

Nekaj zanimivosti iz partizanskih listov

VZAJEMNE ZAVAROVALNICE NI VEČ. — Ljubljanska partizanska vlada se je polastila znane Vzajemne zavarovalnice v Ljubljani. Bila je to največja slovenska zavarovalnica. Nj bila na kapitalistični podlagi, ampak na vzajemni. Bila je v rokah katoličanov, zato je morala izginiti. Vlada je iz nje napravila Zavarovalni zavod za Slovenijo. Zavod je tako popolnoma pod kontrolo komunistov.

CENTRALIZACIJA SOCI. ALNEGA ZAVAROVANJA. — Slovenci so se, odkar obstoja Jugoslavija, borili za čimvečjo samostojnost zavodov za zavarovanje delavcev in nameščencev. V veliki meri so to samostojnost tudi izvajali. Pokojninski zavod za nameščence je obstojal itak samo v Sloveniji in Dalmaciji. Sedaj poročajo partizanski listi, da so vsi ti zavodi centralizirani. To se pravi, slovenski denar bo tekkel v Beograd. Slovenija, ki bo kot najbolj razvita pokrajina največ plačevala, bo spet molzna krava za južne kraje. Kar ni mogla doseči kraljevska diktatura je sedaj dosegla partizanska. Slovenski partizan pa mora k temu ropanju vpiti še: živijo Tito! Iz tega pa se tudi vidi, da je vse govorjenje o federalizaciji države le pesek v oči. Tako imenovana slovenska vlada nima niti toliko besede kot jo je imelo uradništvo pod kraljem Aleksandrom.

SVOBODNO ZADRUŽNISTVO. — V partizanskih časopisih beremo, da je tudi združništvo po Hitlerjevem vzorcu "glajhšatano." Vse mora biti po enem kopitu na večjo čast Titevo. Tako so vse nabavne zadruge v Ljubljani postale ena sama nabavljalna zadruga. Združilo se so seveda "z navdušenjem in svobodno," ker bi se sicer kdo zameril partizanom. In v Jugoslaviji sedaj vedo, kaj se to pravi.

VSE POD DRŽAVNO KOMANDO. — Komunistični listi objavljajo vedno nove zaplembe premoženja. Jugoslavija prehaja na komunistični program kar le polagoma. Država bo postala lastnik vseh produkcijskih sredstev. Tako so v Ljubljani brez odškodnine razlastili Vzajemno posojilnico. Centralno vinarno, hotel "Union." Ravnotako družbo: "Ljubljanski velesejem," družbo Hrovat & Co., tovarno Medič-Zankel v Medvodah, tovarno Remec & Co. na Duplici, podjetje Šumi, tekstilno tovarno "Intex" v Kranju, škofjeloško predilnico in še druge. Postopanje je preprosto: Nekaj članov uprave se proglasi za grešnike proti narodni časti in država se za kazen polasti podjetja. Proti narodni časti pa je to, če je tovarna delala v dobi okupacije. Tudi nekaj navdušenih pristašev Osvobodilne fronte je že prišlo pod udar, drugi so na vrsti. Komunist ne pozna prijateljev, kadar gre za njegove namene. Razlaščenca so seveda tudi podjetja Westnova in Trboveljska družba.

TISKARNE SO VSE POD KOMUNISTIČNO KONTROLO. — Največjo tiskarno v Ljubljani, Ljudsko tiskarno, ki je bila v rokah "Katoliškega tiskovnega društva," so takoj pobasali. Pravtako Zadrugo tiskarno. Polastili so se dalje tiskarne,

kjer se je tiskalo "Jutro." Tako so brez tiskovnega zakona preprečili, da bi se moglo kaj tiskati, kar množice ne smejo zvedeti o modrem vladanju partizanov. Po novem tiskovnem zakonu pa itak lahko preprečijo vsak list na "partizansko postaven" način.

POSTOJNSKA JAMA. — "Slovenski poročevalec" piše, da so partizani 23. aprila 1944 zagnali v postojnski jami bencin (gazolin), katerega so Nemci tam spravili. Kapniki so sedaj seveda črni namesto beli. Jama je tako izgubila — vsaj v tistem delu, kjer je gorelo — svojo privlačnost. Postojna je partizanom za to gotovo zelo hvaležna. "Slovenski poročevalec" se tolaži s tem, da bo tako jama pričala o partizanskih dejanjih. Pričala bo kot vse razvaline in vsa pogorišča in nešteti grobovi.

OKRAJE ALI SREŽE SO PARTIZANI NA NOVO RAZDELILI. — Logatec ni več središče okraja, ampak Rakek. Trebnje in Mokronog sta nov okraj s sedežem v Trebnjem.

STADION V LJUBLJANI. — Posebno skrb so posvetili partizani temu, da se polaste "Stadiona." Tam so se vršile največje katoliške manifestacije kot Evharistični kongres in kongres Kristusa Kralja. Taka stvar mora seveda menjati lastnika. Zadruga "Stadion" je razgnana, člani zaprti in prostor last države. Odslej bodo tudi ljubljanski športniki odvisni od vlade. V Jugoslaviji bo kmalu vse samo en Tito.

