PRVA ŠTEVILKA

Prva številka, ki ji bila potom takoj zvane naborne loterije dne 29. oktobra izrezbana v Washingtonu, je bila 158. Registriranci s to tekočo številko, bodo prvi poklicani v vojaško službo, ako bodo po klasifikaciji postavljeni v prvi razred. Zanimivo je, da je bila leta 1917 potom slične naborne loterije izrezbana številka 258 prva.

NE ODLAŠATI

Justični departement v Washingtonu poziva vse v tej deželi bivajoče nedržavljane, ki se še niso registrirali kot taki, naj ne odlašajo predolgo. Vsi nedržavljani morajo biti registrirani do 26. decembra, sicer se izpostavijo nevarnosti občutnih kaznij. Ker se registracije vršijo na poštnih uradilih, kjer bo zadnje tedne pred božičem ogromnega dela z božično pošto, je v interesu vseh prizadetih, da z registracijo ne odlašajo do takrat.

LAHEK ZASLUŽEK

Neki interesi v inozemstvu so imeli v Zedinjenih državah zupnika, ki se je od časa do časa podal v Washington, kjer je od federalnega patentnega urada dobil podatki o raznih industrijskih patentih. Taki podatki so bili na razpolago vsakemu proti malenkostni odškodnini 10 centov za komad. Mož je za to delo prejemal \$350.00 plače na mesec. V bodočem so dobava takih podatkov otežkočena, ker so razne potentirane iznajdbe velike važnosti za našo narodno obrambo, dasi se nanašajo na industrijo.

DOGOVOR S CANADO

Med Zedinjenimi državami in Kanado so se že večkrat vršili razgovori o zvezi Velikih jezer z morjem potom reke St. Lawrence, toda iz raznih vzrokov je zadeva vselej nekako zaspala. Pred dnevi pa je bilo poročano, da je med obema deželama glede te zadeve dosežen splošni sporazum in da se bo s preliminarnimi deli pričelo še ta mesec.

KUHA BREZ OGNJA

Zastopniki ameriške armade in mornarice so se baje zelo povzvali izrazili o pločevinastih škatlih za konzerviranja živila, katero je izumil kemik Leo Katz, ki je nedavno iz Nemčije preko Švize in Canade pribežal v Zedinjene države. Ta škatla ima nekak dvojen obod ter je med zunanjim in med notranjim prostor za neke kemikalije, ki v 10 minutah razgrejejo živila v notranjem obodu. V to svrhu je treba samo z ostrom predmetom preuknati zunanj obod, da pride zrak do kemikalij, ter so vžigalice nepotrebitne.

NA STRAZI

Pretekli teden je odploplio iz Key Westa, Florida, šest ameriških rušilcev in 12 patrolnih letal. Kam je patrulja odploplula, ni znano. Nekateri sodijo, da je odploplula proti Panamskemu prekopu, v katerega bližini so baje nedavno videli neko nemško vojno ladjo. Drugi pa sklepajo, da se gre za intenzivnejše nadziranje francoskega otočja v Karibskem morju, ker je Francija obljubila Nemčiji neke koncesije v svojih kolonijah, in bi te koncesije mogle biti na ameriški strani Atlantika. Za tak slučaj biće biti ameriška mornarica pripravljena.

Dne 24. oktobra 1940 je stopil v veljavno delovni čas 40 ur na teden za delavce, zaposlene v industrijah in trgovinah, ki pridejo v poštev in meddržavnih trgovin. Ta federalna regulacija plač in delovnih ur se je pričela v oktobru 1938 ter se izvaja stopnjeno. V letu 1938 je stopil v veljavno najdaljši tedenski delovni čas za 44 ur z najnižjo plačo 25 centov na uro. Drugo leto so bile delovne ure znižane na 42 ur na teden z najnižjo plačo 30 centov na uro. Ta najnižja plača 30 centov na uro velja do leta 1945. Toda letos 24. oktobra so bile znižane delovne ure na 40 na teden.

Vsako podjetje seveda sme zaposlovati delavce tudi nad 40 ur na teden, toda tedensko zaposlenje nad 40 ur se šteje za nadčas ter za istega je treba plačati kot za "čas in pol," oziroma 45, namesto 30 centov na uro. Izjeme veljajo za neke vrste sezonskih delavcev ter za nekatera boljše plačana dela v trgovinah, na bankah, pri časopisu itd.

Namen postave za regulacijo delovnih ur in minimalnih plač je bil pomagati najniže plačanim in sploh najbolj izkorisnim delavcem. Mnoge industrije in trgovine so že prej plačevali svojim delavcem več, kot dolčajo minimalne meze, in mnoge tudi niso zaposlovali svojih delavcev več kot 40 ur na teden. Toda povsod so se dobili delodajalci, ki so svojim delavcem plačevali sramotno nizke plače ter jih zaposlovali predolge ure. To ni škodovalo samo zdravju delavcev in nakupni sili istih, ampak le dostikrat škodovalo tudi bolj človeškim delodajalcem, ki s svojimi izdelki niso mogli vselej konkuriратi z izdelki izkorisčevalcev. Nova postava je odpovedala znatno število največjih izkorisčevalcev, katerih poslovanje ni bilo v korist delavcem niti deželi v splošnem, ampak le nekaterim posameznikom.

Gospodarski eksperiti podpirajo, da predolge delovne ure znižujejo delovno silo delavcev, ki utrujeni po predolgem delu, producira manj izdelkov ali pa slabšo kakovost istih ali oboje. Prenež zasluga delavcev ima za posledico prenizko nakupno silo, kar ni v korist niti poljedelstvu niti industriji niti trgovini. To pametni delodajalci sami priznavajo ter so v splošnem zadovoljni s postavo za regulacijo in minimalnih plač. Seveda tudi brez pritožbi ni, ker vsem in vsakemu posebej ni mogoče nikoli ustreziti. Zadnje čase se precej ugiba, kako bodo regulacije delovnih ur vplivale na vojne industrije, kjer bo dostikrat potrebno nadurno delo. Vsekakor je upati, da tudi pri ureditvi tega ne bo prevelikih težkoč.

Ko bo na razpolago dovolj izurjenih delavcev, bo nadurno delo tudi v teh industrijah nepotrebno in s tem bo odpadla potreba za višje plačano nadurno delo. Industrije bodo skušale več ljudi zaposlit, da jim ne bo treba plačevati nadurnega dela, pa bodo potom vajenstva mlade ljudi izurile za bolj komplikirana dela. To bo vsekakor pomagal k večji zaposlitvi delavcev.

Postava, ki se je začela stopnjema izvajati leta 1938, je bila nedvomno velevažna pridobitev za delavce in tudi za gospodarstvo dežele v splošnem. Zato je primerno, da se ob priliki obleti (Dalej na 2. strani)

Ameriško ljudstvo je potom volitve 5. novembra 1940 z glasovnicami izrazilo svojo voljo, namreč, da naj Franklin D. Roosevelt se nadalje vodi urad predsednika Zedinjenih držav. To je priči v zgodovini te republike, da je bil kak predsednik izvoljen zaporedoma za tri ter-

Dne 29. novembra opoldne se je v našem glavnem mestu Washingtonu pričela takozvana naborna loterija ali žrebanje številk nabornih registrirancev. To žrebanje je trajalo nepretrgano nad 17 ur, dokler ni bilo izzlate žare potegnjene vseh 9000 številk. Vseh registrirancev je okrog 17 milijonov in vsa deželitev je bila razdeljena v lokalna okrožja, v katerih ni moglo biti nad devet tisoč registrirancev. V teh okrožjih so bile registrirance dane tekoče številke od 1 do 9000 oziroma do najvišje številke pod 9000. Vsak registriravec je že pred žrebanjem vedel za svojo številko.

