Talci še vedno v Bejrutu — Možna vloga za Rdeči križ — Izraelci jezni na Reaganovo administracijo — Vojaške akcije ne bo

BEJRUT, Libanon — Štirideset ameriških talcev, ugrabljenih pretekli petek, so še vedno v rokah muslimanskih skrajnežev in nič ne kaže ob tem poročanju, da bodo kmalu izpuščeni. Včeraj so ugrabitelji organizirali nekakšno »tiskovno konferenco«, na kateri je spregovorilo pet talcev. Videti so bili nervozni, prosili pa so predsednika Reagana, naj ZDA ne podvzamejo kakšne vojaške akcije za njih rešitev. Prosili so tudi, naj bi ZDA pritiskale na Izrael, naj Izraelci izpuščijo 766 šiitov, ki jih imajo priprti v Izraelu. Izrael trdi, da šiitov ne bo izpustil, bi pa svoje stališče znova pretehtal, ako bi za to uradno in javno prosile ZDA. Predsednik Reagan trdi, da bi takšna prošnja Izraelu pomenila zmago za teroriste.

Na svoji tiskovni konferenci pretekli torek zvečer je Reagan odkrito priznal, da ne more nič storiti za izpustitev talcev. Niti ne vemo, je dejal predsednik, ki je bil očitno v precejšnji zadregi, s kom se pogajati ali govoriti. Najvažnejše je, da se talci vrnejo domov, je pripomnil Reagan, s tem pa je izključil vsakršno vojaško akcijo. Nekateri novinarji so primerjali najnovejšo ugrabitev ameriških državljanov z zasedbo ameriškega poslaništva v Teheranu za časa Carterjeve administracije. Takrat je bil Reagan zelo kritičen do Carterja, sedaj pa je sam v podobnem položaju. Reagan je odgovoril, da je situacija povsem drugačna od tiste v Teheranu. Takrat smo vedeli, da je iranski režim v ozadju ugrabitve, v Bejrutu pa da ni tako.

Kot kaže, bo posredovalno vlogo slej ko prej igral mednarodni Rdeči križ. Možna rešitev vidijo nekateri v tem, da bi ugrabitelji talce izpustili, nekaj časa kasneje pa bi Izrael izpustil omenjene šiite. Na ta način bi ne bilo videti kot zmaga teroristov, ampak kot dve slučajni dejanji. Dejstvo je namreč, da je Izrael že pred ugrabitvijo TWA letala izjavil, da bodo omenjeni šiiti izpuščeni in vrnjeni domov.

Vodilni izraelski politiki so jezni, ker razni vplivni Amerikanci zahtevajo izpustitev šiitov pod terorističnim pritiskom. Odgovornost za ugrabitev je pri ZDA, je dejal na primer predsednik vlade Šimon Peres, saj je bilo ugrabljen letalo vendar ameriško. ZDA poudarjajo, je nadaljeval Peres, da ne bodo trpeli terorizma. Prav tako so ZDA izjavile, da ne bodo pritiskale na drugo državo, naj le-ta kloni pod terorističnim pritiskom. Te izjave smo vzeli na znanje, je rekel Peres.

Vprašanje o Mihailovičevem spomeniku

Čeprav so se zanimali novinarji na torkovi predsednikovi tiskovni konferenci skoraj izključno za zadevo talcev v Bejrutu, je nek novinar Reagana presenetil z vprašanjem, zakaj vendar Reaganov State Department tako odločno nasprotuje pobudi v zveznem kongresu, naj bi postavljen spomenik gen. Draži Mihailoviču v priznanje in sicer zato, ker naj bi bili Mihailovičevi četniki med drugo svetovno vojno rešili kakih 500 ameriških pilotov. Reagan je dal vtis, da o Mihailoviču sploh nikoli ni slišal, obljubil pa je, da se bo za zadevo pozanimal. Kampanjo zoper spomenik za Mihailoviča so pred meseci vodile razne južnoslovanske bratske organizacije, v prvi vrsti Hrvaška bratska zajednica in za njo Slovenska narodna podpora na enotnosti.

