CLEVELAND, O., SATURDAY MORNING, AUGUST 3, 1940

LETO XI.III. — VOL. XLIII.

KONCEM TEDNA

Ne bodo žejni

Chicago. — Uredilo se je vse potrebitno, da se pošlje v Elwood, Ind. 60,000 galon vode na 17. avgusta. Ta dan bo imel namreč sprememni govor republikanski predsedniški kandidat Wendell L. Willkie v Elwood, Ind. Ker bo šlo tje najmanj 30,000 Čikažanov in da ne bi trepli žeje, bodo peljali za vsakega dva galona vode iz Mčiganega jezera. Ce bodo prinesli še sendviče s seboj, ne bo v Elwoodu ravno preveč kupčije.

Farley bo pomagal novemu demokratskemu načelniku Flynnu

Washington, D. C. — Edward J. Flynn iz New Yorka je bil imenovan za demokratskega načelnika za Zed. države. Prevzel bo mesto za J. Farleym, ki bo stopil v privatno življenje z 17. avgustom in bo prevzel predsedništvo žogometnega teama New York Yankees.

Flynn se je izjavil, da bo vodil demokratsko kampanjo za izvolitev Roosevelta iz vidika, kot bi bil izid volitev negotov. To se pravi, ne smemo se zanašati na nikako sigurnost in zanemarjati kampanje.

Flynn je bil Roseveltov zastopnik v New Yorku v času, ko se je vrnila tiba borba med novo dealerji in Tammany Hall. Bil je zvest pristaš Rooseveltov še ko je bil ta newyorški governer.

V jeseni bo manj ljudi volilo po stranki kot še kdaj prej

Colorado Springs, Colo. — Republikanski predsedniški kandidat Wendell L. Willkie se je izjavil, da pri letosnjih volitvah ne bo toliko boj med dvema političnima strankama, kot boj med dvema filozofijama. Rekel je tudi, da bo pri jesenskih volitvah oddanih manj glasov po strankah, kot jih je bilo zadnjih 25 let.

"Zadnjih 25 let so bili državljanji ponosni, da so lahko volili za svojo stranko," je rekel Willkie. "Zdaj so pa ponosni na to, da so neodvisni in da volijo za kandidata, ki jim je najbolj všeč, ne glede h kateri stranki spada. Vsako leto je večje število neodvisnih volivev. Zadnjih pet let se je to število že takoj zvišalo, da se lahko trdi, da je več kot polovica ameriških volivev, ki volijo izven svoje stranke."

Zanimiva igra

Jutri popoldne ob dveh se bo do udaril žogometni igralci od društva sv. Vida št. 25 KSKJ in društva sv. Cirila in Metodija, ki sta v septembrom, predno načinjeno jesensko vreme, obdržala napad, s zanimivo igro se bo vrnila v Gordon parku na igrišču št. 6. Vojno more dobiti le, občinstvo je vabljeno, da pride na svojo stran Rusijo, zaneti revolucijo v Evropi, če sama plane v Nemčijo, gledati.

glej na kompromisnem premirju.

AKO bo začela Anglija s sponzorim prevozom otrok v Zedinjene države, bo poslala najprej otroke pomorščakov. Tako bi se ne ponovilo kot se je v Franciji, ko je Hitler zagrozil francoskim mornarjem, da se bo maščeval nad njih družinami, če se bodo bojevali proti Nemčiji.

Ta ima pač vzrok za pritožbo!

Kaj se bomo mi pritoževali nad vročino! Tegale poglejte, ki ga je nekaj pod klobukom. To je Leo Kramer iz Cleveland, ki je obiskal svetovno razstavo v New Yorku. Visak je komaj pet čevljev, pa že potegne 290 funfov "žive vase." Brithni fantek, ki ga vidite sedeti na tleh, si je junaka izposodil, da se je usadel v njegov senco.

EDINO UPANJE ZA ZED. DRŽAVE JE, ČE PRAVOČASNO POMAGAJO ANGLJI

Spencer Irwin, eden izmed in trgovskimi kupčijami. To je ureduvnik lokalnega dnevnika Plain Dealer, ki govoril pred Kwanis klubom in izjavil, da si Zed. države lahko pridobe na času, da se bodo dovolj pripravile za obrambo samo, če pomagajo Angliji proti Hitlerju.

Kaj pravite?

