

IRA teroristi ubili 3 policiste; roka katoličana odrezana

BELFAST, S. Ir. — V zadnjih tednih se je zopet razplamtel terorizem v tej pokrajini, v kateri so aktivni tako protestantovski kot katoliški skrajneži.

Preteklo sredo so IRA teroristi eksplodirali bomba pod vozilom, v katerem so bili 3 policisti. Bomba je bila ena največjih v vsej zgodovini državljanske vojne v Severni Irski. Vozilo je bomba dobesedno zmečkala, policisti v njem pa so bili takoj mrtvi, eksplozija je pustila luknjo na cesti, široko 60 in globoko 40 čevljev. Eksplozijo so slišale osebe, ki so bile 5 milj oddaljene od nje.

Preiskovalci menijo, da so morali IRA teroristi uporabiti kar 1000 funtov razstreliva v bombi.

V drugem primeru terorizma sta pa dva neznana moška vdrla v stanovanje 34 let starega katoličana Williama Kellyja, ga privezala na stol-potem pa počasi odžagala njegovo desno roko. Ko sta terorista končala s svojim delom, sta odšla.

Kelly je komaj prišel do stanovanja svoje sestre, ki biva zelo blizu. Policisti so ga pripeljali skupaj z odrezano roko v bolnišnico, kjer so jo zdravniki skušali prišiti. Ako je operacija uspela, še ni znano.

Pred leti sta padla kot žrtvi terorizma Kellyjev brat in sestra. Nobena organizacija ni prevzela odgovornosti za napad na Kellyja.

Poljski voditelji spet govorijo o izboljššanju gospodarskih razmer

VARŠAVA, Polj. — Ta teden je bilo zasedanje 200-članskega centralnega komiteja poljske komunistične partije. Sekretar tega komiteja, Manfred Gorywoda, je v izjavi za uradno poljsko tiskovno agencijo PAP dejal, da je bilo v industrijski panogi v avgustu in septembru izboljšanje proizvodnje in tudi storilnosti delavcev. Prvič v zadnjih 25 mesecih so za beležili napredek, je pripomnil Gorywoda, ki je eden glavnih gospodarskih svetovalec gen. Wojciecha Jaruzelskega.

Na zasedanju so člani centralnega komiteja podprli resolucijo, ki je obljubila, da bo več sredstev namenjenih izboljšanju življenjskega standarda in državi, da bo odpravljeno pomanjkanje hrane in drugih potrebščin ter bo zgrajenih več stanovanj.

Govorniki so dejali, da nosijo odgovornost za sedanje neugodne politične in gospodarske razmere v državi organizacija Solidarnost, prejšnji voditelj države, zadnje čase pa še sovražna politika Reaganove administracije na pram Poljski.

Gorywoda je rekel, da so se težave kopičile mnoga leta in da zato jih ni mogoče premagati kar čez noč. Prizadevanja bodo trajala daljši čas, poleg vseh drugih slabosti močno vpliva na Poljsko tudi splošni svetovni gospodarski zastoj.

Vedno več primerov zastrupitve s pilulami v Združenih državah

CHICAGO, Ill. — V septembru je v Chicagu in okolici umrlo 7 oseb na posledicah zastrupitve s cianidom. Nekdo je namreč nadomestil zdravilo v pilulah Tylenol s tem strupom, potem pa pustil stekleničke s pokvarjenimi pilulami na policah v čičaških trgovinah. Ko so nič hudega sluteče stranke Tylenol stekleničke kupile in jemale pokvarjene pilule, so umrle.

Preiskava še ni ugotovila identitete osebe, odgovorne za zastrupitve. Kar zaskrbljuje preiskovalce, je, da so se pojavili posnemovalci, ki so že v raznih krajih ZDA nadomestili zdravilo v stekleničkah z raznimi strupi.

Najhujši primer je v Denverju, Colorado, kjer je 34 let stari William Sinkovic je resnem stanju po sicer srečno prestani operaciji na želodcu. Sinkovic je namreč jemal tablete Extra-Strength Excedrin, zdravilo, ki je v prosti prodaji po ZDA, a je bil nekdo nadomestil zdravilo v piluli z živosrebrnim kloridom.

Sinkovic, ki je menda slovenskega rodu, je moral takoj v bolnišnico, kjer je bil nekaj časa v kritičnem stanju. Poleg operacije na želodcu je prejel več transfuzij krvi.

V Lorainu, Ohio, je tudi 28-letnemu Thomasu Wilsonu postalo slabo potem, ko je zaužil tableto Extra-Strength Excedrin. Zdravniki so ugotovili, da je bil v piluli strup, a ne v nevtrni količini. Wilson ni imel trajnih posledic, preiskovalci pa še niso ugotovili, ali gre za posamezen primer, maščevanje ali kaj drugega.

Zdravstvene organizacije in predstavniki oblasti v mnogih mestih ZDA pozivajo starše, naj ne dovolijo letos, da gredo njihovi otroci od hiše do hiše za "halloween".

Vladna zamenjava na vrhu Zahodne Nemčije

III.

Kanceler Schmidt je prepričan, da je v času svojega vladanja opravil dobro delo in je dal v poslovinem govoru v parlamentu vedeti, da si take odslovitve ni zaslužil. In njegov naslednik?

Nič posebno navdušujočega niso zapisali vplivni ustvarjalci javnega mnenja o njem, zlasti ker se je povzpela na vrh države ne toliko po lastni zaslugi kot po zaslugi liberalcev, ki so njegovemu predhodniku odvzeli podporo.

Eno pa mu priznavajo: trnasto samozavest in potrpežljivo čakanje pravega trenutka. Znan je po tem, da zna zelo dobro oceniti polo-

žaj, spretno taktizirati in posredovati. Po naravi je nepopoljšljiv optimist.

Star 52 let, se je rodil v družini finančnega uradnika iz Ludwigshafna. Že v študentovskih letih se je opredelil za CDU (Christlich demokratische Union - Krščansko demokratska zveza), v kateri so povezani katoličani in protestanti. Študiral je pravo in zgodovino ter dosegel doktorski naslov.

