Ameriška trgovska zbornica o gospodarskem letu 1960

Zahvalni dan je za nami. Nastopila je doba novoletnih prorokovanj. To se pravi, letos se je že davno začela vsaj za notranjo politiko. Leta 1960 je volivno leto, kandidatje se oglašajo kar na tekočem traku, njihovi prijatelji in sponzorji pa skrbijo, da imena kandidatov ne zgnejo z dnevnega časopisa. Politična prorokovanja so torej že v polnem razmahu.

Z gospodarskimi so začeli šele sedaj. Bilo je že pretekle tedne par námigavanj, kakšno škodo nam prihodnje leto lahko naredijo veliki štrajki v glavnih gospodarskih pano- gah, toda vse to je bilo prikrojeno na posebne prilike in za posebne namene. Prva, ki se je resno pečala z vprašanjem, kakšno bo gospodarsko leto 1960, je naša Ameriška trgovska zbornica. Spada med naše največje gospodarske organizacije, pri njej se zbirajo podatki iz vsega gospodarstva, ima torej dosti snovi za razmišljanje, sklepanje in prorokovanje. Kar odlikuje njen gospodarska poročila, je precejšnja umerjenost v presoji gospodarske bodočnosti, zato hočemo v par mislih podati, kako ona sodi o tem.

Pripomniti moramo, da so tudi njeni pogledi v bodočnost samo ugibanja. So leta, ko je dobro zadebla bodoči gospodarski razvoj, so pa tudi leta, ko se je temeljito urezala. Zato veže sedaj svoja prorokovanja na celo vrsto pogojev, ki sicer zmanjšujejo vrednost njenih prorokovanj, so pa vključu temu zanimiva.

Posledice jeklarskega štrajka se bodo pozname tja do zdognjenja poletja 1960. Ako bo štrajk izbruhnil na novo, bo vplival na gospodarjenje celega leta. Vpliv štrajka bo navidezno dober: proizvodnja se bo dvigala v večini industrij, posebno metalnih. To se lepo sliši, toda pomeni priveden uspeh. Proizvodnja ne bo namreč namenjena potrošnji, ampak polnitvi sedaj temeljito izpraznjenih zalog surovin in gotovih izdelkov takoj v industriji kot v trgovini. Kdaj bo potrošnik pokupil na zalogah nakupičeno blago, tega ne ve nične, verjetno bodo zaloge deloma razprodane šele 1. 1961.

Proizvodnja se bo torej gotovo gibala na visoki ravni vsaj do prihodnjega poletja, potem bi se lahko ustalila ali celo nekaj padla. Do tega ne bo prišlo, kajti federalna administracija bo napela vse sile, drži produkcijo na višini, drugače bi že itak zagrenjenim republikancem predla trda pri jesenskih volitvah. Velika produkcija pomeni tudi veliko zaposlitev. Prihodnje leto ni torej treba računati z večjo brezposelnostjo kot letošnje leto, seveda če ne bo velikih štrajkov.

Velika proizvodnja in velika zaposlenost pomenita veliko povpraševanje po blagu, kajti večina ljudi rada troši to, kar zaslusi. Posledica večjega povpraševanja bo počasno dviganje cen in večja nevarnost za sedanji življenski standard. Zopet lahko nastanejo govorice o inflaciji, tega se federalna administracija dobro zaveda. Zato bo nadaljevala s svojo sedanjim gospodarsko politiko, v kolikor ji Kongres ne bo prekrižal računov.

Ako se bo dražilo blago, bo skrbela tudi za to, da bo denar dražiti, to se pravi težje bo dobiti posojila in treba bo zanje plačevali višje obresti in odstevati obilnejša odplačila. Radi tega verjetno ne bo tako živahnog gradbenog gibanje, kot je bilo letos. Tudi kupovanje na obroke ne bo našlo nobene podpore v politiki federalne administracije. Da bo administracija skušala držati sedanji in bodoči federalni proračun vsaj v ravnovesju, ako ga že ne bo mogla znižati, to je že davno napovedala. V tem bo našla vso podporo v predsedniku Eisenhowerju, ki se hoče do zadnjega boriti za uravnotežen proračun in za stabilno vrednost našega dolara.

