CLEVELAND, OHIO, FRIDAY MORNING, AUGUST 11, 1978

LETO LXXX — vol. LXXX

Senat za uravnotežen zvezni proračun 1981

Senat je nepričakovano izglasoval zakonski predlog, ki določa uravnotežen proračun ZDA v letu 1981.

WASHINGTON, D.C. — Predsednik Carter je ob svojem nastopu izjavljal, da bo dosegel ob koncu svoje prve poslovne dobe kot predsednik ZDA uravnoteženje zveznega proračuna. Veliko jih je bilo, ki so v to napoved dvomili, in končno je vlada sama izjavila, da bo treba ta cilj kot nedosegljiv odložiti za kako leto ali dve.

Sedaj se je nepričakovano oglasil Senat in povedal, da hoče uravnotežen proračun v letu 1981, takrat, kot je to Carter prvotno napovedal. Predlog je bil izglasovan v razmerju 58:29 kot dopolnilo k zakonskemu predlogu, ki odobrava 1.7 bilijona dolarjev v International Monetary Fund.

Zakladno tajništvo računa, da bo imela zvezna vlada letos 53 bilijonov dolarjev manj dohodkov kot izdatkov. Proračunski direktor James McIntyre Jr. je predvidel, da bo v proračunskem letu, ki bo naj imela vlada ZDA po sklepu Senata le toliko izdatkov kot dohodkov, primanjkljaj dejansko mogoče zmanjšati na 20 bilijonov dolarjev.

O v Senatu izglasovanem predlogu bo razpravljala konferenca Senata in Doma, kateri je bil poslan v nadaljno razpravo. Težnja po omejitvi zveznih izdatkov, ki jo je pokazal sklep Senata, je očitna tudi v Predstavnikiškem domu.

Doitki pri razgovorih med Hanoi in Pekingom

PEKING, LR Kit. — V Hanoi, glavnem mestu Vietnamu, so se ta teden začeli razgovori med LR Kitajsko in Vietnamom o bodočnosti enega milijona Kitajcev, ki živijo v Vietnamu. Do razgovorov na ravni namestnikov zunanjih ministrov je prišlo po mesecih javnega prepiranja in napadanja.

Kitajski zastopnik je takoj ob odprtju razgovorov obdolžil Vietnam kršenja dogovora med obema državama iz leta 1955, ki da je uredil vprašanje kitajskih priseljencev v Vietnamu.

Kitajci trdijo, da jih vietnamske oblasti zapostavljajo, preganjajo in izganjajo. Okoli 180.000 naj bi se jih že vrnilo v LR Kitajsko, nekaj tisoč pa se jih je preselilo na Formozo. Kitajci v Vietnamu so bili pretežno trgovci in obrtniki. Vietnamske oblasti so jim letos v marcu in aprilu zasegale trgovine in delavnice ter jih hotele naseliti na deželi kot poljedelce, čemur pa se Kitajci upirajo.

Zvezna vlada jamčila posojila New Yorku

NEW YORK, N.Y. — Predsednik Carter je pred kakimi 5.000 ljudmi podpisal pretekli tork v mestni hiši New Yorka zakon o jamstvu zvezne vlade za 1.65 bilijona dolarjev dolgov mesta New Yorka.

Mesto New York je zaradi slabega gospodarjenja in neodgovornosti svojih uprav zašlo v nevarnost finančnega poloma. Zvezna vlada je prevzela odgovornost za del dolgov v okviru načrta za postopno ozdravljenje mestnih financ.

Zadnje vesti

NEW YORK, N.Y. — Trije glavni listi, New York Times, New York Daily News in New York Post danes drugi dan niso izšli zaradi štrajka tiskarjev. Podjetja hočejo omejiti število osebja pri tiskanju listov, čemur pa se tiskarji upirajo in so začeli zato štrajk. Vodniki podjetij so vedeli, da bo njihov korak povzročil štrajk, pa so se odločili zanj sedaj, ko je sorazmerno najmanj oglasov, ki predstavljajo glavni dohodek listov.

BEJRUT, Lib. — Sirija se je sporazumela z vodniki kršćanskih milic za končanje medsebojnih sovražnosti. Premirje je včeraj nastopilo, v njegovo trdnost pa nihče ne verjame dosti.

NAIROBI, Ken. — Etiopija je objavila, da so njene čete zasedle po tridih bojnih mestih Agordat in s tem vzele upornim Eritrejcem skoraj vsa večja naselja, ki so jih v zadnjih letih 17 let trajajoče vojne zasedli.

LIZBONA, Port. — Predsednik republike Eanes je imenoval Alfreda Nobre da Cosa včeraj za predsednika nove vlade, devete po revoluciji leta 1974. V eni prejšnjih vlad je bil tajnik za industrijo, nato pa minister za industrijo.

WASHINGTON, D.C. — ZDA bo pri pogrebu papeža Pavla VI. zastopala posebna delegacija z predsednikovo ženo Rosalynn Carter na čelu. V delegaciji bo tudi sen. E. M. Kennedy.

WASHINGTON, D.C. — Predstavnikiški dom je včeraj izglasoval zakonski predlog o znižanju zveznih dohodninskih davkov za skupno 16.3 bilijone dolarjev. Predlog je najugodnejši za one z dohodka okoli \$50.000 letno. Bela hiša je hotela večje znižanje davkov za one z manjšimi dohodki, pa Predstavnikiški dom njenih predlogov ni upeševal. O predlogu mora razpravljati in glasovati še Senat, kjer pričakuje večje spremembe.

RIM, It. — Včeraj je na tisoče ljudi izkazalo zanj čast pokojnemu papežu Pavlu VI., ki leži na mrtvaškem odru v cerkvi sv. Petra. Nocoj bodo krsto zaprli, jutri pa bodo po pogrebnih sv. maši položili truplo umrlega papeža v kriptoto cerkve sv. Petra. Kolegiji kardinalov je sklenil, da se bo začel konklave za volitev novega papeža 25. avgusta.

WASHINGTON, D.C. — Cene življenjskih potrebščin so pretekli mesec porastle za 0.5%, najmanj od preteklega marca. Glavni vzrok počasnejši rasti cen je v padcu cen hrane za 0.3%, prvim od lanske jeseni. Zvezna vlada upa, da bodo cene rastle v naslednjih mesecih počasneje in da v celem letu 1978 ne bodo porastle nad 7.2%.

Prevrat v Hondurasu

TEGUCIGALPA, Hond. — Vojaški vodniki so izjavili, da so odstavili gen. Melgarja Castra kot predsednika republike zaradi obdolžitve, da je vlada vmešavana v tihotapljenje kokaina. Za novega državnega poglavarja so postavili gen. Policarpa Paza Garcio.

Govorice o možnosti povišanja cen olja še pred prihodnjim letom

Ali bo prihodnji mesec posebni sestanek OPEC, še ni odločeno.

NEW YORK, N.Y. — Zadnje dni so se začele širiti govorice, da se bodo zastopniki držav, izvoznice olja, prihodnji mesec sestali na poseben posvet, ki bi naj razpravljal o povišanju sedanjih cen olja še pred prihodnjim letom. Padanje vrednosti ameriškega dolarja napram trdnim valutam je začelo nekatere od izvoznice olja močnejše prizadevati.

