Nekrščanska postava

Governor države Ohio Martin L. Davey mora dobiti zelo častno priznanje, ker je vetiral eno najbolj nekrščanskih in barbarskih postav, kar jih je sedanja državna postavodajca države Ohio še naredila. Ta veto governorja Daveya je zlasti značilen v očigled strašnih zgodb, katerih je angleško dnevno časopisje polno proti governorju Daveyu. Pogledimo, kaj so nameravali in kaj so hoteli narediti iz nesrečnih tujcemcev.

Angleško časopisje v državi Ohio je dva dolga meseca kričalo na governorja Daveya, češ, da on zadržuje relief brezposelnim. Vsaj povprečen državljani mora vedeti, da governor nikakor ne more in sme, glasom ustave, določiti koliko denarja naj se uporabi za relief ali za druge državne stroške. To je delo in odgovornost državne postavodaje.

Po dveh mesecih in pol se je državna postavodajca vendar zgenila, ko je videla vedno bolj naraščajočo mizerijo med brezposelnimi. Določila je dvanajst milijonov dolarjev za relief, ki naj se razdeli v posameznih krajih. Ko je državna postavodajca naredila dotično postavo za relief, je angleško časopisje dvigalo postavodajo v nebesa, češ, kako je usmiljena z brezposelnimi in kako malo vreden je governor, ki je nasprotoval javnem relifu.

Toda uredniki angleških časopisov pred dobrimi desetiimi dnevi niso še vedeli, da ima postava glede relifa toliko zanj in pasti, da je naravnost sramota, da bi se taka postava mogla izpolnovati v krščanski, civilizirani državi kot je država Ohio. Postava je bila namreč narejena tako, da nihče ki nima prvega državljankega papirja, ne more dobiti podpore od države, da še več, podpore ne sme dobiti niti od mesta, kjer stanuje.

Nadalje je v isti postavi omenjeno, da mora vsaka oseba, ki dobiva relief, brez ozira če je državljani ali ne, vsake tri mesece dati relifni komisiji zapriseženo izpoved, koliko je dotična oseba tekom treh mesecev imela dohodkov, stroškov, koliko ima po poteku treh mesecev več denarja, manj denarja, kar je sramotno zlasti za ameriškega državljanca. A še večja sramotna določba omenjene postavne je bilo povelje v postavi, da morajo okrajni komisarji vsak mesec priobčiti v časopisu imena, naslove in relifno svoto vseh relifnih klientov.

Najprvo bi torej relifarji dobili mrvico za svoje življenje, potem bi se jih pa še indirektno sramotilo v časopisju, češ, da živijo od javne milosti. Nastale bi pritožbe, ovajalo bi se ljudi, sovraštva bi vzplamtela, a dobiček bi imeli angleški časopisi, ki bi za drag denar seveda priobčevali mesečno imena in naslove relifnih klientov. V Clevelandu je teh klientov 59,000. In priobčiti imena, naslov in svoto relifa, ki so jih dobili v časopisu, bi vzelo najmanj 12 strani enega časopisa, in ker angleški časopisi računajo po \$800 od strani, tedaj bi samo en časopis dobil mesečno skoro \$10,000 za oglaš, dočim bi se ta svota utrgala iz ust lačnim in brezposelnim.

Krivična, barbarska, nekrščanska je zlasti določba v relifni postavi, ki izključuje brezposelne tujcemce od relifa. Res je, da tujcemcev nihče ni klical sem, da bi lahko ostali v domovini, res je, da če bi vsaj malo potrudili, da bi lahko postali državljani, res je, da je Amerika odgovorna v prvi vrsti, da skrbi za svoje lastne državljane, toda ali je krščansko človeka pustiti od lakote umreti v tej bogati Ameriki iz enostavnega vzroka, ker se ni pobrigal, da pridobi ameriško državljanstvo pravico. To je sramotno za civilizirano deželo, kot je Amerika.

Značilno pri tem je, da angleško časopisje, ko je bila Myers postava glede relifa sprejeta, ni omenjalo ničesar o teh določbah relifne postavne. Vsi so molčali. Toda končno, ko smo se mi in naše organizacije potegnili za te siromake, ki bi morali gladi umreti, je tudi angleško časopisje dognalo, da bi bila taka postava skrajna sramota za Ameriko in je začelo agitirati, deloma bolj ali manj goreče, za vetiranje take postavne.

Čut pravičnosti, človekoljubja, čut krščanskega nazarja nam mora narekovati, da ne moremo svojega bližnjega pustiti umreti od lakote, če ni državljani, in zlasti če ni njegova krivda, da ne more dobiti dela in služke. Saj bi sleherni teh tujcemcev raje delal in služil, kot pa bi prenašal milostno delitev krušne drobtine od strani onih, ki s tako nevoljo dajejo lačnim toliko, da se preživijo.

Governor Martin Davey je upošteval vse to in vetiral nekrščansko postavo. S tem je pokazal, da je pravi Amerikaneec, ki se ne ustraši nativističnih fanatikov in njih mržnje do sirotnih tujcemcev. S svojim vetiranjem je ohranil 300,000 ljudem življenje, Ameriki pa prihranil sramoto, da ne bo svet govoril, da pusti svoje ljudi umirati od lakote.

Kaj pravite?

Kakšno mnenje ima euclidski varnostni direktor McMaster o Jugoslovanih, je jasno pokazal s tem, ko je vprašal policijskega načelnika Charlesa Foxa, če zna pisati. Fox mu je napisal s persom raport in tako dokazal McMasteru, da so tudi Jugoslovani zmogni branja in pisanja.

BESEDA IZ NARODA

Naj bo to za farane sv. Vida

Ako te kdo vpraša, v katero faro spadaš in mu odgovoriš, da spadaš v faro sv. Vida, potem pa ne drugam v soboto večer kot v Knausovo dvorano. Tam se bo plesalo, jedlo in pilo, vse v korist fare sv. Vida, v katero ti spadaš in od katere pričakuješ, da ti bo prava spremljevalka k Bogu ob koncu tvojega zemeljskega življenja.

