

Moskva izsilila od CSR legalizacijo zasedbe

K podpisu pogodbe so prile-
teli v Prago min. predsed-
nik A. Kosygin, zun. mini-
ster A. Gromiko in vojni
minister maršal Grečko.

MOSKVA, ZSSR. — Moskva
bi rada čim preje pokopala če-
škoslovaško "afero", če ne po-
vsod, pa vsaj v diplomatskem
svetu. V Združenih narodih so
ruski diplomatje dosegli kar hi-
tro, da je praška vlada izjavila,
da vdor rdečih čet ne spada v
pristojnost ZN. Od takrat govo-
rijo v ZN o ruski napadalnosti le
še posamezne članice ZN, admi-
nistracija ZN pa mora o tem
molčati, ker taka je želja praške
vlade.

Sedaj je Moskva dosegla še
drug uspeh. Praška vlada je v
zadnjem dogovoru z Moskvijo pri-
stala na stališče, da se je vdor
rdečih čet vršil strogo legalno,
kajti ZSSR ni njeni sateliti so
imeli pravno in moralno pravi-
co, da branijo češki komunizem.

Če torej stojijo češkoslovaška
vlada in vse druge, ki so naveza-
ne na Moskvijo, na stališču, da je
bila invazija legalna stvar, po-
tem nima nihče več pravice, da
govori o moskovski "napadalno-
sti", "brutalnosti", "nasilju" itd.
Kdor bi hotel Sovjetiji očitati
kaj takega, mu bodo v Kremlju
hitro pokazali sedanjo pogodbo
s Prago in ga opozorili na zmo-
st. To bo seveda prisililo odgo-
vorne diplomate in politike, da
ne bodo več govorili o tragični
usodi Čehov in Poljakov. Saj se
je vendar vse vršilo legalno!

Tragedija Čehov in Slovakov
je s tem zbrisana iz mednarod-
nih diplomatskih debat. Le poli-
tiki jo lahko še rabijo za gradivo
za svoje politične poteze, uradno
se pa ne bodo več mogli zaleta-
vati v moskovsko politiko na-
pram Češkoslovski.

Pogodbo sta podpisala A. Ko-
sygin za ZSSR, O. Černik za
CSR v zunanjem ministrstvu in
Pragi v navzočnosti zun. mini-
stra A. Gromika, obrambnega
ministra ZSSR maršala Grečka,
gen. Pavlovskega, poveljnika za-
sedbenih čet Varšavske zveze v
CSR, V. Kuznecova in Červon-
enka od Rusov, ter predsedni-
ka L. Svobode, A. Dubčeka, G.
Husaka in Smrkovskega od stra-
ni CSR.

Ameriški znanstveniki dobili Noblovo nagrado za medicino

STOCKHOLM, Šved. — Trije
ameriški znanstveniki so dobili
skupno Noblovo nagrado za me-
dicino in fiziologijo za leto 1968.
Nagrajenci so 46 let stari Robert
W. Holley, stalni član Salk In-
stitute, La Jolla, Calif., bivši
profesor Cornell University, 46
let stari H. Gobind Khorana z
University of Wisconsin, Madi-
son, Wis., in 41 let stari Marshall
W. Nirenberg, načelnik biološke-
ga oddelka National Institute of
Health, Bethesda, Md.

V Rio de Janeiru kot pred leti v Chicagu

RIO DE JANEIRO, Brazil. —
V mestu in okoli je bilo tekom
letošnjega leta doslej umorjenih
že 140 ljudi. Večina je bila u-
streljena po načinu, ki je bil v
navadi med zločinskimi toplami
v njihovem medsebojnem obra-
čunavanju v Chicagu pred dru-
go svetovno vojno. Na večini u-
morjenih so našli znak mrtvaške
lobanje z dvema kostema spodaj
in veliki črki EM, kar naj bi po-
menilo "Edquadrao da Morte",
po naše "Skvadron smrti".

Policija trdi, da so to žrtve
vojne med organiziranimi zločin-
skimi tolkami, ki se bore za nad-
zor organiziranega zločinskega
delovanja, kot prodaje mamil,
prostitucije, izsiljevanj itd. Ne-
kateri sumijo, da bi utegnili biti
"skvadron smrti" kakšna skupina
policistov, ki so se odločili na
"hiter način" znebiti zločincev,
namesto da bi jim dokazovali
njihove zločine pred sodišči.

Predsednik bonnske republike bo odstopil predčasno

BONN, Nem. — Sedanja bonn-
ska vlada misli razpisati parla-
mentarne volitve že v septem-
bru 1969. Slučaj je nanese, da
bi morale biti takrat tudi volitve
predsednika republike, kajti ravn-
o takrat poteče mandat tudi se-
danjemu predsedniku Luebke-
ju.

V Bonnu so prišli do sklepa,
da bi bilo nerodno, da bi Nemci
takrat imeli kar dvojne volitve.
Zato je Luebke sklenil, da bo od-
stopil 11 tednov pred koncem
svojege mandata, to je v juniju.
Zato bo moral biti novi predse-
dnik izvoljen v smislu predpisov
že v aprilu.

Luebke je drugi predsednik
zahodnonemške republike, prvi
je bil Th. Heuss.

Kanada ponuja Nigeriji več opazovalcev za Biafro

OTTAWA, Kan. — Kanadska
vlada je ponudila nigerijski vla-
di večje število novih opazoval-
cev kot članov mednarodne ko-
misije, ki naj bi nadzirala polo-
žaj na ozemlju Ibov, ki so ga za-
sedle zvezne čete, in njihove vo-
jaške operacije.

CLEVELAND, O. — Vse
naše poizvedovalne agencije
imajo že nekaj mesecev pravo
konjunkturo. Vsak dan
nam prinašajo nove številke,
ki naj bi povedale, kaj volivci
mislijo o politiki in volitvah.
Ker se podatki nanašajo na
verjetnosti v bodočnosti, jim
je težko oporekati neglede na
to, ali so kaj vredni ali ne.
Pa se je našel ekonomist
Bean, ki je napovedi vzel pod
drobnogled in jih precej hudo
razmrcvaril.

Mr. Bean ni naveden ekono-
mist, je tudi izvedenec za
politične številke. Ker se zme-
raj drži stvarnosti, njegove
presoje velikokrat zadenejo
resnico, dočim jo napovedi
poizvedovalnih uradov ne za-
denejo. L. 1948 je na primer
napovedal pičlo zmago pred-
sednika Trumana, njegova na-
poved je bila prava bela vraga
na med prerokbami. L. 1960
je napovedal, da bo Kennedy
zmagal z neznatno večino, kar
se je tudi uresničilo, saj je
Kennedyjeva večina dosegla

Nixon in Humphrey se pulita za volivce Ohia

Republikanci in demokrati
so pospšili in poglobili vo-
lívno propagando v Ohio,
kjer trdi Humphrey, da so
njevovi izgledi za zmago
50:50.

CLEVELAND, O. — Obe glav-
ni stranki se ne moreta počutiti
dobro v naši državi, akoravno to
trdita. Sta se namreč obe zagna-
li na agitacijo s prav posebno ih-
to. Že naštevavanje shodov priča o
tem.

Humphrey in Muskie sta bila,
ako sta se držala programa, več-
raj v severnovzhodnem delu na-
še države. Njihovi soprogi sta o-
biskali Akron, od tam se pa od-
peljali v Zenevo, da povsod na-
vdušita ženski demokrati rod
za sodelovanje v volivni kampa-
nji.

Republikanec Agnew se je na
svoji poti v Detroit za kratek čas
ustavil v Youngstownu.

Nixon se bo pa prihodnji to-
rek vozil kar z vlakom po naši
državi. Pot ga bo peljala iz Cin-
cinnatija v Columbus, od tam pa
v Toledo. Med potjo se bo nje-
gov vlak ustavljal na večjih po-
stajah.

Noč in dan sta na nogah tudi
senatna kandidata republikanec
Saxbe in demokrat Gilligan.
Kongresnih kandidatov je pa
preveč, da bi jim mogli slediti.

