Rodezija in mednarodna politika

Rodezijski beli priseljenici hočejo z glavo skozi zid. Njihova vlada je na lastno roko brez sporazuma z Anglijo oklicala neodvisnost, česar pa Anglija ne prizna. V pravnem oziru se je torej Rodezija uprla Angliji. Pred 100 leti bi Anglija najbrže poslala svoje divizije, da bi upornike ukrotila, danes ne misli na to. Hoče po drugi poti pripraviti bele priseljenice k pameti.

Kriza v Rodeziji zato ne pomeni zaenkrat nevarnosti za mir. Dela preglaivce mednarodni diplomaciji ne generalom. Seveda se položaj lahko poslabša. Nekaj zagriženih afriških politikov v samostojnih afriških republikah lahko nahujska črne rodezijske domačine, da se uprejo beli vladi. Sami ne bodo dosti močni, da bi mogli upati na zmago, morali bi iskati pomoč v črnih afriških republikah in sprejeti tudi pomoč kitajskih komunistov, ki bi jo gotovo dobili na ponudbo. V tem slučaju bi seveda bela rodezijska vlada prosila za pomoč Južno Afriko in morda tudi Portugalsko. Po tej poti bi lahko nastal položaj, kot je bil pred leti v Kongu, toda ne čisto podoben.

Rodezija ni danes že splošno priznana samostojna država. Zaenkrat jo bo priznalo samo par afriških držav, za vse druge bo pa Rodezija vsaj pravno ostala angleška kolonija. Rodezijska kriza bi bila potem takem notranja zadeva angleškega imperija. Na to stališče se je ne brez razloga postavila Francija v Varnostnem svetu ZN in trdila, da spor med Anglijo in Rodezijo ne spada pred ZN. Četudi ga je Anglija tja spravila. Francosko stališče je pravno pravilno, ali je pravilno tudi v političnem pogledu, bomo šele videli.

Vsekakor nosi Anglija glavno odgovornost za dogodek v Rodeziji, dočim jih v kongoški krizi ni nosila Belgija, ker je bil Kongo za začas krize že samostojna republika. Anglija se te odgovornosti ne brani, želi samo, da jo svet v njenem stališču podpira. Anglija hoče namreč Rodezijo spraviti k pameti ne z oboroženo silo, ampak s političnimi in gospodarskimi koraki. V političnem pogledu želi, da nobena država ne prizna rodezijske vlade, da ji vsaka odredi politično podporo in gospodarsko pomoč. Rodezija bi bila tako osamljena proti Angliji. Anglija bi pa dobila bitko vsaj na pol pota.

Rodezija je namreč gospodarsko čisto navezana na Anglijo. Tam je investiran v glavnem angleški kapital, tam prevladuje trgovski promet z Anglijo, od tam gre glavni izvoz v Anglijo. Angleška vlada je že napovedala, da bo skušala Rodezijo gospodarsko zadeti na vseh področjih, kar bi seveda takoj ohromilo ves rodezijski izvoz in zaprlo angleški finančni trg rodezijskemu gospodarstvu. Vse to pa ne bi toliko prizadelo 4.000.000 črnih Rodezijcev kot 220.000 belih priseljenecov. Spravilo bi Rodezijo v perečo gospodarsko krizo, ki bi jo črna domača večina še zaostriła z raznimi bojkoti, sabotajami itd.

Anglija lahko računa pri tem na podporo vseh gospodarsko naprednih držav, posebno Amerike, ki je že rekla, da se bo v stikih z Rodezijo ravnala po angleških nasvetih. Vendar Rodezija ne bo čisto osamljena. Čisto gotovo jo bosta podpirali Južna Afrika in Portugalska, na svoj način pa tudi komunistična Kitajska.

V razvoju rodezijske krize ne bo igrala velike vloge samo domača vlada, ampak tudi politika črne rodezijske večine. Obstoji nevarnost, da v njej ne bosta zmeraj prevladovali pamet in stvarnost. Ako bi se črna rodezijska večina družila samo s pripadniki njene črne rase, bi se ne pomenilo to nobene posebne nevarnosti. Kočljiv pa postane položaj takrat, ako bi črna Rodezija iskala zavezničke in podpornike v komunističnih vrstah, posebno v Peipingu. Takrat seveda lahko dočakamo zelo tvegane korake v boju med rodezijsko vlado in njenimi črnimi uporniki. Takrat bi namreč Portugalska in Južna Afrika ne poznali nobene meje v podpiranju belih rodezijskih priseljenecov. Kriza bi se lahko bliskovito stopnjevala. Kaj pomeni tako stopnjevanje, pa vidimo ravno sedaj v Vietnamu.

V Londonu upajo, da bo gospodarski pritisk na rodezijsko vlado dosti močan, da jo pripravi k pogajanjem. Toda pogajanjem o čem? Angleška vlada bo hotela doseči, da sedanji rodezijski režim postopoma preda oblast črni večini, vendar pa v taki obliki, da ne bi bila manjšina izročena na milost in nemilost črnemu masovstvu. Da se to da doseči, smo že videli v praksi pri načinu prehoda angleških afriških kolonij na neodvisne afriške republike. Anglija ima torej v tem poslu že nekaj skušnje in se tudi lahko sklicuje na lepe uspehe. Niso vse domače črne uprave v bivših afriških kolonijah in sedaj neodvisnih republikah začele preganjati priseljenecov na totalno brezobziren način. O tem priča na primer režim Kenyatte v Keniji. Beli priseljenici so sicer izgubili politično moč in gospodarske privilegije, toda obstoj ni bil onemogočen vsaj vsem tistim, ki se niso hoteli izseliti.

Amerika nima interesa, dabi se mešala v rodezijsko

krizo. Bo v glavnem samo podpirala angleško politiko. Mora pa računati s tem, da bodo naši črnci skušali pritiskati na administracijo, naj aktivneje posega v potek rodezijske krize. Bo torej imela več težav z našimi črnci kot z Rodezijo.

V čem je bistvo krize? Odločilno vlogo bo igrala potrpežljivost črne večine v Rodeziji. Ta ve, da ima angleško vlado na svoji strani, ve pa tudi, da bo Anglija hotela sama odločevati taktiko, ki naj pomaga rodezijskim črncem do polne ravnopravnosti z belimi priseljenici. Angleški diplomaciji se pa ne mudi. Samo v skrajni sili postopa hitro. Zato bo tudi v Rodeziji skušala z gospodarskim in finančnim pritiskom doseči svoj cilj: črnsko ravnopravnost. Posledic pritiska pa beli rodezijski priseljenici ne bodo čutili tako hitro, zato bodo lahko trgoglavo vztrajali na svojem sedanjem stališču. To bi pa utegnilo črne domačine razkačiti in jih gnati na pot nasilja. To pa tem bolj, ker bodo imeli v nekaterih afriških republikah prijatelje, ki jim bodo svetovali udarno politiko, pa tudi obljubljali pomoč, ki je pa od nikoder ne bo, kot nas uči skušnja.

Bilo bi zelo nevarno, ako bi ameriška javnost pretiravala pomen te nevarnosti. Bi jo lahko zapeljalo v napačno presojo, ki bi našim diplomatom delala velike sitnosti, zato pa nikomur ne koristila.

Milwauški zapiski

MILWAUKEE, Wis. — Z veseljem sem prisostvoval proslavi društva Triglav v nedeljo, 21. novembra, v dvorani sv. Janeza na Deveti cesti. Imeli smo priložnost poslušati slovensko petje in slovensko besedo. Človeku tako dobro de, ko po dolgem času zopet vidi nekaj domačega.

Proslava je bila pravzaprav posvečena 15-letnici obstoja društva Triglav. Društvo se je ustanovilo z namenom, da ohrani slovensko kulturo in jo posreduje starim in mladim Slovencem, v kolikor je pač v danih razmerah mogoče. Predsednik Franjo Mejač je otvoril proslavo s pozdravnim govorom. Dobro je poudaril misel vseh takih prireditve: posredovanje. Lepa je bila misel, ki jo je povzel po illinojskem guvernerju, da naj Slovenci le še dolgo gojijo svoj jezik in svojo pesem. Taki doprinosi so pomagali graditi Ameriko in jo napravili veliko.

