Ta seja bo zelo važna, ker na isti bomo volili delegata in namestnika za 16. redno konvencijo. Članstvo ima sedaj besedo, da pove svoje mnenje. Člani si izvolijo za delegete tiste člane ali članice, o katerih soj, da jih bodo najboljše zastopali na konvenciji, in ti delegeti določajo poslovanje in smernice organizacije za v bočo. Konvencije tudi izpremembe pravila, kakor večina delegatov smatra, da je potrebno. Zato je zelo važno, da se seje 12. julija udeležijo vsi člani in članice, katerim je blagor društva in Jednote pri srcu, in da volijo za delegete take člane ali članice, o katerih so prepričani, da bodo najbolje zastopali društvo; obenem pa tudi celotno organizacijo. Dalje je tudi priporočljivo, da člani na prihodnji seji povedo svoje mnenje glede izpremembe oziroma izboljšave pravil. Le tako morejo delegati poznati mnenje in zahteve članstva. Torej, bratje in sestre, opozarjam vas še enkrat, ne pozabite priti na sejo v petek 12. julija zvečer! Bratski pozdrav! — Za društvo Napredek, št. 132 JSKJ:

Cleveland, O. — Članstvo društva Sv. Janeza Krstnika, št. 71 JSKJ, vabim, da se polnoštevilno udeležijo prihodnje seje, ki se bo vršila v nedeljo 21. ju-

lijia v Slovenskem domu na Holmes Avenue in se bo pričela ob 9. uri zjutraj. Na seji 21. julija bomo ponovno volili za dva delegata za prihodnjo konvencijo JSKJ. Upoštevati moramo pravila in zadovoljiti članstvo. Torej pridite na sejo 21. julija vse, katerim je le mogoče. Pomnite, da bomo volili za dva delegata za 16. redno konvencijo, ki se bo vršila meseca septembra v Waukeganu, Ill. Zadeva je važna. Na svidjenje! — Za društvo št. 71 JSKJ:

Anton Bokal, predsednik.

Youngstown, O. — Člani in članice društva Sv. Antonia, št. 108 JSKJ, so tem potom vabjeni, da se udeleži prihodnje seje, ki se bo vršila v nedeljo 21. julija ob navadnem času. Člani ne bodo vabljeni na sejo potom dopisnic, ampak naj ta poziv v glasilu velja za vabilo vsem.

Na prihodnji seji bomo imeli nekaj važnega za rešiti. Na zadnjem seji smo prezrli neko točko v pravilih, namreč kdo nas lahko zastopa na konvenciji. Ako smo napravili napako, je lahko na prihodnji seji popravimo. Kar je v pravilih zapisani, to drži. Redno poslovanje je mogoče le, če se vsi ravnamo po pravilih. Torej, vse na sejo 21. julija!

Kakor je bil že poročano, predi naše društvo piknik v nedeljo 11. avgusta. Piknik se bo vršil na navadnem prostoru v Avon Parku, Girard. Zaradi piknika bomo tudi na prihodnji seji razpravljalni. Društveni sklep se glasi, da vsak član plača 50 centov izredne naklade v društveno blagajno; vsak član, ki bo navzoč na našem pikniku, pa bo dobil prostoto za 50 centov vrednosti pivskih tiketov. Da se bomo razumeli: kdor hoče biti deležen za 50 centov pivskih tiketov, mora sam oziroma osebno priti na piknik. (Kdor bo na pikniku samo v duhu, ne bo dobil tiketov!) Upam, da se na dotičnem pikniku snidemo po možnosti vsi člani in članice in se bolje izpoznamo med seboj. Nekateri člani, ki so že leta in leta pri društву, so si medsebojno čisto tuji ter ne vedo eden za drugega, da pripadajo isti Jednote in istemu društvu. Na tem pikniku, bo pripravna pričinka, da se snidemo in medsebojno izpoznamo. Seveda so na piknik vabljeni tudi prijatelji. Čim več nas bo, tem boljše se bomo zabavali. Razume se, da bo poskrbeleno za raznih vrst skrepila.

Na prihodnji seji bodo predloženi trimesečni računi in nadzorni odbor bo poročal o pregledu knjig. Izvoliti bo tudi treba odbor, bo prekrvel vse potrebo na piknik.