V času od 1966 do 1973 je bil na čelu CDU v domači deželi Porenje-Pfalz. L. 1972 je postal vodja stranke na zvezni ravni. Leta 1980 na državnozborskih volitvah je želel kandidirati za kancelerja, a se je moral umakniti ba-

BREŽNJEV ZA POSPEŠITEV OBOROŽEVALNE TEKME Z ZDRUŽENIMI DRŽAVAMI

MOSKVA, ZSSR. — Preteklo sredo je sovjetski voditelj Leonid I. Brežnjev govoril na posebnem zborovanju vodilnih vojaških poveljnikov in članov partije, ki so odgovorni za vojaško industrijo ZSSR. Navzočih na tem nenavadnem zborovanju je bilo 500 oseb. Uradna poročevalna agencija Tass je objavila poročilo, v katerem pravi, da je do zborovanja prišlo na pobudo obrambnega ministra in člana vodilnega politbiroja Dimitrija F. Ustinova.

Brežnjev je poudaril v svojem govoru, da mora ZSSR zaradi sovražne in nevarne politike, ki ji napram Sovjetski zvezi sledi vlada Ronalda Reagana, pospešiti svoja prizadevanja za modernizacijo in okrepitev sovjetskih vojaških sil v vsaki panogi. Sovjetska vojska mora biti kos tudi najzahtevnejši možni nevarnosti, je dejal Brežnjev.

ZDA so pod Reaganovim vodstvom začele s politično, ideološko in gospodarsko ofenzivo zoper ZSSR. Naloga najvišjih poveljnikov oboroženih sil ZSSR in odgovornih predstavnikov vojaške industrije je, da je sovjetska vojska res podobna v vsakem oziru, pripravljena za vsak slučaj, je nadaljeval 75-letni generalni sekretar sovjetske komunistične partije.

Opazovalci sovjetskih političnih razmer menijo, da je sovjetsko politično in vojaško vodstvo resno zaskrbljeno nad neučinkovitostjo vojaške opreme ZSSR v primerjavi z ameriško. Dokaz temu je bil v nedavnem vojskovnanju v Libanonu. Izraelci, ki so bili opremljeni večinoma z ameriškim orožjem, so brez posebnih težav premagali PLO in sirijske enote, opremljene s sovjetskimi orožjem. Posebno neprijetno za Sovjete je bilo v zvezi z izraelskim uspehom zoper protiletalske rakete, ki so jih bili Sovjeti poslali Siriji, ter zoper najsoodnejše tanke T-72, ki jih celo vse sovjetske enote še nimajo.

Izraelci so dokazali, da ameriško orožje, sicer od Izraelcev samih izpopolnjeno, lahko kljubuje tudi najsodobnej-

šim sovjetskim vojaškim izdelkom. Na Zahodu je sicer znano, da zaostajajo Sovjeti v tehnologiji, posebno v elektroniki, ki igra vedno večjo vlogo v današnjih vojskah.

Zborovanja se je udeležilo poleg Brežnjeva 5 članov vodilnega politbiroja. Med njimi pa ni bil 76-letni Andrej Kirilenko, ki je bil do nedavnega smatran za možnega naslednika Brežnjeva. Kirilenko je bil tudi član politbiroja, neposredno odgovoren za vojaško industrijo ZSSR. Neuradno pravijo dobro poučeni Sovjeti, da je Kirilenko resno bolan.

Blizu Brežnjeva sta sedela bivši načelnik tajne policije, 68-letni Jurij V. Andropov, ki je menda druga osebnost v partijskem vodstvu, ter Konstantin U. Černjenko, ki je osební prijatelj Brežnjeva, baje pa nima veliko podpore v najvišjih partijskih krogih, posebno ne v vojaških in policijskih. Mnogi analitiki namreč trdijo, da je Brežnjev osebno izbral Černjenka za svojega naslednika.

Navzoča sta bila tudi zunanji minister Andrej A. Gromiko in predsednik vlade Nikolaj A. Tihonov.

Med drugim je Brežnjev izrazil podporo za izboljšanje odnosov s Kitajsko ter zahteval, da bi v prihodnjih letih Sovjetska zveza ne bila več odvisna od uvoza ameriških žitaric.

Zadnje vesti

• Madrid, Sp. — Na včerajšnjih parlamentarnih volitvah so zmagali socialisti. Prvič v zgodovini Španije je neka politična stranka dobila absolutno večino v parlamentu. Socialisti so izvolili 194 poslancev v parlamentu, ki ima skupno 350 sedežev. Najmočnejša desničarsko usmerjena stranka je dobila 97 poslancev. Komunisti so prejeli le 3,8 odstotka vseh oddanih glasov. Novi premier španske vlade bo torej 40-letni socialistični prvak Felipe Gonzalez. Opazovalci španskih političnih razmer menijo, da je sedaj precej nevarnosti, da bo vojska izvedla državni udar.

kritična do Moskve in bolj naklonjena politiki ZDA. Saj vzrok od vladne krize ni bila Schmidtova zunanja politika, ampak razhajanje z liberalci, ki so si želeli več svobode odločanja v sami vladi.

Mnoge programske točke Schmidtove skupine bodo ostale. Razlika bo le v tem, da se jih bo Kohl lotil drugače kot bi to storil Schmidt. Gospodarsko najmočnejša država na stari celini si gotovo ne more privoščiti spodrsrljaja, da bi postavila na glavo vse, kar je bilo v 13 letih socialdemokratskega vladanja uvedeno, uzakonjeno in izpeljano.

Pred štiridesetimi leti

(Dvajseto nadaljevanje)

V drugi polovici maja 1941 sta profesor Ehrlich in dr. Natlačen nadaljevala razgovore, ki sta jih začela 5. maja. Bivši ban in predsednik Narodnega sveta za Slovenijo je ob tej priliki profesorju Ehrlichu sporočil, da so njegovi politični sodelavci odklonili profesorjev nasvet, naj bi se podtalno obnovila slovenska "vrhovna oblast", ki jo je 10. aprila proglasil Narodni svet za Slovenijo. Ponovili so isti razlog, kot ga je že v prvem razgovoru naznačil dr. Natlačen — da namreč Ehrlichov predlog praktično ne bi bil izvedljiv. Temu pa so dodali še en načelni ugovor — da bi podtalna obnovitev vrhovne slovenske oblasti pomenila zanikanje "kontinuitete" predvojne Jugoslavije.

