SREBRNI JUBILEJ SLOVENSKE ŽUPNJE MARIJE VNEBOVZETE V COLLINWOODU

NEKAJ ZGODOVINSKIH PODATKOV SLOVENSKE ŽUPNIJE V COLLINWOODU

(Povodom njenega srebrnega jubileja sestavil Charles Krall, soustanovnik fare.)

Bilo je leta 1906, ko se je skupaj zbrala peščica zavednih slovenskih mož v Collinwoodu glede ukrepanja, kako bi si postavili svojo lastno cerkev in župnijo. To so bili zavedni katoliški možje, ki so še vedno ohranili v lepem spominu zlate besede in nauke svojih staršev, predno so odpotovali v Ameriko: "Dragi sin, ne pozabi na Boga in na Marijo!"

Seveda so bile razne težko za isti čas, pred 25 leti; toda naši pionirji in začetniki se niso ustrašili dela, ne truda, katerega so prevzeli, kajti izprevideli so, da tako ne moremo več nadaljevati brez domače slovenske župnije. Naši Slovenci so namreč takrat zahajali k drugorodcem v cerkev, kamor je imel kdo bolj priliko. Seveda smo kmalu izprevideli, da nismo dobrodošli k njim, kajti treti, kamor smo zahajali k službi božji, v kapelo sv. Petra na Superior Ave. so imeli nekako mržnjo do nas Slovencev. Seveda, najbolj težavno in žalostno je bilo za nas takrat, ker nismo bili zmogni jeklik te dežele; torej so si drugi misili, od kod prihaja ta narod ter se meša med nami? Večina, ktorje je bil vprašan od kod da je prišel, je rekel, da je "Grajanar," ker drugače ni znal povedati. Ta beseda je še danes tuintam v navadi, toda bolj redko; kajti danes je naš slovenski narod vpoštovan že po celi Ameriki. Slovenci celo prekašamo v mnogih ozirih tiste, ki so nas prezirali ob prihodu v to deželo.

Torej po večkratnih sestankih smo se zedinili in prišli do zaključka, da se postavi cerkev Marije Vnebovzetja na Holmes Ave., kar se je tudi uresničilo. Oni, tako težko zaželeni dan za collinwoodsko naselbino je bil 3. avgusta, leta 1906, ko se je pravoplatna zasadila v temelje za gradba našega novega božjega hramu.

Seveda, kot v vsako tako stavbo, so bile težko tudi z našo cerkvijo pod skromnimi razmerami, ko je postal med farani nekak nesporazum; toda vkljub vsem zaprekam je stavba nemoteno rastla do svojega cilja. Kar smo težko pričakovali, je bil končno le dovršen ta hram božji, kamor še danes zahajamo. Seveda, danes je vse prenovljeno, kajti vsi župniki, ki so delovali od začetka do sedaj v naši fari, so si vsak po svoji moči prizadevali za povzdigo in pročitite župnije. Ni jim pa bila usoda mala, da bi se danes ob 25-letnici te cerkve radovali med nami, kajti tri izmed teh je že vsemogočni poklical k Sebi, da prejmejo plačilo za njih trudopolno deло.

Prvi naš župnik, ki je oral ledino na tej fari je bil pokojni Rev. Marko Pakiž; njemu je sledil tudi že pokojni Rev. Andrej Smrekar; njegov naslednik je

bil tudi že pokojni Rev. Pavel Hribar, zatem je prevzel župničevanje Rev. Josip Škur in po njegovem odatlju vodi še sedaj faro Rev. Vitus Hribar.

Ob 25-letnici fare nas veže dolžnost, da se vseh pokojnih župnikov s hvaležnostjo spomnjam... Ko pišem te vrstice, pa ne smem in ne morem pozabiti moža, ki je bil kot voditelj našega pokreta ter vnet delavec za naš slovenski narod v Ameriki, to je bil pokojni rojak Mihael Skebe, bivši podpredsednik K. S. K. Jednote.

Povodom srebrnega farnega jubileja smo pa tudi lahko ponosni na duhovnika, ki se nahaja in pastiruje med nami že deveto leto, to je Rev. Vitus Hribar, ki je bil idejni ustanovitelj te fare in ustanovitelj fare sv. Vida v Clevelandu. Rev. Hribar je prišel v Ameriko še kot mladenič leta 1890, ter je dovršil svoje bogoslovne študije v St. Mary's semenišču na Lake Side Ave. v Clevelandu, v mašniški je bil posvečen 9. julija, 1898, novo mašo je pa pel v češki cerkvi Luriske Matere Božje na Broadway. Se isto leto meseca avgusta je prišel z delom fare sv. Vida.

Torej cenjeni farani ustanovitelji, prideite vsi na to slavnost dne 16. avgusta, da bomo videli, koliko nas je še med živimi? Ravno tako ste vabljeni tudi vsi drugi farani, da pride, kajti tam vam bo ostal v trajnem spominu. Torej naj ne manjka nobenega zavednega farana na dan te redke slavnosti.

Cleveland (Collinwood), O. — Velikemu dnevu se bližamo nasproti, in ta veliki dan bo v nedeljo, dne 16. avgusta, ko bomo praznovali srebrni jubilej naše fare. Ta dan bi moral biti največji praznik za slehernega člena naše župnije. Petindvajsetletnica se ne praznuje ravno prepogostkrot, zato bi se pa morali za praznovanje zavzeti vsi farani, da čim sijajnejše proslavimo jubilejni dan.

