NE ZAMUDITE JUTRI POSESTITI lepe predstave "TRNJEVA KRONA"

Jutri popoldne ob 2:30 in zvečer ob 8:00 bo dramsko društvo
"Krkka" podalo na cdu SND na St. Clair Ave. krasno pasijonsko
dramo "Trnjeva krona." O tem čudovitem delu smo zadnje dni
mno go pisali torej vsebino vsak precej pozna. Kar sedaj upamo
in želimo je to, da bi bil avditorij SND obkrajat natlačeno poln,
popolne in zvečer.

Zunanji ustroj drame je docela priprost in gledalcu lahko
umljiv. Vsa dejanja se vrše samo v Pilatovi sobi, torej ne bo tre-
ba zamujati časa z spremembami odra.

Poleg tega, da bo imel vsak res globok duševni užitek od te
predstave, bo s svojo vstopnico storil tudi dobro delo. Ves čisti
prestanek bo šel namreč v sklad za revne v stari domovini kar
zbira zdaj župnijska pomožna akcija.

Kdor še ni kupil vstopnice, jo bo lahko kupil pred predstavo
pri blagajni v SND. Odločite se torej še danes, da boste obiskali
jutri to sijajno predstavo.

Vstopnice lahko kupite še danes in jutri tudi v slaščičarni
Mrs. Makovec v SND.

VAŽNO! Odbor za prireditve naznanja, da oni, ki so kupili
vstopnice za zvečer, se lahko udeležijo predstave popoldne, ako to
želijo, z istim vstopnicami, ker sedeži niso rezervirani. To je od-
bor za prireditve odločil, ker je prišlo več vprašanj glede tega.

Churchill je obiskal ameriške čete pri vajah ter jim obljubil kmalu invazijo v Evropo

London, 24. marca. — Premier Churchill je v sprem-
stvu ameriškega generala Eisenhowerja obiskal ameriške
čete parašutarjev, ki so bili ravno pri vajah. Rekel je ame-
riškimi fantom, da bodo dobili "kmalu priliko," da se spuste
na evropsko ozemlje, katerega ima zdaj okupiranega Nem-
čija.

Churchill je opazoval vaje
ameriških parašutarjev, ki so se
spuščali na tla s svojimi belimi
padali na polje iz jadrnikov,
katere so vlekle letala. Ameri-
kanci so izvajali vaje perfektno
in prizor je bil slikovit. Church-
ill je bil zelo zadovoljen z izvrst-
no treniranimi ameriški para-
šutariji.

Churchill je stopil tudi v ena-
ga izmed orjaških jadrnikov in
tam vprašal nekega vojaka, ki
je imel na sebi polno bojno opre-
mo: "Koliko tehtate, korporal?"
Ta mu je strumno odgovoril:
"Tristo funtov, sir!" Churchillov
resen obraz se je raztegnil v
smeh nad tem krepkim odgovor-
rom. Vojak tehta faktično samo
135 funtov, toda z bojno opremo
in padalom pa potegne do 300
funtov. To je bil korporal Fred
Valek iz Clevelanda.

"Boga hvalim," je govoril po
vajah Churchill ameriškim fan-
tom, "da ste tukaj, in iz srea
vam želim največjega uspeha pri
nalogi, ki vam bo poverjena za
največji udarec, ki sta ga naša
in vaša dežela kdaj zadali kake-
mu sovražniku."

Vojaki spišejo 2 milijona
steklenic popa

John Leary, predsednik zveze
izdelovalcev mehkih pišaj, je
izjavil, da spišejo ameriški vo-
jaki doma in na frontah, do
dva milijona steklenic mehke
pijače na leto. Ker je zdaj vla-
da odzela tej industriji 10%
sladkorja, bodo s tem vojaki
prikrajšani za kakih 150 milij-
onov steklenic mehke pijače
vsak mesec, je rekel Mr. Leary.

