Christmas Greetings

A Holy Family - A Whole Family

1993 Christmas Message -

Most Reverend Bishop
Anthony M. Pilla

Bishop of Cleveland

Christmas greetings to all. Throughout the year, the people of our area rightly celebrate the richness of our diversity, of our religious, cultural, ethnic, and racial heritage. May we find this season to be a time to celebrate our unity, goodwill, and hope for one another.

I join in a special way with all Christians who celebrate this season as an expression of faith in God, because Christmas — through the person of Jesus Christ — brings us close to the source of life; because in this season we come face to face with what is most essential, most beautiful, and most worthy of our dedication.

As many of us gather with our families during this Christmas season, we will bring to them our hopes and expectations, the memory of their accomplishments and the experience of their joys. For others, this season brings a harsher recognition: that family life is less than perfect, that hurts as well as hopes and alienation as well as expectations often describe our family experience. As this is true of individual families, so it is true of the human family of which we are all a part.

The United Nations has designated 1994 as the International Year of the Family. In preparation for that event, the Catholic Bishops of the United States have composed a reflection on family life, entitled *Follow the way of love*. Much of what it says is especially applicable to the lived experience of the families in our community.

It is no exaggeration to state that the foundation of society is the family.

No matter our individual state in life, the health and well-being of families is of importance to us all. The family

is the first experience of community. It teaches its members the value of each person. It has the capacity to foster intimacy and love. It educates more pervasively than any classroom can do.

It creates in its members a concern for others or reinforces a narrow selfishness. It can teach its members to overcome differences or it can encourage them to choose counterfeit solutions to problems: grudges, hostility and violence.

For people of faith, the family is the place where belief in God is nurtured and grows.

In reclaiming for our society the primacy of family life, there are four challenges that must be met: living faithfully, giving life, growing in mutuality, and taking enough time to spend with the family.

Even as we celebrate Christmas 1993, we look forward to the opportunities and challenges of the coming year. In this New Year, may we as human family find the time, interest, and energy to support the families that shape our future. — And, for those families who are hurting or in need, may this season also bring the birth of new hope.

No paper Dec. 30

Due to Christmas vacation, there will be no Ameriška Domovina (American Home) newspaper printed between Christmas Day and New Years Day (Dec. 30th). We will continue with the paper beginning with the January 6th edition.

MARY'S DREAM

I had a dream, Joseph.

I don't understand it, not really, but I think it was about a birthday celebration for our Son. I think that was what it was all about. The people had been preparing for it for about six weeks. They had decorated the house and bought new clothes. They'd gone shopping many times and bought elaborate gifts. It was peculiar, though, because the presents weren't for our Son.

They wrapped them in a beautiful paper and tied them with lovely bows and stacked them under a tree. Yes, a tree, Joseph, right in their house. They'd decorated the tree also. The branches were full of glowing balls and sparkling ornaments. There was a figure on the top of the tree. It looked like an angel might look on. Oh, it was beautiful. Everyone was laughing and happy. They were all excited about the gifts. They gave the gifts to each other, Joseph, not to our Son. I don't think they even knew Him. They never mentioned His name.

Doesn't it seem odd for people to go to all that trouble to celebrate someone's birthday if they don't know Him? I had the strangest feeling that if our Son had gone to this celebration He would have been intruding. Everything was beautiful, Joseph, and everyone so gay, but it made me want to cry. How sad for Jesus—not to be wanted at His own birthday party.

I'm glad it was only a dream. How terrible, Joseph, if it had been real.

CHRISTMAS - 1993 !

WITH ONLY A FEW SHOPPING DAYS LEFT BEFORE CHRISTMAS, THE YOUNG MAN STOOD IN THE CHECKOUT LINE AT THE LOCAL WAL-MART STORE. THE MAN DID NOT PUSH A HEAVILY LADED CART FILLED WITH GIFTS, INSTEAD, HE CLUTCHED A SMALL, WATER-FILLED PLASTIC BAG IN HIS HANDS. LEISURELY SWIMMING INSIDE WERE TWO SMALL GOLDFISH. THE CUSTOMER IMMEDIATELY IN FRONT INQUIRED AS TO THE SIZE OF THE FISH-BOWL THAT THE YOUNG MAN OWNED. "NONE!" WAS THE ANSWER. THE YOUNG MAN EXPLAINED THAT THE TWO 39 CENT GOLDFISH WERE A GIFT FOR HIS EIGHT-YEARS-OLD SON - "FOR CHRISTMAS". HE WENT ON TO EXPLAIN, WITH TEARS ON THE VERGE OF SWELLING HIS EYES, THAT HE WAS LAID OFF A COUPLE OF MONTHS AGO AND THIS WAS ALL HE COULD AFFORD TO BUY FOR HIS SON. THE FISH WERE DESTINED TO SWIM IN AN OLD CANNING JAR.

MAY YOU HAVE A MORE PLENTIFUL CHRISTMAS, BUT ONE FILLED WITH THE SAME LOVE AND GOD'S BLESSING !
TO YOU AND YOUR FAMILY, A "VESEL BOŽIČNE PRAZNIKE!" FROM JOHN MERCINA.

Merry Christmas

News from Slovenia

Wednesday, December 8 — The Foreign Minister of the Republic of Slovenia, Lojze Peterle, and Allan Wendt, Ambassador of the United States of America to Slovenia, signed a memorandum on agreement by the governments of the two countries concerning the Fulbright Exchange Program.

Preparatory Talks

Preparatory talks on an agreement on associate membership between Slovenia

and the European Union (EU) were held in Ljubljana. The agreement under discussion is similar to those signed in 1991 between the EEC and the former Czechoslovakia, Poland, Slovakia and Hungary.

The agreement on associate membership has a broader political significance, since it is a new step towards full Slovenian membership in the EU, which is considered to be a top Slovenian priority.

Chapter IV - Part II

The Old Timers

by Stane J. Kuhar

John drove the '88 Pontiac to the side of the street and pulled close to the curb. The closeness of the buildings just did not lend themselves to parking of automobiles. In the 1880s, 1890s, and early 1900s the thought for parking spaces was not an issue.

John saw the '91 Chevy parked in front of him. It was Father Gralc's car.

As John entered Maria's he could think of nothing else but good thoughts and memories of Stara Mama and his youth.

The smell of freshly baked bread. The simmering scent of home made soup with fine and thinly cut noodles. And the lingering aroma of herbs and cooked vegetables hung heavy in the air.

John saw Father Gralc sitting in the corner by the back side.

For a Thursday evening the place seemed rather full, a testament to the confidence of the Vertic family in their culinary skills and love to leave each person full and satisfied.

Old man Vertic had purchased the place, originally known as Maria's, after he had arrived in Cleveland in the early 1950s.

He had bought it from an old-line Slovenian family, the Krulcic family.

The Krulcic family had been original settlers from the southern region of Slovenia known as "Dolenjsko" where the majority of the early Slovenian immigrants were from when they left their homeland in the early 1880s

and 1890s and found Cleveland accommodating to their dreams and hopes.

Dolenjsko is the flat lands, so to speak, of Slovenia. It was also the hub area for merchants and traders as its primary city, Ribnica, was at the crossroad for travelers from Italy, Croatia, and elsewhere to hawk and exchange products and goods.

The trading and retailing skills would become very handy for these new immigrants to blend in their new homeland.

"Hi, John. I hope you don't mind but I've taken the liberty of ordering our meals. It's something you'll enjoy. The chicken noodle soup and a schnitzel."

"Well," said John, "you read my mind pretty well. I haven't had a good dinner like that for the past few months. Where's old man Vertic?"

"Who be calling me," came a bellowing voice in the foreground. It was Cyril Vertic.

There he was as plain as daylight and never subtle in his actions or words.

