

## Katoličanke v Ulsterju hočejo konec nasilja

Zbrale so 63.000 podpisov v Belfastu in Londonderryju v podporo zahtevi po miru v Severni Irski.

BELFAST, S. Ir. — Katoliške gospodinjice, žene in matere ter duhovščina se zavzemajo odločno za končanje nasilja v Severni Irski. Provisionale I.R.A. pozivajo, naj končajo s svojim nasilnim bojem in dajo Britancem možnost in priložnost, da pokazejo v miru, kaj mislijo storiti, kako spore rešiti.

Provisionali so odločili, da bodo bolj nadaljevali, dokler ne bodo britanske oblasti izpuštile vse internirance, umaknile čete iz Severne Irske in pomilostile vse politične kaznjence. Žene, ki se zavzemajo za mir, nadaljujejo svojo kampanjo in zavračajo vsako nasilje. Za podporo svojemu stališču so zbrale v katoliških predelih Belfasta in Londonderryja 63.000 podpisov ter jih izročile britanskemu državnemu tajniku za Irsko Williamu Whitelawu.

V izjavi pravijo podpisnice, da so proti nasilju v sedanjem trenutku in da žele priložnost za pravico in mirno rešitev vprašanj in težkoč, ki tajejo v Severni Irski. Obljubljajo, da bodo v ta namen molile in delale. Sodiči, da je njihovega mišljenja večina ljudi. Kampanji katoliških žena se je pridružilo in jo podprlo več katoliških duhovnikov.

Katoličanke, ki se zavzemajo za končanje nasilja, poznajo večino pripadnikov I.R.A., ker živijo v katoliških naseljih, kjer se ti zadržujejo in kjer morajo računati na podporo, če hočejo svoj boj nadaljevati. So v stalni javni razpravi z njimi in zahtevajo vedno znova konec nasilja. Vse kaže, da utegnejo končno prevladati, če bo le vlada pokazala primerno razumevanje in dobro voljo.

## Brežnjev bo prišel v ZDA prihodnje leto

WASHINGTON, D.C. — L. I. Brežnjev je sprejel Nixonovo povabilo za obisk ZDA in bo prišel drugo leto. Ali bosta z njim tudi predsednik ZSSR Podgorny in predsednik vlade ZSSR Kosygin, še ni znano.

V Beli hiši so med tem že začeli pripravljati načrt za sovjetski obisk v ZDA. Sovjetski vodnik ali vodniki se bi naj ustavili v New Yorku, kjer bi imel možnost govoriti pred ZN, od tam bi leteli v Washington na uradne razgovore. Ogleдали bi si naj še Williamsburg v Virginiji kot podoben nekdanje kolonialne Amerike, nato kako farma na srednjem zahodu dežele ter še San Francisco na obali Tihega morja.

Če bo v Beli hiši še predsednik Nixon, bo sovjetske goste verjetno povabil in popeljal tudi v svoj dom v San Clementu, ki velja za "zahodno Belo hišo".

## Novi grobovi

Nicholas Samardge Po nekaj mesecih boleznih je umrl v Bedford Municipal bolnišnici 65 let stari Nicholas Samardge z 21407 Kenyon Drive, Maple Heights, rojen v Pennsylvaniji, od koder je prišel v Cleveland pred 55 leti, upokojeni strojnik Lear Siegler Co., mož Rose, roj. Zotlar, oče Nicholas J., Jamesa J. in Freda M., 6-krat stari oče, brat Petra, Catherine, Agnes Jurcevič, pok. Johna in pok. Michaela. Pokojnik je bil član Društva Najsv. Imena pri cerkvi sv. Pija X. Pogreb bo jutri, v soboto iz Ferfolia pogrebnega zavoda na 5386 Lee Road na Maple Hts. v cerkev sv. Pija X. ob 10.30, nato na pokopališče Vseh svetih v Northfieldu.

## Podpora za sporazuma vezana na odobritev predloženih sredstev

WASHINGTON, D.C. — Obrambni tajnik M. Laird je v svojih pričanjih pred odboroma za oborožene sile ZDA obeh zbornic Kongresa poudaril, da bo podpiral sporazuma o omejitvi jedrskega strateškega orožja samo tedaj, če bo Kongres odobril predložena sredstva za gradnjo novih, izpopolnjenih atomskih podmornic Trident in raket za nje ter za nov strateški bombnik B-1.

