

DRUŠTVE NAZNAHILA

**Dr. sv. Jozefa št. 2,
Joliet, Ill.**

Naša prva sej se tega leta je bila prav dobro obiskana; v odrasli oddelek je pristopilo 6 članov, v mladinskega pa 1. Kar se tiče društvenega odbora, je bilo na zadnji seji narejeno nekaj sprememb. Brat Anton Russ se je zahvalil za izvolitev v urad za prvega nadzornika zaradi svojega dela, zato je priporočal, naj se izvoli nekaj namestnika; torej je bil izvoljen za dobo treh let kot prvi nadzornik našega društva naš bivši tajnik brat Robert Kosmerl. Čestitamo!

Na minuto januarsko sejo je bil povabljen naš glavni tajnik brat Josip Zalar, da je zaprisegel in umestil naš novi odbor, kar je tudi v lepih besedah izvršil; mi smo mu pa obljubili delovati za naše društvo in KSKJ. Brat Zalar! Hvala Vam, ker ste nas tako lepo podučili in navdušili z lepimi navodili. Bog Vas ohrani v uradu še mnogo let!

Po zaprisegi smo zavzeli svoje urade in nato se je naš društveni predsednik brat Cernovich zahvalil glavnemu tajniku za vpeljavo novega odbora; zato je izrazil željo in upanje, da bomo vsi delovali po svoji najboljši moći, da pridobimo veliko novih članov v oba oddelka.

Novi tajnik vas vse prav lepo pozdravlja in se toplo priporoča vsem, da bi sodelovali složno z odborom društva, kar bo koristilo društvo. Dalje je moja iskrena želja, da bi se redno in številno udeleževali naših mesečnih sej in če ima kdo kakega novega kandidata ali kandidatinja za društvo, naj to naznani pripisanimu tajniku, pa bo dobil vsa potrebna navodila.

S sobratskim pozdravom

Zahvala

V imenu našega društva izrekam najprisrnejšo zahvalo našemu spoštovanemu sobratu gl. tajniku Mr. Joseph Zalarju, ki se je odzval našemu povabilu in prišel na našo sejo 14. januarja in na mojo prošnjo pri tej priliki tudi upejal in zaprisegel naš društveni odbor za leto 1939. Še enkrat najlepša Vam hvala! Upam, da Vam ni žal, da ste se potrudili in se podali na pot v tako slabem vremenu. Prepričan sem, da taki sestanki bili koristni in so zelo potrebeni, da se članstvu pojasci in razloži, kaj nam KSKJ. vse nudi in kake vsakovrstne zavarovalnine se more vsak poslužiti, ko bi enkrat članstvo vse to vedelo, potem bi lahko spoznalo, da jim KSKJ. nudi boljše pogoje kot katerakoli zavarovalna družba ali organizacija. Upam pa, da se bo o tem na merodajnem mestu še kaj razpravljalo in tudi kaj ukrenilo. Po mojem mnenju naj bi bilo takole: V naselbih, kjer je več društev, spadajočih v to Jednoto, naj bi bil en skupni sestanek za vse društva. Ako pa kdjo misli, da bi bilo na kak drug način boljše, naj se pa izrazi in naj svoje mnenje pove v Glasilu kako naj se ukrene za še boljši uspeh društva in Jednote.

Sedaj pa izrekam še zahvalo vsem tistim članom, kateri ste se udeležili januarske seje, ker se zavedate svoje dolžnosti napram društvo; lepa je bila udeležba, pa še lepša bi lahko bila, ko bi se vsak zave dal svoje dolžnosti do svojega društva. Upam in želim, da na prihodnjih sejih nas bo zopet lepo število navzočih.

S sobratskim pozdravom,
Frank Kosjek, predsednik.

Gledate nove maše, katero bo daroval dne 29. januarja v naši slovenski cerkvi naši sobrat Rev. Daniel Cadončič, je bilo že v zadnjem Glasilu na prvi strani bolj obširno poročano. Dodatno k temu naj še danes omenim zaključek naše januarske seje, da naj se članstvo našega društva korporativno udeleži te nove maše. V ta namen se zbiramo v cerkevem pritličju, da naredimo č. vhodom v cerkev, zatem pa g. novomašniku špalir pred sledimo duhovščini k tej slovenski službi. Ker je naša cerkev za take izredne slučaje premala, bo z zvočniki preskrbljeno, da se bo sv. maša in pridigo lahko slišalo tudi v dvorani pod cerkvijo. Zatorej pridimo vsi in izkazimo našo krenost do našega rojaka, domaćina in sobrata novomašnika.

Tem potom naše društvo iskreno čestita č. g. novomašniku, potem njegov požrtvovanju materi in sestri in vsem ostrom sorodnikom. Želimo mu, da bi ga Bog spremljal in oben blagoslovil vse dni njegovega delovanja v vinogradu Gospodovem. Novi mašnik, budi pozdravljen!

Članom, ki niso bili navzoči na zadnji (januarski) seji se naznana, da je podal svojo resignacijo naš večletni blagajnik brat Anton Udovich;

na njegovo mesto je bil izvoljen brat Ignac Gorenc, živeč na 1428 West Madison St.