Zrebanje je bilo odrejeno vsled tega, ker izmed 17 milijonov registrirancev ne bodo klicani k obveznemu vojaškemu vežbanju niti vsi tisti, ki bodo postavljeni v prvi razred, glede katerih se sodi, da jih je nad štiri milijone. Žreb jih bo mogoč popolnoma oprostil. Da pa nihče ni protežiran, se je vladu poslužila žreba. Tisti, katerih številke so bile med prvimi potegnjene iz zare, bodo med prvimi klicani v vojaško vežbanje, večji del registirancev pa bo potreben do določenega razmerja za prehrano. Pomanjkanju krompirja v Ljubljani je odpomogla mestna uprava s tem, da je nakupila večje množine krompirja, ki ga prodaja prehranalstvu v lastni režiji.

ZNAMENJE ČASA

Po odklokih naučnega ministra se bo v bodoče v klasičnih gimnazijah poučeval nemški jezik namesto francoskega. Izprememba se izvede postopno. Na realnih gimnazijah v Ljubljani se bo namesto francoščine poučevala italijansčina.

Zavitki s številkami za žrebanje so bili nameščeni v zlati žari, katero se je v to svrhu rabilo tekom zadnje svetovne vojne. Po kratkem nagovoru predsednika Roosevelta je vojni tajnik Henry L. Stimson potegnil iz zare prvo številko, ki je bila 158. Predsednik je nato številko naznanih in jo je potom radija slišala vse Ameriko. Druga številka je bila 192. Žrebanje se je nadaljevalo, dokler ni bila potegnjena zadnja številka, ki je 1835.

To pomeni, da bodo registriranci s številkama 158 in 192 med prvimi poklicani k obveznemu vojaškemu vežbanju, če po drugih ozirih spadajo v prvi razred. Dotični bodo morda vključeni že v mesecu novembra. Registriranci s številkami, ki so bile potegnjene med prvimi 20, bodo morda poklicani v armedo v januarju, oni pa, katerih številke so bile potegnjene med prvimi 500, bodo morda klicani v armedo meseca junija.

Registriranci bodo na podlagi podatkov, podanih na vprašalnih polah in svojih fizičnih sposobnosti razdeljeni v štiri razrede. V prvi razred pridejo tisti, ki so sposobni in na razpolago za takojšno vojaško službo. V drugi razred bodo postavljeni tisti, ki so zaposleni v takih industrijah ali obrti, da bi bili težko nadomestljivi z ozirom na narodno obrambo. V tretji razred pridejo tisti, ki imajo družine ali odvisne sorodnike, za katere morajo skrbeti. V četrtem razred pa pridejo tisti, ki so fizično ali duševno nesposobni za vojaško službo. Tudi nedržavljani, ki nimajo prvega papirja, bodo postavljeni v četrtni razred. Daljši bodo v odloženih razredih postavljeni nekateri vojaški odsluženci, nekateri vladni nameščenci, duhovniki, bogoslovci in taki, ki jim vest zavrhajo vojaško službo. V RESNIH ČASIH

Zivimo v nenavadnih in izredno resnih časih. Sicer jih vsa naša skrb ne more predvračati, toda prav je, da se jih zavedamo. Le tako nam bo mogoče situacijo izrabiti kar najbolj ugodno za nas.

Pazmure v tej deželi so dandanes bolj odvisne od splošnih svetovnih razmer kot kdaj poprej v zgodovini republike. Zato tudi nihče ne more s sigurnostjo prekokati, kakšen bo gospodarski in politični položaj dežele v bližnji bodočnosti.

Ko gredo te vrstice v tisk, še ni znano, kako bodo izpadle letošnje predsedniške in kongresne volitve. Od izida teh volitev je marsikaj odvisno, toda ne vse. Z gotovostjo lahko pričakujemo, da brez ozira nato, katera izmed dveh večjih političnih strank, ki prideta pri volitvah resno v poštev, bo zmagala, se bo ta dežela odločno pripravljala za obrambo, in tudi smernice naše administracije z ozirom na mednarodni položaj se ne bodo dosti izpremenile.

Industrijska aktivnost v Zedinjenih državah se ne prestane veča in ni dvoma, da se bo še večala z vsakim dnevnim, tednom in mesecem. Za to je v znatni meri odgovorno oboroževanje. To oboroževanje bo skoraj vedno še trajalo najmanj eno leto, morda pa tudi dve leti ali več. Za oboroževanje izdan denar je z gospodarskega stališča takoj rekoč proč vržen, toda vprito svetovne situacije so ti izdatki neizogibni. Tudi jezovi, ki jih gradimo ob velikih rekah, niso sami na sebi v nikako gospodarsko korist deželi, toda če ob prilikah hudihi naliivov prečiščajo poplave, so vredni svoje cene. Če močna oborožitev obvaruje to deželo vojne, ne bo prevelika nobena cena, katero bomo plačali za to. Vojna bi bila neprimerno država.

Kako se bo industrija po zaključeni svetovni vojni prilagodila novim razmeram, ko ne bo več vojnih naročil, je vprašanje, na katero danes ne more nihče z gotovostjo odgovoriti. Zelo verjetno je, da bo nastal zastoj z večjo ali manjšo depresijo. V pričakovanju tega je priporočljivo, da tisti, ki v teh časih zaslužijo nekaj več, kot je potrebno za eksistenco, položijo takoj dolar na stran za tako zvane devetne dni. Morda bi bilo za gotove ljudi tudi priporočljivo, da si nabavijo kako nepremičnino, morebiti takoj košček sveta s skromnim stanovanjem. Posebno bi bilo morda to priporočljivo za starejše delavce, ki bodo v primeru depresije prvi odslovljeni od dela. Tekom zadnjih dneh je tovrstna prejšnja skrb za bodočnost marsikoga rešila pomanjkanja. Ni pa priporočljivo si nakopavati prevelike dolbove, ker nihče ne ve, kako dolgo bo mogoče odplačevati obroke.

Avtor tega članka si ne domisla, da je kak gospodarski ekspert, niti nima daru za prerokovanje bodočnosti, kljub temu pa sodi, da so gori navedena priporočila vredna vsaj razmišljanja.

Dalje je vsaj za nas priseljence priporočljivo, da držimo roke proč od skupin, katerih namen nam niso povsem znani. Nepremišljen podpis kake listine ali kaka nepremišljena beseda je že marsikoga spravila v neprilike. Mi smo popolnoma prepričani, da med Slovenci v tej deželi ni špijonov in petokoloncev, toda dobijo se med nekaterimi drugimi priseljeniškimi skupinami, in na delovanje takih oseb oblasti strogo pozivamo, dasi se o tem le malokdaj čita v časopisu.

Zedinjene države niso v vojnem stanju, toda ne dosti manj. V takih časih pa morajo biti tisti, katerim je povojna varnost dežele, strogi in natančni. Ta strogost včasih oplazi tudi popolnoma nedolžne osebe zaradi kakega nepremišljenega koraka. In skoro gotovo se bo ta strogost po volitvah še poostriša.

Kot ameriški državljanji imamo pravico soodločevati kdo naj vodi in upravlja to veliko republiko. Ko so volitve zaključene, pa je naša dolžnost, da sprejmemo odlok večine in kot lojalni državljanji po naših skromnih močeh sodelujemo z vlado, ki je po volji večine ljudstva vlada dežele. Ne pozabimo nikdar, da blagostanje te republike pomeni tudi blagostanje za nas in naše otroke. In ne pozabimo tudi, da je ta republika še ena tistih maloštevilnih držav na svetu, kjer še plamti kres svobode in demokracije. Če smo dobrni in lojalni državljanji, tudi mi prispevamo k sijaju tega kresa.

