— PREGLED NAJVAŽNEJŠIH DOGODKOV —

Predstavniški dom izglasoval reformo zveznega davčnega sistema — Senatorji in Reagan zakonski osnutek tudi podpirajo

WASHINGTON, D.C. — Včeraj je predstavniški dom zveznega kongresa z večino 292:136 odobril zakonski osnutek, ki bo v mnogih osnovnih ozirih spremenil zveznega davčnega sistema. O reformi mora glasovati še senat, v katerem je pa razpoloženje tudi zelo naklonjeno zakonskemu osnutku. Nekateri senatorji sicer pravijo, da bodo vodili kampanjo zoper osnutek, a vse kaže, da bo senat glasoval že ta teden ali v ponedeljek. Nato bi šel odobren zakonski osnutek v Belo hišo, kjer ga bo predsednik Reagan podpisal.

Zakonski osnutek je zelo komplikiran, saj vsebuje dobro tisoč tiskanih strani. Kajih 6 milijonov Amerikancev z nizkimi osebnimi dohodki bo po novem zakonu oproščenih plačevanje dohodninskega davka, miliioni drugih bodo pa manj plačali vsako leto. Okrog 80 odstotkov davkoplačevalcev bo obdavčenih na stopnji 15%, tisti z višjimi dohodki pa na stopnji 28%.

Pogajanja v zvezi z Daniloffovo zadevo še trajajo — George Shultz: obe strani se prizadevata za kompromisno rešitev

NEW YORK, N.Y. — Včeraj se je državni sekretar George Shultz zopet srečal s sovjetskim zunanjim ministrom Edvardom Ševarnadzarem. Državnika sta iskala možnosti za zadovoljivo rešitev zadeve Nicholasa Daniloffa, ameriškega novinarja, ki ga Sovjeti imajo za ameriškega vohuna, ZDA pa trdijo, da je bil aretiran kot talec, ker želi ZSSR izpustitev in vrnitev domov uslužbenca Združenih narodov Gennadija Zaharova, ki ga je bila aretirala FBI in ga obtožila vohunjenja. Po srečanju je Shultz dejal novinarjem, da še ni videti rešitve, ki bi bila sprejemljiva za ZDA.

Dobro obveščeni viri vedo povedati, da so ZDA ponudile Sovjetiji kompromis, po katerem bi bil Daniloff izpuščen oziroma bi lahko odpotoval iz ZSSR. Zaharov bi bil uradno obtožen vohunjenja v ZDA, nato bi prišlo do izmenjave njega za skupino sovjetskih oporečnikov. Na ta način bi lahko ZDA trdile, da dejansko ni prišlo do izmenjave Zaharova za Daniloffa, marveč za izmenjavo Zaharova za sovjetske disidente. Sovjeti še niso pristali na ta kompromis.

V intervjuju za *The Wall Street Journal* je Shultz dejal, da Daniloff zadeva še ni oviral pogajanj z ZSSR glede omejevanja oborožitvene tekme, da pa bi bilo težko pričakovati srečanje med Reaganom in sovjetskim voditeljem Mihailom Gorbačovom, če bi moral Daniloff ostati v Moskvi.

V zveznem senatu raste pritisk na Belo hišo, naj zahteva polovično zmanjšanje število sovjetskih državljanov, akreditiranih pri Združenih narodih v New Yorku. V sovjetskem predstavištvu je sedaj 260 uslužbencev, senatorji zahtevajo, naj bi jih ne bilo več kot 130. Sovjetska misija pri ZN naj bi bila torej enako velika po številu uslužbencev, kot je ameriška. FBI je mnenja namreč, da je najmanj 100 od vseh 260 Sovjetov pri predstavištvu ZSSR v New Yorku agentov KGB ali drugih sovjetskih obveščevalnih agencij. Ta mesec so ZDA zahtevala odhod 25 Sovjetov, ki jih je bila FBI zaznamovala za agente KGB. Vsi so že zapustili ZDA. FBI je v skrbah, ker je toliko sovjetskih agentov, da jih FBI sploh ne more kontrolirati oz. sledovati.

Izraelci že drugič ta teden napadli oporišča PLO v Libanonu — Novega vdora v južni Libanon zaenkrat ni pričakovati

SIDON, Libanon — Včeraj so izraelska letala bombardirala oporišče PLO v bližini tega mesta. To je bil že drugi napad na PLO v Libanonu v zadnjih treh dneh. Izraelci menijo, da je v Libanonu najmanj 8.000 oborženih gverilcev PLO, poleg njih pa je veliko drugih muslimanskih skupin, ki sovražijo Izrael, so pa tudi med seboj globoko sprti. V Libanonu sta najmočnejši gibanji Amal in Hezbollah. Med njimi je Hezbollah, ki je tesno povezano z Iranom, radikalnejši. V zadnjih mesecih Hezbollah napreduje zoper Amal. Amal je tudi zelo sproto s PLO in je prišlo v zadnjem času do več sponadow med pripadniki teh dveh gibanj. Amal nasprotuje vrnitvi PLO v južni del Libanona na primer, ker bi takšna vrnitve po vsej verjetnosti povzročila ponoven izraelski vdor v te kraje, kar pa Amal nikakor ne želi.

Nevarnosti pred dnevi, da bi Izraelci poslale svoje vojake v južni Libanon v pomoč svojim libanonskim zavezniškom, je minilo.

— Kratke vesti —

Washington, D.C. — Predsednik Reagan bo vetril v Kongresu izglasovan zakonski osnutek, ki vključuje stroge gospodarske sankcije zoper Južno Afriko. V Beli hiši priznavajo, da bodo kongresni po vsej verjetnosti veto razveljavili, kar zahteva dvotretjinsko večino v vsakem kongresnem domu.

London, V. Br. — Evropska gospodarska skupnost, 12-članska organizacija, je odobrila pospešitev borbe zoper terorizem. Članice EGS bodo tesneje sodelovale pri zaščitovanju in preganjanju terorističnih voditeljev, zbiraju podatkov in s tem v zvezi medsebojnem komuniciraju o aktivnostih teroristov. ZDA so ukrepe EGS močno poхvalile.

Manila, Fil. — Predsednica Corazon Aquino se je vrnila domov po 9-dnevnom obisku v ZDA. Sklicala je sestanek z vodilnimi vojaškimi in policijskimi časi. Na sestanku bodo obravnavali politiko vlade do komunističnih gverilcev, ki so postali aktivnejši v času Aquinove odsotnosti. Predsednica ni rekla, ali bo spremenila dotedanjo politiko, po kateri išče spravo z gverilci.

Pariz, Fra. — Francoska vlada je potrdila, da bo poslala vojake in letala v Togo, kjer bodo pomagale predsedniku Eyademu kljubovati uporu, v katerem je že bilo več oseb ubitih. Togo ima tesne odnose s Francijo in drugimi zahodnimi državami.

Havana, Kuba — Kubanske oblasti so arretirale tri člane neodvisne organizacije, ki brani človečanske pravice. Kuba je tudi izgnala dva zahodna novinarja, ki sta imela stike z arteranci in o njih aktivnostih poročala.

Peking, Ki. — Kitajski in ZSSR sta prisla na obnovitev pogajanj, katerih namen je najti kompromisno rešitev glede meje med državama. Skupna meja je dolga 4350 milj. Kitajci menijo, da v raznih krajih Sovjeti zasedajo kitajsko ozemlje, kar Sovjeti zanikajo. Prejšnja pogajanja so bila prekinjena pred 8 leti. Letos je vsaj enkrat prišlo do strešanja med obmejniki obeh držav.

Washington, D.C. — ZDA zahtevajo od ZSSR več podatkov o dveh jedrskeh elektrarnah, ki jih Sovjeti gradijo na Kubi. ZDA so v skrbah glede varnosti teh reaktorjev.

Pot iz socializma

Prišla mi je v roke drobna knjižica kot šesti zvezek občasne publikacije Svobodni pogledi, ki jih izdaja list Svobodna Slovenija v Buenos Airesu. Naslov knjižice se glasi: Pot iz socializma, napisal pa je njeno vsebino priznani slovenski gospodarstvenik, sociolog in kulturni delavec širokega znanja dr. Marko Kremžar.

