

Pomen športa

Zadnji teden smo čitali v našem glasilu priporočila našega glavnega tajnika in urednika. Glavni tajnik omenja člansko kampanjo v zvezi s tretjo mlašinsko konvencijo in drugo atletično konferenco, katero oboje se bode vršilo drugo poletje na Elyju, kjer je sedež naše Jednote. Delegatje mlašinske konvencije bodo naši mladi člani, kateri čravno se še ne zavedajo skribi in problemov odraslega človeka, jim bode pot tja in kar bodo tam videli, ostalo v spominu in kolikor toliko pripomoglo k poznejšemu njihovemu delovanju pri naši Jednote. Delegatje konference pa bodo naši že bolj odrasli, potem katerih bodoemo že v stanu izvedeti njih želje in načrte, kar bo seveda predstavljalo tudi želje in načrte ostale naše mlaštine. Oboje bode severa služilo kot v preteklosti nameru, da se ti naši mladi kolikor mogoče od blizu seznanijo s poslovanjem in delovanjem naše Jednote. Članstvo na decembarskih sejah lahko mnogo pomore v kampanji oz. k uspehu konvencije in konference. Povsod bi moralno priti na dnevnih red vprašanj, kaj naj se ukrepi pri društvu za mladi naraščaj. Ker ako se mi ne bodo zadosti brigali za nje in jim dali prilike in ugodnosti, jim bodo to dali drugi. Me ne vselej sreča boli, ko se domislim in vidim toliko naših mladih fantov športnikov, ki delajo deklamo za druge in so ponos drugim tujim organizacijam. Pred časom, ko sem bil po uradnem opravku v sosedni državi, sem izvedel od naših mladih, da jim je neka tuja organizacija ponujala vsakemu večjo vsoto denarja in druge ugodnosti, ako pristopijo k njim kot igralci base ball teama. Naša društva si morala povsod, kjer je to mogoče organizirati športni odsek, pri čimer bi jim pomagala tudi naša Jednota. Kot mi, ko smo bili mladi, tako si tudi naša mlaština išče zabav, in ako je ne boli doma, jo bo drugje. Sedaj v zimskem času naj se bi ustavljali keglaški teami, pri čimer bi lahko sodelovali z našo mlaštino tudi očetje in matere, ker tudi pri starejših se dobe, ki jih ta šport zanima. Nekatera društva so si začela ustavljati tudi televodne odseke, takozvane "cadets", za mlada dekleta. To se naj bi posnemalo, kjer je mogoče. Na tak način se goji nadvise potrebna družabnost med našim narodom, med nami in našimi otroci in potrebnost skupnosti in kooperacije. Zelo sem prepričan tudi, da vprašanje, dali bo naša mlaština ostala med nami, postaja že sedaj vprašanje, da li bomo mi hoteli biti pri naši mlaštini in ji pomagati. In ravno od tega vprašanja je v veliki meri odvisen napredok naše Jednote in sploh naših slovenskih podprtih organizacij. To sem napisal kot prijatelj športa in naše mlaštine, z željo, da bi naša društva o tem kaj razmotrivala na sejah ta mesec, ker uverjen sem, da športna aktivnost, aks se zadosti oživi pri nas, nam bode prinesla največ mladih zdravih čanov.

Cleveland, O. — Članstvo društva "Hlrska Vila," št. 173 JSKJ, je vladljivo vabljen, da se polnoštevilno udeleži glavne letne seje, ki se bo vršila v nedeljo 11. decembra. Seja se bo vršila v S. N. Domu na St. Clair Avenue v dvorani št. 1 in se bo pričela ob 4. uri popoldne. Članstvo naj upošteva, da je ta seje najvažnejša v vsem letu in da je dolžnost vsakega člana in članice, da se iste udeleži.

Na zadnjem mesečni seji je bilo sklenjeno, da naše društvo pro-

slavi jednotino 40-letnico s prijetno domačo zabavo. Ta zabava se bo pričela takoj po zaključenju letni seji. Poskrbljeno bo za prvovrstno postrežbo, tako glede jestiv in pijače kot godbe. Vsi člani in članice so vabljeni, da se udeležijo te zabave in naj povabijo nanjo vse svoje prijatelje. Čim več nas bo, tem lepše se bomo zabavali. Vstopljiva bo prosta. Torej, pridite bratje in sestre, da bomo vsaj enkrat v letu vsi skupaj, da se bomo bratsko zabavali in obenem pomagali društveni blagajni, ki je lastna nas vseh.

Nadalje prosim člane, da točno plačajo svoje asesmente, da mi bo mogoče pravočasno odpolati denar na glavnega blagajnika.

K sklepku še enkrat: sobratje in sestre, upoštevajte ta poziv in ne pozabite datumata 11. decembra! Bratski pozdrav in na svidenje! — Za društvo "Hlrska Vila," št. 173 JSKJ:

Obe prireditvi se bosta vršili v korist društvene blagajne in so vse rojaki tega okrožja vabljeni, da se istih udeležijo. Sestrski pozdrav! — Za društvo Sloga, št. 233 JSKJ:

Canonsburg, Pa. — Člane društva Bratska sloga, št. 149 JSKJ, obveščam, da se bo naša prihodnja redna mesečna seja vršila v nedeljo 11. decembra in se bo pričela ob 7. uri zvečer. Dolžnost vsakega člana je, da se te važne seje udeleži. Na tej seji se bodo volili društveni uradniki za leto 1939 in delali se bodo razni zaključki za poslovanje prihodnjega leta. Člani se sicer spominjajo svojega društva, kadar imajo od istega dobiti kakšno bolniško ali drugačno podporo, toda mnogi ne misljijo nanj ob drugih časih in še posebno zanemarjajo posečanje sej.

Dolžnost vsakega člana in članice je, da se udeleži vsaj te najvažnejše seje v letu. Posebno opozarjam in vabim na to sejo tiste naše mlade člane, ki jih zanima keglaševanje, ker na tej seji bomo izvolili nadzornika našega keglaškega oziroma sportnega kluba. Naš sportni komisar sobrat Kolar mi je že sporočil, da se bo prihodnja keglaška tekma JSKJ vršila prihodnje leto v Clevelandu, Ohio. Zato, na noge fantje, da se bo tudi naše društvo lahko udeležilo te tekme. In kakega novega člana predlagajte na prihodnji seji!

Članom in članicam našega društva, ki pošljajo svoje asesmente po pošti, naznam, da imamo za mesec december po pet centov naklade za društveno blagajno. Vsak član in članica naj k svojemu rednemu asesmentu za december določi še pet centov. Dalje prosim, da člani ta mesec gotovo plačajo svoje asesmente do zadnjega dne in decembra, da mi bo mogoče zaključiti račune in jih dati nadzornemu odboru v pregled. Čim več članov je navzočih na seji, tem lažje se zaznajo in se takoj po novem letu lotijo kampanjskega dela. Na svidenje na seji 11. decembra se strinja s sprejetimi sklepki, tem boljje je sodelovanje, kar je v korist društva in Jednote. Pridite torej na sejo 18. decembra vsi člani, da sprejmete kar najboljše zaključke in da se izognete globi. V društvenem zapisniku je namreč zabeležen sklep, da kdor se ne udeleži letne seje, plača 50 centov v društveno blagajno.