Kadar pa si kot rojeni Slovenci zaželimo slovenske družavnosti, jo najdemo v naših podpornih društvenih, v društvenih naše Jednote. Tu ne more pasti na nas niti senca

VSAK PO SVOJE

Na vojni ladji Idaho je mornar Jack Smooth dobil poročilo, da mu je žena rodila sina, nakar je ves srečen in ponosen začel deliti cigare med tovarise. Sredi tega posla pa je bil poklican k telefonu in zdravnik mu je sporočil iz bolnišnice, da sta za sinom dospeli še dve hčerki, da je torej oče trojčkov. Možu je pri tem poročilu padla škatla s cigarami na tla in za škatlo je padel tudi sam. Kavesti so ga tovariši spravili še čez dobro uro.

Istotam je preminila Agnes Praprotnik, rojena Dežman, prvič poročena Dolenc, drugič poročena Praprotnik, stara 72 let, članica društva št. 81 JSKJ. Započaša sina Antonia Kolencu in hčer Anno Hansen. Rojena je bila pri Šmarjeti na Dolenjskem.

V listih smo čitali, da je francoski ministriški predsednik maršal Petain pristal v sodelovanje Francije z Nemčijo. To je verjetno in razumljivo. Če bi meni bandit nastavil na celo nabasano pištole, bi tudi brez obotavljanja izjavil, da sem pripravljen sodelovati z njim.

V mestu Moline, Ill., je ljubezljiva zakonska ženica spravila nekega moščana v tako ihto, da je razbil petrolejsko svetilko na steni svoje hiše, nakar je z avtomobilom dirjal po obcestnih pločnikih, razbijal napise, telefonske droge in stojnice, dokler ga ni policija arietirala. V ječi se je potem dvakrat skušal obesiti, pa so mu preprečili. To vse ljubezen stri.

V Parizu, kjer vlada občutno pomanjkanje živil, tamkajšno časopisje poučuje prebivalstvo, da dobro žvečenje zvišuje izdatnost jestvin. Založaj kruha da bi bilo treba prežvekniti 70-krat, založaj mesa pa 200-krat. Omenjeno navodilo morda res kaj pomaga, če drugega ne, je vsaj delj luštno. Koliko nadurnega žvečenja je potrebno za tiste, ki imajo slabe zobe, pa navodilo ne pove.

Prijatelj Cahej pravi, da tisti, ki hodijo spreobračati divjake v Afriku, bi storili bolje, če bi šli spreobračati nacije. Po njegovem mnenju bi bilo za vse človeštvo bolje, da podivja po afriško kot da se civilizirano pobija z bombami.

Na uredništvu nekaterih slovenskih listov v Ameriki je bil od nepodpisanega avtorja v Ljubljani poslan kup mimeografiiranih propagandnih člankov v svrhu priobčitve v tukajšnjih listih. Nekateri teh člankov se pričenjajo: "Z velikim veseljem smo brali Slovenci v Ameriki, da je ta in ta stopil v vlado . . ." Ali: "Zelo zanimala nas ameriške Slovence . . ." Mi smo najbrž v očeh avtorja dočinili propagandnih člankov veliki cepci, toda kljub temu poslano gradivo hyaležno odklanjam. V starem kraju nam ne bodo predpisovali, kaj bomo mitkujali o Jugoslaviji. Ako nas bo kaj veselilo glede Jugoslavije, bomo že vedeli sami, kako zapisati. Za enkrat nas veseli najbolj to, da nemški daksel v rimski volkulji še nista požrla Jugoslavije.

Volilna borba je za nami, radijski aparati se bodo oddahnili in mi z njimi. Vlado in poslavodavci imamo tako, kakršno smo si izbrali. Kampanjska ihata se polegla, poraženci in njihovi prijatelji so plačali izgubljene stave in skupno z zmagovalci enega pili. Večina je odločila in ta odlok večine je sprejel ves ameriški narod brez jeze, brez kujanja in brez pregovaranja. To je inteligenco, to je demokracija in to je Amerika!

kakšne neloyalnosti. V naših društvenih ni prostora za mahinacije petokoloncev, ampak le za bratstvo, medsebojno pomoč in loyalnost napram deželi, kjer se naše bratske organizacije razvijajo pod najlepšo zastavo sveta, zvezdnato zastavo svobode.

GRADNJA LETAL

Vojna letala se v Zedinjenih državah gradijo vsak mesec v večjem številu, kljub temu pa izjavljajo krogi, katerim je povrjenja skrb za narodno obrambo, da je treba zgraditi še nadaljnje tovarne za izdelovanje letal in da bodo morale priti na pomoč tudi avtomobilske tovarne. STOLETNIK

V Bridgeportu, Ohio, je bil dne 1. novembra prirejen slavnostni banket na čast Samuela Buceya, veterana ameriške civilne vojne, ki je dosegel svoj stotki rojstni dan. Slavnostni govornik na banketu je bil 97 let stari William Pyle, tudi veteran ameriške civilne vojne.

VOJNA V EVROPI

Italijanski blitzkrieg na Balkanu ni videti nič kaj bliskovit. Po več ko enotdenškem bojevanju niso Italijani v Grčiji dsegli nikakih važnih uspehov. Tu in tam so napredovali par milij iz Albanije v Grčijo, toda na nekaterih krajin so jih Grki ne samo potisnili nazaj do meje, ampak celo preko meje. Poroča se, da so Grki zavzeli nekaj vasi v italijanski Albaniji in obkolili važno mesto Korico. Grki pomagajo v gorovju tudi albanski ustasi, na morju in v zraku pa Angleži. O večjih pomorskih bitkah v grškem vodovju še ni bilo poročilo, pač pa se poroča, da so Angleži okupirali strategično važni otok Kreto v Sredozemskem morju, priljeno v sredih vhoda v Egejsko morje med Grčijo in Turčijo.

Jugoslavija je z ozirom na italijansko-grško vojno izjavila, da bo ostala neutralna, da je na tistem gotovo vesela, da se Grki tako dobro otepajo Italijanov. Italijanska ekspedicija v Egiptu, ki je vsmerjena proti Sueškemu prekopu, se zadnje čase spet nekaj giblje, toda kakih važnih uspehov ne more beležiti.

Med Nemci in Angleži na severu traja skoraj nepretrgana letalska vojna. Zdi se, da se angleška letalska moč in splošna odpora sila veča v vsakem dnevnem. Nemci poročajo o uspehih svojih podmornic, toda Angleži trdijo, da so njihove pomorske izgube več kot nadomeščene z novozgrajenimi ladjami.

Jugoslavija, Bolgrdija in Turčija so mobilizirane in v pravljosti zaključene. Iz Rusije se malo sliši, le toliko je gotovo, da je vojaško pripravljenja ob zvezdah skozi okno in obzgala gospodarja, ko je sedel s svojo družino, ki steje osem otrok, pač pa kosiš. Obzgala ga je po vsem telesu in ga vrgla ob končno postelje s tako silo, da je revž obležal s polomljennimi rebri. Otroci so vsi preplašeni zbežali iz hiše in začeli klicati ljudi na pomoč. Hiša, krita s slav-

letske sile in se nič kaj pojavlja ne izraža o italijanski vojski in mornarici.

MINUTES

OF THE 16th REGULAR CONVENTION OF THE SSCU HELD
AT WAUKEGAN, ILL., FROM SEPTEMBER 9th TO
SEPTEMBER 16, 1940

Excerpts Of Important Decisions Translated From The Slovene
By Frank E. Vranichar, Supreme Trustee

(Continuation)

(CONTINUATION OF REPORT OF COMMITTEE ON
SALARIES AND PER-DIEMS):

The salaries of the employees in the home office are to be decided by the Supreme Board on recommendation of the Supreme Secretary, but must not in any case exceed the sum of \$75.00 per month.

