## ZOPETNI IZREDNI ASESMENT ZA POŠKODNINSKI SKLAD

Najbolj težavno in neljubo de'lo za vsakega glavnega tajnika kake podporne organizacije je tedaj, ko mora razpisati kak izredni asesment, kar vrši v smislu pravil in z dovoljenjem celotnega odbora. Na uradni (5.) strani današnje izdaje čitate da je zopet razpisan poseben asesment 25c za poškodninski in operacijski sklad, ker se v tem skladu nahaja primanjkljaj. Vsak član(ca), ki je bil operiran meseca oktobra ali bo operiran meseca novembra, ali decembra, ali pa poškodovan, bo težko čakal iz glavnega urada ček za podporo. Ker se pa iz prazne blagajne ali sklada ne more podpir nakazovati, zato je razpisan zopet poseben asesment za ta sklad.

Star hrvatski pregovor nam pravi: Malo novaca, malo muzike. — Le dobro pregledajte in prečitajte na strani 29 Jednotinih pravil vseh 13 označb raznih poškodb in na strani 30-31 dvajset različnih operacij za katere plačuje naša Jednota lepe podpore in vse to samo proti 13c mesečnega asesmenta za ta skupni sklad. Vse druge bratske organizacije so že znižale slične podpore, samo naša ne.

Iz zapisnika zadnje polletne seje gl. odbora vidimo na pr. strani Glasila št. 32 sledeče poročilo brata gl. tajnika:

### Poškodninski sklad

Poškodovanih in operiranih je bilo 272 članov. Za poškodbe in operacije se je izplačalo \$23,950.00.

Poškodninski in operacijski asesment za prvo polovico letošnjega leta je znašal \$19,431.37.

Razvidno je torej, da se je izplačalo \$4,518.63 več podpore, kakor pa je članstvo vplačalo na asesmentih.

Dokaz temu je, da sedanji poškodninski asesment nikakor ne zadostuje za kritje in izplačilo poškodninskih in operacijskih podpor. Ako se razmere v tem pogledu ne bodo izboljšale, bo treba v doglednem času razpisati poseben asesment.

Žal, da se razmere v tem pogledu res niso izboljšale, pač se poslabšale.

Koncem lanskega leta je bilo v omenjenem skladu \$ 6,533.37  
Asesment od 1. jan. do 30. sept. 1935 je znašal 28,137.78

Skupaj \$34,671.15  
Od 1. jan. do 30. sept. se je izplačalo za operacije in poškodbe \$34,425.00

Primanjkljaj 30. septembra 1935 \$ 753.85

Nihče naj torej ne godrnja ali se jezi vsled zopetnega razpisa posebnega asesmenta za ta sklad, kajti brez denarja se ne more plačevati nikakih podpor. V obče pa naše članstvo raje plačuje poseben asesment za poškodnino in operacije, samo da prežema tako visoke in še vedno stare podpore. Imeli smo pred let splošno glasovanje za znižanje tožadnih podpor, pa je članstvo z veliko večino odglasovalo, da naj ostane po starem. Neki član je tekom tedanjega razmatriranja sledeče pisal v Glasilo: Raje plačam tekom štirih let štiri posebne asesmente po 50c, kar znaša samo \$2.00, kakor pa da bi se mi odtrgalo \$25.00 od operacijske podpore. Tako je sodil; kdor tako misli in računa, se gotovo ne bo hudoval vsled ponovnega razpisa tega asesmenta. Ravno glede te točke se je tudi debatiralo na zadnji konvenciji, pa je delegacija odobrila vse stare podpore in je k istim dostavila še celo nekaj novih.

Upamo, da bodo te vrstice zadostovale vsem razsodnim članom vsled ponovnega posebnega razpisa tega asesmenta.

## VESTI IZ SLOVENSkih NASELBIN

—V Evelethu, Minn., je umrla v visoki starosti Helena Čam-pa, ki je kot vdova prišla sem-pa pred 24 leti iz Nemčije in se potem poročila z rojakom Luko Čampo. Pred leti je drugič postala vdova, nakar je živel pri družini Johna Janca.

—V Jolietu, Ill., je umrla Ana Berčan, roj. Vidmar, doma iz Vrtače pri Semiču v Beli Krajini. Tu zapuša moža, štiri sinove, tri hčere, dva brata in sestro, v Chicagu pa drugo-ga brata.

—Milwaukee, Wis. — V soboto je umrl v okrajni bolnišnici v Wauwatosi Josip Kambič, star 45 let in doma iz Semiča v Beli Krajini. V Ameriki je živel 26 let in tu zapuša ženo, sina, pastorka, brata v Pueblu, Colo., strica Martina v Jolietu in sestrično Mary Rauh v Waukeganu.

Srečen in vesel je oni, kdo misli, da bo vedno lahko živel brez podpornega društva; toda sreča je opotočna.

