Nemiri v Egiptu razburjajo Anglijo

Angleška vlada naprti la odgovornost italijanski propagandi

LIGA IMA NOV MIROVNI NAČRT

London, 1. okt. — Velika Britanija hoče izboljšati italijansko propagando na otoku Malta. Poročilo iz Valette, Malta, javlja, da so angleške avtoritete odredile deportacijo štirih italijanskih agitatorjev, nekemu promislenemu italijanskemu trgovcu pa prepovedale povratek. Med četverico, ki bo deportirana v Italijo, sta tajnik fašistične organizacije in neki bančni uradnik.

London, 1. okt. — Poročila, ki so dospela v London, govore o kirjenju nepokoja v Egiptu, iz katerega se lahko razvije odprta revolucija. Egiptski ekstremisti so izrabili sedanjo napeto politično situacijo v svoj prid in zapretili s akcijo. Ti trdijo, da se Anglija s drugimi članicami Lige narodov bori za ohranitev neodvisnosti Abesinije, na drugi strani pa ignorira zahteve egipatske vlade po popolni neodvisnosti.

Angleška vlada je obdolžila italijanske agitatorje odgovornosti za sirjenje nepokoja v Egiptu, zlasti pa ob meji Libije, italijanske kolonije. Iz tega razloga je začela Anglija utrjevati svoje pozicije, zaeno pa je povala več vojaških čet v Egipt, kar preti največja nevarnost angleški nadvladi. V tem igra veliko vlogo letalska bojna flotila.

Minister letalstva je poslal uradnikom angleških listov zaupno pismo, v katerem apelira nanje, naj ne objavljajo poročil ali fotografij o prihodu bojnih letal in mostova v Egipt. Gibanje vojaških letal in bojnega brodogradništva v Sredozemskem morju vladni krogi strogo prikrivajo.

Zeneva, 1. okt. — Pomirjevalci v Zenevi kujejo nov načrt za odvrnitev vojne v Afriki, dasi se zavedajo, da lahko prvi strel podere vse njihove napore za ohranitev mira. Načrt bo v kratkem predložen svetu Lige narodov v odobritev in potem Italiji in Abesiniji.

Informacije se glase, da bo novi načrt nudil manj ugodnosti Italiji nego oni, ki ga je pred nekaj dnevi izdelal odbor petorice treh predložil Mussoliniju, ki ga je odklonil. Tu domnevajo, da bo vseboval zahtevo, da obe, Italija in Abesinija, prenehata s koncentracijo oboroženih sil. Poleg tega bo morda vseboval sužestljivo angleškega zunanjega ministra Hoareja glede sklicanja svetovne konference, katere naj bi razpravljala o vseh izmenjavah distribucije surovega materiala. V slučaju, da bo taka konferenca sklicana, bo povabljena tudi ameriška vlada, naj se udeleži.

Uradniki Lige narodov so namigovali, da ne bodo mogli ugoditi apelu abesinskega cesarja, naj Zeneva pošlje nevtralnokomisijo z letali na meje vzhodne Afrike. Pravijo, da tam ni letalnic, na katerih bi pristala letala, razen onih, ki jih kontrolira Italija. Lahko bi se zgodilo, da bi letala nevtralne komisije prišla v konflikt z italijanskimi bojnimi letali ob meji in s tem bi se napetost povečala.

Avtni mehaniki za oklic stavke

San Francisco, Cal. — Avtni mehaniki, organizirani v Mednarodni zvezi strojnikov, so se pri glasovanju izrekli za oklic stavke. Zahtevajo priznanje svoje višje mezd.

VIHARNA SPLOŠNA VOLILNA KAMPANJA V KANADI

275 kandidatov za 76 sedežev v parlamentu

KREDITNA LIGA NAPREDUJE

Toronto, Kanada, 1. okt. — Vse politične stranke v Kanadi so se vrgle v vročo volilno kampanjo, ki nima primere v zgodovini dežele. Parlamentarne volitve se bodo vršile 14. oktobra.

Včeraj so se vršile nominacijske volitve v 76 volilnih distriktih, v katerih je bilo imenovanih 275 kandidatov. Vsak distrikt izvoli enega poslanca. Pri primarnih volitvah 1. 1930 so stranke imenoval 170 kandidatov, letos pa 105 več. Liberalci so postavili 71 kandidatov, konservativci 64, Zadržna federacija 56, Liga socialnega kredita 35 in stranka rekonstrukcije 33. Komunisti imajo štiri kandidate, ostale politične grupe pa 12. Tu napovedujejo, da se bo 900 kandidatov borilo za 245 sedežev v parlamentu, ko bodo končane primarne volitve v vseh volilnih distriktih.

Calgary, Alta, 1. okt. — Liga socialnega kredita, ki je prišla na krmilo province Alberta pri volitvah 22. avgusta z obljubo, da bo nudila vsaki odrasli osebi mesečno dividendo \$25, je postala središče vmemirjenja v sedanji volilni kampanji.

Vpliv Lige socialnega kredita narašča v prerijskih provincah, zlasti pa v Saskatchewanu in Manitobi. Druge politične stranke, male in velike, se trudijo, da omeje politični požar, ki ga je zanela Liga socialnega kredita v zapadnih provincah. Pet večjih političnih strank in večje število manjših je zapletenih v srditi volilni kampanji.

Pred enim mesecem so napovedovali poraz premijera R. B. Bennetta, voditelja konservativcev, sedaj pa izgleda, da niti konservativci niti liberalci ne bodo dobili večine sedežev v parlamentu. Možno je, da bodo volitve prinesle Kanadi koalicijsko vlado.

Živežna kriza pritisnila v Nemčiji

Meso in sadje se prodaja v odmerkih

Berlin, 1. okt. — V Nemčiji je nastalo veliko pomanjkanje mesa, maščobe in sadja. Včeraj je bila v Berlinu velika panika, ko ljudje drveli od prodajalnice do prodajalnice in zahtevali sirovo maslo ali kakršnokoli maščobo, toda zaman. Pred mesinčami in mlekarjami se je pojavila policijska straža, ki je pazila, da odjemalci niso kupovali več kot je absolutno potrebno. Meso in sadje se zdaj prodaja le v majhnih odmerkih. Grezi tudi pomanjkanje mleka in kruha.

Živežno krizo je povzročila nacijska gospodarska politika, ki zahteva, da mora Nemčija živeti le od svojih pridelkov in znižati uvoz na minimum. Kriza je pa vlado oplašila in brž so dovolili import 4000 stotov sirovega masla iz Holandije, ali to bo le kaplja v morje. V Nemčiji sami manjka vsega, kajti ves letanji pridelek je bil slab. Primanjkuje tudi kladne živine, posebno prašičev, katerih je tri milijone glav manj kakor lani, toda nacijski režim ne dovoljuje uvažanja prašičev iz tujine.

Tri države črtane z reliefne liste

Države Indiana, Nevada in New Hampshire prizadete

Washington, D. C., 1. okt. — Federalna reliefna administracija je včeraj odklonila nadaljnje dajatve za oskrbo brezposelnih revežev Indiani, Nevadi in New Hampshire, dočim je bila država Louisiana prezrta glede financiranja njenih reliefnih projektov.

Direktni relief, ki ga je federalna reliefna administracija nakazala državam za mesec oktober, znaša \$81,720,000, 24 milijonov manj ko v septembru. Tu pojasnjujejo, da Louisiana ni dobila denarja za financiranje gradnje reliefnih projektov iz federalnega sklada zaradi zakonov, ki jih je sprejela državna legislatura in kateri določajo reguliranje trošenja denarja iz federalnih skladov. Ti zakoni so rezultirali v sporu med tajnikom za notranje zadeve Ickesom in pokojnim senatorjem Longom.

Rudarji izvojevali ugodno pogodbo

Stavka prisilila operatorje na kapitulacijo

Washington, D. C. — (FP) — Organizirano delavstvo je ponovno pokazalo svojo moč, ko so rudarji na polju mehkega premoga izvojevali deset odstotkov zvišanje plače in druge ugodnosti po štiri dni trajajoči stavki.

Prvotno, zahtevo glede uveljavljanja delovnega tedna 30 ur so sicer umaknili, vendar je pridobitev, ki pomeni za nje 90 milijonov dolarjev več letnih dohodkov, značilna.

Pogajanja glede sklenitve nove pogodbe so se pričela že v februarju. Unija UMWA je od takrat do sedaj petkrat zapretila s stavko, toda na apel Rooseveltove administracije je grožnje umaknila. Končno, ko je unija uvidela, da bo le stavka prisilila barone premoga na umik, ki so jo organizirani rudarji pokazali po oklicu stavke, ki je ustavila obrat premožovne industrije, je bila udarec za operatorje, katerega niso mogli vzdržati. Morali so se podati in pristati na zvišanje mezd.

Pogajanja med rudarji in operatorji so ponovno dramatizirala fakt, da ima John L. Lewis, predsednik UMWA, večji vpliv pri Rooseveltovi administraciji nego drugi voditelji organiziranega delavstva, dasi on ni član Rooseveltove stranke in je pri zadnjih predsedniških volitvah agitiral za Hooverja.

APROPRIACIJE ZA JAVNA DELA SPET ZNIŽANE

Redukcija znaša dvajset milijonov dolarjev

DEVET DRŽAV PRIZADETIH

Washington, D. C., 1. okt. — Predsednik Roosevelt je s posebno odredbo reducirjal apropiacije za reklamacijo zemlje in gradnjo elektrarn dvajset odstotkov. V te svrhe je bila določena vsota \$100,000,000 iz sklada \$4,880,000,000 za reliefna in javna dela.

Enajst projektov v devetih državah je prizadetih. Roosevelt je pojasnil, da je njegova želja uposlitev večjega števila delavcev pri reliefnih projektih, zato je znižal apropiacije za javna dela.

Projekt izsuševanja zemlje v Boiseu, Idaho, ki je predvideval stroške \$160,000, je bil zavržen. V tem mestu ima svoj dom senator Borah, vodilni predsedniški kandidat republikanske stranke.

Projekt reklamacije in irigacije zemlje v Californiji je bil tudi ovržen. Vsota \$20,000,000, ki je bila prvotno določena v te svrhe, je bila znižana na \$15,000,000. Druge države, katerim so bile znižane apropiacije za gradnjo električnih central in drugih projektov, so Washington, Wyoming, Texas in Colorado.

Čikaški slumski požar podtaknjen

Chicago. — Ogenj, ki je v nedeljo ponoči uničil stanovanjsko hišo v "Mali Italiji" v čikaškem slumskem distriktu in povzročil deset človeških žrtev — pet oseb je bilo takoj mrtvih in nadaljnjih pet ranjenecv je umrlo v pondeljek v bolnišnici — je bil podtaknjen. Kakor je poročala policija v torek zjutraj, je Frank Vitale, ki je vodil grocerijsko prodajalno v pritličju pogorele hiše, priznal detektivom, da je on najel svojega rojaka Jos. Di Chiarija, naj zažge hišo. Di Chiari je polil tla z bencinom in zažgal. Namen požiga je bil, da Vitale izterja \$3000 zavarovalnine, požigalcu je pa obljubil \$100 nagrade. Di Chiari, ki je bil takoj aretiran, tajni zločin. Vse žrtve v zgoreli hiši so bili Italijani.

Padec števila brezposelnih v Angliji

London. — Velika Britanija je reducirala armado brezposelnih na 1,975,941, na najnižje število v zadnjih petih letih. To kaže uradna statistika o brezposelnosti, ki je bila pravkar objavljena.

Afera volilne korupcije v Chicagu

Demokratje plačali 40 glasov po 50c

Chicago. — Kako je demokratski preizkusni kapitan John Burns v 27. wardi kupoval glasove in jih plačal po 50 centov pri volitvah 6. novembra 1934, je prišlo na dan zadnji ponedeljek pred okrajnim sodnikom Jarreckim; ki že dalj časa vodi preiskavo o volilni korupciji v Chicagu. Priča je povedala, da je videla, kako je Burns privedel na volišče 40 mož in volilni uradniki so jim pomagali zaznamovati glasovnice, nakar je Burns izplačal vsakemu 50 centov. V afero so zapleteni tudi republikanski "henchmani" in obtoženi so štirje volilni uradniki, dva demokrata in dva republikanca.

Nova propaganda žitnih špekulantov

Vladna ustanova zanika govorice o pomanjkanju pšenice

Washington, D. C. — Uradniki "newdeanske" ustanove AAA so sedaj odgovorili na propagando špekulantov z žitom, ki napovedujejo pomanjkanje pšenice v Ameriki, če bo izbruhnila vojna v Afriki. Zagotovili so konzumente, da nimajo te napovedi nobene podlage in zato se jim ni treba razburjati.

E. J. Smiley, tajnik Kanadske zveze žitnih trgovcev, je prvi izrekel napoved o pomanjkanju pšenice, potem so se mu pa pridružili lastniki velikih mlinov v Minnesoti, ki hočejo uglediti pot za zvišanje cen kruha, da povečajo svoje profite.

George E. Farrell, načelnik sekcije za pšenico v administraciji AAA, je dejal, da bo letošnji pridelek pšenice znašal 593,000,000 bušljev in v skladiščih je nad sto tisoč bušljev lanskega pridelka. Letna poraba pšenice v Ameriki znaša okrog 600,000,000 bušljev in zato se ni treba bati pomanjkanja.

Farrell je dalje rekel, da je letina pšenice v evropskih državah tri odstotke nad normalo. Samo Rusija lahko proda sto milijonov bušljev pšenice od svojega letošnjega pridelka, je rekel Farrell.

Kanadski premier "razgali" komunistično zaroto

Ottawa, Kanada. — Kanadska javnost še vedno razpravlja o senzacionalni izjavi premijera R. B. Bennetta, da so imeli voditelji nedavnega pohoda v Ottawo načrt, da ga ugrabijo in držijo v jetništvu toliko časa, da proglasijo sovjetsko vlado v Kanadi. Bennett je podal to izjavo na političnem shodu v Victoriji, B. C., ko so ga njegovi nasprotniki motili z vprašanji in medvzkliki. List "Journal" je pozval premijera, naj pojasni detajle zarote in objavi imena "rdečih zarotnikov", ker hoče biti javnost na jasnem glede tega.

Zmaga organiziranih strojnikov

St. Paul, Minn. — Vse večje mekarske družbe v tem mestu so te dni podpisale dogovor s krajevnimi unijo strojnikov, ki določa zaprto delavnico in zvišanje mezd deset do dvajset odstotkov. Poleg tega pogodba določa letne počitnice s polno plačo.

KRVAVA STAVKA V MINNEAPOLISU PORAVNANA

Sporni stranki sprejeli odlok vladnega odbora

DELNA ZMAGA STAVKARJEV

Minneapolis, Minn. — Stavka strojnikov v tukajšnji industriji ornamentalnih železnih produktov, ki je trajala več tednov in je v zadnjih dneh izzvala krvave bitke, je bila te dni poravnana.

Obe stranki sta sprejeli odlok pokrajinskega delavskega odbora, ki določa delovni teden 40 ur, zvišanje mezd, plačo in pol za nadurno delo, starostne pravice in ponovno uposlitev stavkarjev. Ustanovljena je bila tudi posebna komisija za reševanje bodočih pritožb in sporov. Odlok vladnega odbora pomeni delno zmago za stavkarje.

Deset podjetij je bilo prizadetih v stavki, toda pozorišče nemirov je bila tovarna Flour City Ornamental Iron Works, v kateri so se nastanili stavkarji, ki jih je družba importirala iz drugih krajev. V bitki med policijo in stavkarji, ki se je vršila pred tovarno, sta bila dva delavca ubita in okrog 40 ranjenih.

Po teh izgrejih je governor Olson odredil zatvoritev tovarne, ki mora trajati toliko časa, da družba pristane na pogajanja s stavkarji. Nekaj dni po governerjevi odredbi je družba naznanila, da se bo pogajala s stavkarji in temu je sledila poravnava spora.

Civilna konzervacijska armada se krči

Fantje dobivajo delo v privatnih industrijah

Washington, D. C. — Predsednik Roosevelt je te dni izdal instrukcije, da mora biti število fantov v konzervacijski armadi (CCC) znižano od 600,000 na 300,000 do prihodnjega junija. Po sprejetju reliefnega programa v kongresu je Roosevelt določil maksimalno število 600,000 fantov v tej armadi, ki pa ni bilo nikdar doseženo.

Kot vzrok nenadne spremembe politike navaaja izboljšanje gospodarskega položaja. Robert Fechner, direktor taborišč CCC, je informiral administracijo, da ne more dobiti zadovoljivih rekrutov in ne more dolgo obdržati niti tistih, ki se vpišejo. Mesečno zapusti taborišča okrog 40,000 fantov in večina teh dobi zaslužek v privatnih industrijah.

Ko je Roosevelt omejil število civilne armade na 600,000, je prevladovalo mnenje, da bodo taborišča kmalu napolnjena, kar pa se ni zgodilo, čeprav je bila starost kandidatov znižana z osemnajst na sedem let in revidirane druge določbe, da se uposlavi v armadi tudi sinove staršev, ki niso na reliefni listi.

