Carter proti velikemu znižanju davkov

Predsednik ZDA je napovedal veto prevelikemu znižanju vveznih davkov.

WASHINGTON, D.C. — Na svoji tiskovni konferenci predtekli tork je predsednik Carter napovedal, da bo odklonil podžanju davkov, če ne bo ta sprejemljiv. Povedal je naravnost, da predlog, kot je bil izglasovan v Senatu, njemu ni sprejemljiv, sprejemljivejši mu je predlog, izglasovan v Predstavniskem domu.

Carter je svetoval Kongresu, naj na konferenci predstavnikov obeh zbornic izdela kompromis, ki bi vseboval vse nujno in sprejemljivo. Če mu bo tak kompromis predložen, ga bo podpisal, sicer pa ga bo zavrnil in dežela bo za enkrat brez znižanja davkov. To bo v takem slučaju predsednik znova predložil prihodnje leto.

Posebej je predsednik pozval Kongres, naj konča delo na energetskem programu, ki mu je bil predložen še lansko pomlad. Carter je poudaril izreden pomen uzaknitve tega programa tako za naše narodno gospodarstvo kot tudi za ustalitev vrednosti dolarja, ki je v letošnjem letu močno padla.

Kongres bo predvidoma jutri končal svoje sedanje zasedanje. Kongresniki in del senatorjev, ki morajo drugi mesec pred volivce, ki bili radi čim preje v volivni kampanji.

SPET POLITIČNI UMORI V ITALIJI

RIM, It. — V tork zjutraj je neki terorist ustrelil do smrti višjega uradnika pravosodnega ministrstva Girolama Tartagli-one, ko je stopil iz svojega stanovanja.

Nekaj ur potem je telefonski klic listu La Vita sporočil, da je bil umor delo Rdečih brigad.

Te hočejo očitno pokazati, da so še sposobne vršiti nasilja, četudi je policija v zadnjih tednih odkrila več njihovih skrivališč in prišla nekaj njihovih članov.

V sredo so umorili v Napoliju znanega medicinskega profesorja Alfreda Paolella, ki je služil kot medicinski svetovalec pri policiji. Klic listu "Il Mattino" je umor pripisal skupini "Prima Linea", o kateri sodijo, da je tesno povezana z Rdečimi brigadami.

Upor v Kambodži?

HANOI, Viet. — Tu trdijo uradni krogi, da je upor proti sedanjim komunistični vladi v Kambodži zajel že 16 od skupno 19 provinc ter da so uporniki ponekod ustvarili trdna oporišča kljub obsežnim in neusmiljenim čistkam.

Na mejnem področju je zopet oživilo, med vietnamskimi in kambodžanskimi silami je prišlo do nekaj ostrih in obsežnejših spopadov. Ko bo v treh ali štirih tednih minila deževna doba, pričakujejo povečanje bojev.

Vremenski prerok

Novi grobovi

Thomas M. Helmetzi

Pretekli tork je umrl 22 let stari Thomas Michael Helmetzi z 923 E. 76 St., mož Patricie Ann, roj. Beranek, sin Williama in Irme Mae, brat Williama, pok. Barbere Zimmer in Sandre Martin. Pogreb bo jutri, v soboto ob 11. dopoldne iz Zakrajškovega pogrebnege zavoda na pokopališče Vernih duš.

Sovjetska zveza umika svoje ljudi iz Bejruta

To kaže na možnost obnove bojev med Sirijci in kristjani.

NEW YORK, N.Y. — Sovjetska zveza je začela umikati oosobje svojega poslanstva v Bejrutu, ko Sirija pošila tja nove vojaške enote in je možno računati z obnovo sovražnosti med Sirijci in kristjani. Sovjetsko poslanstvo je v islamskem delu mesta, ki je bilo doslej izven bojevanja.

Odhajanje sovjetskega diplomatskega oosobja n njihovih družin kaže, da Sovjetska zveza resno računa z obnovo in tudi z razširitvijo bojev v Bejrutu.

V teku 10 dni, ko so Sirijci z vsemi močmi obstreljevali krščanski del Bejruta, so imeli 1.200 ranjenih. Sirijske izgube niso znane, sodijo pa, da bi Sirijci mogli imeti do 100 mrtvih in ranjenih.

Warnke odstopil

WASHINGTON, D.C. — Paul C. Warnke, ki vodi pogajanja s Sovjetsko zvezo o omejitvi jedrskega strateškega orožja (SALT II), je v tork objavil svoj odstop iz "osebnih razlogov".

V poučenih krogih vidijo v tem uslugu vladi, ko bo morala zagovarjati novi sporazum v Senatu. Tam Warnke ni bil posebno v časti, obramba SALT II bo z odstopom Warnkeja prešla na obrambnega tajnika Harolda Browna, ki uživa v Senatu dosti večji ugled.

Warnke bo ostal na svojem mestu do povratka z razgovorov v Moskvi med Gromikom in Vancejem 22. in 23. oktobra 1978.

Pekiški župan Wu Teh bil končno odstavljeno

Wu Teh je bil znan kritik podpredsednika vlade Teng Hsiao-pinga.

HONG KONG. — Po sem došlih vesteh je bil župan glavnege mesta Ljudske republike Kitajske Pekinga Wu Teh odstavljeno. Na mesto župana Pekinga je prišel v času proletarske revolucije in je bil med najbolj znanimi kritiki podpredsednika Teng Hsiao-pinga. On naj bi bil posredno odgovoren za drugo odstranitev Teng z vodilnega položaja v LR Kitajski.

