## See New Era for Kay Jay Program in Northern Ohio

### Ohio KSKJ Booster Club to Meet in Barberton Sunday

Cleveland, O.—A renewal in the exchange of social and athletic contacts among the young people of northern Ohio were forecast by local officials of the Ohio KSKJ Booster Club.

The prediction follows the receipt of a communication from the St. Mary's Cadets, No. 111, of Barberton, O., welcoming the boosters to the meeting which will be held in Barberton Nov. 27, 3 p. m., in the Slovenian Hall, E. 14th St.

"The Barberton St. Mary's Cadets, No. 111," writes Pauline Zeleznikar, "heartily welcomes the Ohio KSKJ Booster Club, and we shall manifest our support by a cordial reception with a large crowd of Kay Jays."

Cleveland members will meet in front of the Glasilo office at 1 p. m. Those having cars and those interested in making the trip to the Magic City are requested to be there at that time. Bowlers and bowlerets are especially invited.

The meeting, which will be in the form of a KSKJ rally, will have in the order of business installation of officers. Supreme Officer Joseph Leksan, secretary of Lodge No. 110, of Barberton, will serve as the presiding officer. Both lodges, Nos. 110 and 111, in addition to the Cadets, have promised co-operation in making the conclave one of the outstanding in the history of the club.

As the next Eastern KSKJ Bowling Tournament to be held in Lorain in the spring of 1939 will be one of the important topics in the order of business, officials have made plans to show movies taken at previous KSKJ tournaments.

"This meeting should pave the way to greater KSKJ activity in northern Ohio," said Stanley Zupan, retiring secretary, in announcing the confab. "It is time that we renew an interchange of ideas, and what Barberton has to offer should prove beneficial to our organization. In the past the Magic City Kay Jays did much in the promotion of athletic activities in this territory. Now that the Ohio Boosters have enlarged their scope of activity to conform to the plans formulated at the recent convention, the Barberton lodges will have an opportunity to co-operate. The enthusiasm and spirit shown at the recent program sponsored by the Barberton Cadets is undoubtedly still alive and should add sparkle to the forthcoming meeting."

"Added to the Magic City atmosphere, the meeting will have additional enthusiasm, for the lively, enterprising and congenial Girard St. Patricks are expected in attendance."

The meeting, although business will be transacted by the Booster Club members, is open to all KSKJ members.

#### MEETING NOTICE

Ely, Minn.—The members of St. Anthony's Society, No. 72, are hereby notified that the election of officers will be held on Sunday, Dec. 4, in the Slovenian National Home. The meeting will begin at 7 p. m. Please attend.

## PITTSTERS' BENEFIT MUSICAL COMEDY ACCLAIMED SUCCESS

Pittsburgh, Pa.—The musical comedy, "Bar X Ranch," presented by the Pitt KSKJ Booster Club for the benefit of St. Mary of the Assumption Church, was a huge success. The auditorium was filled with a very good audience, which acclaimed the grand show. There are still some folks who have not seen the show and no doubt they are quite sorry after hearing the acclaim of the well-satisfied public.

The Pitt Booster Club extends its thanks and appreciation for the grand attendance at the two performances. Thanks also to the Rev. Matthew Kebe, pastor of St. Mary of the Assumption Church, for his co-operation and interest in the show. His enthusiasm was displayed each Sunday in church when he would urge the parishioners and people who made this show possible.

To the cast and chorus group go the thanks and appreciation of the entire club. It was a grand show, very well done! Thanks and appreciation is also given to the members of the booster club: Mary Golobic, Ann Lokar, Mollie Sumic, Frances Sumic, Justine Lokar

and Frances Lokar for the making up of the cowgirl outfits. This was certainly a work of art. We owe a debt of gratitude to Ann Lokar and Mary Golobic for the time they spent in selecting the materials and different other necessary articles.

And now a word of praise and thanks to the director, Frank J. Lokar, and his associate directors, Louis Kompars and John Golobic Jr., because after all, a show cannot be good unless it is directed properly. We can boast of having had the best direction possible.

We commend John C. Golob for his work in writing up the play and were very sorry that he had to leave us after we had had only two rehearsals. We wish him much success in his new position in Detroit, Mich.