Dalje naj omenim, da bodo člani mladinskega oddelka za mesece avgust in september prosti asesmenta. Dotični sklep je osvojil glavni odbor na svoji letni seji. Dvamesečna oprostitev asesmenta že precej pomeni, ker znatno zniža celoletni asesment. Ko otrok doseže predpisano starost, lahko brez zdravniške preiskave v sploh brez vseh drugih nepriljubljenih prestopov iz mladinskega v odrasli oddelku, če se ne zavaruje več kot \$500 smrtnine. Za višjo zavarovalnino, je treba zdravniške preiskave. Mnogi tudi ne vedo, da ima član mladinskega oddelka tudi nekaj kedita, če prestopi v odrasli oddelku. Na primer, če je bil otrok v mladinskom oddelku do rojstva ali od prvega leta, ima ob času, ko prestopi iz mladinskega v odrasli oddelku, \$10.45 kredita ali rezerve, ki se porabi za plačevanje asesmenta v odraslem oddelku. Če se zavaruje za \$500 smrtnine in en dolgar bolniške podpore, mu naša rezerva v mladinskom oddelku plača za približno šest mesecev asesment v odraslem oddelku. Seveda, rezerva se ravna po tem, koliko časa je bil otrok v mladinskom oddelku. Na vse to je vredno opozoriti

starše, ki imajo doraščajoče otroke v mladinskem oddelku. Opozoriti jih je treba, da nobena druga organizacija ne nudi boljših pogojev evniti v tem niti v drugih ozirih. Iz našega mladinskega oddelka se naprestano poroča Jednota.

K sklepnu še enkrat: ne pozabite priti na sejo 21. julija vse, katerim je le mogoče. Pomnite, da bomo volili za dva delegata za 16. redno konvencijo, ki se bo vršila meseca septembra v Waukeganu, Ill. Zadeva je važna. Na svidjenje! — Za društvo št. 71 JSKJ:

Chicago, Ill. — NAŠA PRAVILA. — Kaj je narobe z našimi pravili? Ali bodo potem popolna, ko jih enkrat popravimo? Taka in podobna vprašanja rojijo našim članom po glavi sedaj, ko se približujemo konvenciji.

Bratje in sestre, nič si ne napravljajte sivih las, ker naša pravila bodo tudi še po konvenciji imela vrzeli, in bodo pomajkljiva. Pa nikar ne mislite, da smo le mi tako nesrečni, da ne moremo spraviti skupaj pravil, katera bi bila popolna in bi odgovarjala vsem potrebam.

Enaki glavobol imajo vse organizacije in države s svojimi pravili oziroma postavami. Poglejmo na primer postave Združenih držav. Saj imajo toliko dodatkov, oziroma amendmentov, da težko spoznamo kakšna je bila originalna postava. Ker pa smo sedaj v času pred konvencijo, lahko priporočamo, da se naša pravila popravijo, ali pa poslabšajo, kakov nas je volja. Jaz bom poskusil podati svoje mšljene glede par točk, in to ne oziraje se, ali se bo komu dopadel ali ne, ker glede pravil mislim, da smo le mi tako nesrečni, da ne moremo spraviti skupaj pravil, katera bi bila popolna in bi odgovarjala vsem potrebam. Nova Doba

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

MAKING THEM SSCU CONSCIOUS

This year, more than ever before during any SSCU convention year, the members are deeply conscious of the momentous importance attached to the regular quadrennial conventions.

Particularly is this noticeable at the several SSCU federation meetings, where the preliminary changes in our by-laws are adopted, for the final consideration and action of the regular delegates. Lodges belonging to the Pennsylvania, Ohio, Illinois and Wisconsin, Minnesota and Colorado federations have contributed important phases of convention work during the last few months, in anticipation of the changes which must be incorporated in our by-laws.

Not only are the efforts of our convention praiseworthy insofar as the saving of convention hours, and perhaps days, is concerned, involving a saving of a few thousand dollars, but a more important factor enters into the picture. That of intelligent and constructive criticism, which is brought to the attention of several thousands of our members, through the medium of reported minutes published in the Nova Doba, and the discussions on the delegation floor, which instructs any number of regularly selected delegates the wishes of the component members.

Anyone at all familiar with conventions will realize the futility of trying to accomplish miracles during the few days that the delegates are in session. In order to adopt intelligent and constructive legislation, the delegates must study the problems of the organization months in advance. And how much more enlightening to the delegates, when they read and hear the pros and cons on arbitrary issues, which they shall be expected to pass final judgment.

Our pre-convention campaign for new members also tested the attention of our members to the problems confronting their organization. The problem of enrolling new prospects in order to keep the average age of the membership from jumping to an unpleasant platform. We must realize that a fraternal requires new blood constantly, if it is not going to face the danger of deteriorating advance average age.

And honorary delegates to the regular convention! What a splendid plan to prepare young blood for future regular conventions, when they shall be seated among the delegates and asked to vote upon essential measures.