Četudi se vesti o takem sestanku vstrajno vzdržujejo, je glavni tajnik OPEC Ali M. Jaidah izjavil, da so te preuranjene. Ta teden je prišel v New York na udeležbo razprave Ameriške odvetniške zbornice o vprašanju energije. O napovedovanem sestanku OPEC v septembru je dejal, da odločitev o tem še ni padla.

Med tem postaja precej jasno, da bodo izvoznice olje podražile če ne preje z novim letom za najmanj 5%. Če ne bo sestanka v septembru, bodo odločile o tem na rednem sestanku, ki je napovedan za 16. december v Abu Dabi.

Države izvoznice olja bodo razpravljale verjetno znova tudi o tem, ali naj ostanejo pri dolarju kot plačilnem sredstvu ali naj bo za to določena "košarica" trdnih valut skupaj z dolarjem. Negotovost o tem tišči vrednost dolarja navzdol.

Zaposlitev izven kmetij drži ljudi na na deželi

BRUXELLES, Belg. — V večini držav Evropske gospodarske skupnosti se je bag s podeželja v mesta in industrijska središča unesel, od kar so začele rasti manjše tovarne na podeželju, kjer nudijo zaposlitev tamkajšnjemu prebivalstvu.

Kmetje imajo tako možnost delne zaposlitve doma in delne izven svojih kmetij, kar povečuje

"Mi, komunisti odločamo — kdo bo učil na teoloških fakultetah"

DUNAJ, Avstr. — Nadškof Poggi je kot posebni vatikanski odposlanec prišel junija meseca v Prago, da bi reševal razna sporna vprašanja s češkoslovaško vlado. Pogajanja pa so zastala; nekateri so mnenja, da so že propadla, ker je nadškof Poggi zavzel precej odločno stališče v konkretnih primerih. Tako ni prišlo do soglasja glede imenovanja apostolskega administratorja Julija Gabrisa za nadškofa. Vlada je namreč v tej zvezi hotela rešiti vprašanje imenovanja apostolskega administratorja Jožefa Vrane za nadškofa v Olomucu. Poggi pa bi naj pristal pod pogojem da se Vrana uradno distancira od režimu vdanega gibanja "Pacem in terris".

Vatikanski odposlanec se je dotaknil še drugih kočljivih vprašanj. To izhaja iz izjave šefa verskega urada pri slovaškem ministru za kulturo Homala. Ta je v referatu, ki ga je imel v zaupnem krogu partijskih aktivistov, govoril o "nevdzdržnem vmešavanju Vatikana v notranje zadeve češkoslovaške"; pri tem je mislil na zahtevo Poggia, da je treba dogo-

Japonci in Kitajci iščejo končni dogovor

Japonska delegacija pod vodstvom zunanjega ministra se pogaja za končno besedilo mirovne pogodbe s Kitajsko v Pekingu.

PEKING, LR KIT. — Od srede se vršijo tri razgovori med zastopstvi Japonske in LR Kitajske o dokončni obliki besedila za mirovno pogodbo, ki naj ustvari temelj za obsežno gospodarsko sodelovanje in dobre sosedne odnose med obema državama. Pogajanja za pogodbo se je začela leta 1972, pa so bila ponovno prekinjena in so običajala.

Pred nekaj meseci sta se Peking in Tokio dogovorila, da pogajanja obnovita in končata. V glavnem med obema ni kakih posebnih spornih točk, ki bi se tikale je njih, glavna težava je stališče do Sovjetske zveze.

V Pekingu hočejo vključiti v mirovno pogodbo stavek, ki bi naj vezal obe podpisnici k skupnemu nastopu proti kakršni državi, ki bi si hotela lastiti go-podstvo nad Azijo. Peking ni ne taji, da misli pri tem na Sovjetsko zvezo, Tokio pa bi se rad takemu tolmačenju izognil če bi že moral stavek sprejeti v besedilo pogodbe.

Japonsko zastopstvo vodi zunanji minister Sunao Sonoda, kitajsko pa zunanji minister Huang Hua. Japonsko zastopstvo upa, da mu bo tokrat uspelo doseči sporazum, ki bo sprejemljiv za obe strani in ga tudi v Moskvi ne bodo smatrali za protinjej naperjenega.

je in ureja njihove dohodke. Taki delni kmetje in delni delavci predstavljajo sedaj od 35 do 55% vsega kmečkega prebivalstva v Franciji, Britaniji, Nemčiji, Italiji in drugih državah Skupnega trga, pa tudi ponekod drugod v Evropi.

vorno z Vatikanom nastavlja profesorje na teoloških fakultetah. Z dvignjenim glasom je Homola pribil: "Mi določamo, kdo bo poučeval na teoloških fakultetah. V tem ne dopustimo debate z nikomer!" V istem referatu je Homola omenil, da je kljub vsemu prizadevanju partije vso leto za vpis v semenišča za prihodnje leto na Slovaškem 70 kandidatov. To je "kričeči dokaz", je dejal Homola, "da vera nikakor ni le zadeva starih bab".

Zaupno poročilo katoličanov iz Slovaške pravi, da jih manj skrbi to, kar je bilo že v aprilu jasno, da namreč pogajanja med Prago in Vatikanom ne bodo uspela. Bolj jih skrbi, da bodo komunisti pod pretvezo, da se pogajajo z Vatikanom, delali s Cerkvijo, kar bodo hoteli. Poročilo iz Češkoslovaške izzveni v bojazni, da v primeru, če bo šlo vse tako naprej kot doslej, ne bo ostalo nič, o čemer bi se sploh mogli pogajati.

Nesteto je namreč dokazov, da hoče imeti režim pod najstrožjo kontrolo Cerkev, duhovnike in njihovo delo ter vse versko življenje.

TITO STAVLJA VSE UPE NA ZVEZO Z ZAHODOM?

Zanimivo poročilo pariškega lista L'Aurore o tajnem razgovoru Tita z vodnikom Italijanske KP Berlinguerjem.

PARIZ, Fr. — Znani L'Aurore je prinesel 18. julija 1978 poročilo o tajnem sestanku jugoslovanskega vodnika Josipa Broza Tita z glavnim tajnikom Komunistične partije Italije Enrico Berlinguerjem, ki vsebuje nekaj zanimivih razkritij. Takole poroča:

Bil je namerno tajen sestanek. O njem ni bila puščena v javnost nobena vest, četudi je običajno del sveta bližje nam, kot sta Afrika ali Bližnji vzhod ali katerakoli druga vroča točka na zemlji.

Uporablja joč priloznost obhajanja 30-letnice Zveze komunistov Jugoslavije v Beogradu v velikem obsegu je stari maršal Tito razvil željo po sestanku z vodnikom Italijanske Komunistične partije Enrico Berlinguerjem. Z njim je hotel imeti pomembnejši razgovor. Tito ve, da so njegova leta šteta, da je bodočnosti njegove dežele na tehnični in da nevarnost vpadanja postaja določnejša. On ne maha več v prazno. On nima več časa za to.

Bistri in občutljivi Berlinguer je vedel, kaj ga čaka in se je zato skušal temu izogniti ter poslati svojega tovariša Pajetto na jugoslovansko slavi.

Tito mu je poslal sledeči odgovor: "Jaz ne maram videti tega starega stalinista. Če Ti, Berlinguer, ne prideš, bom ustvaril škandal!"

S težkim srcem se je Berlinguer vdal. Očividno ni nobenega stenografskega ali na trak posnetega poročila o razgovoru med italijanskim komunističnim vodnikom in velikim upornikom Titom, ki je bil prvi pristni "evrokomunist" ne le v besedah, ampak v dejanjih. Vendar nas je mogel neki važni italijanski diplomat informirati o bistvu razgovora.