Naj omenimo le republikan-
sko kandidatino Mrs. Bolton, ki
kandidira v 22. okraju. Svoj
program razlaga posebno vneto
republikankam. Ostro obsoja
zlorabo vprašanja o bombardiran-
ju, saj vendar bombardiranje
rešuje življenja naših vojakov.
To njeno stališče pa ne pomeni,
da je zašla med kragulje. Noče
ne med kragulje ne med golobe,
ker se smatra za "ameriško orli-
co". Na ta naslov je pa res lahko
ponosna.

Biafra trdi, da vrše čete zvez-
ne vlade rododom nad Ibi, kar
pa v Lagosu zanikavajo in so po-
vabili mednarodne opazovalce,
da bi to lahko potrdili. Ker je
teh premalo, je njihovo pričanje
pomanjkljivo in ne prepričujo-
če.

Poizvedovalni uradi našli svojega kritika

komaj nekaj nad 100,000 gla-
sov.

Bean tudi danes ne verjame
napovedim poizvedovalnih a-
gencij kot so Gallup, Harris
itd. Vse te agencije napovedu-
jejo vsaj precejšnjo večino za
Nixona. Bean misli, da je dan-
es razlika med republikan-
skimi in demokratičnimi volivci
zopet zelo majhna, govori
pa v Nixonovo korist. "Če se
bo Humphrey potrudil zad-
njih par tednov tako, kot se je
l. 1964 Goldwater, bo pa zma-
gal," trdi Bean. Po njegovem
je Goldwater pridobil zase v
oktobru 1964 kakih 10-12%
glasov. To je bilo premalo, da
bi podrl Johnsona.

Ben misli, da se bodo demo-
kratje bolje odrezali pri volit-
vah za kongresnike kot za
predsednika ZDA, vendar pa
prihodnji Kongres ne bo po-
kazal pomembnejše razlike v
primeri s sedanjim. To pred-
videvajo tudi poizvedovalne
agencije.

Bean ne da dosti na poizve-
dovanja po posameznih drža-

Rusi še ne mislijo na skorajšnji polet na Luno

NEW YORK, N.Y. — Ruski
specijalist za vesolje profesor
Sedov vodi rusko delegacijo na
19. kongresu Mednarodne astro-
navtske federacije, ki se trenut-
no vrši v New Yorku. Ob tej
priliki je imel tudi tiskovno kon-
ferenco, ki je na njej izredno
svobodno pripovedoval, kaj mi-
sli o raznih problemih, ki se ti-
čejo vesolja. Zanimiva je bila
njegova izjava, da Rusi še ne
mislijo na polet na Luno. Zadnji
polet njihove rakete Zond 5 je
imel namen prekontrolirati teh-
niko, kako je treba gondolo
spraviti na varno nazaj na zem-
ljo. Namen je bil torej drugačen,
kot so mislili strokovnjaki v Ev-
ropi in Ameriki.

Povedal je tudi, da morajo Ru-
si najti še celo vrsto tehničnih
rešitev, predno bodo mislili na
polet na Luno, ki ga pa še ne bo
kmalu. Pač pa mislijo ruski
znanstveniki na potrebo po po-
sebnih "znanstvenih laboratorij-
ih", ki naj bi krožili okoli Lune.
V Moskvi so bili zelo veseli, da
se je gondola rakete Zond 5
vrnila na zemljo nepoškodovana
z vsemi podatki, kar so jih na-
brali avtomatični instrumenti.

Končno je profesor Sedov še
omenil, da se njegovi sodelavci
pečajo resno z načrtom, da bi
čim prej poslali raketo na Vene-
ro. Raketa naj ne bi padla na
Venero, naj bi se počasi spuščala
no njeno površino.

ZDA bi se rade znebile odstavljenega Ariasa

WASHINGTON, D.C. — Za-
stopnik ZDA pri Organizaciji a-
meriških držav je predložil pred-
stavnikom držav Latinske Ame-
rike, naj ponudijo politično zato-
čišče dr. A. Ariasu, pretekli pe-
tek odstavljenemu predsedniku
Paname. Doslej ni nobena od
teh držav takega povabila izda-
la.

Združene države bi rade vi-
dele, da bi odstavljeni Arias čim
prej odšel iz kanalske cone, da
ne bi prišlo do povečanja nape-
tosti in morebiti celo do demon-
stracij in izgrediv. Dokler bo
Arias tam, bo vedno znova sku-
šal dobiti priložnost za ščuvanje
k uporabi proti vojaški vladi.

MRS. JOHN F. KENNEDY SE BO PONOVRNO POROČILA

Vdova pokojnega predsednika Johna F. Kennedyja Jac-
queline se bo poročila z Aristotelom S. Onassisom,
grškim ladijskim magnatom. Včeraj je s hčerko Caro-
lino in sinom Johnom odletela v Atene. Poroka bo v
Grčiji, nekateri trdijo, da že danes, drugi pa 25. ok-
tobra.

WASHINGTON, D.C. — Vče-
raj je Mrs. Hugh D. Auchincloss,
mati Mrs. John F. Kennedy, ob-
javila, da se bo njena hči, 39 let
stara vdova po pokojnem pred-
sedniku ZDA, poročila z 62 let
starem Aristotelom S. Onassis-
om, grškim bogatašem, lastni-
kom številnega trgovskega lad-
jevja. Čeprav so imenovana dva
v preteklih mesecih ponovno vi-
deli skupaj, je bila objava njune
poroke le nekako presenečenje.
Mrs. John F. Kennedy je sinoči
odletela s svojo hčerko Carolino
in s sinom Johnom v Atene. Po-
roka bo po vsem sodeč v Grčiji,
nekateri trdijo, da že danes, dru-
gi pa 25. oktobra. Ker je bil Ari-
stotel S. Onassis že ponovno po-
ročen, s svojo prvo ženo v prav-
oslavni katedrali v New Yorku,
je katoliška cerkvena poroka in
nemara tudi pravoslavna nemo-
goča.

Aristotel S. Onassis je bil ro-
jen v Turčiji, pa je moral od tam
kot Grk leta 1920 bežati. Odsel
je v Argentino, kjer se je lotil
uvažanja tobaka in v nekaj letih
zaslužil prvi milijon. Kasneje se
je lotil pomorskega prometa in
je zdaj eden največjih privatnih
lastnikov ladjevja. Njegovo pre-
moženje cenijo na okoli 500 mi-
lijon dolarjev. Znan je bil kot
lastnik igralnice Monte Carlo v
Monaku, ki pa jih je lani na pri-
stisk kneza Ranierja prodal kne-
ževini Monako. Prvič se je po-
ročil z Athino Livanos, hčerko
enega od svojih tekmecev v po-
morstvu, leta 1946 v grški pravos-
lavni stolnici v New Yorku. Iz
tega zakona ima 20 let starega
sina Aleksandra in 18 let staro
hčer Christino. Po 14 letih sta se
Athina in Aristotel ločila. Athi-
na je bila tedaj stara šele 30 let
in se je kasneje poročila z Mar-
quessom od Blandforda, vojvodo
od Marlborough, članom rodbine
pok. Winstona Churchilla. A. S.
Onassis se je nato poročil z zna-

Zadnje vesti

HOUSTON, Tex. — Danes do-
poldne bo minil en teden, kar
krožijo okoli Zemlje ameriški
astronavti v vesoljski ladji
Apollo 7. Vse je v popolnem
redu in če ne bo nobenih
sprememb, bodo ostali na svo-
jem poletu 11 dni.

CLEVELAND, O. — L. Harris
je na svojem zadnjem povpra-
ševanju javnega mnenja, kon-
čanem 10. oktobra, dognal, da
se je razlika med Nixonom in
Humphreyjem zmanjšala na
samo 5 točk. Za Nixona se jih
je izjavilo 40%, za Humphrey-
ja 35%, za Wallacea 18%,
neodločenih pa je še 7%. Po-
ložaj se je torej za Humphrey-
ja bistveno izboljšal in napo-
vedovalci Nixonove zmage 5.
novembra so postali manj
gotovi.