Thanks also to the following members: Program committee, Frank J. Sumic and Martin Berdick; property, Albert Benec, Edward Adlesic and Peter Jaketic; electrician, Thomas Antlogar; music accompanists, Nick Hotujec and Thomas Ford, and all the other entertainers who joined the show in the grand finale.

The Pitt Booster Club.

### BARRISTER

M. W. STEFANICH

Joliet, Ill.—On his return from a very successful bar examination, Matthew W. Stefanich, member of St. Francis De Salles Society, No. 29, immediately became associated with the prominent law firm of Burke & Schenk, with offices at 414 The Joliet Bldg. Mr. James E. James of the firm is noted as one of the greatest trial lawyers in the state of Illinois, is a former assistant state's attorney and at present is serving his first term as state's attorney of Will County. Attorney Harry L. Schenk of the firm was also an assistant state's attorney under a previous administration.

Bro. Stefanich and his many friends consider him very fortunate in getting connected with this law firm.

Attorney Stefanich is the youngest son of Mrs. Ana Stefanich, who with her family resides and operates a most modern and up-to-date tavern at 455 N. Scott St. The father, John "Curley" Stefanich, died in 1916.

Attorney Stefanich was born and raised and educated in Joliet and Champaign. He graduated from St. Joseph's School, De La Salle Catholic High School and Joliet Junior College, receiving the Bachelor of Science degree in commerce and law in 1936 and the degree of Bachelor of Law in 1938. The latter two degrees were received from the University of Illinois.

### Brooklynites' Social Reported Success

Brooklyn, N. Y.—A large attendance crowned the efforts of the St. Joseph's Society, No. 57, which held its annual Martionov večer dance on Saturday, Nov. 12.

We, therefore, wish to extend our sincere thanks to all members and friends who attended this dance. It was through their co-operation that our affair was successful, socially and financially. We hope that all who were present enjoyed themselves very much.

All members are reminded that if they did not as yet pay for the tickets that they do so before our next meeting, so that a financial report can be ready for the next meeting.

Members on the sick list are Peter Routar and Joseph Stark, the latter being away in the country at present. All friends and members wish them a speedy recovery.

Don't forget our next meeting on Dec. 3.

## JOLIET SODALITIES TO HONOR VENERABLE SISTERS AT REUNION

Joliet, Ill.—All members and former members of the Blessed Virgin Mary Sodality and the St. Agnes' Sodality of St. Joseph's Parish are invited to attend a sodality reunion Sunday, Nov. 27, at 3 p. m., at St. Joseph's Hall.

On this occasion the honored guests will be Ven. Sister M. Roberta, who has been moderator of the Blessed Virgin Mary Sodality for 15 years, and Ven. Sister M. Flora, who for the past 20 years has been moderator of the St. Agnes' Sodality.

### JOES TO TAKE IN JAMBOREE HOUR

Waukegan, Ill.—Through the courtesy of the National Broadcasting Co. in Chicago, Ill., 50 members of the St. Joseph's Society will attend the WMAQ radio show Jamboree Hour on Friday night, Nov. 25, at 7:30. This novel treat will be an especially interesting tour for the Young Kay Jays of Waukegan who are to visit the studios of the NBC in the Merchandise Mart in Chicago. This trip is being sponsored by the St. Joes Sports Club and its officers with the KSKJ Athletic Director-elect Joseph Zorc.

Other guests will be the Rev. Matthias J. Butala, director of the sodalities; the Rev. George J. Kuzma, Study Club moderator; Ven. Sister M. Secunda, precept moderator of the Blessed Virgin Mary Sodality, who has held this office for five years in the past; Ven. Sister M. Olga, successor to Ven. Sister M. Flora, and the Venerable Sisters of St. Joseph's School.

An invitation to the reunion was extended to the Rev. Matthias J. Hiti, pastor of Mother of God Church, Waukegan. Father Hiti was the organizer and former moderator of the Joliet sodalities' study clubs.

The most important part of the sodality reunion program is the participation in the general monthly Communion at the 8 o'clock Mass. It is at this Mass that the sodalists will remember their former moderators with a spiritual bouquet.