V knjižici obravnavani socializem zajema široko polje raznih socializmov, od njegovega ekstrema v komunizmu prek zmernejšega z Marksovo teorijo prepojenega gospodarskega socializma do močno po svetu razširjenega demokratičnega socializma (imenovanega socialna demokracija), ki je porinil med staro šaro marksistične ideje o zgodovinski nujnosti uvedbe Marxove verzije socialne ureditve in prilagoditvi ekonomski dejavnosti takšni ureditvi tudi s silo. Ta zvrst socializma je zavrgel tudi marksistično normo življenjskega ateizma in se proglašil v tem oziru za nevtralnega. Vendar je pridržal v praksi nauk, da je družba pod poedinim človekom, kakor tudi načelo o prednosti javnega (državnega) lastništva proizvodnih sredstev in o socializaciji gospodarskih ustanov, ter po svetovnem nazoru materialistično vrednotenje življenskega.

V tem se razlikuje od krščanskega socialnega nauka (Rerum novarum papeža Leona XIII.), ki te elemente demokratičnega socializma odklanja in predlaga reševanje socialnih problemov na osnovi Kristusovega nauka o absolutni primarnosti človekove osebe pred vsem drugim in o transcendentni naravi človeške duše.

Zdi se mi primerno in potrebno o teh vprašanjih — tako zelo akutnih v naši dobi — nekoliko razmislišti tudi v Ameriški Domovini. S tem bomo naš po obliki in obsegu skromni list nekoliko odmagnili od pisanja o poticah in krofih, kosilih in večerjah, zabavnih prireditvah, klobasah in plesu. Takšno obveščanje bralcev mu daje preveč lokalni, clevelandski ali celo st. clairski značaj, mi z urednikom vred pa bi ga radi videli na nekoliko višjem in pomembnejšem nivoju širše in za življenje važnejše vsebine.

Vidi se iz vsebine našega časopisa, kako si njegov urednik stalno prizadeva, da bi mu dal višjo in širšo podlago in kako skrbno zasleduje vredne članke iz drugih listov ter jih ponatiskuje. Ali ponatiskovanju ne more dati listu značaja lastne moči in vrednosti, kakor mu jih dajejo le izvirni, za ta list napisani prispevki o sodobnih in važnih vprašanjih sedanje stvarnosti. Zato so izvirni dopisi o vrednih problemih kraja in časa tako zelo potrebni za kvalitetno vsakega lista.

Vrnimo se po teh razmišljajih k prvotnemu predmetu tega sestavka!

Rekli smo, da išče slovenski gospodarski in socialni znanstvenik dr. Kremžar v svoji knjižici pot iz socializma. Pot — kam? Vsaka pot nekam drži, nekam pelje, kam naj vodi pot iz danes tako mogočnega socializma na svetu? V kakšen drugačen socialno-gospodarski sistem? Spontan in poceni odgovor bi se glasil: V kapitalizem. Že res, da je kapitalizem drugi, nasprotni pol človeškega sožitja na tem svetu in ne-

ZAHVALA ROMARJEM V FRANK, OHIO

CLEVELAND, O. — Društvo SPB Cleveland že več kot 20 let redno vsako leto prireja spominsko romanje k Žalostni Materi božji v Frank, Ohio. Prva romanja so bila razmeroma skromna, saj smo komaj napolnili majhno romarsko cerkev. Tekom let pa to romanje postaja vsako leto bolj priljubljeno tako, da je tamkajšnja stara romarska cerkev postala premajhna in je že nekaj let naša romarska maša v velikem novem svetišču, ki so ga zgradili v bližini stare cerkve. V novem svetišču ni sicer tako domače kot je bilo v cerkvi, vendar vsak uvidi, da bi število naših romarjev 3- ali 4-krat napolnilo staro cerkev.

Vremenski napovedovalci so nas za to nedeljo kar za nos vlekli! En dan so napovedali dež, drugi dan sončno, nato zopet dež... A Bog je bil naklonjen. Precej oblačno nebo zjutraj se je proti poldnevu začelo jasnit in posijalo je prijetno in toplo sonce. Joj, če bi to romanje imeli drugi dan v ponedeljek, ko je zjutraj treskal in lilo, ceste so pa bile kot deroče reke!

Ko je naš avtobus privozil okrog 10. ure na veliko cerkveno parkališče, so se tam že uvrščali drugi avtobusi, ki so pripeljali naše romarje. Kar sedem avtobusov se je razvrstilo, ki so pripeljali naše romarje iz Clevelandja in bližnjih krajev. Pa še privozil en avtobus iz Kanade, iz njega izstopajo Slovenci, ki so začeli spraševati za navodila glede našega romanja. Torej tudi Slovenci v Windsorju, Kanada, so organizirali svoj avtobus za naše romanje. Kaj kmalu so se začeli rokovati in pozdravljati iznenadeni stari znanci, ki se že niso videli več kot 30 let. Pred mašo je bilo dovolj časa za domač pomene.

Prostorno novo svetišče je bilo do kraja polno zasedeno za sv. mašo ob 12. uri opoldne. Glavni maševalec je bil škof dr. Edward Pevec, somaševali so dr. Pavel Krajnik, župnik v Lorainu, in pater Fortunat Zorman iz Lemonta.

Pred začetkom sv. maše je lektor Jože Melaher nazorno nakazal pomen in namen tega romanja. Župnik dr. Pavel Krajnik je v slovenski pridigi povedel romarje nazaj na tragične dogodke pred dobrimi 40 leti, škof dr. Edward Pevec je z globokimi mislimi opozoril tudi angleško govoreče romarje na strašno zmoto in hudobijo, ko je bilo 12.000 mladih mož in fantov nasilno vrnjenih in pobitih že po končani vojni.

Popoldne je bil križev pot. Procesija je bila tako dolga, da prvi skoraj niso mogli videti konca procesije. Po križevem potu so bile pete litanijske.

Romarji se kar niso mogli raziti. Poleg clevelandskih in iz bližnje okolice smo opazili med romarji prijatelje iz Toronto, iz Chicaga, romarji iz Windsorja so bili tako navdušeni, da bodo odslej prihajali vsako leto na to romanje.

Društvo SPB Cleveland se lepo zahvaljuje našemu priljubljenemu škofu dr. Edwardu Pevcu, za maševanje in pridigo v angleščini, župniku dr. Pavlu Krajniku za somaševanje in slovensko pridigo ter patru Fortunatu Zormunu, ki zadnja leta redno prihaja iz Lemonta na naše romanje.

Prav lepa hvala vsem, ki so organizirali avtobuse v Nevburgu-Maple Hts., v Barbertonu in Lorainu, posebno pa našim rojakom v Windsorju, Kanada, ki so se tokrat prvič podali na romanje v Frank, Ohio. Najlepša hvala tudi vsem, ki se vsako leto pripeljejo s svojimi avtomobili. Hvala Rudiju Knezu za vodenje petja med sv. mašo.

Očitno je, da postaja romanje k Žalostni Materi božji v Frank, Ohio, največje slovensko romanje, ki združuje »nove« in »stare«, sv. maša v šlovenščini in slovensko petje pa nas združuje v verno slovensko občestvo.

— Jože Melaher

IZ NEWYORŠKE PROSVETE

Uvod

V nedeljo, 21. t.m., smo začeli s prosvetnimi urami. Začeli smo dobro! Bog daj, da bi tako tudi nehali! Dvorana je bila zasedena do zadnjega koticka. Celo nekaj stolov smo morali prinести iz kleti, da so mogli vsi sedeti.

Po pravici povedano, so letos ure samo nadaljevanje tega, kar smo začeli že poleti s pikniki in zaključili zadnjo nedeljo z blagoslovitvijo Baragovega okna in praznovanjem sedemdesetletnice naše fare. Po zaslugi žal že pokojnega Ludvika Burgarja, smo imeli tudi letos v gostih dva frančiskana iz Ljubljane, očeta Stankota in brata Andreja. Upravljal sta faro, ko je bil župnik v Braziliji, aktivno sta se udeleževali vseh piknikov. Oče Stanko je maševal in pridigal, brat Andrej pa nas je zabaval s petjem v družbi ali sam. Res smo jima hvaležni za njuno delo, trud in mladostno pozitivitev.