Convention Chairman \$25.00
Two Convention Vice-Chairmen, each \$15.00

Convention Secretary \$25.00
Convention Recording Secretaries receive double per diems.

Convention Doorkeeper \$5.00 per day

The Chairmen and Secretaries of the four Convention Committees for overtime work \$1.50 per hour

All other members of the four Convention Committees for overtime work \$1.00 per hour

A motion was made that the Supreme Secretary be paid an award of \$100.00 for preparing the changes to the By-Laws for the Convention. Supreme Secretary Zbasnik stated that he would not accept any award. The delegates thanked and applauded him for his good work and decided that a suitable remembrance gift be purchased for him by the Supreme Board.

The report of the Committee on Grievances and Appeals as then read in regard to each case, and the awards of financial assistance to needy members and all other decisions of the Committee were approved as recommended by the Committee.

In regard to the English-Slovene Dictionary compiled by Novak it was decided that 150 copies may be ordered, and if the Supreme Board deems it advisable, it may decide regarding more copies.

Because there were many petitions and complaints which were not properly signed and approved, it was unanimously decided that the following addition be made to Section 26 of the By-Laws:—“The signatures of members who desire to present to the Convention a petition or complaint must be attested by the lodge president and secretary and the lodge seal affixed. All petitions and complaints must be sent to the home office by the date designated by the Supreme Secretary.”

1.

There was considerable discussion relative to a proposal to change the name of the organization. It was moved that the name of the organization be changed and that it be given an entirely new, American name. This motion was seconded. Then a motion was made that the voting on the question of changing the name be done by secret ballot. This motion received a second and upon being put to a vote of the convention members, was carried. Secret ballots were then passed among the members of the convention. The members then voted by secret ballot on the question as to whether or not the name of the organization should be changed. Upon the ballots being tabulated and counted, it was found that 125 members had voted in favor of changing the name, 38 had voted against changing the name, and 2 ballots were found to be blank. The vote being in favor of changing the name of the organization, the chair declared the motion to change carried.

Then ensued a discussion as to the best method of effecting change in the name. It was pointed out that every state in which the organization does business must agree on a name. It was pointed out in the discussion that this would necessitate considerable detailed correspondence which could not be carried out by the convention as such. It was moved that the present Supreme Board, whose term expires December 31, 1940, and/or the new Supreme Board, whose term commences January 1, 1941, be given power and authority to choose a new name for the organization. This motion received a second and upon being put to a vote of the convention members, the motion was carried.

It was then moved that Article 1 of the Articles of Incorporation of the association be amended to read as follows:

The name of this association is South Slavonic Catholic Union of America. The translated name into the Slovene language is Jugoslavanska Katolska Jednota v Ameriki. The present Supreme Board and/or its successor has the right and authority to change the name of the association at any regular or special meeting of the Supreme Board or by way of referendum of the members of the Supreme Board, provided that the power to change the name was previously vested in the Supreme Board by the convention.

The above motion to amend Article 1 of the Articles of Incorporation received a second and upon being put to a vote of the convention was carried.

2.

It was moved that Article 2 of the Articles of Incorporation which reads as follows:

Article II

The association is organized and carried on solely for the mutual benefit of its members and their beneficiaries, and not for profit. It has a lodge system with a ritualistic form of work and a representative form of government and makes provisions for the payment of benefits on the death of its members and upon their disability arising from sickness or accident.

Unchanged. This motion received a second and upon being put to a vote of the convention members, carried unanimously.

Lodge 87

St. Louis, Mo.—At our last meeting, which was well attended, we had a very complete but concise report from our delegate, Frank Kodelja. At this time I wish to ask the cooperation of each and every member to do their utmost in securing new members as it is our goal to get enough new members, so that when the next convention rolls around we will not have to merge with another lodge but that we can send our own delegate. From the report given us by our delegate, everyone can readily see that this will not be a very difficult task because of the new and better laws that will be put into effect after January 1, 1941.

On October 17th I had a most pleasant surprise. Mr. and Mrs. Frank Vranichar were in St. Louis and paid us an unexpected visit; even though it was brief it was very enjoyable at least that is the way I feel about it. Mr. Vranichar gave me some helpful pointers on how to make our members so interested in this organization that they will be proud to be members of such. He also suggested that our young members get together and form some kind of a club, be it sports or social. I wish to invite all our young members to attend our next meeting to be held November 10th at Slovenian Hall, so that we can decide on something that will please everyone. Come on, let's all get together and get started. I know it will be difficult to get something organized, but as Mr. Vranichar pointed out it will be great fun and worth all the effort it may take to organize it. When your supreme officers show such an enthusiastic interest and are so willing to give any advice, it gives you a new view and outlook on the organization as a whole. Whenever a supreme officer comes to St. Louis, I will be more than glad to have them pay us a visit, but I do hope they will stay longer than Mr. and Mrs. Vranichar did. Mr. and Mrs. Vranichar came early in the evening; after a little lunch and discussion we went to visit someone they wanted very much to see, which incidentally, is the home of one of our juvenile members, namely, that of Rudolph Gabrian, Jr. The next day they had some business to attend to and then left St. Louis. I do hope you will come back again soon but be prepared for a longer visit, so that you can see some of the pretty sites of the city of St. Louis. And when you do come, I hope it will be possible to bring your children along as I am very anxious to meet them.

On October 19th our member, John Grubar, celebrated his birthday with a party. All your fellow members hope you had an enjoyable evening and wish you many more happy birthdays.

So long until Nov. 10, the date of our next meeting. See you all then.

Emily Kodelja, Sec'y

He approached the judge with all kinds of politeness.

“Your lordship, I'd like to get out of jury duty,” he said.

“For what reason?” asked the judge.

“I can only hear with one ear,” was the excuse offered.

The judge smiled. “It's all right,” he said. “We hear only one side of a case at a time.”

Napredek News

This is a special invitation to the public to a “Card Party and Dance” given by Napredek, 132, SSCU at the Slovene Society Home, on November 8, 1940 (that's tomorrow) and the admission is merely twenty-five cents. The tickets can be obtained either by Mr. Tanko, sec'y; Mr. Gruden, pres.; or myself. It is the duty of all members to support our lodge after all our lodge has about two affairs a year and these affairs are able to build up our treasury, get acquainted with other members, have the grandest time with so little to spend.

First of all there's going to be a brief meeting and it will start at 7:00 SHARP! So all who are attending the meeting be there at that time so that the meeting can be over with by 8:00.

The committee assures everyone a grand time. Good music and some swell refreshments given at each table. We would like to see some of our neighboring lodges such as Betsy Ross, St. John's Collinwood Boosters, Ilirska Vila, etc. Will you come? There will be a variety of card games to play, so everyone can have a choice.

DON'T FORGET WE'LL SEE YOU ALL AT NAPREDEK CARD PARTY TOMORROW NIGHT for a good old-fashioned card game.

Within Our Power

By Mona Gardner

In our own grasp we have the power to reduce tuberculosis to just an archaic word in an encyclopedia. Or we can go on letting it kill more girls and women between the ages of 15 and 45 than any other disease.

Let us examine this power, for it is actual and demonstrative.

A postal clerk in Copenhagen first thought of the Christmas Seal idea in securing money to build a new hospital for children. He was right. Enough pennies poured in from that one sale to put up a fine hospital and to buy health for many children.

Three years later a Delaware woman, Emily P. Bissell, tried it in the United States. She hoped to get \$300 so that a small hospital which housed tuberculous children might remain open. The supply of Seals gave out in the middle of the sale; more were printed; and a third batch. By Christmas Eve, the sale's total was \$3,000.

There is the accumulative power produced when more than five million people put dollars into the fight against TB.