Zadnje čase je gospodarski razvoj nakopal administraciji na glavo še novo skrb: naša plačilna bilanca je trajno pasivna in njen primanjkljaj postaja nevaren za naše gospodarstvo. Federacija bo moralna radi tega gledati, da dvigne naš izvoz, to bo pa zoper imelo svoj dober vpliv in pomen na naše domače gospodarjenje.

Če vse to izrazimo v številkah, bi rekli takole: akoravno nam je jeklarski štrajk že povzročil izpad na narodnem dohodu za 5 do 8 milijonov dolarjev, bo prihodnje leto naša narodna proizvodnja prekoračila mejo 500 milijonov za blizu 25 milijonov, taka je sodeba Ameriške trgovske zbornice. Letos te meje ni dosegla radi jeklarskega štrajka.

Ali bo celo prihodnje leto doba konjunkture? Na to vprašanje odgovarja zbornica takole: Zadnjih 105 let smo imeli v naši deželi 25 gospodarskih križ in konjunktur. Povprečno je vsaka konjunktura trajala 30 mesecev, potem je začela pojmati in prešla počasi v krizo. Sedanja konjunktura se je začela v aprilu 1958, trajati bi morala po pravilu 30 mesecev, to je do jeseni 1960. Ta kalkulacija bo v splošnem držala ne morda radi tega, ker odgovarja gospodarski skušnji, ampak radi tega, ker bodo volitve šele v no-

vembru. Republikanska administracija in velepodjetja go- tovo ne bodo hotela priznati konca konjunkture pred voliv- nim dnevom, ako bi tak konec bil tudi viden in otpljiv.

Sicer je pa jeklarski štrajk odložil kalkulirani začetek krize za nekaj mesecev. Kar je naša narodna proizvodnja zgubila v letošnjem letu, to mora najpreje nadomestiti v prihodnjem in šele potem začeti pokrivači potrebe tekočega povpraševanja. Kar smo imeli letos premalo konjunkture, jo bo gospodarski razvoj moral nadomestiti v prvih polovici prihodnjega leta. Zato je verjetno, da bi se novo poslabšanje gospodarskega stanja moglo dogoditi šele začetkom 1. 1961.

Tako se glasi v grobem poročilo Ameriške trgovske zbornice. Je zmerno in vpošteva dobre in slabe možnosti gospodarskega razvoja. Zato ni treba pozabiti na poročilo tekem prihodnjega leta. Takrat bodo namreč demokratje napovedovali hudo krizo, ako ne zmagajo, republikanci pa večno konjunkturno, ako ne zgube Bele hiše.

Ne kaže veliko verjeti ne enim ne drugim, kajti gospodarski razvoj gre v svobodnih državah svojo pot in se ne da popolnoma usmerjati po politiki javne roke.

NEWBURŠKE NOVICE

Veste, advent je tukaj. Ad- ljubezen do naša ga sili, da pri- vent je latinska beseda, ki po- de k nam, da znova obudi v nas meni prihod. Kdo prihaja? Po željo živeti in delati tako, da dolgi dobi od takrat, ko je Bog bomo tudi mi enkrat med ange- li v večnem raju.

Veste, pa imam pri tem nekaj pomislila. "Misel me meče," so rekli naš oče večkrat. Misel tudi mene meče glede prihoda angelcev na svet. Ali mislite, da se bodo drznili priti na svet?

Saj veste. Ruski boljševiki pa Amerika so nastrelili v zrak običajni jesenski koncert v Slov. društ. domu na Recher Ave.

Razveseljivo dejstvo je, da se zanimajo mladi, tu rojeni fantje za slovensko pesem in kulturno delo. Če hočemo, da ne bodo zgubili veselja do tega, da se bo torek slovenska pesem čim dalj ohranila na slovenskih odrih v tujini, jih moramo podpirati, podpirati s tem, da se udeležimo njihovih nastopov. Mladina je naša bodočnost.

Težko je povedati, kako vpliva slovenska govorica in slovenska pesem na človeka, ko običe svojo domovino, svoj rojstni kraj po dolgih letih življenja v tujini. Ne morete si predstavljati, kako je človeku pri srcu, ko prestopi mejo in ne nadno zasliši svoj materin jezik v čisti obliki, lepo slovensko besedo, povsod samo slovenske napisne.

