Ronald Reagan in George Bush ponovno republikanska kandidata – Velika prednost med volivci pred Mondalom in Ferraro

DALLAS, Tex. – Sinoči sta Ronald Reagan in George Bush v ločenih govorih sprejela imenovanje kot kandidata republikanske stranke na predsedniških volitvah, ki bodo 6. novembra. Reagan in Bush sta bila soglasno potrjena kot strankina kandidata preteklo sredo zvečer. Vsi znaki kažejo, da ima Reagan ogromno prednost pred demokratskim tekmečem Walterom Mondalom. Nekateri analitiki menijo, da v zadnjih desetletjih ni imel noben kandidat tako očitno prednost na začetku volivne kampanje.

V svojem govoru na zaključnem konvenčnem zborovanju sinoči, je Reagan dejal, da imajo volivci letos najjasnejšo izbiro glede politike v zadnjem polstoletju. Republikanci smo optimistični glede bodočnosti, demokrati pa govorijo pesimistično o ZDA, o bodočnosti, živijo v strahu, je dejal predsednik, ki so ga zbrani delegati ponovno nagradili z navdušenim aplavzom in vzklikanjem. O svojem drugem terminu je Reagan rekel, da bo končal politiko, ki jo je s tako očitnim uspehom začel pred štirimi leti. Od delegatov in seveda gledalcev po televiziji je prosil podporo tudi za druge republikanske kandidate, predvsem tiste, ki želijo v zvezni kongres.

Ker smo republikanci še vedno manjšina, je nadaljeval Reagan, vabimo v naše vrste vse tiste poštene demokrate, ki jih je njihova stranka zapustila, ker je sprejela liberalno, negativno do ZDA politiko. Dobrodošli boste v republikanski stranki, je dejal Reagan, ki ni pozabil omeniti, da je bil tudi on svojčas demokrat in je l. 1932 glasoval za Franklina D. Roosevelta. Jaz demokratske stranke nisem zapustil, je pripomnil, stranka je mene zapustila.

Tudi George Bush je prosil delegate in širšo javnost, naj podpira republikanske kandidate za zvezni kongres, da ne bodo mogli liberalci več sabotirati Reaganove politike v kongresu. Demokratska stranka pod Walterom Mondalom in Geraldine Ferraro je stranka preteklosti, mi republikanci pa smo stranka sedanjosti in bodočnosti, je povedal Bush, o katerem menijo analitiki, da želi postati Reaganov naslednik čez štiri leta.

Kot že omenjeno, povpraševanja javnega mnenja potrjujejo, da ima Reagan zgodovinsko veliko prednost pred Mondalom. Prednost je tako očitna, pravijo republikanski kampanjski strategji, da morajo preprečiti ravnodušnost do kampanjske borbe s strani strankinih aktivistov. Do volitev je namreč še dobrih 74 dni, v tem času pa bosta demokratska nasprotnika najbrž precej napredovala. Politični analitiki do neke mere soglašajo. Ti menijo, da so tisti, ki bodo Reagana volili, že opredeljeni, tisti pa, ki se še niso opredelili, bodo morda več naklonjeni Mondalu. Kljub temu, nihče med analitikov ne pričakuje, da ima Mondale resnejšo možnost, Reagana premagati.

Mondalova kampanjska organizacija v težavah – Vidnejša je Ferraro

NORTH OAKS, Minn. – Ta teden je demokratski predsedniški kandidat Walter Mondale počival na svojem domu. Vedel je, da bodo sredstva javnega obveščanja posvetila največ pozornosti republikanski konvenciji. Želel je biti v ozadju, ko je skušala podpredsedniška kandidatka Geraldine Ferraro premagati težave v zvezi z njenim in moževim finančnem poslovanju. V naslednjih

dneh pa bosta Mondale in Ferraro zopet aktivna in obiskala razna mesta po ZDA. Tako bo Ferraro obiskala Cleveland prihodnji torek.

V izjavi, objavljena včeraj, je Mondale zopet kritiziral republikansko stranko, ker baje podpira in pomaga predvsem bogatejšim slojem ameriške družbe, pozablja pa na starejše in revnejše Amerikance. Mondale tudi kritizira ogromen primanjkljaj v zveznem proračunu in trdi, da bo tudi Reagan prisiljen povišati zvezne davke, ako bo izvoljen. Mondale je rekel, da pripravlja načrt, ki bo v kratkem objavljen, o tem, kako namerava znižati proračunski primanjkljaj za dve tretjini tekom 4 let, ako postane predsednik. O primanjkljaju pa ni kaj dosti govoril ne Reagan in ne drugi republikanski govorniki na pravkar končani konvenciji.

Dve sovjetski vojaški ladji se pridružili drugim, ki iščejo mine v Rdečem morju – Iračani zopet napadajo ladje v bližini Irana

KAIRO, Eg. – Včeraj sta prišli v vode Rdečega morja preko Sueškega prekopa dve zelo sodobni sovjetski vojaški ladji in sicer križarko Leningrad, ki ima nosilnost 20.000 ton in 500-člansko posadko, ter rušilko, na kateri je do 250 mornarjev. Ladji sta namenjeni vodam v bližini Južnega Jemena, pri ožini Bab el Mandeb. ZSSR ima zelo tesne politične in vojaške odnose z Južnim Jemenom. Od vseh skupaj 18 ladij, poškodovanih od min v Rdečem morju v zadnjem mesecu, je bilo 11 incidentov v bližini Bab el Mandeba, med poškodovanimi ladjami pa je več sovjetskih in vzhodnoevropskih. Sovjetski poskus pri pobiranju min poteka neodvisno od prizadevanj Egipta, ZDA, Francije, Anglije in Italije. Doslej, kljub intenzivnemu iskanju, ni bila pobrana niti ena mina.