"Že od začetka je bilo jasno, da med obema možema ni nobene soglasja. Tito ni skušal stvari zglediti. Izrekel je resnično odprto drugo za drugo.

Nič ni omahoval povedati blede mu Berlinguerju, da je on daleč od želja kako komunistične zmage pri volitvah in uvedbe komunistične oblasti v Italiji.

"Ker", je dejal Tito Berlinguerju v bistvu, "so krščanski demokrati najboljši poroki za neodvisnost Jugoslavije in ne Ti."

Na poti k zvezi Rim-Beograd

"Ti trdiš, da si evrokomunist," je grmel Tito, "toda kam sta te v dejanju spravila vsa Tvoja zvitost in spretnost? Ko se je drnil Santiago Carrillo, ki je bil dolgo v nevarnosti, prelomiti z Moskvo, ko je Kremelj postopal z njim kot z izvržkom, dolže ga, da spreminja svojo partijo v socialno demokracijo, kaj si Ti storil za svojega evrokomunističnega tovariša Carrillo? Molčal si!"

"Jaz sem opazil," je nadaljeval Tito, "da si se sporazumel z NATO. Toda spoznal sem, da si to storil samo v besedah in da Tvoja dejanja nasprotujejo temu, kar govoriš, ker Ti dejansko podpiraš moskovsko politiko v Evropi in v Afriki.

Hočeš zgled? Pajetta poje sla-

vo afrokomunistom v Angoli, Tanzaniji in Etiopiji. Ti sam si podpiral vojno v Ogadenu, ki so jo vodili Rusi in Kubanci... Imenuješ to neodvisnost?

Tu drug primer tvoje skrivne pravovernosti: Ko se je Kitajska, katere je, kot veš, ogrožena po sovjetskem imperializmu, kot sem jaz, približala Zahodu in NATO ter se odločila kupiti od Italije orožje in celo poslati vojaško zastopstvo, da bi Te obiskalo v Rimu, kaj je Tvoja svobodna komunistična partija storila? Ti si napadel Peking in podprl rusko vrhovnost!"

Ta netrpni razgovor je bil dejansko razgovor. Berlinguer je bil prevladan in je samo sprejemal udarce. Tito in tajnik Zveze komunistov Jugoslavije Stane Dolanc, ki je priloznostno posegel vmeš, nista prav nič čuvala Italijana.

"Mislim odvreči vse s svojih prsi," je rekel Tito. "Četudi Ti greš in poveš vse Brežnjev. Jaz se ne brigam, on ve, kaj jaz mislim in Ti mu ne moreš povedati nič novega."

"Toda Berlinguer, Ti bi naj ne pozabil, da si Italijan in pred vsem drugim patriot. Ti si moraš zapomniti, da moraš braniti neko deželo in da more priti trenutek, ko se boš moral upreti vpadu!"

Berlinguer je bil osupel in Tito mu je mrzlo rekel, da stavlja vse svoje upe na temo vojaško in gospodarsko zvezo z Zahodom, pri kateri bi mogla Italija igrati bistveno vlogo: "Če seveda ne bo sprejela tvoje izvrsti komunistične!"

Italijanski diplomat, ki pozna celotno zadevo, nam je dejal: "Stvari so tajno že v teku. Deželi, ki se nista mogli trpeti in je Trst ostal sporna kost med njima, Italija in Jugoslavija, sta izmenjali vojaška zastopstva."

Komaj pred nekaj leti, kadar je imela Italija vojaške vaje v Furlaniji in Benečiji, je Beograd avtomatično okrepil svojo mejo, kot da bi mogla od tam priti nevarnost. Zdaj, pred nekaj dnevi, so bili Titovi vojaški opazovalci navzoči pri vajah italijanskih oklopnih divizij v zvezi z ameriškim poveljstvom NATO.

Tito, ki sumi, da imajo Sovjeti načrte vpadati v Jugoslavijo po njegovi smrti, se tajno močno naslanja na krščansko-demokratsko Italijo; ker taka resnično atlantska Italija bi se čutila neposredno ogroženo in zaokrbljena ob jugoslovanskem vprašanju. Ne bi se igrala s prsti, ko bi se sto tisoči jugoslovanskih partizanov borili z napadalcem.

Dejansko računa Tito na italijansko brodogojbo, ki ima precejšnjo ognjeno moč, pri obrambi daljinskih obale, če bi bilo potrebno, in na ameriške rakete na področju Verone, ki bi lahko služile kot svarilo. Tajna pogajanja med Rimom in Beogradom se morda že bolj napredovala kot ljudje mislijo. Jaz lahko rečem, da bo italijansko brodogojbo letos prvič tekom svojih poletnih vojaških vaj med Sicilijo in Malto poslano v avgustu v Benetke in Trst za posebne vaje...

In orožje iz Italije, težko orožje in drugo, se usna v Jugoslavijo.

Poročilo pariškega lista je vesakor zanimivo. "L'Aurore" ve-

Vsekakor je razlika majhna, zato je vsak glas važen. Volivci Clevelanda, ne pozabite tega!

Skrajšan zakonodajni program v Kongresu

WASHINGTON, D.C. — Vodnik Predstavnikiškega doma Thomas P. O'Neill Jr. je po razgovoru v Beli hiši navedel "nujni" zakonodajni program, ki ga naj bi Kongres opravil še letoš, predno pojde na počitnice.

Iz programa je izpuštil novo ureditev Civil Service-a, spremembe določil za letalski promet in omejitve stroškov za zdravljenje v bolnišnicah. Vsi ti trije predlogi so med tistimi, ki bi jih predsednik Carter imel nujno rad še letos uzakonjene.

Ija na splošno za dosti umirjen in zanesljiv list, kljub temu pa je treba gornje poročilo jemati "z zrnom soli".

Jugoslovanski poskus

Tak je v slovenščino preveden naslov druge knjige v angleščini o današnji Jugoslaviji (The Yugoslav Experiment 1948-1974, 431 str., University of California Press). Knjigo je napisal Dennis Rusinow in je izšla skoraj istočasno z ono, ki smo o nji govorili nedavno tega in ima naslov "The Yugoslavs" (avtor Duško Doder, izšla pri Random House v New Yorku). Kot je bila prva, je tudi sedanja vredna, da o nji nekaj zapišemo, saj obravnava zadeve naše rodne domovine. Pisatelj dr. Dennis Rusinow je raziskovalni učenjak ameriških univerz na samem mestu in je živel deloma v Jugoslaviji deloma v Avstriji vse do leta 1963. V tem obširnem času je mogel mojsrsko obvladati cele gore dokumentarne snovi, kakor so jo smeli in mogli ob vsakem obratu ali preusmeritvi partijske linije razkriti komunistični prvaki, teoretiki, žurnalisti in raziskovalci.