Aurora, Minn. — Redna mesečna seja društva št. 81 JSKJ, bo vršila v četrtek 15. decembra. To bo zadnja seja v letu in na isti bo treba izvoliti društveni odbor za leto 1939. Člani so prešeni, da se te važne seje udeležijo polnoštevilno. Bratski pozdrav!

Joseph Fayfar, Jr., tajnik.

Chicago, Ill. — Društvi Zvon, št. 70 JSKJ in Jugoslovan, št. 104 JSKJ, sta na svojih rednih meseca novembra sklenili združiti v eno društvo. V ta namen je izvoljen poseben odbor, ki ima nalogu za združenje potrebno ukrepitev in sklicati skupno sejo obeh društev, in sicer meseca decembra, da se izvoli odbor in vse potrebno uredi bodoče poslovanje. Kdaj se ta seja vršila, bo najbrž obnovljeno v prihodnji Novi Dobi. Danes le opozarjam članstvo, da se te seje udeleži polnoštevilno, kajti le na ta način bo močno urediti to zadevo v zadovoljnosti vseh. O pomenu združitve za chikaško naselbino bom pisal ob drugi priliki.

Dne 5. novembra sta se tu pojavila Miss Caroline Golenko in Mr. John Hamm. Nevesta je izbrane in ugledne Golenkove društve, ki vodi znano Maryton restavracijo na Blue Island Avenue Paulina ulici. Ona je članica naše organizacije, kot vsa ostala družina, in sicer ženske pri društvu Zvezda št. 170, oče Anton Golenko je pa član društva Zvon št. 70. Ženin je nemškega rodu, njegov pokojni oče je bil tudi obrozn v tej naselbini. Obilo večje in zadovoljnosti novemu paru!

Pred kratkim sem čital poročilo iz starega kraja, da bodo v Kranju na Gorenjskem zgradili veliko in moderno mlekarino. Prečital sem to zelo pozno, kajti naslovu sem pričakoval, da bo omenjeno, odkod so dobili poimenovanje. Naslov navodila. Toda niti besedice ni bilo o tem. Naj mi bo povljeno, da k temu poročilo dostavljam sledče: Ko se je enakopravni člani in VSE članice pa po 25 centov. Ni prijet-

mudil v Ameriki in ogledaval razna večja slovenska podjetja po naselbinah, ga je posebno zanimala moderna slovenska mlekarina v Chicagu, ki jo vodi naš rojak in sobrat Anton Wenčel. Tako ga je povabil, da naj gre s svojimi premikajočimi slikami, ki predstavljajo modernost te mlekarne, v staro domovino. On se je temu povabil ozval in je imel več predavanj po Sloveniji. Gotovo se ta predavanja veliko pripomogla k ustanovitvi zadruge; članstvo JSKJ je podjetnega sobrata. Omenjene premikajoče slike Wencelove mlekarne je on enkrat kazal in so v resnici zelo zanimive in podučne, da bi jih rad videl zopet in zopet.

John Gottlieb, predsednik dr. št. 70 JSKJ

Reading, Pa. — Večinoma vse slovenske podporne organizacije obdržavajo svoje letne seje meseca decembra in na teh sejih se ukrepa marsikaj glede poslovanja v bodočnosti in se tudi izbere odbor za prihodnje leto.

Tudi naša JSKJ ima v svojih pravilih določen isti poslovnini način. Zato tem potom pozivam članstvo društva št. 61 JSKJ, da se polnoštevilno udeleži letne seje, ki se bo vršila 10. decembra. Ta seja se bo vršila v navadnih prostorih in se bo pričela ob 7. uri zvečer. Vsak član ali članica, kateremu ali kateri je društvo pri srcu, ve, da je dolžnost udeležiti se te važne seje. Vsakemu mora biti znano, da se na letni seji voli odbor za prihodnje leto in se morajo urediti še druge važne zadeve z ozirom na društveno poslovanje v bodočnosti.

Upam vsled tega, da bo naša prihodnja seja dobro obiskana. VRŠILA SE BO V SOBOTO 10. decembra ob 7. uri zvečer, torej ob času, ko nobenega ne oviralno njegovo delo. Članom se še nekako oprosti, če niso posebno točni s posečanjem sej tekom leta, toda resne graje so vredni, če ne pridejo vsaj na letno sejo, ako jih ne zadržuje kak izredno važen vzrok. Torej, na svidenje v Harmony Hall v soboto 10. decembra ob 7. uri zvečer. Pa veselle božične praznike vsem! — Za društvo št. 61 JSKJ:

John Pezdirc, Sr., tajnik.

Chisholm, Minn. — Članicam društva Sloga, št. 230 JSKJ, naznanjam, da se bo naša redna mesečna seja, ki bo obenem letna seja, vršila v nedeljo 11. decembra. Euclid, O. — Leto 1938 se približuje svojemu koncu in pri tem se nam včasi pojavi misel, kakšno leto je prav za prav bilo to leto. Na to si lahko odgovorimo, da za člane JSKJ je bilo to leto čas različnih prireditev v počast jednotne štiridesetletnice. Pri takih prilikah smo bili vse veseli in ponosni, da smo člani te dobre in gospodarsko trdne organizacije, ki je letos zaključila 40 let svojega plemenitega dela. Ob koncu leta tudi upamo in smo prepričani, da bo JSKJ vrisala svoje bratsko delo z nezemanjšano navdušenostjo tudi naprej.

Pri tej priliki vabim člane in članice društva Napredek, št. 132 JSKJ, da se polnoštevilno udeležijo letne seje, ki se bo vršila v petek 9. decembra in se bo pričela ob 7. uri zvečer. Na tej seji bo treba večjo važnost posvetili načinu na katerem smo vse v družbi glavni predsednik Paula Bartela, 1. gl. nadzornika Janka Roglia in 2. gl. nadzornika F. E. Vranicharja prav dobro zavabila. Tam sta bila tudi sobrata John in Frank Živetz iz Joliet, v družbi katerih sva imenito zavabila še naslednj dan.

Drugi dan, v nedeljo, nas je Mr. John Baraga, pri katerem sva prenočila, nekoliko prevozil po lepem mestu Milwaukee ter nam razkazal razne zanimivosti. Nato smo obiskali še društveno odboro v napredku, ki so prav dobro zavabila. Tam sta bila tudi sobrata John in Frank Živetz iz Joliet, v družbi katerih sva imenito zavabila še naslednj dan.

VSE PO PRAVI CENI

Za vsako pošteno blago in za vsako pošteno postrežbo je treba tudi pošteno plačati. Že stari pregorov pravi, da iz nič ni nič, in resnica je tudi, da kdor upa dobiti veliko vrednost za majhno ceno, je navadno v vsakem primeru goljufan in razočaran. Kljub temu slesparji in lahkotruharji, brez katerih ni nikjer, še vedno najdejo dovolj lahkovernežev, na katerih račun živijo.

V vsaki sezoni, posebno pa zdaj pred božičem, se nam marsikaj ponuja napol zastonj ali celo brezplačno. Take oglase dostikrat najdemo v listih, mnogokrat pa dobivamo ponudbe tudi po pošti. Ljudje, ki nekoliko misijo, mečejo take mamične ponudbe v koš ali v peč, toda vedno se jih dobi nekaj, ki sleparjem nasedejo. Vendar nam more povedati čisto navadna pamet, da nihče ne bo oddal velike vrednosti za majhno ceno, če ni absolutno primoran, da ne bo popolnoma tuj človek skusal neznanca "osrečiti", če od tega sam ne pričakuje dobička.