Kakor znano, je bilo že na glavni letni seji v decembetu sklenjen, in na januarski seji zopet odobreno, oziroma dočeno, da jaz ne smem za nobenega člana več založiti z društvene blagajne. Torej cejeni sobratje in sestre, izvlite vpoštevati: Kdor ne bo plačal svojega asesmenta do 25. vsak mesec, bo enostavno suspendan in potem se ni treba jeziti na tajnika, kajti jaz bom izvršil samo svojo dolžnost kakor predpisano. Prosim vas, vpoštevajte to!

V naznailo in vabilo celokupnemu članstvu našega društva, da bomo imeli v soboto zvečer, dne 28. januarja veselico, oziroma "party" v J. S. Narodnem Domu; začetek iste bo ob osmih.

Naj pri tem omenim, da ako je žena članica našega društva vse to vedelo, potem bi lahko spoznalo, da jim KSKJ. nudi boljše pogoje kot katerakoli zavarovalna družba ali organizacija.

Upamo pa, da se bo o tem na merodajnem mestu še kaj razpravljalo in tudi kaj ukrenilo. Po mojem mnenju naj bi bilo takole: V naselbih, kjer je več društev, spadajočih v to Jednoto, naj bi bil en skupni sestanek za vse društva. Vabilo na veselico

Leto 1938 je šlo v neskončno večnost. Ce pomislimo, kaj vse se je vršilo v preteklem letu, bomo doznali, da je bilo za nekatere sredstvo in zadovoljivo, za druge pa polno trpljenja skrb, žalosti in razočaranja. Nekateri so si pridobili za posvetno življenje, drugi so pa zgubili še to malo, kar so imeli. Torej, naj bo dobro, ali slabo, vse je minilo in vse naj bo pozabljeno!

Kot zavedni Jednotarji je pa umestno, da se pri tej priliki vprašamo, če smo kaj lansko leto storili za naše društvo in Jednoto. Smo li pridobili kaj novih članov. Žal, da se o tem ne moremo dosti ponatis, dasiravno smo se za to zelo trudili na vse načine. Temu so krive slabe delavske razmere. Lahko smo pa veseli in navdušeni z zavestjo, da one, katere smo pridobili za Jednoto, so nam zato hvaležni in so tudi zadovoljni da so pod okriljem naše drage in mogočne katol. Jednote. Uverjeni so, da bodo dobivali vse podporo, katere jim naša cenj. organizacija nudi za telesni, kakor tudi za njih dušni blagog kakor njih dobra mati.

Naj pri tem omenim, da ako je žena članica našega društva vse to vedelo, potem bi lahko spoznalo, da jim KSKJ. nudi boljše pogoje kot katerakoli zavarovalna družba ali organizacija. Upamo, da bo leto 1939 prineslo veliko dobrega za vse narode na svetu; da bomo bolj napredovali kakor z pretečenim letom in da bo tekoče leto dobra napredka ter zadovoljnosti za naše društvo v vseh ozirih. V ta namen, dragi mi člani in članice, naredimo že zdaj trden sklep, da pridobili smo kaj novih moči za naše društvo, pred vsem se zanimalo za povečanje števila članstva v mladinskem oddelku. Za 45letnico K. S. K. Jednote, bi morala vse društva letos pridobiti najmanj 4,500 novih mladih članov, ali vsaj 100 za vsako leto njenega minulega poslovanja. Pri vsaki priliki agitirajte za ta oddelek. Otreke se sprejemata brez zdravniške preiskave (v naši državi), tako je tudi pristopnila prostota in je pri vsem tem se določena posebna Jednotina nagrada. Za borih 15c mesečno je otrok zavarovan

od \$20. do \$450. za 80c pa od \$25. do \$1,000. Naj bo naš trden sklep, da se mora naše društvo letos pomnožiti za 75 članov v vsakem oddelku, pa jih bomo imeli koncem leta 640 skupaj.

Dragi mi sobratje in sestre. Morda boste rekli: Naj le uradniki društva pridobivajo novo članstvo in delujejo za napredok društva in Jednote! Tako naziranje ni na mestu. Dolžnost nas vseh je, da delujemo za napredok društva, saj imamo od istega vse e-nake koristi!

Vsi oni člani našega društva, ki ste zaostali s svojimi prispevki ste prošeni, da dolgo poravnate. V slučaju da vam to ni mogoče, pa pride na prihodnjo sejo dne 5. februarja po prvi sv. maši in ondi prosite, da naj vas društvo počaka; v tem slučaju morate obljubiti, da boste svoj dolgo poravnati. Sicer je bilo seja povoljno obiskana, vendar se mi vidi potrebitno letno poročilo objavili tudi v našem Glasilu.

Dohodki celega leta znašajo \$6,479.78. Ža oba oddelka smo poslale na Jednoto skupno svoje \$4,111.34, za bolniško podporo in za porode smo plačale \$2,160.00 in razni stroški znašajo \$403.05, torej so bili skupni stroški \$6,674.39. Imamo primankljaj za \$194.61. Upam pa, da bomo to svoto v tem letu zravnale in drugo letom poročala o tolikem našemu društvu, da bo naša pravila v celoti dosegla zadnjega.

Dalje vpoštevati, da bomo pobrali asesment samo prvo nedeljo v mesecu in sicer v dvorani; sprejemam ga tudi vsak čas na svojem domu; oddaljeni, pošljite denar po poštni nakaznici, kajti pred cerkvijo ali po potih ne bom sprejemal nobenega denarja. Za plačilo bom odgovoren sam tistim, ki naravnost meni plačajo.