SANSOVA SLAVA JE PRODRLA ČEZ MEJE AMERIKE DO LJUBLJANE. — Poslovenjen Italijanci Kiauta je napisal slavošpev na Adamiča, Kuhlja in vse navdušene ameriške partizane. Tam je opisana neumnost te gospode, ki je še leta 1943 proslavljala Mihajloviča, ki pa hoče sedaj s tem večjim navdušenjem za Tita zadostiti za ta greh proti komunizmu. V Ljubljani že imajo zagotovljeno odpuščanje. "Slovenski poročevalec" pravi, da je SANS s sodelovanjem Zdrženega odbora poslal že "na sto in sto tisoč dolarjev" v Jugoslavijo. Ali ta proslava drži ali ne, nam odborniki SANSa, naj bodo že častni ali hečastni, še niso razložili. Morda še sami niso slišali o tih na sto in sto tisoč dolarjev. Na isti strani prinaša isti list tudi sliko in pohvalo Ivana Molika, ki ga je "Prosveta" "pregnala," ker ni bil dovolj navdušen za partizane. Popolne in ljubele med ameriškim in ljubljanskim partizanstvom se ni. Še bo treba nekaj truda, da bodo drug drugega prav častili. Posebno zahvalo lahko pošlje v Ljubljano naš tovariš "Amerikanski Slovenec." Proglasen je z nami vred za narodnega sovražnika. Ne da se tako hitro zavreči starega plašča.

POŽRL UMETNE ZUBE IN JE UMRL. — Long Beach, Cal. — Frank Gage, star 79 let je požrl svoje umetne zube. Naglo so ga odpeljali v bolnišnico, toda življenja mu niso mogli rešiti.

Bolgari so skušali predložiti Amerikancu vsak svojo stran

Sofija, Bolgarija. — Pred hotelom Bolgarija so se vršile večeraj velike demonstracije dveh strank, katerih vsaka je skušala dokazati svojo pravično stran ameriškemu odposlancu Ethridge, ki je bil poslan na Balkan v posebni misiji od državnega oddelka.

Ethridge je bil v hotelu pri večerji, ko se je začela zbirati množica, ki bi ga rada videla in govorila z njim. Takoj se je zbrala nasprotna stranka, ki je skušala pristaše prve pregnati izpod hotela. Nastalo je preirvanje in pretepi, kar je trajalo dobro uro.

Radi bi se šli vojake

Mnogo se je že pisalo in govorilo za in proti obvezni vojaški treninji v mirnem času. V naslednjem prinašamo nekaj konkretnih misli proti temu. Predsednik Truman je oni dan toplo priporočil kongresu, naj napravi tozadevno postavitev in sicer takoj. Toda kongres ni nič kaj pri volji, ker dobiva od doma mnogo protestov proti kakršni akciji.

Razlogi, ki govorijo proti obvezni treninji mladeničev v mirnem času, so sledeči.

Zed. države bodo imele kakih 12,000,000 mož rezerv iz sedanje bojne sile. To moštvo je primeroma mlado in zmogljivo vojaške službe v slučaju potrebe še za kakih pet let. Zakaj je torej potreba take naglice, da se takoj zdaj napravi postava za obvezno vojaško treninjo? Tako se vprašuje mnogo članov kongresa in brez dvoma tudi mnogo Amerikancev.

Predsednik Truman se je najbrže tudi zavedal tega vprašanja, pa je v svojem priporočilu za tozadevno postavitev navedel, da imamo zdaj vsepolno taborišče in vso potrebno vojaško opremo za treninjo. Kadar ne bo več tega, bi bilo veliko delo to zopet zgraditi in bi bilo tudi dražje, kot pa uporabiti sedanje že narejene naprave.

Jasno je, da je to ideja vojnega oddelka, ker so podobno izjavljali mnogi armadni častniki. To pa ne dokazuje drugega kot dejstvo, da hočejo militaristi ostati še naprej v službi. Radi bi, da bi se naprej ostali generali. Ako bo zmanjšana bojna sila, ne bo treba generalov, ki dobivajo zdaj lepe plače.

Ako bi kongres sprejel postavitev za obvezno vojaško treninjo, bi to pomenilo, da bi bilo potreba tudi mnogo častnikov, ki si bodo morali sicer poiskati kake službe v civilu in zamenjati lepo vojaško življenje in dobro plačo za kako slabo plačano pisarniško delo. Zato je razumljivo, da zahtevajo militaristi obvezno vojaško treninjo ter imeti velik častniški zbor.

Mr. Truman je še drugače podprl svoj apel za obvezno vojaško treninjo. Rekel je, da dokler ne vemo, kako svet stoji z ozirom na bodoči svetovni mir, moramo imeti zadostno trenirano rezervo, katero si moramo zagotoviti in zgraditi takoj.