Bravo!!! Delegates

Cleveland, O. — Once again the Supreme Board of the South Slavonic Catholic Union has passed their word of approval commendation to candidates everywhere at the close of another record breaking drive for new members. A campaign in the annals of our Union as one of achievement and success. One which stood for unity and fraternity. Last March when the candidates launched upon this great undertaking on the Union, they were determined to make good. How well they have reached their goal. Candidates everywhere went out and proved themselves good salesmen by enrolling more and more new members.

It seems every campaign is more successful than the one before. No doubt this is the result of the good work accomplished by the Union. People everywhere are beginning to appreciate the benefits obtained by belonging to this grand organization.

Candidates have worked hard to attain their goal. They felt people should become acquainted with the SSCU. Beside personal satisfaction of having gotten new members and proving themselves one hundred per cent SSCU minded many of the candidates have secured enough new members to qualify as honorary delegates to the Quadrennial Convention in Waukegan. What a grand time is awaiting them. Anything the supreme board plans is always the tops.

Many of the SSCU'ers read many pages of the Nova Doba each week and marvel at the work of candidates but how many you are following in their footsteps and try to do your part too. The campaign was not

Enjoy your vacation time but enjoy it safely! When you start out on that trip—leave sooner—drive slower and live longer!

Lodge 132

Euclid, O. — Members of lodge Napredek, 132, SSCU are reminded to attend in full numbers the coming meeting on Friday, July 12, at the usual quarters, starting at 7:30 p.m. This meeting is very important, for a delegate to the 16th regular convention shall be elected, and an alternate. Inasmuch as the convention decides upon necessary changes in our by-laws, the July 12th meeting of our lodge looms as very important, for a delegate must be selected who is qualified and interested in our Organization. Also, it is proposed that the members express their wish in the improvement of our by-laws at this meeting, so that the delegates will be acquainted with the wishes of the membership.

John Tanko, Sec'y.

Lodge 55

Uniontown, Pa. — Members of lodge "Sv. Roka," 55, SSCU, and particularly the absentees at the June meeting, are hereby notified that our lodge will observe its 35th anniversary with a big picnic, on Sunday, August 18th, either at the Jameson Baseball Diamond, or by the high school in South Uniontown. All members are asked to reserve August 18th for our big picnic. We have asked for either Bro. Rogelj or Bro. Terbovec to represent the SSCU. We would like to see both attend; and, in fact, all the supreme officers who can make it. Invited to this picnic also are members of our lodge and those of neighboring vicinity. Perhaps our fellows will play a softball game at this picnic. Proceeds shall go into the lodge treasury, which is at a very low ebb.

Bro. Joseph Prah was elected delegate, and Bro. Urban Rupar, alternate to the 16th regular convention.

Members are requested to attend in full numbers the next meeting on July 21st. Details concerning our August 18th picnic shall be discussed and acted upon.

Joseph Prah, Sec'y.

Sutej, pictured above, as honorary delegate to the 1940 national regular convention, which will be held at Waukegan, Ill. next September. Born in Omaha on December 22, 1893, Mr. Sutej has been a member of the local lodge for 17 years. There are three generations of the Sutej family in the SSCU; that is, his son, and his father, who has been a member for 39 years. Mr. Sutej is a printing pressman by trade, an ex-service man, and a member of the world's largest American Legion Post, Omaha Post No. 1.

Lodge 87

St. Louis, Mo. — Here is St. Aloysius lodge, 87, SSCU again calling its members to attend its next meeting on Sunday, July 14, starting at 2:30 p.m. at the Slovene National Hall. It is important that each and every member be present at this meeting, for a delegate to the 16th regular convention will be elected at this meeting. At our June meeting, our president, Frank Kodelja, was unanimously elected a candidate for delegate to represent our lodge and lodge 152, Ringo, Kansas.

A picnic, to take place in the near future, also will come up for discussion. Tickets for our joint picnic already have been distributed. Any member who needs additional tickets is requested to get in touch with Frank Kodelja, La. 0610, or call at his home at 3336a So. 18th St. Those members who have not yet started to sell tickets are urged to get busy at once, as we want this picnic to result in a great success. The only means to attaining this goal is for the members to go out and plug for the lodge. The picnic shall be held at Hoffman's Grove, August 4th. Free bus transportation to and from the Grove will be provided between 10 a.m. and 2 p.m.; and in the evening at from 8:30 until 11.

I am sorry to report that Mr. Banjo is still on the sick list. We all wish him a speedy recovery and hope he will be back with us soon. Wedding bells rang for our member Bro. Struckel on June 9th. Congratulations! Mr. Struckel. All your fellow members from the lodge wish you and your bride all the happiness in the world.

With the large volume of business for disposition at our present meeting, every member can see for himself the importance of a 100 per cent attendance. Let's all make it our business to be present on July 14, at 2:30 p.m.