Takrat se v srcu nekaj zgane, ne moremo se premagati, od veselja nam sliši solze v oči, v grlu nas tišči in kar beseda ne more iz nje.

Neki mladi oče je težko čakal na svojega prvorjenca. Končno pride bolničarka z bebijem v rokah. Mlađi oče: "Kaj je? Ali sin ali hčerk?" Bolničarka pa se nasmeje in pravi: "Srednji je sinko." Ali razumete?

Naši gosti, ki so nas obiskali v dneh žalovanja, so se zopet razliši. Največ jih je bilo iz Kalifornije. Naj daljšo pot pa je naredil Father Nande Babnik, ki je prišel iz Avstrije. Pri njem je ena izmed dveh še živečih sester pokojnega škofa.

Naša hiša je postala pravna, odkar so odnesli Prevzimajočega na njegov prostor med pokojnimi frančiškanji v Lemontu. Molimo zanj!

Franjan Anžek je dejal: "Ako bi ti obralci tistega, ki je največ krit tvojih nesreč, bi en cel tened in ne mogel sedeti." Pa je res to.

Saj sem dejal, da mora to nekaj pomeniti. Mike Vreček, naš tajnik cerkvenega odbora, je nekaj časa sem hodil po koncu, kot bi bil kak avstrijski feld- bebel. Sem pa rekel, grem polegat v cerkveni zapisnik in, še naf, tam je bilo zapisano, da je Patricia Verček, hči Mikl Verček in njegove sogroke Marije Cvitko, vzela za svojega pravega moža James Magiča. Kaj sem hotel, čestital sem jima. Bodite srečna!

Obujaj ljubezen do Boga. Bog je najsvetješje, najljubjevnejše bitje. Če ljubi malega otročica, ker je nežen in lep, ljubi Boga, ki je ustvaril vse krasote v nebesih in na zemlji in je tako lep, da ga bomo gledali in občudovali in ljubili vso večnost.

DREDJI TESEN

Obujaj ljubezen do bližnjega. Kako lepo je, če se člani družine ljubijo, kakor Bog zapoveduje. Taka družina je v resničnosti skoraj nekaj.

Vidite, tako se moramo pripraviti na prihod Gospodov, na spominski dan Njegovega prihoda med nas zemljane. Samo

Prihaja do tega, da bodo ljudje, ki so pri maši, ne le poslušali ali pa na pol spali. V bo- doče bodo ljudje, ki so pri maši, molili z mašnikom vred in bo- do torek v resnici z duhovnikom sodarovali sv. mašo. Tako so delali prvi kristjani. Ljudi na- vaditi na to, ne bo lahko. To vsak vidi. Pa končno se bo tu- di to uredilo ljudem v zadovolj- nost, Bogu pa v čast. Kako bo- do sprejeli to vest tisti, ki ne- deljo za nedeljo pod stolpm stojijo, na to se sv. Oče ni ozi- lar. Kaj bo s tistimi, ki nikdar ne vzmamejo seboj, ne mašne knjige in ne rožnega vanca, te- ga tudi ne vem. Vem pa, da bo- do ljudje, ko se enkrat privadi- jo, čutili, da so bili res soda- rovalci najsvetješje daritve Je- zusove.

Franci se domisli: "Igrajmo se mašo!" Oltar je hitro pri- pravljen. S stene namejo križ in ga postavijo na omarico. Tu- di mašno knjigo že imajo, ko

pira na dejstvo, da je vse skupaj bilo prav za prav njegovga ideja. Jerom se užaljen umakne in prične brati knjigo.

Franci si je ognil deko in začel "maševati". Ministrant Matjaž ves čas zvonil: "Ding- ding, ding-ding!" Na sredji "ma- še" se domisli, da ima očka ba- linarsko trofejo, ki je podobna zvoncu. Kaksna smola — očka je nočje posoditi, Matjažek pa nočje več ministrirati in — "ma- še" je konec.