V kolikor nam je do sedaj znano, bo spored proslave dne 16. avgusta slediti: Dopoldne bo pontifikalna sv. maša za vse žive in mrtve člane naše župnije. Ob 2. uri popoldne bo v cerkvi koncert, katerega priredi pevski zbor Ilirija. Zvečer bo v Slovenskem Domu banket, združen z domačo zabavo.

Da bomo imeli 25-letnico naše župnije še dolga leta v spominu, je farno vodstvo dalo načrte svilene znake z napisom: "Srebrni jubilej župnije Marije Vnebovzetja, Collinwood." Vsak župljan si ga bo lahko nabavil za malo svoto. Znake si bomo omenjeni dan slavnosti pripeljali na prsa, nakar si ga vsak shranil za spomin. Morda bo kdo izmed nas tako srečen, da učaka zlatega jubileja; takrat si bo lahko pripel na prsa kar dva znaka. Faro vodstvo je tudi razposlalo 74 vabil različnim clevelandskim društvom. Odgovori raznih društev so kaj radi vasi ene in iste vsebine, kot na primer: "Naše društvo je sklenilo, da se udeleže društveni

V starokrajskih listih čitamo, da so naši Jednotni izletniki dne 25. in 26. julija že v drugič posestili slovečo božjo pot pri Mariji Pomagaj na Brezjah. Nemiri na Nemškem

Berlin, 7. avgusta.—Povodno današnjega splošnega glasovanja za razpust nemškega parlamenta, katero so spravili na površje fašisti in komunisti, je prišlo v Berlinu do resnih cestnih nemirov med policijo in komunisti. Komunisti so nastopili s silo šele potem, ko so doznavali, da je njih predlog splošno propadel; zanj je bilo oddanih nekaj nad 9,000,000 glasov, oziroma za 50 odstotkov premalo; zmagal je socialistično-katoliški centrist Otto Braun kot predsednik nemškega parlamenta.

V tem spopadu je bilo ubitih 18 oseb in več sto ranjenih.

Včeraj so radikalci pri Juterbogu vrgli s tira potniški vlak med Basljem in Frankfurtom, pri katerem je bil opazno ranjenih okrog 100 potnikov.

— V armenski cerkvi v Parizu je med službo božjo zadnjo nedeljo, 9. avgusta nekdo oddal na škofa pred oltarjem sedem strelov, toda ni pri tem škofa ni ranil.

SMRTNA KOSA

NAŠI NOVI POKOJNIKI V MINNESOTI

Dne 17. julija je v Virginia, Minn., po daljši bolezni umrl naš sobrat Math Prijanovich, predsednik društva sv. Jožefa, št. 16 KSKJ. Pokojnik je bil celih 33 let član dotičnega društva in neprestano 18 let tudi predsednik do svoje smrti.

Ker ga je društvo visoko cenilo, je bil zaporedoma izvoljen za delegata pri številnih konvencijah naše Jednote. Zapušča sogopro Franciško, dve hčeri, tri sinove in enega brata.

Dne 29. julija se je med avtomobilsko vožnjo blizu Crosby, Minn., smrtno ponesrečila sestra Lucija Gaush, ustanovnica društva Marije Pomagaj, št. 196, Gilbert, Minn. Bila je to prva članica društva, tako pa tudi prva članica, ki je umrla pri označenem društvu. Za časa katastrofe se je nahajal na avtomobilu tudi njen soprog ter dva otroka, toda vsi ti so ostali nepoškodovani. Pokopal so jo v Crosby, Minn., kjer leži poleg svoga prevega moža.

Društvo sv. Cirila in Metoda, š

Zbirali se bomo ob 9:30 pri Slovenskem Domu na Holmes Ave. Prošeni so vse člani in članice, da se gotovo udeležijo v največjem številu mogoče in prinesite svoje regalije seboj.

S sobratskim pozdravom,

Društvo sv. Roka, št. 113,
Denver, Colo.

V predzadnjem številki Glasila sem že poročal o 25-letnici našega društva, ki se ima vršiti dne 16. avgusta t. l. Gledate slavnosti prihajajo danes s še bolj natančnim poročilom ali sporedom.

Sv. maša bo točno ob 10. uri dopoldne, torej odbor še ponovno vabi in prosi vsa moška in ženska društva, da se zborejo točno ob 9:30 v dvorani Doma slovenskih društev. Posebno prosim članstvo našega društva sv. Roka, da se vse udeležite te redke slavnosti. Lahko bi se nas zbralo najmanj 100. Torej dragi nam bratje in sestre, če vam jè le količjak mogoče, udeležite se vse brez izjeme, ker to bo največja slavnost v dosedanjem zgodovini našega društva, srebrni jubilej. Prinesite seboj regalije, kateri jih imate.

Društva bodo odkorakala v cerkev 15 minut do 10., kjer bo darovana sv. maša za vse žive in pokojne člane našega društva. Nadalje se prosi vse člane našega društva, ki imajo otroke v mladiščem oddelku, da jih pošljete omjenjeno nedeljo v Dom slovenskih društev ob 9. dopoldne, da bodo tudi oni korakali pred društrom sv. Roka; to naj velja za dečke in deklice deklice v starosti od sedmega do 16. leta. Zelo lepo bi bilo, če bi se tudi mladiščni oddelek našega društva udeležil korakanja in sv. maše.