In 1936, during the 15th regular quadrennial convention of the SSCU, held in Cleveland, O. John J. Furar, pictured above, represented two lodges as delegate. Next September will find John Furar again in the role of delegate, this time as honorary delegate.

2,239 NEW MEMBERS ENROLLED

97 HONORARY DELEGATES

By Little Stan

Ely, Minn. — ANY OTHER CAMPAIGN IN THE HISTORY OF OUR SSCU! Bursting of July Fourth's firecrackers may still be ringing in your ears, but the final campaign news which was revealed in a press conference this Saturday morning will not only make your ears ring the more, but send those tingling success chills run up and down your spinal column!

News released by our supreme secretary, Bro. Anton Zbasnik this week could well result in headline after headline, blazing SSCU success and glory thru every newspaper in the nation. For this campaign will go into the record books, as being one of the most successful in history.

Because of this fine work throughout the country, candidates and delegates can stick out big chests and take credit for this crowning achievement, particularly when they hear that our society has now reached and surpassed the 25,000 mark in total membership! THE HIGHEST IN IT'S 42-YEAR HISTORY!

During the campaign, candidates for honorary delegates enrolled over 2218 new members in both adult and juvenile departments! The total membership enrolled represents new written insurance in the amount of \$1,160,000 — surpassing the goal set originally!

And now here's another flash deserving of glorified headlines. WINNING A FREE TRIP TO THE 16TH QUADRENNIAL CONVENTION IN WAUKEGAN FOR FOUR DAYS WITH TRANSPORTATION PAID PLUS \$4 PER DAY FOR FOUR DAYS WERE 97 HONORARY DELEGATES AND THERE WAS A POSSIBILITY THAT AT LEAST TWO MORE MAY BE QUALIFIED TO BRING THIS SENSATIONAL TOTAL TO 96!

If Little Stan smoked a pipe, he would grab one right away because here's something to smoke!

To every member who participated in the campaign; to everyone one who qualified as an honorary delegate; Little Stan offers beaming congratulations! You've all done a wonderful fraternal job, deserving of every plaudit to come your way!

Perhaps the most outstanding piece of work came from Lodge No. 190 — those excellent promoters — The Western Sisters of Butte, Montana who qualified eight delegates! Really, there is no perhaps about it!

Bro. Louis Champa, our supreme treasurer, walked in to confer with our supreme secretary, already getting set as to the manner of preparing per diems and checks to the delegates at Waukegan! He listened as Bro. Zbasnik and Little Stan checked figures which revealed that:

OUT OF 186 SSCU LODGES THROUGHOUT THE COUNTRY, 129 CARRIED ON ACTIVE SUCCESSFUL PARTICIPATION IN THE CAMPAIGN! THIS IS BETTER THAN IN

BUT YOU WANT TO MAKE CERTAIN THAT YOU REMAIN A DELEGATE IN GOOD STANDING! You can be disqualified if any new member you enrolled to gain your quota drops the lodge before Sept. 1. Make it a point to see that every new member enrolled is a "sticker." We don't want to lose any of our honorary delegates! Not a one!

Just imagine who blew into town! Little Stan had just returned from the Home Office following the press conference and was glancing through a newspaper when the door opened and who should stand before him but Bro. John Zvezich from Chicago! A big happy smile on his face, too! With his son, daughter, and brother-and-daughter-in-laws, and grandchildren! They had driven all night long, and seemed pretty (Continued on page 6)

Calcium and Bone

F. J. ARCH, M. D.
Supreme Medical Examiner
SSCU

Calcium is an element essential to the life of plants and animals. In one of several forms, usually in combination with phosphorus, which may be spoken of as phosphate of lime, it forms the principal constituent of bone. The dried skeleton of the human body weighs about ten pounds. One half of this mass is composed of calcium salts, and most of the remainder is organic material consisting of dead cells.

Practically every voluntary function of the human body is made possible by the supporting structures, the bones and joints. They are held together by tough bands of fibrous tissue, the ligaments, and are controlled in motion by muscles which respond to the command of messages carried to them by way of nerves leading from the brain. Without this framework of bones, man would be as helpless as a jellyfish and could not stand, sit or raise his head from the ground, and his hands and feet would be as helpless as appendages.

This bony skeleton of the human body is not only the supporting structure, but it is also a reservoir or storehouse of calcium and phosphorus. Bone is not, as some might be led to believe, an inanimate substance such as a block of stone or a column of cement. It is a living tissue made rigid enough to support the body by the calcium carbonate and phosphate salts laid down in it. In the adult as in the child these bone salts are being continuously removed and renewed, so that there is a constant flow of both calcium and phosphorus away from the bone and into the body fluids and a redeposition of similar salts that have been absorbed from the intestinal tract.