Šest ameriških državljanov ubitih v terorističnem napadu v El Salvadorju

SAN SALVADOR, El Sal. — Preteklo sredo zvečer je skupina teroristov, ki so bili oblečeni v uniformah el salvadorske vojske, začeli streljati na goste v restavraciji v tem mestu. Ubitih je bilo 13 ljudi, od teh šest Amerikancev. Štirje Amerikanci so bili ameriški marinci, vendar oblečeni v civilu. Teroristi pa so brez dvoma vedeli, da so Amerikanci redni gostje v restavraciji.

Predsednik Reagan je ostro obsodil zločin in dejal, da bodo ZDA pospeševale pošiljanje pomoči El Salvadoru vladi predsednika Duarteja.

Opazovalci elsalvadorskih političnih razmer menijo, da so marksistični gverilci znova začeli z atentati v mestih zaradi vedno uspešnejših protigverilskih kampanj redne elsalvadorske vojske, ki jo vežbajo ameriški strokovnjaki. Pred letom dni so gverilci pričakovali skorajšnjo zmago, sedaj pa so v defenzivnem položaju. Največjo zaslugo za ta pri mnogih opazovalcih nepričakovan preobrat ima na svobodnih volitvah izvoljen predsednik države Jose Napoleon Duarte. Večletno vežbanje elsalvadorske vojske je tudi pomagalo, vendar brez sposobnega političnega vodstva bi bilo takšno vežbanje brezuspešno.

Medicinski izvedenci v Braziliji pravijo, da so najdeni zemeljski ostanki v mestu Embu najbrž res Mengelejevi

SAO PAULO, Bra. — Danes so medicinski izvedenci izjavili, da po prvih, a najbrž veljavnih znanstvenih poskusih, ni več dosti dvoma, da so zemeljski ostanki, najdeni na grobišču v mestecu Embu, Josef Mengelejevi. Nacistični zločinec naj bi bil umrl na posledicah možganske kapi, ki ga je zadela 1979. leta, med plavanjem. Predno so ga mogli rešitelji spraviti na kopno, je Mengele utonil.

Kot kaže, niso vsi pripravljeni verjeti, da je Mengele res mrtev. Vedno več pa je dokazov, da je živel zadnja leta pred smrtjo v bližini Embuja. Mnogi lokalni prebivalci se ga spominjajo, tako Brazilijci sami in razni evropski priseljenci.

— Kratke vesti —

Washington, D.C. — Včeraj je predstavniški dom glasoval z veliko večino za zakonski osnutek, ki odobri več denarja za Reaganov vojaški načrt »Vojna zvezd«. Liberalci so govorili proti temu načrtu, tokrat pa niso imeli uspeha. Zvezni senat je še bolj naklonjen temu načrtu.

Quebec City, Kan. — Včeraj je predsednik kvebeške pokrajinske vlade Rene Levesque podal ostavko. Ostal bo na svojem mestu tri mesece, v tem času bo njegova stranka Parti Quebecois izbrala naslednika. Levesque in njegova stranka sta zagovarjala interese francosko govorečih v kanadski skupnosti, predvsem seveda v Quebecu samem. Levesque, ki je star 62 let, je bil prvič izvoljen za člana kvebeške zakonodaje pred 25 leti.

Houston, Tex. — Vesoljsko letalo Discovery s svojo 7-člansko posadko, nadaljuje z dokaj uspešnim poletom. Astronavti so izpustili umetne satelite in delali razne znanstvene poskuse.

Washington, D.C. — Najnovejši ekonomski podatki, ki jih je zbrala zvezna vlada, potrjujejo, da gospodarski vzpon v ZDA še traja. Tako o ekonomskem zastoju letos menda ni več govora.

Slovensko beračenje

II.

Pretekli tork sem pisal o nedavno začeti pobudi v Kanadi, da bi tamkajšnji rojaki ustanovili novo društvo - »Meddruštveni odbor« - , ki naj bi imel dve začetni nalogi in sicer organiziranje gostovanje v Kanadi avgusta letos ansambla Lojzeta Slaka in tudi vodenje nabiralne akcije, katere namen je zbiranje sredstev - okoli \$100.000 - za nakup Ultra Zvok aparata, ki naj bi ga kanadski rojaki podarili Onkološkemu institutu v Ljubljani. Omenil sem pri tem podobno akcijo v ZDA, v kateri zbirajo rojaki in rojakinje \$55.000 za nakup aparata za srčne bolnike. Obe pobudi sta prišli iz Slovenske izseljenske matice (SIM), nista iniciativa tukajšnjih Slovencev. Označil sem to nabiranje s strani uradne slovenske vlade (kar v resnici je) kot »slovensko beračenje«, to 40 let po vojni, ko ima Slovenija dovolj denarja za gostoljubne sprejeme najrazličnejših podlih državnikov kot so libijski Kaddafi in razni arabski in afriški posnemalci. Ubogih - na državni ravni - \$55.000 oziroma \$100.000 pa slovenska vlada le ne more najti, da bi si nabavila prepotrebne aparate za zdravljenje lastnih ljudi! Kakšna sramota za današnji slovenski režim! Kakšno grobo izkoriščanje najplemenitejših čustev ameriških in kanadskih rojakov!