V nedeljo, 14. septembra, je kardinalov pomožni škof in

generalni vikar Joseph O'Keefe blagoslovil novo

Baragovo okno — ki je po splošni sodbi vseh, ki se na te stvari razumejo, prvovrstno umetniško delo našega farana Mira Zupančiča — maševal in pridigal pri slovesni maši. Videlo se je, da se je za pridigo temeljito pripravil. Govoril je o Baragi in Slovencih in nas pohvalil, češ da smo po številu najmanjša fara v škofiji, po uspehih pa med prvimi. Govor nas je ganil. Videl sem vlažne oči od ponosa in zahvale. Ostanimo taki tudi v bodoče! Držimo visoko zastavo neomajene vere in slovenskega ponosa!

Prosvetna ura

V uvodu smo zvedeli, da bo ura posvečena Spomeniku svobode, ki bo oktobra star 100 let, in z njim v zvezi Ameriki, naši novi domovini.

Amerika ni popolna, kakor ni popolna nobena človeška ustanova, a je še vedno med vsemi državami sveta najboljša. V nobeni državi bi nam bilo boljše kot tukaj, v nobeni

sporni oče današnjega socializma. Vendar odgovor na vprašanje ni tako preprost in enostaven. Kakor je na svetu več vrst socializma, kakor smo zgoraj na kratko pokazali, tako velja isto za kapitalizem.

Klasični kapitalizem je nastal iz preživelega sistema fevdalne družbe, iz katerega si je človeštvo že le z večjo splošno in osebno svobodo. Toda fevdalnega gospoda je zamenjal kapitalistični magnat, ki je bolj od svojega fevdalnega prednika skušal izbrisati kri in znoj iz ubogega delovnega človeka. Široke ljudske plasti so si v tej situaciji nekoliko skušale pomagati s svobodnimi poklici raznega obrtništva in se združevali v tako imenovanih cehih, a proboj denarnega gospodarstva je bil dovolj močan, da je kapitalist dirigiral socialno in gospodarsko življenje tedanje dobe.

(dalje na str. 5)

ne bi tako napredovali in dosegli take uspehe.

Prvi del

Spored je začel naš priljubljeni in odlični pianist Ives Lango. Igral je dovršeno in brez not drugi del Kuhlaueve sonate. Svet ima Vladimira Horowitza, naša fara pa Ivesa Langa!

Nato je recitiral Simon Kregar iz članka, ki ga je za stoletnico Spomenika svobode napisal sam predsednik Reagan, najvažnejše odstavke.

Ko se je na ladji Queen Elizabeth vračal iz Anglie, je bilo zgodaj zjutraj. Takole piše: »Vstal sem zgodaj in bil ob ladji ograji, ko smo pluli skozi Verrazanovo ožino. Spomenik svobode, prvi košček Amerike, ki sem ga hotel videiti, je bil naravnost pred nami. Osvetljena v temi zgodnjega jutra, me je gospa gledala kot prijatelj, ki me je prišel pozdraviti.

Bil sem doma. Tisto jutro sem se spomnil, koliko milijonov Amerikancev je prišlo v svojo novo domovino in Spomenik svobode jim je bil prva podoba naše dežele. Kakšen veličasten pogled!

Januarja 1941 je predsednik Franklin Delano Roosevelt zdramil Ameriko s svojo vizijo sveta, zgrajenega na štirih svobodah: svoboda govora, svoboda vere, svoboda od pomankanja in svoboda od strahu.

Amerika je še vedno prvoroditeljica človeške svobode. S svojim bogastvom in tehniko (dalje na str. 3)

Iz newyorške prosvete

(Nadaljevanje s str. 2)

skošamo lajšati pomanjkanje in potrebe v svoji domovini in po vsem svetu. Usmiljenost in darežljivost naših ljudi nimata primere v svetu...

In nobena druga svoboda nam ni dražja kakor svoboda vere v Boga. Kakor je rekel Thomas Jefferson: »Bog nam je dal življenje in z njim nam je dal svobodo.«

Napisal je, da njegov oče ni hotel spati v hotelu, v katerem so se hvalili, da Judov ne sprejemajo, in da je on dva črnca iz svoje nogometne skupine peljal spat na svoj dom, ker ju v hotelu niso hoteli sprejeti. Nato je zaključil: »Naša dežela je danes veliko bližje idealom in ciljem, ki so jih postavili naši predniki. Oni so zastavili svoja življenja, srečo in sveto čast. Zato smo svobodni.«

Anki Babnik in Janez Puc sta nam opisala zgodovino in podatke o Spomeniku svobode ter recitirala v slovenskem in angleškem jeziku njeno poslanico zaslužnjem in trpečim ljudem po svetu:

»Dajte mi vaše utrujene, revne, nagnetene množice, ki hrepenijo, da bi mogle svobodno dihati, dajte mi zavrnene

odpadke vaših prepolnih obal! Pošiljite mi brezdomce in v viharju izgubljene! Dvignila sem svetlik ob vhodu zlatih vrat!«

Največje presenečenje in najlepši trenutek ure pa je bil, ko je gospa dr. Lango pela Battle Hymn of the Republic in jo je spremjal s trobento — kaj mislite, kdo? — naš pianist in njen sinko Ives. Bila sta oddišna. Ni trajalo dolgo, ko se jima je pridružila vsa dvorana.

Končala je prvi del Judita Prelog, ki nam je povedala, kaj mislio o Ameriki naturalizirani državljanji raznih narodnosti, med njimi Paul Anka, Eva Gabor, Bob Hope in Arnold Schwarzenegger. Slednji je izjavil tole: »Svoboda je v tej deželi več kot sama beseda. Je način življenja, dobrina in blagoslov. Ta dežela je vedno verovala, da je svoboda tajnost sreče in pogum tajnost svobode.«

Odmor

V odmoru smo se spomnili umrlih Ludvika Burgarja in Franceta Goršeta.

Čestitali smo Zupanovi družini na novem članu Mihcu, poslali kartico bolnemu Mini-

chu in pozdravili v svoji sredi: dr. Majdo Mazovec in Jerico Rojko iz Ljubljane, zakonca Gregorina iz San Francisca in Američanko slovenskega rodu dr. Dorothy Crawford.

Že po uri sem opazil, da sta bila med nami tudi zakonca Avguštin s Floride, ki sta pred leti živelna v New Yorku.

Drugi del

Drugi del so otvorile tri dekllice S. Burgar, B. Kamin in I. Zupančič. Vsaka je recitirala eno kitico pesmi »God Bless Our Native Land«, ga. Marija Burgar, odločna in junaska vdova pok. Ludvika, pa nam je povedala, kaj mislio o Spomeniku svobode in Ameriki njegovi sodobniki (vsi stari preko sto let).

Ana Palmer se je rodila v Kaliforniji l. 1880. Ko je prišla v New York, je bilo mesto čisto drugačno kot je zdaj. »Mogel si iti spat in pustiti vrata stanovanja odprta vso noč.«

Dr. Robert Leslie se je rodil l. 1885 v New Yorku. »Bili smo revni. Voda je bila samo na hodniku in straničje za vse stanovalce na dvorišču. Peč smo kurili z drvmi.«

Marguerite Roche, rojena l. 1886 v Alžiriji: »Ko sem bila mlada, smo plesali valčke. Tako ni bilo ne televizije, ne radia in ne električne. Vozove so vlekli konji. Časi so se počasi spreminali. Kdo bi si mislil, da bomo poslali ljudi na luno!«

Recitacije je zaključil prof. Peter Remec s svojimi razmišljajmi ob stoletnici. Med drugimi je omenil tudi Eduarda Corsija, ki je prišel kot otrok v Ameriko l. 1907 in postal komesar za emigracijo. Takole je ta povedal:

»Matere in očetje so dvignili otroke, da so mogli videti Spomenik svobode. Vsi so utihnili, ko so ga zagledali v jutranji megli. Eni so molili, drugi jokali, nekateri so se smeiali, drugi jo pozdravljali, mnogi pa so vanj samo strmeli.«

Za zaključek smo vsi peli pod vodstvom dr. Langove Irving Berlinovo »God Bless America«. Navzoči so jo peli iz srca, da je odmevalo po dvorani...

Prihodnjo uro bodo naši gosti člani »Zvona« iz Fairfielda. Že komaj čakamo, da slišimo zopet enkrat lepo slovensko pesem!