And how is the power used? Well, looking back at the 36 years of activities of the National Tuberculosis Association and its nearly 2,000 state, county and city associations throughout the country, we find that these funds have promoted the establishment of the following:

732 institutions — sanatoria and hospitals having tuberculosis departments, providing 90,000 beds for the treatment and prevention of tuberculosis, chiefly for adults.

10,000 public health nurses engaged in tuberculosis work alone.

1,000 clinics holding more than 100,000 sessions annually for diagnosing and finding tuberculosis.

SSCU Correspondent Gets

“Hot” Tip

By Little Stan

Ely, Minn.—

Breaking the routine coverage of news in the career of nosy newspaper reporters is the occasional “hot tip” usually received from “reliable sources” which ends up in a sensational story, finding eager readers throughout the nation.

How these “tips” are gotten usually must remain a mystery for a good newspaperman keeps his “news contacts” by not disclosing the name of the “tipster.” For in the future this same person may have another tipoff to a good news story. It may be just a little whisper which when tracked down may lead into a story of nation-wide interest. Then, too, it could be that nothing would materialize. But these are the chances a reporter must take—but that's what makes being a newspaperman a real pleasure.

From the “grapevine” just the other day, Little Stan received a tip that is too good to suppress. Particularly every lodge secretary will be interested. For it means an additional revenue for them if this materializes. But the “tip,” received the other day from a usually reliable source, was that lodge secretaries would again be paid 25¢ additional for each juvenile member enrolled in their respective lodge! Verification of this report will undoubtedly come from the supreme secretary's office any day now.

IT MEANS THAT LODGE SECRETARIES SHOULD DO EVERYTHING POSSIBLE TO HOLD THEIR MEMBERSHIP INTACT ALL THE WAY! IT WILL PROVE EXCEPTIONALLY BENEFICIAL TO THEM FINANCIALLY!

Little Stan and the grapevine are very closely associated. He had received another whisper, but it has to be held because more information has to be tracked down before any unofficial disclosure can be made.

But we'll stick to it, and when it is ripe will spring it. A HINT IS THAT IT WILL BE A MAJOR NEWS ITEM FOR EVERY SSCU MEMBER IN THE NATION!

Enough for tips and scoops. Here it is Nov. 2—A Saturday, and Little Stan is dashing off his article in the morning. Can't do it this afternoon because that big Minnesota-Northwestern football game is on! And if you ever tried writing an article between touchdowns and the clicking seconds of a football game you'd certainly fine a lot of adverbs and adjectives mixed with puns, line-bucks, and penalties.

Wasn't that nice—the way Minnesota took Ohio State two weeks ago? Tsk Tsk! Suppose next year Little Stan will have to be an Ohio State fan! Well, he'll pull with the Cleveland Indians anyway!

While speaking of Cleveland, Little Stan remembered suddenly what fine hosts Patsy Krall and Tony Drenik were. They took Doc and Stan to the Premier Vacuum Cleaner factory and to Fisher Body where Mr. Drenik picked up Miss Yankovich who is employed there. Although on the outside, visitors

were not permitted in the interior of the factories—regular pre-war precautions taken by all manufacturing centers. Met Patsy's fine mother.

Here in Ely—in November and the rainy season seems to have taken a firm hold. Rain for a week, but no snow as yet. But this weather is ideal for nimrods, or duck hunters, as you will, who this year have had two months to hunt. Season ends the 30th of November, and the veterans tell Little Stan the best shooting is yet to come. To your reporter who doesn't go in much for duck hunting it seems a miserable sport. Get up in the morning before the sun, drag your half-sleepy self thru wet, marshy land, set out your decoys, blow on a fake horn that goes “Quack Quack” and all you have to do is set in a bog and wait for that familiar flying formation of duck to show up. And when they come near enough you shoot both barrels at 'em, and hope that they go into a spin. Nine times out of ten they'll land about a half-mile out—half a block anyway—in the water, and if you haven't a trusty dog around to retrieve, you have to hop into a boat and pick them up—if any.

The open season on partridge was on too, and a lot of people took their artillery and went out to see if they could get enough for a good meal. Did you ever taste this Northern Minnesota partridge? Delicious white meat all the way! Better than chicken! There was a lady in a nearby city tho, who had a yen for hunting partridge. Some papers got the story twisted. What actually happened was she hit an owl with her automobile, and took it home thinking it was a partridge. Hubby got home just in time to prevent an owl-stew supper. Papers had it that she shot the owl thinking it was a partridge.

Charlie Welsh who operates a lunch stand in town is one of those fellows who takes every advantage of going out to hunt. During fishing season he was out daily. Along came the partridge and duck season, and Charlie still goes out every day. He leaves early in the morning, comes back late at night, and we can't recall anytime he came home empty-handed.

November 15th, red-shirted hunters dressed in other colorful regalia will swarm into this city to open a ten-day hunting season on deer. One thing that is certain of being hit is the bottle, and tavern business shoots high. Seems like Little Stan will have to write a special yarn about going out on a deer hunt! Notice, too, how that deer is spelled! Heh Heh! He really means business time!

Miner's employed at the Pioneer and Sibley underground properties of the Oliver Iron Mining company feel pretty good these days. They got a new electric washer and dryer in the dryhouse, and now washing mining clothes is a real pleasure. Put the clothes in and set the time you want for the clothesbath. You can relax then, and when the time is up, the machine stops. Place them in the dryer, and in no time your clothes are perfectly dry—and

Convention Memoirs

Trinidad, Colo. — Thanks to the many friends and neighbors from El Mono and vicinity who have joined our lodge so that I was able to attend the 16th regular convention at Waukegan, Illinois.

I also thank Mr. and Mrs. John Simcic and family for the wonderful time I had at Waukegan. I was their guest for two weeks. I was the first out-of-town delegate to arrive in Waukegan. I arrived Saturday morning, August 30th, 1940, at 1:30. Thanks to Mildred and Eva Simcic who met me at the Dearborn Station in Chicago.

The first Saturday nite in Waukegan will always be a pleasant memory. Mary Simcic, my chum and friend, had a date for me. We all went to Kenosha, Wisconsin to the German-American Home. The "we" stands for Eddie Brunett, Mary Simcic, George (the last name slips my mind), Mildred Simcic and John Mesic (also known as "Buzz") and myself.

It was a long wait until the rest of the delegates began to arrive. I was almost afraid to go to the Slovene Home alone because I didn't know anyone. I waited until my girl friend Mary Simcic was ready to go to work. She works for Doc Furlan and we walked up to the Slovene Home together. As we were going up Mary asked me what I was going to do, since I didn't know anyone. I said that I would ask someone, if they were regular or honorary delegates. As we rounded the corner of the Slovene Home, I saw a group of boys and girls standing around; in fact they were taking pictures of each other. The first thing I thought of: "they all must be delegates." So as bold as I am I went up and asked a very attractive girl if she was a delegate and to my surprise she said, "Yes, I am Dorothy Predovich, an honorary delegate from Butte, Montana. I introduced myself and then she did not waste any time introducing me to the others of the group. (I won't mention the names because I'll probably get them all mixed up.) Then we all went up and listened to the meeting of the regular delegates.

I didn't meet very many delegates the first few days because I wasn't at the Home very long.

When I left for Waukegan I was hoping I would meet Little Stan. Thinking he was a young man and short. Did I ever get a surprise. The first day of the convention I didn't meet him because no one seemed to know the "guy" so I let it pass, but the second day when Mary came home and told me she met Little Stan, I didn't waste any time finding out who he was. I happened to be in the "bar room" and a tall man was standing there who filled the description Mary told me. As nice as you please I went up and asked him if he was Little Stan and woe be to me it was. I didn't have to look any further. I guess Little Stan was sorry I went up to him because I was a pest from then on. Thanks just the same Stan for the good time you showed me as long as I was with you.

The following afternoon Joe Matkovich, honorary delegate from Indianapolis, introduced me to John Pauchek from Pueblo, Colo., another honorary delegate. (How's the pictures you took, Joe?)