S sobratskim pozdravom

Ponovno vabilo — Smrtna kosa

Še enkrat bi rada povabila vse naše člane in članice, da pridejo prihodnjo nedeljo, 29. t. m. zvečer na našo predpostavno veselico v cerkveno dvorano na E. 222. cesti. Johnny Peconov orkester bo proizvajal najlepše plesne komade za stare in mlade. Tudi karte bodo na razpolago za one, kateri ples ne bo veselil, da bodo lahko na karte igrali. Na ta način bo za vse dovolj razvedrila.

Ze na glavni seji je bilo sklenjeno, da bomo imele toleto kampanjo za novimi članicami, kajti drugo leto obhajamo društveno 25 letnico in do takrat se mora število oddelkov pomnožiti na 300 čl. In na seji meseca januarja so bile določene 3 nagraje tistim, ki jih bodo največ pridobile. Svota bo določena v primeri s številom novih članic. Drage mi sestre, pojdimo vse na delo, da bomo zravnali na razpolago, zavestno in drugo letom poročala o tolikem našemu društvu, da bo naša pravila v celoti dosegla zadnjega.

Izjavimo na znanje vsem našim prijateljima, brači in sestrami tužnu vijest, da smo izgubili z sredine našega društva mladčancu u najljepšem cvetu mladosti, sestru Mariju Stampar.

Rodenja bila g. 1911 kada jednog jesenskog večera sva je vesela priroda bila te kazala: Blaga, samo uživaj veselico!

Izjavimo na znanje vsem našim prijateljima, brači in sestrami tužnu vijest, da smo izgubili mladčanca u najljepšem cvetu mladosti, sestru Mariju Stampar.

Pokojna je bila starca 26 godina, ostavljala izza sebe tužnemu majku, 4 sestre, 5 brači in mnogo drugog roda in prijatelja.

O VERSKI VZGOJI V DRUZINI

Lansko postno pastirsko pismo ljubljanskega škofa dr. Gregorij Rošmana

Otrokova duša, ki po svoji nati, je pri sv. krstu s posvečajočo milostjo vred dobila nadnaravno krepot vere. S to krepotjo Bog sam dušo usposobi, da rada in lahko veruje resnice božjega razodetja. Bog sam pravil dušo otrokovo kakor njivico, da sprejme vase same božje nauka. Kdorkoli ima z malimi otroki opraviti, ve, kako rad otrok veruje, s kakšnim veseljem posluša pripovedovati, Bogu, o Jezusu, njegovem rojstvu, njegovem trpljenju itd., kako samoposebi umevno se mu zdi, da mora moliti in z Bogom govoriti. Otrok nikoli ne odklanja molitve, če je le za njegovo umevanje primerna in ne traži dalje kakor otrok prenesti more. Kakšna škoda se godi otrokovu duši, če se ji ne nudi božji nauk, za katerega je nadnaravno pripravljena, temveč se nasprotno natrpa na raznimi praznimi bajkami, ki so dostikrat prav bedaste in otroški duši tuje.

Otroka torej z dobrimi in slabimi nagnjenji, z dušo, ki naročno hrepeni po Bogu in je nadnaravno pripravljena za vero, je treba vzgojiti v pravega in popolnega kristjana, "ki je nadnaravnega človeka, "ki misli, sodi in deluje stanovitno in dosledno po pravi pameti, razsvetljeni po nadnaravnini luči Kristusovega zgleda in nauka" (Pij XI. v okrožnicu o vzgoji). Tako visok in lep je cilj krščanske vzgoje! Kdo ne bi sposnal, kako imenito je takšno vzgojno delo. Po pravici vprašuje sv. Janez Zlatoust: "Kaj je bolj imenito kakor voditi duše in vzgaja pošteno mladino?" A ne samo imenito delo je vzgoja, tudi težko je, tako težko, da bi vzgojitelj lahko začel zdajati. Da vzgoja, v nadnaravnih usmerjena, uspe, mora pri vzgoji sodelovati tudi nadnaravnina pomoč. Pomoč božje milosti po je vsem staršem in vzgojiteljem gotovo na razpolago, če jo le sprejeti hočejo, kajti kako bi mogel odreči svojo pomoč pri vzgoji Jezus, ki je dejal: "Kdorkoli sprejme katerega izmed takih otrok v mojem imenu, mene sprejme" (Mk 9, 36)?

Prva vzgojiteljica otrokova je mati, prva ki otroku o Bogu pripoveduje in ga moliti uči. Krščanska mati že svojega dojenčka pokriža, kolikor kralj ga spravi spati; ni kdar ni toliko zaposlena, da ne bi kratke molitvice opravila zanj in namesto njega ter ga blagoslovila. Še preden se duša otrokova k samozavesti prebudi, obdaja tako otroka versko in krščansko ozračje. Čim pa otrok prične nekoliko razumevati, mu krščanska mati pripoveduje o Bogu v nebesih, da ga duša njegova spozna, seveda na preprost otroški način. Uči ga Jezusa ljubiti in njegovo mater Marijo častiti.

Kakor otrok najprej svoje starše spozna in jih od tujih oseb razlikuje, tako naj tudi nebeškega Očeta, svojega Stvarnika, spozna in ga s svojim še neokretnim jezikom moli. Zavest odvisnosti od Boga, zavest dolžnosti, ga moliti, častiti in ubogati, zavest dolžnosti, ga moliti, častiti in u-bogati, zavest odgovornosti pred Bogom, ki vse vidi in vse se mora v otroku zelo zgodaj vzbudit. Ta zavest prav nič ne moti otroka v njegovih ljubkih preprostosti in neposrednosti, ampak že zgodaj njegovo mišljenje oplemeni in njegov razvoj zdravo uravnava v smer končnemu cilju.

