— PREGLED NAJVAŽNEJŠIH DOGODKOV —

Dukakis ima dovolj delegatov za strankino predsedniško imenovanje — Ali bo izbral Jesseja Jacksona za podpredsednika

WASHINGTON, D.C. — Na primarnih volitvah pretekli torek v Kaliforniji in drugih državah je Michael Dukakis dobil dovolj konvencijskih delegatov, da ga bo demokratska stranka gotovo izbrala za svojega predsedniškega kandidata novembra letos. Tako je sedaj postal vprašanje številka 1 za Dukakisa, katerega izmed številnih predlaganih demokratskih veljakov bo imenoval za podpredsedniško mesto. Po ustaljeni praksi tako v demokratski kot republikanski stranki je ta izbira pravica predsedniškega kandidata samega, čeprav se le-ta običajno posvetuje s svetovalci in strankinimi prvaki.

Logični podpredsedniški kandidat za demokrate bi bil seveda Jesse Jackson, ki je še vedno predsedniški kandidat, čeprav prizna, da ne more na konvenciji zmagati. Jackson zadnje dni daje nasprotijoče si izjave o tem, ali želi biti podpredsedniški kandidat. Trdi, da je na primarnih volitvah doslej prejel več kot sedem milijonov glasov, da bo imel na konvenciji več kot tisoč delegatov, in da na podlagi vsega tega zaslubi, da bi mu Dukakis ponudil podpredsedniško imenovanje. Šele takrat, dodaja Jackson, bi se odločil, ali bi imenovanje sprejel ali ne.

Kar Dukakisa skrbi, je to, da bi Jackson takšno ponudbo res sprejel. Vse dosedanje ankete javnega mnenja potrjujejo namreč, da bi Jackson po vsej verjetnosti onemogočil demokratsko zmago novembra letos. Za kombinacijo Dukakis-Jackson bi gotovo volili liberalci, črnci in prepričani demokrati, a vsi ti itak podpirajo demokratske kandidate. Istočasno bi pa Jackson od demokratov odvrnil predvsem mnoge etnične skupine in konservativnejše demokrate, predvsem na jugu in zahodu ZDA in tudi na ameriškem srednjem zahodu. Politični analitiki menijo namreč, da bodo ravno države srednjega zahoda igrale ključno vlogo na novembarskih volitvah, v teh državah bi pa Jackson utegnil pristnosti zmago republikancu Georgeu Bushu.

Ankete o razpoloženju volivcev kažejo, da med možnimi podpredsedniškimi kandidati za demokrate izstopata poleg Jacksona še bivši predsedniški kandidat sen. Albert Gore in sen. John Glenn. Oba sta znana kot politična sredinka, kar bi po mnenju analitikov dobro služilo liberalcu Dukakisu. Bush in republikanci so pa dali vedeti, da bodo počakali glede Bushovega podpredsedniškega kandidata, ker želijo videti, koga bo Dukakis izbral. Demokratični podpredsedniški kandidat bo tako vplival na izbiro republikanskega. Med republikanci ni nobenega pravaka, ki izstopa pred drugimi, tako da ima Bush dokaj proste roke, medtem ko ima Dukakis opravka z neprijetnostjo v zvezi z Jacksonom.

Zapleti v zvezi s sodnimi procesi zoper glavne akterje Iran-contra afere — Tožilec bi rad začel s polk. Oliverjem Northom

WASHINGTON, D.C. — Posebni državni tožilec Lawrence E. Walsh je rekel, da namerava začeti s sodnim procesom zoper polk. Oliverjem Northom, nato bodo na vrsto prišli drugi glavni akterji v Iran-contra aferi adm. John Poindexter, Richard V. Secord in Albert Hakim. Walsh skuša prepričati zveznega sodnika Gerharda A. Gesella, naj sodnik razveljavlji svojo odločitev, po-

teri je Gesell zahteval ločene sodne procese za vsakega od štirih obtožencev. Tak postopek, pravi Walsh, pomeni skoro nepremagljive težave za tožilstvo. Poleg pravnih težav, citira Walsh tudi ogromne stroške, ki bodo povezani s štirimi procesi, v katerih bodo dejansko sodelovali večinoma isti izvedenci in priče. Zadnja beseda o vsem tem po pri sodniku Gesellu.

Studentske demonstracije v Južni Koreji izrazito protiamerške — Študenti zahtevajo združitev obeh Korej — Strogi vladni ukrepi

SEOUL, J. Ko. — V zadnjih dneh so v raznih južnokorejskih univerzitetnih središčih demonstracije študentov. V spopadih s policijskimi enotami je bilo ranjenih več sto študentov in policistov, nekaj sto študentov je bilo aretiranih. Danes so študenti skušali organizirati pohod od univerze v glavnem mestu Seoulu k meji s Severno Korejo. Vlada je pohod prepovedala, ko so študenti vtrajali je prišlo do spopadov in novih ranjencev in aretacij. Študenti so si izmislili pohod do meje v želji, da bi se srečali s predstavniki Severne Koreje in se pogovarjali o možni združitvi obeh Korej. Severna Koreja je izjavila, da je poslala svoje predstavnike na mejo.

Študentske demonstracije so tudi močno protiamerške. Zahtevajo odhod ameriških vojakov, nastanjениh v Južni Koreji in ob meji s Severno Korejo.

Kitajska vlada svarila, da lahko pride do napadov na ameriške državljanе v Kitajski — Storilci naj bi bili iz neke tretje države

BEIJING, Ki. — Ameriško veleposlaništvo je izdalo opozorilo vsem ameriškim državljanom, ki se nahajajo na kitajskem ozemlju, naj se obnašajo zelo previdno. Visoki predstavniki kitajske policije so namreč sporočili ameriškim diplomatom, da so v Kitajski teroriste iz neke tretje države, ki baje pripravljajo napade na Američane. Kitajci niso posredovali nobenih podrobnosti o teh teroristih in tudi niso povedali, iz katere države so. Veleposlaništvo ZDA pa smatra kitajsko opozorilo zelo resno. V Kitajski se nahaja 1500 ameriških državljanov. To število ne vključuje tistih, ki pridejo krajši čas kot turisti.