Že v starih časih so rekli, da se je treba batiti Grkov, ki prinašajo darove. To je pomenilo, da so za darove pričakovali na en ali drugi način desetkratnega ali stokratnega povračila. Takih Grkov, četudi niso grškega pokolenja, tudi danes ne manjka. Kadar nam kdo kaj ponuja zastonj ali za neobičajno nizko ceno, imamo vselej vzrok za sumnjo in nezaupnost. Rabimo lastno pamet in pomislimo, če bi mi hoteli oddati tuju kako vrednost po směnu nizki ceni ali zastonj. In ne domisljammo si, da so drugi tako omejeni.

Posebno previdni bodimo, kadar se nam direktno ali potom pošte ponujajo kakšna patentirana zdravila za vse mogoče bolezni. Zdravje je naše največjo bogastvo in z njim se niigrati. Ako potrebujemo zdravljenja, obrnimo se na znanega zdravnika, kateremu zaupamo. On ima potrebno izobrazbo iz šole in prakse in le on nam zmore predpisati pravo zdravilo oziroma pravi način zdravljenja. Nikdar ne izročajmo našega zdravja in življencev v roke mazačev.

Dostikrat dobivamo po pošti iz oddaljenih mest ponudbe za nakup perila ali drugih predmetov. Včasih so takim ponudbam priloženi še mali vzoreci. Tudi pri takih ponudbah je previdnost na mestu. Največkrat zamoremo predmete, kakršni se nam od neznanih oseb ali tvrdk ponujajo, kupiti za enako ali nižjo ceno pri domačih trgovcih. Ako nam kupljeno blago ni všeč, ga lahko brez posebnih nepričil zamenjamo, ker domači trgovci želijo obdržati svoj kredit in svoje odjemalce. Pri naročilih potom pošte je taka zamenjava skoro onemogočena. Izjema seveda velja za nekatere velike splošno znane trvdke, ki že leta in leta vršijo pošteno prodajo potom pošte.

Vsekakor je priporočljivo, da kupujemo naše potreščine pri domačih trgovcih, posebno še pri naših članih in naših rojakinj, kjer je to mogoče. Domači trgovci pomagajo s svojimi davki vzdrževati varnost in udobnosti mesta, kjer živimo, naši rojaki trgovci pa še posebej plačujejo razne narodne davke. Kadar se v eni ali drugi obliki pobira podpora za naše kulturne in druge ustanove ali za rojake, ki so zabredili v nesrečo, so naši trgovci in obrtniki prvi na vrsti. Pravilno je torej, da jih poznamo tudi takrat, kadar jim moremo z našimi nakupi nuditi nekaj poštenega zaslужka.

Za vsako pošteno blago ali pošteno postrežbo moramo plačati pošteno ceno. To velja tudi za razna zavarovanja. Agenti, ki vam za izredno nizko ceno obljujejo zavarovanje vaše hiše, avtomobila in drugih vrednosti, imajo navadno nekaj v rokavu, to se pravi, da vam nekaj prikrivajo. V pogodbì, ki jo podpišete je najbrž z drobnim tiskom navedenih toliko izjem, da je v slučaju nezgode odškodnina znatno znižana ali naravnost odbita. To je logično, kajti družba vam more dati za majhno pristojbino le majhno odškodnino, ker sicer ne bi mogla izhajati. Tudi v takih zadevah je najbolj priporočljivo se držati znanih zanesljivih trvdk in pozanih zastopnikov, na katere se lahko zanesemo, da nam bodo vse pošteno in natančno raztolmačili.

V zadavi življenjskega zavarovanja pa smo najbolj sigurni pri naših domačih podpornih organizacijah. Nobena zavarovalna družba nam za enake prispevke ne more nuditi več, kot nam nudijo naše slovenske podporne organizacije, med katerimi zavzemamo odlično mesto naša J. S. K. Jednota. To organizacijo upravljajo zmožni in zanesljivi uradniki, katere članstvo samo izvoli po svojih zastopnikih na konvencijah. Ti uradniki ne prejema plač v stotisočkah, kakor pri nekaterih zavarovalnih družbah. Pravila krovijo našim potrebam primerno naši lastni zastopniki na konvencijah. In vse poslovanje je pod strogo državno kontrolo, da se brez potrebe ne za-

nadalje nastavlja, morda se mu kake lepe mesečne noči ujame vanjo sama prosperiteta. Palo Alto je namreč tisto mesto, kjer živi bivši predsednik Hoover, in prosperiteta bi utegnila biti za kakim vogalom kje v bližini.

Če bi ne bila vsa zadeva tako žalostna za vse svobodo ljubeče ljudi in posebej še za Slovane, bi bilo zabavno sedanje prerekanje, kdo je zakril razkosanje Češkoslovaške. Navajajo se vsi mogoči krive: sudetski Nemci, ruski komunisti, francoski framazoni, mednarodni židje, madžarski imperialisti itd. Ko človek staja take zaključke, se nehote čudi, zakaj je bil poslan angleški lord Runciman v Češkoslovaško "pot pripravljeni," zakaj je londonski list "Times" prvi javno priporočal, da naj se Nemčiji odstopijo pretežno nemški del Češkoslovaške, in zakaj je visoko moralni angleški ministrski predsednik Chamberlain dobesedno letal v Nemčijo in na svojo roko pristal v Hitlerjev načrt za razkosanje Češkoslovaške!

Starokrajski listi poročajo, da je vestni stražnik v Mariboru zadel, ki je od nekod priplavala po Dravi, in jo odpremil na policijsko postajo, kjer so jo zaprli. Zakaj so gospodki zaprli počelo s odlitki iz Havra francoski luksuzni parniki Normandie.

Sodišče v Michiganu je določilo, da bo Mrs. Annie Laurine McDonald Dodge dobivala iz začnici svojega pokojnega soprogata samo po pet tisoč dolarjev mesečno za preživljjanje, da si je punca zahtevala 33 tisoč na mesec. Mož omenjene žaluočice vdove je bil Daniel Dodge, sin avtomobilskoga magnata, in je kot tak po očetu poddeloval lepe milijone, za katere mu ni bilo treba niti pošteno kihnit. Mlada vdova brez otrok bo s petimi tisočaki na mesec že za silo izhajala, saj je še vedno skorost skorat več, kot prejema na mesec delavec zaposlen pri WPA, ki mora v mnogih primerih s tem preživljati še številno družino. Ko človek čita tako poročila, se mu vsiljuje misel, da če je kakšna nevarnost za širjenje komunizma v tej deželi, je ne predstavlja kosmati agitatorji, ki pridigujejo na cestnih voglih, ampak milijonske zapuščine brezdelnih parsov.

V mestu Cincinnati, Ohio, izhaja nemški list "Freie Presse", uredniku katerega je bil pretekli teden dostavljen red nemškega orla druge stopnje. Mož pa se je pokazal moža, izjavil je, da je ameriški državljan in da kot takemu pristojna edina zvestobina v danosti Ameriki, in je poslal nemško odlikovanje nazaj v Berlin in obratno pošto. Še so na svetu pošteni Nemci in še so v tej deželi naturalizirani državljanji, katerim je sveta prizega zvestobe zvezdnati zastavi—in samo njej!

