Minutes of the Audit and Semi-Annual Meeting

(Continuation)

The meeting reconvened at 2:15 p.m. The President opened the meeting with prayer. The Secretary's report continued.

With the present trend and the figure that I just gave you, that we have sold \$551,000.00 worth of Insurance in 120 days that our goal should be be-

tween 2 and 3 million dollars worth in the coming year.

At this time I want to present Robert Kochevar as manager of the Home Office and the claims department of the Health and Accident.

Robert Kochevar explained his duties in this regard, that, you cannot be too careful, because there are amounts to contend with that you just pay these claims over the counter and say that's it. Tact must be used in cases which seem doubtful. At this time he explained the Retail Credit Inquiry procedure that is used in exceptional claims, large ones.

All of this was very interesting to all members of the Supreme Board that there is a watchful eye when it comes to paying out claims.

The Secretary, Joseph J. Kochevar now continued with his report.

Report of the 1st Vice President, Nicholas Pavlakovich:

President Steve Kosar, and members of the Supreme Board of the Holy Family Society—

First of all, I want to say that it gives me great pleasure to be here today and sit in at one of these meetings of the Supreme Board.

Since I have been your 1st Vice President, this is my first time that I have attended a meeting of this kind. As you all know, I am distant from the Home Office and my travel time is also limited, but as I have said in my report at the Convention in Chicago, I was going to make it a point

to be present at the next Supreme Board meeting.

I also am very pleased to sit here and witness the conduct of this meeting and it gives me great satisfaction to hear the various discussions here. This, to me, shows the smoothness and the co-operation with which you perform your duties. This is also the sign, the reason why we are moving forward, in expansion and in progress.

This is all that I can say at this time, thank you.

Nicholas Pavlakovich,
1st Vice President.

Report of the 2nd Vice President, Anna Jerisha:

Members of the Supreme Board of the Holy Family Society—

All of the members have already expressed themselves at this meeting and I believe there isn't much more for me to say, because I would be repeating what has already been said.

As 2nd Vice President and living here in the vicinity, it is a pleasure to attend these meetings and to be of any help that I can. I have presided at the audits at all times. As others have already said, I am pleased and satisfied with what I have seen and what is going on, with the expansion and progress.

Anna Jerisha,
2nd Vice President.

Report of the Recording Secretary:

President Steve Kosar, and members of the Supreme Board—

As you all know what my duties are as the Recording Secretary. I am here to preside at the meetings and write out the minutes of what is going on, that is, those matters which are of importance and essential to be heard and read about.

Now as to our local branch, we are a bit slow and say, perhaps standing still, but at this time I say I will make an effort to revive the interest in it, somehow. Thank you.

Joseph L. Drasler,
Recording Secretary.

A motion was made at this time by Frank Tushek that the reports of the 1st Vice Presi-

dent, the 2nd Vice President and the Recording Secretary be accepted as given. The motion was seconded by Anna Frank. Carried.

A communication was read from the Sisters in charge of the St. Joseph's Home for the Aged in Lemont, Illinois.

The Sisters thank the Holy Family Society and the individual members at the Convention which was held in Chicago, Illinois for their generous donation of \$186.00.

A motion was made by Anna Jerisha that the communication from the good Sisters be accepted and filed. The motion was seconded by Matthew Kochevar. Carried.

At this time a motion was presented by Frank Tushek that the 1st V-president be paid the per diem as other members of the Board are paid. The Motion was seconded by Anna Frank. Carried.

The report of the President, Steve Kosar:

Members of the Supreme Board of the Holy Family Society—

My original report is a lengthy one, but not to take up too much time at the close of this meeting, let me say this:

Up to the present time our success is very good, considering the conditions and what we had to go thru. It was a lot of hard work to accomplish this and we are not at the end of the line. Our work is only beginning and we see the brighter future here for the Holy Family Society.

At this point I want to touch a bit on the local branches of the Holy Family Society. Let's get some action when you get back home; we want more younger blood in the organization to keep it going. Yet, we are doing big things. My thanks and congratulations to the agencies who are handling our Health and Accident program so efficiently, so that figures here today with your audit were very impressive.

The younger blood, this a point where we can help our Athletic Director, Anton Tomazin, Jr. in his work with bowling programs or basket-