Vem, da se ne bo noben naših dobrih faranov in farank drznil reči, da ne gre. Saj sam dobro ve, da je dolžan po svoji moči podpirati cerkev, ker cerkev je prvi in glavni cilj katoličana. Ampak sobotni večer je tako raztresen in zaposlen, človek ima toliko opravil in povabil, da sam ne ve kam bi se podal. Povsod so mu vrata na široko odprta in mu z veseljem postrežajo, najsi bo pri prijateljih, znanih, v gledališču, ali v pivnici. Za soboto večer pa bomo za enkrat odrekli vsem drugim našim povabilom in se bomo odzvali le povabilu naše fare. Prišli bomo v ogromnem številu v Knausovo dvorano. Zakaj pa ne bi prišli, saj bo tam pripravljeno za stare in mlade. Kdor bo imel veselje za plesati, bo lahko plesal, saj godba bo izvrstna. Kateremu pa ni ples v veselje, bo pa lahko komodno sedel tam v mali dvorani, poleg pogrnjene mize, s prijatelji in znanci. Točilo se bo izvrstno nemško pivo, domače vino in tudi okusen prigrizek se bo serviral.

In da boste vsi prijazno in hitro postreženi, bodo skrbeli naši požrtvovalni zastopniki in zastopnice, katere se trudijo že dolga leta za napredek naše fare. V čast si štejem, da sem za ta dan napisala te vrstice, s ponosom vam, mojim prvim sosedom v Ameriki, srčno in iskreno za 45 letnico čestitam. Bog vaju ohrani do zlate, da do demantne poroke v zdravju in v sreči. Vaša sosedka Marija Kurnik

Na mojem domu v stari domovini je umrla in bila pokopana 7. januarja moja srčno ljubljena svakinja Genovefa Kurnik. Za njo žaluje dobri mož in pa osem malih otročičev. Bila je blaga žena ter je veliko trpela v boleznih. Bog ji daj sv. nebesa.

Pristavim naj še, da je lani po težki bolezni pokosila smrt tudi mojo drago svakinjo Matildo Kurnik, katere je tudi umrla na domu v Zilah 24. maja. Obe moji ljubljene svakinji priporočam vsem znancem, posebno pa č. gg. duhovnikom v spomin pri sv. maši. Bog ji daj večni mir.

Lep koncert v nedeljo

Cleveland (Collinwood), O. — Mladinski pevski zbor SDD na Waterloo Rd. nas misli v nedeljo zopet presenetiti z izvanrednim in zelo bogatim koncertom, ki ga nam bodo priredili naši malčki.

Morda bo kdo rekel: kaj jim če to, kaj jim bo to hasnilo? Tako sem si tudi jaz predstavljala, dokler se nisem sama prepričala, kakšnega pomena je ta zbor, ko sem opazovala to našo mladino in nje neustrašnega učitelja g. Louis Šemeta, kako se trudijo in zanimajo za slovensko pesem. To me zelo veseli in tudi reči moram, da smo mi Slovenci v Clevelandu srečni, ker edino naša mladina ima priliko izobraževati se in učiti slovenske pesmi. Na ta način bomo tudi privabili mladino, da se bo zanimala za narodne domove, da bodo ostali naši in da se bo ta mladina zbirala tam, mesto da bi pohajala v kaka druga zabavišča.

Opozorila bi rada starše,

naj pridejo na ta koncert v nedeljo 6. februarja ob treh popoldne. Tukaj se boste lahko sami prepričali, kaj tukaj rojena mladina lahko napravi, samo vzpodbude ji je treba in ji dati veselja s tem, da jo pridete poslušati. Ne boste se kesali. Torej vsi v Slovenski delavski dom v nedeljo 6. februarja!

Vem, da je še veliko slovenskih otrok v naši naselbini pod 15. letom starosti, ki niso pri zboru. Prosim starše, da jih pošljete in vpišete v ta pevski zbor. Po tem koncertu bo učitelj g. L. Šeme zopet sprejemal nove učence. Vaje so vsak četrtek ob petih popoldne v SDD na Waterloo Rd.

Sporočajte novice!

Oni dan mi je nekdo rekel, zakaj da nisem sporočil v ta list neke novice. Toda kako naj sporočam novico, ko sem jo zvedel šele tri tedne pozneje in takrat pa že ni bila več novica. Zato pa prosim naše rojake in rojakinje, da mi takoj sporočijo vsako važno stvar, ki je dobra za v časopis, da o zadevi zvedo še drugi ljudje. Ameriška Domovina nam je vedno na razpolago in nje kolone so odprte za novice. Rojaki v tej okolici naj sporoče meni in jaz bom poslal v uredništvo, pa bo vse priobčeno. Če boste pa držali novico zase, ne bodo brali drugi o njej. Saj zato je pa list, da prinaša slovenske novice, da jih zvedo po širnem svetu. Sporočajte o rojstvih in smrti, o boleznih in nesreči, o porokah in drugih takih zanimivostih. Naj zvedo še drugje, kako se nam godi v tem delu mesta. Dosti nas je in vedno se kaj zgodi, ki spada med novice. Pozdrav vsem skupaj.

Društvo Cerkniško jezero obhaja tretjo obletnico

Društvo Cerkniško jezero št. 59 SDZ bo slavilo svojo tretjo obletnico z večerjo in plesom v soboto 19. februarja v Slovenskem delavskem domu na Waterloo Rd., začetek ob sedmih večer. Veselilni odbor je pridno na delu, da pripravi vse potrebno: jed, pijačo, godbo in mnogo druge zabave za ta večer.

Ker se je večkrat slišalo od rojakov iz cerkniške okolice, da bi bilo lepo in dobro, ako bi imeli eno društvo, ki bi nosilo ime svetovno znanega Cerkniškega jezera, je ta želja rodila sad. Meseca februarja 1935 se je sestala grupa zavodnih rojakov iz cerkniške okolice. Nekaj je bilo zraven tudi Krašovec in Gorenjec, da se ustanovi novo društvo ter se priklapi k domači podporni organizaciji, Slovenski dobrodelnih zvezi. Večina je bila za to, da se da društvu ime Cerkniško jezero. Glavni odbor SDZ nam je dal številko 59. Ustanovni članici društva sta bili Mrs. Margaret Rožanc in Mrs. Tončka Penko.