Ni zlahka najti ljubkejše in ginaljivejše podobe kakor nežnega otročka, ki sklepajo ročice k molitvi ter nehnijo, odkrito in preprosto moli k Bogu, ki ga vidi in sliši.. To je podoba, kateri se nebesa dívijo in jo občudujejo. Ko bi otroško srce ostalo vendar vse življenje tako boguvdano in zaupljivo!

Seveda morajo biti otrokove molitvice kratke, da ga preveč ne utrudijo, se mu ne pristudi, temveč priljubijo. Če so molitve primerno kratke in za otroško dušo prikrojene, jih sleherni otrok rad moli, saj hitro razume, da ne sme zaspasti, preden se Bogu ne priporiča, da mora zjutraj najprej ljubega Boga pozdraviti in se svojemu angelčku varuhu priporočiti, da mora pred jedo Boga prosi, po njej pa se mu zahvaliti. Vse te vsakdanje molitve so otroku čisto samoposebi umevne, dočim se mnogoteri odrasli te najbolj naravne dolžnosti ne zavedajo več in so postali manj razumni kakor otroci.

Na žalost se ta prva verska vzgoja v mnogih družinah zanemarija; vedno bolj vstopajo v šole v verskih rečeh populoma nevedni otroci, ki ne znajo nobene molitve, niti pokržati se ne znajo. Toda družina se pred Bogom ne more znebiti odgovornosti in dolžnosti, da otroke versko poučuje v vzgaji; šola to začeto delo nadaljuje in spopoljuje, ne more ga pa nadomestiti. Starši grešijo, če to svojo dolžnost zanemarjajo in čakajo, da bo šola vse naredila.

Tudi med šolsko dobo ostane staršem dolžnost verske vzgoje, ki jo morajo sami vršiti. Ta dolžnost ni le v tem, da starši nadzirajo otroke in jih prigajajo, da se verskih resnic po šolskih knjigah uče, tudi sami morajo nadaljevati versko vzgojo. V tej dobi morajo starši z besedo in še bolj z zgledom otroke navajati k vestnemu izpolnjevanju božjih in cerkvenih zapovedi. Po Tobijskem zgledu morajo otroke učiti od mladosti, "Boga se bati in vzdržati se vsega greha" (Tob 1, 10). Zlasti jih morajo voditi k Jezusu v presvetem Rešnjem Telesu. Sveti maša in sveto obhajilo se mora otrokom priljubiti, postati ne samo lepa navada, temveč nujna potreba, da črpojo že v svoji mladosti moč za vztrajanje in neprecenljive daritve Jezusove in pa iz svetega obhajila. Boljšega in učinkovitejšega vzgojnega sredstva ni, kakor je vredno prejemanje sv. obhajila. Saj v tem presvetem zakramentu Jezus sam z vso svojo milostjo in ljubeznijo vpliva na otrokovo dušo, jo bogati s svojimi nebeškimi darovi, zmanjšuje hudo nagnjenje in vnema ljubezen do Boga. Kajpada je treba pri otrocih na to gledati — kakor tudi pri odraslih —, da ta presveti zakrament vredno prejema, da se nanj dobro priznajo, ga s svetim spoštovanjem in ljubezni prejema, da se ponijo ter iskreno za prejete milosti zahvaljujejo. Najboljša zahvala je vsakdanji trdn sklep z Jezusovo milostjo tako sodelovati, da ga v ničemer ne žalijo, pač pa z vestnim izvrševanjem vseh dolžnosti razveseljujejo. N oben posveten in naraven nagib ne more biti za lepo življenje močnejši kakor ljubezen do Jezusa v presv. R. Telesu.

Besede in nauki ne robe v otroških dušah stalnih uspehov, ako jih ne spremlja zgled staršev in vse domače družine, v kateri so starejši bratje in sestre in posli. Vzgoja v družini "je tem uspešnejša, čim lepši in stanovitejši zgled otroku dajejo predvsem starši, a tudi drugi člani družine" (Dalje prihodnji).

STRAŽNI OGNJI
ZGODOVINSKA POVEST
SPISAL FRANC BEVK

Jernej se je bil prebudil. Stal je pred hišo izgubljen, o-kamenel in zrl strašno nena-dno prikazen kakor v sanjah.

21.

Emir Mohamed je hotel bi-ti največji med emirji, emir Mohamed je bil strog. Ni se zadovoljil, da je jemal džav-rom mesto za mestom in jih potokel v številnih bitkah. Več kot je podjarmil zemlje, mu je podjarmiti ni bilo mogoče. Kako bi vladal tako ogromno državo, saj mu je zmanjkova-lo ljudi! Turške matere niso rodile dovolj sinov, turški deč-ki niso dovolj naglo rasli. Kr-ščanske matere so rodile deč-ke in dekle, jih na svojih pr-sih vzredile, z ljubezni ne-govale. Zasvetili so se stražni ognji na gorah, udarilo je konjsko kopito, zaviral je konjski rep, bandera s polme-secem. Na majhnih konjih, v pisanih oblačilih, z loki in puščicami, s krivimi sabljami so prišli. Alah il Alah! Mate-ram so trgali dojenčke raz pr-si. V imenu svojega boga so prelivali kri starcev in žena, ki so branile svoje otroke do zadnjega. In so verjeli, da s tem služijo Bogu, ki je velik in pravičen. "Džavri!" so zmer-jali vernike Kristusa, živega Boga. Vsak ubiti džaver je na-pravil Turčinov prostor v nebesih. Mrmraje sure iz ko-rana so sekali globoke rane in počenjali grozovitosti, ki jih pero popisati ne more in ne zna.