I noticed that Max Fink from Conemaugh, Pa., wonders what happened to me. Well, Max, I am still kicking and very much alive. And thanks for going souvenir hunting with me. I still have all mine. Do you have yours?

It doesn't seem like Victor Dremely from Conemaugh, Pa., had a good time at the convention because he hasn't written a

Lodge 132

Euclid, O. — Our lodge "Napredek," 132, SSCU will follow with a social after the meeting which will take place on Friday, November 8th. Invited to the social are not only members, but non-members as well.

The meeting on Friday, November 8, will begin promptly at 7 p.m., so that the proceedings shall be completed by 8 o'clock, when the social is scheduled to begin.

These are long Fall evenings, and some people do not know what to do with themselves. Why not bring along your friends to the meeting and the scheduled entertainment. Our lodge treasury will benefit from the social, which also will act as a stimulant for greater lodge activity. And since most of us are free on Saturday, it will not matter if we stay out longer on Friday evening than the usual hour.

Adria Concert Given Saturday

Cleveland, O. — Slovene tunes will be ringing out by the Adria singing club this Saturday, November 9th at the Slovene Society Home on Recher Avenue, Euclid, Ohio. For many years the club has been presenting concerts and dances so for Saturday night they are presenting another concert and dance. President of this well known singing club is Mr. Mattie Molk, who is also a member of SSCU No. 180, Geo. Washington. Florence Bricel is the secretary.

The concert will begin at 7:30 p.m. Saturday evening. The group will first sing Slovene tunes and an English song too. Duets, solos and quartets will follow to accompaniment of Miss Margaret Hulina, pianist and Mr. Vauter, director. You'll really enjoy the concert with all these nice songs. As you know the concerts of this club have always been a success so we're hoping that you'll be there again this year.

The price? It isn't much for a good concert. It's only forty cents. Oh, right after the concert there will be dancing to Mickey Ryane's orchestra, the young Slovene boy who is gaining on top with his orchestra.

Music will be till 1:00 a.m. Admission to the dance will be only 25 cents. Every year all the popular people from the dances also come to dance, and let's see all of them there again this year.

This is only a brief letter inviting you to attend our concert and dance. Have really hopes of seeing you there, Saturday, November 9th at 7:30 p.m. at the S. S. Recher Avenue, Euclid, Ohio.

thing about it. Maybe he don't have too, everyone else seems to be writing for him and about him. I don't blame the ones who attended the convention to write about Victor because he really was the "life of the party." But still I would like to see an article in the Nova Doba from Victor.

Before I close I would like to thank Mr. and Mrs. Steve Valentich and children for taking me to Racine, Wisconsin to see my relatives.

The week of the convention seemed to have wings; it flew right by. A person didn't have time to get acquainted and we all had to say Goodbye to each other. Which was very hard.

I hope to see more articles in the Nova Doba from other delegates who attended the convention.

Glaring Headlights

Glaring headlights at night have been responsible for many serious accidents. When you are driving in congested traffic or meetings other cars on the highways dim your lights even though the approaching motorist fails to do so. This act of courtesy will make night driving much safer for you and every other person using the highways.

WITHIN OUR POWER

(Continued from page 3)

1,679 tuberculosis associations and 842 smaller committees, a state-wide organization in every state, and local agencies in all the larger population centers.

This dogged, combined attack has tuberculosis pretty well on the decline. Certainly this is not the year to skip buying the little personal medals. We must buy at least another dollar's worth of power to give the disease the final shove. For, its complete eradication in our children's and grandchildren's lives is within our power.

Convention Days in Waukegan

By Max Fink

Conemaugh, Pa. — Here I am again dear readers, to tell you more about the wonderful trip at the Waukegan Convention. I shall conclude by telling you all about our sight-seeing trips and the ending of our Convention stay in Waukegan.

It was on Thursday, after the Convention session was adjourned for half day, that the big moment came for us honorary delegates. At one o'clock we were all called to attend a meeting which was witnessed by the regular delegates to receive our rewards for our work in getting the goal of new members into our Union and which qualified us as attendants to this Convention. Each delegate had the privilege of expressing his thoughts as he received his Certificate of Award. Vic Dremely again proved to be the hero of the honorary delegation, for here he gave a very interesting talk about our Union. He stated that we should keep right on working for a much stronger Union after we leave the Convention. He was applauded very much by the regular and honorary delegates. After the meeting adjourned it was time for the delegates to take group pictures. Regular delegates took their pictures first, and we, the honorary, took ours second. These pictures turned out swell.

That evening a Grand Banquet in honor of the delegates was held in the Slovene Home. Music was furnished by Deichman's Recording Orchestra from Joliet, Illinois. A Square Dance Waltz contest was held at Tony Prime and Agnes Godu from Cleveland came out as winners.

Saturday, Vic Dremely, William Zbasnik and I were taken to the Waukegan and South Chicago football game by the morous Joseph Nemanich. It was a nice day for the opening football game of the season but South Chicago came out as the winner. That evening Vic Dremely gave a farewell address to the patrons in the barroom. I exhibited the steps of different kinds of dancing. Impersonating a few actors and exhibited love scene with a very beautiful Waukegan girl. I wonder if any girl ever dreams of Victor's actions. Sunday morning Vic came and Vic, Frank Janacek, Joseph Hribar, and I were ready to depart from a very friendly crowd and a very friend of Waukegan. After packing our belongings we went into hotel lounge room and then the restaurant to eat. Back to the lounge room waiting patiently for the train time to arrive, we were again met by Vic. First delegates Mary Predovich and Mary Ann Smith. They gave us a very welcome and off. In behalf of my colleagues I wish to thank all the delegates, friends, and patrons of Waukegan for the wonderful hospitality shown us during our successful Convention in Waukegan.

I would like to see other delegates write articles concerning the convention. I see that Stan Progar's article is likely if he had attended. Most of the convention he would have seen the sights of the city with interesting facts and figures of the Convention. So doesn't that well represent the western lodge give us their delegations and dislikes of the convention. I shall close and hope that "Convention Days in Waukegan" were not too boring.

Friday morning we got up early for it was a sight-seeing day. About thirty of us boarded a bus to visit the most interesting places of Chicago. Our first stop was a visit through the Marshall Field & Company Retail Store. It is one of the largest stores under one roof in the world. The escalators take patrons from floor to floor. It was a sight for some of the Western delegation who never before had seen revolving stairs. Before we boarded the bus for our next destination Chinatown, Vic, Frank Janacek, and I visited Black Hawk the high spot of Chicago. In Chinatown we visited different stores which mostly had ornaments from China. Agnes Godu and Dot Predovich bought some snakes and do they have them tamed not to bite. Everyone seemed to be hungry at this particular time so our escort ordered a meal for us in a Chinese hotel. We visited a few

Ohajski bratski kongres

V petek in soboto, 11. in 12. oktobra, se je vrsil 23. sestri Ohajski bratski kongres v hotelu Biltmore v Daytonu, Ohio. J. ug oslovansko katoliško jednoto bi moral zapustiti na tem zborovanju predsednik glavnega nadzornega odbora, brat John Kumše. Zaradi zaposlenosti v tovarni se istega ni mogel udeležiti, zekar sem zastopal našo organizacijo jaz kot njegov odbrani namestnik.

J. N. ROGELJ
Na tem kongresu so bile zastopane sledeče jugoslovanske podporne organizacije: Hrvatska bratska zajednica, Slovenska svobodomiselnna podpora, Slovenska dobrodelna zveza in Jugoslovanska katoliška jednota.

