ROOSEVELTOVA IZJAVA

Washington, D. C. 11. jan. — Predsednik Roosevelt je zagotovil voditelje kongresa, ki so se oglašili v Beli hiši, da bo imel proste roke na konferenci "velike trojice." Kje in kdaj se bo vršila, še ni znano. To je bil tudi Rooseveltov odgovor kritikom zunanje politike njegove administracije. Dejal je, da ni ničesar obljubil na sestanku s premierjem Churchillom in maršalom Stalinom v Teheranu, Perziji, in pozneje na konferenci s Churchillom v Quebecu, Kanada, glede ureditve meje med Poljsko in sovjetsko Rusijo in ne o drugih problemih v Evropi, katere je vojna potisnila na površje.

Boji v Sloveniji

Novi jugoslovanski brzojavni urad je te dni o bojih v Sloveniji poslal naslednje poročilo:

V Sloveniji, na Dolenjskem, so naše čete, ki so 7. januarja sovražniku prizadele težke izgube, prešle k odločnim protinapadom in so zavzele Žužemberk, Ajdovec in Lipovec. Naše čete so z nasokom zavzele važno sovražno postojanko Polom in so s tem preprečile sovražni poskus, da bi olajšal pritisk na svoje postojanke ob levem bregu Krke od Kočevja.

Na Primorskem naše čete še dalje zasledujejo sovražnika in so zavzele važno križišče cest Col ter so presekale Gorica-Ponteba železniško progo.

Na Štajerskem je bila presekana proga Grobelno-Rogatec, en vlak pa je bil razstreljen na Celje-Maribor železniški progi.

Chicago. — Podpolkovnik Pulcifer, ki je pridržen uradu za obvezno vojaško službo, je izjavil, da bodo znesle ameriške izgube v decembru do 100.000 mož, kadar bo lista enkrat gotova.

† Mrs. Jennie Debevec

Cleveland, Ohio.

13. jan., zvečer, 15 minut čez enajsto, je umrla v Charity bolnišnici Mrs. Jennie Debevec, stanujoča na 1068 E. 174. St. Na 12. decembra jo je zadela kap na možganih. Mnogo je trpela in zdravniki so poskušali vse v svoji moči, da bi jo ohranili pri življenju, pa božja volja je bila drugače in smrt jo je rešila trpljenja.

Ob smrti je bila stara 47 let. Rojena je bila v Braziliji, odkoder so jo prinesli starši v Severno Ameriko, ko je bila stara eno leto. Bila je iz znane Kolarjeve družine, ki je imela svoj dom na 1023 E. 61. St.

Za njo žalujejo: soprog James Debevec, urednik Ameriške Domovine, sinovi: Edward, poročnik Robert, Petty Officer 1-C Ralph in Jimmy, star 6 let ter hčeri Bertha in Jean. Robert in Ralph sta doma. Prvi je bil poklican k bolni materi iz Arizone, drugi je pa dospel iz Anglije na dopust.

Dalje zapušča brata Mihaela Kolar, sestre: Mary in Rose Kolar ter Antoinette Larco, tri vnuke in mnogo drugih sorodnikov.

Bila je članica društva sv. Marije Magdalene 162 KSKJ, Clairwood 40 SDZ in podružnice 14 Slovenske ženske zveze.

Pokojna je bila blaga žena, skromna in tiha, vsa njena skrb je bila samo za družino, za hišo in dom.

Naj počiva v miru božjem! Prizadetim naše iskreno sozallje.

PREMIJE NA GRŠKEM

Aten, Grčija. 16. jan. — Danes je stopilo v veljavo premirje med upornimi grškimi levičarji ELAS in EAM stranke in med angleškimi četami, nahajajočimi se tukaj. Premirje je posredoval in izposloval angleški general Scobie, kar je ljudstvo z velikim veseljem pozdravilo in v ta namen prirediti veliko manifestacijo, po mestu. Angleške čete ne bodo več streljale na čete levičarjev (ELAS) in se bodo umaknile iz 21 okrajev Grčije, katere imajo levičarji v svoji oblasti. Na ta način bo sedanja civilna vojna na grškem končana.

