LETO (VOLUME) XIX

KAMPANJSKA BRZO-
JAVKA

Poročila minulega tedna so
nadvse razveseljiva. Od kapitanov raznih "Zeppelinov" smo
dobili naznanila, da je vse v
najlepšem redu. Skupaj je bilo
za pretečeni teden naznanjenih
179 novih članov in članic.

To lepo število je jasen dokaz
marljivega dela kapitanov in
osobja "Zeppelinov," ki jim
je mladinski oddelek v resnici
pri sreči.

Vsem skupaj bodi na tem
mestu izrečena prav prisrčna
hvala! Čast, komur čast!

Brzjavke, ki smo jih minuli
teden prejeli so:

KAMPANJSKO POROČILO

Naše zračno brodovje se je zadnji teden zopet vrlo obneno, kajti enajst Jednotnih Zeppelinov je svojo smer poseljalo za 538 milij.

K že stalnim tekmcem se je sedaj pripružil še eden, "Wyoming," in

za poskušnjo naredil 20 milij.

Naj bo pri tem še omenjeno, da se pet naših že znanih zrakoplovov minuli teden nič premaknilo, kar je razvidno iz posebnega poročila ali tabelice o sedanjih pozicijah, priobčeno

NASA AGILNA DRUŠTVA

V trajno priznanje onim društvom, ki agilno delujejo v naši sedanjem kampanji mladinskega oddelka, smo se odločili njih številke po državah od tedna do tedna na tem mestu priobčevati in sicer do konca kampanje; to so namreč društva, ki so do sedaj pridobila že 10 ali več novih članov.

Dosedaj imamo v naši Zlati knjigi navedenih trinajst držav z več ali manj krajevnimi društvi, kakor sledi:

California: društvo št. 236. Connecticut: št. 148.

Colorado: št. 104, 190, 55, 56, 180, 113.

Illinois: št. 2, 29, 108, 206, 127, 53, 175, 225, 79, 166.

Indiana: št. 52.

Kansas: št. 115, 160.

Michigan: št. 30.

Minnesota: št. 4.

Montana: št. 208.

Ohio: št. 191, 111, 150, 226, 169, 63, 162, 224.

Oregon: št. 235.

Pennsylvania: št. 153, 41, 50, 181, 187, 185, 42, 91, 168, 194.

Wisconsin: št. 103, 165, 173, 157, 65.

Skupaj 48 agilnih in odlikovanih društev, ki so v tej kampanji že pridobila 10 ali več novih članov. Čast jim!

Katero društvo bomo lahko že prihodnji teden v goroznačenim dodali? Morda še vaše?

običajno tudi na tej strani.

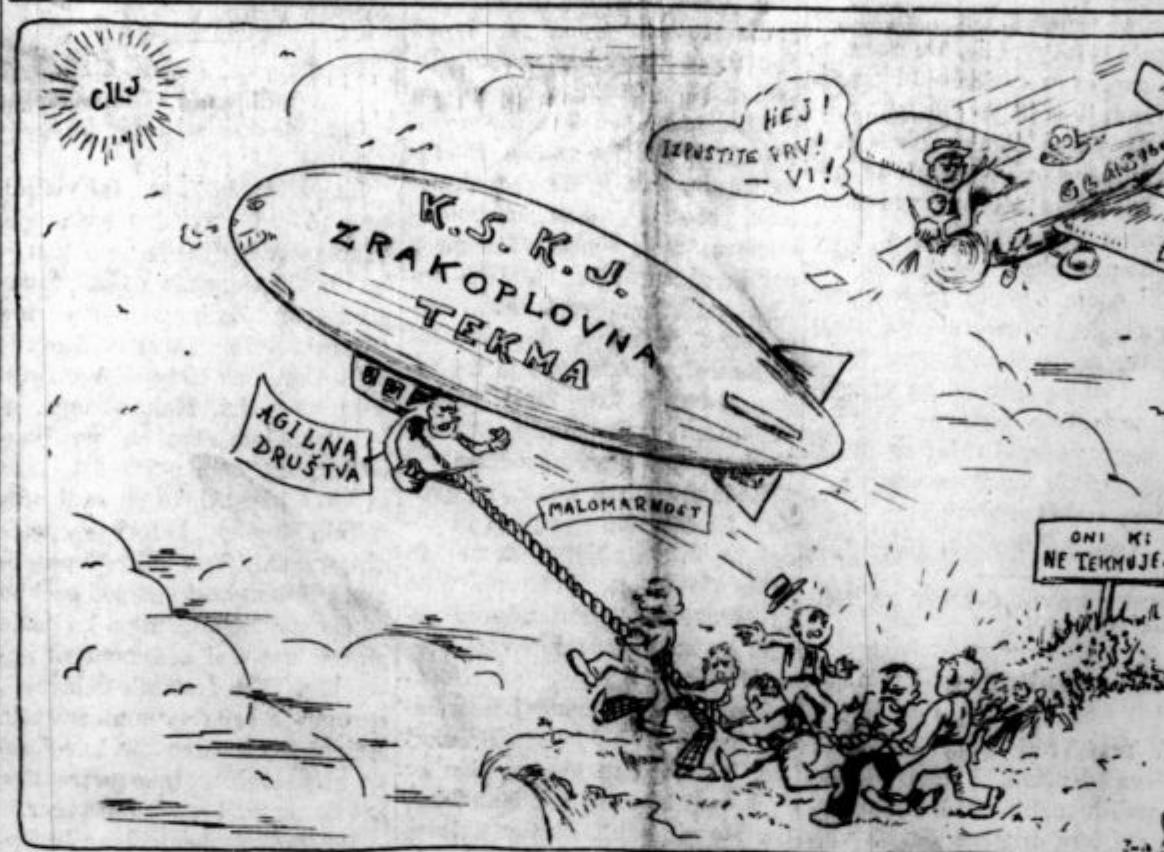

Posebno priznanje gre za zadnji teden Zeppelinu "Pennsylvania" ker je napredoval za 110 milij. Naravno da moramo javno pohvaliti tudi poveljnička zrakoplova "Colorado," ker se je nad coloradskimi hribovi pomaknil za 87 milij in je sedaj že na drugem mestu; manjka mu samo še 62 milij, pa bo v ospredju, oziroma prvi.

Kdo bi si bil kaj takega misil o tem Zeppelinu še pred enim mesecem? Tedaj se je nahajal še na 11. mestu, danes pa že na drugem! Jako lepo (za 86 milij) je napredoval tudi zrakoplov "Montana"; vidi se, da je vreme v zapadnih državah za kampanjski polet zelo ugodno. "Oregon" smo pristeli 50 milij, in je še vedno prvi. Naselbina St. Louis se je s svojim Zeppelinom "Missouri" ponovno postavila, ker isti je podaljšal svojo črto za 60 milij. Največji Zeppelin "Illinois" je prevozil 49 milij, kakor razvidno, ne zdaj pa na 6. mestu. Njemu sledi naš zračni orjak "Ohio"; pomaknil se je samo za 26 milij, vsled česar smo za eno mesto nazaj. "Wisconsin," ki je bil prve tedne vedno v ospredju, je zadnji teden prejel 14 milij; zdaj je na tretjem mestu. Zrakoplov "Minnesota" smo pripisali 26 milij, "Kansas" pa 10.

"Kakor razvidno, je med nasem zrakoplovom "Montana" in "Illinois" samo za 1 milijo razlike. Radovedni smo, če bo slednji svojega zapadnega tekmeča prihodnji teden prekosil?

Da bi imelo vsako krajevno društvo v resnici lahko pot pridobivati novo članstvo, se je določilo tudi za nove

S KATERIMI DRŽITE VI?

Naprej za dosego cilja!

Se dva meseca

Kakor znano, je štela naša podpora organizacija koncem junija tekočega leta 21, 489 članstva v odraslem in 10,030 pa v mladinskom oddelku. Ker se je glavni odbor bal, da bi z zadnjem omenjenim oddelkom ne padli pod 10,000, kar se je zamoglo soditi po sedanjih razmerah, je vsled tega odredil ali razpisal petmesično kampanjo za pridobitev 2000 novih mladih članov.

