nahaja.

Zato vam polagam na srce,

dragi rojaki in rojakinje vsepo- vsod, kjer se že nahajate, da si izbijete svoje napačno mnenje iz glave, "da bodo že brez mene opravili." Zavzemite se in recite: "Akoravno vse leto nisem bil ali bila, na glavno sejo pa grem." Potem se pa zvesto zaobljubite, da se boste skozi bodoče leto udeležili vsake seje. V začetku se boste malo težko odpravili, gotova pa sem, da če se boste dvih ali treh zaporedoma udeležili, na četrto boste pa že komaj čakali. Potem se boste pa bolj začeli zanimati za društvene razmere, kar bo v korist vam samim in organizaciji.

Na glavnih letnih sejah, ko se bo volil odbor, ne glejte na osebnost, oziroma na prijateljstvo in sovražstvo. Volite osebe, za katere veste da so zmogljive opravljati urad, kot isti zahtevajo. S tem boste zopet koristili sebi, društvu in organizaciji. Med društvenimi brati ne sme biti nikdar nobene zavisti in nesloge, ker to je poguba društva in organizacije. Če je kdo še večji vaš osebni sovražnik, pri društvu je vaš brat ali sestra.

Nikar ne udrihajte po njegove predlogu, ako je ta na mestu in je koristen za društvo. Dostikrat se zgodi, da je predlog stavljen najboljše za članstvo in organizacijo, pa se dobi član, ki je na prvega jezen in nalašč stavi slabši predlog, ki je desetkrat manj vreden. Seve, nekaj njegovih prijateljev pa glasuje zanj, ker se ne zavedajo, kakšno budalost so napravili. Končno se pa smejejo, češ, pa smo ga spravili v kozji rog. Ali mislite, da je to lepo? Bodite vsaj v sedanjih časih previdni in složni, ker le v složnosti je moč.

Marsikaj bi se dalo še napisati.

KDO BO PLAČAL VOJNE DOLGOVE?

Tako se vprašujemo dan na dan in nobenega jasnega odgovora ne dobimo na naše vprašanje. Resnice nam se noče povedati, ker bilo bi mogoče usodne za nekatere, tiste patrijotične genije, kateri se računajo obogatiti na račun drugih, ki jih nazivamo "vojne dobičkarje." Kakor posameznik, tako tudi država se hoče okoristiti na račun drugega in tako se tirjatev nadaljuje. Ko se pa meddržavne zahteve zavezujejo, se seveda vsaka država oboroži in mesto kredita sosedu, mu ponudi smotnika in tako se prične vojna — tirjatev mase. Ko enkrat učeni državniki zavozijo preveč daleč, seveda potem pošljejo nezavedno maso, da reši mednarodna vprašanja potom barbarskega klanja in posledica so: novi dolgi. Tako je ljudstvo vedno obvezano plačevati vojni davek v eni ali drugi obliki. Poleg visokih davkov pa pusti vsaka vojna tudi večje število nesrečnih žrtv, pohabljenec, kateri so zgubili svoje zdrave ude na bojnih poljanah, za katere se, ko niso več zmogni, ne briga nihče in so potisnjeni na beraško palico.

S HARMONIKO NA MEDVEDA
(Piše Jaka)

Torej glede provijanta je bilo vse preskrbljeno in glede srčnega miru oziroma pijske tudi. Potem smo se pa začeli vsak na svojem domu pripravljati za veliki dan. Ogledal sem si karabinko, dar Euclid Rifle kluba za nemiljive, bivše in bodoče zasluge, ki sem si baje stekel za klub. Pobožno sem jo pobožal in pritisnil na srce, govoreč ji ljubeznive besede, ki so mi prišle prav iz srca: "Draga moja flintca! Na tebi je sedaj ležanje, kako se boš obnesla in da me ne boš zapustila v usodnem trenotku, ko si bova rekla z medvedom: ti ali jaz! Obljubim ti že sedaj, če mi odpoveš takrat in boš zastrajala in me pustila na cedilu, da te bom, če bom odnesel zdravo kožo kosmatinec, prijel za tanki konec in te prelomil na dvoje na prvi skali."

Otroci so stali okrog mene in

ti, posebno če se zasleduje društvene seje. Ker sem uradnica pri dveh društvih, pri podružnici št. 47 SZZ in pri društvu Naš dom št. 50 SDZ, si štejem v dolžnost, da članstvo obeh društev najljubneje vabim, da se udeležijo stoprocentno glavne letne seje.

Podružnica št. 47 SZZ je na zadnji mesečni seji sklenila, da se bo gl. letna seja vršila v nedeljo 11. decembra, društva Naš dom št. 50 SDZ pa na 18. decembra. Žal, da so razmere nanesle vse drugače in se je moralo pri obeh društvih predužgati, to pa radi birmo, ki se bo vršila 18. decembra pri sv. Lovrencu, kamor sploh vsi spadamo. Več članov bo za botre, drugi bodo zopet imeli birmance, pa bi jim bilo nemogoče priti na sejo. V sled tega smo se odborniki obeh društev skupno posvetovali in šli eden drugemu na roko. Tako bo imela podružnica št. 47 SZZ sejo kot po navadi, to je drugo soboto, 10. decembra ob sedmih zvečer na 8812 Vineyard Ave. Društvo Naš dom št. 50 SDZ pa v nedeljo 11. decembra na 8322 Rosewood Ave. To društvo bo imelo po seji nekoliko zabave za člane, ker možje pač zahtevajo, da se pokusi, kakšnega se je letos napravilo. Menijo se, da je črn in precej sladk, menda ni vranč, da bi nam Franci prinesel terana, ker ženske nismo preveč prijateljice z njim.

Končno še enkrat vabim vse člane in članice obeh društev, da se gotovo udeležijo seje brez vsakega ugovora. Samo bolezen naj bo resničen zadržek.

Sestrskes pozdrave,

Helen Tomažič

dar več ne omoži, ker da gre osel samo enkrat na led, in da ima eno pokoro za vse življenje zadosti. Naročil sem ji še, kaj na prihodnjo pomlad vsadijo na vrtu in da naj večja fanta travo vsak teden najmanj po dvakrat pokosita, potem sem bil pa že ves pripravljen za odhod.

V torek zjutraj sva tekla z Johanco doli na Euclid volit. V pol sekunde sem bil gotov: kar za petelina sem volil, za par sodnikov, pa sem bil gotov. Potem pa hitro domov, kjer sem se takoj preoblekal v parado lovske opreme. Johana mi je dala dva debela blenketi, da me revčka (prav tako je rekla) ne bo zeblo, dala mi je en krožnik, eno žlico, ene vilice, vmes pa cele koše dobrih naukov, naj nikar ne hodim po Pennsylvaniji brez glave, ker da to ni pripravno. Johanca mi je potem še zavila potice in dala nekaj kvrtov vkuhanih hrusk in breskev, da se bom posladkati zvečer po trdopolnem delu. Bog ji daj zdravje, Johanci, smo trikrat na dan rekli v Pennsylvaniji. Zlasti Vilček, ki je še mlad in ki je na keksih gori zrasel, je vsakih pet minut kričal: "Ali je še kaj potice?"

Potem sem se vsedel k dobremu zajterku in kar fletno se mi je zdelo, da se lahko tako počasi in udobno zalagam, ker mi ne bo treba iti na ofice. Navadno namreč spijem kavo že med vrati, suknoji si oblečen šele v garaži, čevlje si pa šele v ofico zavžem. Dobro je vsaj to, da vsaj prej vstanem, predno kam grem. Ne vem kolikokrat ropota Johana zjutraj: "Ja pa kaj neboš še vstal? Ali morda želiš, da te bo Eddie (ta je naš ta starji in bo imel doma) s posteljo vred na ofico peljal?"