V vladni pogodbevalni armadi je sedaj okrog 40,000 bivših vojakov. Fechner je rekel, da bodo v bodoče vojni veterani tvorili večji del armade CCC, ker je Roosevelt poveril tej ustanovi rešitev problema brezdomskih veteranov.

odstotkov. Poleg tega pogodba določa letne počitnice s polno plačo.

Uradne vesti društev SNPJ

Srebrno slavlje društva 147

Cleveland, O. — Brez dvoma bo 26. oktober triumfalno dan za naše članstvo in vsa društva te okolice. Za ta dan je namreč določena proslava 25-letnice društva Vodnikov venec 147, ki se bo vršila v spodnji dvorani SND in bo pričela ob 7. zvečer.

Naše društvo lepo napreduje že vso to dobo 25 let. Zato je tudi vredno in potrebno, da se na 26. oktobra pokažemo skupaj, da razumemo pomen našega slavlja. Poskrbimo, da bo dvorana napolnjena našega zavednega članstva. Naj nikogar ne manjka, ki čuti, da je član SNPJ in vreden svojih pravic ter priznanja. Zavedajmo se, da je društveno 25letnica velikega pomena za vse članstvo. Pokažimo, da znamo ceniti našega jubilarja, ki nam pomaga že dolgih 25 let v slučaju nesreče, boleznih in otrokom v slučaju smrti njih roditeljev. Zato je tudi naša dolžnost, da povečamo naše članstvo, da pridobimo društvu več novih članov in članice.

Jubilejni spored na 26. oktobra bo zanimiv. Nastopili bodo tudi pevec in ustanovitelj našega društva, kar bo dalo slavlju več pomena in živahnosti. Naša dolžnost je, da na dan srebrnega jubileja našega društva pokažemo, da smo v resnici dobri in zvesti člani naše SNPJ. Vemo, da časi za mnoge niso z rožicami postlani, ampak za nizko vstopnino 30c, ki je določena, bo pač vsakdo žrtvoval, da bo navzoč.

Za ples bo igral Barbičev orkester. Pričakujemo, da pride iz Detroita br. Frank Chesen. (Kar pridli, France, saj bo lušno). On je bil že predsednik našega društva. Kličemo mu: Dobrodošel na naš proslavi!

Na 26. okt. se pričakuje velika udeležba na slavlju našega društva. Vabljeni ste vsi in vsi ste dobrodošli!

Anton Logar, 147.

Slavlje 25-letnice društva 137

Cleveland, O. — Najbolj mi je žal, da sem prišla celih 8 mesecev prepozno k temu vzornemu društvu, tako da ob njegovi 25-letnici ne bom mogla sedeti med ustanoviteljskimi, katerim gre vse priznanje za njih delo, ki so ga pričele pred pet in dvajsetimi leti in pogumno vstrajale do tega zaželjenega dne, katerega bomo obhajale 6. oktobra.

Ker sem članica 24 let in 4 mesece, sem tudi jaz pomagala vleči ta voz skozi vsakovrstne neprimke. Društvo Napredne Slovence je v resnici precejšnja izjema od drugih ženskih društev, menda zato, ker pripada k SNPJ.

Precejšnje število članic spada k društvu po moji zaslugi, a li nisem pa še slišala, da bi se ena sama pritožila, da ni zadovoljna, da pripada zraven, pač pa baš obratno. Precej se mi jih je že zahvalilo, da sem bila tako vztrajna, da nisem odnehala prej dokler jih nisem pripeljala pod okrilje SNPJ.

Društvo Napredne Slovence 137 ni samo tako dobro, ker nas zavaruje za bolniško podporo in smrtnino, ker to jamči skoro vsako društvo, ampak to društvo je v drugem oziru pripravljeno pomagati vsaki napredni stvari, in to ne samo zadnje čase, pač pa skozi vso vrsto let. Pri Slovenskem narodnem domu na primer imamo precej naših zaslug. V dopisu sestre Meznarič sem čitala, da smo dale prvih \$10 za upravnne stroške, da so mogli dvorane rentati. S ponosom pa dodam še to, da smo bile tudi prve, ki smo kupile deset delnic za \$100.00 in da jih sedaj lastujemo za \$4.800.00. Precej lepa vsota, kaj ne! Toda pomagale nismo samo z denarjem, bile smo tudi pripravljene pomagati pri vsakem delu, ki se je vršilo za ta narodni hram, ki nam je v ponos ter nam služi kot narodno svetišče.

Prav dobro se še spominjam dobe pred 23 leti, ko smo razvijale našo novo zastavo. Kako smo bile navdušene! Saj v tistih časih so bile take slavnosti vse nekaj bolj vzvišene kot je to danes, kajti sedaj se napredna društva nič več ne ogrevajo za take stvari.

Kar pa je najbolj značilno pri tem, je to: večina naših članic se je udeležila razvijanja v sloven-

skih narodnih nošah. Me smo bile prve v Clevelandu, ki smo paradirale na ulicah. In kaj se nam je pripetilo? Ko smo korakale mimo slovenske šole sv. Vida, je priletela skupina pobalnov s kosi opeke in konjskimi odpadki ter nas pričela z njimi obmetavati, vmes so pa letele na nas psovke "pustne šeme" in "eiganke" — gotovo po naročilu duhovnik — pa potem v nedeljo rohljal na priznici, da so neke odpadnice ve re paradirale po cestah kot "pustne šeme".

In glejte! Po tri in dvajsetih letih so njih dobre pristašnje postale ravno tiste "pustne šeme" kot smo bile me pred toliko dobo let. Sedaj so začele pobirati naše vzorce.

V nedeljo 22. septembra so odkrili kulturni vrtinjarji spomenik škofu Baragi in v tej paradi je korakalo gotovo 150 žensk v narodnih nošah. Čudna so božja pota! Danes ni torej več greh, kar je bilo greh pred 23 leti.

Jaz tega sicer ne bi pisala, če bi ne bila takrat sama navzoča in prizadeta. Prav dobro se spominjam, ko je bila pokojna sestra Frances Laushe vsa umazana od konjskih odpadkov.

Torej 6. oktobra obhajamo slavnost četrstoletja obstanka našega društva. Boste videli naše krepke ustanoviteljice, ki so še vse prav krepke in čile ženske.

Zene in dekleta, pristopajte k društvu Napredne Slovence! Ne bo vam žal, kadar bo to društvo obhajalo 50 letnico. Stopajte v naše vrste, da boste nadaljevala delo za nami in se boste z navdušenjem pripravljale za 50 letnico, kot se pripravljamo sedaj me za 25 letnico.

Torej vsi v SND na St. Clair ave. na dan 6. oktobra! Vas zagotavljam, da vam ne bo žal!

Ivanka Paulin.

Naša nedeljska trgatve

Chicago. — Na več vprašanj, kako se pride na vinski trgatve društva Nada 102, ki se bo vršila v nedeljo 6. okt. pri ses. Mary Aučin v Clarendon Hillsu, želim tu navesti sledeče:

Trok odpelje ob 10. dopoldne od 2623 So. Ridgeway ave. Kdor gre z avtom, naj vozi po 55. cesti zapadno in Hering ave. do Kobalove gasolinke postaje. Potem se dva bloka naprej in boste videli napis društva Nadr 102 SNPJ. Tam krenite levo in še kakšne štiri bloke naprej, pri boste na pravem mestu. Kdor se hoče peljati z vlakom: S postaje na Cicero ave. in 25th st. vlak odpelje ob 11.38 dopoldne in ob 12.53 popoldne. Izstopite na postaji Clarendon Hills. Tam vas bo čakal trok ali pa avto.

Na veselo svidenje na nedeljski trgatvi!

Mary Udovich.

Dve prireditvi

Coverdale, Pa. — Članstvo društva 427 je na zadnji redni seji sklenilo, da priredi letno veselico dne 12. oktobra. Letna veselica pomeni za naše članstvo, da se je mora vsak član in članica udeležiti. Določila se je kazen za vse neudeležene in ne bo izjeme med člani ali članicami. Vsak bo moral plačati v društveno blagajno 50c. Izjema se le bolniki. Torej ne pozabite na 12. oktobra! Ne pozabite povabiti vaših sosedov in prijateljev. Ravno tako ste povabljeni iz bližnjih in daljnih naselbin, da pridete in prebijete par veselih ur z nami.

Dalje je društvo sklenilo, da se našemu članu Johnu Beletu pomaga, da si nabavi umetno nogo. On je zgubil nogo dne 11. junija in sedaj je toliko okrevala, da mu zdravniki svetujejo, naj si nabavi umetno nogo. Lahko je svetovati, ali težje jo je nabaviti, ako ni evenka, in tega pri Beletu ni, kot ga ni pri več drugih. Obrnil se je na Commonwealth of Pennsylvania. Tam so mu povedali, da jih imajo par sto pred njim in da bo vzel najmanj šest mesecev predno bo on na vrsti. Sploh so mu dali malo upanja, da bi mu kaj pomagali. Pravijo, da ima odškodnino. Res, da ima 15 dolarjev na teden, ne pomislijo pa, da ima družino osem oseb in vsi so še majhni, zraven pa mora plačevati rent od strehe. Zato ni upanja, da bi naš sobrat Belet brez naše in vaše pomoči prišel do noge in k delu, s katerim bi preživljal svojo družino. Iz tega razloga

apeliramo na vsa sosednja društva, da kooperirajo z nami. Razdali smo že v več naselbin (v druge še bomo) tikete, ki imajo namen postaviti Beleta na nogo. Ti tiketi veljajo vstopnino in dobiček obnem za veselico, ki jo priredi naše društvo v prid Beletu dne 16. nov. Na tej veselici se bo oddal dobiček v obliki desetaka, ki ga je v ta namen darovalo društvo. Prosijo se vsa društva in posamezniki, da sežejo po teh tiketih, da se jih razproda čim večje število. S tem, da kupite en tike, pomorete vašemu sobratu do umetne noge, publiki pa pokažete, da je med nami še bratstvo in da sočustvujemo z nesrečnimi sobratu.

Za društvo Prvi majnik št. 427,

Joe Dolinar, tajnik

Članom društva št. 34

Indianapolis, Ind. — Naznanjem članom in članicam društva France Prešeren 34, da se ne bo vršila proslava društvene 30 letnice 5. oktobra, kakor je bilo prvotno sklenjeno. Radi važnega vzroka se je slavnost morala preložiti na soboto 19. oktobra. Prosimo cenjeno članstvo in občinstvo, da vzame to na znanje in upošteva.

Na programu bo igra Poslednji mož, podana bo zgodovina našega društva, finančno poročilo o vplačanju in prejemkih v 30 letih. Spominjali se bomo naših umirlih članov in članic s tem, da bodo njih imena prečitala z zadevnimi podatki glede društva. Program bo zanimiv in lep. Upam, da ne bo nikogar manjkalo na slavlju 19. oktobra. Veselični odbor je pridno na delu, da preskrbi vse potrebno za razvedrilo in dobro postrežbo. Igrala bo izvrstna godba. Na veselo svidenje 19. oktobra!

Nadalje vam naznanjam, da je bilo sklenjeno na redni seji dne 8. septembra, da vsak član in članica mora kupiti vstopnico, in to brez razlike vsi. Sklenjeno je tudi bilo, da kdor se ne udeleži, bo plačal poleg vstopnine še 25c v društveno blagajno. Izvzeti so le bolniki.

Zato prosim vse člane in članice, da se pri vzhodu zglasijo, ta se bodo zabeležila imena vseh navzočih. Čigar imena ne bo, se bo smatral, da ni bil na proslavi. Prosim, upoštevajte te zaključke, da ne pride do nepotrebnega prekanjanja.

Louis Valant, tajnik.

Tam krenete levo in naprej do prostora Mary Aučinove, kjer se bo vršila zabava.

Seja bo eno uro prej

Milwaukee, Wis. — Članstvu društva Vijolice 747 naznanjam društveni sklep, da se bo prihodnja seja pričela točno ob 1. popoldne, ne ob 2. uri kakor navadno. Pripeljite s seboj nove kandidante, na domačo zabavo pa naše društvene prijatelje.

Tajnik.

Društvena doklada

Gilbert, Minn. — Članom društva 61 naznanjam, da društvene knjige izkazujejo, da bo ob koncu leta nekoliko primanjkljaja v društveni blagajni, iz katere je treba kriti društvene stroške. Zato je na svoji prošli seji društvo sklenilo, da vsak član pla-

ča za oktober 25c doklade. Prosim, da članstvo to upošteva in gotovo prinese poleg rednega assamenta tudi 25c doklade.

Andrew Zagar, tajnik.

Apel za oglašje

Chicago. — Društvo Integrity 631 apelira na vsa slovenska poslušajoča društva, ki so prejela naš apel za oglašje v listu Broadcast, ki ga bo izdalo naše društvo, da se odzovejo. Pomnite, da bo ta list v korist SNPJ. Zato pa pričakujemo, da nam nudite svojo pomoč z oglašji. Tiskala ga bo jednotina tiskarna.

Michael Fleischhacker, tajnik.

Seje v novih prostorih

Harmarville, Pa. — Čanom društva 472 naznanjam, da od sedaj naprej se bodo naše seje vršile v Berginzevih prostorih v Harmarville. Seje se bodo vršile kakor navadno, vsako 2. nedeljo v mesecu ob 10. dopoldne. Apeliram na člane, da se bolj redno udeležujejo seji in pa upoštevajo to naznanilo.

John Kaus, tajnik.

Naša jesenska veselica

Canton, O. — Društvo 315 bo priredilo svojo prvo jesensko veselico dne 12. oktobra v Bondjevi dvorani na 1208 Belden N.E. Federacije S. N. P. J.

Zapisnik nove federacije

Girard, O. — Izvleček zapisnika seje novoustanovljene federacije društev SNPJ za okrajje vzhodnega Ohia in bližnje Penn. ki se je vršila v Girardu dne 22. sept. 1935.

Začasni odbor zasede svoja mesta. Nakar predsednik otvori sejo ob 2. pop. pozdravi navzoče in razloži namen federacije ter jim priporoča, naj se ne strajajo dela, ki jih čaka, ako bodo, da bo federacija v resnici koristila članom in SNPJ. Potem tajnik prečita imena zastopnikov. Zastopana so društva št. 37, 49, 153, 277, 321, 476, 558 in 643. Zapisnik ustanovne seje se soglasno odobri. Provizorna pravila se z malimi popravili odobri.

Poročila zastopnikov. Br. Lucich poroča za društvo 37 glede položaja vsled brezposelnosti članov ter premalo zanimanja za društvo in organizacijo. Poročajo, da niso proti federaciji, ne vidijo pa v nji nobene koristi. Ostali zastopniki nimajo posebnih poročil, poročajo pa vsi, da so njih društva za to, da se federacija obdrži. Nekateri zastopniki želijo več informacij glede dela in koristi, ki jih članstvo pričakuje od federacije, kar se po možnosti ustreže.

Volitve odbora za ostali del leta. Soglasno je ponovno izvoljen začasni odbor: J. Bogataj, predsednik, L. Blazich, podpredsednik, J. Tancek, tajnik, F. Verbič, zapisnikar. Nadzorniki: S. Chuk, Omeje in Jež. Zastopnikom se priporoča, da se udeležujejo seji društev v njih bližini, namreč onih društev, ki še niso pri federaciji, z namenom, da se jih pridobi. Razložijo naj potrebo po skupnem delu in koristi, ki jih imamo od tega.

Prihodnja seja naše federacije se bo vršila 22. dec. v Girardu. Vabljeni so vsa okrajna društva, da pošljejo svoje zastopnike ali vsaj opazovalce. Voli se bo odbor za prihodnjo leto.

Pred zaključkom seje je br. Tancek povabil navzoče v spodnje prostore na domačo zabavo kluba 222 JSZ in vabilu se z veseljem odzovejo.

Naše angleško poslušajoče društvo Golden Eagles 643 SNPJ bo pridilo plesno veselico dne 19. oktobra, na katero vabi vse članstvo in naše občinstvo sploh. Zaključek seje ob 4.45 popoldne. — Frank Verbič, zapisnikar.

Federacija okrajev Fayette in Green

Republie, Pa. — Naznanjam društvom SNPJ v okrajima Fayette in Green, da se bo prihodnja seja naše federacije vršila v nedeljo 27. okt. ob 10. popoldne v naši naselbini. Obenem se naznanja društvom v tem okraju, ki še niso priključena naši federaciji, da je federacija sklenila, da se jih povabi, da se pridružijo in bodo prestra članstvom za leto 1935, upravičena pa bodo do vseh pravic pri federaciji.

Ako je pri katerem društvu kakšen član, ki ne more plačati članstva in bi vsled tega bil izločen iz društva, naj izpolni pismo prošnje, da jo društveni uradniki podpišejo, federacija pa bo skrbela, da taki člani ne bodo prišli ob društvo in jedrnatino protekcijo. Prošnje se lahko pošljejo po pošti tajniku federacije.

