Kapitalistični tisk ga ima na črni listi, ker prevečkrat resnicno pove.

NEČAK avtomobilskega magnata Forda, 32-letni Milton Raymond, je bil dne 26. decembra ubit, ko je v mestecu Cadmus, Mich., vlak trčil v njegov avtomobil. Z njim vred sta bila ubita tudi Willey Patton in njegova žena, ki sta se vozila z njim.

GOZDNI POŽARI so v letu 1935 napravili v gozdovih Združenih držav za 38% manj škode, kakor v letu prej. Za to izboljšanje ima glavno zaslugo gozdna armada, znana pod imenom Civilian Conservation Corps. Ta armada je zgradila 65,000 milij gozdnih poti in 2,428 cipazovalnih stolpov, napejala je nad 39,000 milj telefona, zgradila obrambne nasne protipožarni in očistila gozdove lahko vnetljivega dražja in druga materiala na več kot milijon skrih gozdnih kompleksov.

## PENNSYLVANSKI BRATSKI KONGRES

Piše dr. F. J. Arch, vrhovni zdravnik J. S. K. Jednote

Dne 6. decembra 1935 ob desetih dopoldne je bila otvorenja konvencija Pennsylvanskega bratskega kongresa v hotelu Sterling v Wilkes-Barre, Pa. Zborovanje je otvoril predsednik kongresa. Program je bil precej dolg in razni govorniki so nastopili z nekaterimi zelo zanimivimi govorji in dokumenti. Od 61 organizacij, ki tvorijo ta kongres, jih je bilo zastopanih na tej konvenciji 38.

Dobrodošlico delegatom je izrekel župan mesta Wilkes-Barre. Z zanimivim govorom je nastopil sodnik Fine s common pleas sodišča v Luzerne countyju, Pennsylvania. Za njim bi bil moral nastopiti Owen B. Hunt, zavarovalniški komisar države Pennsylvania, toda se je istočasno mudil na seji zavarovalniških komisarjev iz vseh Zedinjenih držav, ki se je vršila v New Yorku. Poslal je opravičilo in obžaloval, da ne more biti navzoč.

Poročano je že bilo, da je legislature države Pennsylvania v zadnjem zasedanju sprejela pravilnik za bratske organizacije, ki velja za najboljšega, kar jih je doslej še kaka država vplejala. Vsled tega je zbornica sprejela resolucijo, s katero se zahvaljuje legislativnemu odboru kongresa, governerju Earleju in komisarju Huntu za naslove in pomoč, da je bil omenjeni pravilnik v legislature sprejet. Zahvala je bila izražena tudi državnemu poslancu in senatorju, ki sta dotočni predlog predložila obema zbornicama legislature.

Glavna točka razprav na zborovanju je bilo obdavčenje bratskih organizacij, četudi za enkrat v Pennsylvaniji ni že nobena bratska organizacija obdavčena. Vsekakor se je podarjalo, da je dolžnost tega bratskega kongresa pomagati v boju bratskim organizacijam v drugih državah, katerim preti obdavčenje.

V državah Arkansas in Oklahoma so bile postave za obdavčenje bratskih organizacij že sprejete in sodišča so jih potrdila kct ustavne. Najbolj kritični del teh sodniških odlokov obstaja v tem, da se morejo davki kolektati tudi za nazaj od denarja, ki so ga bratske organizacije v preteklosti izkolektale od svojih članov v dotočnih državah. Za sedanjost in bodočnost se bodo davki seveda tudi izterjevali. V državi Virginiji so bili zastopniki bratskih organizacij že tudi poklicani k zasljanju pred komisijo, ki sestavlja načrte za nove davke. Po poročilu nekaterih članov preti v Virginiji bratskim organizacijam resna nevarnost, da bodo obdavčene.

Na našem zborovanju se je poudarjalo, da ni nikakega dvojma, da mnoge države resno potrebujejo višjih dohodkov in da vedno bolj obračajo oči na bratske organizacije, v katerih vidijo dobre vire novih davkov. Iz vsega tega je mogoče napraviti le en zaključek, da moramo biti vedno pripravljeni se boriti proti obdavčenju bratskih organizacij, pa naj se ta nevarnost pojavi v katerikoli državi. Ako obdavčenje bratskih organizacij zmaga v številnih drugih državah, se bo ta nevarnost kmalu približala tudi nam. Za sedaj obdavčenje bratskih organizacij je sicer ni bilo vpeljano v državah, kjer bi bili mi prizadeti, toda tozadnevi poskusi se bodo nedvomno pojavitvili v bodočnosti in mi moramo biti pripravljeni, da se borimo proti njim.