Cyril stood stout and forthright, planting firmly his pudgy legs and stocky arms in front of John's face. The white and silver colored hair on Cyril's head were still there as well as the bushy mustache and the heavy set of eyebrows.

Although Cyril still spoke with an accent you would be a pretty stupid person to assume that he could not understand a person's true intentions or actions.

Cyril was one of the survivors from the killings in the "Pit" as the newer Slovenians refer-

red to when the Fascists, after being unable to kill the Slovaks opposed to them, were led to a large cavern and wooded area where nearly 12,000 were killed over a period of less than three weeks by the Slovenian Partisans.

Cyril had been wounded there. He laid in the pit with blood dripping on him and the smell of dead bodies on top of him. At night he crawled his way to the top and thought the world had come to an end.

After a short time in the "camps" Cyril and his family arrived in Cleveland and he worked hard to make a new life for himself and his family.

Within five years he had saved enough for a downpayment on Maria's restaurant and really felt the part of someone making his way in a new country.

"You look so thin, Janez. Don't they know how to feed

you? So you come back to me and hope I will do a better job, eh?

He gave John a big bear hug as if a father had greeted a long lost son and realized how much that person meant to him.

"So, you'll be joining his excellency tonight. Good. Perhaps if I feed him well he'll preach a sweet but short sermon on Sunday. You know what we say, 'kratko je slatko.' (To Be Continued)

RUDOLPH J. SIMCIC

Rudolph J. Simcic, 69, passed away Sunday morning, December 12 at home in Parma, Ohio.

Mr. Simcic was in the grocery business on the West Side of Cleveland. He grew up helping his parents at their store on W. 44th St. In 1946, he and his brothers, Max and Anthony, and sister Frances, took over the store, expanded it and became a part of the IGA Foods chain. It later became Eagle Simcic Super Market.

In 1968, the store was sold to make room for the construc-

tion of Interstate 90 and Mr. Simcic became a driver-salesman for American Automatic Vending. He retired in 1984 after developing chronic liver problems.

During World War II he served in the Army, initially assigned to PX duties because of his background in the grocery business. However, because of his musical talents, he tried out for the a spot in the Army band. He succeeded and consequently played in Munich, Germany.

He was a member of the American Mutual Life Association, Lodge 26 and was leader of the Rudy J. Simcic and the Easy Aces band which played each year at the Awards Banquet held in June at the Slovenian National Home on St. Clair. Rudy excelled on accordion and keyboard. Occasionally his son accompanied him on drums.

Mr. Simcic was an avid Cleveland Browns fan and held season tickets for the

U.S. Presidents**JAMES A. GARFIELD**

James A. Garfield, the nation's 20th President, was born in a log cabin in Orange, Ohio. He worked for his education, advancing bit by bit as a teacher and lawyer.

During his time in the army President Lincoln persuaded him to run for Congress. Few men in American history have risen to fame so quickly.

At the 1880 Republican convention he favored John Sherman for president, but ended up being the compromise candidate. He defeated General Winfield Hancock by only 10,000 votes.

On his way to visit his alma mater, Williams College in Massachusetts with only one policeman as body guard, a disappointed office seeker shot the president in the waiting room of the Washington train station.

He was ill for over two months while doctors tried to find the bullet in his body. Their probing resulted in blood poisoning which finally killed him.

He died September 19, 1881 and is buried in Lake View Cemetery in Cleveland, Ohio.

FRANK ZAKRAJSEK I
Frank Zakrajsek, more familiarly known as Gricar in his home village in Europe, came to Cleveland from Velike Lašče, Dolenjsko, Yugoslavia in the year 1879. At first he was involved in the hardware and furniture business. Shortly after, he started the funeral establishment and remained in this work until his death in the year 1910. He was married to Mary, nee Skulj. There were six children in the family: Mary, Frank, Rudolph, Victor, Rose and Emma. The funeral home that he established was left to his oldest son.

FRANK ZAKRAJSEK II
He successfully managed the establishment at first alone and then near the end of his life worked with his son, Anton. In the year 1911, he married Ann, nee Gorenc, who came to Cleveland as a 11-year-old from Bela Cerkev, Dolenjsko, Yugoslavia. Their marriage resulted in two sons and two daughters: Frank, Anton, Carmine and Frances. Slovenians knew him as Zakrajsek.

ANTON ZAK
Anton Zak entered the establishment in the year 1938. He originally worked with his father. Later, he took over sole management of the funeral home. He shortened the family name, not intentionally to lessen his Slovenian heritage, but for the simple reason that his schoolmates, early acquaintances, friends and business associates called him Zak. Slovenians knew him as Zakrajsek.

ZENO ZAK
In the autumn of the year 1964, Zeno completed his education and obtained his funeral directors license. Zeno, the oldest son of Anton, then immediately started to work with his father.

ZACHARY A. ZAK
On Oct. 25, 1983, the 13th anniversary of the death of his father Anton, Zachary took his funeral directors examination and is now licensed and operating the Zak (Zakrajsek) Funeral Home. He and his family reside at the funeral home, and he is very proud to be able to carry on the father-son tradition that has been passed down to him through the four generations. It is his intention to keep and follow the fine tradition set forth by his father and forefathers in the funeral business, and he hopes to teach his son, Anton, the value of what was taught to him.

Many members of the Euclid Pensioners attended the Polka Hall of Fame Awards Show. Rose Intihar, one of our members and also a member of the Holmes Hall Button Boxers was the recipients of one of the awards. Congratulations!

The show was televised by Cablevision, Channel 24 and has been shown on several different occasions. Very enjoyable to view and we applaud all local polka stars who were nominated.

Recently, a number of Pensioners attended the special evening with Bishop Pevec at the former Borromeo Seminary. It was a joy to hear Glasbena Matica sing a few carols. The Slovenian American Heritage Foundation sponsored this annual event which is attracting more and more people every year.

This past year has been an emotional one for the Euclid Pensioners. We lost President Al Novinc in May. Many members have survived serious illnesses. We were truly saddened by the deaths of 31 members.

We especially thank President Frank Kosten and Ann Kosten for all their hard work and devotion to our club.

It's always a pleasure to see so many members attending the monthly meetings which have ranged from totally serious programs to happy polka music.

The Euclid Pensioners Club always strives to make the meetings as interesting and as appealing as possible to as many members as it can. My term as Recording Secretary is now officially over. My

sincerest best wishes to my successor.

Good health and contentment to each and every one of you in '94.

HAPPY NEW YEAR!

STUFFY NOSE

Have some hot chicken soup. It's particularly effective for boosting the flow of nasal mucus.

- Dab petroleum jelly around and just inside nostrils to help relieve a raw nose.

- Put a warm compress on the chest — a washcloth soaked in ginger tea is said to increase circulation and ease congestion.

LARYNGITIS

- Silence is the best therapy; if you must communicate, get out the pen and paper. Also, increased moisture can provide relief, so try inhaling steam from a cold-air humidifier and drinking plenty of fluids.

A TRUSTED TRADITION FOR 85 YEARS

8 News from Slovenia

LJUBLJANA, Slovenia, Nov. 29 — Slovenia, one of Europe's newest republics, is betting its economic future on hopes of membership in the European Community and closer ties with Central Europe as it embarks on the route to independence.

Although the richest among the Central European countries, Slovenia has seen its economy shrink by almost a third since declaring independence from Yugoslavia in 1991.

"Our main problem is the image problem," said Davorin Kracun, minister of economic relations and development. "It's very important for us to show we are not part of the conflict (in the Balkans). We belong to Central Europe," he said in an interview.

Representatives of Slovenian police informed the Parliament they had arrested 5,176 of the 7587 people trying to cross illegally the Slovenian-Croatian border in the first 10 months of this year. More than 1,900 Croat citizens were prosecuted this year, mainly on charges of smuggling.