Prihodnja seja naše federacije je važna, zato se opozarjajo na jedrnatino društva tega okraja, da gotovo pošljejo svoje zastopnike. Društveni tajniki se morajo že odlašne črte, ki so običajne srednje (high) šole in so namenjene opravljanju pisarniške dela. Morda lahko tudi sami pridejo na sejo in povedo svoje misli. Takim se bo skušalo pomagati, da katero so sponzorirali mladenič in mladenke se bodo sami pisмено obrnejo na tajnika federacije v tej zadevi, kateri jim bo dal potrebne informacije. To bo koristno za našo mladino.

V našim okrajima smo do sedaj dolgo časa v časi, da se ne naredi kakšna napaka ali napaka, saj smo ljudje in popra-

vili jo bomo med seboj. V javnosti se radi takih stvari ne bomo prepričali. Saj imamo seje, da se na njih pogovorimo in zadevo rešimo.

Naša federacija še precej dobro napreduje v danih razmerah. V blagajni ima \$75, od federacijskega piknika pa je ostalo \$25. S tem je federacijska blagajna dosegla vsoto \$100. V tem pa ni vsota ura, ki bo tudi prinesla nekaj do'arjev. Nekatera društva so že vrnila denar za prodane listke, ostala pa se opozarjajo, da to store v najkrajšem času, da se stvar zaključi in napravi račun ter istega objavi z dobričkom vred.

Vsa okrajna jedrnatina društev, ki še niso pri naši federaciji, se uljudno vabijo, da se pridružijo in pošljejo na prihodnjo sejo 27. okt. svoje zastopnike. Vstopnine ste prosti za tekoče leto, pravice pa boste imeli iste kot ostala društva, ki so pri federaciji že vse leto. Pridružite se in pomagajte graditi federacijo in njeno delo, ki je v korist vsem članom v tem okraju. Poverilnice se pošljejo na društva. Če je katero društvo ne preime, napiše tajniku federacije, pa jo bo dobilo. Naslov: Mike Unetich, Box 211, Republic, Pa.

Aktivnost članstva v Clevelandu

Cleveland, Ohio. — Se ni vse pospravljeno od zadnje prireditve clevelandске federacije S. N. P. J. in proslave desetletnice angleško poslušajočih društev, že je na pragu proslave društva Napredne Slovence št. 137 SNPJ, ki bo obhajalo 25 letnico svojega obstoja 6. oktobra v S. N. D. na St. Clairju.

Kot razvidno iz programa, bodo zopet to pot pokazale, kako so aktivne in kaj vse se da napraviti, ako so člani in članice složni in pripravljeni za sodelovanje. Kaj vse se bi dalo opisati o njih delovanju zadnjih 25 let! Malo je društev, posebnost pa še žensk, ki bi imela tako progresivno zgodovino za seboj kot naša.

Ako gremo in pogledamo v njih zapisnike, se kar vprašamo, kako so mogle vse to storiti. Vsako leto toliko veselje, udejstovanj pri različnih drugih ustanovah. Koliko so pripomogle pri S. N. D., pomagale S. N. D. Citalnici, S. M. šoli, S. N. D., pred leti Republikanskemu Zdrženju, dram. društvu Ivan Cankar, pevskim zborom in drugim naprednim ustanovam. Marsikateri dolar je romal iz njih blagajne v dobre namene, zato so tudi vedno imele dobre udeležbe na svojih prireditvah in brez dvoma bo tudi njih jubilejna proslava obiskana od strani članstva in prijateljev, da se jim tako pokaže, da cenimo njih delovanje in njih progresivnost. Posebno pa je priporočljivo, da se članstvo S. N. P. J. udeleži in se skupno z Naprednimi Slovenci zabava ter praznuje njihov jubilej ali 25 letnico obstoja Naprednih Slovencev.

Kot sem že enkrat prej zapisal, da je moralo biti leto 1910 v Clevelandu jako aktivno, kar znači, da je bilo ustanovljenih 7 društev S. N. P. J., poleg še drugih društev in lokalne organizacije S. D. Z. Tri naša društva so že proslavila svoje jubileje, sedaj se pripravljajo še ostala. To znači, da je aktivnost še vedno med našim članstvom.

Le tako naprej! Vzdržimo našo aktivnost ter pojačimo tudi naše postojanke! Še je veliko naših rojakov in rojakinj, ki so dobrodošli pod okrilje S. N. P. J.!

Na zadnji seji naše federacije smo imeli čast poslušati našega sobrata in člana od društva Comrades št. 566 SNPJ, profesorja za balzimiranje, ki podučuje v šoli Western Reserve, br. Bebola, ki nam je pojasnil pomen balzimiranja kakor tudi potrebne stroške in vse kar se tiče pogrebnega zavoda. Objubil nam je, da ob vsaki priliki, kadar želimo, bo dal še nadaljna pojasnila.

Prečitani so bili tudi računi zadnje prireditve naše federacije, kateri pa niso bili to, kar je večina zastopnikov pričakovala.

Toda se nič ne sramujemo in jih z mirno vestjo podajemo v javnost. Dohodkov je bilo \$901.45, stroškov pa \$918.20. Kar se tiče finančnega uspeha, se ne moremo pohvaliti, ker so svenirji preveč stali. Končno federacija ni imela te prireditve, da napravi tisočake, temveč smoter te prireditve je bil, da se praznuje 10 obletnica obstoja angleško poslušajočih društev v Clevelandu in pri naši organizaciji SNPJ. In to se je tudi zgodilo, in proslava je bila nekaj sijajnega. S to proslavo se je tudi pomagalo našim angleško poslušajočim društvom na ta način, da so vodila popularnostni kontest za najpopularnejšo članico ter tako pripomogla svojim atletskim blagajnam. Nekatera društva so v ta namen dobila v svoje blagajne nad \$100.00, kar je lepa vsota.

Seveda, tudi tukaj se je pokazala aktivnost. Cim aktivnejše je bilo članstvo, temvečja je bila njihova blagajna. Ker pišem o tej prireditvi, se želim zahvaliti vsem, kateri so pomagali z delom, avtomobili, prenočišči ali s svojim obiskom na tej prireditvi in vam ključem: hvala za vašo poštivalnost! Bodite prepričani, da ste postregli svojim sobratom iste

organizacije, h kateri vi sami spadate. Uverjen sem, da v slučaju, da bi se vi nahajali v eni izmed teh naselbin, iz katerih so se gostje nahajali tu, da vam bodo drage volje povrnili.

Prostor mi ne dopušta, da bi se v imenu federacije zahvalil vsakemu posamezniku, ali tistim, kateri so več pripomogli do boljšega uspeha. Zato naj velja ta zahvala vsakemu in vsem.

Ker je šele minilo komaj dober teden, se mi vidi potrebno, da se pove našemu članstvu širrom Amerike, da je bil zadnji nedeljo 22. septembra postavljen mejnik, ki bo pričel poznajšim rodovom, kdo je bil naš "najboljši vodnik" (?). Naš takozvani rajbenški Stelar je bil v vsej gloriiji, h kateri pa so morali prispevati naši trgovci, da se je nekdo tembolj ponašal v veličanstvu reakcije. Zanimivi so bili tudi govori svetih očencev, kateri so bili priobčeni v časopisu. Tudi če si rabili povečevalno steklo, nisi niti enkrat našel v nobenem govoru besede ne ubijaj, katera je del božjih zapovedi. Veliko bi se dalo še o tem zapisati, toda naj rabim Kristov izrek: odpusti jim, saj ne vedo kaj delajo.

Za clevelandsko federacijo SNPJ, J. F. Terbizan, tajnik.

DRUSTVENE VESTI

Slavje društva 131

Chicago, Ill. — Mnogo let je že minilo, odkar sem potegnil zadnjo črko za slovenske časopise. Vzrok, da se danes oglašam, je sledeči: Društvo Francisco Ferrer št. 131 je sklenilo na svoji redni mesečni seji meseca avgusta, da 8. decembra t. l. priredi proslavo v spomin svojega petindvajsetletnega obstanka. Iz društvene poslovilnice (chartija) je razvidno, da je že meseca junija minilo 25 let, odkar je bilo društvo ustanovljeno, toda, ker ni bilo nobenih predprijav, je bilo sklenjeno, da se slavje vrši meseca decembra v dvorani SNPJ.

Društvo "Ferrer" je po številu članov prilično močna skupina. Od vseh članov in članice sedaj odvisno, kako bo društveno proslava izpadla. V slučaju, da bomo vse delo zvalili na rame pripravljalnega odbora in od njega pričakovali čudežev, potem bo proslava navaden flasko in finančen neuspeh, ravnotako, kakor je bila proslava tridesetletnice SNPJ skupnih društev v Pilsen paviljonu klaverna reč.

Radoveden sem, cenjeni bratje in sestre, kakšno je vaše mnenje glede te zadeve. Ali naj priredimo lepo uspešno proslavo z izbranim programom, finančnim in kulturnim uspehom, ki bi bil v ponos društveni 25 letnici, ali pa naj priredimo kakšno klavirno oštarijsko zabavo, kjer se naj zbere par mandeljcov, in ko ga bomo imeli nekoliko pod kapo, da zapojejo tisto vedno lepo v zvoknem času simfonije: "Od Ribnice do Kamnika, pa ni naboeden slavnika." Ali pa: "Ni lepšega soldata, kot je jager — kanonir. Se mi ga nekaj pihnemo, ko vaitamo krompir." — In morda: "Sinoč se mi je sanjalo, da je banda igrala, pa je treba b'lo marširati..."

Potisimo šalo in "firbec" na stran. Res je — in to ni znano samo meni, temveč marsikateremu Slovincu — da ima društvo "Ferrer" od svojega začetka do danes za seboj izredno počastno in mnogih slučajih — viharo zgodovino. Kdo naj preračuna, kolikokrat smo se veselili in kolikokrat razočarani vrtili z društvene seje domov. Kdo naj prešteje vse diskuzije, lokalne in svetovne probleme. Vse porotne obravnave. Vse potrebne in nepotrebne prepričke. Kdo bi se ne smejal in jezil, ko nam je Srečo Selak blagajno odnesel. Večkrat je bilo vršanje in ropota, kot da šiška na štirih krajih gori. In v zadnjih letih! Tista šmuntana "ljubljanska banka." Koliko jezikov smo preobrnilli za o-slovo senco.

Z zgodovinskega, kulturnega in etičnega stališča pridemo do zaključka, da nas veže napisane postave dolžnost, ki nam nalaga, da priredimo impozantno proslavo v spomin 25 letnice obstanka društva, ki ima mnogo zaslug za kulturni razvoj slovenskih delavcev v Ameriki. Upam, da bomo videli na tej proslavi ne le društvene člane in članice, ka-

terih je lepo število v mestu in okolici. Mi se nadajamo in upamo na vsestransko udeležbo Slovencev in Slovenk.

Podpisani je nepretrgoma član jednote dobrih 30 let in "Ferrerja" 22 let in pol. In ker sem se v prvih petnajstih letih izredno zanimal za take reči, zato mi je zgodovina obeh, to je matere in sina, dobro znana.

Morda je kdo izmed nas radoveden, kaj naj storimo, da bo proslava uspešna v vseh oziirih. Tukaj je samo ena alternativa, ki se glasi: Vsi na delo! Vsakdo naj izvrši svoj kos dela! Kdor ne more ali pa noče prevzeti drugega posla, dotični naj vsaj podaja vstopnice in tako po svojih močeh pomaga do boljšega uspeha. Le v skupnem delu vseh članov je bodočnost napredka zagotovljena. To ne velja samo za naše društvo, temveč za vsako skupino, pa naj se poslužuje pod kakršnimkoli imenom.

Bratje in sestre! Pred našo proslavo imamo še dve redni mesečni seji. In sicer 10. oktobra in 14. novembra. Vrzite brezbržnost v kot in pridite v velikem številu na omenjeni mesečni seji, da se pomenimo in izmenjamo naše misli, kaj bi bilo v danih razmerah najboljša, da bo naše delo stoodstotni uspeh.

Nada vabi na vinski trgatve

Chicago. — Menda bo sedaj prvič v zgodovini slovenskih društev v Chicagu, da bomo imeli vinski trgatve na prostem. Priredilo jo bo žensko društvo Nada 102 na vrtu svoje članice Mary Avčinove v nedeljo 6. oktobra v Clarendon Hillu. Grozde bomo trgali s prave žive trte, dočim smo jih dozdaj na prireditvah te vrste "kradli" v umetnih vinogradih v dvoranah. Videli boste družbo viničarjev in viničark, župana in županjo in občinskega "kancelista" in pa tudi strahotne, ki bodo skrbeli, da bo šlo vse v redu, da bodo kršilci privedeni pred sodni stol ter prejeti za svojo nepostavna dejanja zasuženo kazni.

Vstopnina na Nadino vinski trgatve je 25c. Članstvo bratjskih društev in druge rojake vabimo, da se udeležijo. Smatramo, da Nada zavlači naklonjenost vseh, ki so za vzajemnost. To je edino žensko društvo SNPJ v Chicagu in okolici. Deluje pa ne samo med ženskami v agitaciji za SNPJ, ampak je delavno v vseh akcijah, ki so v korist našega ljudstva in splošnega napredka. Ni je bilo stavke, da Nada ne bi pomagala, ako je bilo naše ljudstvo pozvano, da sodeluje. Njene članice so v tem oziru storile že o veliko dela tudi posamično in pod okriljem društev.

Zato se upravičeno nadajamo, da nas prihodnjo nedeljo posetijo boste dobrega pol dneva v prosti naravi na lepem vrtu in v veselju družbi. Veselica se prične ob 11. dop. Kdor se želi peljati s truckom, naj pride ob 10. dop. k F.

Theresa Speck.

Na delo za nove člane! Cleveland, O. — Kot znano, bo sedanja kampanja SNPJ trajala samo še tri mesece. To je kampanja za pridobivanje novih članov. Nudijo se posebne prilike in privilegiji. Jednota vrne stroške zdravniške preiskave in vsak nov član ima znižano pristopnino. Tako je tudi naše društvo 312 sklenilo na svoji mesečni seji, da ima vsak, ki pristopi v naše društvo, prosto pristopnino. To velja le za 3 mesece. Apelliram na članstvo, da bolj agitira za nove člane, kajti čas je kratek. Na delo!

Veselica in seja

St. Louis, Mo. — Društvo Planinski raj 107 bo imelo veselico in lotto dne 20. oktobra v Slovenski narodni dvorani na 3381 So. 7th st. v korist svoje blagajne. Začetek ob 2.30 popoldne. Vsak član je naprošen, da prinese en dobitek in se udeleži prireditve. Kdor se ne udeleži, mora plačati dva tiketa.

Prihodnja seja se bo vršila ob deveti uri popoldne in vsak naj bo pripravljen, da bo pomagal pri delu, da se uredi dvorana za popoldne. Bratje in sestre, kdor ne more plačati, naj pride na sejo in prositi tam; saj jednota pomaga drugim, bo tudi nam. Priporočam tudi vsem, da natančno preučijo načrt B, ki daje garancijo baš za take čase, ko si človek ne more sam pomagati ter lahko ostane član še dokler mu ne izteče rezerva, ako je tako v stiski, da ne more več plačevati. Sicer vsi upamo, da bodo boljše časi, ali tudi te si moramo sami priboriti.

Bratje in sestre, prihajajte na sejo, da boste vedeli, kaj se godi in kaj se zaključuje. Baš v teh časih je treba, da se organiziramo na vseh poljih, da razumemo, da smo delavci vsi in bomo imeli edino le, kar si bomo sami priborili. Baš danes je treba večje solidarnosti kot kdaj prej, ker je tudi potreba večja. Danes je kapitalizem bogatejši, močnejši in boljše organiziran kot kdaj prej. Stopimo v delavske vrste, podajmo si roke in delujmo za boljšo bodočnost naših naših otrok, s tem pa tudi za boljšo in večjo SNPJ, ki nam je vedno stala ob strani, pomagala v borbi za boljšo bodočnost in pravice proletariata.

Posledice uboja bandita Dillingerja

Chicago. — Zadeva deportacije rumunske bordelirke Ane Sage, katera je izdala policiji kraja ameriških banditov Johna Dillingerja, pride na vrsto 3. oktobra pred federalnim sodiščem v Chicagu, medtem pa razni policijski in drugi uradniki, katerih se ta afera tiče, dajejo intervjuje in se perejo na račun svojih kolegov.

V pondeljek se je oglašil guverner Indiane, Paul V. McNutt, in izjavil pred reporterji, da je vse skupaj velika godla. Guverner je kritiziral eastičkaskga policijskega sarženta Martina Zarkoviča, ki je v zvezi z Ano Sagejevo in čikaško mestno ter federalno policijo lovil Dillingerja. Guverner je rekel, da najmanj ne dvomi, da je krogla iz Zarkovičevega revolverja ubila Dillingerja, toda Zarkovič je delal na svojo pest in ni obvestil pristojnih oblasti v Indiani, da je banditu za petami, kasneje je pa vložil zahtevo za delež nagrade, ki je bila razpisana v Indiani. Guverner je pisal Zarkoviču, naj pisмено pojasni, zakaj zahteva \$1000 nagrade, toda Zarkovič do danes še ni pojasnil in vsekakor ne bo, ker ne more.