STOCKHOLM, Šved. — Noblovo
nagrado za literaturo je dobil

raj opravičil Mednarodnemu
olimpijskemu odboru za nepri-

nacionalizma, pri podelitvi
olimpijskih medalij v sredo. V
včerajšnjih tekmovaljih je
zmagal v teku z zaprekami na
110 metrov Amerikanec W.
Davenport in si priboril zlato
medaljo. Četvorica ameriških
plavaljk je odnesla zlato me-
daljo v plavanju na 400 me-
trov, četvorica plavalcev pa
prav tako na 400 metrov.

Komunizem za 50 let nazaj!

Svet je že čisto pozabil, da se je tudi ruski komunizem rodil pred 50 leti v velikih bolečinah. Ni mu bilo dano, da bi bil na prvi pogled zadel pravo obliko svoje notranje in zunanje politike. Nas trenutno zanima na tem mestu samo rojstvo ruske zunanje politike. Zunanja politika se je rodila v duhu gesla "Proletarci vseh dežel, združite se!" Glavni zagovornik tega gesla je bil Trocky, ki je že videl v duhu, kako postaja vsa Evropa rdeča in kako se ji bo kmalu priključil ves svet.

Niso pa bili vsi takratni vodilni komunisti istih misli. So zagovarjali stališče, da je najprej treba utrditi komunizem na Ruskem, potem šele iti dalje. Med obema strujama je trajal hud notranji boj, dokler ni zmagoval stališče, da je treba najprej utrditi komunizem na Ruskem, potem šele misliti na njegovo širjenje po vsem svetu. Voditelj struje svetovne revolucije Trocky je moral iti v izgnanstvo in s tem je prevladala struja, ki je postavila za geslo: vsak komunist mora najprej delati v korist ruskega komunizma, potem šele lahko misli na svojo domačo deželo in na lasten narod. Stalin je potem to teorijo dognal do vrhunca. Zagovarjal jo je tudi po drugi svetovni vojni, ko je v Evropi nastalo nekaj novih komunističnih držav. Misli, da jih bo lahko tako krotil, kot je krotil na primer Ukrajino. To je dosegel povsod, le v Jugoslaviji ne. Tito je začel hoditi svojo pot v komunizem in to je pomagalo na noge tisti struji, ki je zagovarjala idejo o neodvisnosti rdečih držav, o prepovedi vmešavanja v notranje razmere tujih držav, o ravnopravnosti vseh držav itd. V Kremli so se temu upirali, toda tri leta po Stalinovi smrti sta šla Hruščev in Bulganin v Beograd in tam oklicala novo rusko stališče, ki se je v bistvu krilo z jugoslovanskim.

To je pognalo rusko politiko na usodno pot. Odpovedati se je morala svoji "vodilni vlogi" v mednarodnem komunističnem svetu, priznati je morala komunističnim strankam pravico do formiranja lastne partijske politike in celo do lastne politične filozofije. Želja po lastni poti v komunizem je postala tako privlačna, da jo je hotela izrabiti vsaka komunistična stranka. Tako smo v teku enega desetletja prišli tako daleč, da smo dobili toliko raznih komunizmov, kolikor je nastalo komunističnih strank. Moskvi se je v začetku vsaj posrečilo, da je ostala prva med enakimi. Pa so prišli kitajski tovariši in začeli spodbijati to prvenstvo. Končno je ruski ugled in vpliv padel tako globoko, da se stranke niso hotele niti udeleževati kongresov, ki so bili sklicani brez njihovega pristanka. Večala se je tudi kitajska "nevarnost". Oddaljila od Moskve se je že Albanija, Romunija se je podala na isto pot, komunistične partije na drugih kontinentih so pa začele škiliti kot kameleoni z enim očesom v Moskvo, z drugim v Peiping.

Med tem je zaskrbljenost v Moskvi rastla. Precep, ki je grozil Kremliju, je bil jasen: ali nadaljevati sedanjost pot razgovorov, posvetovanj, debat, kar bi samo razvodenilo ostanke nekdanje komunistične solidarnosti, ali pa se vrniti na idejo o mednarodnem partijskem centralizmu, ki naj bi Moskvi dal isto veljavo, kot jo je imela v komunističnem svetu pred drugo svetovno vojno. Pot nazaj na mednarodni partijski centralizem bi bila naravno zvezana z velikimi žrtvami. Pognala bi skoraj vsako komunistično stranko v hudo notranjo krizo, tovariši bi se v njej razbili v najmanj dve struji, za in proti centralizmu. Pri tem je treba pomisliti, da je že sedaj komunizem razbit na dve struji, rusko in kitajsko. Tako bi se ves komunistični svet zdobil na kosce, ki bi se divje klali med seboj, kot se sedaj grizejo med seboj moskovski in peipinški tovariši. Iz tega razsula bi morala potem Moskva v dolgi vrsti let ali celo desetletij ustvarjati z mukami in žrtvami novo komunistično skupnost in ji dati podobo prvotnega komunizma iz dobe 1917-1945. To je huda in nevarna pot, zato se v Moskvi niso mogli nanjo odločiti dolga leta. Še posebej radi tega ne, ker niso vedeli, kako se bo sukala usoda kitajskega komunizma.

Pa je med tem čisto nepričakovano nastopila kriza češkoslovaškega komunizma. Odkrila je pot, kako lahko protikomunizem prav s komunističnimi gesli in idejami spodkopije vse, kar velja za dogmo v ruskem komunizmu. Kriza češkoslovaškega komunizma ne pomeni samo začetka konca komunizma, je tudi nalezljiva družbena bolezen, ki kaj hitro lahko okuži tudi vse zdrave komunizme, še celo ruski ne bi bil dosti odporen proti njej.

O vsem tem so zadnje mesece na dolgo in široko premišljevali v Kremliju, dokler se niso končno odločili za pot nazaj za 50 let. Vrniti se je treba k marksizmu-leninizmu iz 1. 1917-1918, rabiti je treba, ako ne gre drugače, tudi silo, sprijazniti se je treba, da bo povratek na otroška leta ruskega komunizma uničil sadove skoraj 50-letnega partijskega dela po svetu. To bodo žrtve, da postane Moskva zopet za-

četek in konec pravovernega komunizma.

Podlago za tako politiko za 180 stopinj nazaj naj da pokop takih načel, kot so suvereniteta držav in narodov, prepoved vmešavanja, ravnopravnost, neodvisnost, integriteta državnih mej itd. Kdor je komunist, mora biti najprvo komunist, potem šele pripadnik tega ali onega naroda in države.

Ves ta načrt za novo preobrazbo komunizma je tako globok, da ga na prvi pogled niti dojeti ne moremo. Moti nas dalje tudi to, da je še povezan s "slučajem Češkoslovaške", kar zapelje na domnevo, da so v Kremliju izmislili sedanjost partijsko preobrazbo, da opravičijo svojo politiko do Češkoslovaške. Zdi se, da je Češkoslovaška samo prva žrtev novega koncepta komunizma, ki so ga skovali v Moskvi, druge bodo še sledile. Odtod tudi taka živčnost pri vseh satelitskih partijah, tudi pri jugoslovanski.

Kot vsaka človeška stvar, ima tudi ta analiza svoj "če". Vse to, kar ima Moskva sedaj v načrtu, je mogoče le takrat, ako se v Kremliju samem kaj ne spremeni. Tam so živci napeti do skrajnosti, tam je morda volja do kompromisov zmeraj manjša. V tem slučaju bo seveda struja, ki je danes v manjšini, skušala s silo uveljaviti svoje stališče. Takrat bo pa svet stal pred novo situacijo in novimi skrbmi. I. A.

BESEDA IZ NARODA

Father R. Hobart zapušča slovensko faro

CLEVELAND, O. — Minulo sredo, 16. oktobra, je Father Raymond T. Hobart zadnjikrat maševal pri Mariji Vnebovzeti v Collinwoodu v Clevelandu. Pri oktobrskih prestavah duhovnikov je bil poslan k fari sv. Felicite, nekaj milj dalje proti vzhodu clevelandške škofije, v lepem rezidenčnem kraju Velikega Clevelanda. Fara ni narodnostna, v župnijo pa spada tudi nekaj slovenskih duhovnikov.

Kakor so pred štirimi leti, ko je bil Father R. Hobart prestavljen od Sv. Vida k Mariji Vnebovzeti, svetovidski farani žalovali in otroci jokali, tako žalujejo sedaj v Collinwoodu. Father Hobart bo vse življenje spremljala priljubljenost med župljani, ker je vnet in prijazen dušni pastir za vse in ima posebno veliko srce za mladinolce.