— Kratke vesti —

Alžir, Al. — Končalo se je srečanje 18 arabskih držav, ki so se odločile, da bodo podpirale palestinski upor zoper izraelsko zasedbo z vsemi sredstvi. PLO, ki jo je predstavljal Jasir Arafat, je prišla na srečanje s prošnjo za 300 do 400 milijonov dolarjev pomoci za palestinske upornike. Arabske države bodo nekaj denarja res prispevale, odklonile pa so, da bi imela PLO proste roke pri razpolaganju s tem denarjem. Zadnjo besedo bodo imele arabske države same. Arabski vrh je bil kritičen do mirovne pobude ZDA, ki jo zagovarja George Schultz, niso pa to pobudo izrecno odklonile.

Managua, Ni. — Končali so se zadnji pogovori med predstavniki sandinistične vlade in gibanjem kontras. Pogajalci niso mogli doseči soglasja glede datuma za trajno premirje. Začasno premirje bo podaljšano do 1. julija.

New York, N.Y. — Izraelski predsednik vlade Šamir in sovjetski zunanjji minister Ševardnadze sta se uradno srečala pri Združenih narodih. Pogovarjala sta o možni obnovitvi diplomatskih odnosov.

Nevarni časi za Slovenijo

V angleškem delu obširneje poročamo o najnovejših dogodkih v Sloveniji in Jugoslaviji. Izgleda, da je nastopilo obdobje težkih preizkušenj, kajti na eni strani dobiva že več let poglabljajoča se gospodarska kriza z najnovejšimi ukrepi vlade Branka Mikuliča značaj pravega poloma, na drugi pa naletava naglo rastoči demokratizacijski politični proces predvsem v Sloveniji na vedno močnejši odpor v drugih delih države. Kriza torej ravno ta čas — tako se iz naše sicer oddaljene perspektive zdi — dosega svoj vrhunc. Poudariti je treba, da tudi z najbolj hitro pošto zaostajamo za dogodki v Sloveniji vsaj za teden dni, z izjemo seveda, če o tamkajšnjih oz. jugoslovanskih dogodkih ne poročajo domača ameriška sredstva obveščanja. To torej, kar je tu zapisano, je lahko že zastarelo.

Sredi maja je Mikuličeva vlada podvzela vrsto strogih gospodarskih ukrepov, sicer pod neposrednim pritiskom Mednarodnega monetarnega sklada (International Monetary Fund). IMF je ukrepe zahteval kot pogoj za odobritev nove gospodarske pomoči Jugoslaviji. Med drugim je bil dinar devalviran za 19,4 odstotka, zahodni analitiki jugoslovanskih razmer menijo pa, da bo dinar še naglo izgubljal na vrednost in bo do jeseni treba odštetiti najmanj 2500, morda pa do 3000 din za en ameriški dolar. Odmrzljene so bile mnoge doslej nadzorovane cene, kar je takoj povzročilo nakupovalno mrzlico po Jugoslaviji. V Beogradu npr. so občani izpraznili police v trgovinah vse kave, sladkorja, moke itd. Močno bo zopet prizadet življenjski standard, ki je itak od 1. 1980. padel skoro za dobro tretjino. Celo najvišji predstavniki oblasti javno izražajo svoje pričakovanje, da bodo novi ukrepi vodili do demonstracij in morda tudi izgredov.

V zadnjem tednu je pa začelo preganjanje disidentov v Sloveniji. Velika trenutna afera je aretacija Janeza Janšeta, ki je bil kar med kandidati za predsednika slovenske mladinske organizacije. Janša je obtožen izdajanja vojaških tajnosti v zvezi s pisanjem v mladinski reviji Mladina, ki je poročala o pripravah nekaterih vojaških krogov, da bi s silo strli demokratizacijsko gibanje v Sloveniji. Skupaj z Janšetom — ki je baje imel med svojimi papirji nek tajni vojaški dokument — je bil aretiran Ivan Borštnar, narednik v JLA. Pretekli ponedeljek pa je bil aretiran še David Tašič, član uredništva Mladine. Ako je v zadnjih dneh prišlo do novih aretacij, še ne vemo. Uprava notranje varnosti v Sloveniji je izvedla preiskavo Janšetovega stanovanja in pisarne ter ga aretirala, nato pa je bil premeščen v vojaški zapor v Ljubljani. Takojšnjo izpuščitev Janšeta zahtevajo med drugimi Mladina, Radio študent v Ljubljani, Katedra, študentska revija v Mariboru, in Tribuna, študentski list v Ljubljani.

Ponovno smo izrazili stališče, da proces demokratizacije, ki se je pričel v Sloveniji in ga je tu in tam opaziti

Vabilo na Spominsko proslavo

Mesec maj je za nami, brez dvoma najlepši mesec v letu. Narava se je oblekla v svatovsko obleko, da je nemogoče misliti na zimo in smrt, ampak se oči dvigajo k soncu in lepoti, srce pa s prej neslut enim veseljem zahrepni po novem življenju.

V našem slovenskem primeru pa to ne drži. Kot v posmehu vsemu plemenitemu in dobremu, ki se kot na sončnih žarkih osipa iz božjih rok, je ta najlepši mesec za nas tudi čas največjega trpljenja in najbolj trpkih spominov. Že 47 let se združena vračata pomlad in misel na trpljenje, ko so tisto pomlad razkosali našo zemljo, da je mogla postati vaza, žara in žrtvenik, kamor bo narod polagal cvet in žrtve mladega rodu.

Tri najlepše rože so bile vsajene. Prva v septembru 1943. leta v Grčicah in na Turjaku. Zagorel je starodavni grad, komunisti so obljudljali življene, skrivaj pa pobili nad tisoč ljudi. Kri je tekla kot voda.

