Nek vir, ki noče biti imenovan, je izjavil, da je rekel Stevens po reakciji, ki jo je izrazil njegov sestanek s senatorjem, da s tem sestankom "ni bilo služeno najboljšim interesom dežele." Isti vir ve povedati, da tajnik Stevens ne čuti, da je kapituliral pred senatorjem, ki mu je obljubil, da se v bodoče ne bo poniževalo in žalilo častnikov tekom zasljevanj. "Za to obljubo so bile na mestu koncesije od moje strani," je baje rekel tajnik Stevens.

EGIPTSKI NAGUIB JE ODSTOPIL

Hotel je imeti avtokratsko diktatorsko oblast, katere mu Revolucionarni svet ni hotel dovoliti.

Uradno poročilo je zdaj prvič naznani, da generel Naguib ni bil leta 1952 dejanski voditelj državnega udara, radi katerega je moral kralj Farouk v izgnanstvo. Pravi voditelj tega udara, pravi uradno poročilo, je bil Gamal Abdel Nasser, ki je nasledil Naguib kot premier in predsednik Revolucionar. konci.

Mesto predsednika bo ostalo izpraznjeno, dokler se ne bodo vrstile nove volitve. Vsi sedanji ministri ostanejo, Nasser pa bo nadomestil Naguib.

Poročilo dalje naznana, da je Naguib podal ostavko na vse svoje položaje, katero je koncil sprejal. Resigniral je, ker mu je bila odklonjena oblast, da bi konfuzije o tem, kaj se je dejelo nazaj v avtokracijo.

BEIRUT, Libanon. — Dne 25. februarja je rebelirala armada ter zasegla radijsko postajo v Aleppu, ki je drugo največje mesto v Siriji. Revolucionarji so pozvali vso deželo, naj se pridruži njihovemu uporu proti "ljudskemu rablju," predsedniku gen. Adibu Shishaklyju.

Državni tajnik Dulles je pojasnil ameriškemu ljudstvu potek in rezultate berlinske konference, kjer je bil Molotov prisiljen pokazati karte sovjetske igre. — Sklep za konferenco v Ženevi je bil storjen z odprtimi očmi.

Dullesov govor je oddaja radio Glas Amerike v 33 jezikih v komunistične in nekomunistične države sveta.

WASHINGTON. — Državni smo bili izmanevrirani v Berlinu."

Mr. Dulles je v sredo zvečer povedal po radiu in televiziji ameriškemu ljudstvu, da bo Rdeča Kitajska poklicana na odgovor "za svoja dejanja pred forum javnega mnjenja" na ženevski konferenci.

Dulles je odločno pobil kot neosnovane govorice, da je v sporazu za ženevsko konferenco, ki se bo pričela 26. aprila, vsebovalo tudi diplomatsko priznanje Kitajske. Kitajski komunisti bodo sedeli na tej konferenci zato, ker se bo na njej razpravljalo o miru v Koreji in Indokini.

Ostro je ukoril vse kritike, ki pravijo, da bo navzočnost Kitajske v Ženevi privreda do priznanja njihovega režima.

"Ne bodo prišli po čast" — Tačnska kritika hoče pripisati komunistom uspeh, katerega ni moglo doseči v Berlinu," je rekel državni tajnik.

V svojem govoru, ki ga je oddal tudi "Glas Amerike" v komunistične in nekomunistične države, je Dulles priznal, da vlažada ponekod v tej deželi nekoliko konfuzije o tem, kaj se je prav za prav v Berlinu zgodilo.

Ostanimo budni!

"Jaz ne zmetujem v celoti ideje, da si Sovjetska zveza dejansko želi miru v Aziji. Mi upamo tako in bomo kmalu videle, kako in kaj. Medtem pa ostalimo budni in čuječi!"

"Nobenega vzroka pa ni, da bi odklanjali mirne razgovore iz strahu, da bomo izmanevrirani ob mirovni mizi. Noben informiran opazovalec ne misli, da bo njena kompozicija ali sestava natančno tak, kakor so jo predlagale Združene države, Južna Koreja in organizacija Združenih narodov."

Sen. McCarthy je v svojem sporu z armadnim tajnikom Stevensom izvojeval popolno zmago

WASHINGTON. — Senator McCarthy je izvojeval v sredo v svoji kontroverzi z armadnim tajnikom Stevensonom popolno zmago. Po razgovoru s senatorjem McCarthyjem je tajnik Stevens preklical svoj nastop pred njegovim preiskovalim odborom, ki po vsej priliki ni bil več potreben. Armadni tajnik se je uklonil McCarthyju in obljubil, da bo naročil armadnim častnikom, da morajo biti na razpolago temu odboru za zasljevanja, kadar koli bi jih odbor preklical. (Pred tem je namreč tajnik Stevens naročil dvema generaloma, ki bi morala na stopiti pred odborom, naj enostavno ignorirata poziv).

Roka Bele hiše

Tukaj se vzdržujejo govorice, da sta imela predsednik Eisenhower in podpredsednik Nixon svoje roke vmes, da je prišlo do sporazuma med senatorjem McCarthyjem in armadnim tajnikom Stevensonom. Sporazum je bil posledica tajnega sestanka na Kapitolskem griču, katerega so udeležili Stevens in republikanski člani McCarthyjevega odbora. Po dve uri trajajoči se je poročila naznana, da je bilo zasliševanje, ki se je imelo vršiti na pred katero je čakalo kakih 50 slednjega dne, preklicano.

3. Če odbor sklene, da pokliče na pričevanje gen. Zwickerja, je armadni tajnik Stevens izjavil, da bo general razpoložljiv.

4. V očiglednega sporazuma in memoranduma, je bilo zasliševanje, ki se je imelo vršiti na pred katero je čakalo kakih 50 slednjega dne, preklicano.

Nekaj pripomemb k ciljem in delu Slovenske izseljenske matice

Koncem januarja je imela pred nekaj leti ustanovljena Slovenska izseljenska matica v Ljubljani svoj redni občni zbor. Voditelji matice so ob tej priliki poročali o ciljih in delu te za izseljence dokaj pomembne organizacije.

Predsednik Slov. izseljeniške matice znani Tone Seliškar je opisal stanje slovenskega izseljeništva. Po njegovem ne moremo danes več govoriti o 350,000 pravih slovenskih izseljencih, temveč o znatno manjšem številu. Ponekod je že polovica ali celo več izseljencev utonila v tujem morju.

"Toda dokler je še kaj sledi slovenske krvi v tujini, je naša dolžnost, da bi matični narod pošiljal tja iz svoje bogate kulturne dediščine svojo rodojavljivo pomoč ... za te slovenske izseljence je bila ustanovljena Slovenska izseljenska matica ..." je dejal T. Seliškar.