Pevski zbor sv. Janeza je zapel nekaj narodnih pesmi. Pod vodstvom pevovodje Ernesta Majhenicha je podal venček narodnih v priredbi Dr. Renerja. Zapel nam je tudi prelepo pesem Jakoba Aljaža: Slovenska zemlja. Vedno rabi slišimo slovensko pesem. Kadar jo pa zapoje zbor sv. Janeza, je pa še nekaj posebnega.

Nastop harmonikarjev je izval veliko ploskanje. Nastopili so naši mlajši in sicer: John Menčak, K. Maierle, J. Androjna, F. Coffelt in Vitka Jakus. Franci Jakus pa nam je "zaplozal" s trobento. Mladi rod se vedno dobro postavi. Zaigrali so nam vsakega malo. Najboljše so se ljudje počutili, ko so nam harmonikarji zaigrali naše stare in znane pesmi. Ploskanje je prišlo zares iz srca.

Igra "Anarhist" je izzvala veliko smeha. Naši stari in izkušeni igralci so se dobro postavili. Vse vloge so bile prav posrečene. Se obleka je bila tako posrečena, da se je človek nasmehnil. Nastopili so: F. Rožina, J. Ornik, I. Jakus, J. Limoni, J. Rifej, J. Kunovar, F. Menčak, I. Bambic, V. Kralj in K. Dovnik. Vsi so rešili svoje vloge prav dobro. Jih moramo pohvaliti za njihovo poštvalnost. Zelo so se potrudili. Če ne bi bilo njihove dobre volje, mi ne bi imeli priložnosti se uesti in uživati lepote, ki so nam jih igralci pripravili. Velikega pomena je bilo to, da so zelo razločno govorili. Prav vsakdo jih je lahko slišal in seveda tudi razumel. Le še tako naprej!

Veliko ljudi je prišlo proslavo gledat. Z užitkom so sledili vsem izvajanjem. Ljudje so prišli od blizu in daleč. Opazili smo ljudi iz Chicaga, Racina in Waukegana. Iz Waukegana so prišli s svojim avtobusom. Ljudi za avtobus je organizirala Angie Jesenovec. To je korajžja. Zaradi takih poštvalnih duš se bo slovenska beseda obdržala še dolgo časa. Le takih zgledov nam je treba in takoj smo bolj

korajžni.

Prav občuteno nam je podala opis "Kako je na Gorenjskem" ga. Izabela Kraljeva. Človeku se kar milo stori, posebno še, če ve, kako lep je ta del slovenske zemlje. Malo nas je, pa imamo stvari, s katerimi se lahko ponosimo in spravimo v zavist celo velike narode.

Po proslavi je bila večerja, kjer so postregli z domačimi krvavicami in kislim zeljem. Veliko ljudi je porabilo to priložnost in si naročilo večerjo. Kaj takega je že težko dobiti v gostilnah po mestu. Obenem je pa to prava slovenska jed in kdo ne bi posegel po njej. Po večerji so Veselkovi fantje zaigrali par poskočnih tako, da so ljudje zares imeli prav lep popoldan in večer. Se jih bodo še dolgo spominjali. Upajmo, da bomo še velikokrat take stvari doživljali.

Menda bo prav, da se tukaj spomnim tudi tiste duše, ki je trpela z našimi igralci, a je nismo videli. Če si bil blizu odra, si morda slišal njen šepet. Bila je to ga. Herta Majhenich. S svojim prišepetavanjem je pomagala našim igralcem, da so se spomnili, kdaj morajo na glas povedati. Če nje ne bi bilo, bi se verjetno velikokrat nitka odtrgala in si igralci ne bi vedeli pomagati naprej. Torej vidite, da je zares omembe vredna. Tako dobro delo ne sme biti pozabljeno.

Letos smo pri nas obhajali isto nedeljo, kot je bila proslava slovenskega društva Triglav, nastop narodov ali Folk Fair. Ti nastopi se vršijo vsako leto pod vodstvom internacionalnega instituta v Milwaukee. Nastopilo je vsega skupaj 35 narodnosti. Slovenci niso nastopili. Nastope dveh dni si je ogledalo 64.000 ljudi, 14.000 več kot lansko leto. Ob tej priliki so razdelili tudi nagrade, ki jih je dala Pabst pivovarna. Ukrajinska plesna skupina je odnesla prvo nagrado v vrednosti tisoč dolarjev. Drugo nagrado je odnesla ameriško-indijanska skupina, tretjo pa češka plesna skupina. Druga nagrada je bila 750 dolarjev, tretja pa 500 dolarjev. Po 250 dolarjev nagrade so dobile havajska plesna skupina, latvijska in ruska.

Pri kulturni razstavi je dobila hrvaška skupina prvo nagrado v vrednosti tisoč dolarjev, drugo nagrado v vrednosti 750 dolarjev je dobila madžarska skupina in izraelska skupina je dobila tretjo nagrado 500 dolarjev. Danska, filipinska in finska skupina so dobile po 250 dolarjev.

Za majhne prizore so dobile nagrado naslednje skupine: prvo nagrado v vrednosti tisoč dolarjev srbska skupina, drugo nagrado v vrednosti 750 dolarjev indijska skupina, tretjo nagrado v vrednosti 500 dolarjev pa je prejela japonska skupina. Po 250 dolarjev nagrade so prejele še sledeče skupine: špansko-latinsko-ameriška, otroška ples-

na skupina mednarodnega instituta in pa skupina grško-pravoslavne cerkve sv. Konstantina in Helene.

Nastop različnih narodnosti v Milwaukee je velikega pomena. Dano je priznanje ljudem in kulturi drugih dežel. Amerika se zaveda, da bi brez njihovih doprinosov ne bila to, kar je. Tudi vedno izraža željo, naj se skupine redno vezbajo in skušajo ohraniti značaj dežele, iz katere so prišli ali oni sami ali pa njihovi predniki. Seveda bi bilo lepo, če bi tudi slovenska skupina mogla nastopiti. Saj nas je še nekaj. Le malo korajžje in dobre volje bi bilo treba. Vedno je še kdo, ki bi imel dovolj smisla za to.

Poštni urad v Milwaukee priporoka vsem ljudem, da začnejo odpošiljati svoje božične čestitke in voščila čim prej. Pri vseh odpošilkah naj dostavijo tudi zip-code. Obenem naj ljudje gledajo na to, da napišejo na kuverto svoj naslov, da ga pošta lahko vrne v slučaju, da ne more najti naslovljenca.

Televizijska postaja WISN št. 12 bo imela dne 30. novembra poseben program posvečen pokojnemu predsedniku Združenih držav Johnu F. Kennedyju od 9. do 10. ure zvečer. Naslov programa je "Mlad mož iz Bostona". Glejte in poslušajte!

Miklavžev večer pri Sv. Vidu

Cleveland, O. — Med najlepšimi spomini iz otroških let so gotovo spomini na Miklavževe večere. S kolikim veseljem, hrepenjenjem in strahom smo vsi pričakovali sv. Miklavža in njegovega spremstva. Vsi smo ga nestrno čakali — otroci revnih in bogatih staršev in vsi smo bili deležni njegovih darov; bogatejši otroci bogatih, revnejši bolj skromnih; pridnih je bil svetnik bolj radodaren, porednim je večkrat pustil le šibo za spomin in opomin.

Slovenske šole v tej deželi se trudijo, da bi tudi našim otrokom prikazale vso čudovitost te lepe navade — obdarovanje otrok ob godu sv. Miklavža. Radi bi, da bi tudi današnji mladi rod čez leta obujal spomine na lepe Miklavževe večere.

Otroci pri Sv. Vidu se z igrico pripravljajo na spremenjeno dobrotnega svetnika. Otroci po vsem mestu obljubljajo poboljšanje, saj se spominjajo, da so prejšnja leta prišli z Miklavžem tudi tisti strašni parkeljni, ki so rožljali in strahili po dvorani in iskali poredne otroke. Za najbolj nagajive bodo tudi letos imeli pripravljene šibe in verige. Poredneži, le pripravite se!