Teko sem bil tisto jutro na volivni dan brez vseh skrbi in prav počasi jedel zajterk. Komaj je bila sedem ure, pa sem bil že z vsem gotov in sem hodil vsakih pet minut na okna gledati, kdaj se bodo pripeljali moji sopsažirji. Ura je bila osem, devet in tudi deset in z vsako uro se je tudi stopnjevala po pravih in zakonih moja sveta jeza, da sem včasih katero rekel, da se moja Johana kar križala. Da bom ložje čakal, sem prosil Johano naj mi še enkrat skuha zajterk, saj sem že čisto pozabil na prvega. Potem sem poklical slavno Korčeto hipo po telefonu in dobil sem odgovor, da se jagri sedaj eden drugega lovijo po Clevelandu in da bodo najbrže še pred poldnem pri meni. Da bi jih vrag pocitral, ko smo se vendar za sveto zmenili, da se odpeljemo zadnji čas ob deveti, sedaj gre pa že na enajsto.

Nekateri se strašansko jezijo, ker so "naši" v kongresu pogoreli za šest glasov radi pive. Le zakaj bi se človek jezil za tako malenkost in zakaj se sploh v Washington preklajajo za tisto ubogo pivo. Saj ga nam vendar ne manjka, pa še dobrega in tu-

di tako drag ni. Samo da nam tega ne vzamejo, ki ga imamo sedaj in da nam ne upeljejo prohibicije, pa smo zadovoljni.

V Collinwoodu jo vedno prgruntajo, ki je vredna, da se zapíše. Ne zgodi se pa tudi nič, da ne bi jaz izvohal. Seveda, za to se moram pa zahvaliti prijateljem, ki me točno obveščajo o vseh važnih zadevah, ki so svetovnega vprašanja in ki spadajo ravno v tole kolono.

Prijatelj Lojze, ki je iz Vipave doma in v vseh oziirih kapital fant, mi je povedal tole, pod svetlo prisego seveda, da bom držal jezik za zobmi. To mu tudi jaz izpolnim, ker ne bom okrog govoril, če pa zapišem, no, o tem se pa nisva nič menila.

Vidite, tam na tisti slovenski Holmes Ave. je med drugimi tudi slovenski trgovec John Asseg, ki prodaja od cikorije pa do vsega, kar spada in sliši v lonec in za dobro kosilo. Torej k Johnu prileti oni dan na vso sapo in ihto rojakinja, ki že pri vratih vpije:

"John, oh John, daj povej mi in svetuj, kaj naj napravim? Za Kriščovo voljo, John, daj no, reci, kaj mi je za storiti. Tok ne zijaj me tako, reci no besedo, ki bo prava, da ne bom znorela!"

"I, počakaj no vendar toliko, da se beseda uleti in ne drdraj toliko. Raje mi povej, zakaj si vsa iz sebe in kakšen nasvet bi rada od mene imela?"

"Ježš, saj ne vem kje se me glava drži. John, pri nas v hiši gori, pa ne vem kaj bi naredila, zato sem priletela k tebi, da mi boš pametno rekel, kaj naj človek napravi v takem slučaju."

"No, pa je res sila, če gori. Za drugega ne vem, kot da hitro letiš pred Slovenski dom, poberi kje na cesti kak kamen ali opeko ali sploh kaj takega, pa razbij tisto "šajbco." To je edino, kar bi ti mogel svetovati. Ampak če me boš ubogala, hitro steci, da ne bo prepozno, ker ogenj nima tiste lepe navade, da bi počakal."

Te zadnje besede je John že sam sebi govoril, ker ženska je že letela proti Slovenskemu domu (ali "domi," kot pravi prijatelj Lojze). Blizu doma res najde na cesti priličen kamen, katerega krepko stisne v pest in zdirja na dvorišče doma in izbira šipo, v katero bi treščila kamen, kot ji je svetoval Asseg. Sicer se ji je res malo čudno zdelo, da ji je John svetoval ubiti šipo pri domu, da bo pogasila požar, ampak John že ve, kaj pravi. Najbolj pripravno se ji zdi, da bi zabrusila kamen v kako okno pri kleti, ki so nizko, ampak so zamrežena in kamen ne bo mogel skozi. (Bog ve, če je bil takrat "shorty" Legan za baro in če se mu je kaj sanjalo, kaj mu grozi od nevidne sile). Ženska leti ob domovem poslopju in išče okno brez mreže. Okrog in okrog leti, pa povsod so mreže. Zato se ustavi na pročelju doma in ravno premišlja v katero okno v prvem nadstropju bi poslala kamenček, ko pride mimo slučajno poštar, ki vidi žensko, kako meri s kamnom proti nedolžnemu poslopju. Čudno se mu zdi to njeno početje, pa jo prijazno pobara, kaj počne tukaj.

"Veste, pri nas gori, pa mi je rekel moj "štorman," naj vzamem kamen, naj letim pred Slovenski dom in naj razbijem "šajbco," pa bo takoj pomagalo. Kaj mislite, v katero okno bi ga zadržala kamen?"

"Mati, vam "štorman" gotovo ni rekel, da razbijte okno v poslopju doma, ampak šipo pri tistile škrinjici, ki avtomatično pokliče ognjegasce, ako se šipa ubije."

"O, Marička, saj je morda John res tako mislil," pravi žena in tudi ne pomišlja dolgo — zi-i-ink — je zaveznela šipa pri škrinjici in domovina in hiša sta bili rešeni.

"Ampak to ti rečem, John," je rekla drugi dan rojakinja "štormanu," "kadar boš še kaj znil, zini tako, da te bo človek razumel!"

Vaški apostol

Za "Ameriško Domovino" prestavi M. U.

Zajahal je stol, primaknil svečo tik knjige, pokril si z rokama uha. Polglasno je prišel "buh-tabir-ti": "Blagor slabim na duhu, kajti njih je nebeško kraljestvo. Blaženi ponižni, kajti oni bodo posejvali zemeljsko kraljestvo. Blaženi..."

Bila je že ena ura, a Peter Janez ni še bil pri kraju s Kristusovo pridigo na gori. Moral pa je prenehati, ker je sveča dogorela. V temi je pojedel mrzlo prižganko, medtem ko je zunaj pljuskal dež in pihal južni veter. Nato se je vlegel. Proti jutru je zaspal.

Za zajtrk je bil že pokoncu in je potem ves dan delal. Ker mu je bil dežal šumar, naj počiva še par dni, je šel v lino ter je tem sežgal cel seženj drv. Proti večeru pa ga je nagnal šumar v posteljo. "Sedaj je dovolj — saj imas tresavico že celo v lak-tih!"

Drugo jutro, v torek, je visela na vratih drvarnice žabnica. Tedaj pa se je domislil Peter drugega dela. Vedel je, da je mizar že ves teden bolan. Tedaj je moral biti ena miza v njegovi delavnici prosta. Šel je tja, in ne da bi se brigal za pomočnike šale, ki se ni mogel nagledati Petrovega obraza, je vprašal: "Ali bi smel en dan tu pri vas delati? Veš, gospoda župnika sem pripravil ob stol, pa bi mu hotel napraviti drugega... ki bo malo bolj trepen."

Pomočnik ni ugovarjal, kajti v družbi Petra bo imel vesel dan. Še povrh petindvajset krajcarjev napitnine — čemu bi se upiral!

Ostanek svojega premoženja je potrosil Peter, da popravi škodo, ki jo je "naštimal" gospodu župniku. Kupil je potrebne deske — in firnež. Nato je pričel stružiti. Med delom pa je opazil malo pručico, ki je stala na oknu in ki je bila napravljena od tli različnih lesov, da je izgledala skoro kakor Petrov obraz. "Lepa pručica! Čigava pa bo?"

Smeje se ga je pomočnik pogledal. "Jake z Breznikovine." "Tako?" Peter je zategnil obrvi. "Mar bo pričel moliti?"

"Tako pol in pol." Zopet se je pomočnik smejal. "Ampak veš, to ni nikak klečalnik, pač pa hokuspokuskistica, v katero lahko netopirje loviš."

"Kaj?"

"Ja, ti, če kdo poklekne nanjo, pa izgovori pravi rek, potem kar prilete netopirji."

"Pojdi, pojdi!" Peter Janez se je smehljal nekoliko. "Ti bi pač hotel človeka potegniti."

"I, saj boš videl na Veliko soboto zvečer na lastne oči, kako jih bo Jaka lovil."

