Newyorški kardinal Terence Cooke umrl

NEW YORK, N.Y. - Včeraj zjutraj je v svoji rezidenci zadaj od slovite stolnice sv. Patricka umrl po dolgi, hudi bolezni kardinal Terence Cooke. Kardinal Cooke, ki je bil star 62 let, je imel levkemijo. Postal je sedmi newyorški nadškof l. 1968, naslednje leto pa ga je papež Pavel VI. imenoval za kardinala. Ob imenovanju je bil Cooke najmlajši od vseh kardinalov.

Kardinal Cooke je vedel, da je bolezen neozdravljiva. V zadnjih tednih je veliko trpel. Kljub temu je odločno nasprotoval mnemu nekaterih, da je v takih primerih sprejemljiva evtanazija oziroma pospešitev smrti iz usmiljenja. Pred smrtjo je kardinal Cooke napisal pastoralno pismo, ki ga bodo brali v vseh cerkvah newyorške nadškofije to nedeljo, v katerem trdi, da je življenje, vsako življenje, dragoceno, četudi je združeno z boleznijo, lakoto, osamljenostjo in ali revščino.

Med kardinalovo boleznijo sta ga obiskala tudi predsednik in ga. Reagan. Tiskovni predstavnik nadškofije je dejal, da bo papež Janez Pavel II. imenoval novega newyorškega nadškofa šele čez dobra dva meseca.

Poljski delavski voditelj Lech Walesa prejel Nobelovo nagrado za mir

OSLO, Nor.; GDANSK, Polj. - Odbor za podelitev Nobelove nagrade za mir je letos izbral za prejemnika te časti poljskega delavskega voditelja Lecha Walesa. Mnogi so sicer pričakovali, da bo Waleso to nagrado prejel že lani. V izjavi po svoji odločitvi je Nobelov odbor pojasnil, da je bil Walesa izbran, ker simbolizira človekovo željo za mir in svobodo. Waleso je dobil Nobelovo nagrado tudi zaradi njegovega izjemnega prizadevanja in žrtvovanja v prid interesom poljskih delavcev.

Walesa je bil na oddihu, ko je zvedel za imenovanje. Ima čir in se ne počuti dobro, je povedal novinarjem. Ko se vrnil domov, ga je pred stanovanjem pričakalo več kot 1000 Poljakov in več tujih časnika. O Nobelovi nagradi je Walesa rekel, da je vesel, denarno nagrado pa bo poklonil poljski Cerkvi. Vsota je sicer precejšnja: \$190.000.

Ko je bil vprašan, ali bo osebno šel v Oslo, da prejema nagrado na posebni slovesnosti, je Walesa odgovoril, da ne. Bojim se, je rekel, da me poljske oblasti ne bi dovolile vrniti domov, ako bi kdaj zapustil Poljsko. Dejal je, da bo poslal koga drugega v Oslo, morda svojo ženo.

Na tiskovni konferenci na dvorišču neke cerkve blizu gdanske ladjedelnice, je Walesa rekel včeraj, da namerava začeti z »učinkovitejšimi aktivnostmi« v prid oživitvi sicer uradno prepovedanega delavskega gibanja Solidarnosti. Morda bo moral govoriti poljskemu ljudstvu iz zapora, morda pa po poljski televiziji, je dodal.

Oblasti so zelo zadržane do najnovejšega mednarodnega priznanja Lechu Walesu. Opazovalci poljskih političnih razmer pa soglašajo, da bo režim gen. Wojciecha Jaruzelskega podvil vse potrebne ukrepe za preprečitev oživitve Solidarnosti.

Včeraj je švedski odbor za podelitev Nobelove nagrade za literaturo izbral za letošnjega prejemnika angleškega pisatelja Williama Goldinga, ki je postal poklicni pisatelj šele, ko je bil star 43 let. Golding je 72 let star. Zadnji angleški pisatelj, ki je dobil

Nobelovo nagrado za literaturo, je bil Winston S. Churchill, l. 1953.

Sovjeti baje pošiljajo nove rakete Siriji — Libanonska vlada kritizira Izrael

WASHINGTON, D.C.; BEJRUT, Libanon - Ameriške obveščevalne službe so ugotovile, da so začeli Sovjeti pošiljati nove rakete znamke SS-21 Siriji. To je prvič, da so Sovjeti izročili te izredno sposobne rakete kaki drugi državi. Z novimi raketami bi lahko Sirijci napadli tudi položaje ameriških vojakov, nastanjenih v Bejrutu in okolici, prav tako več krajev Izraela.

V Beli hiši in State Departmentu so zaskrbljeni, ker pomeni najnovejša sovjetska oborožitev Sirije še tesnejšo povezavo med tema dvema državama.

Predsednik libanonske vlade Šafik Wazzan je kritiziral Izrael zaradi izraelskega odhoda od položajev v gorah Chouf in Aley. Libanonska vlada je želela, da bi Izraelci ne odšli, dokler ni bil dosežen sporazum med skupinami, ki bivajo na omenjenem ozemlju. Ker so pa Izraelci te kraje zapustili brez soglasja libanonske vlade, je razplamtela državljanska vojna, v kateri je padlo več sto civilistov.

Zaradi neodgovorne izraelske akcije, je dejal Wazzan, ni mogoče izključiti možnosti, da bo Libanon razveljavil sporazum z Izraelom, ki sta ga obe strani podpisali 17. maja letos.

Premirje v gorah Chouf in Aley ter Bejrutu samem sicer še drži, opazovalci pa poročajo, da je vedno več napetosti.

Obrambni tajnik Caspar W. Weinberger želi veliko več izdatkov za obrambne namene

WASHINGTON, D.C. - Obrambni tajnik Caspar W. Weinberger je baje obvestil Belo hišo, da bo predlagal, naj bodo izdatki za obrambne namene ZDA v fiskalnem letu 1985 višji kar za 17 odstotkov. Fiskalno leto 1985 se bo začelo 1. oktobra 1984, predsednik Reagan pa bo predlagal proračun za l. 1985 zveznemu kongresu že prihodnji januar.

