### Reagan poudarja željo za dobre odnose s karibskimi državami

KINGSTON, Ja. — Med svojim krajšim obiskom na otoku Jamaika je predsednik Ronald Reagan izrazil željo za najboljše možne odnose tako v gospodarskem kot političnem smislu med ZDA in državami Karibskega območja. Predvsem se v ZDA zanimalo za gospodarski razvoj tega območja in pospeševanje trgovanja, je dejal Reagan.

Predsednik je posebno nagnjen Jamaici zaradi domače in zunanjne politike tukajšnjega ministrskega predsednika Edwarda Seage. Na lanskotletnih volitvah je Seaga premagal levičarskega, pro-kubanskega kandidata Jamesa Manleyja, katerega vlada je gojila stike s Kubo in zagovarjala socialistično politiko.

Ko je prišel na oblast po svobodnih volitvah, je Seaga takoj temeljito spremenil politiko svojega prednika. Pretrgal je diplomatske odnose s Kubo in zahteval odhod vseh kubanskih svetovalcev. Potem je Seaga navezal tesne odnose z ZDA in zagovarjal gospodarsko politiko, ki temelji na principih kapitalizma, kar je Reaganu in njegovi vladil silno všeč.

Z Jamaice je Reagan nadaljeval svojo pot in se nahaja na otoku Barbados, kjer bo ostal do nedelje. Udeležil se bo sestanka ministrskih predsednikov več karibskih držav, na katerem bo obrazložil svoj načrt, nuditi obsežno gospodarsko pomoč tem državam.

Reagan je v svojih govorih močno kritiziral Kubo in dejal, da brez precejšnje gmotne podpore Sovjetske zveze bi kmalu propadel režim Fidela Castra.

### V Rusiji se ne sme govoriti o miru

Če je zaskrbljeno maršala Ogarkova utemeljena zaradi pacifizma sedanje mladine, potem je treba seveda tej mladini prikriti vojno, ki jo Sovjetska zveza že tretje leto vodi v Afganistanu.

Če bi bila televizija in tisk v Rusiji svobodna kot v ZDA, bi mladina zvedela o sovjetskih bombardiranjih afganistanskih vasi in o pogumnoj odporu tamkajšnjih gverilev in tedaj bi se moralno zgoditi, kar se je dogajalo v Sev. Ameriki ob vietnamski vojni: da so mladi trgali vojaške povznice. Toda v SZ je pacifizem luksuzen artikel, namejen je za izvoz, ne pa za notranjo uporabo.

In kaj nam vse to pove? Da ostaja komunizem dvoučen, kot je bil že na svojem

### ANGLIJA SE PRIPRAVLJA NA VOJNO Z ARGENTINO; HAIG SKUŠA POSREDOVATI

LONDON, V. Br.; WASHINGTON, D.C. — Angleška vlada je napovedala blokado vseh vod v okolici Falklandskega otočja. Obrambni minister John Nott je dejal, da imajo argentinske ladje do ponedeljka rok, da zapustijo vode do 200 navtičnih milj od tega otočja. Angleške bojne ladje, vključno podmornice, ki so že v omenjenih vodah, bodo napadle vse argentinske ladje, ki ne bodo spoštovale blokade.

Nottova izjava pomeni, da bo lahko prišlo do vojne med Veliko Britanijo in Argentino že v ponedeljek. Dobro obveščeni angleški vojaški krogi zatrjujejo, da se nahaja v vodah blizu Falklandskega otočja podmornica na jedrski pogon Superb.

Poslanci angleškega parlamenta še vedno razpravljajo o sporu z Argentino. Laburisti kritizirajo ministrsko predsednico go Margaret Thatcher zato, ker njeni vladni podvzela ustreznih ukrepov pravočasno. Izvedelo se je namreč, da so Angleži vedeli za argentinski načrt, napasti in zasesti Falklandskega otočja vsaj 10 dni pred dejanskim napadom. Pristojni člani vlade, predvsem bivši zunanji minister Lord Carrington, pa tem poročilom niso zaupali oz. verjeli.