Neizogibno za učenega specialista je to, da osredotoči svoje enakoročno in izčrпно raziskovanje na znano borbo znotraj komunistične partije, katere se je bila razvila, preden so bile izvedene velike politične in ekonomske reforme v obdobju 1965-66. Takrat je vse kazalo, da se bo razvoj jugoslovanskega komunizma obrnil v smer večje politične, socialne in gospodarske svobode in se približal — vsaj do neke meje — konceptu demokratičnega javnega življenja. Še nam je v spominu, kako so takrat razglašali povsem novo, drugačno vlogo komunistične partije, kot jo je ta igrala dotlej: partija, ki so jo prekrstili v Ligo komunistov Jugoslavije (in zavrgli ime partije), naj več vsemogočno ne gospoduje in si ne lasti nesporne oblasti v javnem življenju. Spremeni naj bo v zvezo komunistov, čije namen in naloga naj bo v bodoče — ne gospodstvo in neomejena oblast — ampak le ideološko vodstvo v razvijanjem dobrohotnih smernic in predlogov za uspešno rast "socializma" v politiki in gospodarstvu: kakor tudi na drugih področjih družbene aktivnosti. Ta obrat je bil res zgodovinske narave, iz njega je zrastel koncept samoupravljanja na gospodarskem sektorju, pa tudi znatni premiki pri uravnavanju kreditne politike, kakor tudi v odnosih posameznih republik do federativne uprave v Beogradu.

Ce bi se bila uveljavila ta na ljubljanskem kongresu sprejeta politična linija partije, bi bila današnja notranja slika Jugoslavije precej drugačna, kot je v resnici. Pojavili so se, kot se spominjamo, razni Nikežiči, Trinajloji, Kavčiči in njim sorodni partiici, ki so načrt za tako spremenjeno notranjo sliko Jugoslavije hoteli praktično uresničiti. Bili so krepko na delu, toda kmalu se je začel čutili odpor zlasti iz vrst stare partizanske garde, ki je privedel do hudih in za enotnost partije nevarnih notranjih trenj in borb, dokler ni Tito s svojimi najzvestejšimi sopotniki na sestanku v Karadžorđevu napravil takemu razvoju konec. Brutalen konec. Dr. Rusinow vse to iz dobljenih dokumentov podrobno opisuje ter imenuje dobo 1971-72 "Nationalities crisis".

V zgoščen in zelo skrbno sestavljeni študiji skuša identificirati, korak za korakom, gospodarske stvarnosti in socialne silnice, ki so bile na delu v oni dobi od 1965 do 1972 spreminjajočih se političnih tokov znotraj partije. Pri tem nisek tudi analizira jugoslovanske komunistične voditelje in opisuje njih dostikrat zatamnjen in protislovne, v naglici in brez priprave navedene improvizacije. S takšno ugotovitvijo soglašajo s pisateljem zadnjice omenjene knjige Duška Doderja, ki Rusinowe "improvizacije" imenuje "ponačene novotarije".

Tudi njegove sklepne misli so podobne Doderovim. To ugotavlja dobesedno takole: "Zgodovina Jugoslavije... od l. 1948 dalje ni torej dejansko izpričala ničesar razen zaprepaščujoče gibčnost in prilagodljivost Jugoslovancev, tako voditeljev kot onih, ki jih ti vodijo; neizčrпно in dostikrat zmešano voljo za eksperiment."

Človek ima vtis, da take besede ne pomenijo globokega poklona notranjepolitičnim krmarjem sedanje jugoslovanske politike...

Glede bodočega razvoja razmer v naši stari domovini je dr. Rusinow mnenja, da bi utegnili biti mogoče, da bi se razvoj končal v srednjem vstanju demokracije. Vendar takoj pojasni, da je mnogo bolj verjetno, "da Jugoslavija postane le neka druga na nizkem nivoju sloneča država, ki zmerno zatira svoje ljudi, je polovično uspešna in na del avtoritarne, vlada jo oligarhija med seboj smute elite, v njeni družbeni sestavi so mnogi ljudje svobodni in sodelujejo, mnogi pa ne".

Avtorjeva napoved za bodočnost Jugoslavije je nejasna, dvomljiva in negotova — drugačna tudi biti ne more z ozirom na deistvo, da nad to državo visi vrsta težkih vprašanih, katerim odgovora nihče ne more vedeti. A iz vsega opisa in iz zaključkov v knjižici sije resnica, da tamkajšnji komunistični režim z mogočnim Titom na čelu ni pravzaprav znal in ne mogel rešiti nobenega osnovnega faktorja za notranjo konsolidacijo in zunanjo varnost te težko preizkušene, z bratsko krvjo polite dežele. Ob Titovem koncu se nahaja naša domovina v večji negotovosti kakor kdajkoli v svoji zgodovini.

Dr. Rusinova študija to resnico znova potrjuje.

BESEDA IZ NARODA

Misijonska srečanja in pomenki

407. "Veslimo se Marijinega Vnebovzvetja! (O. Kos, S.J.)

Ko je l. 1950 Pij XII. proglasil v imenu vesoljne Cerkve dogmo o Mariji, da jo je Bog resnično vzel k sebi z dušo in telesom, je postalo to, kar smo zmeraj bili čutili v veri, natanko opredeljena resnica, ki se ji odslej lahko predajamo brez strahu zmote. In kakor vsaka resnica, ki nam jo sam Bog blagovoli razodeti, je tudi resnica o Marijinem Vnebovzvetju polna neizčrpnega vedno znova se odkrivajočega bogastva za naše misli in dejanja. Sklonimo se tokrat nad to resnico kot nad virom posebne veselja.

Sveto pismo pravi,
da človek še slutiti ne more, kaj je Bog pripravil za vse, ki Ga ljubijo. Zares, kako čudoviti kraj morajo biti nebesa! Jezus in Marija se tukaj kretata tudi telesno — človeško in občujeta s svetimi dušami, ki sicer še čakajo na telesno izpopolnjenje, a ki jim božja moč daje način življenja, da se najbrž čutijo kakor angele srečne in svobodne.

Čim bolj spoznavamo naš svet, tem bolj občudujemo pestrost božjih zamisli; do smrti ostanemo učenci, ki resnična spoznanja mešamo z zmotami in napačnimi mnenji. Toda zdi se, da je namen zgoraj omenjenega Sv. pisma, da nam dopove, da še tako temeljito poznanje sveta ne more dati slutiti Božjo Umetnost v stvaritvi nebes. Pod tem vidikom je — in bi morala biti — smrt kristjana veselo pričakovanje največje pustolovščine ali največjega dogodka: vstopa v nebeško deželo, katere odkrivanje je Bog prihranil za ta trenutek. V tem se kaže Jezusova zmaga nad smrtjo: od mrtvih Vstali je pred očmi uencev odšel v nebesa, kamor je vzel pozneje še svojo ljubo Mamo.

Na koncu časa bodo nebesa

del novega vesoljstva. V njem bomo delavni kot odrešeni ljudje; naša vloga je zmeraj ista: biti med svetom duha in snovi, biti človek. Tako je, kot smo se bili učili v katekizmu: človek je ustvarjen za spoznanje in ljubezen Boga in za življenje v tej luči. Le tako lahko postane srednik za celo vesoljstvo snovi, sveta in nežive, udeležen pri svetu čistih duhov s spoznanjem in ljubeznijo svobodnega bitja. Ne morem pozabiti, da je Lucija v enem izmed fatimskih prikazovanj smela zreti sv. Jožefa ob Mariji: vs. družinsko vez take-keč nebesa poveljujejo.