Precej prahu je dvignila v javnosti "združitev" med SNPJ in SSPZ. SSPZ cziroma glavni činitelji pri nji pravijo, da varjejo članstvo in da hočejo biti na jasnem, predno pride do združitev. SNPJ nudi članstvu SSPZ to, kar more nuditi pač vsakemu članu, to je podporo in smrtnino, za kar je pač vsak član zavarovan. Drugih ugodnosti organizacija ne more nuditi, kot nobena druga ne. Torej ni nikjer videti kakih posebnih privilegijev za članstvo, za kar naj bi se borili glavni faktorji pri SSPZ. Razen morda, da se išče privilegijev za one, ki bi po združitvi izgubili šaržo s primernimi "dijetami". Najbrže bo to tisti maček, ki se ga boje spustiti iz vreče. Razsoden človek bi rekel, da bi imelo od take združitve koristi članstvo SSPZ, ker bi se priklopilo k mogočni jednoti, a obratno bi sprejela SNPJ samo obligacije do novega članstva. Torej kdo bi profitiral od tega?

In ker je ta "združitev" že kar zadeva javnost, poglejmo, kaj piše o tem obligacija Prosverte na 31. julija:

"ZDRAVITVENA KUPČIJA"

Niso dolgo čakali! Nepričakovano hitro so prišli na dan, kaj mislico, kako smatrajo in kaj hočejo od združitve jednot in zvez! Mi smo v naših prejšnjih člankih samo namignili, da je peščica voditeljev pri SSPZ menca okoli združitve kakor maček okrog vrele kaše — nameč s stališča svojih osebnih koristi in interesov — zdaj je pa ta peščica sama prišla na dan z dragocenim priznanjem, da je res tako! Vsaj prišel je urednik Napredka, br. Vatro Grill, ki je med voditelji na čelu opozicije proti združitvi SSPZ s SNPJ!

Br. Grill je v Napredku od 24. julija t. l. odprto povedal, da smatra združitev za — kupčijo — za navaden business! —

Takole je povedal br. Vatro Grill:

"Tisti, ki se toliko jeze na gl. odbor, ker je začel pogajanja z dvema organizacijama in ne samo z eno, bi lahko vedeli, da se vsaka reč bolje proda, če je več kupcev. Ravno tako je s tole našo združitveno kupčijo. Glavni odbor je s tem zasigural tekm, kar pomeni, da bodo Zvezini člani dobili vse, kar se sploh dobiti more. Koristi članstva so s tem bolje zajamčene kot pa bi se jih dalo zajamčiti na kateri kolikoli drugi način. That's that."

Zdaj pa brž pohitimo s pogrebom, da bo tega neumesta kreg za enkrat konec."

Hvala, br. Grill! Zdaj vemo, zdaj ve članstvo SSPZ, zdaj ve vsa naša slovenska javnost v Ameriki, da peščica voditeljev, dobrih businessmanov, Zvezu — prodaja! Zdaj vemo, da s stališča, pravilno bizniškega stališča peščice teh voditeljev je Zvezna na prodaj onemu, ki več ponudi — komu? Zveznim članom, da bi "dobili vse, kar se sploh dobiti more?" (Kaj več morejo dobiti člani SSPZ kot pa morejo dobiti člani druge organizacije?) Ne toliko članom! Kaj se peščica voditeljev briga, koliko dobe člani! Zvezna je na prodaj onemu, ki največ ponudi — njim, peščici! — And that's that! —

In ker je bil br. Grill toliko odkrit (ali nepreviden!), da je razodel združitveno kupčijo, ali bo toliko odkrit, da bi povedal še ostalo — nameč koliko peščica pričakuje od temujoče organizacije, katera ponudi največ? Ali bi br. Grill povedal, kaj so pogoji, če se neki tekmajoči organizaciji posreči, da se združi s SSPZ, zavrže svoj "K," preselj svoj sedež v Cleveland in prevzame Enakopravnost s tiskarno vred za svoje bodoče glasilo? Nam se zdi, da pogoji "združitvene kupčije" v tem oziru bi ne bili preslabi za one "brate," ki so gospodarsko zainteresirani pri Enakopravnosti. Ampak br. Grill bo grdo potegnil članstvo SSPZ, če bo rekel, da bo pri tem "Zvezini člani dobili vse, kar se sploh dobiti more..."

Razumemo: business je business! S stališča peščice voditeljev je all right, da se združitvena kupčija izvrši na ta način. To je vse okej — toda vso to kupčijo je treba označiti s pravimi besedami, kakršna je, ne pa vleči za nos članstvo SSPZ, da gre za njihove koristi! Na primer — največja nesramnost je, če br. Grill kriči v Napredku, da br. Tone Zajec in Molek napadata SSPZ, kadar zasluzeno krtačita peščico voditeljev, ki (po priznanju br. Grilla) prodajajo Zvezno onim, ki največ ponudijo zanjo; največja nesramnost je, če kdo očita br. Tonetu Zajcu, da "prodaja Zvezno Slovenski narodni podporni jednoti," ko pa br. Grill sam govori o združitve nikupčiji s svoje strani in s strani gl. odbora!