## POTRES V MONTANI

(Izvirno poročilo.)

East Helena, Mont., 23. okt. —East Helena in Helena, glavno mesto Montane so pozorišče potresov. Zgodaj zjutraj dne 12. oktobra (ob 12:50) smo občutili prvi potresni sunek, ki je trajal do 12 sekund. Ze ta začetni sunek je zrahljal opeko na dimnikih in tudi na starih zidanih stavbah, ker so bile precej poškodovane. To se je nadaljevalo vsak dan, najbolj pa v noči 18. t. m., ko se je ob osmih zvečer precej hudo potreslo in kar naprej v preslednih nadaljevalo. Ob 10. zvečer je pa tako stresnilo, kot da se je celi svet podr. Ker sem se ravno malo časa prej spravil k počitku, sem se na mah zbudil, toda iz postelje nisem mogel skočiti takoj ker se je zibala kakor kaka lahka ladja na razburkanih valovih. Zahreščalo je vse po hiši ker se je vse prevrnilo; police so bile vse prazne, vse je padlo na tla kakor zrelo sadje z drevesa ob hudem viharju. Kakor hitro se malo pomiri, poskušam vzgati električno žarnico pri postelji, toda brez uspeha, nato po grabimo nekaj obleke kar v temi in zbežimo ven na prosto, ali pri vratih se srečamo s soso, ki si so tudi bežali misleč si, da bo drugje boljše. Med tem časom je bilo za nekaj minut mirno da smo prižgali sveče in si poiskali potrebno obleko; nisanje tako ni nihče mislil; še mali otroci so bili tako preplašeni, da niso mogli spati.

Ko se oblečemo, gremo po metu, kjer je bilo že mnogo ljudstva, ki sploh se niso šli k počitku; videlo se je tudi tiste, ki so bili že v gorki postelji, nekateri so nosili samo spalno obleko, drugi so bili zaviti v rjuhe in plahte in so preplašeni begali semintja po cestah in s ogledovalni razvaline, katere je potres povzročil. Kamenje, opeka, šipe, dimniki, vse je ležalo po tleh na hodnikih, ljudje so lahko samo sredi ceste hodili.

Ko tako hodimo, vidim, da gredo ljudje vsi v eno stran, kjer je stala prej visoka hiša iz opeke. Tukaj se je nudi žalosten prizor, kjer se je ponesrečila naša rojakinja Mrs. Sam Koich in njena hči. Ko se je začelo tresti, sta navedenki hbežali med dvema zidoma in zibe, pri begu se je pa zid porušil ter pokopal obe pod seboj, mater s hudimi poškodbami na glavi, 16 letni hčeri je pa zlomilo noge; obe se nahajate v bolnišnici.

Takoj po tej katastrofi so se razvile cele procesije v avtomobilih; veliko je tako vozilo noč in dan ker so se počutili bolj varne. Zatem potresni sunki niso bili več tako močni, dasi-ravno so se neprenehoma ponavljali in se še ponavljajo. Ravno danes ko to pišem me je zopet nekoliko potreslo.

Drugi dan po potresu sem tudi jaz napregel svojo "lizzie" in se podal na ogled po mestu, od tam pa v bližnje mesto Helena. Jako žalostna je bila ta pot in pretresljiva. Mesto Helena je bilo še veliko bolj prizadeto kakor pa naša naselbina na iztočni strani. Tam sem vi-

del tri hiše popolnoma uničene; družine, živeče v teh hišah so bile tudi vse več ali manj poškodovane in brez domovja. Po potresu so zvelikli nekaj opravil in posteljnih odelj, kar se je dalo potegniti iz razvalin, da so se odeli sebe in otroke. Le kratko pot naprej se je nudi gledalcu isti prizor: porušene so hiše, sole in tudi cerkve so precej prizadete; ker so vsi večji javni lokali zaprti, so zaprti tudi cerkve. Pri fari sv. Helene je bila 20. t. m. sv. maša na prostem.

Materijalna škoda vsled potresa je velika; v mestu Helena računajo isto na \$2,500,000; smrtno ponesrečeni sta dve osebi, ranjenih pa okrog 50; v naši naselbini je pa škoda ocenjena na \$75,000 in sta bili ranjeni dve osebi kakor že omenjeno.

Potres se je raztegnil po vsej zapadni Montani, do polnoči 22. oktobra je bilo oficijelno zaznamovanih 432 potresnih sunkov namreč od 12. oktobra ali tekom 10 dni. Kdaj bo tega konec, vendar nas naši lokalni časopisi tolažijo, da najhujše je že prestano, kar vsi iz srca želimo.