V nesreči helikopterja ubit visoki častnik libanonske vojske – V severnem mestu Tripoliju hudi boji terjali veliko žrtev

BEJRUT, Libanon – Včeraj je umrl v nesreči generalmajor Nadim Hakim, najvišji predstavnik Druze manjšine v osrednji libanonski vojski. Hakim in sedem drugih oseb je našlo smrt, ko je helikopter, v katerem so bili, treščil v goro kakih 43 milj severno od Bejruta. Do nesreče je baje prišlo zaradi goste megle, vodja Druze manjšine Walid Džumblat pa je izjavil, da ni še izključil možnosti atentata. Pod močnim sirijskim pritiskom skušajo razne politične, verske in etnične skupine v Libanonu ustanoviti močno, enotno osrednjo vlado. Tudi Džumblat je bil od Sirijcev prisiljen sodelovati v tem poskusu, nima pa nobenega zaupanja predvsem do krščanskih strank, v prvi vrsti Falangistov.

V Tripoliju, drugem največjem libanonskem mestu, še potekajo hudi boji med pripadniki sptih muslimanskih skupin. Padlo in ranjeno je bilo doslej več sto oseb, v veliki večini civilistov.

Bomba na teheranski ulici ubila najmanj 17 oseb, ranila pa do 300 – Najhujši tovrstni incident v zadnjih dveh letih

TEHERAN, Iran – Včeraj je na cesti blizu glavne železniške postaje eksplodirala bomba, ki je po iranskih vesteh ubila najmanj 17, ranila pa več kot 300 oseb. Odgovornost za atentat, najhujši v zadnjih 2 letih, pripisujejo gibanju Mudžahedin, iranska vlada pa meni, da so imele svoje prste vmes tudi ZDA.

Opazovalci iranskih razmer menijo, da je iranski režim v težavah zaradi dolgotrajne vojne z Irakom.

Dr. Rajko Ložar — 80-letnik

Že več kot dvajset let je od tega, ko sem ga obiskal v muzeju v Manitowocu, Wisconsin, kjer je do upokojitve ravnateljaval. Od tedaj se pogovarjava s pismi. Bolj zgovoren je, kot sem jaz. Odkrivava stične točke, tolmači mi dogodke in poglede, na katere sem bodisi pozabil, bodisi mi niso bili nikdar jasni. Piše jasno in zavzeto, preskakuje iz arheologije na zgodovino, od lingvistike do gibanj v slovenskem slovstvu, povezuje izkušnje slovenskega muzealca s pogledi na predvojno, medvojno in poveljno kulturno in politično delo. V Združenih državah Slovenci nimamo ustvarjalca ali opazovalca, ki bi mu bil kos.

Dr. Ložar je bil rojen v Ljubljani 29. avgusta 1904. V času med obema vojnoma je bil tesno povezan s kulturnim ustvarjanjem katoliškega tabora, vendar ni nikdar veljal za pokornega sledilca »uradne linije«. Ne vem, če je bil kdaj pri nas doma, a že kot otrok sem vedel zanj in za hišo ob Ljubljani, ker je moj oče tja zahajal. Zgodovina Doma in sveta, ilustracije, ljubljanskega muzeja, slovenskega narodopisja, vse to je del Ložarjevega historiatu.

Prvič sva se srečala, ko sem mu ponudil v podpis svoj univerzitetni indeks; bilo je v jeseni 1941. Predaval je o arheologiji. Hodil sem na predavanja, ker sem ga hotel slišati, čeprav predmet ni spadal v moj univerzitetni program. Kmalu potem smo se razšli. Danes lahko rekonstruiram, po kakšnih poteh smo hodili. V Rimu in kasneje v Trstu sem slišal, kako koplje na Koroškem, naganja študente, piše, išče, hiti. Nato presledek. Najdem ga v Ameriki v Wisconsinu. Kot dokajšen del drugih izobražencev je bil najprej ročni delavec, dokler se ni prekopal do mesta, kjer je vsaj delno lahko posredoval svoje izredno znanje in izkušnje.

Odrpta vrata Amerike niso in še danes ne porabljajo sposobnosti, ki so jih tisoči novih vseljencev prinesli seboj. Skupnost slovenskih izseljencev ni bila dosti boljša. Le redkokje je bilo mogoče najti napotke in pomoč, ki bi izobražencem pomogla do položajev, kjer bi sebi in skupnosti mogli več nuditi. Dr. Ložar je bil in je do danes ostal živ kos slovenskega sveta, a se z njegovimi izkušnjami le redkokdaj okoristimo.