V dvorano pri Sv. Vidu bo prišel sv. Miklavž v nedeljo, 5. decembra, ob 3h popoldne. Na prireditve vse Slovence lepo vabi

Koncert Slovana

Cleveland, O. — Kot za vse dosedanje koncerte Slovana se moram oglasiti tudi za tega, ki je pred nami, saj sem med zborovimi ustanovitelj.

Letošnje poletje nam je kar hitro minilo, posebno tistim, ki smo malo potovali po Jugoslaviji in drugod. Kaj hočemo, čas gre svojo pot in ni ga mogoče ustaviti. Vsi koncerti v letošnjem letu so bili lepo obiskani, prepričani smo, da bo tudi Slovnanov 5. decembra v Slov. društvenem domu na Recher Avenue. To je jesenski koncert, ker spomladi bomo nastopili znova, če bo bomo seveda še zdravi do čakali.

Tudi jesen je lepa, za starejši rod nemara večinoma lepša kot pomlad, za katero se vna mladost. Še dobro se spominjam, ko smo jeseni odhajali fantje k vojakom in peli

(Zbira Vera K.)

Zemlja domača ni prazna beseda

Tu in tam se me je polastila želja, da bi umrl, ker sem bil sam sebi in drugim v težavo. V takih trenutkih sem dobro vedel, da te, pa bodi še tako zapuščen in siromašen, veže trdna veriga na nekaj, česar se vsak hip ne zavedaš: ta nekaj je zemlja, na kateri si se rodil. To je naša edina neskaljena prijateljica, vedno ti kaže isti obraz in zvesta ti ostane, če jo še tolikokrat zatajiš!

Ko tako ležim, mi sili iz ruše nova moč v onemogle ude in prav vsaka koreninica pod mano poganja tudi v moje telo, da se čutim eno z zemljo, na kateri ležim. Zemlja domača — ni prazna beseda: del mojega življenja je, in če mi vzamejo zemljo, so mi vzeli tudi življenje. Ko si ogledam do kosti, ko te povsod preganjajo, kakor bi se ti bile gobe razpasle po telesu, te sprejme domača zemlja z istim obrazom, kakor te je sprejela nekdanj, ko so te še v zibel polagali. Nisi doživel pomladi, da bi te ne bilo objemalo njeno cvetje, in ne jeseni, da bi ti ne bila sipala svojih sadov. Mogoče, da je težko umreti — moja vera to ni — ali toliko zapišem, da bi rajši umrl sredi domače doline bodisi od gladu kakor na zlatem stolu cesarja, kjer bi imel vsega na kupe!

Pikantne sardele (Anchovy)

Nobena izmed rib nima tako svojstvenega, vsečnega okusa kot sardele. V nešteti oblikah se pojavljajo na mizi, se prilagujejo večim jedem, povsod napravljajo svojevrsten učinek.

Sardela je za nekatere slastna, za druge ostrca, začinjena, dražljiva. Je lahko ploska ali zavita, nadeta s kaprami, zmečkana v pasto, dodana k omakam, mesu, solatam. Povsod je okusna.

Sardele se prilagajo k mesu,

Jesen prihaja, rumeni,
pa vsaka ptička žvrgoli,
vsaka poje mi žalostno
za mojo rajčico.

Tako nekako smo prepevali, tako bo pel tudi zbor Slovan 5. decembra letos. Na sporedu je nekaj novih kot: Spomin, Ob zimskih večerih, Nebo žari, Tam, kjer pisana so polja, Zdravica in seveda ribniška. Ne morem pozabiti Doberdoba, ker ga je Slovan že prvokrat pel.

Ko sem bil preteklo pomlad v domovini, sem dobil vsa pojasnila. O tem bom poročal enkrat pozneje, sedaj rečem le, naj si vsakdo ogleda Doberdob, pa mu bo ta pesem še ljubša.

Zbor Slovan vse rojake in rojakinje na svoj koncert priskočno vabi. Ne pozabite ta dan. Ko se razgrne odrska zavesa in zagledajo pevci pred seboj polno dvorano, jim napolni srce veselje in navdušenje zajojo. Mislimo na to in pojdemo 5. decembra popoldne v SDD na Recher Avenue, kjer nas bodo ljubeznjivo sprejeli. Slovan vabi tudi druge zborove in njihove prijatelje na svoj koncert.

Veliko je truda s pripravo koncerta, največ žrtvuje učitelj zbora. Ta je vedno točno na mestu. Ko je ura osem, udari na tipke in vsi moramo biti tam, da je mogoče začeti. Koncert bo na klavirju spremljala Mrs. J. Fillinger, vodil pa ga bo zborov pevovalca Frank Vavter.

Po koncertu bodo zaigrali Grabnarjevi fantje za veselo zabavo in ples.

zelenjavi in tudi sadju. Največkrat se družijo z mesnimi jedmi, tečne so za predjed, za poživitev teka, dobre so z narezanim, kuhanim krompirjem ali s sveže opečenim belim kruhom.

Dr. L. Ukmar:

Rak

O raku se mnogo piše, še več se pa o raku raziskuje, tu v Ameriki in drugod po svetu. Trije zdravniki Pasteurjevega zavoda v Franciji so dobili letošnega Nobelovo nagrado prav radi uspehov svojih raziskovanj. Dognali so, da imamo trije vrst virusov, eni kot n. pr. pri boleznih Polio, se prerinejo v stanico živca, se v njej razmnožijo in stanico uničijo. Na novo narasti uničujejo druge živčne stanice, vse dotlej, dokler organizem bolnika ne proizvede dovolj obrambnih snovi (antibodies), da uničijo vsak virus, ki zapusti odmrlo živčno stanico.

Druga vrsta virusov je taka, ki tudi napade in zaide v stanico, se tam razmnoži, pa stanico le poškoduje, da se, ko telo uniči bolezen, zopet popravijo, ozdravijo (n. pr. ošpice).

Tretja vrsta virusov je pa taka, da se virus, ko se prerine v stanico tkiva, združi z jedrom stanice, ker ni navidezno popolnoma nič strupen. S tem pa se obnašanje stanice popolnoma spremeni. Stanica postane rakasta. Rakaste celice ali stanice se zelo hitro množijo, so pomlajene z novimi hromozomi vsled združitve z virusom. Vsled tega pojava ni čudno, da se znanstvenikom ni posrečilo iztakniti virusov pri raku, kot so jih pri drugih virusnih boleznih.

Vendar, čeprav niso ti virusi za telo skoro nič strupeni, organizem ima le nekaj obrambnih snovi proti te vrste infekcij. Znano je, da le nekaj bolnikov bolnih na raku ozdravi brez operacije in brez zdravljenja. V takih primerih je bolnikov organizem pričel proizvajati v dovoljni meri strupe, ki so rak uničili.

To zadnje dejstvo skuša izraziti pri zdravljenju raka japonski zdravnik Dr. Makidono. On vsakega rakastega bolnika najprej obseva z rentgenovimi žarki, da z njimi poškoduje in uniči čim več rakastih stanic. Če ima telo le nekaj protistrupov (antibodies), bo možno, da uniči mrtve in poškodovane rakaste stanice. In s tem procesom, ko se enkrat začne, naraščajo protistrupi v vedno večji meri, da končno rak uničijo. Tri tedne po obsevanju raka izreže, če se ga da operirati, odreže le koščke raka, pri onih, kjer je rak že razpreden. Izrezane koščke položi v tekočino, ki rakaste celice le oslabi, jih ne umori, in te koščke po enem tednu cepi pod kožo. Telo dobi ponovno možnost in priliko, da uničuje oslabiljene celice raka, nabira imunizacijske snovi, ki raka popolnoma uničijo, tudi onega, ki ni bil totalno izrezan. Pri 8 od 35 bolnikov je pod kožo cepljeni rak pričel rasti. Znak, da bolnikovo telo ni bilo zmogljivo proizvodnje protitukrepov, pri drugih je podkožni rak izginil, ti zadnji so popolnoma ozdraveli, onih osem pa ne. Od časa do časa kdo zastukriči, da je našel zdravilo za rak. Do sedaj so bile vse take samohvale prazne. Najbolj prazne so pa sigurno one, kjer zdravnik ali nezdavnik neče izdati svoje tajne vsebine zdravila. Taka tajnost se je do sedaj še vedno izkazala za slepilo, ki naj bi zakrilo sleparijo na račun revežev bolnih na raku.