Povprečen človek se na te besede našega predsednika lahko vpraša, kako je to, da ob tem času govori o negotovosti svetovnega mira, ko smo komaj končali strašno vojno, ki je bila bojovana prav radi tega, da se za vselej odstrani nevarnost vojne in ko smo komaj ustvarili organizacijo Združenih narodov, ki naj garantira za vselej mir po svetu. To bi pomenilo, da mi sami prav ne verjamemo v svetovno mirovno organizacijo in da imamo malo zaupanja v hotenje združenih narodov, da bi živeli mirno drug ob drugem. Na eni strani ustanavljamo mirovni čarter, na drugi strani se pa oborožujemo, kot ne bi imeli prav nobenega zaupanja v tak čarter. Zakaj pa potem sploh delo in skrbi, pa zborovanja in debate za tak čarter, če pa ne verjamemo vanj.

Se vedno si tudi nismo gotovi, kdo je prav za prav največ pripomogel za dosego zmage. Armada in mornarica nam dopovedujeta, da atomska bomba, ki je bila vržena na Japonsko, ni prisilila Japoncev na kolena, ker da je bila Japonska faktično plemagana že davno prej. Tudi rusko časopisje trdi, da je bila atomska bomba brez potrebe, ker se je zmaga obrnila na zavezniško stran takoj, ko je stopila ruska bojna sila v boj na Daljnem vzhodu. Obratno nam pripoveduje naša zračna armada, da je bombardiranje osi-šča doseglo zmago, predno je bila vržena atomska bomba. Na drugi strani pa prihaja naša mornarica in trdi, da je ameriška pomorska sila edina prisilila Japonce k predaji, ker baze, s katerih smo bombardirali Japonce, je zavzela mornarica in pa kor marinov z nekoliko pomočjo armade.

Iz vseh teh zatrdil je razvidno, da nihče ne pripisuje kakega posebnega kredita v tej vojni armadi. To je na vsak način velika krivica, ki se dela naši armadi, ki se je prebila preko Francije v Nemčijo, našemu topništvu in našim bojnim tankom, ki so mastili nemške pozicije in brez katerih bi morda Nemčija nikoli ne klonila.

Toda pri vsem tem je pa point to, če armada ni igrala nobene važne vloge v tej vojni, kot hitro zatrjevati nekateri, zakaj je pa potem treba graditi armadno rezervo z obilgato treninjo?

Kaj dela kongres?

V deželi primanjkuje sladkorja. Primanjkuje ga tako zelo, da nam OPA obeta, da ga bomo dobivali na odmerke še daleč v prihodnje leto. Pa bi imeli sladkorja dovolj, če ne bi imeli "modre" može v uradu za kontrolo cen. Le pogledimo, kako znajo ti može skrbeti za blagor dežele.

Kuba nam je lansko leto ponudila sladkor po 3 1/2 centa funtu. Naš urad za kontrolo cen (OPA) je pa rekel, da ne sme noben plačati zanj več kot 3 1/2 centa pri funtu. O. K., je rekla Kuba in ga prodala drugim deželam po svoji ceni in ga prodala, kolikor ga je imela.

Zdaj nam zopet ponuja Kuba sladkor po isti ceni kot lansko leto. Ako ga ne bomo kupili mi, ga bodo drugi, mi bomo pa gledali skozi prste. Kje je pa kongres, bi radi vedeli, da bi posegel vmes?

BESEDA IZ NARODA

Novo podjetje v Newburgu

Gotovo vsakdo v naši naselbini pozna našega odličnega in dobrega zdravnika dr. Anthony Perkota in tudi njegov brat zobozdravnik dr. Adolf Perko je jako priljubljen pri svojih pacientih in sedaj se je pa pokazal še tretji brat Louis Perko v javnosti ter odprl nove vrste trgovino.

V zalogi ima vsakovrstne električne predmete. Pri njem dobite nove vrste likalnikov. V ta likalnik nalijete en kvort vode, stik z električno napeljavjo in že si lahko zlikate obleko. Ima nove vrste električne ledenice, ki vzamejo jako malo prostora, pa veliko bolj hitro ohladi ali zamrznejo meso in druge jestvine, katere položite vanjo. Poleg tega ima pa tudi še veliko drugih novih električnih predmetov v svoji zalogi. Zdi se mi, da bo za bodoče in tudi sedanje gospodinjstvo veliko olajšanje v njih gospodinjstvu.

Zato pa gospodinjke, ki hoče te, da bo vaše delo v gospodinjstvu olajšano, oglasite se ob priliki v trgovini Louis Perkota. Njegova trgovina je na 9213 Union Ave., to je v tistem poslopiju kot je urad zobozdravnika dr. Adolf Perkota.

Tako je lepo in prav. Dr. Adolf Perko izpolni in nam popravi ali naredi močne nove zobe; dr. Anthony Perko nam popravi naše telo, kadar je zdravil potrebno, in Mr. Louis Perko pa nam bo olepšal in zboljšal naš dom s tem, če pri njem naročimo razne predmete, katere gospodinjke potrebujejo pri svojem gospodinjstvu. Mr. L. Perko se je izrazil, da želi, da bi si gospodinjke ogledale njegovo podjetje, da bi videli, kaj boste lahko tako stvar rabile, kje jo lahko dobite. Posebno se priporoča novoporočencem, da si ogledajo njegovo zalogo predno kaj kupijo, kajti že bodo kupili pri njem, bodo gotovo zadovoljni. Saj se pri Mr. Perkotu lahko tudi slovenski pogovorite, če ne razumete dobro angleščine, saj on prav dobro govori slovensko in je tudi naročnik Ameriške Domovine.