Novi ugovor so takole utemeljevali: Čeprav je z begom beograjske vlade in s sledečo sovražno zasedbo in političnim razkosanjem Jugoslavije njena državna oblast na domačem ozemlju dejansko prenehala, še vedno obstoja njena vlada, ki je nekje "pri zaveznikih". Ta vlada se bo "gotovo" prej ali slej javila, se "mednarodno uveljavila" in s tem ohranila kontinuiteto predvojne Jugoslavije. S tega vidika bi se podtalna obnovitev slovenske "vlade" v zasedeni Sloveniji — če bi bila izvedljiva in vzdržljiva — mogla tolmačiti kot, da je naperjena proti kontinuiteti Jugoslavije. S tem pa bi izpostavili slovensko bodočnost po zavezniški zmagi nevarni zunanjepolitični negotovosti, ker nimamo zavezniških jamstev za priznanje Združene Slovenije.

Nato je dr. Natlačen v dveh točkah povzel tedanje stališče slovenskih političnih predstavnikov iz prvotnega Narodnega sveta: Naslanjamo se na obstoječo jugoslovansko vladu ("pri zaveznikih"), v kateri je Slovenija zastopana po dveh ministrih (Miha Krek in Franc Snoj), ki imata že izpred vojne domača navodila glede slovenskega narodno-političnega cilja Združene Slovenije (s Koroško in Primorsko) v "zvezni" Jugoslaviji. Čim bo močnejša, "bomo" s slovenskima zastopnikoma v begunski vladi vpostavili in vzdrževali redne stike in tako z domovinske strani sodelovali pri uveljavljanju tega slovenskega osvobodilnega cilja prek od zaveznikov priznane jugoslovanske vlade.

Naša posebno domača skrb pa bo, da spriču nacističnega uničevanja na Stajerskem in Gorenškem obvarujemo in utrdimo priznani slovenski značaj "Ljubljanske pokrajine" in njeno azilsko vlogo za slovenske begunce. Tako bomo obenem ustvarili tudi potrebno bazo za organiziran osvobodilni odpor — kadar bi bil potreben in možen v zvezi z zavezniškim vdorom v Evropo — ter za povojno obnovo osvobodjene Slovenije. V zvezi s to točko je dr. Natlačen profesorju Ehrlichu povedal, da bo v kratkem imenovan slovenski Sosvet ("Konzulta"), ki ga "predvideva ustanovna listina avtonomne Ljubljanske pokrajine z dne 3. maja. Zaupal mu je, da bosta poleg nepolitičnih predstavnikov slovenskega življenja v Sosvet imenovana tudi on sam in bivši minister Ivan Pucelj, ki sta bila vodilna člana Narodnega sveta za Slovenijo.

Profesorja Ehrlicha ta odgovor na njegov predlog za podtalno obnovitev suverena slovenskega vodstva v domovini ni toliko presenetil kot ga je razočaral. Odklonitev je slutil že na podlagi Natlačenovih pripomb ob priliki njunega prvega razgovora dne 5. maja. Razočarala ga je utemeljitev odklonilnega stališča, ki se mu je zdela izmikajoča in kratkovidna. Profesor Ehrlich je dr. Natlačena spoštoval kot vodilnega slovenskega političnega predstavnika po zapovrstni smrti dr. Korošca in dr. Kulovca ter ga globoko cenil kot plemenitega, pa tudi odločnega moža. Zato ga je bolelo, da se je dr. Natlačen tako popolnoma odločil za spremenjeno stališče članov bivšega Narodnega sveta, da je celo on sam — ki je bil predsednik Narodnega sveta in s tem vodilni predstavnik suverene slovenske oblasti — bil pripravljen politično se žrtvovati in sprejeti članstvo v napovedanem Sosvetu za Ljubljansko pokrajino.

Najprej je profesor Ehrlich dr. Natlačenu izrazil svoje pomisleke glede zatrevanje "kontinuitete" predvojne Jugoslavije in trditve, da bi jo izvedba Ehrlichovega predloga zanižala. Brezglavi beg Simovičeve vlade je povzročil razsulo jugoslovanske oblasti. Poleg tega je ta vlada nastala z nasilnim oficirskim pučem v Beogradu in nikjer drugje. Iz te, do pučistov postavljene vlade je že 7. aprila izstopil dr. Vladko Maček, demokratični predstavnik Hrvatov, ki se je iz Učice vrnil v Zagreb, kjer je bil priča nastanka samostojne hrvaške države. Že dan poprej, ob prvem nemškem bombardiranju Beograda dne 6. aprila zjutraj, je bil ubit dr. Franc Kulovec, izvoljeni naslednik dr. Antona Korošca in vodilni slovenski predstavnik v Simovi-

Beseda iz naroda...

Župniku IGNACIJU ŠKODA v SPOMIN

LAKE PANASOFFKEE, Fla.—Blejski župnik Ignacij Škoda je bil rojen 1. febr. 1909 v Čatežu pod Zaplazom. V petek, 17. sept. 1982, je ob obisku domače hiše po večerji nenadoma zapustil to solzno dolino in stopil pred Večnega Sodnika. Za pogreb v Čatežu 20. sept. se je ob dveh škofih zbralo veliko duhovnikov in vernikov, tudi zastopnikov iz Bleda in Smartna v Tuhinju.

Rajni g.Škoda je letos 3. julija obhajal zlato mašo. Po novi maši, ko se je odslužil vojaški rok v Nišu, je bil nastavljen za kaplana v fari Škofljan pri Novem mestu; po nekaj letih je istotam postal župnik. V sosednji fari St. Jernej so komunisti junija 1942 umorili kaplana Kastelica, po vojni pa ustrelili župnika Cerkovnika. Tudi župnik Škoda je bil obdolžen protinarnodnosti in izdajstva. Zato je moral v ječo.

Po osmih letih trpljenja v ječi bi moral biti izpuščen. A so mu naložili še dve leti komunistične "svobode" v ječi. Zakaj? Sam mi je pripovedoval tole: Nekdo je vpričil njegova lagala, da je papež Pilj XII blagoslovil orožje Italijanom. Škoda je odločno rekel: To je laž. Ker komunist ne prenese opozicije, je moral za korajžno obrambo papeža Škoda trpeti še dve leti. Tako je prebil v slovenskih katakombah celih DESET LET.