Sedaj je Petra minil smeh. "Z Jaka mi bodi kar tiho! ... Tako skruniti tak svet dan... za take neumnosti!" In jezno je porinil oblič po deski, da je oblanjče kar odletalo. "Loviti netopirje! Na Veliko soboto! Ko je Zveličar moral ležati v grobu! Jaki, da, Jaki moram že enkrat prečitati Kristusovo pridigo na gori!"

"Spekerl, saj so ti vendar pridiganje prepovedali!"

"Pridiganje že!" Peter Janez se je vzravnal. "Ampak branja, branja mi pa ne prepoveduje noben paragraf!" Pordečel je v obraz, a žile na njegovem suhem vratu so nabrekle. "In Jaki... le povej mu... bom prečital še nekaj drugega!" Počasi je dvignil pest, v kateri je držal oblič.

Nekaj časa je pomočnik molčal. Začuden, da, skoro preplašeno je gledal Petra, čigar oči so se svetlikale, kakor se svetli-

kajo oči ranjenega medveda, kadar se zadere in dvigne svojo šapo k zamahu. Po prvi prepadlosti pa se je pričel zopet tako smejeti, da je pritekla mojstrovka, iz kuhinje in vprašala: "Kaj pa je? Kaj pa je?"

"I, Spekerl pač! Človek se mora nasmejati iz vsega grla temu človeku in še njegovim svetim stvarim! Breznikovemu Jaki hoče prebrati Kristusovo pridigo na gori!" Med smehom si je moral pomočnik obrisati oči in smeje se je dejala mojstrovka: "Le pridi jest! Moraš pa povedati to mojemu možu, da bo imel tudi on malo špasa!"

Sedaj je bil Peter sam v delavnici. Ko je pričel zopet delati, mu je le venomer klinja obtičevala v deski — tako so se mu roke tresle. Krčevito se smeje si je potrkal parkrat s prsti po čelu: "Peterček, Peterček, kako se le moreš tako pretvarjati! Mar ne moreš počakati še teh par ur do noči? ... In vse bo dobro!"

Sedaj je šlo struženje bolj izpod rok. In v svoji gorečnosti je kar pozabil da bi bil moral, domov kositi. Stružil je in žagal, zabijal in rezljal — in še predno je nastal večer, je bil stol gospoda Felicijana gotov in lepo lakiran — "tako naravno pofirnižan," kakor je dejal večje Peter Janez. Tako svetla je stala umetnina sredi oblančja, iz katerega je nastala, in medtem, ko je Peter občudoval svoj umotvor, se je pomočnik kar tresel smeha. Pa ni prišla samo mojstrovka z vsemi otroci, pač pa celo bolni mojster je zlezal raz postelj, da si med gromkim smehom ogleda ta nestvor. Med drugimi stoli je bil to nov Peter Janez Schilekerl, tako širokonog kakor kamela in vendar zopet v obilnih svojih oblikah podoben mlademu slonu, ki se je postavil na tri noge, a molel četrto v zrak kot naslonjalo.

"Pacenslekerl," se je smejal mojster, "napravil si stol... da bi se lahko vršila na njem obet z vsemi muzikanti vred!"

"Da," je prikimal resno Peter. "Ta bo nekaj vzdržal, da

me bo še Katra pohvalila!"

In da ne bi pokvaril mokrega firneža, je ovil dve nogi s časopisnim papirjem — in tako je nesel svoj umotvor domov.

"Ti," je še zavpil za njim pomočnik. "Pred cerkev ga pa ne smeš prinesiti — ta bi ti napravil hude luknje v glavo!"

Peter pa ga ni več slišal. Mudilo se mu je da prinese svoj stol skozi na lahno pršiči dež. Visoko ga je držal nad glavo in skakal, da mu je blatna voda pljuskala do pasu. Mračilo se je že, ko je prišel v svojo čimnarto in je postavil stol na tla. Ne da bi se dolgo oziral po čumnati, je pokleknil ter pričel brisati z robcem kaplje vode raz stol. Tedaj je začul nad sabo mogočen kih. Ko pa je pogledal po sobi, je videl nekoga ki je sedel na postelji, povešene glave in roke pobešene na kolena, kakor bi bil mrtvec.

"Tonček!" Peter Janez se je pobral.

Oni pa je dvignil nekoliko glavo. "Nu, da si vendar prišel... dober večer... že dve uri te čakam."

"Tonček!" je zastokal Peter. "Za, Kriščevo voljo, povej mi vendar, kaj ti je! Toliko skrbi si mi povzročil!" Ponudil mu

je obe roki.

Tone pa ni dvignil svojih. "Z menoj? Kaj naj bi pa bilo?" Trudno se je nasmešnil. "Nič, prav nič! ... Ah, da!" Vzdihi, ki je prihajal Bogve kje iz globin.

Peter ni mogel govoriti, le gledal ga je prestrašeno. Kaj je postalo iz tega smejočega se Toneta! Seveda, moker teden tam gori in pa dež na poti domov, sta pripomogla, da tako slabo izgleda. Lase je imel kar prilepljene na čelo in sence, a od zelnega klobuka, ki je puščal barvo, so bili potekli preko obraza zelenkasti curki, brke pobešene, kakor žalujoče zastavice, okoli telesa pa mu je visela obleka, ki je bila že gotovo cel teden mokra. In te oči, čijih nemirni pogledi je govoril o vsej "zopernosti" življenja! Okoli ust pa poteza bolesti — kakor jo imajo oni, ki trpe na želodcu in še na nekem drugem organu, ki leži malo višje od tega.

"Tonček, ali si bolan?"

"Ah, kaj! Kar razsrdil se je Tone."

"Nekaj ti pa vendar mora biti!"

"I, seveda... pač mi je sedaj tako..."

Jaz nisem nikoli niti mislila, da bi doma prala. Videla pa sem kako lahko je prati s Maytag. In kako nespametno se mi vidi, da bi komu plačala za tako lahko delo.

Ne smete se pa motiti s kupovanjem pralnega stroja in investiranjem v Maytag. Maytag opere perilo čisteje... hitreje z manjšim naporom... Z manjšo obrabo obleke... in to dela za več let. Maytag reprezentira stalno investicijo v hišno opremo in aktualni prihranek v dolarjih in centih.

Gotovo je pralni stroj primerno darilo — ako je Maytag. Zgledate se, da vam povemo glede odplačila.

DRUŠTVENA NAZNANILA

Iz urada dr. Slovenec št. 1 SDZ

Članstvo društva Slovenec št. 1 SDZ vabim na občni zbor (letno sejo), v nedeljo 11. decembra, točno ob osmih zjutraj v S. N. Domu, soba št. 2 (novo poslopje). Volitev društvenega odbora za leto 1933 in druge važnosti se rešuje omenjenega dne.

Sobratki pozdrav,
Joseph Trebec, predsednik.

Iz urada društva Svobodomiselnih Slovenke št. 2 SDZ

Nocoj, točno ob 7:30 uri, se prične glavna letna seja društva Svob. Slovenke v dvorani, št. 1, novo poslopje Slov. Nar. Doma.

Radi važnosti te seje, na kateri se ukrepa važne zaključke, merodajne za bodoči napredek društva, ter volitev odbora, se prosi cenjene sestre, da se vse, brez izjeme, udeležijo.

Po seji bo nekoliko proste zabave. Še enkrat, prošene ste, da ste navzoče.

Tajnica.

Iz urada dr. sv. Ane št. 4 SDZ

Naznanjam članicam, da imamo glavno letno sejo drugo sredo v mesecu, to je 14. decembra t. l. v navadnih prostorih, v S. N. Domu, v novem posloppju, soba št. 1. Začetek seje je točno ob 7:30 zvečer. Prošene ste vse članice, da se udeležite te seje, ker je samo ena taka seja na leto in je zelo važna. Imamo več važnih stvari za sklepati, kakor tudi volitev uradnic za bodoče leto 1933. Pridite, da ne bo potem oprekovanja, kakor je še vedno bilo: tista, ki se ni udeležila seje za volitev, je imela vedno oprekovanje, zakaj je ta ali ona uradnica izvoljena. Pridite in katera vam ni priporočljiva, povejte kaj imate za en vzrok, da ni zmogla ali kar imate že za povedati. Bo brez zamere, ker zato so društvene seje in zato se vas sklicuje skupaj.