Iz te krvi je zrastel drugi cvet: **Slovensko domobranstvo** — prva slovenska narodna vojska. 24. septembra 1943 je po naših mestih in vaseh spet zavihrala čista slovenska zastava, pod katero se je potem zbiral mladi rod in šel v boj za svoje narodne svetinje. Od vasi do vasi, iz boja v boj je nesel prapor upanja in idejo svobode. Toda zahodni zaveznički revolucionarji so z izdajo naših domobrancev te upe svobode narodu ukradli iz rok. V maju in juniju 1945 je naš narodni žrtvenik padel tretji, največji cvet.

Tri so barve v slovenski zastavi: bela, modra in rdeča; na tri najvišje vrednote nas opominjajo: na zvestobo, na upanje in na žrtve...

Slovenski narod je dal vse troje, ker se je zavedal, da brez svobode ni življenja. Dolgo je že od takrat, čas neizprosno razjeda spomin, toda vsaka pomlad nam vedno glasneje kliče, da je mogoče uničiti idealista, ni pa mogoče ubiti ideje svobode. Ta živi in bo živila, dokler ne vzplamti v vsej svoji lepoti.

tudi v drugih delih SFRJ, ne more trajati v nedogled. Med bistveno demokratičnim in nedemokratičnim političnim sistemom je nekak prepad, ki ga bo treba slej ali prej ali premostiti ali pa kreniti nazaj v obratno smer. Znaki kažejo, da se je Slovenija oz. Jugoslavija v zadnjih dneh tej prelomnici približala. Ali jo bodo dokončno prebordile zdrave demokratične sile, obstale ob robu, morda se le umaknile nekaj korakov proč, in to začasno, ali pa bodo zmagali stalinistični elementi, — kar ni povsem izključiti — to ob tem pisanju še ni jasno.

V napetem politično-gospodarskem stanju, ki prevladuje v Sloveniji in Jugoslaviji, se zdi, da bi javni izgredi najbolj koristili mračnim silam, ki bi v takih izgredih dobili zaslombo za zasuk nazaj v stalinističen diktatorski sistem. Včeraj sem bil obveščen od naročnika našega lista, da je na primer londonski radio poročal o premikih vojaških enot v SFRJ in to v zvezi s krizo v Sloveniji, nemška sredstva obveščanja pa da tudi poročajo o izredni napetosti v Sloveniji in SFRJ. Skušali bomo ostati na tekočem in sproti poročati. Čeprav razpolagamo le z delnimi in deloma tudi nepotrjenimi informacijami, skoro govorito je, da vsa ta različna poročila niso povsem iz trte zvite.

TABOR DSPB

na še dva oltarja. G. župnik je tretjič in četrtič bral sv. evanđelij in prosil blagoslova. Vsa procesija se je pomikala po pločniku, spotoma so pevci peli in žene so molile rožni venc naprej, mi pa smo odgovarjali, misleč naj se razlike blagoslov na nas in zemlje sadove. Prispeli smo na Holmes cesto in se vrnili v cerkev med pritravanjem zvonov, kjer smo prejeli še slovesni blagoslov.

Hvala Vam, g. župnik Kumše, za to Telovo procesijo. Vsi smo bili veseli te novice, le malo v skrbah glede izpeljave, a je bil to zares praznik počastitve Jezusa v Sv. Rešnjem Telesu. Hvala vsem narodnim nošam, katere so bile lep šopek hvaležnosti. Hvala vsem za tako lepo udeležbo. Naj bo blagoslov te nedelje: pospešev duhovnega življenja v vseh prisotnih, kot tudi v družinah, župniji in okolici.

Koncert pevskega zbora Korotan

SYRACUSE, N.Y. - V soboto 21. maja 1988 je pevski zbor Korotan podal svoj vsakoletni koncert v Clevelandu, Ohio. Koncert se je začel ob pol osmih zvečer v lepo zasedeni dvorani Slovenskega narodnega doma na St. Clair Ave. Organizacija koncerta, lepo okrašen oder, in vse drugo, kar spreminja take prireditve, je bilo lepo izdelano, kar daje lep počet zboru samemu, kakor tudi vsem podpornikom tega slovenskega prizadevanja v Clevelandu.

Vsi obiskovalci koncerta so izvajanja spremljali z velikim zanimanjem in so nagradili nastopajoče ne samo s svojim vzbiskom, ampak tudi z drugimi znaki priznanja tej kulturni stanovi.

Oba dela koncerta sta bila vedena z lepimi besedami in naznani članov Mirota Odarja, Kati Likozar-Cup, inaneza Tominca.

Zbor šteje letos 64 pevk in pevcev. Glasovno so posamezne skupine kakor sopran, alt, tenor, in bas dobro zasedene, kar že samo na sebi dá zboru do uravnovešenost. Med temi sem podpisani opazil dejet ali enajst pevk in pevcev, ki so sodelovali pri zboru že v prem desetletju. Njihova izkušnost gotovo pomeni za mlaj-

dino ne samo lep zgled, ampak tudi pomoč pevovodji v izoblikovanju novih članov, da se postopoma priuče in dobijo smisel za posebnosti našega slovenskega štiriglasnega petja. Tudi glasovno je ta kombinacija v prid kvalitetu tega zbora. Vsekakor ne smemo spregledati dejstva, da tukaj rojeni nimajo iste lahkote v izgovarjavi kot pa pevci rojeni v Sloveniji. Naj še pripomnim, da je zbor izvajal celoten koncert na pamet, lep dokaz skrbne priprave in pazivosti v interpretaciji.

Intonacija in klavirska spremjava Dominika Gorsheta je bila taktično in glasbeno dobro izvedena. Zbor sam je discipliniran tako, da so zasedbe sledile ena drugi brez vsake motnje ali zastopa. Tudi tehnični del, ojačanje glasov, in izvajanje solistov z mikrofonom je bilo do potankosti izdelano. Kazno je bilo, da so prireditelji mislili na vse.