Kaj bi se zgodilo s Škodom, ako bi v ječi pripovedoval, da je TITO že 17. novembra 1942 in spet 11. marca 1943 in kasneje v tajnih razgovorih z nemškimi generali iskal premirja s Hitlerjem, da bi lažje uničil nasprotnike? (Glej več v knjigi ameriškega zgodovinarja ROBERTSA in knjige komunistov DJILASA in Titovega življenjskega DE-DIJERJA.) Če bi Škoda kaj takega govoril v ječi, ne bi dobil le dve leti, ampak verjetno bi bil ustreljen kot hujšak in lažnivec.

čevi vladi. Po sili razmer je na izpraznjeno Kulovčevo mesto v begunski vladi stopil dr. Miha Krek in si v Učici izbral Franca Snoja za drugega slovenskega ministra. Kontinuiteta predvojne Jugoslavije je bila vprašljiva že pred odletom begunske vlade v tujino.

V tej negotovosti se je v Ljubljani že 6. aprila ustanovil Narodni svet za Slovenijo. Dne 10. aprila je le-ta privzel nase tudi "izvrševanje vrhovne oblasti" in "skrb za nadaljnjo usodo slovenskega naroda". Če kontinuitete ni več bilo 10. aprila, ko je Simovičeva vlada še begala po ozemlju Jugoslavije, kako se je moglo nanjo sklicevati sedaj, ko o begunski vladi niti ne vemo, kje se nahaja in kaka bo njena politična usoda?

Po mnenju profesorja Ehrlicha je bilo brezpombno cepiti dlako o taki ali drugačni teoriji "kontinuitete". Praktično je šlo za vprašanje, ali se bo razpadla Jugoslavija po vojni mogla obnoviti. V tem pa smo si edini, da bo za to potrebno spoznavno preurediti odnose med narodi predvojne Jugoslavije, kot so se začeli preurejati s hrvaškim Sporazumom 26. avgusta 1939. Začetno preurejanje je nasilno prekinil beograjski puč dne 27. marca 1941. To nasilno predvojno stanje se po vojni ne sme obnoviti. Tako "kontinuiteto" moramo takoj odkloniti. Tudi v tej zvezi je potrebna podtalna reafirmacija že pred sovražno zasedbo proglašene slovenske oblasti kot pogodbenika za sporazumno preureditev bodočih odnosov med enakopravnimi narodi Jugoslavije. Ko bomo vedeli, kaj in kje in kako je z begunsko vlado, bomo z njo od doma navezali stike na tej narodno-politični osnovi.

Toda pglavitni namen podtalno obnovljenega narodnega vodstva v zasedeni in razkosani Sloveniji je v smislu Ehrlichovega predloga bil v tem, da okrog sebe doma čimprej miselno in čustveno poveže vse Slovence za jasen slovenski osvobodilni cilj. Za dosego te najbolj nujne naloge ne moremo čakati, kdaj, kako in s čim se bo od neke v oddaljeni tujini oglašila šibka begunska vlada (brez dr. Mačeka in dr. Kulovca), če bo prebredla svoje lastne težave, če bo razumela nedeživete razmere na zasedenem in razkosanem ozemlju predvojne Jugoslavije in če bodo vojni interesi zaveznikov njej — in slovenskima ministroma v njej — dovolili potrebno svobodo delovanja. Tako "čakanje" bi po mnenju profesorja Ehrlicha bilo podvrženo tolikim neznankam, da se nanj razumsko ne bi mogli zanašati.

Med tem čakanjem bi mogli zamuditi domači slovenski "trenutek". Razkosano slovensko ljudstvo — na eni strani izpostavljeno gotovemu nacističnemu uničevanju, na drugi pa

fanta, ki je na kolkah imel rane do živega mesa, ves kost in koža... Pa poniževanja in zaničevanja: "Jaz bi vso to farško bando zvezal in v vodo pometal." "Bili smo dan na dan pod biči valptov, največji sužnji 20. stoletja."

Življenje župnika Škoda je na zemlji zaključeno. Kot stotisoči drugih, je tudi on okušal "zlato svobodo" komunizma. Naj razni propagandisti — med njimi konzuli — govorijo karkoli hočejo, duh komunizma je v Sloveniji danes isti kot je bil v letih, ko je bil Škoda zaprt. Bivši visoki funkcionar tajne policije Mitja Ribičič je izjavil, da se jugoslovanske oblasti nimajo od svoje preteklosti prav ničesar sramovati. A še danes ne sme nihče govoriti, kaj se le pisati, o trpljenju po ječah in taboriščih Slovenije. Saj še javnih molitev za mrtve, katerih trupla so pokopana v Kočevskem Rogu in drugod, ne sme nihče objaviti. KOMUNISTI SE BOJE RESNICE!

Pred sto leti je ruski pisatelj Dostojevski zapisal: Prihaja čas, ko bo hudčič zasedel moje Rusijo. A prisel bo tudi čas, ko bodo vsi hudčiči morali zapustiti Rusijo in takrat bo moj ljubi ruski narod padel na kolena pred KRISTUSOM.

Kdaj bodo satani zapustili slovensko zemljo pod Triglavom, ve le Bog. A prepričani smemo biti, da potoki nedolžne prelite krvi in ogromno trpljenje stotisočev ne bo ostalo brez sadov. Naj Bog da svoj mir in veselje rajnemu župniku ŠKODI in vsem nedolžno pomorjenim rojakom; vsem komunistom, ki taje Boga in hudčiča; pa zdravo pamet, ki naj jih vodi do spoznanja BOGA — vsemogočnega STVARNIKA vesolja.

Župnijsko cerkev sv. Kozma in Damjana obsežno popravljajo

CLEVELAND, O. — Podpisani sem bil obiskal letos svoj rojstni kraj Vel. Lese iz fare Krka na Dolenjskem. Med obiskom sem videl, kako obnavljajo župnijsko cerkev na Krki. Ta cerkev je ze-

lo stara romarska pot, znana širom Slovenije. Posvečena je sv. Kozmu in Damjanu.

Da bi se ohranila ta zgodovinsko in versko pomembna cerkev, je bila potrebna nujna in obsežna obnova. Župnik Franc Povirk se je lotil tega velikega in prepotrebne dela. Z obnovo notranjstvene cerkve so končali že lansko leto. Načrt za letošnji je bila nova streha. Nova streha je pa povezana z velikimi stroški, ker rabijo med drugim precej bakra, ki je zelo drag.