V Kongresu so nekateri upali, da bo mogoče stroške za narodno obrambo zmanjšati za več milijonov. Tako je na primer McGovern, ki upa, da bo dosegel imenovanje za demokratskega predsedniškega kandidata, mnenja, da je mogoče izdatke za narodno obrambo zmanjšati za 30 milijonov, pa bo ta še vedno za lastna za varnost ZDA in za izpolnjevanje njihove naloge v svetu. McGovern hoče seveda to naloge zmanjšati čim bolj mogoče.

Stališče obrambnega tajnika Lairda in načelnikov glavnih tanov oboroženih sil je brez dvoma v soglasju s stališčem predsednika Nixona, ki je ob svojem povratku domov zagotovil Ameriko in svet, da bo podvzel "vse potrebne korake", da

## Hanoi se bo pogajal o koncu vojne še letos

Komunisti v vzhodni Evropi, ki imajo zveze s Hanoi, trdijo, da je ta izčrpan in da se bo začel resno pogajati še letos.

BELGRAD, SFRJ. — V tukajšnjih poučenih krogih prevladuje prepričanje, da se bo Hanoi začel resno pogajati še pred koncem letošnjega leta. Te vesti prihajajo iz kroga komunistov vzhodne Evrope, ki imajo neposredne stike s Severnim Vietnamom.

Po teh vesteh se bliža Severni Vietnam izčrpanosti na političnem in vojaškem polju. Tudi gospodarstvo, ki so ga letalski napadi zadnjih mesecev hudo prizadeli, je v velikih stiskah. Oskrba za silo še deluje za potrebe prebivalstva, pa je zelo skromna. Pomoč od zaveznikov socialističnega bloka je skoraj prenehala, ko so zaprta pristanišča in železnice porušene.

Kljub takemu položaju ne pričakujejo, da bo Hanoi nenadno popustil na vsej črti. Nadaljeval bo v omejenem obsegu boj, pa postal prožnejši pri razgovorih v Parizu h katerih obnovi priganja že ves čas.

## Predelava mamil se celi delno iz Marseillesa v Barcelono

BARCELONA, Šp. — Oblasti, ki se ukvarjajo s preganjanjem prodaje mamil in prometom z njimi, so prišle do zaključka, da se je verjetno del skrivnih laboratorijev za predelavo mamil iz Marseillesa preselil v Barcelono, ko so francoske oblasti na ameriški pritisk postale bolj čujne v Marseillesu.

Večina opija in drugih naravnih mamil pride iz Turčije in južne Azije v Marseilles, kjer jih predelajo in pripravijo za uporabo, potem pa jih po tajnih poteh spravljajo v ZDA. Delno vodi, ko trdijo, v zadnjem času pot v ZDA tudi preko Latinske Amerike.

ne bo "njihde močnejši" kot ZDA.

## Novo orožje napravilo jedrske bombe zastarele

ANAHEIM, Kalif. — Bivši raziskovalec vladnega "miselnega tanka" Lowell Ponte je v tukajšnjem Anaheim Bulletinu objavil sestavek, v katerem ugotavlja, da imajo ZDA nemara novo orožje "laserjev žarek", ki naj bi napravilo jedrske bombe in vse moderno oborožene vojske za zastarele tako, kot je nekdanj smodnik napravil zastarelo vse dotedanje orožje.

L. Ponte trdi, da je verjetno v tem vzrok, da je predsednik Nixon pristal na omejitve jedrskega orožja, ki daje Sovjetski zvezi določene prednosti. Novo orožje naj bi bila združitev dveh laser žarkov v "phaser", ki bi lahko služil kot užigalec vodikovih bomb, pa bi bil uporaben prav tako tudi pri uničevanju letal in raket. Iz nekaterih poročil Letalskih sil sklepa Ponte, da naj bi to tako orožje že preskušale. Bilo naj bi "nov rod jedrskega orožja, ki pa je dramatično različno" od sedanjega, kot stoji v "Air Force Magazine".

## Izrael bo plačeval žrtvam napada pokojnine

JERUZALEM, Izr. — Vlada je izjavila, da bo Izrael plačeval družinam 25 oseb, ki so bile ubite na letališču Tel Aviva med napadom treh japonskih teroristov v službi palestinskih gverilcev, redne pokojnine v iznosu nekako \$120 na mesec. Te pokojnine so približno enake 75% redne plače izraelskih vladnih uslužbencev.