Kralj Peter se ne strinja z sporazumom med Šubašičem-Titom

London, 11. jan. — Jugoslovanski kralj Peter je danes naznanil dva vzroka, zakaj da se ne strinja z sporazumom, ki sta ga dosegla dr. Šubašič in Tito, s katerim naj bi rešila problem vlade v Jugoslaviji.

Prvi vzrok je predlagana forma regenstva in drugi, ker bi glasom tega sporazuma dobil Tito absolutno legislativno moč, dokler ne bi dovršila postavodajna skupščina svojega dela.

To zadnje bi pomenilo, je izjavil kralj Peter, da bi se dalo vso moč v Jugoslaviji v roke eni sami politični skupini (Titovi).

NAŠ VOJNI DOLG NARASČA

Washington, D. C. — Junija meseca 1946, kakor je napovedal predsednik Roosevelt bo znašal 292 milijonov. Če se to razdeli na 138.000.000 prebivalcev, pride okrog \$2,118.00 na vsakega posameznika.

VELIKI TRIJE SE BODO SESTALI TA MESEC

London. — V diplomatskih krogih se govori, da se bodo koncem tega meseca sestali Roosevelt, Churchill in Stalin. To so seveda samo ugibanja. Tudi kraj sestanka je še tajnost.

Kratke vojne vesti

Velika ruska ofenziva

Rusi so pričeli s svojimi velikimi zimskimi ofenzivami, ki so sedaj že v polnem razmahu. Številne ruske čete so prekorale reko Nido ter prodirajo zdaj nevzdržno proti Šleziji. Dve nadaljni ruski koloni sta prešli v napad južno od Varšave, še dve nadaljni pa severno od poljskega glavnega mesta. Nemci poročajo tudi o silnem ruskem pritisku na Vzhodno Prusijo, kakor tudi na številne nove napade v Budimpešti, ki bo vsak trenutek padla v popolno rusko oblast.

Nemci poročajo, da imajo Rusi 15 pehotnih in približno 30 oklopnih divizij. Kako velikega obsega so te bitke v primeru z bitkami Amerikancev in drugih zaveznikov na zapadni fronti, bo razvidno iz primerjave, da imajo Amerikanci, Angležji, Kanadci in Francozi na zapadni fronti vsega skupaj 56 divizij. Totalna moč Rusov na vzhodni fronti je trikrat več, kot naša na zapadni, proti sebi pa imajo Rusi dvakrat toliko Nemcev, kot jih imajo zavezniki na zapadni fronti.

Prodiranje naših armad. Ameriška prva armada, angleška druga in ameriška prva armada so strnile svojo fronto ter se približujejo sedaj od treh strani mestu Houffalize, katero mesto je pred padcem. Skoro gotovo je, da bo mesto padlo v blast zaveznikov, predno bo izšla ta številka našega lista.

Odbit napad Japoncev na Burmi

Glavni stan vojaškega poveljstva na Cejlonu. — Vetranske čete 15. indijskega zbora, ki so konsolidirale svoje navedene izvojevane pozicije na obali Burme, so v bližini kraja Kyebona odbile silen japonski protinapad.

Sestanek Velike trojice

London. — Londonsko časopis je objavilo na svojih prvih straneh z velikimi črkami in v debelem tisku vest, da se bo prihodnji sestanek predsednika Roosevelta, premierja Churchilla in maršala Stalina vršil menda v Londonu in sicer koncem januarja.

Časopisje tudi poroča, da bo kmalu prispel v London Harry Hopkins, znani predsednikov svetovalec, ki bo pripravil vse potrebno za ta sestanek.

NEMŠKI URADNIKI BEŽE IZ SLOVENIJE

Radijska postaja Beograd poroča, da je gibanje Narodne osvobodilne fronte v Sloveniji in na Štajerskem zavzelo tako velik obseg, da nemški uradniki trumoma odhajajo iz mest in trgov, če ni v njih nemške posadke.

Družinam uradnikov je dovoljeno vzeti s seboj toliko prtljage, kolikor je hočejo in kolikor je morejo sami prenašati, toda uradnike pošilja v Nemčijo gestapo, ki je prevzel vse prevozne črte na Štajerskem. In poročilo dodaja: "Velika zbežanost prevladuje med domačimi izdajalci, katerim ni dovoljeno pobegniti, če pa kdo skuša pobegniti, ga Nemci pošljejo kopat na utrdbi."