Marsikdo je zmajal z glavo, ko je prečital to precej veliko število, oziroma kvoto, češ, da iz te moke ne bo zaželenega kruha. Treba bi bilo povprečno pridobiti vsak mesec najmanj 400 novih članov. Kje pa iste vzeti in na kak način?

Glavni odbor je v prilog tej kampanje nudil posebne ugodnosti in načine, ki naj bi agitatorjem služili kot nekako privlačno sredstvo v pridobivanju novih mladih jednotarjev. O istih smo že večkrat povdarjali n. pr.:

Odkar posljemo z našim mladinskim oddelkom tekom zadnjih 17 let, še ni bil temu članstvu nikdar kak asesment opuščen. Odbor je povodom sedanja kampanje v prvi vrsti želel ohraniti pri Jednoti vse dosedanje članstvo navedenega oddelka in je v ta namen opustil istim prost asesment za dobo treh mesecev, od avgusta do oktobra. Ta doba je torej že potekla. Prepričani smo, da v tem času ni bil črtan ali suspendiran noben član(ka) našega mladinskega oddelka. Ta popust ni sicer velik, vendar je nekaj pomagal osobito onim staršem, ki imajo več otrok zavarovanih. Sklad našega mladinskega oddelka je pa tudi ostal vsled tega še zadosti močan ali veliko nad 100% solventen.

Lepo število agilnih društev, tako tudi naših mladih agitatorjev smo že vpisali v našo posebno Častno ali Zlato knjigo. Nobena posebna težava ni doseči to čast, najmanj 10 novih članov morate pridobiti tekom kampanje, čepravno vseh ne naenkrat sku-

SE JE ČAS!

Sedanja naša kampanja mladinskega oddelka traja samo še do konca tekočega leta; trdno upamo, da bo ista uspešna.

Dosedaj se je klic glavnega odbora glede te kampanje odzvalo že lepo število krajevnih društev; vendar jih je še dosti mlačnih, oziroma takih, ki do danes niso pridobili v tej kampanji niti enega novega člana. Pravega vzroka za to si ne moremo tolmačiti.

Tako smo se odločili dobrati na ljubo, ali kampanji v prid tudi številke teh društev od tedna do tedna na tem mestu do konca leta priobčevati; morda bo to kaj pomagalo?

Društva, katera imajo še vedno čas stopiti v vrsto drugih kampanjskih delavcev in nadomestiti zamujeno so:

Št. 10, 11, 13, 17, 20, 23, 24, 32, 38, 39, 40, 43, 44, 45, 46, 51, 57, 59, 60, 61, 64, 69, 73, 74, 75, 77, 80, 83, 84, 85, 88, 90, 92, 93, 94, 97, 98, 105, 112, 114, 118, 119, 121, 122, 124, 126, 128, 130, 133, 146, 147, 154, 158, 164, 172, 178, 179, 182, 183, 184, 186, 188, 189, 196, 197, 198, 202, 203, 207, 214, 216, 217, 221, 222, 228, 232, 237, 238, 247.

Ali bomo lahko črtko vašega društva v prihodnji izdaji iz tega seznama?

KAMPANJSKI PAPERKI

(Piše urednik)

Tajnica društva Marije Pomagaj št. 174, Willard, Wis. mi poroča, da se tudi to društvo ponaša z dvojčki, oziroma z dvojčicami; to sta Marijetka in Ančka Volovšek, ki sta zadnji mesec pristopili v mladinski oddelki označenega društva. Sestra Gosar dalje omenja, če jih še kaj dob, nam bo ob zaključku kampanje dobili posebne nagrade v obliki malih vozičkov ali pa punčk.

Prav gotovo se bo o tej veliki kampanji govorilo na naši prihodnji jubilejni konvenciji v Indianapolisu, Ind., meseca avgusta prihodnje leto. Urednik Glasila jamči, da bo tudi v konvenčni izdaji lista priobčil Častno ali Zlato kampanjsko knjigo, da bo konvenčna zbronica lahko vsem tem odlikovancem i z rečla svoje posebno priznanje, katero so zaslужili z marljivim delovanjem za Jednoto. Prostora v tej knjigi za nova imena je še dosti, torej le pridobiti v tem mesecu.

Zadnje tri meseca se piše v Glasilu največ o sedanjem kampanji. Kaj pa hočemo drugoga? Zadeva kampanje je namreč tako važna, da se moramo držati tega načina, če hočemo doseči zaželeneni cilj.

Glasilo je uradni list Jednote, vsled tega ji mora v prvi vrsti služiti kot reklamno sredstvo; brez reklame pa dandasne nič. Iz srca bi želeli, da bi se Glasila poslužilo še več naših glavnih uradnikov (ic) kar se jih je v zadnjih treh mesecih. Naj napiše se vsak(a) izmed onih, ki na vsebujevalen članek, oklic ali apel, kar bo članstvo gotovo z veseljem in rado čitalo; v tem oziroma posnemajte našega vrlega brata gl. tajnika.

VAZNO NAZNANJILLO

Vabilo na sejo

Pittsburgh, Pa.—Tem potom se uradno naznana, da se bo dne 9. novembra ob 7:30 zvečer vršila v Slovenskem Domu izvanredna seja uradnikov in uradnic društev, spadajočih h K. S. K. Jednoti. Omenjene seje se bo udeležil glavni tajnik sobrat Josip Zalar in skoraj gotovo tudi glavni predsednik sobrat Frank Opeka.

Uljudno se vabi, da bi se te važne seje udeležili tudi člani in članice naše Jednote, bivajoči v Pittsburghu in okolic.

Nadejam se torej, da se bo vneto članstvo K. S. K. Jednote gotovo odzvalo v obilnem številu temu vabilu, zlasti ker gre pri tem za dobrobit članstva in Jednote.

Z vdanoštnim sobrskim pozdravom

FRANK J. LOKAR,
glavni nadzornik.

DRUŠTVENA NAZNANILA

Društvo Marije Device, št. 50, Pittsburgh, Pa.

Tem potom naznjam cenenemu članstvu in občinstvu v tej naselbini in oklici zaključek naše redne seje z dne 8. oktobra, da pozovemo sobrata Anton Grdina iz Cleveland, O. za kazanje filmskih slik. Dan za to je določen in sicer nedelja, dne 19. novembra zvečer.

Sobrat Grdina nam poroča, da se bo temu vabilu rad odzval in da ima lepo zalogo novih slik iz stare domovine, katere še niso bile kazane. Pri tej priliki bomo imeli tudi priložnost videti slike, katere so bile posnete za film dne 20. avgusta t. l. ob proslavi 40letnice našega društva. Mislim, da smo vsi radovedni, v prvi vrsti članstvo našega društva, kakor tudi članstvo drugih sobrskih društev, ki so bili navzoči na naši proslavi, kako te slike izgledajo; tedaj je brat Grdina omenil, da bo te slike najprvo nam pokazal, potem pa še po drugih naselbinah.

Torej ste vsi vladno vabljeni, da prideite v Slovenski Dom na 57. cesti v nedeljo, dne 19. novembra zvečer ob 7:30, tam boste imeli priliko videti te zanimive domače slike pod domačo streho. Vstopnina je dolžena 25c za odrastle, za otroke pa 10c v starosti izpod 10 let.

S predvajanjem teh slik se misli v gotovi meri pomagati tudi naši narodni zgradbi (Slovenskemu Domu) in sicer z namenino; tako bodo tudi vsa okreplila prodana v korist tega Doma, ki bodo na razpolago v spodnjih prostorih.

Minuli teden smo v Glasilu čitali vabilo na izredno sejo za uradnike in članstvo Jednotin društev Pittsburgha in oklice, na katero vabi naš glavni nadzornik sobrat Frank Lokar; torej pridevi vsi! Kakor smo čitali, bo takrat navzoči tudi vrhovni poveljnik zračnega brodovja K. S. K. J. sobrat Josip Zalar, Jednotin glavni tajnik. Sigurni smo, da bo pregledal tudi vse motorje našega Zeppelin "Pennsylvania". Morda bo našo posadko pokaral, ali pa dal kaj mazila, da se temu Zeppelinu brzino poveča.