Ana Sage je dobila \$5000 federalne nagrade za svoje izdajstvo. Ona trdi, da ji je federalna policija tudi obljubila, da ne bo deportirana iz Amerike, kljub temu je iz federalna oblast hotelo deportirati zadnjo soboto, kar pa je ona preprečila s petičko za "habeas corpus."

Velebiznis odklanja vladno vmešavanje

Lansing, Mich. — Alfred P. Sloan, predsednik General Motors korporacije, je na zborovanju industrijskih magnatov posvaril federalno vlado, da velebiznis ne bo trpel nadaljnega vmešavanja z njene strani. "Depresija je že za nami in sedaj je treba likvidirati vladno vmešavanje, ki ovira produkcijo," je rekel Sloan. "Pobijati moramo ideje, ki jih širijo 'newdealerji' in katere ogražajo interese ameriških industrij."

Jednota — učiteljica

Naša jednota ima poleg svoje podporne na-
loge tudi kulturno. To večkrat poudarimo in
potrebno je. Mi nismo organizirani za gol
business zavarovalnico in imamo že od začetka
naše organizacije svoj vzgojni, izobraževalni
program, ki sloni na načelih svobodne misli in
socialne pravičnosti.

Baš v ta namen si je SNPJ prva omislila
lastno glasilo, ki naj uči člane v smislu ome-
njenih načel. To naše glasilo se je v osmih
letih razvilo iz mesečnika v dnevnik. Kasneje
je jednota ustanovila Književno matico za iz-
dajanje knjig, ki ni bila brez uspeha. Poleg
tega je SNPJ podpirala in še danes podpira
druge dobre, napredne, delavske kulturne
ustanove.

Vse te naše kulturne aktivnosti so pa ve-
ljane in še veljajo v glavnem za naše starejše
članstvo. Šele pred dobrimi petnajstimi leti
smo se spomnili naše mladine in SNPJ je za-
čela izdajati mesečnik za otroke članov v slo-
venskem in angleškem jeziku; ta mesečnik, ki
še izhaja, je danes edini slovenski mladinski
magazin v Ameriki in številni dopisi dečkov
in deklic iz mladinskega oddelka pričajo o
popularnosti našega Mladinskega lista.

SNPJ je s tem mladinski magazinom že
izvršila ogromno vzgojno delo pri našem na-
raščanju. Lahko rečemo, da ga povprečno čita
20,000 otrok vsak mesec; obenem ga čitajo
tudi starši in ne brez koristi. Naš Mladinski
list je institucija, s kakršno se ne more po-
našati nobena druga slovenska organizacija v
Ameriki. In mi smo ponosni na to svojo in-
stitucijo.

Ne moremo pa reči, da nam Mladinski list
zadostuje v vseh ozirih. Ne, tako skromni pa
ne smemo biti. To še ni dovolj. Noben čas-
sopis, nobena knjiga, naj bo še tako dobra, ne
more nadomestiti — žive besede dobrega učitelja.
Poskusi z lastno šolo, ki smo jih imeli
v Chicagu, Clevelandu in morda še kje, nam
to potrjuje. Toda — le priznajmo! — baš
na tem polju smo veliko zamudili in naši na-
čelni nasprotniki so nas daleč prehiteli. Ni-
kdar pa ni prepozno, da popravimo zamudo.

Danes je tako, da moramo dati veliko več
pozornosti izobrazbi našega, naraščajočega
starejšim članom. Mladino lahko izgubimo,
in če izgubimo mladino — bo izgubljena naša
bodočnost in principi SNPJ umrejo s starimi
člani. Ali naj to katastrofo dopustimo? Mi-
slimo, da ga ni med nami dobrega, zavednega
člana in naprednjaka, ki bi v to privolil z mir-
no vestjo.

Naš mladinski oddelk mora ostati naš tu-
di potem ko odraste — in če to hočemo, mora
naša jednota organizirati splošen šolski sis-
tem za otroke svojih članov. Naloga jednote
je, da svoje člane-otroke tudi vzgoji na pod-
lagi svojih načel in socialnih idealov. V ta
namen je potrebna tedenska šola — ob sobo-
tah ali nedeljah predpoldne — v kateri bo
inštruktor po navodilih iz gl. urada učil
otroke.

To prekristno idejo predlagamo danes vse-
mu članstvu v premislek. Časa je dovolj, da
se ta ideja dobro pretrese na društvenih se-
jah in v glasilu, na prihodnji konvenciji se
pa lahko uresniči v čim bolj praktični obliki.

Dobro vemo, da nam zelo manjka sposob-
nih slovenskih učiteljev za vse nasebine, am-
pak ta pomanjkljivost se lahko nadomesti z
učitelji ali učiteljicami, ki rabijo angleški je-
zik. Pouk naj bo v slovenskem ali angleškem
jeziku. Druga sugestija je, naj bo pouk or-
ganiziran in centraliziran, kar pomeni, da bi
bil v gl. uradu posebni odbornik, vzgojni di-
rektor ali kakorkoli ga že krstite, ki bi imel
vrhovno vodstvo nad vsemi lokalnimi šolami;
ta direktor bi redno pošiljal vsa učna navo-
dila po nasebinah in vsi lokalni inštruktorji
bi bili njemu odgovorni; od časa do časa bi
tudi obiskovali šole in jih osebno nadzirali.
Jednota naj oskrbi vse učni material in izda
posebno čitanko v slovenščini in angleščini.

Kolikor bo med člani ugovora proti tej ide-
ji, ga bo največ zaradi stroškov in najbrž od
onih članov, ki nimajo otrok ali so že odrasli,
da ne potrebujejo šole. Razume se, da je za
uresničitev te ideje potreben poseben fond,
ker brez denarja ni nič. Vprašanje je le, ali
je za SNPJ vredno, da investira nekaj tisočak-
ov za šolski sistem, dober in praktičen sis-
tem, ki se bodo bogato obrestovali v bodo-
čnosti?

Prepričani smo, da SNPJ lahko izvede to
idejo in stroški za posameznega učenca ne
bodo veliki. Druge podporne organizacije ima-

Glasovi iz nasebin

Zanimive beležke

Naše aktivnosti

Waukegan, Ill. — Poletje je
za nami, jesen je tu in kmalu
nas bo pozdravila mrzla zima.
Zabave se bodo vršile le v dvo-
ranah. Letos smo imeli precej za-
bave na vrtu SND. Lahko re-
čemo, da odkar obstoji Dom, še ni
bilo v poletnem času okrog nje-
ga toliko življenja. Dolgo se je
delovalo na tem, da se porabi
prostor okrog Doma v zabavne
svrhe in končno je bilo sklenje-
no na seji delničarjev, da se u-
redi štiri prostori za balinca-
nje. S pomočjo nekaterih delni-
čarjev in odbornikov se je stvar
izvršila z malimi stroški. Plačal
se je le material, ki se je rabil
za to ureditev.

Ta predelava vrta je prinesla
Domu obilo novega življenja in
zabave. Z balincajem se je pri-
čelo zgodaj spomladi in balinca
se sleherni dan, ki je pripraven
za ta sport. Pred par meseci se
je ustanovila balinarska liga,
v kateri so zastopani balinčarji
in tudi balinčarke, kajti tudi že-
nske se zanimajo za to razvedrilo.
Organizirale so se skupine po tri
osebe s kapitanom. Financirajo
jih razne organizacije in posa-
mezni obrtniki. Tako se je bitka
za prvenstvo v balincaju pri-
čela. V tekmo je šlo 24 žensk
in 36 moških. Tekma je trajala
dva meseca. Nagrade zmagoval-
cem se niso delile; s sporazu-
mom tekmovalcev se je pa vršila
skupna zabava za vse, in sicer v
obliki banketa. Plesalo se je, se-
veda, pa tudi balinčalo, do rane-
ga jutra.

Dne 8. sept. so uradniki SND
sklenili, da se zopet vrši tekma
balinčarjev v nedeljo 6. oktobra
kot v zaključek sezone. Nagra-
de: za moške 6 in za ženske 4
dolarje. Odbor SND pa vabi vse
ljubitelje tega sporta, da pridete
na omenjeni dan, če bo lepo vre-
me, da se zabavate tudi vi na
vrtu SND. Vabljeni so vsi roja-
ki iz vseh bližnjih in daljnih na-
selbin, da nas posetijo in tudi
da tekmujejo z nami. Tudi za
zunanje goste je odbor določil
nagrade. V domu pa bo vsega na
razpolago, kar človek potrebuje,
da uteši željo in glad.

Zabav na prostem bo kmalu
konec. Prva večja jesenska pri-
reditve v dvorani bo v nedeljo
popoldne 13. okt., ko bo zadruga
Waukegan-No. Chicaga prazno-
vala svojo 25-letnico. Program bo
zelo lep. Zadruga je šla sko-
zi več težkoč, a je vse premaga-
la, tako tudi depresijo. Poleg
glavne prodajalne ima tudi dve
podružnici, kar je pač dokaz, da
se ljudje vedno bolj zanimajo za
zadružništvo in se otresajo iz-
koriščevalcev privatnega profita.
To je dobro in v korist nam de-
lavcem. Pričakuje se velika ude-
ležba na omenjeni proslavi. Vab-
ljeni ste vsi!

Druga večja prireditve bo na
10. nov., ko se bo vršila konfe-
renca Prosvetne matice in kluba
JSSZ, dopoldne. Popoldne bo
pa proslava 30-letnice Proleta-
ra z izbranim programom: po-
membna kratka igra, muzikalne
in vokalne točke ter govori. To
bo slavje iskrenega delavskega
borca Proletarca, ki že 30 let bi-
je boj za delavske pravice proti
izkoriščevalskemu sistemu. Zato
je pač naša dolžnost, da sodelu-
jemo ter se udeležimo tega slava-
ja v velikem številu kot zavedni
delavci. Proletarec se bori za
boljšo bodočnost delavcev in za-
to mu moramo pomagati. Na
avidenje!

Prostori v SND so oddani za
razne zabave in prireditve za te-
kočo sezono. Naša pota nas bodo
vodila v Dom na razne zabave,
na naše delavske zabave. Pod-
robnosti o teh prireditvah bo-
do objavljene pozneje.

Srebrni jubilej društva Napred-
ne Slovenke 137 SNPJ

Cleveland. — Kakor bi morali
gledati dobri člani družine na
svoje roditelje, to je s hvaležno-
stjo, ljubeznijo in spoštovanjem,
tako bi morali gledati mlajši čla-
ni društva na starejše. Pri na-
šem društvu se to gotovo prak-
ticiira, kajti naše ustanoviteljice
imamo v takih časih kot imajo
pridni otroci svoje dobre mami-
ce. Zadnja tedenska izdaja Pro-
svete je prinesla lepo sliko teh
vrljih žena našega društva.

Priprave za proslavo 25-letni-
ce društva Napredne Slovenke
so v polnem teku. Mlajše članice
skrbijo, kako se bodo postavile
in postregle mladini v avditoriju
S. N. D., starejše se s pomočjo
mlajših trudijo, kako bodo go-
stitele posetnike s finim banke-
tom, dobrim programom in veš-
čimi govorniki. Sliši se, da niso
bile dvorane v SND še tako lepo
dekorirane kot bodo ob priliki
naše 25-letnice. Ako je katero
društvo, ki bi skušalo ta velepo-
membni dogodek res perfektno
dovršiti, je to gotovo naše dru-
štvo.

Naše članice, soproge trgovcev
in obrtnikov, so nam darovale
potom oglasov lepo programno
knjižico, v kateri bo navedena
kratka zgodovina društva s ce-
lotnim programom slavlja.

Annie Čebulj in Olga Lenar-
šič bosta v družbi malih deklic
zastopali mladinski oddelk in
presentili naše ustanoviteljice
z deklaracijo. Ustanoviteljicam
bo tudi jednota poklonila lepa da-
rila v obliki srebrnih broš. Pe-
vske točke bodo izvajane sa-
mo po društvenih članicah pev-
kah, in sicer: sestre Martinčič,
sestre Petrovič, Miel Grdina in
Antoinette Simčič. Dva pevca iz
mladinskega oddelka sta pa Ma-
rion Steblaj in Dorothy Svigel.

Stolovratateljica bo društve-
na predsednica Josephine Moč-
nik. Dva častna govornika bo-
sta Vincent Calkin iz Chicaga,
predsednik jednote, in sodnik
Frank Lausche. S kratkimi go-
vori bodo tudi predstavljeni vsi
clevelandski glavni odborniki
SNPJ, društveni zdravnik dr. F.
J. Kern in Frank Černe, organi-
zator našega društva.

Glavna gostiteljica v spodnji
dvorani bo Frances Candon.
Njej bodo pomagale Josephine
Zakrjšek in Emilie Fabian, ta-
ko da ne bo nikogar na banketu,
ki bi ne bil točno postrežen. Za
gostiteljico v plezni dvorani av-
ditorija je bila zbrana aktivna
in priljubljena članica Mollie
Martinčič.

Plesalnim bosta na razpolo-
go dve godbi: v spodnji dvorani
Barbičeva, v zgornji pa Jackie
Zorčev orkester.

Naša bratska društva se men-
da kosajo med seboj, kdo nas bo
posetil v večjem številu. Vse
zgleda rožnato in obetajoče. Mo-
ška društva delajo celo opazke
glede naših vstopnic. "Ja, to se
vidi, da vodi društvo nežni
spol, kajti že vstopnice od-
govarjajo namenu". Sestra Mo-
čnik je rekla, da se bo plačalo
biti navzoč že zaradi lepih oblek,
ki jih bodo nosile naše članice.
Uboga "lilika", last sestre Moč-
nik, že kar piha od hudega,
tako je utrujena, lastnica pa pravi:
"Le potrpi še malo. Veš, čla-
nice so raztresene povsod po
Clevelandu in ti me moraš pripel-
jati do njih. Vidi, da osebna agi-
tacija je bolj uspešna," itd. Lah-
ko bi še naštevale mnogotere po-
sebnosti brez konca in kraja, to-
da moram iti k stvari.

Članice našega društva so
vsem znane kot najbolj aktivne
na društvenem in kulturnem po-
lju. V času depresije se je mor-
al odbor boriti z marsikatero
potežkočo. Zgubile smo nekoliko
na članstvu, toda ne veliko. Po-
stopalo se je s članicami zelo
previdno in obzirno in ako je
članica imela resno voljo biti za-
varovana v jednoti, je še danes
naša zvesta sosestra.

Gotovo bo zanimalo one, ki se
radi bavijo s številskimi iz-
financo, vedeti nekoliko o dru-

veni statistiki od ustanovitve pa
do konca junija 1935:

Društvo je plačalo asesmen-
ta \$123.853.29. Društvu je bilo
izplačano: bolniške podpore \$36-
879.00, odškodnine, operacije,
odpravnine \$8.167.50, smrtnine
\$23.000.00. Skupaj v 25 letih
\$68.046.50.

S 30. junijem je znašala skup-
na vsota zavarovalnine za smr-
tnino \$197.150.00, kar je direktna
obveznost jednote napram naše-
mu društvu.

Kar se še ni zgodilo v zgodovi-
ni našega društva, je to, da je
društvo sklenilo vsem članicam
darovati banketne vstopnice. Se-
veda ni s tem rečeno, da lahko
vstopnico izroče kakemu druge-
mu članu družine ali kakemu
priatelju. Ta sklep je bil stor-
jen z namenom, da se bodo čla-
nice same udeležile banketa, ka-
tereja si bodo ohranile v prijet-
nem spominu za vselej. Vse one
članice, ki še nimajo vstopnic,
naj se oglasijo pri tajnici, da jih
dobijo. Sploh je potrebno tudi,
da si drugi gostje in naši prija-
telji preskrbijo banketne vstop-
nice ob času. Imele smo skupno
750 vstopnic, od teh je razpeča-
nih dobrih 500, torej jih imamo
na razpolago samo še 200. Po-
zrite se še ta teden, najzadnji čas
do sobote. Za rezerviranje vstop-
nic lahko pokličete predsednico
po telefonu: Glenville 0163.

Omeniti moram še to, da bo
pričetek banketa ob 6. zvečer.
Torej ne bo treba članicam in po-
setnikom pripravljati večerje do-
ma. Datum banketa je nedelja 6.
oktobra. Vhod je pri stranskih
vratih SND.

Prijateljem društva Napred-
nih Slovenk pa klidem: Na ve-
selo avidenje!

Antoinette Simčič, tajnica.

Vabilo Slavije na trgatve

Chicago. — Še dobrih deset
dni je do vinske trgatve društva
Slavije št. 1 SNPJ. V spodnji
dvorani SNPJ, ki bo okinčana
kot že dolgo ne, ga bomo kradi-
ko srake. Čim večji grozd bo zle-
tel z "brajde" nad glavami, tem
več bo veselja po dvorani, in to
posebno še, če bo uzmovič pete
odnesel. Kjer je dosti uzmovič-
ev kakor na primer na vinski
trgati, so tudi medsebojne sim-
patije globoke. Saj pregovor pravi,
da vrana vrani ne izkljuje
očel. In to bo menda držalo tudi
za "tatove" na vinski trgatvi.