Kakšna je po Seliškarjevih mislih slovenska kulturna dediščina in v čem naj bo rodoljubna pomoč domovine izseljencem, nam najlepše povede tele njegove besede:

"Slovenski izseljeni so pod vplivom strupenega pisanja tistega dela slovenskih izseljeniških listov, ki zločinsko potvarjajo resnico o naših razmerah z namenom, da bi se zrušila pri nas sedanja družbeni ureditev in da bi Jugoslaviji spet zavladali kralji, bankirji, fabrikanti in cerkev. Ti glasniki najbolj pokvarjenega slovenstva v tujini zlasti izkorčajo verski čut naših izseljencev in prikazujejo zato v svojih spisih razmere v Jugoslaviji kot deželo samih antikristov in zločincev."

Komunista Toneta Seliškarja jezi, da Slovenci v tujini ne odobravamo komunističnega nasilja v svoji rodni domovini, jezi ga, da smo protestirali in protestiramo proti monističnim umorom nedolžnih ljudi, ki so jih storili komunisti v času državljanke vojne in neposredno po njej — naj omenimo samo onih enajst tisoč domobrancev, ki so jih koncem maja 1945 izročili titovcem Angleži in so jih nato komunistični krvniki brez vsakega zasišanja in sodnega procesa posrelili ter pometali v množične grobove in kraške jame — komunista Toneta Seliškarja in njegove gospodarje jezi, da Slovenci v svobodni tujini razkrivamo svetu njihove zločine in laži. Prav lahko razumemo njegovo divjo jezo na nas, ki smo svetu razkrili resnico o "Osobodilni fronti" in njenem "osobodilnem delu," o komunističnem "rodoljubju" in o "ljudski demokraciji," o "svobodi vere in Cerkve," o "napredku in blagostanju v Titovem raju" in seveda tudi o vedno se ponavljajoči "suši."

Tončetova onemogla jeza nam je prav posebno razumljiva, če pomislimo na dejstvo, da smo to resnico razkrili v činoma iz vlečki iz pisanja komunističnih pisunov, delno celo iz njegovega lastnega.

Razmere v starri domovini so nam dobro znane iz neštetih poročil, ki prihajajo vsak dan iz Jugoslavije, toda ta poročila so za trdovratne Titove zagovornike premalo "verodostojna," tem moramo vedno postreči s poročili v komunističnih listih, ki izhajajo v Ljubljani ali v kakem drugem kraju Jugoslavije. Teh poročil niti Tone ne more ovreči. Če bi jih hotel, bi se moral zaplesti v hud spor s Kardeljem, Pijadom, Vukmanovičem in celo samim Titom; pri svojih poročilih o razmerah v Jugoslaviji se namreč največkrat sklicujemo na njihove govore in izjave. Kadar pa ti visoki "tovariši" govorijo, Tone previdno molči.

Tone Seliškar in njegovi sodelavci v Slovenski izseljeniški matici prav dobro vedo, da slovenski izseljeniški listi ne potvarjajo resnice, kadar pišejo o razmerah v starri domovini — izjema so le listi, ki priobčujejo njegove dopise in pisma in zagovarjajo delo titovcev, — zadel pa je željel na glavo, ko je dejal, da pišemo z namenom, da bi se zrušila tamkajšnja družabna ureditev. Tega nismo nikoli tajili. Poudarjam danes, kot smo poudarili že neštetokrat, da smo proti komunizmu vedno in povsod, pa naj se pojavi v kakšnikoli obliki. Tito je sam ponovno izjavil, da je komunist, čemu mu tega ne bi verjeli? Mi svoj narod doma in njegove želje dobro poznamo, zato vemo, da on komunizma ne mara. Ne Titovega ne kremeljskega. Narod komunistično nasilje le težko prenaša in se ga želi znebiti za vsako ceno. Kot zvesti njegovi sinovi mu hočemo pri tem prizadevanju pomagati. To smatramo za svojo človeško dolžnost, pa naj je to Tonetu Seliškarju in drugim titovcem prav ali ne!

Debelo pa se je predsednik Slov. izseljeniške matice zlagal, ko je trdil, da delajo slovenski izseljeni na tem, da bi v Jugoslaviji spet "zavladali kralji, bankirji, fabrikanti in cerkev."

V kolikor se mi zavzemamo za naš narod doma, pa naj bo to v Titovini, v Avstriji, na Tržaškem ali v Italiji, mu hočemo pomagati le do svobode, ki mu po vseh božjih in naranjih pravicah gre. Kako si bo svoje razmere v svobodi uredil, je pa njegova stvar.

Ob koncu svojega poročila Tone Seliškar hinavsko poudarja, da je "Matici vsak rojak samo Slovenec in nič drugega." Zelo bi nas zanimalo, ko bi nam razložil, kako spravljajo to v sklad z zgoraj navedenim zmerjanjem in podstavljanjem. Iz vsega njegovega poročila sledi jasno, da je Matici Slovenec samo oni, ki se strinja s sedanjim položajem v žgani. Morda zato, da bi se do

domovini, med tem ko so za njo vsi drugi izdajalci in "glasniki najbolj pokvarjenega slovenstva."

Dokler bodo vodili Slov. izseljeniški matici ljudje Seliskarjevega kova in dokler bo ta imela za svoj glavni cilj izvajati v zamejstvo Titov komunizem in z njim zastupljati poštene demokratske Slovence, ne maramo imeti z njo nobene zvez. Odsvetujemo jo tudi vsem svojim rojakom.

Ko je zavladal v Nemčiji Hitler, je ustanovil organizacijo, katere namen je bil širiti hitlerizem med nemškimi izseljeni. Ko je prišlo nato do vojne z Nemčijo, so države, ki so se borile proti njej, spravile na varno vse ljudi, ki so imeli kakšnokoli zvezo s hitlerjansko organizacijo v tujini. To omenjamamo samo za to, da bi se kdo v bodočnosti zaradi svojega sedanjega delovanja ne kesal. Ne pozabimo, da Amerika komunizma ne mara, pa naj bo ta moskovskega ali titovskega kova!

Gospa dekletu, ki je iskala službo: "Povej mi, zakaj si putila službo tam, kjer si bila?"

Dekle: "če mi vi poveste, zakaj vas je vaša prejšnja dekla pustila."

Nekdo pravi: "Več bo koristilo duši pokojnega, če zmoliš vsak teden en rožni venec zanj, kot venec rož, ki bi mu jih položil na grob." Tako je. Živim rože, mrtvim rožne vence.