Citatelji bodo zdaj bolje razumeli br. Tonetu Zajcu, ko je pisal v Prosverti, da je gl. tajnik SSPZ enkrat govoril, da je združitev SSPZ z dvema jednotama hkrati nemogoča, drugič je pa glasoval, da SSPZ išče združitev z obema organizacijama hkrati; razumeli bodo tudi to, zakaj so odborniki SSPZ na konferenci z odborniki SNPJ v Chicagu molčali o načelnih izjavah, na konvenciji Zvezne v Clevelandu so pa osvojili med združitvene pogoje — izjavo "nevratnosti" Jugoslovanske katoliške jednote! Razumeli bodo še marsikaj drugega.

Kupčija je kupčija!

S tega razloga je br. Grill zagnal puško v korozo in po razno izjavil v Napredku od 24. julija t. l., da ne bo nadaljeval z odgovorom na očitanja br. Ant. Zajca. Za izgovor navaja, da velik del članstva SSPZ noče slišati odgovora in raje vidi, da SSPZ čim prej izgine... To je prekleti slab poklon postenemu članstvu SSPZ, br. Grill! Mari bi bil za-

pisal: "Čim manj pišemo in govorimo o združitveni kupčiji, tem več je upanja, da kupčija dobro izpade za nas, ki jo vodimo!"

V ostalem je pa kapitulacija urednika Napredka najlepši dokaz, da ni sposoben za nalogu, katero mu je že drugič poverila konvencija SSPZ. Urednik glasila bi vendar moral vztrajati in braniti sklepe organizacije, če je prepričan, da so sklepi pravilni; nadalje bi moral kot svobodomislec braniti načela svobodomiselnosti, s katerimi se ponaša njegova Zveza, toda urednik glasila SSPZ je že večkrat jasno demonstriral, da on smatra svobodno misel — da si lahko vse, kar hočeš biti — "punca za vsakogar!" Če ne bi bil takoj na principih in idealih, ne bi izpreminjal politike vsake kvatre — po bizniškemu načelu: kdo da več! — in ne bi mirnega srca zamenjal načel svobodomiselnosti SSPZ za praznoto neke namisljene "nevratnosti" JSKJ! — — —

Nekaj besed o "združitveni kupčiji" s stališča SNPJ.

Mnenje v teh člankih je mnenje urednika Prosverte, ni mnenje gl. izvršnega odseka ali gl. odbora SNPJ, ampak uredništvo je globoko prepričano, da niti eden odgovorni odbornik naš jednote ne smatra združitev za kupčijo.

Solvenska narodna podpora jednota ni noben kupec v tem oziru, br. Grill! Če je katera druga organizacija, mi ne vemo — niti nas ne briga. Škandalozno pa je od br. Grilla, ki je tudi član SNPJ, da ponižava dve organizaciji, ki sta njegovi organizaciji, na — nizko stopnjo konjskega ali kravjega meštarstva!

SNPJ ne kupuje SSPZ, niti ne kupuje nikogar! Ako se zakoniti in odgovorni predstavniki obeh organizacij ne morejo zediniti za združitev na pogojih enakopravnosti, bratskih interesov članstva in enakih načel, tedaj je bolje, da ostanemo vsak zase!

Uredništvo Prosverte se zaveda, da je pri združitvenih pogajanjih upoštevanje starih in zasluznih odbornikov — ki so v nevarnosti, da jih združitev postavi na cesto — pravilno in pravično, nikakor pa ne smatra, da morajo biti službe nekak "komišen" ali privilegij, ki mora prvi priti v obzir pri združitvenih "kupčijah." In če bi kdaj prišlo do tega, da bi Ivan Molek bil predmet takega "komišna" ali privilegija, se bo lepo zahvalil in na mestu odstopil svoj prostor drugim! —

BESEDA IZ NARODA**Na godovanju in prijateljskem obisku**

Zadnjo nedeljo smo se bili namenili iti v Akron oziroma v Kenmore, Ohio, k naši dobrimi prijateljicji Mrs. Ani Lovko. Povabljeni smo bili na njeno govorovanje. To se razume, da smo se prav radi odzvali, ker se malokdaj pripet, da bi bili povabljeni na kakšen "party."