"Lušno bo za vse hudimane",
je rekel naš Janez, ki ima že poln
koš načrtov za to imenitno za-
bavo. Oni dan sem ga zalotil, ko
se je v sobi vadi "skubenja".
Tako je bil zamaknjen pri vaji,
kako bolj spretno izmakniti
grozd, hruško ali kar že bodi, da
me ni nič opazil, ko sem ga gle-
dal iz druge sove. Počasi in zelo
oprežno je hodil gor pa dol in
hlilil svojo indiferentnost. Zdjaj
pa zdaj je česnil po dozdevnem
grozdu na stropu, ga naglo skril
na hrbet za kamizolo ali pa zno-
traj pod pazduho.

Vadil se je v kakšnih štirih
pozicijah. Potem mi je zaupal,
da se bo poslužil pri trganju
grozda tiste, ki se bo najbolj obne-
sila. Ko sem ga opozoril na ne-
varnost, se mi je nekam pomilo-
valno zarežal, češ, mar boš ti ne-
kaj učil izkušnega kontrabant-
nika (po vojni je namreč kontra-
bantil, da se je vse kadilo). Mi-
sli, da bo imel prav tako srečo s
svojo umetnostjo tudi na Slavji-
ni vinski trgatvi. Ko sem mu
dejal, naj ne bo preveč siguran,
je brezskrbno odvrnil, da ga ne
bo nihče obesil, čeprav ga pri-
tativni zalote. "Če se ne bom
mogel drugače izliti, bom pa ne-
kaj plačal vašemu sodniku," je
filozofiral. In menda bo res ta-
ko.

Da bo v soboto zvečer dne 12.
oktobra lušno "za vse hudima-
ne" na tej Slaviji priredbi v
dvorani SNPJ, bo najbrž resni-
ca. Ko si bomo enkrat sredo s
svojo umetnostjo tudi na Slavji-

bo nihče obesil, čeprav ga pri-
tativni zalote. "Če se ne bom
mogel drugače izliti, bom pa ne-
kaj plačal vašemu sodniku," je

znal dobro barantati, bo plačal
desetico več, kdor pa ne, pa 35c
ali 30c.

Ker so se mi številke pričele
v glavi sukati in ne vem več kaj

zaključim s prav lepim vabilom
vsem skupaj. Well, če ne bomo
kje obležali v soboto zvečer 12.

na tej zabavi. Za smukanje groz-

pičene, čevlje si bom pa namazal
po podplatih, po vrhu in obeh
straneh, ko pridem v dvorano.

Naš otvoritveni program

La Salle, Ill. — Kakor je že
bilo poročano v tem listu, da se
bo povečala spodnja dvorana
Slovenskega narodnega doma ter
se modernizirala, da bo od-
govarjala vsem potrebam za raz-
ne prireditve, bo to delo kmalu
izgotovljeno. Otvoritev te dat-
ne dvorane se bo vršila v nede-
ljo 27. oktobra. Glavno vlogo pri
tej otvoritvi bo imelo pevsko in
dramatično društvo Soča, ki bo
priredilo pevski koncert z opere-
to Snubaci.

Odkar se je to pevsko druš-
tvo reorganiziralo, je v njem za-
stopane največ tu rojene mladine,
ki se zelo dobro uči. Veseli
smo, da imamo med nami nekaj
ljudi, kateri se zanimajo in žrt-
vujejo čas, da se vcepi tukaj ro-
jeni mladini prekrasna lepa slo-
venska pesem in lep materni je-
zik, da se še nadalje ohrani pri-
življenju. Prvi koncert z igro so
imeli spomladi 21. aprila, kate-
ri je bil dobro izvajan. Od tega
časa imajo redno svoje vaje.
Mladina se intenzivno pripravlja
za drugi svoj koncert in opere-
to Snubaci.

Vstopnina bo samo 25 centov.
Tiketi se že prodajajo, katere i-
majo člani pevskega društva. O
koncertu in otvoritvenem pro-
gramu bo obširneje poročano po-
zneje.

Poročilo in naznanilo

Chicago. — Prireditve kluba
brezposelnih 21. sept. se je zelo
dobro obnesla. Za uspeh se naj-
iskrenejše zahvaljujemo vsem
posetnikom, prispevateljem da-
ril, prodajalcem vstopnic in de-
lavcem na veselici. Uspeh je po-
kazal, da naš klub postaja važen
faktor v našem okolju, važen za
brezposelne in zaposlene. Ve-
liko je klub pridobil na ugledu
ko je odprl svoje prostore s po-
močjo stavbinskega in posojilne-
ga društva Priklad, ki je klubu
dalo prostore zastoj, pri čemer
sta največ pripomogla tajnik in
blagajnik Priklad.

Prihodnja seja našega kluba
se bo vršila v četrtek 3. oktobra
ob 8. zvečer na 2544 S. Millard
ave. Po seji bo nastopil dober go-
vornik. Člani in sosesljani se va-
bijo, da se udeležijo.

Vreme za tri leta naprej

Boardwalks of Detroit

Detroit, Mich.—Congratulations to the Jolly Juniors of Sygan, Pa., for the great membership drive. Bro. T. Ganter who is delegate to represent them at the English Speaking Convention should be able to make a good report on "mapping of a new campaign."

The Reveliers' column gave a list of names submitted to the Administrative Board for selection, as committees to draw preliminary reports. Seven of these are from Penna and all names submitted are worthy of the post, but we must bear in mind that we have lodges in other states beside Penna.

The English Speaking Convention will be limited to such a short time that it will be impossible to do the work as it should be done. The Convention should begin on Friday, Nov. 1, instead of the Nov. 2 and then, in case the convention can't be handled in one day, it could be completed the next day.

The birth of the resolution submitted by the Y A's to the Supreme Board was brought up when a review of the past nine years' work of the English speaking lodge movement was given.

A few years ago the English speaking movement was something to look upon. Inter-lodge friendship was precious. One big wrench which was thrown into the wheel of progress was the Athletic Board that was created and which has done more harm to the organization than anything else. This board was abolished for the good of the movement.

We must have athletics in our organization to promote the spirit of fraternalism. But not the way it was done at the time when non-members, professionals and others were secured, just so that their lodge could win and secure a trophy. Today we can look back and we won't find half of these players, as members of our organization whose lodges won SNPJ championships.

I was very well pleased last Labor day at Cleveland to see that our Inter-lodge affair turned out as it did years ago when our organization was growing by leaps and bounds.

A general review of the work of the past ten years would fill a book and it would be worth its weight in gold. For example, many pages could be written about the actions of the English speaking delegates at the last regular convention. At the

beginning of the convention all were one united front, and towards the end the delegates were split in groups and were hostile to one another. We can blame only ourselves because we haven't adequate representation on the Supreme board today.

Our English speaking convention must be one united body. We must conduct a model convention; preparations for this convention must be up to the last minute in detail. It would be advisable for the Administrative committee or some other committee to issue rules and regulations of how to conduct this convention to save time and to get the most benefit out of it. There will be a number of resolutions submitted which could be submitted to a resolution committee the night before the convention. If one was appointed beforehand, committees working during the time the convention is in progress would get no chance to voice their opinions.

A suggestion to the Administrative com. is to secure two good recording secretaries for this convention, those who can take shorthand. Emblems of some sort should be obtained for each delegate to signify the 1st English speaking convention and the 10th anniversary of the movement. The president and secretary of the SNPJ should give the opening addresses at the convention. Every delegate arriving in Chicago should first go to the Main office or place designated to receive their credentials.

The Administrative com. should declare a holiday of business in office on the day of the convention. The employees could be given other duties to perform in conjunction with the session. As honorary delegate the Administrative com. should appoint the member who first sprung (organized) the idea of the English speaking lodges.

Every Supreme board officer who possibly can attend the conference should be present. The reporter from the Prosveta must be present to take in the highlights of the convention and also a committee should prepare to have pictures taken of the delegates on Sunday.

On the evening before the convention, nearly all delegates will be in town and a round-table discussions would be appropriate to discuss the manner in which to conduct the convention and its procedure.

Andrew Grum Jr., Lodge 564.

Excelsiors' Extra

Alliquippa, Pa.—All lodges are preparing for Fall and Winter business. Outside of their own respective affairs, of chief concern to every lodge is the oncoming E. S. conference to be held in November. According to the reports of those who attended the preliminary conference at Cleveland, the special conference at Chicago will be another successful SNPJ undertaking. The discussions and reports outlined by the informal conference should be highly interesting, and through them, much should be accomplished. Those who attend will also have an opportunity of visiting the SNPJ headquarters and familiarizing themselves with the way business is carried on in the Supreme office. It would be a wise policy for every delegate to read and follow up from now on, all editorials and reports concerning this conference.

Incomplete, but receiving completion, are the plans for the October 26 anniversary dance. As soon as the committee makes definite decisions, they will be announced in the subsequent issues of the Prosveta.

October 10 should be remembered by all Excelsiors members as the meeting night. This being the final meeting before the dance, all members are requested to be present. Funny, isn't it, how some members keep away from the meetings, aware of the fact that jobs for the dance will be given. Attend, and you'll not be accused as one of them.

Newsy Noisy Notes

A social of the past is the Excelsiors' private Wiener roast held at Clinton Lake on Sept. 21. Quite a number of members were present, enjoying the fun. Can still see the girls handing out the wieners and marshmallows. Comic picture, indeed. The prize contest conducted in connection with the present membership campaign should prove interesting and worthwhile. Every newly-acquired member should take advantage of it, bearing in mind the attractive prizes offered. Note that the Jolly Juniors are still leading in the campaign. While on the subject of the campaign, let me again remind Excelsiors to keep on the go for new members. How many did we get since the campaign is in progress??? October 12, the date of the Reveliers' dance. Glad to

note that the Silver Stars' recent picnic was a success. We'll be seeing you at one of our affairs, Silver Stars. . . . Whoever it chances to be, allow me to congratulate you, "Babs," on your good work. Keep it up. . . . What's become of the "Barroom Barons," "Carserb," and the other Strabane scribbles? Bye.

"The Humming Excelsior."

Am I a Pioneer?

Chicago.—Every true Pioneer during the next five weeks will answer "Yes" to all these questions:

1. Have I positively set aside Sunday, October 13, to appear in the group picture for the book?

2. Have I notified Jack Groser if I know of any housing accommodations for the week-end of November 2?

3. Have I disposed of at least one banquet ticket?

4. Have I tried to sell either tickets in the subscription book or for Sunday's program?

5. Have I tried to contribute any information or facts of interest for "The Pioneer"?

6. Do I realize that this is the biggest venture ever attempted by the Pioneers and that if I've never before taken an active interest I will surely do my bit now?

Mary Jugg, Lodge 560.

Spirit-O-Grams

St. Louis, Mo.—The Spirits' 7th anniversary celebration will be held either Oct. 26 or 27 at the Sokol hall, 1439 Chateaufort ave., and, believe it or not, the girls are taking full charge of this affair, with Sis. Sophy Vertosek as chairlady. Every Spirit girl volunteered to do her share and show the boys how they can put over an affair. So—let success be yours, girls! The boys will take charge of the next event; then we can see which of the two groups can be more successful.

The admission to the above affair will be 25c which entitles you to free beer or sandwich and to the attendance prize, not mentioning dancing. Besides, there will be big prizes which, however, must be kept secret until you see them for your-

self at the affair. At this affair will be given away a silk wool filled comforter or a double wool blanket. Tickets are on sale now.

Our recent meeting had a record-breaking attendance of the year; it was one of the most interesting and successful. Campaign and local activities were discussed, also the Chicago conference Nov. 2. Bro. John Spiller has been elected as delegate, and Bro. John Cepak as alternate to this most important conference. From all indications the Spirits will be showing their colors, as a good number of Spirits are making preparations to make trip Nov. 2-3. (Please note—If there are any of you SNPJ members in East St. Louis, Madison and Granite City, Ill.,

self at the affair. At this affair will be given away a silk wool filled comforter or a double wool blanket. Tickets are on sale now.

LEST WE FORGET

Exactly a month from today will be the second of November—the day of our great meeting at the CONFERENCE OF OUR E. S. LODGES. This is, therefore, the last month in which the lodges have yet the chance to elect their delegates to this Conference.

As announced several times before, this conference was designed for E. S. Lodges only, and every such lodge may send a delegate, regardless of its size or distance from Chicago. That gives a lodge with a small number of members the same chance for representation as the lodges which have large membership, and the same chance is given to lodges located distantly and far west as to the lodges close to Chicago and our headquarters. The Society will defray transportation expenses and pay per diem for the conference day to every delegate.

But, in order to be represented, the lodges must not forget to elect a delegate and to report his or her name to the headquarters immediately after election. And they must not forget that the last chance for election is at this month's meeting. No lodge that has neglected to elect its delegate either last month or this month, will have a right to be represented.

As evidenced by the list of delegates given below, only twenty-six out of the eighty-two lodges have to date reported the election of their delegates and given the names. We wish to express our sincere appreciation for their eagerness and prompt action in this matter. Prompt action helps us in preparation and aids the cause immensely.

So, we again appeal to the lodges that did not elect their delegates as yet: TAKE THIS MATTER UP IMMEDIATELY AND ACT PROMPTLY!

Following is the list of lodges and delegates as reported to the head office before this issue of Prosveta went to print:

Pioneer Lodge, No. 559, SNPJ

Chicago.—THIRTY DAYS TO GO and the two great days will be here. Our numerous friends, from far and near, send in reports of the great enthusiasm being aroused for the All English Speaking Lodge Conference and the Pioneer Tenth Anniversary Celebration. And we are working vigorously and with all the facilities at our command to make November 2 and 3 a memorable occasion.

"The size of the invading La Salle tribe will be limited only by the traveling facilities, according to Anton 1 Mahlich, their secretary. And Milwaukee will positively have a big delegation. Mary Gradiher, a former Pioneer, is making the rounds to gather the Badgers for the journey. From St. Louis, John Spiller is aiming to assemble a train full of SNPJers. You Kansans, Lincolntites, etc., join in the St. Louis special bound for Chicago. And from a dozen other SNPJ centers encouraging news of definite participation reach us.

Our program is taking on its final shape. We are ready to report that 2 ANTON SUBELJ, our well-known and popular operatic baritone, has definitely agreed to sing at the Banquet and Program. He is coming to us direct from Long Island, New York, and our folks will rejoice in being able to hear him again. Subelj has made an enviable reputation in Chicago.

Your Committee of 100 meets every Monday night at the Unemployed Headquarters, 2544 S. Millard ave. Reserve the four Monday evenings of October for this work. It is important that all of you attend.

Eight more lodges have answered our call for greeting ads during the week and that brings the English

speaking lodge representation to 20. Hurry up, folks, the deadline is approaching rapidly. If you wish to have your lodge represented in this fine book, you must act by Oct. 15. Seven of the thirteen Federations have already responded. Let's make a dash in the remaining two weeks to bring the total over the century mark.

Andrew Vidrich of Johnstown, Pa., former Supreme board member, sends us a message worth recording. "My heartiest congratulations to the first E. S. Lodge of SNPJ on your Tenth Anniversary of splendid and successful work among our younger generation, for a better and bigger workingman's benevolent fraternal organization, Slovenska Narodna Podporna Jednota!" Similar statements are coming in from our numerous friends and they are appreciated.

Among the Pioneers: Ida Warsek and John Simonie have been married. Congratulations. — Angelina Smith has a baby girl. Best wishes. — Mike Reading, who helped to put our first big social, "A Night in Slovenia," across, writes that the first affair "is still young in his memory." He asks if we still remember how we used to meet in the evenings and make garlands for the first decoration the SNPJ hall ever had? We do. To him, "now only the memory lingers." That will be precisely what we'll say ten years from now if we can put across our Tenth Anniversary in a fitting fashion. — John Jackaniz has left for West Frankfurt, Ill., where he will recuperate from second operation.

We're going to Nada's "Grape Harvest," Sunday, Oct. 6. It will be held in Mary Aulin's natural grape gardens in Clarendon Hills, Ill. It's going to be something different. Come and partake of the luscious grape (Continued on page 8)

Loyalite News

Cleveland, Ohio.—The Loyalites will inaugurate their Social season with the opening Social Night on Wed., Oct. 9, following our meeting. An approval was passed at our last monthly meeting whereas each member was to buy one ticket. As we do not hold any big dances, we feel that it is no more than right for each member to buy a ticket on our first Social Night. I urge all of our members to attend this meeting, as many important things are to be discussed, mainly the electing of a delegate to represent the Loyalites at the English Speaking Conference, which will be held in Chicago the first week in November.

Those of you who might be interested in bowling and basketball might like to know that we are going to have a bowling team, and we are going to try to line up a good basketball team to compete in the Inter-lodge League.

Frank Chliggoy, our hard-working Loyalite member, was stricken with an acute attack of appendicitis and was rushed to the Glenville hospital. Frank is now at home recuperating. Frank Zadell, Lodge 590.