Berite v Amerikanskemu Slovencu "DUHOVNE MISLI." Boste videli, kako preproste pa zelo poučne so te "MISLI." To je seme božje besede.

PODLISTEK

Ljudje pravijo, da fante, ki gre pozno zvečer domov, zato živiga da strahove odganja. Tudi jaz sem morda zakričal nekaj zato, ker sem se bal. Zato mi je pa takoj odleglo, ko se je Father Edwin zbudil in hudo zaspano dejal "Hwazamerr?"

"Nekdo hoče v sobo. Že dalj časa poskuša s ključi."

"Hah?" Nečak je bil zdaj prebujen. "Nekdo odpira vrata onstran hadnika."

"Ne. Prav gotovo je nekdo po ključavnici mojih vrat tukaj brskal, poskušal odpreti."

"Morebiti je. Toda kaj bo pa pri nama iskal? Revna sva kot cerkevne miši."

"Lahko nama pobere oblek in tudi par dollarjev za gasolin," sem dejal nevoljno. "Na tujih tleh sva. Ničko bi nama ne posodil toliko, da bi prišla do sv. Štefana v Minnesot. Kar nič mi bilo po volji, da je nečak v nič postavljal moj hrabri čin — klic prav za prav."

Utihnil je in prav kmalu je zopet smrčal, dokaz da je spal. Tudi jaz sem končno zaspal, pa le bolj rahlo.

Ob šestih zjutraj sem vstal in kmalu na to poklical tudi Father Edwina. "Vstani!" sem ga klical. "Danes je sobota in če hočeva priti do srednje prihodnjega tedna nazaj, morava kar dobro razvade enega izmed zakoncev, ki jih drugi "ne more" prenašati, 3.) vzgoja otrok, 4.) izbira razvedrila in zabave, 5.) razlike v politiki in v odnosu do vere, 6.) kdo ima kaj storiti in 7.) moževanje sreča — pregled kaže, da povzroča ta često prav hude spore. Žena misli, da mož ni dovolj plačan za svoje delo; sosedje njevega posla ne cenijo; mora prevečkrat delati po noči ali pa preveč potovati. To so povprečni vzroki sporov v ameriških družinah. Zanimivo je, da je na prvem mestu naveden denar.

Mnogo sporov zlasti med mladimi zakoni povzroča sorodniki, posebno na slabem glasu so tačke. Z leti ti vzroki sami po sebi pominejo in v zakon se naseli mir, če ni za spor še kakega druga.

Zanimivo je, da se razširi na soglasje v zunanji sluhovodu, kar je večkrat res.

Smrt je imela bogato žetev

Ely, Minn. — Ta mesec je smrt kar hudo gospodarila med našimi rojaki v tej okolici.

lesno težko zaposlen, če kljub vsemu pride do kakega "živahnješega" razgovora, potem ne smemo kuhati jeze, ampak se s soprogom čim prej poboti in mu privoščiti dobro besedo. Na noben način ne smemo napetosti v hiši pustiti preko noči. Kar je en dan hudega prinesel, karščno napetost je že povzročil, tako naj gre z njim tudi v pozabio. Krščanski zakoni drugemu napake radi in vedno znowa odpuščajo, saj to ni samo zaslužno pred Bogom, ampak je tudi zelo koristno za srečen in miren zakon.

Predpustni čas je čas ženitev in to prav primer za takale razgovore. Upam, da se nobena od bralk ni preveč dolgočasila pri tem današnjem pogovoru. Drugič se bomo pa pogovorile o čim veseljejšem in prijetnejšem.

Šumenje v glavi

(Nadaljevanje)

Ce bolnik toži, da mu šumi v enem ali obeh ušesih, mora zdravnik seveda predvsem misli, da je uho samo zvrač temu pojau, kar je večkrat res.

Največkrat je zunanj sluhovod na eni strani ali pa na obeh zamašen radi ušesnega masla ali voska, katerega proizvajajo posebne male žleze v zunanjem sluhovodu. Navadno je v sluhovodu le majhna količina masla, ki popolnoma zadostča za namen, kateremu služi: da bi bila povrnila bobničko in krv v sluhovodu nastna in gladka. Ce pa se razvije kakšna bolezen bobničko ali duhovida, tedaj proizvajajo žlezne večinoma več masla še dolgo časa po prestanem vnetju. Poleg tega je mnogo ljudi, katere iz raznih razlogov srbi v sluhovodu, pa praskajo dotično mesto z raznim bolj ali — manj ostrimi predmeti: zobotrebec, žveplenje, svinčnik, pero, žebel itd. Radi tega se žleze razdražijo in proizvajajo več ušesnega masla kot je potreben. Tako povečano količino masla se razširi po celem sluhovodu, takoj da je bobnič pokrit vzdolno na oddeljen od zunanjega zraka. Dotična oseba najprej slabše sliši, nato pa ji začne šumeti po ušesu.

Ljudje, katerim šumi po ušesih, večkrat sami z večjimi ali manjšimi predmeti poizkušajo odstraniti ušesno maslo, kar jim ja navadno ne uspe. Našprotno. Radi dolgotrajnega praskanja si podispi poranjo kožo sluhovoda bodisi potiskajo, kaj je vzrok zoslabšanemu sluhu, in s posočenjo posebne ušesne brizge odstraniti ušesno maslo, nakar pregledu poardčno bobničko, ki navadno ni bolan. Ce je tudi sluhovod na drugi strani zamašen, e tam ponoviti isti postopek. Bolnik je svetla vesel, da je tako hitro prenehal biti gluhi. Pred odhodom navadno svetuje zdravnik bolniku, naj skuša preprečiti ponovno zbiranje večje količine ušesnega masla: Naj po univanju zunanjega ušesa dobro posuši uhelj in zunanj ušesni kanal, prav tako naj pazi k opaziti, da ne pride voda do bobničke, ce pa že pride, naj jo z delom ročca posuši. Sploh naj pazi, da bo zunanj sluhovod suh. Ce opaziti kakšno ušesno bolezen, naj gre k zdravniku.

Kot vidimo, pride skoro pri vseh zakonih kdaj do kake napetosti, ce že ne do prepira, to nas torej ne sme prehudo skrbeti. Paziti se moramo, da izberejo prav za prav v Biwabiku, pa jih nato dovožajo v Babbitt. J. Peshel. čen ali pa duševno, oziroma te-

Dr. Josip Gruden:

Zgodovina slovenskega naroda

II. Doba državnega absolutizma in centralizacije

Od Ferdinanda II. do Leopolda II. (1619-1792)

2.—Leopold I. in njegovi ministri. — Grofija Istra. — Prva vojna s Turki.