The Ministry of Interior announced that Croat planes and helicopters had violated Slovenian air space 20 times and the territorial waters in the Bay of Piran seven times this year.

The Italian Slovenian Commission of Historians, whose task it is to examine relations between Slovenia and Italy over the last 100 years, met for the first time on November 14 in Venice. It will begin its work by examining relations between the two neighbors in the period between 1880 and 1918.

150 companies took part in the first business fair "Austria in Slovenia." Slovenia has a regular trade deficit with Austria.

Slovenian Foreign Minister Lojze Peterle visited Burgerland on November 18 where he and the regional governor Karl Stir agreed to strengthen the cooperation between Slovenia and the region in various fields.

Lojze Peterle, Slovenian Foreign Minister and his Greek counterpart Carlos Papulias, signed in Ljubljana a bilateral agreement on the cooperation between Slovenia and Greece in the fields of culture, education and science. Papulias said that Greece, as the next in line for the presidency of the European Union, would support Slovenia's demands.

VESTI IZ SLOVENIJE

Obtožne predloge vložene proti štirim osebam, osumljenim v mariborski orožarski aferi — Janez Janša nezadovoljen

Poprejšnjo sredo se je temeljno javno tožilstvo v Mariboru odločilo glede svoje preiskave o 120 tonah orožja, ki je bilo najdeno julija letos na letališču v Mariboru. Izid odločitve so štirje obtožni predlogi zaradi zlorabe uradnega položaja in pravic odgovorne osebe. Obtoženi so Silvo Komar, vodja operativne enote Varnostno obveščevalne enote (VIS) v Mariboru, Milan Hmeljko, delavec VIS, Tomislav Špehar, vodja prometnega sektorja na mariborskem letališču, in Bruno Kremavc, direktor letališča. Pet drugih oseb, ki so bili ovadeni, je tožilstvo oprostilo sumo storitve kaznivega dejanja.

V pripravi je pa tudi parlamentarna preiskava o »orožarski aferi«. Komisijo vodi poslanec Zoran Madon, ki je izjavil, da ga je odločitev mariborskega tožilstva »kar malo presenetilo«. Poudaril je, da je glavna nalogga njegove komisije raziskovati predvsem politično odgovornost, ta pa v njegovem mnenju gotovo obstaja. Tako namerava komisija tudi zasliševati številne priče in morebitno (ali verjetno) politično odgovornost tudi ugotoviti.

O najnovejšem poglavju »orožarske aferi« je komentiral v *Slovencu* preteklo soboto Ivan Puc: »Mednarodnih in političnih razsežnosti pa se je tožilstvo z ugotovitvijo, da odstopa od pregona proti obdolženim stortive kaznivega dejanja nedovoljenega prometa z orožjem, izognilo. Preiskovalna komisija državnega zbora, vodi jo Zoran Madon, bo seveda morala pretresti tudi ozadje, ki zadeva Hasana Čengića in njegove povezave (kar nenadoma je postal uradni predstavnik bosenske vlade!) s slovenskimi politiki.«

Pretekli petek je imel obrambni minister Janez Janša tiskovno konferenco, na kateri je med drugim komentiral tudi o odločitvi tožilstva v Mariboru. O štirih osebah, proti katerim je tožilstvo vložilo obtožne predloge, ni hotel govoriti, ker je zadeva še v poteku. Komentiral je glede odločitve tožilstva, da bo končalo postopek proti Čengiću. Tožilstvo je upoštevalo, da je Čengić pooblaščenec predsedstva BiH. Ravno to je za Janšo sporno. S tem je dejansko od tožil-

stva sprejeto, da ima BiH pravico dati pooblastilo za svojega državljanina na ozemlju tujje države. Citiramo iz *Slovence*: »Tožilstvo je končalo postopek proti Hasanu Čengiću, saj je upoštevalo njegovo poznejše potrdilo, da je pooblaščenec predsedstva BiH. Tako naj bi to pooblastilo očitno veljalo tudi za ozemlje Republike Slovenije. Za Janšo je ta odločitev tožilstva precedens, saj nihče ne more pooblastiti svojega državljanina za ozemlje druge države, če za to ne dobi soglasja tiste države. V času, ko je bilo orožje na mariborskem letališču, ni nihče od pristojnih v Sloveniji prejel nobenega pooblastila od BiH. Ta je slovenskim organom predložila pooblastila šele potem, ko je bilo orožje odkrito. Janša je sicer izrazil mnenje, da je Čengić opravljal za svojo državo koristno delo, vendar je to počel na ozemlju tujje države, od katere pa potrebnih pooblastil ni dobil. Zato je odločil ev mariborskega tožilstva, da upošteva Čengićovo pooblastilo, nevzdržna.«

Med verzijami o ozadju orožarske aferre, ki krožijo po Sloveniji, je morda najbolj verjetna ta, da gre za vplettenost Milana Kučana z vodstvom BiH, če da naj se ozemlje Slovenije uporablja kot tranzitno območje za pošiljanje oziroma dobavljanja orožja iz drugih držav v BiH. Spet druge verzije govorijo o vplettenosti (posredne ali neposredne) nekaterih članov vlade ali vlade same. Madonova komisija naj bi s svojo preiskavo odkrila, kje v vsem tem leži resnica.

Predsednik slovenske vlade Janez Drnovšek pretekli petek pri papežu Janezu Pavlu II.

Pretekli petek se je na uradnem obisku v Vatikanu mudil predsednik slovenske vlade Janez Drnovšek. Sprejela sta ga papež Janez Pavel II. in kardinal Angelo Sodano, državni sekretar Vatikana. V pogovoru z novinarji po srečanju, je Drnovšek rekel, da se je papež največ zanimal za Drnovškove poglede glede možnih rešitev krize na Balkanu, tu predvsem v BiH.

Drnovšek je papeža znova povabil, naj obišče Slovenijo. Papež je bil pozitiven, še bolj pa kardinal Sodano. Papež bi rad imel širšo misijo miru in tako obiskal tudi države, sedaj vpletene v vojno, kardinal Sodano pa je omenil možnost obiska samo Slovenije.

program omogoča pač izmenjavo in štipendirjanje ameriških in slovenskih podiplomskih študentov, raziskovalcev in predavateljev. Doslej je bila Slovenija smatrana kot del Jugoslavije, nov sporazum je torej še en korak k njeni popolni osamosvojitvi iz bivše SFRJ.

Nocoj je Božič!

Nocoj potuj z menoj v Ljubezni Mesto,
posebno Mesto, kjer je v sredi hlev!
Morda imava srečo z ozko cesto,
ujameva nebeških Slov napev.

Nocoj potuj z menoj — nocoj je Božič!
V resničnih jaslih spi resnični Bog:
osličkov dih odganja mraz na koži
in tla pokriva slama (ni preprog).

Ne reci, da ti nisem rezerviral
vozovnice — v to Mesto ni letal
ne paralel železniškega tira,
in kar se tiče ladij...ni obal.

Nocoj potuj z menoj po srčni poti:
iz vere vodi s kažipotom nad.
In stavim, da v Njegovi se dobroti
počutiš znova z angeli — magnet..

FRANČIŠKANI V LEMONTU...

Božič

je pred nami, ko bomo po naših domovih prižgali božična drevesa, postavili jaslice in se spomnili naših najdražjih. Če bomo srečali bodo naši najdražji ob nas, skupno bomo delili in radost božične noči.

Kdaj pa je zares za nas božič?

Božič je tedaj, ko se v nas rodi dobrota, ljubezen, usmiljenje, nežnost, intimnost...

Božič je tedaj, ko se oče in mama imata rada, ko se pogovarjata, ko si znata seči v roki, ko ne iščeta vsemogočega, kar bi ju razdvojilo, zaposlijo, samo, da jima ne bi bilo treba srečati drug drugega iz oči v oči.