POJASNILO

Hotel sem napisati »opravilo«. Ker pa so sledče besede vse kaj drugega, je boljše, da vztrajam pri pojasmilu. Newjorškim faranom hočem povedati, zakaj sem bil na proslavi 70-letnice naše fare samo pri slovesnostih v cerkvi in ne v Kočevski dvorani. To bi mogel povedati faranom na prosvetni uri, pa nisem, ker nočem ur izrabljati v čisto osebne namene.

Na povabilu je pisalo, da je vsak zaveden Slovenec dolžan, da se udeleži proslave v Kočevskem domu. Jaz tega nisem storil vprav zato, ker si domisljam, da sem zaveden Slovenec. Moji razlogi:

Čeprav sem že od leta 1950 v New Yorku, nisem bil še nikoli v Kočevskem domu. Niti ne vem, kje je. To me ni nikoli zanimalo.

Še nikoli nisem videl v naši cerkvi ali na naših prireditvah kakega Kočevarja. Pred množimi leti sem srečal enega v družbi. Obnašal se je tako domišljavo in govoril o Sloveniji tako prezirljivo, da sem se poslovil, ker se nisem hotel javno prerekat.

Moji predniki po očetovi strani so bili Nemci, po materni pa je bil vsaj eden Italijan. Toda moji starši so me vzgojili za zavednega Slovence še v Avstriji. Tako so vzgajali svoje otroke tudi vsi drugi Ločani, potomci starih nemških naseljencev. Medtem ko je bilo po slovenskih mestih in trgih precej nemškutarjev (Slovenev), ki so se izdajali za Nemce, jih v Škofji Loki in okolici ni bilo. Vedno sem bil ponosen na svoje prednike in da sem loškega rodu! Ko so Nemci leta 1941 zasedli Gorjansko, niso mogli razumeti, da so se ljudje z nemškimi imeni izdajali za Slovence. To je bil po njihovih trditvah prvi primer, ki so naleteli nanj, ko so se širili po Evropi.

Za slovenstvo sem se boril kot otrok v osnovni šoli, kot študent na gimnaziji in univerzi, a najuspešnejše kot odvetnik v Celju.

Branil sem pred sodiščem prof. Rojška, ki ga je tožil nemški knjigarnar Hubert, branil slovenske fante, da so širili letake za bojkot nemških trgovin. Odklonil sem obrambo tistih, ki so bili obtoženi hitlerjanske propagande, med njimi celo svojega stalnega klienta. Z grožnjo, da odstopim kot podpredsednik Društva rezervnih oficirjev in izstopim iz društva, sem dosegel, da je odbor izključil iz društva Avgusta Westena, najbogatejšega Celjana, ker je žalil v kavarni slovenskega branjevca z »Windischer Hund« (slovenski pes).

Nemška policija me je iskalila, čim je zasedla Celje, prišla zastonj v Novo mesto po mene. Napačno informacijo jim je dal v lepi nemščini zaveden Slovenec Schweiger. Zahvalili so od Italijanov, da me izročijo. Zaplenili so mi vse premoženje v Celju »zur Stärkung des Deutschtums in Untersteiermark« (za okrepitev nemštva na Spodnjem Štajerskem) in leta 1942 tudi moj vinograd pri Cerkljah na Dolenjskem.

In ko so s slovensko-hrvaške meje selili vse Slovence, ki so živel tam stoletja, in jih poslali v taborišča v Nemčijo, so tja naselili (tudi v moj vinograd) Kočevarje. Ti so se leta 1941 vsi izjavili za Nemčijo. »Heim ins Reich!« je bila njihova parola (domov v Reich oz. Nemčijo). In ta »Reich« je bila stoletna slovenska zemlja.

Če bi bil Hitler zmagal, bi bili Kočevarji prvi med tistimi, ki bi napravili deželo nemško, kakor jim je že leta 1941 ukazal Hitler.

Misijonska srečanja in pomenki

700. Ljubljanski nadškof dr. Alojzij Šuštar

je med 12. julijem in 12. avgustom obiskal celo vrsto slovenskih misijonarjev na afriškem kontinentu. Ljubljanska Družina v štev. 34-35 na celi strani. Intervjuja, ki ga je imel z nadškofom v avgustu urednik D. Klemenčič, poroča pod začlavjem »Združuje nas isto poslanstvo: graditi božje kraljestvo«, kakšni so bili njegovi vtisi po povratku iz misionskega terena. Vrnil se je preko Adena v Jemenu in Moskve, v Tinje na Koroškem in Ljubljano.

Nadškof je poletel v Afriko po najboljši in najcnejši poti preko Dunaja in Moskve v Angolo v mesto Luando, od tam pa v Lusako, Zambija. Na poti se je kratko ustavil v Budimpešti in Luandi. Polet je trajal 16 ur.

Prvi teden je prebil nadškof z našimi 10 misijonarji v Zambiji, kjer se je srečal tudi z nadškofom Lusake. Mimo obiska postojank slovenskih jezuitov je pohitel z avtom tudi k minoritom. En dan so se zbrali za oddih ob Viktorijinih slapovih v duhovni zbranosti in prijateljskem pogovoru. Srečal se je tudi z zambijsko škofovsko konferenco, ki je ravno tedaj zasedala.

Iz Zambije je pohitel v Kenijo za en dan v glavno mesto Nairobi, kjer je obiskal nekaj semenič in dve teološki visoki šoli. Dolga leta že vrsta teologov, ki jih dobrotniki MZA vzdržujejo, tam študira in mnogi so postali duhovniki in dušni pastirji med svojim ljudstvom.

Ves ostali čas je nadškof prebil na Madagaskarju med našimi misijonarji, ki jih je tam sedaj kar 18. Srečal je tudi vrsto domačih cerkvenih voditeljev.

Med splošnimi vtisi

je nadškof omenil v razgovoru, da domačini na splošno »z veliko odprtostjo in ljubeznijo« sprejemajo naše misijonarje. Vladi v Zambiji in na Madagaskarju sta tudi njim naklonjeni, dasiravno vlada na Madagaskarju socializem. Predsednik vlade je katoličan. Pohvalil je posebej zambijskega ministrskega predsednika Kennetha Kaundo, ki je sam kristjan.

Škofje imajo naše misijonarje zelo radi in v škofiji Farafangana, kjer delujejo slovenski lazaristi, svetna duhovnika in naša laikinja, je francoski misijonar izjavil: »Vaši slovenski misijonarji so rešili škofijo Farafangana.« V tej škofiji se je nadškof zadržal večino svojega obiska na otoku Madagaskar.

Nadškofu je jasno, da so vsi naši misijonarji, tako redovniki kot svetni duhovniki, bratje in laiki, misijonarji slovenske Cerkve in da smo kot narod dolžni vsem pomagati tako duhovno, kot materialno. Veseli smo te nadškofove katoliške univerzalnosti, ker se zaradi nje sleherni pionir na misionskem terenu lahko vedno počuti, kako je potreben in »naš.«

Več naših misijonarjev mu je omenilo, da »delo v misijonih ni kaka pustolovščina ali beg iz razočaranja doma, temveč pozrtvovalno delo v služenju Bogu in v pripravljenosti sprejeti nase težke žrtve in marsikakšno odpoved.«

Nadškof je tudi bil vesel, da g. Kopeinig na Koroškem, kot rojaki z dušnimi pastirji na Primorskem, kot tudi rojaki v Kanadi in Argentini misionsko sodelujejo, in uvidel je po-

trebo, da bi se tudi ljubljanska škofija in Slovenija nekako pridružila direktno k temu sodelovanju. Nadškof je gotovo imel v mislih tudi Goriške rojake in vse odseke MZA v Združenih državah, ki štejejo med misionske sodelavce številne rojake, ki svojo vero zvesto prakticirajo v novi domovini. Prav tako je važna Avstralija in zahodna Evropa, kjer je stalno lepo število misionskih sodelavcev med rojaki v emigraciji.

Spoznal je tudi g. nadškof, da bodo naši misijonarji v bodočnosti vedno bolj sodelavci domače duhovštine, ker je že večina škofov povsod domačinov in vzgoja domače duhovštine v polnem teknu. Ideja o kakem »slovenskem misijonu« ni več aktualna, kot je bila pred leti, ko smo občudovali »bengalske« misijonarje-jezuite in hiteli na Kitajsko, da bi ustanovili lazaristi Baragov misijon v vikarijatu škofa Kereca v Yunnanu.