Prvi predsednik društva je bil Anton Jerman, tipični Cerkničan in dober član društva, tajnica Mrs. Tončka Penko, blagajnik Louis Zele, zapisničarka Mrs. Frances Klun. Društvo se je takoj v prvem letu svojega obstanka pokazalo s svojo aktivnostjo in je dobilo tekom kampanje tri večje nagrade, z društveno nagrado, s člansko nagrado, katero je dobil sedanjí predsednik društva John Rožanc in nagrado tretje princezinje, katero je dobila Miss Rose Duša in nagrado zapestne ure, katero je dobila Mrs. Penko.

Društvo lepo napreduje in šteje danes blizu 120 članov

in članic v obeh oddelkih. Se je so mirne in dobro obiskane. Po sejah se pa običajno vrši zabava. Naš brat podpredsednik John Suštaršič nam navadno igra za ples na svojo harmoniko. Kdor izmed rojakov cerkniške okolice (pa tudi drugih se ne branim), ni še član SDZ in našega društva, naj pristopi zdaj tekom kampanje. Bomo vsakega prav z veseljem sprejeli. Zdravniška preiskava in pristopnina je sedaj prosta.

Za veselico bo vse dobro preskrbljeno. Igral bo Jančkovec orkester (tudi Cerkničan). Vstopnice so po 50c za večerjo in ples, samo za ples po večerji 25c. Meniševec, Rakovci, Dolenci, Jezerci, Grahovi, Cerkljanje, ne pozabite, da bo na soboto 19. februarja veselica in zabava rojakov iz cerkniške okolice, da si sežemo v roke ter se malo pogovorimo, kako smo krave pasli in kozo bili, v jezeru kosili in ribe lovili. Na svidenje in pozdrav!

John Rožanc.

Vabilo od SDZ Buds No. 50

Le malokdaj se oglasim, ampak kadar se, pa imam gotovo kaj zelo zanimivega poročati. Predvsem moram poročati, da pri našem mladinskem društvu SDZ Buds št. 50 zelo dobro napredujemo s pomočjo Mr. Bill Oblaka (supervisor) in Mr. Frank Puglja (prejšnji) in vseh uradnikov SDZ. Z veseljem moram poročati, da smo se na zadnji seji oziroma po seji 8. januarja prijetno zabavali. Omeniti moram ter se v imenu našega kluba zahvaliti Mr. Max Travnju za kazenje slik. Mislim, da smo se dovolj nasmejali. Priporočala bi, da bi še drugje kazali tiste slike našim mladim članom. Zahvaliti se želim tudi Mr. Joseph Okornu za obisk in lepe besede, ki jih je spregovoril. Pozabiti ne smem tudi Mr. Louis Rozmana za (Dalje na 3. strani)

Če verjamele al' pa ne

"Ti, počakaj no, kam se ti tako mudi s tistimi Ribničani, ki je do njih razstave še več kot en teden. Daj no še nam malo prostora, ki smo za eno številko prej in imamo za eno nedeljo prej žegnanje!"

Tak je bil uvod pisemčka, ki sem ga včeraj dobil iz neke nežne ročice. Že sem si mislil, da bo temu uvodu sledil kak ofreht elegantnih poklonov in nazaj devanja, pa se je nazadnje le vse lepo končalo. In se tisto pismo bere naprej takole:

"Ti, Jaka, kaj so ti Ribničani obljubili, da jih kar naenkrat tako obrajtaš? Kaj se misliš iti učit k njim izdelovanja suhe in lončene robe? Saj ne rečem, da bi ti latvice in kozice prav ne prišle, ampak kaj boš pa z rešeti, ki nimajo v tej deželi ajkskrima in keksov nič obrajtanja. Se reče, le pri furnezu za precejanje pepela. Ti ne veš, koliko si prihranimo na premoğu. Skoro za eno tono v dvajsetih letih. Veš, rešeto sem pa jaz k hiši

prinesla z balo. On se je s tistikrat nekam grdo držal, je tisto rešeto ogledoval, nes mi je pa hvaležen in materi tudi, ki mi je rešeto balo porinila.

Torej si že uganil, da tudi jaz ribniško sajme in radi tega tudi zazdim, da strah in druge nazaj devljajo, ki niso bili tako srečni, da bili rojeni pod ribniškim nom. Ampak vsi ljudje ne remo biti v Ribnici rojeni, je huda škoda zanje. Viditi bi bil ves svet ena sama Ribca, koliko zastopnosti bi imela nami in bi drug druge rešeta in rajte prodajali jih tadelali.

Saj se mi dobro zdi, da stopil na ribniško stran in biš na njih veselico 13. februarja. Ampak za tako veselje zeganje, ali kar že bo, se treba najmanj en teden pripraviti. Zato smo pa snile ženske od društva Dca, ki ima pri SDZ eno število nižje, namreč 11, da nam vimo veselico eno nedeljo v SND na St. Clairju. Če torej kdo prav dobro razporežen, bo lahko kar tam počakal našega žeganja na ribniški ki bo nedeljo pozneje.

In če ti, Jaka, ne misliš, ti, ti bom kar zdajle povedal, kaj boš zamudil, da boš lašinel ocejlan na vse večne se in še nekaj časa potem, ti bodo angelčki trobili k niam.