Konjsko kopito je tolklo, teptalo. Plamenice so gorele v rokah pesjanov. Hiše so bile izropane, cerkev oskrunjene. Plamenica se je dotaknila stre-he. Rodil se je rdeči petelin, zakikirikal obupno in zrasel pod nebo. Dim in iskre, poka-nje tramovja. Goreli so ubogi domovi, plameneli so turški ognji in svetili v črne noči.

Mater, ki niso umre pod turškim mečem, so vpile:

"Joj, kje je moja deca!"

Glas je šel ko glas zveri in ni dosegel nebogljih otroči-čev. Ti so spali do smrti iz-mučeni, do groznic utrujeni, izjokani v rokah sužnjev, na hrbitih mul, na škripajočih vo-zovih, lačni in žejni. Sanjali so strašne sanje o črnih možeh, o ubitih materah. Zdaj zdaj so napol odprli oči in krikni-li iz sanj: "Mama, mama!"

"Kam, kam, kam?" so pe-ketala konjska kopita. "Kam z otroki, kam z otroki?" so cvrkala kolesa voz. In od-govarjali so sužnji in drgnili od vezi zatekle roke, od hoje kr-vave noge: "V globoko Turči-jo, brez matere boste rasli. Alaha molili, se v janičarje vzredili."

Janičarji, krščanska kri, cvet turške vojske, volkovi. Ni spoznal brata, zato ga je ubil, očetu ni prizanesel, saj se mu sanjalo ni, da je to njegov oče. Videl pa je otroka samega, plakajočega pred hišo, ki ga je bila mati izgubila, ali je bil v zmedu sam ostal. Prebudilo se je krščansko usmiljenje v njegovi krvi, stopil je s konja, vzel otroka v naročje in ga ujčkal in mu pel. Ostali Tur-ki so se mu smeiali, on se ni sramoval.

Da, tudi to se je bilo zgodilo. Zgodilo se je tudi, da je mati planila na cesto, spozna-la lastnega otroka, pokleknila v prah in dvignila roke: "Daj-te mi otroka; o, vrnite mi de-te!"

Janičar je dvignil sabljo, da bi jo zasadil v njene grudi, ki so od velike ljubezni in divje bolesti kipele. Roka je za-stala.

"Pojdi z nami, otroka do-bis!"

"Grem z vami, pojdem na-konec sveta, dajte mi de-te!"

Dali so ji de-te, da ga privi-la na prsi in ga na lastnih ro-kah nesla v sužnost. Dali so ji še enega, da je nosila dva, oba enako negovala in ljubi-la. Bridka je bila njenja pot, otrok ni zapustila.

Po obeh straneh poti so go-reli kresovi in dvigali grozeče zublje pod nebo. Po obeh stra-neh ceste je tekla kri, so ležali ljudje z odrezanimi udi in umirali v solncu.

Strašna, v trpljenju spa-čena usta so zjala: "Usmilite se nas, pobijte nas do smrti!"

Turki so se krohotali. Še ti-sti janičar, ki je prej dete ujčkal in materi prizanesel, ni zgenil z obrazom.

Na vrancu je sedel turški mula, ki je spremljal vojake v boju in na ves glas kričal prvo suro iz korana:

"Čast Bogu, gospodarju sve-ta, usmiljenemu in dobrötli-venu, kralju na dan sodbe! Tebi služimo in tebe kličemo na pomoč; pelji nas po pravi stezi, po stezi tistih, ki si jim milostljiv, ne po poti onih, ki se huduje nanje in jih pu-čaš v blodnjah."

Hodili so po poti krvi in og-nja in verjeli, da hodijo po stezi, ki je Bogu všeč.

Hodili so slednje leto, ko so ptice zapele in je solnce top-je prisijalo. Zrlo je kri sol-ze; z oblakom dima, ki je vel-s pogorišč, si je zakrilo svetli obraz.

(Dalje prihodnjič)

Solnce ni moglo gledati gro-ze . . .

Leto tisoč tri sto osem in se-demdeseto se od svojih vrst-nic ni ločilo, bilo je groznejše-ko vsako drugo. Čete pesjanov so bile mnogoštevilnejše, nji-hov srd je bil srd sršenov. Vo-jaki so bili siti obleganja Sk-a-dra, zato so godrnjali. Bo-lezen in lakota sta jahali na njihovih plecih. Poveljniki so jim obljudili:

"Dobiliboste kruha in mesa, prejeli zlata in nalovili suž-njev."

Vojaki so zavpili, konji so zarezgetali.

"Kam gremo?"

Škender-paša se je ozrl na vzhod, nato na jug, slednjic na zapad.

"Preden bo prvo listje oru-menelo, bo konec beneške re-publike, vojska pa sita in bo-gata."

"Alah je velik!" so vpili Turki. Verjeli so v svojo zma-gno moč.