Pred leti je za 75-letnico v Drugi Vrsti v Buenos Airesu Andrej Rot opisal Ložarjevo udejstvovanje in ji dodal bibliografijo spisov: 265 naslovov do tedaj; tem bi morali dodati še ducat novih. Več kot šestdeset let aktivnega pisanja, od prvih zapisov iz umetnosti in zgodovine umetnosti leta 1922 do najnovejših razprav o jeziku na Koroškem v lanskem Meddobju, se prepleta nezadržna nit slovenske kulturne smeri. Tudi če bi pustili ob strani vse organizacijsko in uredniško delo, s katerim se je dr. Ložar intenzivno ukvarjal vsa desetletja od konca prve svetovne vojne, postavlja tiskano delo jubilara na prvenstveno mesto med slovenskimi ustvarjalci doma in po svetu. Kljub političnim enostranstvom, strokovnjaki doma in po svetu priznavajo pionirsko Ložarjevo delo v arheološkem in narodopisnem polju, ne morejo mimo njegovih povsem novih tolmačenj gibanj v slovenskem slovstvu in njegovega neustrašnega zagovarjanja kvalitetenosti v slovenskem kulturnem delu.

Pred leti sem v Oregonu obiskal dr. Vojeslava Moleta, ki je tam preživel zadnja leta svojega pokoja. V žepu sem imel Ložarjevo pismo, kjer pravi: »Nehajte filozofirati. Lotite se konkretnega znanstvenega raziskovanja in pustite

Modestov zavod v Celovcu

PARKERS PRAIRIE, Minn.

Ob 40-letnici mašniškega posvečenja, ki smo ga obhajali v Gradcu pri slovenskih minoritih, ki začasno upravljajo župnijo Marija Hilf, sem imel priložnost ogledati si tudi nov Modestov zavod za fante v Celovcu. Hvala župniku Martinu Beleju za vožnjo tja.

Dr. Koren, poslovodja pri Mohorjevi, nas je spemil do zgradbe, ki je bila od zunaj — sredi julija — že docela gotova. Termin z graditelji je sicer potekel že 15. avgusta. Slovensna otvoritev bo 22. septembra in je predsednik zvezne vlade dr. Kirschlegger obljubil, da bo navzoč.

Poslopje naredi prijeten vtis, skoraj vtis razkošnosti, pa nam je pozneje dr. Hornböck razložil, da bi pri Mohorjevi marsikaj okrajšali, a so državne gradbene oblasti zahtevali poslopje takšno, kot je. Zavod je dobrega pol kilometra oddaljen od Slovenske gimnazije, kamor se bodo dijaki vozili z bicikli. Od 150 postelj bo 120 za diake, 30 pa je namenjenih akademikom.

Zunaj poslopja so prostori za igrišča. Znotraj pa je tedaj še odmevalo od orodja delavcev, ki so končavali svoj posel. V kleti so športni prostori, peči za kurjavo ter sobe za glasbo. V pritličju je obednica in zraven še kuhinja; tu je še velika soba, kjer bo vsak imel svojo omarico, prireditvena dvorana z odrom na enem koncu, na drugem pa z oltarjem, ker bo služila tudi kot kapela.

Na prvem nadstropju bo knjižnica, kjer bo slika škofa Rožmana, čeprav je umetnik Gorše izdelal tudi lep kip, v ostalem bodo na tem nadstropju stanovanjski prostori

za vodstvo hiše, ki bo v rokah salezijancev.

Drugo nadstropje bo za diake: višješolci bodo študirali v svojih sobah po trije, nižješolci pa po učilnicah.

Mohorjeva družba si je izposodila od države 50 milijonov šilingov po 2% za 50 let pod pogojem, da zavod služi vzgoji mladine. Mesečnina bo med 300-400 šilingov, kar je pod koroško normo. Pa so težave. Za šolsko leto 1983-1984 je Družba radi neplačane mesečnine utrpela 600.000 šilingov deficita. Če razumemo, da je dolar vreden okoli 19 šilingov, to znese preko \$30.000!

Kakšni so uspehi prizadevanja Mohorjeve družbe glede vzgoje? Dr. Hornböck, ki sva ga z g. Belejem obiskala v Podgorju, meni, da je od 600 graduantov, kakih 300 zavednih, praktičnih katoličanov, ki aktivno podpirajo Cerkev pri njenem apostolskem delu. Tudi je po mnenju državnih oblasti na Slovenski gimnaziji v Celovcu v primerjavi z ostalimi gimnazijami v Avstriji še najmanj pripadnikov totalitarne miselnosti. Tudi za to gre zahvala predvsem Mohorjevi in vsem, ki jo pri tem delu podpirajo, kjer koli po svetu že so!

Belokranjski klub se zahvaljuje

CLEVELAND, O. - Člani Belokranjskega kluba se najlepše zahvaljujejo vsem prijateljem in znancem, ki so se v tako lepem številu udeležili našega piknika 12. avg. 1984 na Slovenski pristavi.

Najprvo se zahvalimo Fr. Tomcu za darovano sv. mašo pri spominski kapelici. Pri maši smo se spomnili naših po-

kojnih belokranjskih škofov, ki so misijonarili v Ameriki. Ti so škofje Ivan Vertin, Ivan Stariha in pred kratkim v Col-oradu umrli opat Bonaventura Bandi. Nadvse lepo je bilo pri maši, Fr. Tomc pa je orisal življenje in delo naših škofov.