Dalej naznjam, da bo označen dan, dne 16. avgusta tudi društveni piknik na Kalčičevi farmi. Torej vso oni, ki nimate svojih kar (avtomobilov), počakajte pri Slovenskem društvenem Domu od 2. do 4. ure po polno, ko bodo vozili avtomobili brezplačno na piknikov prostor. Torej udeležite se tudi tega zadnjega piknika v tekočem letu. Jedi in pihač bo v izobliju. Za veliko udeležbo se odbor ponovno prijavlja pripomorec ter že naprej zahvaljuje. Na veselo!

George Pavlakovich, tajnik.

Društvo Vnebovzetje Marije Devic, št. 181, Steelton, Pa.

Vsem cenjenim članicam našega društva naznjam sklep zadnje seje. Kakor veste, smo imeli vsako leto na Veliki Šmarjen, dne 15. avgusta društveno sv. mašo. Tako je bilo tudi na zadnji seji zaključeno, če dobimo do tega časa našega slovenskega župnika, se vrí sv. maša v nasprotju slučaju pa ne, ker se ne znamo kako ravnavi.

Dalej je bilo sklenjeno, da bo naša članica plačala 25 centov v društveno blagajno brez izjeme, če bomo imeli veleslico ali ne; torej ste prošene vse, kateri še po več mesecov dolgujete, da to poravnate; naša društvena pravila določajo, da članica, ki dolguje na asessment dva meseca ter morda v tem času zbole, taka članica ne dobi nobene bolniške podpore. Dobro si to zapamite, da ne boste potem hrivje vrnila na tajnico, kakor je to vše morda. Pri angleškem društvu lahko plača-

ščenjaj. To trdiš, da je treba novi sej, da se jo počasi posveti, da se vse udeleži. Torej društvo hrbet očima, nečete ved da delamo, ne vredno je iz društva. Tako ravnavajo naši lisi. Če bi se jih v tem času pripritali kakšna nasrta, bi na takoj potrakala na naša vredna in zahtevala podporo. Če dobro si zapomnite to moje opozorilo, da se bo za naprej gleda tega ravnala strogo po pravilih!

Kakor povsod, tako tudi pri nas smrt pobira brez izbiranja, naj bo njena krtev mlada ali stara. Tako so v naši naselbini meseca julija t. l. umrle kar tri osebe ena za drugo brez kakih bolezni. Prvi je bil nač fastiti gospod župnik Rev. Anton G. Bratina. Umrl je nanagloma, ko se je mudil na duhovnih vajah. Ni mu bila dana prilika, da bi mogel reči svoji ljubljeni materi zadnji: "Z Bogom!" Gotovo je to za mater jako hud udarec prekušnje in usode.

Drugi je bil rojak George Milkovich. Nič slabega slušec, je bil spat, toda ni več vstal, ker so ga dvignili mrtvega; zadeba ga je kap. Pokojnik je bil doma iz vasi Zelezniki pri Metliki.

Tretja krtev smrti je bila Miss Mary Tomec, stara 19 let. Tudi ona nibolehal; nekaj se ji je naredilo na prstu na nogi in tara se je razčirila vsled zatrpljenja krvi po vsem telusu, da je revica v petih dneh umrla v hudih bolečinah. O, ti neusmiljena smrt, ker ne pričanataš nikomur! Materam grabiš všečere in pridne sinove; otrokom mater ali očete. Naša pokojna Mary je bila tako pridna in zgledna dekle, da smo le težko verjeli, ko jo je Bog poklical iz tega sveta.

To je bil gotovo tudi hud udarec za njeno mater. Pred potretnim letom ji je umrl mož; komaj je to nesrečo malo pozabil, pa je pričela zoper nova nesreča ter ji je odvzela zalo hčer. Da je bila pokojnica dobra in obča priljubljena v naši naselbini, se je pokazalo pri njenem pogrebu, ko so zanjeno krsto korakali fantje in dekle, vse žalostni in povešnimi glavami, za njimi pa ženska Zveza, kamor spada njena mati. V pogrebni vrsti je bilo četvero avtomobilov. Res, vse smo jo imeli radi, Bog pa je najbolj, ker jo je rešil nadaljnega trpljenja v tej solzni dolini. Še tja, kjer se bo za vedno veselila; tja, kjer ni bolezni, ne žalosti. Ti pa, draga njena mati, vdaj se v božjo voljo in reci, da vse kar Bog naredi, prav naredi. Saj pridemo zanje tudi mi. Vse članice naše podružnice Slovenske Ženske Zvezze, pedružnica št. 8 ti izrekamo naše globoko sožalje, tvojo umrlo hčerko pa priporočamo v blag spomin v molitve. Spavaj mirno večno spanje naša draga in nepozabna Mary; veseli se zdaj z vsemi dobrimi, kakor si bila tudi Ti vedno dobra!

Dorothea Dermes.

Tem potom naznjam cenjenim članom in članicam našega društva, da sem se kot tajnica preselila na 1123 Addison Rd., torej iz "Ljubljane" v "Ribnicu." Ker mi sedaj ne bo mogoče na domu pobirati asessmenta, vas opozarjam, da pridete redno na društveno sejo.

V slučaju bolezni, smrti ali spletov vse, kar se tiče urada tajnice, mi lahko sporočite telefonično: Florida 2485-J. Seveda lahko tudi pisemo; v slučaju bolezni se bo vpoštevalo poštni pečat.

