

Čemu ne?! Člankar ničesar ne ve
o veroku katastrofe več, kakor kedo
drugi. Streljanje se vrši vsaki dan v
rovih in čemu bi torej to ne provzro
čilo razstrelbe?

Teško zaslužene denarje je naj
bolje sigurno doma
poslati in to ti preskrbi

A black and white photograph showing a close-up of a metal chain. The chain consists of a series of dark, circular links connected by a horizontal bar. A thin, white, wavy line is drawn across the middle of the chain, starting from the left and curving upwards towards the right. The background is a light, textured surface.