Šest stvari je nadškof

predložil Zboru svetovalcev v nadškofiji, ko jim je 20. avgusta govoril o potrebi poglobiti misionsko sodelovanje v domovini:

1) Okrepiti medškofijski misijonski svet, da bi se lahko še bolj zavzel za delo za misijonarje in za misijone.

2) Poglobiti zanimanje za misijone in povečati poročila ter iskatni novih poti, da bi mogli to uresničiti.

3) Podpreti vseslovenski misijonski simpozij v Tinjah, ki bo v začetku oktobra letos, predvsem pri reševanju vprašanja o misionskem listu in o laičnih misijonarjih.

4) Se vse bolj zavzeti za molitveno pomoč misijonom, da bi se verni ljudje vedno bolj zavedali, da je molitev za misijone bistven del verskega življenja.

5) Zbirati več gmotne pomoči za naše misijonarje in za konkretno misionske načrte, kot na primer za cerkve, bolnišnice, avtomobile in za delo za vzdrževanje naših misijonarjev.

Misijonska srečanja in pomenki

699. SPET TRIJE NOVOMAŠNIKI,

(Nadaljevanje in konec)

MZA in 21. stoletje

je 25. avgusta naslovil nov prispevek za MSIP, ko se je oglasil iz »Osrednje Japonske po opravkih« o. Vladimir Kos od Družbe Jezusove. Ta kole razmišlja ta misijonar, ki še nikdar, prav tako kot dr. Janež, ni zapustil ljudstva, ki mu je prišel služit:

»Čez 14 in pol leta bo 2001, ko se z njegovim 1. januarjem začne 21. stoletje. Z moderno tehniko lahko spremenimo reke in prisilimo morje, da sprejme koščke reklamirane zemlje — toka časa pa ne moremo spremeniti, da bi ga ustavili. In vendar naša nemoč napram času ni popolna: človeški duh je zmožen že zdaj vplivati na 21. stoletje, tako z dobrimi kot s slabimi dejanji. Sedanjost, katero živijo, ne prestano prehaja v preteklost, a vendar tako, da se v njej poraja bodočnost in ki bo — v določenem času — sedanost, prehajajoča v preteklost.

Da je bodočnost navezana na sedanost, čeprav ta prehaja in uhaja v preteklost, je razvidno tudi iz tega, da nobena bodočnost ne more nastati iz niča; nihče izmed nas ne dvoli, vsaj z dejanskim življnjem ne, da iz niča nikdar ni ničesar (čudno, kako se nekateri ljudje upirajo temu vidiču, ko gre za vprašanje nastanka vesolja).

6) Največjega pomena in tudi najtežje pa je pridobivati nove misionske poklice med duhovniki, redovniki, redovnicami in tudi med laiki oziroma prosiši Boga, da nam daje novih misionskih poklicev.

Nadškof je še dodal: »Z misijonskim vprašanjem sem imel veliko opravka že v Švici, kjer sem na različnih področjih sodeloval z misijonarji in se zavzemal za poglobitev misionske zavesti v domovini in za pomoč misijonarjem po vsem svetu. Prav tako mi je bilo to pri srcu doma že doslej. Gotovo pa je tak osebni obisk potrditev in spodbuda, da se še vse bolj zavzamemo za misionsko delo.

Na zgodovinskem ozadju vplivanja

na bodočnost je lažje razumeti besede našega Zveličarja, besede Večne Besede modrosti: „Napotil sem vas, da vaša dejanja rodijo obilen sad, tiste vrste sad, ki ne neha biti.“ (Jan 15, 16)

Vsi, ki sodelujemo v MZA in z MZA, smo bili poklicani na to kar se dá plodno pot „resničnega življenja“ (Jan 14:6) najprej po sv. krstu, samo smo bili „krščeni v Kristus Jezusa... da bi živel novo življenje“ (Rim 6:3-4); potem pa tudi po vseh milostih, ki so nas pritegnile v območje delovanja, čutenja in skrbi za svetovni misionski svet, in sicer v MZA, ki je ena izmed konkretnih oz. konkretne učinkovitih oblik za misionsko uresničenje. Zavedamo se, da gre za milosti, in bodimo zanje hvaležni, da bomo prejeli še več; saj nam je v spominu Gospodova prilika (Mat 20:1-16), kjer je vsakomur, ki pomaga Gospodarju skrivnostnega vinograda odmerjeno enako plačilo, čigar veličino pa lahko zajame le krepostno srce, ki se povzpne „na vrh računske lestvice“ v rokah darežljivega božjega Gospodarja (prim. Gospodove besede na koncu prilike: „Tako so tisti, ki so nazadnje poklicani, prvi...“)

Bodimo hvaležni tudi za nemlinjive sadove, ki jih naše sodelovanje rodi: „Glejte, kako so žanjeni plačani, ki žanjejo in spravljajo žetev za večno življenje; še tisti, ki je bil sejal, se lahko z žanjeni veseli!“ (Jan 4:36). Ker gre za nadnaravne sadove, jih z našimi čuti ne moremo dojeti: „Verovati pomeni... vedeti za stvari, ki jih ne moremo videti.“ (Hebr 11:1).

Tudi ko nas več ne bo

na tem božjem svetu, bodo sadovi našega delovanja in so-delovanja so-oblikovali in bližnje stoletje — v smislu graditve božjega kraljestva, h kateremu vede ali nevede težijo vsi posamezniki in vsa občestva človeštva: „Vesolje preveva upapolno, nestrpno pričakovanje: da ga nekoč prešine svoboda s slavo prešnjenih božjih sinov (in hčera), ki je zdaj suženjsko prikovano na minljivost.“ (Rim 8:21).

„Ker Bog je le eden, in eden, ki združuje Boga in človeka, Človek Jezus Kristus, ki je daroval samega sebe, da odreši vse ljudi.“ (1 Tim 2:5-6) Dejstvo, da ne spadamo k odločajočim tega sveta, naj nasne moti; težišče sveta in njegove zgodovine je namreč pri našem Odrešeniku: „Kristus je glava telesa, ki je Cerkev; iz Njega izvira življenje Cerkve; kot Prvorodenec je bil obujen od smrti (k življenju), tako da mu gre povsod in zmeraj prvo mesto...“ (1 Tim 2:5).«

— VESTI iz SLOVENIJE —

Velika letalska razstava na Brniku

BRNIK — Na letališču Brnik so 12. septembra odprli letalsko razstavo, posvečeni 100-letnici rojstva Edvarda Rusjana in razvoju letalstva v Sloveniji in Jugoslaviji. Med razstavljenimi letali je tudi več vojaških, med njimi na primer najnovejši tip gazele s pripadajočo oborožitvijo in letala tipov MIG-21, galeb, orel in jastreb, vse tudi s pripadajočo oborožitvijo. Obiskovalci so si lahko ogledali veliko transportno letalo, za prevoz opreme in padalcev.

Razstavljenih je bilo tudi veliko civilnih, športnih in šolskih letal ter motornih in navadnih zmajev.

Proizvodnja in izvoz v Sloveniji počasi napreduje

LJUBLJANA — Slovenski statistični zavod je objavil podatke o proizvodnji slovenske industrije v mesecu avgustu, ki kažejo, da je slovenska industrija v tem mesecu izdelala za 1,4 odstotka manj, kot je bila avgusta lani. V prvih osmih mesecih letos v primerjavi s prvim osmimi meseci lani pa je slovenska industrija izdelala za 1,4 odstotka več. Gospodarski načrti za 1986 so predvidevali industrijsko porast 2,4 odstotka, torej v Sloveniji zaostajajo za zastavljenimi cilji.

Očitneje trpi letos v primerjavi z lani slovenski izvoz, saj je bil avgustovski kar za desetino pičljivi od lanskega.