Tako smo, rojaki, z vašo požrtvovalnostjo zopet en korak dalje v napredu. Je pa tudi prav, da Slovenci podpiramo svoje slovenske trgovce. Čitatelji, ogledajte si vsak petek Mr. Perkotov oglas v Ameriški Domovini, kajti trgovci, ki oglašajo v tem listu, so vredni, da jih Slovenci podpiramo. Vam pa, Mr. Perko, želim, da bi vaše podjetje uspevalo in se množilo, da bomo Slovenci v naši naselbini lahko dobili pri vas vse električne potrebščine, poleg tega pa sem tudi prepričan, da bodo rojaki kupovali pri svojem rojaku.

Jakob Resnik.

Slovenska moč na preskušnji

Slovenski demokrati klub v Euclidu je za mestne volitve, ki se vršijo 6. novembra t. l. postavil kandidata v osebi Matt F. Intiharja za zastopnika v mestno zbornico, ki kandidira "at-large", kar pomeni, da lahko vsak registriran državljan živi v Euclidu za njega glasuje. S tem bo dana prilika, da vsak naš rojak in rojkinja voli za svojega človeka, pa naj živi v kateremkoli delu mesta. Dobro je, da so naši volilci obveščeni, čemu je prišel naš demokrati klub do tega zaključka.

Konservativno se računa, da v mestu Euclidu živi do 5,000 slovenskih volilcev, kar znači nad eno tretjino glasov, ki so običajno oddani pri mestnih volitvah.

Mesto Euclid ima 9 mestnih zastopnikov. Poleg župana, dveh mestnih mirovni sodnikov tudi podžupana in mestnega inženirja, v katerih uradih nimamo mi Slovenci nobenega zastopstva. Razumljivo je pa to radi tega, ker nismo znali naših pravic pravilno uveljaviti in zahtevati to, kar nam po naši moči pripada.

Sedanji župan, čeprav smo prepričani, da je v danih razmerah vreden ponovne izvolitve, ni niti vprašal nas Slovence, ko je sestavljal svojo listo, če hočemo imeti na njegovi listi slovenskega kandidata. Mogoče je računati, da naša dolžnost je samo za njegovo listo voliti, nimamo pa pravice za zastopstvo pri mestni administraciji vprašati, čeprav po naši davčni moči precej pripomoremo pri vzdrževanju mestne uprave.

Mogoče pa imajo politikaši v mestu Euclidu upravičen vzrok za to, da nas niti ne vprašajo pri sestavi volilne liste za naše zastopstvo, ker se boje, da bi nas zadržali, da bi se pričeli zavedati velike moči, ki jo v mestu posedujemo, pa je ne znamo uporabiti. No dokler bo tako in dokler bomo malomarni in sami se podcenjevali ni upanja, da se bomo uveljavili, kakor so se s svojo agilitnostjo naši Slovenci v Clevelandu.

Razumeti je, da je Slovenski demokrati klub v Euclidu za letošnje jesenske volitve postavil svojega kandidata ne toliko, da bo samo naš rojak izvoljen v mestno zbornico, ampak največ za to, da onim, ki nas podcenjujejo, dokažemo svojo moč v mestu, s katero bodo morali vsikdar računati, kadar se bo govorilo o mestnem gospodarstvu in določalo kam ima iti denar, ki ga plačujemo v davkih. Kratko rečeno, zahtevamo ne več, pa tudi ne manj, kar nam upravičeno pripada.

Rojaki in rojkinje v Euclidu, stopimo letos na noge, potisnimo na stran vse presodke in delujmo za izvolitev slovenskega kandidata Matt F. Intiharja, ker od tega bo odvisno, kaj vse v mestu Euclidu na naši moči premoremo.

Odbor Slovenskega demokrati kluba, Euclid, O.

Koncert Glasbene matice

Pri Glasbeni matici se člani prav z veseljem pripravljajo za jesenski koncert. Ker so Matičarji podali zadnjo pomlad veselega "Cigana barona," so se za jesen odločili, da podajo tokrat prav pester program, ki bo v klasičnem in narodnem tonu proizvajan. Gostje Matičarjev se gotovo spominjate elpkih koncertov, oper in operet, kar je bilo že podano v preteklosti na našem odru.

Pevcu, kateri res ljubi glasbo in petje, so to lepi spomini, čeprav se je bilo treba veliko učiti in ponavljati. Posebno za navadnega delavca je to veliko žrtvovanje. Ako se pomisli, da je treba celi dan delati v tovarni, zvečer pa iti na vajo, pa vse človek z veseljem naredi, katerega veseli petje.