Slovenska pionirka umrla

Mrs. Mary Grdina st.

Dne 11. jan. je lahko in mirno v Bogu zaspala Marija Grdina rojena Bizjak po pordnevni bolezni, v visoki častni starosti 84 let. O tej smrti se poroča iz družine njenih sinov in hčera, da jo je rešil angel miru ob osmi uri in 10 minut v četrtek zjutraj, ko so domači stali ob postelji ljubljene matere, katero so imeli vedno v velikemu spoštovanju. "Naša mama" so jo imenovali, vodili na okrog, ker je zadnje čase izgubila skoro ves vid, imela pa je še vedno veselje z otroci in obratno otroci z njo.

Rajna je bila rojena 8. novembra 1850, v vasi Podgoro pri Bistri, fara Vrhnika. Doma je bila izučena šivilja in to je bilo njeno veliko veselje tudi vse poznejše življenje tukaj v Ameriki, posebno še prva leta, ko so ženske največ nosile obleke narejene od domačih šivilj. Mnoge naše slovenske žene in dekleta so dobile delo in službo pri Grdinovih potom rajne Grdinove matere.

V Ameriko je dospela za soprogom z družino leta 1891, pred 53 leti. Soprog John Grdina je umrl 28. dec. 1922. V življenju je preživela mnogo trpkih let. Potovanje z družino v Ameriko za soprogom, mnoveča družina tu v Ameriki v letih depresije, težko delo z bordarji, potem z gostilno in med tem potovanje v zlato Kalifornijo z družino in nazaj, brez denarnih sredstev, vse to je bil križev pot, toda vzgojila je družino, katera je vzorna v naselbini. Ti-le otroci žalujejo zanjo: John, Math, Vitis, Cpl. Alojzij, ki je dospel par ur potem ko je umrla na obisk. Antoinette Kalish, Alice M. Vidmar, Jeanette M. Jakšič, Vera G. Virant, hči Mary poroč. Haffner je umrla pred leti. Zapušča tudi 23 vnukov in 6 pravnukov.

Pripadala je društvom: Sv. Marije Magdalene 162 KSKJ, Sv. Nikolaj 22. HBZ, Srca Marije, Jutranja zvezda in L. C. B. A. Njeno ime je poznano daleč po Ameriki s prvih časov. Mnogi se je bodo spomnili v molitvi, ki so v težkih časih dobili hrano in stanovanje pri Grdinovih. Naj blaga pionirka sedaj živi blaženi in večni mir. Preostanim pa izrekamo naše iskreno sozallje.

Spominjajte se na še, tako nebrečne stare domovine in darujte kaj v sklad JPO, slovenske sekcije!

LOVRAČ

spisal
JAN PLESTENJAK

Zazdelo se ji je da vidi pred seboj Lovrača mrtvega. Težko in mišičasto telo je zleknjeno po tleh, okrog ustnic je spleten venec krvavih pen, roke so stisnjene v pesti in izza polzaprth trepalnic gleda belina oči. Okrog njega stoje otroci, nekateri kleče in molijo, večji pa nemo gledajo.

"Zastrupil se je, zadnji čas je bil tako truden," tako jim poroča. To jo je tolažilo in nart ji je dozoreval.

Kar nič je ni osupnila njegova smrt in misel nanjo. Že nekaj tednov ji je bila pred očmi in vsakdanja ji je že postala, celo vzljubila jo je in si zaželela njene resničnosti.

"Bog ve, če bo res tako!" se je izpraševala.

"Vsi bodo rekli, da se je zastrupil, da se mu je zmešalo. Saj vere tako ni nič imel..." Niti malo ni dvomila, da ne bi ljudje tako verjeli. Zdelo se ji je kot pribito, ni si mogla misliti, da bi mogel kdo osumiti njo.

Bila je že v globeli in pred njo so zrasle hiše, druga za drugo. Dolinskih domačija je bila na koncu poti. "Pa bo ja doma, sporočila sem mu," je ugibala; korak ji je zastajal in vročina ji je udarjala v glavo.