Slovenski učitelji naj slovenski jezik res obvladajo

STATENBERG — Skupina 40 slovenskih pisateljev so se zbrali na dvodnevni razpravi in med drugim zahtevali, da naj učbeniki v slovenskih šolah temeljijo na nacionalni književnosti, kar naj seveda velja tudi za druge narode SFRJ. Delo poroča: »Govor je bil...o tem, da bi morali po šolah slovenskemu izražanju posvečati vso skrb, tudi kadar gre za druge predmete in zahlevati, da slovenski jezik dobro obvladajo vsi učitelji, ne le slovenisti...«

POJASNILO

(Nadaljevanje s str. 3)

In zdaj v svobodni Ameriki naj grem v njihov dom proslavljat 70-letnico slovenske fare! Nikoli! Kočevarji mrzijo Slovence in še vedno misijo, da so kot Nemci nekaj boljšega od nas. Zato pa ni ne oblasti ne človeka, ki bi me spravil v dom tistih, ki me mrzijo.

Lahko bi več napisal, pa ne bom. Za zavednega Slovence so gornje besede dovolj.

Dr. ZDRAVKO KALAN
(Dachausska štev. 108035)

Kolinska na Mirni znatno povečala svoje zmogljivosti

MIRNA NA DOLENJSKEM — Pred kratkim so v tovarni za proizvodnjo otroške hrane in predelavo krompirja ljubljanske Kovinske na Mirni odprli nove proizvodne prostore. Novi prostori omogočajo povečanje proizvodnje za 50%, torej od sedanjih 2000 na 3000 ton končnih izdelkov. Do leta 1990 nameravajo proizvodne zmogljivosti za nadaljnjih 50 odstotkov, kar jih bo uvrstilo med večje proizvajalce hrane v SFRJ.

Misijonska srečanja in pomenki

(Nadaljevanje s str. 4)

Kako bomo mogli vse to uresničiti, o tem bo treba še razmišljati in se pogovarjati. Upam pa, da bodo duhovniki in redovniki radi sodelovali in da nas bodo verniki podprtli v naši domači Cerkvi na Slovenskem in v zdomstvu.

Vesel sem misijonske usmerjenosti

Cerkve na Slovenskem. Vendar ne bi mogel reči, da je Cerkev na Slovenskem dovolj misijonsko usmerjena. Še veliko je mogoče in potrebno storiti. Pričakujem pa, da nam bodo misijonarji sami in tisti, ki še bolj pozna razmere, predlagali še druge stvari. Pri tem bi pa rad poudaril, da ne gre samo za naše misijonarje v Zambiji in na Madagaskarju, temveč tudi za tiste po vseh drugih deželah v Afriki ali Aziji ali Južni Ameriki. Naši misijonarji in misjonarke so povsod po svetu in z vsemi se čutimo povezani.

Zdi se mi, da je naša najbolj nujna naloga, da sami nenehno prenavljamo in poglabljamo svoje versko življenje, da bi bila zares živa Cerkev močne vere, trdnega upanja in nesibične ljubezni, Cerkev, ki moli in obhaja zakramente, posebno Evharistijo. Če bi ne bili sami živa Cerkev, potem bi bila naša pomoč misijonarjem pravzaprav neka zunanjost, ki ne bi prihajala iz pravega vira življenja in iz pravega preprčanja.

Če je ves svet ena sama misijonska dežela, potem imamo tudi po vsem svetu isto misijonsko poslanstvo: graditi božje kraljestvo, oznanjati evangelij z besedo in dejanji, s svojim zgledom in v medsebojni ljubezni. Zato moramo biti med seboj čim tesneje povezani. Tega ne smemo prepustiti samo nekaterim gorečim misijonskim sodelavcem, ki storijo nekaj posebnega za misijone, ampak vsak se mora zavedati svojega misijonskega poslanstva kot kristjan in član Cerkev. V tem oziru je treba še zelo veliko storiti.« (Bo ſe)

Slovenska mladina se lahko nauči plesati polko in valček!

EASTLAKE, O. — Vsako sredo zvečer se sedaj vršijo plesne vaje v sobi štev. 242 v Euclid Shore Centru, E. 222 St. & Babbitt Rd. v Euclidu in sicer ob 7. uri zvečer. Polko in valček poučuje gdč. Jane Jakšič.

V prvo skupino, ki se je začela učiti v sredo, 10. septembra, se je prijavilo 43 oseb raznih starosti. Ti bodo v treh tednih končali s poukom osnovnega plesnega koraka in tako sposobni plesati polko in valček, ki sta vsekakor slovenska tradicionalna plesa.

Naša mladina ima sedaj zares lepo priliko, da se nauči plesati. Tako se ne bo več dolgočasila na slovenskih prireditvah in porokah in samo nestrošno čakala na »rock and roll« melodije! Pozivamo starše, da navdušijo našo mladino in jo prepriča, da se nauči plesati ta dva naša tradicionalna plesa, polko in valček namreč.

Za prijavo lahko poklicete učiteljico gdč. Jane Jakšič na tel. številko 391-0019, ali pa Dušana Maršiča na 946-4037. S tem bo vaše ime vključeno v seznam, nakar vas bodo telefonično obvestili o začetku pouka plesnih vaj, pri katerih boste sodelovali.

Upamo, da bodo slovenska društva podprla to akcijo, da se bo ta prilika učenja polke in valčka mogla nadaljevati. Žejlja je seveda, da bi se čimvečje število naše mladine naučilo plesati na slovensko narodno kakor tudi na narodno zabavno glasbo!

Združenje slovenskih društev (United Slovenian Society — U.S.S.) je že kot prvo nakanalo vsoto, ki se bo uporabila za kritje najemninskih stroškov za prostore v Euclid Shore Centru. Pridružite se tej akciji tudi vi oziroma vaše društvo!

RECIPES

LOW-CAL FETTUCCINE ALFREDO

1 cup low-fat cottage cheese
1 cup low-fat (1%) milk
1 egg yolk
1/2 teaspoon freshly ground pepper

2 tablespoons butter
1/2 cup grated Parmesan cheese, divided
8 ounces fettuccine noodles

In blender combine cottage cheese, milk, egg yolk and pepper; puree until smooth.

In small saucepan melt butter over low heat. Add puree and bring to a simmer, stirring occasionally. Stir in all but 4 teaspoons Parmesan.

Meanwhile, cook fettuccine according to package directions; drain. Toss with sauce. Sprinkle with remaining Parmesan. Makes 4 servings, 355 calories each.

HONEYED BEETS

Beet size varies greatly, and so will cooking time. Start checking for doneness after 20 minutes.

5 fresh medium beets (about 1 1/4 lbs.) or 2 cans (16 oz. each) julienned beets, drained
6 cups water
1 1/2 teaspoons salt, divided
2 tablespoons butter or margarine
1 medium onion, chopped
2 tablespoons honey
1 tablespoon lemon juice
1/8 teaspoon cinnamon
1 tablespoon snipped parsley

For fresh beets, cut all but 2 inches from tops. Wash beets and leave whole with root ends attached. In medium saucepan bring the water and 1 teaspoon salt to a boil. Add beets; cover and heat to boiling.

Reduce heat; simmer 25 minutes or until tender. Drain and let cool. When cool, slip off skins and julienne beets.

In medium skillet melt butter or margarine over medium heat. Add onion and cook until tender, about 5 minutes. Add beets, honey, lemon juice, remaining 1/2 teaspoon salt and cinnamon.

Cook, stirring occasionally, until beets are hot, about 5 minutes.

Sprinkle with parsley. Makes seven 1/2 cup servings, 65 calories each.

GRILLED CHICKEN

The crispy baked-on yogurt/bread-crumb topping tastes just as good as chicken skin — with a lot less fat and cholesterol

1/2 cup dried bread crumbs
1/4 teaspoon onion powder
1/4 teaspoon garlic powder
1/4 teaspoon salt
1/4 teaspoon cayenne pepper
1/8 teaspoon ground ginger
2 whole medium chicken breasts, halved and skinned
1/3 cup plain yogurt

About 1 hour before serving:

1. Prepare outdoor grill for barbecuing.
2. Mix crumbs and next 5 ingredients. Dip chicken into yogurt, then into crumb mixture.

3. Brush oil over grill rack. Place chicken on the grill, flesh-side up, over medium heat; bake 20 minutes. Turn chicken; bake 15 minutes longer or until fork-tender. Makes 4 servings. About 150 calories per serving.

To Broil in Oven: Brush top of broiling pan with oil. Place chicken, flesh-side down, on broiling pan. About 7 to 9 in-

ches from source of heat (or at 450°F.), broil chicken 20 minutes. Turn chicken, broil 15 minutes longer or until fork-tender.