Farani so že veliko prispevali za obnovo cerkve, vendar vsega ne zmorejo. Zelo bi bili hvaležni za vsak najmanjši dar. Lepo bi bilo, če

Slomškovi dnevi v Rimu; slovenska beseda v Papeževi kapeli

RIM, It., 25. septembra. — S slovenskim somiševanjem na grobu sv. Cirila — vodilga je tajnik Škofovske sinode nadškof Slovak Tomo — se je ravno na 120-letnico Slomškove smrti zaključil znanstveni simpozij o njegovem življenju in delu. Simpozij si je zamislila Slovenska bogoslovna akademija, ki je bila pred časom ustanovljena in ima svoj sedež v papeškem slovenskem rimskem zavodu Sloveniku. To akademijo v glavnem sestavljajo slovenski duhovniki-profesorji na raznih rimskih univerzah. Slovenik pa je tisti, ki je ob simpoziju gostoljubno sprejel okrog 35 duhovnikov, redovnikov, redovnic in laikov, ki so tako ali drugače povezani s študijem našega slovenskega svetniškega kandidata škofa Antona Martina Slomška. Simpozij je trajal pet dni, od ponedeljka, 20., pa do petka, 25. septembra. Predavanja kakor tudi debate so bile na akademski ravni.

Vrhunec simpozija je bilo srečanje s sv. očetom v Castelgandolfu na dan, ko se je bil ta vrnil iz tega svojega političnega bivališča v Rim. V sredo, 22. septembra, je 16 slovenskih duhovnikov, na čelu s škofom Krambergerjem, s papežem in njegovima tajnikoma maševalo v pape-

bi se oglašili bralci teh vrstic, ki poznajo to znamenito romarsko cerkev na Krki, cerkev sv. Kozma in Damjana. Predvsem pa so moje skromne vrstice namenjene bivšim faranom krške župnije.

Tisti, ki bi radi kaj prispevali, naj pošljejo svoje darove naravnost na župnika Povirka na naslov:

ževi zasebni kapeli. Te svete maše so se udeležili tudi vsi drugi udeleženci simpozija, tako da je bila to jutro papeževa kapela čisto slovenska. Maša je bila sicer latinška, berilo pa slovensko. Slovenska je bila tudi ubrana večglasna pesem, ki je iz delavniške maše napravila praviško. Berilo je prebral prof. dr. Valentin Inzko, evangelij, enako v slovensčini, pa dekan slovenske teološke fakultete prof. dr. Perko. Gotovo je bilo prvič v zgodovini, da je med židovi papeževa zasebna kapele odmevala slovenska pesem.

Sv. oče se je po maši pomudil še okrog 20 minut v pogovoru s slovensko skupino v salonu poleg kapele. Ob vstopu sv. očeta vanjo ga je bila spet pozdravila naša pesem; po njej pa je sv. oče v latinščini nagovoril mariborski škof Kramberger, ki je danes gotovo eden izmed najboljših Slomškovih poznavalcev in današnji njegov naslednik na mariborskem škofiškem sedežu; o škofu Slomšku je bil tudi napisal svojo doktorsko disertacijo mimo tega pa je bil več let vicepostulator za Slomškovo beatifikacijo.

Po pozdravnem nagovoru škofa Krambergerja — "Družini" dne 3. okt. je ta celoti objavljen — se je sv. oče ustavil pri vsakem izmed udeležencev, izmenjal z njimi nekaj besed, ob stisku roke pa je udeležencem ostal v njih rožni venec kot drag spomin na to srečanje s sv. očetom. Ko pa se je bila z očetom oglašila še pesem "Mogočno se dvigni", se je sv. oče od vseh poslovil v vzklikom: "Kristus kraljuji!" in tem pokazal, da ni pretiraval, ko je bil v svojem pogovoru omenil, da je bil razumljiv pesmi, ki jih je poslušal med sv. mašo. In še tole: To ne pričakovano in v resnici redno srečanje pa sv. oče ni ovrnilo, da ne bi pri istem dnevnem popoldanskem splošni aydieni še enkrat v slovensčini pozdravil slovenske skupine. Tudi ta papežev nagovor je v celoti objavljen v citirani številki Dru-

žine. K sprednjemu naj za konec dodam, da so udeleženci simpozija sprejeli tudi vrsto sklepov in priporočil. Vsem pa so bili sklenili, da bodo po svojih močeh posredovali slovenski javnosti različno Slomškovo duhovniško dediščino. Slomšek naj bi postal simbol vseh prenovitvenih gibanj v Cerkvi na Slovenskem in naj še naprej vdihuje bogatitev krščanske kulture.

Opomba: o rimskih simpozijih slovenskih Slomškovih dneh je ljubljanski "Dnevnik" z dne 3. t.m. prinesel pod skupnim naslovom "Slomškovi dnevi v Rimu" (Dolge na str. 3)

Pripis uredništva: Kako primerno naključje je, da prav ta odlomek dr. Žebotovih spominov o Ehrlichovem predlogu za podtalno obnovitev slovenske narodne oblasti leta 1941 sovpada z dnevom obletnice ustanovitve prve slovenske narodne vlade dne 29. oktobra 1918.

V spomin na ljubljeno ženo Mary E. Trebec

CLEVELAND, O. — Poleg objave o moji ženi v Ameriški Domovini 20. julija 1982 in Zahvali, objavljeni 8. oktobra 1982, bi rad navedel nekaj več podatkov o njenih aktivnostih v letih, ko je bivala v novi domovini — Ameriki.

Mary je prišla iz domovine, iz Lipice pri Sežani, dne 18. avgusta 1921 in sicer k teti Mary v Middlebranch, Ohio. Bila je v službi v Cantonu, Ohio, do 1. 1925. Poročila sva se 25. aprila 1925 v

Clevelandu, Ohio. Leta 1975 sva praznovala zlato poroko, imela sva skupnega zakonkega življenja nad 57 let.

Prejšnji objavi sta navedli imena vseh bratskih organizacij, katerim je pripadala.

Bila je tudi delničarka Slovenskega društvenega doma na Recher Ave. v Euclidu, kjer je vedno rada pomagala pri domovih prireditvah, prav tako pri koncertih naše mladine.