Kaj pa zdaj? Jurček pravi, da bo dirigent, Matjaž se mu z orglicami ponudi za orkester. Naš Matjažek je tič — on lahko opravlja več del hkrati. Pred kratkim sem ga dobila, ko je klečal pred optim televiziom z "maševati". Ministrant Matjaž ves čas zvonil: "Ding- ding, ding-ding!" DUŠEVNA POTRTOST

Vsek izmed nas je bil že kdaj v življenju duševno potrt, potbit, malodušen, turoben, nespособen za vsako delo. V tem stanju je marsikdo kot brez volje, nekako ravnodušen postane za vse, kar se okrog njega dogaja. Vsako upanje izgubi, da bo kaj boljše, ako dela ali ne dela, prigorjanje sorodnikov in znanec se ga nič ne prime, ker se mu zdi, da je itak vse izgubljeno, ker zanj ni pomoči. Ne pozabimo revnih otrok!

Cleveland, O. — Marinski rezervni kor je od 1. 1948 vsako leto organiziral v okviru "Toys for Tots" kampanje zbiranje igrač za otroke onih družin, ki jih jim ne morejo same kupiti. Rezervne enote marinov v posameznih okrajih vodijo to kampanjo iz leta v leto na krajevni osnovi.

Pri njej pomagajo tod Kiwanis klub in gasolinske postaje Shell Oil Co. Vodje kampanje,

ki se je začela preteklo nedeljo in bo trajala do 15. decembra, prosijo vse, ki imajo kaj otroških igrač, naj jih oddajo na Shell gasolinskih postajah, kjer jih bodo marini pobrali, jih nato popravili in poskrbeli za njihovo podaritev potrebnim otrokom.

Kdor bi imel večjo množino in večjih igrač, naj kliče neposredno Marine Corps Reserve Train-

ing Center SU 1-5541.

Dr. sv. Marije Magdalene št. 162 KSKJ

Cleveland, O. — Članstvu društva se tem potom sporoča, da se bo vrnila "Božičnika," za člane in članice mladinskega oddelka v ponedeljek, 7. decembra, od 6 do 7:15 zvečer v spodnjih prostorijah šole sv. Vida (zborovalni dvorani).

Odbor je na delu, da pripravi vse potrebno za sprejem "SANTA CLAUSA," ki pride na obisk in razdeli darila navzočim otrokom. Prosijo se torej starše, ki imate svoje male vpisane v mladinskom oddelku, da jih v ponedeljek pripeljete v zborovalni dvorano — da bodo deležni tistega, kar je zanje pripravljenega.

Nenadna smrt nekoga naših najdražjih,bolezen ali telesna poškodba s težkimi trajnimi posledicami, ločitev zakona, izguba vsega premoženja, nedovoljena ljubezen, zlasti taka, ki pripelje še do drugih, zločinskih dejanj itd. Samo trdna vera in zaupanje v Božje usmiljenje, molitev in pomoč dobrih bližnjih lahko tu pomaga.

Težka duševna potrstost in brezupnost spreminja tudi razne duševne bolezni, katere sproži večkrat upravičena ali neupravičena prevelika zaskrbljenost in strah pred bodočnostjo, navadno pri osebah, ki nimajo vere v nadnaravno pomoč.

Malodušnost, zaskrbljenost, strah in vrtenje in šumenje v glavi spreminja zlasti v naši Ameriki mnogoštevilne bolezni, ki nastopajo ali se poslabšajo pred izprenembami vremena in pri skoraj trajno povisani zračnosti vlažnosti.

Med te bolezni spadajo zlasti pogoste influence in razne alergične bolezni dihal, votlin kosti v glavi (sinus), črevsja in kože. Preobčutljivost proti senu (senena mrzlica), raznim rožam in drugim rastlinam predstavlja le majhen del teh bolezni. Večina ljudi ima vzrok za nastop alergičnih bolezni stalno v lastnem telesu, zato so tudi te bolezni kronične in stalne, samo da so pri spremembah vremena, vlage, radi nastopa raznih življenjskih težav in skrbi teče, ako pa je vreme skozi nekaj tednov stanovitno, so pa lažje. Tudi tekom teh bolezni nastopajo večkrat duševne motnje.

Zdravljenje duševne potrstosti in drugih bolezni, omenjenih zgoraj, je navadno v zvezi z najbolj neprijetnimi znaki, kateri navede bolnik ali njegov sorodnik (simptomatično).

V zadnjih letih ameriške tovarne zdravil proizvajajo mnogo novih sredstev, ki se uporabljajo z dobrim uspehom za pomirjenje bolnika, za zdravljenje živčevja, krepitev volje za življenje in delo. Zato nikomur ni treba obupavati.