In kjerkoli se v Sv. pismu srečamo z Marijo, jo vidimo, kako se "poveljujejo" (prim. Lk. 1, 46) in, kolikor ji je v konkretnih možnostih dano, "z radostjo" (prim. Lk. 1, 47) posluhuje stvari po človeško, z zahvalo za "dobrote" (Lk. 1, 53) in s prošnjo za izredno, čudežno pomoč pri uživanju teh dobrot, npr. v Galilejski Kani (Jn. 2, 3-5), kjer je potem Jezus napravil prvi čudež: ne obuditev mrtvega in ne ozdravljenje težko bolnega, ampak obilje odličnega vina iz vode, v veselje celi svatbi. V luči spoznanja in ljubezni Boga zadobi še tako skromna snov posebno vrednost kot del božjega umotvora. Snov s svojo tipično naravo in odgovarjajočimi silami. Biti človek je čast.

Le to, kar je resničen greh, moti, zmalči, skrivi — dokler traja človekovo dostojanstvo ali "božjeličnost" (Gen. 1, 26).

zacija. Vse te milijone hoče Bog odrešiti, to je, ozdraviti, v Svojem Sinu, a noče vsega dela opraviti sam: želi si — po človeško rečeno — našega sodelovanja. Vnaprej mu je uspeh zagotovljen, da si je treba obliko uspeha prepustiti božji iniciativi. Vsak član MZA se torej lahko veseli, da je bil povabljen k sodelovanju; veseli je vnaprej uspeha, če vztraja; veseli se pa tudi tega, da božja moč tako učinkovito deluje v 20. stoletju, kot je v prvem, ko je Jezus vzel Svojo — in našo — Mamo k sebi, z dušo in telesom... Dragi Charles, s prisrčnimi pozdravi Tvoj Vladimir. Tokio, 18. julija 1978."

IZ NAŠIH VRST

Sudbury, Ont. — Spoštovani! Sele danes smo prejeli Vaše sporočilo, da je julija potekla misijonska naročnina za č.estro Ernesto Kosovel. S priloženim čekom jo obnavlja zopet za eno leto.

Nekam prazno in dolgočasno je bilo, ko je bila Ameriška Domovina na počitnicah. Ko takole za dva tedna izostane, se človek šele prav zave, kako zelo bi jo pogrešali, če je ne bi bilo več. Nekam dolgih let smo se zelo navadili na njo.

Lepa hvala uredništvu in vsem dopisnikom za zanimivo in prijetno branje.

Vsem iskren pozdrav!

Waukegan, Ill. — Spoštovani! Pošiljam ček za obnovo naročnine Ameriške Domovine.

Vaše obvestilo smo prejeli, ko

nas ni bilo doma. Bili smo dva tedna na potovanju po Kanadi. Lepo smo se imeli in spomini bodo ostali za vedno.

Zato bi se rad tem potom zahvalil vsem dobrim znancem, pri katerih smo se ustavili. V Sudburyju smo obiskali Toneta Končana, v Montrealu moji sestrični Staric ter Toneta in Frančko Koritnik, v Torontu Jespeha, če vztraja; veseli se pa tudi tega, da božja moč tako učinkovito deluje v 20. stoletju, kot je v prvem, ko je Jezus vzel Svojo — in našo — Mamo k sebi, z dušo in telesom... Dragi Charles, s prisrčnimi pozdravi Tvoj Vladimir. Tokio, 18. julija 1978."

Vsem darovalcem prisrčna hvala!

Zahvala Slovenske šole

CLEVELAND, O. — Piknik Slovenske šole pri Mariji Vnebovzeti 30. julija na Slovenski pristavi je bil lepo obiskan. Tudi vreme je bilo sončno, toplo, malo vetrovno, a brez nevihte, kot nalašč za kopanje ali kramljanje v smrekovi senci. Vsem obiskovalcem se prav lepo zahvalimo, da so nas razumeli in se odzvali vabilu.

Da je vse prav teklo, smo dolžni zahvalo Vam, dragi starši, za vso pomoč v kuhinji, pri bari, pri pecivu in za pecivo, pri srečanju in za darila. Hvala tudi gđ. in ge. Novak za darovane srčke. Hvaležni smo tudi g. Pavloviču, ki je večer za večerom na radijski oddaji vabil na piknik, kot tudi Ameriški Domovini za vse obave.

Vsem, ki ste kakorkoli pomagali k lepemu uspehu, prav iskren: Bog povrni!

ZA SMEH

"Praviš, da sem brez smisla za humor?" reče žena možu. "Ko bi bilo to res, zakaj bi te bila pa potem vzela?"

"Mama, ali bom lahko gangster, ko bom velik?"

"Lahko, če boš priden."

Med zakoncema.

"Kako to, da hi tako lepa, pa obenem tako neumna?"

"Ker sem lepa, si se ti vame zaljubil. Ker sem neumna, sem se pa jaz vate."

"Zakaj se Nace in Polona ne poročita, saj hodita že 20 let skupaj?"

"Ona ga ne mara, kadar je pijan, on pa nje ne, kadar je trezen."

IMA POŠTENA VLADA MOLITEV V MESTNI HIŠI?

MAYOR DENNIS J. KUCINICH

POSEBNI INTERESI SE UVRŠČAJO ZA KOS MESTNE HIŠE

RACUNALNIKI — Župan Kucinich skuša dobiti
mestni svet za odpoved nepoštenega računalniške po-
godbe, kar bi prihranilo davkoplačevalcem v nasled-
njih petih letih 8 milijonov dolarjev. Če on zgubi,
bodo davkoplačevalci še dalje prekomerno obreme-
njeni.

MESTNA ELEKTRARNA — Mestna elektrarna je
vredna 250 milijonov dolarjev. CEI jo hoče dobiti za
58 milijonov, CEI zahteva, da mesto opusti tožbo
proti trustu za 325 milijonov dolarjev proti njej.
CEI hoče monopol nad električno silo, da bi mogla
višati cene. Kucinich je edini, ki zapira CEI pot
do banke.

DAVČNI POPUSTI — Župan Kucinich varuje last-
nike domov s tem, da vstraja pri zahtevi, naj velika
podjetja plačajo svoj pravični del davkov. On stopa
na velike palce, ko ustavlja davčna znižanja.

LJUDSKI PRENAŠALEC — Župan Kucinich je
proti zapravitvi 41 milijonov davčnega denarja za to.
George Forbes in Basil Russo pravita, da bo ljudski
prenašalec — tekoč trak za prepašanje ljudi sredi
mesta — spet na programu, ko bo Kucinich izven
mestne hiše.

ORGANIZIRANI ZLOČINCI so bili vključeni na
javno plačilno list prejšnjih mestnih uprav, nekateri
celo na zelo visoka mesta. Eden od teh je sedaj na
FBI seznamu 10 najbolj iskanih oseb. Kucinich je
končal podtalnema svetu dostop v mestno hišo.

CIVILNI NADZOR NAD POLICIJO je na tehtnici.
Policijska je pokazala, da noče ubogati župana, ki
vstraja pri zahtevi, da vrši svojo službo. Ali hočete,
da bo policija nadzirala mestno hišo?

VODNIKI MESTNEGA SVETA so še zmeraj v ka-
zenski preiskavi zaradi škandala v zvezi s plačili
karnevalov. Če bo Kucinich poražen, kdo bo dovolj
močan, da bo skrbel za poštenost mestnega odbora?

ZUPAN???? George Forbes je dejal, da bo pu-
stil strankinim vodnikom izbiro novega župana, če
bo Kucinich poražen. Forbes je partijski glavar.
Uganite, kdo bo prihodnji župan.