RUSI IMAJO 15 MILJ DO ROMUNIJE

Presekali so železnico
med Tarnopolom in pa
Lvovom na Poljskem

26.000 NEMCEV JE
PADLO TUKAJ

Moskva, 24. mar.—Ruske če-
te že lahko vidijo reko Prut z
višin 15 milj proč. Reka Prut
je bila stara meja med Romuni-
jo in Rusijo, ko je bila Besarab-
ija še ruska last. Te višine,
do katerih je zdaj pridrla rus-
ka armada, so začetek Karpat-
skega pogorja, ki brani vhod v
Madžarsko. Ruske armade
imajo zdaj bolj trda tla pod
nogami, odkar so prešle z nižin
in lažje prodirajo naprej.

Rusi poročajo, da sprejema
narod v Besarabiji ruske arma-
de v procesijah ter jim nudi po
stari slovanski šegi kruh in sol,
kot dobrodošlim gostom.

V ofenzivi na Poljski je pad-
lo 20.000 Nemcev pri Tarnopolu.
Rusi so tukaj presekali važ-
no železniško zvezo med Tarno-
polom in Lvovom. Lvov je naj-
važnejše in največje železniško
omrežje v Poljski.

Ena ruska kolona prodira tu-
di v smeri proti Cernovicam, ki
so glavno mesto Bukovine pod
karpatskim pogorjem. Od tu-
kaj je samo še 60 milj do če-
ško-slovaške meje.

Unija jeklarskih delav- cev se bori za zvišanje

Washington. — Unija jeklar-
skih delavcev, CIO, je pričela po
treh mesecih pogajanj za višjo
mezo z odločnim nastopom, da
isto pribori za svoje člane. Pred-
sednik Philip Murray in kakih
100 njegovih uradnikov, je imel
sestaneke z vojnimi delavskimi od-
bormi ter mu razložil 14 zahtev
jeklarskih delavcev. Med temi
je tudi zahteva za 17 centov pri-
boljška na uro, dalje garantiran
letni zaslužek, plačane počitnice
in drugo.

Zastopniki unije so trdili da
imajo industriji in farmariji
brezmejni zaslužek, dočim je za
jeklarske delavce določeno, koli-
ko smejo dobivati na uro in nič
več.

Pridna štoriklja

Tetka štoriklja se je oglasila
na 23. marca pri družini Mr. in
Mrs. Ray J. Paulin, 965 Helms-
dale Rd., Cleveland Heights, in
jim pustila za spomin lučkana
dvojčka, fantka in punčko. V
družini imajo zdaj dva fantka
in dve deklici, vsi rojeni v zad-
njih štirih letih. Kot pravi
gentleman je dal dečko svojim
sestricam prednost, da je prva
prišla na ta svet. Tako sta po-
stala Mr. in Mrs. Frank Pau-
lin, ki vodi gazolinško postajo
na St. Clair Ave. in 61. cesti, že
četrti stari ata in stara ma-
ma. Čestitke so na mestu!

Vesela vest

Pri družini Mr. in Mrs. Frank
Stepic, 3408 W. 63. St. je rasova-
la tetka štoriklja in jim pustila
krepkega sinčka prvorojenca.
Srečna mamica je hčerka pozna-
ne August Kristaničeve družine,
ki sta tako zopet srečna sta-
ri ata in stara mama. Naše če-
stitke so na mestu, seveda!

KDOR BI RAD KAJ PRISPEVAL ZA LAUSCHETOVO KAMPANJO ZDAJ LAHKO STORI

Ako hoče župan Frank J. Lausche voditi uspešno kampanjo
za guvernerja ter poseči v vse dele naše velike države, bo potre-
boval dosti denarja. Frank Lausche je sicer rekel, da bo skušal
varčevati na vseh koncih in krajih, toda če bo sedel doma, ne bo
nihče vedel, da kandidira. Tudi najskromnejša kampanja požre
dosti denarja.

Nekateri kandidati imajo za seboj organizacije, bogate ose-
be, unije in podobno, ki prispevajo sila denarja za kampanje. Te-
ga Lausche nima, ker ne mara, da bi se s tem komu prodal. Lau-
sche hoče ostati samostojen, kot je bil doslej, ker le potem more
biti dober javen uradnik, ki dela za korist vseh in ne samo za ne-
katere.