HANDEL - MAZZETTI:

Junakinja iz Štajra

Že davno je mrtva mati in on sam je mož božji, ki se je odpovedal posvetni ljubezni in nečimernim skrbem. Vendar zazveni spričo nežne skrbnosti te deklike neka struna v njegovi duši, kateri bi mu materina roka glađila srce.

"Kadar pa prideite v Admont," nadaljuje Štefana, ki ji samega veselja žare oči, pred katerimi bi obledle vijolice. Iskre ji tako veselo, kakor bi bil mož božji že premagal vse nevarnosti in bi bil že na varnem v njenem rojstnem kraju, ki ga ljudi nad vse in ga ne more pozabiti, "ga mi lepo pozdravite. Posumno lepo pozdravite patra Kuzmino! Povejte mu, da se Štefani dobro godi, bo že razumel. Ne pozabite obiskati žalostne Matere božje v cerkvi: Tako prisrčno je lepa. Kolikokrat sem pred njo molila. — Potem", vedno zgovornejša postaja, "poglejte tudi našo hišo ob vodi, prav blizu samostana je. Dva klicarja sta na njej naslikana: eden ima grb s cerkvijo, drugi nosi grb z enorocem. — Prav lepo, prav lepo pozdravljam našo hišo . . . Zadaj je travnik in je tudi lep — pa sedaj je zima — majnika se tam krije pod jeleni, takov veselo." S srebrno čistim glasom je začela drobiti pescico.

"Štefana!" je kregala sama sebe in je napela čelo. "Pela boš, Jezus je pa tako blizu!"

Zunaj je strahovito razsajala zima, ki z morilno močjo preži na slabotnega človeka. Toda iz Štefaninih otroških besedi partru vzcvita majnik.

Skozi cerkvena vrata priplavajo oblački kadila v temno zakristijo. Zvonček poje v cerkvi. Štefana prisluškuje . . . Jagnje božje je že pri sveti maši Zvečičar jo že čaka. Zadnji čas je, da gre in se pripravi na sveto obhajilo. Še nekaj ima na srnu.

"Se eno prošnjo imam, prečastiti gospod. Ko boste šli mimo pokopališča sv. Amanda . . . tam počivajo moj preljubi ranni oče . . . stopite noter in poglejte, če še raste na grobu bršljjan in zimzelen, ki sem ga zasadila — pa še to bi vas prosila: poškropite očetov grob z blagoslovjeno vodo. Popreje sem to storila sleherni dan, sedaj pa že dolgo, dolgo ne."

Pater Albert se je nekoliko sklonil k deklici, ki sicer ni bila majhna, pa vendar mnogo manjša, kakor suhi, visokorastli mož, ter ji je rekel:

"Če bom le mogel, pojdem tje, dete moje. Pa zakaj se toliko brigă za bršljjan in za zimzelen. Vse to nič ne pomaga ubogim dušam v vicah. Pomaga samo molitve."

Naznanilo in Zahvala

Z globoko žalostjo na naših srca naznanjam vsem sorodnikom, prijateljem in znancem, da je po dolgi in mučni bolezni umrla naša ljubljena soproga, mati starati in tašča

Justina Verbič

Previdena s sv. zakramenti je zatisnila svoje dobre oči na dan 5. novembra 1959. Rojena je bila 7. septembra 1891 v Dvorski vasi pri Velikih Laščah, odkoder je prišla v Ameriko leta 1909.

Pogreb se je vršil 10. novembra 1959 iz Zakrajškovega pogrebnega zavoda v cerkev sv. Vida, kjer je za pokoj njene duše bila darovana sv. maša zadušnica. Potem pa smo njeni truplo prepeljali na po kopališče Kalvarija in ga tam položili k zemeljskemu počitku.

Bila je članica društva: Cleveland št. 126 SNPJ, podr. št. 25 SZZ, Maccabees št. 493 in Oltarnega društva fare sv. Vida.

V dolžnost si stejemo, da se s tem iskreno zahvaljujmo za cibiske pokojnike v bolnišnici Father Bazniku, Father Cimpermanu, Father Martelancu, Father Jagru in Vargi iz fare Marije Vnebovzetje, Father Megliču iz fare sv. Pavla in Father Black iz fare Holy Cross. Father Cimperman naj sprejme našo zahvalo še za molitve v pogrebnem zavodu, za darovano sv. mašo zadušnico in za spremstvo na pokopališče. Fathers Ozimek in Martelanc pa za asistenco pri sv. maši.