Zbor sam se je predstavil v vseh treh zasedbah, kot mešani, ženski, in moški zbor. Pevovodja je izbral program narodnih in umetnih pesmi, tako da je zbor lahko pokazal različne karakteristike naših pesmi.

Teža koncerta je ležala kot običajno na mešanem zboru,

ki je podal samostojno šest pesmi. Med skladbami, ki so različne v kompozicijskem slogu in zato zahtevajo vsaka svojo interpretacijo, naj omenim »Liepa ura, sonce seje«. Skladatelj Luka Kramolc, ki je zapisal in priredil to pesem, bi se prav gotovo strinjal z izvedbo in bi pohvalil posebno tenorje za lepo 'čez-petje'.

V Nedvedovi »Nazaj v planinski raj« je zbor pokazal smisel za formo in dramatsko zgradbo. Močni basi dajo tej skladbi še posebno lepo polnost. Pevovodja je dal na spred tudi Gorenškovo priredbo narodne »Oj le šumi gozd nad mano«. Franček Gorenšek, ki je vodil Korotan polnih osemajst let, je tudi s to priredbo pokazal lep čut za slovensko narodno pesem.

V venčku narodnih pesmi v priredbi Antona Dolinarja se je zboru in solistoma pridružil Alpski sekstet. V pesmih ali priredbah bolj popularnega značaja ni lahko najti učinkovite interpretacije. Vendar so tudi tu zbor, solista, sekstet, in dirigent presenetili z lepo izdelano, smiselnou izvedbo tega venčka.

Ženski zbor je prispeval tri pesmi. Kljub temu, da je izbira pesmi za ženski zbor poseben problem, saj je literatura za to zasedbo precej skromna, smo slišali tri harmonsko in dinamično zelo lepo izpeljane pesmi. Triglasna priredba belokranske narodne »Lep je vrtec« (prir. Ciril Pregelj) je pokazala lep odnos med dvema sopranoma in odgovarjajočim altom. V Bučarjevi »Slovo« pa je bila dana prilika za predstavo vseh štirih registrov ženskega zobra. Pridati je treba, da se ženski zbor ponaša s prav lepimi glasovi, kar daje tudi celotnemu zboru polnost in ubranost.

Tudi moški zbor je podal samostojno tri pesmi. Tu se še prav posebno pozna, da se je zbor pomnožil in da dobiva res primerno zasedbo v vseh štirih glasovnih skupinah. Literatura za moški zbor je bogata, najlepše pa so še vedno narodne pesmi. Korotan je izbral to pot. Prav posebno lepo je bila izvedena »Soča voda je šumela«.

Posebno omembo zaslужijo letošnji Korotanovi solisti. Zbor s tem pokaže svojo pevsko moč, nudi poslušalcem več zanimivosti na programu, da priliko solistom za javni nastop, posebno pa še priliko za nadaljni razvoj. Martina Jakomin, Maruša Pogačnik, in Zdenka Zakrajšek se glasovno zelo lepo ujemajo. Njihovo petje je bilo naravno in harmonsko lepo izpeljano.

Izvedba narodne »Cvete dekletu rožmarin« je zelo lepo uspela. Kot solistka z mešanim zborom v pesmi »Mrzel veter tebe žene« je Zdenka Zakrajšek pokazala dobro interpretacijo te pesmi. Njen alt je izrazit in obseg glasu zelo primeren za to pesem. Zelo lep uspeh za solistko kot tudi za zbor, ki ji je prav občuteno odgovarjal.

Misijonska srečanja in pomenki

768. Misijonarka s. Mojca Karničnik

se iz Kimwenza, Zaire, 26. aprila zahvaljuje za MZA dar v ZD \$500 in zanimivo piše o svojem delu: »Za Vaša božična voščila in za priloženi ček za petstotak tisočkrat »boglo-naj!« Je že vnovčen in pri tem ni bilo težav. Zaire, cigar go-sparstvo je povsem na tleh, je še kako vesel deviz.

Preden sem zapustila Kole, v notranosti države, sem Vam pisala in Vam sporočila moj novi naslov. Mogoče pisma niste prejeli, ker je Vaše romalo še na moj stari naslov.

Od lanskega julija sem torej na mojem novem naslovu, na novem delovnem mestu v Kimwenzi, približno 25 km od Kinshase, ki je glavno mesto Zaire, prejšnjega Belgijskega Konga. Naša Kongregacija ima tu svoj noviciat, pa so me dodelili k vzgojiteljski ekipi. Trenutno imamo v noviciatu samo 4 dekleta, precej pa je kandidat, s katerimi imamo redna srečanja in sestanke.

Moje delo pa ni samo doma v noviciatu; največ časa prebijem v Domu duhovnih vaj Manresa, last jezuitov. Tudi tukaj delam v ekipi z dvema jezuitoma. Dom je zelo obiskan, ker je v bližini skoraj 4 milijonsko glavno mesto Kinshasa, a je vendar že na deželi in na zelo lepem kraju. Okrog Doma je zelo lep in velik vrt z raznovrstnim cvetjem in zelenjem, pa tudi nekaj gozda je čisto blizu, s potmi na vse strani in celo s križevim potom. Tako imajo ljudje dovolj prilike za sprehode v naravi.

Tukaj v Kimwenzi imajo vse mogoče Kongregacije svoje noviciate in sholastikate. Kar 21 je noviciatov v celoti. Nekateri zato za šalo imenujejo to vas 'mali Vatikan'.

Dela nam zares ne manjka.