Božič je tedaj, ko zakonca znata skupaj stopiti pred jaslice in se zazreti v novorojeno dete ter reči hvala za njuno ljubezen, ki ju povezuje; ko znata drug drugemu povedati, da še vedno čutita, da sta ustvarjena drug za drugega, da je njuna ljubezen še močnejša, zrelejša, da bosta zmogla premostiti še tako težke prepreke, saj sta drug ob drugem in drug z drugim in da je Bog z njima.

Božič je tedaj, ko si fant in dekle obljudita zvestobo, ko načrtujeta skupno življenje v dvoje, zakon, življenje skupnih hrepenenj, skupnih sanj

in skupne ljubezni; ko v mislih že postavlja jaslice, božično drevo in prisluškujeta božičnim melodijam.

Božič je tedaj, ko se vrnejo otroci, ko so doma skupaj s starši ob jaslicah, ko skupaj prižigajo božične svečke na družinskom božičnem drevesu, ko skupaj zapojejo in molijo kot nekoč.

Božič je tedaj, ko je miza polna božičnih voščilnic, daril priateljev in otrok, ki ne morejo domov za božič, vendar so z nami in zato mi prižigamo svečko na božičnem drevesu samo zanje in oni za nas.

Božič je tudi tedaj, ko smo sami v stanovanju, polni spominov na preteklost z globoko zavestjo, da se je Bog rodil za nas, zame, da je to božično noč z mano, z mojo bolečino osamljenosti.

In božič je tedaj, ko se zberemo pri polnočnici, ko zadonijo orgle, ko se razlega slovenska pesem, ko prisostvujemo slovenski maši, ko molimo za vse, ki so nam blizu in jih imamo radi ter si kot slovenska družina zaželimo mir in radost božične noči.

Naj bo letošnji božični večer, prvi božični večer vašega novega življenja v miru z Novorojenim Odrešenikom, ki naj vam da moči in vas spremlja na vseh vaših poteh življenja, pa vam želimo vaši duhovniki

Ave Maria, dec. 1993

Po lepem Miklavžu, naj bo lep Božič

NEW YORK, NY - Na prvo decembrsko nedeljo nas je spet obiskal nebeški dobrotnik, svetniški Miklavž. Bilo je ravno pred njegovim godovnim dnevom. Dejal nam je, da prihaja kar naravnost iz slovenskega prestolnega mesta Ljubljane. In Miklavž, ker od drugih zahteva govoriti resnico, je torej treba verjeti.

S pogledom na zbrane, sedeč pri mizi vhoda v dvorano, sem šel v mislih na svoja otroška leta. Bila so v Clevelandu na Glass Avenue. V našo družino je zmerom ob svojem času prihajal Miklavž. S sestro sva po nasvetu matere že nekaj dni poprej zvečer zmerom klečala in molila, Miklavžu pa obljuhljala, da bova pridna.

In ob takih trenutkih so se lahno, kar skrivnostno odpirala vrata. Skozi odprtino pa so v veliko kuhinjo leteli bonboni, piškoti, pa tudi rožiči. Včasih je bila tudi kakšna figura vmes. To so bili vznemirjenja polni dnevi in večeri pred prvim Miklavževim prihodom, ko nama je v skrivnosti noči bogato natresel iz svoje darilne vreče.

Takšno je bilo moje otroško doživljanje slovenskega Miklavža v Clevelandu, ko še ni bilo ne radia in ne televizije. In, ko moja mati in oče še nista vedela ničesar o »Santa Clausu«.

Na slovensko Osmo k sv. Cirilu je prav na letošnjo miklavževno nedeljo prišel slovenski Miklavž v popolnoma spremenjenem času. Zato tudi v popolnoma spremenjeni Ameriki vsestranskega napredka. V času zasušnjevalne televizije in glasbe narkomanov.

Neka izredna radost je bila v meni, ko sem spoznal, da so nas naši maloštevilni mladi starši skrbno vpeljali v Miklavžev prihod. Dvorana in oder sta napovedovala nekaj

izrednega. Vendar dvorana ni bila polna kot je zdaj ob prostovnih urah. Župnikov poziv nedelje poprej, ko je dejal, da to ne sme biti samo otroški dan, ampak dan vseh faranov, je padel na marsikatero gluho uho. Pač nismo nekateri tako srčno predani naši narodni tradiciji, ki je za naše življenje na tujem tako pomembna.

In vendar — letošnji Miklavž pri slovenskem sv. Cirilu je bil izredno lep. Kar eden najlepših. Hvala za to gre predvsem Nejetu Zupanu, ki je z našo mladežjo pripravil Grzinčeve operete Miklavž prihaja. Marjana Burgar je napravila učinkovito scenario, Silva Vodlanova pa kostime in anglesko ravanje.

Letos smo imeli to opereto v celoti. Lani je bilo samo prvo dejanje. Režijo je vodil, kot tudi glasbeno, Nejc Zupan, ki ima pravi talent za to. Znal se je z uporabo dela dvorane izogniti prostorni stiski odra. Prav tako Marjana Burgarjeva v pogledu razsvetljave in scenike ureditev. Za mene je bilo to neko bogastvo v revščini, kajti je delo na našem odru v današnjih razmerah kar zelo težko.

Imena vseh parkeljev in angelčkov mi žal niso znana. Pavel Burgar in Sergej Delak sta pa sta bila glasovno prepričljiva, kot sta bila tudi angelčka Serafinček (Sandi Zupan) in Koderček (Metka Zupančič).

Ko so ob koncu tretjega dejanja odpeli pesem Miklavž prihaja, je v ozadju v dvorano vstopil Miklavž s svojim nebeskim in peklenskim spremstvom. Na odru se je precej dolgo zadržal in obdaroval menda prav vse, ki so počastili njegov obisk in so bili po njegovi sodbi »pridni«.

Vse to sem opazoval ob svojem knjižnem štantu in razmiš-

ljal: Tone, pa vendar je velika razlika med Miklavžem in Santa Clausom. Oba prinašata darove. Vendar Miklavž ne prihaja sam. Je v spremstvu angelov in hudičkov. S tem nam lepo daje življenjski nauk: stalno se morate boriti za dobro pred slabim, za pravico proti krivici, za ljubezen proti sovraštvu. To je pravi etični pouk Miklavževega prihajanja v slovenski narodni tradiciji. Zato kot Slovenci ne opuščajmo to našo tradicijo, če hočemo naš narod še ohranjevati na tujem. Tudi tod na Ameriškem.

In po tem lepem Miklavževem prihodu k slovenskemu sv. Cirilu naj bo tudi lep naš slovenski božič na Njujorkšem.

In vsem rojakom na Ameriškem in po svetu, kot tudi v moji ocetnjavici, srčno želi Tone Osovnik

Vesti in pozdrav iz Minnesota

PARKERS PRAIRIE, Minn. - Zoper je leto okoli in tako je treba poskrbeti, da se poravna naročnina, če hočem, da nam bo časopis še prinašal novice in koristno branje, kolikor je pač mogoče v samo eni številki na teden. Mogoče bo kaj narocnikov v Sloveniji, seveda če bo v miru vse ostalo.

Jaz in moja hčerka sva bili v avgustu tri tedne tam na obisku. Bilo je kar prijetno. Videли sva precej stvari, ki so njo zanimale. Bili sva tudi v Šentvidu, kjer profesor Arnež pripravlja zbirkovo vse mogočih stvari, ki spominjajo na bežunska leta v taboriščih. Tudi sama sem nesla par knjig, brošure in slike. Res korajzen mož je prof. Arnež, ker se je lotil tega velikega dela, kar bo govorito vzel voč let, da bo vse pravilno organizirano in razstavljen.