Zabeležimo še nekaj ob predstavitvi Father Hobarta. Kot vzoren duhovnik je odločno škofa sprejel z opazko: "To je škofova odločba in zame božja volja." V današnjih časih, ko slišimo tolikokrat vesti o nepokorščini duhovnikov do škofov in celo do papeža, je to važno podariti.

Ko je Hobartova mama slišala o predstavitvi, je jokala in sinu rekla: "Sedaj boš pa pozabil, kar te je stara mama tako lepo učila, da ljubiš slovenski materin jezik in ohraniš slovensko čuteče srce." Mi smo prepričani, da Father Hobartu ne bo nihče izruval tega, kar mu je dobra stara mama zasadila v srce, čeprav bo morda nekaj časa govoril z Izraelci v Babilonu: "Kako bomo peli, ko pa nismo v domači teželi." Father Hobart je še mladi in sedanja predstavitev ni zadnja. Slovenske farane naj tolaži. Ohranili ga bodo še nadalje v svojem srcu, Father Hobart se bo pa vedno zavedal, da je njihov.

Župnik Father N. Tomc, ki s to predstavitvijo zgublja zvestega pomočnika, vabi farane, da pridejo v nedeljo, 27. oktobra, ob 7. zvečer, da stisnejo Father Hobartu roko v slovo z zahvalo za vse, kar je zanje dobrega storil. Boste videli, kako bo dvorana polna.

Upokojeenci v Newburgu obelajajo prijeten večer

CLEVELAND, O. — Bliža se čas, ko ne bo mogoče več pripraviti naših prireditelj v naravi, morali bomo pod streho na toplu. V naših narodnih domovih in dvorah je za take namene dovolj prostora. Slovenski upokojeenci v Newburgu smo sklenili prirediti večerjo in ples v Slovenskem narodnem domu na E. 80 St. in povabiti vse rojake in rojakinje. Prireditelj je do-

ločena za 9. november.

Večerjo bodo pripravile hčerke Mr. in Mrs. Anton Gorenc. Pripravile bodo dovolj in vsakovrstnih dobrot. Članice kluba bodo postregle in nosile na mize. Poskrbljeno bo tudi za glasbo. Igrala bo F. Culkarjeva godba. Natakariji bodo gledali, da ne bo nihče ostal žejen. Postregli bodo z močno žgano, sladko ali kislo pijačo. Vsakemu po okusu in želji!

Na ta prijeten večer vabimo vse rojake in rojakinje. Pridite, vesela družba nas bo vse poživila in razvedrila. Srečali se bomo s starimi znanci in prijatelji ter se spominjali starih, lepih dni, pa malo pokramljali tudi o današnjih dneh in njih težavah.

Vstopnice za večerjo in ples stanejo \$2.50 in si jih priskrbite v naprej, da ne boste zadnji trenutek v zadregi. Večerjo bodo začeli deliti ob petih. Vstopnice imajo naprodaj vsi uradniki kluba.

Na svidenje v SND na E. 80 St. v soboto, 9. novembra, ob petih.

Ob 40-letnici ustanovitve Podr. št. 25 SZZ malo zgodovine

CLEVELAND, O. — Ker se bliža 40-letnica Podružnice št. 25 SZZ, bom napisala nekaj zgodovine, kako se je ta podružnica ustanovila.

Ko je Mrs. Prisland ustanovila Slovensko žensko zvezo v mestu Sheboyganu, je pisala Slovenkam po raznih slovenskih naselbinah, naj ustanove podružnice. Pisala je tudi v Cleveland vplivnim ženskam. Nastala je prva podružnica št. 10 v Collinwoodu, druga št. 14 v Euclidu, tretja št. 15 v Newburgu in št. 21 na West 30. cesti. Nato smo se zdramile tudi st. clairske Slovenke. Meseca novembra 1928 smo imele svoje nekega takratnega društva J.S.K.J., sedaj A.B.Z. Pri dotičnem društvu je bila tajnica pokojna Mary Bradač, ki je bila tudi že članica podružnice št. 10 Slovenske ženske zveze. Tam se nas je zbralo kakih deset žena, ki smo sklenile, da skličemo sestanek s pomočjo Mary Bradač in ustanovimo novo podružnico SZZ. Mary Milavec je dala na razpolago svojo veliko hišo na 71. cesti. Potem smo šle okoli svojih prijateljic in jih pridobile za članstvo. Dne 23. novembra 1927 je bila ustanovljena st. clairska podružnica, ki je dobila številko 25. Istega dne sem podpisana prejela karto od Albine Novak, sedanje glavne tajnice SZZ, naj pridem na sestanek, da bo ustanovila podružnico SZZ. Potem, ko je pa zvedela, da je že ena podružnica, je to opustila in pristopila k št. 25.

Prvi odbor nove podružnice je bil sledeči: predsednica Frances Ponikvar, podpredsednica Rose

Konečnik, tajnica mlada Mary Brodnik, blagajničarka Dorothy Strniša, zapisničarka Mary Jemc, nadzornice Mary Peterlin, Mary Milavec, Rose Zupančič, rediteljica Katy Bartol. Zborovale smo v stari šoli sv. Vida. V tretjem nadstropju je bila dvorana in vsaka sejo je bila polna, včasih smo se bale, da se bo šola podrla, ker je bila stara. Po tolikih letih še vedno zborujemo pri Sv. Vidu, seveda v novi šoli.

Ker smo bile vse mlade, smo imele veliko veselje delati za slovensko žensko organizacijo. Ko smo dobili mesečnik "Zarja", so vse zmogne članice dopisovale vanj, druge pa smo se učile, se medsebojno spoznavale in se izobraževale. Meni kot Slovenki, je Slovenska ženska zveza zelo pri srcu že od vsega začetka in še danes, ker jo vodijo same žene. S to organizacijo smo slovenske žene pokazale, da smo tudi nekaj zmogne, čeprav smo prišle sem pred 40 leti večina le z ljudskošolsko izobrazbo.

Pa naj se povrnem k podružnici št. 25. Prva leta smo hitro napredovale, prirejale smo igre, včasih po dve na leto. Tistih igralcev, ki so takrat nastopali, je še nekaj živih. Imele smo plesne veselice z vstopnino 50 centov. Na teh veselicah v Knausovi dvorani je bila vedno zelo velika udeležba. Na članstvu je podružnica hitro rastla. Spočetka je tajnica pošiljala samo imena novih članic, ne pa imen tistih, katere so pridobile nove članice in koliko. Podružnica je že imela 1100 članic po zaslugi agilne Mary Otoničar. Sedaj nas je nekaj manj, pa smo še vedno največja podružnica Slovenske ženske zveze.

Od začetka smo bile vse mlade in nismo imele smrtnih slučajev. Sedaj, ko se staramo, jih imamo vedno več. Dobre, stare članice odhajajo v večnost, iz katere ni povratka. Od ustanoviteljic podružnice št. 25 smo žive še sledeče: Dorothy Strniša, Mary Peterlin, Mary Modic, Mary Brodnik, Mary Zupančič in Jenie Zigavec, torej šest. Podpisana sem odbornica od začetka.

Sedaj Vas, drage članice, vabim in prosim, da pridete na praznovanje 40-letnice podružnice št. 25 SZZ v nedeljo, 27. oktobra 1968, pri Sv. Vidu. Ob 11.45 bo sv. maša za žive in mrtve članice. Če le mogoče, pristopite tudi k sv. obhajilu. Ob enih popoldne bo v farni dvorani slavnostno kosilo. Preskrbite si, drage članice, vstopnice vnaprej, da bomo vedele, koliko obedov pripraviti. Mnenja sem, da je dolžnost vsake članice kupiti eno vstopnico. Cena teh je \$2.50.

Na svidenje, če Bog da, v nedeljo, 27. oktobra, na praznovanju 40-letnice podružnice št. 25 SZZ!

Vsi prisrčno vabljeni!

Dorothy Strniša, zapisničarka

Kje smo Slovenci?