Zato mu moramo priskočiti na pomoč mi drugi, ki bomo la-
ko pogrešili dolar, petak, desetak in morda tudi več, kakor kateri
more. Vsak dolar bo kampanjski odbor hvaležno sprejel in prejem
vsakega dolarja potrdil. Torej kdor bi hotel nekaj žrtvovati po
svoji moči, naj pošlje ček ali money order na naslov: "Lausche
for Governor Committee" ter odpošlje na naslov: John E. Lokar,
401 Leader Bldg., Cleveland 14, O.

Prispevke sprejemamo pa tudi v našem uradu in dajemo po-
trdila zanje.

To ni nobeno beračenje, ampak prispevki so samo izkaz do-
bre volje od strani naroda, ki hoče pomagati svojemu slovenske-
mu sinu do — guvernerskega urada.

Tajnik Hull ima načrt za Nemčijo, toda ne dobi pomoči od Anglije in Rusije

Washington, 24. marca. — Državni tajnik Cordell Hull
je danes povedal, da je bil vzel s seboj v Moskvo lansko leto
popolen načrt za bodočnost Nemčije, toda niti Angleži, niti
Rusi niso bili takrat pri volji razpravljati o tem načrtu.

To je izjavil Mr. Hull napram
24 republikanskim kongresni-
kom, ki so hoteli vedeti, kakšna
je inozemska politika ameriške
vlade.

Mr. Hull je povedal, da je na-
pravil popolen načrt, kako naj bi
zavezništvo po vojni postopali z
Nemčijo. Toda pri konferenci
"precej dober."

AMERIKANCI RAZBIJAJO FRANKFURT

Nemci so pa izvedli enega
najdaljših napadov na
London

London, 24. mar.—Ameriške
leteče trdnjave so danes razbi-
jale nemški industrijski mesti
Frankfurt in Schweinfurt, do-
čim so drugi ameriški bombniki
razbijali nemške tarče po Fran-
ciji. Trije ameriški bombniki in
pet bojnih letal se ni vrnilo z
napada.

To je bil že tretji dan, ko so
ameriški bombniki obiskali
Nemčijo ob helem dnevu in že
devetnajstkrat v tem mesecu.

Ameriški avijatorji so že
prej petkrat napadli Frank-
furt, ki je najvažnejše nemško
industrijsko mesto v južni
Nemčiji. Zlasti so tukaj važne
tovarne za izdelovanje letalskih
propelerjev.

Tako je obiskalo Nemčijo v
zadnjih 36 urah od 5,000 do
6,000 ameriških in angleških
bombnikov in bojnih letal, ki so
vrgli do 7,000 bomb v Rajh.

London, 25. mar.—Sinoči so
poleteli angleški bombniki zo-
pet nad Berlin in ga zažgali na
več krajih. Ognjeni svet je bil
viden več kot 100 milj od Ber-
lina. Tekom noči so pa nemški
bombniki obiskali London v
enem najdaljših napadov. Nem-
ški bombniki, kar se jih je zri-
nilo skozi točo krogel iz proti-
zračnih baterij, so napravili
precej škode v mestu.

Zakaj pravi Finska - ne!

Na diplomatski fronti v Evropi gresta Anglija in Amerika zelo previdno in korakoma naprej dočim galopira Rusija s polno paro enako proti sovražniku kot prijatelju. Največjo senzacijo je povzročila Stalinova politična poteza, ko je priznal vladno eksfalisto Badoglije. To je vzelo diplomatom v Londonu in Washingtonu sapo, radikalcem pa so stopili lasje pokonci. Državni tajnik Hull je priznal to, kar je bilo itak vsakemu znano, da je ta Stalinov korak presenetil Anglijo kot Ameriko.

Najvažnejša pa je zdaj zadeva Finske. Angleži so svirili Fince, naj sprejmejo ruske pogoje ali pa se podajo. Predsednik Roosevelt se je zadovoljil z izjavo, da ameriški narod upa, da bodo Finci pretrgali zveze z Nemčijo. Toda to je bila samo lepa želja, ki je najbrže prišla prepozno.