V torkovem, prvem delu tega uvodnika sem poudaril, da čeprav sta zdravstvena aparata koristna, to ni s strani SIM oziroma slovenske vlade poglobitni namen akcije. Gre v prvi vrsti za povezovanje čim več rojakov v čim enotnejšo skupnost, ki bo ali odkrito naklonjena režimu v Sloveniji in Jugoslaviji, ali vsaj ne bo »nenaklonjena« le temu. V tem procesu uporabljajo načelo, ki ga v Sloveniji in SFRJ imenujejo »diferenciacijo«. Poučna je pri tem tudi praksa »osvobodilne fronte« med drugo svetovno vojno. Takrat so slovenski komunisti proglasili vsakega, ki ni hotel brezpogojno sodelovati v OF za narodnega izdajalca in ga izenačili z okupatorjem. In ga seveda likvidirali, če so le mogli. Sedaj vidimo isti proces »diferenciacije« med ameriški in kanadskimi rojaki, s to izjemo seveda, da do fizičnih likvidacij ne bo prišlo. Vendar bodo skušali ali neposredno ali posredno, prek svojih tukajšnjih sodelavcev, izolirati in očrniti tiste rojake, ki jim nasprotujejo. To sicer ni nova politika, prihaja zadnji čas le do jasnejšega in nasilnejšega izraza.

Vprašanje je, vsaj za tiste v naši skupnosti, ki smo proti temu iz Slovenije vodenemu političnemu vmešavanju, kako tej politiki učinkovito nasprotovati. V prvem delu tega uvodnika sem bil zelo kritičen do dosedanje politike tistih, ki v naši skupnosti predstavljajo njen aktiven protikomunistični del. Moje mnenje, po šestih letih neposrednega opazovanja, je, da je ta politika v mnogih ozirih ne le brez prave učinkovitosti, ampak celo utegne biti protiučinkovita.

Politika, ki noče ali ne more razumeti in sprejeti danih realnosti, nima možnosti uspeha. Treba je upoštevati dejstva, četudi so dejstva včasih neprijetna. To velja tudi za širšo slovensko skupnost. Dejstvo je, da je zelo veliko rojakov in rojakinj, ki nočejo nič vedeti o slovenski protikomunistični politiki. V ogromni večini ti rojaki dejansko tudi nič ne

659. PIONIR JULIJ SLAPŠAK

je umrl 2. junija v Parmi, Ohio, zavodu za ostarele. Rodil se je 23. septembra 1901 v Sloveniji in 29. junija 1925 je bil posvečen v mašnika. Pokopan je bil 7. junija s pogrebno mašo vstajenja iz cerkve sv. Vida, kjer je bil h koncu življenja »Retired Senior Associate«, pred odhodom v dom za ostarele. Ko so truplo pripeljali do cerkvenih vrat, je zadonela v polni cerkvi vernih slovenska novomašna pesem, prilagojena na bližajočo se 60-letnico njegovega mašništva, ki ga ni več dočakal: »Biseromašnik bod' pozdravljen! Od Boga si k nam poslan, za duhovnika postavljen, med pastirje zveste zbran. Vodil si nas skozi življenje, pot nam kazal v odrešenje, opominjal in učil, srčno prosil in svaril.«

Clevelandski škof Pilla je vodil koncelebrirano sv. mašo, pridigoval je pomožni škof Pevec in župnik Božidar je bil med koncelebranti. Lepo število duhovnikov je bilo z njimi.