Dne 12. avgusta imamo redno mesedno sejo, prosim vas v vašo lastno korist, da se udeležite vse in točno plačate asessment, kajti vse tajnica stanuje predsednik, da bi hrdili na dejni plačevati, kar je to vše morda. Pri angleškem društvu lahko plača-

ščenjaj. To trdiš, da je treba novi sej, da se jo počasi posveti, da se vse udeleži. Torej društvo hrbet očima, nečete ved da delamo, ne vredno je iz društva. Tako ravnavajo naši lisi. Če bi se jih v tem času pripritali kakšna nasrta, bi na takoj potrakala na naša vredna in zahtevala podporo.

Ravnajte se po tem navodilu in lahko bo za vas in tudi ta tajnica.

Vas sestrsko pozdravlja,

Društvo Marije Pomagaj, št.
196, Gilbert, Minn.

Zopet je minilo nekaj časa, odkar sem zadnjič pisala v Glasilu. Vzrok je ta, ker sem vedno zaposlena z eno ali drugo rečjo.

Tem potom poročam sklep zadnje glavne seje (decembarske), da plača meseca julija vsaka članica 25 centov v društveno blagajno. Torej katera še ni poravnala tega izrednega prispevka v juliju, naj to storiti meseca avgusta, da bo račun v redu.

Poročati moram tudi žalostno vest, da smo izgubile članico Lucijino Gaush. Umrla je dne 25. julija, ubita v avtomobilski nesreči. Pokojnica je bila prva članica, oziroma ustanovnica našega društva Marije Pomagaj in tudi prva članica, ki je umrla pri tem društvu.

Pokojna Lucija se je podala na Crosby s svojo karo v spremstvu soprog in dveh svojih otrok, da si ogleda posestvo, katero tam lastuje. Na potu je med vožnjo dohitele smrtna nesreča, da je bila na mestu mrtva, nasprotno se pa možu in otrokom ni nič hudega prijetilo. Pogreb se je vršil dne 31. julija na Crosby pokopališču, kjer potiva poleg svojega prvega soprogona.

Nase društvo se zaradi odnejnosti ni moglo udeležiti pogreba; namesto vence bo po društvo plačalo za sv. maše zadušnice. Priporočam jo v molitve in blag spomin, naj v miru počiva, žalujoči družini pri izkramu naše sožalje.

Tukaj je zopet dokaz, da je človeku potrebno podporno društvo in sicer še veliko bolj v slabih časih kakor pa v dobrih, ker ne vem o ne ure, ne dneva, kdaj nas Vsemogočni pokliče iz tega sveta; šele tedaj se ve ceni podpora družini. Torej drage sestre, ne zanemarjajte plačevanja asessmenta; glejte vedno, da bo isti plačan vsak mesec pravocasno, da ne bo kakih neprilik; jaz ne morem zavas zakladati, ker imam tudi svoje za plačati.

Poročam tudi društrom Minnesota federacije K. S. K. Jednote, da se bo vršila seja vseh društva iz Minnesote, spadajočih h KSKJ na nedeljo, dne 23. avgusta v Gilbertu, Minn., v Village Hall ob 2. uri popoldne. Posljite torej svoje zastopnike in zastopnice v velikem številu; tudi članstvo Jednote se lahko tega zborovanja udeleži; posebno mladinske fantje in dekleta zaradi njih športnih iger.

Dne 16. avgusta pa idemo vse na Chisholm, kjer bodo vprizili krasno igro "Junaške Blejske." Naše vrele Gilbertčanke bodo zopet ta dan pokazale, kako znajo biti junaške. Igra se vrši v korist blagajne podružnice št. 88 Slovenske Ženske Zvezze. Kdo ljubi počeno sabavo in lepo dramatično predstavo, naj pride dočisto na Chisholm dne 16. avgusta; tam boste videli mater županjo, kako bo dala povelj dečketom, ki gredo nad Francoze, Francska pa pravi svojega očeta: "Oče, ne posname inšajalec Martijn!" Matna, beračica pa aliči čuden odgovor ter glas svona iz blejskega jezera. Vse drugo boste pa videli in se o tej lepi igri prepri-

čeli so mogli le malo reči reči. —

Društvo Marije Pomagaj, št.
216, Universal, Pa.

Vabljeni na vredni.

Na povabilo naslednjih slovenskih in hrvatskih društev za skupni piknik se je tudi naš društvo izrazilo na zadnji seji 12. julija, da se jim pridružimo. Dne 14. julija smo imeli delegacije posameznih društev skupno sejo, kjer se je določil program in datum piknika, ki se vrši dne 16. avgusta; tako se je debatiralo tudi o drugih vaših točkah, namreč če bo od te pridritev kaj čistega dobitka, se bo istega enako med društva razdelilo; ta denar se pa mora poravnati za člane in članice, ki ne morejo plačevati asessmenta.

Torej vas dragi bratje in sestre naših bratov podpornih društev vijudno prosim, da nas na tem pikniku poselite. Kadar boste drugi imeli kaj sličnega, se bomo tudi mi po naših močeh plačevati asessmenta.

Torej vas dragi bratje in sestre naših bratov podpornih društev vijudno prosim, da nas na tem pikniku poselite. Kadar boste drugi imeli kaj sličnega, se bomo tudi mi po naših močeh plačevati asessmenta.

Piknik se vrši na takozvanem Center Beach, to je v naselbini Center, Pa., dobro miljo od Unity ali Universal, Pa. Na pikniku bo dovolj postrežbe, ples, pihače, različni nauki, različni nazori posameznikov utrjujejovačemu svojo pot, da imamo večno zmned med seboj.