Teng je bil odstavljen prvič v dobi proletarske kulturne revolucije kot glavni tajnik Komunistične partije. Po nekaj letih ga je pokojni predsednik vlade Ču En-laj spraval na mesto prvega podpredsednika vlade, prvega podnačelnika Komunistične partije in načelnika glavnega stana oboroženih sil.

Po smrti Ču En-laja so se Tengovi nasprotniki povezali in pridobili na svojo stran tudi pokojnega Mao Cetunga. Teng je po demonstracijah v Pekingu, za katere so dolžili njega, izgubil vsa svoja vodilna mesta in bil znova potisnjen ob stran, vendar ga je Mao pustil v partiji. Po Maovi smrti se je Teng povezal s starimi sodelavci in s pomočjo Maovega naslednika Hua Kuo-fenga dal prijeti "tolpo štirih", ki je imela glavno besedo v zadnjih letih Maovega življenja, in se postopno vrnil na vsa nekdanja mesta v vladi, partiji in v vojski. Od tedaj je načrtno spravljal z vseh vidnih mest pristaše "tolpe štirih", katerim so prištevati tudi Wu Teha.

Odstavitev tega pomeni, da si je Teng položaj v vodstvu LR Kitajske utrdil, kajti Wu je imel še vedno vrsto prijateljev v vodilni plasti partije.

Olimpijske igre 1984
le v Los Angelesu

LAUSANNE, šv. — Mednarodni olimpijski odbor je sprejel dogovor o izvedbi poletnih olimpijskih iger 1984 v Los Angelesu. Mesto Los Angeles je sprejelo organizacijo teh, ko je dobilo jamstvo, da ne bo odgovorno za kritje finančne izgube

V sredo se je pokvaril glavni tiskarski stroj, na katerem se tiska AD. Stroj ni bilo mogoče popraviti in smo morali združiti četrtkovo in petkovo številko Ameriške Domovine, katero smo natisnili drugod, da bi naročniki in čitatelji ne ostali brez lista.

Če bo vse po sreči in bo tiskarski stroj popravljen, bo Ameriška Domovina redno izšla v ponedeljek, 16. oktobra.

Japonska napoveduje večjo potrošnjo olja

V okviru nove trgovinske pogodbe z LR Kitajsko bo Japonska povečala uvoz petroleja iz LR Kitajske, kar pa še ne bo dovolj za kritje rastoče porabe.

TOKIO, Jap. — Ko so izvoznice olja leta 1974 početvorile cenno olju, je bila Japonska v hudih skrbih. Visoka cena za tuje olje je izgledala pretežno breme za japonsko gospodarstvo. Japonska je z vsemi sredstvi povečala svoj izvoz, da bi krila stroške za uvoz olja, hrane in surovin. Uspela je preko lastnih pričakovanj.

V zadnjih letih ima Japonska velikanski prebitke v zunanji trgovini kljub visoki ceni za uvoženo olje. Trenutno porabi olja nekako 290 milijonov ton na leto. Vladni strokovnjaki so prišli do zaključka, da bo poraba olja in njegovih izdelkov rastla v prihodnjih letih za povprečno 6% na leto in dosegla leta 1983 450 milijonov ton.

Gospodarski sporazum, ki ga je Japonska sklenila z LR Kitajsko letošnje poletje, bo razširil sodelovanje med obema sosedama in povečal medsebojno trgovino. Japonci računajo na "bistveno" povečanje uvoza olja iz LR Kitajske, kateri ga nameravajo pomagati iskati in izkoriščati.

Povečani uvoz olja iz LR Kitajske ne bo pomenil zmanjšanja uvoza olja iz sedanjih virov. V Tokiu sodijo, da povečani uvoz iz LR Kitajske ne bo mogel niti v celoti kriti povečane porabe.

SADAT POJDE SVOJO POT

Predsednik Egipta Anvar Sadat je izjavil, da je storil dovolj za svoje arabske brate pri pogajanjih v Camp David, da pa jih ima sedaj prilično dovolj zaradi njihove nevhvalečnosti in surovih napadov nanj.

KAIRO, Egipt. — Arabski skrajneži vztrajno napadajo predsednika Egipta Anvarja Sadata zaradi "izdaje" arabske stvari v Camp Davidu. Prizadevajo se na vse načine, da bi Sadata osamili in vzeli Egiptu vso podporo med državami arabskega sveta. Najprej so se Sadatovi nasprotniki zbrali v Damasku, pa jih je bilo premalo za kak odločen nastop. Sedaj vabijo Irak nasprotnike sporazumov v Camp Davidu in ima baje že 17 pritrdilnih odgovorov na svoja vabila. Celot Sirija je obljubila udeležbo, četudi sta si njena vlada in vlada Iraka že leta v laseh.

Anvar Sadat se je kljub vsemu nasprotovanju odločil svojo pot nadaljevati in se pobotati z Izraelom. V trdem govoru pred skupščino egiptskih pravnikov je Sadat v tork izjavil, da je storil dovolj za druge Arabce s sklenitvijo sporazumov v Camp David ter se bo poslej posvetil dosegi miru med Egiptom in Izraelom.

Ta govor pomeni po vsem videzu Sadatov odklop od prejšnje obveze, da bo odločno delal za Palestince in druge Arabce, četudi se ti niso priključili sporazumom v Camp Davidu.

Prizadet zaradi ostrih osebnih napadov nanj.

Sadat je posebno prizadet zaradi ostrih napadov Sirijcev in Palestinske osvobodilne organizacije. Nejevoljo je pokazal tudi na Jordanijo, ki jo je brez uspeha vabil k vstopu v pogajanja.