Kmalu po maši so začeli servirati okusno kosilo na ražnju pečene svinjine in bravine. Po 2. uri popoldne se je pripeljal avtobus, poln prijateljev in znancev iz Girarda, Ohio. Zahvalimo se našemu članu Toniju Klepcu, ki živi v Girardu in ki je poskrbel, da je prišlo toliko gostov. S svojim orkestrom pa je Toni prav lepo zabaval naše goste. Prikupne polke in valčki, združeni z lepim slovenskim petjem, so zveneli pozno v noč.

Zahvalimo se dr. Milanu Pavlovčiču in Tonetu Petkovšku, ki sta vabila po radijskih valovih na naš Belokranjski dan. Prav lepo se zahvalimo tudi Ameriški Domovini za objavo vabil. Lepo se zahvalimo dr. Ediju Gobcu, ki nam je poklonil fotografije naših belokranjskih škofov, objavljenih v A.D.

Iskrena hvala gre tudi predsedniku Slovenske pristave g. Filipu Orehu, ki nam je v vseh ozirih tako lepo pomagal ta dan.

Še enkrat torej, prav lepa hvala vsem, ki so se našega piknika udeležili, in vsem, ki so na kakršen koli način pripomogli, da je piknik tako lepo uspel.

632. O. JOŽE CUKALE IZ INDIJE

nedavno piše o mladem zdravniku dr. Mukulu, ki je veren in bi želel priti na prakso v Kanado ter išče sponzorja. Mož je 26 let star in bi bil pripravljen delati medicinski v neki apoteki ali zavetiščih, ki jih podpira Cerkev. V Kanadi je trenutno velika brezposelnost in ni lahko priti vanjo, če nimaš kakega sorodnika ali obljubljenega dela. Ako kdo ve za kako možnost in bi rad pomagal, lahko o tem piše direktno o. Cukaletu ali mene obvesti, da mu pošljem več informacij, ki mi jih je o. Jože poslal, v zvezi s to prošnjo.

O. Rafko Roberts, S.S.S., se zahvaljuje za stotak, ki mu ga je MZA poslala po ge. Tusharjevi in je bil dar Neimovane dobre vdove iz Clevelanda. Omenja, da bo dar porabil za njihove mlade gojenke. Imajo trenutno 11 postulantov, 8 novincev v prvem letniku in 10 v drugem letniku novicijata. Dobrotnico smo o tej zahvali že obvestili. Ni imel naslova, da bi se direktno zahvalil in mu ga bomo ob prvi priliki poslali. Prosi molitve za formiranje filipinskega domačega naraščaja. V deželi je veliko vrenja, kot beremo že mnogo mesecev.

Brat Rafael Mrzel iz Filipinov pošilja zahvalo za drago

ceni dar MZA in omenja, da je mnogim lahko s tistimi stotaki pomagal iz težav, posebej študentom, ki so revni. Sam se zdravi in ga Bog blagoslavlja, da ima dobrega zdravnika, ki mu nič ne računa. Več njegovih dijakov je uspešno končalo študije in vsi so naprošeni, da redno za dobrotnike molijo. Za petkovo AD je zelo hvaležen, dasiravno 3-4 mesece hodi do njega. Jo je pa vedno znova vesel. Pošilja nekaj znamk in prosi molitve za njegovo zdravje in delokrog.

Maryknollec Daniel Ohmann

se koncem julija zahvaljuje za MZA pomoč, ki je prišla tako prav v silni lakoti. »Na vsaki seji, v vsaki konverzaciji, pri vsaki sv. maši čujemo o lakoti. Edina skrb, ki večino mori, je kako dobiti kaj za jesti. Šole zapirajo, ker otroci lačni ne morejo v učenju napredovati. Očetja bežijo od družin, ker ne morejo poslušati joka lačnih otrok.

Če je kaka skromna hrana naprodaj, so cene tako visoke, da preprost človek ne more tega kupiti, ker nima dovolj denarja. Trgovci pa delajo dobiček na račun trpečih.

Nedavno sem šel na podružnico maševat. Katehist me je povabil na dom nekaj pojesti,

kot je lep afriški običaj. Mati mu je omenila, da je samo nekaj riža pri hiši in to smo pojedli. Po njihovem običaju je nezaslišano odbiti povabilo na prigrizek. Cel teden po tem obisku sem premišljeval, kaj so nekaj jedli druge dneve, po mojem obisku.

Dobro vest smo slišali, da je ameriške 'Catholic Relief Service' obljubil pripeljati koruzo, če bomo mi plačali prevoz. V juliju so to pomoč obljubili. Druga žetev bo šele v marcu 1985 in do takrat je še mnogo mesecev in mnogo lačnih, ki čakajo in upajo na kako zunanjo pomoč.

O. Hugo Delčnjak, O.F.M.,

se je oglašil iz Madrida v Španiji. Zelo je zadovoljen z duhom sobratov v samostanu, kjer živi. Predstojnik mu je obljubil, da ga bo poslal v pionirsko afriško deželo, kjer z misijonskim delom šele Cerkev zastavlja. Morda pa bo celo poslan v Južno Ameriko. V Togu, ki ga je zapustil, so se bali nove lakote. Ubogi ljudje, ki se morajo boriti za vsakdanji kruh! Prosil je tudi za sv. maše za nekaj mesecev. Ni gotovo, če je v poletnih mesecih o. Hugo še tam.