Srčna hvala vsem, ki so ob oder pokojnice položili tako lepe vence cvetja in ji s tem izkazali svojo ljubezen, spoštovanje in zadnjo čast.

Hvala vsem, ki so darovali za sv. mašo, ki se bodo brale za mir njen duši, kakor tudi darovalci, ki je daroval za Cancer Fund.

Toplo se zahvalimo vsem, ki so jo prišli krotiti in moliti ob njeni krsti in to: članicam društva Maccabees, SZZ, Oltarnega društva in Materinskih klubov sv. Vida.

Ljuba žena, draga mati, starata mati in tašča, počivaj v miru v blagoslovjeni ameriški zemlji in lahka naj Ti bo gruda t e Tvoje druge domovine!

Veliko si pretrpela v Tvoji dolgi in mukotrpi bolezni, pa si vse prenašala potrežljivo, vdana v voljo božjo. Sedaj Te je ljubi Bog poklical k Sebi, da Te obilno poplača za Tvojo vdanost Njemu, za vso ljubezen, ki smo je bili mi vsi deležni v toku našega življenja, za vse skrbi in delo za nás vse. Hiša je sedaj kar nekako prazna brez Tebe, povsod Te pogrešamo. Žaluje mo za Teboj, a ravno tako žalujejo za Teboj številni prijatelji in znanci, saj si bila povsod priljubljena in spoštovana zaradi Tvojih dobrih del, ki si jih storila vsem, k i so bili potrebeni! Mi, ki smo ostali, se Te bomo pa vedno spominjali z ljubezno in hvaležnostjo v naših mislih in molitvah, dokler nas Božja moč ne združi na kraju večnega veselja — v nebesih!

Christmas Decorations

"Colored" shadows will give your Christmas decorations an unusual touch: Erect a cut-out of Santa, snowman, or other figure in your front yard. Put a 150-watt white outdoor floodlight in front of the cut-out, so it casts a shadow on a wall, door or other flat surface. Then put a colored floodlight between the figure and the wall. Move lights forward or backward to change size of shadow.

It should be easier than ever this year to light up your home and yard with Christmas decorations. Many types of new light bulbs and display material are available.

But an attractive display depends more on methods than materials. Lighting experts suggest you keep these ideas in mind:

1. Don't use too many different themes.

2. Color, and Christmas "themes" are important.

3. Spotlights, extension cords, etc., should be as inconspicuous as possible.

4. Indoors or outdoors, first put on tree lights to outline the shape. Then add other lights where you want them.

5. Place lights in their sockets before other decorations are added. Always turn off electricity while changing bulbs or handling the equipment.

6. For all outdoor displays, use weatherproof bulbs, sockets, extension cords, etc.

Consider the appearance of your home from the street and build your design around a special feature, such as doorway, picture window, even the roofline.

The Euclid Scene

By MICHAEL BOICH

There is peace at the Euclid School Board, at least temporarily, and we hope it stays that way. The Board has unanimously approved Dr. Angene as superintendent a few months ago. He was assistant superintendent under the late Dr. Fordyce, whom a lot of people thought was one of the better educators in the State. I am sure that Dr. Angene absorbed quite a bit of knowledge to qualify himself for this post.

Dr. Angene has been with the Euclid schools since 1937, being a teacher, curriculum supervisor, director of instruction, ass't, and acting superintendent. He taught five years in the Mt. Gilead and Bowling Green schools. He was graduated from high school at the age of 15. He also graduated from Heidelberg College, and received the masters and doctorate degrees from Ohio U. and Kent St. U. In college, Angene specialized in business administration, English and Education.

Dr. Angene brings to the job a long time interest in the Euclid community and in the welfare of the Euclid schools. He has the advantages of knowing the Euclid school system as it has developed in the past 22 years and the experience and educational background to point the way for further improvement.

This double-value program will have Karol Fageros, the Golden Goddess of tennis, opposing Miss Gibson in a 3-set match. Some of the finest vaudeville acts from Europe and the Orient will also perform, at half-time intermission of the basketball game.