OTROŠKI KOTIČEK

Zadnjič sem naredil napako. Se vidi, da sem star in da slabo vidim. Napisal sem, da pride sv. Miklavž v dvorano k Sv. Vidu 4. decembra. Figo, ni res. Na dan 5. decembra pride, ker je takrat nedelja. Da popravim nemarno napako, napišem kar sem le pesmico, ki mi jo je poslal nek gospod, ki je zapisal za svoje ime samo Marjan.

SV. MIKLAŽ

Na vsi pozvanja: cin, cin... Sv. Miklavž iz nebeskih višin stopil je, stopil je v bele sani, koše naložil je zvrhane tri.

Nocoj bo vse hiše obiskal, nocoj bo bogato obdaroval pridne otroke — svoj dragi drobiž.

Glej, da mi hitro in trdno zaspiš!

Pehar napolnil bo do vrha, fig in rožičev za vse on ima. Zato, otroci, hitro zdaj spat, sicer pride še parkelj rožljat!

Se gospodu Marjanu lepo zahvalim in naj mu sv. Miklavž tudi v njegov pehar vrže nekaj rožičev in fig. Meni ne bo nosil več. Prvič imam šendo tako v kraju, da jo svetec s ceste ne bo videl, drugič pa tako starim kot sem jaz, več ne nosi. Rožičev jesti ne morem, ker mi zobje nagajajo, fig pa nikoli nisem imel posebno v čislih. Zdj pa k pošti.

Dragi strček!

Skoraj cele počitnice sem čakal, da prideš v Sudbury na borovničke in ribe lovit. Pa Te ni bilo. Pridi pa drugo leto. Zadnji teden počitnic sem šel z atom in mamu v Cleveland. Misli sem, da Te bom morda tam videl. Bil sem tudi pri Ameriški Domovini in sem videl tiskarno, kjer tiskajo tudi Otroški kotichek. Vprašal sem, kje bi mogel videti Kotichevega strčka. Pa je rekel gospod urednik: Veš, strček je še na počitnicah. Ali si vzel tudi mucka s sabo? Kako si se pa Ti imel na počitnicah? Malo mi napiši, prosim.

Lepo Te pozdravlja

Janez Rovanešek,

učenc 4. razreda Slovenske šole v Sudbury, Ontario, Canada.

Dragi Janez!

Obljuba dela dolg. Take slin sem imel po borovničkih, da Ti ne morem povedati. In klobuk sem si že pripravil, ki sem ga še po očetu podedoval, da bi z njim šel na ribji lov. Mi je pa ravno v tistih dneh muck zbolel. Tako žalostno se je vlekel po šen-di, da bi bilo grdo, da bi ga pustil samega. In sem slin požrl in klobuk nazaj na klin obesil. Drugo leto pa pridem, sem že naredil vozle na robcu, da ne pozabim. In še taka smola, da se nisva srečala, ko si bil todle. Res sva jo z muckom za krajem udarila proti jezeru, pa ne za dolgo. Gospodu uredniku sem res rekel, da grem na počitnice, pa bolj zato, ker vsa velika in majhna gospoda hodi na počitnice. Bi bilo smešno, če bi tudi jaz ne šel. Na uho Ti povem, da sva bila z nočjo z muckom že spet doma. Le luči nisva prižgala, da so drugi mislili, da sva še vedno na počitnicah in da ima strček še nekaj okroglega pod palcem. Pa nič nima. Z muckom sva se en dan grela na soncu za leskovim grmom in to je bilo vse. Hvala ti, Janez, za prijazno pismo, ata in mamu mi pozdravi in vse iz četrtega razreda.

* Moje počitnice

V počitnicah sem mamu pomagala pri hišnem delu. Hodila sem se tudi kopat na Pristavo in tudi na piknike sem hodila. S prijateljicami sem se šla kopat

tudi v Mentor. Ko je bil pri Sv. Vidu karneval, sem šla tudi tja. Dan pred začetkom šole sem šla s prijateljicami v Metropolitan park in sicer smo šle s kolesi. Ko je imela piknik tovarna, v kateri dela moj očka, sem šla tudi na tisti piknik. Zmagala sem pri tekmi in dobila uro in nabasanega psička. Za spričevalo sem dobila baseball karto in sem šla v areno. Komaj čakam na druge počitnice.

Te lepo pozdravlja
Helena Kolarič

Draga Helena!

Kakor vidim, si imela veselja ob počitnicah kar dovolj. Kopanje, vožnja s kolesom in poleg vsega še nagrada — nabasanega psička. In še v areni si bila. Me ne je nekoč nekdo silil, za baseball tako navdušen kakor jaz za turščične žgance. Ne grem, sem rekel. Vsi ljudje bi gledali samo mojo brado in nihče žoge. In nisem šel. Jaz in žoga sva dvoje. Sam imam eno, prav majhno. Z muckom se igrava z njo. To je ves moj baseball.

Napakic ni veliko, ena je bolj velika. Mami sem pomagala s hišno delo. Zdj pa pogled, kako sem jaz popravil. Vidiš? Pridna bodi, počitnic bo še preveč. Božične, velikonočne in nazadnje zaresne tam koncem junija. Lepo Te pozdravljam.

Takole, dragi otroci. Samo dva pisemčka to pot, ker sem o sv. Miklavžu le nekaj več moral zapisati. Saj veste, samo enkrat na leto je, moj kotichek pa vsak petek. Verjemite mi, Miklavžev večer je tako stara in lepa navada, da bi bilo grdo, če bi šli mimo nje. Tudi mi stari imamo toliko spominov nanj. Ko bom v svoji šendici poslušal cinglanje ob Miklavževem prihodu, bom mislil na vas, dragi otroci. Misli na vaše veselje, na vaše velike želje in misli tudi na svojo mladost in na svoje velike želje. Mnogo se jih je izpolnilo, mnoge se niso. Vselej se vse zgodi po božji volji, na stara leta človek vse boljše vidi. Vem, da boste vsi srečni in to srečo vam poleg staršev gotovo najbolj privoščijo vaš Kotichekov stric.

Mnogo darov in mnogo veselja vam želi

Kotichekov stric

P. Kamil Požar umrl

Dne 4. nov. t.l. je umrl v 85. letu starosti v kapucinskem samostanu v Vipavskem Križu p. Kamil Požar, starosta slovenskih kapucinov. Rajni je bil rojen 16. aprila 1881 v župniji Sv. Peter v Savinjski dolini. V kapucinski red je stopil leta 1897 v Schwanbergu na štajerskem. Do kraja prve svetovne vojne so v štajersko kapucinsko provinco spadali avstrijski spodnještajerski in vsi tedanji slovenski kapucinski samostani; med drugimi sta v to provinco spadala tudi goriški in kriški kapucinski samostan. Slovenski kapucini-bogoslovci so študirali v Gorici, zadnje leto pa v celovškem bogoslovju. Na ta način je rajni p. Kamil opravil slovesne redovne obljube 1. 1903 v Gorici, v duhovniku pa je bil posvečen v Celovcu 26. sept. 1903.

Rajni p. Kamil je že kot mlad pater pokazal izredne pridigar-ske sposobnosti in veliko gorečnost za dušno pastirsko službo. Župniki so ga radi vabili na misijone, deloval pa je največ po slovenskih župnijah, a tudi po Hrvaškem. Imel je tudi veliko veselja do slikarstva, ki se mu je, kolikor mu je čas dopuščal, posvečal vse do smrti. Na zadnji poti ga je spremlilo poleg velikega števila vernikov tudi okrog 20 duhovnikov iz vrst svet-

nega in redovnega klera. — N. p. v m.!

ENRICA V. HANDEL - MAZZETTI:

Jese in Marija

II.