Longest Running Daily Polka and Ethnic Radio Show

Tony Petkovsek has been on daily ethnic radio since 1961, or for 25 years. His popular polka music and community service program, which he produces and announces, is interspersed with interviews of political, civic and entertainment personalities, and can currently be heard daily on WELW AM 1330, NBN Cable and, on Sundays 1 to 2 p.m. on WCPN FM 90 (Cleveland Public Radio). For the last 15 years, the programs have been done on location at Tony's Polka Village and Specialty Shoppe, 971 East 185th Street, Cleveland, Ohio.

As vice president of Kollander World Travel, Inc., Petkovsek initiated polka and music tours in 1967 and hosted thousands of people on nearly every continent in the world and has been known, from Alaska, Hawaii and Europe to Argentina and Australia, as Cleveland's Polka Ambassador.

Tony also helped to establish the United Slovenian Society of Greater Cleveland from the Slak Committee, having served for many years as its president, and Cleveland Slovenian Radio Club, a volunteer group with John Pestotnik Chairman, which has raised tens of thousands of dollars for various charitable purposes, including the Slovener Home for the Aged. He also helped to initiate the only 30-piece concert band of its kind in the community — the United Slovenian Society Band which, in addition to annual concerts, has played at many festivals, parades, and charitable affairs in America and has also organized a very successful concert tour of Slovenia.

As a leader of the East 185th Street Business Association, he initiated the annual "Old World Festival" nine years ago, which has become one of the largest and most popular events of its kind in Greater Cleveland and Ohio.

Tony has been awarded over fifty proclamations and plaques from national, state, county and city representatives and organizations for his contributions to community and for his exemplary volunteerism over the years. In 1967, at the age of 26, he was also the youngest recipient ever of the Slovenian Man of the Year Award, presented by the Federation of Slovenian National Homes. A Mayor of Cleveland" and also presented with the special silver medal and plaque from Radio-TV Ljubljana (Slovenia) as the very first American to receive this honor.

Tony has the distinction of hosting the longest running daily polka and ethnic radio program for the past 25 uninterrupted years. He is assisted by Alice Kuhar and Joey Tomsick.

Memo From Madeline

By Madeline D. Debevec

The Northcoast Ceramic Invitational has now opened at Great Northern Corporate Center Art Gallery. The fall exhibit which will run through Nov. 28 features the works of 12 ceramic artists from the Greater Cleveland area.

Among the featured artists is **Dan T. Postotnik**. Dan graduated from the Cleveland Institute of Art in 1984, then apprenticed at the Moravian Pottery and Tile Works in Doylestown, Pennsylvania. His stylistically classical paintings on tile draw reference to the historical arts and architectural ornamentation. Their time - and culture-spanning conventions and motifs are the basis for much of his work.

His exhibit "Four Seasons" is a hand painted tile valued at \$4,000.

Our congenial "Danny" as he is referred to at the American Home demonstrated his artistic talents in the pages of the American Home. He is the son of **Daniel J. and Mollie R. Postotnik** of Cleveland.

Did you ever wonder where and how an artist works? Did you ever want to meet and talk to an artist whose work you admire? Did you know that there are many hundreds of artists who live and work in Northeast Ohio?

You are invited to celebrate Cleveland Art Focus '86 by getting acquainted with 60 artists and learn about their craft. What better place to do this than in the artists' own working environments — their studios.

During Artists' Open Studio Day, Sunday, Sept. 28, from noon to 6:00 p.m. you can visit any of these 60 artists studios.

Among them you can observe the sculptures of **Bernard M. Lavrisha** at 3033 Lorain Avenue. His works enhance the beauty and symbolism of the Lord's creation.

Bernard is the son of **Anton and Marica Lavrisha** of Cleveland.

Little Slovenia on St. Clair Ave.

St. Clair Avenue has a lot going for it. The St. Vitus Church and School, the Slovenian National Home, and plenty of shopping. The many Slovenian enterprises and well kept houses and gardens off St. Clair add beauty to the area.

We have a new spirit. Councilman Gus Frangos has been doing an outstanding job. He cannot devote all his time to this neighborhood because of the large size of Ward 13 which includes downtown, but somehow he does find the time to help and plan, and above all, to listen.

Have you seen the radical changes? The abandoned White Motors which has been replaced with a new school bus terminal.

The short block, formerly a messy lot and bar, is now a new restaurant, the Highlighter, with a clean parking area. A very appropriate name - highlighting the new spirit.

Let's all get behind the NEW SPIRIT. Plant a flower, some grass, use some paint, cut a weed, remove the eye sores. Get together with your neighbors. Say hello to all.

It will pay off in mutual respect, and flourish to make this neighborhood *Numero Uno*. Number One, Številka Ena.

Q. I have an aunt who just developed lung cancer. Isn't it unusual for a woman to get lung cancer?

A. It certainly was until recent years. But now more women die from lung cancer than from breast cancer. This tragic epidemic is caused by the increased number of women who smoke cigarettes for many years. In the last 30 years, the death rate for women with lung cancer has increased more than 500 percent. Approximately 30,000 female lung-cancer deaths this year are directly related to smoking.

Fortunately, there has been a decline in the number of male and female smokers in the last 10 years. There are more than 37 million ex-cigarette smokers in the U.S. today, yet approximately 32 percent of American adults still smoke cigarettes.

It has been shown that when a person quits smoking, their risk of developing lung cancer may decrease over the next few years. Smokers who would like some help in quitting are urged to write for a copy of the booklet, "Quit for Good".

Q. Are Hodgkin's disease and lymphoma the same thing? Can they be cured?

A. Both Hodgkin's disease and malignant lymphomas are lymph-node cancers. Although they have many clinical characteristics in common, they are considered separate diseases. Differences exist in the microscopic appearance and location of these tumors, and in their ultimate treatment.

It is important in both types of lymphomas that the extent of disease be established at the very beginning so that treatment aimed at cure can be instituted. In general, the less disease present at the time of diagnosis, the better the chance for cure. Treatments may involve radiation therapy alone, chemotherapy alone, or a combination of the two. Surgery is used for diagnostic purposes, but is not definitive treatment.

The frequency of these tumors in the U.S. population in 1986 is approximately 40,000 (in both adults and children). A great deal of research is currently under way seeking alternative methods of therapy with monoclonal antibodies, bone marrow transplantation and other chemicals called biologic response modifiers.

Clevelanders asked to help guide the city's developments to year 2000

by Michael D. Polensek

Councilman, Ward 11

The City of Cleveland is preparing public plans which will be used to guide development in the City of Cleveland to the year 2000. The second round of community meetings on this project is to be held during the month of October.

The meetings will be held in each of the city's eight "regions" and will focus on the issue of neighborhood "shopping centers."

Citizens will be asked to share their thoughts with city officials on needs and oppor-

tunities to improve shopping areas in Cleveland neighborhoods. At this time the City's Planning Commission is asking neighborhood organizations and churches to help publicize the meetings so the city's long-term plans will truly reflect the wishes of the residents.

The northeast area meeting will be held Thursday, Oct. 23 at 7:00 p.m. at the Collinwood Community Services Center, 813 E. 152 St. Please attend.

Jim's Journal

By James V. Debevec

Unbeknownst to many, there is a wide variety of individuals in the world: big persons, small, tall, short, smart, slow-witted, clever and those who like to plow along.

You can get in your car and spend weeks traveling from Cleveland to the Pacific and down to Florida, up to Maine and back again and you will find millions of personalities and hundreds of cultural distinctions.

And yet the Sunday morning newspaper magazine 10 days ago took it upon itself to point out what dull and strange personalities are to be found in the Greater Cleveland area. We were made out to be rubes, unwise to the sophisticated culture of the editor and the various writers.

This Monday we heard the Right Honorable Edward Heath, former Prime Minister of Great Britain, speak at a Town Hall of Cleveland lecture at Stouffers Inn on the Square. He said U.S. President Harry Truman was, "The most magnanimous man in human history," when he backed Secretary of State George C. Marshall on June 5, 1947. The Marshall Plan extended aid to European countries after the war. Congress authorized the spending of \$12 billion over the next four years for the project.

Although this country had been at war with other nations across the ocean, we were wise enough to realize that the best way for nations to get along is by helping each other, not destroying each other. The European countries have had the longest period of peace (among themselves) in their history since that time.