Vdove pobitih bodo dobivale pokojnine vse življenje, oziroma dotlej, dokler se ne bodo znova poročile.

## Atene in Peking v rednih diplomatskih stikih

ATENE, Gr. — Tu in v Pekingju je bilo objavljeno, da sta se oba vladi sporazumeli za vzpostavitev rednih diplomatskih stikov. Poslanika bosta prišla na svoji mesti tekom prihodnjih 6 mesecev.

## KONGRES ODOBRILO POMOČ SOLAM, ZAVRIL PREVAŽANJE

Včeraj je Predstavniški dom izglasoval z 218:183 zakonski predlog o podpiranju šolstva na vseh ravneh, ki pa prepoveduje za naslednjih 18 mesecev vsako novo odredjanje prevažanja šolarjev zaradi dosege šolske integracije. V zakonu je določenih 15 milijonov za ustanovitve in vzdrževanje narodnostnih študijskih središč.

WASHINGTON, D.C. — Predstavniški dom je včeraj odobril avtobusi s ciljem šolske integracije. Kljub vsemu je bil predlog končno sprejet in nove odredbe o prevažanju ne bodo stopile v veljavo pred 1. januarjem 1974. Predsednik Nixon je Kongresu predložil, naj uzakoni moratorij za prevažanje vsaj do srede leta 1973.

Zakon obsega tudi 15 milijonov dolarjev za ustanovitve in vzdrževanje narodnostnih študijskih središč. Ena izmed takih je predvideno tudi v Clevelandu in bo, upamo, obsegal tudi slovenski oddelek. Podrobnosti o tem še niso izdelane in ne predložene.

## Rdeči častelj še niso poskušali odstraniti m'n

SAIGON, J. Viet. — Po poročilih iz vojaških krogov rdeči niso poskušali odstraniti ameriških min, ki zapirajo vhode v severnovietnamska pristanišča. Kljub temu trdi severnovietnamsko časopisje, da plovejo ladje v pristanišča in iz njih. Ameriško poveljstvo odločno zanika, da bi plule kake ladje iz pristanišč ali vanja. Zgora je popolna. Ni seveda izključeno, da kaka manjša domača ladja zaplove na morje, pa se zopet vrne.

Ameriška letala so nametala mine tudi v notranja vodna pota v Severnem Vietnamu. Te so rdeči vsaj ponekod odstranili, da bi vzpostavili promet po vodi, ko je zastal na železnicah in cestah.

## Zadnje vesti

SAIGON, J. Viet. — Ameriško letalstvo je včeraj in danes izvedlo izredno število napadov na vojaške cilje v Severnem Vietnamu. B-52 letala so uničevala zbirališča čet in zaloge vojnih potrebščin na področju Demilitarizirane cone in v južnem delu Severnega Vietnama, od koder naj bi bile poslale dalje na jug. Letališče pri mestu Kontum je popravljeno in zavarovano v taki meri, da letala že pristajajo na njem.

WASHINGTON, D.C. — Sen. E. Muskie bo danes opoldne govoril pred Press Clubom, kjer napoveduje, da bo objavil svojo podporo sen. McGovernu, ki se poteguje za imenovanje za demokratskega predsedniškega kandidata. Muskieva podpora bi mu to imenovanje skoro zagotovila.

WASHINGTON, D.C. — Senat je včeraj odobril R. G. Kleindiensta za pravosodnega tajnika s 64:19 glasovom. G. Shultz pa za zakladnega tajnika soglasno.

SALISBURY, Rod. — Včeraj so začeli prinašati iz pregovornika, kjer je našlo smrt preko 420 rudarjev, trupla.

WASHINGTON, D.C. — Sinoči je odletel na tridnevne razgovore v Tokio predsednikov svetovalec za narodno varnost dr. H. Kissinger.