Ves, naši gostje, ki jih ko listja in trave, bodo prihajati že okrog šestih, če in se vsedli okrog lepogrnenih miz. Na mizah bo po rože zastran lepšegamizah bo pa kakor ob Flancati bodo, pa potice, krofi in vinček se bo slajl v kozarčih, rdeč ko sta, ki jo je sram, da njo zija in jo objedajo, tako drži, kot bi se jih kakšna krivica godila, če je tako srečna, da ga je podne nositi na mizo oku večerjo in sicer rihtu. Naj bo kurja župca, da se po tem gršt za nadaljevanje.

tem priletijo na mize pokošja bederca posebne Te ti ne bom opisovala, menda itak ne zastopiš in jaz te pa tudi ne bom učila. Vstrie bedere bo sorte solata in še drugo, bodo mize kar stokale.

Da bo šlo vse to hitro vam bodo urne natakare nujale moč, ki bo na Vmes bo igrala lepa godba, bo ko v ta malih nebesih, vsem tem se bomo pa zavli v zgornji dvorani, da v krey letelo. Pa za vse to samo 50 centov fronka.

Vidiš, ljubi moj Jake, boš vse to zamudil, potem se prepričana, da si že trd v dihi in da ti štippan napet let dlje na svetu, prid deljo na veselico društva nica. Pa še svoje prijatelje vabi, da nas bo več. Postrejam bomo, kot se šika in do se vam bo godilo. Zdj te pozdravlja in te pričaku nedeljo—ena, ki tako rada rem tvojo kolono."

Vsaka podrobnost

Pogrebna postrežba, nam izročena, se izvrši z natančnostjo, ki jo je rodila dolga izkušnja in trenirano osebje. Vsaka podrobnost se upošteva, ničesar se ne zanemarija, ki je koristno za naše ojemalce. Vsak, kdor izroči pogreb nam, je lahko brez skrbi, da bo vse točno izvršeno.

Naša Danica praznuje

Vedno beremo o vsakovrstnih obletnicah, ki se jih potem še dolgo z veseljem spominjamo. Posebno v tem predpustnem času se radi odzovemo povabilu na kako lepo in pomembno prireditve. Saj za veselje pač ni v vsem letnem času tako primerno kot ravno sedaj pred pustom. Vemo še iz naše ljube rojstne domovine, da so prirejali gostilničarji pred pustom kar po vrsti veselice ali kakor smo jim rekli "bale." Skoro vsako nedeljo se je v tej ali oni gostilni vršil bal vso noč in potem, seveda, še drugi dan potrjevalo. Kdor je le količkaj mogel, je z veseljem šel med prijatelje in se med njimi prav pošteno razveselil. Jaz se še do bro spominjam, ko smo pri nas doma imeli prvi bal (1903) in kako so se znali zabavati. Mi otroci smo morali pa vsi na peč, da nismo bili v napotje.

Vem tudi, kako so stari, sedaj že vsi pokojni možje, plesali "kapucinsko polko," katero so plesali trije. S tem je bilo toliko smeha, da bi bili skoro vsi popokali. Tega plesa nisem potem nikoli več videla. Ljudje so potem še dolgo govorili, kako je bilo prijetno. Venomer so spraševali, kdaj bo pri nas spet kaka veselica. Vsak predpust smo napravili bal in ljudi je bilo vselej polno, da dostikrat še prostora ni bilo za vse.

Tako lušno bo tudi v nedeljo 6. februarja v SND na St. Clair Ave., ko bo društvo Danica št. 11 SDZ obhajalo 25 letnico obstoja. Za vse bo dosti razvedrila in zabave. V prizidku bo večerja za članice, njih družine in prijatelje, da bomo lahko kar pri mizah sedeli, urne strežajke nam bodo pa stregle. Igrala bo tudi fina godba, da bo vse bolj gladko teklo po gilih.

V veliki dvorani bo pa druga godba, ki bo mikala mladi svet, pa tudi nas bolj stare, da bo vse po luftu, samo pete na tleh. Vidite, zabave in veselja bo za vse. Zato vabim vse, ki ljubite fino domačo in nepriljeno zabavo, da pridete v nedeljo večer v SND. Veste, srebrni jubilej se ne obhaja vsake kvatre. Nikomur ne bo žal, če pride, kajti naše društvo Danica malokdaj priredi veselico, kadar pa jo, pa vedno vsi posetniki še dolgo povedati, kako je bilo lušno. Pa tudi članice smo se vse fest in zauber punce. Le pridite! Da se vidimo v nedeljo v SND.

FRANCOSKI ROMAN

In skoro v istem trenutku vstopi Tabaret, vesel, zmago-slaven. Videti mu je bilo, da se je za dvajset let pomladil. Sledil mu je Lecoq, ki je z največjo skrbjo nosil veliko košaro.

"Ga že imam!" vzklikne Tabaret proti sodniku. "Popolnoma. Jasno je kot beli dan. Lecoq, prijatelj moj, položi košaro na mizo!"

Zdajci se je vrnil tudi Gevrol s svojega poslanstva. Tudi on je bil videti ves radosten.

"Na sledu sem možu z uhanj," reče. "Barka je plavala navzdol po reki, in dobil sem tudi natančen opis kapitana Gervaise."

"In kaj se je vam posrečilo, gospod Tabaret?" vpraša preiskovalni sodnik.

Starec je pa medtem z največjo skrbjo razpoložil na mizi vsebino košare—veliko kepo lončarske ilovice, več velikih kosov papirja, ter tri ali štiri komade mavte, ki je bila še mokra. Ko je tako stal za mizo, je nudi sliko čarovnika, ki se kaže na javnih trgih in požira žeblje in sablje ter o-genj. Njegova obleka je bila strašna. Zavrt je bil do brade v blato.

"Najprvo," reče z nekim priprostim glasom, "rop nikakor ne igra vloge pri zločinu, kateremu smo posvetili našo pozornost."

"Nasprotno," mrmra Gevrol.

"Dokazati hočem," nadaljuje Pere Tabaret, "in to z do-orimi dokazi. In vmes bom pa podal svoje malenkostno mišljenje, kaj je bil pravi vzrok tega zločina."