"V imenu egiptskega ljudstva sem storil svojo dolžnost v pogledu načelnega reševanja palestinskega vprašanja in vprašanja Golanskega višavja," je izjavil Sadat in nadaljeval: "Kar zadeva podrobnosti, bodo morali iti in se pogajati sami. Jaz bi rad to storil za nje, toda njihova nevhvalečnost in nesramnost je šla preko vseh meja."

Sadat je govoril le nekaj ur po odhodu egiptске delegacije v Washington na pogajanja z Izraelom, ki so se začela včeraj.

v prisotnosti samega predsednika Carterja. Egiptsko zastopstvo vodi obrambni minister gen. Kamal Hasan Ali. S seboj je prinesel osnutek mirovne pogodbe z 22 točkami. Trdijo, da bi naj bil sporazum o tej dosežen v dveh ali treh tednih.

Sadat uživa široko podporo v Egiptu

Poslušalci so Sadatov govor navdušeno sprejeli in pozdravili, kar naj bi bil dokaz trdne podpore, ki jo ima Sadat v egiptski javnosti osebno in za svoj mirovni program.

Sadat je imenoma prijel Sirijo, ki da ni uporabila priložnosti in se dogovorila z Izraelom o Golanu, kot se je on o Sinaju. Sirijsko bojevanje s kristjani v Libanonu je Sadat označil za "morjenje zaradi morjenja", za prelihanje krvi, ki presega človekovo domišljijo. Sirijo je pozval, naj umakne svoje čete iz Libanona, Izrael pa, da naj preneha podpirati kristjane v Libanonu s pošiljkami orožja.

Somoza je ukinil cenzuro v Nikaragui

MANAGUA, Nik. — Predsednik Anastasio Somoza je na pritisk posredovalcev Organizacije ameriških držav ukinil v začetku tedna nadzor nad javnimi občili, ki ga je uvedel pretekli mesec ob začetku nemirov in njim sledeče državljanske vojne.

Zastopstvo Organizacije ameriških držav, ki ga sestavljajo ZDA, Gvatemala in Dominikanska republika, poskuša ustvariti mirnejše ozračje, v katerem bo možno uspešno voditi pogajanja o vzpostavitvi notranjega miru v republiki.

Nasprotniki predsednika Somoze še vedno vztrajajo načelno pri zahtevi po njegovem odstopu, četudi je precej očitno, da se Somoza tej zahtevi ne bo podal. Da bi omehl njihov odpor, je ukinil nadzor nad javnimi občili in obljubil tudi omejitve izvajanja obsednega stanja. Ni še pripravljen obsednega stanja ukiniti, ker so uporniki ponekod še vedno dejavni.

Predsednik Somoza je napovedal, da bo število Narodne garde, ki predstavlja državno policijo in vojsko obenem, povečal od 7.500 na 15.000 mož. Njena zvestoba mu je pretekli mesec pomagala ohraniti oblast v republiki.

Kristina Onassis-Kauzov se bo vrnila v Moskvo

ŽENEVA, Šv. — Kristina Onassis-Kauzov je priletela v tork sem po "poslih", kot je izjavila. Ko bo te opravila, se bo vrnila v Moskvo k svojemu možu, je rekla Kristina.

Angleško in drugo časopisje v Evropi je pisalo, da je Kristina odšla iz Moskve, ker ji je tam dolgčas in ker bi jo naj bile nekatere arabske države, s katerimi ima poslovne veze, izjavile, da jim njena povezava s "komunistično" Moskvo ni nič po volji.

Lake Placid spoznava obsežnost stroškov za zimsko olimpiado 1980

Prvotno so računali na 80 milijonov, sedaj pa je vprašanje, če bo dovolj 150 milijonov dolarjev.

LAKE PLACID, N.Y. — Tu so bile leta 1923 olimpijske igre in so zato leta 1974 sprejeli organizacijo zimskih olimpijskih iger za leto 1980 v prepričanju, da ne bo z organiziranjem veliko novih stroškov. Računali so le na manjša popravila olimpijske arene, zgrajene za igre leta 1932, ter ureditev nekaterih drugih stvari, ki pa bi ostale kot pridobitev kraja.

Celotna organizacija naj bi bila omejena na nujno brez kakih nepotrebnih posebnosti. Vse gradnje so predvidevali, da ne bi stale več kot 70 milijonov, okoli 10 milijonov pa so predvideli za upravne stroške.

Sedaj postaja očitno, da bodo stroški dosegli najmanj 150 milijonov dolarjev, bolj verjetno pa celo 200 milijonov. Priprave za ureditev tekmovalnih prog, izpopolnitev prometnih zvez, zlasti razširitev ceste, pa tudi priprava bivališč za športnike so zaostale. Treba bo torej pohiteti, da bo vse pravočasno gotovo. To bo zahtevalo nadurno delo in seveda večje stroške.

Leta 1932 je bilo 332 tekmo-gotočij.

ODKRITJA O KONCU "PRAŠKE POMLADI" PO DESETH LETIH

Vedno, kadar se kaj izrednega zgodi na svetu, so časopisi po vsem svetu polni ugibanj, kritik in obtožb. Po nekaj letih pa pridejo na dan okolnosti, ki so bile ob času Tako se je zgodilo tudi po dogajanj povsem neznane. setih letih, odkar so Sovjeti zatrli "praško pomlad" in zasedli Češkoslovaško državo.