V Devin mu je prišel nasproti poslanec tržaškega magistrata, baron Aleksander de Fin z mnogobrojnimi krasnimi ladijami. Pridružil se mu je tudi grof Peter Zrinski, v čigar ladji se je cesar Leopold odprel v Trst. Pri Grljanu je stopil na kopno, da bi v samostanu pri minoritih opravil molitev. Nato se je nadaljevala vožnja v prejšnjem redu med neprestanim grmenjem topov. Od nabrežja v Trstu je bil daleč v morje napravljen most, da bi lahko stopil iz ladje. Na velikem molu je pozdravila cesarja mestna posadka, pri mestnih vratih po občinski odbor z mnogočtevilnim plemstvom, ki mu je izročil na srebrnem krožniku mestne ključe. Pod krasnim nebom, katerega je nosilo osem plemičev, je šel cesar na to v sijajnem izprevodu čez Veliki trg v stolno cerkev, kjer ga je sprejel tržaški škof Marenzi in zapel "Te Deum".

Prva dva večera je bilo mesto krasno razsvetljeno. Poklonitev se je vršila 27. septembra. Ceser Leopold je sprejel, na krasnem prestolu sedeč, tržaški magistrat, mestne svetovalce in mnogo drugih imenitnih meščanov. Najprej je veliki kancelar naznani, da hoče Njegovo Veličanstvo spoštovati vse pravice in milosti, ki so jih njegovi predniki mestu podelili. Na to preberre tajnik prisego, katero so vsi navzoči za njim govorili. Baron de Fin je v dolgem govoru izražal vdanost mesta. Svečanost se je končala s sijajnim obedom.

Po ves teden trajajočem bivanju v Trstu zapusti cesar mesto 1. oktobra in obiše na povratku v Ljubljano še žrebčarijo v Lipici, ki je bila dve leti prej ustanovljena. Dne 4. oktobra se je mudil v samostanu Bistra in je tamošnjemu priorju Ciriani ju podelil naslov prelata. V Ljubljani je bil iznova slovesno sprejet; dne 8. oktobra pa je čez Krašnjo in Trojane odpotoval na Dunaj.

Leto 1660. je torej za Slovence zato zanimivo, ker jih je obiskal njihov vladar, kateremu samemu so mogli po starodavnih navadi prisjeti zvestobo in vdanost. Ta sreča jim že mnogo let ni bila dana, Goričanom celo nikdar poprej, ker so se vselej poklanjali le cesarskim namestnikom. Le še enkrat so se pozneje ponovili vsi ti sijajni prizori in sicer 1. 1728., ko je zadnji moški Habsburžan Karol VI. sprejemal poklonitve v Njegovi Avstriji. Potem pa je za vedno premulin zunanji blesk teh stanovskih slavnosti, kakor je že davno preje premulin politički pomen, ki so ga imele v 15. in 16. stoletju.

Za Leopoldove vlade je imel vso oblast v rokah cesarjev tajni svet, katerega smemo primerjati sedanjemu ministrstvu. Najvišji dvorni mojster je bil prvi tajni svetnik ali ministrski predsednik. Število drugih tajnih svetnikov ni bilo vedno enako. Cesar jih je imenoval poljubno po nasvetu najvišjega dvornega mojstra ali po lastni volji. Tajni svet je bil najvišje sodišče in ministrstvo vnašnjih zadev; dajal je v cesarjevem imenu postave, jih razlagal in čuvdal nad njih izvrševanjem. Med Leopoldovimi vplivnimi ministri moramo tu omeniti zlasti dva, ki sta bila značilni deželami v ožji zvezi.

(Piše Matevž iz "Sunny Spot City-a")

La Salle, Ill. — Rojstnega kraja ne moreš pozabiti, tudi, če bi svoboda. Kajti pod komunizmom si prizadeval, da ga pozabiš. Kri svobode ni! Sin slovenske zemlje si! Kot tak si Slovan in spadaš v velikobrojno družino Slovanov. V tvoji krvi je seme slovanstva in tega izbrisati ne moreš. Bodti pososen kar si. Član si dobrega in mehkega rodu, ki mu je dal Bog zlato srce in mehko dušo. Zahvali Boga, da si član tega rodu! Enega bremena nimaš na svoji duši, da si moril ljudi drugih rodov, kakor so to delali krvoloki Turki, Germani in za re-sen boj bojazljivi Lahi Italijani!

Ob spominu na svojo lepo domovino in na svoj rod ti zapojuščaš v sreči z Dr. Jakobom Razlag tisto Slovencem vedno do-padljivo pesem:

"Bodi zdrava, domovina,
mili moj slovenski kraj!
Ti prekrasna, ti edina
meni si zemeljski raj!"

"Tuje šege, tuje ljudstvo
so prijatlji, bratje ne,
Slava le, slovansko čutstvo
moje veseli srce."

"Prim pozdrav, zemlja mila,
primi srce moje v dar,
da bi vedno majka bila,
nepozabljenia nikdar!"

Škoda je, da je naša lepa domovina, (ne po lastni krvidi!) zopet zakovana v suženjske verige tiste miselnosti, ki je hinsko oznanjevala demokracijo in svobodo! Dragi čitalitelj, neglede kaj je tvoje prepiranje, eno si zapomni če moreš? Komunizem še bolj potrebuje in mu je posebno hvalo dolžna". Ceser Leopold je Auerspergu pustil mesto prvega ministra, vendor ga ni toliko upošteval, kakor ministra Porcio in Lobkovica. Po smrti svojega brata, grofa Volka Engelberta Turjaškega, kranjskega deželnega glavarja, je knez podedoval Kočejev in Žužemberk. — V politiki je Auersperg nasprotoval Porciji in Lobkovicu.

Ko je francoski kralj Ludovik XIV. želel delitev španskega kraljestva med Burbonce in Habsburžane, je Auersperg podpiral njegove naklepe, ker mu je francoski poslanik občal, da se bode njegov kralj pri papežu zanj potegnil, da postane kardinal. Dasiravno je imel družino, je vendor v svoji častilnostni hotel postati enak Richelieu in Mazarinu. To ga je pogubilo. Dva kardinala in papež sam so ga zatožili pri cesarju, ki ga je 16. decembra 1669 odpuštil iz službe in prenah v Wels. Na ponovno prošnjo je dosegel le to, da je smrel v Ljubljani živeti v pregnanstvu. Tu se je pečal do svoje smrti z bogoslovnimi in modroslovnimi studijami, lovom in ribištvom. Umrl je 13. novembra 1677 in bil pokopan v franciškanski cerkvi.