K nam prihajajo skupine učiteljev, profesorjev, maturantov, pastoralnih delavcev, duhovnikov, redovnic itd. Decembra pa je imela Škofovsko konferenco za države Zaire, Burundi in Rwanda tukaj svoje zasedanje. Preko 70 škofov je bilo zbranih. Med vsemi 'črnimi' sta bila samo dva še 'bela', a sta v teh zadnjih šestih tednih oba umrla. Tudi misijonarjev je čedadje manj. Stari odhajajo ali umirajo, mladih pa skoraj nič več ne pride. Mogoče ni več daleč čas, ko bodo Afričani pričeli evangelizirati Evropo in Ameriko s Kanado.

V državi vlada čedadje večja inflacija. Denar nima skoraj nobene vrednosti več. Vsak četrtek grem v Kinshaso nabavljati, pa najdem skoraj vsakič drugačne cene, seveda vsakič višje. V enem letu se cene zvišajo vsaj za kakih 300%.

Plače jim pa le po polževu sledijo oziroma daleč zaostajajo. Pa še kupiti ni mogoče vsega. Sladkorja že od meseca februarja ni na trgu. Menda ga še do junija ali julija ne bo. Tudi riža, ki je za mnoge glavna hrana, je dolgo časa manjkalno. Ko se je pa spet pokazal, so bile cene še enkrat višje.

Kot veste, je tudi Jugoslavija v hudi ekonomski krizi. Devalvacija je takšna, da je vsak čisto navadni delavec večkratni milijonar. Prihodnji mesec grem na dopust po 4 letih, pa se mi zdi, da se bom kar težko znašla.

Ko Vam to pišem, je pozna večerna ura. Zunaj narahlo dežuje, a še skozi dež je slišati cvrčanje murnov.

Še enkrat hvala za dar MZA in bodite vsi toplo pozdravljeni! Molim za vse.

Mojca Karničnik

V Zairju delujeta tudi g. Sömen, o katerem smo poročali zadnjič, in br. Marcel Kerševan, ki je svoje dolgo misijonsko pionirjenje preživel, deloma sem, deloma z bratom Karlom, ki je že več let v pokolu na Mirnu pri Gorici, v takratnem Belgijskem Kongu, sedaj Zaire poimenovanem. Seveda, preje je Belgija stala za njim in veliko pomagala z osebjem in denarjem. Danes so precej prepričeni samim sebi, potem ko so leta pošiljali evropske misijonarje in misijonarke domov.

Brat Jože Rovtar, D.J.,

pošilja 15. maja lepe znamke za MZA in piše: »Ko se odpravljam na dopust, ker grem 20. maja za tri mesece domov, sem urejeval stvari, pa sem videl, da se mi je nabralo nekaj znamk, pa Vam jih tu nekaj pošiljam. Poslal bom v več pismih. Na žalost niso lepo urejene po serijah, ker sem pač dobil v različnih časih in od različnih ljudi. Upam, da jih še vedno lahko uporabite, čeprav že dolgo nisem nič slišal, kako je danes z znamkami.

Hvala za A.D., ki jo prejemanam, le da jo že nekaj mesecev pošiljajo spet na moj stari naslov v Mpino, namesto v Jesuit Novitate, P.O. Box 310085, Chelston, Lusaka, Zambija.

Lepo pozdravlja v Kristusu
br. Jože Rovtar.«

Lepo pošiljko rabljenih znamk je poslala iz Rima uršulinka Leopoldina Podgornik, iz Trsta gdč. Dora Kosovel in s Tajvana dr. Janez Janež.

Jasno, da MZA znamke vedno z veseljem vzame in bo skušala iz njih izkupiti, kar se da pomoči za naše misijonarje in misijonarke. Hvaležni smo vsem, ki že leta zbirajo in kaj pošljejo, tako nove kot stare in rabljene ter spominske listice (souvenir sheets) ali kuverte prvega dneva (first day covers), ali četvorčke.

Darovali so za misijone:

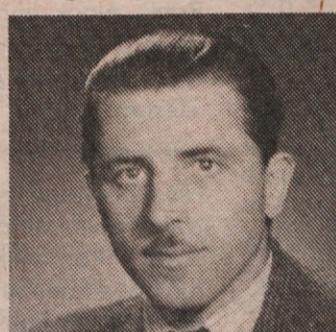

Neimenovani iz Toronto kan. \$100; g. Stefan Novak iz Scarborough, kan. \$20 za načrtnino in dar za »Misijonska Obzorja« v Sloveniji.

Iz Monterey, Kalif., pošilja lep dar ponovno g. Ted Horn z gospo Vido: »Iz Vaših rednih in obširnih poročil v Ameriški domovini je razvidno, da je med našimi misijonarji po sve-

Iskrena zahvala za lep misijonski dar!

Dne 5. junija je bila v Fairfieldu, Conn., v cerkvi sv. Križa, Telova procesija, po kateri so se rojaki zbrali na banketu, nekakem misijonskem kosilu, katerega izkupiček gre vsako leto MZA za se naše misijonske garače. Predsednik Jože Malenšek je telefoniral, da so priprave za prireditev v teku in da upajo na lepo udeležbo tudi od MZA New York in rojakov v tamkajšnji slovenski župniji. Glavna tajnica gdč. Sonja Ferjanova se je udeležila prireditev in se srečala spet z rojaki, ki jih že od prejšnjega obiska precej pozna. G. Malenšek nam je sporočil tudi žalostno vest, da je dobiti pionir g. Jože Bojnec odšel pred kratkim v večnost. Molimo za pokoj njegove duše.

Ga. Mary Kebe iz Thornhill, Ont., je darovala za svojega vzdrževanca g. Mushija v Afriki kan. \$50 kot dar za njegovo delo v fari, kjer kot mlad duhovnik pastiruje.

V našo faro pride na svoje počitnice začetku junija g. Jože Ferkulj, iz Lake Panassoffkee na Floridi. Z veseljem ga pričakujemo in vemo, da se bo med nami dobro počutil in nam prinesel veliko veselja in misijonske ljubezni, ki jo kot duhovnik vse življenje nosi v duši in deli drugim v molitvi in velikodušnih darovih za misijonsko pomoč.