The regular monthly meeting will be held at 1 o'clock, preceding Benediction, after which there will be a brief rehearsal for the reception, Dec. 8.

Marie Klepec, Sec'y.

## BURDELICK COLLECTS 562 WHEN MAGDALENE BOWLERETS TRIP MEN

Cleveland, O.—Excitement reigned at the Norwood Alleys last week when the Mary Magdalene (Grdina Undertakers) bowled with determination to bury the 61st Aces, a men's team, with a 2226 to 2127 score.

Burdelick and Gornik did the heavy wood toppling for the girls, the former collecting 562, including a 208 single, while Gornik hit 439 for three games. For the men Straus was high with a 441 series.

Although the Kay Jay girls outpointed the boys, the lads are not so easily discouraged, and a return match will be bowled shortly.

The No. 2 team of the lodge announced last week that from now on it will be backed by

Vicki's Beauty Shoppe, operated by the well-known Miss Vicki Kmet at 5506 Superior Ave. Whether the girls will wear the page-boy or upswing style at the alleys has not been determined, but they certainly intend to do a lot of manicuring on the pins.

Both teams are gradually rounding into midseason form. "Butch," proprietor of the girls' home alleys, is confident the lassies will go places this year, and is matching his endorsement by banking on the girls even when they bowl against men's teams.

The girls bowl every Monday night at the Norwood Alleys, and extend a welcome to all members to come out and watch them.

## LEAD SHARED IN JOLIET PIN LOOP

Joliet, Ill.—Scoring a clean sweep of the three-game series with the Kuhar Grocers, the Slovenic Coal Co. team went into a first place tie with the Hickory Markets in the Joliet Kay Jay Bowling League. The Hickory boys dropped a game to the Tezak Florists.

Al Juricic paced the bowlers and led the Markets to a double win by turning in new season's high series of 597, including games of 225 and 213. John Mutz uncorked a 240 game to set a new high single game mark for the league. Other high scorers were: Dr. Zalar, 211; Rudy Ramutta, 201; Willard Kuhar, 200.

## TURNOUT PLEASES WEST ALLISIANS

West Allis, Wis.—The last meeting of St. Mary's Help of Christians Society was well attended and we hope the attendance continues.

Our next meeting, which is the most important of the year, will not be on the first Sunday, due to our church bazaar, which is being held Dec. 4, 5 and 6. So instead it will be Dec. 11 at 1:30 p. m. sharp. Please remember this change as we have election of officers for the coming year.

After the meeting refreshments will be served. Please come, one and all, without fail, at least once a year!  
Mary Petrich, Sec'y.

## ISSUES CALL TO LODGES, BOOSTER CLUBS TO ELECT ATHLETIC BOARD MEMBERS

The 19th general KSKJ convention held in Eveleth, Minn., adopted rules governing the operation of the Athletic Board and with the generous view taken by the delegates toward athletic and recreation movements within our KSKJ organization it should be followed up now by the lodges or booster clubs in the selection and election of district directors to the Athletic Board. If capable and ambitious young people will be chosen by the membership among the KSKJ youth, then much can be expected in progress of membership and good-will among existing members.

athletic commissioner, Frank Banich, who set up the original groundwork of the existing athletic program. To him and to the members of the Athletic Board let every KSKJ member look with a feeling of gratitude for their work in establishing definite organized athletics on a large scale within our KSKJ group. Brother Banich has extended exceptional courtesy to the recently elected athletic commissioner and the routine of electing KSKJ district lodge or booster club directors has

Chicago, Ill.—On Nov. 13 a powerful Chicago team met a strong quint from La Salle, Ill., headed by Father Joseph, formerly of St. Stephen's Parish, at the Southwest Alleys. FOR GOD, HOME AND COUNTRY.

By FATHER KAPISTRAN
The Catholics in the United States have a voice. Representatives of this country's body Catholic, the bishops of our land, have formed the National Catholic Welfare Conference.

Through this medium, the Catholics of America expressed themselves, on Nov. 16 in a nation-wide broadcast, regarding Nazi persecution of Catholics and Jews in Germany.

It was thrilling to hear Father Sheehy announce from the East that the first speaker would be Archbishop Mitty of San Francisco.

Thus the Catholic voice of protest against Nazi inhumanity rose from coast to coast.