Kot kaže, Bela hiša ni nič navdušena na Weinbergerjev proračunski načrt. Reagan sicer močno podpira pospešeno oboroževanje ameriških obrambnih sil, Weinberger pa gre predaleč prehitro, pravijo viri v Beli hiši, ki poznajo predsednikovo mnenje.

Reaganovci so v skrbah zaradi velikega primanjkljaja v zveznem proračunu. Novembra 1984 pa bodo predsedniške volitve, na katerih bo najbrž ponovno kandidiral predsednik Reagan. Demokratski kandidati ter kongresniki že močno kritizirajo Reagan in republikance zaradi rekordno visokih primanjkljajev zveznega proračuna.

Gospodarska kriza v Argentini vedno nevarnejša — Politična napetost na višku

BUENOS AIRES, Ar. - V zadnjih tednih se gospodarska kriza v Argentini stopnjuje. Argentina dolguje ameriškim in drugim zahodnim bankam dobrih 40 milijard dolarjev in nima dovolj sredstev, da bi redno odplačevala te dolgove. Zahodne banke skušajo doseči z Argentino kompromisni načrt, ki bi preprečil še večjo krizo.

Politična napetost v državi je na višku, ker bo sedanja vojaška vlada pristala na vrnitev k demokratični ureditvi. Zelo močni so peronisti.

»Naša metla in sosedov prag«

Ljubljanska Družina je v svoji številki za 25. septembra 1983 objavila komentar z gornjim naslovom. Predmet komentarja je bilo poročanje v slovenskih listih in revijah v domovini o nedavnem obisku papeža Janeza Pavla II. v sosednji Avstriji. O tem obisku smo tudi nekaj poročali, več bomo objavili prihodnji tork. Komentar v Družini je precej močan, prepričan sem, da bo zanimal mnoge, ki Družine ne prejemajo ali pa so komentar morda spregledali. Ur.

Zelo zanimiv bi bil študij potov, ki so jih in jih še ubirajo naša sredstva družbenega obveščanja, kadar hočejo javnost seznaniti z dejstvi in dogodki v zvezi s katoliško Cerkvijo. Obdobjem žolčnih napadov so sledila obdobja popolnega molka, pa spet poskusi objektivnega poročanja — in kolo se je spet zavrtelo. S tem v zvezi je zelo poučen intervju, ki ga je Jožica Grgič objavila kot dodatek svoji diplomski nalogi (odlomki so izhajali v *Teleksu*, knjiga pa menda v kratkem izide pri Delavski enotnosti). Vrsti uglednih osebnosti, med katerimi so nadškof Šuštar, Franc Šetinc, Dušan Šinigoj in še drugi, je zastavila tudi vprašanje, kakšno je informiranje o Cerkvji v naših sredstvih družbenega obveščanja. Odgovori so tako zelo različni, da je komaj verjetno. Od izjave, da je to obveščanje v najlepšem redu in ne potrebuje izboljšav, do očitkov pristranskosti in prikrivanja dejstev.

Ta različnost odgovorov daje vsaj slutiti, da s tem obveščanjem res najbrž nekaj ne bo v redu. V Družini smo se že nekajkrat ustavili ob posameznih člankih o Cerkvji, zlasti pa o pogostnih potovanjih papeža Janeza Pavla II. Ugotoviti smo morali, da so informacije o Cerkvji razen redkih izjem zelo površne, pogosto napačne, da je pisec bore malo poznal teologijo, krščanstvo in zgodovino Cerkve. Poročila o papeževih obiskih v posameznih državah smo nehote primerjali s poročanjem o potovanjih drugih državnih in ugotovili, da časnikarji in uredniki uporabljajo izrazito dvojna merila. Kadar gre za obisk poveljarja te ali one države, so poročila stvarna, vsebinsko zaokrožena, brez prikritih osti. Kadar pa gre za papeža, je treba seveda poiskati in primerno povečati vsak najmanjši škandal in škandalček, pa čeprav gre za majhno skupino skrajnežev ali pisanje pogrošnega bulvarskega lističa. In ob vsakem obisku so se naši komentatorji z veliko skrbjo spraševali, koliko bo stala organizacija papeževega obiska. Kakor bi denar jemali iz njihovega žepa.

Navadno smo takšno poročanje spremljali brez pretirane odmevnosti. Včasih smo nejevoljno stisnili zobe, drugič se pomilovalno nasmehnil. Zdi se pa, da je poročanje o nedavnem papeževem obisku v sosednji Avstriji preseglo meje dobrega okusa. Če bi to zagrešil bulvarski list (tudi takšne imamo pri nas), bi bilo to do neke mere razumljivo, da si pa kaj takega privoščiti ugleden komentator in urednik, je komaj mogoče razumeti.

Vprašanje denarja se je vleklo že od napovedi obiska sem. Koliko bodo stali varnostniki, tehnična služba in še marsikaj drugega. Vse to nas je skrbelo malodane bolj od naših lastnih gospodarskih težav. Kakor bi se naenkrat zbal, da bo sosednja Avstrija zaradi papeževega obiska bankrotirala in jo bomo morali reševati iz nelikvidnosti. Le zakaj se ob drugih državnih potovanjih, ki vsaj redno sicer ne zberejo skupaj tolikšnih množic, niso pa nič manj draga, ni nihče vprašal po ceni?

Napravimo jim veselja

CLEVELAND, O. - Želim napisati nekaj vrstic o slovenskih domobrancih in njih invalidih. Gotovo je, da moram najprej poudariti dejstvo, da je bilo slovensko domobranstvo v bojnih edinicah sestavljeno največ iz podeželskega prebivalstva. Mestno prebivalstvo je bilo nekako rezervirano, pasivno, uvrstiti se v slovensko domobranstvo — seveda so bile izjeme — zato, ker pač ni občutilo partizanskega nasilja in terorja v tisti obilni meri, kot so vse to občutili Slovenci, živeči na podeželju.