"V drugo naj rečem, da je morilec prišel sem pred pol-deveto uro, to je predno je začel padati dež. Enako kot gospod Gevrol, se tudi meni ni posrečilo dobiti odtise blatin stopinj, toda pod mizo, na mestu, kjer so počivale njegove noge, sem dobil prah. Tako smo gotovi, kar se tiče ure zločina. Vdova nikakor ni pričakovala tega obiskovalca. Začela se je pravkar slatiči, in hotela je naviti uro kukavico, ko je neznanec potrkal na vrata."

"To so izvrstne podrobnosti," pripomni komisar.

"Da, podrobnosti, ki se lahko dokažejo," odvrne oče Tabaret. "Le preiščite to uro. Jo to ena onih ur, ki gredo k več-jemu 15 ur. In skoro gotovo je, da je imela vdova lepo navado, da je navila uro vsak večer, predno se je podala k počitku."

"Kako se je tedaj mogla ura ustavit ob deveti uri? Ob tem času se jo je morala dotakniti. In v trenutku, ko je vlekla za verižico uro, je morilec potrkal. Kot v dokaz vam kažem na ta stol pod uro, kjer vidite jasen odtis stopala. Sedaj pa pogledajte na obleko žrtve. Gornji del njenega krila je od-stranjen. Da bi vrata tem hitreje odprla, ni počakala, da bi gornji del krila zopet nata-

knila, pač pa je v naglici vrgla staro ogrinjalo preko ramen."

"Sapristi!" vzklikne brigadir, očividno ves iz sebe radi občudovanja do privatnega detektiva.

"Vdova," nadaljuje starec, "je poznala človeka, ki je potrkal, kajti sicer ne bi tako hitela z odpiranjem, in kar je sledilo temu, nam služi kot v dokaz. Morilec je brez težave dospel v hišo. Bil je to še mlad človek, nekoliko večji kot srednje postavne, elegantno obleden. Nosil je visok klobuk. S seboj je nosil dežnik, in kadil je trabuko v držalniku."

"Smešno!" zakliče Gevrol.

"To je pa vendar preveč!"

"Preveč morda za vas," ga zavrne oče Tabaret. "Na vsak način je pa resnica. Če vi niste vsega natančno preiskali, tedaj ne vem, kaj bi bil vzrok, da jaz ne bi posvetil več pozornosti stvari. Iskal sem in našel sem. Preveč pravi, da je? Hm, pogledajte te drobce še mokre mavte. To so drobci pet onih škornjev, katere je nosil morilec. Perfekten odtis teh škornjev sem dobil v bližini jarka, kjer so našli ključ. In na teh kosih papirja pa imam začrtano nogo, kar mi bo pozneje tudi dobro prišlo."

"Le glejte, visoka pet, z ozkimi podplatmi—eleganten škorenj je bil to, in tega škornja lastnica je bila noga, katero se je očividno skrbno negovala. Le glejte na vtise po vsej cesti. Ponavljajo se dvakrat, in potem jih dobite petkrat zopet na vrhu. Ti odtisi nam tudi naznanjajo, da tujec ni potrkal pri vratih, pač pa pri polknih, za katerimi je videl svetlobni žarek. Blizu vrtnega vhoda je mož naredil precejšen skok, da ne bi pohljal cvetlične grede; to nam kaže smer noge, ki je tam globokeje vtisnjena, kot kje drugje. Z lahkoto je skočil šest čevljev naprej, kar dokazuje, da je zelo gibčen, torej mora biti še mlad."

Oče Tabaret je zdajci govoril s precej pritaženim glasom, toda dobro slišno in razumljivo. Njegovo oko je švigalo od poslušalca do poslušalca, ko je pazil, kakšen vtis so naredile njegove besede.

"Ha, čudite se, kaj ne, Gevrol?" nadaljuje oče Tabaret. "Le ozrite se na krog, katerega sem zaznamoval na mramornati plošči pisalne mize. Tu sem je položil svoj klobuk. Ta krog nam kaže obseg in velikost njegove glave. Zdajci je morilec položil svojo roko na gornji predal slednika, da pride do vsebine predala. Ako bi bil mož visoke postavne, tedaj bi lahko pogledal v predal, ne da bi se ga dotaknil z roko, in če bi bil mož zelo majhen, tedaj bi moral pristaviti stol; iz vsega tega lahko sklepam, da je moral biti precej srednje postavne. In mogoče ne razumete, zakaj sem omenil dežnik in držalnik za smodko? Stvar je čisto preprosta. Konec trabuke sem našel v smetelju. Ali je konec ogrizen? Ne. Ali je moker od sline? Ne."

Lecoq ni mogel zakriti svojega navdušenega občudovanja. Skoro neslišno je menal z rokami. Komisar je bil videti zmešan, dočim se je sodniku kar obraz svetil od veselja. Gevrolu pa se je obraz znatno podaljšal. Kar se pa tiče brigadirja je bil popolno-

ma iz sebe.

"Sedaj pa," je nadaljeval oče Tabaret, "prosim vas, da mi natančno sledite. Sled mladega moža smo dognali do hiše. Kako je opravičil svojo navzočnost ob tako nenavadni uri, to mi ni znano, le toliko je gotovo, da je povedal vdo-vici, da še večerjal ni. Poštena ženica je bila seveda tega vesela in je začela pripravljati večerjo. In ta večerja ni bila za njo; kajti v omari v kuhinji sem dobil ostanke njene lastne večerje. Za večerjo je imela riže. Avtopsijska trupla bo to potrdila. Na mizi vidimo samo en kozarec in samo en nož. Kdo je bil mladi človek? Očividno ga je vdova smatrala za nekaj višjega po stanu kot je bila sama, kajti v malem predalu miznice sem opazil namizni prt, ki bi bil pač dober za njo, ne pa primeren za njega. Za gosta je prinesla skoro nov platnen prt. In za gosta je postavila na mizo ta dragoceni kozarec, ki ga je najbrž dobila v dar, in ta nož z dragoce-nim ročajem."

"To je vse resnično," mrmra sodnik, "zelo resnično."