Moja hčerka je v službi v univerzitetni knjižnici v Brookingsu, South Dakota. Njo je zelo zanimalo vse, kar je videła. Bili sva tudi na Univerzi v Ljubljani. Šla sva tudi na Grad, kjer sva iskali ali, bolje rečeno, obiskali grobove borcev domobranov, ki so tam pokopani. A je vse poravnano in nič znamenja, da bi napravili kakšen spomenik.

Res je, da so se v nekaterih krajih ljudje hitro opogumili, da prinesajo na dan spomine, v nekaterih občinah pa je še vse tiho. Je pač še veliko rdečih barv med ljudmi in je veliko takih, ki bi radi prejšnji režim nazaj. Vzelo bo najmanj dve generaciji, predno bo šlo tovarištvo v pozabovo.

Versko so ljudje, starejši, ki so vztrajali, a mladi nič doslej ne dajo na Cerkev. Duhovniki se res trudijo na razne načine, da bi pridobili mladino nazaj, a njih delo bo težko. Pa najmanj nas tukaj ni nič boljše!

Bili sva tudi v Špitallu, Avstriji. Mene je zanimalo, kdo kaj oskrbuje grobove duhovnikov, ki so tam umrli, npr. g. Slaparja, g. Burje in Eucliu.

Glasnik slovenske neodvisnosti

40 let dela na slovenskem programu radia v Clevelandu

Sredi oktobra, je dr. Milan Pavlovčič, vodja slovenskega programa na Cleveland State University Radio, praznoval pomemben jubilej — štirideset let dela pri tej oddaji. Začetek slovenskih oddaj sodi v čas, ko so prišli v Združene države zadnji slovenski politični begunči. Ti so se dobro organizirali in dejavno posegli ter pozivili življenje slovenske skupnosti. Prve oddaje v Clevelandu sta pripravljala Stane Šušteršič in Rado Menart, ki sta imela s seboj še gradivo iz Slovenije. Po Šušterščevem odhodu h Glasu Amerike v Washington je delo 18. oktobra 1953 prevzel Pavlovčič.

Dr. Milan Pavlovčič ima s svojim delom na slovenskem programu univerzitetnega radija velike zasluge za utrjevanje narodne zavesti med Slovenci v Clevelandu. Je pokončen Slovenec, ki je ohranil stik z domovino, klub temu da ga je komunistična oblast preganjala, saj vse do padca komunizma ni bil v domovini.

»Ves čas sem živel s Slovenijo. Tole življenje tu je bilo le gostovanje«. Zelo sem hvaležen, da sem po vseh peripetijsih prišel sem v Ameriko. Tu sem se vzivel, čeprav je slovensko okolje že precej »zvodeno«. S srcem pa sem še vedno v Sloveniji.«

Tudi njegov obisk letosnjega poletja v Sloveniji, ko je po dolgih letih prisilne odsotnosti spet »odkrival« toliko let preposedano domovino, ga je pozivilo pri njegovem najljubšem delu: vodenju slovenskega programa.

V Clevelandu je danes kar več različnih slovenskih programov na radijskih postajah, »Pavlovčičev« pa velja za izjemno upoštevanega in predvsem dobro poslušanega. Vsačko nedeljo od 9. do 10. ure dopoldne in ob sredinah večerih od 6. do 7. ure ga poslušajo v številnih slovenskih domovih v Clevelandu in okolicu.

Po izobrazbi je dr. Pavlovčič jurist, vendar je študiral tudi gledališko umetnost in de-

Dr. Milan Pavlovčič

loval na kulturnem področju, kar mu je pozneje prišlo zelo prav pri delu na Radiu. V slovenskem programu, ki ga pripravlja, poslušalci spremljajo tradicionalne slovenske navade, običaje, liturgične praznike, poslušajo poročila iz Slovenije, Združenih držav in še posebno tudi krajevne dogodke iz Clevelandina in okolice.

O »svoji« oddaji dr. Pavlovčič pravi: »Ta radijska oddaja je bila glasnica slovenske neodvisnosti in pričevalka resnice pod komunistično oblastjo v Sloveniji že od svojih začetkov.«

V oddajah se čuti njegova posebna ljubezen do lepe slovenske besede, posebno pozornost posveča klasikom slovenske literature. Spodbudno za prihodnost je predvsem dejstvo, da je v delo pri slovenskem programu vpeljal tudi sina. Mitja Pavlovčič je tako najboljši porok, da bo slovenski program univerzitetnega radia še dolgo in dolgo oddajal.

Vsebina članka je zanimiva sama po sebi glede navedenih podatkov. Celotno poglavje slovenskih radijskih oddaj v Clevelandu je sicer zelo dolgo in sega v obdobje že pred drugo svetovno vojno. Kakor časopisna dejavnost, izpričujejo razne radijske oddaje od njih početka do danes pomemben del zgodovinskega razvoja same slovenske skupnosti.

la. Pa so lepo urejeni 4 grobovi skupaj, vsi v rožah.

Res je bilo lepo biti še enkrat doma v svobodni Sloveniji. Upajmo, da bo tudi svobodna ostala. Utrditev njene demokracije bo seveda vzelo še precej časa, ker voditeljem, ki so kaj vredni, bodo še dolgo metali polena pod noge in jim nasprotovali, ker je le preveč ta prejšnjih komunistov še v vladi.

Toliko o vsem. Prav lepo pozdravljam vse pri uredništvu in voščim vsem poznamim tudi blagoslovljene božične praznike ter srečno in zdravo novo leto 1994! V molitvi pa se spomnimo naših voditeljev v Sloveniji kot tudi v naši novi domovini Ameriki!

PRIČEVANJA O JEZUSOVEM ROJSTVU V HLEVU

Prvo in tudi najvažnejše pričevanje za to, da je bil Jezus rojen v hlevu, je Lukov evangelij. Medtem ko Marko z besedo ne omenja Jezusovega rojstva in Janez navaja le mnenje množice, da »pride Kristus iz Betlehema, kraja, kjer je bil David« (7,42), poleg Luka edino Matej izrecno pravi, da »je bil Jezus rojen v Betlehemu v Judeji« (2,1). Luka pa v poročanju o Jezusovem rojstvu presega vse evangliste. On ne omenja samo Jezusovega rojstva, temveč tudi krajevne in časovne okoliščine njegovega rojstva.

Tej maloštevilni izpričanosti Jezusovega rojstva se ne smejo čuditi. Evangeliji so namreč zapis najstarejšega apostolskega izročila o Jezusu. To izročilo pa je nastalo predvsem zavoljo resnice Jezusovega vstajenja in je v celoti prežeto s to resnico. V vstajenju se je do kraja razodelo Jezusovo božanstvo, zato so apostoli označili vse Jezusovo učenje in delovanje v luči njegovega vstajenja. Luka pa je napisal evangelij na prehodu iz druge v tretjo krščansko generacijo, torej ljudem, ki niso več poznali zgodovinskega Jezusa, zato jim ga je predočil v vsej njegovi zemeljski razsežnosti, od spočetja, rojstva, otroštva, javnega delovanja, trpljenja, smrti in vstajenja. Tako tudi o njegovem rojstvu pove več kot drugi.

Seveda se tudi Luka v popisovanju Jezusovega rojstva ne zgublja v podrobnostih. Njegovo pripovedovanje se glede na kraj rojstva zoži v en sam stavek. Pravi le, da je Marija »rodila sina, prvorjenca, ga povila v plenice in položila v jasli, ker zanju ni bilo prostora v prenočišču« (2,7). Ker v celotnem poročilu kar trikrat omenja jasli (2,7.12.16) — te pa predpostavlja hlev — sklepamo, da je bil Jezus rojen v hlevu. Luka torej ne pravi naravnost, da je bil Jezus rojen v hlevu, ker pa so jasli samo v hlevu, upravičeno mislimo, da je bil Jezus rojen v hlevu. Kakšen je bil ta hlev, pa najbolje pojasni poznanje poljedelskega in pastirskega življenja betlehemskega človeka.