Naše zborovanje je pozdravil tudi Mr. Peter F. Gilroy, predsednik Narodnega bratskega kongresa. Izjavil je, da bo Narodni bratski kongres v bodoče vršil svoje dela v širšem obsegu in bolj praktično, kakor se je to godilo dosedaj. V to svrhu bo glavni urad reorganiziran in bo dobil novega upravitelja in tajnika-blagajnika, kakor je določila konvencija Narodnega bratskega kongresa, ki se je v avgustu leta 1935 vršila v Pittsburghu, Pa.

Omenjeni Mr. Gilroy je tudi poudaril važnost dejstva, da razne države vedno bolj poželjivo gledajo na bratske organizacije kot na dobre vire novih davkov. V zvezi s tem je prečital pismo, kakršno je bilo poslano na vse organizacije, ki pripadajo Narodnemu bratskemu kongresu. V tem pismu se pozivljata glavni predsednik in glavni tajnik organizacije, da razpoljjeta na vsa krajevna društva posebne vprašalne pole, katere naj društva izpolnijo in pošljajo na glavni urad. Vzrok za to je, da se v sodniških razpravah v zadevah obdavčenja bratskih organizacij odvetniki, ki nastopajo proti bratskim organizacijam, poslužujejo trditev, da naše podporne organizacije niso v resnicu bratske, ampak zavarovalne, slično, kakor zavarovalne družbe, ki so že obdavčene.

Te vprašalne pole bodo nedvomno v kratkem času poslane iz našega glavnega urada na vsa naša krajevna društva, in vseh društv, velikih in malih, je dolžnost, da gredo v tem oziru glavnemu uradu na roke ter izpolnijo ter vrnejo glavnemu uradu dcične pole brez odlašanja. V tem oziru bodo krajevni tajniki pravocasno dobili iz glavnega urada vsa potrebna navodila in informacije.

Zgraj sem omenjal, da imajo bratske organizacije opraviti s problemom obdavčenja že v treh državah. Vsekakor Mr.

Novaletne resolucije so slične mušicam enodnevnicam, ki živijo kvečemu en dan, ce jih prej vrabcu ne pozobljejo.

Ko bodo čitatelji dobili to izdajo lista v roke, bo že poimljena večina božičnih igrač in novaletnih resolucij.

SAHARA SE ŠIRI

Velika afriška puščava Sahara se vsako leto zagrizje približno eno miljo naprej v rodovitven svet. V enem stoletju bo puščava pogolnila vse ozemlje v dolini delu Afrike, z izjemo ozkega pasu ob morju. Še pred 2000 leti pa je bila sedanja Sahara imenovana "žitnica Rima." Po mnenju dr. E. P. Stebbinga, profesorja na edinburški univerzi, je za nastanek in širjenje saharske puščave odgovorno uničevanje gozdov in preveč intenzivno izkoriščanje zemlje.

V ITALIJII so praznovali pretečni božič brez običajnih božičnih drevenc. Oblasti so izdane ukazi, da se ne sme niti sekati niti importirati nobenih drevenc v to svrhu. Cerkveni krogovi so apelirali na prebivalstvo, da naj opusti staro navado, češ, da povstavljanje božičnih drevenc izhaja iz poganstva. V splošnem je bilo praznovanje božičnih praznikov po vsej Italiji tisto in zalostno, ker je malo družin, ki ne bi imelo svojcev v vojni.

Etiopci so se napram Italijanom začeli posluževati gverilskie vojne. Številni mali oddelki etiopskih vojakov napadajo Italijane na različnih krajih, večkrat tudi v zaledju. Pred par tedni so se italijanske čete na severni etiopski fronti pripravljale na veliko ofenzivo, s katero so nameravale priti v stik z glavnim etiopsko obrambno silo in jo poraziti v odločilni bitki.

Etiopci so Italijanom ta načrt prekrižali z živahnim gverilskim bojevanjem. Zdi se, da hočejo Etiopci s tem zadržati nadaljnje pohode italijanskih čet do časa, ko se bo začelo v deželi sezonsko deževje, ki bo za več mesecev onemogočilo vse večje vojaške operacije.

republike vodil svojo domovino prav tako uspešno in previdno kakor njegov prednik Masaryk, kar bo v srečo ne le njegovi ožji domovini, ampak Evropi sploh.