Matevž je Lovrača že od nekdaj sovražil, Lovrač pa Matevža. Ze Matevževe oči so mu bile sumljive, vse zaprte vase, potuhnjene. Lovrač je obračal odkrite, močne ljudi. Matevž se je Lovrača nehoti ogibal. Ko pa ga je Lovrač zalotil v svoji hiši, kjer je vasačil in se mamil z Marijanico, tedaj je v njem vzkipele. Ljubosumje se je pomešalo s sovraštvom in tedaj je pobesnel. Zgrabil je Matevža, da so zapokale kosti.

"Lovrač, Lovrač, lepo te prosim, ne delaj greha, ne ubij ga!" je tulila Marijanica in se stiskala v kot, da bi ne izdala svojega sovražstva do moža in svoje ljubezni do Matevža.

"Molči!" je velel Lovrač, odnesel Matevža kot butaro drvskozi vrata in ga treščil na grobljo.

Matevža je od takrat prevzelo strupeno sovraštvo. "Boš že še poskusil, dedec. Če te jaz ne bom, te bo pa Marijanica," se je zaklel. Marijanica je vedela za sklep. Bala se ga ni, temveč veselila.

Marijanica se je vsa tresla, ko se je bližala bajti, kjer je stanoval Matevž. Zavila je po stopnicah in počasi odprla duri. Matevž jo je čakal.

"Sem že mislil, da te ne bo!" jo je odgovoril.

Vsa spehana je sedla kar na posteljo in Matevž se je takoj primaknil k njej. Bila je zasopla in vroča.

"Veš, da ne odneham!" je izgovorila v razburjenosti. Matevž jo je objel čez pas, ji nagnil glavo in strmel v njen obraz in oči. Ni se mu umikala, oklenila se ga je in drhtela.

"Saj me imaš še zmerom rada?"

"Koga pa drugega?"

"Vroč ti je, Marijanica, hočeš požirek slivovke?"

"Pa jo daj."

Natočil je kozarec in Marijanica ga je nagloma zvrnila.

"No, kako je?"

"Kaj če biti? Dedec je pust kot zmerom. Slini se okrog mene in se sladka; kot otrok je včasih, čisto šemast, kadar pa zroji, se ga res ustrašim. Kako pa grdo pogleda! Ti ne veš. Pa vse bi bilo, samo jaz ga ne maram pa ga ne maram. Saj ga še njegovi otroci ne marajo, mene imajo pa radi in dobro se razumemo."

"Kaj se pa menita?" je zasmehljivo pobaral Matevž.

"On bi se že menil, če bi se

jaz hotela!" je odvrnila mirno.

"Potem je res dolgečas!" je posmehljivo omenil Matevž.

"Še več kot dolgečas. Pekel je. Še ganiti se ne morem, povsod zija za menoj. Ne vem, zakaj se tako boji zame. Včasih me kar po pet minut gleda, kot bi me še nikoli ne videl. Strašno je to! Prej sem lahko delala, kar sem hotela. Veš, posebno, kar je tebe naletel pri meni."

"Lepo je bilo, ali ne?" jo je podražil Matevž.

"Bodi no tiho!" ga je hotela strmežljivo zavrniti, pa ji ni šlo. Srčala se je z njegovimi očmi in v obeh so zagoreli spomini.

"Ali misliš še dolgo tako trpeti?" je namignil Matevž.

"Oh, da bi se že preobrnilo. Pa kmalu!" je kriknila in še tesneje objela Matevža. "Prav nobenega greha ne bom imela, če ga spravim s sveta. Prav nihče ga ne bo pogrešal in vse drugače bomo potem živeli. Kdo bi pa živel pri takem dedcu in poslušal njegove litanije!"

"Pri meni ti ni dolgečas, ali ne?"

"Pri tebi bi bila pa zmerom rada."

"Le počakaj, vse še pride. Ali kdo ve, da hodiš k meni?"

"Nobeden. Saj nič ne povem, kam grem in kod sem hodila."

"Da se ne izdaš!"

"Jaz nikoli."

"Veš tisto je pripravljeno!"

"Torej si dobil? Ali bo?"