Important Notice

Detroit.—Due to the fact that a delegate will be elected to attend the SNPJ Conference of English Speaking Lodges in Chicago on November 2 and 3, it is requested that all members please attend the next meeting at 10:30 a. m., Sunday, October 6. The following auditors: Olga Peterlin, Charlotte Anzick, and Frances Tersinar are requested to be present at 10:15 a. m. to audit the books for the last period. Albin Obed, Sec'y., Lodge 677.

NOTICE, LODGE 594!

Oakland, Calif.—Since the fall and winter months are with us again, Lodge Land of Palms 594 has decided to hold its monthly meetings on the third Sunday of each month, beginning with the month of October.

Please, take notice, and also get your money to your Secretary by the 24th of each month, since it is a long way to Chicago and the Secretary at times is also short of money and cannot pay dues for everybody. Frank Slaby, Sec'y.

Western Penna. SNPJ E. S. Federation Items

Ambridge, Pa.—Extemporaneously: The quarterly conference of the E. S. Federation will be held at Pittsburgh, Pa., on Oct. 20. The session will open at 2 p. m. There is reason to believe that a record attendance will be on hand. Past sessions drew regularly attendance from nine to thirteen lodges. Only once were the entire fifteen associated lodges present. This time the Supreme board's calling of an E. S. conclave will echo its good points by reawakening interest in the Penna SNPJ field. And that means greater attention and activity in our own Federation's work.

The fall conference is customarily an important one. The fall and winter programs are detailed. On Oct. 20, steps will have to be taken in the preparation of the fall banquet. Arrangements for the Annual Bowling tournament are to be concluded. Statements concerning sponsorship of an SNPJ Day next summer will arise. The steering committee of Ganter, Marcus and Kosela will be prepared to submit preliminary reports on the above mentioned topics.

In addition, Henry Pevic will submit items on an SNPJ summer school. The conclusion of athletic discussions with Lodge 741 will be reported. Results of the July picnic will be announced. Bro. Bait will submit a report of the last Slovene Federation meeting. A purchase of a trophy to last summer's winner in the mushball league will receive attention.

Last Sept. 2, a number of Penna members were in attendance at the impromptu conference held in Cleveland. The work of that session may receive attention at the meeting. It would be well to have the delegates

going to Chicago attend the Federation meeting. Those last minute details of methods of traveling as group could be discussed, etc. All delegates will want to obtain tickets to the Pioneers' 10th anniversary banquet on Nov. 2. According to Pioneer reports, all banquet tickets should be made by writing for reservations before Oct. 30. The Penna delegation should be reminded of this.

ALL THAT SORT OF THING.—Sygan is the leader in the SNPJ campaign for new members. Creditable, as it is to know that Jolly Jrs. are a Penna lodge, the others should not exist in reflected glory. Last year's campaign was paced by Ambridge, Imperial and Universal lodges in Penna. Somehow, it's lonely to perch at the top without the semblance of real competition. Give the Jolly Jrs. plenty of company. And competition!!! Eddie Rosenberger and Peter Svegel were recent Rev visitors to Cleveland. . . . Although it's kind of late: Good luck to the new arrival at Mr. and Mrs. John Kerzan's. . . . Carrie Kerzan is recuperating at home after ten days in the hospital. . . . For the first time in months, the editor did the erasure act to a bit of a Rev Column, last week. . . . Quite a crowd of Revs were at the local R club's dance last Tuesday. . . . Others were in Pittsburgh at the SSCU dance. . . . And all the Revs are getting ready for the Oct. 12 affair right here in Ambridge. . . . Be at the Federation session on Oct. 20 all you Federation officials. . . .

This reported that the Yukon Silver Stars will join the E. S. Federation. . . . And the Broughton Keystone Trojans have been again invited by letter. . . . So long, until again. . . . Louis Kosela.

Ramblers' Spotlight

Harmarville, Pa.—Just as some dark horse emerges forth to victory in a race of any importance, or as some heretofore deemed inferior contender for any title accomplishes the almost impossible, so has Sygan, the home of our good-will ambassador, Tommy Ganter, stepped into the limelight with a record any lodge would cherish. The headlines of last week were quite deserving to a town its size, contributing as it did more than fifty members in less than sixty days. Considering the two, place and membership attained, the praise they merit cannot, in reality, be over-emphasized.

Ambassador:—America may have had an erstwhile good-will ambassador in the late Will Rogers, but no better selection as our candidate for that office can be made than to choose the popular secretary of the aggressive Sygan Lodge, Tommy Ganter. It is an infrequent occasion when the conspicuous personality and presence of Tommy is absent from an affair in the Federation area. Functions outside of the SNPJ have also been greeted with his presence.

Incidentally, Tommy Ganter is the Ramblers' selection as committeeman for No. 2 of the 14 points drawn up at the Cleveland conference, Labor day, i. e., "Problems in the solicitations of members." As secretary and delegate to Chicago Conference, of Sygan lodge, we believe him befitting the honor. Likewise the committee names for the remaining thirteen points, as recommended to the Supreme President by the Ramblers' Lodge, are, we believe, "the most logical for the job."

Conclave:—That the coming conclave in Chicago, Nov. 2, may have far-reaching effects, is readily seen. Accomplishments will depend on speed and an informed delegation. This writer, as the Ramblers' delegate to the conference, heartily endorses Louis Kosela's views on the conference in his column presented in the Sept. 18 edition of the Pro-

sveta. The view, in its entirety, is well worth considerate and active attention, and the delegates will certainly appreciate the Supreme board's action as suggested; with benefits to the organization as a whole. In brief a quotation will suffice. " . . . Members of the Supreme board should give their views on the fourteen points. Delegates and committee members will find valuable information in such write-ups. . . . May the work and results of the conference recompense the expense incurred. Considering the short time allotted for the conclave, it is quite evident that the views, ideas, suggestions et cetera, especially of the Supreme board, will prove of inestimable value if presented to the delegates previous to the conference. Work of such a nature as outlined in the 14 points allows room for much discussion and thrashing. Be-forehand knowledge to any degree, will aid the delegates and committee-men considerably in expediting the work.

Ramblers:—It will be of interest to all Ramblers of action taken at last meeting. Just as human nature desires variety and changes in style, so do the officers of any lodge in their monthly meetings. The same faces, the same voices every month—you know what! It is common in practically the majority of the lodges. . . . The Ramblers, in an effort to entice members to their meetings, adopted the same policy as for their fifth anniversary month: i. e., to appropriate a sum for a social in this mind, and keep the 18th of October open for your meeting nite. . . . Be seen' ya! . . . F. J. Progr.

EDITOR'S NOTE

Conclusion of official minutes will afford more space for omitted reports which will appear in next week's issue.

Mohawks

La Salle, Ill.—At our last monthly meeting there were so many of the most active members absent that it was impossible to transact much business. Several appeals were responded to as liberally as our treasury would permit, and several transferred members received. It was decided that a member to represent the Mohawks at the English Speaking Conference at Chicago in November would be elected at the next monthly meeting. Methods for obtaining new members were discussed, after reading communications from the Main office in that connection.

Plans which were made by the

Entertainment Committee at a Special Meeting were discussed. It was agreed that we would present a Slovene Play on November 16. For the past several years, the Mohawks have catered only to their English Speaking friends on the theory that the old folks would patronize our affairs whether they got any enjoyment out of them or not.

In planning for this Slovene play, we reversed our former opinion and decided that on November 16, the program would be planned in every respect for the entertainment of the old folks. The program is to be held on Saturday night so that "work on the next day" would not

spoil the fun. After the play there is to be dancing to accordion music in the lower recesses, where beer, wine and food will be served in abundance—just like the good old days.

The Mohawks sincerely hope that the old folks will not disappoint in our endeavor to put on this Slovene program, but will do everything in their power to make it a success because it is going to require a lot of hard work on the part of the young folks.

Members, do not forget the next meeting on next Monday as there is to be important business coming before the meeting at that time, and in addition a cash prize is to be awarded and a social program after the meeting, including dancing. The News-Hawks.

E. S. Conference Proceedings

Cleveland, O.—Following is an extract of the minutes of the informal preliminary conference of the E. S. L. of the SNPJ, held in Cleveland, O., Sept. 2, 1935, at the Work-Home on Waterloo rd., at which twenty E. S. lodges were represented with about 85 members and representatives in attendance:

The meeting was called to order by Bro. John Lokar, 2nd Vice President of the SNPJ, who delivered a short welcome address and then introduced Bro. Vincent Cankar, Supreme President of the SNPJ, as chairman of the meeting. Bro. Cankar then introduced the following speakers: Bro. A. Boric, Pres. Cleveland Federation of the SNPJ, who welcomed the delegates in behalf of the Federation; Bro. J. F. Terbizan, Sec'y. of the Cleveland Federation, and Bro. Matthew Petrovich, Supreme Board member, greeted the delegates.

On motion, roll call was taken, and the following lodges were represented: 559, Chicago, Ill.; 564, Detroit, Mich.; 566, Cleveland, O.; 589, St. Paul, Pa.; 590, Cleveland, O.; 611, St. Paul, Pa.; 614, Cleveland, O.; 656, Pittsburgh, Pa.; 659, Sygan, Pa.; 680, Vevina, Pa.; 682, Library, Pa.; 686, West Allis, Wis.; 690, Kansas City, Mo.; 699, Ambridge, Pa.; 706, Moon Twp., Pa.; 728, Gowanda, N. Y.; 729, Tatum, Pa.; 742, Cleveland, O.; 647, Akron, O.

Bro. Vincent Cankar then officially opened the preliminary conference and explained to the representatives the object of the Conference which is to be held in Chicago on November 1. Today's conference was called to prepare plans for the First English Speaking Lodge conference to be held in Chicago in conjunction with the Pioneers' 10th anniversary celebration. The Supreme board at the semi-annual meeting, held on August 10, adopted the resolution sponsored by the Young American Lodge of Detroit, that each lodge will have the opportunity to elect one delegate to this Conference to be held in Chicago November 2 and that the SNPJ pay traveling expenses plus one per diem to the delegates.

Bro. Lokar voiced his approval regarding a Conference, but doubted that it could be a success if called on such a short notice, and stated that he did not recall the motion made by Bro. Zaitz including the fact that the Conference was supposed to be held in Chicago. He is heartily in favor of this English Speaking Conference and spoke for it at the Supreme board meeting. He stated that lodges in the East are the backbone of the SNPJ and should be considered equally as much if not more than lodges in the East demand and get that is due them for their work for the Society.

Bro. Cankar stated that the Conference has to be held in Chicago and we can not change the decision or the minutes of the Supreme board meeting.

On motion, all discussions are limited to a five minute period.

Bro. Donald Lotrich (Chicago) stated that Chicago is deserving of having this Conference held during the Pioneer 10th anniversary celebration, and we should draw up a definite program by which we will be able to proceed with the Conference in Chicago. This will not only save time, but we will be able to accomplish much more since the Conference is scheduled for one day only. He also explained some of the Pioneer accomplishments during their ten year existence.

Bro. Andrew Grum (Detroit), representing the Young American lodge at the Conference, explained the purpose of the resolution as sent to the Supreme board, since we did not have a copy of the resolution on hand. The main purpose of this Conference shall be to promote harmony between various lodges and boost our SNPJ English Speaking Lodge Movement; the delegates at this Conference should discuss matters pertaining to the English Speaking Lodges only.

Bro. Oscar Godina (Chicago) read the 11 point program, originally suggested by Bro. Donald Lotrich, and stated that any changes or additions could be made so we may be able to outline a definite program for our Chicago Conference. This program was then taken under discussion.

Bro. Raymond Travnik (Detroit) suggests that each subject be discussed separately. The following outline of subjects was then accepted to be the day's order of the Conference in Chicago:

1. A general review of the work of the past ten years;
2. Problems arising in the solicitation of new members;
3. Mapping a new campaign;
4. Do we need reorganization of our forces;
5. History of the SNPJ;
6. Advice to secretaries;
7. How to attract members to our meetings;
8. How to conduct dignified meetings;
9. Athletics, do we need them;
10. Proposals for concerted group activities and the part the Head Office should take in them;
11. What about publicity?

These eleven points were unanimously adopted and the following added: Bro. Donald Lotrich's suggestion (12) for a summer school—education; Bro. Louis Kosela's suggestion (13) how to shorten conventions; and Bro. Frank Kress' suggestion (14), should federations have more authority.

Bro. Lotrich's motion, that each one of these subjects be assigned to various delegates authorizing them to bring to the Chicago Conference a detailed report or resolution, was carried.

On motion by Bro. Andrew Grum, the Administrative Board shall select 14 representatives, and lodges and individuals shall have the right to nominate and send in their qualifications to Pres. Vincent Cankar.

Bro. Donald Lotrich's motion that the Administrative Committee acts as a Credential Committee for the Conference, carried.

On motion by Bro. John Lokar, E. S. L. shall continue to hold these affairs annually during Labor Day and the next SNPJ Labor Day Celebration shall be held somewhere in Penna and the Western Pa. English Speaking Federation shall be delegated to formulate plans for the 1936 SNPJ Labor Day celebration.

After disposing of all conference matters properly, the meeting was adjourned at 12:30 p. m.

Ann Strauss, Recording Secretary.

Commodores' Log

Cleveland.—Leaves come tumbling down around my head; some of them are brown, some are red. Beautiful to see, but reminding me that it's October, the beginning of Fall, with winter tugging along close by. Reminding me that the end of the year is close by also and with it the end of the SNPJ 1935 Membership Drive. Reminding me, that our showing in the Drive is not so good, putting it mildly.

Commodores! Let's put some force into that Drive. It's not too late. Let's resolve that, "Perhaps we didn't start off with a bang, but let's come into the home stretch with flying colors and Victory." Look at those Jolly Juniors in Penna. They don't have more prospects than we. Let's more "go-getters." That's why their new membership is sky-rocketing.

Our Second Anniversary

October also brings our—Recalling that paragraph in our Lodge History, which said, "It was a sunny Sunday afternoon in Oct., 1933, which saw the birth of the Commodores. There were no bells ringing in the streets, no bands announcing that inside a new lodge was being organized." Let's keep that statement in mind. Let's keep going upward, no bells or bands, quietly but with determination, we'll get to the top yet. Are

you with us, Commodores? Remember your name, why you chose it. We said we were "Commodores"—Captains of the high seas of Fraternism. And at this, the beginning of our 3rd year, let's remember our motto—that of the most famous sailor in history. Sail on, and on, and on!

Friday, October 11

So with this in mind, the Executive Comm. invites you to attend our next meeting, which will be followed by a birthday party held in honor of our second anniversary, at Zeleznik's Cafe on Jennings road, Friday, Oct. 11. Music, dancing, refreshments. Are you coming? OK, we're counting on you. P. S.—Bring that new member.

There are some important items to discuss. 1. The appointment of our delegate to the English Speaking Conference in Chicago. 2. How many members are planning to attend the Pioneers' Tenth Anniversary celebration. 3. Are the girls going to organize that basketball team? What with such players as: Mary Sidloski (Rodgers), Dorothy Pultz, Marie and Theresa Zeitz, Doris Ufferman, Ann Zarnick, Kate Ewalski and Mary Klun, we should be able to tackle the Bleep-Coombs girls. Joe Konchan offers his services as coach. 4. The Boys' Basketball team. 5. A Bowling

team. With so much business on hand, meeting will start promptly at 8 p. m.

At the last meeting the Commodores noted that we send Pres. Antonie of the Commodore's official letter of approval and desire for co-operation on our part. How about the rest of the English Speaking lodges—Strugglers, Beacons, Progressives, Loyalties, New Eras? Let's all cooperate and get the coop plan a rolling.

Comrades' Harvest Dance

was attended by the usual group of Commodores, and had the usual sort of good time, cordial hospitality shown them that only the Commodores seem to be able to put over. Heinie Martin, their Pres., has the gift of knowing how to make visitors feel welcome.

Delegation headed by Frank Mesec, Pres. and their Publicity dept. ("Oh" all seemed to have an enjoyable time. Yes sir, it's "Go west" in November, if you would have a good time, young man and young lady. Chicago on Nov. 2 is our destination. (Dot 'n' Marion have their souvenir booklets almost all sold, which means free banquet tickets for us.) Chicago will be the scene of the largest affair ever staged by the Young SNPJ. The Pioneers of the English Speaking movement celebrating their 10th anniversary. And we're going to be there to help them celebrate, too.

Marian E. Konchan.

Universal Comets

Universal, Pa.—Just to remind the members that our next regular meeting will be held on Sun., Oct. 6, at the usual time and place. At this meeting we will elect a delegate for the Chicago conference. All members are requested to attend. It is very essential (request from the Supreme Pres.) that the most active and loyal member from our midst be sent as delegate to this worthy conference.

It is presumed that at the conference one of the important points will be the mapping of a program for securing new members. During the present campaign the Comets have added to their fold 12 juvenile and 1 adult member. With 3 more months to go we should be able to surpass our last year's record. It is suggested at this time that the present campaign committee make special effort in securing additional members. With special concessions granted it should place our lodge in rank with one of the "Big Ten."

For the benefit of the newcomers the Administrative Board is awarding \$100.00 in prizes to those who submit the best contributions. It is worth one's effort to spend a few leisure moments to try to win one of the worthy prizes.