STOCKTON, Calif. — Ko sem na vprašanje odgovoril, da sem begunec iz Jugoslavije, po rodu Slovenec, me je začudeno pogledal in nadaljeval z vprašanji. Pojasnil mi je, da je delal v velikih moderni pekarni na jugu kalifornijske države, kjer je zaposlenih preko 40 Jugoslovancev.

Ti pač nisi prišel iz Jugoslavije, je zaključil svoje pripovedovanje. Sedaj mu je znano, da v tej državi živi narod in to slovenski. Koliko je takih, ki ne vedo za naš narod...? Naša narodna dolžnost je, da budno pazimo na take primere in potem tudi jasno in razločno razložimo, kdo in od kje smo.

Gospa, o kateri pišem, je lastnica prodajalnice knjig... Pozna Jugoslavijo, je pa zamenjala Slavonce za Slovence... Kdo je kriv, kje leži naša površnost, da ljudje ne poznajo našega naroda, saj nas je dovolj tudi v vseh državah Severne Amerike. Ime-

novani se niti sanjalo ni, da imamo svoj jezik in vse ostalo, kar pripada ostalim narodom v svetu.

To je resnica o Slovencih in našem narodu v dvajsetem stoletju. Kdo se upa nasmejati in iti preko teh pisanih vrstic?

Balincarski klub S. D. Doma

CLEVELAND, O. — Jako hitro teče čas in še prehitro je poteklo poletje, ko smo se lahko zunaj v lepi naravi in v hladnih sencah zabavali in uživali sveži zrak. Zdaj imamo jesen in bliža se dolga, neprijetna zima, ko se bomo morali umakniti pod dobro in zanesljivo streho, kjer ne bo mraz pihal skozi okna. V Slovenskem delavskem domu na Waterloo Rd. imamo lepo urejene prostore, da se bomo lahko celo zimo od dolgih večerih kratkočasili z balinanjem.

Naš balincarski klub šteje čez sto članov in članice. Opozarjamo vse prijatelje in znance, da lahko postanejo člani, ker je članarina samo en dolar na leto. Lahko bomo celo zimo tekmovali med seboj. Ker sploh za nas starejši ljudi je jako dobro, da se malo sprehodimo, da ne bodo naši udje čisto zastali.

Dne 9. novembra priredi naš balincarski klub prosto zabavo in balincanje. Začetek ob 6. uri zvečer. Če boste hoteli pristopiti v naš klub, vas bo pridni in aktivni tajnik John Korosec z veseljem zapisal. Ne pozabite na 9. november in pripeljite svoje prijatelje in prijateljice na prosto zabavo in balincanje!

Vabi odbor.

Važna je temperatura jedi in pijače

Jed mora tekni. Kadar tekne, pridejo na svoj račun vsi človekova čutila. Vendar ne velja to za vse starostne dobe. Novorejenček še nima razvitih vidnih in slušnih zaznavanj. Pri naravnem nagonu mu pomagata vonj in otip. In prva zadovoljitev teh morda še dolgo deluje v podzavesti, tudi v poznejših letih. Kadar pa odrasel človek je z užitkom, delujejo pri njem zavestno vsa čutila.

Znano je, da jemo najprej z očmi. Vonj in okus sta skoraj neločljivo povezana. Kadar smo nahodni, jemo tudi najboljše jed, kakor bi jedli slamo. Marsikatera kuharica jedi sploh ne poskuša, temveč jo samo povonja — podatke je zanesljiv. Užitek pri jedi poveča tudi šum, ki ga slišimo, ko ugriznemo v dobro zapečeno rezino kruha, opečen kos mesa. Občutek na jeziku je pri trdih in gostih jedeh drugačen kot pri tekočih in redkih. Zato je važna tudi trdnost jedi. Čista juha, ki se nam zdi zelo slana, bi bila legirana odličnega okusa. Dobra kava ne sme imeti vodenege videza. Omake in kreme so bolj ali manj okusne tudi zaradi gostote.

Na okus najbolj vpliva temperatura jedi. Zato je za marsikatero jed predpisano že v receptu: postreženo takoj, damo na mizo še toplo, je ponudimo do oro ohlajeno in podobno. Sufle na primer ne more čakati na odjemalca, temveč čaka odjemalca — torej postrežemo takoj. Vrela ali mrzla špinača nima tištega značilnega okusa, torej damo na mizo toplo špinačo. Puding je najboljši, če je ohlajen, torej ga prej ohladimo itd. Jedi, ki naj pridejo na mizo tople, ponudimo v posodah, v katerih smo jih pripravili (jensko steklo ali proti ognju odporni porcelan) ali pa si pomagamo takole: krožnike prej dobro segrejejo. Razen tega, moramo pri pripravljanju jedi paziti še na nekaj. Ko jih začinjamo, moramo vedeti, ali jih bomo ponudili tople ali hladne. Vroča kava, ki se nam zdi grenka, bo na primer precej bolj sladka, ko se bo ohladila. Torej manj sladkorja za hladno kavo! Meso za mrzlo pečenko moramo nekoliko bolj začiniti kot za toplo, da ne bo premilega okusa. Ledene sladice bolj sladkamo kot tople ali mlačne. Navadne sorte vin so boljše, če so primerno ohlajene, plemenitih sort pa ne smemo nikdar preveč ohladiti.

Prevroče ali premrzle jedi in pijače niso zdravju v prid. Navadno menijo, da so temperature nad 130 F in pod 32 stopinj F neprimerne za želodec, črevesje in druge organe.

Nekaj temperatur, ki jih priporočajo:

voda okoli 55 F
kislavoda, sifon 50 do 55 F
belo vino 50 F
rdeče vino 62 do 65 F
pivo 50 do 55 F
kava, čaj 100 do 110 F
juhe 95 do 115 F
mleko ne pod 65 F
mleko ne nad 105 F.

Jedem in pijačam, ki stoje dolga časa v hladilniku, pade temperatura znatno pod navedeno stopnjo. Zato moramo biti silno previdni, posebno kadar je želodec še prazen, da ne pride do želodčnih motenj. Še bolj kot pri otrocih, hodimo previdni pri odraslih, ki vrh vsega tako radi pijejo v prevelikih požirkih.

METOD JENKO in
VIKTOR HASSL

Alfred ga je samo jezno ošinil in je ni zini. Simon je še prijazneje stopil bliže in mu ponudil roko. Alfred je ni hotel sprejeti in se je obrnil vstran. Simonu je bilo sila nerodno, kar zardel je; dobro ga je razumel, saj je vedel, kaj misli o njem Alfred, a mu ni bilo prav nič mar. Prijel ga je za roko in odvedel iz delavnice.

"Gospod Kraus! Oglejte si sobico; mislim, da vam bo všeč. Prav taka je, kakršno ste si želeli." Poleg delavnice je bila lepo opremljena sobica za počitek.

Alfred je hladnokrvno stopal in ogledoval sobo, nato pa odločil plašč. Videti je bil zadovoljen s skrbno ureditvijo, saj se je Simon res potrudil, da bi ga zadovoljil; vedel je pač, da je od tega odvisno Alfredovo razpoloženje in delo.

Alfred je samo prikimal in sledil; bil je radoveden, kako je vse urejeno. S posebnim ponosom je Simon odprl vrata, ki so peljala v laboratorij. Alfred ga je prehitel in vstopil prvi. Zagledal se je in obstal kakor okamenel. Se zdaleč si ni mogel misliti, da bi bil mogel Simon tako lepo in dovršeno napraviti. Na prvi pogled je videl, da je urejeno vse tako, kakor si je sam zamislil, kakor je bilo v Erwinovih načrtih. Ko se je naužil lepote ob pogledu na krasne stroje, je stopil od stroja do stroja in si vse natančno ogledal. Oči so mu od samega navdušenja kar žarele, zakaj vse je bilo v najlepšem redu. Navdušen je plesnil z rokami in se obrnil k Simonu in ga vprašal: "Kako le ste mogli vse tako lepo napraviti?"

Simon se je tega nepričakovane Alfredovega vprašanja nekam prestrašil in v zadregu sta mu upadla pogum in ponos. Pričakoval je, da bo Alfred sedaj obračunal z njima, v hipu je pobledel z roko pa je segel v žep in zagrabil revolver. Srečo je gledal predse in čakal, kaj bo.