V avgustu je izšla zanimiva knjiga, ki jo je napisal Zdenek Mlynar, bivši sekretar Centralnega komiteja Komunistične partije Češke in Slovaške. V knjigi avtor odkriva doslej neznane zakulisne priprave za uničenje "praške pomladi". Posebnega pomena je v tej zvezi izjava, ki jo je dal v Bonnu avtor knjige dopisniku italijanskega lista v Firenzi "La Nazione". Dopisnik je vprašal Mlynara, kako je zvedel, da so bile ZDA vnaprej obveščene o nameravanem sovjetskem vdo-

ru in zakaj se niso temu uprle. Mlynar je odgovoril:

"To je povedal Brežnjev. Bil sem v Kremlju s češkoslovaško delegacijo, v kateri so bili poleg Dubčeka tudi Smrkovski, Svoboda, Krieger in drugi. Imeli smo vtis, da smo v Kremlju bolj jetniki kot gostje. Bili smo prisiljeni podpisati predložene nam direktive naših okupatorjev. Vse skupaj je bil to diktat, katerega so sovjetski voditelji imenovali "sporazum za normalizacijo". R a zpravljalji smo več dni, toda končno smo morali popustiti. Brežnjev je jasno in glasno povedal, da so sovjetske meje tam, do kamor so prišle sovjetske čete v drugi svetovni vojni. "Vaše meje so naše meje," nam je dejal. "Nihče se nima pravice dotakniti rezultatov druge svetovne vojne, ker so last Sovjetske zveze." Temu je še dodal, da "so v tej borbi Ameri-

kanci soglasni s Sovjeti."

Brežnjev je nato aludiral na veljavnost dogovorov v Jalti in Potsdamu, tj. na delitev sveta na vplivne sfere.

Dobesedno je Brežnjev povedal: "Vprašal sem predsednika Johnsona, če soglašam s tem, da so dogovori konference v Jalti in Potsdamu še vedno v veljavi." Dne 18. avgusta 1968, t.j. dva dni pred sovjetskim vdorom v Prago, je prišel ameriški odgovor: "Da, dogovori v Jalti in Potsdamu so v veljavi in potrjeni glede Češkoslovaške in Romunije. Glede Jugoslavije pa je potreben ponoven razgovor."

Brežnjev je nato nadaljeval: "Ne delajte si utvar, zaradi vas ne bo nove vojne! Ne bo je niti zaradi drugih. Tovariša Tito in Čausescu lahko govorita, kar hočeta, prav tako tovariš Berlinguer. Vi pričakujete, da Vas bodo

podprli komunisti iz Zahodne Evrope. Pri tem pa pozabljate, da so komunistična gibanja na Zahodu že 50 let brez vsakega pomena."

Inteligenca na Češkoslovaškem se naprej podpisuje Listino 77, a se izogiba tako doma kot v inozemstvu vsakršnim osebnim napadom kot tudi političnim kritiziranjem stare povojne emigracije.

Poročilo Zdeneka Mlynarja je vsekakor pomembno in verjetno verodostojno, toda odprto vprašanje je, ali je Brežnjev govoril resnico in v koliki meri. Vse od dni zasedbe Češkoslovaške po sovjetsko-satelitskih vojskah avgusta 1968 smo ponovno slišali in čitali, da so bile ZDA o nameravani zasedbi Češkoslovaške vnaprej obveščene in da tedanji predsednik L. B. Johnson ni nastopil proti temu.

Komu gre očitek neodgovornosti

V cerkvi sv. Trojice nad Vrhniko so tatovi odnesli umetnine (med drugim tri slike iz druge polovice 17. stoletja), ki so bile kot kulturno-zgodovinski spomeniki pod zaščito Zavoda za spomeniško varstvo. O kraji sta poročala tudi ljubljansko Delo in Dnevnik z dne 31. avg. Poročilo v Dnevniku je bilo tako, da posredno meče odgovornost za krajo na dekana na Vrhniko. V odgovor je Družina z dne 17. septembra objavila članek z gornjim naslovom, ki ga ponatiskujemo v celoti:

Zapisi o izropani cerkvi so bolj spodbudna pridiga k budnosti in pozornosti (prim. Dnevnik, 31. avg.), izpraševanje vesti o neodgovornem odnosu do družbene samozasčite, do stvari, ki so "last nas vseh". Izropana cerkev na Vrhniko naj bi bila primer, da bi boljsega ne našli, "če želimo govoriti, kako smo včasih malomarni do imetja, ki je last nas vseh."

Glej, torej, vrhniški dekan, upravitelj in varuh vrhniških cerkva, svojo malomarnost! Tako vpijejo medvrstični glasovi Dnevnika zapis. Pa je resnica povsem drugačna. Kdo je bolj zavzet, da se zavarujejo "kulturno-zgodovinske vrednote", kolikor se te kažejo v cerkveni umetnosti, kot so zavzeti naši župniki? Ni ustanove pri nas (tudi Spomeniško varstvo ne!), ki bi jim v tem bila tekmeč. To lahko potrdijo vsi iskreni zastopniki pokrajinskih zavodov Spomeniškega varstva. Vsaj župnikom ne gre očitati, da so "premalo odgovorni in premalo pozorni" na umetnine v svojih cerkvah. Levji delež imajo pri ohranjanju in vzdrževanju cerkva in dragocenih umetnin. S prostovoljnimi darovi, ki jih zberejo verniki, popravljajo in prenavljajo podružnice, v lastni režiji preslikavajo "kulturno-zgodovinske vrednote", ki so "naša skupna last... ustavna pravica in trajna naloga nas vseh", vrednote, za katere naj bi bilo več "budnosti in dovetnosti". Lep nauk v Dnevniku, ki v našem primeru tudi najbolj "ovčjega" človeka vrže v precep, kakor hitro spregleda stvarnost.