Man derives calcium from milk, cheese, butter, eggs, nuts and green vegetables. When the various component parts of the body are functioning normally, there is absorbed from the food in the intestines and so sent to the bones by way of the blood stream approximately the same amount in calcium as is taken from the bones and lost to the body in the urine and waste material of the large intestine.

Various factors influence this process of absorption. Vitamin D and sunshine are two of these factors. Another is a set of glands of internal secretion called the parathyroid glands. These are situated in the neck immediately behind the thyroid gland and are usually four in number, ovoid in shape and about the size of a grain of wheat. These glands are so important in calcium control that their removal will cause death within three or four days.

A deficiency of vitamin D in the diet and an insufficient amount of sunshine or other ultra-violet irradiation of the skin surfaces result in failure of absorption and deposition of bone salts. In the growing child this deficiency is characterized by weak bones which bend easily and produce rickets.

Ilirska Vila News**Second Conemaugh Dance Successful**

Cleveland, O. — Now that the bang-bang of the holidays is past the Ilirska Vila members and your reporter will settle down to the regular ordeals of the week. What a noisy weekend but how lucky we are that those firecrackers were not hostile ones of greater magnitude and destructive power. Like other SSCU'ers many of the Ilirska Vila members put aside their cares to spend the Fourth in the country or visiting friends and relatives in other cities. The weekend finds Mr. and Mrs. Anton Prime, parents of Tony Prime, delegate to the juvenile convention in 1937, visiting relatives in Sheboygan, Wisconsin . . . also taking to the hills of Pennsylvania are Mike Poklar, delegate to the 16th Quadrennial Convention and wife Jenny . . . Returning from Detroit after an enjoyable and exciting airplane trip is none other than the recently acclaimed Mayor of Ljubljana of Euclid, Ohio, Frank Segulin; his charming wife Mary accompanied him on the return trip, having gone to Detroit by auto to meet the new mayor when he landed. Many of their friends joined them there for the holidays . . . Vacationing in the wilds of Canada is Vincent Segulin, catcher for the Ilirska Vila baseball team. Your reporter wishes these and the other Ilirska Vila members a happy summer vacation but now a special REMINDER to the members. Sunday, July 14, is the second Sunday of the month; this means there will be a meeting of the Ilirska Vila Lodge 173, at 10:00 o'clock sharp in the regular place in the Slovene National Home, St. Clair Ave. at E. 65th St. As usual there will be plenty of business, so plan to be on hand. Let's see if more of the members can't turn out for the meeting. Now that the warm weather is here it's nice to get up a little earlier. Besides you can see some of your old friends again. Come on, Ilirska Vila members, let's attend that meeting in large numbers. On Sunday, July 14 the attendance should be 100%. Remember 10:00 o'clock, Slovenian National Home, St. Clair Ave.

If you are interested in sports join us sooner. Come out and be a booster for our Ilirska Vila softball team when they meet the Betsy Ross team at 6:30 at Napredok field, Friday, July 12. Let's show the boys we're interested in what they are doing.

REMEMBER THE GAME BETWEEN ILIRSKA VILA AND BETSY ROSS ON JULY 12, NAPREDEK FIELD AND THE REGULAR MONTHLY MEETING, SUNDAY, JULY 14.

Till next week this is your Ilirska Vila reporter saying Auf wiedersehen.

Second Conemaugh Dance Successful

Conemaugh, Pa. — The second dance held on July 4, 1940, by the Conemaugh SSCU Softball team was successful both socially and financially. A large crowd attended this dance. We wish to take this opportunity to express our sincere thanks to all of the members who helped to make this affair a success and also all of our neighboring lodges for the fine cooperation shown by being present. We were especially glad to see faces from Cleveland, Detroit, and any other places which we may have missed, being present at the dance.

The entertainment was furnished by the ever popular Joe Koracan and his Slovens Aces. His melodious tunes certainly can attract a capacity crowd. If you are from Missouri and you don't believe it till you see or hear it, you can tune in on Greensburg or come to any dance and you will agree with me that he can really make the old feel young and the young forget all of their troubles.

The Conemaugh SSCU Softball team started the fireworks in the afternoon by defeating Lloydell SSCU No. 35, a double-header. The first game Conemaugh won by a score of 10 to 4. The second game also went to Conemaugh by a score of 6 to 5. Many spectators saw the game and I am sure that they saw two hard fought games being played by two hard fighting teams. The two teams showed good sportsmanship throughout both games. Both games were fast, clean games. In the near future we will play Lloydell in a return engagement. Better luck next time Leo.

The Conemaugh SSCU Softball team appreciates the cooperation shown by everybody present and hope that in the future the same may hold true.

Vacation Time

Cleveland, O. — Vacation time is bicycle time for the youngsters and many parents are worried about the traffic dangers the children face.