Krasni so spomini na vsa prošla dela, katere so že bila podana na našem odru v preteklosti, posebno se na opere in operete. Naj jih kar naštejemo in te so: Gorenjski Slavček, Marta, Trubadur, Poljub, Maskot, Rozamunda, Netopir, Nikola Šubić Zrinski, Cigan baron, Seviljski brivec in nešteto koncertov, krasnih koncertov, kateri so lep spomin vsakomur.

Gotovo se še spominjate koncerta, ki je bil podan ob priliki, ko so bili vsi pevci oblečeni v narodne noše, ki je vsem našim gostom zelo ugajal. Cleveland-

ski Slovenci smo lahko ponosni na tako skupino pevcev, kot je bila bivša Samostojna Zarija in sedanja Glasbena matica. Programi, ki so bili podani na oder od te skupine, so bili krasni in jim ne more nihče oporekati. — Marsikatero uro veselja in duševnega užitka smo že podali na oder, kot skupina ali posamezni člani in pevci.

Upam, da bo naš prihodnji koncert zopet dobro obiskan, in da bo podan zopet v zadoščenje gostom in v veselje pevcem. Koncert Glasbene matice se vrši to jesen dne 4. novembra, pod vodstvom g. Ivana Zormanana na odru S. N. Doma na St. Clair Ave. Pričetek ob 7:30 zvečer. Na veselo svidenje! Vabi vas vse v poset,

Louis Belle.

Zahvala

Tem potom se želim kar najlepše in najprisknejše zahvaliti vsem mojim sorodnikom in prijateljicam, ki so me v času moje bolezni obiskovali v bolnišnici, mi poslali krasne šopke cvetlic in druga darila. Se prav posebno pa se želim zahvaliti moji teti in njenemu soprogu Mr. in Mrs. Maks Sainich ter njiju hčerki Bernice iz Kansas City, Kansas za tako krasne cvetlice. Prav prisrčna hvala vsem skupaj. Vam hvaležna,

Ko bi vsaj pisali resnico

Enumclaw, Wash. — Nobena reč me tako ne jezi, kot če kdo ne govori ali piše resnice, kakor delajo naši tako zvani predni listi, ko dan za dnem pišejo, da so tisti naši reveži Slovenci, ki so bežali pred komunističnim izdajalci. Ko vendar vsak ve, da so samo zato bežali, da so si rešili življenje, kajti, če bi bili ostali doma, bi jih bili komunisti gotovo pobili. Le škoda, da več slovenskih listov ne piše kot Ameriška Domovina da bi Slovenci vsaj vedeli, kaj pišejo begunci in kakšne strahne grozote počenjajo komunisti z ubogim slovenskim ljudstvom.

Zadnjič sem poslala pet dolarjev in danes jih pošiljam zopet pet beguncem v pomoč. Videla sem med imeni, da je tudi moj brat med begunci in sicer iz Žirov, njegovo ime je Matija Cankar in njegov sin. Bil je doma mizar in imel veliko družino. Trije sinovi so bili v jugoslovanski armadi, kot mi je pisal brat dva meseca prej kot je Hitler zadavil Jugoslavijo. Dva sta bila nekje v Subotici in eden pa na italijanski meji za stražnika. Bog ve kje so zdaj, če je sploh še kateri živ; saj če jih niso Nemci pobili, so jih pa partizani, zato, ker so ljubili Jugoslavijo. Saj se spominjam, ko sem bila še doma, kako je moj brat vedno z veseljem prepeval slovenske pesmi in v narodnem duhu vzgojil tudi svoje sinove. Bil je delaven in aktiven član telovadnega društva Orel in domačega izobraževalnega društva.

Sedaj se mora pa revež potikati brez vsega po svetu in gotovo ne ve, kje mu je žena in kje so otroci. Vsi tisti, ki so bežali, so veliko bolj ljubili Jugoslavijo kot pa Tito in njegove druhalje. Njemu ni za Jugoslavijo, njemu je samo zato, da sam sebi pripravi lahko življenje. Kako dolgo ga bo imel, ne vem. Ko bi on ljubil Jugoslavijo, bi ne pobijal ljudi, ampak bi jih pustil svobodne, kakor smo tukaj. Nikdar ne moremo Boga dovolj zahvaliti, da smo tako srečni, da smo v tej svobodni deželi, kjer imamo še vsega kar potrebujemo za naše vsakdanje življenje, medtem ko vsa Evropa strada. Dal Bog, da bi se posrečilo, da bi že kaj kmalu lahko poslali beguncem

pomoč, ker so resnično v veliki potrebi. Drugi jim pač ne more pomagati kot mi ameriški Slovenci. Prav vesela sem bila, ko sem čitala, da bo šel Jože Grdina po naselbinah za novimi naročniki za Ameriško Domovino. Vsak Slovenec naj si jo naroči, ker ta list res veliko pove in po pravici, ne laže. Slovenci bi morali darovati za slovenske begunce, katerih je na tisoče, pa darujejo mnogi pri Sansu, da s tem podpirajo Tita, da bo lažje pobijal in moril nedolžne ljudi. — J. L.