Prosim, pridite ta mesec o pravem času plačat društveni asement. Asement ta mesec je zadnji v tem letu, zato vam sporočam, da vas ne bom tako dolgo čakala, da bi plačale asement, kakor sem vas zadnjih enajst mesecev. Pobirala bom 14. decembra od šestih zvečer naprej. Ker bo na 25. decembra božični praznik, boste čitale v časopisu, kdaj bomo skupno pobirala vsa društva, na 26. bom pa pobirala na svojem domu, potem pa nič več. Katera ne bo plačala do 26. decembra, bo po-

tem suspendirana, pasivna ali črtana.

Prosim vas, nikar naj se nobena ne zanaša, da se bo založilo zanjo. To veste, da tajnice nismo bankirke, ampak smo samo revne sirotice. Društveno blagajno smo pa že vso izčrpale za posojila društvenim članicam, tako da sedaj ne moremo za nobeno več založiti.

Upam, da boste to moje obširno naznanilo in prošnjo upoštevale. Na svidenje 14. decembra na glavni letni seji. Sestrski pozdrav,

Mary Bradac, tajnica.

Iz urada društva Mir št. 10 S. D. Z.

Celokupno članstvo društva Mir št. 10 SDZ se v ljubežno prosi, da se udeležite seje 11. decembra t. l., to je letne seje. Organizacije in društva v splošnem, še nikdar niso imela toliko važnih zadev za rešiti, odkar obstoje, kakor ravno sedaj. Gre za dobrobit članstva in Zveze. Društveni odbor apelira ter pričakuje, da se udeležite polnoštevno. Tista ura, ki jo bo član prestal na seji, mislimo, ne bo nobenemu škodovala, pač pa nasprotno: ako se članstvo v veliki meri številu udeleži, se lahko marsikaj stori vsem v dobrobit.

Vsi člani in članice društva Mir št. 10 SDZ se gotovo odločite, da pridete na letno sejo, to je drugo nedeljo v mesecu, ali 11. decembra ob eni uri popoldne v SND na 80. cesti.

Društveni odbor.

Iz urada dr. Clev. Slovenci št. 14 SDZ

Naznanjam članom društva Clevelandski Slovenci št. 14 SDZ, da imamo glavno letno sejo v nedeljo 11. decembra ob 9:30 dopoldne. Dolžnost vsakega zavednega člana je, da se glavne letne seje udeleži. Na tej seji se bo podalo poročilo, kako se je poslovalo v letu 1932 in kakor tudi več drugih važnih zadev pride na dnevni red. Kakor običajno, se bo na tej seji volil novi odbor za leto 1933.

Torej prosim vas, da napolnite dvorano vsaj enkrat na leto. Nobenega izgovora ni zaradi časa, zakaj sedaj ima čas vsak na razpologo.

Na svidenje v nedeljo 11. decembra. Bratski pozdrav!

Frank Končan, tajnik.

Iz urada dr. France Prešeren št. 17 SDZ

Člane in članice društva Fran-

ce Prešeren št. 17 SDZ se v ljubežno vabi na prihodnjo sejo, ki se bo vršila 11. decembra v navadnih prostorih. Seja se prične točno ob osmih zjutraj. Na dnevnem redu je več važnih stvari, ki bi pa vzele preveč prostora, ako bi hotel vsako posamezno zadevo tukaj razpravljati.

Bratje in sestre, ako se količkaj zanimате za društvo in če vam je društvo kaj pri srcu, se boste gotovo udeležili te važne seje, kot je decembarska seja. Na tej seji se bodo delali sklepi, ki so veljavni skozi vse leto. Večkrat se sliši, da to ni prav in to bi moralo biti tako. Zato je pa najbolje, da pride vsak na sejo in tam pove svoje mnenje. Vsak bo dobil dopisnico, na kateri se vas vabi na decembarsko sejo. Torej upoštevajte to.

Dalje prosim vse tiste člane, za katere sem več mesecev založil asement, da naj se spomnijo na to, če sem bil jaz dober zanj, naj bodo tudi oni tako dobri in za gotovo poravnajo svoj dolg do 25. decembra.

Z bratskim pozdravom in na svidenje v nedeljo 11. decembra na letni seji,

John Zalar, tajnik.

Iz urada dr. Sv. Ciril in Metoda št. 18 SDZ

Kajne, vi ste član in mogoče vsaj nekaj delate ter mogoče niste v pomanjkanju. Zatorej bi vas jaz, kot tajnik društva prosil na veliko našo prihodnjo sejo, ki bo glavna seja. Na to sejo pride navadno več članov, zato smo zadnjič sklenili, da bomo imeli več dobitkov. Ker je naša blagajna bolj mala in ker iz blagajne zakladamo za bolj revne člane, ste vi prošeni, ako vam je mogoče, da sami kupite kak mal dobiček za v korist društvene blagajne in isto pošljete na dom tajnika. Vsak dar in darovalca bom objavil v časopisu. To je prošnja na dobre člane našega društva. Pozdravljeni!

John Widervol, tajnik,

1229 Norwood Rd.

Iz urada dr. Coll. Slovenke št. 22 SDZ

Naznanja se vsem članicam, da se udeležite seje, ki se vrši v četrtek 8. decembra v Slovenskem domu na Holmes Ave. Začetek je točno ob 7:30 zvečer. Leto se bliža h koncu, zato se shajamo na naše letne seje, ki so najbolj važne.

Drage sestre! Udeležite se gotovo vse, ker imamo dovolj važnih stvari za razmotrivati. Poleg tega se vrše tudi volitev za prihodnje leto. Kart nisem letos razpošiljala za sejo, torej vzemite to naznanilo v pošto. Dolžnost vaša je, da pridete vsaj enkrat na leto na sejo. Pozdrav!

Tajnica.

Duštvo Združene Slovenke št. 23 SDZ

Odbor društva Združene Slovenke št. 23 S. D. Z. nujno prosi, da se udeležijo vse članice brez izjeme izredne društvene seje, pri kateri se bo razpravljalo glede razsodbe glavnega porotnega odbora Zveze glede našega društva. Nujno potrebno je, da so pri tej seji vse članice navzoče. Seja se vrši v petek, 9. decembra, ob 7:30 zvečer v navadnih prostorih. — Odbor.

Iz urada dr. Dom št. 25 SDZ

Naznanja se članstvu, da se vrši letna ali glavna seja v nedeljo popoldne ob eni uri, to je 11. decembra, v navadnih prostorih. Ima se za ukreniti več važnih in nujnih zadev. Ob enem se bo izvolil nov odbor za prihodnje leto. Prošeni ste, da se vsi udeležite te glavne seje.

Tajnik.

Iz urada dr. Državljan št. 33 SDZ

Naznanjam članom in članicam, društva Državljan št. 33 SDZ, da se vrši dne 11. decembra, točno ob osmih zjutraj seja, ker bo popoldne birma, da se ne boste potem izgovarjali. Dolžnost veže vsakega, da se udeleži letne seje, ker so volit-

ve in več novih stvari je na programu. Torej se vas prosi, da se udeležite seje in vam ključem: na svidenje 11. decembra.

Mary Spendal, tajnica.

Iz urada Jutrjanja zarja št. 46 SDZ

Članice društva smo razpravljale o inicijativi društva št. 9 SDZ in smo se v nekaterih točkah strinjale z njo, v drugih pa zopet ne. V splošnem pa je našo društvo proti inicijativi. Kakor razvidno iz poročila gl. predsednika, sam priznava, da v slučaju hitre nezgode ali smrti, so člani in članice SDZ oškodovani za časa pasivnosti.

Zato so po daljšem razmotrivanju članice razvidele, da bi bilo priporočljivo, da se za člane, ki umrjo za časa pasivnosti, izplača eno tretino posmrtnine, za katero je zavarovan. Strinjajo se s tem, da se ne izplača bolniška podpora za nazaj po preteku pasivnosti. Član(ica), ki postane reden član(ica) potem, ko poravnava stroške pasivnosti, naj bo deležen podpore po preteku 30 dni. Pasivnost naj bi trajala po starem: šest mesecev.