Umori, požigi in ropanja so se dogajala na podeželju dnevno. Ljudem na podeželju ni preostalo drugega, kot da se vključijo v bojne enice slovenskega domobranstva in se tako ohranijo svoja življenja in imetja.

Ko govorimo o slovenskih domobrancih, moramo govoriti o mladini, kajti največji del domobranstva je bila mladina, stara nekako od 17. do 25. leta. To je bila slovenska vojska, ki ni poznala strahu in tudi žrtev ne v bojih proti domačim in internacionalnim komunistom in morilcem. Ta slovenska mladina je pokazala celemu svetu, kako in zakaj se je treba boriti proti zlu komunizma.

Ta mladina slovenskega domobranstva v veliki večini ni ostala med nami po vojni. Ne, niso se postarali ti domobranci, ostali nam bodo mladi junaki, kajti so dali domovini vse — življenje! Razkrojene pa imamo po celem svetu invalide in onemogle, ki so bili med vojno in revolucijo člani bojnih edinic domobranstva.

Globoka dolžnost nas veže to teh invalidov. Dali so del

Vabilo na kosilo
Slomškovega krožka

RICHMOND HTS., O. - Slomškov krožek v Clevelandu vabi vse člane krožka in tudi druge Slovence in Slovenke na kosilo, ki bo v nedeljo, 23. oktobra, v auditoriju pri Sv. Vidu. Postreženi boste z juho, kokošjo ali govejo pečenko z vsemi prikuhami. Cena je \$5 za odrasle in \$2 za otroke.

Slomškov krožek že 20 let deluje v Clevelandu. Ustanovil ga je pokojni gospod Jože Varga. Namen krožka je, da njegovi člani predvsem dnevno molijo, da bi bil škof Slomšek kmalu priznan za svetnika, in da nabirajo denar, ki je potreben za kritje stroškov pri beatifikaciji. Ves dobiček kosila bo šel v ta namen.

Novi mariborski škof dr. Franc Kramberger je zelo poživil delovanje za Slomškovo zadevo. Lansko leto, ko nas je obiskal tukaj v Ameriki, smo mu obljubili, da mu bomo tudi ameriški Slovenci pomagali.

Vabimo vse zavedne Slovence, da se pridružite Slomškovega krožku, ker le z združenimi močmi bomo izprosili Slomšku čast oltarja.

Frank Urankar

sebe za našo svobodo. Danes ne potrebujejo našega omilovanja, naših vzdihov, temveč naših dejanj. Za pomoč ne prosijo, še manj jo zahtevajo. Vedi pa slovenski narod, da imamo invalide in onemogle, ki so potrebni pomoči, naše pomoči!

Organizacija, ki je požrtvovalno na delu, da pomaga invalidom slovenskega domobranstva, je prav gotovo Tabor, ZDSPB. Ta organizacija pripravlja dvakrat na leto družabna večera, katerih ves prebitek gre za invalide slovenskega domobranstva. Eden teh večerov se bo vrsil na soboto, 15. oktobra, v Slovenskem domu na Holmes Ave. v Col-

linwoodu. Večer se bo začel ob sedmih.

Vljudno vabimo vso slovensko javnost na ta družabni večer, ki je tako globoko povezan s prijateljskim veseljem, da tako nam omogoči dati dar veselja invalidu slovenskega domobranstva.

Vstopnice za ta družabni večer si morete zagotoviti, ako pokličete tel. št. 943-4681 ali 851-4961. Za večerjo in postrežbo bo skrbela ga. Štefka Smolič s svojimi pomočnicami. Za ples in zabavo bo igral orkester Veseli Slovenci pod vodstvom Dušana Maršiča.

Vsi lepo vabljeni! Bog vas živi!

Slovenski domobranec,
F.L. iz B.

Franc Menčak — 60. letnik

MILWAUKEE, Wis. - Saj ne boste verjeli — Franc Menčak je 60-letnik!? Vendar sam pravi, da mu neverjetno hitro tečejo leta. Franc je eden od številnih »oktobrovcev«, ki ta mesec praznujejo svoje rojstne dneve, a ki s svojo okroglo letnico posebno izstopa. Šestdeset let je šestdeset let in se jih ne da izbrisati. Gotovo Franc Boga hvali zanje, ker mu je Bog pomagal v življenju prebresti mnogotere hude dni in leta, pa tudi dosti lepih in sončnih dni in let.

Franc Menčak je bil rojen v dobri, verni in pošteni družini v vasi Zabukovica, blizu Celja in srcu prelepe štajerske dežele, med dišečim hmeljem in vinsko trto, 15. oktobra 1923. leta.

In njegove rane mladosti res ne vem dosti povedati, le tisto, kar mi je sam včasih pravil. Vem le, da se je po meščanski šoli izučil trgovstva v zelo poznani trgovini Oset v Libojah pri Celju. Povedal mi je, da so ga imeli tam radi, kakor lastnega sina.

Ko so Nemci l. 1941 zasedli Jugoslavijo, je bila Štajerska priključena Rajhu. Potem je moral mladi Franc, ki še ni imel 18 let, k vojakom. Po naglih vojaških vežbah je bil poslan na afriško fronto. Tam so Nemce premagali Anglo-Amerikanci in Franc se je pridružil Amerikancem ter z njimi ostal prav do konca vojne.

Ker se ni hotel vrniti v vojno Slovenijo, je bil nekaj časa v neki misiji v Trstu, potem pa je moral tudi sam med slovenske begunce v italijansko taborišče. Tudi tu se je hitro znašel. Vem namreč, da so v nekem takem taborišču iskali na komandi človeka, ki bi vodil gospodarske zadeve taborišča. Iskali so sicer inženirja. Od treh kandidatov so pa izbrali Franca Menčaka.

Po svoji izredni sposobnosti, iznajdljivosti in lepi zunanjosti, je Franc vedno prednjačil. Srečala sva se v enem od taborišč (v katerem, sem po tolikih letih pozabil, bilo je ali v Salernu ali Bagnoliju) in si postala dobra prijateljica, kar sva tudi ostala do danes.