Tako se je vojska dvignila skozi južne pokrajine, za njo se je poznala grozna pot pe-pela in mrliečev. Stražni og-nji na gorah so goreli in kli-cali ljudi na beg, jezdeci so dirjajo oznanjali po deželi, da se bliža gorje.

Turki pa so šli od kraja do kraja, se razlili ko povoden-jem. Bolj ko so prelivali kri, bolj so bili žejni, više ko so go-reli plameni, bolj se jim je zdelo temno. Hoteli so morje krvi, ognjev do neba.

Ob jutranji zarji so na Kra-su zagledali morje. Veliko in mogočno se je razlivalo pod njimi in se blesketalo v sol-ecu, da jih je do dna prevzelo.

NAZNANILO IN ZAHVALA

Globoko potreba in žalostnega srca naznajamo sorodni-kom, prijateljem in znancem žalostno vest, da je po dolgi in mučni bolezni, katero je vdana v bojo vožjo z veliko potrež-lijstvo prenašala, previdena s sv. zakramenti za umirajoče dne 23. decembra 1938 mirno v Gospodu zaspala moja draga soprona in ljubljena mati

Katarina Fido

ROJENA ŠIMEC

Pokojna je bila rojena 20. novembra 1872 v vasi Griblje fara Podzemelj; v Ameriki je bivala 42 let, spadala je k društvu sv. Franciška Saleskega št. 29 KSKJ.

Pogreb se je vrnil dne 26. decembra iz cerkve sv. Jožefa na farno pokopališče, kjer smo jo položili v grob v večnemu po-tičtu.

Bridka je bila ločitev od moje ljubljene soproge in matere; edina tolažba je bila za nas, ko smo videli toliko ljubezni in so-čutja do nas, in spostavljeno do drage umrle od naših sorodni-kov in prijateljev, ki so nam bili v pomoč in tolažbo.

Dolžnost nasi veže, da se prav lepo zahvalimo č. g. Rev. M. J. Butala, Rev. G. J. Kuzman in Rev. John Plazniku za opravljeni sv. mašo zadužnico in pogrebne obrede v cerkvi in na po-kopališču. Prisršna hvala bratom ranjke: Nicholas, George in Matthew Šimec in soprogam iz Chicago, Ill. in vsem drugim sorodnikom, ki so nam bili v tolažbo in pomoč v teh najbridi-kejših urah našega življenja. Hvala vsem, ki so prišli pokojno kropiti in ki so čuli in molili pri krsti. Hvala vsem, ki so se udečili pogrebu in jo spremili na zadnji poti do groba. Hvala sobratom društva sv. Franciška Saleskega za nosilce krste in za naročeno sv. mašo zadužnico. Prisršna hvala vsem za naro-čene sv. maše, ki se bodo darovalo v blagor duše ranjke in za darovane vence. Hvala vsem, ki so dali avtomobile pri pogrebu brezplačno na razpolago. Hvala tudi pogrebenu zavodu Texak za vzorni red pri pogrebu.

Končno se enkrat hvala vsem, ki ste nam že na en ali drugi način pomagali in izkazali sočutje v teh tužnih dnevih in vas obranili v hvalnem spominu. Prosimo vas še, da se spo-mojate v svojih molitvah moje ljube soproge in naše matere in jo ohranite v blagom spominu.

Ti pa, ljubljena soprona in prednega mati, ki si nas moral-a zapustiti in si dokončala svoje muke in trpljenje na tem svetu ter se preselila v boljše večno življenje, v bridki in neizmerni žalosti Ti Šelimo: Počivaj v božjem miru in naj Ti sveti večni luč. Naj Ti ljubi Bog poplača z večnim veseljem vse, kar si storila in trpeila za nas na tem svetu; v naših srečih in molitvah ne boš nikdar pozabljala.

Nad zvezdami
že blaga duša Tvoja biva,
ko v grob Tvoj žalost
bridke sože živa;
nikjer tolažbe v srcu ni—
Le križ nam sveti govor:
da zopet vidimo se nad zvezdam!

MEMBERSHIP DRIVE TO MARK 25TH JUBILEE OF SHEBOYGAN LODGE

Sheboygan, Wis.—Well, here we are, starting the first month of the new year. My sincere wish and hope is that it will bring us health, peace and what everyone's heart desires most.

Our annual meeting is over. I thank again our committee and members for their harmonious co-operation and activities of the past year. We certainly had a busy year and we are proud of our achievements. The space will not permit me to go into detail. You have heard the report of last year's activities at our annual meeting. We want to have your attention on the discussions approved for this year.

First and the most important is our campaign for new members. Next year (1940) our society will celebrate its 25th jubilee and we want to boast and celebrate with 300 members. If we can accomplish this we will make a noise that they will hear us not only in Joliet but far off in that cool and colorful Colorado, where our popular and respected supreme president dwells.

We had a wonderful start at the January meeting. We accepted four new candidates. We must get 20 more. Now, girls, go north, south, east and west of our little Sheboygan, and visit every Slovenian home sar.

PRAISE DECORATIONS AT CHURCH

DECORATIONS AT ST. ROCH'S

(La Salle Daily Post-Tribune)

The Christmas-New Year season over, impressively beautiful decorations which adorned altars of St. Roch's Catholic Church for the most important feast of the year were taken down on Thursday of last week.