"Nič se ne boj, Marijanica, vse bo šlo gladko. Tako je narajeno, da mora zaleči."

"Saj bodo rekli, da se je sam?"

"Seveda bodo rekli, tebe ne bo nobeden dolžil. Ne skrbi. Neumno se moraš narediti, jokati moraš, kar narediti, jokati moraš, kar se da, njegovi otroci so pa tako na tvoji strani. Smili se ti pa tako nič ne. Jaz ga ne morem, kmalu bi me bil zadnjič ubil. Živinsko je delal me vse boli. Ti ne veš, kako je ta dedec močan. Z rokami bi nihče nič ne opravil. Tole bo

AMERIŠKE IZGUBE ZNAŠAJO
DOZDAJ 646.380 MOŽ

Washington. — Vojni tajnik Stimson poroča, da znašajo ameriške izgube v armadi 564.351 mož, pa med temi še niso štete izgube 16. decembra, ko so pričeli Nemci z ofenzivo na zapadni fronti.

V istem času ima pa mornarica izgube 82.029 mož, kar da skupaj izgube 646.380 od Pearl Harborja. V tem številu so zapadeli ubiti, ranjeni, pogrešani in zajeti.

JUGOSLAVIJA MORA DOBITI
TRST IN REKO

London. — Dr. Josip Smolaka, komisar za zunanje zadeve v jugoslovanskem odboru za narodno osvoboditev, je dejal, da ne more biti trajnega miru med Italijo in Jugoslavijo, če ne prideta Trst in Reka, ki tvorita geografično in ekonomsko enoto, pod Jugoslavijo. Slednja je pripravljena garantirati jezikovne pravice italijanski manjšini.

pa pomagalo."

Izvelkel je iz skrinje v papirju zavite praške in jih pokazal Marijanici. Marijanico je pretreslo. Ni ji šlo v glavo: to malo drobcev, pa naj ugonobi najmočnejšega človeka. Misli so ji švigale po glavi in zasenčilo se ji je pred očmi. Ni bila to vest, bila je bolj bojazen, če sploh učinkuje taka malenkost.

"Pa je dosti toliko?" je radovedno, pa vendar v zadregi vprašala.

"Popolnoma dosti! Jaz že vem, koliko je treba," ji je razlagal. Ni mu mogla gledati v oči. Stisnil jo je k sebi in tudi ona se ga je oklenila.

"Marijanica, potem boš pa samo moja, ali ne?"

"Bom!"

Otresla se je vseh težkih misli in živela samo v tem, kako bo prijetno življenje z Matevžem, kako se bosta vozila, nje-

la na veselice in plesala.

"Kako pa naj ravnam s tem?" ga je nežno vprašala.

"I, kako! V večerjo mu natriši, saj dedec veliko je, pa mu bo za zmerom zaleglo. Samo da se ne izdaš, ker potem sva izgubljena. Ne poznaš ga še. Ni kar tako. Ne boji se ga zastonj vsa soseska. Bodi previdna, to ti rečem, ne zini nikomur. Meni se smiliš v takem peklju, zato ti pomagam. Sam pa tudi obračunam z njim. Prokletost me je zdelal," je grozil Matevž.

"Molčala bom kot grob. Kaj pa, če bi strup premagal? Kaj potem?" jo je zaskrbelo.

"Ne bo! Ga ni živega, ki bi prenesel tistole," je zatrjeval Matevž.

Marijanica še ni razumela, kako je to mogoče, in ni se mogla namišljati, da bi Lovrač s svojo strašno močjo podlegel. Samo v tem so kolobarile njene

misli, više se niso povzpele iz

slepote.

"Matevž, pa da me potem ne boš zavrgel," ga je pritajeno vpraševala.

"Tebe da bi zavrgel? Nikoli! Saj bova prijetno živela, ne bo sama sile. Če nama gori ne bo vseč, prodava in se preseliva!"

"Kdaj se pa vzameva?"

"Prehitro se ne smeja, bi bilo sumljivo."

"Zakaj?"

"Rekli bi, komaj ga je spremlila v grob, že se je omožila. Saj veš, kako je z ljudmi. Povsod črno gledajo."

"Po treh mesecih pač?"