Finci so očitno zavrnili vse ruske ponudbe in pogoje, dasi niso izjavili, da je s tem že konec pogajanj za premirje, toda to so prepustili Rusom v premislek.

Vzrok zadržanja Finske leži v rokah predsednika Risto Rytija. On namreč trdno veruje v Hitlerja in njegovo moč in najbrže še vedno verjame tudi v njegovo končno zmago. Ta torej je ena sila, ki brani Fincem sprejeti ruske mirovne pogoje.

Drugi in morda glavni vzrok je pa ta, ker Finci niso v tako slabi poziciji kot se splošno sodi. Ako se premotri na položaj iz Helsink, glavna mesta Finske, izgleda povsem drugačen. Dočim svet misli, da delajo Finci brez glave, ker ne sprejmejo na vso sapo ruskih mirovnih ponudb, mislijo Finci takole:

Finska armada ima več izkušenj, je boljše opremljena in ima ugodnejše obrambne pozicije kot v vojni 1939, ko je lahko cele mesece odbijala naskok ruske bojne sile. Sovjeti so imeli takrat zaslene Estonijo, Latvijo in Litvo, ki jih imajo zdaj Nemci v rokah. Tudi če bo nemška armada premagana, pa upajo Finci, da bo ruska armada končno tako izčrpana, da ne bo hotela napasti še Finske, za kar bi potreboval Stalin vse od 500,000 do 1,000,000 mož.

Finci mislijo, da njih dežela za Rusijo ni vitalnega pomena. Z okupacijo Finske bi Rusija ne dobila drugega kot mejo s Švedsko, ki bi nič rada ne videla prevelike bližine komunistov.

Mirovni pogoji Moskve zahtevajo razorožitev finske armade. S tem bi si Finska ustvarila položaj, ki bi bil slabši kot leta 1940, ko je sklenila prisiljen mir z Rusijo.

Rusija zahteva ozemlje na ožini Karelija, kjer je do 450,000 Fincev, ki absolutno ne marajo priti pod rusko oblast.

Rusko-finska fronta zdaj ob spomladanskem tajanju ni pripravna za bojne operacije. Šele enkrat v juniju se zemlja toliko osuši, da je varna za prehod vojaštva. Finska bojna linija je kratka, pa zelo trdna. Tukaj se bodo Finci lahko dolgo branili. Res je sicer, da bodo ruski bombniki rušili finska mesta in na to Finci tudi računajo, če ne bo prišlo do premirja. Toda Finci pravijo: ako ne bo naših mest bombardirala Rusija, jih bo pa Nemčija, če sklenemo z Rusijo premirje. Torej izguba tako ali tako.

Ob istem času je pa pri Fincih Nemčija še vedno glavni faktor. Dočim res ne ljubijo Nemcev, pa smrtno sovražijo Ruse. To pa spretno izrabljajo Nemci, ki Fincem slikajo Sovjetijo v najbolj črni barvah. Istočasno je pa treba poudariti, da je v finski armadi mnogo nacijev oziroma nazijskih simpatičarjev, kar bi lahko zanetilo civilno vojno v deželi, ako bi se Finska podala Rusom. Na to Nemčija tudi računa za slučaj, če bi se finska vlada odločila za premirje z Rusijo.

Na Finskem je še vedno do 100,000 nemških vojakov. Ti so večinoma Avstrijci in kot se govori, je Stalin zato obljubil svobodo Avstriji, da bi s tem dobil na svojo stran avstrijsko vojaštvo na Finskem. To, seveda, je pa veliko vprašanje.

Ali nalašč zakrivajo?

Ameriški tednik Newsweek z dne 27. marca prinaša sledečo zanimivo vest:

"Purč in njegovi kolegi (jugoslovanska vlada v pregnanstvu) so dobili dobro pomoč od nekega angleškega opazovalca v notranjosti Jugoslavije, ki se je nedavno vrnil v London. V poročilu premierju Churchillju je zatrjeval, da četniki generala Mihajloviča doprinašajo prav tako uspešno pomoč stvari zaveznikov, kot Titovi partizani."