Gospod »Julče« je bil iz ugledne učiteljske družine. Njegov brat Božidar je župnik v domovini, ena sestra je usmiljenka. Družina je bila globoko katoliška. Kot mlad duhovnik je prišel v Ameriko in posvetil vse svoje življenje rojakom v Clevelandu. Pri Sv.

Lovrencu je kaplanoval pod rajnim monsignorjem Omanom. Ljubil je duše in zelo skrbel za bolnike.

Škof Pevec je v pridigi omenil, da se g. Julij nikdar ni naučil voziti avta, da pa je prehodil v življenju in dosegel več duš kot večina duhovnikov, ki vozijo avto. »Marija skozi življenje« in »Je Angel Gospodov...«, sta bili zadnji dve pesmi v slovo duhovniku, ki je Marijo ljubil na izreden način in ohranil vse življenje globoko ljubezen do Njenega Sina.

Vem, da bo o pokojnem kdo v Clevelandu napisal lep članek. Sam bi rad obdelal kratko poglavje o rajnega veliki ljubezni do misijonov in naših misijonarjev in misijonark.

Gospod Julij je ljubil misijonsko Cerkev.

Vse življenje je misijonsko gradil. Bengalski misijon v Indiji in njega načrti so mu bili dolga leta pred očmi. Z rajnim o. Poderžajem sta bila v stalnem stiku. Pošiljal mu je za sv. maše in razne darove, ki so mu jih rojaki dajali za o. Stan-kota in druge bengalske misijonarje - jezuite.

Ko se je organizirala MZA, je postal njen zvesti sodelavec. Enkrat je kupil nekaj delnic za svoje prihranke in ob letu je

njih vrednost narastla. Prodaj jih je in se odločil za obisk mnogih naših misijonarjev in misijonark na terenu. Nesel je mnogim letno pomoč MZA v čekih. Šel je na Daljnji vzhod in v Afriko. Ko se je vrnil je poslal za MZA \$1500 »za vse naše misijonarje in misijonark«, s pripisom: »Potoval sem skromno kot turist in to vsoto tako prihranil v pomoč našim pionirjem na terenu.« Dodal je samo, da mora vse iti za misijonarje in da mora pisec teh vrstic denar razdeliti.

Zelo si je želel zadnja leta še enkrat v domovino. Pa je dobri Bog odločil, da mora počivati med nami. Vsem za zgled predanega katoliškega pionirja, ki svojih talentov ni zakopal, ko mu je Stvarnik dal možnost izrabiti jih za božje ljudstvo. Počivaj v miru, dragi Julij! Moli za nas vse v misijonskem zaledju in za one na terenu. Pomagaj nam s svojo priprošnjo nadaljevati z delom za misijonske ideale, ki so bili vse življenje Tebi tako dragi! Pogrešali Te bomo. Težko je komurkoli stopiti v čevlje, ki si jih v življenju s takim ponosom nosil Ti.

O. Jože Grošelj, D.J.,

je bil za nekaj časa v Torontu med svojimi znanci in prijatelji. Tudi v Scarborough je za nekaj uric prišel. Vrača se v domovino do julija in nato nazaj v Zambijo. Malo se je odpočil in duhovno obnovil v zahodni ZD, kjer je od septembra bil za »up-dating«.

Nekaj sv. maš je prinesla obisku med nami predsednica Lavriševa iz Clevelanda. Omenila pa je ge. Kucher neka znamk za sortiranje, ki smo jih ravno prejeli od dveh sodelavk v Italiji. S sinom Bernardom je šla na procesijo sv. Rešnjega Telesa med rojake. Omenila je tudi, kako lepa je bila sv. maša za padle protikomunistične borce v katedrali v Clevelandu in kako so mnogi prišli za slovo k vstajenski maši za rajnega g. Slapšaka.

Počitniški čas se je začel za večino ljudi, ki aktivno delajo in niso v pokoju. Cele družine in mnogi posamezniki bodo vsaj nekaj časa na potu in obiskovali bodo svoje sorodnike in znance. Vozimo previdno življenje je dragoceno in velkokrat se kdo ne vrne več potovanj.