Mr. Heath further believes that the way out of the present economic difficulty (we and other European nations have lost our industrial productivity and become "service oriented") is to take a long-term view of our problems, and not just look for a three month solution.

Similar to the Marshall Plan he believes a 10-year effort is in order. He wants the banks to stop (for awhile) demanding their money back from third world nations, but let them use it to work out their troubles as was done at the end of the Second World War.

The Soviet Union's funds are being drained by Afghanistan just like Vietnam took ours. On their border, the Soviets are nervously facing the emerging new China with their potential nuclear forces. They are being met by the united forces in Europe and the U.S. while their domestic funds are being funneled into the military.

Mr. Heath feels the best thing to do is sit down and talk and discuss problems and come up with long-term solutions. It worked before and it could work now.

With television showing events from around the world

on instant broadcast into homes, it proves that some nations can no longer successfully run isolationist governments.

Like the world of many, many different nationalities a successful solution to economic problems can be worked out by realizing each other's differences and understanding them and yet using them for everyone's advantage.

The writers for the morning paper should likewise realize that there may be persons in areas of Cleveland who act differently than those in other parts of the country. Ideally, these individualities should not be mocked, but rather cultivated so their uniqueness may bloom into a beautiful jewel in the mosaic we call the United States.

As the European nations are finding out and we have believed for over 200 years, there are many tongues and many beliefs, but just one goal as set forth in the Declaration of Independence — "...certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness."

It has been said that when a society begins to take note of its artistic endeavors, civilization has been established.

This can easily be demonstrated with the Slovenian people and their rich love for music. Slovenians will sing at the drop of a hat. At the recent KSKJ convention in Indianapolis, during the first social gathering, delegates and friends from across the United States began to form a small circle to sing old Slovenian songs. Soon, the circle became bigger and bigger and the sound of beautiful singing filled the ballroom of the Adams Mark Hotel.

An example of the uplifting power of music occurred on Sunday, August 31 when the young Alpine Sextet celebrated their 10th anniversary by performing at Slovenska Pristava picnic grounds in Harpersfield, Ohio. For two weeks previously, I had had acute abdominal pains. That Sunday afternoon I was incapacitated in bed. But Madeline and I wanted to be at Pristava that day because it seemed that every time there was an event there, we had to be somewhere else and wanted to see the new dance pavilion there.

Upon arriving, I sat down and listened to the music. Gradually I began to feel a lot better. All of a sudden a few members of the Fantje na Vasi came on the stage and began singing along with the music from the band. Soon other 'Fantje' members joined in.

That music was so compelling, that I jumped up, grabbed Madeline, hustled into the new dance pavilion and danced and danced for a half hour straight. To this date, there

All Men Are Created Unequal

has been no reoccurrence of discomfort.

The Alpine Sextet and Fantje na Vasi are not only a delight to hear, but they make you feel good (literally) as well. A new prescription could be, take two aspirins and enjoy some great Slovenian music. It works wonders.

□ □ □

We read a Jack Anderson column this week concerning the popularity of cellular phones in one's car. It is one of the fastest growing fads in America today.

But lobbyists for the cellular phone industry want to make it a crime to eavesdrop on cellular phone conversations. As Jack Anderson sees it, this would be difficult to enforce.

Those friends of mine who have hobbies that involve radio transmissions and the like such as "hams" Joseph Zelle and Bob Mills from St. Vitus parish are constantly "fishing," that is turning the dial around seeking other hams.

In talking with them I became mildly interested in the invisible field of transmissions and consequently purchased a small radio which pulls in signals from all over the world.

There were times when listening to conversations between amateur radio operators were interesting, but most of the time it is painfully dull with enthusiasts talking about modulation and ionosphere and similar topics which only others of the same persuasion can understand.

But low and behold on occasion, there is a small area on the radio dial which catches mobile telephone conversations. Unintentionally, of course, I have caught fragments of dialogue from car phones and I can readily see why owners would not want other persons listening.

In all the talks I have heard, every one has been between men and their sweethearts.

Without really listening, naturally, conversations picked up have been about the kids, work, meals together, etc., and they always end with the man saying, "Well, I'm home now, I wonder what the wife has for dinner. I'll call

you tomorrow from work."

When you come to think of it, these conversations are much more interesting than those between hams. As a matter of fact they are more interesting than TV or AM radio talk shows.

This is the juice from which Gothic novels are based.

And it's coming at you every day across your FM dial. In fact, an "all-channel" UHF TV set can pick it up on channels 80 to 83 if the antenna is properly adjusted according to the Anderson article:

And all the while the driver thinks his conversation is private. He, he.

Fantje na Vasi singers Bart Slak (left) and Tom Srsen sing a few Slovenian songs accompanied by the Alpine Sextet.

Wherever Slovenians gather in the great outdoors, a balinka game is sure to be in progress as can be seen here at Pristava.

AMERIŠKA DOMOVINA, SEPTEMBER 26, 1986

New Director debuts for Glasbena Matica Concert

Although we are usually reluctant to say farewell to the summer season, the rush of fall activities tends to dispel our dread of the oncoming

cold weather. When you are planning your busy social calendar, the members of Glasbena Matica Slovenian Singing Society would like to

suggest you reserve Saturday, October 18 for an evening of fun-filled entertainment, including full course, family style dinner, concert and dance, as we present our annual fall concert.

This event will take place at the Slovenian National Home, 6417 St. Clair Avenue with doors opening at 6 p.m. for cocktails, dinner at 7 p.m., and musical presentation immediately following.

Last spring, in a farewell concert performance, our much beloved Vladimir Malekar retired as conductor after directing the chorus for 12 years, including a concert tour of Slovenia in 1978. Glasbena Matica members are looking forward with great anticipation to performing this fall under the direction of our new conductor, Marya Ashamalla.

Originally from Kranj, Slovenia, Mrs. Ashamalla received her bachelor's degree

and teaching certificate from the academy of music of the University of E. Kardelj, Ljubljana. She has an extensive musical background, having been a teacher of piano, accordion and music theory for many years, as well as head of music department of the Kranj Music School in Cerknje, member of professional choir Slovenska Filharmonija, youth choir director and conductor of men's octet and mixed choir.

She is also an accomplished pianist, having performed as accompanist for Slovene professional instrumentalists and opera singers.

We are delighted to have her wealth of talents at our disposal and hope you will

help to welcome her in her new capacity as Glasbena Matica chorus director with your attendance at our concert and dinner-dance on October 18th.

The program will feature traditional and favorite Slovenian melodies, as well as a few compositions from our director's personal library of Slovenian music and also several English medleys.

At the conclusion of the program, the Don Slogar Orchestra will be on stage instrumentalizing for your dancing pleasure and socializing.

Tickets are obtainable from any chorus member or by calling the chairman, John Vatovec, at 524-4053 after 4 p.m.

Dolores Sierputowski

Visitors to Slovenska Pristava, Slovenian recreation center located off the Geneva exit of Route I-90, were amazed to discover the new dance pavilion which was built this spring. This year Pristava is 25 years old and the Committee decided to add the outdoor dance area to the grounds as part of the celebration. Although the foundation is made of cement, strong wood was laid over the top enabling dancers to glide smoothly along.

Our Mothers' Day Dinners and the Christmas parties are always special events. The membership decides annually which worthy cause are to receive our contributions, with the Slovene Home for the Aged as the main recipient.

We are fortunate to have outstanding members as officers who meet new challenges with the help and best efforts of all the members.

The ladies who organize Circle three are to be remembered with admiration for their fine work in establishing the ideals and principles for future generations to follow.

On October 4, we will be celebrating 50 years of existence and will honor our 50-year members at a dinner-dance at the Slovene Society Home on Recher Ave. Dinner will be served at 5:30 p.m., followed by a short program. Dancing will be to the tunes of the exciting Joey Tomsick orchestra.

We hope you will join us on this special occasion. Tickets may be obtained from Sophia Skopitz, 481-1933, or Jean Petrick, 731-3873.

Our present officers are: Helen Vukcevic, president; Sophia Skopitz, vice-president; Johanna Weglarz, recording secretary; Frances Marn, financial secretary; Josephine Skabar, Dorothy Lamm, and Francine Weatherly, auditors.