Bila je vesele narave in se je rada udeleževala vseh kulturnih prireditev v naših slovenskih narodnih domovih. Pred leti je bila zelo aktivna pri mladinskem zboru 'Slavč-

ki'. Pri tem zboru je pela hčerka Dorothy. Pozneje, kot stara mati vnuku Josephu, ki je bil član mladinskega pevkega zbora kr. 2, je veliko pomagala pri prireditvah tega zbora.

Po otvoritvi Slovenskega doma za ostarele na Neff Rd. je redno obiskavala prijateljice, ki so stanovale v tej ustanovi. Obiskavala jih je tudi v bolnišnicah. Bila je skrbna gospodinja. Poleg rednega dela v trgovini in na domu, je še posebno rada vrtnarila in gojila razne vrste cvetlic.

Tistim, ki so potrebovali pomoč, je bila vedno radodarna, s pripombo, dokler mi je možno, Vam pomagam po svoji možnosti. Poslala je nešteto paketov in gotovine sorodnikom v domovini, isto dobroteljni ustanovi v Clevelandu.

Končno, bila je v življenju prijazna z vsemi. V dokaz temu je bila poslovitev od nje številnih prijateljev in prijateljic, tako v Grdinovem pogrebem zavodu kot na pokopališču.

Zaujoči soprog in družina hčerke Dorothy.

Joseph Trebec

(G. Trebec je naroden na Ameriško Domovino nad 60 let. Med starejšimi naseljenici in njihovimi potomci je zelo spoštovan kot pošteni in kot narodno zaveden Slovenec. Pri Ameriški Domovini mu želimo še mnogo let in upamo, da ga bomo videli na mnogih prireditvah in na letnih sejah Slovenskega doma za ostarele. Ur.)

Dear Editor:

Crime is a serious problem that affects all of us. Did you know that elderly people in our community are being killed during robberies in their own homes? We can stop this senseless murder by electing people who have a proven voting record of being tough on crime. Senator Skall is one of us. He supported and voted for the death penalty, along with many other tough anti-crime bills. His opponent voted against the death penalty and against making it a crime to conspire to deal in marijuana. We can help stop crime by returning Ben Skall to the Ohio Senate. We need someone to fight for US and not the criminal. I appeal particularly to my Slovenian friends in Euclid and the northeastern Cleveland area to vote to return Senator Ben Skall.

Sincerely,

November 6
Symposium Cancelled

The League of Slovenian Americans, Inc. has decided that because of insufficient response it will be necessary to cancel the special Symposium that was to be held on Nov. 6 at Cleveland State University. The League informed the co-sponsoring Slovenian-American Heritage Foundation of its decision and the SAHF concurred. Both organizations hope to reschedule the Symposium at a later date.

Dr. John Nielsen of New York, the driving force behind the endeavor, deeply regrets that it was not possible to go forward with the project at this time.

Einsiedeln, švicarsko romarsko središče,
slovensko zdmsko 'brezjansko' romarsko središče

CLEVELAND, O. — Zadnjo septembrsko nedeljo so se zbrale v Einsiedeln, slovensko švicarskem romarskem središču, skupine slovenskih zdmocev iz zapadne Evrope: Švice, Nemčije, Avstrije in iz drugih zahodnoevropskih držav. Letos je bilo to že štirinajstič. Okrog tisoč se jih je zbralo v tem veličastnem svetišču. Mašno opravilo jim je opravil z osmimi somaševalci ljubljanski pomožni škof dr. Stanislav Lenič.

Slovenski rojaki v Švici so razkropljeni takorekoč širom po vsej Švici. Tisti, ki so verjeli, dobro vedo za svoja nedeljska zbirališča in za urad

Slovenske katoliške misije v Zuerichu. V njem v dopoldanskem času uraduje redovna sestra Avrelja, doma iz Slovenske krajine. Njeno glavno delo je glasbena vzgoja slovenskih otrok. Duhovno pa oskrbuje slovenske verne ljudi v Švici dva kapucinska patra: p. Fidelis Kraner in p. Domjan Frlan. Oče Fidelis, je v Švici že od l. 1963, ko je bila tam na prvo nedeljo v septembru ustanovljena Katoliška misija za naše ljudi v Švici. V tistem času je prihajalo v Švico vedno več Slovencev in je zato p. Fidelis l. 1972 prišel na pomoč sobrat p. Angel Kralj, katerega pa je pred dvema letoma zamenjal p. Damjan Frlan. Vzhodni del Švice dušnopastirsko oskrbuje p. Fidelis. Njegov pastoralni urad je v Zuerichu blizu kapucinskega samostana. V Zuerichu je zato tudi središče, ker je v njem in njegovi okolici največ Slovencev. V Zuerichu je zato tudi vsako nedeljo popoldne ob štirih za Slovence sv. maša v spodnjih prostorih cerkve Dobrega Pastirja (Gut Hirt). Od časa do časa imata oba slovenska kapucina maše na 16 krajih Švice.

Potrebujem vašo podporo in glas

Slovensko romanje v Einsiedeln je enkrat na leto, vendar to ni edino. Slovenska katoliška misija v Zuerichu prireja med letom tudi romanja v Rim, Sveto deželo, v domovino in v druge evropske kraje. Ko so pred leti švicarski Slovenci poromali v Rim, jih je na trgu sv. Petra sv. oče v slovenščini takole nagovoril: "Prisrčno pozdravljam skupino Slovencev, ki prihajajo iz Švice. Če so vas, dragi romarji, razmere zanesle v tujino, glejte, da boste ostali zvesti verskim in kulturnim izročilom, ki vam jih je nudila domovina. Apostolski blagoslov vam in vašim dragim. Naj vas ta blagoslov vedno spremlja na zemeljski poti!"

Eddie Bucar's Big Day Is Sunday

Over 20 cross-section Croatian organizations are sponsoring this Sunday's sold-out testimonial banquet for radio announcer Eddie Bucar of Willowick.

For 15 years Eddie has hosted the Croatian Radio Program on WELW, Sunday mornings from 9 until 10 a.m. a program he began on an invitation from radio veteran Kenny Bass who was doing a polka show on the station at the time. Eddie eventually succeeded Bass as the popular host of the Sunday morning polkas from 10 a.m. until noon and then added a daily one hour show in the drive time slot. His sons Denny and Dale help to host the daily programs on an alternating basis. Today these are the only daily ethnic type radio programs in the greater Cleveland area in addition to the ones we do from the Polka Village.