Naši begunci

Spodaj prinašamo imena beguncev, ki so bežali pred komunističnim terorjem iz svoje domovine. Vsi ti se nahajajo sedaj na Koroškem. Navajamo kraj, odkoder so doma, ime in priimek ter leto rojstva.

St. Mary's Weekly Flashes

AS HE LIVED, SO HE DIED

It is a great consolation to parents
to have a fine report on a son's con-
duct, while he is away. But to re-
ceive a report on the occasion of a
son's death, no greater consolation can
be had than to be told he died a Catho-
lic death.

Not long ago, the Grainer family
was honored with a letter, describing
their son Joseph's death in the army.
The chaplain's words follow:
Dear Mrs. Grainer:

With reference to your son, Joseph
Grainer, who died November 18, 1943,
I was with him many times before the
end as well as at the very time he
expired. I can go much further than
to say that he received the last sacra-
ments while fully conscious. Of the
many hundreds to whom I adminis-
tered before death, he was the most
conspicuous for sound piety and con-
fident preparation. The non-Catholic
surgeon who took care of him, Major
Charles Rife of Milwaukee, Wisconsin,
expressed to me the view that he had
never witnessed a more edifying death
nor received such fine example of liv-
ing one's religion. Several hours be-
fore the end, the doctor told Joseph
that he would not survive. Joe took
the news with calmness, thanked the
doctor very sincerely for his unrelent-
ing effort to save him, and simply
asked to see the priest once more,
saying that his religion taught a per-
son how to die well. I read all the
prayers for the dying while he looked
on with constant interest; while I gave
him Holy Viaticum, he said in a clear
voice, so that many around heard him,
"O Lord I am not worthy that Thou
shouldst come to me."

This took place in the 94th Evac.
Hospital when it was set up almost on
the banks of the Volturno River. Jo-
seph was buried in a large American
cemetery situated next to an ancient
Italian cemetery near the town of
Avellino, Italy. I visited and prayed
at his grave.

His family and all who taught or
raised Joseph have much reason to be
proud of him. THE IMPORTANT
THING IS NOT TO LIVE LONG,
BUT TO LIVE WELL.

I would have wished to send you
this information much sooner, but I
remained overseas almost three years
and could only undertake this corre-
spondence then at the risk of neglect-
ing spiritual attention to many others.
This, I am sure, you would not have
wished, and you will be happy to know,
even at this later time that Joseph
received personal, spiritual attention
and every kindness we could show.

Faithfully yours,
MICHAEL L. ENGLISH, S. J.,
Catholic Chaplain.

"PEEKING IN" AT THE ALLEYS
A wopper of an evening was spent
at the E. 152nd St. Recreation Center
last Sunday. Everybody just seemed
to be bubbling over with joy, except
one or two who were really discussed
with their bowling.

Depression and discouragement were
written all over Jack Rotar's "map."
Underneath expressions, coming in
from Bob Oslin were detected every-
once in awhile. Boys, your bowling
doesn't mean that much to you, does
it?

Contrasting this scene, we noticed
a bit of a funder in Father Celest-
nik. Mind you, Father came into the
alleys smoking an exceptionally large
Stogie. When asked why he smoked
such a long one, he answered, "It
makes me feel as though the pins are
close to me." So that is the way you
keep "kidding" yourself, eh, Father?

"If you rest, you rust" is Stan
Zagor's motto. This Sunday beside
directing all the teams Stan was busy
signing up members for the Knights
of Columbus. Where he got his spare
time, we don't know but he did.

You are always being observed by
the public eyes, when you are a pub-
lic official. Don't deny this state-
ment because we have proof. Reports
at the alleys have it that our Council-
man Prince hit a 218 game because he
prayed so hard at St. John's, Cathed-
ral. Wouldn't you like to know who
told us, John? (This party sees you
there quite frequently. You may, if
you wish, use this clue.) Try to find
out!

Imagine, Emil Kozel barged in on
us the latter part of the evening and
tried to give "Ye Reporter" a few
pointers on interest of the parishion-
ers. Emil, you would make a fine re-
porter. How about taking over?

Did you notice those strange faces
cheering on Rudy Sulak? Those were
relatives of his who came to witness
his "sharp" bowling. The fine couple
were introduced as Mr. and Mrs.
"Butch" Sulak. Hope to see you there
again sometime.

Some of our players must learn to
stop, especially Max Kobal who is so
self-conscious. People noticing this
succeeded in having him relax by kid-
ding him about his long hair. One
caused laughter when she offered to
bring him a "Snood" for the next
game. Max accepted the offer with-
out realizing that to be woman
hair apparel.

Everybody razzed F. Lukic as the
"perfect bowler," who can knock
down a 7-10 split. Pardon us, this
was done because he hit the two pins
down with two tries. Commenting
on his perfection, Frank says that he
hopes never to get this honor again.
It hurts his average too much.

Hank Kersman bowled quite well,
in spite of the fact that he had an
accident on Friday. One would ex-
pect him to be a bit afraid, but not
this big "Bruiser" of a guy.

The Kume's are still vying for high
honors in their family. Buddy bowled
a 92 game. You will never hit the
high one with such a score, "Buddy."
What's wrong, kid?