## Naznanilo in zahvala

V veliki srčni boleti pa vdani v božjo voljo naznanjamo prežalostno vest, vsem sorodnikom, prijateljem in znancem, da se je Vsemogočnemu dopadlo, da je dne 8. maja 1972, po krajši bolezn, poklical k sebi našo nadvse ljubljeno mamo, staro mamo, taščo in sestro

## MARIJO CVAJNAR

rojeno JARC

Predraga naša mama je bila rojena 28. junija 1898 v vasi Vaše, fara Preska na Gorenjskem, Slovenija. Pogreb je bil dne 12. maja 1972 na pokopališču Kalvarija, kjer smo jo položili k večnemu počitku poleg že pred devetimi leti umrlega ljubljenega moža Alojzija.

Nadvse nam draga naša rajnica je prišla v Ameriko leta 1950 s svojo družino iz Koroške, kjer je preživela begunska leta po letu 1945, ko je pod silo razmer zapustila svoj dom in je v času komunistične revolucije družina izgubila edinega sina Ivana.

Polni globoke hvaležnosti se zahvaljujemo č. g. Jožetu Božnarju, kaplanu pri fari Sv. Felicite, ki je v svoji svečeniški službi naši predragi mami podaril zakramente za umiranje, daroval za njo pogrebno mašo in opravil vse pogrebne obrede v pogrebem zavodu, v cerkvi sv. Vida in na pokopališču. Hvaležni smo mu tudi za glasno molitev rožnega venca ob krsti, ko je njeno truplo čakalo pogreba v pogrebem zavodu.

Lepo se zahvaljujemo organistu pri Sv. Vidu, g. Martinu Košniku, ki je spremljal pogrebno mašo s tako ganljivim petjem s spremiljavo orgel.

Bog naj bo obilen plačnik vsem, ki so našo predrago rajnico prišli kropiti in moliti za pokoj njene duše, prav posebej pa še tistim, ki so darovali tako obilo za maše in druge dobre namene.

Iskreno smo hvaležni vsem, ki so darovali toliko lepih vencev ob krsto predrage nam mame, kar naj še posebej velja za stanovalce iz Bonna ceste, za skupno poklonitev cvetja in so s tem izrazili svojo ljubezen do preljubljene rajnice.

Tisočkrat naj Bog povrne vsem, ki so se udeležili pogrebne maše in predrago našo mamo spremili tudi na pokopališče in vsem, ki so za

Nad vse nam predraga mama, stara mama, tašča in sestra, počivaj v miru v blagoslovljeni ameriški zemlji in lahka naj Ti bo gruda te nove domovine, o kateri nisi nikdar mislila, da boš v njej pričakovala angelske trombe, ki bo vse poklical k novemu, trajnemu nespremenljivemu življenju brez meritve časov. Globoko žalujemo ob Tvoji smrti za Teboj, zelo Te pogrešamo. Vedno se Te bomo spominjali z ljubeznijo in globoko hvaležnostjo v naših mislih in molitvah.

Gospod, daruj ji mir, naj večna luč ji sveti, ker si dobrote vir, uživa raj naj sveti!

IVAN PREGELJ:

# Magister Anton

ZGODOVINSKI ROMAN

"Če ti je kaj verjeti. Gospod Joža mi je tudi o tem govoril, če mu si pred petnajstimi leti cerkovni zvonec položil na prag."

Mladi gost je živo spreminjal barvo. Vikarju ga je bilo žal, ko je videl, da ne najde ne besede za odgovor. Vstal je resno in stegnil roko čez mizo.

"Smel bi mi biti odkrit, ki sem duhovni," je dejal, "a če ne moreš in ne maraš, saj nisva pri izpovedi! Ne silim vate. Tone od Mahničev, Kraševcev! Všeč si mi pa le! To povej gospodu Joži in vesel naj te bo!"

Magister je videl, da je duhovnemu zaigrala solza na lice. Tako se je našel, segel gospodu Mateju v roko in dejal toplo:

"Hvala, gospod vikar!"

"Vigilo — čujem! je naš žerjavljivi pozdrav," je povedal vikar.

"Vigilo!" je ponovil magister togo kakor v molitvi.

Vikar je odklenil gostu na pot in strmel za odhajajočim. Potem se mu je lice bolno zresnilo in je zamrmral kratko:

"Ni duhovni! Pa zakaj ni?"

Trpko si je odgovoril:

"Ženske! Et sanctos faciunt apostare. Se svetega bi premotile."