Vidimo, da se bližajo boljše časi, a ne vemo kdaj bodo prišli, zato je treba, da glavni odbor nekaj ukrene v korist članstva S. D. Zveze, ako noče, da iste izgubi za vedno. V razpravah o inicijativi je bilo podanih več različnih sugestij, te naj bi gl. odbor prerešetal in iz njih izbral kaj v dobrobit članstva in organizacije.

Mary Ravnikar, predsednica, Vida Kumse, tajnica, Mary Tomsic, blagajničarka.

Iz urada dr. Naš dom št. 50 SDZ

Članstvo našega društva vabim na sejo, ki se vrši 11. decembra ob 1:30 popoldne. Meseca novembra se je sklenilo, da se bo vršila glavna seja 18. decembra ob treh popoldne. Pa ker bo ravno birma pri sv. Lovrencu ravno tisti čas, se je morala stvar preduragati, ker bo tri in botrce ne bi mogli priti na sejo. Prosimi smo podružnico št. 47 SZZ, da nam prepustijo drugo nedeljo v mesecu, za kar se jim prav lepo zahvaljujemo.

Cenjeni člani društva Naš dom! Udeležite se glavne seje v kar največjem številu morete. Ne bo samo seja, ampak po seji bo tudi nekaj proste zabave, tako da boste šli z veseljem domov, pa ne žejni in ne lačni, ker po seji bomo nekaj krstili, boste že videli kaj.

Ob enem vas opominjam, da vsak prinese svojo plačilno knjižico seboj in jo oddaste tajniku, ker jih mora uredit za prihodnje leto 1933, pa naj bo že tajnik kdor hoče. S tem pa ni rečeno, da morate tisti dan plačati asement, ker zato vas ne pozivljemo na sejo, da bi dva tedna prej zahtevali asement od vas. Mi želimo le videti vse člane na glavni letni seji.

Z bratskim pozdravom,

Frank Stemberger, tajnik.

CVET NAŠE VASI

Vsi kovačevi dvomi, kateremu so ogleni prah, razbeljeno železo, gromoviti udarci s kladivom in drgetajoča konjska kopita odzveli skoraj vso mehko, so se razpršili spričo čarobne luči srečnih sanj. Sej je fata morgana za luč vsem koprečim ljudem.

Ko je v tretje obšel svoje bodoče imetje, je dejal: "Kdo pa sem? Ali morda samo podkovski mojster Klander? Ne rečem, kovaški mojster ostanem, a mimo tega bom še hišni posestnik, gruntar in imetnik letvišča!"

Sklenil je, da bo Boštjanovi Mini kupil v mestu pozlačen srček, ki ga je bil zadnjič videl. Stane samo petdeset dinarjev. In dalje bo dal svojemu hotelu tudi ime, kakor ga imajo vse take hiše. Nad vrati bo dal obesiti lepo tablo in ondi bo napisano: "Vila Mina."

17.

Prišla sta vladni svetnik in njegova nečakinja. Svetnik je bil prijazen, starejši gospod. Čez dva dni je pregledal Novakovo šolo. Tone je ves izčrpan prišel domov, zahteval "izdatnejše" kosilo in utemeljeval svojo zahtevo z velikim naporom, ki ga je moral prestati.

"Vse dopoldne je bil svetnik pri pouku, pri vseh predmetih. Kakor ne bi bili pri prvi pamesti, sem zmeraj dvigal roko, čeprav nisem vedel, kaj je vprašal. In tudi drugim sem rekel, naj storijo tako. Tedaj je dejal svetnik: 'Razred je prav živahen. Otroci, zelo sem zadovoljen z vami! Le tako naprej; bodite vedno v veselje svojemu gospodu učitelju!' Nato je moral eden po starega učenika, ki je ves razburjen hodil ves čas po vrtu gor in dol. Svetnik mu je ponudil roko in učenik se mu je globoko priklonil. In nato je rekel svetnik: 'Gospod učenik, zdaj ste v pokolu, a loška šola me je zelo razveselila. Sicer vidim, da je gospod Novak izvrsten učitelj — kar povem nalašč vprico vseh otrok — a vsa dobra podlaga je le od vas. Zahvaliti sem se vam hotel za to in sem vas poklical k sebi. Gor spodu Novaku ste zapustili izvrstno pripravljeno polje in novi učitelj ga pridno obdeluje.' Ségel je staremu učeniku v roko in ta, čeprav ga je gospod tako počastil, je začel jadikovati, rekoč: 'Ah, moj Bog, moj živ dan ni prišel noben šolski svetnik k meni, da bi bil človeka na noge postavil.' No — in potem je še dejal svetnik, da si bo ogledal društvo 'Mi bomo!' Veš, Mina, ko bo svetnik v nedeljo popoldne pil kavo v naši senčnici, bom jaz nastopil s svojo četo. Prišli bomo z zastavami in korakali s paradnim korakom in zapiskali 'Hej junaki, in 'Naprej zastava slave.' Tisto, 'Lepa naša domovina,' bom rajši izpustil, ker pri tej pesmi bobnarji preveč razbijajo. To pa ne soglašaj s tako nežno pesmijo."

Z največjo pozornostjo je Mina poslušala bratovo sporočilo. Saj je bila ona vse dopoldne še bolj razburjena ko stari učenik. Pa je bil njen ljubi učitelj tako pohvaljen in je dobil zadoščanje vprico otrok in vse občine!

Spet so Toneta objele krepke sestrine roke in spet ga je na vso moč poljubovala. Kakor kak junaki trpin je pustil, da se je vse to godilo z njim, a nato je hotel imeti svoje "izdatnejše" kosilo. Tudi Bernard je prišel iz šole. Počasi in trudno je hodil. Mina ga je prijazno vprašala, ali je tudi pridno dvigal roko vprico svetnika.

"Če sem natančno vedel, kaj je svetnik vprašal, sem se oglašil."

"Kajpa," je vzkliknil Tone, ki je sedel že za mizo, "si se oglašil z enim samim prstom, ki si ga dvignil komaj do rame. Oh, ti mila Jera, ti!"

Bernard ni ničesar odvrnil na to žaljivko. Molče je obesil šolsko torbico, odšel v kuhinjo, si skrbno umil roke, stopil k mizi in dolgo tiho molil. Ko je tako nemo stal in so mu podrhtevale blede ustnice, ni nihče spregovoril besedice. Tone je sicer dal je jedel, a pri tem ni nič rožljajal s priborom, niti kosti ni hrustal. Saj mu ni bilo dosti za brata, a njegovo zdravo občutenje mu je velevalo, da mora spoštovati tudi navade drugih in da človek ne sme biti sirov. Pa tudi Mina ne bi kaj takega trpe-la.

Oh, ti mila Jera, ti!"

Ko je hotela Mina dati Bernardu kosilo, je dejal Bernard: "Prosim te, Mina, da mi prihodnjih tri in trideset dni ne daš nobenega mesa, ker ga nočem jesti."

"Zakaj ne? Saj ni post!"

"Ne vprašaj me, Mina. Zaobljubil sem se, da tri in trideset dni ne bom jedel mesa."

"A jaz hočem vedeti, zakaj ga nočeš, ko si že itak vsak dan bledejši. Zapovem ti, da mi to poveš!"

"Če že moram, pa bom povedal materi."

Mati, ki je tudi sedela za mizo, je ječaje zaprosila:

By TWO DETECTIVES

Back again and this time loaded to the hilt with clues. Here goes.

The Modern Knight Bachelor wishes us to pick up the trail of "Blue Eyes." O. K., we will start in as soon as possible and will make every effort to find her for you. But say, how about that little something called a reward? We're not running a charity bureau, you know.

Aha, you amateur Sherlocks, did you see us at the Modern Knights Balloon Dance? You didn't? Well, it's your own fault. We took turns dancing with the Copy Cat and Smiles. We wonder if they have the right idea as to our identity? We don't think so, but what of it?