Bucar was born and raised in the St. Clair - E. 62nd St. area, the son of immigrants, Adam and Teresa. After attending local schools Eddie became a printer by trade and is currently employed at Mailer's Printing at E. 40th and St. Clair Avenue.

Among the hobbies he is most interested in is being a musician-bass player currently with the Joe Luzar polka band. He is proud of the Stradivarius bass viol he uses on the bandstand. He has appeared with about every polka band in town including on a regular basis with the Ray Champa and George Staiduhar orchestras for a number of years.

His wife of 32 years, Emma, formerly Kascek, son Dale, and he have resided on Royalview Drive for over 18 years. Son Dennis resides with wife Carol and their son Brandon in Euclid.

Goldie Malone, a most active leader in the community can be reached for details on the banquet this Sun. (Oct. 31) by calling 732-6707.

New Record Releases
Keep Coming

For Croatian tamburitza music lovers, a new album by the Trubaduri of Pittsburgh has been released on Greyko. In the polka line Frank Yankovic's "Really Hooked on Polkas" is a rather interesting album since it incorporates a disco beat. By the way his "Dance Little Bird" is still a very good seller.

For button box buffs, it's the Chicago Club's third volume of "Remember Slovenia" and Frankie Spetich's production of "Magic City Music Button Box Showcase" out of Barberton. His band will be playing for our Thanksgiving Day Polka Party on November 25 at St. Joseph High Auditorium as one of ten featured groups. Spetich is also planning a Christmas album with button accordion. The Slak Ensemble of Slovenia has released an all instrumental LP available at the Polka Village.

The Avsenik Ensemble of Slovenia has come out with a new double album in German, forerunner to a duplicate in Slovenian, as a special on the occasion of its 30th anniversary which will be commemorated in 1983. April 8 is the date set for a special anniversary concert in Ljubljana and we're planning on taking a small group of Avsenik music lovers there.

Over 300 on Polka Cruise So Far

We're expecting about 500 people on the "All Star Polka Extravaganza at Sea" departing February 26 on the S.S. Veracruz with polka people from all over the country. Adding to the daily diet of polka dance music will be a "Polka Mass" at sea celebrated by Father John Vovko. Most of the all star musician-hosts will be in town for our 21st anniversary radio bash on Thanksgiving.

A Polka Palace in Vegas?

My Vegas pipeline "Uncle Meecho" reports on a new establishment in Las Vegas called a "Polka Palace". It's on Boulder Highway about 10 minutes from downtown offering four nights of polka music and a daily ethnic smorgasbord. Frank Yankovic played for the grand opening recently.

Richmond Views

By Councilman
Joseph Celestina

Council passed resolution 69-82 opposing additional increases in service rates and charges as proposed by the East Ohio Gas Company.

East Ohio Gas Company has filed an additional application with the Public Utilities Commission of Ohio for authority to amend and increase its filed schedules fixing rates and charges for electric service in its entire service territory, including the City of Richmond Heights.

The Mayor and Council deemed the proposed amendments to the East Ohio Gas Company tariffs to be motivated solely by the Company's desire to generate excessive profits and a gross abuse of monopoly detrimental to the public interest.

The proposed rate increases, if adopted, would increase the burden of inflation presently borne by the residents of Richmond Heights and other communities throughout Ohio and would work a particular hardship on Senior Citizens and other individuals dependent on fixed incomes.

Update on Cuyahoga Industrial Park

The County Commissioners have outlined a 6-point program for community development at the County Airport in Richmond Heights.

This program created the Cuyahoga Industrial Park, a 100-acre area adjacent to the air facilities of the Cuyahoga County Airport. Other key features of the program include landscaping the green belt areas of the airport frontage along Richmond Road, improve existing county-owned property by developing a nine-hole public golf course, convert the land no longer needed for public funds to capital funds, upgrading and refurbishing the stage 1 airport area and extend the road serving the industrial area.

This 100-acre industrial park concept answers a very critical need for commercial/industrial land sites in this area, and a real shortage of land for this type use.

I strongly support this development because of its positive economic benefits to the community, improve the cash flow of the County Airport, improve the local tax base, and create new jobs for the area.

Insurance

Bids were received by the Clerk of Council for the furnishing of Comprehensive Automobile Liability, Comprehensive General Liability, Automobile Physical Damage Cover, and Boiler Insurance for the municipality. The lowest and best bid received for the above insurance coverage was Love Insurance Agency at the cost of \$17,192. This represents a 43% decrease from last year.

Proposed \$2.5 Million Office Complex in the County's Industrial Park

Local developer Bruce Mavec, unveiled plans for the first structure proposed in the 100-acre industrial park. The structure is to be a 32,000 square foot office complex which will include a large lobby, public areas, and some retail space. The proposed structure is located on a four acre parcel between Eaton Corp. and Diamond Shamrock hanger buildings. According to Mavec, construction could start as early as this Fall.

According to the County Commissioners, the office complex should add about 125 new jobs and about \$100,000 in the total tax revenue to the community.

NEWS FROM THE STATE HOUSE

Mandatory Sentencing

The Ohio General Assembly passed on September 8, Senate Bill 199, which increases the penalty for violent crimes and requires those who use a gun during the commission of a felony, to serve an additional three years behind bars. Senate Bill 199 cleared the House of Representatives by a vote of 81-0, and passed the Senate 27-0.

Senate Bill 199 creates a new category of crime-aggravated felonies and prohibits the use of shock probation or parole to those individuals convicted more than once of such crimes.

Pending Legislation

Along similar lines, it is my hope that the Ohio House of Representatives will act quickly on House Bill 651 which, Rep. Lee Fisher introduced in July, 1981. If passed, House Bill 651 would decrease the accessibility of handguns to criminals and discourage people from turning to handguns as a way to deal with disputes. House Bill 651 would require individuals wishing to own or purchase a handgun to apply for an owner identification card through their local law enforcement authority.

At present, House Bill 651 is pending before a House Judiciary Subcommittee.

Cleveland's Slovenian mayor, George V. You (Bishop Pevec) were the pastor at that time, and gave an inspiring talk about the worthy goals of fraternalism."

Dana G. Rinehart Seeks Treasurer's Job

The state treasurer's office has been known for its outdated procedures, sloppy book-keeping and embezzlement during the last few years, and the man to modernize it and put the operation on a sound business footing is Dana G. Rinehart, 36, the Republican candidate for treasurer.