"Kaj še! Čez šest mesecev komaj. Dolgečas ti ne bo, bom že k tebi hodil pa delati ti bom pomagal in nihče se ne bo obregal ob to. Nazadnje bova pa razkričala med ljudi, da se vzameva!"

"Kakor veš, ti boš že znal!"

mu je pritrdila in vesela je bila.

CLEVELAND LODGE ENLISTS MEMBERS, TO HOLD DANCE JAN. 20.

Cleveland, O. — The first meeting of Christ the King Society, No. 226, in 1945, started with the enlistment of four new members. They are: Mrs. Sylvia Jansa, wife of our vice president; William Jansa, his brother, who formerly was a member of the Knights of Trinity Society in Brooklyn, also a member of the American Numismatic Association and a bowling booster; Misses Beatrice and Bernetta Jackomin, nieces of Treasurer J. Trunk, both good singers.

Post-war plans for our lodge are really good. Plans for a singing club were discussed and many other things are yet to be planned so that our servicemen will really have something nice to come home to.

WHITE FRONTS SURPRISE BY TRIPPING LEADERS AND THROWING LEAD INTO TIE

Joliet, Ill. — The feature of last week's Joliet KSKJ Men's Bowling League session was the surprise upset of the Tezak Florists (first place) team by the White Front Liquors, who won two games. It was a nite of low scores for most of the individual bowlers, as only two 200 or better games were rolled.

Tezak Florists 817 778 883
White Fronts 839 865 711

The White Front Liquors were "hot" the first two games and tripped the Tezak Florists. In the last game, the Tezak Florists trounced the Liquors, and stayed in first place — tied with the Slovenic Coals. Hank Adamich (subbing for good Old 679 Bluth) topped the White Front scores with his 521 series, while Frank Gregory's 539 series topped the Tezak scores.

Slovenic Coals 858 753 814
The Eagle Store 840 768 771

By winning two games from the Eagle Store team, the Slo-

venic Coals bounced back into a first place tie with the Tezak Florists. John Churnovich's 554 and Tony Buchar's 503 series were tops for the Slovenic Coals while Andy Kludovich's 543 series sparked the Eagle cause.

Avsec Printers 784 808 760
Peerless Prints 864 821 826

The Peerless Printers made a clean sweep of their series with the Avsec Printers. Rudy Ramuta's 521, Frank Ramuta's 518 and Eddie Carpenter's 518 series were high for the Avsecs.

Ten Pin Topples . . .

It was a very bad nite for the bowlers . . . with poor scores prevailing . . . the only members of the weekly 200 honor roll were: Eddie Carpenter 224 (good for the evening's prize), and Gene Tezak, 202 . . . a new bowler was welcomed into the league . . . MEETING NOTICE

Pittsburgh, Pa. — The first meeting of the year 1945 of Mother of Seven Sorrows Society will take place Sunday, Jan. 21, promptly at 2:30 p. m. All members are invited to attend this meeting at which time the trustees will give their report and the secretary will read the financial statement for the past year.

Why don't you resolve to attend all the meetings this year? It is a very good habit to form, as it keeps you in touch with the activities and business of your lodge. The meetings are not long and are conducted in a very satisfactory manner. The committee will do all they can to see that the lodge progresses, financially and in number, but we always need your co-operation and good will.

According to the resolution passed by the Supreme Board last July, all members in the over-70 class, after January 1, 1945, will have to pay 42c more each month. The K. S. K. J. will continue paying only the mortuary assessment for these members who were 70 years old on or before June 30, 1944. This is being done in order to take care of the deficit in this over-70 fund.

Mrs. Mary Jurgel, one of our members of long years standing, died Jan. 8, 1945. Mrs. Jurgel always took an active interest in the lodge and attended meetings as regularly as her health would permit. She was also present each time the lodge received Holy Communion in a body. Prayers of the members are requested for the repose of her soul. Our sympathy is extended to the family of Mrs. Jurgel who have lost their greatest treasure.

CHI STEPHEN'S PARISH WOMEN TO HOLD CARD PARTY FOR SERVICEMEN'S BENEFIT

Chicago, Ill. — On Sunday, Jan. 21, the women of St. Stephen's Parish will sponsor a big Card Party, of course, something else will also be played, for the benefit of the American Slovene Servicemen's Aid and Yugoslav Relief.