## III. DRUGI ŽERJAV PA ZABA, KI JO JE LOVIL.

Solnce je stalo že visoko, ko je zapustil magister svojega gostitelja v Koblji glavi. Pogнал se je z novimi močmi na pot. Krepka kraška jed mu je bila vrnila moči, vino ga je bilo prijetno pogrelo. Cutil je, kako mu polje po žilah in ga vnema v radost. Misel na razposajeno dijaško popevko se mu je hotela obuditi, a zapel je ni. Ni bil vajen in je vedel, da nima glasu. Z nemo vzradoščenostjo je šel svojo pot proti solncu in burji, ki mu je prijetno hladila razvneto lice in brila nenehoma čez rahlo valujočo ravan, preko goščav, kjer se je pasla redka živina, zdaj pa zdaj oglasila pastirska piščal in utonila v šumu selestečega nizkega hrastičja. Pot je šla počez navzgor in navzdol preko gole dobrave, zdaj mimo ograjene njivice ali vinske brajde, zdaj mimo samotnega kala, pa zopet skozi školj in kamenje, ki so ob njem v sapi

losti, davno pozabljena občutja so rasla vanj iz tal, iz obrisov zemlje, ki jo je poznal ne le iz lastnega doživljanja v mladosti, tudi še nazaj pred svoja otroška leta, iz pripovedovanja rajne matere, ki je bila doživela vso strahoto vojne med cesarskimi in Benečani. Popotni je videl nazorno kakor v otroških letih: pogumni, strašno okretni benečanski martolozji z ognjevitimi očmi in strašno kljukastimi nosovi vstajajo iz lok, se drevijo čez dobrovo, plenijo, morijo in zažigajo. Zeno se proti Stanjelu, odkoder je čuti glas strelnega orožja, "velike kače", ki meče za funt težke kroglice osemdeset korakov v vis in daljavo. Boj divja, čuti je kletve in vpitje in potem nekakšno pesem. Potem pa zavihra s štranjelskega stolpa kakor prečuden ptič, znamenje svetega Marka, benečanskega patrona, krilati lev. Vihra v vetru, kakor bi kremplje brusil za nov napad, ko je strl cesarskega ptiča, orožje cesarskih vojakov in odpor domačinov, ki so

bežali, da bi ne dali glave pod mečem ali pa morali rabotati proti lastnim gospodom, kopati jarke, zidati utrdbe in druge razdevati.

Mehka bridkost se je obudila popotnemu ob teh spominih, kakor so mu vstali iz žalostnih misli na mater, ki se ji je obraza komajda temno spominjal. Ko pa je krčevito zajemal z dolgimi koraki v pot predse, je gledal v mislih kmalu nove slike, manj bridke, dasi še vedno čudno bridkostne. Občutil je zagonetno plahost svojih otroških let, srečo prvega svojega mašniškega strežništva pri gospodu Joži, oživela mu je slika štanjelskega vikarja samega, kako uči v cerkvi in na vasi pa še v svoji šoli, v sobi, ki ji gleda okno na pokopališče za cerkvijo. Odpira knjigo, bere, a ne zgane ne lista več za prvim. Vse ve z ene same strani in venomer zopet vpije čudno, nerazumljivo besedo: "Procuramus!" Nato pa hoče, naj otroci ponove, in se strašno široko jezi, da so trdi

kot kraški svet in kliče na pomoč "praeceptricem Virgam"—učiteljico Palico.

"Učenik Procuramus." je občutil zdajci magister hvaležno, "danes umem to čudno besedo in mi je v veselje, da sem bil v njegovi šoli, pa četudi sem mu moral večkrat kot najmočnejši za mlajše palice držati. Bil je hud, a je za udarce globoko odrezal od hleba in široko zajel v sadje prav po spoznanju, da gre otroku vsakdanja šiba in vsakdanji kruh."