Zakaj tako? Ali ne bi imeli vse boljše življenje, ko bi kot en

moč skupno vse šli naprej v vseh

stvareh in zadevah, v temu na

Da to dosežemo, treba je ne-prestana dela. Če hočemo res sebi in našim potomcem dobro, boljše bodočnosti, nakar se vedno radi sklicujemo, se moramo tudi zavedati, da pot do tega je širša izobražba. Posluževati se moramo vseh pripomočkov in sredstev za izpopolnjevanje samega sebe. Podpirati nam je treba stvari, ki so ustanovljene v te namene!

CEDAR HILL SLOVENIAN
(Slovenski Jez. Knjigovjev.)

"Pa nč bi ne bilo napačno," je nadaljeval nekoga dne Ivan, "ako bi jima priskočila na pomoč tudi midva. Mislim namreč tako: Dondaj nimamo v Črni nobenega pravega zbirališča, kjer bi se presečevala naše zadeve, kjer bi pa tudi izvedeli o zadevah, ki so na vrsti drugod in so začele pretresati svet od vseh strani. Mislim namreč, da bi se ustanovilo bralno društvo z ljudsko knjižnico, a vse pod vodstvom župnikovim in učiteljevim, morda tudi vašim, ako bi imeli toliko prostega časa na razpolago. Skrbeti bi bilo, da sprejemata ljudstvo le to, kar je dobrega in se tako obrani hudega."

Poseledica takšnih razgovorov je bila, da se je res še tisto jesen ustanovilo bralno društvo na Črni in kmalu potem tudi kmečka hranilnica. Tudi se je cerkveni pevski zbor razširil v redni pevski zbor, kjer je učitelj poučeval najlepše narodne pesmi. Vobče je postalo živahno na Črni, a sicer je šlo vse svojo navadno mirno pot, znacilji se niso izpremenili, ostali so trdni kakor skale okoli njih.

Nekoliko dni pred Ivanovim odhodom sva sedela z njim prav na onem hrastovem brunu pred kapelico, kjer so bili prineseni dan iz gozda Trnovčevega Franceta. Spomnil sem se tisti hip onega nadvse žalostnega sprevoda in omenil sem o tem tudi Ivanu.

"Bog ve, kdo bo tam zagospodaril, ko je usoda tako kruto posegal ob najneugodnejšem času v to rodovino in jo razdeljal," sem dejal in pogledal Ivana, ki je zamišljeno zri tja doli na Črno.

"To je veliko vprašanje," je odgovoril Ivan. "Kolikor pomnim, se v Črni že ni primeril tako žalosten slutaj. Da bi se kdo pričenil na posestvo, se tudi že dolgo ni zgodilo, vsaj na takšno posestvo ne kot je Trnovčev. In tukaj sedaj le res kaže drugega; moral se bo zgoditi, in to zgoditi prav kmalu."

"Res je," sem mu pritrdiril. "Stari je od onega dne ves izgubljen, baje se mu celo moč, in ona se je skrivila ter hodila z objokanimi očmi, da se mora smiliti mralemu kamenu. Vse gospodarstvo in gospodinjstvo je prav za prav v rokah Ivanke same in kako je to hudo, si mora človek samo misliti."

"Kaj pa Tončka, nevesta?"

"Ta si je že izjokala oči in Tratnik je ne sme pogledati, da se ne bi na gias razjokal tudi on, dasi je mož, ki je bil že v bitkah in je gledal večkrat brez strahu smrti naravnost v oči."

Umolnila sva oba, in težke so bile najine misli. Niti po poti proti domu se nisva mogla prav razvedriti, nekaj teznega je leglo na naju, kakor slutnja prihajajočih viharnih dni.

Ko sva prišla v vas, je učitelj sedel na vrtu pred šolo. Včerino jesensko sonce se je vpravilo s poslednjimi žarki v cerkev in zvonik ter obsevalo šolo in župnišče, da so se svetile ši-pe kakor čisto zlato.

Razveselil se je naju učitelj, ko sva se ustavila pred njim in povabil naju je v sobo. Izgovarjala sva se, da je že pozno in je treba iti domov, toda nč ni pomagalo, morala sva vstopiti.

"Semo za hipec," je dejal ter nama ponudil sedež.

Jaz sem bil tisti dan prvič v njegovem stanovanju, prej sva se navadno dobila vedno-le v župnišče, samo včasih tudi drugod.

"To je moja soba, in sicer so ba za vse," je dejal in pokazal z roko naokoli. "Druge ne ramim. Navadil sem se je tako v teh dolgih letih, da bi jo mogel pogrediti prav tako malo, kakor del samega sebe. Od tod

akor to okno vidim vso Crno kakor na dlanu, vidim kaj se godi na njivah in travnikih, od tod so mi rasprestire prav pred očmi vsa daljina pokrajina do morja. Kolikrat sem slišal prve dni svojega bivanja preseči tukaj, tedaj, ko se že ni umirilo moje življenje, ko je še mladost plula po mojih šilah in je neutedenje hrepeneje pretekelo vse moje bitje. Kolikrat sem si želel imeti peruti, da bi spil tja v sinjo daljavovo, tja v svet čudoviti in v vrvenje njeovo, da bi ga užival z vsem duškom. Tja vun, tja daleč, v takšni samoti ni meni obstanek!"

V njegovih očeh je zasvetil mladenički ogenj, toda samo za trenotek.