Janez Adam je začel nekaj jecljati o tem, da ni zagrešil nikakega zločina, da je zvest podložnik Nj. Velikanstva — da je kri prelival pri Freiburgu—. "Pusti!" je vzkliknil Jese in dvignil glavo. "Ne govori nič, vsake besede je škoda! Ponižuješ se samo. Tebe ne more nihče izgnati, vse deželanstvo bi se razburjeno dvignilo... Kaja pa naj le izženo; ta ve, kaj dela; v svojem prenosu bo kakor Janez na Patmu vaše babilonske gnusobe —"

Umolknil je, pa ne zato, ker je menih svoje ogorčenje sprico zlostne primere pokazal s kretanjem in obrazom, marveč ker je bilo slišati, da šumi iz kapele ženska obleka. Mož je zaklical tja noter, naj Ana Marija ostane, kjer je, da bo takoj prišel; pa je žena že tu, radovedna mala Eva ni tam vzdržala; hoče videti, s kom da govori Fridel tako odločno.

O groza in strah, menih, pravi menih s telesom in v kuti stoji tu. Udje ji odpovedo. Pa se žena zbere, omahne k svojemu ljubemu in ga vpraša s slabotnim glasom: "Fridel — kaj pa hoče — gospod?"

"Nič, predraga, prav nič!" Jese jo je krepko objel, ko je omahovala, in jo poljubil na teme. Preko glave je divje gledal na meniha. Ta pobalin! Ta opica! Janez Adam je pristopil

od druge strani k ženi in ji mrmral pomirljivo.

Ona je pokazala s suhim in drobnim prstom za povabilo: "Kaj pa leži tu!" "Nič, prav nič, preljudi!" je odgovoril Jese. "Pismo, kakor jih več dobim."

"Kaj pa je v pismu?"

"Nič — norčavosti."

"Mz," je rekla in dvignila svoja usta k njegovim, pa se takoj ozrla prikrito plašno na meniha, ki je stal na svojem mestu kakor vkovan in držal roke pod škapulirjem.

"Fridel! Kaj ne pojde proč?"

"Takoj odide!—Gospod Burghof! Zdi se mi, da sva opravila." Duhovnik je prikimal, a ni šel k vratom, marveč je stopil nekaj korakov naprej. Smili se mu ljubka ženica, katero drži hudobni mož v svojih rokah, prevzema ga — tako — tudi duhovnega doktorja sme ganiti nežna lepota čiste ženske... Kaj ni kakor dekle z žetvenega slavlja v svoji sinji obleki in s svojim zlatim pasom? Rad bi ji povedal kaj tolažiljivega ali vsaj prijaznega, ker jo je prestrašil, ne da je hotel...

"Milostna gospodična ali — gospa —," je dejal in ji ponu-

dil svojo suho roko. "Ljuba gospodična naj —" tu se pe zmedel in zardel, ona se je obrnila vs-tran in odtegnila roko, da je ne bi prijel.

"Pojdite!" je zapovedal Jese. Menih je šel ko kri ves rdeč v obraz. Orožnika pred vrati sta odročljala z njim.

Suhotno lice mu je gorelo še vedno rdeče, ko je zajahal k njaja; da mu ni hotela dati sladka, mala deklica z žetvenega slavlja roke, kakor da je strupen, to mu gredi vse veselje sprico imenitnih dokazov, s katerimi je spravil krivoverca ad absurdum.

Ta večer so gorele luči v gradu Krummnussbaumu zelo dolgo. V sobi s slikami je sedel Janez Adam in pisal, da se je kar kadilo, pismo generalnemu komisarju; pismo hoče poslati drugi dan, še preden odide Jese, vnaprej v Pechlarn. Vse je povedal v pismu, kar se je le dalo povedati ugodnega o bratu, ne da bi se lagal; zagotovil je pri vsem, kar mu je drago in vredno, gospoda Mateja, da je Jese najljubeznivejši, najboljši in najvrednejši mladenič; če pa je tu pa tam govoril nekoliko preobjestno in se ponašal preveč samovoljno, zgodilo se je to iz nepremišljenosti, ne pa iz hudobije; saj se, za skozi Bog, ne more zahtevati od triindvajsetletnega fanta, naj postavlja svoje besede tako preišljeno kakor bradat stavec; gospodje prečastni naj to upoštevajo, pa naj ne prezrejo, da imajo opravka s potomcem veleugledne, v avstrijski zgodovini večkrat s slavo omenjene družine, da je bil naš oče Haimeran Velderndorffski tisti, ki se je odlikoval v češki vojski in prinesel domov uplenjeno zastavo; Hans Gottfried Velderndorffski, ki mu je dal

general Tilly sam vrč pour le merite, je naš bratranec po očetu; — gospodje naj nazadnje jemljo v obzir mlado ženo gospoda Jeseja, ki je noseča v sedmem mesecu, in naj ne bodo sprico takih razmer barbarsko strogi, marveč naj sodijo krščansko katoliško milo in prizanesljivo v čast cesarskega imena in v osramočenje zločinskih ovaduhov, teh hijen v človeški podobi...

Jese se je mudil v kapeli. Dal si je bil prinesti tja mizo, stol in luč; in zdaj sloni nad svetim pismom in Lutrovimi pridigami. Samo s svojo biblijo in svojim Lutrom hoče stopiti pred mračnjake, se boriti z njimi in jih premagati.

Sedi in bere uže za urami, pusto in tiho je vse okoli njega; nič ni slišati mimo slabotnega cvrkutanja dogorevajoče sveče in temnega enakomernega tik-takovanja ure v stolpu nad kapelo. V njegovi glavi pa tolče divja kri in mu čara pred duha šum vozov in orožja, zvonov in gro-mov. Podirajo se gorske cerkvice, gozdni škrti bežijo proč, sto tisoč angelov trobi na pozavne: Padla je, padla, Babilonka Velika.

Ko je udarila ura v stolpu ravno devet, so podrsavali po kapeli slabotni koraki in stari-kav glas je bilo čuti: "Ljubi gospod, ne silite se preveč, mrzlo je tu; pojdite h gospe Ani, storite nam to na ljubo!"

"Če je vam mrzlo, meni je vroče," je odgovoril Jese. "Vroč

mi je in vesel sem," je planil kvišku. "Glejte tu, Fabric! Imam že vse skupaj, kar jim hočem tam povedati! Tu glejte, pa tu!" Listal je razburjen po bibliji. "To tukaj iz Jezape — potem iz Hezekiela 16:... in svoje oltarje si si postavila na vseh ulicah, prešušna vlačuga! In iz Danijela — ta je bil tudi eden izmed farških sovraznikov. In nazadnje jim zabrusim v obraz besede, ki postavljajo daritev. Če ne bi imeli ničesar drugega zase kakor: To je moja kri, pa-pežniki bi bili že obsojeni. Glejte, kako se po opičje pačijo, kažejo zobe, človečci, kako se dvigajo in beže... Povem ti, Fabric, lepo bo in veselo!" je zavpil zdajci v besni objestnosti in zmetal papirje sem in tja. "Veselo! Na žalost nimam vrednejših nasprotnikov kakor teh nevkaj liliensfeldskih in kremških kut... Pa saj sem pozabil na žensko spodnje krilo. Castita žena, ne zamerite, da sem tako nevljuden in povem naravnost, da ste neumna gos. — S tem jim bom pa dal pod nos, Jezus, to bo veselo! Ali nima opeke? Kar vrže naj! Bums! — Kaj. Ali malik še vedno stoji tu? Presneto, ti krivoverci imajo trdo lobanjo!" Tako je klical in se smejal v mrzličnem vzhičenju. Fabricij ga je skrbno opazoval. Staremu možu je težko pri srcu, mož misli na Zagging, Horn in Langenlois in trepeta za svojega ljubljence.

Jese je stopil k oknu in ga sunkoma odprl. Mrzlo moker,

CONDENSED NEWS FROM OUR HOME FRONT

★ Mrs. Mary Muniza of 6603 Edna Ave., was taken to St. Vincent Charity Hospital recently. We wish her a speedy recovery!

★ Mrs. Mary Mozic of 1140 E. 60 St., who went to California to undergo an operation, has undergone the operation safely, and hopes that in a couple of weeks, she will be able to go to the home of her daughter, Mrs. Richard Koevear, 2357 Snowden Ave., Long Beach, Calif. She expressed her thanks to all for their get-well wishes.