Tretji izredno vplivni mož Evrope je Jožef Stalin, diktator največje slovenske države Rusije. Rojen je bil 20. decembra 1879 v vasi Gora, bližu Tiflisa v sedanji sovjetski republiki Georgiji. Po rodu ni Rus, ampak Georgijanec, Azijat. Njegovo pravo ime je bilo Yosef Djugashvili. Ime Stalin si je prizel, da se je lažje umikal carskim beričem, ki so ga zasledovali kot revolucionarji. Njegov oče je bil reven čevljar. Njegova mati, izredno inteligentna ženska, ga je poslala v neko semenišče. Tam pa je postal študent leta, nakar je postal profesionalni revolucionar. Zaradi njegovih aktivnosti je bil že leta 1904 pregnan v Sibirijo in potem še večkrat. V času revolucije leta 1917 je bil izpuščen iz ječe, nakar je postal eden najožjih sovjetov. Po Leninovi smrti se je povzel po diktatorju vse ogromne Rusije.

Poznavalci razmer trdijo, da je Stalin na svojem mestu izredno sposoben mož in bistrov dinastični državnik. Oblači se preprosto, živi istotako preprosto in neprestano kadi svojo pipo. Mnogo čita in ne branji se tudi čašice brandyja, toda nikdar ne piše čez mero. Šir reyna čevljarja ima danes oblast nad šestino zemeljske obale in nad 170 milijoni ljudi. Pota usode so včasi res nepojmljiva.

## With the Pathfinders

Gowanda, N. Y.—Pathfinders are determined to make the best year of all. Each

year we believe that our lodge makes new improvements and feeling that we have done our best. Our goal now is to increase our membership and do our best to create interlodge activities. To Louis M. Kolar, section vice president and athletic commissioner, we owe our success in athletics and the determination to increase our membership. Our only regret during the year was the inability stage an SSCU baseball championship series. We look with extreme satisfaction our trips to Cleveland during bowling tournament, and to our baseball game. Of all, however, we enjoyed the visit of Cleveland and our SSCU members, some 45 who attended our picnic the summer.

I've left this for the last, but it is really the most important. That was to thank Mary Klancer, Mary Matekovich and Mary Vonicina who made up the committee and took charge of the refreshments at our December meeting. The eats were delicious and I hope these three again are chosen on some future committee. We understand that part of the refreshments were donated by Mrs. Lee Klancer Sr., and we heartily appreciate it, as well as the music of George Samson and Looch Klancer. I know that we had a grand time.

Mary Vonicina did not seek re-election in the Pathfinders' official personnel, but we look forward to her help and suggestions during the coming year, as we believe she aided considerably in our past success.

I wonder if you are following the "Kickback" by John Somrock and that of Stan Progar. Thus far my vote goes to Stan Progar, as Somrock is championing the Minnesota team in a manner which he criticizes Progar's articles as being too biased. Nevertheless I hope we have more people who take as much interest in the SSCU as Somrock shows in the second-place Minnesota team.

Ernest Palcic,  
No. 222, SSCU.

Barberton, O.—Members of our St. Martin's Lodge, No. 44, SSCU, are hereby notified that at our last meeting the following were elected for the coming new year of 1936: John Klan-car, president; John Opeka, 190—15th St. N. W., secretary; Joseph Krizaj, 591 Brady Ave., treasurer.

Anton Okolish, Sec'y.

## Greetings!

From Little Stan

Ely, Minn.—Well, what do we see here! A tall fellow in two weeks' growth of nice black beard. Gonna play Santa Claus? Grr! Little Stan, although of a pleasant nature, growls and voices his disgust as hundreds, although it seems thousands of friends, tell him how to get rid of a slight eruption, earthquake, volcano. But Little Stan, ignoring most of them, announces that he will be ready to shave soon.

Which all reminds Little Stan of the colossal Christmas party held at the Rangers' election meet in the National Home Wednesday evening, Dec. 18. With the Christmas special on the press, set for the Thursday run, Little Stan, not having anything pressing to look after, took a jaunt to the hall where a really swell party was in progress. The election was just over, and Joe Mantel was again elected active president, with his sister, Mary, as secretary. Little Stan failed in his repertorial duties in getting the names of the other officers, but they will be announced as soon as possible. Anyway, Primo Mayerle stood guarding the beer keg, waiting for the signal to dish it out from Joe Mantel. Peppy Louis Kotzian was there with the accordion, all set to go, floors cleared, and members sitting in a circle. Something is missing, perhaps that beer? Or anything stronger? We don't know, but after Louis had played about four or five selections, the couples became a little more active and started right in with the dance. Then Joe Mantel opened up his heart and the beer started to flow. Later Doc Muhyich was feeling great, like a real notable, and the way he stepped on the youngsters was a comedy and serious business combined.