FRANCOSKA JEŽA

V italijanski poslanski zbornici, ki se je dne 1. decembra sezela k svojemu zadnjemu zasedanju, kajti po tem zasedanju bo sploh odpravljen, je neki poslanece zahteval, da mora Italija od Francije odtrgati Tunisijo in Džibutti v Afriki, otoči Korsiko, sredozemske resortne mesto Nizza in pokrajino Savojo, južno od Švice. Ta govor je povzročil silno demonstracijo, naperjene seveda proti Franciji. Francoska vlada je od italijanskevlake v takoj zahtevala pojasmila in francoski listi z veliko jezo poudarjajo, da Italija ne bo nikoli dobila od Francije niti košček ozemelja.

PREDSEDNIK HACHA

Ceškoslovaški parlament je izvolil za predsednika republike dr. Emila Hacho, kot naslednika Edvarda Beneša, ki je resigniral po ceškoslovaško-nemški kriizi. Novi predsednik Hacha je 66 let star in je bil dosedaj predsednik najvišjega administrativnega sodišča.

OTROŠKI BEGUNCI

V Anglijo je dne 2. decembra doseglo 200 židovskih otrok iz Nemčije, kjer jih bodo angleški državljanji adoptirali. Dobrodružna organizacija, ki se je zavzela za te osirotele židovske otroke, upa, da bo mogla v Angliji dobiti prostora za 5000 teh sirot.

CISČENJE V RUMUNIJI

V Rumuniji je bil dne 30. novembra ustreljen Cornelius Zelina Codreanu, bivši vodja začetne fašistične Železne straže. Z njim vred je bilo ustreljenih še 13 njegovih somišljencov, kdo so baje skušali pobegniti. Izdane so bile stroge naredbe in storiti fašisti so bili vrženi v ječe. Po vsej deželi vlada izjemno stanje in vojaštvo straži vse zvezne kraje.

POLJSKA NESTRPNOST

V tješinskom ozemlju so Poljaki dobili nekoliko najmoderneje urejenih čeških rudnikov. Iz premogovnikov v Betynji in v Poročovu so takoj izgnali vse češke inženjerje in mojstre ter jih nadomestili s poljskimi. Čez teden dni pa so prišli prosit prejšnje inženjerje in obratovodje, naj se znova lotijo dela, pa so dobili odločenilen odgovor, ker inženjerji niso marali, da bi jih čez par tednov zopet zapolili. Posledica je bila, da so morali obratovodje v obeh rudnikih začasno ustaviti. V Betynji je v premogok vodila voda, v

Porabovo pa so rove napolnilni plini.

Podobno se je zgodilo na mejni železniški postaji Bohumin. Tudi tam so spodili vse češke železničarje in jih nadomestili s poljskimi. Toda promet na živahnih postajih je začel zastajati, vozovi so skakali s tirov in vse je prišlo v nered. Na posled so se Nemci, ki so na rednem prometu na tistem važnem železniškem križišču zelo interesirani, naveličali zmede in so prisilili na Poljake, da so spet vzel v službo Čehe. Odslej je promet v Bohuminu v redu.

POŠTENA FINSKA

Izmed trinajstih evropskih držav, ki dolgujejo Zedinjenim državam okrog 13 tisoč milijonov dolarjev, samo malo, republika Finska cipačuje polletne obroke svojega vojnega dolga. Zamudila ni nobenega obroka in je obljubila plačati tudi obrok ki zapade 15. decembra in znaša okrog \$233,000.

PROBLEMI PRI SELJENCA

jih je bilo končno sprejetih. Vse druge niso prišle niti do glasovanja.

Vprašanje: Neki mladenič je prišel v Združeno državo pred desetimi meseci. Živel je pol leta s stricem, ki mu je bil postal potreben "affidavit of support." Ta stric ga noče več vdrževati. Ali se more strica prisiliti, da ga vzdržuje?

Odgovor: "Affidavit of support" je bolj moralna dolžnost, kot zakonita odgovornost, kajti po obstoječih zakonih je človek obvezan vzdrževati le ženo, nedeltnote otroke in postarne starše, ne pa drugih sorodnikov. Ni zakonitega načina, da bi se more prisiliti strica, da vzdržuje nečaka. — Ako bi ta mladi mož iskal oziroma dobil javno podporo, bi postal "public charge" v smislu priseljeniškega zakona in to bi po navadi imelo za posledico deportacijo v rojstni kraj. — FLIS.

O KORISTNIH PTICAH

(Nadaljevanje s 1. strani)

partment nasaditev nekaj muriv. Črešnje in murve zorijo istočasno in robini imajo murve rajši od črešenj.

Raznih vrst žolnje so najboljše čistilke našli sadovnjakov, parkov in gozdov. Te plezalke preglejajo vsako deblo in uničijo neštetično raznih hroščev, črvov in drugih drevesnih škodljivcev, ki se skrivajo v drevesni skorji ali v lesu.

V splošnem so ptice vseh vrst, z delno izjemo ptic roparic, človeku koristne ali vsaj neškodljive. Gotovo je, da kjer je mnogo ptic, se razni mrčesi ne morejo preveč razmnožiti, ker jih ptiči uničujejo v vseh oblikah, to je v jajčecah, v ličinkah in razvitih žuželkah. Pametna je navada krmljenja zimskih ptic. S tem se ptice privadijo gotovo okolice in posledajoče po drevju podjetno iščejo zaledo raznih vrtnih in drevesnih škodljivcev. Brez pretiranja se lahko trdi, da so ptice največje prijatelje človeka, ker so najbolj zanesljive in učnevalke raznih mrčesov, ki so nevarni pridelkom in jih govorih, sadovnjakov in vrtov, ali pa tudi njegovemu zdravju.

Colo. Sunshine

Denver, Colo. — Looking out the window this morning I see the trees and ground all covered with snow and a look at the calendar tells me that in four weeks old Saint Nick will be here. Everybody has the Christmas spirit and in the cities and hamlets people are hustling around getting presents for mother, dad, sister, brother and friends. Naturally, you wonder what the members of Colo. Sunshine Lodge, No. 201, SSCU are planning. At our last meeting I was very disappointed to see only a few members present and I can't help wonder where every one was. I will say that you missed out on a lot of things, but there is one thing that you can still enjoy if you attend the Dec. 18 meeting. This is the annual meeting of the year, so we hope to see all of you there. Let's make it a full house. Important business to take care of is the election of officers for the year 1939. We will also take a vote on joining the Colo. Federation of SSCU lodges. Other business of interest to all members. After the meeting we will have a get together party of our members for a good time. The girls have promised to furnish the eats and the boys the drinks. There will also be music for those with itchy feet. I would like to see all present promptly at four p.m., Dec. 18, at the Slovenc hall, 4464 Washington St. Mark this Sunday on your calendar so that you do not forget. I hope that all members will pay their assessments in full this month so that the new secretary can start out with a clean slate. All those who are behind on their assessments will be suspended. There is no reason for not paying on time as you have to pay it sooner or later and the present is always the best. I will receive assessments at the meeting or at my home, 5181 Clarkson St. Now remember, Dec. 18, 1938 is Colo. Sunshine lodge day, so be sure and come prepared for a good time.

Ladies of SSCU

Joliet, Ill. — Miss Marie Munsch was hostess to the Ladies of SSCU at her home on November 22. A short business meeting was held. Plans were made for the Christmas exchange, which is to take place at our next gathering. Games followed the meeting with prizes awarded to Misses Jeanette Kosick, Julie Adamich and Lillian Kosick. A delightful luncheon was served at a long lace covered table, the color scheme being carried out in Thanksgiving effect. Miss Anne I. Jevitz, president of the club, will be hostess to the Ladies of SSCU on December 30th, at which election of officers for 1939 will take place.