I don't think it is necessary for anyone to tell about the work of either of these organizations. The Servicemen's Aid has done much for the boys of the parish who are in the armed forces and is preparing to give aid to the boys on their return home. As for the Yugoslav Relief, you all know what that means—Relief—and that costs money. So you see, both are very worthy causes and it is our duty to support them. You can do a

good turn for somebody and have a good time for yourself at the same time.

Admission is only 50c, tax included. Tickets may be obtained from the officers of the different lodges in the parish or at the door.

The Card Party will be held at the St. Stephen's School Hall, Cermak Rd. and Wolcott Ave., and will commence at 2 p. m.

Come one, come all, and also bring your friends along. Where?—To the card party, of course. When?—Sunday, Jan. 21. What time?—At 2 p. m. What place?—St. Stephen's School Hall, Cermak Rd. and Wolcott Ave. Purpose?—To have a good time. Committee.

JANCER
1110 Third St.
Salle, Ill.

Our study this week is concerning thiamin, otherwise known as vitamin B.

Vitamin B and B1 is found in whole grains such as rice, wheat, oatmeal, and the like. Yeast is an excellent source as are milk and eggs.

Thiamin cannot be stored in the body in any quantity, it is lost in milling and refining cereals, therefore whole-grain cereals are richer in vitamin B.

The presence of thiamin in the body promotes well being of the nerves, it stimulates the appetite and assimilation of food, as it is complete in starch and sugar chemistry. It also burns up acids of tiredness.

Complete absence of thiamin in the body causes beriberi, a dreaded sickness. Children should be given enough oatmeal and other cereals to maintain the proper growth of their bodies.

Besides cereals good sources of vitamins are found in the following: dried pinto beans, dried soy beans, dried apricots, dried kidney beans, dried pears, dried peaches, dried peas, dried lima beans, beet greens, avocados, green asparagus, brussels sprouts, prunes, cauliflower, sweet corn, bananas.

Axtec Baked Beans

3 cups canned red kidney beans, 1½ cups canned tomatoes, 1 pimiento, minced, ¼ cup deviled ham, 1 medium sized onion, minced, ¼ teaspoon salt, dash of pepper, ¾ teaspoon curry powder, 1½ tablespoons molasses, 1½ tablespoons sugar, 6 strips thinly sliced bacon.

Mix all ingredients except bacon; turn into greased casserole, arrange bacon on top and bake in moderate oven about 30 minutes, or until bacon is crisp. Makes 6 portions.

Oatmeal Hermits

1½ cups sifted flour, 2 teaspoons baking powder, ½ teaspoon salt, ½ teaspoon cinnamon, 2 cups oatmeal, 1 cup seeded raisins, ½ cup shortening, 1 cup sugar, 2 eggs, ½ cup milk.

Mix and sift flour, baking powder, salt and cinnamon; stir in oatmeal and raisins. Cream shortening, gradually beat in sugar, then eggs; stir in flour-oatmeal mixture alternately with milk. Drop from teaspoon on greased baking sheet and bake in moderate oven about 15 minutes. Makes 3 dozen cookies, containing vitamin B, and children like them.

Oatmeal Fruit Pudding

4 large apples, ¼ cup butter, melted, ½ cup firmly packed brown sugar, ½ cup raisins, 2 cups cooked oatmeal, ½ teaspoon cinnamon.

Pare and dice apples, saute in butter until browned; add sugar and cook over low heat, stirring constantly until apples are glazed and sugar begins to melt. Place alternate layers of apples, raisins and oatmeal in greased baking

MARCH OF DIMES DRIVE

Cleveland, O. — An outstanding number of prominent citizens supported by an army of volunteer workers, is organized for the twelfth annual March of Dimes Campaign, to be held Jan. 14 to 31. Under the leadership of Common Pleas Judge Frank J. Merrick, the urgent drive to combat infantile paralysis will be held during the above mentioned days.

Never was there a greater need for support of the work of the National Foundation for Infantile Paralysis, Inc. Last year's epidemic swept the nation, was the worst in 28 years. It was particularly bad in Ohio and in Cuyahoga County, where there were 271 cases.