Mislamo tudi na potrebne lačne, bolne, brezposelne. Na menimo morda del denarja, smo ga odločili za počitnice za misijonarje, ki na terenu garajo iz dneva v dan in so svojem delu srečni, kot nam pišejo v vsakem pismu v zaledju. Bog bo naš oddih mi blagoslovil, če je od naše pomoči kaj kapnilo v roke najbolj potrebnih v misijonskih deželah. Rajnega g. Slapšaka misel, da lahko včasih potujemo malo ceneje, pri hrani kaj cenejeje.

vzamemo in podobno, nam lahko pomaga, da družimo svoje zadovoljstvo z dobrimi deli, ki jih molj in rja ne bosta uničila.

S.O.S. (Stvarnik, ohrani Slovence!),

nadaljuje o. Kos: »Kar zadeva Prvo Slovenijo, sta razkristjanjevanje in raznarodovanje dokončni cilj vsake prave komunistične partije; naloga (ruskega proletariata) je, da ohrani enotnost proletarskega boja in proletarskih organizacij, kar najboljšje služi cilju uspešnega boja proti vsaki in vsakršne vrste narodni

zavednosti, kjerkoli je kak narod, uči Lenin.

Druga Slovenija neprestano in predvsem čuti pritisk raznarodovanja. Izkušstvo kaže, da je prenekateri Slovenec, ki je zapustil svojo slovensko dediščino jezika — iz kakršnegakoli razloga, izgubil tudi (prej ali slej) svojo, v slovenščino prevedeno katoliško vero.

Podobna nevarnost grozi tako Tretji kot Četrta Sloveniji, ki je do neke mere celo večje, ker je manjši izziv odpora, saj velikopoteznega pritiska kot v zamejski Sloveniji ni.

Še en činitelj moramo vzeti v poštev pri vseh štirih Slovenijah, odnosno pri Sloveniji štirih različnih občestev: biološki činitelj umiranja na eni strani, in upadanje rojstev na drugi strani!

In zato prihajam s predlogom

k vsem nam, ki oživljamo MZA, da večkrat dnevno ali tedensko zaprosimo Stvarnika presveto Trojico, ki ji dolgujemo svoje življenje kot misijonsko zavedni Slovenci, da se nas usmili kot naroda: »Stvarnik, ohrani Slovence!« Naj takšna molitev doni kot Morsejevi S.O.S. potapljačice se ladje, ki se zaveda svoje obupne nemoči. Za slovenski narod gre: ne za neke vrste rastlinsko životarjenje, ampak za zdravi narod, ki iz hvaležnosti za neizrekljivi dar sv. vere iztegne roko k drugim narodom, da jih povede h Kristusu, ki je edini trojstvo »poti, življenja, resnice« (Jan 14:6).

Misijonsko zdrav narod je kakor »luč« in »svetilka«, »kadilo« in »zlato« pred božjim obličjem (prim. Iz 10:2.5.6.) in polni upanja lahko tedaj rečemo, da mu bo Gospod »dobrohoten sodnik« in »opora proti tlačiteljem« (Ps 9:9-11).

Misijonsko zdrav narod tvorijo najbolj živo celico vesoljne Cerkve, to je, Kristusove Cerkve ali Cerkve Učlovečenega Božjega Sina (1 Kor 1:9).

NAZNANILO IN ZAHVALA

1900

1985

Z žalostnim srcem naznanjamo, da je dne 16. maja 1985 umrla naša predraga mama, stara mama, prastara mama, sestra, teta in tašča

MARIJA BIZILJ

rojena MORSCHER

Rojena je bila 7. aprila 1900 na Smuki pri Kočevju. Leta 1922 se je poročila z Ivanom, ki je bil doma v Ljubljani. Skupaj z možem je vodila mesarijo. Bila je tudi trgovka z živim in razkranim blagom.

Leta 1950 je skupaj z možem Ivanom in sinom Richardom prišla v Ameriko. Od l. 1953 do 1965 so bili lastniki »Mary's Restaurant« na 4903 St. Clair Ave. v Clevelandu. Pokojna je bila članica društva Presv. Srca Jezusovega št. 172 KSKJ.

Pogreb je bil dne 20. maja 1985 ob 10. uri dopoldne iz Grdinovega pogrebnege zavoda na E. 62. cesti v cerkev sv. Vida, kjer je č.g. Jože Simčič daroval sv. mašo. Nato smo truplo drage pokojne spremili na pokopališče East Lawn Memory Garden v Brunswick, Ohio, in jo tam v »Garden of Christus« položili poleg moža Ivana k večnemu počitku. Prisrčno se zahvalimo Fr. Simčiču za molitve v pogrebem zavodu, za darovano sv. mašo, in za spremstvo na pokopališče.