Omenja, da trpi ob vesteh iz Toga, kako vsega primanjkuje, a tolaži ga misel, da »Bog ne zatisne očesa nad revežem«. Moli, da bi Bog obudil dovolj dobrotnikov, da pomagajo najbolj potrebnim s tem, kar jim preostaja od lastnega za življenje. Ko bi se dalo zamenjati in dati razvajanemu svetu izkusiti bedo sveta v pomanjkanju!

V zahvalo in ljubeč spomin

1896

1984

Globoko užaloščeni, toda vdani v voljo Stvarnika, naznanjamo vsem sorodnikom, prijateljem in znancem, da je dne 26. julija 1984, po dolgi bolezni, za vedno zatisnil svoje mile oče, naš dobri mož, oče, stari oče, prastari oče, tast in stric

JOSEPH BARBIŠ

Rojen je bil 4. aprila 1896 v vasi Podtabor, fara Trnovo. V Ameriko je prišel leta 1914. Bil je dolgoletni član društva št. 142 SNPJ, društva št. 8 ADZ ter Kluba upokojencev za collinwoodsko okrožje.

Pogreb je bil iz pogrebnega zavoda Žele na 152. cesti 28. julija 1984, v cerkev Marije Vnebovzete ob 9. uri dopoldne in od tam na pokopališče Vernih duš (All Souls) na Chardonu, Ohio, kjer počiva v Section 18, Lot 1495. Globoko zahvalo naj prejme č.g. Louis Tometz, ki je daroval pogrebno sv. mašo in vodil poslovilne molitve pri odprtem grobu. Enako se zahvaljujemo č.g. župniku Viktorju Tomcu za njegove molitve v pogrebni kapeli ter za njegovo ganljivo pridigo pri pogrebni maši.

Naj Bog stotero poplača vsem, ki so darovali prekrasne vence in cvetlice, za sv. maše, v dobrodelne namene v pokojnikov spomin, ter za številne izraze sožalja. Iz dna srca se zahvalimo vsem, ki so našega ljubljenega prišli kropiti, molili za njegovo dušo, se udeležili pogrebne maše, dali svoja vozila na razpolago in ga spremili prav do groba.

Prisrčno hvalo naj prejmejo člani in članice društev, katerim je pripadal, ki so se v tako lepem številu poslavljali od njega. Enako smo hvaležni našim vnukom, pogrebem, ki so pokojnika spremili na zadnji poti. Najlepšo zahvalo naj prejme osebje pogrebnega zavoda Žele za vso postrežbo in skrbno vodenje pogrebne spreveda.

Hvaležni smo tudi ge. Josie Stanonik in njenim pomočnicam za izvrstno pripravljeno kosilo po pogrebu v Slovenskem domu na Holmes Ave.

Razposlali smo zahvalne kartice vsem, ki so se nas in našega dragega posebno spomnili, in za katere smo imeli naslove. Ako kdo take kartice ni prejel, naj nam oprost, in naj s to javno zahvalo prejme našo globoko hvaležnost.

V miru božjem Ti počivaj,
dragi, nepozabni nam;
v nebesih večno srečo uživaj,
do snidenja na vekomaj.

Misijonska srečanja

(nadaljevanje s 3. str.)

Okrog 50 se jih je pripeljalo naproti z edinim kitajčevim tovornjakom, ki ga Manambondro premore. To je vpitje in veselje, ko se moja piroga (čoln) približuje obali. Joj, kako se je zredil, postaral se je in plešast je postal..., tako so komentirali. Potem smo se podali na pot. Oni spredaj s kamionom in pesmijo, jaz za njimi z motorjem. Pred klancem v vas me pošljejo naprej. Ko privozim v vas iz ovinka me sprejme ploskanje in rajanje. Vsi mi grabijo roke in vse vpije: dišeče so, dišeče so... Smejati se moram. Prepustim se toku. Kar nek šok doživim, ko vidim to množico otrok in mladine okrog sebe: glava pri glavi.

V Sloveniji sem pogrešal otroke: malo jih je bilo po naših ulicah, po naših cerkvah. Ne vem, zakaj mi kar naprej rine na površje misel: tak je bil Kristusov slovesni vhod v Jeruzalem na Cvetno nedeljo.

Vnebohod je naslednji dan.

Naša nova cerkev se napolni. V imenu župljanov me pozdravi predsednik. Zahvali se staršem in slovenski Cerkvi, ki so me pustili nazaj. Sveto prisluhnejo moji besedi, ki zopet išče malgaški izraz. Prasnejo v smeh, ko se mi ustavi.

Popoldne pridejo vaški poglavarji in »državni oblastniki«, da me rečejo »tunga sua«, dobrodošel. Mladina je pripravila program za razvedrilo, da bi lažje pozabil tisto, kar sem zapustil, kot pravijo.

Zbolel sem za malarijo. Prav neprijeten občutek, ko si sam, trese te in izgubljaš zavest. Basal sem se z zdravili in tri dni kuhal vročino. Ljudje so mislili, da me je vrglo prehudo domotožje. Začeli so mi prinašati riž in kokoši, da prehod od evropske kuhinje na malgaško ne bi bil prehud.