"Pred leti sem popravljaval prav to cerkev sv. Trojice. Treba je bilo zbrati nekaj manj kot 50 milijonov starih dinarjev. Prenovili smo jo. Toda še žeblja nismo smeli premakniti na vratih, kaj šele, da bi jih zamenjali z močnejšimi. Z notranje strani so bili železni zapahi, specialne ključavnice. Nasilnež je vdrl skozi vdolane ploščice na vratih..." Dekana Prestorja je tatvina prizadela. Nekaj hipov in slik je shranil v župnišče, kjer jih prenavljajo. "Ali naj vse znesimo v muzej — na varno?"

Na misel mi prihaja župnik iz Notranjske. Pred leti so mu izropali cerkev. Obiskal sem ga. Joka! je Bled mi je pripovedoval: "Slik ni več in bogve, če se vrnejo." Župnik na Štajerskem: "Najbolj dragocene kipe sem shranil v svojo spalnico, samo tako jih lahko zavarujem." S ponosom mi je razkazoval to galerijo kipov in slik, povedal zgodovino slehernega, pojasnjeval poteze — baročne, gotske, renesančne — o avtorjih in letničnih nastanka.

"Ali naj vsa vrata zazidamo? Nasilnežem je vse moč. Naj vpeljem alarmne naprave? Pri Sv. Trojici ni elektrike, ob novi tarifni postavki za prodajo električne energije pa tudi ne kaže vpeljati električne mreže. Kdo bo izplačeval vsote za 'neuporabno energijo', za energetski prispevek? Poglej račun za podružnico v Veliki Lijogini: osnovni davek blizu 30.000 starih dinarjev in 48% energetskega prispevka, če bi pa kakšnekoli obrnil šalter, bi vsota narasla še za uporabljeno energijo. Pomisli, da je v župnji sedem podružnic, ki imajo električni priključek; četudi enkrat samkrat ne uporabim električnega toka, je vsota velika, k temu pa se še pridruži trifazni odjem v župnijski cerkvi — kaj bi govoril! Zakon je izenačil podružnico s tovarno, trafiko, pa si nekatere podružnice ne morejo ene same sveče oskrbeti s svojimi 'produkcijskimi sredstvi', ki jih kratkomalo ni. Razen tega pa jih je še treba vzdrževati — to 'last nas vseh', te naše kulturno-zgodovinske vrednote, ki jih silimo restavrirati, da bi se pobahali pred turisti in dajali vtis, kako prizadevna je družba za ohranjanje cerkvene umetnosti."

Pisec je v Družini lepo orisal položaj katoliških cerkva v Sloveniji, njihovo oskrbovanje in posebej varovanje in skrb za umetnine v njih. Pokazal je, da Cerkev pri razmerah, kot so danes v Sloveniji, pri najboljši volji ni sposobna sama cerkvene stavbe in umetnine v njih ohranjati in varovati v sovražnem okolju, ki ga je ustvaril komunistični režim v Sloveniji in ga ohranja že nad pol-druge dobo človeškega rodu.

Nekdaj so nam bile cerkve hramovi božji, le pravi pokvarjenec in izgubljenec je bil sposoben na njih delati škodo ali v njih krasti. Sedaj so jih izenačili z vso drugo javno imovino in s tem tudi s slošnim odnosom do te. Ljudje se poslužujejo "ljudske" imovine v tovarnah, na

poljih, v gozdovih, čemu se je ne bi tudi v cerkvah? V tem "novem" odnosu do cerkva, ki pravi, da cerkve niso več "božji hrami", ampak "ljudska imovina", je temeljna krivda, je temeljni vzrok onečaščenje cerkva na Slovenskem, je vzrok kraj v njih.

BESEDA IZ NARODA

Res fantje na vasi

CLEVELAND, O. — Saj smo pričakovali in to nas ni ogluhalo. Fantje so res hoteli tudi na odru ostati fantje. Nastopili so kot pevski zbor, pa skoraj pevo-vodja ni prišel do veljave, uvrstil se je med ostale fante in kolikor je šlo za ugaševanje, je bilo izvršeno s tako hitrostjo, da se skoraj ni opazilo.

Scenerija odra: gozd na levi, pa pokrajina s poljem, tam v ozadju cerkva in ob strani zelo vidna gostilna. Prav primerno za fantovanje. Trdo delo, pride-lovanje kruha, molitev, kratak čas in še kako deklško okence. Tako je bilo včasih okolje slovenskih fantov na vasi. Temu o-kolju je bil spored pesmi prilagojen. Pevec v narodnih nošah, da je pogled na oder bil kar nadvse privlačen.

Petje je dvorano z balkonom vred do zadnjega prostora zasedeno čisto pritegnilo; po odpetih pesmih je navdušeno ploskanje bilo nagrada pevcev in dokaz priznanja za njihov trud. Samo omeno bo moral dati kdo bolj poklican, morda kdo izmed pevovodij od zastopstva obeh slovenskih šol, pevovodja zbora "Korotan" g. ing. Franček Gorešek, pevovodja bivših "Slovenskih fantov" g. Martin Košnik, gg. Janez Rigler in Rudi Knez, katerim so se "Fantje na vasi" zahvalili za njihovo po-žrtvovalno delo ter jim poklonili lepe slovenske šopke, kateri so vsi ustvarjali možnost, da je do zbora "Fantov na vasi" moglo priti.