"Nu, sedaj pridemo do trenutka, ko se je mladi gost v-sedel. Začel je piti vino v kozar-cu, dočim se je vdova vrtela okoli ognjišča. Gostu je mora-lu postati nenkrat slabo, kajti zahteval je konjak. Spil ga je pet požirkov. Po hudih no-tranjih kričih, ki so trajali ka-kih 10 minut—toliko časa je namreč vzelo, da so se ocvrta-jajca in slanina—je mladi tu-jec vstal in se približal vdovi, ki je zrla v lonec. Dvakrat jo je z nožem sunil v hrbet, toda ni bila takoj mrtva. Zbrala je vse svoje moči in prijel morilca za roke; on se ji je izvil, prijel je žensko in jo vrgel ob tla, kakor jo vidite sedaj le-žati."

Malim farmerjem gre večja vladna pomoč

Washington, 2. februarja. Med zastopniki poslanske in se-natne zbornice je prišlo do spo-razuma glede končne rešitve o postavi za pomoč farmerjem. prijazne besede in še posebno za dva izvrstna dopisa v Ame-riški Domovini. Oba dopisa sta bila vredna, da bi jih vsak član SDZ prečital, potem bi gotovo vedel, da samo pod ta-kimi pogoji in načrti je bodočnost SDZ zagotovljena.

Na seji smo imeli dosti de-bate in smo se prav kakor od-rasli obnašali. Jaz sem bila izbrana, da vam za prvič po-ročam, kaj bomo imeli na na-šem programu za "Valentine Day" 13. februarja ob šestih zvečer v SDD na Prince Ave. Tisti večer bomo vzprijorili hu-moristično slovensko igro "Po-boljšana trgovačka," ki ni bi-la še podana na slovenskem odru in sem prepričana, da vam bo ugajala. Tudi angle-ška igra bo zelo zabavna. Med

igrami bodo nastopili razni talenti od našega kluba in tu-di od SDZ Knights ter Little Flower Cadets. Jankovič or-kester bo igral po programu, ko se bo razvila prosta zaba-va. Članice društva Naš dom bodo skrbale za lačne, nata-karji pa za žejne. Vsega bo dovolj na razpolago.

Ker bo to naša prva javna zabava, upam, da se boste v obilnem številu udeležili in nam dali s tem še več veselja do dramatičnega dela in za-koristi Slovenske dobrodelne zveze. Vabim zlasti gl. odbor-nike SDZ in uradnike vseh društev, odrasle in mlade, po-sebno pa Rudy Lokarja, ured-nika SDZ News, pa Mr. Sur-tza, predsednika Junior lige.

SUNNY RAY'S ORCHESTRA BOOKED FOR DANICA'S SILVER JUBILEE

Sunday, February 6th is the day when the members of society Danica, SDZ No. 11, will get together and rejoice over their achievements in the 25 years of their existence. Of course, the best way to attain the full benefit of the celebration is by the members of SDZ filling the Slovenian National Home Auditorium to capacity, and extend the glad hand to these jubilant members, thereby assuring them that, we, as loyal members of SDZ, are grateful to them for whatever they have brought towards the progress of SDZ.

At this time it is with pride that we admit, that society Danica, SDZ No. 11, as one of the pioneer societies of SDZ, has contributed much to the growth of the organization. We, as loyal members of SDZ wish to extend to the officers and members of Danica, our most sincere wishes for their continued success and at the same time express our warmest thanks for their kind efforts and the many sacrifices. May the morning star "Danica" shine in many a bright day and bring everyone the desired health, happiness and good fortune!

Now that we have expressed our sentiment, we'd like to go a step further which at the time is most important, and that is to invite every SDZ member, young and old alike, to attend the Silver Jubilee four-course dinner which will be served in the Annex at 6:30 p. m. During dinner there will be music by Mr. Ed. Zupancic and a very delightful program presented by our own Honor Guards. By the way Mrs. Albina Novak happens to be the president of Danica, SDZ No. 11, so the Honor Guards will be there! Guests at the dinner may remain seated at the tables as long as they desire, but at 8 o'clock dancing will begin in the Auditorium with Sunny Ray's orchestra tickling your toes. Ray's mother, Mrs. Zalkar, and Ed. Zupancic's mother, Mrs. Rose Zupancic, are pioneer members of Danica and it will be to their pleasure and the delight of SDZ mem-

First Secretary Extends Thanks for Crusaders

A task, such as was undertaken by the Modern Crusaders to commemorate the tenth anniversary of the club, was an enormous one. It required the assistance of scores to take care of the many and varied details and the club was surprised to receive aid from so many non-members as well as a good number of Glee Club and Modern Crusaders members.

They offered their services unselfishly; denied themselves the pleasures others enjoyed and did their tasks very competently. Some actually worked both nights with very little let-up. To these people is due the credit of the Modern Crusaders Tenth Anniversary and to these people is the heartfelt thanks of the club extended. If all names were available, each and everyone would receive a personal expression of gratitude.

By Anthony Somrak, Crusaders first secretary.

bers, likewise the public, to have music furnished by their own sons.

Will be looking for you Sunday evening at the S. N. Home on St. Clair Ave. Admission for the full course dinner and dance is 50 cents; for dancing only, 35 cents. Everyone is most cordially invited.

SOCIETY SNAPSHOTS

by SADIE SNOOP

The Modern Crusaders have reached a new high in entertainment. The program they presented last Sunday at the Slovenian Workingmen's Home in commemoration of their tenth anniversary was proclaimed the "tops" by all who witnessed it.

Frank Surtz acted as the m. c. of the Slovenian half of the program and Rudy Lokar m. c'd the English half and both did a grand job. Showing his "zimske gate," stopping soloists in the middle of their songs and carrying on in a general "Aren't we having fun" manner, Rudy made a great hit with the crowd. And did he "roll 'em in the aisles" when he gave imitations of Yankovic and Pecon!

During the evening dancing sessions we espied Stanley Robinhood dancing "cheek to cheek" and Marty Svete doing a Slovenian "Red Apple." — Wonder how Florence Mikse and Olga Novak enjoy dancing with Rudy?

Personal to O. Cicero: Why didn't you meet me as you promised?