Drugi vplivni državnik v začetku Leopoldove vlade je bil grof Ivan Ferdinand Porcia. Plemiška rodbina Porcia je bila furlanskega izvora, ki si je pridobila na Kranjskem okoli 1. 1550, graščino Senožeče. Grof Janez Ferdinand je bil 1. 1635. — 1650. kranjski deželni sodnik, potem je postal ajo (najvišji dvorni mojster) in vzgojitelj cesarjeviča Leopolda, ki ga je tudi potem, ko je zasedel prestol, visok cenil in mu največ zaujal. Vendor je bil Porcia za državniški posel malo sposoben, ker je bil počasen in neodločen. Vsak opravek je zavlačeval in dostikrat najvažnejša sporocila nerešena na mizi potabil. Splošno znana je bila njezina nenaščana razmišljenost in pozabljivost.

PO PODPORO SO PRIŠLI — Dninarji in kmečki najemniki iz Dunklinova so prišli v Kennett, Mo., prosit za podporo. Okajne in državne dobrodelne ustanove so zavrsile federalno vlado, naj da okoli 5,000 potrebnim osebam tega okraja živež iz federalnih skladis. Suša in novi stroji so pripravili te ljudi ob redno delo in zasluzek.

takega poskušali. Kako daleč so uspeli mi ni znano. Seveda takrat ni bilo denarja med ljudmi, kakor ga je danes. Ljudje so takrat služili po \$1. do \$1.25 na dan, kaj bo to? Vsak mošnjiček je bil dovolj velik za banko. Danes, ko so visoke plače in ko je dosti denarja v prometu je pa drugače. Sposobni ljudi menita nam tudi ne manjka. Če je bil naš rojak dober za župana, če so naši možje sposobni za aldermane (mestne svetovalce) in za druge razne odgovorne urade, bi ja bili tudi za vodstvo hranilnice in posojilnice. Tako misli seveda Matevž, kako drugi to pa ne vem. Zapisiem le kar jaz mislim.

— Predpustni čas je čas porok — tako smo rekli v starem kraju. V januarju se je poročila Miss Charlotte Margarette Lušina, hčerka slovenske družine Mr. Louis Gregorich Sr., ki biva na Columbia Ave., tam kjer je bil nekoč starim rojakom znani Crockettville.

Banka in posojilnice so zelo važne gospodarske ustanove. Od-

kar je zadnja depresija v slavnih Hooverjevih časih pripeljala de-

želo na rob gospodarskega pro-

padja in je dejelo ostalo pred pro-

padom pokojni Franklin Roose-

Nekateri pravijo tem ustanovam stavbinskega društva.

A ker zadnja leta sprejemajo vlo-

Katolištvu in ILO

Jasno je, da se katoliško sodelovanje v ILO nekaj velikega. Živimo v časih, ko celo najboljši ljudje misijo, da je vse izgubljeno. Toda prav v teh dneh je ILO veliko doseglo in to zlasti na polju mednarodne zakonodaje. S tem je ILO dokazalo, da je še vedno mogoče sodelovati z raznimi državami, ki so daleč vsaksebi, za skupni človeški blagor. Uspehi, ki jih ima ILO, so močan protistrup zoper tisto hudo bolezen, ki ji pravimo deficitum, ki imamo zanje drugo besedo: obup!

"Katoliški član v tajništvu ILO, jezuit LeRoy, je že pogosto poudaril, kako se glavnem ujemajo smernice papeških enciklik in konstitucija ILO. Sam sveti Oče to rad priznava, pa tudi predstavniki ILO tega ne taže. Papež Pij XI. je kar s pristom pokazal na to podobnost. Dejal je: Po koncu prve svetovne so voditelji velikih držav uvideli, da je treba zagotoviti svetovni mir s preuređitvijo socialnih razmer na svetu. Zamisili in zapisali so odlična načela za zavarovanje delavskega stanu. In glejte, veliko njihovih smernic se popolnoma ujema s smernicami Leona XIII. Prav tako veliko njihovih svaril. Človek bi rekel, da so jih povzeli naravnost iz Leonove Enciklike.

"ILO še davno ni idealna ustanova. Toda v teh dneh splošnega cinizma in obupavanja je

ZGODOVINSKI ROMAN

DRUGA KNJIGA
HUDOURNIK

In kaj je prav za prav ladja za cesarja! Top je znal do slovno narisati, ga uliti, nadomestiti vsak vijak, popraviti vsako kolo, vsako ojnicu pratežnega voza; čas in stroške za podkovanje eskadrona je imel prav tako točno v glavi kakor produktivno zmožnost poljske pekarne: in to mu je dajalo stvarno premoč, vzdrževalo strah pred njegovim kontrolo, ki jo je vršil neprestano na papirju in v vojni, vzbujovalo spoštovanje pred poveljnikovim obsežnim znanjem in jamčilo za točno izvedbo vseh njegovih vojaških zamislekov.

Z ladjo pa je treba imeti kakor s topom opravka od mladih nog in če admirali strme poročajo, kako naglo se je tudi takoj seznanjal s stvarjo, da je lahko strokovnjaško vpraševal in ukazoval, tiči v njih sodbi mnogo kritične strokovnjaške dobrohotnosti nasproti genialnemu dilematu. On si je o tem na jasnen in ker nima ne velikega admiralne velike mornarice in ker ni do danes nobene vojne prepustil tujim rokam, iznajde, da bi Anglijo vendarle udaril, nov način vojskovanja: Zapreti hoče angleškim ladjam obalo od Hamburga do Tarenta in namerava v trgovinski vojni uničiti ta trgovski na rod. Hkrat misli zopet na invazijo, kajti čim bi stopil na otoku na trdn na tla, bi bil zopet vojskodaj in bi se gibal do slovno v svojem elementu.

Kakor pred Egiptom studira

"Veličanstvo vendar vidi: ali hocete v tem vremenu brez potrebe tvegati življenje hrabrih mož?" Cesar bled v krogu svojih otrplih častnikov: "Gospod, dal sem vam povelje. Posledice vas ne brigajo. Ubogajte!" "Sire, ne morem." Strahoten premor. Cesar gre proti njemu z bičem v grozči, čeprav ne dvignjeni roki: admiral — korak nazaj, položi roko na ročaj svojega meča. O-kamenela skupina.

"Zapustite Boulongne v štiri in dvajsetih urah in se nasepite v Nizozemski. Gospod podmiral Magon, izvršite ukazane operacije!"

Morska parada, neurje in vihar, dvajset šalup se prevrne, mornarji se bore z valovi. Cesar skoči v prvi čoln, da bi nudil pomoč, vse se ravna po njegovem primeru. Prihodnji dan naplavil morje 200 trupel na domačo obalo.

Dogodek, ki je kot napaka, kot okrutnost, kot častniška ne-

pokorčina v Napoleonovem Herat v Indijo. Ali zato potrebuje miru in časa.