Iz Fairfielda je prišel ves zbor "Zvon", katerega so Fantje na vasi na koncu sporeda povabili na oder in so vsi skupno zapeli "Zabe", čeprav to ni bilo na spo-redu. Posrečena zamisel, ki kaže na medsebojno sodelovanje in podpiranje brez kakšne nevoščil-jivosti, kar bi do neke mere bila poprava nekdaj fantovske mi-selnosti, ko se niso razumeli med vasmu. To je rodilo včasih spore do nevednosti.

Poleg zastopnika Zvona je zbor Fantov na vasi pozdravil tudi ing. Simon Kregar iz New Yorka. Omenjal je škofa Barago in Slomška, ki jih želimo častiti na oltarjih, pa sta od sedanjega našega življenja nekoliko od-maknjena, pozabil pa je omeniti škofa Gregorija Rožmana, kate-rega so nastopajoči se vsi po-znali, ki je naše kulturno ude-je-stvovanje vedno pospeševal in se vseh prireditvev udeleževal ter marsikaj med nami ne bi bi-lo brez njegovega nasveta.

Fantje na vasi so s toliko pre-vidnostjo in vztrajnostjo usta-novili svoj moški zbor na čelu z Janezom Sršenom. V njem po-jejo: prvi bas — Peter Dragar, Tomaž Gorešek in Janez Za-ke; drugi tenor — Tone Haupt-man, Klemen Hren, Štefan Re-zanja, Edi Stepec in Tomaž Šte-pec; prvi bas — Marko Jakomin, Pavle Lavriša, Janez Šemen in Tomaž Sršen; drugi bas — Mar-ko Celestina, Tomaž Slak, Nejc Slak in Janez Tominc.

S svojimi glasovi so nam pri-klicali znova našo slovensko pe-sem in nam pripravili lep kul-turen večer. Pri tem so sodelo-vali tudi: Helena in Marta Dra-gar, Srečko Gaser, Ivan in Met-ka Hauptman, Stane Krulc, Moj-ca Slak, Frana Sršen in Marjan-ca Tominc. (Za odrom so jim še bili v pomoč: Slavko Štepec, Rudi Hren, Tone Ovsenik in Helena Dragar; rože pa je daro-val James Slapnik ml.). Vsem res prav iskrena hvala, posebno še, ker v tem gledamo z vso za-

upljivostjo, da kot Slovenci tu-di v tujini moremo mnogo do-brega ustvarjati ter množiti kulturno bogastvo našega nara-da, kar nas uvršča kot enako-vredne med druge narode.

Sobolni družabni večer DSPB

CLEVELAND, O. — Večer od-diha. Oddih je človeku potre-ben. Pa še kako! Celo stroj v tovarni ne more neprestano te-či. Od časa do časa ga je treba ustaviti, pregledati, če je treba popraviti, gotovo pa namazati, da bo spet gladko tekkel in dajal svoj — sad. Kaj bi bilo npr. z letalom, če ga ne bi pred vsakim poletom dobro pregledali in u-gotovili, da je varno za nov po-let! Podobno je s človekom. Člo-vek sicer ni stroj, veliko, veliko več je kot to. Tudi naše življe-nje hiti, naravnost beži, zato je prav in nujno, da si človek od časa do časa privoščiti nekaj od-diha, počitka. Prijeten oddih sil-no dobro dene, koristi duhu in telesu. Če si dobro spočije, je tvo-je delo veliko več vredno, kot pa, če ga opravljaš z nejevoljo, zbit in zgaran. In po dobro stor-jenem delu si potem vesel in za-dovoljen in čil za novo delo. Tvoje vsakdanje življenje po-stane lažje in srečnejše.

Ko so med zadnjo svetovno vojno Nemci zasedli del Slove-nije, so tudi v njej vpeljali svoj tak imenovni "Ruhetag", tj. dan počitka, oddiha. To je bila vsaka sredo. Pa naj je bila tudi vojna! Nemec je vedel, da spo-čiti delavce več in bolj naredi, kakor pa od del ubit. — Sicer pa poznamo tudi v Ameriki ne-kaj podobnega. Tudi v Ameriki del trgovin v sredah, če že ne ves dan, gotovo pa pol dne poč-iva. Iz istega razloga.

Oddih mora biti raznovrsten; ne vedno enak. Eden od teh je za človeka gotovo prijetno sre-čanje s svojimi prijatelji in znanci, s katerimi nas vežejo iste skrbi in enaki križi in te-žave, ki jih potem lažje prenaša-mo. Naše življenje v tej deželi je silno izolirano; preveč živimo vsak za sebe. To pa gotovo ni zdravo ne koristno. Za vse nas, posebno pa še za naše družine, bi bilo bolje, če bi bile medse-bojno močnejše povezane, kot pa so. In naši slovenski otroci se med seboj vse premalo poznajo! Pa bi, po drugi strani, mi odras-li radi, naj bi se naši fantje in dekleta "jemali" — poročali, ko pa pozabljam, da se — posebno na tujem — pravo poznanstvo začne že v mladih letih! Zato imajo družine še prav posebno nalogo, da pridejo čim večkrat skupaj in se prijateljsko pove-žejo, stari in mladi, fantje in de-kleta.