V svoji izjavi v parlamentu je obrambni minister Nott pojasnil, da angleški vojaki ne bodo neposredno napadli Argentine na Falklandskega otočju. Z blokado namerava Anglija onemogočiti, da bi Argentina nadalje pošiljala vojake, njih opremo, hrano in druge potrebujočne svojim enotam, ki so že na tem otočju. S tem, vsaj tako računajo Angleži, bodo slej ko preprisili Argentino, da odpoklici svoje vojake domov.

Ovira za Haiga je izjava ge. Thatcherjeve, da Anglija ne go pristala na nobena pogajanja z Argentino, dokler ostanejo argentinski vojaki na Falklandskemu otočju.

Zahodni vojaški strokovnjaki menijo, da bi v takih

šen spopadu zmagali Angleži, ki bodo imeli vso možnost, da potopijo vso argentinsko mornarico in sestrelijo argentinska transportna in bojna letala.

V Argentini so tudi pripravljeni na vojno, vsaj tako trdijo predstavniki vojaškega režima gen. Galtierija. Vedno več pa je slišati pomirjevalnih izjav, v katerih izražajo Argentinci svojo pripravljenost pristati na pogajanja.

Gospodarski ukrepi, ki jih je podvzela zoper Argentino Velika Britanija, otežujejo že itak težak gospodarski položaj Argentine. V Argentini je namreč inflacija že dosegljiva 140 odstotkov na leto. Finančni krogi se očitno bojijo posledic vojnega spopada z Anglijo in menda vplivajo na vojaško vodstvo države, največ znamena za mirno rešitev krize.

**Haig posreduje**

Državni tajnik ZDA Alexander Haig bo skušal igrati posreduovalno vlogo v sporu med Anglijo in Argentino. ZDA imajo prijateljske odnose z obema državama in se bo z njimi začelo pogajati v sestanku ministrsko predsednico go Margaret Thatcher, zato, ker njeni vladni podvzela ustreznih ukrepov pravočasno. Izvedelo se je namreč, da so Angleži vedeli za argentinski načrt, napasti in zasesti Falklandskega otočja vsaj 10 dni pred dejanskim napadom. ## Misijonska srečanja in pomenki

### 556. Iz Pariza se je oglasila

21. marca sr. Cecilia Prebil. Takole piše: "Morda Vas bosta zanimali pismi misijonarja Puhana in sr. Bogdane Kavčič. Oboje Vam prilagam na ogled. Po sr. Tereziji Pavlič sem poslala našim misijonarjem na Madagaskar juhe in mila, ker se tam tega ne dobi. Seve z denarjem MZA, za kar Vam Bog povrni. Stiska je povsod. 19. marca je prišel v Pariz g. Ivan Štanta, ki je še isti dan odšel naprej proti domu. Po osmih mesecih se vrne nazaj na Madagaskar. Sr. Terezija Pavlič se je dobro doma pozdravila in se je v februarju vrnila k svojim Malgašem. Želim Vam prav lepe velikonočne praznike. Pri Mariji se Vas spominjam vsak dan in svoji revni molitvi. Prisrčno Vas pozdravljam, sr. Cecilia."

### Misijonar Janez Puhan

se je oglasil 21. februarja iz Manambondro. Takole piše: "Draga sr. Cecilia! Enkrat se spravljam k pisanju, ne da bi imel v načrtu kakšno naročilo ali prošnjo, morda se celo česa domislim do konca pisma. Nedeljski večer je in soporno. Za popoldne sem odpovedal vse sestanke, ker je bilo med mašo soporno in vroče, da je celo Malgašem vse teklo po obrazih, kaj šele meni v ornamentih. Misil sem, da bi se z Markom popoldan s čolnom podala na morje, pa naš Vilfan ni bil preveč pri volji. Ne vem, ali se vode boji, ali pa je imel res toliko pisem za napisati. Jaz sem hotel malo na 'samoten kraj', ker sem tu stalno oblegan od ljudi, posebno še takih, ki prihajajo za nivakin ali ganidan ali drugo preprosto zdravilo, ki jih imam na voljo.