Ne pozabite tudi priti na prihodnjo sejo dne 12. novembra in tudi po možnosti poravnati zaostale asesmente. Zadnji mesec vas nisem tako nadlegoval z opomini glede asesmentov, ker vem, da se je moralo za zimo nekoliko s kurivom preskrbeti in morda tudi kaj kapljice za Martinovo nedeljo. Zdaj je pa treba paziti, da so naši ases-

menti plačani v slučaju če nas-kaka bolezen nepričakovano napade; ravnajmo se v tem oziru kolikor zahtevajo naša društvena pravila.

K sklepnu vas ponovno prosim, kateri še nimate svojih otrok vpisanih v mladinskem oddelku, da jih zdaj vpisi, ker lepa priložnost te vam še ni nudila; s tem boste tudi pripomogli vašemu, oziroma našemu društvu, da bo v tekoči kampanji po svoji možnosti zadostilo zahtevam kolikor se od njega pričakuje. Opomnite tudi vaše prijatelje, ki niso člani naše Jednote; razložite jim lepe ugodnosti te kampanje in jim povejte, da tudi oni lahko vpisujejo svoje otroke v naš mladinski oddelok.

Pozdrav do vsega članstva K. S. K. Jednote.

MATH PAVLAKOVICH, tajnik.

JE-LI VAŠE DRUŠTVO ŽE V ZLATI KNJIGI?

Društvo sv. Lovrenca, št. 63, Cleveland, O.

Tem potom vladno naznjam vsem članicam našega društva, da se prihodnja seja vrši dne 12. novembra, to bo drugo nedeljo v tekočem mesecu s sejo bomo priceli ob eni uri popoldne v navadnih prostorih.

Zdaj, ko je poletje za nami, smo minule tudi razne vrtne veselice (pikniki) in druge športne igre, katere ste obiskovali v poletni dobi. Ker se vsed tege zadnji seji je bilo sklenjeno, da vsaka članica plača 25c vstopnine, ako se udeleži te naše prireditve ali ne; ves čisti prebitek bo namenjen v prid društvene blagajne.

Ob enem opominjam vse one

članice, ki so zaostale na ases-

mentu, da to kmalu poravnajo,

ali naj se pa zglašijo na prihod-

nji seji; ako tega ne storijo,

se same suspendirajo; to je bil

sklep zadnje društvene seje.

Sosestrski pozdrav

Louise Likovich, tajnika.

DESET NOVIH ČLANOV ZA PRIHODNJO SEJO!

Dr. Marie Čistega Spočetja, št. 80, So. Chicago, Ill.

Vabilo na Bunco party

Naznjam vsem članicam našega društva, da priredimo "Bunco party" dne 12. novembra zvečer v cerkveni dvorani. Na zadnji seji je bilo sklenjeno, da vsaka članica plača 25c vstopnine, ako se udeleži te naše prireditve ali ne; ves čisti prebitek bo namenjen v prid društvene blagajne.

Ob enem opominjam vse one članice, ki so zaostale na ases-

mentu, da to kmalu poravnajo,

ali naj se pa zglašijo na prihod-

nji seji; ako tega ne storijo,

se same suspendirajo; to je bil

sklep zadnje društvene seje.

Sosestrski pozdrav

DESET NOVIH ČLANOV ZA PRIHODNJO SEJO!

Društvo sv. Petra in Pavla, št. 91, Rankin, Pa.

V prvi vrsti opozarjam člane našega društva, kateri nimate še svojih malih otrok zavarovanih pri tem društvu, da jih vpišete sedaj, kajti velika kampanja za ta oddelek traja samo še dva meseca. Baš zdaj se vam nudi tako ugodna in lepa prilika, kakov še nikdar prej. Le dobro premislite vse ugodnosti za pristop. Prvič je vaš otrok prost assessmenta za cele tri meseca; drugič plača Jednota 50 centov za pregled zdravniku in tretjič dobite še 50 centov posebne nagrade za vsakega otroka, katerega sedaj vpišete. Torej ima otrok na ta način plačan assessment za pol leta v razredu A, če namreč teh 50 centov za assessment vpoštovate ter vam še preostane 5 centov. Kaj si morete še boljšega in bolj ugodnega misliti?

Dalje opozarjam starše, ki imajo svoje otroke v mladinskem oddelku zavarovane že od prej, da od 1. novembra boste morali zopet zanje assessment plačevati, ker doba trimesečnega prostega assessmenta za take člane je potekla dne 31. oktobra.

Prosil bi tudi, da bi se tudi starejši člani malo bolj brigali za plačevanje svojih mesečnih assessments. Vem, da je pri društvu še kak tak član, ki se vedno ne more assessmentov plačati vsled brezdelja, dolžnost takega člana je, da pride na drušveno sejo in razloži članstu svoje razmere. Ce se vam pripeti suspendinga, ne dolžite potem društvenega odbora, ne članstva, krivi si boste le sami.

Nadalje prosim članstvo, da se v polnem številu udeleži prihodnje seje dne 12. novembra, kajti na tej seji se moramo povoroviti glede najemnije dvorane za bodoče leto. Gotovo ste slišali našega gospoda župnika na minuli seji, kaj nam je povedal. Torej pride na prihodnjo sejo in tam izrazite vsak svoje mnenje, da ne bo potem zopet kake kritike. Tudi je vaša dolžnost, da pripeljete vsak po enega mladega člana ali članico seboj, da ga sprejmemo v naše društvo.

Upam, da se boste odzvali moji prošnji. S sobratskim pozdravom vsemu članstvu našega društva. Zeppelinu "Pennsylvania" pa želim, da bi kaj vplačali v ta namen; poleg tega pa dobite še za vsa-

F. J. Habich, tajnik.

Društvo Marija Zdravje Bolnikov, št. 94, Kemmerer, Wyo.

V št. 43 Glasila je bilo na prvi strani na kratko poročano o tragični in nepričakovani smrti našega prejšnjega člana in bivšega tajnika brata Johna Krumpačnika, ki se je podal v staro domovino in je umrl v New Yorku.

Brat Krumpačnik je spadal k našemu društvu celih 23 let, bil je star 61 let, doma iz Ljubnega na Spodnjem Štajerskem. V Ameriki mu ni bila sreča mila; ni si mogel nič prizadeti, ker je bil večkrat operiran v večkrat bolan. Začel si je vrniti se v svoj rojstni kraj, toda ni imel sredstev za potne stroške. Naša dobra podpora mati KSKJ mu je izplačala \$150 kot odpravnino za potne stroške. Odšel je od nas dne 8. oktobra ter srečno do spel v New York. Čakal je na parnik, toda med tem časom ga je v New Yorku zadelo žalostno usoda, kar je še zagonetno. Neki večer so ga našli na brooklynškem mostu nezavestnega s popito glavo; revež je tudi nezavesten v bolnišnici umrl. Nedogljeno je, ali je dotičnik tako nesrečno padel, ali je bil že zrovne zlobne roke. Zdaj počiva na nekem pokopališču v New Yorku popolnoma nepoznan.

Bodi mu lahka ameriška gruda! Ni mu bilo dano, da bi videl še svojo rojstno domovino in svoje druge, ljubljeno ženo in otroke; pač hud udarec zanje, ko so to žalostno vest zvezdeli!

Drug žalosten slučaj nepričakovane smrti se je zgodil tukaj dne 22. oktobra zvečer. Ko se je komaj 23-letni naš član Martin Marolt vrnil domov z lova, se mu je vsled neprevidnosti ali po nesreči puška sprožila, in končano je bilo njegovo mlado življenje; vsa zdravniška pomoč je bila zamašena. Pokojnik je bil rojen leta 1910 v Subletu, Wyo. Bil je mladenič želen veselja. Vsled slabih delavskih razmer je cena vstopnicam zelo malenkostna, samo 25c, kar govoriti ni preveč za tako prireditve kot bo na gori omenjeni večer.