Getting into the swing, sandwiches were passed out, and were they ever good... baked ham. Marko Lusich, Blue Ribbon Market butcher, sliced it, and Little Stan could barely resist the temptation to taste. More music, little groups dance, step out, presumably to cool off, and come back pep- pier than ever! Through all this Little Stan just sat, waiting, eating sandwiches, occasionally sipping a glass of beer, and smiling at the lady dancers as they passed by! Dear, dear! Or would you ladies call it flirting? Most everyone was having fun. Loads of it, and it certainly was a swell time. Rangers, keep rangin', and Little Stan will also join your monthly roundups, for a good time...

But you ask what happened to those Gophers. The boys are practicing basketball in the high school gym. The girls? Where are they? Meeting was called two weeks ago, and just a few boys and girls attended. Tony Klun proposed to assist in getting the lodge back into limelight. You remember way back in the days of Lil and Stan, who were always on the air with excellent broadcasts of Gopher meetings? All the more active members were married, and socially that is in lodges, became inactive. Something's got to be done about that, and Little Stan will not stop. Klun, how about starting a little promoting?

As far as activeness in lodge

**Cleveland Interlodge Basketball League** will begin its second round of play next Wednesday, Jan. 8, at the St. Clair Bathhouse. The SSCU representative, George Washington-Bukovnik Studios, will play the Socas at 7:45 p. m. On Jan. 18 the league stages its annual festival in the Slovene Auditorium, E. 65th St. and St. Clair Ave., when Charles Stenross and his N. B. C. orchestra will play from 9 p. m. to 1 a. m. The circuit also will present a sports revue as part of the program.

affairs in Ely is concerned, Little Stan ranks the Rangers first to date, Arrowheads next, Gophers third (sadly) and Hawkeyes fourth. The Hawkeyes, nevertheless, are out on that basketball floor, and haven't, to date, started any social get-togethers. But when that cold spell, the first real one, hit Ely last Thursday, the thermometer reading 22 below, the first real indication of what the local lodges will plan in the form of winter entertainment arose.

Little Stan sent out over 35 Christmas cards to his friends and juvenile delegates. Hope

## Greeting the New Year 1936

S. Chicago, Ill.—Our order, the South Slavonic Catholic Union, through its members greets the new year with courage and confidence, secure in the knowledge that its principles and policies work an ever improving service to its members and to the interested public as well.

Our SSCU shall be ever alert to continue the programs of activity which have made it for many years the outstanding factor in the fraternal and civic life of the country. Our officers of the high court are able and zealous in their work.

Let us stand ready to widen the scope of our Order. To be useful and to better the service whenever and wherever it is possible to do so. In order to make such efforts effective it is essential that we have the loyal co-operation of the membership; that each one of us is willing to share in the work—all working towards a bigger SSCU.

It is upon the material support between the members and the officers that success rests, and the promotion of our Union to greater heights shall be assured in the fraternal world if all of us give unstinted assistance.

Our SSCU has made definite progress in 1935, and we can face 1936 with courage and confidence firm in our belief that we shall strive to render still greater service in our field of fraternalism, and gratitude to everyone whose co-operation has made our present status possible.

## The Teller Told 'Er

An elderly woman, a treasurer of a local ladies' aid society, went into a bank the other day to deposit the organization's funds. She handed the money over to a hard-of-hearing teller with the casual remark that it was "the aid money."

The teller thought she said "egg money" and he promptly wanted to compliment her on the organization's endeavor.

"Remarkable," he said, "isn't it, how well the old hens are doing these days."

The lady left with a frown.

you enjoyed them!

Well, folks, as Little Stan sits back in comfortable easy chair, he wishes to broadcast Happy New Year greetings to all former Elyites now living in various parts of the country, and to everyone in particular a Happy and Prosperous New Year.

Before Little Stan leaves you all this week he will tell you what local lodge groups did to make the Christmas for juveniles a happy one. Lodge officers and committees prepared

## Voice of Joliet Ladies of SSCU

Joliet, Ill.—Now that the excitement of Christmas has passed, and we are through mailing and receiving all our Christmas cards, we can settle down to a little more serious business. I certainly hope you all received what you ordered from Santa.