V SPOMIN IN ZAHVALO

1882

1978

V veliki potrtosti naznajamo prijateljem in znancem, da nas je v visoki starosti 95 let zapustil in se preselil v večno domovino naš predragi ata, stari in prastari ata, tast, brat

FRANK RUPERT

Rojen je bil 15. septembra 1882 v Devici Mariji v Polju pri Ljubljani, Slovenija, in se je od tam preselil v Ameriko leta 1912.

Spadal je v krog svoječasnih vnetih javnih delavcev v slovenski skupnosti. Zelo mu je bilo pri srcu petje in se je udeleževal v pevskem zboru "Slovan". Bil je član Kluba Ljubljana, Društva Lunder Adamič št. 28 SNPJ, Društva sv. Cirila in Metoda št. 191 KSKJ, Kluba upokojencev v Euclidu ter bivši član direktorija Slovenskega društvenega doma na Recher Ave.

Umrli je v Euclid general bolnišnici 1. julija 1978 in bil na mrtvaškem odru v Grdinovem pogrebništvu, od koder je bil pogreb 5. julija 1978 v cerkev Marije Vnebovzete, kjer je opravil pogrebno mašo s pridigo župnik Viktor Tomc, ki je opravil tudi vse druge pogrebne obrede. St. Vitus School

65th Anniversary

June 22, 1913 -

June 22, 1978

Cleveland, Ohio — June 22nd commemorates the 65th anniversary of the FIRST GRADUATION, taken place in ST. VITUS SCHOOL.

This class entered the portals of the educational era in September 1913. There were about a 100 of us then. We were met by a nice petite warm hearted — with a kind smile Ven Sister Mary Mannette who greeted us in Slovenian — which made us feel sort of at home right away. She was a wonderful teacher, but a little later on we learned that she also had an iron hand. The size of our class, through the years, by people moving from community to community to other parts of the city and a few years later when St. Paul's parish built their school, began to dwindle from year to year. Also at that time when a child was twelve usually quit school and went to work — so the classes never went beyond 7th grade. Then in September of 1912 — 7 of us showed up for the 8th grade. Three boys and four girls. We were then met by Ven Sister Mary Candida, who was thrilled to have the honor of putting through the first 8 grade to GRADUATE. We were very enthusiastic and studied hard and were bound to make Sister Candida and our parents proud of us. Then, in mid-year one of the boys notified us that he is quitting school right there and then. That he has a job lined up and he will be getting on the job training. He walked out and never came back. So, the 8th grade had 6 of us left. Two boys, Frank Kastelec and Victor Hrovat. Four girls — Angela Ermakora, Mary Hrovat, Mary Macerol and Emma Zakrajsek.

When we were notified that all 6 of us passed our exams with honors, we began preparation for our graduation, which was to be on June 22. When the day finally came — a beautiful, sunny Sunday, it was with Holy Mass in the morning in the old St. Vitus Church on Norwood Rd., and graduation exercises at 7:30 o'clock in the evening in the old St. Vitus School on Norwood Rd., which is now gone forever. In honor of this occasion, the whole school participated. Every grade performed, either with recitations, songs, skits, plays and little farewell poems. Then came time for the graduating class to do their thing. We were to sing "Whispering Hope", a favorite of Rev. John Oman, the assistant at St. Vitus. I can just visualize — what a time Mr. Matt Holmar, organist, had to get us ready to a degree that we could give a decent rendition for a farewell performance.

A few words from our beloved Pastor, Rev. Father Ponikvar, and then he proudly presented us with the diplomas. We were the six of us happy and exuberant, stepping up one by one to receive the emblem of our 8 year goal. Then a nice talk from Father Oman, giving us instructions on what we can expect when we get mingling with the rest of the outside world. Father Oman then presented each of us a prayer book. The boys received "The Catholic Young Men's Guide", and the

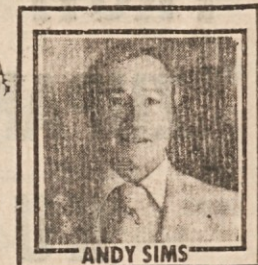

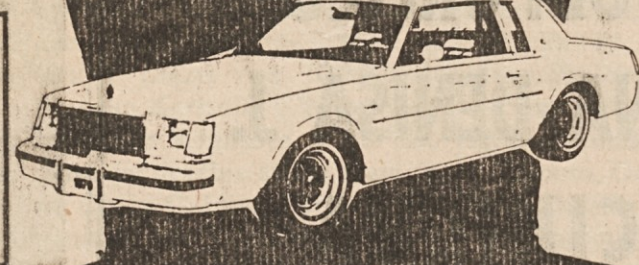

conjunctions of disaster and genius in artistic history, and some evening strolls include stops at several historic pubs for a pint of beer, or a tot of rum ... sounds exciting doesn't it?

girls each received "The Catholic Girl's Guide". I still have mine. Pages are yellowing with age, but it is still my priceless possession. Ven. Sister Mary Candida, with tears of happiness, was taking it all in wished us God's blessings.

A few years after the graduation, let's say 3 or 4 years, the Good Lord called the first of the six to come home. So Frank Kastelec left this vale of tears. In 1943 Mary Hrovat Sterle, was the first of the girls to receive the Lord's summons. In 1946, it was Victor Hrovat's turn. For several years 3 of the remaining six were still doing our thing on this earth — till Emma Zakrajsek Gregorich was called, and a few years later Angela Ermakora Walland received the summons. So I am the last one waiting for my call to join the rest of the 1913 Graduating Class, and that whenever the good Lord wills it.

The 1914 Graduating Class was larger, and I hope to see someone write about the event. To the 66th St. Vitus Graduating Class BEST WISHES from the lone survivor of the first 1913 class. Hoping that with God's will, graces and blessings, you can achieve great things — and when the time comes — meet and join the 1913 class in praising the Lord in Heaven.

Euclid Veterans Club Annual Wiener Roast

The Euclid Veterans Club was organized Jan. 4, 1946, with the following Charter members, Don Boyd, Frank Kosten, Anton Mlach, Gus Perko, Henry Sinkovic, Edwin Stoch, Joseph Sustarsic, Tony Sustarsic, Mayor of the City of Euclid, and Ed Wess.

Frank J. Lausche, former U.S. Senator represented the club in obtaining the Ohio State Charter.

This club was formed to give and share comradeship of fellow veterans of the armed forces of the United States of America. Not nationally recognized, but civic minded, with a program to improve and benefit the community of Euclid, Ohio, and free from political commitments.

Here are some of the contributions by the Euclid Veterans Club:

A few years ago this club raised over five thousand dollars for the Blue Baby Fund. Several donations were made to the Slovenian Home for the Aged, plus a sizable amount to the Euclid General Hospital, where a room was dedicated in the name of the Euclid Veterans Club. This club has continuously supported the Mary Mavec Opportunity School.

The Euclid Veterans Club participates in the Annual Memorial Day parade in the City of Euclid, Ohio; visits cemeteries, and decorates graves of fallen comrades. From time to time, club members with the help of the Ladies Auxiliary go to the various hospitals to cheer the less fortunate and distribute gifts.

Full support has been given to the youngsters in the Little League, and Pony League for many years.

The above mentioned are just some of the many activities of the Euclid Vets.

The public is cordially invited to attend The Euclid Vets Annual Wiener Roast to be held Saturday, Aug. 19, 1978, from 6 to 12 P.M. at the picnic grounds of S.N.P.J. Farm. Turn right on Heath Road, Kirtland, Ohio. Located on Route 6, approximately 3 miles east of 306.