Coming—Oct. 26 is not far away for the Comets' Masquerade Dance. You should come and see what we have in store for you. It is anticipated to be a greater affair than ever before. We extend our hearty "Welcome" to all of you on Oct. 26.

Joseph Caesar, Lodge 715.

LUCKY STARS

Imperial, Pa.—Another anniversary came and is gone, and another success for the history of the Lucky Stars. We wish to thank all of the SNPJ members for their attendance at our anniversary dance. We hope they enjoyed themselves as well as we enjoyed having them there, and hope that they will all attend our future affairs, and we shall also attend theirs.

The attendance at the SNPJ Western Penna Federation meetings has been very bad at the last two meetings. Let us go forward instead of back. The Federation has good officers who are intelligent, industrious and work in a harmonious body. They know and believe in their fraternity, its ideals, its purpose and its activities.

So let us all as loyal members do all that we can to keep the federation going forward. While we go forward, let us think that we build for the future. Let it not be for present delight, nor for present use alone, as has been the case until now. Let it be such work that the younger generation will thank us for, and also be proud of. So here's hoping that we have a 100% attendance at the next Federation meeting. And now just a few words to those of you who are going to Chicago on Nov. 2 as delegates for your lodge. I think that it would be much better riding to Chicago from Pittsburgh on an airplane instead of the train. If any of you delegates are interested in the airplane ride please write and let me know. (Box 746, Imperial, Pa.) (And don't forget, fellows, bring your parachutes along.)

L. L. Zupancic, Lodge 716.

Jolly Allis Lodge

West Allis, Wis.—Six years ago a small group of members got together at the Yersin home for the purpose of organizing an English speaking lodge. With the help of the senior lodge 104, this group accomplished its purpose and organized what is now the Jolly Allis lodge. Charter members: Frank, John and Vincent Podlogar; the first is our present president, the latter was our president for the past five years; George Goronja and Ann Yersin, both of whom have held the position of treasurer and secretary, respectively, since the lodge's organization; Ann Milner, Stephanie Kodre, Helen Sindelic, Pauline Schrumada and Jeanne Rezel were the others of this group. All of the boys are still in and of the girls only Sis. Ann and Jeanne remain in our lodge.

This group with their hopes that the future held greater things for the younger generation joined into the SNPJ, a steadily growing organization with hopes to benefit all of its members socially and intellectually. We have been going along for six years and hope to keep going many more. The going has not always been smooth, but with the determination of their forefathers the lodge held to the threads of their hopes and are now emerged into a better organization than they had known since its beginning.

After the first year we had 75 members, but the depression hit us as it hit many other lodges; we now have 54 adult members and high hopes of getting back to the original 75 before long. We are again active in supporting other organizations in the SNPJ, having traveled over fifteen hundred miles this summer, and are sure to do our part in promoting good fellowship and fraternalism throughout our organization.

To celebrate our six years we are holding our anniversary dance for the South Side Turn hall, 729 W. National ave., in Milwaukee, on Saturday night, October 5, 1935. The popular orchestra of Tony Yank will furnish the music. Added attractions: refreshments, souvenirs, serpentine, confetti, and a large assortment of horns and whistles. The tickets are going fast and with the out-of-town visitors we are sure to have a swell time. So, all of you who have not as yet bought your tickets, be sure to get them; the price being only 25c. We are extending a cordial invitation to everyone who wishes to attend. Come and spend the evening with us, come and have a jolly time with the Jolly Allis. Hoping to see you all here I remain

The Old Man of the Mountain.

PIONEER GIRLS' CLUB

Canonsburg, Pa.—October 6, Sunday evening at 7 o'clock, the Pioneer Girls' Club will sponsor their first series of public entertainment in the form of a Penny Bingo. A grand assortment of prizes have been selected and all of you are cordially invited to attend.

The last meeting of the Club was held at the home of Anna Kokilich with Tillie Tomsic and Mary Sveton as assistant hostesses. Enthusiastic plans were made for the coming winter months, with a bowling league, bingos and dances. The winter of 1935-36 promises to be very entertaining and busy.

The next meeting is to be held at the home of Mamie Progar and is to be in the form of a Halloween party. Each member is asked to bring a female guest, October 17.

A Member.

Buckeyes' Bits

By Oh

Barberton, Ohio.—As the final months of the campaign are in view we see that the Jolly Jrs. of Sygan are doing an incomparable job of securing new members. Everyone is handing them felicitations and they certainly deserve them. But how they put us to shame! What are we doing while they are thus forging ahead? So far, we Buckeyes seem to be rather timid. There must be a solution, so I believe that at our next meeting we should make some campaign plans of our own. I think it would be well for us to form committees of about 3 people each to do their campaigning together and make it a sort of contest to see which committee can get the most members.

And remember that new members are those who don't belong to any SNPJ lodge; those who do are transfers. How about all those neighborhood kids? Don't forget that the juveniles are important. And, remember, there are cash awards for every new member.

Our annual wiener roast was pretty well attended by the Buckeyes and their friends. There were representatives from Massillon and a Canton McKinley. Those who deserve special mention for yeoman duties are Stefie Matosel, Joe Mesec, and "Little Snits" Znidarsic. They guarded, planned, ordered, delivered, tended the fire, etc. Others helped also and we noticed the crowd enjoyed itself. We're glad to report that no one was hoarse the next day and everyone got home despite the heavy fog and a couple of mishaps. It seems that the last 3 cars that left the farm had occupants sitting on the edge of the seats and two or three girls in the famous open-air Lizzy were pretty cold when they arrived at their respective domiciles. We missed a certain group of Commodores.

Our next meeting will be held this Friday, Oct. 4, so come all ye members. The girls should have a list of orchestras so we can select one for our dance on Nov. 16.

PIONEER ATHLETICS

Tenth Anniversary

Universal, Pa.—It is appropriate and fitting that the 1st convention of English Speaking Lodges is to be held in Chicago, during the Pioneers Tenth Anniversary Celebration. It is a just recognition of their contribution, ten years of unselfish devotion to the SNPJ cause.

Their achievements are marked by a decade of unbroken progress. Like a beacon, they are guiding the destinies of their sister lodges in the English Speaking movement; like a Gibraltar they are the foundation on which has been built a vast and growing movement.

They have acknowledged and exercised the principles and ideals on which our Society was founded. They stand out in prominence for their progressiveness, worthy to be considered by other lodges.

We should lend our influence on this occasion, extend them our cooperation, attend this affair and make it a crowning success.

Inasmuch as the situation has been altered by the action taken at the Labor day conference of E. S. Lodges in Cleveland, I feel that since a great number of delegates will travel from Western Penna. for the two days, it is possible to get a reduced rate (by bus or rail) if we travel in an organized group. There are, I believe many who will not have the opportunity to go as delegates but who will be anxious to make the trip; they also can get advantage of this rebate.

As a member of the Nat'l Advisory Committee of the Pioneers Tenth Anniversary Celebration I take the liberty to ask all those interested in taking this trip, to signify their intentions by dropping the writer a card within the next few weeks. Also, to the other members of the Nat'l Advisory Committee in this vicinity: please correspond with me on this matter so that it can be discussed at the next conference of Western Penna. English Speaking Lodges to be held at Pittsburgh, Sunday, October 20.

Further, all members making this trip will be informed of developments through these pages.

Let's go to the Pioneers Tenth Anniversary.

Springfield, Ill.—Plans have been made and tickets distributed for the Lincolnton Fall Dance to be held Saturday, Nov. 16, at the Dom.

Frank Zibert, Rudy Kirar and Ann and Ana, who are on the Committee for this dance, are doing their part. So—let's have every member get behind this dance and make it a success. Our treasury needs your support.

A cash prize will be awarded to the member selling the most tickets. Anyone wishing additional tickets get in touch with the writers.

The marriage of Sister Erma Furlick and George Sabo, which took place in Jan., has recently been announced. Congratulations! Sister Mary Ann Filber, Nee Furian, recently underwent an operation at St. John's hospital. We're glad to hear she is better.

The regular monthly meeting was held Friday, Sept. 20, with a somewhat improved attendance. At this meeting, Sister Ann Banich was elected as delegate to the E. S. lodge conference, to be held in Chicago, Nov. 2.

CARDINAL TWITTERINGS

Bridgeport, Ohio.—The Cardinals, SNPJ Lodge 640, will hold their regular meeting Monday evening, October 7, at 7:30 sharp at the Boydell hall. All members please take note, as it is going to be a very important meeting.

The delegate to the English Speaking Conference to be held in Chicago, will be elected. This important matter was held over from the September meeting as there was not a large number of members attending. This is a very important matter, since a member who is very active, and who takes great interest in the SNPJ, should represent us, the CARDINALS, at this event. This is the first English Speaking Conference ever held and we surely want to be represented.

Also plans for the spaghetti supper and dance will be completed at this meeting. A report will be given by the committee, and those who have not yet received tickets will be given their share of ten tickets each. Further details will be given about the supper and dance at a later date.

So all you Cardinals, don't forget October 7.

TWO DAY FESTIVAL

Chicago, Ill.—The Pioneer annual dance has been the watchword of many for years on end, and season after season the committees have arranged their affair to please all. But this year marks the Pioneer Tenth Anniversary and the annual celebration will be a two day festival.

We'll be hearing about other events, but I dare say the Pioneers' Anniversary celebration which is scheduled to take place in November will be the most unique event of the season.

Besides having a well known orchestra the committee promises much that is new in music and entertainment. They have just completed a survey of the available crop of fine orchestras, dancers, singers, etc., and will soon announce their choice with the promise that the ac-

Detroit.—Friends, the time has come to lend me thine ears. I have come to you with a plea.

The primary election here in the city of Detroit is here. This is important! The highest eighteen men will stay for the general election. Now, we have three, honest, capable men running for council. They are men worthy of your support. They represent the laboring class of people. Purely non-partisan. Friends, they are worthy of your support, to that I give you my word of honor. Three veteran fighters in our labor ranks.

Please mark these names down. Maurice Sugar, Fay O'Camb, and William McKie. These men are not promising you a lot of worthless, unbelievable, impossible forms of wealth. They are and will give you honest city government and that's a lot more than we have today! Go to the primary election on Oct. 8 and vote for these men. It depends on all of us. Don't forget!

Minutes of the Semi-Annual Meeting of the Supreme Board of the Slovene National Benefit Society

held at the Society's headquarters in Chicago, Ill., August 8, 9 and 10, 1935

Bro. Olip was of the opinion that the discussion of Bro. Somrak's motion should be deferred. He thought that, first a vote should be taken on the motion of Bro. Petrovich, which motion is entirely consistent with the by-laws.

Bro. Zaitz stated that Bro. Cankar's motion was entirely in agreement with the by-laws, and that it was more explicit and more logical than Petrovich's motion.

Bro. Molek doubted if any compromise could be of any help. He mentioned that the dispute concerning the jurisdiction of the two committees was begun years ago and that the matter is still unsettled. He also considered Cankar's motion as an amendment to the by-laws.

Bro. Vidar spoke in favor of Bro. Somrak's motion.

Bro. Cankar ruled that Somrak's motion was an independent motion, and therefore for the time being should not be discussed.

Bro. Cvetkovich wished to attest that the finance committee did not cause this dispute, but that the by-laws provided that the finance committee make all investments, and that lately the administrative committee had usurped this right. Therefore it was necessary to decide the question of jurisdiction, now, one way or another.

Bro. Petrovich reported that the members of the finance committee decided to withdraw their motion, and that all three were supporting the motion of Bro. Cankar.

Bro. Barbic was against the motion of Bro. Cankar, just as he was against the motion of the finance committee, for the simple reason that he considers the by-laws in this respect clear and definite enough.

Bro. Somrak called the vote. Bro. Cankar's motion was adopted by a vote of ten to three.

A discussion of Bro. Somrak's motion followed. This motion provides that only federal bonds could be bought until the next meeting of the Supreme Board.

Bro. Somrak, upon the request of Bro. Zaitz, explained the reasons for his motion. In the first place it would put a stop to the controversy between the finance and the administrative committee because we know from experience, that this controversy did not exist as long as the finance committee was buying federal bonds only. The difference in price and interest rate between federal and first class municipal bonds is not very great. There is also a possibility that municipal bonds, purchased now, might default, or might have their interest rate reduced. In other words, there is still considerable risk in municipal bonds.

Bro. Petrovich explained that the difference in the interest rate was substantial; that federal bonds yielded about 2.75%, and good municipals yielded from 3.5 to 4%; and that by adopting Bro. Cankar's motion the control over the finance committee was complete and that therefore it was not advisable to bind their hands further.

Bro. Zaitz wanted to know why Bro. Somrak presented his motion. Was it his intention to improve the quality of the Society's investments? Or did he want to circumvent the dispute between the two committees?—The price of federal bonds is high, because they are liquid, i. e., it is possible to exchange them for dollars at any time. The question is, of course, how much you get for a dollar. In other words, the real value of federal bonds can also drop very much.

Bro. Vegrich, upon being asked, explained that federal bonds were considered better than any other because the federal government possesses the greatest taxing power.

Bro. Olip appealed to those present not to restrict the actions of the finance committee so far as to approve the motion in question. He pointed out the fact that federal bonds are now higher than ever, due to the fact that a tremendous demand exists for them because of their marketability. But our Society does not need—as the banks do—in investments with such a high degree of liquidity.

Bro. Vidar approved Bro. Somrak's motion, and although it was not his intention to imply that municipal bonds were not good investments, nevertheless it was a matter of everyday occurrence for municipalities to petition the court for a reduction in the interest rates on their bonds.

Bro. Gradisek also supported the motion of Bro. Somrak, saying that if the price of federal bonds fell, the price of municipal bonds would undoubtedly do likewise.

Brothers Sular, Podboj, Malgai and Barbic also spoke. Bro. Barbic considered the motion unnecessary.

Bro. Cvetkovich stated that the federal government likewise often reduced the interest rate on federal bonds by calling in the issues and redeeming them by new issues bearing a lower interest rate. He also stated that federal bonds were high because of their tax-exempt features and because of their liquidity.

Bro. Cankar called a vote. Bro. Somrak's motion was adopted by a vote of 9 to 6. Therefore, until the next meeting of the Supreme Board in 1936 the assets of the Society shall be invested exclusively in federal securities.

Ten minutes pause.

Bro. Petrovich, on behalf of the finance committee, recommended that the Supreme Board authorize a subscription to Moody's Service for one year. He read an analysis of our investments, prepared by that company, and described how they intend to cooperate in solving our Society's investment problems.

Bro. Olip, Cvetkovich and Petrovich told of different investment services who neither buy nor sell securities, but limit their activities to advising clients in the selection of their investments. Moody's was considered one of the oldest and most reliable, and their fee of \$2,000 a year was not exorbitant in comparison with others. Furthermore, by acting on their advice it might be possible for the Society to save the cost of the service on a single transaction.

Bro. Sular moved that the Supreme Board authorize a subscription to Moody's service for one year.—Seconded.

Bro. Zaitz moved an amendment, namely, that the Supreme Board authorize the finance committee to subscribe for Moody's or any other analytical service it deems necessary. And the administrative committee could, as heretofore, hire experts, whenever it considered this necessary regarding some particular investment.—Seconded.

Brothers Cankar, Terelj, Godina, Molek, Vidar, Podboj, Vogrich and Barbic took part in the discussion.

When the vote was taken, Bro. Zaitz's motion was adopted, eight to four. Bro. Sular's motion was rejected by a majority vote. Bro. Cankar announced that Bro. Zaitz's motion was adopted.

A discussion concerning the exchange of defaulted bonds was started, in which nearly all the members of the Supreme Board took part. It was the opinion of the majority that the present was not the time for any general exchange of defaulted bonds, but that individual issues might be sold or exchanged in cases where it was obvious that nothing could be gained by continuing to hold the bonds.

This discussion was of an informal character. No motions were presented and no decisions made. The general opinion was, that it is most advisable to follow in such cases the same procedure as heretofore. The meeting was adjourned at 12 o'clock noon.

FOURTH SESSION

Afternoon of August 9

The meeting was called to order at 1 P. M. All members of the Supreme Board were present, except Bro. Ambrozich.

The discussion of financial matters was continued. Bro. Zaitz reported on the condition of the Croatian Home in South Chicago. Detailed reports were submitted on this subject by Brothers Cankar, Somrak and Vidar.

Brothers Petrovich, Godina, Olip, Malgai and Sular also spoke on this subject. No motion was presented.

Bro. Zaitz asked for information about the Home in Springfield. Bros. Goriek and Cankar reported. Bro. Goriek stated that it was his hope that in two years' time the Home will be in old hands again, and there would be no loss to the Society.

Bro. Cankar reported about properties that the Society took over from its debtors.