## KAJ PIŠE LJUBLJANSKI NADŠKOF DR. ROŽMAN O SVOJEM POTOVANJU V AMERIKO

V ljubljanskem dnevniku "Slovenec" z dne 5. oktobra je priobčil ljubljanski nadškof dr. Gregorij Rožman, ki se nahaja sedaj že med nami v Ameriki, sledeči dopis "S poti v Ameriko":

Na morju, 15. sept., 1935.

O vožnji po morju naj kaj poročam? Danes je prvič res lep in solnčen dan s svežim vetrom. Doslej je bilo oblačno, tužno in tudi za nebolne neprijetno. Vsaj tako trdi g. misijonar Ponikvar. Meni koj prvo jutro — 12. septembra — ni pustilo iz postelje. Zaman so bili vsi poskusi. Moral sem se vdati in tri dni se skrupolozno čedno držati v vodoravni legi. Vse prej, kot prijetno. Kabina je sicer dosti velika, zračna, a bolj temna. Dan in noč se vedno enako "guncati," imeti čuden občutek, da se vsakih deset sekund postavi skoraj na glavo, pri čemer grozi neprijetna zmešnjava v vsem drobovju. Mislim sem pri tem na služabnika božjega Barago, v kakšnih razmerah, brez vsake udobnosti se je on vozil čez ocean in koliko časa. G. Ponikvar, skrbni in zvesti obiskovalec, je poročal o vsem, kar se godi na ladji in na morju. Trdil je, da je precejšen vihar in da se dviga ladja vsaj kakih 5 m. Drugi dan je obležal tudi g. Oman. Oba druga spremljevalca, Anica Gnidovčeva in 80 letni Peršin, sta se ves čas junaško držala.

Težko mi je bilo, da dva dni niti brevira nisem mogel opraviti. Niti pol minute ni bilo varno glave dvigniti. V soboto (dne 14. septembra) se je zboljšalo. Preložil sem posteljo, da se nisem z glavo navzdol zibal, nekaj je veter ponehaval, nekaj se organizem navadi — in tako sem zvečer v varnem spremstvu g. Ponikvarja že napravil pol urni sprehod po krovu. Danes pa sem mogel opraviti sv. mašo, saj je tako lep spominski dan — žalostna Mati Božja — in ves dan more človek, na promenadnem krovu sedeč razmišljati na podlagi prekrasne oficije, česar v ljubljanskih preobilnih poslih nikakor ne bi mogel.

Da je g. Ponikvar junaško kljuboval, pripisujeva z g. Omanom njegovim škornjem, s katerimi široko stopa po vseh nadstropjih ladje. Treba si zapomniti to sredstvo zoper morske motnje ravnotežja! Pač pa je njegova ura — čisto nova iz Ljubljane — dobila moško bolezen. A g. Oman je precej hitro skuriral s tem, da jo je pošteno navil, kakor uri gre. Sicer pa je življenje na ladji dovolj monotono. Dnevno delati se mi ne da mnogo. Svet pa, ki ga je ladja do zadnjega kotička polna, saj nas je s posadko vred okroglo 5000 oseb, ima zabave dosti. Čez dan igre na krovu, kino, zvečer godba in ples. Pa se venomer spreoblačijo, vsakokrat prihajajo k mizi v drugačnih toaletah. Vsak ima svoje veselje. A prazno je, prazno. Mnogi cel dan posedajo na krovu po ležalnikih, čita-jo, si dajo tam servirati kosilo in popoldanski čaj. O solčenju ni več govora — saj vsak išče zavetja pred hladnim zahodnikom.

Danes so bile 4 sv. maše, pa je bilo pri vseh dosti ljudi, zlasti pri pozni, ki se je brala v veliki kino-dvorani. Vedejo se pri maši prav lepo. Tudi k sv. obhajilu jih po več pristopi vsak dan. Blizamo se ameriški celine. Ze so nas začeli poučevati o precej kompliciranem postopanju ameriških carinskih in zdravniških uradov.

16. septembra, 1935 — Zjutraj je nebo zastrto z oblaki. Včasih prodre solnce skozi oblake in potegne zdaj tu zdaj tam srebrno prgo čez temno zejeno morje. Veter je manj hladen. Prihaja nasproti od New Yorka, kjer je bilo po našem ladijskem dnevniku "Ocean Times" včeraj 34° C toplote.

Pri zajutruku, ki je bil precej pozno, saj je vsak poleg svoje maše bil še pri tleh, naju je g. Ponikvar presenetil z novico, da je njegova ura prvič šla vso noč prav in da se mu ni pripetilo kot doslej, da je vstal že ob 3. uri ali že prej ter strašil po samotnih krovih.