The best way to protect the children is to teach them the rules for safe riding and demand that they observe them. For the youngsters who haven't had much experience in riding, it is best that they ride only on the sidewalks and bike paths until they are more sure of themselves. Sidewalk riding though, raises the problem of respect for the pedestrian. The bike rider must give the right-of-way to the person on foot.

For the older children who ride in the street, the risk of an accident will be lessened if they stay on side roads and residential streets. The heavy traffic and parked autos on main streets, around which the rider must swerve, add greatly to the hazards. Don't allow your child to ride another youngster on the handle bars of his bike and forbid night riding unless the bicycle is equipped with good lights.

Insist that your child ride safely, that he ride single file and without any exhibitions of trick riding. And then start an Accident Prevention and Enforcement Campaign of your own. Try impounding the bike, if necessary, for violations until the child will agree to ride safely.

Chicago to DePue

Chicago, Ill. — Members of the JSKJ lodges of Chicago left for DePue by bus at 8 o'clock on Sunday, June 23d. It was raining a little then, increasing as we left the city. But it was fun listening to Joe Gomilar play his accordion while we coasted down the highway at about 40 miles an hour. The rest of the gang sang, with Mr. Fayfar leading the parade.

We rode thru Peru and Spring Valley, then finally arrived in DePue about three and one-half hours later. Although we experienced some difficulty, we located the Slovene National Home, with the assistance of Mrs. Zugich. Busses from Joliet and Chicago came later.

Young Men Offered Summer Nautical Course on Training Ship

The American Nautical Academy, National Training School for Merchant Marine Officers, Washington, D. C., announced today that boys and young men between the ages of 11 and 21 years will be allowed to secure practical ship experience on board a training ship of the Academy within the period from July 1, to October 1, 1940.

The young men may remain on board ship for the entire period, or for any shorter time they may wish, but not for less than a month.

Students who enter for any period less than the full course will receive instruction only in those subjects being taught while the student is on board ship.

The purpose of the course is: First, as a foundation for those who wish to become officers in the Merchant Marine, and devote their lives to a career in the service; secondly, for the boys and young men who, though not desirous of following the sea, still wish to obtain a general knowledge of ships and the life afloat.

There is no charge for instruction nor for living quarters on board ship. The only required expense is for meals, which are 49 cents. Three meals are served daily.

There is no tuition charge for any of the courses offered by the Academy; and no obligation for future merchant marine, military or naval service of any kind is incurred by the young men.

On Sundays the cadets will be allowed to attend divine services at the churches of their respective denominations on shore. While on board ship cadets will receive free minor first aid treatment when necessary.

This is the eleventh annual summer course offered by the Academy and will be under the personal supervision of the Captain Commandant of the Academy who will be in command of the vessel.

During the summer course this year the training ship will be stationed at a New England port.

While on board ship the students will follow the regular daily ship routine, and will be given practical instruction in nautical subjects, including seamanship (ship's work), signaling, rowing, handling, and the use of motor boats, life-saving, and naval drills.

Many of the studies on board ship are performed by the cadets as part of their training.

Cadets will also receive instruction in the use of life buoys, first aid, the compass, log, and lead, ground tackle, and the duties of lookouts, as well as the use of the watch on deck.

Due to the fact that the number of accommodations available is limited, those wishing to take advantage of this opportunity should write at once to the American Nautical Academy, National Training School for Merchant Marine Officers, Washington, D. C.

Lodge 225

Milwaukee, Wis. — As already reported on several occasions, our picnic will take place on Sunday, July 14, at Army Lake. At the last meeting it was decided that we gather at 8:30 a. m. in front of the place where we hold our meetings, at 729 So. 5th St. From here we leave at 9 a. m. in a group for the picnic.

Those who intend to come later should follow Highway 15 through Mukwonago, and miles from here they will see a sign "Army Lake," where they should turn to the right into the park.

All members who can possibly make the trip should come, and also they can bring along their friends. Proceeds of the picnic shall go into the lodge treasury. In the fall our lodge will enter the athletic field, and our younger set has shown decided interest in this direction. It is our duty to help them. Hence, to the picnic on Sunday July 14.

Refreshments and sandwiches will be served at the picnic.

We have engaged a truck for transportation. Those who shall travel with their own machines are requested to take along a few members.

I have some sad news to relate. Our lodge lost a good member in the person of Bro. Joseph Grahek, who was 66 years old at the time of his death on June 17. He is survived by his wife and six children.

Razsodbe gl. porotnega odbora JSKJ

22-349.

Potem, ko je prišla pritožba od člana društva Sv. Gl. porotni odbor je razsodil, da se je volitev vršila pravilno in da je bil izvoljen kandidatom za delegata sobrat Frank Udovich, član istega društva.