V tem kongresu je zastopanih okoli 60 ameriških bratskih organizacij. V državi Ohio posluje 114 različnih podpornih organizacij, izmed katerih jih je 24 inkorporiranih v Ohio. Vse te organizacije imajo danes zapisane zavarovalnine v oben od delkih \$4,781,690.000.00. V teh številkah lahko vidite važnost podpornih organizacij v državi Ohio, kakor tudi važnost Ohio Fraternal Congress-a.

V petek se je pričelo zborovanje ob deseti uri dopoldne. Otvorene angleške konvencije je povezana s ceremonijami, katerimi Slovenci ne poznamo dosti. Dober je bil govor C. J. Brennan, mestnega župana v Daytonu. Nagovoril in odgovoril mu je za kongres avokat John A. Willo, zastopnik slovaške organizacije iz Youngstowna, Ohio. Nato so sledila poročila odborov, katera so se končala pred dvanajsto uro.

Razsodbe gl. porotnega odbora JSKJ

30-368.

Priziv sobrata Emilio Rolle, člana društva Sv. Jožefa, št. 30, Chisholm, Minnesota, ker je bil po njegovi trditvi prikrajšan pri zahtevi za bolniško podporo, za vsoto šest dolarjev. Izvrševalni odsek naše Jednote mu je namreč na podlagi prejetih zdravniških poročil izplačal samo en dolar bolniške podpore. V prizivu pa se trdi, da zdravnik prizivnika ni navedel pravilne datume. Glavni porotni odbor je prosil vrhovnega zdravnika, da naj skuša ugotoviti pravilne datume ter mu potem iste poročati. Vrhovni zdravnik je temu ugodil in glavni porotni odbor je razsodil na podlagi dodatno prejetih poročil vrhovnega zdravnika in prizivnikovega zdravnika, da je prizivnik upravičen še do nadaljnje šest dolarjev bolniške podpore, poleg že prejetega enega dolarja, za dobo njegove bolezni, od dne 13. aprila 1940 pa do dne 24. aprila 1940.

171-364.

Priziv sobrata John Pešeca, člana društva "Vsi za enega, eden za vse," št. 171, Republic, Pennsylvania, ker je bil, kot poroča, prikrajšan na bolniški podpori za vsoto \$31.00.

Izvrševalni odsek naše Jednote poroča, da mu je bila zahteva za bolniško podporo odklonjena zato, ker je kršil pravila naše Jednote v času, ko je bil na bolniški listi in da se mu vsled tega ne more nobene podpore izplačati za dobo šest mesecov, od dne 14. aprila 1940 naprej.

Izvrševalni odsek je namreč prejel poročilo, da se je prizivnik v času, ko je bil na bolniški listi, udeležil vrtne veselice, obiskal gostilno in opravljalo delo

predavanja, med katerimi je bilo predavanje državnega senatorja Wm. M. Bodya. On je podpredsednik Hrvatske bratske organizacije. Svoja poročila so podali razni resolucijski odbori.

Popoldne so se vrstile volitve novega odbora. Sledilo je ustoličenje novih odbornikov s primernimi nagovori. Pomembno je bilo predavanje J. G. Dalya o glasilih naših bratskih organizacij. On je sam urednik ter ima za seboj veliko skupščino. Posbeno je poudarjal, kako se mora napisati društvena poročila, objaviti važne dogodke v naselbi in kako se mora pričeti s poročilom, da bo ugajalo uredništvo.

S tem je bilo nekako zaključeno zborovanje bratskega kongresa v državi Ohio.

Letošnje zborovanje je bilo v vseh svojih nagovorih in predavanjih prepleteno z naglasom zvestobe do Združenih držav. Se pač nahajamo v takih časih, v katerih je potreba obvestiti vse naše člane in članice, v kakšnih resnih časih se nahajamo. Na enakih zborovanih človek lahko zasledi prave vire fraternalizma, da na podlagi teh virov lahko izvaja svoje zaključke, s katerimi se potem koristi naši organizaci. Naše bratske organizacije so male po številu članstva napram nekaterim ameriškim bratskim organizacijam. Na sličnih zborovanih pride do izmenjave posameznih mnenj in misli, katere imajo zastopniki zastopanih organizacij. Po mojem mnenju ni dovolj, da imamo samo glavne odbornike na papirju, ampak potrebno je tudi, da jih pošljemo na enaka zborovanja, da se v resnicu seznanijo z delom bratskega dejstvovanja, ter na podlagi tega, kar so videli in slišali, skušajo pomagati in delati za svojo organizacijo.

na vrtu pri njegovem stanovanju. Glavni porotni odbor je prejel zadostne dokaze, da je prizivnik v resnici napravil prva dva omenjena prestopka, ni pa zadostnih dokazov, da je naredil tudi tretji omenjeni prestop, to je, da bi bil opravljalo delo na rečenem vrtu.

Odklok izvrševalnega odseka naše Jednote se tem potom spremeni v toliko, da se naj glasi, da se prizivniku odbiže od njegove podpore za bolezni, ki jo je imel v dobi od dne 29. marca 1940 pa do dne 29. maja 1940, 30 dni, to je, za prva dva omenjena prestopka in to v smislu točke 339 naših pravil.

Anton Okolish, John Schutte, Frank Mikec, Rose Svetich, Valentin Orehek, porotniki JSKJ.

godbo in vsakovrstno postrežbo bo v polni meri poskrbljeno. Na to veselico so vabljeni rojaki in rojakinje iz vsega tukajšnjega okrožja. Za vse bo dovolj zabave in postrežbe. Vstopnina za moške bo 35, za ženske pa 25 centov. Torej, na svidenje v soboto 9. novembra v društveni dvorani v Lloydellu! — Za društvo št. 35 JSKJ:

Joseph Arhar, tajnik.

Chicago, Ill. — Tem potom se naznana vsem članom in članicam društva Zvezda, št. 170 JSKJ, da je razpisani izredni društveni asesment po 50 centov na člana in članico za meseca november in december. Ta načela je potrebna za pokritje društvenih izdatkov. Člani in članice so prošeni, da to naznanno upoštevajo in da se ravna po društvenih sklepih.

Tem potom tudi naznajan, da bodo skupna društva JSKJ v Chicago priredila božičnico za člane mladinskega oddelka. Ta božičnica se bo vrnila v nedeljo 15. decembra v šolski dvorani na Cermak Road in Wolcott Ave. Starši otrok mladinskega oddelka, kakor tudi vsi drugi člani in članice naših društev, so vladivo vabljeni, da si že zdaj odločijo 15. decembra za posebno prireditve, ter da pripeljejo s seboj tudi svoje prijatelje. Program, ki ga bodo izvajali člani mladinskega oddelka, bo zelo lep in zanimiv. Za dobro postrežbo bo skrbel pripravljalni odbor. Upam, da ne bo nobenemu žal, ki pride na to prireditve.

Dalje opozarjam člane in članice, da se naša prihodnja seja vrši v sredo 20. novembra v načavnih prostorih. Želim, da bi bila udeležba stoprocentna. Pozdrav vsemu članstvu! — Za društvo št. 170 JSKJ:

Agnes Jurečić, tajnica.

Chicago, Ill. — To poročilo bi moralno biti poslano za zadnjo izdajo Nove Dobe, toda vsled prevelike zaposlenosti mi ni bilo mogoče to storiti. Prosim, da se mi to oprosti.

Kakor je bilo že poročano, se je v Chicagu ustanovila kegljaška liga pod imenom "JSKJ Bowling League," in obstoja iz treh društev: Jugoslovanski zvon št. 70, Zvezda št. 170 in Illinois Stars št. 211. Odbor je sledi: Joseph Oblak, Sr., predsednik; John Gottlieb, tajnik; Anton Krapenc, blagajnik. Kapitani so sledi: Za skupino št. 1 Louis Dolmovich, Jr., za št. 2 Joseph Fajfar, za št. 3 Tony Kovacic in za št. 4 John Zvezich. Vsaka skupina obstoji iz trih kegljačev toda za prihodnjo sezono upamo imeti šest skupin po 5 kegljačev. Ravno ta teden smo dobili botre (sponsors), da imajo skupine poleg številk tudi imena in sicer: št. 1, Gottlieb's Florists, št. 2 Maryton Cafe, št. 3 Wencel's Dairy, št. 4 Žefran Morticians. Drugi teden dobimo posebne sraje, da bo izgledalo bolj uradno.