Na udobnem ležalniku pri svežem vetru sem razmišljal ves dopoldan o misijonih, ki me čakajo v Ameriki. G. Oman mi radevolje razlaga posebne razmere, med katere bom prišel. Dvojno bi moral vsak misijon doseči: da vsak resno in dosledno skrbi za svoje zveličanje in da med seboj živimo v odnosih ljubezni, ki ima na zemlji svoj vir v presv. Evharistiji. Ko sem v spremstvu zastopnika Cunarda, vljudnega Čeha, ki precej dobro obvlada "jugoslovansčino," ogledoval o-kolico Cherbourga, sem opazil, da je tam vsak kmet za se, ograjen z visokim zidom. Ne vidi sosed k sosedu, še sadovniki in vrtni so tako med seboj ločeni, le njive in pašniki so razmejeni z nižjim zidom, čez katerega je mogoč pogled. Izra-ti sem misel, da morajo biti francoski kmetje posebno močno razviti individualisti brez smisla za skupnost. Spremljevalec je potrdil in rekel, da je baš naša slovanska napaka "čredarstvo," da se čutimo pre-malno individue, zato je pa komu-nizem mogoč samo med slovanskim narodom. Ne vem, če grži ta trditve v vsem. A resnica je, da je vzor francoskega malega človeka: postati samosvoj, si prističiti majhno rento za stare dni in jo med visokim obzidjem v miru in po svo-je uživati. Taki ljudje niso pri-merni za komunistične poizkuse.

A vkljub temu se mi zdi, da pri tako izrazitem individualizmu mora trpeti ljubezni, ki naj veže tudi družine med seboj, ne samo člane ene družine, ki so v Franciji redoma zelo malo-številni. Pravilo je: trije.

So pa v Franciji važnost in pomen ljudskih misijonov že zdavnaj spoznali in se resno trudijo v tem oziru. Obiskal sem tudi Billville, od Cherbours-ja kakor Kamnik od Ljubljane. (Dolje na 4. strani)

Tajniki in tajnice so prošeni, da ta posebni asessment za november skolektirajo in ga z drugim odpošljejo na glavni urad. Vsak član (ica), izvzemši gorinavedenih je na podlagi Jednotinih pravil primoran plačati ta asessment da se pokrije deficit v omenjenem skladu.

### LINCOLN'S CONSIDERATION FOR A LITTLE GIRL

Abraham Lincoln is almost always pictured with a beard. But our beloved 16th president did not have a beard when he was elected to the highest office in our country. It was the request of an admiring little girl that prompted Lincoln to grow a beard.

Grace Bedell of Westfield, N. Y., wrote to Lincoln and told him that she thought he would have more dignity if he grew a beard. She suggested childishly that he permit it to grow between the time of his election and his inauguration in 1861.

When Abraham Lincoln was on his way to the nation's capital his train stopped at Westfield. The president-elect spoke to the townspeople from the rear platform of the train. After he had finished his brief address he asked whether Grace Bedell was among the listeners.

Little Grace was most certainly there. And she was in the front line of the throng close to the president. Strong arms lifted the shy lass upon the platform.

Abraham Lincoln picked Grace up and rubbed his stubby beard against her cheek. The delighted crowd roared approval of the president's affectionate action. But the little girl did not hear them. She heard only the great Lincoln's words spoken in her ear, "See, I have let it grow for you."

High school, college and Muncy league luminaries must participate in at least six (6) regular scheduled games in order to be eligible for the championship play-offs.

9. The game shall be played in four (4) quarters lasting eight (8) minutes each.

10. In the event of a tie in the regulation time an overtime period of three minutes duration shall be played. Any succeeding overtime periods shall also be of three (3) minutes duration.

## BILL HALLOWE'EN CADET PARTY

### Games, Prizes to Be Awarded at Social

Cleveland, O.—Another champ will be determined when the apples bob up and down in a tub at the Halloween party booked by the St. Joseph's Society, No. 169, for the Cadets Oct. 30 in the church hall.

The game, which usually provides a good laugh, and a good ducking, too, may crown a new champ. At any rate there will be a lot of fun with all the games arranged.

The party will start at 6 p. m. All cadet members are asked to be on hand, for the committee promises a very enjoyable time. Prizes will be awarded. Members are asked to come in costumes.

The committee making arrangements is composed of Josephine Kocin, Marie and Olga Lukanc, Florence Hrovat, Jennie Sulan and Frank Dolenc.

### AMERICA'S HUGE HEALTH ARMY

More than 1,500,000 persons in this country, according to an estimate in The Statistical Bulletin of the Metropolitan Life Insurance Company, are employed directly or indirectly in caring for the sick and preventing disease in this country—about one for every 80 persons otherwise engaged.