Ob misli na izvirno besedo gospoda Jože se je popotni zdajci spomnil, da ima neko lastno-ročno vikarjevo pismo pri sebi. Segel je pod jopič ponj, ga razgrnil z nekakim hvaležnim spoštovanjem in bral, dasi je že vse vedel od prve do zadnje vrstice. Pismo je bil že pred meseci napisal vikar svojemu patronu in predstojniku ljubljanskemu škofu glede škofljih sorodnikov in še drugih svojih štanjelskih gojencev. Tako je bilo prišlo magistru v roke. Zdaj je bral:

"Josephus, servus Domini. V imenu Gospoda Jezusa Kristusa, ki je ves svet odrešil, miru, milosti in modrosti božje najvrednejšemu Gospodu, Gospodu škofu Vrbanu prosim. Po Tvoji želji, Prečastiti in Preučeni, sem zbral čredico v svojo šolo, da bi jo učil in bi iz nje zrastle močni Samsoni proti Filistejcem, bojevnikji proti stoglavi hidri, ki je Zmota in želuje strahovati ves voljni svet. Učim, da bi bil sleherni velik v ponižnosti, pobožnosti in znanosti, vse kakor Ti želiš, da bi sveti Cerkev zrastle tudi iz Tvoje in moje zemlje goreči duhovni, močni pridigarji in odvetniki za čast naslednikov Petrovih v Rimu, mimo katerih so vsi, ki so se kdaj ustili, da imajo blagovestje od Boga, ne da so ga prejeli iz roke edinega Kristusovega namestnika na zemlji, glupci in gnoj, ki nikoli dišal ne bo, amen."

"Začnem, ne da bi se hotel prikupiti, le po pravici bom povedal, da je Tvoje Prezvzišenosti stričnik Jurij Tkalčič res

pravi Tekstoris, — Tkalčeva pamet, alumnus - dijak, da mu ni reda in bi ga v hitrem razumevanju pisma in berila le en sam prekositi utegnil, tisti mali Pavel Skalec, ki si ga v Rim že poročil s šegavo, skorajda noro besedo: ecce, Četrtri, glej, Pavel Četrtri."

Magister se je kratko zamislil in čuvstvoval:

"Pavel, moj varovanec, žlahta moja, ki sem zanj še posebej hvaležen gospodu Joži in se svojem dobremu gospodarju škofu. Bog plačaj, Bog plačaj!"

Bral je dalje iz pisma:

"Tudi Tvoje Prezvzišenosti drugi sorodnik, tržaško dete Marko Bogatec je vrl: bogatec v znanju in marljivosti, ubožec v iskanju priznanja in hvale, animo profunda — globok, dasi malobeseden in skoraj nevljudno samsvoj."

JAMES V. DEBEVEC, Editor

SLOVENIAN

WHY NO SLOVENIANS IN  
THE STATE LEGISLATURE?

For many generations, Slovenians have been involved in Cultural, Fraternal and National Organizations, such as the National Homes, Fraternal Lodges, Singing and Dramatic Clubs, Civic Organizations, Old Age Rest Homes, Literature, Radio, Travel, Political Events, and more recently the Slovenian language course.

With all these direct contributions from our small ethnic minority, we are lacking in identity, when it comes from high government officials they say they never heard of Slovenian people, of course, they only know about them at election time, but forget them a day later.

It is most unfortunate we cannot get a Slovenian elected to the State Legislature where there are 99 members in the Ohio General Assembly!

All controlled by smooth talking sharp politicians who are sometimes more devoted to their party than to the people who elect them. And worse yet, some people vote for popularity rather than ability!

In Cleveland as well as in Euclid, if the Slovenians would unite, they could easily elect two Slovenians to state office. But the shrewd popularity politicians well know how to keep the Slavic people divided. The politicians get themselves elected, and the Slavs get the higher tax bills.

Many large corporations and millionaires pay little or no tax because they have a strong lobby to argue their causes. If we ethnic and Slavic people do not unite and stick together, and help each other, we will remain in an area of second best.

Remember the politicians are not crooked, it's the seat they occupy that's infested.

SLOVENE HOME FOR AGED BRINGS BACK  
OLD ROOF RAISING TRADITION WITH PARTY

Sunday, June 11th at 2 p.m. the Slovene Home for the Aged will initiate a traditional European custom — a LIKOF "pod streho" event will take place.

It is an old custom, when the roof of a residence is completed, to hoist a fir tree, trimmed with colorful ribbons on to its peak. This signals all villagers in the surrounding area that the building stage of the home is now under a roof and a celebration is in progress.

The Slovene Home for the Aged broke ground in November 1971 and its new 62 bed nursing home facility will be "in the dry" by Sunday. So, come join the ceremonies.

Music, songs and colorful costumes will enhance this festive occasion. Plan to attend this cultural continuity of the Old World, our LIKOF on Sunday, June 11 at 2 p.m. at 18621 Neff Road.