Dolžnost vsakega člana in članice, je da plača eno vstopnico mesečno novembra ali decembra 1933. Pomnite, da imamo pri društvu vsi enake pravice in tudi vsi enake dolžnosti. Treba je samo nekolič dobre volje pa bo naša prireditve pščolen uspeh, ne samo finančen tudi moral.

Danes meni, jutri tebi! se glasi pregorov. In te besede se kaj rade uresničijo. Radi tega svarim nekatere člane in članice, kajti kaj radi izostajate s plačilom mesečnega asesmenta. Ali kedaj pomislite, da vas ne sreča vsak čas lahko zadene ter vas položi na bolniško posteljo kot je gori omenjene sobrate in sestre? Inako asesmenta nimate plačanega o pravem času mesecev novembra ali decembra 1933. Pomnite, da imamo pri društvu vsi enake pravice in tudi vsi enake dolžnosti. Treba je samo nekolič dobre volje pa bo naša prireditve pščolen uspeh, ne samo finančen tudi moral.

Dalje prosim dotične člane in članice, kajti imate v prodaji tikete za purana, da iste skušate prodati med svoje znance in prijatelje, ter iste pripeljite seboj na gori omenjeni večer, kajti več ko nas bo, tem prijetnejša bo zabava in tem večji uspeh.

Ljubo je zdravje, kdor ga ima!

Dokler smo zdravi, se ne zavadem, da imamo več kakor pa kupe zlate. Kaj ti pomaga, aka imaš vsega v izobilju, ko pa tega rabiti ne moreš? Da je to resnica, vam lahko pričajo naši številni bolniki, kateri se nahajajo po raznih bolnišnicah in tam iščejo zdravja. V Lake Side bolnišnici leži že nad mesec dni težko bolan vsemu članstvu dobro znani in večletni bivši društveni predsednik, soščrat Charles Krall. Omenjeni je srečno prestal težko operacijo; žal pa, da se bo moral podvrci še eni; da Bog, da bi tudi to srečno prestal in da bi se kmalu povrnili čil in zdrav med svoje sobrate in sestre.

Ravnov v dotednejšem članu našega društva, da se omenjene prireditve udeležite in tako pripomorete do boljšega uspeha.

Prav vladno vabimo tudi ostala bratska društva, da nas blagovolijo posetiti omenjeni večer; pripravljalni odbor ima vse dobro preskrbljeno za lačne, žejne in plesačeljne. Torej na veselo svidenje dne 11. novembra v Labor dvorani!

Louis Sekula, tajnik.

DESET NOVIH ČLANOV ZA PRIHODNJO SEJO!

Društvo sv. Jožefa, št. 169, Collinwood, Ohio

Cenjeni mi sobratje in sestre:

Kakov vsak leta, tako tudi v občinstvu, se nahaja že nad leto dne 12. novembra sestra Mary Jaksetich, soproga bivšega potovalega zastopnika "Amerikanskega Slovenca." Kako trda in muke polna je bolniška postelja za ljubečo mater, ko njeni miločni urah in kateri so pričeli pokojnika kropiti, se udeležili pogreba in so kaj k temu pripomogli.

Nekaj večno sožalje hudo prizadetim. Bodite pokojnemu bratu

obiškal eno nedeljo popoldne moj dobri priatelj iz Waukegan, Ill. Po kratkem pogovoru mi pravi:

"Vsedi se na moj avtomobil, da se odpeljeva na malo razvedrila tja 'Pod marelo'."

Jaz ga pogledam in ga vprašam: "Kaj praviš, 'Pod marelo'?" Saj vendar ne pada dež, da bi šla vedrit pod kako marelo; 'nobel' pa tudi nisem tako, da bi marelo potreboval, ko sijes sonce. Čez 40 let živim že v Jolietu, pa še ne znam za prostor 'Pod marelo'."

Na prigovarjanje mojega prijatelja se vsedem na njegov avtomobil in zdrdrala sva s hriba doli na Broadway cesto, od tam sva pa v resnici dospela v par minutah 'Pod marelo'."

Meni se dozdeva, da bi bilo oni prostor bolje imenovati "Martinov večer pod lipo;" kajti ondi sreča ljudi različnih narodnosti, ki vsak po svojem kramljajo in se zabavajo po domače, kakor pri nas v starem kraju.

Preteklo nedeljo popoldne mi je bilo dolg čas, pa sem začel razmišljati, kje bi bilo kaj razvedrila; takoj jo uberem po N. Broadwayu "Pod marelo." Na moje veliko razočaranje sem tamkaj po dolgem zasledovanju srečal mojega dobrega prijatelja Toneta s Hriba. Po daljšem pogovoru me vpraša: "Kaj je novega prijatelj, oziroma kaj bo novega koncem novembra v naši naselbini?"

"Novic bo do tedaj gotovo dosti, eno ti pa ža kar sedaj lahko povem, namreč da priredi društvo sv. Frančiška Saleškega, št. 29 dne 29. novembra ta-

kozvani 'Barn Dance' v Slovenia dvorani; po domače bi rekli veselico in ples v skedenju, saj se še spominjaš, kako smo se v starem kraju na kakem skedenju vrteli, in to bo ravno tako."

"Ej, to je pa imenitna novica. Hvala ti za to prijatelj! Zopet bom imel enkrat priliko biti navzoč na prireditvi tega društva; saj te prireditve so vedno nekaj posebnega, dobro aranžirane, prijateljske in zabavne, da jih noben posetnik ne pozabi. Gotovo se še spominjaš predlanskega Silvestrovoga večera, koliko ljudi je bilo tam, da bi bila skoraj dvorana premajhna in kako smo se dobro zabavali."

"Da, res je bilo tako. Ali se zdaj zopet kaj posebnega pripravlja?"

"Ti si preveč radoveden in zaenkrat ti še tega ne povem; saj se bova, Tone, da takrat še videla, ako pa ne, se boš pa sam osebno o tem lahko prepričal, če prideš na veselico."

"Kaj, če prideš na veselico?" S to pripombo bi me bil kmalu razzalil. "Dozdaj sem le bolj malo delal, toda Frančiškove veselice in piknike sem pa vseeno vse obiskoval. Zdaj se dela že nekoliko boljše, da imam v žepu zopet par dollarčkov; torej ni nobenega zadržka, da bi se ne udeležil te zanimive veselice dne 29. novembra zvezcer v Slovenia dvorani. Pa še to ti omenim, da bom seboj priprjal tudi svojo boljšo polovico, saj veš, da morajo imeti včasih tudi naše ženice kaj razvedrila in zabave. Res je, da mi 'decidi' najrajši sami kam gremo, toda ta dan moramo napraviti izjemo."

"Tako je prav, tudi jaz bom nagovoril svojo 'staro,' da bo šla isti večer z menoj na Frančiškovo prireditve."

"Pa pozdravljen, moram iti; moja žena je šla v trgovino kupovat blago, da napravi obliko po starokrajskem kroju, nalašč za to veselico. Jaz imam že tudi pripravljene jerhaste hlače in škornje do kolena (mekskajnarje) in še nekaj drugačega zelo mičnega, česar ti pa danes ne smem povedati. No, saj se bova o tej veselici še kaj pomenila."

"Pozdravljen pa na svidenje dne 29. novembra v Slovenia dvorani!"

Dolski.

GLAS OD FARE SV. KRISTINE

Euclid. O.—Poletna sezona je minula in sedaj se je začela zimska doba z raznovrstnimi zabavami po dvoranah. Dosega so se tu pri nas, pri sv. Kristini prav dobro postavile naše žene in dekleta. Dekleta s plesom, ki so ga priredile, žene Oltarnega društva s svojo vinško trgovijo, ter žene, angleško-govoreče spojene v krožek sv. Kristine, s svojo veliko prireditvijo "Kronanje Kraljice." Kaj je pa z nami možni? O, tudi mi se bomo postavili; mi se bomo pa postavili na Martino nedeljo, to je 12. novembra. Tako je tudi prav Ta dan je odločen za nas možni (ki ga radi malo cukamo—pa mislim, da se ga ravno ne branijo tudi naše boljše polovice).