The list includes 161,000 legally qualified physicians, 24,000 attendants, 294,000 nurses, 150,000 "practical nurses," almost 5,000 physiotherapists, clinical-laboratory workers and masseurs; 70,000 dentists, 14,000 dentists' assistants, 2,000 oral hygienists, 20,000 dental technicians and assistants of various kinds; approximately 36,000 osteopaths, chiropractors and "healers," 47,000 midwives, 5,000 chiropodists, 20,000 optometrists; 663,000 hospital superintendents and other hospital personnel, 5,000 clinical attendants, 11,500 health department workers, and several thousands in private health organizations; 125,000 registered pharmacists, 17,000 assistant pharmacists, 60,000 apprentice pharmacists, and 2,500 medical-social workers.

### RIMMELE-KASTELLO

La Salle, Ill.—Announcement has been made of the marriage of Mr. Matthew Kastello, son of Mr. and Mrs. Anton Kastello of La Salle, to Miss Eva Rimmele, daughter of Mr. Roman Rimmele, also of La Salle. The ceremony was performed Saturday, Oct. 19, by the Rev. Fr. Paschal, pastor of St. Roch's Church. Mr. Kastello is a member of Holy Family Society, No. 5.

## KNIGHTS EXTEND WELCOME TO NEW PASTOR

Brooklyn, N. Y.—A committee of six members, representing the Knights of Trinity, were on hand at the welcoming reception and dance sponsored by Jerry Koprivsek and his church aid in honor of the arrival of their new pastor at St. Cyril's Church, 8th St., New York City.

Each of the knights was individually introduced to the new pastor, the Rev. Edward Gabrenja, formerly of Detroit, Mich. The boys took to the Rev. Fr. Edward like a duck takes to water (pardon the expression), finding him a man with a very likable disposition. His seeming willingness to chat with the boys on any and all subjects, spiritual or athletic, made a great impression on them. He seems to be a born leader and I wish to predict a new deal and a promising future for St. Cyril's Parish.

Being an American-born Slovenian, the Rev. Fr. Edward is well accustomed to modern conditions and he will more readily understand the wants and ambitions of the younger generation. His birthplace is Johnstown, Pa.

The ease with which he speaks the Slovenian language is rather surprising for an American-born. He is in a class all by himself, which I am sure he'll prove before a great length of time.

He is also a member of the KSKJ and just to what society he will transfer to is yet uncertain.

In the name of the Knights of Trinity I wish the Rev. Fr. Edward all the luck in the world. May God guide him in all his spiritual and worldly endeavors, so that success will be ever his.

With the 100 per cent hearty co-operation of his flock, the Rev. Fr. Edward should make his parish an enviable congregation.

In taking over the new pastorate he succeeded the Rev. Hyacinth Podgorshek.

John P. Staudohar.

### LEADERSHIP

A leader of men must make decisions quickly; be independent; act and stand firm! be a fighter; speak openly, plainly, frankly; make defeats his lessons; co-operate; co-ordinate; use the best of any alliances or allies; walk with active faith courageously toward danger or the unknown; create a staff; know, love, and represent the best interests of his followers; be loyal, true, frank, and faithful; reward loyalty; have a high, intelligent and worthy purpose and ideal. Do justice; love mercy; fear no man, but fear only God.

A new committee was also elected to start work on a new play just as soon as this one is completed. It is expected to present a second play shortly after Christmas.

### A CONSTITUTIONAL AMENDMENT

"The only alternative to a constitutional amendment to set up standards of social justice in industry is no standard at all, but a continuation of laissez-faire, individualism, liberalism and unlimited competition, all of which have been severely condemned by Pope Pius XI."—Social Justice in the 1935 Congress. ## Kay Jay Scores Hole in One

Cleveland, O.—For some it happens once in a lifetime, for others it never happens. To Martin Jeric, 14307 Westropp Ave., it happened Oct. 20 when he drove 145 yards on the ninth hole of the Willowick course and then learned that the ball was in the cup.

The hole-in-one played in a foursome. He is a member of St. Joseph's Society, No. 169.

## BUTTE WELCOMES ARCHBISHOP ROZMAN

Butte, Mont.—An event that will be long remembered and cherished by every Butte person was the coming of the Most Rev. Gregorij Rozman, Archbishop of Ljubljana, Oct. 20, here where he was the guest of the Rev. Father Pirnat, pastor of Holy Savior Church.

The parishioners gave a banquet in honor of the distinguished visitor.

The talk given by the Archbishop was an inspiring one, and to all the people from Slovenia it brought memories of joy from their fatherland. That they could aid in his plans, must have been in their hearts.

So inspiring were his words of the Slovenian country it brought to the American Slovenians a yearning to see this lovely land where there is untold beauty. With its humor and humbleness it must be a paradise. Vividly he portrayed our Catholic faith, and it has been a memory to all who heard of his wonderful teaching.

We were all impressed with the talk given by the Rev. Father Oman of Cleveland. Cleveland is fortunate in having such a zealous person in its community. He would be a great gain to any parish.