When they look at the Flag of the United States, high atop a flagpole, many people can see nothing but a piece of cloth silhouetted against the sky.

And this is unfortunate.

If they would look only a little more carefully, adding an element of reflection, they would see the banner's brightness as a symbol of the freedom and liberty cherished and protected at great sacrifice since the birth of our nation.

By Presidential proclamation, June 14 is Flag Day across the nation. Displaying the Flag on this special occasion is a way in which we can express patriotism — the spirit of love and devotion to a national heritage of "... one Nation, under God, indivisible, with Liberty and Justice for all."

Remember, patriotism is shown not only by heroism on the battlefield, but by the practice of good citizenship in peacetime as well.

Peacetime! What's that?

## GEORGE VOINOVICH

OWNER OR HIS AGENT ONLY SHOULD BE  
ALLOWED TO FILE FOR TAX DECREASES

More than 300 pending applications for decreases in real estate valuations may not be heard by the County Board of Revision because the applications were not submitted by owners of the properties or authorized agents of the owners.

At the next Board of Revision meeting, County Auditor George V. Voinovich will ask the Board to decrease property valuations only if the owner or his agent has filed the com-

plaint.

He said there were upward of 400 applications submitted last year for valuation cuts by "a small number of persons who neither owned nor actually represented owners of the properties."

"This step will eliminate the Board of Revision being used as a tool in tax reduction speculation," Voinovich stressed that the recent ruling has no bearing on the Homestead Act.

## OHIO 18TH DISTRICT REPRESENTATIVE ED RYDER IS BUSY WORKING FOR HIS CITIZENS

## OPPOSES LAKE ERIE JETPORT

State Rep. Edward M. Ryder (R-Euclid) took a stand against the proposed jetport in Lake Erie. He said it "Would have grave effects on Euclid."

"While I realize that the study just completed is only a feasibility report, I would have to oppose it as currently being conceived."

Ryder gave three primary objections:

1) A canal recommended to be built between the jetport and the coastline would divert heavily polluted Cuyahoga River waters along the Euclid coast;

2) A major highway connecting I-271 with the jetport would divide the City of Euclid into two parts and require the dislocation of hundreds of homes and commercial and industrial establishments; and

3) The noise created by low-flying international jet planes would be harmful to the advantages suburban Euclid offers its residents.

"The jetport as planned would completely change the character of Euclid and its environs from that of a well-balanced residential community to that of a noisy, polluted ghost town in which few people would care to live and in which jobs are lost to the encroachment of yet another highway," Ryder said.

## BANNING OIL AND GAS DRILLING IN LAKE ERIE

The Ohio House this week backed State Rep. Ed Ryder and rejected Senate amendments to a bill he co-sponsored banning oil and gas drilling in portions of Lake Erie within Ohio's borders.

The Senate amendment would have replaced the permanent ban with a two-year moratorium on drilling.

Ryder explained, "Ohio must prohibit off-shore drilling permanently in order to protect Lake Erie from complete destruction."

## TAX CREDITS FOR PRIVATE SCHOOL STUDENTS

The Ohio House passed and sent to the Senate a bill providing tax credits to families who send their children to private and certain public elementary and secondary schools.

Although Ryder voted for it, he felt a voucher system would be a better method of repaying parents for sending their children to school in Ohio.

## TAX BENEFITS FOR THOSE 62 YRS. OLD

The Ohio House passed Senate Bill 464, co-spon-

sored by State Rep. Ryder which expands tax benefits for retired persons and provides a \$40 credit to the state income tax for taxpayers over 62 years of age.

Originally, the bill had only included tax credits for retirees 65 years of age and over. An amendment was offered by Rep. Ryder to reduce this to 62.

## EUCLID ACADEMIC CENTER

The Health, Education and Welfare Committee of the Ohio House of Representatives this week voted to refer a bill introduced by Ryder out with a favorable recommendation for passage.

The bill will order the Cleveland State University Board of Trustees to maintain three academic centers located in Euclid, Lakewood and Solon.

### JOANN BIRSA

#### Joann Birsa Publishes New Accordion Solo

Denver, Colo. — Once again, I have some music to offer you. Those who attended the Slovenian Chapel Dedication in Washington, D.C. last August will remember the special accordion solo I wrote for the occasion. The people's response to it was so favorable that I have decided to publish it.