Pišem Vam tudi že sedaj, ker nič ne vem, kdaj bo šla pošta naprej zaradi uničenih cest, mostov in drugega, po vseh teh ciklonih, ki so pošteno uničili naš otok. Gotovo ste kaj slišali in videli na televiziji. Bile so žrtve, pridelek uničen, ceste in mostovi porušeni. Letalska steza v Farafangani je razdejana in naše pošte verjetno še dolgo ne bo. Morda pa boste to dobili le pred Veliko nočjo, ki naj vam bo vesela in blagoslovljena, kljub velikemu delu v zakristiji. Fr. Klemešna smo torej odpeljali v Tana na zdravljenje. Baje se te dni vrne in škof mu je obljudil šestmesečni dopust v gobavskem naselju v Farafangani, kjer so že nekaj časa brez duhovnika. Hvala Bogu, smo se že bali, da se bo moral vrniti. Verjetno bo do junija že prišel v Ranomeno, da bo tako Rok šel na dopust. Ta bi namreč rad še ujel zadnje tekme svetovnega nogometnega prvenstva na televiziji. Kdo bi si mislil, da se bo naš

France pa pridno vlagajo svoj denar v vijke in drugo orodje, saj 'vrednost denarju vsak dan pada'. Sr. Marija pa me je zadnjič poštano napikala s kinimaksom, ko sem se ji slučajno prikazal pred oči, potem pa nam je spet sr. Amanda posladkal zivljene vaje.

Misijonar Janko Erjavec je te dni sam v Vangaindrano, ker sta šla Pedro in Rok z motorji v Midongy. Do tja je cesta tako razrita, da niti z Land Roverjem ne prideš zlahka. Tudi vse moje mostove proti jugu je velika voda odnesla, tako da bom moral v petek kar peš na pot na južno podružnico. Vi tam govorite nimate skrb s slabimi cestami in kot slišimo po radiu, vam bodo celo bencini pocenili. Dobro gospodarijo vaši socialisti, če so začeli zniževati cene in krajšati delavne ure. Sicer pa imam vtič, da so Francozi bolni od želje po spremembah in novostih.

**Sr. Bogdana Kavčič**  
je 27. januarja pisala sr. Cecilijs med drugim: "Za Božič so prišli kar trije od doma, brat Vinko in njegov sin Darko, star 18 let in sr. Anica. Imeli smo se lepo. Predvsem zanje je bil Božič nekaj edinstvenega. Mene je vse še bolj utrudilo. Okoli nismo hodili. Vinko je delal, kolikor je bilo pač časa. Upam, da so se srečno vrnili domov. Za Poljsko vsi molimo, ubogi narod, naj ga Marija čuva. Veliko ubogih je po svetu, pa še vsi ti nemiri na vseh koncih.

S pomočjo, ki jo dobimo od vas iz zaledja, vsaj malo lahko pomagamo ubogim. Denar ima vedno manj vrednosti. Lep pozdrav od hvaležne sr. Bogdane."

### Brat Ludvik Zabret, SDB,

je kratko pisal za Veliko noč: "Prav lepa hvala za Vaše pismo, ki sem ga bil zelo vesel. Tu v Nasik skrbim za naše novince, ki bodo delali zaobljube 24. maja, na praznik Marije Pomagaj. Molimo, da bi vztrajali in postali goreči apostoli v morju poganskih bratov. Nova skupina novincev, upamo, da bo malo večja, okrog 20. Vzgoja domaćih duhovnikov je najvažnejše delo za misijone, ker bo ta omogočila širjenje božjega kraljestva v misijonih.

Okrog noviciata je nekaj zemlje, ki jo bo treba dobro obdelati, da bomo lažje shajali. Trda je za vodo, ko tako malo dežuje. Samo 3 mesece pada nekaj dežja, navadno okrog 70 cm. Potem pa 9 mesecev nič in je strašna suša. Če se pa namaka, pa vse dobro raste, tudi grozdje. Po-

(Nadaljevanje z 2. strani)

1943. Magajna objavlja dobesedno vseh osem točk te izjave v opombi (str. 116-117), škoda pa je, da nam ne naveže na točnega datuma. Iz vsebine bi lahko sklepal, da gre verjetno za izjavo po italijanski kapitulaciji, torej po 8. septembra in pred koncem leta 1943.