Butte was fortunate and is indeed thankful in having as its guests such distinguished men. It is the hope of everyone that the visitors were impressed with the glorious West, with the Montana climate, its gorgeous mountains and the hospitality of Butte, where we are all neighbors.

### A GUARANTEE

A life insurance policy is not an ordinary commodity—bought and sold merely for profit. It provides these guarantees:

That the death of a salary will become the birth of a monthly income.

That the wife's usual pay envelope will be continued to the widow.

That the child may lose a father but will not lack a mother's care.

That education will be the birthright a father's death cannot take away.

That the "old man's dollars" may be taken from the young man's pocket and then years later marched back to keep that same man, grown old, from old age dependency—that economic scourge.

## ACTIVITY IN PENNSY BOOSTER CLUBS READY TO BOOM; PLAN EVENTS

Canonsburg, Pa.—Activities among the booster clubs of western Pennsylvania are again in a booming stage. Every club in the district has definitely set up a social program for the fall season.

Beaver Valley again seems to have taken the lead in this line of activity. With Ambridge taking the lead, social events of other clubs are in the making. As already reported, the Ambridge Boosters, headed by the Rosenberger clan, Svegals, Koselas and their many faithful supporters are holding a gala dance at the Croatian Hall on Nov. 16, with Will Click and his famous Penn

State Collegians supplying the music for the evening. With the committee promising the biggest surprise event of the year, the Canonsburg Boosters are planning to send the biggest delegation ever represented in Ambridge. If the affair is to be something better than the one held last spring, every booster in western Pennsylvania should attend this affair.

Following this event the Canonsburg Boosters are planning on holding a penny bingo and a dance on the 17th and 24th of November. Surprise packages are going to be plentiful, so don't fail to attend and enjoy an evening full of fun.

Another date of interest that the western Pennsylvania boosters should keep in mind is the day before Thanksgiving, on which night the Pitt Boosters are to hold their first fall social event by sponsoring a dance. This will be a good night to attend such an affair, for the following day is Thanksgiving and will give you all a chance to rest your feet after a night's fantastic stepping.

With the year of 1935 coming to a gradual close, the Canonsburg Boosters announce their biggest social event of the year, a novelty dance on New Year Eve, which is to ring out the old and ring in the new. The dancing hours are from 10 to 2. The band to supply the music for this gala affair will be announced very shortly. Boosters of western Pennsylvania, don't forget that New Year Eve is boosters' night in Canonsburg.

Locally the boosters of Canonsburg are asked not to forget the Pioneer dance which is to be held at the SNPJ Hall within the near future. Let's make this a 100 attendance and continue to show that great spirit of co-operation that has existed between the organizations.

John Bevec.

### GAMBLING

From the minute we are born we acquire the habit of gambling and retain it until we die. We gamble when we go out into a public street and attempt to get across before the traffic lights change. We gamble when we invest money in a certain business. We gamble when we change from one job to another, hoping for the best. Life is a long series of gambles. Sometimes we win, sometimes we lose.

There is one kind of gambling which we can partake in and be sure that we can't lose. The cards in this game are stacked for us. There is only one outcome in the game—we win.

The game referred to is insurance. We pay a relatively small sum as the stakes. If we die suddenly or become incapacitated a sum many times greater is left for our loved ones. If we are fortunate enough to live a long life we have lost nothing. The payments have been accumulated and interest added.

If you know of anyone who wants to get in on a "sure thing," a gamble on which he can't lose, tell him about membership in the KSKJ, which offers insurance at rates which cannot be bettered by any other organization.

## BARAGA SOCIETY ORGANIZES GROUP TO BOOST KSKJ

Milwaukee, Wis.—The Milwaukee Baragites have organized a booster club for the purpose of stimulating more interest among KSKJ members and to promote social and sport activities.

All members of the Knights and Ladies of Baraga, especially those that are active in baseball, basketball and bowling are requested to attend the meeting of said booster club on Thursday, Oct. 31, at 8 p. m., in the church hall.

At this meeting the election of officers will take place, as well as the discussion of many important questions.

Don't forget—Oct. 31, at 8 p. m.

### HARD WORK IS FORMULA FOR SUCCESS

About the surest way to make a newspaper or magazine a success is to be sure and publish a success article every once in a while.

Present-day newspapers are full of success stories. Many of these stories are good, some are not so good, and some are just plain "apple-sauce," to use a little expressive slang.

In a recent issue of a magazine a so-called success story was published that painted a very beautiful picture of a young man's success that he seemed to have achieved almost over night. The article was headed, "Success is easy to secure." That's where the "apple-sauce" comes in, for no real worth while success is easy. It would have been better if this prolific gentleman had written, "Success Is Hard," for it takes hard work, hard studying, and oftentimes hard disappointments to reach a coveted goal.

But the very fact that success is so hard to get is what makes it worth fighting for.

There would be no thrill if success, or anything else in fact, could be secured with no effort, or "easy" as the magazine writer said.