V taboriščih smo čakali skoraj štiri leta na milost, kam nas

bodo končno poslali, kje nas bodo milostno sprejeli. Končno, in to med zadnjimi, je Amerika odprla vrata vselitve. Med prvimi je bil seveda kandidat tudi naš prijatelj Franc. Usoda pa mu tedaj ni bila naklonjena. Zdravstvena komisija naselitve v ZDA ni dovolila, češ da Francetova pljuča niso v redu.

V teh letih čakanja pa je Franc našel po srcu sebi primerno mlado slovensko dekle v osebi Milke Kancelir. Vzljubila sta se in poročila. Končno sta se oba odločila vseliti se na Norveško. Našla sta si tam prijatelje in lepo zaposlitev. V tovarni je Franc kmalu napredoval, kakor povsod prej in pozneje. Rodil se jima je prvi otrok, sin Janez, nato pa hčerka Lucija, ki sta odrasčala in začela hoditi v norveško šolo. Vsi so se priučili Norveško.

Po sedmih letih je Menčakova družina dobila sponzorstvo po Milkinih starših, ki so bili že v Ameriki, v državi Michigan. Dobila je vselitveno dovoljenje in zapustila Norveško, deželo, kjer so bili takorekoč že doma.

V Michiganu pa Franc ni našel primerne dela. Stara prijateljica iz taborišč sta našla

TUDI Ignacij Oberstar, Toronto, misijonarju sv. mašo za zdravje \$20; ga. Vera Stan-ko, Toronto, za vse \$25; ga. Krista Sterle, Mississauga, Ont., za vse \$20. Vsi v kanadskih dolarjih.

Družina Ovnovih iz Monterey, California \$375: \$200 od hčerke Kati Thompson in moža iz Bostona, Mass., hčerka Lenka iz Santa Clara, Kalif. \$100, ostali v Montereyu pa \$75. V juliju se je poročil Ovnov Andrej in odšel z ženo, ki še študira, v Washington, D.C., da si poišče službo. Zanimivo, kako raste misijonska misel v otrocih družin, ki misijonsko živijo in otroke vzgajajo. Je to posebna milost božja, če mislimo na številne družine, ki se do takega mišljenja nikdar ne povzpnejo, dasi ravno jim ničesar ne manjka in vsi pridno vlagajo v krajevne banke. Hvala Bogu, da je tudi misijonsko zavednih družin vsako leto več in opažamo, kako v velikodušnosti dajanja vedno napredujejo.

Cleveland, O., 7. okt. 1983.

Ga. Mary Pirjevec iz Eveleth, Minn., je poslala za vse \$200 in za sv. maše za rajnega moža; g. J.L. iz Minneapolisa, Minn. \$100 v dar podpiranemu bogoslovcu v Afriko; \$4.50 je za vse, od petaka, ki ga je dal za stroške.

Ga. Pepca Gruden je darovala za 20 sv. maš \$100 za rajnega moža Johna, ki je nedavno odšel k Očetu. Dodala je še za vse \$45.40. Naj bolni rajni John počiva v miru. Bil je v domovini znan mojemu očetu. Oba sta delala na železnici.

Ga. Mary Boh iz Clevelanda je po ge. Mariji Paternost poslala za vse najbolj potrebne

Naj vsem dobrim dušam, ki sodelujejo pri misijonskem prizadevanju MZA, Bog povrne milijonkrat! Pravkar Fr. Franc Šeškar iz Münchna v Nemčiji piše, kako je bil vesel poročila o Srečanju MZA v Clevelandu. On vsa leta pridno mašuje za namene MZA in v pomoč našim misijonarjem po svetu. Pravkar prosi za nove intencije, ko je dosedanje opravil.

V angleškem delu AD je nedavno inž. Jože Želle napisal vrsto misijonskih misli iz delovanja naših misijonarjev. Priporočil je tudi MZA Cleveland željo po pridobivanju mlajših za misijonsko sodelovanje.

V blag spomin in zahvalo

1921

1983

V globoki žalosti in vdani v božjo voljo, se zahvaljujemo vsem našim prijateljem in znancem, ki so nam stali ob strani ob izgubi našega dragega moža, očeta, brata in strica

SILVO BERIČIČ

ki se je preselil v večnost po daljši bolezni dne 30. avgusta 1983.

Rojen je bil v Idriji, Slovenija, in prišel v Ameriko leta 1959. Zaposlen je bil čez dvajset let pri Pneumatic Tool Co., bil je več let član Društva sv. Ane št. 150 K.S.K.J.

Pogreb je bil iz Joseph Fortuna pogrebnega zavoda na Fleet Ave. dne 2. septembra 1983 ob 9. uri dopoldne v cerkev sv. Lovrenca in od tam na pokopališče Vernih duš, Chardon, Ohio.

Najlepše se zahvaljujemo pogrebniku, g. Josephu Fortuna, ki je vodil verske obrede v pogrebni kapeli in na pokopališču, ter za njegove usluge in izredno postrežbo in pomoč v vsakem oziru.

Iz srca smo hvaležni sorodnikom, ki so prišli iz daljnih in bližnjih krajev, ker so Silvota obiskovali v njegovi bolezni, kar je bilo v tolažbo njemu in nam. Iz dna srca se zahvaljujemo vsem sorodnikom, prijateljem, sodelavcem, sosedom in znancem za obiske v bolnici, poslane kartice, prekrasne cvetlice, darove za sv. maše in dobrodelne namene; vsem, ki so se poslovlili od njega v pogrebnem zavodu, se udeležili pogrebne sv. maše, ter ga spremili na njegovi zadnji poti.

Globoko se zahvaljujemo pevkam od cerkvenega zbora pri Sv. Lovrencu, ki so tako ganljivo zapele pri pogrebni maši. Lepo se zahvalimo osebju Holiday Inn, McLean, Va. za razumevanje, naklonjenost in pomoč. Enako se zahvalimo g. Franku Sterletu in osebju za dobro postrežbo in okusno pripravljeno kosilo po pogrebu.