Ker smo bili pa že na poti, smo se odločili, da gredo po glasovanih župnikovih predlaganjih.

Omeniti pa tudi moram kako neizrečeno se nam je dopadlo slovensko petje med sv. mašo. Tako lepo so donele slovenske nabožne pesmi po cerkvici, da je bilo kar veselje poslušati. Bog živi barbertonski cerkveni zbor smo bili, ko je bilo že nekaj avtomobilov tam iz Cleveland. Nekateri so bili tam še ob sobote večer, ko je bil prirejen Father Jagr, kot novemu župniku na čast, lep banket. To je zelo lepo in vse hvalevredno za ondotne farane, ki ste s tem dozvedeli, da ste zadovoljni in da spoštujete svojega novega župnika.

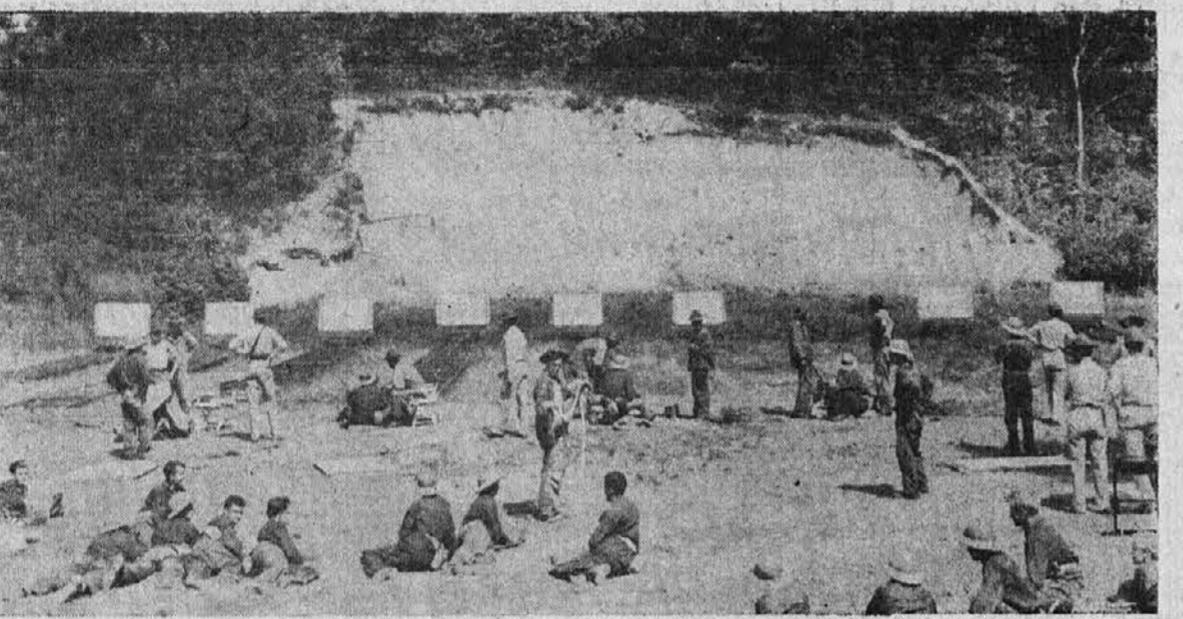

Ker smo bili namenjeni še naprej, smo se moral posloviti pri prijateljnega gospoda Jagra, kateremu kljemo: "Naj vas Bog in Marija spremljata na vse vaših potih!" Faronom pa čestitamo, ker so dobili tako dobrega župnika. Spoštujte do srca te resnične besede našega pridigarja.

Machine gunners in Company H, Fort Harrison C. M. T. C., have taken a keen interest in target practice this summer. The picture above was taken on the machine gun range.

Armed with potent cameras, field glasses and picnic paraphernalia, throngs of "pcps, mom's, buddies and sweeties" commanded attention over Fort Benjamin Harrison—lock, stock and barrel.

"Visitor's Day," July 27, cast a magic spell over the more than two thousand trainees of C. M. T. C. Announcement of the date commenced elaborate preparations by the expectant boys. The government too, realized the importance of this public demonstration. Invitations were sent to all the parents by the Army Commander. Knowing that winning the approval of the folks is of tremendous value for effective propaganda towards MILITARY TRAINING, the officials did their utmost to create a fine impression. Utmost care was taken to make accommodations and arrangements which would awe the visitors into admiration. Tip to toe, everything had to be just "A-1."