Čudno je, da te vesti ni prinesel noben ameriški časopis, vsaj mi nisimo nikjer tega čitali. Čudno je tudi to, da londonski radio, ki naglo poroča širnemu svetu, če kak partizan le kihne, tega ne omenja niti z besedico.

Torej bo le res, kar je zagotavljalo že več ameriških komentatorjev, da se nalašč zakriva doprinos Mihajlovičevih četnikov. Rečeno je bilo, da Mihajlovič redno pošilja po radiu vesti o svojih bojih proti Nemcem, toda te vesti ne pridejo niti v angleško, niti v ameriško javnost. Točno pa poročajo vse dolžitve, ki jih izreka Titov glavni stan proti četnikom. Po našem mnenju to ni pravično in prav nič častno za ameriško časopisje, od katerega bi pričakovali več nepristranosti. Velika je moč komunistične propagande!

Članstvu dr. sv. Kristine, št. 219 KSKJ

Članstvo društva sv. Kristine se tem potom opozarja, da se bo brala peta sveta maša v nedeljo 26. marca ob sedmih zjutraj za vse vojaške, člane našega društva. Članstvo je prošeno, da se udeleži te svete maše v velikem številu. V službi domovine sta tudi dve dekleti, ki sta članici našega društva in to sta Josephine Jamnik in Mary Turk. Vseh skupaj je sedaj 42 članov našega društva v armadi. Dal Bog že skoro tako zaželeni mir, kajti le Bog nam ga more dati.

Danes je vihar in življenje nas članic se potaplja, zato pa pokličimo na pomoč Boga, na pomoč, da nas reši in da ne poginemo v teh razburkanih valovih življenja. Gospod, otmi nas, potapljam se! Saj nam je znana zgodba, ko nas Jezus uči, da moramo zaupati in On nas bo rešil.

Sveta maša je središče dobrot, tu nam Bog deli, česar ga prosimo zdravje, varstvo, blagoslov in tudi ljubi mir bo dal, če ga le prosimo prav. Saj nam je Jezus rekel: "Prosite in boste prejeli..." Oče nebeski vas sam ljubi, ko je rekel: kjer boste zbrani v molitvi, bom jaz med vami. Zatorej, bratje in sestre, udeležimo se te svete maše v nedeljo. Prepričani bodimo, da če bomo prav prosili, da bomo tudi uslišani in Bog nam bo dal res pravi svetovni mir.

Na cvetno nedeljo, 2. aprila,

pa bo tudi ob 7:00 slovesna sveta maša ob praznovanju 50 letnice KSKJ in 17 letnice našega društva. S članstvom društva sv. Cirila in Metoda št. 191 KSKJ smo se dogovorili, da bomo skupno obhajali ta dan — zlati jubilej.

Vsak član in članica naj prinese s seboj tudi društveno regalijsko. Zbiramo se v prostorih pod cerkvijo ter potem skupno odkorakamo v cerkev. Članstvo je tudi prošeno, da že v soboto opravi spoved in potem v nedeljo svojo velikonočno dolžnost. Kdor še nima spovednega listka, ga lahko še dobi. Veselo aleluju želimo vsemu članstvu KSKJ.

Euclid, O.—Na cvetno nedeljo, 2. aprila, bomo v našem Slovenskem društvenem domu na Reher Ave. odkrili spominsko ploščo našim fantom-vojakom.

To umetniško delo je izvršil naš domači umetnik Mr. Anton Pluth, ki ima tudi štiri sinove v armadi. Delo je res nekaj umetniškega, kakršnega do sedaj gotovo še niste videli.

Prošeni pa ste vsi očetje in matere, da boste točno na mestu, kajti slavnost se bo pričela točno ob treh popoldne. Ta spominski dan bo res dan v zgodovini naše naselbine, ko bomo s tem pokazali našim fantom in dekletom, da stojimo za njimi vsi in sicer brez razlike na stan. Ta dan bo gotovo zapisan v zgodovini Euclida.