RULES GOVERNING THE THIRD JUVENILE CONVENTION CAMPAIGN

All juvenile members from ages 12 and on, in Minnesota from ages 10 and on, are eligible as candidates for delegates to the third juvenile convention, which will be held in Ely, Minn., on August 4, 5 and 6. Juvenile members who shall be 18 before August 1, 1939 are not eligible.

Candidates for delegates must submit their entries as such to their lodge secretary between December 1, 1938 and January 31, 1939. The local secretary in turn will report their names to the home office.

The membership campaign shall be of six months' duration, between January 1 and June 30, 1939, and the two candidates from each section who shall enroll the most number of new members in the juvenile department, but not less than 20 each, shall be declared delegates. The SSCU is divided into 28 sections.

Each candidate who shall have 40 new juvenile members to his or her credit during the six-month interval automatically is elected delegate, regardless of the number of new enrollments credited to others in the same section.

Only new members enrolled in the juvenile department shall count as credits for candidates.

Juveniles may enroll new members not only into their own lodge, but in all other lodges included in their section.

After March 1, 1939 no juvenile candidate will be permitted to turn over new enrollments to his or her credit in favor of another candidate.

Juvenile delegates will be given free transportation to and from Ely, Minn.; allowed two dollars a day expenses while traveling, and given free room and meals during their stay in Ely.

Lodge 30

Chisholm, Minn. — Members of St. Joseph lodge, No. 30, SSCU are cordially invited to attend the coming monthly meeting, which is also the annual assembly, to be held in the usual quarters on Sunday, December 18, commencing at 2 p.m. At the December meeting election of lodge officers for the coming year takes place, and also other business relating to the lodge in the future is passed upon. The December meetings are the most important, and many items indicate the trend of the lodge. Hence attend on December 18 in full numbers and elect such officers which in in your mind will work best for the lodge and the Union. Entertainment will follow adjournment.

At the November meeting of our lodge it was decided to hold a Christmas party on December 24 for the juvenile members. Santa Claus will distribute gifts to the children, and prizes also will be awarded. This Christmas party will be held in Mahne's hall, starting at 2 p.m. All members of the juvenile department of our lodge are invited to attend this party. In conclusion, I extend my best wishes to all members for a Merry Christmas and a Happy New Year.

Betsy Ross Meets

Cleveland, O. — All members of the Betsy Ross Lodge, No. 186, SSCU, are requested to attend the annual meeting of the lodge to be held on Sunday afternoon, December 11th, at the Slovenc Workmen's Home on Waterloo road.

Members, do not be confused on the change of date, as at the last meeting held it was decided that we hold the December meeting on a Sunday afternoon instead of the usual day. The purpose of the change was to give every member the opportunity to attend.

This meeting is scheduled to begin promptly at 3:30 p.m., in Hall No. 3, upstairs. Refreshments will be served after the meeting, as well as the new calendars for the year of 1939 will be distributed to all members.

Your presence is anticipated at this meeting, as it is of vital importance to you all. Election of officers for the ensuing year shall take place. It is your business to look forward in selecting the proper members into the respective offices, who will be capable, conscientious, active and cooperative in the progress for the lodge and the Union to every extent.

Many advancements have been achieved by the lodge during the year, by the cooperative spirit given by all of you members on all the activities held during the year. It is through such cooperative spirit that such progress can be achieved. So attend the annual meeting and continue the good work that has been enjoyed thus far.

Also at this meeting full particulars will be reported regarding our forthcoming membership drive which is to begin on January 1st and ending on June 30th. Many interested items will be given for your benefit, as will the activities that the lodge has arranged for the future.

Bro. Louis Tolar Sr. is still convalescing at his home from the illness that came upon him in June. Here's hoping for a speedy recovery.

Bro. Frank J. Poje Jr. has met with an accident on Thanksgiving day and is recovering slowly. We hope that you will recover rapidly and be with us soon.

Both dances shall be held for the benefit of the lodge treasury. All members, their friends and relatives are invited to attend the two dances.

Members!

Attend the annual meetings of your lodge. The December meetings are very important to you as the members, to the lodge as the SSCU local point of contact, and to the SSCU as the central body vitally concerned in the affairs of its branch units. All juveniles over 16 are also eligible provided they shall not reach their 18th year before August 1, 1939.

Now is the time for our adult members between the ages of 16 and 35 to enter as candidates for delegates to the second national athletic conference, to be held in Ely, Minn., on August 4, 5 and 6. Simply inform your lodge secretary that you wish to enter your name as candidate for delegate. Rules governing the candidates and subsequently delegates will be found elsewhere in this issue.

Lodge 81

Aurora, Ill. — The regular monthly meeting of St. Jerry's lodge, No. 81, SSCU will be held on the third Thursday, December 15, 1938. All members are asked to come to this meeting as new officers for the year 1939 will be elected. Our meetings have been visited by only a few members. Let's have a good turnout for the final meeting of the year 1938.

Joseph Fayfar Jr., Sec'y

Lodge 1

Ely, Minn. — All members of "Sv. Cirila in Metoda" Lodge No. 1, SSCU are requested to be present at the annual meeting to be held Sunday, December 11, 1938 at the Jugoslav National Home at 7 in the evening.

It is the duty of every member to attend this session as the officers for the year 1939 will be elected. Each and every member should make it his or her duty to attend at least this one very important session of the year. Most members only think of the lodge as a body from which they will receive sick benefits when ill or death benefits when one has passed into the great beyond, but seldom think of it in terms of duty to the organization by attending the sessions, which is their privilege.

During the past year your present officers have endeavored to keep the lodge in as active a position as possible. Those of you who have taken the time to read our official organ "Nova Doba" already know this, but those of you who seldom make it a point to read will perhaps be interested to know that Lodge No. 1 was the only lodge to enroll 40 new members during the 40th anniversary campaign, and thus had the one and only delegate to the celebration in Bro. Joseph Kovach, chairman of No. 1, and the above accomplishment was derived mainly through his efforts.

During the year two of our members died and a few have been suspended, while some have transferred to other lodges, but we still continued to gain in membership and have at this writing 373 adult members and 137 juveniles. If you think the present officers are capable of conducting the business of the lodge and organization during the year 1939, come to the meeting and give them your vote. If you feel on the contrary that better results could be obtained by others, don't be afraid to nominate and vote for those you consider best, for each and every member can aspire to any office, and by being duly elected, the office is theirs for the ensuing year.

Starting Jan. 1, 1939 and on to July 31, 1939 a campaign for new members will be in progress. Do you want your lodge to go over the top in this campaign? If so, see how many members you can enroll. If you know of some prospective member and don't believe you could convince the member to join, call on your officers who will be more than glad of the opportunity. During this campaign many new awards will be offered to the successful participants. The young adult members will be given the opportunity to earn themselves a free trip to Ely, to the athletic conference which will be held in conjunction with the juvenile convention. So come to bat all you young athletes in the interest of the SSCU, and you will be rewarded not only by the handsome cash awards but also by attending as one of the delegates to the athletic conference. All details will be found in the "Nova Doba." Until we meet,

At the moment, however, the most important item in the rules is this: YOU HAVE FROM DECEMBER FIRST TO JANUARY

(Continued on page 7)

RULES GOVERNING THE SECOND ATHLETIC CONFERENCE CAMPAIGN

All adult members, between the ages of 16 and 35, are eligible to run as candidates for delegates to the second national athletic conference, which will be held in Ely, Minn., on August 4, 5 and 6.