Najlepšo zahvalo naj prejmejo sorodniki pogrebci, ki so našega ljubljenelega spremili do groba na All Souls pokopališču.

V miru božjem Ti počivaj,
dragi, nepozabni nam,
v nebesih večno srečo uživaj,
do snidenja na vekomaj!

Vsak veliko pomeni, če se za idejo zavzame in jo začne krepiti v sodelovanju s svojim vplivom in osebnimi žrtvami. Otroci iz družin misijonskih pionirjev bi se morali navzeti misijonskega duha od staršev, če bi jim ga pravočasno v dušo vcepljali in jih navduševali.

KANOSIJANKA S. ANICA MIKLAVČIČ

se 7. septembra oglašja iz Hong Konga. Pravi, da se kljub staranju počuti zelo polna življenja in nosi sv. obhajilo ubogim Kitajcem pod nebotičniki. Veseli se, da se bo kmalu lahko spet srečala z g. Pavlinom, o katerem je v AD MSIP brala, da se vrne v Hong Kong. V bolnici je srečala hrvatskega mornarja, ki je bil malarijo dobil in je bil v smrtni nevarnosti. Je na priprošnjo bl. P. Leopolda ozdravel. Vesela je, da lahko z japonščino, kitajščino, italijanščino in slovenščino duše dosega in jim skuša pomagati. Za vse MZA dobrotnike moli in za molitev prosi ter jim pošilja pozdrave. Vabijo jo v domovino na dopust in oddih, pa pravi, da je Bogu dala vse in bi mu najraje služila, kamor jo je postavil...

Tudi lepe znamke vedno priloži, posebej FDC iz Hong Konga.

V Chicagu je precej bolna ga. Mary Vavpotič, prva častna predsednica MZA. Njen zgled je bil čudovit. Gorenjska grča je ostala vse življenje in v večnosti bo mnogim šele jasno, zakaj Jezus blagruje preproste duše, ki so v življenju ostali polni otroške dobrote in nponarejenosti.

V Torontu se zdravi v General Hospital lazarist Janez Jeretina, ki je bil zadnja leta župnik v slovenski župniji sv. Vladimira v Montrealu. Molimo zanj. On je brat predsednice MZA Joliet, gdč. Marije Jeretina, dolgoletne misijonske pionirke v Illinoisu, ki je bila nedavno brata v Torontu kratko obiskala.

V torontski bolnici je tudi g. Alojzij Dolenc, dolgoletni sodelavec MZA.

Župnik g. Janez Kopač, C.M., je v zadnji Božji Besedi kot 70 letnik prikazan. Želimo mu še mnogo let pastirovanja in duhovne rasti med rojaki v Kanadi, ki jim je posvetil vsa leta po vrnitvi iz Kitajske. Kot bivšega misijonarja ga tudi vsem slovenskim misijonarjem in pionirkam priporočamo v molitev.

Molimo za varnost naših misijonarjev na Filipinih, kjer

je zadnje dneve veliko demonstracij in nemirov.

Velik misijonski prijatelj, župnik g. Jože Cvelbar, je na Floridi na srcu obolel. Molimo za njegovo okrevanje. Župnik g. Jože Ferkulj se krepko drži.

Bivši kitajski misijonar Ciril Čiarga, C.M., je postal župnik v slovenski fari Lurške Matere božje v Winnipegu, ko je bil od tam premeščen župnik g. Franc Letonja na Jeretinovo mesto v Montreal, Quebec.

VRSTO PISEM VZDRŽEVANIH DOMAČIH BOGO-SLOVCEV

je glavna tajnica Ferjanova te dneve razposlala dobrotnikom v MZA, ki jih vzdržujejo. Pisma so polna zahvale in obljube molitve in nekateri so foto priložili. Molimo za vse te kandidate, da bi se posvetili in dobro pripravili za pastoralno delo med domačini. Nekateri so bili nanovo dodeljeni dobrotniku, ki je za kandidata prosil. Sedaj pošiljamo za enoletno vzdrževalnino ameriških \$250, če je le mogoče. Preje smo dajali po \$150 na leto, kar je postalo tudi v misijonskih deželah premalo za enoletno vzdrževanje kandidata.

Zanimivo je, da v nekaterih državah veliko več kandidatov vztraja, kot drugje. Rwanda ima veliko resnih kandidatov. Tudi Kenja in Ghana precejšnje število. Drugod je več izstopov in manj stanovitnosti med kandidati. Molimo, da bi jih bilo vedno več in da bi bili čimbolj vsi po — Božjem Srcu Jezusovem.

»Naša metla in sosedov prag«

(Nadaljevanje z 2. str.)

Ker pač ni šlo za papeža, temveč za državnika neke države, s katero imamo urejene odnose.

No, pa smo tam. Papež ni samo poglavar katoliške Cer- kve, temveč je tudi suveren državnice Vatikan. To je sicer »žep- na« država, toda država je. In poleg tega ima Jugoslavija z njo redno diplomatske odnose na najvišji ravni, odnose, za katere so naši najvišji predstavniki ob raznih priložnostih izjavljali, da so dobri in prijateljski. In o suverenu prijateljske države države, ki je tudi papež, beremo v našem tisku izraze, ki so onkraj meja dobrega okusa. Papeški show, mešetarski blišč, teater z enim igralcem in stotisoči statistikov, cerkveni cirkus; vse to so besede, ki jih v zadnjih dneh nismo tako redko zasle- dili. Ali je avtor morebiti pomislil, kako je nekaj stotisoč bral- cev oziroma poslušalcev sprejelo dejstvo, da je verski obred (velika srečanja so bila vedno v zvezi z mašo ali bogoslužjem božje besede) označil za »cerkveni cirkus«? Slovenski vernik je bil upravičeno užaljen v svojih najglobljih čustvih. Kako bi naša javnost sprejela pisanje, ki bi na primer neko veliko družbenopolitično manifestacijo označilo za »cirkus«? Na ja- vnem tožilstvu bi takoj pozvonilo k alarmu.