Globetrotter owner Abe Saperstein, who last year signed Wilt (The Stilt) Chamberlain to a one year contract so fans all over the world could see him with the Globetrotters, now brings Althea Gibson's great talent to fans who would otherwise never have the opportunity to see her in action.

She won both the Wimbledon and United States titles in both 1957 and 1958 — successive-year victories accomplished only by Helen Wills and Maureen Connolly before her. For this tour, Althea receives \$100,000, and Miss Fageros, whose ability, beauty and famed gold panties brought her fame, gets \$30,000.

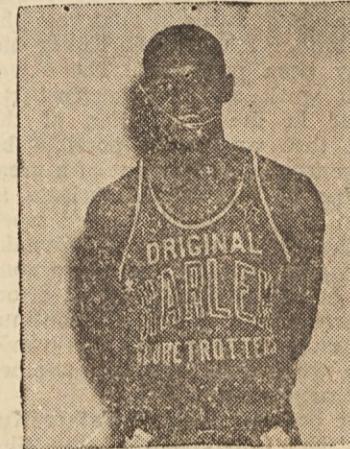

He will have the fine support of Stewart Cox, clerk-treasurer, who gets along with everyone, and also Frank Mills, the Business Manager of the Schools. Watching Dr. Angene at many school board meetings it was always a pleasure to see him in action answering questions that were put before him by members of the Board. The people of Euclid should feel free to call on him at any time, they will be welcome.

Dr. Angene has two children in the Euclid Schools and one who has graduated. The family lives at 171 E. 219 St.

For the basketball portion of the program, Trotter comedians Meadowlark Lemon, Showboat Hall and all the others will be at their rib-tickling best against their colorful Pacific opponents.

Tickets — priced at \$3.00, \$2.50, \$2.00 and \$1.50 — are now on sale at The Arena (3700 Euclid Ave.), and Richman's (736 Euclid), plus the regular northern Ohio outlets for top Arena events.

Globetrotters at Arena

Sport and entertainment fans of the Cleveland area are in for a rare treat at the Arena Monday, Dec. 7th, at 8:30 p.m. They will get their first glimpse of the world's greatest woman tennis player, Althea Gibson, in action — plus seeing the fabulous Harlem Globetrotters play the colorful San Francisco All Nations cage team.

At 7:30 p.m. Dec. 7th the annual meeting is to be held. We all realize that this is the most important meeting of the year. At this meeting discussions of ways and means take place and the election of officers for 1960 is on the agenda. It behoves each and every one of us to be at this meeting and so help make it a real success.

After the meeting — refreshments will be served. Assessments will be collected from 5 p.m. on.

Members are reminded to be prompt in this also, as it is of great importance.

The KSKJ Calendars are on hand and you can receive them on Dec. 7th. With the hope of seeing many of you is the sincere wish of your Secretary — Mary Hochevar.

IF PEACE EVER COMES

Some cynics have observed that this country could hardly afford a change for the better in the world situation that would make possible massive cuts in military and related spending. The economy is so dependent on \$40 billion plus defense budgets, the argument runs, that a terrific depression would result.

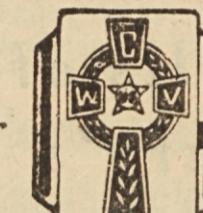

Nation's Business has gone into the matter, and comes up with an utterly different view. It says that the results of a softening of cold war pressures would, among other things, include: A rise in consumer spending far exceeding the cut in defense spending; a terrific upsurge in spending for new plants and equipment; more income for everyone to spend and invest; higher living standards, lower taxes and a larger labor force.

It adds that some industries and individuals would be hurt temporarily — "But soon these industries and all the rest of us would be wondering how we ever paid such high taxes and denied ourselves so many of the benefits our productive capacity makes possible."

No one knows when, if ever, it will be possible to cut the defense budget. But if that happy day ever arrives, there will be no justification for a "peace scare." Peace is the best thing that can happen to any nation.

St. Vitus Society No. 25 Annual Meeting

It seems like yesterday, that I was writing to you, reminding you of the annual meeting for 1953, and here it is December again, time for selecting and electing new officers that will carry on the St. Vitus Society's business for another year. The meeting will be held Sunday, Dec. 6, at 1:30 p.m. in the Panel Room of St. Vitus School. The assessments will be collected from 12:45 to meeting time.