Spočetka mu gre samo za ohranitev miru, ki ga njegova moč in umetnost vzdržuje že več let. Takoj po kronanju piše v tem smislu kraljem hkratu, a vsakemu njegovemu značaju primerno; vse je premišljeno glede učinka: od podrobnosti v slogu do podpisa. V pisanku perzijskemu šahu stoji:

"Po mojem širnem slovesu si najbrže že izvedel, kdo sem in kaj sem storil, kako sem Francijo povzdignil nad vse zapadne narode in kako se zanimam za vladarje jutrovih dežel . . .

Orientali so pogumni in modri, toda neznanje nekaterih umetnosti in zamejmarjanje dis-

cipline jim škodita v bojih z brez najmanje nade na smotren uspeh, vesti najnih vlad? Ni mi v nečast, storiti prvi krok. Svetu sem, mislim, dokazal, da se ne bojim vojne in njene nestalne sreče. Moje srce sicer hrepeni po miru, ali vojna ni nikdar škodovala moji slavi. Rotim V. V., ne odrecite se tej sreči in vrnite svetu mir! Ne prepustite tega dragocenega zadoščenja svojim otrokom! Čas ni bil pomiriv vseh strasti nikdar ugodnejši. Če ga zamudimo, kam bo vedla vojna? Vaše Veličanstvo je v zadnjih desetih letih pridobilo več ozemlja nego obsegata vsa Evropa. Če tožuje tolksna kri, ki se preliva vojne!"

MORNING NEWSPAPER

GIVE GENEROUSLY!

During the past year, on a nation-wide basis the American Red Cross gave aid to more than 100,000 disaster victims at a total cost of more than 5 million dollars.

At present your Red Cross is training volunteers to manage and staff more than 100 shelters strategically located in the country. These shelters are scheduled to be used as emergency welfare centers in times of enemy action and at the same time are being set up as Red Cross stations for use in the wake of nature-caused catastrophe.

This disaster service, the only service of its kind, can only be continued and carried forward if every person living in America gives and gives generously to the Annual Red Cross Fund to be held in Greater Cleveland from March 1 through 10.

"When your neighbor and Red Cross Volunteer calls on you, give and give generously so that Greater Cleveland can meet its Fund goal of \$1,330,000 and do its share in carrying forward the great work of the American Red Cross," Louis S. Bing, Chapter Chairman said.

Weather Won't Stop Home Builders Here

The house on the left was designed by architect Alfred W. Harris and is sponsored by the Cleveland Chamber of Commerce. The AIA house on the right was designed by Anthony S. Ciresi who was chosen for this job by the show committee of the American Institute of Architects, Cleveland Chapter. The Home Builders house will be constructed of brick.

Both houses will be completely furnished, the AIA house by Garth Andrew of Bath, Ohio and the Home Builders house by the May Company's interior decorating department. The Homeland Section of the Home and Flower Show is to be landscaped by Henry Prey and in addition to flowering gardens, there will be a swimming pool to delight the show visitors.

The main arena of Public Hall will again be a breathtaking spectacle of floral gardens built around the theme of "Springtime in the Berkshires," with an old water wheel mill in operation and an authentic Ohio blacksmith shop of grandfather's day all against a 100-foot woodland scene featuring spring flowers in full bloom.

Hold on to your hats, 'cause there is a rip snortin', mad cap week coming up. First of all, there is a dance being held this Sunday at St. Mary's in Collinwood, and secondly, the Mother's Club is sponsoring a dance for all parish teenagers on Tuesday.

All of the cool, crazy, mixed-up kids who received invitations for the dance at St. Mary's, are to meet in front of the school building, this Sunday at 8 p.m. Transportation will be provided thru generosity of various fellows from the neighborhood, who have volunteered the use of their limousines.

PRE-LENTEN

Have you looked at the calendar recently? If you have, you probably would have noticed that Lent is just around the corner. Well, the Mothers' Club realizes that you guys and gals perform your Lent penances with such strict self-denial, that you avoid all dances during Lent. So, in order to keep your dancing feet in check 'till Easter Sunday, the mothers are sponsoring one last big blowout this Tuesday.

Now this isn't just an ordinary dance, no sir-e-e-e. This is going to go down in St. Vitus History as the first "Smorgasbord Dance". Yes, you read right, it's a Smorgasbord dance. This, as you probably already know, means that there will be all kinds of food stuffs and goodies to eat.

The Dance starts at 7:30, but if you really want to have terrific meal, I advise you to be there before 7:30. For the benefit of Yocko, the doors will open at 7 p.m. Music will be by the Green Light Trio. This is the orchestra which, thru persistent effort has finally achieved the Glenn Miller "SOUND".

Don't forget to get your dancing shoes repaired for Sunday and Tuesday.

Red Cross and Civil Defense Work Hand in Hand

Number one target should atomic warfare strike our country. The Greater Cleveland Red Cross Chapter has a major role in Civil Defense planning of our community. Responsible for welfare services of Civil Defense, Red Cross is training workers in more than 100 emergency shelters strategically located throughout the community. Frank A. Uniack, Chairman of the Red Cross Disaster Services is shown at a C. D. Zone map with John Pokorny, Cleveland's C. D. Director.

Girl Scout Campaign Chairman

Mrs. Alvin Karlinger, will serve these leaders will obtain chairmen as Campaign Chairman for the in each group who will organize teams of workers. About 3,000 Girl Scout volunteer workers are expected to participate in the neighborhood campaign.

By ringing doorbells, the volunteer workers hope to secure enough contributions to finance the purchase of the new Macedonia camp site with its two lakes, lodge, and big barn, and to construct a dining hall and kitchen to serve 150, water-sewage system, six camp areas, six shelter houses, waterfront, caretaker's house and shop, office building and cook's cabin on the wooded areas. Plans also call for building at Camp Julia Crowell four shelter houses, a winterized cabin, central shower house, and a second waterfront on the upper lake.

The Special Gifts phase of the campaign has already brought \$70,000 into the fund. A total of \$275,000 is needed to buy land and erect buildings to permit more girls to have the valuable experience of living, learning, and playing in a Girl Scout Camp.

At present 65 per cent of Cleveland's Girl Scouts cannot go to camp because there is no room for them. There are 15,000 Girl Scouts in Greater Cleveland today, but their resident camp facilities are the same as they were 15 years ago when there were only 3,626 Girl Scouts in the area.

To relieve this situation, the Cleveland Girl Scout Council has launched a Camp Development Program. A new, 108-acre camp site has been purchased in Macedonia township and additional facilities will be built at Camp Julia Crowell in West Richfield.