Pri programu sodelujejo vsa naša društva, pevski zbor Sloven, dramsko društvo Naša zvezda in vsi ti nam bodo oleskali program s slovensko pesmijo in s zelo lepo in ganljivo igro, v kateri bo predstavljeno slovo očeta, ki odhaja na vojsko. To je naša majhna organizacija. Tako hočemo imeti, ker nam omogoča, da damo vsakemu v vsakem slučaju svojo osebno pozornost in nadzorstvo. To tudi pomeni, da je vsak član našega štaba profecijsko kvalificiran za odkazano delo. Skoro sto let v vojaški službi

V nemškem vojnem ministstvu je shranjen star list, ki pravi, da je živel mož, ki je skoro sto let služil vojake. Ta po službenih letih najstarejši vojak na svetu je bil Matija Schroeder, rojen leta 1707 v Koelnu ob Renu. Že ko mu je bilo šestnajst let je oblekel vojaško suknjo v avstrijski vojski. Pod habsburško zastavo se je udeležil vojske v Srbiji, Italiji ob gornjem Renu, na Češkem in v Sleziji. Udeležil se je pa tudi manj srečnih vojn, ki jih je takrat Avstrija vodila proti Frederiku Velikemu. Schroeder je služil kot vojak-najemnik.

Leta 1760 pa je prišel v prusko ujetništvo. Bilo mu je tedaj že 53 let. Toda ujetništvo ga ni prav nič potrla. Takoj je preseljal v prusko vojsko in se boril proti Avstrijcem prav tako hrabro, kakor prej na avstrijski strani proti Prusom. Tudi po sklenitvi miru je ostal v pruski vojski, v kateri so služili takrat najeti vojaški iz vseh dežel. Po kraljevi smrti je bil stari vojak dodeljen 54. pehotnemu polku, kjer je služil do leta 1793., ko je bil premeščen k orožniškemu polku. Schroeder je umrl 22. marca 1817., star 110 let. Do zadnje-

ga trenutka svojega življenja je bil duševno in telesno čil in zdrav.

Velikonočni datum

Velikonočni datum ima svojo zanimivo zgodovino. Odločitev velikonočnega datuma je važna že zato, ker se po njem ravna vsi premični prazniki. Po aleksandrijskih računih, ki jih je prevzela rimska cerkev in so postali naposled splošna last. Veliko noč praznujemo na nedeljo, ki sledi prvemu pomladanskemu ščipu. Če je pa ščip na nedeljo samo, tedaj praznujemo Veliko noč pač na naslednjo nedeljo.

Krščanski velikonočni praznik ne more biti nikoli pred 22. marcem in nikoli po 25. aprilu. Dne 22. marca je bila Velika noč leta 1761. in 1818., potem se to v 19. stoletju ni ponovilo več in se ne bo niti v 20. stoletju. Šele leta 2285 se bodo ljudje s to koledarsko posebnostjo zopet lahko ponašali. Dne 23. marca pa je bila Velika noč v tem stoletju leta 1913, kar se bo ponovilo leta 2008. Zadnja Velika noč na 24. marca je bila leta 1799, potem 1937 in se bo ponovilo šele leta 2391.

V današnjih časih je glavni pridelek države Utah sladkorna pesa.

Prizor iz igre "Trnjeva krona," ki jo priredi dramsko društvo Krka v nedeljo 26. marca popoldne in zvečer v Slovenskem narodnem domu na St. Clair Ave., Cleveland, Ohio. Ves čisti preostanek od te prireditve gre za župnijsko pomožno akcijo za pomoč stari domovini.

DEADLINE FOR ALL
WEDNESDAY NIGHT

ARTICLES OF FAITH

Nine times out of ten, an appeal for contributions to a humanitarian cause like the Red Cross consists of practical arguments, and practical arguments alone. Your pledge will buy so many surgical dressings, you are told, or so many packages of food for prisoners of war. And of course this is important, and of course you want to know. But you want to know as well the ideological basis for the work that is being done, and this point is much less emphasized than it should be.

Last week the Labor League for Human Rights, official relief arm of the AFL, in a radio program dedicated to the American Red Cross and starring Raymond Massey, quoted from the articles of faith adopted by one branch of the Red Cross. Here is that profoundly moving credo, one which any organization—or any American—should be proud to avow.