Torej na Martinovo nedeljo bodo možje društva Najsvetejšega Imena priredili veselico in sicer "krstitev vina," prav po starokrajski šagi. To bo nekaj, kar bo vsakemu oživilo spomin nazaj na leta, ki so bila preživljena v domači vasi v domovini. Pa še nekaj! Pri fari smo načrivali novo klet, in ta bo ta dan prvič odprtta. Po mnemu strokovnjakov, naših starih faranov, je to nekaj imenitnega in najboljšega daleč naokoli. Torej naša želja je, da bi prišli vsi pogledati, ako je res tako? Pogledali bomo tudi kaj da je v kleti?

Ob tej prilikli se bo vprizorila tudi mala igrica, smešna in prierna k temu dnevu; vloge so v rokah najboljših naših igralcev, pod vodstvom našega župnika, Rev. A. L. Bombacha (nuf sed). Zatem sledi ples, katerega bodo imeli v oskrbi pa dobropoznan fantje Hojerjevi, Eddie Simms in njegov orkester.

Vabimo vse naše znance in prijatelje, sploh vse vas, da prideš nas obiskat. Zagotovi se vam pravo pristno domačo zavo. Vselej smo se mi možje Najsvetejšega Imena z veseljem odzvali in vsikdar radi pomagali, kjerkoli se je nas potrebovalo, sedaj pa klicemo vam, da prideš vsi in se tudi vi z nami poveselite. Ne bo man žal. Začetek je ob 7:30 zvečer. Vstopnina samo 25 centov. Za lačne in žejne bo vse v polni meri preskrbljeno.

Vabi se tudi vse farane in faranke, kjerkoli tudi naše prijatelje iz sosednjih okolic, da prideš in z nami obhajate Martinovo nedeljo, da "ga" skupaj krstimo.

V upanju, da se vidimo v nedeljo 12. novembra pri sv. Kristini, vam že danes klicem: Na veselo svidenje!

Frank A. Hočvar,
tajnik društva Najsvetejšega Imena.

Spomini na moja mladostna leta

(Pie JENNIE OZBOLT, Barberton, O)

Bilo je hladno jesensko jutro meseca oktobra, leta 1909, ko sem se poslavljala od prijazne rojstne vasice, številnih prijateljev in znancev, dragih sester in brata in od ljubljene, zdaj že pokojne mamice. Ker je oceta že takrat krila črna zemlja, sem pred odhodom v Ameriko naredila kratek obisk na pokopališče ter v pobožni molitvi vzela slovo tudi od očeta.

Kako tesno mi je bilo pri srcu, ko sem prejela lahek in zadnji poljub od matere. Težko je bilo slovo od prijateljic, s katerimi sem vživala raj mladosti v kraju, kjer mi je bila znana vsaka stezica, vsak hribček. Vedela sem imame vsake cvetlice po travnikih in livadah, kjer smo bosonogi otroci razposajeno rajali v raznih otroških igrah. Pero ne more opisati, kar čuti srce, osobito v tujini

ob spominih na mlade dni. Kako smo se ob nedeljah popoldne zbrale dekleta ter veselo prepevajo še v bližnje gozdice nabirat šmarnice za okrašenje Marijinega altarja. Ali si more kdo misli kaj lepšega in bolj prijetnoga kakor iti meseca maja v novo prebijeno naravo, kjer dreve dobiva svojo novo zeleno obleko; kjer ptički veselo žgole svoje mlodiče; kjer pomladne vete prikazujejo svoje še ne razcvetele glavice izpod listja?

Vse to mi živo stopa pred oči danes po 24 letih. Da, če bi imela dar petja, bi zapela, da bi me čula cela Amerika; rabil bi vrstice znane Gregorčičeve pesmi:

"Le imejte krasne svoje, tu doline in vrte.

Dajte mi planine moje, dajte moje mi gore."

Ali pa sledete:

"Dasi lepa je tujina, lepša nego dom moj ni . . ."

Ker je več mojih sovačanov raztresenih širom Amerike, boma koga zanimalo, ako mu zbudim spomine na naš rojstni kraj, ter nekaj opisem lego istega.

Ako se pelješ iz Ljubljane proti Rakenu, ki je zadnja jugoslovanska postaja, te ondi že čaka poštni voz ali pa bus, ki te pelje štiri ure vožnje po beli ravni cesti skozi prijazno Ložko dolino proti hrvatski meji. Na vse strani se ti nudi lep razgled po okolici. Tako opaziš blizu ceste čarobno Cirkniško jezero, znano po svojih čudnih odtokih, po katerih se v poletnem času voda popolnoma odteče in osuši tako, da jezeri prostor kmetje obdelujejo; toda v jeseni, ko je žetev pospravljen, se zopet odpro ti čudoviti vrelci in napolnijo prostore z vodo, ki meri dolžino dveh uri hoda, širokost jezera pa meri eno uro in pol peš hoje. Zanimivo je tudi, da voda se bo priprinese nešteto ribic, kateri se razmnože in dajejo domaćinom bogat plen in dober prigrizek; naravno, da ribiči pri tem zaslужijo nekaj za svoj prisobljek.

Neki slovenski pesnik je celo zložil par kitic o tem čarobnem jezeru; med drugim navaja tole:

"In odpro se čudni viri, voda pride, teče vanje, da se jezero razširi."

Ta čuden pojav narave se redno ponavlja vsako leto.

Naprej te pelje cesta skozi vasi: Martinjak in Grahovo, ob vnožju visokega hriba, na katerem je krasna, velika romarska cerkev Križna gora ali sveti Križ imenovana. Pot na goro je strma in na vsakem ovinku je kapelica ali postaja sv. Križevskega pote.

Ko prideš vrh hriba, zazreš tri velike križe, smrt Kristusa in dveh razbojnnikov, dalje veliko cerkev, hišo za romarje in še nekaj drugih poslopij; na to božjo pot hodijo romarji ob blizu in daleč.

Tudi mladi svet se je kaj radbiral tamkaj; saj so nam staraši kaj radi prigovarjali, češ, da gremo Bogu napotje delat, kajti domov grede so po goštih navadno hreščale harmonike.

Dalje opaziš med vožnjo razvaline Ložkega gradu, ki pričajo o divjanju krvolčnih Turkov, ki so, kakor priporoveduje zgodovina, v ekrat prišli na Kranjsko, ter morili in ropali; o njih so ostali sledovi še danes.

Naprej vodi cesta skozi mične vasi: Stari trg, Pudob, Igaras in Podgora. Tu pa prideš v gozdn klanec, in kake poi ure med zelenim bukovjem dospeseš na vrh. Od tu se ti odpre krasen razgled na mično in lepo vas Babnopolje. Ob cesti na obeh straneh se razprostirajo široki travniki ter velike, skrbno obdelane njive, ki dajejo dočiščom vaščanom živež. Iste pričajo o umnem gospodarstvu

dobro obstoječih Babnopoljev. Vas je obdana s krasnimi vrtovi ali sadnim drevjem ter šteje okrog 600 prebivalcev. Ta vas šteje nad 107 čednih, z opoko kritih hiš, večinoma vse zidane slamljene strehe opaziš le še na kakem skedenju. Sredi vasi je lepa, prostorna cerkev sv. Nikolaja, velika vnonadstropna šola z moderno urejeno dvorano, kjer se zbirajo razna društva, ter prirejajo razne narodne igre. V vasi je šest trgovin in več različnih obrtnikov kakor: krojačev, čevljarijev, mizarjev, zidarjev, kovačev itd. Ker je vas blizu hrvatske meje, je tudi zastražena s širimi orožniki, ki stanujejo v lepih sobah in kuhinjoi.

Podjetja nudijo rudarjem stanovanje v svojih hišah. V eni hiši so po tri stanovanja in sicer najboljšega šesttedenskega zaslužka poleg draginske doklade in doklad za otroke. Rente zaradi težkih poškodb priznavajo posebna sodišča. Pokojnina od bratovske skladnice je dosegljiva z dopolnjenjem 55. letom starosti.