Both camps will be used throughout the year, for two-week camping periods in the summer and for weekend and troop camping the other nine months.

Mrs. Alvin Karlinger is enlisting campaign chairmen in the neighborhood areas in this district and

Marian Year Stamp

It has been suggested that a personal letter be written to the POSTMASTER GENERAL, asking him to consider a MARIAN COMMEMORATIVE STAMP for next Mother's Day, 1954. The Marianist Affiliation Service is happy to pass on this suggestion and encourages YOU to write this letter as soon as possible.

HASTE is very important for the success of this project because it takes a great deal of time to get a new stamp into circulation.

Get OTHERS to write too: relatives, friends, acquaintances, even strangers. STAMPS have been successfully sponsored by other groups in our country. Every Christian will be interested in having the WORLD'S GREATEST MOTHER honored in this way. American Catholics should consider this a labor of love during this MARIAN YEAR.

A famous Madonna painting with the words: "Mary, the Mother of Christ" is recommended for this stamp.

Write to:
The Hon. Arthur Summerfield
Postmaster General
Washington, D. C.

Sample Letter:

May I suggest that a stamp be issued next May honoring MARY, the Mother of Christ, the world's greatest Mother.

Mary symbolizes the sublimity of women and honoring her on Mother's Day would be honoring the dignity of Motherhood in its highest perfection.

Your consideration of this matter when formulating the stamp program for 1954 would be deeply appreciated.

It has also been suggested that you write to your Representative in Congress, asking him to take a special interest in this project. Be sure to make this letter a personal one, too.

What We Know About Alcohol

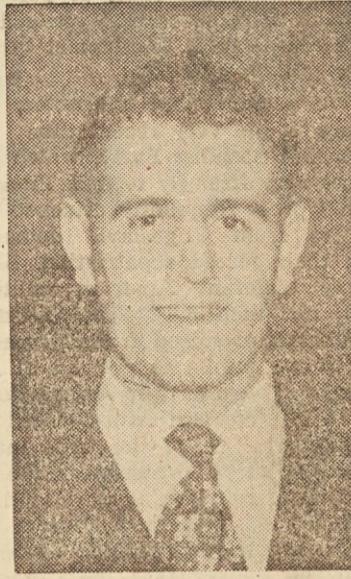

In a frank discussion of "What We Know About Alcohol," Dr. John H. Nichols, head of the department of Neurology and Psychiatry at St. Luke's Hospital, will present the medical facts on this current problem of great importance on Sohio's "Prescription for Living" television program Sunday afternoon, Feb. 28, at 4:30 p.m.

Dr. Nichols is assistant clinical professor of Neurology at Western Reserve School of Medicine and is medical director at Windsor Hospital.

Presented by The Standard Oil Co. (Ohio) in cooperation with the Cleveland Health Museum and the Academy of Medicine, and with Warren Guthrie again acting as the program's moderator, this television health show may be seen on: WEWS Channel 3 in Cleveland.

Wedding Bells

Saturday, Feb. 27th, at 9 a.m. a wedding ceremony will take place in St. Vitus Church uniting in marriage Miss Stephanie Znidarsic, daughter of Anton Znidarsic, 5814 Bonita Ave., and Mr. Anthony Sajovic, son of Mrs. Mary Sajovic, 1003 E. 66th Place.

New Councilman

ANTHONY J. SUSTARSIC

Taking his seat for the first time among the members of Euclid's City Council last week was Anthony J. Sustarsic, 28, veteran of World War II and well known among that city's Slovenians.

Tony weathered the initial session without incident and accepted the congratulations of his colleagues.

The popular young veteran was appointed to fill the council seat left vacant last fall by the death of James P. Bailey, councilman-at-large. Making the announcement of the appointment was Mayor Kenneth J. Sims.

Sustarsic was well received by the council members as well as the leaders of the Coalition group. He is now one of four councilmen-at-large.

His appointment was hailed by hundreds of young veterans who have purchased homes in Euclid. They have joined with him in many veteran activities and know he is familiar with their problems.

One of the youngest men ever to serve in Council in the city of Euclid, Tony is a life-long resident of Euclid and comes from an old Slovenian family.

His parents came to America from Yugoslavia in 1910 and like other immigrants, they came looking for "streets paved with gold." Instead they found mud roads and hard work, but still enjoyed their new homeland as they brought up Tony, the youngest, following Lucille (Mrs. John Korencic), Joseph and Edward. Mr. Sustarsic passed away 19 years ago following a short illness. He had been employed by the New York Central Railroad.

Tony's school here started at Roosevelt thru the eighth grade then he went to Euclid Central High. Here Tony became interested in sports and was a top notch football player. He had visions of going to college and even of playing professional football. His schooling at Dyke Spencerian College was interrupted by a call to the U. S. Army.

After leaving the States with the boys in khaki, Tony was stationed for a spell in England. While on the British Isle he was afforded an opportunity to carry on his love of football and became a member of the base grid team. In part Tony realized his desire to play "pro ball" because half of the members of the base team were ex-professionals. His team won acclaim thru the European Theatre of Operations and Tony was considered a wonderful prospect for college and professional competition.

As a member of the 3rd Armored Division he was caught in the Battle of the Bulge. A German 88 surprised him — as a result, he now gets around extraordinarily well on an artificial limb. It was one of 11 serious wounds the purple hearted soldier received in over 2 years of war service.

The service incurred injury and loss of one leg failed to dim his interest in sports. Following his discharge in 1945, he returned to Euclid and immediately adjusted himself to a new way of life. Bad leg and all, he used to visit his old school athletic field and invariably would grab a football and start tossing it like a "pro". He played baseball and bowled and when questioned about his war injury he would say "it could have been worse."

Tony was one of six disabled vets who founded the Euclid Veterans Club. At first the ex-servicemen held their meetings at the Slovenian Hall on Recher Ave. Four years ago Tony was one of a group that aided the Vets in establishing their new home on 16 acres of ground on East 260th St. He was president of the organization in 1952 and two weeks ago was one of six men presented awards as the Euclid Vets celebrated the

club's eighth anniversary.

After a short period with General Electric, Tony joined the engineering staff of the City of Euclid. Here he became acquainted with the functions of the department as well as other departments.

When the Memorial Day Association of Euclid was formed, he became an active member and two years ago chairman of the annual Memorial Day event. A member of the Euclid Democratic Club, he has also participated in numerous civic and welfare projects.

He was employed for some time by F. A. Thomas and Associates, engineers, but recently joined the staff of Neff and Thomas, who are engaged in engineering work in Willowick and on sections of the Ohio Turnpike.