Alfred je opazil Simonovo zadrego in strah, videl je tudi, kako je segel v žep. Zasmeyal se je in rekel: "Le brez skrbi dajte roko iz žepa, pustite tisti vaš revolver pri miru. Če me ubijete, je vse vaše podjetje obsojeno. Poglejte samo tista gor, vidite tiste žarnice? Te še niso v redu!"

Z roko je kazal žarnice. Tudi razburjeni Simon jih je pogledal, potem pa hlastno vprašal: "No, kaj jim manjka, zakaj niso v redu?"

V odgovor se mu je Alfred široko zarežal: "Seveda, seveda,

gospod Simon. Lepo bi bilo, če bi vam povedal; v naslednjem trenutku bi me že ustrelili. Ali za sedaj ne boste še nič zvedeli. Zanima me predvsem, če ste že napravili govorniški oder, kakor sem zahteval. Prosim, pokažite mi ga!"

"Kar pogledajte skozi tole okno, prosim, pa ga boste videli."

Alfred je stopil k oknu in opazil govorniški oder, ki je stal pred veliko tribuno; tam bodo sedeli največji newyorški bogataši in ministri. Alfred je opazil veliko ložo. Pogledal je natančneje in videl, da je bila prav potratno opremljena. Bil je radoveden; kdo bo tam sedel. Vprašal je Simona: "Kdo bo sedel v tisti loži?"

Simon mu je zgovorno razlagal, da bodo tam državni predsednik in ministri ter zastopniki tujih držav, malo nižje pred njimi pa njegovi družabniki.

"Ha!" je nenadoma vzkliknil Alfred. "Torej bodo vsi lahko slišali, kako ste me dali mučiti v jetnišnici. Slišali bodo o vašem zločinskem ravnanju in o vašem brezvestnem pohlepu po slavi in denarju! Izvrstno!"

Simon je obstal ko pribit, kar vroče mu je postalo. Pri tem se je spomnil na Viktorja S'erna. Obšel ga je strah, kaj če ta ne bi uspel s svojim načrtom.

"Pustiva to, gospod Kraus. Ne bi morda želeli, da poženeva vse stroje, da bi videli, kako delujejo?"

"Da, tudi jaz sem mislil na to. Toda to lahko opravi brez vas. Spornili se boste, da sem zahteval, da hočem biti popolnoma sam v laboratoriju!"

Simon ni mogel drugače, kakor da je dejal: "Prav. Povejte mi samo, za kdaj lahko napovemo odlet?"

"To vam povem čez kako uro. Sedaj pa želim, da se odstranite!"

"Dobro!" mu je vdano rekel Simon. "Tu imate ključ, izročam vam jih, kakor ste želeli; zaprite se, da boste nemoteno delali. Zgoraj pri kontrolni postaji pa imate telefonsko zvezo z oddelkom električne centrale."

S hitrimi in odločnimi koraki je pustil Alfreda samega. Alfred pa se je skrbno zaklenil. Vrata so bila železna in silno težka. Zmagoslavno je nato stopil k stikalni plošči. Počasi in previdno je vključil vse stroje in velike motorje. Stroj so zmagoslavno zapeli, kakor bi se veselili Alfredove navzočnosti. Alfred se je razjokal...

Mogočno so brneli čudoviti stroji, zresnili so se in peli slavo človeškemu razumu, ki jih je

poklical v življenje, da mu služijo.

Spodnji del laboratorija je bil popolnoma v redu in vse je lepo delovalo. Stopil je v prvo nadstropje. Nekaj časa je ogledoval naprave nato začel nadzirati na instrumentih napetost primarnih krogov vsega pogonskega stroja. V tem nadstropju je bila glavna stikalna plošča. Polnih deset minut je pustil teči vse stroje, da jih je mogel nadzirati. Vse do najmanjše potankosti je lepo delovalo. Vse je bilo na pravem kraju in je pravilno kazalo. Posebna naprava je merila brzino obratov. Alfred se je čudil natančnosti in dovršenosti. Pazljivo je gledal na znamke tovarna, ki so izdelale stroje in dobavile sestavne dele. Ko se je prepričal, da vse pravilno deluje, se je vzel po železnih stopnicah v gornji odletni prostor. Nepopisno veselje ga je navdalo, ka je sedel na toliko zaželeni stolček, od koder bo vodil ves polet. Skrbno in previdno je pogledoval zdaj na desno, zdaj na levo in pognal vse oddajne in sprejemne postaje in še televizijsko postajo.

Skozi razgledno okno je gledal v spodnji prostor, kjer je bil globus in ga ostro opazoval. Premik enega samega ročaja je pognal veliki globus.

"No, radoveden sem," si je dejal Alfred, "kako bodo delovale žarnice?"

Počasi je potiskal ročko za električno gostoto navzdol. Glavno merilo je takoj učinkovalo. Kazalo se je premikalo in bližalo rdeče zaznamovani črti, a do te je še vedno manjkalo pet stopinj; torej se električni tok ni sklenil okoli zemlje.

"Aha!" je pomislil Alfred. "Torej je vendar tako, kakor sem si predstavljal!"

Pogledal je žarnice, in glej čudo! Hitro je postavil ročko nazaj na ničlo in se bliskovito povzpelo do žarnic.

"Neverjetno! Saj so žarnice popolnoma v redu!"

Pogledal jih je od vseh strani in ugotovil njih pravilno zgradbo. Zagledal se je v njih spoj in na prvi pogled opazil, da zveza med vsemi tremi katodami ni bila primerno debela. Ozrl se je naokoli, če ga morda kdo ne opazuje, potem pa stekel v skladišče in prinesel debelo žico. Žarnice je znova zvezal in odšel nazaj v odletni prostor. Zopet je pritiskal na levo ročko in res, kazalo je koj skočilo proti rdeči črti. Pritisnil je ročko do kraja in kazalo je že stalo na rdeči črti. Tedaj so motorji v zgradbi strašno zatulili.

- ★ Mnogim demokratom je znano, da ko so senator Lausche, župan Celebrezze in župan Locher potre-

bovali pomoč v svojih volivnih kampanjah, jim kongresnik 21. okraja ni nikoli pomagal.

- ★ Njen naprotnik je zapustil 21. okraj in ljudi, kateri so ga volili dolgi 14 let. Oni so ga napravili za kongresnika in on jih je zapustil. Ne želimo, da bi se to zgodilo v 22. okraju.
- ★ Čeprav je podpiral v Kongresu Johnson-Humphreyjev program, izgleda, da sedaj hoče opustiti vsako zvezo z našim predsednikom in podpredsednikom.
- ★ Mi smo zvesti demokrati in bomo še naprej podpirali demokratsko stranko. Toda — mi bomo tudi podpirali kongresnico Frances P. Bolton in Vas pozivamo, da se nam pridružite, da bo ta resnično zvesta in zaslužna kongresnica izvoljena v tork, 5. novembra.

Romanian Folk Ballet Schedules Cleveland Appearance October 23

The Romanian Folk Ballet, the celebrated company of ninety dancers, singers and musicians, will perform at Music Hall on Wednesday, October 23rd at 8:00 p.m., presented by the Cleveland Opera Association.

Often called "Ciocirlia" (The Skylark) after the most popular of Romanian folk songs, the huge ensemble with its many hundreds of elaborate costumes is making its second Cleveland appearance. The company has been acclaimed for the exquisite beauty of its women, the virile energy of its male dancers, and the virtuosity of its musicians.

The repertoire will include some of the fastest dances on record, including spectacular "horas", "sirbas" and "calushari" dances. The Company's orchestral ensemble in-

terprets the exciting and romantic folk music that has inspired both long-haired and jazz composers throughout the world on a number of instruments as rare as the lyre Apollo used to entertain the Muses.

Founded at the end of World War II to preserve and encourage the rich folk arts of Romania, the Folk Ballet has performed before hundreds of thousands of people in Western and Eastern Europe and throughout Asia as well as in nearly every town and village of its native land.