Najbrž je kmalu potem pisal Antoniji pismo, ki pa ni datirano. Glasi se: "Zadnje pismo, katero sem od Tebe prejel, je od septembra lanskega leta. V njem si mi sporočila veselo vest, da misliš le še malo dni ostanati v domovini, potem pa k meni priti in biti vedno z menoj. Prosim Te, najdražja Antonija, podvijaj se k meni! Še nikoli Te nisem tako želel imeti pri sebi in še nikoli Te nisem tako potreboval kot sedaj. Tu sem popolnoma sam in na tem lepem, zdravem, in jako obljudem otoku mislim, če Bog da, preživeti svoja ostala leta in tu napraviti središče svojega misjonarstva. Kako vesel bi to, če bi Te za vedno mogel imeti pri sebi! Ti bi takoj šolo vodila in skrbela za časne potrebe svojega Friderika, obenem bi pa tudi za svoj dušni blagor lahko delala." Prilaga ji angleško navodilo za potovanje. S seboj naj pripelje misijonskega služabnika in na bero dosti podpore, "kajti jaz sem skrajno ubog." Prinese naj vsaj tisoč križev iz medij in naj kaj duhovnikov navduši na kopirati.

Delo v La Pointu pred prvim potovanjem v Evropo
(1835 in 1836)

Že 9. avgusta 1835 je Baraga

pisal Leopoldinski družbi: "Delvetdeset milj od tu je indijanska vas Fond du Lac (Fon du Lek), kjer tudi veliko Indijance želi sprejeti katoliško vero. Od počasnega trgovca s kožuhovino so slišali o veri in duhovnikih in zelo radi bi enega videli tudi v svojem kraju. Brž ko bom tu opravil najnajnejše misionske posle, bom šel za nekaj tednov tja. Tudi v deželi proti severozapadu od tam je še več velikih jezer, ob katerih stanujejo množice Indijance, ki še vse tava po poti večnega pogubljenja. Ali ni skrajno žalostno gledati, da se toliko duš za večno pogublja, ker ni duhovnikov? Ah, zakaj se jih nekaj ne odloči, da bi prišli pogubiti tem ubogim pogonom?"

Prve dni septembra je izvršil svojo namerno; sedel je v čolu iz lubja ter se z nekaj Indijanci odpravil proti Fond du Lacu. Naselbina je ležala na rodovitni ravni ob obali pod prijaznimi grinci. Peter Cotte (Kote), trgovec s kožami, "redka izjema med temi brezbožnimi," je vso zimo poučeval med Indijanci krščanski nauki. Že 30 let je živel med tujimi in gladko gorovil očipevščino. Preteko leta mu je slučajno prišel v roke Baragov tajnik br. Frank Opeka, glavnik br. Jos. Zalar, predsednik nadzornega odbora br. Martin Shukle, II. podpredsednica Mary Hochevar, vrhovni zdravnik Dr. M. F. Oman in urednik Glasila. Seja je trajala štiri ure in se je v obči nanašla na znano afro brata Zulicha.

Glavni tajnik br. Zalar je v svojem obširnem poročilu s protidokazi pojasnil vse obtežilne točke glede te zadeve; tozadnevo poročilo priobčimo v prihodnji izdaji, istotako tudi zapisnik te Ligine seje.

V obči se je sejva vršila v lepem tonu ter v zadovoljstvu vseh prisotnih, osobito so navzoči odobravali besede brata glavnega predsednika, da naj se z današnjim dnevom zakopljije takozvano "sekiro neslage" med Ligo ohijskih društva in glavnim odborom naše Jednote. Iskreno želimo in upamo, da bo sejva obrodila najboljši sad v prihodnji leti.

Dober izgovor je bolji, nego devet zagovornikov.

Bog ne da vse dobro samo enemu človeku.

Ako sva si brata, mošnji si niste sestri.

Bog je dal zobe, pa tudi kruha.

Ako bi se ljudje za nebesa takoj pulili, kakor za denar,

MOVIES AND NERO

The pulpit and the religious press have long scored the trend of the motion picture show. To their aid now comes a valuable auxiliary in the secular teaching force of northeastern Ohio. Religion as such can

State University.

"One of the most powerful instruments of education in the world, the moving pictures, is in the hands of people who are not interested in children," he said.

As a result, the professor pointed out, children are dished up a fare of disgusting love-making, immoderate drinking, and wholesale killings. Such sowing produces a harvest of juvenile abnormalities and adolescent criminals. And small wonder.

77,000,000 See Movies Weekly

The average weekly attendance in our country is 77,000,000 (these figures are for 1929), of which number 23,000,000 are young people under 21 years of age who spend two hours each week in movie theaters. Twelve million of these are 14 or younger, 6,000,000 7 or younger.

Seventy per cent of the pictures reviewed had for a dominant theme crime, sex love, violence or horror, 449 crimes being noted in 115 films taken at random.

"Not until the moving picture people themselves turn their attention to children will any permanent good come," Dr. Charters said. "Maybe we will have to wait until a new group of people gain control of the picture industry."

Ohio educators tread closely in the trail blazed by the Catholic Church in dealing with the movies, handicapped, however, by their inability to project the supernatural into their arguments. Their assistance is welcomed in the battle to make the moving picture theaters a place where decent people won't have to blush for what they see on the flickering screen. Logically they should carry their protest one step further.

"Either clean house with the movies or close them." The teachers of northeastern Ohio talked as though they meant just that. —Universe Bulletin.

Raps Present-Day Neros

President Upham compared this age to that of Nero. Anyone knowing an ounce of history knows that the university head was not dealing out compliments.

"The Neros of this country," said Mr. Upham, "think that the worse shape the populace is in the worse kind of entertainment they want. You only have to go to a movie or pick up a movie magazine to realize the depraved taste of many. With bread the great essential want on one end of the scale and craving for the circus kind of entertainment on the other, the danger is, we will forget the precious things in between—the splendid, enduring values of life, self-denial, service, taste for literature and art."

Not far behind Dr. Upham in his condemnation of the movies was Dr. W. W. Charters, professor of education at Ohio just that. —Universe Bulletin.

FEAR VICIOUS CIRCLE IN MIND

By E. L. Fiske, M. D.

Fear often constitutes a vicious circle in the mind. In matters of health, people are frequently inclined to magnify the significance of comparatively unimportant symptoms, construing some mild muscular condition of the back, for example, as kidney trouble, some purely nervous agitation of the heart as heart trouble, or some ordinary functional digestive disturbance as cancer.

Perhaps the same person will refrain from having a thorough medical examination because he fears that the message will be a depressing one, or that some one of these maladies may be revealed by such examination.

Recently in discussing the matter of periodic health examinations with one of his associates, the chief executive of a large commercial institution said, "I don't believe in such things, because if any one should examine me and tell me that I had tuberculosis, for example, it would scare me to death." His reply was, "Well, which would you rather do, die of tuberculosis or of fright?"

Such people have never really tried to think out this problem or they would recognize

AUTUMN

A cloak of variegated colors, like the shades of a ripe Baldwin apple, covers the woodlands. The purple haze of autumn hovers over the fields, the waysides, and on to the distant horizon. The spirit of the falling leaf again hovers over the hills and dales. Red and purple leaves appear in the barberry and dogwood, yellow leaves bedeck the shag bark elms, and there is a dash of scarlet among the sumacs and maples.

The pumpkins lie in the field like nuggets of gold, the waving banners of corn have been gathered into wigwams, apples are lying on the ground, and the pungent aroma of burning leaves permeates the air.

The refreshing trails of autumn are beckoning and calling. No matter whether they lead us to distant hills, lakes, or to a stream's edge, or just along a little side road out of sight and sound of the boisterous city life, it is pleasant to hear the call and to follow the glorious trail.

A good description of autumn is pictured in the following poem:

Yellow the bracken, golden the sheaves,
Rosy the apples, crimson the leaves;
Mist on the hillside, clouds gray and white.
Autumn, good morning, Summer, good night.