The Ladies of SSCU held their meeting on Tuesday, Dec. 16, in the attractively decorated home of Sister Anne Munich. We were greeted as we entered with the words "Merry Christmas" and bells, tinsel and other Christmas decorations were all about. It was a very pleasant atmosphere for a real meeting.

Our SSCU shall be ever alert to continue the programs of activity which have made it for many years the outstanding factor in the fraternal and civic life of the country. Our officers of the high court are able and zealous in their work.

Let us stand ready to widen the scope of our Order. To be useful and to better the service whenever and wherever it is possible to do so. A happy and prosperous

1936 to you, Stan Progar. Since you will not let people alone with their sweet dreams, here's hoping that I don't take up too much space because I like to hear from you. Never mind the pen and paper, that book (Topics of Discussion) sounds very good. Our resolution for 1936 shall be to keep you and others well informed of our activities.

Albin J. Petelin, Sec'y.

Claus himself with a pack on his back and ringing his bells. He also had a gift for all that were present. As the gifts were opened and examined there was a fresh outburst of laughter, as each received something comical with some funny verse attached referring to the individual. Much fun and entertainment was derived from Santa's funny antics as well.

A very attractive and delicious Christmas luncheon was served by Sister Munich, assisted by her mother and sister, with all the Christmas trimmings and decorations. Christmas spirit ruled supreme. Hilarious games completed the evening's entertainment. After a most enjoyable and happy evening it was time for us to be leaving.

Our next meeting will be held Jan. 17 at the home of Sister Elizabeth Jevitz, 1403 N. Center St. All members should be present as election of officers will take place. You candidates, don't forget to do your "electioneering" in the meantime.

On behalf of the Ladies of SSCU I sincerely trust that everyone had a very merry Christmas, and I wish the supreme officers as well as all the members of the South Slavonic Catholic Union a most happy and prosperous new year!

Don't forget, we are making our date with you early enough to meet you at our card and bunco party March 12. Be sure to reserve that date for us!

Frances C. Vranichar.

A Surprise Party

Two Jews stood on the pavement looking at a motor car one of them had bought.

Said Moses to Ikey—"Ikey, that car is worth \$1,000, I am going to surprise you. I will sell it to you for \$500."

"Moses," replied Ikey, "I am going to surprise you. I will give you fifty dollars for it."

"Ah, Ikey," answered Moses, "I am going to surprise you again. I will take your offer."

## Another Kick

By John W. Somrock  
No. 1, SSCU

(Continued From Last Issue) terback and received offers from people who saw the game about a dozen schools to go to wondered when Minnesota would open with their attack they were after me for but I'm and they weren't denied seeing it for the Gophers went to town with a viciousness that no team in the country could check. The best team won. That's that.

I've already explained Minnesota's schedule of last year and there's no doubt in the minds of those in the know that it was as tough and tougher than any in the country. Bro. Progar states that Pitt's 1934 schedule was the toughest of all. Toughest of all what, may I ask. Bro. Progar, permit me to enlighten the readers of this page on the Pitt schedule, something which you sadly neglected. I haven't been able to procure the complete Pittsburgh schedule but I have enough of it to give me a good idea as to just how tough this toughest of all schedules was. In this schedule were Washington and Jefferson, West Virginia and Carnegie Tech. Bro. Progar states that there were no set-ups on the Pitt schedule. That statement rates a genuine Bronx cheer for Washington and Jefferson was a "pushover" if there ever was one. The Presidents only ended up in 126th place in the national ratings for 1934. Carnegie Tech was 75th and West Virginia 53rd. Of course, Pitt had some tough games on their schedule but they also had some easy ones.

What has been written so far should suffice in showing just how great the Minnesota football team of 1934 really was and substantiates my statement of several weeks ago.

Dear Brother Progar, you say I overrate myself when I say that there is no such thing as an upset and again you missed by a mile. I need not write to any sports writer for a definition of the term. You are the one that should brush up on the expression. It means that a

team is beaten by another team whom everyone thought could not win. IT DOES NOT mean that a good team is beaten by an inferior team. If you wish for more information on the term, I'd advise you to write to Gus Dorais, coach at Detroit University. Mr. Dorais' Detroit team was soundly beaten this season by Boston College when all of the pre-game dope pointed to a win for Detroit. Everybody termed it an upset, but Dorais came out with the statement that it was not and that Boston College played the best game and won. He added that there is no such thing as an upset except in the minds of those who picked the wrong team to win.