Real bowling was done by Joe Ma-
jeec. You should have seen his perfect
shot that hit down the 7, 4 and 9, 10

split. How is it done so well, Joe?

Our Smiling bowler of last year,
Stan Pekol, honored us with his pre-
sence at the alleys Sunday. Why are
you not one of our bowlers, Stan?
Maybe, you are too busy this year,
yes!

RELINQUISH RIGHTS
As our collectors went about the
parish to seek good souls to support
our St. Mary's bowling team, Mr. and
Mrs. Louis Izanc, proprietors of the
Acme Dry Cleaning, wished to back a
team and asked whether they would be
given this privilege. After we con-
ferred with our parishioners who al-
ready donated a sum, they gladly gave
this honor to the Izancs. However,
they agreed to permit us to use their
donation towards sponsoring a basket-
ball team. Thanks to these most
generous souls.

Hereafter, the St. Mary's bowling
team will be called the Acme Clean-
ers. Remember, boys, your grateful
backers now are Mr. and Mrs. Louis
Izanc. A million thanks to you, dear
friends.

Sodality News

The Young Ladies Sodality certainly
planned a good time for themselves
when they made arrangements with
St. Joseph's Orphanage to entertain
a group of young ladies last Sunday.

Twenty-four girls, whose ages
ranged from 6 to 15, were brought
down to the Sodality room at 2:30 p.
m. They each had a very large tag
pinned to their dresses, on which their
name and age was written.

The tags were made by the Sodal-
ists and represented cats, moons,
pumpkins and witches, a la Halloween.

Each visitor was presented with a
velvet bow in her hair to match her
dress. The bows went a long way to-
wards breaking down the shyness of
both visitors and Sodalists.

In the school auditorium the party
was regaled and bewildered by the
amazing talent of a local magician.
John Grdina had a list of magic tricks
that could equal Blackstone and which
made the girls, large and small, squeal
with delight.

We think the most appreciative au-
dience Mr. Grdina had was a big fellow
down in the front row. Ooops! Ex-
cuse us! That big fellow seems to be
Father Andrew. Fun, wasn't it, Padre?

The show was followed by a mad
hunt for hidden candy. A prize was
given to the little girl who discovered
the wrapper with a message in it.

More games following in rapid suc-
cession and the auditorium was alive
with squeals of surprise and shouts
of laughter. The Sodalists joined their
little visitors in the fun and by the
time supper was ready everyone was
thoroughly tired and glad to sit down
to a meal.

The Sodalists served a picnic sup-
per topped off with all the ice cream
the little girls could eat. (And they
really could eat when it came to ice
cream.) Each plate was garnished
with a candy bar, a large red apple,
a package of gum, and a fancy basket
of colored candy.

After supper Father Andrew opened
a very large pumpkin in which he
found a lovely present for each and
every visitor.

The presents were tied with very
pretty ribbons on the ends of which
dangled a luscious lollipop. Oh to be
a kid again!

After much dashing about, showing
off their gifts, the girls settled down
to an hour of comics and cartoons.

When it came time to go home, the
Sodalists gave each little girl a deco-
rated box to carry home all their
presents and candy.

Several of our visitors came up to
us and solemnly declared that it was
the best party they had ever been to.
Though their eyelids were drooping,
their spirits were still lively.

We saw a few exchanges of address

between Sodalist and guest which
speaks of a genuine desire for con-
tinued friendship.

Well—it's all over and it was very
gay. The only doubt left in our minds
is who really had the most fun, Sodal-
ist or guest? We'll settle for a toss-
up.

ATTENTION is called to the fact
that a meeting will be held on Octo-
ber 30, at 8:00 p. m.

The rosary drive is still going
strong. There is one more week left.
Let's make it the best one in honor
of the Blessed Virgin.

See you all Tuesday.

Mrs. Chronaberry of Troy, Ohio, received two broken ribs when her son Lester, just returned from the army, embraced her a little too strongly.

Wm. Z. Foster, leader of the American Communist party, has accused Pres. Truman of being a tool in the hands of imperialists, and that the appointment of James Byrnes as Secretary of State proves this.

The newspaper Daily Mail of London reports that King Peter of Yugoslavia will shortly pay an "official" visit to the U. S. He will see Pres. Truman and consult with Secretary of State James Byrnes.

Leaders of the Republican party are of the opinion that it will be hard to beat Pres. Truman in the 1948 election as he is very popular and especially among labor in big cities.

Democratic representatives voted against Gov. Lausche's resolution that the federal government give money which was appropriated for use in building and improving of airports, to the individual states, which in turn would dispense same to cities.

At Yokohama, 7000 soldiers expect to board three ships for home in a few days.

Gov. Lausche was invited to a dinner in Ashabula last week. The pilot of his plane decided not to land at the Ashabula airport, because he thought it was not large enough and not lit up enough, so on they went to Cleveland from where the governor called Ashabula. They promised more lights and the governor and pilot were on their way again. But the pilot still thought that the airport did not look large enough, although there was a bit more light, and returned with the hungry governor to Columbus. Maybe they will enlarge the airport at Ashabula and then invite the governor again.