Srčna hvala vsem, ki so našo mamo obiskali doma in v bolnišnici tekom njene enajstletne bolezni, ter prišli kropiti in moliti ob njeni krsti. Posebna hvala vsem, ki so prišli in molili rožni venec, in vsem, ki so krsto pokojne naše drage mame nosili k večnemu počitku.

Hvala vsem, ki so darovali lepe vence cvetja, in vsem, ki so darovali za svete maše in dobrodelne namene. Iskrena hvala vsem, ki so nam ustno ali pismeno izrekli svoje sožalje, za poslane telegrame, in vsem, ki so našo mamo spremili na njeni zadnji poti.

Hvala Grdinovemu pogrebemu zavodu za lepo in vzorno vodstvo pogreba.

Razposlali smo zahvalne kartice; ako kdo take kartice ni dobil, naj nam oprostí in s to javno zahvalo sprejme našo iskreno hvalo.

Draga in ljubljena naša mama, stara mama, prastara mama, sestra, teta in tašča, počivaj v miru v tej blagoslovljeni ameriški zemlji, in lahka naj Ti bo njena gruda. Bog Ti je dal dolgo življenjsko pot, pretrpela si mnogo v teku tega življenja. V letu 1945 si izgubila hčerko Anico in vsa ta leta žalovala za njo. Sedaj si pa pri Bogu združena z njo in našim dragim atom. Mi Te bomo večno nosili v naših srcih, in Te z ljubeznijo in hvaležnostjo spominjali v naših mislih in molitvah.

"Lakewood Hospital pays for deductibles and co-payments. That's a big help for my employees — and me!"

Charley Geiger, President,
Geiger's Haberdashery
& Sporting Goods.

"Lakewood Hospital is taking the burden
off the elderly and working people."
Dr. Joseph Albrecht, President of the Board of
Trustees, Beek Center/Lakewood Little Theatre.

"Deductibles and co-payments shouldn't
keep people from getting health care.
At Lakewood Hospital, they don't!"

Karen Privitera,
Lakewood schoolteacher.

Under a program that began April 15, Lakewood
Hospital pays deductibles or co-payments for patients stay-
ing in the hospital. During our six-month program, we're
paying those charges for any patient covered by Medicare or
any other medical insurance program, up to 20% of the total
hospital bill.

We believe deductibles and co-payments may be keeping
some people from seeking the health care they need. So
we're making it more affordable. And your friends and
neighbors, like the ones who appear here, obviously agree.

This plan is not meant to replace supplementary
insurance for Medicare. You may need that for physician
charges, nursing care facilities or a stay in another hospital.

Ask your doctor.

Choosing a hospital is a decision for you and your
physician. We'd like you both to have all the facts on our
plan. To get a free brochure or ask questions, call 529-7124.

Deductibles and co-payments explained.

Many health insurance plans pay 80% of the
hospital bill and the patient is responsible for a 20%
co-payment. Some insurance plans, like Medicare,
require the patient to pay the first \$400 of a hospital
stay. That's a deductible. We're paying for these and all
other such charges. This plan applies only to in-patients
of the hospital.

14519 Detroit Avenue, Lakewood, Ohio 44107

This program made possible in part by grants from Lakewood Commission on Aging and the West Shore Medical Care Foundation.
This program may be withdrawn at any time and may be void if prohibited by law or your contract of insurance.

Dan's Diary

By Dan J. Postotnik

St. Vitus Church was once more the scene of a memorable Class Reunion on Sun., June 2. This time it was the Class of 1935 which celebrated the 50th Anniversary since they left "good old St. Vitus." And what a day it was! There are people who are always amazed at the good turnouts we get at these St. Vitus Grade School reunions.

The Class of 1935 began their "day" with a Mass of Thanksgiving, which was celebrated by pastor, Rev. Joseph Boznar. Committee members to whom I talked, Florence Prince Hotujac, Dorothy Zugel Stanonik and Joseph Merhar, were very much enthused and happy with their committee's results. Everything went smoothly and everyone was so delighted to attend. It will be a day they will never forget.