VOTE FOR THE RECALL OF KUCINICH

In their campaign circular Kucinich and Weissman claim that "Collinwood has new sewer construction as a RESULT OF ACTION by Mayor Kucinich." This is mere campaign talk inasmuch as they do not show or prove WHAT ACTION they took. Nor do they prove that a new mayor could stop the sewer construction in Collinwood.

Another Kollander Travel first is happening this fall, October 14th through 21st, with a tour of the world's most cosmopolitan city — London, England.

Those who have traveled to Europe know the usual tour plan, and the beauty of this autumn trip is that it will be a scheduled flight, on a 747 Jumbo Jet British Airways plane!

Additional features include escort service and transfers between the airport and the hotel on a round trip basis. Accommodations are at the first class Royal National Hotel; conveniently located adjacent to Tavistock and Russell Squares within walking distance of the subway, British Museum, London University and Trafalgar Square. TWO WORLDS - DVA SVETOVA

By Rudolph M. Susel

During the last year several books contributing to the history of Slovene Americans have appeared in print and generally have not received the attention — or the sales — they deserve. Partly this has been because the authors or editors have not been inclined to promote themselves and their work and partly because no one has written reviews of these books and thus brought attention to them in a more informative way than advertisements can provide.

One such volume is "Two Worlds", an English translation of Dva svetova, which was published originally in Ljubljana in 1932 by Ivan Molek (1882-1962). Molek was a very well-known figure in the Slovene American community in the first half of this century. Intimately associated with the newspaper, Prosveta between 1916 and 1944, Molek served as editor from 1929 to 1944, leaving in a policy dispute centering on his refusal to support the pro-Partisan (Tito) stance favored by Prosveta's parent organization, the SNPJ.

Throughout his journalistic career Molek wrote voluminous material. "Two Worlds", which has been translated and published by his widow, Mary Molek, is one of his longer works. The story deals with a man named Anton Plešetz from his birth in a poor and tiny hamlet in Bela Krajina in the early-1880's (Molek was born in 1882 in a village near Metlika) through his journey to the United States (Molek came in 1900), and to his hard early years in different Slovene American settlements, especially Calumet and in Pennsylvania (Molek was in Pa. from 1900-1902 and in Calumet from 1902-1906). Thus a fair share of the material is autobiographical.

Because Molek's perspective was, in today's terms, "leftist", the tone of "Two Worlds" generally is pessimistic, stressing mainly the kinds of hardships the early Slovene immigrants were inclined to encounter. There is much description of the economic injustice practiced on the Slovenes by their employers and, to some degree, by fellow Slovenes. The "Church" comes in for criticism, as does what Plešetz-Molek sees as the too passive nature of the immigrants, their refusal to stand up for their rights.

Why is this translation of "Dva svetova" so valuable a contribution to the still sparse literature on Slovene American history? First, it helps give some flavor to that history. It is not that there are specific facts contained in it that are useful to a historian, nor even that there is any obligation to accept the interpretation as entirely accurate. Rather, it discusses in subjective

and revealing terms concepts which scholars of ethnic history are debating today among themselves. What kind of knowledge about America did Slovenes have prior to departure? How accurate was it? Molek discusses this at some length. How much of a shock was the real America to these pre-1914 immigrants and in what ways did they adjust? "Two Worlds" explores this. What were living conditions really like for these low-paid workers who mostly, when jobs were available, had to labor under back-breaking conditions? This too is presented.

Second, "Two Worlds" is a most useful corrective to much of the literature about early Slovene American life which appears not only among Slovenes but among other ethnic groups as well, namely, the tendency to stress only the positive, the good, the achievements. That there were many of these certainly is true, and they deserve to be recorded for posterity. But the history of Slovene Americans, of any group, even of any individual, is more complicated than this. There are hardships and failures too, and these must be presented as well as achievements. Otherwise, it is not history but propaganda, and the more perceptive will see such one-sided approaches more as a joke than anything else. Even though many might find "Two Worlds" unpleasant reading to some degree, it serves a very useful purpose, gives a degree of balance that more filiopietistic writings, to use a technical term, do not present.

"Two Worlds" does have certain problems. The translator attempted to follow the Slovene original too closely — her deliberate intention, it must be said — and so many of the sentences are choppy, with awkward phrasings and word usage. But these and some other difficulties should not dissuade persons interested in learning more about the history of the Slovene American group from securing a copy of the book. It is available at Tivoli Enterprises, 6419 St. Clair Ave., in Cleveland, for only \$3.45. This probably is less than the costs of production for the 164 page paperback. Or, the book can be ordered directly from Mary Molek, P.O. Box 453, Dover Del., 19901. In this case the cost includes 50 cents extra for postage.

Finally, Mrs. Molek published a book of her own childhood and young adult memoirs under the title "Immigrant Woman". This also is available at Tivoli for \$3.95 and from Mrs. Molek for \$4.45. In some ways it is better than "Two Worlds", but interrelated Slovene Americans and others would do well to have copies of each on their shelves.

Carter Mourns Pope's Death

President Carter issued the following statement on Sunday, August 6, 1978, when he learned of the death of Pope Paul VI:

"I was deeply saddened to learn of the death of Pope Paul VI, a man whose life and works have served me personally as a source of great moral inspiration. As a man of peace and profound spirituality he will be greatly missed, not only by all Roman Catholics, but by all people, whatever their religious convictions.

"Of Pope Paul's many contributions, two stand out for me at this sad moment. First, his untiring efforts in the ecumenical movement; not only was he inspired in the cause of humanity to pursue greater unity of purpose within the Catholic Church, but also among all other faiths. Second, Pope Paul's world travels, at no small expense to his own physical well being, exemplified his role of pilgrim, carrying the message of peace and love to the far corners of the world, including an inspiring visit to the United States.

"During his fifteen years as Pontiff, the voice of Paul VI served as a clear moral beacon to a troubled world. With his passing, we have all been deprived of a strong voice for reason, for moderation, and for peace."

DAN'S DIARY

"My goosen" as my daughter Mollie Kathleen would say when she was a little girl (meaning "My goodness!"), how fast these beautiful summer days are going by. Just cannot believe it. We have had a 2 week respite from the daily grind, but somehow it seems so long ago, even though it has been only a month. We all hanker for those splendid 2 and 3 month vacations, which somehow never occur, until perhaps, during retirement.

But then, when retirement is finally approaching, it so often happens that our dreams are suddenly punctured, as a pin punctures a balloon.

So it was for Martin Fink, of 976 E. 69th Place, husband of Alice (nee Potochnik, active in the St. Vitus Mothers Club for years), and Anne Fortune, (nee Zavirek), 1211 E. 60th St., a 1932 St. Vitus classmate of mine, who lost her husband, Joe, only about a year ago.

For others, like Dr. Frank N. Braidech, D.D.S., who was a prominent dentist in the St. Clair Savings Bldg., E. 63rd and St. Clair Ave. for over 40 years, the Golden Years were filled with illness.

And then again, there are others, who are called by their Creator long before, as was the case with JoAnne Oberstar, dear daughter of Joe and Josephine Oberstar, 7008 Hecker Ave., whose neighbors we have been for some 33 years. The Oberstars had purchased the property not too long before I came home from the Army. I'll never forget that day in November, 1945, when I took a stroll down the street, to see if anyone still remembered me. Expecting to see some of the Vargo family at that address, I came across Mrs. Oberstar, and her little darling 5 year old daughter, JoAnne, dressed in the garb of a nun. It was the most beautiful sight! I am sure that it took Mrs. Oberstar many hours to create that lovely outfit. . . .