Girls' Baseball League

It was a great disappointment to see such a small attendance at the first meeting of the SDZ girls that gathered at the SDZ Offices a few weeks ago to outline plans in regards to forming an SDZ Girls' Baseball League or team.

But I am very happy to say that the girls that did attend were pleased and enthused about playing baseball this coming season. Those that were present are: Anne Laurich, Louise Marzlikar, Jean Krizman, Sylvia Buchan, Vera Millavec, Jeanne Gustincic and others whose names can not be recalled at this writing.

At our last Junior League meeting, Mary Frank suggested that we have a baseball league. The greatest percentage of the girls were in favor of this idea, but did not show up for the meeting. So remember that cooperation of all girls interested will be a vital point towards getting a baseball league sponsored by SDZ.

The chairman and secretary can not do this themselves, so please make it a point to show up for the next meeting that will be held Monday, Feb. 21, in the SDZ Offices, 6403 St. Clair Ave. (Slovenian National Home Bldg.). Here's hoping we have a better attendance and until the meeting, we remain,

Mary Frank, chairlady,
Julia Kerzic, secretary.

Do You Know . . .

by J. M. VRANEZA

THAT of the out of town lodges the Madison and Warrenville groups were very well represented at the Crusaders' 10th Anniversary celebration? Of course, Barberton was there also.

THAT Betty Cernelich was the lovely lady that won the Orange prize at the Orange Dance last Saturday? Josephine Orazem won second and Anne Benda won third. We hope they enjoy their prizes.

THAT Mr. Gornik urged all secretaries and other officers at their meeting last Sunday morning, to go back to their respective lodges and push our membership drive to the limit? The more we push this drive, the more bonus we will receive and that also means more money for the organization, too. So let's get to our friends and talk business. Seven dollars for each thousand is good money, so is \$3.50 for each \$500. You make yourself a handsome pile if you only try.

THAT Messrs. Surtz and Okorn talked a good deal on the doings of the Junior League and the Juvenile groups? They urge all lodges to give full support to any undertakings of these fine groups.

THAT Mr. Penko must have gotten his daily exercise during his torrid speech last Sunday morning? I know that if I tried only half of those arm movements, I'd be too tired to go home at the end of that meeting.

THAT certain Crusaders are brushing up on their pinocchio? One has already won 29 out of 38 practice games played. Are you prepared for the Junior League tournament which starts on the March meeting night?

THAT Sophie Kozely gets her boy friends mixed up? Someone heard her say "Honey" to a Crusader over the week-end, and was I burnin' because it wasn't me!

THAT there is a difference between the Eastern Stars and Crusaders' secretaries? Yep, the Eastern Star secretary, Mary Menart, lives in Crusader territory, while Crusaders' secretary, Mrs. Josephine Glavic, lives in Eastern Star territory.

THAT Rudy Lokar has become quite an imitator? Can you imagine him imitating both Yankovic and Pecon at the same time? And these two fellows both play piano and chromatic accordions, respectively, while Rudy played an old time German Box.

Royal Comrades Invite All to Valentine Party

The juvenile division of Lodge Slovenski Dom, No. 6 SDZ, better known as the Royal Comrades are giving a Valentine Social to be held Wednesday evening, February 16th, at the Slovenian Society Home on Rechard Avenue. The committee in charge has a very fine program for the evening which will take care of all juveniles as well as their parents and friends. The admission will be 10c for juveniles and 15c for adults. A special feature for the evening will be a "spot" dance for which prizes will be awarded. There will be plenty of games and refreshments and the committee invites you to attend, especially the SDZ juvenile lodge members, the Supreme Board and the Junior League.

"Attention": The boys who are interested in basketball and in baseball are requested to attend a special meeting to be held Friday evening, February 4th, at 7 p. m. at the Slovenian Society Home on Rechard Ave. to organize teams.

S. D. Z. and SPORTS

by "Doc" Gregorcic

For the past few years the English speaking lodges of SDZ have made considerable progress. Much of that success is due to the fact that the Supreme Board of SDZ and the Junior League has made sports possible without a great drain on subordinate lodges' treasury. An annual Olympiad, bowling tournaments and a baseball league have been sponsored with great success. At present a basketball tournament is being planned which may eventually lead to a permanent SDZ sport.

Now, sports which can help an organization to progress can also detract members from the organization because of "SPORTS MEMBERS." This writer would like to define a "sports member" as one who joins an organization thru the inducements of sports and not for any other benefits that they can receive. After the season closes these "sports members" drop out of the organization after paying only one or two months of dues. A sum not equivalent to the expense of entering the member's application on file and the payment of examination fee to the examining physician.

Members that had the organization at heart were

forced to the sidelines and after the season closed they also kept away from lodge activity because of the "sports members" that monopolized the season's sports activities. Now with a campaign under way for new members, it is time for REAL SDZ members to give this matter some thought, and it is also the hope of this writer that this subject is brought to the attention of the next Junior League meeting. For we have suggestions that will make these "SPORTS MEMBERS" real SDZ members in future months.

At present a 90 day or 3 month ruling is in effect making it compulsory that a person be a member of good standing for that period of time before he can partake in any sport.

To prevent SDZ lodges from becoming "loaded" with sports members our suggestion would be to keep that same ruling with the addition that if a member drops from the ranks of the organization, if and when they do again apply for membership, the 90 day or 3 month ruling would automatically be doubled, making the ruling 180 days or 6 months before they could partake in sports.

SDZ Knights Plan First Junior Play Feb. 13

The meeting of the SDZ Knights of January 21 was called to order by the president with prayer. Minutes were read by the secretary and accepted. The financial report was given by our treasurer.

Now that the new year is under way, we were told that some new by-laws will be passed. One is that members can attend meetings actively only of one juvenile group. It is through this by-law that we regret to lose Aloise Fortuna, reporter of the Cadets of the Little Flower and Julia Tekavcic, secretary of the Busy Bees.