Prva tekma, to je dne 18. oktobra, je izpadla sledi: Sku-

pina št. 2 je dobila dve igri od skupine št. 1; skupina št. 3 tudi dve igri od skupine št. 4. Najboljša igralca ta večer v eni igri sta bila Louis Dolmovich in Joseph Fajfar, ki sta jih podrla vsak po 175. Najboljši igralci v treh igrah je bil Louis Dolmovich s 481, njemu je sledil Joseph Fajfar s 443. Dne 25. oktobra je bil pa izid sledi: Skupina št. 1 je dobila vse tri igre od št. 3. Skupina št. 4 pa dve igre od št. 2. Na ta dan je bil torej sledi rekord:

Team *W. L. No. 1, Gottlieb's Florists .. 4 2 No. 2, Maryton Cafe 3 3 No. 4, Žefran Morticians .. 3 3 No. 3, Wencel's Dairy 2 4

Največ v eni igri jih je ta večer podrl Louis Zefran in sicer 199, njemu je sledil Frank Basko s 167, a Dolmovich in Fajfar sta jih podrla vsak po 166. V treh igrah je bil najboljši Louis Zefran, ki jih ima v dobre 529, njemu je sledil Louis Dolmovich s 481.

V petek, 1. novembra so igre izpadle sledi: Skupina št. 2 je dobila od št. 3 dve igri. Pri št. 1 in 4 je izpadlo sledi: Prvi dve igri je dobila skupina št. 1, pri tretji igri sta pa obe skupini dobili po enako število, namreč 496. Katera skupina dobidi zadnjo igro, se bo odločilo ta petek, vsled tega bo natančen izid pričeben drugi teden. V zadnjem tekmi v posamezni igri sta bila zopet najboljša Louis Dolmovich in Joseph Fajfar, vsak po 170, vseh treh igrah sta jih podrla: Joe Fajfar 481, Louis Dolmovich pa 475.

To poročilo se je zavleklo, v prihodnje bo vse bolj na kratko, in najbrž samo v angleškem delu, kamor naj vsak pogleda. Opazujam članstvo naše organizacije, da se vrši kegljanje vsak petek, ob osmi uri zvečer, na Kerinovem kegljišču 1838 W. Cermak Road, in vstop je vsakemu prost. Dosedaj smo imeli gledalce večinoma tuje, nečlane, in lepo bi bilo, da bi tudi članstvo prišlo pogledat, saj stane kegljanje samo nas, kegljače, gledalce pa popolnoma nini. Zabave bo dovolj za mladino in odrasle. Člani našega društva so vabljeni, da se v kar mogoč obilem številu udeležijo prihodnje seje in pomagajo z nasveti za prireditve veselice, da bodo objavili v lokalnih listih in preskrbeli za Vas vse potrebitno za okrepljanje.

John Gottlieb, tajnik kegljaške lige.

Cleveland, O. — Društvo Sv. Janeza Krstnika, št. 71 JSKJ, bo obhajalo 16. novembra 35-letnico, odkar spada k JSKJ. Ako sem se zmotil za par let več ali manj, naj mi nihče ne zameri, saj zaradi tega ne bo nihče oškodovan po nobeni strani.

Kakor kaže zapisnik, je bilo društvo ustanovljeno 16. avgusta 1903 s 35 člani. Par let so životali kot samostojna skupina, potem pa so se pridružili JSKJ kot gori omenjeno. Iste leta, 5. decembra, je zabeleženo v zapisniku, da odstopi od društva šest ustanovnih članov ter da se jim izplača iz blagajne, kar so do tistega časa vanjo vplačali, in vsak je dobil po \$5.00.

Od 35 ustanovnih članov ni danes pri društvu nobenega več. Zadnji je bil brat John Rošel, ki je umrl preteklo leto. Pri društvu jih imamo še pol dučata, ki so člani nad 30 let, toda 35-letnika ni nobenega. Torej bomo 35-letnico obhajali le tisti člani, ki smo pozneje pristopili, ustanovnike pa smo odpeljali tja, odkoder ni vrnitve, kakor bodo drugi nas in tiste, ki se pridejo v naše vrste.

Vabim vse člane, da se udeležijo te prireditve v soboto 16. novembra v Slovenskem domu na Holmes Avenue, da se bomo vsaj enkrat vidi, kdo da smo in koliko nas je. Zagotovim lahko vsakega, da češ 35 let ne bom nikogar nadlegoval niti z vstopnicami niti z vabilom na veselico. Doba 35 let je prime-

roma kratka, toda če v mislih poletimo preko te dobe, vidimo, da se je v tem času mnogo, mnogo izpremenilo.

Pomnite: kdor je vstopnico prejel, ve, kaj ima storiti z njim; kdor je še ni prejel, mu jo pošljem po pravem času. In morda se še oglašam v prihodnji izdaji. Bratski pozdrav!

Ivan Kapelj, tajnik društva št. 71 JSKJ.

Euclid, O. — Podpisana se želim najlepše zahvaliti Jednoti,

ki mi je potom odbora za prošnje in pritožbe priznala \$35.00. Res sem denar že prej potreboval zaradi doktorskih obiskov, toda tudi zdaj je zelo prav prisel. Zdela se mi je, kot bi bila našla zaklad. Torej, najlepša hvala Jednoti. Svojo hvaležnost ji bom skušala izkazati s tem, da bom agitiral za nove člane med mojimi prijateljicami, kadar koli bom imela priliku.

Pri tej priliki naj tudi omenim, da bo naše društvo Napredek, št. 132 JSKJ priredilo domačo zabavo v petek 8. novembra, takoj po zaključeni seji. Seja se bo pričela ob 7. uri zvečer, in ob 8. uri upamo pričeti z veselicu. Za razna okreplila in za godbo za ples bo poskrbljeno. Pridejo naj vsi člani in člane med mojimi prijateljicami, kadar koli bom imela priliku.

Mary Korošec, članica društva št. 132 JSKJ.

Export, Pa. — Na zadnji meščni seji društva "Studenec pod skalo," št. 138 JSKJ, smo razmotrivali o različnih zadevah v korist društva. Po teh razmotrivanjih smo sklenili, da priredimo društveno veselico, združeno z božičnico za našo mladino. V našem mladinskem oddelku imamo precejšnjo število otrok, in teh mladini moramo posvečati nekoliko pozornosti,

Apeliramo na sosednje naselbine, da si izberete dan in se korporativno udeležite razstave. Tako želimo in pričakujemo, da bi imeli euclidski dan; lorainski dan; barbertonski dan; girardski dan, itd. Vabimo tudi rojake iz Detroit, Mich., Chicago, Ill., in drugih slovenskih naselbin. Sporočite nam, kdaj pride v soboto 21. decembra zvečer v Poljski dvorani v Exportu, Pa. Zabave bo dovolj za mladino in odrasle. Člani našega društva so vabljeni, da se v kar mogoč obilem številu udeležijo prihodnje seje in pomagajo z nasveti za prireditve veselice, da bodo objavili v lokalnih listih in preskrbeli za Vas vse potrebitno za okrepljanje.

Obisk te Spominske razstave bi moral biti eden največjih, kar smo jih imeli te vrste do sedaj. Saj se gre za počastitev spomina in del našega slovensko-ameriškega slikearskega umetnika H. Gregory Peruška.