Izjava je bila objavljena v partizanski brošuri Razgovori in članki, primorska duševina za Federativno ljudsko republiko Jugoslavijo, v Trstu leta 1946, je pa le malo poznana in zato povzemam vsebino teh osmih točk:

1. Ceprav najodločneje obujamo vse poznane in nepoznane zločine, za katere se — resnični na ljubo povedano — dolže v veliki meri posamezniki in ne v toliki meri poveljstvo, priznavamo OF kot edino narodno oblast, prekajeno v krvavem boju proti tujcu.

2. OF gre zasluga, da danes govore o našem malem in do sedaj nepoznem narodu svetovni državniki in da ga poznajo vsi civilizirani narodi.

3. Zahvaliti se moramo OF, da se je izognila vzrokom, radi katerih so se Srbi, Hrvati in Slovenci sovražili, kar je povečevalo prepad med njimi, tako da smo mi Primorski Slovenci in Hrvatje že izgubili upanje na ohranitev skupne države. Zato z veseljem ugotavljamo, da je OF rešila na najboljši način to notranje jugoslovansko vprašanje z izjavo o enakopravnosti Srbov, Hrvatov, Slovencev in Makedoncev.

4. Z zadovoljstvom ugotavljamo, da stoji OF pred tem, da uresniči stari sen naših devov, to je Združeno Slovenijo, kateri bosta pripadala tudi Trst in Celovec.

5. Z zadoščenjem smo spreveli na znanje odločitev začasne narodne skupščine, s katero priznava OF vsem dr-

zavljanom versko svobodo. Želimo si, da bi narodna oblast priznavala ne samo svobodo opravljanja verskih obredov, temveč tudi pravico širjenja vere z uporabo vseh sredstev moderne tehnike. V tej zvezi pozdravljamo tudi iniciativo OF, da je prišlo do ustanovitve verske komisije, ki bo moral razsoditi vsako nesoglasje med cerkvijo in novo oblastjo.

6. V soglasju z evangelijskim naukom se mora spoštovati privatna lastnina, v kolikor ta ni v škodo skupnosti. Na drugi strani pa se je treba izogibati kopičenju bogastva in preprečiti tako špekulacijo z njim, ki je škodljiva družbi.

7. Z zadovoljstvom smo vzel na znanje tudi to, da priznava narodna oblast pravico do kakšnekoli iniciative, dokler ta ni v škodo skupnosti.

8. Če se posreči modri politiki OF, da se tudi Bolgarija pridruži naši federaciji, si bo OF pridobila zgodovinsko zaslugo, da bo ustvarila tako Jugoslavijo, ki bo združevala vse Južne Slovafne.

## GLASBENA MATICA DINNER DANCE A BIG SUCCESS

Old Man Winter certainly did not smile kindly on Saturday, March 27th for Glasbena Matica's Annual Dinner Dance, but instead, sent us several inches of snow, blustering winds and freezing temperatures. And yet, our many friends ignored the cold weather and joined us for a gala evening of fine dining, excellent music and pleasant company.

Although there was a blanket of white outdoors, our very talented decorating committee transformed the Slovenian National Home into a beautiful spring-like setting. The lobby featured a garden complete with bird bath, chirping birds and flowering bushes. Each table in the main hall was decorated with fresh flowers, a basket of jelly beans and a decorated Easter egg basket and decorated eggs which were later awarded as door prizes. Everywhere one looked, there were flowers and greenery to remind us of the dinner-dance

theme: "It's Spring Again." The musical program was brief and lighthearted and featured solos by Ed Kenik, June Price, Matt Dolenc and Jane Pözník. A specialty number sung by the chorus was an English medley from "Oklahoma." Another highlight of the evening was the accompaniment of the Jeff Pecon Orchestra to the last three numbers performed: "Kamnik Polka", "Prisla pomlad bo spet" and "Ostani mi Pryateli."

We would like to convey a very special "thank you" to James Slapnik, the florist, who generously donated the red carnations worn by chorus members and the lovely daffodils which adorned each cabaret table.

Last, but not least, we would like to express our appreciation to everyone who attended the dinner-dance, and we sincerely hope that it was an enjoyable evening for all. Na svidjenju.