V San Franciscu je 26. maja napravila prve zaobljube pri Missionaries of Charity Matere Terezije hčerka Vida in Marije Rovanšek iz Sudburyja, gdč. Terezija. Kot Sister Vida Marija sporoča, da željno čaka, kako bo lahko napravila štiri zaobljube: četrta je prostovoljna in se glasi »wholehearted service to the poorest of the poor«. Enajst kandidat dela zaobljube istočasno in so iz teh dežel: Združene države, Mexico, Argentina, Santo Domingo, Indija in Kanada. Po zaobljubah je vsaka lahko poslana na delo v katolički del sveta.

Rovanškovim MZA čestita in se zahvaljuje za kanadskih

\$20, ravnokar poslane za misijone. Sr. Vidi Mariji pa želimo vse božje žegne za mnoga leta in molimo zanjo. Vem, da bo ona tudi za nas. Pisala nam je po vrnitvi iz ordinacije 4 novomašnikov v San Franciscu.

V Torontu bo praznoval v začetku julija zlatomašniški jubilej župnik g. Janez Kopač iz župnije naših rojakov, ki je praznovala lani 25-letnico obstoja, fara Čudodelne svetinje na Brown's Line, Toronto, Ont. G. Janez je še krepak in poln idealizma, ki ga je ohranjal mladega vsa dolga leta preizkušenj na Kitajskem in na tem kontinentu. Želimo mu še mnogo let blagoslovljenega duhovniškega življenja. Ad multos annos, frugiferos et sanos, gospod Janez!

Koncert Korotana

(Nadaljevanje s str. 2)

S pesmijo »Oh kako je dolga, dolga pot« so se lepo predstavile Mimi Rezonja, Dorothy Šemen, Vida Gregorc, in Nada Gregorc. Naslednja smer za te štiri pevke naj bodo štirglasne pesmi, kar jim bo dalo povsem nove smernice in spodbudo.

Janez Šemen, ki je nastopil kot solist z moškim zborom, ima zelo lep glas in pravtako res fantovski nastop. Solist in zbor so se s pesmijo »Vabilo«, Fran Gerbiča, še posebno postavili. V že omenjenem večnu narodnih sta pela solo Martina Jakomin in Janez Sršen. Oba sta priznana glasbenika in tudi v tej skladbi sta zlahkoto pokazala svoje talente. Imata zelo prijetno barvo in velik, naraven obseg. Zato njuna interpretacija zveni tako lahkotno. Upam, da bomo vse soliste še slišali na prihodnjih koncertih.

Vsekakor pa ves koncert, izbira pesmi, vaje, interpretacija, in končna izvedba leži na ramah Korotanovega dirigenta. Rudi Knez začrtava Korotanu novo pot z ozirom na razmere, število pevk in pevcev, priliko za vaje, in še in še bi lahko naštevali. Ta njegov in zborov koncert lahko šteje med enega svojih najlepših uspehov na vseh področjih in tudi teh je cela vrsta.

Rovanškovim

Na tem koncertu je g. Knez jasno pokazal, da se bo Korotanova tradicija nadaljevala. Ves program je skrbno pripravljen, naštudiral, skušal doseči kar moč mogoče pravi smisel posameznega teksta, melodije, in harmonije. Koncert je dokazal, da je v tem uspel. Če mu bo možno obdržati vse letošnje pevke in pevce in polagoma dodajati novo mladino, se bo Korotan držal še dolga leta. Navdušenost in podjetnost, ki so jo nastopajoči pokazali za slovensko pesem in z veseljem sledili svojemu dirigentu, pa nam daje upanje, da bomo slišali še veliko pesmi od našega Korotana.

Vsem nastopajočim posebno pa pevovodji Rudiju Knezu iskrene čestitke k lepemu uspehu!

Polka Hall of Fame at Euclid Center

by Tony Petkovsek

A National Cleveland-Style Polka Hall of Fame to perpetuate the rich Slovenian musical heritage in Greater Cleveland, long considered the "Polka Capital of the World," will base itself at the Euclid (Shore) Civic Center, 291 E. 222 St., Euclid, OH 44123, Room 152.

An ad-hoc committee has been meeting regularly with Tony Petkovsek serving as chairman. Euclid Mayor David Lynch, Cleveland Mayor George Voinovich and Polka King Frank Yankovic are serving as honorary co-chairmen of this new organization recognizing the Cleveland area as the center where a unique style of polka music evolved to become renowned throughout the world.

The basic objectives of the Foundation will be to accumulate and exhibit Cleveland-style polka artifacts; document the evolution of Slovenian folk music into the Cleveland-style polka; audibly preserve and present the various stages of this musical development, and recognize and honor the artists, individuals and organizations who have made invaluable contributions to the promulgation of this heritage.

The formal name for this organization is the American Slovenian Polka Foundation, and will encompass all cultural groups, musicians, promoters, community organizations and affiliated businesses.

What's New on St. Clair

by Vince Gostilna

Ohio Magazine's June, 1988 issue features a six page spread of our area's E. 60th Street by Sue Gorisek.

There are also many pictures of the various century homes as well as some residents. E. 60th was one of the first streets dedicated in our area after the civil war.

The same Ohio publication will also do an in depth biography of our own Senator Frank J. Lausche in a future issue. Sue Gorisek is doing the write-up. Also the St. Vitus summer festival in mid-July will be pictorialized in the same magazine.

photographer recently shot over 25 pictures of the St. Vitus Church. In a coming issue the same publication will print a large sized photo of our landmark house of worship. Apparently the regional and state-wide media is discovering our "unique" neighborhood which has been mainly ignored by the large morning daily. Now if only city hall could realize that our area should be preserved much like "Germantown" in Columbus, Ohio. A little badly needed assistance to our area would go a long way.