He is a clear-thinking, business-oriented man who has handled the job of Franklin County treasurer exceptionally well for two terms. He proposes to reorganize the treasurer's office into five divisions, down from the 10 now in existence, and restore the system of internal checks and balances that went awry and permitted one or more employees in the office to steal some \$1.3 million. Sound money-handling procedures will go far toward preventing

embezzlements; Rinehart has a realistic notion about the procedures he wants implemented, and would do the job quickly and effectively.

In addition, Rinehart, once an aspirant for governor, looks beyond the moment into Ohio's future. He would be an active spokesman about the reforms of Ohio's tax structure that are vital to the health of the state, and would present ideas and solutions that, through discussion, would strengthen whatever final tax legislation is worked out by the legislature and the new governor.

Rinehart's strong personality and sharp mind are what we think Ohio needs in its state treasurer, and we recommend him to voters on Nov. 2.

Port Authority Seeks Renewal

The Cleveland-Cuyahoga County Port Authority's Board of Directors has announced its authorization to place a .13 mill renewal levy for the Port Authority on the ballot this November.

The levy, which is a renewal only and not on increase, is estimated to cost an owner of a \$60,000 home approximately two dollars a year. The revenue provides just under one third of the Port Authority's annual operating budget. The remainder of the annual revenue for the Port is derived from dockage, warpage and income from the rental of

Port properties.

When the Port Authority came into existence in 1968, the Port had capital assets of \$195,000. Since then, its assets have increased to almost \$16 million.

Virgil Brown Gets Ethnic Nod

Cuyahoga County Commissioner Virgil E. Brown continues to stress his experience and qualifications for office as he visits various nationality editors and community groups in his statewide quest for the Office of Secretary of State.

"I understand the issues and I am responsive to the citizens," Commissioner Brown asserts. "Anyone who knows me can attest to my record of administrative prudence, ability, and even-handedness in discharging my duties."

PAID POLITICAL ADVERTISEMENT PFEIFER VS. METZENBAUM

The election time is rapidly approaching. One of the most important decisions you as a voter must make is your choice of a candidate for the United States Senator from Ohio. As you know, you have two major candidates to choose from! Paul Pfeifer and Howard Metzenbaum.

Howard Metzenbaum is widely known as the most liberal United States Senator. He is a "tax and spend" liberal whose economic and political philosophy pursued by him in the U.S. Senate, contributed so much toward creation of the economic misery affecting all of us today.

It is a pity, that during the six years of the decline and fall of Ohio from prosperity, the state has been represented in the U.S. by a Senator who has deliberately chosen an anti-business course and supported policies which forced many industries to leave the state and has resulted in loss of thousands and thousands of jobs.

Howard Metzenbaum is certainly not a friend of industry. Neither is he your friend.

Today's state of the economy obscures all other issues facing the voters. For this reason the candidates must be evaluated on one basis of how they contributed toward the rise of economic misery and what they can do toward alleviating it.

Howard Metzenbaum's attacks on industry does one thing very effectively: Drives the industry and the jobs out of the state very quickly and with disastrous consequences for us all. Can this go on and how long can we tolerate it?

In addition to economic philosophies, Howard Metzenbaum's record on other issues is very disturbing. Just compare your own personal views with those of Paul Pfeifer and Metzenbaum on some of the issues which are of great importance to you!

	Metzenbaum Record	Pfeifer Stand
Increase your federal income tax rate by 10% in 1983.	Yes	No
Reduce unnecessary federal spending	No	Yes
Should it be a federal crime to distribute across state lines materials which show children under 16 in sexual activities.	No	Yes
Introduce strict federal handgun registration law.	Yes	No

In this election Paul Pfeifer is seeking to unseat Howard Metzenbaum. Paul Pfeifer has 16 years experience in Ohio government as Assistant Attorney General, Member of the Ohio House of Representatives, Assistant County Prosecuting Attorney and Ohio State Senator. He was born October 15, 1942 in Bucyrus on the family dairy farm.

Ohio needs a Senator who represents the people of Ohio. Metzenbaum is out of step, he does not reflect the wishes of the people that he is supposed to represent.

Paul Pfeifer is in tune with the needs of the people of Ohio and he will be their voice in the U.S. Senate.

A vote for Paul Pfeifer is a vote for Ohio.

Paul Pfeifer is endorsed by: The Cincinnati Post, The Dayton Journal Herald, The Columbus Dispatch, The Columbus Citizen Journal, The Toledo Blade, The Akron Beacon Journal, The Chillicothe Gazette, The Fraternal Order of Police and the Ohio Teamsters Union.

Paid for by Pfeifer for U.S. Senate

Congressperson Mary Rose Oakar, and former Congressman Charles A. Vanik and many others.

Oppose Rising Utility Bills

Thomas E. Ferguson is the co-chairman of the Statewide Committee to fight rising utility rates. Over 500,000 signatures were collected from voters to place this issue on the November 2, 1982 ballot. Each voter will have an opportunity to vote on this issue opposing the continued rise of utility rates. Recently, the consumers were told that their heating costs will be increased by 40 percent in 1983!

United Ethnic Endorsement

Ferguson has received the

united nationalities endorsement as a proven friend of ethnics. His honesty, integrity, reliability and sincerity were unquestioned. His qualifications and experience provided quality public service. Experience Counts. He is sensitive to the needs of the ethnics and has demonstrated to be a proven friend of the ethnics.

Judge Nahra Seeks Re-election

Judge Joseph J. Nahra, who has received 12 awards for outstanding service, is running to keep his seat on the Court of Appeals. This is the

highest court in Cuyahoga County and the second highest in the State of Ohio.

Judge Nahra previously served on the Common Pleas Court and on the Probate Court. Over the years he has consistently received high scores in polls taken among the over 4,500 lawyers in Cleveland.

Born on Cleveland's east-side, Judge Nahra was raised in the shadow of old League Park, the former home of the Cleveland Indians. He graduated from East High School, Case Western Reserve University and received his law degree from the Harvard Law School in Cambridge, Massachusetts.

Judge Nahra and his wife, Barbara, have four children, two presently in college and two in high school.

In addition to the 12 years' experience he has had as a judge, Judge Nahra engaged in the private practice of law for 17 years and handled legal problems of all types for a wide variety of clients.