★ Mr. and Mrs. Joseph J. Zorc of 1045 Wadsworth Ave., N. Chicago, Ill., were in Cleveland to attend the funeral of their uncle, Peter Zorc, last week. They also stopped in at our office to say hello and Mr. Zorc stated that years ago it used to take him 17 hours to drive to Cleveland, whereas on the modern highways it takes him 7 hours.

★ New York, N.Y. — What chance for victory does a Chinese Republican candidate have in a Jewish-Italian district that's heavily Democratic? "I haven't a Chinaman's chance," said Edward Hong, 50. Hong figured he'd get the Chinese vote in his candidacy for the state assembly from the 66th district in lower Manhattan. That's 2500 among 53,000 who have been voting Democratic for years. "The odds are 99 to 1," he said. "I'm a long shot."

★ Reno, Nev. — A request for permission to install an electric black-jack machine in the lobby of Reno Municipal airport was turned down after a test run showed it was attracting children. In the future, only slot machines will be allowed at the airport.

★ Wood River, Ill. — Linda Turner was sitting alone in James Walters' car when she thought it would be a good idea to turn on the radio. But she turned the ignition switch the wrong way. The vehicle was in gear. It leaped as the engine started and mowed down shrubbery in two front yards and crashed into a front porch. Miss Turner, 14, told police, she tried to stop the vehicle by pushing on the brake. The brake turned out to be the accelerator.

★ Louisville, Ky. — Miss Jean Graves, an employee of the telephone company for 44 years, showed for her retirement party with a black eye. Earlier, while using the telephone at her desk, the phone slipped from Miss Graves' hand and hit her in the eye.

★ Indianapolis, Ind. — The "500" Festival has lost the open golf tournament — at least as an accessory to the 500-mile Memorial Day auto race. Robert McConnell, Indianapolis television executive and president of the Festival, said he understood the May-end dates will go to Oklahoma City. Some pros objected to playing on the Indianapolis Motor Speedway course because of the noise made by practicing racers.

Part of the links is inside the track, reached by tunnels.

★ Chicago, Ill. — Illinois' 1910 football team, the Big Ten's first undefeated, untied, and unscored upon squad, was host for collegiate football's first Homecoming game on October 10. The Illini defeated Chicago, 3 to 0. Illinois also invented Dad's day, which was held on Nov. 20, 1920, when Ohio State won, 7 to 0.

★ Chattanooga, Tenn. — Four generations of a family were involved in the theft of several toys from a department store. Officers said the shoplifters included an elderly woman, her daughter, her granddaughter, and her great-granddaughter. The granddaughter was fined in city court.

★ Los Angeles, Calif. — Those addicted to television may soon be able to relax. Help appears to be on the way in the form of a "withdrawal" organization, "Television Anonymous." The plan to aid television addicts has been suggested by Earl E. Cleveland of Washington, D.C. His proposal was put forth in an article, entitled "Jack in the Box" in The Ministry, a magazine for clergy. Many a Christian home is strife-ridden today because the little square box controls the home."

★ Wichita, Kansas. — During intermission at a performance of "Sound of Music," a young boy was heard for several rows as he asked his mother: "Is there going to be another inning?"

★ Los Angeles, Calif. — Five consecutive days of rain brought the following remark on the U.S. Weather Bureau's forecast wire: "Weather cloudy and rain... what else?"

★ Mount Hope, Kansas. — The Caffrey brothers, Rick, 8, and Randy, 11, each want two front teeth for Christmas. Rick broke two front teeth in a swimming accident. His mother took him to a dentist for emergency and when she returned home she learned that Randy had tumbled from his bike and also broke two front teeth.

★ Columbus, O. — Air police dashed onto the runway after the small yellow plane made a perfect — but unannounced and unauthorized — landing at Lockbourne air base. But there was nobody in the craft. The "pilot" was in a pasture about a mile away, wondering how he'd lost control of his remote-control model power glider. Model plane enthusiast, Lieutenant Harold, an aircraft mechanic during World War II, said, "all at once it zipped away... lost." It didn't take the military and Harold long to get together. A surprised Harold learned that, without human help, his plane had circled the giant air force runway at about 400 feet before landing right in front of base operations.

Oakland Stadium Will Seat 48,000 Fans for Baseball
Oakland, Calif. — The stadium at the \$30,000,000 Oakland-Alameda County Coliseum Complex will feature a unique design for convertibility from baseball to football, according to R. T. Nahas, president of Coliseum, Inc.

There will be twelve movable sections, totaling approximately 3,500 seats in the outfield and 1,200 in the infield. When the baseball setup is shifted around for football, the football field will be marked in across the infield rather than the traditional home plate to outfield layout. With this system, it is pointed out, a greater percentage of the total seating will be good seats for both sports.

When set up for baseball, the field will measure 330 feet down the foul lines and 410 feet to center field and will seat just over 48,000. For football, the movable seat arrangement will hike the capacity to between 50,000 and 52,000.

The complex also will include a 15,000-seat indoor arena, an exhibit hall and parking space for 8,000 cars and 300 buses.

Marichal Ace at Scuba Diving

San Francisco, Calif. — Juan Marichal keeps in shape during the winter by scuba diving for abalone. He works out almost daily in the Marines Memorial Building here.

On weekends, he goes to Mendocino County north of here and dives 30 or 40 feet in the ocean for abalone, which cling to rocks and have to be pried loose with an iron lever.

"Last week, I got five and had all the abalone I could eat," said Juan, who sometimes stays underwater for half an hour or more at a time.

Sharks? "They bump you first to find out if you are soft enough to bite, I guess. So I take the tanks off my back and hold them out in front to keep the shark off with hard metal."

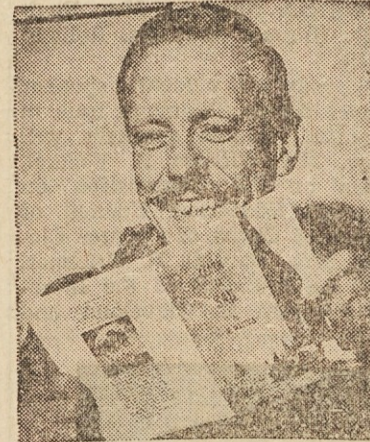

In his native Dominican Republic, Juan wears only swim trunks, but the waters off Northern California are so cold he wears a rubber suit.

Miami of Ohio Rated Tops

As Grid Tutor Incubator
Oxford, O. — Miami ranks second only to Oklahoma as a producer of major college football coaches.

Oklahoma has eight men directing major college teams and Miami has seven. The Miami grads and the teams they are now coaching are: Ara Parseghian, Notre Dame; Paul Dietzel, Army; John Port, Indiana, Ed Biles, Xavier; Bo Schembechler, Miami; Carmen Cozza, Yale; and John McVay, Dayton.

Walt Alston, manager of the world champion Los Angeles Dodgers, is also a Miami graduate.

Solo skipper Robert Manry, who recently sailed a 13 ft. boat across the Atlantic, jokingly studies a learn-to-sail guide. Manry's boat, the tiny Tinkerbell, will start its national exhibition tour in his home town at the 9th annual Mid-America Boat Show, Cleveland Public Hall Jan. 21-23. Show displays will fill five acres of exhibit space.

"TOYS for TOTS" a New American tradition

More than 20,000 under-privileged children from the greater Cleveland area are expected to have a brighter Christmas this year because of the community-wide "Toys for Tots" program, sponsored by the 3rd Battalion, 25 Marines, USMCR, in cooperation with the Shell Oil Company; the Kiwanis Clubs of Greater Cleveland; The Volunteers of America; The Community Christmas Committee of the Welfare Federation and with many of Cleveland's civic, fraternal and business groups. The campaign will be the fourteenth annual "Toys for Tots" Christmas campaign to be conducted in Cleveland. The toy collection begins November 29th and ends Dec. 16th. Toys will be distributed Dec. 16th.

Begun in Los Angeles 18 years ago, "Toys for Tots" is a nationwide activity of the U.S. Marine Corps Reserve and is being conducted this year in over 200 cities in 45 of the 50 States. Although "Toys for Tots" is a nationwide campaign, with 270 Marine Reserve Units participating, each campaign is local in conception, scope and direction. Over three million toys are collected annually.