Father Sheehy quoted the Holy Father when he said all men in the world are "spiritual Semites."

This means, if we are to begin analyzing blood as a criterion of racial worth, we must remember that it was by Jewish blood that we were redeemed.

Archbishop Mitty was not afraid to lash the public apathy which for years has ignored persecution in Spain and in Mexico.

"Somebody muzzled the correspondents; somebody controlled the cables; somebody closed the columns of our press."

The true prescription for peace, according to Archbishop Mitty: "Peace comes out of order; order out of law; law out of justice; and justice is a virtue."

"Unregenerate human nature needs conversion and conversion is a function of religion."

Bishop Gannon listed all the persecutions that the Catholic Church has ever been heir to; and the recent wave of affliction beginning with Lenin.

"There appears to have broken through the veneer of modern civilization, a connected series of violent, cruel hates which modern dictators inflict without mercy of shame on their helpless victims."

"Chronologically, the whole sickening mess started with the dictator Lenin and his dreamy political economy known as Russian communism."

Bishop Ireton made a clear distinction between the German people and those in Germany who are responsible for the persecution.

Al Smith voiced the sentiments of one of our own Slovenian priests when he said: "Can it be possible that Germany, after producing some of the world's greatest scientists, writers, physicians, and statesmen, is becoming a barren nation, intellectually, culturally, and scientifically."

Msgr. Corrigan, rector of the Catholic University at Washington, was the last speaker over the combined NBC and CBS hookup.

ST. MARY'S CLUB STARTS 10TH YEAR WITH SOCIAL

Waukegan, Ill.—The St. Mary's, No. 79, Sports Club will open its 10th season of social and sports activities with a dance on Saturday evening, Nov. 26, at the Mother of God Hall with Johnny Paccetti and his six-piece orchestra providing the music.

Dancing will begin at 9 p. m. and continue until midnight. As this is the last dance before the Advent season, a large crowd is expected. Admission 25 cents.

ALTHOUGH PITT BOOSTERS WERE BUSY, THEY TOOK TIME FOR BOWLING

Pittsburgh, Pa.—The Pitt Boosters have been so busy with their show the past few weeks that nothing had been heard of the Pitt Booster Bowling League. We are still bowling and meet every Saturday night at the Lawrenceville Recreation Alleys. The true fraternal spirit and enthusiasm prevails as always with the Pitt Boosters and their friends. We have added several new bowlers to our list this season.

Last Saturday evening Nick Spudic, one of our captains, whose hobby is woodcraft, offered two beautiful miniature bowling pins, which he had made, as prizes for the evening to the highest man bowler and highest woman bowler. This certainly stirred the group. Matthew Veselich, with his pretzel ball, came up on top with a score of 227, defeating Rudy Bizjack by two pins. Stephanie Eulert led the women with a total of 157 pins, defeating her sister, Mary Golobic, by three pins. A very close margin, and a grand cheer greeted the winners. The Boosters appreciate Mr. Spudic's thoughtfulness and generosity in bringing these prizes.

A suggestion has been made that from now on each Saturday one of the bowlers would bring a small prize, one for the men and one for the women, which would be awarded the highest scorer of the evening. This following Saturday is Matthew Veselich's turn to bring the prizes, and he promises something very attractive. We hope that at the end of the season the bowlers will have quite a collection of beautiful prizes.

Come on, you bowlers and bowlerets, this is your chance to have a lot of fun and still go

December Elections

Frances Jancer

During the month of December the various KSKJ lodges throughout the United States will elect officers for the new year. This December meeting is one of the most important meetings of the year, and to present officers every meeting should be an important meeting. A member who does not intend to attend all of the meetings unless, of course, he is physically incapacitated, should not accept any office in his subordinate society.

According to new bylaws accepted at the last general con-

vention in Eveleth, Minn., there are a few other points that have to be taken into consideration in the coming December election, and they are: No president, secretary or treasurer of any other fraternal organization is allowed to be the president, secretary or treasurer of a subordinate society in the KSKJ. No supreme officer of any other organization should accept an office in a subordinate lodge of the KSKJ, for that supreme officer cannot do justice to both organizations.