Our visitors were: Rose Bizjak, president of SDZ Buds; Josephine Dolinar, vice president; Eleanor Tomazic, substitute for Helen, recording secretary; and Mrs. Tomazic, who spoke.

The SDZ Buds will be the first juvenile lodge to sponsor a play which will be held on February 13. Someone in the group reminded us that it was St. Agnes Day, so everyone stood to sing "Happy Feastday" to Mrs. Zagar and Agnes Fortuna.

With that and a prayer, the meeting was adjourned.

The entertainment that followed, consisted of a trio by Olga Haffner, Julia Tekavcic and Rosalie Kuhel, a tap dance by our visitor Rose Bizjak, a duet by Olga Haffner and Julia Tekavcic.

We were told that Angela Lekan will sing "Neapolitan Nights" at our next meeting.

Josephine Hrvatin, SDZ Knights reporter.

Comrades Offer Real Valentine Celebration

The Royal Comrades of SDZ No. 6 had movies shown of the Olympics at their last meeting. We want to thank Mr. Traven for his cooperation and also Mr. Okorn and Mr. Kalan our guests. We certainly enjoyed the movies.

We, the committee, have something up our sleeves for our next affair which is called "Valentine Social." We'll have refreshments sold for those who get hungry and thirsty from dancing. Do you know what a "spot dance" is? If you don't, all you've got to do is get a ticket from any member of our committee and come to find out. We'll also have a floor show with some of the dances of Eleanor Powell and some of Bobby Breen's singing. Doesn't that sound terrific! Our members could do it. Another thing we're going to have is a "heart hunt." It is fun because whoever gets the most red hearts which are laying about the hall, wins a prize. Oh, I could tell you more and more of the affair but most of the rest are surprises.

Tickets can be obtained from any of the following people: Marie Semc (our supervisor), Emily Wess, John Tanko Jr. (president), Josephine Baitt (recording secretary), Alice Yerak, Sophie Kordish and Agnes Goddec (secretary). Tickets can be purchased at the door. Parents are invited too; we have something in store for them too. So let's see you go out and boost your club. The admission for adults is only 15c, and for children under 16 years of age 10c. Now, don't forget!

Clairwood Bulletin

CONGRATULATIONS

Clairwood's congratulations, Modern Crusaders! upon the success of your 10th Anniversary celebration. Everyone I've talked to says he had a "grand time."

BOWLING NEWS

An attempt is being made to arrange a match game with the Commodore this coming Sunday at 7:30. If it is arranged, all Clairwood bowlers participating, will be notified.

Things are getting pretty exciting down at the old alleys! The Shawnees have been creeping upward slowly until they are only one game from the first place title.

Honors last week go to Dorothy Pirc for her 200 game. Nice work, Dottie! (If you can get it—and how many Clairwood members wish they could!)

LET'S GET ACQUAINTED

Even though born two years after the World War was over, Frank Zobe had a fighting entrance into his new life. As a tiny tot, he continually bawled, batted, squeaked, and tormented his family and their friends with his pugnacious nature. A more mischievous lad or prankish child did not exist on Glass Avenue. Today, Frank is a shy, modest, six-footer who always has a few humorous, sparkling words on the tip of his tongue; that is, if someone will penetrate his wall of reserve and discover the real Frank underneath.

East Tech gave him his worldly knowledge until he was hired by a private concern to help them in their shop doing acid dipping. Any task or labor receives his wholehearted attention, and right now Frank would love to put some of his zeal into a job for he does not like being unemployed.

Claims he is a swell dancer but has not, as yet, given the Clairwood girls a break at the meetings. (How about it, Frank?) Roller skating, bike pedaling, and swimming developed, and now retain, his Apollo-like physique. Loves pies, cakes, ice cream, candies—well, anything that is good to eat. Refrains from smoking and drinking but won't comment on "A-ladies." As a cook he is classed "A-ladies." (A tip for refreshment committee chairman.) To quote his five younger brothers and sisters, "Honestly, there is no difference between Frank's cooking and mother's, except that Frank dainties more pots and pans."—M. G.

Jezero's Anniversary

Collinwood will again shine on Saturday, Feb. 19, when the Cerknisko jezero Lodge, SDZ No. 59, will celebrate its third anniversary at the Slovenian Workmen's Home on Waterloo Rd.

The name of the affair is Third Anniversary Festivity, and for the occasion the committee has engaged the services of Frankie Yankovic's popular orchestra.

The program will start at 7 p. m., at which time supper will be served, then dancing will be in full swing too. The admission for the supper and dance is fifty cents, while for dancing the admission will be only twenty-five cents.

The lodge would greatly appreciate it if the Modern Crusader Glee Club would render a few songs. So remember the place, time and music if you care to have another good time.

FRANCE PRESEREN TO CELEBRATE WITH FRANKIE YANKOVIC'S ORCH.

France Preseren, SDZ No. 17, will commemorate its 25 years of activity in SDZ with

Mark My Words

by Anne Millavec

The annual meeting of the presidents, secretaries, and treasurers of SDZ was held Sunday morning. The Martha Washingtons were represented by Misses Josephine Zehner, Anne and Mildred Millavec. Some very fine speakers were in the audience, outstanding of whom was Mr. Anton Rupnik, president of Blejsko jezero, No. 27. Mr. Rupnik remarked that the founders of SDZ should realize that the youth of the organization is American born, and that the ideas of these youngsters differ from those of their forefathers who were reared in the old country.

Mr. Joseph Kalsic of No. 18 gave a few pointers in acquiring new members for SDZ. He said, "First, study the policy that you are trying to sell; tell the prospect everything you know concerning the policy; be prepared to answer any question the prospect may ask; and lastly, assure the prospect that SDZ is as strong as any other organization." Bear these pointers in mind and see if you don't get at least one new member during this present campaign.

Modern Crusaders' Variety Revue was highly applauded by the large audience Sunday afternoon. Mr. Jack Nagel must be complimented on his fine arrangement of the Slovene version of "Veni, veni." The stage setting, arranged by Messrs. Matt Grdina and Frank Jaksic can be compared with those of the better shows in Cleveland.