By the way, do you know what "kibitzing" means? After rummaging through some thousand odd volumes of Webster's pet works, we finally came upon this definition: Kibitzing is a Jewish word and means gossiping. Is that right, Copy Cat?

Well, the old false faces and extra sets of beards are all in readiness for the Eastern Stars Victory Hop to be held at the Slovenian Home, Holmes Ave. Johnny Gribbons will furnish the music, you furnish the 25 cents and the Eastern Stars will furnish the rest. Personally, we'll be on the lookout for that mean old Depression Blues and anyone caught in the act of protecting and harboring this nefarious gentleman will be promptly thrown in the house-gow. Believe it or not!

Scandals of the Day

By INCOGNITO

Mickey's famous "Model T" will soon be among the rest of them. "At Rest" and "In Pieces." One of Mickey's tires blew out and he being a bit lazy to fix it, purchased a new car. Plans are being carried out to keep the flivver because it really was an attraction at all S. D. Z. affairs. It is rumored, the car will be painted green and white—Eastern Star Ladies colors.

A number of Eastern Stars' attended društvo Kras' 20th Anniversary and Modern Knights Balloon Dance. They had a good time at both of the affairs.

Eastern Stars have always tried to co-operate at all S. D. Z. affairs and are now asking for your assistance Sunday, Dec. 11, the day of their Victory Dance which is to be held at Slovenian Home, on Holmes Ave. Music will be furnished by Johnny Gribbons and his boys. Admission is only 25 cents. Dancing will begin at 8 p. m.

Last Sunday the Eastern Stars were again visitors at the home of the "Beautiful Six." Of course it means the Lebar girls. This time Hilda, the tap dancer, was passing out apples instead of the customary potato chips.

The Bachelors went for a spin in Stanley's squad car the other day. After crashing 17 red lights, almost tipping over a street car and making the big bus go into a tail spin, at which time poor Eddie got sea sick, three bachelors walked off and decided to ride in the Flying Flivver. They did not go far, however, first the water began to steam and then the tire blew out.

EASTERN STARS VICTORY HOP SUNDAY

TRIO OF S.D.Z. TEAMS PRY OFF INTERLODGE LID

Modern Crusaders, Clairwoods, Eastern Stars in Opener Wednesday

With eight teams facing the barrier, the Interlodge League will open its second basketball season at the St. Clair Bathhouse next Wednesday evening, Dec. 14, at 7 o'clock.

Of these eight teams, no less than three are representatives of the Slovenian Mutual Benefit Association and from all indications chances are bright that one of these three should come home with the league crown. The S. D. Z. teams in the loop are the Eastern Stars, Clairwoods and the Modern Crusaders.

Of the three, the Clairwoods are the only ones who were previously represented in the cage sport.

The Modern Crusaders will have the distinction of opening the league when they take on the Serbian Club in the curtain raiser. The Serbians are reputed to have a fairly strong club, though indications point to a Crusaders victory in this initial tussle.

Following the Crusader-Serbian struggle, the Clairwoods take the court to do battle with the St. Joseph Sports, another newcomer in the loop. Last year, the Clairwood quint was one of the weak sisters of the league, but things will be decidedly different this year as they have what stacks up on paper as one of the strongest clubs in the circuit. Though they will be faced by a fighting team in Wednesday's game, it is expected their superior strength and experience will lead them to a victory.

For the third game on the card, the Eastern Stars meet the Progressives, league veterans. With the assumption of the coaching responsibilities by John Nagy, the Stars have been coming along at a fast clip of late and should prove a good match for the Euclidites. This game promises to be one of the best of the evening's bill of fare.

The final game of the night finds the Pioneers, defending champs, tangling with the powerful Loyalite five. This fracas should be a nip-and-tuck battle all the way and is bound to draw a large crowd to the bathhouse for the opening night.

All league games will be played at the St. Clair Bathhouse with a 5-cent admission charge being in effect.

A final meeting of the team representatives will be held at the bathhouse tonight.

THANKS JOE

To Joe Kogoj, president of the Clairwoods, we take this opportunity in thanking him from the bottom of our hearts for the nice present he gave us last Saturday.

With hopes of returning the favors, we remain,
—The Bachelors.

Have you obtained your new lodge member yet?

CLAIRWOOD HANDBALL STAR SCORES PAIR OF WINS IN TOURNAMENT

Evidently living up to his writeups, Frank Golobic, Clairwoods' handball ace, scored two triumphs in the current Y. M. C. A. Handicap Tournament. In his first match of the tourney, Golobic took Al De Lorenzo, 21 to 8 and 21 to 5. De Lorenzo's handicap was three points.

Golobic experienced a little more difficulty in his second tilt, defeating Adam Klein, 21 to 17 and 21 to 11. Klein was favored with a five-point handicap, however.

Remaining rounds of the tourney are to be played in the near future.

Modern Knight Dance Is Season Highlight

By MICKEY

Happy jostling people, drinking deeply from the cup of exalting fun offered them by the Modern Knights last Saturday evening were very much in evidence at that lodge's Balloon Dance.

No matter where this writer went upstairs, downstairs or outside, he was met by people who were having the time of their lives. The dance floor was always crowded and the folks were kept on the go till 2 a. m. by the merry Jack Zorc Trio.

What seemed to be most attractive to men as well as others was the large net that held the gayly colored balloon fastened to the ceiling. The hall was also trimmed nicely with bright colored streamers.

There was a grand rush for the balloons when the net was let loose. There was a pop here and a pop there as the various balloons were burst.

Many S. D. Z. members were present, but we certainly did miss many of the Crusaders and Comets.

Dances such as these, are the greatest asset to our organization and hope that the Modern Knights keep up their good work.

"A WORD TO THE WISE—"

A word to the wise is sufficient. That's why the committee in charge of the Modern Crusaders' Holiday Social, to be held Tuesday, Dec. 20, is passing the following on to their friends:

Yes Siree! It's going to be bigger and better than ever—if that is possible. And nothing is impossible for the Crusaders.

If you have ever attended any of our previous affairs, you know you will have a great time at this one. Attend the frolic and we'll make you feel at home.

Remember tickets can be obtained from the members of the lodge for the small sum of 10 pennies.

Reasonable? We should say so and what a time is in store for you!

Come early and stay late. We'll show you such a swell time that you won't forget about it for a long while. And we hope you'll look forward to our next big affair. Keep watching for that one, too. It's on its way.

The Committee.

MODERN CRUSADERS MAKE LATE ENTRY IN INTERLODGE LEAGUE

Collinwood Group to Be Represented With Strong Team in Fast Community Cage Circuit

Not quite content with the acquisition of the S. D. Z. baseball title at the Olympics last summer; the large increase in membership which netted them the lodge trophy and victory in the Essdeeze Election Campaign, the remarkable success of their socials and the formation of their own orchestra; the Modern Crusaders are now seeking new worlds to conquer and to this end announce their basketball team, which is to perform in the Interlodge loop.

The team was formed on short notice and the entry was made late, coming as pretty much of a surprise to all the Crusader followers.

Though this represents the Crusaders' debut in this form of indoor sport, it does not necessarily mean that they will make a weak entrant in this fast cage loop. Rather, they should be one of the strongest quints in the circuit and will furnish plenty of opposition for any club in the league, if we are to judge by their roster.

Frank and John Kuhel, John "Yosh" Biaglow, Martin Valtich, Paul Richman and Hank Dugoliski make up the squad at the writing, though it is expected the group will be further strengthened by the time the lid is pried off the league.

These men have shown their ability in previous years with the Loyalites and Comrades, and can well be expected to finish high up among the leaders of the Interlodge loop. It's a safe bet they'll be a first division team. They have been practicing for the past two weeks and are ready to go to the wars immediately and give a good account of themselves.

And as is fitting a good team, the Modern Crusader standard bearers will be attractively attired in blue and gray uniforms in keeping with the lodge colors.

CRUSADERS HOLDING SOCIAL

Getting its birth in the Collinwood districts, the fame of the Modern Crusaders Depression Socials has grown with each of these popular monthly affairs until now it has spread over the entire city and Euclid, as well.