In your selection of officers think first if the person you wish to be an officer is both mentally and physically able to hold the office—if recording in Slovenian is necessary, does he or she know how to write in Slovenian—have they the interest in their lodge that is necessary for the promulgation of your lodge. Fraternal work is for humanity, lending a fraternal hand to our bereaved brothers and sisters, and paving a way for a safe and sound future.

Above all things, let's leave politics out of our elections.

Frances Lokar.

MILKMEN TRIP SVETEK-JOES

Cleveland, O.—Although the St. Joseph-Svetek's Undertakers last week outscored Ray's Dairy, 2602 to 2536, the Milkmen just about skimmed over the Jays to win a 2 to 1 decision in games in Pozelnik's B League. An extra frame in the second game to break a tie upset the Undertakers.

Al Sluga, Jays' clipping woodsman, paced his teammates with a 585 series, sandwiching a 220 single. Captain Michael Zlate followed with a 550 series, including a 201. For the Milkmen Strojnik topped a 210 single, while Sitar and Mlakar each tallied 200 even games.

The Kay Jays, now in fourth place, bowl every Wednesday night.

been placed in the hands of the newly elected athletic officer. However, all business concerning KSKJ athletics in the course of 1938 will be carried out to a completed schedule by Brother Banich until Jan. 1, 1939.

In considering the election of directors, it should be clearly understood that the female members for their splendid co-operation and effort should be given definite consideration. The ladies of the KSKJ, both young and old, have always been at the front for the organization in every way.

The elected directors will later have the task of electing their zone chairmen within their respective zones.

The co-operation of every group is necessary in completing this election and it would be sincerely appreciated if every secretary would send in the election results right after their meeting.

Copies of the rules governing the operation of the Athletic Board are available to all members interested and same can be secured by writing to Brother Zorc. Those who have their convention minutes will find these rules on Pages 84, 85, 86 and 87 of the English section of the 19th KSKJ convention.

PERKOS LEAD AS QUINTS SCRAMBLE TO EDGE PACERS IN STEVES' LOOP

Chicago, Ill.—The fight for first place in the St. Stephen's Bowling League has tightened up considerably. Parkview Laundry won three games and the Monarch Beers won two games, while Perko's Inn lost two. Perko's Inn still lead the race and are one game ahead of the Beers, while Parkview Laundry is now only three games behind the leaders.

Parkview Laundry, led by Bicek with 581 and Anton Kremesec with 517, swept the three-game series from Tomazin Tavern, who have been on the losing end for the past few weeks. Anton Tomazin was high with 526 for the Tavern team.

The Monarch Beers kept themselves in the running by winning two games from the Jerin Butchers. High man for the Beer team was J. Terselich Jr., with 506, while Joe Zefran led the Butchers with 507.

"Red" Grill rolled a 569 series to help the Korenchan Grocers take two games from circuit-leading Perko's Inn. Aiding "Red" with a fine score was "Lefty" Kerzicnik with a 508 series. "Doc" Kosmach led Perko's Inn with his 533 series.

In the past week "Red" Grill turned in three excellent series to lead his team in their respective leagues. Last Thursday "Red" bowled in the house league and rolled a 671 series, now top in that league, and came back on Sunday against the La Salle team with a 616 series. On Tuesday he came through with a 569 series. "Red" had a total of 1856 for his three series, which is a very good score anywhere.

Hopes for Good Attendance at Annual Meeting

Brooklyn, N. Y.—The members of St. Joseph's Society, No. 57, are invited to attend the next meeting on Saturday, Dec. 3, at the usual place. There has been a rather poor attendance at the past few meetings, but it is sincerely hoped that a large attendance will be present on Dec. 3.

The year 1938 is fast coming to the end and it is hoped that all members in arrears with assessments will make an attempt to pay up, so that we can start the new year with a clean slate.

I am in receipt of a letter from our secretary, Joseph Klun, from which I quote as follows:

"I wish to advise you that I am obliged to resign from my post as secretary of St. Joseph's Society, No. 57, due to the new position in which I started to work on Nov. 15. Kindly accept my resignation as of the end of this month, as it will be impossible for me to continue as secretary due to the fact that all my time will be taken up with my new position."