Please let's have a nice turn-out, and I'd like to see a lot of new faces. I hear a lot of gripes from members. Here at the annual meeting, or at any monthly meeting is the time and place to air your gripes. If more members would attend monthly meetings regularly, a lot of things could be accomplished. After the meeting refreshments will be served.

Two reminders to members of St. Vitus Society:

One: We have a campaign for new members which in

Jury Renders First Verdict in Lakeland Freeway Appropriations

The first formal jury verdict in a Lakeland Freeway appropriation case was rendered recently in the Common Pleas Court room of Judge Saul Danaceau after a three-day trial including approximately four hours deliberation by the jury of eight women and four men. The jury awarded Jack and Helen Troha of 607 E. 140th St. the sum of \$48,000 for their commercial building on East 140th St., part of which is occupied by Troha's Longfellow Eagle Supermarket. The award exceeded by 20 per cent the offer made by the State of Ohio for Troha's property and was termed as "excessive" by the attorneys representing the State of Ohio in the trial.

Complicating the case was the fact that although Troha will incur heavy expenses to move their business, moving costs as such are not compensable under Ohio law, according to Attorney Paul J. Hribar who, along with Attorney Ernest J. Hallambeck, handled the case for Mr. and Mrs. Troha.

Fine points of law were involved in the trial with respect to the admissibility of evidence as to moving costs and the extent to which the jury could consider same in setting their award, according to Hribar, who also indicated that the rules of law and evidence precluded Troha from presenting facts as to loss of business and the expense and cost of setting up their new store at 15800 Waterloo Rd.

First Fully Tried

While there have been many court settlements to date of Lakeland Freeway appropriation cases, Troha's case was the first which was fully tried and formally decided by a jury. Attorney Hribar indicated that cases involving residential properties can be settled since the range of opinion as to fair market value is usually narrow; the difference of opinion as to fair market value of business properties, however, may run into many thousands of dollars depending on use of premises, zoning considerations and other factors. Relocating business properties usually requires owners of properties to go into debt thus tending to create law suits, the owners hoping to receive full compensation from a jury. Attorney Hribar stated the foregoing is illustrated by the fact Troha accepted the State's offer for their home on Chautauqua Ave., but were unable to do so in the recent case.

A previous hearing on the matter was declared a mistrial because of the illness of one of the jurors.

Jack Troha, in the food business on E. 140th St. for some 30 years, has acquired a site at East 158th St. and Waterloo Rd. Extensive renovating of the new property will be necessary before a move

can be made.

The long awaited book by the late Father Aloisius L. Kuhar has finally been published. There was much work and much effort required in the publication of the book that was made possible by the generous prepayment of a great number of Slovenian-Americans in order to get a much needed work on the early history of Slovenia. We would like to thank everyone who helped us in that great effort and we kindly ask for a continuous understanding of our work, since we hope to publish another book next year.

The book by the late Father Kuhar "The Conversion of the Slovens and the German-Slav Ethnic Boundary on the Eastern Alps"

was published as the second volume of the monographic series "Studia Slovenica." The "Studia Slovenica" group intends to publish a number of scholarly works on Slovenia, on Slovenian history and culture. Our future work depends entirely on the good will of the American-Slovenian public and we kindly ask all American-Slovenian societies to help us in the distribution of these important volumes on the history of our ancestors.

The book deals with the early history of Slovenia, with the period of Christianization. The sources for the early history are rather scarce, but Father Kuhar succeeded in analyzing them very well in order to give us an overall introduction to the medieval history of the Slovenian people. The emphasis of the work is on religious and cultural history of the northern Slovenian territories of Carinthia — the cradle of Slovenian culture and political organization. It offers a scholarly approach to the problem of Germanization in the Eastern Alps and will remain a milestone in Slovenian historiography.

Since the book is written in a skillful English language it will serve as a constant source of information to the scholarly world as well as to anyone interested in the early history of the Slavs. The future will bring reports on the book in scholarly magazines that will be most favorable to it. At the time of the publication we would like to emphasize the need for the book to the younger generation of Americans of Slovenian ancestry who are eager to learn about the great efforts of the Slovenian people to build up their own cultural and political organizations.

The price of the bound book on 231 pages is \$5.00. It will make an excellent gift for Christmas to everyone who wants to study Slovenian history and culture.