Candidates for delegates must submit their entries as such to their lodge secretary between December 1, 1938 and January 31, 1939. The local secretary in turn will report their names to the home office.

The membership campaign, including the third juvenile convention and second athletic conference, will be of six months' duration, between January 1 and June 30, 1939, and the candidate from each section who shall write up the most insurance in the adult department, but not less than \$5,000.00, shall be declared delegate. The SSCU is divided into 28 sections.

Each candidate who shall secure \$10,000.00 worth of new insurance to his credit during the six-month interval, automatically is elected delegate, regardless of the amount written up by his colleague in his section.

Only new members in the adult department shall count as credits for candidates. Transferred members from the juvenile department into the senior group shall not count as new insurance for candidates; neither will increase in death benefits by members already enrolled in the SSCU.

Candidates may enroll new members not only into their own lodge, but into any lodge included in their section.

After March 1, 1939 transfer of written up insurance from one candidate to the credit of another candidate will not be permitted.

Delegates will be given free transportation to and from Ely, Minn., and four dollars a day expenses during travel and stay in Ely. They will have to pay for their own room and meals in Ely.

"As A Secretary Sees It"

Blawnox, Pa. — This is the second week in December—the calendar may issue yours truly a challenge for the validity of that statement—nevertheless this scribe reassures you 'tis so! Why bother? What makes it any different from any other second week of any other month? To the multitude of SSCU members and local units as a group, the answer already appears on the horizon. Another year has gone to rest and the democratic policy that governs our splendid organization heralds the moment for another election date. A date that every member who hopes to make the most of his or her investment will not fail to fill. A date for you and you alone. Whether the next year will see you local branch of a large business house in capable hands, able and efficient, only you can say. The majority of SSCU members will make known their choice Sunday, December 11th, as that seems to be the popular assembly date. For the Electrons: we convene promptly at 10:00 a.m.

Aside from the election importance attached to your December conclave, we find the 1939 membership drive anouncement an added incentive to attend the annual assembly. The very interesting outline as set forth by our supreme secretary, Anton Zbasnik, will be cause enough for many an active SSCUer to become a candidate for either the juvenile or athletic convention. Its very completeness and fairness should open the way for a thorough and sincere discussion at your current monthly meeting. The twin-convention idea affords a profitable venture for both the individual and the lodge; either can ill-afford to pass up such a "swell chance"! Certainly it will not be you . . .

What more fitting climax, to a successful 40th anniversary year, could be arranged, than the announcement heralding the twin convention program! The very nature and set-up of the program promises adventure to be well repaid if only an average effort is expended by every member; nevertheless it is to your advantage to give your all, and help YOUR SSCU to put this TWIN-BILL over for an unprecedented victory; for it is such an event . . . Remember "IT CAN BE DONE" as that national radio program informs you.

On the Electron's front, it will be recalled that to some extent this feature has been discussed at our former meeting. Detailed discussion was postponed pending official announcement. Sunday's conclave should instigate immediate action . . .

Perhaps of more than passing interest is the article in the Slovene section of last week's Nova Doba, by Joseph Yelovchan, Sr., secretary of local senior lodge. Brothe Yelovchan requests 100 per cent attendance for the annual meeting this Sunday for two very logical reasons: 1st, election of officers and second, informing the membership that 1939 is their 10th anniversary and some action should be taken to fittingly observe this occasion to their "deset letnice" . . . The suggestion is very timely and merits sincere consideration on the part of "Vesela Bodocnost's" membership . . . This scribe, as a former member and officer of that group, is quite familiar with the sincere and untiring efforts of brother Yelovchan in discharging the duties of his office. Beginning with the depression, in '29 he has piloted the secretaryship through the past nine years, and few indeed are familiar with some of the more

Center Ramblers

Center, Pa. — Another year is passing away into the aisle of nowhere, again we stop to think over whom we would like to see elected to lead us in lodge offices for the year 1939. Don't forget you are also a member, and must help to guide the officers, and not say "I'm not interested." Help make the Center Ramblers one of the most active lodges of the SSCU this coming year. Remember, all members are urged to be present at the annual meeting on December 11, 1938.

Be a good sport, even in hunting, says Bro. Joe Kalik, Bro. Frank Pintar and Treasurer Frank Kalik who returned home with 3 deers after an enjoyable trip. That isn't fair, Joe, some members have two dears, and others have none.

The Center Club, St. Barbara, No. 33, SSPZ lodge, and Center Ramblers No. 221 are sponsoring a Christmas Party at the Center Slovenc Hall. I'm reminding you parents not to forget to bring your children, as Santa isn't going to bring everything to the homes this year, but he's coming to the Slovenc Hall to spend the afternoon with the children, and bring each and everyone a special gift. A dance will possibly follow as usual. As I am writing this, it hasn't been yet decided as to the exact date. It will be known in next week's issue of Nova Doba. More publicity Center Ramblers, that is why our Union publishes a paper.

Cleveland Bowling

Cleveland, O. — Last Sunday, Dec. 4, the Collinwood Bakery won three games at the expense of Dolgan Hardware, in the Cleveland SSCU Bowling series. Perme Tailors made it two out of three from the Poklar Service, as did the Euclid Dairy, with two victories and one defeat over the Stein's cafe. Team standings as of Nov. 27th are:

W L Pet.	Dolgan Hardware	16	5	.762
Coll. Bakery	13	8	6.19	
Euclid Dairy	12	9	.571	
Poklar's Service	10	11	.476	
Perme Tailors	6	15	.286	
Stein Cafe	6	15	.286	
Team High Single:				
Collinwood Bakery	957			
Poklar's Service	924			
Dolgan Hardware	901			
Team High Three:				
Coll. Bakery	2671			
Dolgan Hardware	2567			
Euclid Dairy	2543			

In last week's issue an error was made inadvertently in reporting results of Sunday, Nov. 27 bowling. Collinwood Bakery team won two out of three games over Perme Tailors, instead of vice versa as indicated by the report. Collinwood Bakery compiled scores of 727, 894 and 782, compared with Perme Tailors who collected 701, 836 and 779.

Lodge 112

Kitzville, Minn. — Members of lodge "Sv. Janeza Krstnika", No. 112, SSCU are notified to attend in full numbers the annual meeting, which will be held Sunday, Dec. 18, starting at 10 a.m.

Absentee members will be dealt according to the by-laws. At the Dec. 18th meeting we shall elect a board for the year 1939, as well as consummate other important lodge endeavors.

Frank Shega, Sec'y.

difficult "rough spots" he has encountered in his work . . . No doubt the secretaries, in general, will join me in: "You have certainly shown your faith in the SSCU, Joe, and may the SSCU show its faith in you."

F. J. Progar

Lodge 149

Canonsburg, Pa. — Members of lodge "Sloga", No. 149, SSCU are hereby notified to attend the coming regular monthly meeting on Sunday, December 11, starting at one p.m. This is one hour earlier than usual. At this meeting, which is the annual assembly, action will have to be taken on many important items to be in force for the coming year. Likewise, the annual election of lodge officers for the coming year will take place.

It is the duty of every member to attend this most important meeting of the year. Especially invited to this meeting are the young members who are interested in bowling, for at this meeting we will elect also an athletic supervisor in charge of our sport club. Our athletic commissioner Bro. Kolar has informed me that the next annual bowling tournament of our SSCU will take place in Cleveland next year. Therefore, on your toes boys, so that our lodge too can attend this tournament. And don't forget to present that new candidate for membership at the next meeting.