Nihče ne skriva dejstva, da je bil papež v svoji mladosti dokaj dober igralec in da je te sposobnosti prinesel tudi s seboj v Rim. S svojim nastopom zna pritegniti množice. Ni nam ja- sno, zakaj bi bilo treba politično te gnojnice te njegove sposobno- sti, dokler jih ni uporabil v slabe namene. Pa čeprav pri tem odmislimo zapis o »ciničnih potezah« njegovega obraza, česar nismo našli niti v opisih najbolj zloglasnih diktatorjev našega časa.

Še bi lahko naštevali cvetko za cvetko, ki s trnjem in nič kaj prijetnim vonjem žalijo in povzročajo bolečino vernim čla- nom slovenskega narodnega občestva. Morda v zvezi z »ogromnimi vsotami«, ki naj bi jih bilo treba odšteti za orga- nizacijo obiska, spomnimo na zanimivo nesoglasje s trditvijo o »mešetarskem blišču ob obisku Janeza Pavla II., ki naj bi v času gospodarske krize napolnil avstrijsko blagajno«.

Za kristjane je nedvomno skrajno žaljiva primerjava med Hitlerjem in papežem Janezom Pavlom II., ki sta govorila na istem dunajskem trgu. Papež je bil sam žrtev Hitlerjevega sovraštva do Slovanov in je z Dunaja nagovoril svet z beseda- mi miru, ljubezni in sprave, zato je treba zares mogočno domišljijo, da se človek lahko loti iskanja skupnega imenoval- ca.

Takšen način poročanja o papežu in njegovi dejavnosti odločno odklanjamo. Najprej zato, ker žali verska čustva ti- stih občanov, ki jim vera pomeni najvišjo vrednoto in tudi papeža spoštujejo kot svojega vrhovnega verskega poglavarja in vidno počelo edinosti v Cerkvi. Potem tudi zaradi tolikokrat navajanih temeljnih načel naše socialistične samoupravne družbe, ki sloni med drugim tudi na doslednem spoštovanju človekove osebe v vseh njenih različnostih. Mar naj samo verni Slovenci, ki izpovedujemo katoliško vero, predstavljamo izje- mo?

Resnici na ljubo pa je treba priznati, da so se poročila zelo razlikovala med seboj. Tako zelo, kakor bi bila namenjena dvema različnima družbenima ureditvama. Tako je pač, za nekatere je papež naenkrat postal Johannes, za druge pa je ostal po domače kar Janez Pavel II. Zanimive konotacije, ni kaj reči.

Naši javnosti je znano, da so najvišji državni in cerkveni voditelji vročili papežu vabilo, naj obišče Jugoslavijo. Papež je vabilo z veseljem sprejel in vsi (bolj ali manj) čakamo, kdaj ga bo uresničil. Takšno poročanje gotovo ni dobrodošlica za obisk naše domovine, na katerega sta papeža uradno povabila država in Cerkev.

Tourists See Ireland's Best in 10 Day Trip

By JOE GORNICK

Forty-two passengers boarded a Northwest Orient 727 plane at Cleveland Hopkins Airport Aug. 6 for a 10-day Bob Murphy Best of Ireland tour.

We left Cleveland at 4:20 p.m. with Logan International Airport in Boston our destination. From there we transferred to another plane with 416 passengers to Shannon Airport and landed 5 1/2 hours later. The time change is five hours. Awaiting our arrival was Edward Burke our bus driver for the duration of our tour in Ireland.

We were driven to our hotel Dromoland Castle. This hotel is a magnificent structure dating to 1825. It is now a luxury hotel on a 365 acre estate with a golf course, pond for boating and fishing. The original buildings were built in 1570.

Close by up the road from the castle is the town of Ennis, the government seat of County Clare. The town straddles the river Fergus which winds up under many little bridges and Ennis Abbey, an imposing structure with a high steeple built in 1241. Our driver bused us to the village church, SS. Peter and Paul for 9 a.m. Mass and returned to our hotel for an overnight stay. I took a long walk on the estate grounds. Then we were served a delicious dinner.

St. Patrick

St. Patrick (about 389-461) is the patron saint of Ireland. He was chiefly responsible for converting the Irish people to Christianity. Patrick was born in Britain. His father was a wealthy alderman and a Christian. When Patrick was 16 years old, pirates captured him during a rain and sold him as a slave in Ireland. During his captivity he dedicated himself to religion. He escaped after six years of slavery and returned to his home in Britain. As a result of his experience in Ireland, Patrick became driven by the idea of converting the Irish to Christianity.

After years in school, Patrick began his work in Northern and Western Ireland where no one had ever preached Christianity. He gained the trust and friendship of several tribal leaders and soon made many converts. Patrick is said to have founded more than 300 churches and baptized more than 120,000 persons. He preached in Ireland for the rest

of his life. According to legend Patrick used a three leaf shamrock to illustrate the idea of the trinity. Many persons believe that the Shamrock came to be the traditional symbol of Ireland as a result of this legend.

In a "Letter to Coroticus" he criticized a British raid on Ireland in which several of his converts were killed. The letter also showed Patrick's resentment of the scornful attitude of British clergymen and noblemen toward the Irish.

The first human inhabitants arrived in Ireland sometime about 8,000 years ago. They were hunters and gatherers of food, and squatters on the seashore. They were followed by others with cattle and dogs and began to farm. These early settlers were derived from the old Paleolithic stocks of Western Europe. They have left to the Irish of today the physical heritage of paler skins and a higher proportion of light-colored eyes than the people of any other area of the world. Total population is about four and one-half million with 95 percent Catholic. There are 32 counties, but six in the north are maintained by the British and have been trouble for many years up to this day.

In the monetary system, for 10 American dollars, we received eight Irish pounds. Gasoline is about \$4.00 a gallon. Ireland has about 11,000 pubs. They are great tea drinkers, ranking only second to the English. The government supports all the schools. Ireland is the least industrialized country of Europe. Farming remains the Republic's major industry. Cattle are the most important source of income followed by milk and pigs.