The Slovenian Village restaurant in the Slovenian

National Home building at E. 65st. recently remodeled its interior and many customers like the new decor. The popular eating spot features "Slovenian style" meals and many American dishes, too.

In another mixer bowl beat cream until soft peaks form; fold carefully into maple mixture. Spoon maple mousse into a serving dish. Cover and freeze at least 2 hours or overnight. Makes 8 servings, 210 calories each.

Yugoslavia Proposes to Let Citizens Buy Stocks and Bonds*The Wall Street Journal*

The Yugoslav government, faced with a deepening economic crisis, proposed a major economic innovation that would allow its citizens to buy stocks and other securities, the state press said.

A draft of the reform, proposed by a government-appointed commission, was presented to the federal parliament for debate, newspapers said.

Bonds and shares would be issued by state-run companies and could be purchased by their workers or other citizens, *Večernje Novosti*, a newspaper, said. Except for small cooperative and private ventures, most Yugoslav enterprises are owned by the state. The reform also calls for the sale or a temporary lease of a state-run company to its workers or other citizens when the state isn't interested in ownership.

The draft of the reform indicates Yugoslavia plans to gear its economy more to the market to overcome economic difficulties. The government last week launched a major austerity program that included substantial price increases, wage cuts and a devaluation of the dinar, Yugoslavia's currency.

Holmes Pensioners Participate in Northeast Senior Fair in Euclid

The Collinwood Slovenian Pensioners of Holmes Hall participated in the Northeast Senior Fair which was held May 21 and 22 at the Euclid Civic Center on Babbitt Rd.

Their display was located in the room where the Slovenian Polka Hall of Fame will be. Other booths included the Slovenian National Art Guild and Joe Dovgan and his hand-crafted items. He is a member of the Waterloo Pensioners.

We do have to thank our Senior Chuck Krivec, Holmes

Ave. Pensioner, who entertained both afternoons with his accordion. We have to thank Angie and Josephine Krivec, Louise Trunkley, Ann Eichler for their pastry samples for the public to enjoy. There was beautiful needlepoint work on display by Ann Eichler and Agnes Sodja.

We are looking forward to next year with a larger display of what our Pensioners are doing.

Crisis Atmosphere In Slovenia Intensifies — Arrests Reported

by Rudolph M. Susek

Articles printed in Slovene newspapers in recent weeks have essentially confirmed the accuracy of reports that Yugoslav military authorities — or at least certain elements in the Yugoslav military — were preparing a kind of Jaruzelski-style putsch in Slovenia. (Gen. Wojciech Jaruzelski carried out the military coup in Poland in 1981 against the independent Solidarity movement. In the forefront of reporting about these plans has been the youth magazine *Mladina* (Youth). The plot has been described by *Mladina* as reflecting a "Latin American" military putsch mentality and as a replay of the "Night of the Long Knives" (Noč dolgih nožev) — which is a reference to the action by Adolf Hitler in Germany soon after coming to power, in which he brutally eliminated those elements inside the Nazi party he felt were or could become a challenge to his rule.

Specific details of what really was going on in late March are still not entirely clear. On March 25 the Military Council of Yugoslavia had a meeting; it is alleged that plans about possible extralegal steps against Slovenia were discussed. It has been asserted that in keeping with the instructions given at the March 25 meeting, the general in command of the Ljubljana military district was ordered to determine in contacts with the leadership of the Slovene security forces whether in his view the authorities in Slovenia were still in control of the situation in Slovenia. He also was to find out — as we first reported two weeks ago — if the security forces in Slovenia and the leadership of the republic would back the military in steps to quell the rapidly emerging democratic forces in Slovenia. It was alleged that the military had a list of persons who were to be arrested in the coup and even that there was a list of those who were simply to "disappear". So far,

as might be expected, there has been no confirmation from any source about the existence of that latter list.

On May 31, the official Yugoslav news agency Tanyug published the text of a statement by the Presidency of the League of Communists of Yugoslavia, the only political party in the country. The statement was a response to the demand made by 22 Slovenian Communist party members — among them Mojca Drčar-Murko, who was a candidate for the Presidency of Slovenia recently — that the facts about the alleged coup plans be made public. If this was not done and the rumors dispelled, the 22 signatories said, their continued membership in the party was open to reconsideration. In its response, the Presidency of the Party said the talk about a military coup in Slovenia in March was absolutely groundless and represented a "political intrigue".

Three Arrested in Slovenia

What is crystal clear is that both the political and the economic situation in Slovenia and Yugoslavia is deteriorating rapidly, even inexorably. This is the tenor of virtually all reports appearing in the U.S. and West European press, and is conceded as well by Slovene and Yugoslav publications.

In connection with the *Mladina* reporting of the army coup plans, for example, security police in Ljubljana on May 31 searched the apartment and workplace of Janez Janša, a youth activist and candidate for president for the Slovene youth organization. Jansa had written articles for *Mladina* and is suspected of having betrayed military secrets, which is a criminal act. It is reported that during the search a confidential military document was found. This led to the order to arrest Janša, explained the Secretariat for Internal Security (police) in Slovenia.

Also arrested was another Slovene, Ivan Borštnar, a ser-

geant in the Yugoslav army. He is suspected of being the source of the document Jansa had. Various Slovene youth publications and organizations have protested strongly the arrest of Janša and demanded his release. They have also stated they would organize public demonstrations in his behalf if he were kept in prison. Janša has been moved to a military prison in Ljubljana.

Our most recent report, from last Monday, states the Yugoslav authorities have announced the arrest of a third person, David Tasič, who is a member of *Mladina*'s editorial board. We have no further details about him. (Those of our readers who know Slovene and are interested in the current developments in Slovenia can buy copies of *Mladina* from Tivoli Imports, located in the Slovenian National Home on St. Clair Ave. The copies arrive by airmail and so are quite up-to-date.)