A note to the members of our lodge who forward their assessments by mail: There is an extra five-cent assessment for the month of December, the money to go into the lodge treasury. Each member must add five cents to his regular monthly assessment for December. I further request our members to be sure and pay their assessment by the last day of the month, so that I can close my books and turn them over to the trustees for auditing purposes.

Martin Zagar, Sec'y.

Lodge 128

New Duluth, Minn. — Members of "Sv. Srca Jezusa" lodge, No. 128, SSCU are cordially invited to attend the annual meeting in full numbers. This meeting will be held in the usual quarters on Saturday, December 10 at 7:30 p.m. Inasmuch as this is the last meeting of the year, it is the duty of all members to attend this assembly, where among other important business transactions is included the election of lodge officers for the year 1939. Ordinarily our meetings are poorly attended. Sometimes there are barely enough present to start a meeting. As a result we cannot adopt any important measures, since there are not enough present.

John Novak, Pres.

Lodge 43

East Helena, Mont. — Members of lodge St. Aloysius, No. 43, SSCU are invited to attend the principal or annual meeting, which will be held Monday, December 12. Meeting will be held in the usual quarters starting at 7 p.m. A lodge administrative board for the coming year shall be elected at this meeting, and many other important matters relating to the lodge shall be discussed and passed upon.

At the November meeting it was decided to omit a fine for any member failing to attend. However, this is not to be interpreted as a "stay away" notice. Members should attend in full numbers as an indication that they are interested in their lodge and that they do not need the fear of a fine to induce them to come to the meeting.

Arrangements are being made to provide refreshments after the meeting. And if we feel like it, we also can turn around in a few dances. And the quicker we conclude the meeting, the more time we will have available for entertainment.

Louis Smith, Sec'y

Lodge 54

Hibbing, Minn. — Members of "Sv. Franciska" lodge, No. 54, SSCU are invited to attend in full numbers the annual meeting, which will take place on Sunday, December 18, at Memorial Hall, commencing at 9 a.m. Officers for the coming year will be elected at this meeting, and adopted also shall be many important decisions pertaining to the lodge in the future. The more members present at the meeting, the easier it shall be to satisfy a majority, whether it be the election of a lodge board or the by-laws governing the local lodge. And the greater the majority that accepts the decisions, the better co-operation we can expect, all of which is for the benefit of the lodge and the Union. All members attend the December 18 meeting, so that you may accept the best proposals and to avoid the penalty. In the lodge minutes is recorded a decision to the effect that all absentees from the annual meeting are to pay 50 cents into the lodge treasury.

I also want to take this means to request all members who are in arrears with their assessments to meet their obligations before the end of the year 1938. In conclusion, I extend my best wishes to all for merry Christmas holidays and a happy new year.

Caroline Kern, Sec'y.

Lodge 13

Baggaley, Pa. — Members of lodge "Sv. Alojzija", No. 13, SSCU are requested to attend in full numbers the coming annual or principal meeting of the year, which will take place Sunday, Dec. 18. The meeting will be held in the usual quarters starting at one p.m. I think the membership is aware that we have to elect a lodge board for the coming year. It is the duty of every member to attend at least the annual meeting, so that he may become familiar with the lodge affairs and other regulations in force for the entire year.

Members are further notified that at the November 20th meeting the lodge decided to impose a special lodge assessment. Each member insured in all benefits will be assessed 50 cents lodge treasury assessment, and members insured for only partial benefits, such as death and disability only, will be assessed 25 cents. Lady members will be assessed only 25 cents. The task of imposing this special lodge assessment is anything but pleasant, and the job of executing the detail of collection is unpleasant also, but the membership must keep in mind that there is no alternative. Funds with which to defray lodge expenses must be obtained somewhere.

Joseph Debelak, Sec'y.

Lodge 2

Ely, Minn. — Members of lodge "Sv. Srca Jezusa", No. 2, SSCU are cordially invited to attend the next monthly meeting, which will take place in the usual quarters on Sunday, Dec. 11, starting at 4 p.m. December meetings are the annual assemblies, where officers for the following year are elected, and plans for the lodge's future progress are outlined. For this reason December meetings are most important, for these meetings often spell either a lodge's progress, or a lodge's stagnation.

Therefore, members, come to the Dec. 11th meeting, if at all possible, and elect a lodge board which you consider is the best for the lodge and the Union.

Joseph L. Champa, Pres.

Lodge 55

Uniontown, Pa. — All members of "Sv. Roka" lodge, No. 55, SSCU are invited to attend the annual meeting, which will be held Sunday, Dec. 18, starting promptly at 1 p.m. The annual meeting is among the most important assemblies of the year and for this reason no member should be an absentee. Included in the order of business is election of officers for 1939, review of rules governing the lodge and other important items for the members' consideration.

Working conditions have been poor all over, including our settlement. However, our lodge progressed satisfactorily considering the conditions. In December 1937 our lodge consisted of 94 members in the adult department and 54 members in the juvenile department. This year our lodge consists of 106 members in the adult department and 74 members in the juvenile division. From this it can be seen that we always are on the job. No member has been suspended this year, either in the adult department or the juvenile division. If a member could not pay, the lodge advanced the necessary assessment. We can conclude then that our lodge is progressive and brotherly.

Our Union's calendars will be distributed at the annual meeting.

Joseph Prah, Sec'y.

Lodge 120

Ely, Minn. — All members of lodge, No. 120, SSCU are requested to attend our regular meeting to be held Dec. 14 at 7 p.m. at the Community Center, upstairs. At this meeting you will elect your officers for the coming year and also adopt the rules and regulations which must be followed.

All members who have a debit are requested to pay up their dues so that the books can be balanced by the end of the year and all bills paid. The officers wish all the members a very merry Christmas and may Santa Claus be good to everyone of you.

Rose Svetich, Sec'y.

To the juvenile members of St. Joseph lodge, No. 30

Chisholm, Minn. — Our lodge will hold a Christmas party on Saturday, December 24, at Mahne's hall. Santa Claus will be on hand at this party which is going to be held for the benefit of the juvenile members. All members who have a debit are requested to pay up their dues so that the books can be balanced by the end of the year and all bills paid. The officers wish all the members a very merry Christmas and may Santa Claus be good to everyone of you.

Attention G. W.'s

News From Philadelphia

Editor's note: Martin Regina, writer of this article, held the office of president of lodge No. 40, SSCU of Claridge, Pa., at the age of 21. It is believed that he is the youngest man ever to hold such an important office in a senior or Slovene-speaking lodge.

Philadelphia, Pa. — News from Philadelphia? Hardly! I'm just trying to crowd the two Stans off the pages of Nova Doba, and I hope I'm unsuccessful in the attempt. By the way, I haven't heard from two certain gentlemen yet.

One Sunday, I took a hike to the Schuylkill River; the next Sunday to the Delaware. When I arrived at the banks of these rivers I hiked right back. Yes, they smelled just like—well just like that. The beautiful Delaware and Schuylkill; from now on, may I see you only from a distance . . . a great distance.

A fellow worker of mine fell into the Delaware one day and inhaled quite a bit of water. He has had a bad case of halitosis ever since.