The tourist trade is an important element in the Irish economy. In the great famine of 1845-48 the potato crops failed. It was largely destroyed by a blight. A million peasants died during this period, and as many emigrated to America.

The following morning we headed South, then made a brief stop to view the Dunratty Castle built in the 14th century and is still standing. We proceeded along rich farmlands, hills and dales in County Clare. After a few miles we entered the city of Limerick. It is Ireland's oldest city and stands as a gateway to the country. Noticed many homes

of stucco construction and apartment buildings containing several smokestacks. Each family has one smokestack. Turf and coal are cheap fuels used for heating and cooking. As we passed by we noticed many churches in this city. After crossing the Shannon River we saw St. Mary's Cathedral which was founded in 1194 by Donal Mor O'Brien who donated his own palace for the church.

In the midwest of Ireland are constant reminders of the power and influence of the O'Briens, one of the greatest of Irish families, descended from King Brian Boru, who finally overcame the Danes at the battle of Clontarf in 1014. King John visited Limerick in 1210 and ordered the castle be built "To watch toward Thomond" (the O'Brien country) and a bridge to span the Shannon.

Next we visit a village church of the Trinitarium order founded by Maurice Fitzgerald. Built in the 12th century, it is the only house of this order in Ireland.

We continue on a scenic ride and enter the town of Killarney, crowded with a large number of young persons because its vacation season. We stopped for lunch and shopping. My favorite was a bowl of soup and tiny ham and cheese sandwiches.

We noticed signs saying accommodations Bed and Breakfast one night, six Irish Pounds, which is about 7.00 American money. The end of another beautiful day. We are bused to the Europe Hotel for two nights. It is a beautiful hotel owned and operated by German people. It overlooks Lake Lomond and in the far distance we see mountains.

Ring of Kerry

We begin our tour of Ring of Kerry following a delicious breakfast. The road skirts the broad Ivenagh Peninsula and the circle from Kenmore to Killarney, a distance of over 90 miles. The air is clear and fresh. A large number of homes have no tap water. They must depend on wells a considerable distance away.

Approximately 75% of turf and coal is dug up from the ground. But it is very moist and must dry out eight weeks before it can be used for fuel. Turf is gathered by the truckload. Our bus stops and we examine some of the turf. Nearby was a horse-drawn wagon holding all sorts of

trinkets and homemade wares, selling these items to tourists. Not gypsies, but poor persons trying to make a living.

We continue on to the town of Cahirciveen for lunch. My favorite drink is Irish coffee. Most of the pubs serve food and drink. The town is expecting a large number of persons to visit here in the next few days. Several sports events are scheduled.

We travel on to Waterville in County Kerry and Derryman area and stopped at Casey's Cove. Over a hundred trailers are lined up near the sandy beach, some stay a week or two and engage in fishing,

sunbathing and swimming.

Following dinner, we were bused to Killarney and visit Laurel's Pub. Guest singer Dick Willis received tremendous applause. Also performing were four coleens who demonstrated step dancing and it was well done. Full of spirits we all joined in a sing-along. Following the two hour performance we returned to our hotel.

The following morning, amid cool, invigorating pollution-free air, we travel along a mountainous forest section as we leave Killarney. We rolled along the hillside embedded

It will hold 1,100 gallons of water, more than twice the amount in the first reservoir which is also in use. Stan was one of the many persons who donated their time to build the holding tank.

How to get a small business loan Be prepared.

A bank not only wants to know the people it does business with. It wants to know how your company is doing, too.

So before you borrow money it's absolutely necessary that you prepare a financial statement for your company that covers the last few years, or at least be prepared to show the financial records of your business.

The bank will also want to know where your company is going. It would help if you can forecast your company's sales, business costs and anticipated profits.

You should also supply a short, written company history. Include when and why you were founded, what products or services you supply, the competition, expansion, opportunities, location changes,

and anything else that will quickly indicate the direction your company has taken since it was founded.

Yes, this is a lot of work.

But, as far as organizing your loan presentation to the bank itself, Central Bank will be glad to give you tips on what to include, and what form it should take.

At Central Bank, we can provide you with small business loans and a variety of commercial services. Plus Individual Retirement Accounts, checking accounts, auto loans, and conventional, FHA, or VA mortgage loans.

Central Bank is more than just a place to save money. We're here to serve you. And if we can help you reach your goals, we will.

Tourists See Ireland's Best in 10 Day Trip

(Continued from page 5)

with rock to our next stop — Ladies view. A beautiful sight with a lake and several islands which makes this a photographer's delight. We continue on to the top of the mountains with hairpin turns and curves. We see a shepherd sitting on a large rock puffing on a pipe while his trained dog encircles the sheep so they don't go astray. We stop for lunch in the town of Glengariff. Black people are allowed to live in Ireland; there is a waiting period of six years before they are eligible for citizenship. Some of our group go on an optional boat ride to Garnish Island and see tropical plants from China, Brazil, Australia and other countries. The weather here is ideal. In Ireland there is very little snowfall.

In the bay are several seals. Maureen O'Hara has a home near here. We continue on along Banton Bay and pass thru the city of Cork, Ireland's largest county, to our overnight stop in Blarney, Christy's Country House Hotel.

An early start after breakfast enabled most of our group to walk over to Blarney Castle. Starting from the foot of the castle we walked up 107 steps of the circular stairway to the Blarney Stone, kissed it and received a certificate to that effect. It is estimated that over a half billion persons kissed the stone. It is supposed to confer skill in flattery to anyone who kisses it. According to one legend, it was once known as Jacob's pillow and was brought to Ireland from the Holy Land during one of the crusades.

Leaving the town of Blarney we enter the city of Cork. It is the largest city in the Republic and has a history dating back to the 6th century.

A popular beer here is named Murphy. I have seen no ladies wearing slacks.

On we go along the Lee River and a beautiful scenic view. In County Tipperary we take a short stop in Cahir. Rockwell college is one of the top in Ireland and is located here. We stop for lunch.