You remind me, that the A.P. sports writers are not scribblers like you and I. Admitted, to a certain extent. I don't know what you do for a living but from what you have been sending to the Nova Doba, it is very evident that it isn't writing. I don't claim to be a whiz or a world beater, but I pound out sports copy which the editor of the paper thinks is good enough to print and what is more, I get paid for it well enough to make a living. (Editor's note: John Somrock is sports editor of the Vermilion Range News of Ely, Minn.) You may call yourself a scribbler but you can pass me up for I'm definitely not in that category.

You state that I undoubtedly never have played football. Wrong again! And that makes it strike four on you. I have played football and lots of it. I've also played basketball, baseball, track, ping-pong and am a worldbeater at whist. As a running attack I ever gazed football player, I played quar-

beat any team in the nation. They are simply invincible!"

Harry Kipke, Michigan coach: "Minnesota, as it played against Michigan, would qualify as the No. 1 football team of the country as far as I'm concerned. Ohio State nor any other team I can think of would be a match for Bierman's smooth functioning eleven."

Les Quayle, observer for Ted Husing: "The best team in the country is Minnesota. The attack of the Gophers is varied. They go around their opponents, over them, under them and through them. My All-American team includes, Reed and King, ends; Smith and Widdeth, tackles; Wilkinson and Oech, guards; Rennebohm, center; LeVoir, quarter; Roscoe and Thompson, halves; and Beise, fullback."

There, Brother Progar, you have the dope. I don't see how you can in any way believe contrary to what I have said about the relative merits of the teams in question. The statements have all been substantiated in whole or in part with the opinions of some of the foremost football authorities in the country. These statements are all being sent to you personally and it would be well for you to read them for your football education has been sadly neglected.

No doubt you meant well in writing your Flashbacks and really didn't mean to belittle

### Yugoslav Room in Cathedral of Learning

Pittsburgh, Pa.—During the summer every lodge of SSCU was given an opportunity to have its name listed as a contributor to the Slovene section of the Yugoslav Room in the Cathedral of Learning. Of all the universities in the United States, the University of Pittsburgh alone has had the courage to say that newer Americans of non-English speaking backgrounds have a part to play in the development of the culture of the America of the future.

Many opportunities have been given to Slovenes throughout the United States to participate in temporary exhibits of Slovene handicraft or in a night of folk dancing before an American audience, but never before has an American institution offered the Slovenes in this country an opportunity for permanent participation in an educational undertaking. We still need \$700.

the teams in question, but somehow that loyalty to Pittsburgh and Ohio State did creep out in your articles and resulted in a partisan viewpoint. As for that, I admit I'm partisan myself where the Minnesota football team is concerned and the least that I can say for them is that they deserve every bit of credit for their great play the past several seasons. You'd crow, too, if your favorite could go through three seasons undefeated, win seventeen straight and play twenty-four games without a defeat.

### Center Ramblers

Center, Pa.—The Center Ramblers' election is over. For the coming year John Schmidt is our president, Josephine Oblock secretary, Frances Mazonina recording secretary, Paul Oblock treasurer and John Pintar vice president. As trustees we chose a very capable one, Joseph Subic. Everyone will have to be good because he is a big fellow.

Don't forget, members, our monthly meeting Jan. 12.

Josephine Oblock,  
Sec'y, No. 221, SSCU.

### Let's Make Resolutions

East Palestine, O.—Once again we have the new year with us. It is at this time that we should all pause to check over ourselves and our actions in the past year. We all find many faults when we do. We usually resolve to correct them in the year just ahead. Many of our resolutions fall short of their goal, while some of them come through with flying colors. Even if one resolution of ours stands the test of time, we can say that our resolving has not been in vain.

Our SSCU lodges are beginning a new year. Each one should carefully scan the work of the past and resolve to improve and progress in 1936. Perhaps many of these resolutions shall fall by the wayside, but some also shall come through with flying colors and make for a distinct improvement in the lodges and their affairs.

Joe Golicek,  
No. 41, SSCU.

### Hawkeyes News

Ely, Minn.—The junior members of St. Barbara's lodge, No. 200, SSCU held a meeting Friday, Dec. 20th. A large crowd attended the meeting. New officers elected are as follows: Tony Zaverl, pres.; John Simonick, sec'y.; and Tony Klemisch, treas. We also elected a checking committee consisting of three members; Raymond Slogar, Matt Grahek and John Svilich.

Basketball was the most important discussion of the evening. Several arrangements were made concerning the lodge's team schedule for the 1936 season. The meeting was short, and after the proceedings refreshments were served with dancing finishing a nice enjoyable evening of entertainment.

John (Chief) Simonick,  
Secretary.