Many Party Leaders Corrupt

From May 29 to 31, the Yugoslav Communist Party held an extraordinary conference in Belgrade, attended by some 800 leading party members from all regions of the country. The conference was called at the mid-point between regular party congresses (every four years), but specifically to discuss the country's deep economic, political and, indeed, social crisis.

The tenor of the speakers at the conference was that basic reforms are needed in all areas, including greater democracy, although the idea of having more than one political party — the Communist Party — was rejected out of hand. Some speakers criticized members of the top leadership and also those at the republican and local levels for being corrupt.

A small sensation in this respect was provoked by Zvonimir Hrabar, who is president of the official Yugoslav trade union movement. In his speech, Hrabar specifically named Milanko Renovica, a

former president of the Yugoslav Communist Party, for being corrupt. Renovica, 59, from Bosnia, was party president from June 1986 until June 1987. Hrabar said Renovica and his family were involved in the diversion of funds intended to help economically develop the more backward regions of the country to the building of seaside villas in the Adriatic resort of Neum.

Criticisms of corruption in high places are not new in Yugoslavia. What set Hrabar apart from others making such charges was his readiness specifically to name a particular individual as being corrupt.

Analysts of Yugoslav politics feel Hrabar's approach is part of a movement by rising young stars in the party to lay the groundwork for removal of older leaders. Boro Avramovic, a delegate from Serbia, stated that what the country needed was a general overhaul of the leadership and that overhaul had to start at the top. In the last year, Serbia has undergone a basic change in its leadership, with a younger and in many respects more nationalistic and hardline group taking over. This has caused concern in other parts of the country, especially in Slovenia and Croatia, about a growing Serbian dominance in Yugoslav affairs. Such a development eventually could call into question the federal structure of the country, which has allowed Slovenia and Croatia in particular to maintain their separate political and cultural identities.

It is not yet clear how these intra-party squabbles will be resolved. It is obvious, however, that the current state of affairs can not go on indefinitely.

While the reports from Slovenia in the last few weeks are cause for concern about what the future holds, it is very unlikely that the situation will deteriorate to the point that Slovene Americans should reconsider planned visits to that land. In fact, a visit to Slovenia this summer should be of particular interest especially to those who are curious about developments there and I, for one, wish I could get away long enough to visit again.

The more informed visitors are, however, the better. If we care enough to visit the country from which our parents and grandparents came — or came ourselves — we ought to care enough to inform ourselves about conditions there and not wait to be spoon-fed information we won't be able to evaluate clearly or place in its proper context.

them. Master of Ceremonies for the program was Joseph Valencic, who is vice president of the Cultural Exchanges Committee.

Musical selections were provided by members of the Glasbena Matica, Jadran and Zarja choruses. Also participating in the program were members of the Circle 2 SNPJ Slovenian Junior Chorus, which is under the direction of Mrs. Dolgan.

Speeches were held to a minimum. Several gifts were presented to the Vajgl's, including a check for \$100. Mr. Vajgl immediately presented the check to the Slovene Home for the Aged, with Marie Shaver expressing thanks in behalf of that facility.

Vajgl then spoke at some length, reviewing his years in

Cleveland and noting some of the accomplishments he felt had been achieved, both in terms of visits of cultural groups from Slovenia and also in the economic area.

Other than for the musical selections, the program — including Vajgl's remarks — was in English.

Mostly Bad News From St. Clair Pensioners

Last month we had arranged to have a speaker from the Eye Cataract Center. Two days prior to our meeting date, I received a call informing us that our scheduled speaker was hospitalized, and so no presentation.

We have now rescheduled that presentation for our July meeting. Do circle Thursday, July 21 on your calendar as a reminder. I am sure it will be interesting.

Will we have a speaker for our June meeting? Possibly. If not, we will hear reports on the Niagara Falls and Our Lady of Fatima bus tour, which takes place on Wednesday, June 15, the day before our meeting. This tour filled up quickly, and unfortunately, there is a limit as to how many a bus can accommodate. A trip is also scheduled for July 22, to the Sharon, Pa. Summer Festival. That day has been designated as Slovenian day at the Festival. I am told this tour is also filled up.

Of the members reported "out of circulation" last month, we learn that Frances Stepic and John Trinko are now OK. Frank Strauss has been transferred to Wickliffe Country Place for therapy. John Zarnik's back surgery

Deceased Glasbena Matica remembered

Memorial service for deceased members of the Glasbena Matica Chorus will be held at St. Nicholas Byzantine Catholic Church, E. 36th and Superior, on Sunday, June 26 in conjunction with the 11 a.m. liturgy.

There will be a special remembrance of Mr. Anton Schubel.

Following the liturgy in church hall will be the annual picnic, with barbecued lamb (baked on the church grounds) and chicken or klobase dinners in the church hall.

There will be tamburitzan music for your enjoyment.

was successful. He is recuperating at home and also wrestling with some additional health problems. We hope he will overcome these, too.

We learned that Frances Novak spent a few days in the hospital, then relaxed at her daughter's, and is now back at home.

The Monday prior to our meeting, Phil Curtis, our bingo caller, called to inform me he tangled with a nasty, vicious lawn mower, and as a result, had to have surgery on two toes. Then, Anton Pelko's daughter informed me her dad fell and suffered a broken rib.

Two weeks before our June meeting, our president, Marge Kaus, was admitted to Euclid General Hospital for long delayed knee surgery. We are glad to report she is making progress, and we look forward to seeing her back with us at our meetings soon.

Our sincere good wishes for a speedy recovery to all of our ailing members.

Our congratulations go out to Ann and Victor Vokac, on their 50th wedding anniversary. May both be blessed with "plus" years of good health. Although unable to attend our meetings, Ann has remained a loyal member for many years.

Now that I have slipped in a piece of good, cheerful news, I have one more not so good incident to report. Several weeks ago out member John Lube slipped in the shower, hit the faucet, and came up with a "beaut" of a shiner.

Remember our meeting date, Thursday, June 16.