Irish police carry no weapons. The Irish Derby, one of the richest horse races in Europe is held at Curragh. On to Naas where we checked into the Burlington hotel in Dublin for an overnight stay.

In the evening we enjoyed a delicious cabaret dinner with show.

Dublin

Following a hearty breakfast we were bused around the city of Dublin. The capital city of Ireland has a population of one million. The streets are jam packed. The Irish like horse races and in Dublin vicinity are six tracks. Dublin's history dates from the second century when Ptolemy marked it down on an ancient map in 140 A.D. as

Eblana. Its excellent harbor gives the city its name, derived from the Irish words "Dubh Linn" meaning Dark Pool so called because of the blackish color of the Liffey waters. Took a stroll and found the Garden of Remembrance, honoring all the people who died for Ireland. Then visited Trinity College and the National Museum of Sciences and Art. After shopping in the many stores, we returned to the bus.

Now we are westbound. Stopped in town of Roscommon to view the smallest church in Ireland. Only six persons can worship here. We continue on through cattle country to Bundoran and the Great Northern Hotel in County Donegal. The hotel is overlooking the Atlantic ocean is encircled by mountains. We will stay here for two nights. There is a beautiful picturesque view of the country side. Featured here is nightly entertainment.

After breakfast the bus is northbound alongside Donegal Bay to Glenties for a comfort stop. After several miles we enter the town of Killybegs for lunch. Some of the pubs have lively Irish music. Spanish fishing boats came here in the 16th century because O'Donnell, "King of the Fish" had given the Spanish King the right to fish around the coast of Donegal.

On we go to Donegal. Standing here is the O'Donnell Castle built in 1474, and the Franciscan Friary built the same year. The center of town is filled with vacationers. Most of our group attend 7 p.m. Mass at the church of the Immaculate Conception in Bundoran. This is the area where we say, "Wee bit of this, or a wee bit of that." Return to our hotel where a delicious dinner awaits us. Entertainment music is nightly.

It's Sunday morning and the last leg of our journey. We traveled along the Atlantic ocean and saw St. Colmcille, a monastery here founded between 900 and 1200. The round tower on the opposite side of the cross still survives. We saw the tombstone of William B. Yeats (1865-1939). He was awarded the Nobel prize for Literature in 1925. Moving on we stop to view the most beautiful lake in Ireland, Lake Loughglenn with its 38 islands, a photographers

delight.

Holy Well is our next stop. This shrine has been here dating back to the 16th century. Many invalids who came to pray here were cured. We continue to Kilkelly and visit Knock Shrine.

Knock Shrine

Our Lady of Knock, Queen of Ireland, Mother of Christ and of the Church, came to Knock with St. Joseph, St. John and the Lamb of God over 100 years ago. To this poverty and famine stricken corner of Ireland where unemployment, evictions and emigration were the order of the day, her coming was a symbol of hope, consolation and strength in their misery.

On a wet Thursday evening, Aug. 21, 1879 at about 8 o'clock, a wondrous miraculous heavenly vision appeared at the gable of the church of St. John the Baptist in Knock, County Mayo in the west of Ireland. Fifteen persons, men, women and children, ranging in age from six to 75 watched the apparition in pouring rain for two hours, reciting the rosary. Though they themselves were soaked, no rain fell in the vicinity of church gable where the ground remained perfectly dry. Those poor and humble witnesses distinctly beheld the Blessed Virgin Mary, clothed in white robe with a beautiful golden rose on her forehead and a brilliant crown upon her head. On her right stood St. Joseph with St. John on her left. Behind them on a plain altar stood a cross with the lamb, surrounded by adoring angels. Most of our group touched the spot on the side wall where the vision appeared. About one and one-half million persons a year pay a visit to this shrine.

Leaving the shrine we stop for lunch in Mellotte's bar in the town on Neale. The owner, James Mellotte, was a stand-in for the actor John Wayne. We continue on and view Lake Carrib, a beautiful spot.

Our next stop is in Connemara for comfort and shopping. A natural green marble, unique in color, is quarried in the mountains of Connemara in the west of Ireland. The beautiful rock is believed to be about 500 million years old. It is extremely hard, polished well, and is regarded by many as the most authentic Irish

product available in Ireland.

We continue to Spiddal, a Gaelic speaking community. Then came to Galway Bay, a sandy beach crowded with a large number of young persons basking in the sun and swimming. The end of another day and we checked in at the Great Southern hotel in the town of Galway.

Galway is the capital of Connacht, the western most province of Ireland. Among ancient Irish all foreigners were called Galls, hence the suggestion that Galway took its name from a foreign colony said to have settled in the region. In 1175 King Henry II granted most of the area now known as the Province of Connacht to DeBurgo, a Norman Knight. His heirs founded Galway city about 1236. Today the city is a vigorous and expanding regional capital with its university, regional college, cathedral, hotels, busy docks and thriving industries.

The following morning before breakfast we attended 8 a.m. Mass at St. Patrick's church on this holy day.

Leaving Galway, we see the largest harbor in Ireland. After nine days of sunshine it began to rain on this final day of our tour. We travel along

the rugged west coast and reached the top of the cliffs of Moher. Due to mist and heavy fog, we are unable to see the cliffs 700 feet above the crushing sea. We left here and passed through Ennistymon, and returned to Ennis, the coast and sandy beach in Lanich and continue to Shannon Airport.

This concluded our 10 day tour of Ireland. Arrangements were by Traveline Travel Agency. Many cheers for our bus driver Edward Burke. He answered every question, was versatile, sociable, and guided us safely through 19 counties along 1350 miles. I enjoyed this tour with a nice group of persons including Bob Murphy, columnist for the News-Herald and his wife, Nancy. Our tour guide Arline Kneen was on hand to make sure we boarded the right plane. The Irish people are warm hearted, friendly and peaceful. We were blessed with ideal weather in this land where the fields are fresh and green, and the air, too. This combination can't be beat.

After customs check in Boston, we boarded a Northwest Orient plane and arrived safely in Cleveland Hopkins Airport at 8:45 p.m.