Zahteva je bila poslana na gl. porotni odbor, da naj razsodi, da li se je vršila volitev kandidata za delegata za 16. redno konvencijo naše Jednote pri društvu "Slovan" št. 176, Tacoma, Washington, na seji dne 13. junija 1940 pravilno, in kdo da je bil tam izvoljen kandidat za delegata. Priziv sestre Margarete Anzlovak, članice društva sv. Petra, št. 50, Brooklyn, New York, ker ji je bila odklonjena zahteva za bolniško podporo, do dne 24. februarja 1940, pa do dne 20. aprila 1940, in sicer vsled tega, kot poroča izvrševalni odselk naše Jednote, ker je zdravnik prizivnice poročal, da je bila v prej navedeni dobi le delno onemogla. Da je zdravnik tako poročal, se vidi v njegovem poročilu od dne 20. aprila 1940. V istem njegovem poročilu pa je tudi poročal, da prizivnica ni bila v stanu vršiti niti lahko dela v prej navedeni dobi njene bolezni. Glavni porotni odbor je glede tega prejel še druga poročila od društva in na podlagi vsega prejetega razsodil, da je gori omenjena prizivnica upravičena do bolniške podpore, za dobo, za katero ji je bila odklonjena oziroma za dobo označeno gori.

mornarici in nekaj jih je to storilo na angleški poziv. V Oranu, v severni Afriki, pa se je francoski admirал upril angleški zahlevi in zadevo so odločili topovi angleške vojne mornarice. Tako sta se prejšnja zaveznika udarila z orožjem.

Kolikor je mogoče presoditi iz zapletenih poročil, je danes večina francoskega vojnega brodovja v rokah Anglije, in te kaže onemogočeno Nemčiji, da bi se posluževala francoskih ladij v napadih na Anglijo. Hitler je baje "dovolil" francoski vlad, da sme potopiti ostale vojne ladje, če bi bila nevarnost, da jih zaseže Anglija. Poroča se tudi, da je francoska vlad pretrgala diplomatske zveze z Anglijo.

V zvezi s pomorski bitko med Francozi in Angleži pri Oranu je zanimiva izjava angleškega ministrskega predsednika Churchilla, da so italijanske vojne ladje boj opazovale, toda so stale v spoštljivi oddaljenosti. To je vsekakor značilno za italijansko korajzo.

NACIJSKA RUMUNIJA

Vsled strahu pred Rusijo, Bolgarijo in Madžarsko je rumunski kralj Karol pretekli teden sestavil nacijem naklonjeno vladu. Vsa kabinetna mesta so zavzeli nacijski simpatičarji. To je najbrž začetek konca za kolikor toliko samostojno Rumunijo. Ko so leta 1933 nacija prišla na nekatera vladna mesta v Nemčiji, je kmalu prešla vse dežela pod nacistično kontrolo. Ko je bil bivši avstrijski kancelar Schuschnigg prisiljen vzeti nekaj nacija v vlado, je bila kmalu Avstrija priključena Nemčiji. Nič čudnega ne bo, če čaka slična usoda tudi Rumuniju.

VOJNO STANJE EVROPE

Spošno se pričakuje, da bo Nemčija vsak čas z vso silo navalila na Anglijo. Toda zadnje dni je bila vojna v Evropi omejena večinoma le na letalske napade. Nemška letala so obiskala z bombami Anglijo in angleški letali so vrátili komplimente z napadi na nemške pozicije. V Sredozemlju so se vršile tudi večinoma le letalske praski med Angleži in Italijani. V balkanskem kotlu vre, toda vsebina še ni prekipela čez robe.

MILIJONAR OSOJEN

Star ameriški pregovor pravi, da je težko poslati milijon dolarjev v ječo. V vseh primerih pa to ne drži, posebno, če se žrtve zaplete v mrežo federalnih postav. V Chicagu, na primer, je bil osojen na triletno ječo milijonar Moe L. Annenberg, ki je bil "pozabil" plačati nekaj nad en milijon dolarjev dohodninskega davka. Mož je bil obsojen, četudi ga je zagovarjalo 50 odvetnikov.

RAZSTAVA ČRNCEV

V Chicagu je bila pretekli teden otvorjena razstava, ki kaže uspehe ameriških črncev na poljih znanosti, prosvete, industrije in umetnosti. Razstava je bila otvorjena za priliko 75-letnico odkrila je predsednik Abraham Lincoln podpisal postavo, ki je osvobodila ameriške črnce.