Tako sem spet med svojimi. Prejšnjo nedeljo sem bil na

južni podružnici, 40 km peš. Veselje in skupno kosilo vseh kristjanov. Nazaj grede so reke narasle, da smo komaj nekatere prebrodili.« (Dalje prihodnjič)

Let's See and Hear the Jože Privsek Band

By James V. Debevec

One of the greatest thrills a human being can experience is to hear a big band orchestra play music.

To listen to 10 or more musicians start out at the command of the leader and continue playing in harmony their separate instruments and emit a delightful sound of brass and rhythm and keyboard all together is a delight one must be willing to endure just about any difficult hardship to be in attendance.

The Glenn Miller Orchestra, Count Basie, Woodie Herman, Jimmy or Tommy Dorsey, Stan Kenton, etc. are leaders in the field of big band sounds and their music has been top notch and enjoyable since the 1930s and '40's. If one keeps an eye on the

newspapers he will discover these bands are still playing around the country. Just about any effort should be made to see and hear a big band orchestra in person.

The Slovenians, being extremely musically minded, have begun their own United Slovenian Society Band in Cleveland. They are very proficient and we have always supported them and encourage attendance at all their concerts.

Last year we wrote an article expounding the virtues of big bands with their multitude of trombones, clarinets, trumpets, etc., and as a result of that piece one of Cleveland's leading musicians who is an important part of the USS Band and who had played for the Tommy Dorsey

Orchestra, Duke Marsic, gave us a tape recording of another big band orchestra and thought we might enjoy it.

Well, the result has been not only satisfying but we are absolutely ecstatic. The musicians are known as the "Radio and Television Orchestra of Ljubljana" under the direction of Jože Privsek.

On the tape they play "Moonlight Serenade," "Pennsylvania 6-5000," "Exactly Like you," "Ain't She Sweet," and some of the greatest big band numbers ever written.

After playing the tape about a 100 times we can definitely say we will never get enough.

A few years ago the Ljubljana Symphony orchestra appeared at Cleveland's Severance Hall and elsewhere.

Well, it's about time Jože Privsek was brought to the United States so everyone can partake in his excellent quality music.

And if the band can't come here, the next best thing would be for someone to organize a trip to Yugoslavia to hear the Radio and Television Orchestra of Ljubljana there. Are you listening, Tony P.?

Privsek has an interesting musical education. Part of it took place here in the United States. He received a scholarship by Down Beat Magazine in 1963 to attend the Berklee School of Modern Music in Boston, Mass. Up to now he has written over 600 of his

own compositions and has made over 5,000 arrangements, and did 28 movie scores. He has received the highest awards in Yugoslavia and Europe for his works.

He was born in 1937 in Ljubljana, Yugoslavia.

The talents of Jože Privsek must be shared with the world. A musician and arranger of his superb quality is born but once every 300 years. We cannot let this opportunity of a lifetime pass without taking advantage of it.

Let us see and hear Jože Privsek and once again be proud of our Slovenian heritage and at the same time enjoy the ultimate that life has to offer.

A Pilgrimage to Canada

By Lavona Avitt

(Part III - Conclusion)

Friday morning we had Mass at the original Church, then left for Ste. Anne de Beaupre Shrine via Quebec City. We had lunch just outside Quebec, then stopped at Marie's Kiln for hot bread and visited Alphonse Pare, the religious sculptor (wood carver).

We spent the afternoon and evening at St. Anne de Beaupre staying at the Basilica Inn. St. Anne de Beaupre is on the north shore of the St. Lawrence River. It is a world famous shrine that attracts over a million pilgrims and visitors annually.

Soon after the first chapel was built in 1658, miraculous cures were reported by those who had visited it.

The Basilica, in the center of the town, contains the Miraculous Statue and the major relic, a forearm bone of St. Anne. Its architecture has Gothic and Romanesque features. Across the road is the Memorial Shrine, remodeled in 1878 near the site of the first chapel. Next to the shrine is the Scala Santa, a replica of the 28 holy steps Jesus ascended to meet Pilate. Life-size bronze figures depicting the stations of the cross are on the hillside.

The Basilica Wax Museum displays 20 life-size wax groups depicting the life of St. Anne and the history of the shrine and pilgrimages. Tape recordings describe the

The Cyclorama of Jerusalem near the Basilica, is a continuous painting, 14 meters in

height and 110 meters in circumference. Painted in Munich, this unusual work depicts events in Jerusalem, Calvary and the surrounding countryside at the time of Jesus' crucifixion. The panorama, exhibited here since 1895, is viewed from a raised platform in the center of the domed painting, narration with background music is provided.

Following Mass we had a beautiful candlelight ceremony with the procession going out around the grounds.

Saturday morning after early Mass at the Basilica, we departed to the United States with lunch enroute.

We stopped to see the Moses Saunders Power Plant and Dam at the Eisenhower Locks.

We spent the afternoon and night at Alexandria Bay, New York. Before having dinner we had a boat tour of the Thousand Islands. This is an absolute "must" for anyone visiting this area.

From the boat we had a good view of the Boldt Castle on Heart Island. This was to be a testimony of the unsurpassed love of a man for his wife. The magnificence of the structure was to be equaled only by George Boldt's adoration for his wife, Louise, who was the love of his life and reason for the construction of such an elaborate summer home. The finest of artists, craftsmen and materials were sought for the work which was well under way when tragedy struck. Mrs. Boldt was dead. Three hundred workmen dropped their tools and left the island never

to return. The sculptures, Italian mantle pieces, imported tapestries and fine furniture never reached their intended places in this ill-fated mansion. Today, visitors wander in awe through the huge, empty rooms, imagining the luxury, splendor and gaiety that might have been.