"Ščasoma pa je ta samota začela drugače vplivati na me. Prišlo je polagoma spoznanje, začel sem se zavedati, da obstoji prava sreča v čisto drugem, uvidel sem, da človek ni ustvarjen sam zase, da je ustvarjen pred vsem za druge, ki zročajo zaupanje vanj in v njegovo delo. Ublažilo se je moje hrepeneje in moja mladost je zdobjila resnost, moje življenje pravi cilj. Od tistikrat ni več malodrušnost v mojem srcu, svet gledam popolnoma z drugimi očmi. Toda, sedaj pa kupec vina! Kaj bi vaju dolgočasili samo s praznimi besedami."

Ozrl sem se po sobi, bila je podobna moji. Ob desni steni je stala skromna postelj z nočno omarico, v kotu omara za obliko, nasproti umivalnik, a na sredini precej velika, zeleno pregrnjena miza z štirimi stoli. Za vrati je bilo še stojalo za knjige in nad njim so visele stare gosli. Razen nekoliko podob svetnikov so visele po stenah še slike naših pisanateljev in velmo, kolikor jih je bilo mogoče dobiti tisti čas. To je bilo vse in nadvse skromno.

"Učitelj je viden, da se oziram, in nasmehnil se je.

"Več ne potrebujem," je dejal, "klavir imam v šolski sobi, tukaj bi mi vzel preveč prostora, pa tudi zaradi pevskih vaj je bolje, da je tam."

Tedaj je prinesla steklenico vina in tri čaše precej prijetna ženska ter je še nekoliko postala v sobi.

"To je moja sestra, ob enem moja mati in gospodinja," jo je predstavil učitelj.

Tudi, ako bi je ne bil predstavljal, bi bil takoj vedel, kdo je, zakaj bila je na zunaj vsa podobna bratu.

"Sedaj pa prinesi še, kar premoreku kuhinju," ji je naročeval učitelj!

"Vidita, tako je," se je obrnil proti nama, ko je odšla sestra iz sobe. "Včasih sem mislil, da bi se očenil, a komaj se mi je porodila takšna misel, že sem si jo izbil iz glave. Imel sem dovolj tehtnih vzrokov za to. Učitelj ima že itak veliko družino, cel regiment maličkov v šoli, a poleg teh tudi že šoli odrastih, ki jih ne sme pozabiti.

Kako naj posveti vse svoje silne tem, ako ima tudi doma okoli sebe še lastno družino, kopico otrok, ki zahtevajo od nje isto in še več kakor tuji. Katere od njih naj bolj upošteva, katerim naj posveči večjo skrb, ko je že prava takoj velika, da jo le težko zmagajo njegove človeške moći. Eno ali drugo mu mora biti nehote mačehovsko. In tako se dogaja, da imajo najboljši učitelji najslabše družino ali pa najslabše šolo in na starost žalost in potrost namesto miru in počitka.

Učitelj bi moral prostovoljno ostati samec, prostovoljno se odpovedati vabecim sladkostim družinskega življenja. To bi bilo idealno, to bi bil začetek nove dobe."

Nekoliko je umolnil in se zamislil. Ivan pa je bobnal kot v zadregi s prati po mizi, njegove oči so žarele, toda rekel ni nesesar.

"Ali ne mislite moram, da mi. Kaj naj bi jo podil to čas, sem sam tako mislil?" se je nasmehnil čes nekoliko časov pred očmi vsa daljina pokrajina do morja. Kolikrat sem slišal prve dni svojega razloga. O ne, sem za dekol? Saj veste, kako moj preundrek je bil tudi praktičen. S tem naj bi resili in vrgajal svojo družino, aki bi mi jo Bog dal, ko so pa užiteli nekakšne plače tako niske. Ako bi bile odvise od naših Crnjanov, bi se bila seveda že davno izboljšale, o tem sem prepričan.

Napoleod pa se nisem očenil tudi zaradi sestre. Vzel sem jo bil k sebi, ko je bila še mlada kot rosa. Nobenega ni več imelo na svetu razen mene. Bila mi je vedno skrbna gospodinja, da nisem nikoli pogredal ničesar, vestna in varčna, in vse svojo mladost je pustila pri me-

Give Criminals Taste of Their Own Medicine

By Brooklyn Knight

Only a week or so ago you have, without the slightest doubt, read of the child slaughter that the yellow rats, the so-called gangsters, staged in Harlem, New York City, for the benefit of crime. Perhaps this news hasn't reached the ears of the citizens of our sister states. But that is just what happened. A racketeer that was put on the spot walked along 10th St. Suddenly out of the hustle and bustle of the city appeared a car filled with eggs, their fingers itching to pull the trigger of their machine guns, pistols and sawed-off shotguns. The signal was given and the guns roared their modern and familiar tune of death and destruction. The supposed victim, upon hearing the slugs whistling past his ear, dodged into the nearest cellar, and five little innocent kiddies were mowed down like flies after Flit is applied. Imagine a little tot, two and a half years old, unconscious to the ways of this world, sitting in a perambulator hit by two bullets. One little victim is already buried.

For the Catholic parent the perplexing problem of choice is greatly lessened because we feel that it is nothing less than a duty that he select a Catholic higher school for his boy or girl's attendance.

With the assumption of parenthood duties multiplied as well as privileges. Housing, clothing, feeding the dependent child would fill the parent's obligations if the child were merely an animal. But he is more; he is a rational being. And his entire being must be cared for.

We have excellent public schools and state universities in our country, that is excellent in so far as they go. But they do not go far enough. Either by law or convention they may not speak of God.

You would not willingly send your child to a school where you knew his automobile would be stolen; why send him to one where he may be robbed of his faith?

This selection of a Catholic school is of super-importance for all concerned.—Universe Bulletin.