Lack of Space in Head Office

Bro. Vidar stated that either a new building or considerably enlarged present quarters were urgently needed. The vault is so filled with documents, all of which are important, that it is impossible to keep them in good order, so that every time some papers are wanted much valuable time is lost in finding them. When the state examiners were here recently, they often demanded to see documents for many years back and were much annoyed at the long delays in locating them. Much valuable time is also lost each time papers must be found for court purposes. A new vault is an absolute necessity.—He stated further, that there was only one toilet for both the secretary's help and the editorial staff, and that both men and women were obliged to use the same toilet. When the state examiners were here they stopped the addressograph because it was so noisy that it disturbed them and everyone else considerably. This and other machines should be in a separate room.—Lodge 6 has already protested against the construction of a new building and also against remodeling our present quarters, nevertheless we are obliged to do something to remedy the situation. Financing the project should not be as difficult as some think it would be. We have a large reserve in the juvenile department, up to one-half of which could be put into a new building. We mentioned this to the state examiners, when they were here, and they made no objection to the proposal. The balance could be taken from the Building fund and, if necessary, from the Old Peoples' Home fund and Convention fund. No special assessment would therefore be necessary.—The administrative committee had no plans. It seemed advisable that the Supreme Board discuss the subject and that subsequently the administrative committee and members of the Supreme Board living in the neighborhood, especially the chairman of the supervising committee meet and approve building plans.—He made a motion that two plans be drawn up: one for remodeling the present quarters, the other for the construction of a new building.—Seconded.

Bro. Malgai satisfied himself that there certainly was a lack of space. He therefore moved that the administrative committee employ an expert architect to prepare two plans, one for the extension of the vault over the staircase leading from the main entrance to the hall, and the other for remodeling the hall so that it could be used for vault and office space. The administrative committee together with members of the Supreme Board living in the vicinity of the headquarters, to decide all questions pertaining to the plans.

Bro. Lokar seconded Bro. Malgai's motion.

Bro. Zaitz recalled the past experiences of the Society with respect to its offices. He said that personally he would endorse the construction of new headquarters, but that he was afraid the membership would object to it. He would prefer to have the motion submitted to the members for a decision. He did not doubt that additional space was urgently needed.

Bro. Cankar was convinced that the need of additional space was plain enough to all. From the very start errors were made when building or acquiring our offices, because our attention was paid to present needs only, without considering the future. And every effort was made to save as much as possible, for fear of antagonizing the membership, although this kind of saving really meant waste of money. The Supreme Board had the right to start building new headquarters; it need only have courage enough to explain this step to the membership. It would be best to sell the present building and construct a new one that would serve our present and also our future needs, because, even if the Society is not growing in membership, the archives are increasing constantly.

Bro. Gradisek also spoke in favor of building new headquarters, because he doubted if much would be gained by remodeling the present quarters, since there was no more space unless we wanted to use the hall and to do this would be a severe blow to our cultural life.

Brothers Sular, Petrovich and Podboj also spoke. Bro. Zaitz asked Brother President to first ascertain if the members of the Supreme Board were for or against building new headquarters for the Society.

Bro. Cankar asked those in favor of the construction of a new building, to raise their hands. Six members of the Supreme Board raised their hands, all the remaining members opposed it.

Bro. Cankar ruled that the motion of Bro. Vidar was automatically disposed of. He called for a vote on Bro. Malgai's motion, which was adopted by a majority vote.

Bro. Zaitz read a recommendation for improvements to the basement, so that it would be more suitable to use for lodges' activities.

Bro. Cankar stated that the administrative committee would consider this recommendation.

Ten minutes recess.

Miscellaneous

Bro. Lokar reported for the special committee consisting of Bros. Somrak, Malgai and himself,

which was appointed to examine appeals, complaints and applications for special benefits:

Lodge 85, Republic, Pa.—The case of Bro. Ivan Golub.

After having studied all the papers submitted in the case, the committee moved that the decision of the supreme judicial committee should be overruled and that the balance of the sick benefit should be paid.

Bro. Gradisek explained the case. Bro. Somrak also made explanations.

Motion was seconded and unanimously carried. Lodge 95, Oglesby, Ill.—The case of Bro. Joe Logan.

Because two physicians stated that the above named should be in an institution, the committee moved that the sick benefit should be paid only if the physicians' advice was followed.

Seconded and adopted without objection. Lodge 524, Omaha, Neb.—The case of Sis. Elizabeth Stanec.

The committee moved that the case should be referred for action to the administrative committee. Seconded and adopted without objection.

Lodge 600, Johnston, Pa.—The case of Sis. Jennie Langerhole.

The committee moved that the decision of the supreme judicial committee should be upheld. Seconded and adopted without objection.

Bro. Lokar reported that their committee had no other cases.

Bro. Vidar submitted the case of a member of Lodge 285. Bro. Podboj explained in detail about the case.

Bro. Lokar moved that the case should be referred to the administrative committee for action. Seconded and unanimously carried.

Bro. Vidar presented the resolution submitted by Lodge 564 regarding a conference of representatives of English speaking lodges.

A lively discussion followed, in which all members of the Supreme Board took part. The general opinion was that such a conference would be desirable and that it was the duty of the Supreme Board to offer its full cooperation. Of course, it must be understood that the conference would have to be conducted according to our principles. Our youth must be offered not only moral, but also material support. Bro. Lokar especially emphasized the fact that more attention must be given to the younger generation than heretofore.

Bro. Somrak and a few others were of the opinion that it would be advisable to hold such a conference at the time of the great celebration at the end of August, in Cleveland. The majority thought that there would not be enough time to make arrangements, but that Bro. Cankar with the cooperation of other Supreme Board members could at that time arouse interest in such a conference.

Bro. Olip and some others recommended that the conference be held on the occasion of the celebration of Pioneers Lodge in Chicago, which will take place in November. This lodge was the first English speaking lodge and still is one of the most prominent lodges. This plan would have the advantage of having all the supreme officers at the disposal of the conference.

Bro. Zaitz moved:

The Supreme Board authorize Bro. Cankar to visit the celebration of SNPJ lodges in Cleveland on Labor day, and in cooperation with Bro. Lokar to represent the Slovene National Benefit Society, and to speak to the representatives of the English speaking lodges who come to Cleveland, concerning arrangement for a conference, to be held in Chicago at the time of the celebration of the tenth anniversary of Pioneers, Lodge 359.

The purpose of the conference in Chicago shall be to discuss ways, means and plans for promoting enthusiasm and securing new members for SNPJ. The conference shall be under the leadership of the supreme president, Bro. Cankar. Among other things it shall be his duty to see to it that the principles of our Society are observed.

Bro. Cankar shall submit his plan regarding the conduct of the conference to the administrative committee for discussion and approval.

The Supreme Board, further, requests that the supreme president invite to the conference all English speaking lodges. Each lodge shall elect one representative. SNPJ will pay to all representatives traveling expenses in accordance with our regular rules, and also one regular per diem allowance.

The supreme president shall see that the administrative committee and "Prosveta" advertise this conference in such fashion that it will elicit for it the greatest interest not only among the SNPJ members, but among our general public.

The motion was seconded and unanimously carried.

The meeting was adjourned at 5:15 P. M.

FIFTH SESSION

Forenoon of August 10

Bro. Cankar called the meeting to order at 8 o'clock in the morning.

All Supreme Board members, with the exception of Bro. Ambrozich, were present.

The recorder, Bro. Zupan, read the minutes of the third session. Upon the motion of Bro. Godina the minutes were approved as read, without objection.

The minutes of the fourth session were read and approved with a few corrections.

Bro. Vidar read the complaint of Lodge 121 regarding the decision of the Supreme Board that members who are employed in aviation, would not be insured for more than \$250.00 death benefit. At its last meeting the Supreme Board, upon an appeal of the same lodge, asserted that it considered such a ruling necessary to protect the interests of the Society.

Bro. Cankar referred to section 3, article 4, of our by-laws, which read in part, "It (namely the administrative committee) shall have power to reject any applicant for membership, when such rejection is warranted for valid reason; it shall likewise have the power to prevent transfers from lower to higher classes of insurance."—The by-laws are, in this respect, clear enough.

Bro. Podboj moved that the supreme secretary inform the above named lodge that the Supreme Board considers such a ruling good and necessary for the Society.—Seconded and unanimously adopted.

Bro. Vidar read the petition of the directorate of the Slovene Home in Cleveland, that the interest rate on their loan from the Society be reduced.

Bro. Lokar added, that the Labor Home in Colliwood had a similar request.

A general discussion followed, in which practically all members of the Supreme Board took part. Most of them believed that it would not be advisable to lower the interest rate on the loan of this Home; if anything should be done, the interest rate should be lowered for all of them. Other members of the Supreme Board, on the other hand, would allow reduction of the interest rate—or a reduction of the principal—but only for those debtors who are paying regularly. The interest rate on loans, that the Society purchased from the International Savings and Loan Company, was also discussed. But in general the opinion prevailed that this question should be decided by the next convention, since the last convention fixed the present interest rate.

Bro. Somrak moved that due notice be taken of the letter and that we proceed to the next step in the order of business.

Bro. Cankar ruled that the regular order of business be continued. There was no objection.

Bro. Vidar read a letter from Lodge 21, in which they praised "Prosveta," and also expressed their wish that contributions without signature would be permitted in the newspaper.

Bro. Zaitz described in detail the conditions in Pueblo, where Lodge 21 is located, and in other western settlements, and so graphically explained the reason for such a request. The contributors were afraid of losing their relief or their jobs, if they signed an article criticizing existing conditions.

Bro. Lokar moved to proceed with the regular order of business.

Bro. Cankar ruled that the by-laws are clear enough in this respect. The letter should be taken due notice of, and the order of business followed.—There was no objection.

Bro. Vidar reported that the next assembly of the National Fraternal Congress will be held in Pittsburgh, Pa. He considered the coming congress important and interesting, because a more radical faction was appearing in the congress, who would attempt to wipe out the reactionaries. Therefore it was necessary that the Society be represented.

Bro. Somrak moved that the Society take part in the NFC congress.—The motion was seconded and unanimously adopted.

Bro. Zaitz moved that Bros. Cankar, Podboj and Terelj represent the Society at the NFC.—Seconded and unanimously adopted.

Bro. Vidar read a letter from the Federation of the Society's lodges in San Francisco, Cal., requesting that a speaker be sent from headquarters to their celebration.

Bro. Sular moved that the Federation be informed that it would be impossible to grant their request because of too great loss of time and the expenses involved.—Seconded.

Bro. Gradisek made a counter motion that a speaker be sent to the celebration of the lodges in San Francisco.—Seconded.

Bros. Petrovich, Podboj, Zaitz, Barbic and Cankar took part in the discussion that followed.

When the vote was taken the motion of Bro. Gradisek was rejected by 8 against 5 votes, and the motion of Bro. Sular was adopted by a vote of 7 to 4.

Bro. Vidar moved that the administrative committee be authorized to send a speaker to the celebrations of an individual lodge or a group of lodges, whenever in its judgment it sees fit to do so, the Society paying the expenses.

The motion of Bro. Vidar was seconded.

The motion was discussed by Brothers Zaitz, Malgai, Petrovich, Lokar, Somrak, Podboj and Cankar.—The general opinion was that the administrative committee must be careful in choosing its speakers, and that it was especially important to watch the activities of the younger generation and to train new leaders among them. When sending speakers, attention must be paid to the possibilities for promoting the interests of our organization in the particular locality. Primary consideration must be given to the younger generation, but the older generation must not be entirely forgotten, because they play an important part in educating the young.

When the vote was taken, Bro. Vidar's motion was carried by a majority vote.

Ten minutes pause.

Bro. Podboj moved that the administrative committee send a speaker to the West next spring, who would visit as many lodges there as possible, and that the administrative committee start at once to organize a campaign in the West, and appeal to the lodges there to organize meetings and celebrations during this campaign.

Bro. Sular seconded the motion.

Bro. Lokar said that such a motion was unnecessary because the administrative committee could do so now, according to the motion adopted a short time ago.

Bro. Cankar decided that a vote should be taken, because such an organized campaign is very important and it is advisable that the Supreme Board authorize it.

Bro. Zaitz related in detail his experiences in the West, and made many recommendations.

The motion of Bro. Podboj was unanimously adopted.

Bro. Vidar reported that some employees asked for a raise and because of the rising cost of living and in appreciation of their satisfactory work the pay was raised for the following Brothers and Sisters: Bernik, Zele, Zordani, Artach, Jagg, Primožić, Smith, Ločnikar, Sodnik and Karun.

Bro. Podboj moved that the increased pay should be paid from the first week in September, 1935, on.—Seconded and unanimously adopted.

Bro. Petrovich reported that the finance committee, during a special meeting last night, had signed a contract for Moody's Investment Service. He advised all who were concerned with the Society's investments, to use the service freely. He also stated that it would be necessary to interpret Bro. Somrak's motion ordering the assets of the Society to be invested exclusively in federal securities until the next meeting of the Supreme Board, namely: whether this ruling applied to funds received by the Society through the sale or exchange of defaulted bonds.

Bro. Somrak explained that his motion applied to new assets only, this is, assets coming into the treasury of the Society from assessments and other regular sources of income. It did not cover old investments or amounts, received through the sale or exchange of such old investments.

Bro. Cankar ruled that Bro. Somrak's explanation be considered as a supplement to his motion adopted at the previous session.

Bros. Zaitz and Vidar protested.

Bro. Gradisek read a letter concerning the case of a member of Lodge 53 and explained the case.

Bro. Podboj moved that the matter shall be left to the administrative committee for decision.—Seconded and approved by a majority vote.

Bro. Molek suggested that a literary contest be conducted in the English section of "Prosveta," and that prizes be offered for the best articles or reports. He had no definite plan, but thought that an amount of \$50.00 or more might be granted for prizes, and that the administrative committee be authorized to work out all the details.

Bro. Sular moved that a contest be held as recommended by Bro. Molek, and that \$100 be expended for prizes, the administrative committee authorized to work out all the details.—Seconded and carried by a majority.

Bro. Malgai moved that a similar contest be conducted in "Mladinski List" with total prizes of \$50,

details to be arranged by the administrative committee.—Seconded and unanimously adopted.

Bro. Molek reported about the Kerr bill again, would be advisable for the Supreme Board to record as being in favor of this bill.

Bro. Terelj moved that the administrative committee, in the name and for the Supreme Board, send a resolution to this effect to the parties concerned, and publish it in the official organ.—Seconded and unanimously adopted.

Bro. Molek recommended that the Supreme Board should go on record as being in favor of Hillquist's Workers' Rights amendment, that was at the time in the Judiciary Committee of the House of Representatives.

Bro. Zaitz moved that the administrative committee, in the name and for the Supreme Board, send to parties concerned a resolution to this effect and publish it in the official organ.—Seconded and unanimously adopted.

Bro. Zaitz recommended that the supreme secretary and the management of publications install a system of checking the mailing list of "Prosveta."

Bros. Vidar, Vogrich, Godina and Petrovich offered explanations.

Bro. Cankar stated that Bro. Zaitz's recommendation would be considered.

Bro. Goriek inquired whether the decisions of the supreme judicial committee ought to be printed both languages, or if such decisions as concern the English speaking lodges should be printed English and all other decisions printed in Slovene only.

Bro. Cankar decided that the present procedure be followed.

Bro. Godina moved that the minutes of the fifth session be approved by members of the Supreme Board, who are living in Chicago and its vicinity. Seconded and unanimously adopted.

Bro. Cankar expressed his appreciation to members of the Supreme Board for their faithful cooperation during this meeting, and adjourned meeting at 12:35 P. M.

The minutes of the fifth session were read with corrections approved at a meeting of the administrative committee, held at the SNPJ headquarters on August 15, 1935. Bro. Zaitz also being present.

Bro. Cankar reported that he had repeatedly tried to notify Bro. Olip about this meeting, but could not reach him over the telephone. He notified Bro. Olip's wife about the meeting, but probably he could not attend because of his work.

Reserve Friday, October 18, for a real enjoyable party following the October Pioneer meeting. An exhibition of the Minutman cooker will be given. The delicious foods served to everyone free of charge. We'll have prizes and refreshments and rousing rally for the Big Celebration Nov. 2 and 3.

Ten people are still needed for that West All trip. Come on, we'll extend the date limit to Friday, Oct. 4. Frank Groser, Rockwell 2086, is in charge. We can return right after the dance. Desirable. Don't wait!

We would like to see more said about our No. 2 Conference. The writer feels that the matter is being treated altogether too lightly. We want to make the very walls of the SNPJ resound with the spirit and good will of the 82 delegates who will assemble that day. We want to make everyone feel and anticipate the worthiness of the venture. We want to make it more than just another meeting. We must put dignity and power into the reports to be submitted. Clear cut reports and recommendations must be delivered. We must tax our mental capacities to the limit to evolve genuine new thoughts and ideas and to formulate a program of action for the future. Nothing less will do. Right?

Mary and Sam Reven are the proud parents of baby girl. Our good wishes.—Jack Groser turns in the only sub book of the week. He's already working on another.—The engravers are already working on our Tenth Anniversary Book, THE PIONEER. This is the last call for Pioneer members to send in their snapshots.—Finally our membership committee is getting into action. We must have ten new members for our Oct. 18 meeting.

Thursday night is meeting night for our Unemployed Club at their Headquarters. We're going to decide whether the premises will be kept for the winter, so be on hand, all of you.