Da boš naš soboltni slovenski družabni večer v vsem tem, kar se da uspel, da bo blagodejen za poedince kakor tudi za družine, je poskrbel društveni odbor SPB, ki ima v tem veliko skuš-nje. Rojaki in rojakinje, ne sa-mo od Sv. Vida, marveč iz vseh predelov Clevelanda, radi pri-hajajo na njegove družabne ve-čere. Kakor druga leta tako tudi tokrat pridite v velikem številu prihodnjo soboto, 14. tm., v veli-ko šolsko dvorano pri Sv. Vidu na slovenski družabni večer. V korist vsakega je, da se sam, ali če je oženjen, z družino udeleži tega večera. Vsak se bo počutil na njem tako kot doma! Cena večerji je 5 dolarjev.

Začetek ob sedmih zvečer.

HOLY FAMILY SOCIETY OF THE U.S.A. MINUTES OF THE SUPREME BOARD SEMI-ANNUAL MEETING JULY 29, 1978 (Continuation)

NEW BUSINESS

The Secretary next brought to the Board's attention that the Society still listed in the annual statement a bond that had defaulted. Because the Society's Investment Committee and Actuary had determined that the 5½% convertible debentures, No. 2028, No. 2029, No. 2030, No. 2031 and No. 2032 in the amount of \$1,000.00 each, totaling \$5,000.00; of the Infotronics Corporation which was purchased in 1967 and which had already been amortized to a zero balance because they had defaulted, the secretary made a motion that this bond be delisted from the Society's financial and annual statements, Frances Kimak seconded the motion. Carried.

The Secretary next discussed an offer the Society had received on another defaulted bond which also had already been amortized to a zero balance on the Society's financial statements. The bond in question was the 6½% subordinate debenture No. RU241 in the amount of \$10,000.00 of the Okonite Company (Omega Alpha Inc.) which was purchased in 1968. The Society received an offer of \$5,128.00 to purchase this defaulted bond from the brokerage firm of Thomson McKinnon Securities Inc., of Atlanta, Georgia, with this offer being a little better than 50% of the face value of the bond. Since this offer exceeded the last offer the Society had received, the Society's Investment Committee and Actuary have recommended that this offer be accepted. The Secretary then made a motion that the Board approve the sale of this bond for \$5,128.00. Anton J. Smrekar seconded the motion. Motion carried.

The next item presented by our Secretary was a motion that all members of the Supreme Board be paid \$80.00 per day as a per diem for the attendance of Board Meetings. Joseph J. Konrad seconded the motion. Carried.

The last motion presented by our Secretary was that the Secretary be authorized to trade in the Society's existing two year old car for a new model. Frances Kimak seconded the motion. Carried.

The meeting moved along to the report from our Secretary, Robert M. Kochevar.

Dear Fellow Board Members:
I want to thank Father Madic for coming to the meeting. It is a pleasure to see you again and I hope your health continues to improve.

I am happy to report to you, the Supreme Board, and to our membership that the Holy Family Society continues to grow and prosper. As you heard our treasurers report, the Society's assets are at an all-time high of four million, seven hundred fifty thousand dollars.

Another milestone the Society reached last month was that we now have \$15 million dollars of life insurance in force.

During the last six months, the bond market began to improve and as a result, the Society began investing its money in corporate bonds rather than certificates of deposits. Of the \$450,000.00 in bonds purchased prior to June 30th, our average interest rate has been a little over 9%.

SLOVENIAN MUSIC LIBRARY

By JERRY W. KOPRIVSEK

Island Park, New York — The August 18, 1978 edition of the American Home had a very interesting article by Mary Komorowski titled: "A Preview Concert of the U.S.S. Brass Band".

As I read the article I learned that a new music group of 35 members has formed in Cleveland, Ohio under the name of United Slovenian Society Brass Band, under the direction of Mr. Norman Novak. The band consists of male and female members, ages 12 through 68. What a wonderful idea. As I continued to read the article I came across the following paragraph: "No Slovenian pieces were played due to the unavailability of sheet music." Can you imagine a Slovenian Band playing no Slovenian music? Of course we understand the circumstances of their first preview concert.

To insure Slovenian music in their future concerts, I would like to propose the establishment of a "Slovenian Music Library". Such a library could be developed by asking Slovenians all over America to contribute any Slovenian music, songs or instrumentals in their possession and mail it to the Slovenian Music Library in Cleveland, Ohio.

It would be helpful if the

American Home editor would consider inviting its readers and readers of Glasilo and other Slovenian papers to write to American Home, giving their opinion and suggestions about forming a "Slovenian Music Library".

The fact that Cleveland has the largest Slovenian population in America and is responsible for the preservation and promotion of Slovenian culture in America, it would be most fitting for the "Slovenian Music Library" to originate from Cleveland, Ohio.

Although much of our Slovenian music consists of beautiful folk songs and a great deal of choral works (S.A.T.B.), I am sure that under Mr. Norman Novak's supervision a lot of our Slovenian music, hopefully made available through the "Slovenian Music Library", can be arranged for band.

Looking to the future, in order to help pay the expense of maintaining the Library, all music could be catalogued and reproduced for rent or sale throughout the country.

I will personally make my own contribution of Slovenian music to the "Slovenian Music Library" and help in any way possible.

MAPLE HTS. MARKS 50 YEARS WITH BANQUET

The idea for a Slovenian National Home in Maple Heights was first suggested at a meeting of Lodge Com No. 25 S.D.Z. by Anton Pelko in the fall of 1925. Andrew Rezin, Sr. took him up on the suggestion and began to ask for donations. He collected all of 35c.

At the annual meeting in January, 1928, Joseph Plute announced that we had been given a corporation charter by the State of Ohio under the name: Slovenian National Home of Maple Heights, Ohio. Also membership certificates of this corporation were now offered for sale for the first time.