My work at the aircraft factory is very confidential and secret. I was warned that I must exercise great caution when talking about my job, and if anybody became too interested and asked questions about construction I was to act dumb. I told the boss that I was a poor actor, but then I wouldn't have to act. He is now beginning to believe me.

I'm working on the catapult division. In case the readers don't know, a catapult is a device used for shooting a plane into the air from the deck of a ship. One end of a cable is attached to a projectile, the other to an airplane. The projectile is placed in a big gun and is then shot out, carrying the plane into the air. When the pilot thinks that he has enough altitude, he reaches out and with the use of a pair of wire cutters, frees his ship from the fillet.

One day a pilot forgot to bring his cutters, so he speeded up his plane, overtook the projectile and placed it in the rear cockpit. Now all the pilots recover the shells in this fashion and save the department quite a large expense account. The projectile is then used over and over again. But this method requires the use of a two-place plane at all times and the projectile becomes so much dead weight. A new plan was then put into practice. A co-pilot was put into the cannon and the cable tied to him. Now all the pilot has to do is follow his co-pilot into the air, overtake him and place the man in the empty cockpit, thus killing two birds with one stone. These fellows certainly lead an interesting and exciting life.

The annual election meetings of the SSCU locals are now coming. I hope all the officials will be chosen on their merits and for their interest in the lodge, and on these qualifications alone. Also, that the members choose wisely. This will be the first December meeting which I shall miss since I became an adult member in 1930. Since then, I had attended the SSCU quadrennial convention held in Cleveland in 1936, also being elected president of lodge No. 40, SSCU of Claridge in the same year. I resigned the presidency in order to obtain my present position. Now I'm back where I started, just a member of the SSCU who will have no voice in the proceedings of his lodge. But I'm darn glad that I'm in the position where I can say this without showing a lack of interest in the SSCU.

only in the fine people of South Slavonic Catholic in this country. Soft flaky snow, dropping in balmy winter weather, us a hint of Christmas in the air. The main thoroughfares of our fine city are splendidly decorated. Sons and daughters leave for the nearby for where they will pick out the finest tree, to bring them where their young sons, daughters, and mothers will try about to add the necessary touches before the season of the Birth of the Christ Child upon us. It's fun decorating tree at home. Especially when whole family gets together. I wants it this way. Mother thinks it will look better with trinket on top. Son disagrees. Daughter thinks otherwise. Then a really family argument takes place. But after everything is set, the tree is splendid in charm, and everybody gathers around, happy and contented.

The youngsters chew much well in writing their letters to Santa Claus. Pa and Ma look on their shoulder and behind a back smile knowingly at each other. Everybody does a of shopping to get that gift for their close intimates — because Christmas is the time when friends are not forgotten.

Our SSCU is typical with many families of the same nature. It's home, and there never anything better than that. With the entire family together, eating Christmas dinner. That's all American life — homespun, rains, busses, automobiles being dear ones near. Christmas time of the year always looks forward to.

On the heels of Xmas comes the farewell to the old year, and a boisterous welcome for the new.

All this is wonderful background for our SSCU's great membership drive. This last month of December, our lodges will conduct annual meetings. Officers will be elected, and a complete resume of the year will follow. Members who very seldom come to meetings will all show up and participate in the order of business. And after the session, in most cases, there will be refreshments, and a fine spirit all the way around.

But one of the most important will be discussion for the third Juvenile Convention and second Athletic Conference.

YOUTHES FROM THE AGES OF 16 AND 35 ARE URGED TO PLACE THEIR NAMES AS CANDIDATES TO FURTHER MARK THE PROGRESS OF OUR GREAT ORGANIZATION WHICH IS ALWAYS FIRST IN EVERY GREAT PROMOTION FOR THE BENEFIT OF ITS MEMBERSHIP.

You never hear of any other organization taking such great progressive steps to build higher the pinnacles of this STRONG FOUNDATION! And it is always, our SSCU LEADS THE WAY, and REMEMBER, THE GREATEST CREDIT GOES TO YOU MEMBERS ALONE WHO ALWAYS COOPERATE TO CARRY OUT THE SUCCESS OF EVERY PLAN BROACHED BY THE DIRECTORS. LET'S DO IT AGAIN, FULFILLING OUR COAST, THAT WE ARE THE BEST AMONG THE BETTER.

Little Stan was in Duluth to bring him lots of presents. Last week-end on business of course. While there, he visited with his aunt and uncle Mr. and Mrs. Nick Borovac, grand people whom we really love dearly. For you!

wanted very much to get back in time, but icy road prevented this. Mr. and Mrs. Borovac wanted the group to stay and have dinner with them the next day. Wanted to very much, but it had to be that we had to get next day he saw his parents and back. And so the V-Eight relatives for the first time in purred along, and when Little fifteen years. We bid him good-bye at an early bye in the city of Palermo, Sicily morning hour, the National by. So with Gino gone, in my home was dark, but from the crude Italian, I bargained with locks of things, the dance must the taxi driver. He wanted ooto have been a success. Next day, dolari e tip (\$8.00 and tip). It was learned that it really was, said "e troppo" (that's too Franky Kromar's Swing Band much) etc., until he finally consented to 'quattro dollari con tip'. That was one dollar for each. If only we Americans could learn to bargain! In Europe you buy everything by bargaining. In only a few stores are the prices set.

Our driver and I discussed our route until we reached Monreal a city reached by climbing hills and turning curves all the way. On the road we saw some of the most colorful and most beautifully decorated carozze (carriages) holding five people at the most, being drawn by one horse. The horse was also greatly decorated with some brightly colored feathers to keep away the flies and a hand embroidered cover for protection against the heat. I bought an exact replica later which was very delicate and caused me much worry on my trip as my suitcases were getting to small for all the new things that I had purchased.

You have undoubtedly seen the picture of the cloisters of Monreal. I had too, and I always wanted to see them, but couldn't find the name, Monreal, anywhere on maps or encyclopedias because its area is so small. However, imagine my surprise when I found that I had actually arrived there and saw in actual view these world famed cloisters of the Convento dei Benedettine. We walked up and down listening first to one guide than to another, chiseling in on other people's guides.

After we had seen the beautiful mosaic interior of the cathedral we came out into the heat. There stood a man with an ice cream wagon, more decorative and spectacular than those we occasionally see here in America. Gelati per una lira (ice-cream for 5c) so Dee and I bought a coffee flavored single dip that tasted like ice. The cones were one-half the size of ours. We took one or two sips and had to throw it away. It was only a taster for a good American cone of ice-cream.

And now to close this, Little Stan writes his letter to Santa: Dear Santa Claus:

This is Little Tanley. I don't know if you know me, but I know you cause you never forget me. I like your nice big whiskers and your jolly face and my sister likes your uniform. She always falls for a uniform. My girl friend, likewise. I know, you'd say I'm to little to have a girl friend, but Santa, you know how it was when you were young.

You know Santa, I was gonna start this letter with baby talk language. But I guess I can't fool you anymore. It has been years since you last brought me a pair of diapers for Christmas. That's so long ago — even when Mrs. Klun used to take care of Tanley when he was a baby.

I've been a fairly good boy, Santa, and hope you've been the same. So, I think I should get lots of presents. But I don't want to be selfish. I want you to take care of somebody else first. He is a good friend of mine, and he is a very sick boy in Mercy Hospital in Chicago. Will you take your reindeer, and drop him a visit. Don't forget

All my friends think the same, and they were all delegates to the juvenile convention. (See John English, we're plugging for you.)