Tony is married to the former Helen Palsa and they reside at 309 East 22nd St., with a daughter Judy, 2, and a son, Jerry, 4.

Income Tax Collecting Holds Human Interest

An income-tax consultant, uncertain as to whether a client's wife was entitled to double exemption for being 65 years old or over, wrote the husband asking for information. After some delay he received this answer: "My wife says she is not 65 and never will be."

A woman appeared in a Minnesota tax office with a return on which there was a deduction of \$500 for bad debts. When that item was questioned, she replied haughtily.

ily that they were her own bills she owed to people about town, and that she knew they were worthless because she had not paid any of them in the last two years and did not intend to pay any of them.

A tip on tactfulness is this story about the late Alexander Woolcott: After a Town Hall meeting in a midwestern city, a woman went up to speak to the famed humorist. The woman's grandchildren were grown and she freely admitted to having passed 70. "I was encouraged to speak to you," she said, "because you said you loved old ladies."

"Yes," replied Woolcott gallantly. "I do. But I also like them your age."

He Never Reads the Ads

He can't afford to own a television set... an automobile... or any of the other wonderful products that make life pleasant. Evidently he's one of the few people who don't want them enough to work to get them. So he doesn't take the risk of reading advertising.

The logic of advertising's value isn't hard to understand. Mass production does two things: it creates useful products at popular prices and provides high wages so people can afford to buy them.

Advertising helps sell the products to people—and that keeps the production lines and the jobs going. Advertising has long since proved that it is the fastest and lowest cost way of carrying the news of products to millions of people overnight, stimulating the desire to buy, supplying the factories with orders. Our hobo friend's income, as well as yours, depends directly or indirectly upon the ability of advertising to move products from assembly lines to users, because consumer desire means consumer demand and that's what keeps America prosperous.

This and That from Washington

By Congressman Frances P. Bolton

GEORGE WASHINGTON. Let us pause a moment for Monday was George Washington's Birthday! In 1732 was born the man whose vision, whose faith, whose fortitude and whose strength of character brought the colonies through a revolution and built them into a nation.

'Oh, yes, there were other stalwarts but except for Washington they would not have had a country to build.

It was his greatness that carried the thirteen colonies through to victory. It was his influence that guided the creation of the system of government which this nation adopted. And in his two terms as President he welded together many varying ideologies and put this nation on the road to greatness which it now travels.

It is very difficult to point to any one event in George Washington's life and say, "This is responsible for his immortality in America." He was not a dramatic speaker. With his rags-and-tatters army, he never won a battle in the sense of having vanquished his foe. As President he was vilified and insulted. Nor did he create any policy which became known as Washington's policy.

But like the simple, beautiful, towering monument that has been raised to him here in Washington, D. C., his character dominated the course of American life through

Comment of American Slovenians on Treaty with Austria

By a SLOVENIAN - AMERICAN American-Slovenians are deeply concerned with the Big Four Party in Berlin. As Americans we are deeply concerned with the future of our country that depends also on the renewal of Freedom in the countries behind the iron curtain, where President Roosevelt's promise to establish the traditional four democratic liberties including the freedom from fear did not come true. Communist criminals no matter whether they bear names like Stalin, Malenkov, Vishinsky, or Tito brought conditions in these countries back to ancient barbarism.

The United States and the entire Free World assumed a great responsibility by signing the Treaty of Yalta, that delivered freedom-loving peoples to the most ruthless tyranny in the history of mankind. Believing in democracy in political life, we ask all the American officials to recall the words of free American labor spoken by George Meany, President of the AFL, at the Convention of the International Confederation of Free Trade Unions in Stockholm, Sweden, July 4, 1953:

"When subjected to scientific analysis, Communism is exposed as not a new idea but a throwback to ancient barbarism."

It professes a people's revolution, but in every case it has established an oligarchy which rules the people by force and by terror."

It promises liberation, but it delivers humanity into the bonds of complete slavery."

lies, as it is in the case of Tito. In that decisive hour of history it is the duty of the United States and all the governments of the Free World to prevent any refusal of asylum as it did happen in 1945, when the Allied Armed Forces in Europe sent people to their death under the slogan of repatriation.

MALE NURSES. After several efforts to meet the desires of the Army, Navy and Air Force, I introduced a new male nurse bill this week. It would make possible the commissioning of qualified men in a nurse reserve corps of all three branches, instead of in the Army alone as my previous bill proposed. My latest reports from the Defense Department indicated that its report to the House Armed Services Committee will be favorable.

POSTAL RATES:

In line with President Eisenhower's recommendations for putting the Post Office Department more nearly on a paying basis, the House Post Office Committee approved a bill to increase rates, most of them to take effect next January 1st. The bill would:

1) Provide for a four-cent stamp on non-local first class mail—on the first ounce only.

2) Raise the cost of air mail to seven cents an ounce.

3) Increase by 30% the rates for out-of-county newspapers with large advertising content, over a three-year period.

4) Raise third class rates for circulars, medicines, merchandise and other similar mailings.

5) Raise the minimum charge for publications of some non-profit organizations (except religious ones) which are sent outside the country.

3. The Austrian government has to guarantee the right of political asylum to refugees who escaped or will escape from Communist tyrannies.

We demand that guarantee, because in the very recent time the Austrian Socialist Party, which became very friendly toward Titoism, in its press frequently attacked refugees from Yugoslavia demanding their forced repatriation. Similarly different Austrian politicians, not mentioning the Communists only, promised in their speeches to the public to get rid of refugees as soon as the Armed Forces of the Western Allies would be withdrawn. Since the UN made no satisfactory provision for emigration of refugees, it is quite clear that the Austrians had a forced repatriation in their mind. There is also the danger that the Communist neighbors would demand a forced repatriation or that Austria would agree to it to achieve economic relations with the countries under the Communist tyranny.

We ask all our readers as well as Slovenian societies and fraternal organizations in the United States to make known our demands regarding the Treaty with Austria to our Senators and Congressmen.

The next period of literary activity, Fran S. Finžgar devoted to study and to writing of shorter stories. Among them were the most important the autobiographical description of his youth "Student naj bo", (He Shall be a Student), the short beautiful description of a hunting "Na petelinu" (The Hunt of the Rooster), and a short story "Sama" (Alone), devoted to a lonely teacher in the mountains. At present, the author is living in the city of Ljubljana being the greatest living Slovenian

Finžgar became an outstanding Slovenian writer. His plays belong to the best Slovenian popular dramatic works, altho the writer reached his climax in the realistic novel. At present, the author is living in the city of Ljubljana being the greatest living Slovenian

Finžgar's dramatic creations became the most popular Slovenian plays, altho they lack the artistic value of his novels. Beside "Divjice", he wrote before World