Entitled "Sunrise In The Mountains" (a tone poem based on Slovenian folk melodies), this piece of music is intended to be descriptive of the dawn breaking by a serene lake in the mountains. It opens with a soft melody depicting predawn calm by the lake. Gradually it expands to include the slow awakening of nature — birds and animals greeting the new day. This section culminates in a three-part fugue descriptive of the varied elements in nature. Then, majestically, we see the sun come over the hill to give us another bright day.

The solo is of moderate difficulty. It requires above average left-handed technique and good coordination in order to play the three-voice sections. "Sunrise In The Mountains" is an excellent show piece for the advanced student or profes-

sional accordionist, and can be an outstanding contest piece.

Cost for this composition is \$1.00 per copy. Order from me at 6305 W. 5th Pl., Lakewood, Colorado 80226. Special quantity discounts to dealers and instructors. Please write for details.

I would like to take this opportunity to thank you for your gracious acceptance of my first publication, "Glory To God", a collection of Slovenian hymns in English translation. The large number of orders you sent pleasantly surprised us. It became necessary to order a second printing, and even those would be gone had it not been for a forward-looking husband, Silvan, who insisted on having 300 more copies printed than we would need right away. As it is, there are plenty to fill the orders that keep coming on a regular basis. Cost per copy of "Glory To God" is \$2, in case you still don't have one.

The success of Volume 1 has encouraged me to compile a second edition. Ed Krasovich is working busily to provide new translations, and some of the ones from years past will be included.

## Cerne Benefit Dance

(Continued from Page 6)

Eddie Habat.

Vocalist Eddie Kenik has promised to stop by, as well as many prominent musicians and vocalists.

Food and refreshments will be available.

Mr. and Mrs. Cerne have resided in the Collinwood area for many years and for nearly eight years, Mrs. Cerne has been very ill and has been in a convalescent home for the past five years. Due to the tremendous financial burden this has imposed on the family, John "Cookie" Kolovich and Ed Grosel have asked all their many friends to band together for this very worthwhile cause.

The Cerne family reside at 658 E. 160 St., and Frank has been very active in the neighborhood and served as president of the Collinwood Slovenian Home in the late 40's.

If you want to participate in this worthy event, you may do so by contacting Ed at 481-0022 or Cookie at 681-9675.

Tickets are only \$1 each and are available at the door or at many Collinwood stores, Sodja's Music, and Tony's Polka Village. Volunteers are also needed to staff the hall for this event.

### Electron Weight

Thirty thousand trillion trillion electrons weigh an ounce.

Several people offered their suggestions for making this a better collection, and a few even offered their own materials for possible publication. All comments are most welcome and sincerely appreciated. God willing, "Glory To God" Volume 2 will be on sale late in September or early in October. Hopefully, you will accept it with the same enthusiasm as you did Volume 1.

In closing, I would like to congratulate Cleveland's "Mladi harmonikarji" and their director Rudy Knez on their successes. We received a personal, very favorable report on their concert in Bridgeville, Pennsylvania. Their happy sounds gladdened the hearts of many Slovenians who seldom hear a Slovenian melody played 'live.' May this good music serve as a magnet to bring our people together, and may these young musicians and their gifted leader enjoy many more years of success in their pursuit of musical and cultural excellence.

## OTS Initiates A New Shoppers Shuttle Bus

The Cleveland Transit System announces the beginning of a new transit "package" in downtown Cleveland. Named the "Shoppers Shuttle," it will feature orange buses, special information signs, special hours, and a special lower fare.

The Shoppers Shuttle will provide downtown shoppers with service linking the four major downtown activity centers — Public Square, Erievue, East 8th-Euclid, and Cleveland State University — with the shops and stores, parking lots, cultural attractions, professional and governmental offices, and, of course, with regular route CTS service.

All Shoppers Shuttle buses operating within the downtown area between 9:30 a.m. and 4:00 p.m. will be orange to enable the shopper to easily spot them.

The existing loop fare of 25¢ will continue in effect for the first ride. The special fare feature will give customers a second ride for only 15¢. Customers will receive an orange coupon good for another ride on the Shoppers Shuttle that day. The ride can be made in the same direction or in the other way.

Buses and loading areas will be easily identified by the big bright orange signs donated by the Sherwin-Williams Co.

**PAPER SALE**