James: Dad, can you write your name with your eyes shut?

Dad: I think so, James.

James: All right, Dad, then let's see you shut them and sign this report card.

A man may be steady but there is no use in being motionless.

examination when properly made, the results correctly interpreted, and subsequently medical supervision conducted along reasonable and scientific lines, will accomplish these ends. Studies made on large groups in the population give unmistakable evidence of the value of such procedure in extending life and safeguarding health—both physical and mental.

The real purpose of the whole modern campaign for health improvement is not to develop fear of disease, but rather a love of health—a sense of responsibility for the care of our bodies, a desire for bodily endurance and efficiency and full achievement. If the mind is fixed on these ideals, and the already known means of approaching them are utilized, heart disease, kidney trouble, and the needless miseries that embitter the lives of so many may be left to take care of themselves. It is not so much necessary to fight disease as to cultivate health, for the happiness, contentment and moral

Those engaged in life extension work, however, are not satisfied with the condition of the average individual. They believe that the general level of vitality and living capacity can be definitely raised. They also believe that the periodic health gain that it brings.

COMMONLY CALLED PUSH

Often the man who isn't doing so well complains thusly: "The world is unfair. Its honors and riches go to the man who pushes himself forward, rather than to the one with real ability."

In these very words we believe he has told at least one of the reasons for his failures and has suggested, at the same time, a very good remedy.

Gold is valueless until labor digs it up and puts it to useful purpose.

The diamond is worthless so long as it is hidden in its native clay.

Of what worth is the pearl living on the ocean bed or enclosed within the mollusk's shell?

And so it is with merit: if inactive, it has no place in the world's work.

The moral is we must do a little pushing on our own account, for the world must know what we are and what we can do before it can avail itself of our abilities or wares.

And the funny part of it is the world very often is quite likely to take us at our own rating.

La Sallita.

THE NEW MEMBER

Too frequently it occurs that the new member is not given the proper amount of attention after his admittance and as a result he becomes lukewarm at the outset. In many cases he leaves the lodge room practically unnoticed and no one seems sufficiently interested to welcome him to future meetings. They seem to take it for granted that he will again come to the meetings and eventually work his way into their company. Right there is where many good workers are lost, simply because we fail in giving him the glad hand of fellowship and inviting him to take an active part in the affairs of the lodge.

The new member, in many cases, is a valuable asset. With but very few exceptions he is endowed with ability in some line that will be beneficial to the organization. It is necessary that we discover just what talent he possesses and then make use of same. Don't treat him as a stranger or some curious thing—rather put him to work, make him feel that he is a part of the institution, for if the lodge is active as it should be, there is plenty for him to do.

TO THE POINT

NOT ACCOUNTED FOR. As this goes to press 79 lodges have not reported any support to the juvenile campaign now in progress. What is holding these lodges from falling in line is not known, for the attractive offer minimizes ordinary hindrances in recruiting new members. The age limit is 16 years. The Union pays the medical examination fee, and if the member is accepted he is exempt of assessments for three months. The member who solicits new members receives an award of 50 cents for each member enlisted. In addition, when a member enlists 10 or more members he is entitled to a KSKJ coaster wagon or a doll. Many lodges have already done more than their share, and it is not fair to ask them to do all the work. The campaign MUST go over the top. All indications show the goal will be reached by Dec. 31, the closing date of the campaign. All lodges, however, should consider that they are members of a fraternal organization, and every such worthy promotion as the present membership campaign deserves the support of every lodge if the Union is to manifest its ideal of co-operation and fraternalism.

EFFICACY OF PRAYER. A young woman about 18 or 20 years of age was overheard conversing with her chum on a Cleveland street car. The conversation turned to religion, the young lady in question remarking that she once attended Sunday school and all that she could remember was a quotation that terminated with, "always walk with God." Following, the young woman stated that she was in anticipation, for the night before she had forgot to pray for something, and on that very day she wondered if that something or other that she forgot to pray for would happen anyhow. What form of prayer the young woman was in the habit of using is not known. It is certain, however, that her doubt would be dispelled if she knew of the significance of "Thy will be done" in the Lord's prayer.

BASKETBALL TOURNEY. Waukegan has extended an invitation to the KSKJ basketball enthusiasts and is willing to serve as host for a basketball tourney. Waukegan appealed to the KSKJ Athletic Board and the membership at large. The proposed tourney can not only be made a reality, but it can also be made a success. Waukegan can not do it solely, neither can the Athletic Board, nor the membership. Success in this instance depends on the co-operation of the three groups. It is hoped that the Athletic Board will announce its findings shortly after the members of the board express their opinions. It is also hoped that the various teams and individual enthusiasts express their views. It would be well for the KSKJ to determine now whether or not it wants a basketball tourney. If it is found feasible to stage the event, no time should be lost in making preparations.

VATICAN CITY HAS 6,000 POPULATION TO SQUARE MILE

NOW IS THE TIME

I would rather have one little rose

From the garden of a friend Than to have the choicest flowers

When my stay on earth must end.

I would rather have the kindest words

And a smile that I can see That flattery when my heart is still

And this life has ceased to be.

I would rather have a loving smile

From friends I know are true, Than tears shed 'round my casket

When this world I bid adieu.

Bring me all the flowers today, Whether pink, or white, or red;

I'd rather have one blossom now Than a truck load when I'm dead.

All right, boys and girls! Surely you don't want to have your name off this list of winners of either an all-steel KSKJ Booster wagon or a handsome doll. Of course you don't, so get busy now and get your ten new members so that we can award you one before the campaign comes to a close.

TRINITY KNIGHTS START CAGE PLAY; TAKE FIRST TWO

Have Record of 12 Consecutive Victories

Brooklyn, N. Y.—The Knights of Trinity opened up the basketball season Oct. 19 with a 38 to 31 victory over the Reca A. C. of Bedford. The contest was very fast from start to finish. Our team functioned beautifully in spite of the fact that there are still a few kinks in the boys' joints. Two and a half minutes to go found the Recas leading by one point, causing furore and worry among the spectators. This was overcome by the Knights very coolly and confidently in a two-minute rally that added nine more points to their total, giving every one present a chance to breathe a deep sigh of relief.

The Knights tucked another victory under their belt Oct. 26 by defeating the Ridgewood Rivals to the tune of 30 to 21. The game was never doubtful as far as the Knights were concerned. They took the lead from the very beginning and held by a safe margin throughout. Bruder earned the scoring honors in this game by sinking a total of 15 points. The Ridgewood Rivals fell victims to the Knights' onslaught twice in the last season. This makes it a string of 12 consecutive victories, continuing from last season. Freddy Arko will be a loss to the team for several weeks because he was shifted to night work at his occupation.

We would like to hear from teams in Brooklyn or New York. We play all our games at home, on Thursday evenings. In case you have a team that would like a booking, drop a line to John P. Staudohar, 1707 Madison St., Brooklyn, N. Y.

Florians Prep; Now Ready for Games

South Chicago, Ill.—The fact that the basketball season is almost upon us will not find St. Florian basketball players in an idle state. Practice sessions have been held for the past three weeks in hopes to prepare the boys for a busy season. All of last year's players will be back in the lineup, including versatile athletes as Eddie Kucic, Alex Huryz and Johnny Franko. The teams, both light and heavyweight, will be coached by Andy Pzek, who skillfully led the baseball team to its KSKJ championship. Ed Kompare will be business manager and asks that all Kay Jay teams desiring to book games with the Florians kindly correspond with him.

St. Mary's to Start 4th Season Under KSKJ

Waukegan, Ill.—The St. Mary's KSKJ basketball team will begin its fourth season as a KSKJ team. Plans are to schedule other Kay Jay teams this season.

All those interested in making the St. Mary's team are asked to report to J. Gercar or to J. Cankar.

The St. Mary's team plans on sponsoring a bunco and card party on the first Sunday in January. All money derived from this affair is to be used to defray the team's expenses for this season.

Ten New Members in Every Lodge in November!