On May 22, 1928, a special meeting was held to approve the purchase of the land on which the Home now stands.

A very important contribution was announced at the February 21, 1932 meeting. It was the formation of a 14 member Cooking Club, headed by Mrs. Anna (Basnik) Fortuna.

Finally at the annual meeting held January 24, 1937, permission was granted to the trustees to make plans to start the Home which was desperately needed by now. It was built at a cost of \$6,500.00 and was dedicated October 3, 1937.

It proved to be such a popular place with cultural and fraternal events, weddings, dances, banquets, etc., it soon became evident it was too small. At the annual meeting January 5, 1941 it was agreed to enlarge the facilities. The addition cost \$9,000 and was opened August 3, 1941.

So the interest in the Home grew and it continued to serve as the heart of the Maple Heights Slovenian community.

The younger generation took an active part and it was through their insistence, plans were made to not only enlarge it but completely renovate it and change its appearance. The remodeled and expanded Home was dedicated on April 21, 1963.

It has thrived and grown under the presidencies of Anton Pelko (1926-1927), Vincent Zimsek (1928-1938), Louis Simoncic (1939-1949), Anton Gorenc (1950-1954), Andrew Rezin, Sr. (1964-1965), and Louis Fink (1955-1963, 1966-).

The Home is governed by 16 trustees: 8 are elected every year for a term of 2 years. The officers for 1978 are: Louis Fink, Pres.; Fred Filipis, Vice-Pres.; Emil Martinsek, Sec'y.; Mildred Lipnos, Treas.; Anne Ranik, Recording Sec'y and Frank Urbanec, Al Glavic and Anton Kaplan auditors. Trustees on the Maintenance Committee are Mildred Lipnos, Al Glavic, Al Lipnos and Anton Kaplan. On the Recreation committee are trustees Andy Hovevar, Tom Meljac, Louis Kastelic, Tony Cukyne, Louis L. Ferfolia, Anton Stemetz and Antonia Stokar.

On November 12, 1978 at 4 p.m. the Slovenian National Home will celebrate its 50th anniversary with a banquet that will be held at the Hall. Invited guests are Anton Pelko, Mayor Emil Lisy, Louis Ferfolia, Ann Ranik and Charles Filipavec, legal advisor. Entertainment will be provided by Lynn Hrovat, Button Box Artist, Maple Hts. Button Box Club, Planina Singing Club and the popular Wolf Orchestra.

Tickets for the banquet can be obtained from Millie Lipnos in the club room; 662-9731.

WBOE BOWS OUT

By TONY PETKOVSEK

With the turmoil of the Cleveland school strike came the sudden shutdown and probable sale of the Board's educational station, WBOE-FM, which had been in existence for some forty years.

For the past year and a half, National Public Radio here in Cleveland also accommodated a number of ethnic programs, including "Tony's Polka Village" every Saturday at Noon. Some of the other programs heard on the weekends were Polish, Serbian, Hungarian, and German. It is not known when and if the station will return to the airways and under what management it would be in the future. Cuyahoga Community College and educational TV-WVJ have both expressed an interest in the station.

In our own case we are hoping to gain some Saturday or weekend time on WZAK sometime in the near future. Our other programs are heard daily on WZAK (93FM) from 2 till 4 p.m. and Saturdays at 12 mid-night.

We went to WBOE and WZAK about a year and a half ago when the former ethnic station WXEN switched to rock music. On Thanksgiving, November 23, we will commemorate our 17th anniversary of broadcasting in ethnic radio with our traditional dance, show and grand reunion at the Slovenian Home on St. Clair.

Alice Kuhar who has been doing her "Kuhar Carousel" feature of recipes each week on our programs is compiling a cookbook of recipes sent to her

by the listeners. She hopes to have it available on Thanksgiving.

Politics and Polkas Go Hand in Hand Especially at Election Time. State Representative Denny Eckart informs us a special appearance of Senator Ted Kennedy at the Slovenian Home next Tuesday, October 17 at 5 p.m. The Senator will undoubtedly be flanked by every well known Democratic politician in this area. He is presumably campaigning for Dick Celeste, candidate for governor. A number of ethnic performers will be on hand including the Euclid Button Box group and I wonder if Eckart intends to play the button accordion that evening?

Recently the Rhodes and Voinovich candidates were feted at a "Continental Cocktail Party" at the Karlin Bohemian Hall on Fleet Avenue, same place that welcomed former President Ford during his campaign two years ago. The party was hosted by former Mayor Ralph Perk and it was the first time most ethnic leaders saw Perk in the year since his defeat of last October. Yes, Ralph sang "Melody of Love", a Polish polka, once again!

I hear also the possibility of President Carter coming to the Cleveland area for an ethnic appearance, much like he did at Reher Hall two years ago.

"Nite in Slovenia" is Saturday. Bill Randle, of WBBG Radio, will do a special bit this Saturday at the Slovenian Home on St. Clair for the annual dinner and dance. He will talk on modern music in Slovenia especially in relationship to

Working on Baraga Cause

I've just completed a one week tour of Baragoland and hope to get something out for the anniversary of Baraga's death in January. Tomorrow I am to have an interview with the editor of the local Catholic Telegraph with a view of getting out an article on Bishop Baraga for the 125th anniversary of his consecration as bishop on November 1, 1978. I'll try to get a copy for you if and when the article appears.

The response to Janez Čuček's article is very interesting and very well done. Congratulations!

Sincerely,
Fr. Gabriel J. Rus, S.M.