Isn't it true that we like to scrap to win, whether it be baseball, marbles, or success.

Frances Jancer.

"How old should you say she is?"

## PITT BOOSTERS WILL SPONSOR TWO INTRAMURAL BASKETBALL CIRCUITS

Seniors to Play Wednesdays, Juniors Saturdays; Arsenal High Home Court

Pittsburgh, Pa.—The local Kay Jays will again sponsor an intramural basketball league for the members of the Booster Club and a league for the juvenile members. The committee announces it has chartered Arsenal Junior High School for every Wednesday night for the members.

The league will function as it did in the past year, one team picked to represent the club in intra-club bookings. It is planned to enter the ace team in the Western Pennsylvania Basketball League.

All members who wish to play are kindly asked to get in touch with Joseph Adlesic, 5311 Dresden Way, before Nov. 6, on which date the gym floor will be at the disposal of the club from 9 to 11 p. m. and every Wednesday night thereafter for the remainder of the cage season.

The Pitt Boosters will hold a special dance and basketball meeting Thursday, Oct. 31, in St. Mary's Church hall. All members are asked to attend.

## Waukegan Alumni Score Another Success

Waukegan, Ill.—Apparently the Mother of God School Alumni Association is in possession of a "charm" equivalent to the Midas "touch," since everything attempted by this group nets them the same results, as evidenced by the overwhelming success of the recent annual dance. More than 500 people were in attendance at this event, the get-together being a splendid opportunity of youthful members to become acquainted. Dancing began at 9 p. m. to the versatile music of Dick Ames and his Ambassadors featuring four vocalists, and whose music met with instant approval by everyone attending.

Decorations of azure and national blue transformed the auditorium into a beautiful pagoda, the lighting effects corresponding to the colors of the decorations. The orchestra was placed in a setting of palms and ferns. Dance programs were novel, in blue and silver and also were in keeping with the color scheme.

The event was further enhanced by the splendid representation of the Chicago and South Chicago groups and we hope they can be with us again soon. Members of the committee who worked hard to make the dance an outstanding success were: John Cankar, Vic Petrovic, Joe Slana, Millie Gerchar, Frances Lesnak and Marie Grom. We also wish to extend our thanks to our patrons and patronesses, through whose courtesy we were able to secure the dance programs, and all members selling tickets or assisting in the decorating.

## PITTSBURGH JAYS PREPARE FOR TURKEY DANCE

Pittsburgh, Pa.—The Pitt Boosters are all athrob over the prospective Thanksgiving dance. They are announcing to the Kay Jay world and its interested public that there will be everything the human mind can conceive in this big venture in order to make it the stand-out fall social in this vicinity. Those who are acquainted with the previous Pitt dances can readily vouch for it, that whenever the Pittsters do something, it is always big and wholesome.

There is no announcement made as to the orchestra as yet, but the locals are contacting the five-star leaders of the district: Baron Elliot, Ken Francis, Will Click, Jack Santa or Val Garvin.

The date of this big affair is Thanksgiving Eve, Nov. 27, in the Slovenian Auditorium.

## To Discuss Social Plans At St. Joseph's Meeting

Brooklyn, N. Y.—Members of St. Joseph's Society are hereby reminded that our regular monthly meeting will be held next Saturday, Nov. 2, in the American Slovenian Auditorium, 253 Irving Ave., Brooklyn, N. Y. All members are hereby requested to attend, as there are several important matters to attend to, in reference to our dance which is to be held on Saturday evening, Nov. 9.

At our last meeting it was decided that each member who can afford to bring a little prize. Now, don't get this wrong! Nobody is requested and it's not compulsory that you bring a prize. It's so we won't have so much expense so try and bring something along to the next meeting. Since everyone is doing his best to make this dance a success, why not be one of the helping hands?

Don't forget Nov. 2, the regular monthly meeting night, and Nov. 9, Martinov večer. Bring all your friends along, young and old, as we will have free prizes for men, women and children.

## INTOLERANCE IN CHILDREN

"Intolerance of any kind should be placed in its proper perspective of un-Christian behavior. The Catholic school has tremendous resources in the familiarity of its students with such truths as the Fatherhood of God, the all-embracing effects of Redemption, and the single standard of charity insisted upon by Christ."—National Attitudes in Children. ## CATHOLIC THOUGHT ON THE FAMILY AND ITS NEEDS

### Catholic Action and the Family

Catholic Action is all of our life and every part of our life lived actively and intelligently for the purposes of Christ and under the rule of Christ's teachings.

Catholic Action is not simply the work of Catholic organizations. It is not simply supporting the Church or, for example, sending children to Catholic schools. It is one's whole life and all parts of it, work, at play, at the duties of citizenship as well as at prayer.