As has been the practice in the past, these socials were held after the club's regular meetings on the third Wednesday of each month. This time, however, the group does not wish to have a social interfere with the lengthy business session of December, which includes the election of officers for 1933, and are therefore moving up their holiday social to Tuesday, Dec. 20.

The place, of course, will be the same—the Slovenian Workingmen's Home, Waterloo Rd. And that same good time, which has marked all the Crusader affairs, will be yours for the attendance.

By DIMPLES

Here I am, folks, after taking another week's vacation. But are you all set? For what? Why the Eastern Stars Victory Dance Dec. 11 at the Slovenian Home on Holmes Ave. Admission is but 25 cents and a good time is promised all. Music is by Johnny Gribbons. Come on and enjoy yourself.

Did you have a good time at the Modern Knights' Balloon Dance last week? This writer sure did and hopes those Euclidites have another one soon.

Basketball is the talk of the town just now. Come on, let's see what the Modern Crusaders, Clairwoods and Eastern Stars and all the rest can do when the Interlodge loop gets under way. We (all members of the English-conducted lodges) are looking forward to another championship, you know.

Johnny Nagy has been elected coach of the Eastern Stars cage squad. Congratula-

Crusader Elected

At the annual meeting of the Strugglers, S. N. P. J. lodge, held last week, John "Lindy" Lokar was elected president for the seventh consecutive term.

As a mark of appreciation of his efforts in their behalf, the Strugglers presented Lokar with a trophy at the time of his re-election.

Lokar's fellow members of the Modern Crusaders offer him their congratulations on this extraordinary feat and wish him continued success.

tions, Johnny, and we hope you lead your team through a most successful season. Show the rest of the teams a bit of your Star dust.

To Copy Cat: I sure would like to know who the "Two Detectives" are. Please let me know as soon as possible. Will be waiting patiently for your reply.

We hear that Bill Kozelj has taken a vacation. Have a nice time, Bill. That is if you are not home already!

WASHINGTON LASSIES HOLDING CHRISTMAS PARTY NEXT TUESDAY

Once a year, the lassies of the Martha Washington lodge forget all their current cares and woe, and gather in a spirit of good-fellowship and friendliness. This celebrated yearly affair is their Christmas party.

This year the Washingtons will gather in Yuletide comradie at the Posch-Makovec restaurant, 945 E. 63d St., on Tuesday evening, Dec. 13. Friends of the members are cordially invited to attend, too.

As has been the practice in the past, each member and guest is required to bring a 10-cent gift to the party. These gifts will then be exchanged. As a further attraction, bunco will be played with prizes being awarded the winners.

Tickets for the party, which are selling for 10 cents, can be obtained at the Millavec residence, 1001 E. 71st St.

Twentieth Anniversary Celebrated by "Kras"

By MICHAEL LAH JR.

Last Saturday Kras Lodge, No. 8, the second largest in the Slovenian Mutual Benefit Association, celebrated its 20th anniversary.

The affair opened as a regular lodge meeting with president Michael Lah Sr., officiating. President Lah outlined some of the accomplishments of the organization, praising them, especially for their efforts in winning the first membership campaign, in which they almost doubled their membership.

Other speakers were Supreme President Frank Cerne, Joseph Okorn, supreme vice president; John Rotar, secretary of Kras; Primož Kogoj, supreme secretary, and Frank Zorich and Mrs. Julia Brezovar, supreme board members.

Mr. Rotar gave a brief report on the lodge's financial condition for the past 20 years.

Following the business session, Primož Kogoj showed pictures of the S. D. Z. Olympics. Dancing then became the order of the evening with Rudolph Kozelj's Trio furnishing the polkas and waltzes in grand style, and it was in the wee hours of the morning before the last of the revelers decided it was time to go home.

S. D. Z. Lodge No. 2 Holds Kiss and Luck Dance

The girls of the Svobodomisne Slovenke Lodge, No. 2 S. D. Z., are all set to show their friends a great time on Saturday, Dec. 10, at the social to be held in Sokol's Hall, Slovenian National Home.

Kisses will be presented at the door by a charming young lady, and if you bring Lady Luck with you, you will go home with one of the several door prizes to be given away.

Red Brancelj's music will fill the room with its melodious tunes for the dance-loving couples, while for those who prefer to idle their time, there will be card playing.

Delicious refreshments will be served. Come! The girls of Svobodomisne Slovenke cordially invite you all to attend!

SLOVENIAN HOME TO BE SCENE OF BIG CELEBRATION

Johnny Gribbons' Orchestra to Entertain as Lodge Holds Party for Champs

"All the world loves a winner!"

In this manner does Dan Duffy, present city recreation commissioner and former athletic director of Cathedral Latin and Holy Name High schools paraphrase the popular expression. All the world loves a lover.

Just how correct is Mr. Duffy, will be demonstrated Sunday evening, Dec. 11, at the Slovenian Home, Holmes Ave., when the Eastern Stars hold a gala Victory Hop in celebration of their winning the Interlodge Class B baseball title this past summer.

It is hoped that all the world does truly loves a winner and that everybody—at least all the members of the English-conducted lodges of Slovenian Mutual Benefit Association—attends this victory celebration, and to show the Stars' conquering heroes that they are fully appreciative of their heroic efforts in coming from behind to win the championship.

Aside from the fact your attendance is a mark of tribute to the winners, a good time is in store for you—a mighty good time.

For the past several weeks the members of this lodge have worked diligently, side by side, with the common aim of making this Victory Dance so tremendous a success that it will live long in the memories of those attending.

The dance was originally slated to be held on Nov. 26, but the various committees found it impossible to make all the necessary arrangements in such a short time. Then, too, the Spartans, whom the Stars defeated in the semi-final, were sponsoring an affair on the same evening. And so that the spirit of friendliness be maintained, the Stars postponed their dance to Sunday, Dec. 11, and themselves attended the Spartans hop in a body.

In so doing, however, some of the old plans for the celebration had to be cancelled and others revamped. One of these was for the entertainment of out-of-town guests over the week-end. Among the features of this angle of the program was a big dinner and attendance at a football game.

The dance itself, however, has been improved, the committees taking advantage of the extra time to make the celebration a grand affair.

Johnny Gribbons and his Jazz Joy Boys will play the dance music until the late hours. There will be refreshments and special features galore and the admission has been set at only 25 cents. Proceeds from the dance will be used to purchase jackets for the team.

Now everything is ready and all that remains is for the fellow members of the Association is to attend and show the Stars that all the world really does love winner.

Local Hockey Team Gets Ace in Prelesnik

Slovenian Luminary With Indians Hails From Eveleth, Minn.

By EDDIE KOVACIC
Sports Editor

A dashing young forward obtained from the Detroit Olympics by the Cleveland Indians last Friday, instilled enough spirit into the local lineup to give them their initial victory of the season in the International hockey circuit, downing the Detroit crew by a 3 to 1 count last Saturday night. Up to that time the Tribe record showed nine losses and two ties.

This 22-year-old flash is known as Anthony Prelesnik, and boasts of Slovenian extraction. Tony hails from Eveleth, Minn., where he was born and raised. In 1920 he started to play hockey in a city league with such stars as Ching Johnson, Ranger star; Percy Galbraith, Boston Bruin ace, and Victor Desjardins, Springfield luminary.

In 1923 he went to Eveleth High School, all the time playing amateur hockey. Four years later he entered St. Mary's College at Winona, Minn., where he reached the peak of his amateur playing days when he made the All-American hockey team in his senior year.

Last year, his first since his collegiate career, found him on the ice with the Chicago Shamrocks. Tony was very instrumental in leading his team to the American League championship, in the final game of the post season series he broke up a tie with a goal that proved to be the deciding factor in the melee.

Incidentally he scored the first and last goal in the league. With him on the forward line were Eddie Wiseman and Jack Riley. This trio was the highest scoring line in the American loop, Eddie finishing first, Jack second and Tony fifth in the final standings.

Father S. N. P. J. Member
Mr. and Mrs. Frank Prelesnik, parents of the new sensation, objected strenuously to their son playing hockey, but after seeing him play a game in college they are his most ardent supporters. Mr. Prelesnik is a member of S. N. P. J.