During the period the decorations were up scores of parishioners of other churches of the community visited St. Roch's and were profound in their praise. At Christmas time, St. Roch's for years has been distinguished for its beautiful altars and crib.

Around the main altar were set seven small evergreens, two 20-foot trees were set in the sanctuary and forming a set-

PIN TOURNEY PLANS, ENTHUSIASM OF OHIOANS ASSURE RECORD EVENT

Lorain, O.—If planning and planning well presages success, then the forthcoming Eastern KSKJ bowling tournament to be held here next April will be a blue-ribbon event for the KSKJ.

That was the consensus of opinion here at the recent Ohio KSKJ Booster Club meeting when 80 members, representing ten societies, met in regular session and heard Michael Cerne, secretary of the tournament committee, present the rules and regulations.

Mr. Cerne also announced the social program arranged by the local committee. The tournament will be climaxed with a supper dance to be held Sunday, April 30, in Hotel Antlers. Dinner will be served at 6:30 p. m., \$1 per plate. Reservations in advance only.

A reception at 7:30 p. m. will be followed by dancing at 8 to the music of Sunny Ray's Orchestra of Cleveland. At 10 p. m. winners will be announced and prizes distributed.

President Michael Zlate presided at the meeting and introduced the Rev. Milan J. Slaje, pastor of SS. Cyril and Methodius' Parish.

Endorsing the forthcoming tourney and pledging support were representatives from St. Ann's, St. Vitus', Mary Magdalene's, St. Joseph's and St. Helen's of Cleveland; St. Mary's and St. Joseph's of Barberton; St. Patrick's of Girard; C. and M. and Immaculate Conception of Lorain.

Mitock, Andy Pogachar, Stephen Strong.

The past officers of the Pitt KSKJ Booster Club deserve honorable mention for the work that they have done for the club during their terms of office, and even though they have given them up this year, we are sure that they will remain loyal Pitt KSKJ Boosters.

Frances Lokar.

ANALYZES MIDWEST CAGE MEET RESULTS AS SIXTH TOURNEY NEARS

Joliet, Ill.—The coming Midwest KSKJ basketball tournament is the sixth. Many a basket has been shot, and by the way, many a free throw has also been missed since the very first game which originated this series. That was the tussle of Feb. 3, 1934, between the St. Mary's girls of Waukegan and the St. Stephens of Chicago. The Waukeganites, managed by J. A. Cankar, have

this first victory to their credit. KSKJ basketball therefore has a history.

In looking over the past records, one may be tempted to ask: "Which community has carried away the lion's share of honors?" In the matter of championships, South Chicago has three heavyweight victories; two by the St. Florians and one by the St. Michaels. South Chicago likewise has all five lightweight championships, these the proud possession of the St. Florians.

Waukegan boasts of championships in the girls' division on two occasions; St. Annes winning in 1934 and the St. Marys in 1936.

Joliet has to their credit two heavyweight championships, those of 1937 and 1938, plus three victories in the games of the fair sex in the years 1935-37-38.

This compilation of victories still does not settle the basketball supremacy in the KSKJ, unless we devise some norm of comparison by which we may gauge their relative achievements. For this reason it has seemed fair to us to adopt a point system by which we will credit a championship team with 10 points and the team

FOR GOD, HOME AND COUNTRY

By FATHER KAPISTRAN

STATIC

One of the Reich's sorest problems is how to prevent German sets from receiving Moscow radio newscasts of items otherwise suppressed in Nazi air programs and press columns.

SMUDGE

The Nazi controlled German press delights in reporting airplane fatalities in the States, fires in California, and lynchings in Mississippi. This is true especially following our condemnation of Nazi attacks on Jews.

SOPHISTRY

The Kladderadatsch carries a cartoon of Uncle Sam protesting against German barbarism. Behind Uncle Sam, a convict writhing in the electric chair and a Negro being lynched. The answer: public execution is moral among all nations; lynching is not blessed by Uncle Sam. Jew-baiting, on the other hand, is official Nazi policy.

SORRY

Dr. Goldmann at the World Jewish Congress said: "We must not let ourselves be led to pay cash premiums to our oppressors. I do not think I was as much hurt by Hitler's measures as by that attitude of the Washington Foreign Office and those of other democratic countries that our situation was one calling for philanthropy. We want equality; not treatment as second or third-class citizens."

SALUTE

The committee passed this resolution at the World Jewish Congress: "We record the Jewish people's deep appreciation of the stand taken by the Vatican against the advance of resurgent paganism which challenges all traditional values of religion as well as inalienable human rights upon which alone enduring civilization can be founded. The Congress salutes the Supreme Pontiff, symbol of the spiritual forces which under many names are fighting for the re-establishment of the rule of moral law in human society."

SLAVERY

Attorney General Murphy is already drafting a bill to tighten federal enforcement of anti-white slavery laws which now forbid immoral transport only on common carriers. Murphy will extend the interstate prohibition to private cars.