Campaign headquarters already have been opened in the War Service Center in Public Square. Richard L. Kroesen of Cleveland is state chairman, and Governor Frank J. Lausche issued a proclamation urging support of the March of Dimes drive, as one of his first official acts. Half of the funds raised remain in this county for local needs.

"THE BEST THINGS IN LIFE ARE FREE" TO KNOWING ONES

"In these trying times selfish people are apt to grumble because they cannot easily procure everything they become used to in times of peace," comments Gilbert H. Knight. "They fret and fume and waste much energy in chasing after things that actually mean very little. They have a poor sense of values."

"Most good things in life are lying right in our lap awaiting recognition. The song of the robin at early morn—the gentle slap of the waves against a rocky shore—the scent of lilacs—the painted sky of the setting sun — the beams of moonlight through tall leafy trees—the rustle of the evening breeze—the tight little grasp of baby fingers — the quiet love of your family—the respect of your associates — the glow of your conscience telling you that you did a good day's work, the repose in the evening as your brain and muscles relax — the comfort of a good book — the strains of music. All that is needed is that you have eyes that see, ears that can listen, and an understanding heart, and all these blessings and many others are yours." — The Fraternal Monitor.

Wounded in France

Cleveland, O. — Pfc. Victor R. Gerbic, 28, son of Mrs. Mary Gerbic, was wounded in France during the first part of November. Overseas since last September, the soldier entered the Army in Nov. 1941. Pfc. Gerbic worked at the Euclid Electric Co. His brother, Anthony is with the Seabees in the Philippines.

Employed at the Continental Products Co., Pvt. Hribar entered service March 25, 1944, and went overseas in August.

Real Wealth

Discouraging on man's unseemly struggle for gain, Socrates once said, "Could I climb to the highest place in Athens, I would lift up my voice and proclaim: 'Fellow citizens, why do ye turn and scrape every stone to gather wealth, and take so little care of your children, to whom one day you must relinquish it all?'"

MARRIAGE LASTS FOR LIFE

Simply because our civil couples that we are impelled to repeat them for our readers' guidance.

"Is there," he asks, "a reasonable degree of similarity between you in regard to the recreations you like? Could you both enjoy staying home in the evening, especially after the children are born? Are there any habits of your intended mate that get on your nerves and which you find it very hard to overlook? Do you fit into about the same kind of social life? Does each of you get along with the other's family? Are you able to harmonize judgments on things that pertain to family life: food, kind of house, furnishings? Have you the same religion and the same standards as to practice? Is your attitude toward children the same?"

"Do you feel at ease together whether you discuss the weather or make love? Can your intended wife cook and make the house a home? Would motherhood be a vocation for her? Is she convinced that motherhood is an all-day and all-night job? Does your intended husband like children? Does he like to work? Can he hold a job? Has he a sense of responsibility? Is he grown up or does he have to be pampered? When you are wrong, does each of you admit, and are you willing to pass graciously over the other's mistake?"

KINDNESS AND CONSIDERATION

A good executive never commands where he can request. He knows that people do not like to be peremptorily ordered about.

This may seem to be very obvious. Yet many persons seem to forget all about it as soon as they acquire a little authority.

Did you ever listen to the boss of a road gang explaining his wishes to the men under him? He is usually an interesting study.

His station in life is certainly not lofty. Yet he generally rules his little kingdom like the most despotic autocrat.

No fair words for him! No sentimental respect for the feelings of his workers. It's all command — loud and insistent — often backed up with emphatic and stimulating oaths.

Is he winning the affection of the men under him? No, but he is feeding his great opinion of himself. His men may detest him and do it when he isn't looking. But his overbearing insolence will feed his own vanity.

After you have studied the gang boss for a while drop in at the office of some really important executive. Hear him give a few orders to his helpers.

If the man is really big his orders will take the form of courteous requests. You will hear him ask his subordinates instead of telling them to do things. Yet they will be orders just the same.

The smart executive knows that there is a vast difference between "Will you please do this?" and "Do this." The one soothes pride. The other outrages it.

There may be no good reason for the existence of such pride. Orders have to be given, apparently, and they have to be carried out. Why, then,