WHY "HEALTHY" SHOULD INSURE AGAINST ACCIDENT

When your prospects tell you they do not need income protection; when they tell you accident is unlikely to happen to them because they are careful; when they tell you they are too healthy to become sick; it's time you did something to awaken these people to a realization of the falseness of their sense of security.

If a racketeer is brought to justice, what happens? His lawyers paint him as an angel or the jurors are too scared to convict him. There he is again a free man for the tenth time, free to kill some more. Now and then we read about police men getting order to go out, round up all these rats (to shoot first and ask questions after). That is just to give John Q. Public a good time. In a few days everything quiets down again till some other innocent citizen gets killed, then comes the same old story.

Coming back to these five little tots that were shot for no reason at all. I hope that the skunks guilty of this tragedy are speedily brought to justice.

Wouldn't it be swell if our local authorities would wake up and round up all these yeggs and throw them in the jug to rot their dirty lives away, or electrocute them one by one with citizens invited as spectators? Then you would see the real yellow streaks on all these rats, crying and squealing for mercy that they have not shown to others.

Over-greed will burst the bag.—Spanish proverb.

WHAT SCHOOL?

In mid-vacation, when the holiday zest has partially worn off, parents and children begin to turn their attention toward next September's school.

The difficulty in selecting a secondary school does not come from the paucity of such but rather in their great number. Naturally we take it for granted that a problem arises because the parents are anxious to give the very best to their children. One educational review reminds us that there are as many universities in the state of Ohio as in the entire German republic. And other states are not far behind.

For the Catholic parent the perplexing problem of choice is greatly lessened because we feel that it is nothing less than a duty that he select a Catholic higher school for his boy or girl's attendance.

GET THAT LOOK!

Get the look of success into your eyes and into your manner of approaching people. Step into the ranks of the successful now, at once, and without any long struggle against odds and hardships, by the simple process of thinking success thoughts.

Success fails to come to so many salesmen because they will not let success come to them. They continue to think themselves unsuccessful as so many mothers continue to think of their grown sons as little boys. They are so definitely apprenticed to failure mentally, that the ability to be successful, which they have acquired through the years, is helplessly hobbled.

The salesmen who are going to be successful some day, are deliberately booting their success into the future by that thought. It is a future state to them that remains such because they themselves postpone the time of coming into it by continuing to think it a heaven which they are not yet quite fit to enter.—Peninsular Life.

Waukegan Will Have Annual Church Picnic at Mozina Park Sunday, Aug. 16

The event of the summer season in Waukegan—none other than the annual picnic of the Mother of God Parish—will be held at Mozina Park on Sunday, Aug. 16.

All participants in this annual festival will have a day of pleasure awaiting them, as the afternoon will see the Waukegan KSKJ baseball team fighting for honors with our far northern KSKJ boys from Sheboygan. Other games are on the program for the joy of all present.

In the evening there will be dancing to the strains of Larry Umek's Bluebirds.

In conclusion, we extend our invitation to the Slovenes of our neighboring cities.

We can assure you when all's over we'll hear everyone singing, "Happy days are here again."

Adios till the 16th!
Committee.

Authorities differ, but it is conservative to state that one person in five is disabled each year by sickness or accident. Sickness cost the inhabitants of this country \$3,500,000,000 last year. If this loss were assessed equally on every man, woman and child, it would cost each about \$27. Multiply this by the number of years lived plus the life expectancy. The final figure will be the dollars that family will have to pay (average), for disability during its existence.

ENTHUSIASM

If you can't get enthusiastic about your work, it's time to get alarmed. Something is wrong.

Compete with yourself; set your teeth and dive into the job of breaking your own record.

No man keeps up enthusiasm automatically.

Enthusiasm must be nourished with new actions, new aspirations, new efforts, new vision.

It is a man's own fault if his enthusiasm is gone; he has failed to feed it.

And right here is the big reason why thousands of men hit high-water marks at 35 and then recede.

They can "do their work with their eyes shut," and that is the way they do it.

They have lost the driving power of enthusiasm.

They sleep at the switch. All they see in life is the face of the time clock. All they hear is the quitting whistle.

If you want to turn hours into minutes, renew your enthusiasm.—Papyrus.

Advantages of the Modern Fraternal System

The modern fraternal institution has all the safeguards and more than any other competitive system.

Under the state insurance laws the funds are invested in the same class of securities as those of companies with corresponding results. Its reserves are set up under the state laws, and most of them have contingent reserves in addition to the required legal reserve as an additional factor of safety.

Old business was disposed of, which consisted of the report on the last Booster dance, the discussion of the Booster benefit picnic, and the outing to be given by the members.

A new secretary was elected in the person of Maxie Repenashak, who promises to perform his duties to the utmost; Mrs. John Kovacik formerly acted in the capacity. An explicit report was given by Miss Stanza Skok, treasurer, as to the financial standing of the society. A heated discussion took place as to whether the members would enjoy a marshmallow roast or an all-day outing at a lake, the latter winning out in the members' favor. The outing is to take place at Horseshoe Lake on Aug. 23.

The trip to Waukegan was also brought up, and the members decided to go in private cars. All those wishing to go and have no way of transportation get in touch with Lou Francis at 1366-J.

Miss Mary Robeck, a sister of the bride, was the bridesmaid and Frank Cojnik, close friend of the groom, was the best man.

Following the ceremony a wedding breakfast was served at the home of the bride's parents. Only immediate relatives were in attendance.

The young couple departed on an extended honeymoon trip, but would not divulge the destination. Upon their return they will reside in a newly furnished bungalow at 1704 Argyle Rd., La Salle.