The 1,000 Island Bridge Authority assumed ownership in 1977 and immediately began a stabilization program. The Castle and its romantic story typify an era long past; and the Bridge Authority, through the use of all net revenues from this operation, will preserve it and other structures for the enjoyment of future generations.

Sunday, after having been to Mass in a lovely little church and had our breakfast, we headed back to Cleveland. We arrived home about 7 p.m. and were again grateful to Sister Albina and our driver, Carl, for a very enjoyable week.

Memo From Madeline

By Madeline Debevec

Yassine-Vespoli Wedding

On Aug. 18, Leila Yassine, daughter of Dr. Zouhair and Carol (Batich) Yassine, became the bride of Anthony Joseph Vespoli during a nuptial mass at St. Hilary Catholic Church in Akron, Ohio. Celebrants were Rev. Father Casey Bukala of John Carroll University and Rev. Father Thomas Koegel, St. Hilary pastor.

The bride wore a long-sleeved white satin gown with a full-scalloped cathedral train with Alencon lace and pearls, designed by Priscilla of Boston. It had a high wedding band neckline with a sheer yoke. The fitted basque bodice and long tapered illusion sleeves were heavily embroidered with pearl and sequined Allencon lace. There were beaded cameos on the back of the train as well as on the front of the dress.

She wore a camelot cap of Alencon lace and pearls. The veil, in three tiers, was attached fountain style with a cathedral length tier. Small pearls were sprinkled throughout the veiling.

She carried a cascade bouquet of fresh white phalenopsis orchids, white roses and stephenotis laced with ivy and camellia foliage.

Dr. and Mrs. Edwin Mollin furnished the borrowed "sixpence in her shoe," dated 1846.

The bridesmaids wore Galena-designed floor length, sleeveless gowns of violet

tafetta, designed with tailored bows at the shoulders.

They carried cascade bouquets of fresh speciosa rhubrum lilies with pink roses, yellow status, violet agapantha, pink elegance miniature carnations and baby's breath.

The flower girl's dress was identical to the bridesmaids' dresses, except it had puff sleeves. Her hair was adorned with a wreath of the same flowers used in the bouquets. She carried a basket of flower petals.

The groom wore black tails, a white wing-tipped shirt, with matching vest and tie. His boutonniere was a miniature white phalenopsis orchid.

The groomsmen wore black tuxedos, white wing-tipped shirts, with matching black ties and cummerbund. Their boutonnieres were white carnations. The best man wore a rose boutonniere.

The Holy Family Choir of Parma, Ohio, sang for the wedding, with three soloists — Richard Novak, Donna Mitchell and Marie Ferrara.

The evening reception, held at Todaro's Party Center, featured the traditional Slovenian unveiling, conducted by Millie Spetich, Frances Bailey, Frances Battay and Frances Valencheck, singers from Barberton, Ohio.

The bride is the granddaughter of Martha Batich, formerly of St. Mary's Church on Holmes Avenue and now residing with the Yassines in Akron. Many relatives from the Cleveland area also attended the wedding.

The bride is employed as an attorney with the Edison Law Department. The groom is a senior sales representative with the Audichron Co.

The newlyweds honeymooned in Oahu and Maui, Hawaii, and will reside in Akron.

The couple received a special papal apostolic blessing and blessed rosary from Pope John Paul II, and President and Mrs. Ronald Reagan sent a greeting of heartfelt congratulations.

Folklore Institute Set For Weekend Performances

The Slovene Folklore Institute, the Cleveland-based company that has thrilled audiences with Slovenian folkdancing, will do it again this weekend at the AMLA Recreation Center in Leroy Township.

As in the past the Saturday-Sunday festival will present many other Slovenian folkloric groups from the U.S. and Canada, with all their variety of styles and spectacular authentic costumes.

The big attraction this year is Zivilli, a very successful professional dance company from Columbus, and the well-known United Slovenian Society Band from Euclid. From London comes the Triglav, the folkdancing group that has been organizing similar events in Ontario, and the Nagelj from Toronto, celebrating its 25th anniversary and a string of successful tours in Yugoslavia.

Just like the Slovene Folklore Institute, all par-

ticipating groups share the love for the traditions of their ancestors and display a high level of skill and professionalism. Besides the most popular Gorenjsko costumes, the Slovene Folklore Dancers will feature costumes of many other regions of Slovenia, some little known, but colorful and authentic in every respect.

Tickets for the two-day festival, which includes many other dancers, button box groups and bands, are available at the gate for \$4 or \$3 in advance by calling 481-7512 or 431-5296.

The AMLA Recreation Center is located on Kniffin Road, off I-90, exit 205 (Vrooman Road).

I just received the following note from Marie Vidmar Graf: "I apologize for not writing sooner. I know you've spoken to my mother several times in the last two months. As you can imagine, my life is a bit crazy at this point.

On June 4, I started my new job with the Edward J. DeBar-tolo Corp. as regional marketing manager in the shopping mall division. I am responsible for the marketing and promotions of nine malls in the central region, which covers an area from Buffalo to Toledo. Needless to say, I am on the road quite a bit. Interestingly, four of my malls are in the Cleveland market — Great Lakes Mall, Randall Park Mall, Richmond Mall and Summit Mall.