Since Mr. Urankar is a law-abiding citizen, he called the proper authorities to take away his little prisoner.

Mr. Ivan Zorman, the chorus' director has made such a wide selection of songs, that they are sure to please everyone attending. The men's chorus (tho few in number, powerful in volume) will shine with a medley of Slovenian folk songs, the women's chorus will soothe you with a lullaby. ANTHONY W. GRDINA, SM 2/C

Last Wednesday, October 24th, Anthony W. Grdina, SM 2/C celebrated his 20th birthday and also marked his two years of service in the Navy. He has been overseas 15 months and is the son of Mr. and Mrs. Joe Grdina, 6113 St. Clair Ave. Below are some excerpts from his letters:

Oct. 2, 1945.

Dear Mom:

Well, here I am in China. So far, the trip was very nice. Something unusual about the trip was that we had our lights on and doors open, which we never had on any of our trips. It also makes it cool at night in the compartments, since we get more fresh air in than before.

We have been here 2 days now, and have been busy taking troops of transports up the river. We haven't gone up to Tientsin yet, but have heard from some of the Marines that were there, that it was a very nice place and was just like being in the States, a lot of different nationalities there and people well-dressed. If and when we go up there, I don't know. You should have seen the Chinese people, the way they lined up alongside the narrow river and cheered and waved flags as we went by. They were really glad to see us!

As for the weather up here, it is pretty cold for us, since we just came up from the Philippines, where it was very hot. The temperature is around 65 degrees in the day time and around 55 degrees at night. But we have a lot of fur jackets and other winter clothes to keep us warm.

The mail hasn't come yet and we haven't had any since we left Leyte, which was about September 10th.

With love,

TONY.

Retraction Demanded in
Slur on Chaplains

Washington—The general commission on Army and Navy chaplains demanded "an official repudiation" of a slur which it said Brig. Gen. Harry Vaughan, military aide to President Truman, had cast on 8,000 Protestant chaplains in the armed forces.

Vaughan was quoted as saying that the Catholic church picks its "best men" for the service but added "it is different in the Protestant church." He also was quoted as saying that a Protestant candidate frequently "does not have a church at the moment or is willing to go on a vacation for about three years."

Not to be outdone, the actress wired back, also collect, the two-letter reply: "Oh!"

A noted clergyman was asked by a colleague why the loud, vehement preaching of his earlier days had given way to a more quiet and persuasive manner of speech.

The great man laughed. "When I was young," he said, "I thought it was the thunder that killed people, but when I grew wiser I discovered it was the lightning. So I determined that in the future I would thunder less and lighten more."

An old tale tells of a tutor and his pupil, a very young Prince. The lesson was in Roman history and the Prince was unprepared, as usual. "We come now to the Emperor Caligula," said the tutor. "What do you know about him, Prince?" His question was followed by a silence that was becoming rather awkward when it was broken by the diplomatic tutor, who said: "Your Highness is quite right . . . perfectly right! The less said about Emperor Caligula the better!"

NEWS FROM OUR BOYS IN THE ARMY

October 4, 1945.
Osaka, Japan.

Dear Sir:

A lot has happened in the last two days, but I'll slip over a lot of the detail and give you a rough summary account of the more interesting parts.

We landed at Wakoyama, about 30 miles away, on the 25th of last month, hiked a few miles inland and pitched pup tents. Sounds easy, but it was the most miserable day in my Army life. The landing was made in invasion style, and we were soaked when we finally hit the beach. To make matters worse, the climate here seems extremely cold to those of us who stayed long in the tropics. As a result, most of us were pretty well frozen by night fall.

We reached our area and set up pup tents with only one blanket and rain coat for protection against the cold. The tents were next to useless. Most of us just built fires and stayed up all night. We were rather fortunate in one way, though all of us turned out the next morning with bad colds, none had to turn in to the hospital.

Our luggage came in the following day, but it didn't do us much good, because it rained and everything was soaked. For three days we stayed wet and then finally we had a good sunny day, during which we managed to dry our clothing and equipment.

Then came the orders to move here, and what a place this turned out to be! As modern a city as can be found—subways, 12-lane boulevards, modern buildings and fixtures, night clubs that can compare with any in the States. (One in our Police Precinct is five stories high, employing more than 200 hostesses, besides waiters and other help.) Osaka has a population of 3½ million and very little of the city itself was destroyed—only the war industries were knocked out. Such factories as soap factories and utilities vital to the civilian population, were left unharmed, such was the effectiveness of the practiced pin-point bombing.

At present we are quartered in the Japanese Military Academy, but are expecting to move any day to a better place—just as soon as the C. O. finds better quarters to live in. To the

Japanese people, their Army was one of the highest positions we could maintain and they were the very best possible. Now we have the best—even if it is the disposition of the Japanese. Our duties are now to do town patrol, traffic control, guards, etc., and above all, to make a good show of discipline.

Sending my best wishes to "American Home" readers in Osaka, Japan.
So long, hoping to hear from real soon.

Sincerely,

PFC. JOE BAKO