I was sorry to hear that Brother Klun intends to resign, as he has always been a willing worker for the good of the society and has also been of great assistance to me in affairs concerning the society.

Keep in mind that the yearly election of officers will take place at our meeting Dec. 3, and it is to your benefit to be present and vote for those who are best suited to guide our society during 1939.

By the way, how about joining the bowling club, which meets every Friday night? If you aren't interested in bowling yourself, at least come down once in a while and root for us and perhaps before long you will get in the spirit of the game and join us. If you come down next Friday you will also see our "penny bank," which we industriously feed with pennies every time we miss a spare.

COMMUNION DAY

Joliet, Ill.—At the last meeting of St. Joseph's Society, No. 2, held Nov. 13, it was adopted that the members of the society receive Communion in a body on the first Sunday in Advent, namely Nov. 27, at the 8 o'clock Mass. As this is an annual custom, it is the duty of every member to attend.

At the same time I want to inform all members that our yearly or general meeting will be held on Sunday, Dec. 4, at the usual time and place. As you all know, at this meeting suggestions are in order for the betterment of the lodge in the coming years. Also at this meeting the election of officers for the coming year (1939) takes place. This is another reason why all members should attend this meeting.

Therefore, don't forget: Holy Communion in a body on Nov. 27 and the yearly or general meeting on Dec. 4.

Robert L. Kosmerl, Sec'y.

A controlled passion, a moderated strength, a humble grandeur are always the most perfect forms of passion, strength and grandeur. So, too, an inward richness that does not display all its treasures, a suffering that instead of clenching its fist and calling on the universe to bear witness, turns to heaven.

Peanut Marshmallow Fudge

1 pound confectioner's sugar or 3 3/4 cups of confectioner's sugar, 1 6-ounce can evaporated milk (3/4 cup), 1 cup marshmallow whip, 2 tablespoons butter, 4 tablespoons of peanut butter, 1 teaspoon vanilla.

Combine the confectioner's sugar and milk in a saucepan and bring slowly to the boiling point, stirring frequently. Let the mixture cook gently, and as it browns on the bottom of the saucepan, stir this browning in, making it a golden color. Stir constantly, being careful not to let the mixture burn. Cook until mixture forms a soft ball in cold water. Remove from heat and add the marshmallow whip, the butter, peanut butter and vanilla. Beat the fudge by hand or with an electric beater at high speed until nearly stiff, then pour it in a greased pan. When cool, cut in squares. Makes about 1 1/2 pounds.

Banana Fudge

2 cups sugar, 1/3 cup water, 2 tablespoons white corn syrup, 1/3 cup evaporated milk, 2 bananas sieved, 2 tablespoons butter.

Stir sugar, water and corn syrup over low heat till sugar is dissolved; add milk and bananas and cook until small amount of mixture forms soft ball in cold water. Remove from heat and add butter. Cool quickly by setting in a pan of cold water; when lukewarm beat until creamy. Pour 1 inch thick in slightly greased pan. Mark in squares when firm. Makes 18 large pieces.

Sour Cream Fudge

2 squares chocolate, 2 cups sour cream, 1 1/4 cups firmly packed brown sugar, 1/2 teaspoon salt, 1 teaspoon vanilla, 3/4 cup broken nutsmeats.

Combine chocolate, cream, sugar and salt; cook over low heat, stirring constantly until sugar and chocolate are melted and mixture boils. Continue cooking, without stirring, until small amount of mixture forms soft ball in cold water. Remove from heat, adding vanilla, and cool to lukewarm. Then beat until creamy. Add nuts and turn in greased pan. When cool cut in squares.

Divinity Fudge

3 cups sugar, 1 cup boiling water, 1 cup corn syrup, 3 stiffly beaten egg whites, 1/2 teaspoon vanilla, 1/8 teaspoon salt.

Mix sugar, boiling water and corn syrup. Place on a warm part of the stove or over a low flame until sugar is dissolved, stirring occasionally. Boil to the soft ball stage, remove from fire. Wait until boiling has stopped, then pour in a slow, steady stream onto the egg whites, beating at the same time. When mixture begins to thicken add the flavoring or any other addition and beat until thick. Pour into a greased pan and when nearly cold, mark in squares.