Father Boznar had a fine homily, the music was great, and they were happy to sing some of the old time beautiful Marian hymns. The readers were Dorothy Zugel Stanonik and Joseph Merhar. The offertory gifts were presented by Florence Prince Hotujac, Elizabeth Kosmac Smole, Josephine Valencic and Frank Ljubi. And the Eucharistic Ministers were Mary Blatnik Kirschner and Matthew Nousak.

They all prayed for a beautiful day and their prayers were answered. The Jubilarians were able to take a class picture on the steps of the church after the Mass. Then they proceeded to the Auditorium for the afternoon's festivities. There they were partakers of a delicious dinner prepared by Mrs. Julie Zalar, and her staff.

The remainder of this wonderful day dealt with nostalgia and more nostalgia. Part of it was in each graduate getting up and saying something. Listening and enjoying the taped music provided by Master of Ceremonies, Joe Merhar, from the 30s and 40s, was another aspect. Rudy Paulin also got the graduates into that old time mood, by doing a stint on his button box accordion. Also enjoyable was going around tables getting reacquainted with the "guys and dolls" from way back.

I am told that the Committee did a tremendous job, working since Aug. 1984, and the following are to be commended:

Ann Gradisar Chansky, Frank Debelak (dec'd), Florence Prince Hotujac, Mary Blatnik Kirschner, Jean Krizman, Frank Ljubi, Joseph Merhar, Matthew Nousak, Josephine Perpar, Elizabeth Kosmac Smole, Dorothy Zugel Stanonik, Josephine Tomc, and Josephine Valencic.

Frank (Deb) Debelak started out with the Committee, but God called him before the Reunion became a reality.

There were 106 members in this class. Nineteen are deceased, 87 still living. Fifty graduates attended, which comes to an approximate 58% participation. This is very good, especially for a grade school 50th reunion.

Altogether, 80 individuals attended. The out-of-towners were Bill Jerse, San Diego, Calif., and Joe Brodnik, from Pompano Beach, Fla.

There were prizes awarded as follows: Most grandchildren: 14 - Mr. and Mrs. Anthony Pavli (nee Margaret Jereb), the only two who met their life partners from the 1935 class. Most total children and grandchildren: 6 and 15 - Josephine Bilicic Kuchar. Most "interesting" hobby: Frank B. Novak - "just passing the time away and visiting the boys across the street from St. Vitus Church.

Their 8th grade teachers were Sister Mary Bernette and Sister Mary Frumenza.

The Committee is thankful to the priests of St. Vitus, Rev. Joseph Boznar, Rev. John Kumse, and Rev. Joseph Simcic, who attended and stayed throughout the program, and to everyone who was with us on this wonderful day.

Even though he had been ailing for quite some time, it was still a shocker to hear of Rev. Julius Slapsak's death on June 1. I had visited him a month before at St. Augustine's, and he still looked good, except for some memory lapses. Going back to 1976 to 1983 when he was still ambulatory, we would visit some of his friends from St. Lawrence Parish. I recall two over 90 year old

ladies, Mrs. Josephine Stavec and Mrs. Theresa Simoncic, of Maple Hts., O. who preceded him in death closely. We had many interesting conversations. And he was also very witty. He was hardly waiting for June 29 to roll around. On that very important day, he would have observed the 60th anniversary of his ordination. May the Lord reward you, dear friend, for all the good you did on this earth.

† † †

Here's a sincere wish for many more years to the likeable, well known couple, Charles and Frances Kikel (nee Spehek) formerly of Schaefer Ave., and now of E. 67th St., who celebrated their Golden Wedding at the noon Mass on Sunday, May 19. Their many friends filled St. Vitus Church and auditorium afterward at the dinner reception, and offered them good wishes.

† † †

Ed and Mary Cimperman (nee Lenarsic), of North Royalton, O., formerly of the St. Clair area, traveled to Milwaukee, Wis. on May 12 and attended the commencement exercises at the University of Wisconsin. Their

daughter, Ruth Mary Cimperman received her Doctorate Degree in Education. Ruth teaches English at Milwaukee Technical College. She holds a B.A. degree from Indiana University of Pa., an M.A. Degree in English from Marquette University in Milwaukee, and an M.A. Degree in Communication from the University of Wisconsin. Congratulations and best wishes go out to the graduate and her parents!