LETTERS TO THE EDITOR

Pueblo, Colo.—Dear Editor: per, one who dropped out for this very reason, one who claims that it is not worthwhile using time for people that do not keep their promises. Couldn't something be done about this matter? I always thought that whatever was made at a convention, no matter what the resolution was, it was supposed to be put into effect, as it was voted on by the entire delegation.

Although not a steady contributor, I would like to see all of the old contributors back in the fold again. I have noticed that there are only about two or three that remember to send in their weekly copy.

As ever

"Mammy."

Collinwood, O.—Dear Editor: In the last issue of Our Page I noticed a report of the chairman of KSKJ athletics, Bro. Churnovich. It stated, so I understood, that each state was to choose a board member. At what meeting was the Ohio representative chosen? I follow the St. Joseph sports and KSKJ athletic activities in Cleveland and Ohio in general, and now wonder if I missed reading about an Ohio or Cleveland KSKJ athletic meeting.

Collinwood.

Pittsburgh, Pa.—Dear Editor: Why don't you answer the "Two Real Slovenes"? I would answer them myself, but I am afraid anything that I may say would be over their heads. My answer would naturally be of such a nature to equal their audacity. I am sure you would not publish it, so why waste time and a cent stamp.

Real Slovenec.

Chicago, Ill.—Dear Editor: I wrote to you before and told you what I thought you should do to Our Page to make it interesting. Now I don't care what you do. We have a paper here in Chicago that is serving our purpose. It's lots of fun and interesting to read about the young folks and to read about who is "rushing" who and who will have a first date. Some day you will realize the mistake you are making.

CONGRATULATE WINNERS OF SHEBOYGAN POPULARITY CONTEST

The Queen of May Lodge No. 157 KSKJ, Sheboygan, Wis., extends congratulations and best wishes to the recent popularity contest winners, Miss Mary Juntz and Miss Ann Falle, who are members of the KSKJ. The contest was conducted by the Sheboygan Press, in which the two young ladies, both Slovenian lasses, were victors.

"We are very proud to have the two young ladies in our lodge," said Mrs. Mary Godek, president of the local branch, "and the Slovenian people are highly honored to have both Miss Juntz and Miss Falle in their midst." The young women are at present enjoying a trip in Bermuda, which was granted them as the result of the contest.

The other day some Chicago bandits held up a bank, took seven thousand dollars in currency and departed in great haste. On the way to their automobile one of the robbers dropped four hundred dollars in bills, and the passers-by made a mad scramble for the money, each one getting as much as he could. Only ten dollars of the four hundred was ever returned to the bank, and that by a girl who was employed in the bank. The only difference between the men who held up the bank and the people who took the money that dropped from the robbers' loot was that the former band was more daring. Both parties were thieves, both knew they were taking what did not belong to them, both realized they were imposing a loss on someone else. And yet if you were to accuse the latter party of being bank robbers, what a storm of protest they would raise! They were simply taking advantage of a break. If they didn't take the money someone else would. Queer ideas of morality some of us seem to have! — Ave Maria Weekly.

O. P. Reporter Chills Hops Chest to Hot Diary

Do or die, the Pitt O. P. reporter went the limit to get the following excerpt from Miss Pitt's diary. Although he broke one window, two lamps, ran-sacked a hope-chest and at present is in a Pitt hospital undergoing treatments for shin bruises and a dog bite, the big thing is the following:

Monday: Dear diary. I am all atwitter. All day long I have been thinking about that new KSKJ Booster club and what a swell time I had at the last meeting. It couldn't be that I am so alluring. Though I lost no move in dolling up. That extra bit of powder and that touch of rouge may have been responsible. But, then everybody was so nice to every body, and we all can't use the same perfume. Those people really are nice. Pep! They have it. Come to think of it, how did I ever turn the calendar for 19 summers and not know that right here, almost across the yard there are real dandy folks. I've been spending my spare time writing to you deary diary, but from now on I may have to forget you, because these boosters have shown me something and promise more. I must see it all.

Last wk. I was the principal speaker at a sandwich party given by Miniature Golf Proprietors at the local poorhouse. The boys decided they would sell the putters as carpet beaters and the mounds, traps, hazards, etc., they intend to donate to a cemetery. Win Places KSKJ in Running for County Honors

St. Joes KSKJ baseball team hit its stride last Sunday, Aug. 2, when it handed the Golden Gate nine a setback to the tune of 8 to 3. George Mills, the University of Illinois pitching ace, graced the mound for the Joes and through his hurling helped the boys to bring home the bacon. Joe Wentzel starred at the stick and poled out four hits, losing his fifth on a long one-arm stab by Walzak that saved some of the day for the Gators. The game was played near the Illinois-Wisconsin state line and was full of pep and gingers all the way through. The Joes' win over the Golden Gate outfit places them among the leading contenders for the Lake County title, as they now have 12 wins and only 1 loss to their credit. And they are hot after the Midwest KSKJ title right now.

EVELETH MAKES BID FOR KSKJ STATE HONORS

The Eveleth baseball team is putting in a strong bid for the Minnesota state KSKJ championship and as contenders for the national KSKJ champs.

The local nine, managed by F. J. Kausek, has never suffered a great defeat. Only two defeats mar their standing from being 1,000. Although the local team is confident of the remaining games, Hibbing is the greatest threat.

Aug. 16 the Eveleth nine will meet the Rich Village at Hibbing ball grounds for the final game of the season.