General Public: The Public is asked to take new or nearly new toys to their local Shell Service Stations and deposit them in toy barrels between Nov. 29 and Dec. 16th.

Farm Losses

Washington.—About 350,000 American farmers lost their farm holdings in 1933 during the great depression era.

Ambassadors of Sports' Traditional Event of Year

The fall harvest is generally celebrated with a gala event that remains fresh in the memory of all who join in the festivity for a whole year — until the next such event is held.

It has become traditional with the Cleveland Ambassadors of Sports to stage a unique fall celebration — with the serving of those delicious smoked Slovenian sausages and sauerkraut, prepared in the real "old-fashioned" style to wet the appetite of the most discriminate. This is held in conjunction with the Oldtimers' Nite along with a specially arranged program of entertainment.

Saturday, November 27, 1965, will mark the Seventh Annual Oldtimers' Nite. Both halls of the Slovenian National Home at 6417 St. Clair Ave. have been engaged to entertain the crowd that has been increasing with each year. This year's special will be a treat to chase the stuffiness still left from the sumptuous turkey dinner of Thanksgiving. The lower hall will be the setting with Don Kotnik's orchestra. In the auditorium it's going to be Joe White's orchestra featuring Stan Blout.

And for the very special highlight of the evening — the delicate dessert that will linger on — the committee has enlisted the services of the American Slovene Quartet with John Kovacic, John Sternis, Dan Postotnik and Frank Hecovar; Johnny Sulen and his accordion; June Price and Edward Kenik and all the way from Pittsburgh, Pa., Jake Darlink will tickle the accordion keys. Fun? Yes, there will be plenty of it — and you can bet your boots, you'll be sorry if you miss it. It will be the talk of the town for the rest of the year. Be in on it — join the crowds at the Turkey Chase for a riot of fun at the Ambassadors' of Sports' Oldtimers' Nite.

Electric Snow Blowers

Even a trained, professional athlete would find it impossible to move four shovels of snow per second for very long.

But a modern electric snow-blower will remove about 250 shovels full per minute, and keep it up until you turn the motor off.

The new electric snow blower plug into any outdoor outlet, start at the flick of a switch, and have several features which make them easier to use than ever before.

For example, some have headlights, so you can use them after dark. That's a big advantage, because in winter sunset comes at about 5 p.m.

Some models have a Teflon coating on the chute, so that the snow won't stick. Some have nine different height adjustments, and have a swivel chute that permits snow ejection in any forward or side direction.

Electric snow blowers are cheap to operate, too, costing about 10 cents a month for the electricity used.

When you consider that many suburbanites pay about \$100 per season to have their driveways plowed out, the electric snow blower (costing from \$75 to about \$150) more than pays for itself in two years.

Important Notice To All Lodges and Clubs

Many local and out of town clubs and lodges run a regular monthly ad in our newspaper containing all such information as: Names of officers, time and place of meetings, etc. This lodge roster is published once or twice a month. The price is \$12 per year, which is low considering the service it renders your group.

Lodges which run such ads usually get free publicity announcing their meetings and other similar short notices.

Yearly meetings are usually held during December. We suggest that all lodges and clubs vote for this monthly ad.

SAFE AT HOME

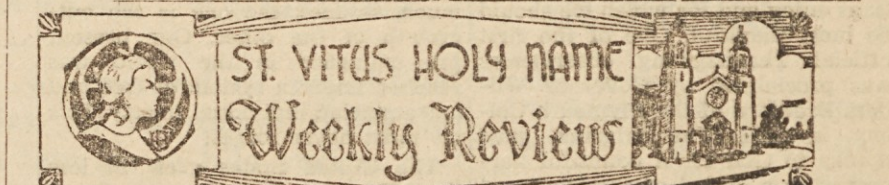

When you walk through the door of your home do you relax your safety guard and forget about accident hazards?

Keep in mind dozens of people are killed and thousands injured every day in home accidents.

Falls rank as the leading cause of accidental deaths in the home, and are responsible for more than their share of injuries.

To make your home a safer place to live in, check this list of common danger spots for falls:

- Scatter rugs — make certain they're slip-proof.
- Electric cords — keep them off the floor and fastened.
- Bath and shower — should contain a non-slip mat. Firm hand grips should be within easy reach.
- Kitchen — wipe up spilled liquids and grease spots immediately.

7th ANNUAL OLD TIMER'S NITE Saturday, November 27, 1965

Reporting from Washington

FRANK P. BOLTON • Congressman, 22nd District, Ohio
ON HIS OFFICE DESK, WASHINGTON 25, D. C.

THANKSGIVING 1965

Yesterday we celebrated one of our most important holidays — Thanksgiving. This would seem to be a good opportunity for all of us to reflect on the history of this celebration as well as some of the benefits and privileges we Americans enjoy and for which we should be most thankful. One of the first official Thanksgiving observances was proclaimed by Governor William Bradford of the Plymouth Colony in 1621. The Pilgrims gave thanks to God for a bountiful harvest after a period of suffering and starvation.

There was, of course, no suggestion then that the holiday become an annual one. It was simply an act of faith by a people who were deeply thankful that their grain bins were full and that they had food to last through the rigors of the coming winter. One hundred and sixty-eight years were to pass before a "national" day of Thanksgiving was proclaimed by George Washington — thanksgiving for the freedom this country had at last achieved — Thanksgiving for the liberty to pursue happiness, each in his own way. Still, Thanksgiving Day did not become a yearly event celebrated by the whole Nation. Another seventy-four years were to pass before Abraham Lincoln in 1863 proclaimed that the fourth Thursday in November be celebrated as a day of national thanksgiving. That is the background of our great national holiday!

Today, we as a nation have so much to be thankful for that it is difficult to know where to start. We have an abundance of food and other resources, but above all else we are rich in our rights and our freedoms — the spiritual possessions with a value beyond any price. There is no question that America is the wonder and envy of the world. That the world envies us our material wealth is natural enough. A hungry man is hypnotized by the sight of a full dinner place. But the people of some of the less fortunate nations are more deeply envious of our spiritual possessions — our freedom of speech,

freedom of religion, freedom of the press. They seem to sense that it is upon these spiritual possessions that our material abundance is based. How right they are! I sometimes wonder if Americans truly realize how completely these two are interlaced — how much the one depends on the other; how much, in fact, the one is the outgrowth of the other. Our present pre-eminence in the world was reached under a system of free and untrammelled individual liberty. This we must never forget!

The United States grew in less than 200 years from 13 poor struggling colonies to a strong and respected nation of 50 states because of its people and the priceless kind of government given us by our forefathers at Constitution Hall in Philadelphia. We did not grow from a country of magnificent open spaces, marvelous forests and vast inland seas into a country whose cities awe the world because a Federal Government decreed that it should be so. The inventive genius of the individual, his dogged determination, his capacity for labor when he knew that the fruits of his labor would remain his — this is what gave us our present greatness.

As we "give thanks" let us count our blessings and resolve to preserve for our children and our children's children the great heritage of the United States of America.

U.S. COAST GUARD ACADEMY

The U.S. Coast Guard has announced that the annual competition for entrance to the U.S. Coast Guard Academy will commence with the December 4, 1965 administration of the College Entrance Examination Board Tests. These examinations will be given in over 3000 test centers. Appointments are made solely on the basis of this examination and prospective adaptability to military life. There are no Congressional appointments or geographical quotas. All young men who are interested should write immediately to Director of Admissions, U.S. Coast Guard Academy, New London, Connecticut 06320 for applications and details.

Profile Of The American Hunter

CAR AND CANINE

The hunter's two most faithful friends are his car and his canine companion. The need for an automobile in hunting today is essential; over 85 percent of hunters use the car to get to and from their shooting sites. They ride an estimated 5 billion automobiles in pursuit of hunting recreation.

Time was when the hunter was either a check-shirted rustic or a wealthy sportsman. But today's rush to the duck blind is being led by that vast "middle group" in America that stretches to include corporation executives and college professors, bookkeepers and bus drivers. What all these men have in common is a desire to escape temporarily from routine, conformist environments. All respond to the adventure of the outdoor life. Hunting holds out a promise of challenge, of simplicity, and of independence. For many men — scarred by a bruising encounter with Modern Womanhood — hunting represents the best area to confirm and express their masculinity.