"We believe that strength was given to us to succor and to shield the weak . . . to lighten the burden of the sick at heart. We believe that all children of this earth are brothers, and we shall not recognize any barriers of race, color, class or creed, to set them apart, one from the other. We believe that kindness and mercy and understanding will grow . . . must grow . . . that this planet may be a place for our children and their children's children, to live in peace and security. We believe that as each one of us has a share in the America we know and hope to shape, so each of us now must strive to save, those simple human values which give dignity to man, and to life its meaning."

Dear Editor:

As I have begun to receive the American Home, I noticed that boys are writing in from all parts of the world, so I decided to drop a few lines too, and hope it won't be taking too much of your time, as I know you have other more important items to contend with.

My main purpose in dropping you this little penogram is to wish all my old friends the best of luck. It's been quite some time since some of us have been able to see the good "ole" neighborhood, but regardless how long it may be, friends are never forgotten. I certainly would appreciate it very much if you would convey the brief message to them.

As for us out here, we are doing fine, well acclimated and ready for a long stay if necessary.

In closing, I want to say that your paper is doing a fine job for us boys and I wish you all the success you and the paper can possibly have.

Sincerely,

Bach's Mass in B Minor
To Be Given At Severance
Hall

The great Mass in B minor of Johann Sebastian Bach will be presented in its entirety in Severance Hall on the Tuesday evening of Holy Week, April 4, at eight o'clock. The concert will be for the benefit of the Cleveland Orchestra's Pension Institute.

Tickets are now on sale at Severance Hall at \$5.50, \$1.10, and \$1.65, with box seats at \$2.20. When the new 20% admission tax goes into effect on April 1, the total prices, including tax, will be increased to \$6.60, \$1.20, \$1.80, and box seats to \$2.40.

Bach's Mass in B minor has not been heard before at a concert of The Cleveland Orchestra. While the St. John and St. Matthew Passions have been performed by the Orchestra, this crowning choral work of Bach will be heard for the first time at its concert.

Bach's setting of the Mass is of the greatest breadth and on the loftiest possible plane. The fullest implications of the text are realized in an intensely expressive music. The text is set in choruses, in arias, and duets. Several of the solo numbers require instrumental solos in addition to the vocal solos.

LAKE SHORE POST NEWS
AMERICAN LEGION

By JOHN WENZEL, JR.

No doubt many of you have witnessed some pathetic occurrence due to this crucial war, perhaps in some instance, you may have been affected directly or indirectly. You also do not know what the future may bring forth. So it would be advisable to let your Congressman know about the urgent need of passing the Legion's Omnibus Bill, whose 46 pages of every suggested benefit for veterans of the present war expect a bonus, the \$3,500,000 "G. I. Bill of Rights" measure was sped on its way toward overwhelming Senate passage by an unanimous vote of its finance committee.

Senator Johnson (D-Col.), one of the sponsors of a pending \$300,000,000 adjusted compensation or bonus bill told reporters he would seek finance committee hearings on that proposal after the Omnibus measure had cleared Congress.

Finance Committee Chairman George D. (Ga.) estimated maximum benefits under the "G. I." bill at \$3,000,000,000, exclusive of a \$500,000,000 authorization for construction of additional hospital facilities.

He estimated the cost of government-financed education at \$1,000,000,000 based on a belief that from 7 to 10 per cent of the men and women of the armed services will avail themselves of its benefits.

Principal benefits provided in the "G. I." bill sponsored by the American Legion are:

A year's educational or vocational training for any man or woman of the armed forces with six months' service at a cost to the government up to \$500 a year tuition, \$50 a month subsistence and \$25 a month for maintenance of a veteran's wife.

Unemployment compensation of \$15 a week for a maximum of 52 weeks. Loans up to \$1,000 for purchase of homes, farms or small businesses, interest free for the first year, and carrying 3 per cent annual interest thereafter.

Due to the importance of passing the Omnibus Bill, most of the Lake Shore Post news has been excluded lately. But for those who might have missed up on it, we might mention that the card party and social held on Feb. 19th, 1944, at Mr. and Mrs. Snyder's residence was a huge success.

Our next meeting will be Thursday, April 13, at the St. Clair Recreation Center.