I having been learning so much and having a great time to boot! This is such an interesting business and very

The traveling does put a crunch on the home life. I have such a wonderful support system in both my husband and my parents. I could not do all of this without their help and moral support; I really am a very fortunate person!

I hope things are going well for you. The paper looks better every week. Kudos on your sustenance, perseverance (in the face of many obstacles, I'm sure) and caring.

See you soon!"

A Timely Visit
Mirko and Maria Kristanc became the proud parents of Leah Jennifer, 7 lbs., 9 ozs, on July 14 and baby brother Adam Leon, 22 mos., has a new sister.

Leah burst onto the scene so quickly, in fact, that her dad had to help paramedics deliver her on the driveway of her Willowick home. From there, she was delivered to Hillcrest Hospital where she and mom rested for a few days before the trip back home.

Third-time grandparents are Anton and Marica Lavrishia of Cleveland and eight-time paternal grandparents are Frances and Joseph Kristanc.

Travel News
Gene Drobic recently welcomed her daughter and son-in-law, Norm and Gene Ann Robben, and their three children from St. Louis, Mo. Gene Ann celebrated her Aug. 16 birthday here, and was surprised with a visit by her brother, Dr. Victor Drobic, of Ft. Myers, Fla.

The whole clan then took off for a brief trip to Niagara Falls.

Judge and August and Elaine Pryatel enjoyed week at Cape Cod, where the highlight of their vacation was a boat excursion to view whales in their natural oceanic habitat.

By the way, we are looking forward to hearing the judge deliver the main address Saturday at the Collinwood Slovenian Home 65th anniversary banquet.

Catharine Oblak Dissauer and her 13-year-old granddaughter Ellen Marie recently returned from the Chautauqua Lake area of New York state where their three-day visit included a lengthy stay at the Chautauqua Institute.

They enjoyed performances by the Chautauqua Symphony Orchestra, Ballet and School of Dance, which gave its last show of the season.

Besides a lake cruise, an unexpected treat was a glance at former President Gerald Ford, who was staying at the same hotel.

Also back from a week's vacation in Chautauqua are John, Candy, Mathew and Carey Urbancich of South Euclid.

Finally, Steve Rezonja of Euclid has returned from a seven-week vacation, which included a 22-day tour of the Holy Land with Gizella Hozian's group from Chicago. They also visited Vinko Levstik, owner of the Hotel Bled in Rome, and are still raving about the hospitality he showed them all.

Steve said they were served a five-course meal, which included five different meats and as many different wines. "The food and service were excellent," he said.

After the group returned to the States, Rezonja toured

Slovenia for three weeks and loved it.

Congratulations to the Collinwood Slovenian Home on its 65th birthday. We shared many happy memories at the Home and wish everyone involved a prosperous future.

Last Sunday's AMLA Family Day was a huge success. Despite Jim and Jimmy working the entire day at the American Home, we managed to arrive at AMLA Recreation Center in the late afternoon. We were heartened to discover that AMLA had one of the largest crowds in the history of the center.

It was great talking to a large number of our friends, who just happen to be 100 percent supporters of the American Home. We love you all and remain encouraged by your unhesitating support.

Following the AMLA picnic, we ventured to St. Mary Church where we were delighted to see another large crowd there for the annual festival. Pastor Vic Tomec and his volunteer staff are to be commended for their untiring efforts on behalf of the Slovenian church and the Collinwood community.

Another exciting weekend is in store at the Collinwood Slovenian Home, Sunday's Euclid Democratic steer roast at Sportsman's Park on St. Clair Avenue and the Slovenian Folklore Institute Festival Saturday and Sunday at AMLA.

Hope to see everyone at all of these events!

Bishop Rožman Cared

The current campaign for the Bishop Rožman Memorial Fund has for one of its purposes to bring to the attention of the free world the saintly character of Bishop Gregory Rožman, Bishop of Ljubljana, Slovenia, Yugoslavia.

Bishop Rožman is generally less known than Cardinal Mindzenty of Hungary and Archbishop Stepinac of Croatia. All of these churchmen were the victims of the Communist revolutions that swept Europe following the conclusion of the Second World War.

Bishop Rožman, too, was vilified and berated even while in exile here in America. He was portrayed as a vicious, merciless monster who betrayed his own Slovenian people. But if you look at the record of this patriotic Slovenian, a different portrait emerges.

When the late Comrade Tone Tomšič and his wife, Vida Tomšič were arrested by the occupying Italian forces, he

was condemned to death. Tomšič's mother pleaded with Bishop Gregory Rožman to intercede for her son with the Italian authorities. He did intervene but his influence was powerless in the wake of the conquering forces flushed with victory. Tomšič was executed.

When invasion was imminent on the eve of the fall of Slovenia, Bishop Rožman directed that all lists of known subversives, Communists, and Socialists be destroyed. For all of those Slovenians listed, it probably would have meant death by execution had the lists fallen into the hands of the Germans.

How did these activists repay the bishop? They crucified him spiritually and emotionally so that he never recovered, and wasted away to an early martyred death in oblivion in America.

But Bishop Dr. Gregory Rožman was a Slovenian who cared. Even for his enemies!