Whitewash is splattered over almost every visible spot. Pegs, poles, stones in the walks, turn white overnight. Scrubbing, the lowly and most despised duty must be done. Officers, with eyes for the meticulous, scrutinize even the inconspicuous nooks and corners for dust. Guns glisten after a FEW hours of rubbing, buffing and sweating. Don't forget all this is done in between regular drills and formations!

Saturday morning inspection engaged the Fort Harrison C. M. T. C. trainees last week. They pitched their shelter (pup) tents and displayed equipment on the ground in front of the tents. Maj. H. D. Woolley, regimental arm, inspects the full field equipment of the candidates. This is the sixth platoon, Company A.

Seems that boys always will be boys and that a box of cookies or cake from home is greatly appreciated not only by the boy who receives the box, but by his tent mates and a few others. In this picture a C. M. T. C. trainee at Fort Harrison suddenly became popular when his mother sent him some sweets.

PACKARD SEDAN TO BE GIVEN AWAY SUNDAY, AUGUST 11 ON CHURCH GROUNDS

Keep August 11 in mind for United Lodges are holding their big affair on the church grounds. The Packard displayed on St. Clair Ave. and on Superior will be given away that day.

Al Intihar, our shortstop, who fractured his leg about a month ago had the cast taken off about 10 days ago and is doing fine. Al is anxious to get back into the line-up again and we are

to keep us entertained with games for all. The long awaited wiener roast will be held at dusk. The buns and hot-dogs will be furnished. Bring your own marshmallows. Knives will also be needed to cut twigs for the fire.

Heater will not be supplied so bring your own sweaters. The last time girls were cold going home. Be sure to inform your parents that you will not be home before 11 p.m. Here's hoping you all show up. We guarantee a good time for all.

Yours truly,

BLIMP AND WIMP

PLEASE RETURN TICKETS!!!

The tickets that were delivered to the homes of parishioners should be returned as soon as possible. Try to return them today—the tickets, stubs or money. Of course, preferably the money.

Ticket returns will be accepted at the parish house until 12 noon tomorrow. Also for your convenience returns will be accepted at the picnic grounds. The first ticket drawn will win the fantac. Will it be you?

ALL ABOARD !!!

Two Cleveland Railway busses will be put in service to transport persons to and from the picnic grounds. The fee will be small, just enough to pay for the use of the buses. The stops and the route it will take are the same as in the preceding years. The stops are as follows: Holmes Ave and E. 156 St., Sylvia Ave. and E. 152 St., Waterloo Rd. and E. 156th St., Waterloo Rd. and E. 172nd St., Nottingham Road and E. 185th St., and returning it will stop at St. Clair and E. 172nd St. and St. Clair and London Road.

Come one! Come all! Let's go to St. Mary's picnic tomorrow. With the combined co-operation of all parishioners, last year's record will be broken. The success of this picnic means very much if our church and parish is to progress as much as it has in the past year. BOOST ST. MARY'S ACTIVITIES!!!

If there is anything the Catholic Church dislikes most, it is to have to hold benefit affairs such as bazaars, picnics, dances, etc. in order to pay expenses for the upkeep of the church. The reason they are held is because parishioners do not or cannot donate enough to help defray expenses and as bills must be paid these different benefit affairs must be held. For this reason St. Mary's is holding their annual picnic tomorrow at Pintar's grove E. 260th St. in Euclid.

Won't you do your part as a parishioner and help to make this picnic a success? Won't you help to make St. Mary's parish go forward? Here is how you can help.

If you do not belong to any of the church societies or clubs you can help by just putting in an appearance at the picnic grounds and drinking some of the drinks, eating some of the eats or dancing to Milavie's swell orchestra. You can have an all-around good time. You will meet old friends you haven't

The Clock Strikes Six—And Dinner's Ready!

EVEN though you've spent the afternoon playing bridge or golf, dinner can be ready on the stroke of six! Plan a few quick menus for these pleasant summer evenings—meals that can be "tossed together" in a hurry, while the ladies stand. These rules apply both indoors and outdoors.

Readers of this page probably are equally unaware as to the proper manner of saluting our colors. Regulations prescribe a definite way of doing this duty, government officials have laid down a code describing the manner of saluting. Even if you get nothing else out of this series of articles on army life, be sure to get this proper way to salute. Here is the officially prescribed way of saluting the colors: In a public ceremony calling for a salute, the civilian faces the flag, removes his hat and places it on his left side with his right hand. A lady always rises too, and faces the colors. When the national anthem is played, the same method is followed, the men halt and face the music uncovered, the ladies stand. These rules apply both indoors and outdoors.