Arheološka pričevanja za rojstvo v hlevu

Malo je verjetno, da bi bilo prenočišče, o katerem govori Luka, gostišče, kakršna so bila ob prometnih potih in večjih naseljih; rečemo jim han, čeprav je blizu Betlehema vodila cesta iz Jeruzalema mimo Hebrona v Gazo. To je bil večji ograjen prostor za prenočevanje karavan. Imel je samo en vhod. V enem od vogalov je bila večja soba in nekaj manjših, ki so bile s preprosto steno ločene med seboj. Samo premožni so si lahko privoščili razkošje, da so prenočevali v svoji sobi, vsi drugi so spali v pokriti lopi, ki je bila s stebri ločena od dvorišča. To pa je bilo namenjeno živini in je na njem počivala pod milim nebom.

Težko bi imel tako majhen kraj, kot je bil Betlehem, takšno gostišče. Luka tudi ne pravi, da bi bilo to gostišče. Uporabila natančno isti izraz kot tam, kjer Luka naroča Petru in Janezu, naj pripravita prostor, kjer bo obhajal velikonočno večerjo s svojimi učenci (22,11). Vendar tega prostora nihče ne imenuje prenočišče, temveč mu pravimo preprosto soba. Ker pa je bila takrat uporabljena za velikonočno večerjo, ji rečemo jedilnica, čeprav palestinska hiša ni imela samostojnega prostora za obedovanje. Družina se je zbirala pri jedi v posebnem delu enosobnega bivalnega prostora.

Zato v Lukovem božičnem poročilu besedo prenočišče pravilno razumemo, če rečemo preprosto soba ali še bolj natančno: dnevna soba, soba za goste, tujce, romarje. Za Jožefom in Marijo pa v tem delu betlehemske hiše ni bilo prostora; ne morda zato, ker je bila že

do kraja zasedena, temveč, ker je Marija vsak čas pričakovala porod. Zato ni treba razumeti Lukove besede, ker zanju ni bilo prostora v prenočišču, kar ker da so ju Betlehemčani negostoljubno odklonili, temveč ker ta bivalni prostor ni bil primeren za porod otroka.

Ker je imela palestinska hiša samo en bivalni prostor, tako da so v enem delu bivali ljudje, v drugem pa živali, vendar vsi pod isto streho, se je Jožef umaknil z Marijo v tisti del hiše, kjer je bila živina, ker pravi Luka, da je Marija položila Jezusa v jasli. Marija bi potem takem rodila Jezusa v hiši, vendar v tistem delu hiše, kjer je bivala živina. To ni bilo takrat nič čudnega, saj še danes beduini spijo z domaćimi živali v hlevih.

Marija je, kot vsaka judovska mati, novorojenega otroka najprej umila. Nato ga je posula s soljo v prepričanju, da ga bo sol okreplila (Ezk 16,4; Job 38,8—9). Roke in noge je trdo povezala, da bi ravno raste. Egipčanke so delale drugače, zato je bilo Marijino ravanjanje za pastirje razpoznavno znamenje, kot jim je dejal angel: »Po tem znamenju ga boste spoznali: našli boste dete, povito v plenice in položeno v jasli« (2,12).

Pričevanja najstarejših pisateljev o Jezusovem rojstvu v votlini

Ker pa je angel sporočil pastirjem, naj gredo v Betlehem, kjer bodo našli dete, povito v plenice in položeno v jasli (prim. 2,12), je moral biti hlev, v katerem je bil rojen Jezus, zanje tuj kraj. To je mogoče razumeti tako, da pastirji niso bili domačini, temveč tujci, ki so hodili s čredo iz kraja v kraj in so se prav takrat mudili na pašniku blizu hleva, v katerem je bil rojen Jezus; ali pa tako, da hlev sploh ni bil del stanovanjske hiše, temveč skalnata votlina blizu Betlehema. Če bi šlo za navaden hlev in bi bili pastirji domačini, bi jim angel lahko kar naravnost povedal, v kateri hiši se je rodil Jezus; mi bi rekli: povedal bi jim hišno številko ali, kako se pri tej hiši pravi po domače.

Božič prinese različne darove

TORONTO, Ont. - Ko razmišljamo o pomenu božiča, nas adventni čas oblec v misijonsko haljo in božji klic nas pove do praga radosti.

Res, vsako leto obhajamo rojstvo našega Odrešenika. Ta praznik izražamo bolj površno s stiskom rok in nasmehom. Prav pa bi bilo, če bi vse storili v duhu Kristusovega rojstva in njegovega pomena za cloveštvo.

Člani naše misijonske organizacije — Apostolski krožek — se zavedamo, da Kristus pričakuje od nas več kot le prazne nasmehe. Božič je čas, ko bi morali posnemati vzgled našega božjega vzornika in postati boljši ljudje preko božje ljubezni.

V tretjem svetu so potrebe velike. Mnogo je ljudi v teh revnih deželah, ki nimajo dovolj hrane za preživetje. Zaradi pomanjkanja jih tare obup. Pomanjkanje najosnovnejšega za preživetje pa ni problem samo v 3. svetu, temveč tudi v civiliziranih mestih Severne Amerike. Gmotna sredstva so potrebna za torontskega meščana kot za domaćina, garača na Madagaskarju. Brez oble-

ke, hrane in strehe nad glavo ne more nihče doseči visokih ciljev.

Apostolski krožek osredotoča svojo pomoč na Madagaskar in podpira slovenske misijonarje, ki prinašajo tja Kristusovo luč revnim ljudem. Trenutno so tam mnogi projekti v polnem razmahu. Misijonar Janez Krmelj gradi dispanzer za bolne in skladisce za shrambo riža. Sestra Marija Pavlišič načrtuje gradnjo dispanzerja v mestu Tolagnaro. Dosedanji prostori za zdravniske pregledne ne zadostujejo več potrebam.

Iz naštetege je jasno, da so potrebe velike. Prav je, da v tem božičnem času odpromo svoja srca za te ljudi v potrebi.

Apostolski krožek zbira fonde za pomoč Madagaskaru na več načinov. Vsako nedeljo vodimo misijonsko tombolo, katere dobiček pošljemo za misijonska dela v tretjem svetu. Vsako leto v aprilu predimo večjo tombolo v župnijski dvorani. V oktobru smo imeli kosi in prodajo peciva. Izkupiček tega smo namenili za revne.

BOŽIČNI DAR ZA MISIJONE

Pomoč za tiste, ki so pomoči potrebne na Madagaskarju. Pomoč za misjonarko sr. Marijo Pavlišič, za njene namene za gradnjo dispanzerja v mestu Tolagnaro.

Prilagam moj prispevek za sr. M. Pavlišič

Preteklo je 43. leto že, ko hladna zemlja krije Te; Zelo vasi smo Te ljubili in prezgodaj izgubili.

Oba prosita za nas vse Boga, da življenje nam srečno dà, ko bomo tudi mi k Vam prišli, veselili bomo se vsi.

vnuki in vnukinje ter ostali sorodniki.

Enajste obletnice smrti naše ljubljene matere, stare in prastare matere.

ANTONIA MIHEVC

ki je umrla 29. dec. 1982.

Srčno ljubljena nam mama, šla prezgodaj si od nas; dobra, skrbna si nam bila, vdano molimo za vas.

Namen mojega pisanja je, da bi bralcem Ameriške domovine približal naše misijonsko delovanje in omenil potrebe v tretjem svetu, ki niso majhne. Zavedajmo se, da je odgovornost vsakega kristjana pomagati revnim in vsem tistim, ki niso tako srečni kot smo mi.