Janet, Joe Jr., and their parents have lost their little "Sister JoAnne", after a lingering illness, in the prime of her life. She came from a good Christian family, and had taught the grade school children at St. Francis School for many years. It was a great tribute to JoAnne Oberstar to see so many people attending her funeral Mass in Aug. 2, 1978, both from St. Vitus and St. Francis Parishes. All of us (some 200), who were able to attend the service, celebrated by Fathers Thomas F. Marini, pastor of St. Francis, Alexander Goldikovskis, Caspar Heimann, Ralph Wiatrowski, and Joseph Simcik, will never forget the consoling, beautiful eulogy by Father Edward Pevec, pastor of St. Vitus, who was also the main celebrant.

To all our bereaved families, may we express our heartfelt condolences, and let us pray for them often, so that their souls may soon enjoy the everlasting joys of Heaven!

Belated Happy 90th Birthday to Mrs. Frances Kosoglov, of 239 E. 75th St., who observed her memorable day on July 16th. Also, best wishes to Mrs. Rose Baskovic, 6614 Bliss Ave., who will celebrate her 83rd Birthday on Aug. 14, 1978. She is the mother of Joe, very active in St. Vitus parish work and KKKJ circles. We hope to see Mrs. Baskovic again on our pilgrimage to Mariapoch, on Rt. 422

this year, come Aug. 27th, sponsored by the St. Vitus Legion of Mary. She will sorely miss her good friend, Mrs. Frances Kodrich, of Schaefer Ave., who passed away 2 months ago. They had been making the pilgrimage for some years with this group. Naj Vama Bog podeli, Mrs. Kosoglov in Mrs. Baskovic, še več let združja in zadovoljstva v krogu Vaših družin!

The following Holy Namers are observing special Birthdays during the month of August:

Michael Spisich — 65th — Aug. 15th.
John (Whitey) Persin — 63th — Aug. 30th.
Dr. Lawrence B. Ogrinc — 60th — Aug. 1st.
Elmer (Red) Kuhar — 50th — Aug. 23rd.

It has come to my attention that Al Orehek, former Prexy of St. Vitus Holy Name Society, celebrated his 51st on July 30th. Best wishes to all of you, and may you have many more years! On the Sick List are:

Anton Zupančič, 1210 E. 60th St.
Pavel Žakelj, 1222 Norwood Rd.
Antonia Rožman, 984 E. 77th St.

They are recuperating at home. Mrs. Rožman, wife of Vinko, St. Vitus custodian, has just returned home after a month's stay at St. Vincent's Hospital, where she had a serious operation. Let us remember them often in our prayers, and also our neighbor, Mrs. Julia Bozich, 6922 Hecker Ave., who underwent major surgery at Lake County Memorial West Hospital on Aug. 4th.

The CATHOLIC WAR VETERANS, ST. VITUS POST NO. 1655, are extending everyone a special invitation to their BIG POLKA PICNIC on St. Clair Ave., which will be held this Sunday, Aug. 13th at the St. Vitus Auditorium, from 2:00 P.M. to 10:00 P.M. The Vets tell me there will be continuous Polka music by the popular Jeff Pecon and Joe Luzar orchestras, between those hours. Button Box accordionists from everywhere are also invited to join in on this BIG POLKA FEST.

It was so nice to meet with Rev. Tone Strukelj from Slovenia, who with his mother Francka Strukelj and his aunt Ivanka Korošec, are visiting relatives in America and Canada for the first time. They also attended Bishop Baraga Day at Marquette, Michigan the last weekend in July. Rev. Strukelj, a very likeable young priest, will be returning to his duties as Prefect of the minor Seminary at Vipava early next week. We wish all of you a safe journey with many pleasant memories of America!

"WELCOME HOME" to Rev. Julius Slapšak, who visited relatives in Slovenia and returned on Aug. 3rd. Also, to Rev. Joseph Božnar, our Asst. Pastor, who spent a well deserved vacation recently with his parents in Canada.

SPECIAL MEMO TO ALL MEMBERS OF ST. VITUS HOLY NAME SOCIETY:

Won't you please join us at the 8:00 A.M. Mass for our Corporate Communion this Sunday, Aug. 13th?

Memo: From Madeline

Sister Mary Lydia, S.N.D., celebrated her 60th anniversary as a Sister of Notre Dame on Sunday, July 23, with a Mass at 2 o'clock at the Notre Dame Educational Center in Chardon, Ohio. The Mass was followed by a reception for relatives and friends.

Sister Lydia was the former Frances Muhic of St. Vitus parish, Cleveland, Ohio.

Her first teaching assignment, in the Fall of 1915, as a postulant, was at Sts. Cyril and Methodius parochial school in Lorain, Ohio.

Congratulations, Sister Lydia!

St. Vitus Class of 1943 celebrates its 35th reunion Sept. 24th. Any classmate who has not been notified, please contact Jo Strauss (Zelevnik) 531-2960 for more information. . . .

This past week's festive celebration of the East 185 St. Business Association was a huge success because of the hard working efforts of the committee, especially president Tony Petkovsek and Slovenian businessman Walter Jackshaw. Mr. Jackshaw donated more than \$15,000 to support the revitalization of the East 185 St. area in Cleveland, Ohio. The result was an overwhelming success!

St. Mary's Parish (Holmes Ave., Cleveland, Ohio) will sponsor its annual Parish Feast Day Celebration on Sunday, August 20, 1978 from 3:00 to 9:00 p.m. All proceeds will be used to operate the school. Everyone welcome!

Congratulations to attorney Frederick E. Krizman of Euclid, Ohio. He has been appointed Chairman of the By-Law Committee of the American College of Nursing Home Administrators, with offices in Washington, D.C., and Chapters throughout the 50 states.

Currently there are 6,800 members. As Chairman of the By-Laws Committee, he will have to address not only the By-Laws, but the Articles, review them for legal competency and revise, or amend, as needed to meet the current regulations. Krizman has also been asked to serve on a committee called Specialty Care Task Force by Hospital Financial Management, a national association of financial managers of hospitals and other health facilities.

He will serve with four other members who are from the various parts of the country, in order to have representation from all the areas of the United States. The Committee is charged with the responsibility to develop reasonable approaches for meeting the needs of financial management in health care facilities.

We Slovenians are certainly proud of Fred's many accomplishments and appreciate the thousands of hours he volunteers of his expert services to The Slovene Home for the Aged in Cleveland, Ohio.

This is quoted from Bob Dolgan's column in the Plain Dealer Feb. 5th. Mr. Dolgan has the ability to not only think deeply but also logically.

The "kingly way of life" of some of our athletes will probably ended before long. There

is a Spanish proverb "Avarice (greed) burst the bag". And Thomas Jefferson spoke of the "Common Sense" of the people. If he was right, fans today aren't going to pay these sky high wages — thru increased admission prices!

Is a loyal fan rewarded for his faithfulness to his team? No — he isn't. A fan needs bread on the table to live but not pro baseball or other sports. A fan don't need a player, a player needs a fan.

Will history write — that this generation of pro's — by their greed — deprived their — and all children, of the American heritage of pro baseball and other sports, for all time?

If someone could think of a plan to save them? Maybe athletes will have to be paid — according to the previous year's income of the club — a fair smaller salary — with a share of the profits.

It would be a sad thing if baseball and other sports went bankrupt, as I really like them. I don't want to see it end.