Tickets at \$5.00, \$4.00 and \$3.00 are on sale now at the Cleveland Opera Association at 2816 Euclid Avenue, Burrows Ticket Office at 419 Euclid Avenue, and through Higbee's Music Center where they may be ordered and charged by calling 579-3774.

L. Leskovar Named Presidential Elector

Chicago, Ill. — Noted radio personality and community leader, Ludwig A. Leskovar, has been named an Illinois Democratic Presidential Elector representing one of the most cosmopolitan areas in Illinois, the seventh district. This includes the loop and near west side of Chicago. At the recent state democratic convention, Leskovar was among the 26 candidates for the presidential electoral college, namely one each for the 24 congressional and two for the senatorial seats of Illinois. Alderman Vito Marzullo of the 25th Ward, one of the largest in the 7th district, in nominating Leskovar, praised him as a conscientious and foresighted civic leader.

In accepting this position, Leskovar stated: It is a distinct honor, especially as a naturalized American citizen, to be a part of the great democratic process that will elect the next president and vice president of the United States. He further commented, "Both Vice President Humphrey and Senator Muskie have proven themselves to be unparalleled leaders with compassion and intelligence to solve some of the most difficult problems facing our nation."

Leskovar is the first of his nationality in Illinois history to be chosen as a presidential elector. He is active in the Heart of Chicago community as president of the community council, is vice-president of the local chamber of commerce and conducts weekly the Slovenian Radio Program over Station WEDC for 18 consecutive years. He is president of the Slovenian American Radio Club that sponsors annually Slovenian Day in Chicago and is the executive secretary of the American Slovenian Civic Alliance and vice-president of St. Stephen Society of the Slovenian Catholic Union.

He is a member of the Mayor's Advisory Committee, Bishop Kettler Council of Knights of Columbus and St. Sebastian lodge of the Polish National Union; also a member of the Board of Directors of Gads Hill Settlement Center and the Citizens' Association of Chicago.

Expansion Teams Land More

Fine Talent — Richards

Atlanta, Ga. — Paul Richards is convinced that Montreal and San Diego got more talent from the expansion draft than the Astros or the Mets got when they joined the National League seven years ago.

Richards, vice-president of the Braves, rates as an authority on the subject. He was Houston's first general manager and, as such, had the task of putting together a major league team from the material made available by the older clubs.

Now he's on the other side of the fence. He's the man who must decide which players the Braves will protect from the draft.

"With only 15 players among all those owned by each of the ten other teams being protected for the first round, I don't think there is any doubt that Montreal and San Diego got some fine players," Richards said.

Hall of Fame Obtains

Great Gibson's Glove

Detroit, Mich. — Ken Smith, director of baseball's Hall of Fame, left St. Louis with a new item for the Cooperstown, N.Y., shrine — Bob Gibson's glove.

Smith asked the Cardinals' ace for a memento of his 17-strikeout performance in the first game.

"He was wonderful," said Smith. "I mentioned the game ball — somebody had claimed it already — and his uniform and his glove."

"He said, 'You want my glove? Here, take it.'"

"I told Bob we could wait until after the Series," said Smith, "but he said he had other gloves. So he gave us the one he used in the game."

Smith said he would talk to Gibby about obtaining his uniform later.

"I didn't want to strip him before the Series was over," Ken said, laughing.

Bauer Invites DiMaggio

To Return as A's Coach

Oakland, Calif. — Hank Bauer, the A's new manager for next year, wants Joe DiMaggio back as an active coach. DiMag had planned to move into the front office.

"Joe is coming to camp next spring," said Bauer. "He told me he will talk to me about a coaching job then. It will be a great honor and pleasure having him sit on my bench and he'll be a lot of help."

DiMag said he would "go to spring training and then make up my mind."

The Athletics would have five coaches if DiMaggio decided to return.

Stanton's Proposal For Czech People

Congress should pass a resolution expressing "the complete sympathy of the people of the United States with the people of Czechoslovakia" under Soviet occupation.

This proposal was made by James V. Stanton, president of the Cleveland City Council and Democratic candidate for 23rd District Congress.

Stanton expressed the view in talks at a series of house meetings in Rocky River, Parma and Bedford Heights.

Meanwhile, the International Association of Machinists attacked Stanton's opponent, Congressman William E. Minshall, for "betraying the public interest" by voting against an improved meat inspection law. The machinists union said

A year ago, a lecture on Slovenian accomplishments around the world was presented in Slovenian under the auspices of the Slovenian National Library. The attendance was very good and the consensus of the audience was that the lecture should be repeated in English to familiarize also our young people, and our American friends, with the amazing accomplishments of the Slovenians in various countries of the world. The Slovenian National Library is happy to report that such a lecture will be given this Saturday, October 19th, in the Slovenian National Auditorium at 6417 St. Clair Ave., starting at 7:30 p.m. sharp.

NOBODY'S BUSINESS

According to the Constitution, a census is supposed to be taken every 10 years. The original idea was to find out how many people lived in the United States. There was no intention to probe into their private affairs. Now the Census Bureau is going far beyond this and wants the answers to such questions as: whether you have a home freezer, if you have been married before, how many people use your bathroom or kitchen and many other things that are really nobody's business.

The next census is due in 1970. Legislation that deserves unanimous support has been introduced to prohibit the federal government from using this occasion as a means of invading the privacy of American citizens. After all, the purpose of the census is to count people — not the number of gold fillings in their teeth.

Kres To Perform In Chicago On October 26

Chicago, Ill. — The folk dances of Slovenia, performed by 30 young, spirited dancers from Cleveland, Ohio in their first Chicago appearance will mark the festivities of Slovenian Day, Sat., October 26, 1963.

Among the repertoire of the Kres Folklore Group will be a Slovenian peasant wedding, polkas from various provinces and other characteristic folk motifs and all will be dressed in authentic native costumes.

Slovenian Day program, sponsored by the S. A. Radio Club, will begin promptly at 7 p.m. on stage of the St. Stephen gym hall, 1852 W. 22nd Place. The sparkling program also includes singing by the small children of the Slomsek Slovenian school and folksongs by the famed Chicago male chorus, France Preseren. The presentation of the Slovenian Day Proclamation issued by the Mayor of Chicago will be made by "Gospodichna", Darinka Rebrica, 2048 W. 22nd Place who will reign as Miss Slovenian Day. The surprise announcement of the Slovenian Award winner of 1963 will be made during the program. This Award has been given to an outstanding Slovenian annually for the past 15 years.

In Chicago as throughout the world, Slovenians will be celebrating two historic anniversaries, namely, the 50th Anniversary of Slovenian independence and the centennial of the death of Bishop Frederic Baraga, Slovenian missionary among the American Indians.

Emcee of the show is Lud Leskovar, director of the Slovenian Radio Program, broadcast over station WEDC to a wide-spread listening audience among the 100,000 Slovenians in Chicago. The radio hour is celebrating its 18th Anniversary this year.

After the program there will be an evening of dancing planned with everyone welcome to join in to the music of Pete Snyder-Joe Umeck Orchestra, and a special performance by the Vandrovci of Cleveland. A waltz contest, another annual feature, will be held later in the evening. Refreshments will be available including the famed Slovenian nut roll called potica and sausages called klobase.

Tickets for Slovenian Day Festival may be obtained from members of the S.A. Radio Club or at 2032 W. Cermak Rd., call VI 7-6679.

this year I joined in sponsoring H. Res. 1267, urging the Administration to sell Phantom Jets to Israel to correct the military imbalance in the Middle East. In July, during debate on the foreign aid bill the House passed an amendment directing the Administration to take steps to sell the jets to Israel. The Republican Party's national convention at Miami approved a strong platform plank, which I endorsed, promising to provide supersonic fighter planes to Israel and recognizing the need of all nations for assured boundaries, freedom of navigation through international waters and independent existence free from the threat of aggression.

Uday Shankar Slated For Music Hall Oct. 24

Uday Shankar and his company of 30 Hindu dancers and musicians will appear at the Music Hall on Thursday Evening, Oct. 24, at 8:00 p.m., presented by the Cleveland Opera Association.

Shankar, the famous Indian choreographer and dancer who has become a legend in his own lifetime, returns with a new repertoire and a company of his country's finest dancers and musicians. He will bring a program reflecting Indian culture from its most ancient to its most contemporary aspects, with musical interludes played by an orchestra which includes 36 exotic instruments.