V tem času molitve in razmišljjanja, ko pričakujemo rojstvo Jezusa Kristusa, je prav, da se vprašamo, če je to kar storimo dovolj in če smo dovolj odprtli ljubezni in resnici božjega rojstva. Prepričan sem, da se večkrat znajdemo v položaju, ko se zavemo, da nam resnično manjka odprtost do božjega klica, da ne živimo popolnoma v pravem duhu učlovečenja. Praznujmo božič v spominu na božji dar, ki nam ga je Bog dal in obenem se spomnimo, kaj moramo storiti, da bo zagorela božja luč v našem srcu.

Sveta Noč, Blažena Noč

Ticho, tiko beli sneg vse pokriva s snežno krilo. Vsaka skromna hišica, vsaka bajtica postane kakor da bi bila izklesana iz alabasterja, vsaka steza kakor ulica v kakšni začarani deželi.

Bleda svetloba luči se medlo odbija od vseh letečih snežink, katere se lesketajo kakor da bi tisoč betlehemske zvezdic migalo.

Živahno in bučno mesto se je umirilo in ulice so prazne in zapuščene. Vse je potihnilo, kakor pri povzdiganju — grešni svet zopet pobožno pričakuje sveto uro Božjega rojstva.

V malih hišicah pa vlada ljubezen, katera ogreje srca kakor plamen v ognjišču ogreje in prižene zimsko mrzlotlo — smreka pa napolni vsak kotiček s svojo prijetno vonjavo.

Pred okrašenim dreveščkom stoji štalica, v kateri Marija zopet ziblje otroka — in rajski angelci zopet prepevajo. Okrog so pa malčki, ki že komaj čakajo, kaj jim bo Sv. Miklavž prinesel. Oči se jim lesketajo kakor svečke in mladi glasovi pojego kakor veseli božični zvončki.

Sveta noč ... blažena noč

Zastor se razgrne — leta se v nič razstopijo — za srečen trenutek smo tudi mi na ta sveti večer otroci.

Slavljenka (skoraj zagotovo) najstarejša Slovenka, je bila rojena v kmečki družini kot deseti in zadnji otrok v družini Francke in Jožeta Jančarja v Češnjicah pri Zagradcu na Dolenskem daljnega leta 1886. Še pred časom, ko je že imela deset križev, je sama hodila k maši v Dravljne. Zdaj ne more več. Zanjo zadnjih 24 let skrbi Rezka, najmlajša od njenih sedmih otrok. Oba sinova, Franceta in Feliksa, ji je vzela druga vojna, hčere Marija, Pepca, Angela, Olga in Rezka pa so se 11. decembra zbrale pri materi. Ta je večino življenga kmetovala, skrivnosti, kako dočakati tako visoko starost, pa ni zaupala. Marija - mož ji je umrl že leta 1953 - ima 42 vnukov in vnukinj, 26 pravnukov in pravnukinj ter sedem prapravnukov in prapravnukinj.

mo posebej tisočak, vsakemu po petstotak za intencije, ki jih oba želite. Salezijanec Stanko Pavlin, na okrevanju v Hong Kongu, dobi \$500. Sestra Vincencija Novak v Južni Afriki je prejela \$500.

Brat predsednice Mary Coffelt iz Milwaukeeja, lazarist Jože Mejač v Dominikanski Republiki, je dobil \$1000. Zanj so ob pikniku poleti v Milwaukeeju posebej darovali: Franci in Maruška Mejač \$300; Cathy Kaye in Jože Butinar, vsak po \$50. Prav tako \$50 N.N. in Mary Coffelt \$20. Skupaj \$470. Drugo v čeku je bil dar MZA za vse.

V Južni Ameriki je MZA

poslala salezijanki s. Kristini Knez v Honduras, usmili-

ljenki s. Antoniji Krajnik v Argentino, br. Matevž Štirn v Argentino, vsakemu po \$500. Župniku Janezu Mrvarju v Ekvador in župniku Franču Okornu v Čile, vsakemu po \$500. Po g. Knezu smo darovali Mission of Our Lady of Fatima za uboge v Clevelandu med črnskimi otroki \$500.

Svetnemu duhovniku Tonetu Pačniku, ki se je iz Zaira vrnil v Slovenijo in je odšel kot kaplan v Žreče, smo poslali \$500, ker je letos še bil na terenu in mu bo pomoč v delokrogu doma v začetkih lepa podpora.

Tako smo v treh zadnjih člankih MSIP objavili razdelitev pomoči v decembru tega leta. V objavljenih vsotah ni vsot, ki smo jih po željah posameznih dobrotnikov že razposlali na teren med letom.

O. Kos in s. Silva Žužek sta se že za prejeto pomoč zahvalila. S. Silva odhaja za dva tedna v Anglijo, da obišče sestro Terezijo, ki je morala iz Brazilije v Anglijo za zdravljenje noge in bo morala po prestani operaciji še enkrat čez 6 mesecev pod nož. S. Silva potem odide na kratek obisk v Slovenijo (za 11 dni).

Z Madagaskarja se je kratko oglasila dr. Masletova, da se je vrnila na otok klub šibkemu zdravju. V AD je čitala, da bo ostala v zaledju. Boga hvalimo, da je šla nazaj pomagat bolnikom, ki jih že možnosti iti k zdravniku psihološko malo pozdravi.

Nismo pri razdelitvi upoštevali laičnih novih misijonarjev gdč. Polone Gorjup iz Moravč in Emila Urbančiča iz Argentine. Odšla sta na teren med letom in nimamo o njih še nobenih konkretnih informacij. Če se bosta oglasila bomo mislili tudi nanju.

Ljubljanskemu nadškofu

dr. Šuštarju smo odposlali za 37 bogoslovcev vzdrževalnine, za vsakega po \$300 US, ček za \$11,425. \$25 je dar dobrotnice za bogoslovca, v čeku vračunan.

Glavna tajnica Sonja Ferjanova je poleti osebno odnesla nadškofu za šest novih kandidatov \$1800. Ravnatelj dr. Šuštar je odločil tele kandidate za teh šest darovalcev: Milana Koširja za družino Marion in Miro Kosem iz Cleveland; Romana Starca za Markota Ovna iz Washingtona, D.C.; Mirkota Turka za Andreja in Helen Oven-Hiserman iz Pensylvanije; Mateja Kračiča za g. Jožeta Snoja iz Kalifornije; Viljema Čušina za MZA New York, predsednici Heleni Kleśin; in Marijana Križaja za MZA Fairfield-Bridgeport, Conn., predsedniku Antonu Malenšku. Vsi dobrotniki so bili o kandidatih obveščeni.

Za naslednje bogoslovce so dobrotniki že v celoti plačali za štiri leta vzdrževanja (15): Kacijan Čižman, ki studira v Rimu, podpiran od pisca teh MSIP; Bojan Dragonja, vzdrževan od Štefana in Ane Novak, Scarborough, Ont.; Jože Gregorič, podpiran od bolne vdove Frances Ošaben iz Barbertona, O.; Roman Globo-

neza Zdešarja; Marija Pliberšek iz Victorije, B.C., Kanada, podpira Damjana Štiha.

Od teh 15 bo drugo leto 1994 nekaj novomašnikov in bo morda kak dobrotnik lahko šel tisti čas okrog praznika sv. Petra in Pavla 29. junija v domovino na obisk. Navadno so nove maše kakih 14 dni, to je dva tedna po mašniškem posvečenju, ki je v Sloveniji vsa leta na ta velik praznik obeh svetnikov.

Ob izbruhu vojne so bili leta 1940-41 ordinirani bogoslovci mojega letnika hitreje, ker sem sam bil posvečen z naslednjim letnikom, po povratku služenja svoj kader v Osijeku in so Nemci na Veliki petek prodirali skozi mesto na jug in bombardirali na Cvetno nedeljo malo preje prestolnico Beograd.