Women, however, have established an ever-widening beachhead on what was one of the most male-dominated activities. Today over a million modern Dianas have taken to the fields — and their number is increasing.

Most people would guess that the average hunter is on the oldish side probably because of the image of the grizzled old-timers of legend. Actually hunting is very much an every-age sport. While the US Fish and Wildlife Service finds that out of a study of 14 million especially active hunters the largest number are in the 45-64 age bracket, they also point out that there are over two million hunters between the

ages of 12 and 17!

Hunters seek out all types of game with the largest number — about 12 million — setting their sights for small game varieties. Over two million hardy souls willingly bear the early hours and watery discomforts of waterfowl hunting. A mere 600,000 lay claim to being big game hunters which isn't too surprising as there isn't generally much big game around.

"Today's hunter is the most fortunate of all time in America," according to W. R. Kelly, Jr., vice president and assistant general manager, Winchester-Western Division of Olin Mathieson Chemical Corporation.

"Despite the oft-heard reference to the 'good old days,' there is more game available in the nation now than at any time past. Deer, for example, are more abundant than when Columbus first set foot on our shores. With modern scientific techniques and equipment, game is better managed, too. Ultra-modern cars, expressways and efficient road networks permit us to reach game country quickly and safely.

"What's more," Mr. Kelly emphasizes, "today's American hunter has far more leisure time and opportunities to hunt for sport than his grand-daddy or even his father ever had. In the year 1800, the average work week was 84 hours and

READY, AIM...

Hunters are particular about the quality and craftsmanship of their guns and ammunition. Whether it's a slide action field gun for less than \$1000 or the classic double barrel Grand American for \$3,500, hunters for years have relied on Winchester-Western's precision crafting and sure-functioning reliability.

even at the turn of the present century it had slackened only to 52 hours. Certainly today's far shorter work week allows us to devote more time to hunting than our forebears dared to dream of back in the 'good old days.'

According to a recent survey sponsored by Outdoor Life Magazine, the hunter is a prime mover in the American economy. The approximately 20 million wood, field, and stream-ers make cash registers jingle to the tune of over a billion and a half dollars. And to keep the shopkeepers even happier is the fact that there is a five percent increase in the number of hunters annually.

The hunter is one of the country's leading buyers — generally at an age still young enough to need just about everything in terms of equipment and old enough to be able to pay for it. Here is one of the few markets remaining where men value that old-fashioned thing called craftsmanship — and are willing to pay for it.

Ever alert to new developments in the gun field, hunters are quick to accept the latest quality improvements and will not blink at paying a substantial sum for a superior rifle. With deer on the increase, a growing number of whitetail hunters by necessity as well as by preference have been turning to the shotgun as their principle tool. In recognition of this trend, Winchester-Western now offers a newly designed Deer Gun version of its popular shotgun models, the Model 1200 slide action and the automobile Model 1400.

Not only does the hunter purchase fine sporting arms and equipment, but he surrounds himself — often lavishly — with the accoutrements of the hunting scene. He spends for special clothing, automobiles, camping gear, transportation to field and wood, sporting dogs, guides, decoys, food and lodging. In short, the hunter has a "golden touch" that has had its lucrative effects on many U.S. businesses.

In 1964, hunters spent about \$32 million for lodging the fall and winter months — normally considered a "lull" period in hotels and motels.

Another major industry basking in the hunter's favor is the apparel industry. Last year \$284 million-worth of flannel shirts, windbreakers, ear-flap caps, "long johns" wooly socks and other cold-weather paraphernalia were purchased by hunters, and another 44 million went into special footwear.

The boating industry credits hunters with accounting for \$2000 million — nearly 10 percent of its gross volume. This includes purchases of new and used boats, outboard motors, safety equipment, fuel, launching expenses and repairs.

The government too, has felt the golden touch of the hunter. Before he even pulls the trigger he has to pay the fees, permits and licenses that net the Federal till over \$70 million yearly.

In all, hunters account for about a billion and a half dollars in expenditures. This testifies to more than an interest in hunting; it underscores the openhandedness with which hunters approach their leisure-time activity — an attitude which contributes heavily to the national economy.

"YOU SHOULD HAVE SEEN THE ONE THAT GOT AWAY!" Stories of might-have-beens are frequent when hunters get together to discuss and show off the morning's success. Small game such as the ring-necked pheasants above are the most sought-after prizes. As might be expected, the majority of US hunters are small game enthusiasts. Water fowl and big game hunters are very much a minority.

Goodwill - Boy Scout "Good Turn Day" Set

The Greater Cleveland Council of Boy Scouts of America will sponsor its 33rd GOOD TURN DAY for benefit of the physically, mentally and socially handicapped men and women of Goodwill Industries on Saturday, December 4th.

As in years past, thousands of Scouts will visit area homes gathering and transporting clothing and toys to over 100 collection centers made possible by the courtesy of area churches, fire stations and other community buildings. The annual event helps provide materials to keep Goodwill's handicapped clients at work during the winter months when donations of usable discards slow down because of the weather.

Area residents are reminded that Scouts will be looking for a scarf or handkerchief tied to the front

doorknob as an indication that they should stop for donations. One week prior to Good Turn, uniformed Scouts will deliver handy Goodwill Bags and fact sheets to residents which explain the purpose of GOOD TURN DAY. On the day of collection, Scouts in full uniform, will retrace their steps and the annual project begins.

Larger items such as furniture and appliances can be picked up by special Goodwill Trucks if a call is made to the plant at HE 1-8300.

Goodwill, a non-profit organization, serves over 200 handicapped clients daily. The vocational rehabilitation agency provides on-the-job training as well as the services of professionally trained social workers, training-evaluation directors and vocational guidance counselors.

Wintertime Is a Woman's Whirl - Choose Shoes With Care

The busy winter season keeps us fast, frantic and forever on our feet, especially the ladies. It's a woman's whirl — what with holiday entertaining, Christmas shopping, rounds of visits, in addition to daily housework, marketing and other chores.

No wonder, reports the American Foot Care Institute, that the great majority of patients in any podiatrist's office is women. Not only is woman's footwork never done, but often her foot troubles are self-induced. The agony of bunions, blisters and corns is largely due to the shoes she wears, plus lack of proper foot care.

Dr. Benjamin Kauth, prominent podiatrist and director of the American Foot Care Institute, offers the following advice in avoiding the wintertime woes of pinched and pain-wracked feet:

While doing housework, wear shoes with supple leather uppers and sturdy flexible leather soles. Never wear flimsy slippers or broken-down pumps that offer neither support nor safety. Plastic, canvas and rubber playshoes are no better — they give no support and trap unhealthy perspiration inside the shoe. A leather shoe "breathes" through the natural pores of the leather, keeping your foot dry and comfortable.

Dress and casual footwear (including boots) for long shopping tours, evenings out and other occasions should follow the same rule: leather is best. Mid heels are recommended and — fortunately — are currently very much in fashion.

When shoe shopping, buy footwear that fits. Good fit means your toes are comfortable, not cramped, so that blood circulates properly and tender nerves and muscles are not squeezed. Shoes should fit snugly around the heels, otherwise they will slide up and down and raise blisters.

Don't neglect your feet. Examine them frequently, especially if you suffer from circulatory or other chronic ailments. Beware, however, of self-treatment. Corns, calluses and blisters should respond to a change of shoe or stocking size — or style. If not, see a qualified podiatrist. "Bathroom surgery" is dangerous and expensive.

Change your shoes and stockings often. It's a wise woman who does not wear the same pair of shoes two days in succession.

Following the few simple rules listed above, says Dr. Kauth, you should come through the whirl of winter (also spring, summer and fall) with feet flying.

PICTURE OF A MAN WHO GETS A KICK OUT OF LIFE

He's getting a bit rusty, but he can still tell his son a thing or two about football — a lesson in sportsmanship and a lesson in just plain fun. He wants the boy to have all the good things in life. Although as breadwinner he is able to provide these now, he knows that some time in the future they may have to be provided by life insurance. That's why he's a Sun Life policyholder. Are you?