FRANCOSKA MORNARICA

Sedanja vojna v Evropi producira presenečenje za presenečenjem, eno večje od drugega. Največje presenečenje pretekloga tedna je nedvomno bila pomorska bitka med angleškim in francoskim brodovjem pri Oranu v francoski Algeriji. Nekaj francoskih vojnih ladij je bilo potopljeno, nekaj poškodovanih, nekaj jih je ušlo in druge so se podale angleški mornarici.

Po določbah premirja med Francijo in Nemčijo, bi morale francoske vojne ladje pripluti v določeno pristanišča in tam razočrane ostati do konca vojne. Nemčija je obljubila, da teh francoskih vojnih ladij ne bo rabila za napad na Anglijo, toda nihče na svetu ni verjal nemškim obljubam, najmanj pa Angleži. Neko število francoskih vojnih ladij se je torej prostovoljno pridružilo angleški vojni

dati, ko nameščenec zapusti delo.

Kar pa delodajalec mora najprej storiti, je to, da si priskrbí identifikacijsko številko za samega sebe — namreč za tvrdko. Najblizi urad Social Security Boarda ali najblizi federalni davkar (Collector of Internal Revenue) mu da tiskovino za prošnjo v to svrhu. Delodajalec jo izpolni, poda vse zahtevane informacije in v pošte ali izroči prošnjo po navodilih, tiskanih na sami prošnji.

Ko delodajalec dobti svojo identifikacijsko številko, naj si jo skrbno zapiše, ker jo mora navesti v vseh svojih socialno-varnostnih prijavah in poročilih federalnemu davkarju oziroma Social Security Boardu.

Druga stvar, ki jo delodajalec mora storiti, je to, da ugotovi, da ima vsakod izmed njegovih delavcev številko socialno-varnostnega računa. Morejo dobiti potrebna tiskovine za to prošnjo od najbližjega urada Social Security Boarda ali pa delodajalec pisarna more imeti pri sebi primerovo zalogu takih tiskovin. Mora držati zapis o številki vsakega delavca in rabiti jo z imenom delavca, ko prijavlja njegove plače in davke. To je potrečno za pravilno identifikacijo delavčega socialno-varnostnega računa.

Zakon se nanaša na delodajalce skoraj v vsaki vrsti posla ali industrije in prihaja v poštev tudi, če je nameščen en sam delavec. Nanaša se tudi na delavske organizacije in nekatere druge organizacije s plačanimi zastopniki ali uradniki.

Vsak delodajalec, ki dvomi, da-li spada pod ta zakon, oziroma ki hoče kaj vprašati o davkih ali, kako treba držati zapise in napraviti poročila, naj takoj poizve pri najbližjem federalnem davkarju. Njegovo ime se lahko poizve na pošti. — (Social Security Board, Washington, D. C.)

dobitkov pa finančirji, kajti tudi država ima pri tem precej dobička. Tisti, ki so dobili dobitke, so bili veseli, drugi, ki so prišli po 6 ur daleč, pa nič dobili, so bili pa seveda jezni. Marsikateri tak razočaranec je jezno vrgel klobuk ob tla, prevrnil kako mizo ali katerega oklofutal. Vsekakor bilo je zabavno. To je bila ena največjih tombol, ki sem jim prisostvoval. Ob prilikih bom skušal opisati kako vaško tombolo.

Pozdrav mojim znancem in prijateljem na zelenem Štajerskem, posebno pa Ivanu Novaku, bivšemu načelniku gasilskega društva v Trgovšču, ter družini Ozme in Cilklu, ki naj se kmalu ozdravi! Spominjam se vas v moji novi domovini Ameriki.

Andro Spolar.

Uniontown, Pa. — člane in članice društva Sv. Roka, št. 55 JSKJ, posebno pa še tiste, ki niso bili na junijski seji, obvezščam, da bo naše društvo proslavilo svojo 35-letnico z velikim piknikom, ki ga prirede v nedeljo 18. avgusta. Piknik se bo vršil pri "Jameson" žogometnem igrišču ali pa pri višji šoli pri South Uniontownu. Člani in članice naj si že zdaj določijo dan 18. avgusta za poset našega piknika. Jednota nam bo poslala kot svojega zastopnika na praznovanje naše 35-letnice enega glavnega odbornika. Vprašali smo za brata Roglja ali pa za brata Terbovca. Želeli bi, da predeta oba, Sploh bi želeli, da se prireditve udeležijo vsemi glavnimi odborniki, katerim je mogoče. Istočasno upam, da se tega piknika udeležijo vsemi člani in članice našega društva, pa tudi člani in članice drugih društev JSKJ v okolici, in vsemi dobre zavarovalne željne rojaki in rojakinje tega okrožja. Za postrežbo in zabavo bo poskrbljeno. Morda bodo pri tisti priliki naši fantje igrali tudi baseball. Cisti dobitek prireditve je namenjen društvu.