So. Fla. Members Honor Fathers

The American Slovene Club of South Florida held its meeting on June 2. It was dedicated to the fathers. Being fathers, they enjoyed a solid meal, ladies being angels that they are, served sausage and sauerkraut along with a variety of desserts. It's important we treat them well, what would we do without them?

Helen and Andrew Jartz, Kay and Dick Flynn and Olga and John Ribic all celebrated 51 years of marriage. **Stephanie and Joe** also celebrated a wedding anniversary.

Birthdays were celebrated by **Ann Gaus and Ann Madey**. They never look a day older; **Paul Tucker** is as active as ever. All celebrants were greeted with song, a little off key, but well intended.

Our sick list seems to increase every month. We have **Paul Gruden, Victor Chase, Fran Vogrich, Mary Nagode, Frances Peters, Henry Hagode**. Improving are **Andrew Jartz, Erna Kotula** and

of Willoughby, O., observed their 50th wedding anniversary April 20 with a gathering of family, neighbors and relatives in Fairport Harbor.

The couple married on that date in 1935 in Ripley, N.Y. **Mrs. Virant** was from Pittsburgh.

The **Virants** have two sons, **Robert** of Cleveland Heights and **Richard** of Seattle, Wash., and four grandchildren.

Christine Kebe, Dick Flynn, Henry Madey and Theresa Zupanc had dates with their oculist.

The **Glinseks** returned to Cleveland as well as **Tončka Simcic** and the **Greggs**. The **Godecs** to Denver, **Ellie Michaels** to Boston.

Our meetings will resume in September. We plan to have an Oktoberfest on Oct. 5 in Ft. Lauderdale with dinner and dancing. **Ron Luzar** of Sam-sula will play as only he can, to keep feet dancing. If you are planning to visit Florida at that time, we would love to have you.

We note that **Miss Yugoslavia** will be in Miami to participate in the Miss Universe contest. We are hoping she is a winner.

Rudy Knez, left, hits a few notes on the portable organ at the outdoor shrine at Slovenska Pristava on Sunday, June 16. The combined St. Vitus and St. Mary choir added their beautiful voices to the Mass celebrated by Msgr. Louis B. Baznik and Rev. Frank Kosem which honored the Slovenian war dead.

Almost 1,500 persons attended the memorial at Slovenska Pristava sponsored by Tabor which commemorated 40 years since the death of Slovenians after the Second World War. Many were dressed in national costume.

Survivors of the massacre in Slovenia attended the memorial services at Slovenska Pristava last Sunday. On Saturday evening rainy weather forced the memorial observances to be held indoors at Pristava. There were speakers and singing during the hour-long reminder. Count Nikolai Tolstoy who had promised to be at the two day event was unable to attend due to airline difficulties.

Replacement Press

This is the first newspaper printed on our replacement printing press. The press arrived on Tuesday morning and was placed in the American Home building.

The newly arrived press will replace the one we purchased two and a half years ago because it did not print evenly or for any long run. The press which is printing this paper is an older model, but has been completely rebuilt in the factory. It is a standard model which has been on the market for a number of years whereas the one we purchased was so new we were the first ones in the United States to purchase one. The model has since been taken off the market.

The cost of replacing the press is being borne by the manufacturer.

We did, however, purchase one additional used unit giving us a total now of three units instead of our former two. This means we will be able to print up to 24 pages at once, or up to 16-pages with a second color.

One unit as been assembled to print this paper, and we hope to have the other two in operation by next week. We were unable to print Friday's paper at its normally scheduled day due to installation time running into the weekend. Thanks for bearing with us during our time of transition.

U.S. to lend Yugo. millions

Prime Minister Milka Planinc of Yugoslavia met with President Reagan and other U.S. officials last week and won pledges of help for her nation's economic problems.

A White House official said Planinc, reportedly with U.S. help, had secured a \$300 million loan from the International Monetary Fund. Planinc, whose country is non-aligned even though it has a Communist government, has spent the three years she has been in office trying to cure the nation's ailing economy.

Not only was inflation running at 80% for the first four months of 1985, but unemployment, at 15%, is reportedly Europe's highest.

In Memory

Frances M. Bogovich of Schaefer Ave., donated \$25.00 to the American Home Press Fund in memory of her mother, Mary Bogovich.