The three thousand year old vocabulary of Hindu dance is still employed, with its use of the hands, fingers, lips, brows, neck and head, as well as the body. The dances themselves have been related to the passage of time and the succession of changing events that make up life.

There has been a tremendous resurgence of interest in the arts of India due in part to such widely different interpreters of Indian music as Yehudi Menuhin in the classical field and the Beatles in the popular area.

Tickets at \$5.00, \$4.00 and \$3.00 are on sale now at the Cleveland Opera Association at 2816 Euclid Avenue, Burrows Ticket Office, 419 Euclid Avenue, and through Higbee's music center where they may be ordered and charged by calling 579-3774.

Christmas Gift Parcels To Foreign Countries

Conditions existing in certain foreign countries, together with possible lack of adequate transportation facilities during the heavy mailing period, in December, emphasizes the necessity for early mailing of Christmas gift parcels to countries overseas.

The distance frequently involved in the transmission of parcels by surface means, as well as custom inspection and other formalities to which parcels may be subjected in the country of destination, requires that mailing of parcels be made as early as practical to assure delivery before Christmas Day. Sender can be reasonably assured that parcels mailed not later than the date shown below will reach their destination before Christmas.

Surface Air

Canada and Mexico	Dec. 5	Dec. 16
South and Central America	Nov. 15	Dec. 14
Europe	Nov. 15	Dec. 14
Africa	Nov. 1	Dec. 10
Near East	Nov. 1	Dec. 10
Far East	Oct. 15	Dec. 10

Letters and greeting cards should be posted no later than 5 days after the above dates for delivery in other countries before Christmas.

For detail information concerning permissible contents, export license endorsement, custom declaration, packing, wrapping, sealing, size, weight, and postage rates, contact mailing requirements unit, Main Post Office, 522-4544.

Christmas Mail For The Armed Forces Overseas

Francis J. Lang, officer in charge of the Cleveland Post Office, advised that the period October 14th to November 9th has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas. For air mail, the period is November 30th to December 11.

Space available mail (SAM) is limited to gift parcels weighing not more than 5 pounds and measuring not more than 60 inches in length and girth combined, addressed to members of the Armed Forces overseas in Viet Nam. This type of mail will be air-lifted from the West Coast even though prepaid at the surface rate from October 21st to November 23rd.

Parcel Air Lift (PAL) any parcel weighing up to 30 pounds and not exceeding 60 inches in length and girth combined addressed to members of the Armed Forces overseas will be transported on a space available basis upon payment of a \$1.00 fee in addition to the regular surface rate of postage.

Greeting cards for the Armed Forces should be mailed within the period designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas.

Mr. Lang further advises that addresses on parcels and greeting cards must be legible and complete, and should be prepared by typewriter or pen and ink. In addition, he said, "The five digit APO or FPO number is an essential part of these addresses. Mail showing all the other elements of the address, that is, the name, rank or rating, service number, and organization without the five digit military post office number is incompletely addressed. The five digit number is required to route the mail to its destination and effect its delivery."

"Zip your mail along with zip codes."

USDA Asks Comments On Use of Paprika In Fresh Meals

The U.S. Department of Agriculture has proposed to amend Federal Meat Inspection regulation to prohibit the use of paprika in fresh meats and fresh meat products except chorizo sausages and Italian types of sausage.

USDA's Consumer and Marketing Service said the proposed amendment was based on the results of laboratory tests and other information which give it reason to believe that the use of paprika—weak flavored red pepper — can mask undesirable qualities in meat, especially ground meat, by preserving the color characteristics after the meat has begun to spoil. C&MS said evidence also indicates that paprika causes meat to appear leaner than it really is because it produces a reddish coloring of the fat in the meat.

Chorizo sausages and Italian types of sausage would be exempt from the proposed regulation, C&MS said, because there is reason to believe that consumers generally expect to find paprika in these products and do not generally depend on color to show the freshness or quality of the product.

The Federal Meat Inspection Act does not allow the use of anything in meat or meat products that hides damage in them or makes them look better than they are.

The proposed amendment was published in the Federal Register October 8.

Comments on the proposal should be sent to the Office of the Hearing Clerk, Rm. 112-A, U.S. Department of Agriculture, Washington, D.C. 20250, not later than Nov. 7. A report on the C&MS test results and other evidence are on file in that office. Two copies of all comments should be sent to the Hearing Clerk's office, where they will be available for public inspection.

Roger Wagner Chorale Appears In Cleveland

The Roger Wagner Chorale, described by Leopold Stokowski as "second to none in the world," will be presented by the Cleveland Opera Association at the Music Hall on Sunday, October 20th at 3:00 p.m.

The Chorale is currently making its twelfth coast-to-coast tour of the United States. The program for the afternoon will consist of a variety of works that includes sacred and secular music of the Renaissance, liturgical masterpieces by Bach and Brahms, contemporary works by Leonard Bernstein and Randall Thompson, and folk songs and spirituals familiar to everyone.

Not only recognized as America's finest group of singers, the Chorale is also justly famed as a "springboard" for individual talents—fine young vocalists who have distinguished themselves in brilliant solo careers. Prominent among these is soprano Marilyn Horne, and international celebrity of the operatic and recital stage.

Tickets are available now through the Cleveland Opera Association at 2816 Euclid Avenue, Burrows Ticket Office, 419 Euclid Avenue, and through Higbee's Music Center where they may be ordered and charged by calling 579-3774.

Reporting from Washington

CHARLES P. DUTTON • Reporter, The Staff, Inc.
ON THE STAFF, WASHINGTON, D.C.

WORLD PEACE AND FOREIGN AFFAIRS

Under our Constitution the President has the primary responsibility for conducting the official relations of our country with other nations. However, the Congress plays an important part in these programs through its responsibility for authorizing and appropriating funds. Congress influences foreign policy also through the device of holding hearings or passing resolutions stating "the sense of Congress." This year, the Committee on Foreign Affairs, of which I am the Ranking Minority Member, among other things held hearings on the important subjects of Foreign Aid, Arms and Disarmament, Peace Corps, Vietnam, and the Middle East Crisis.

FOREIGN AID BILL

The Administration requested \$2.96 billion to continue the Foreign Aid program. After hearing some thirty-one government and twenty-five public witnesses and holding several weeks of closed sessions, the Committee reduced the President's request to \$2.3 billion. Further reductions were made on the House Floor, paring the authorization down to \$1.99 billion. While I supported reductions in the Foreign Aid program, I am glad that a basic program remains in existence as an important foreign policy tool for the new Administration next year. The limitations imposed challenge us to re-evaluate our priorities and to find new ways to stretch our dollars in order to achieve desired results abroad.

ARMS CONTROL AND DISARMAMENT AGENCY

We voted to extend this Agency for two years and to authorize a total of \$18.5 million to finance operations during those two years, with

a limit of \$7 million on funds which may be spent for external research. The principal accomplishment of this Agency, since its authorization was renewed three years ago, has been the negotiation of a draft treaty to prevent proliferation of nuclear weapons. Recent events have emphasized anew the need for continued efforts to develop effective arms control.

PEACE CORPS

The Peace Corps was extended for an additional year with a spending authorization of \$112.8 million. Some 500 Ohio volunteers are included in the group serving abroad this year. We can be very proud of these Ohioans and the many other young people who are assisting other countries and return to serve in equally vital programs at home.

VIET NAM

1968 has brought abundant evidence that the war in Viet Nam is a divisive issue which concerns all of us. I joined many of my colleagues in calling for a Congressional review and independent assessment of our direction in Viet Nam. The reports on the talks in Paris so far show little or no progress but we should continue negotiations as long as they offer any reasonable prospect for a just peace. I participated in drafting the Republican Platform, especially on this vital issue, which stresses the need for turning more of both military and civilian action in Viet Nam over to the South Vietnamese.

MIDDLE EAST CRISIS

The acceleration of the explosive situation in the Middle East has been cause for serious concern by the Members of the House Foreign Affairs Committee. Shortly after the June war in 1967 a Special Fact-finding Mission was sent by the Committee to this area. In June of