The foregoing indicates how much must be done to promote family welfare in this era between two eras. It indicates the importance of united Catholic action that the work may be done adequately, intelligently.

It is an appeal to action by Catholics in and through Catholic organizations, in and through other organizations of which they are members, in and through their individual life in all of its phases.

THE FAMILY NEEDS CATHOLIC ACTION AND, BECAUSE THE FAMILY NEEDS IT, EVERY PART OF AMERICAN LIFE NEEDS IT.—Rev. R. A. McGowan.

### Good Government and the Family

As evil government destroys the home and the family, so good government preserves and strengthens them. Love of home and love of country require that as Catholic citizens we be ever on the lookout for what endangers either. But our attitude, to be adequate, must be constructive rather than defensive. The family as an institution is under at-

tack. Government alone, even good government, cannot unaided by the citizens protect the family, against its assailants. Government must be able in emergencies to call upon the citizens as a reserve. In the last analysis the citizen weilds and dictates the decisions of authority. The ballot, care on the selection of those to be entrusted with authority, an active co-operation with the organs by which public opinion is created, these are the instruments. Good government necessarily results when they are employed with virtue and wisdom—Wm. F. Montavon.

### Community Life and the Family

Respect for authority, or its absence, is today a burning question. Where the majority of families are reared with the sense of respect for parental authority the condition in the community is likely to reflect that attitude.

Just as unwholesome community conditions militate against the well-being of the family, so, too, do high standards build up and maintain its morale. Catholic social action touches every phase of human life. It concerns itself with the welfare of the individual, with

## PITT GRIDDERS SCORE VICTORIES

Jay Goal Crossed But Once in Four Tilts

Pittsburgh, Pa.—While plans are being made for the basketball season the Pitt Booster juvenile football team continues to go places. Most of the boys are bigger, and some of them also play on high school teams.

In their last four games their goal line was crossed but once, and that by the powerful Point View Breezers whom the Jays defeated, 8 to 6. Joey Balkovec's drive in blocking a punt of the P. V.'s four-yard line was one of the features of the game. Joey is the lightest fellow on the squad and plays the center position as the immortal Shotwell of Pitt.

When the curtain falls on the grid season the boys will be all set for a lively basketball merry-go-round.

## Butte Courage Firm, St. Ann's Society Progresses

Butte, Mont.—St. Ann's Society, No. 208, still clings to the tradition of the glorious West, where the heartbeats are truer and the handclaps stronger.

Important events have tested the tradition on many occasions, and always the saying was upheld.

The members are grateful to the officers of 1935, who had worked so earnestly and cheerfully despite the hard times. We have progressed nicely. It is easy to smile when all is good and fine, but it takes courage, will-power and firmness to keep us all in finer moods. We can surely say that our officers have kept their courage all through the depressing time.

We are now looking toward better times. The fall season will be opened with a card party Nov. 13 and followed by a dance on Nov. 24.

The card party on Nov. 13 will start at 9 p. m., following the business session of the regular meeting. All members are asked to be on hand at 7:30 in order to aid quick execution of business. All members should give their support to these card parties as a sign of appreciation to the officers.

There will be plenty of turkeys on hand at the Thanksgiving hop in the Narodni Dom.

Don't forget the two big days!

## INTERNATIONAL AGREEMENTS

"As the means of a communication and transportation become more perfect day by day, the economic interdependence of nations becomes more apparent and presents increasingly difficult international problems. The entire human race has the right of access on reasonable terms to the resources, markets, and settlements of the whole earth."—A Statement on the Present Crisis. (N. C. W. C., Washington, D. C.)

First CCC-ite: I think that new camp cook we just got must be an old baseball umpire.

Second ditto: What makes you think so?

First ditto: Didn't you just see him dust off that plate with a whisk-broom?

## LOW SCORES OPEN BOWLING LOOP FOR BARAGA MEN

Milwaukee, Wis.—Mediocre scores marked the opening whirl of the Baraga men's bowling loop Sunday, Oct. 20. Al Jeray Sr., subbing for Jack Jenich, whacked the set-ups for a high total of 593 on single games of 163, 226 and 204. Al Jeray Jr. led the qualified bowlers with a total of 514, with G. Kotze and J. Maierle next in line on totals of 469 and 440, respectively.

Team results show Jeray's squad on top with three wins, Jenich's second with two wins and one loss, and teams captained by Jack Udovich and Charley Pogorelnik following in order.

L. Janzovnik and J. Bender became charter members of the Society of "Fine" Fellows by virtue of their respective single game scores of 105 and 107. (Note: Membership in this special society is limited to those bowling less than 110.) Better luck next week, boys.

The wheel spins every Sunday afternoon at 2 o'clock at the Studio Alleys. Baraga members who have not as yet signed up with the league can still enter by getting in touch with Secretary Al Jeray Jr. Let's fall in line.