SOCIAL INJUSTICE

The Washington Herald last year carried this strong editorial: "The revolt of the masses has been bred by the incompetence and inabilities of those who have assumed to govern and to distribute Caesar's goods. And we see, daily, how social injustice breeds its own punishments. But, and this His Holiness has pointed out in numerous encyclical, man's inhumanity to man does not end with material things. No reasonable being can suggest a just civilization which denies a concept of God and the eternal verities of right living. Yet in their pain and fury, the masses are today too often heeding a doctrine that holds the denial of God is the first step toward material plenty. This is the crime of the ages; and the great cause of human liberty and sane existence demands that it be ended. Denial of God is the mark of the barbarian. The Godless man wants no religious conscience restraining his hand as it reaches out to

CANONSBURG SETS ATTENDANCE RECORD AT ANNUAL CONCLAVE

Canonsburg, Pa.—The final meeting of the Canonsburg Kay Jay Booster club for 1938 saw the largest turnout of boosters since the organization of the Booster Club. At this meeting many important matters were discussed and decided as well as electing the officers for this year. The interest shown certainly is a good omen for a very successful year.

Realizing the wonderful attitude shown by the St. Jerome Society when allowing us the use of the lodge home free of charge any time we wished, the Booster Club decided to make a beautiful Christmas gift by purchasing a new stove for the kitchen in the lodge home. This has been one of the most needed improvements around the lodge home and will make a very neat appearance as an added asset to the club.

Jubilee Program

Since the boosters will have complete charge of the program for the 25th anniversary of the St. Jerome's Society, to be held July 2, 3 and 4, a special committee will be appointed at the next meeting to start on this program.

Members of the club are asked to note that the system of dues has been somewhat changed. The dues from now on instead of being 10 cents a month will be only 25 cents a year. Every booster must have his dues paid by the end of January in order to derive the many privileges granted by the club.

Keeping in line with the spirit of providing joy for the more unfortunate ones, the Booster Club made its annual donation to the Pittsburgh diocesan orphan collection, which is taken up annually in all churches.

Dance Success

The dance held Christmas midnight by the KSKJ softball team turned out to be another one of those grand successes in local KSKJ circles. A capacity crowd danced to that popular band of Frankie Watts. The turnout made by Presto, Pitts-

PRAISE DECORATIONS IN LA SALLE CHURCH

(Continued from Page 7) setting up and decorating the trees as well as placing the lights. The placing of candles and flowers about the altars and crib was done by two young women of the church, Misses Albina Bregach and Rose M. Urbanc.

Awed were the hundreds who attended Masses at St. Roch's on Christmas Day when the main lights of the church were turned out and the setting about the altars was unfolded, the blue lights in the evergreens and a gold light played on the main altar from a hidden fixture, presenting a picture most solemn and impressive.

The Collinwooders will be on hand with a group of rooters, and are expected to match the cheers of the Newburg fans.

ANALYZES MIDWEST CAGE MEET RESULTS AS SIXTH TOURNAMENT NEARS

(Continued from page 7)

finishing in second place with 5 points. Just how much better a championship team is over a second-place team is something that simply cannot be decided.

There have been games in which the finalists have won easily. There have been games again, witness for instance, the last two final games in the heavyweight class both between Joliet and the St. Michaels. Joliet won the first by a score of 38 to 37, and the last by a score of 44 to 37. No one would dare assert that Joliet was twice as good on those occasions as the St. Michaels, yet we must adopt some criterion of evaluation of a team's strength. So we shall proceed.

Let us take South Chicago as our first case. Reviewing their well-known record of the three above mentioned heavyweight and five lightweight championships, we will credit them according to our system with 80 points. St. Michaels' second-place achievements in 1938 and 1938 earned them 10 additional point. This totals 90 points for South Chicago. Joliet has won five championships, two heavyweight and three by the girls. Added to the 50 points which this merits them are six second-place positions, four of them belonging to the lights, one to the girls, and one to the heavies. Their total as a result will be 80 points. Waukegan has championship honors in the girls' divisions in the years 1934 and 1936. Twenty points for this. They have finished second on seven different occasions, four of these again are achievements of the young ladies. The Waukegan lights were finalists with the St. Florians in 1937. The heavyweights of Waukegan lost in the final encounter of 1934-35. These seven second place honors increase Waukegan's score by 35, totaling in all 55 points them.

JERIN BUTCHERS, "JAMOS" ZEFTRAN HIT NEW HIGHS

Chicago, Ill.—Last Tuesday

was the night of nights for the Steye boys when they knocked off new high scores that will be hard to beat. The Jerin Butchers showed the boys how it should be done when they rolled a 2639 series, including a 967 high single game. Helping the Butchers get that score were the Zefran boys and Bogolin. "Jamos" bowled 169, 214 and 258 for a 641, the best score for a three-game total, while 258 is also a new high. Joe also had a good score with 563 and Bogolin came up with 550. Gottlieb and Zidrich also came through to aid their team. For the losers Kosmach had 598 and Oblak 558.

Parkview Laundry added three more games to their winning column by taking three games from the Korenchan Grocers. They now lead the league by four games. Strupek bowled 243 for the second best single game thus far. Bicek's 615 and C. Grill's 512 were top scores for the winners, while F. Grill and Papesh led the losers with 560 and 515.

Tomazin Tavern took two games from Monarch Beers. "Butch" Kremesec was high with 613 for the Tavern team, while J. Terselich Jr. led the Beer team with 555.

Bits: The score of 2477 was the lowest team total of the evening and was tallied by Monarch Beers... Kresge beat Kochevar in a match game after the league was through last Tuesday... "Jamos" will handle all autographs himself after rolling that 258 game... Louie Zulich will have Jamos' name engraved on his ball... There were five Zefran bowlers on one team, which shows why the team hit 2639... Mr. and Mrs. Kochevar will make a motor trip to Florida.