Zaposlili smo istočasno

nadškofa za devet novih kandidatov, ki jih želijo prevzeti v podpiranje: Frances Barman in Anthony Colnar iz North Olmsted, O.; Franc in Jelka Kuhelj iz Clevelandca; Lojze in Štefka Jarem iz Clevelandca; MZA Milwaukee prosi kot vsako leto za dva nova, ki jih odsek vzdržuje iz dohodkov letnega piknika; MaryAnn Mlinar iz Clevelandca; Anna Štalzer iz New Milforda, Conn. in njen sin Henry z ženo Antonijo iz Danburyja, Conn.; Marija Jeretina in bratje iz Jolieta, Ill.; Franc in Ana Želko iz Willowdala, Ont.; in Fr. Charles Wolbang in Sonja Ferjan, Scarborough, Ontario.

Ravnatelj dr. Šuštar je gdč. Ferjanovi priporočil, da bi morda odseki MZA, ki bogoslovca vzdržujejo, priporočili sodelavcem(-kam) dodajati k vzdrževalnini malo več, ker so stroški za življene v semenišču vedno večji. Nasvet je vredno vzeti v premislek in upoštevati, kjer se pač da. (Bo še)

Pričevanja o Jezusovem rojstvu v hlevu

(nadaljevanje s str. 11)

Angelovo splošno govorjenje pa namiguje, da se Jezus ni rodil v navadnem hlevu, ki je bil del betlehemske hiše, temveč v skalni votlini, ki so jo pastirji imeli za hlev.

To samo po sebi ni nič nena-vadnega. Okrog Betlehema je polno naravnih skalnih votlin, ki so jih pastirji uporabljali za hleve. Posebno radi so vanje nagnali čredo pred vremenskimi nevšečnostmi, včasih pa so tudi sami prebivali v njih. To se dogaja še danes. Po judovsko-arabski vojni 1948 so živeli v takih votlinah palestinski begunci iz Jafe in drugih kra-

jev zahodne Palestine, ki so jih zasedli Izraelci. Nekatere od njih so obljudene še danes. Včasih jih spremenijo v bivalni prostor tako, da vhod zaprejo s steno, ki ima okno in vrata. S tem se še bolj zavarujejo pred mrazom in poleti pred sončno pripeko. Jožefu pa je bila kot domačinu okolica Betlehema znana, zato se je lahko zatekel z Marijo v kakšno bližnjo skalnato votlino.

To potrjuje tudi staro izročilo, ki seže v 2. stoletje in pravi, da se je Jezus rodil v votlini, ki je na skrajnem vzhodnem delu griča, na katerem je

pozidan Betlehem.

Prvi je o tem pisal mučenec Justin (+165), ki je bil doma iz Samarije, torej iz Jezusove domovine in je zato lahko dobro poznal betlehemske izročilo. V knjigi *Razgovor s Trifonom* (70,1; 78,6) pravi, da se je Jezus rodil v votlini, ki je bila zunaj Betlehema. Podobno se izraža tudi pisatelj nenavadenega *Jakobovega predvangelija*. Učeni Origen (+254) pa pravi, da je bila votlina Jezusovega rojstva na poti, ki pelje v Betlehem. Tudi Hieronim omenja v pismu št. 58 in v svoji božični pridigi jasli in votlino. V taki votlini, ki se je z enim koncem stikala z votlino Jezusovega rojstva, je po pripovedovanju izročila prebival tudi sam, ko je 35 let živel in deloval v Betlehemu (385—420).

V skalnatih votlinah, ki so jo uporabljali za hlev, pa so bile jasli vedno pri tleh skalnate stene. Delno so bile vdolbene v steno, delno pa dodelane iz opeke ali gline. Podobne so bile kamnitemu koritu. Imele so vdelane železne obroče, za katere je bila privezana živila.

Takšne jasli so bile prvo Jezusovo ležišče. Tako najbolj ustreza dejanskemu kraju Jezusovega rojstva tiste jaslice po naših domovih in cerkvah, ki imajo za hlev skalnato votlino.

Christmas Church Services

Dear parishioners and friends,

May the peace and joy of Christ fill your hearts in this Holy Season!

This is our prayer for you and your loved ones throughout our celebration of Christmas. In the midst of so much trouble and unrest in our world, discontent in our nation, our only source of peace and joy is still the Word Made Flesh - our Infant Savior, Jesus.

We are most grateful to God for the blessings on our parish during this past year. We are grateful to you for your prayers, support and cooperation. We invite you to make your Christmas complete. Come to Christmas Mass: Come to the Manger as a family and receive the life, love and holiness of Jesus, our newborn King.

May Christ, through Mary, give you and your family a full share of happiness and health during this Christmas Season and in the coming New Year, 1994. Christ is born! Glorify Him!

A very blessed and joyful Christmas,

Fr. John Kumse
Fr. Peter Mihalic
Sr. Nina Vitale, OSU
Sr. Mary Ellen Brinovic, OSU

Dragi farani in prijatelji,

Naj mir in radost napolni vaša srca v tem svetem času!

To je naša molitev za vas in vaše drage v času božičnega praznovanja. V sredi tolikih zmešnjav in nemira v našem svetu, nezadovoljstva v naši deželi, naš edini vir miru in radosti je še vedno Beseda je Meso postala - Dete Jezus, naš Odresenik.

Nadvse smo hvaležni Bogu za njegovo dobroto in blagoslov naši župniji v tem letu. Hvaležni smo vam za vaše molitve, podporo in sodelovanje. Vabimo vas, pripravite se da bo vaš Božič popoln. Pridite k božični sv. maši: pridite k jaslicam kot družina in prejmite življenje, ljubezen in svetost Jezusa, novorjenega Kralja.

Naj Kristus po njegovi Materi Mariji deli vam in vaši družini popolni delež veselja in zdravja v tem božičnem času in v prihodnjem Novem letu 1994. Kristus je rojen! Slavite ga!

Blagoslovljen in vesel Božič,

St. Vitus Church

Dear Parishioners:

The beginning of our redemption from sin and death, Christmas Day, is only a few days hence. The entire Advent Season speaks of God's unrelenting love for each and every person, and of His persistent invitation to each man and woman to accept the ultimate gift, the gift of Love itself. Christmas Day is for this reason, a day of giving and of receiving, and a day of gratitude for all Christians who in faith understand the tremendous gift God has bestowed on the world in the birth of His Son, Jesus Christ.

Since God has given His very dearest gift to us, are we prepared to do what we can and must in order to receive this great Gift on Christmas Day?

It is our prayer that the light of Christ's presence within you will bring peace and happiness to you and your loved ones during this Holy Season and every day of the coming year 1994.

Your priests at St. Vitus,
Father Joseph Bozner
Father Richard Evans
Father Victor Cimperman
Father Thomas Gallagher

Dragi farani!

Začetki našega odrešenja, prazniki Gospodrvega rojstva, so pred vrti. Adventni čas nas opozarja na izredno božjo ljubezen do slehernega človeka in o njegovem nenehnem pozivu vsem ljudem, naj sprejmejo ta najvecji dar njegove ljubezni-Ljubezen samo. Božični prazniki so prav zaradi tega prazniki darovanja in prejemanja ter hvaležnosti za vse kristjane, ki v veri dojemajo ta izredni dar, katerega je Bog svetu podelil z rojstvom svojega Sina Jezusa Kristusa.

Ker nam je Bog podelil ta predragoceni dar, ali smo pripravljeni sprejeti ga na sveti dan, kakor zaslужi?

Zelimo in molimo, da bi luč Kristusove navzočnosti v vas prinašala vam in vsem vašim dragim mir in srečo v tem svetem času in vsak dan v prihodnjem letu 1994.

Vaši duhovniki pri Sv. Vidu