THE sponsors of the K. S. K. J. National Air Race are determined that this juvenile membership campaign go over the top. That it can be brought to a successful completion, there is no doubt. Yet there is the possibility of failure if you and your society refuse to join the nation in doing its share.

Many societies have already done even more than their share—and are still working hard. But there are still others, who have not as yet turned a single hand toward helping KSKJ or their respective state zeppelins in this mammoth drive. That is neither fair to their state fellow members nor to KSKJ.

However, there is still time for all to fall in the line marching to a brilliant victory in this undertaking. Almost two full

months still remain before the drive expires. But no one ever profited by putting off until tomorrow what can be accomplished today.

That is why National Air Race Headquarters has designated the month of November as the period in which it will hear from EACH and EVERY society in the organization. They are asking YOUR society to report at least ten members during this month.

You can do it if you will. Ten members is not an impossible figure, and just a little effort on the part of you and your society brethren will bring about its realization. Don't delay! Start today and do your share. After all, you don't want to fail the KSKJ!

Get ten new members in November!

BARAGITES SET FOR ANNUAL HOP

Milwaukee, Wis.—Once again the Baragites take another step forward to the line of oncoming socials. It is with great anticipation and sincere earnestness they are seeking to make the fourth annual fall dance an after-depression success, if it may be termed as such.

This fourth annual fall dance will be held on Saturday, Nov. 25, in the South Side Turn Hall.

The Baraga Lodge can boast of fine entertainment in the past (ask some of the fraternal outsiders to confirm this statement). It is doing its very best at present, and will strive in the future to live up to its standard of making social successes.

A good time is in store for each and every member and we do hope the entire number will lend its wholehearted co-operative support. We cordially invite the out-of-towners who have contributed largely to the gayety, fun and laughter of all our doings in the past. That is why we have never failed, for failure means defeat, and such could never be our lot.

Since the very beginning of Baraga activities, music was furnished by the different male orchestras. Betty's Play Girls are going to replace them now, and can they do their stuff—leave it to the women. You will enjoy a red-hot polka, a bit of a waltz tune, also popular fox-trots interspersed with college songs. There will be plenty of confetti, so if you can come up and stay awhile, you may take home a bagfull.

Admission prices are comparatively low, so why not set aside this night and let the Baragites entertain you. It's going to be a real treat for you and you and you as well as for us. We'll be seeing you.

CARD PARTY

Joliet, Ill.—St. Genevieve Society, No. 108, will sponsor a card party and dance Nov. 21 in Slovenia Hall. All games will be played. The public is invited.

PITT MUSHER WAS FIRST PRESIDENT, GRIDIRON STAR

Pittsburgh, Pa.—Every football fan in western Pennsylvania remembers the top-notch football team of St. Vincent College in the seasons of 1926-27-28, which lost only two games in these seasons, spanning two without a defeat.

Yet very few of us know the person greatly responsible for the marvelous feat of this Class B college. Frank "Boots" Butala, whose picture was on the sport pages of every newspaper in the district, was the dashing fullback and captain of the team during those three years. "Boots" has been a KSKJ member since his birth and has also the distinction of being the first president of the Pitt KSKJ Booster Club.

Through a trick knee, Boots had to limit his mushball activities with the club after playing only ten games. In these games he batted an average of 367 and played a stellar game at first base. Whenever he was forced to leave the line-up the spunk in the batting array crumbled a bit, and it may be that his missing long doubles and triples took away many a victory. Every member of the team and all the followers of the club, plus the fans at the games, sighed many times for his return.

Frank tells us his knee is coming around in good shape and that he will in all probability be with us again next year. He feels intensely sorry for not being able to finish the season. He says, "This being the first year I ever played mushball, but I had not expected the going to be as strenuous as it was. I derived great pleasure in playing."

"REVUE" PLANNED BY ST. FLORIANS

South Chicago, Ill.—There will be no lackadaisical spirit hovering about the St. Florian Boosters' camp this season. All their empty moments have been cadged for the purpose of producing another lively theatrical extravaganza. This time they will test their histrionic talents in a new type of presentation, something unique and yet quite familiar to us all.

Branching from the field of minstrelsy, they will endeavor to entertain their audience with a "School Days Revue." A very potent comedy skit interspersed with musical readings and solos. Characters for this show will be interpreted by well-known members of our booster club. You will see the comic school day pranksters at their best, producing the kind of slapstick comedy our folks have learned to like.

You wonder when all this will come off? Well, it will be quite soon. In fact it will be presented on Thanksgiving Eve, Nov. 29, at St. George's Church hall in South Chicago. Following the performance there will be a merry Thanksgiving dancing party, with the proverbial turkey awaiting an executioner. All this should be good news, so if you are interested, just keep all perked up for more news later.

Still Missing!

were Nos. 16, 86, 110, 132, 135, 145, 174, 195, 204 and 211.

This wholesale desertion

dwindled the number of holdouts down to 79 and rumors filtering through from the camp indicate that quite a few more were disgruntled with their position and would join the ranks of the workers in the very near future. National Air Race Headquarters felt confident that by the time the campaign closed not a single society would have failed to turn in a report.

If your society is listed among those not doing their bit, take it upon yourself to see that it is removed by getting new members immediately.

HONOR ROLL

The National Air Race Honor Roll received another boost this past week, when six more joined the ranks of those societies which are doing their bit in this membership drive.

The week's addition brings the total of societies whose splendid co-operation with Air Race officials has won them special recognition 48. With almost two full months still remaining, headquarters still retained hopes of seeing this number grow to 100 before the campaign closes Dec. 31.

The complete Honor Roll includes:

KSKJ California: Society No. 236.

KSKJ Colorado: Societies Nos. 55, 56, 104, 113, 180 and 190.

KSKJ Connecticut: Society No. 148.

KSKJ Illinois: Societies Nos. 2, 29, 53, 79, 108, 127, 166, 175, 206 and 225.

KSKJ Indiana: Society No. 52.

KSKJ Kansas: Societies Nos. 115 and 160.

KSKJ Michigan: Society No. 30.

KSKJ Minnesota: Society No. 4.

KSKJ Montana: Society No. 208.

KSKJ Ohio: Societies Nos. 63, 111, 150, 162, 169, 191, 224 and 226.

KSKJ Oregon: Society No. 235.

KSKJ Pennsylvania: Societies Nos. 41, 42, 50, 91, 153, 168, 181, 185, 187 and 194.

KSKJ Wisconsin: Societies Nos. 65, 103, 157, 165 and 173.

Societies will be accorded a place on this Roll of Honor when they have secured a number of new members equal to their share of their state's quota.

Pitt Hallowe'en Dance Acclaimed as Success

Pittsburgh, Pa.—The Hallowe'en dance sponsored by the Pittsburgh KSKJ Booster Club went over the top in great style and scored a tremendous success, eclipsing all expectations.

The crowd was multitudinous, the decorations voluptuous (wow!) and Hermie Kumer reigned supreme.

Half the number of guests were not expected, since there were so many other affairs in the district on that night. For the result we thank the broadcasters, and those that came because of the quality rather than the price.

Wyoming in Air

For the third consecutive week, another craft has joined the flying forces of KSKJ. The latest ship to enter the race is the KSKJ Wyoming, which reported an advance of 20 miles. She is the sixteenth zeppelin to enter the competition.

* Despite the fact no less than five of the dirigibles in the race reported no gains, the past week was the second best of the campaign. Ideal flying conditions, coupled with the fact the campaign is heading into the home stretch, has prompted the crews to open wide their charges in an effort to establish a commanding lead.

Air race officials have again appealed to those states which have not as yet entered their zeppelins in the race, to do so at once. They felt confident that more would be added to the roster of flying behemoths with each passing week.

"MEET UNCLE SALLY"

Joliet, Ill.—"Meet Uncle Sally," a three-act comedy, sponsored by the St. Ann's Drill Team, will be presented by a cast comprised of Joliet KSKJ Booster Club members Nov. 12 and 15, 8 p. m., in Slovenia Hall.

The all-star cast is under the direction of Genevieve Laurich, who also takes a part in the play. The public is invited.