Louis, a younger brother, has been signed by Detroit, while another brother, Eddie, is playing with the St. Mary's College aggregation and is fast following in the footsteps of his older brother Tony.

The Slovenian youngster is a six-footer and tips the beam around the 200 mark. He plays left wing on Harry Holmes' squad and is expected to be one of the season's finds. Saturday the Indians are scheduled to play Windsor at the Elysium, E. 107th St. and Euclid Ave., where all of their home games are played.

Slovenian School to Stage Two Plays Sunday, Dec. 18

The Slovenian School of the Slovenian Workmen's Home, Waterloo Rd., will present an entertainment Sunday, Dec. 18, on the stage of the Slovenian Workmen's Home.

A part of the performance will consist of two plays, in which students of the four grades will participate. One play is "Clear Conscience" (Cista vest), a market scene; the other is "Rudeci, Serafan," which features the dream of Jurick (George). Other individual acts will be given.

After the performance there will be dancing in the lower hall. The admission is only 35 cents. Tickets can be obtained beforehand from any of the school pupils. The public is cordially invited. A big attendance will be an encouragement to the children in their studies.

The play is under the direction of Mrs. Pauline Susa and Mr. Joseph A. Siskovich, ably assisted by Miss Florence Jeraj and Miss Marie Zaic. Other arrangements are under supervision of Mr. Joseph Zele, school president; Mr. Vincent Coff, school secretary, and Mr. Louis Katerle, member of school board.

WRECKERS OPEN SEASON

The Cleveland Auto Wreckers, last year's Bukovnik Studios, Class C champions, will play the Goodrich House team Saturday at 7:45 at the St. Clair Bathhouse. This is the Wreckers' first game in the current Class B muny league.

The local quint will play an exhibition game tonight with the St. Stanislaus, Class A, at the latter's gym.

Sammy Zamec is again at the helm of the muny team.

OREL MEETING

The Orels announce that their meeting date has been changed from tonight to Friday, Dec. 9. Members are requested to be present, as there will be a discussion on a New Year Eve party and the Slovenian school.

Radio music will provide the entertainment as one of the evening's features.

Interlodge Basketball Play Opens Wednesday With Eight Teams

Balanced Inaugural Schedule Looms as First-Class Entertainment; Pioneers-Loyalites in Headliner

Next Wednesday evening, Dec. 14, has been selected as the opening date of the 1932-33 Interlodge basketball campaign, with the scene of action the St. Clair Bathhouse.

This year's loop promises to be one of the best in the city, with eight strong teams already entered and a possibility of two more coming in later. The inaugural schedule is one that will please all basketball lovers, with what the defending champions, Pioneers, facing the Loyalites in a continuance of last season's championship battles.

They will meet in the final tilt of the evening's program, which will witness the Serbian Club and the Modern Crusaders prying off the lid at 7 p. m.

ERNE MADDOCK, FORMER WORLD'S WELTER-WEIGHT CHAMPION WRESTLER, SCORES WITH GUS FAN AND BURPERS AS MAT REFEREE

It isn't very often that you encounter a referee in the boxing or wrestling business who is universally popular and well liked by the fans themselves. Usually he is regarded in the light of a public enemy.

But not so with bustling little Ernie Maddock, round mat referee and one of Sheriff John Sulzmann's trustiest aids. Ernie, by the diligent and conscientious manner in which he officiates at a wrestling match, has earned for himself the plaudits and respect of all the wrestling addicts in the vicinity. It wouldn't be stretching it a bit to say that Ernie is one of the best wrestling officials in the country.

At least, that's the opinion of Champion Jim London, Joe Savoldi and numerous other grunt artists. When Ernie is elected to "work" a match, he really "works." Oftentimes after a bout his entire clothing is dripping wet. He not only referees in town

here at the Equestrium, the Public Hall and the Central Armory, but receives offers from all over the state and country.

Before becoming a mat "ref" he was quite a grappler himself. In those halcyon days he was a welter and in 1923 held the division world championship. Among the famous wrestlers he met and defeated were Matty Matsuda, the Japanese champ, Joe Parelli, Jack Reynolds, Charley Fox and many others.

As we've mentioned before, he's well liked by the burpers themselves, excepting, perhaps, Floyd Marshall, villain that he is. Three weeks ago Ernie and Marshall exchanged knockouts in the latter's match with John Kilonis, in which Ernie was the referee.

Last week Kilonis was rematched with Marshall and Ernie was the third man in the ring, all set and primed for a recurrence of the hostilities that the universally hated Marshall had started on the previous occasion. But when Floyd entered the ring he was as docile as Mary's little lamb. All of which goes to prove the esteem and respect that the gruntners themselves hold for the Slovenian.

Simms, Bojack Lose on News Card at Hall

Heuser Edges Local Heavy; Slovenian Bows to Jackie Davis

By BILL TOFANT

Two Slovenian ring warriors, Eddie Simms and Eddie Bojack, were featured on the News boxing bill at the Public Hall last Tuesday evening. Both boys finished on the short end of the decision, but the 7,677 fight fans who attended the annual carnival of sock went home with nothing but praise and credit for the two local gladiators, who went down to defeat fighting valiantly.

Jackie Davis, formerly of Chicago and now being managed by Bud Weiser, evidently had heard of the dynamite that Eddie "Red" Bojack carries in his lethal right mitt so he elected to wage a cautious and wary battle against the Collinwood Slovenian. Their soiree, a four-round opening card, was replete with fast action and hard punching. For the first two heats it was all Davis. His short jabs kept Bojack from getting set and unleashing that right. Then Bojack opened up in the third round and had the Jewish battler ready for the concluding touch, but just could not manage to put over the tell-tale punch. It was in this frame that "Red" delivered the hardest punch of the fight, a hard right to the vicinity of Davis' whiskers that, as we've mentioned before, all but kayoed Jackie. Eddie continued his assault in the fourth round, and when the bell rang both boys were belting away merrily at each other. The lead the Jewish fighter had compiled in the first two rounds proved too great for Bojack to overcome and Davis was awarded the duke. Eddie was handicapped somewhat by a bloody nose suffered in the second round.

Simms Scores Knockdowns
Most of the cash customers agreed that the best bout on the bill was the clash between Eddie Simms, hard hitting local heavy, and Adolph Heuser, stocky German light heavy, who rates 1-2-3 in his division. Heuser will meet George Nichols later in the month for the light heavy championship. While the final verdict in the bout was well received by the fans, there were those who thought Eddie was entitled to the decision by virtue of the two knockdowns he scored over the Teuton. Had Simms been able to cope with the German's superior infighting he would have won handily. For that's the manner Heuser employed to win.

Before the echo of the opening bell had scarcely died away Heuser met Simms midway, and flailed him with a barrage of lefts and rights that completely obfuscated Eddie. However, he managed to weather the storm, and the second frame was a different story. Coming off the ropes, Simms flashed a right, one of the few he connected with during the course of the battle, and dropped Herr Adolph for a no count. By this time Simms was warmed up and was holding Heuser at bay with one of the prettiest left hooks ever seen in these parts. Eddie dropped Johnny Buckley's protegee again for a no count in the fourth with a left hook to the stomach. Then Heuser changed his tactics. Discarding the rushing-boring-in style, he reverted his attack to infighting and continued to use that method for the rest of the fight. Meanwhile Eddie directed his attack on Heuser's left eye, which he had opened in the earlier rounds. In the ninth, when he butted Heuser in the region of the injured member, he was warned by Freddy Block and booed lustily by the crowd. When the fight ended both boys were given a great round of applause for their efforts. It was no disgrace for Eddie to lose to Heuser, as the latter is one of the best fighters in the business. Our score card gave Eddie the second, third, fourth and eighth rounds and the seventh was close enough to be called even. Heuser won the first, fifth, sixth, ninth and tenth. But the decision could have gone to Simms for registering the pair of knockdowns.

In the other bouts, Sammy Slaughter kayoed Paul Pirrone in the fourth round, Patsy Perrone defeated Tom Heeney in 10 rounds, Pete Nebo decided Phil Zwick in 10 and Sammy Fuller gained the nod over Billy Wallace in 10 heats.