Dolores Sierputowski

## Slovenska Pesem Chorus Concert April 24

Chicago, Ill. — The Slovenian singing group, "Slovenska", is pleased to announce that its 5th annual concert will be presented on April 24, 1982 at St. Stephen's Church Hall in Chicago at 7:30 P.M. The chorus draws its 50 members from Chicago and suburban areas.

Rev. Dr. Vendelin Špendov, OFM, director, has planned a program that will demonstrate the rich variety of music in our Slovenian heritage as well as the versatility of his chorus. Drawing from the poets and composers of the last 2 centuries, the program will carry the audience through religious and secular

themes. Audience tastes that range from lullaby to love song to oratorio are sure to be satisfied.

The group will also perform selections from its international repertoire by such composers as Gounod, Smetana and Handel.

Accompanists for the performance will be pianist Helen Rožman, of Joliet, and the Roosevelt University Chamber Orchestra.

All are invited to attend the concert and the dance following, at which "Ensemble Glas Slovenije" will entertain. Admission for the evening is \$5.00, and \$2.00 for students under 12.

## Meeting

Mr. and Mrs. Louis Drasler of Cleveland, Ohio donated \$20.00 to the American Home printing fund. Thanks.

This year, the Ohio Academy of Science is holding its 91st annual meeting in Columbus on April 23, 24 and 25th. Host will be the Ohio State University. The theme of the meeting will be "Women in Science."

On Saturday morning, April 24, in the sectional meeting on geography, Ms. Vera K. Pavlakovic along with Richard W. Janson will speak on "Factor Analysis of Ethnicity in Immigrant Residential Relocation Behavior." Ms. Pavlakovic is a member of the Geography Department at Kent State University, Kent, Ohio. Her topic will cover the Slovenian-Croatian area in Cleveland known as the Saint Clair neighborhood.

Then in the afternoon session on anthropology and sociology, Mr. David Perušek of 255 W. Oak St., Kent, Ohio, will deliver a talk on "Images of Menopause." From an examination of various sources, he will show that emphasis on youthfulness has created an attitude toward youth, age, and aging processes. Menopause has been looked down on. Perušek concludes though, "That with the greying of the Pepsi Generation, menopause may again be accorded normal status."

**Friendship CAKE**

1 heaping cupful of love  
7 handfuls of forgiveness  
1 tsp. of good humor

A dash of hope  
A full pound of unselfishness  
1. Set your heart at warm temperature. Mix ingredients smoothly with complete faith in God.

2. Scrape the bowl thoroughly because great joy of life is to be found at the bottom.  
3. Spread with tenderness and sprinkle with sympathy and kindness.

4. Cut in generous slices. More goodness is to be found underneath than is shown on the surface.  
5. Serve with a smile and hospitality in a large dish of compassion. Offer it to your neighbor.

Yield: Enough for everyone!

## FRIENDSHIP CAKE

Mary Grze has submitted her recipe for friendship cake and a tip for the starter. She suggests one cup of sugar, peach juice and pineapple juice. "Stir everyday until sugar has dissolved. Do not seal — just cover at room temperature for at least 2 weeks to ferment."

Mix:  
1 cup starter  
1 cup sugar  
1 cup diced peaches (drained)

Let stand for two weeks.

Add:  
1 cup sugar  
1 cup pineapple (drained)  
Let stand for two weeks.

Add:  
1 cup sugar  
1-10 or 12 ounces of cherries (and juice if you like)

Let stand for two weeks.  
Drain 3 cups of juice and add:

2 cups sugar  
2 cups coconut  
2 cups pecans  
1 tsp. orange flavor

1 tsp. butter nut  
Salt

1 cup Wesson oil  
1 cup dates  
3½ cups self-rising flour  
1 tsp. cinnamon

Mix well and bake in ungreased tube pan for one hour and 15 minutes at 350°. You will have enough juice to share one cup of starter with two friends and keep one for yourself. "I keep it from year to year. Your fruit does need to be drained before you put it in the cake."

Dear Editor:  
I'm sending you a recipe of an unusual cake and I want to share it with the readers.

Happy Easter!
