STEV. LXVII — VOL. LXVII

Guv. Rhodes ima čul za politične tokove

Gouverner države Ohio je napovedal odločni nastop proti poskusom organiziranja izgrediv in nasilja na državnih visokih šolah.

CLEVELAND, O. — Da Rhodes misli kandidirati za ohaškega senatorja, o tem danes že noben politik več ne dvomi. Kjer le more, se pokaže v javnosti in načenja taka vprašanja, ki je o njih prepričan, da jih odobrava večina ohaških volivcev. Tako vprašanje je gotovo odpor proti nemiru na naših univerzah in podobnih prosvetnih zavodih. Da nemiri niso čisto izključeni, misli tudi on. Zato je sedaj prav nastopil proti njim. Tako ostro, kot tega ni nihče pričakoval. Rekel je v bistvu:

Motijo se vsi tisti, ki mislijo, da bodo v letošnjem šolskem letu lahko izživali nemire in izgrede na ohaških univerzah in se pri tem znebili vsakega spoštovanja do zakonitosti in reda. Gouverner bo porabil vsa sredstva, tudi policijo, da bo v kalitru vse poskuse kaljenja miru in nasilja. Rhodes je sicer izrazil upanje, da bodo prosvetne uprave same skrbele za red in mir, toda povedal jim je že sedaj, da bo preganjal tudi s silo, ako bo treba, vse rušilce miru in zakonitosti, pa naj ga prosvetne uprave za to prosijo ali ne.

Rhodes je pri tej odločni izjavi imel verjetno pred očmi še drugo nevarnost: delavske unije bodo morda začele protestirati na debelo. Na eni strani bo delamaj, ker bo konjunktura začela popuščati, na drugi strani bo pa pritisk od strani nezaposlenih črncev zmeraj huji. Kaj se iz tega lahko rodi, smo videli v Pittsburghu. Kadar bo prišlo do napetega stanja v javnosti, takrat se bodo oglasili levičarski rogovileži na univerzah in skušali organizirati demonstracije, izgrede itd. Pri tem bodo seveda iskali pomoč pri delavcih. To je znana taktika naših levičarjev. Da do tega ne pride, je Rhodes že sedaj jasno povedal, kako bo po potrebi postopala ohaška državna varnostna služba. Rhodes upa, da mu bo javnost dala prav.

Tla se ugreznila nad krajem atomske eksplozije

PAHUTE MESA, Nev. — Okrogli kos tal sredi puščave v premeru kakih 200 čevljev se je pogreznil nad krajem, kjer so v tork izvedli vodikovo eksplozijo z močjo blizu milijona ton običajnega streliva. Preskusili naj bi novo vodikovo glavo za protiraketno obrambo.

Atomska komisija, ki je objavila, da so se tla pogreznila za nekaj 15 do 20 čevljev nad krajem eksplozije, je izjavila, da ni prodrla na površino nobena radiacija.

/ Moskvi so pripravili razgovor s Ču En-lajem

LONDON, Vel. Brit. — Vesti iz Moskve in iz krogov diplomatov komunističnih držav sovpeljena bloka trdijo odločno, da pri pripravljanju srečanja Kosygin-Ču En-laj Romuni niso imeli nobenega opravka, četudi je v prvem trenutku tako izgledalo. Srečanje je bilo v Moskvi skrbno pripravljeno, saj je znano, da je Sovjetska zveza še predladi predločila Kitajski razgovore o vseh spornih vprašanjih. Peiping na ta predlog še ni odgovoril.

Pred odhodom Kosygina v Peking, so imeli v Kremlju obsežne posvete, ki so se jih poleg iržavnih in partijskih vodnikov deležili tudi sovjetski vojaški vodniki.

Kaj so od srečanja Kosygin-Ču En-laj pričakovali v Moskvi, ni znano, trdijo pa, da so tam zalršli poslanika A Dobrinina, ki si se moral že vrniti v Washington, da bi lahko Kremlju tolmačil ameriško gledanje in morebitni odgovor na sklepe tega srečanja. Dobrinin se je vrnil v Washington teden kasneje, kot e bilo predvideno in napovedano.

Černik obiskal Moskvo

Pretekli tork je predsednik vlade ČSR odletel nenadno v Moskvo, kjer je govoril s Kosyginom in Brežnjevim, pa se naglo vrnil.

DUNAJ, Avstr. — Nepričakovano je v tork predsednik vlade ČSR Oldrich Černik odletel v Moskvo, kjer se je razgovarjal s predsednikom vlade A. Kosyginom in z glavnim tajnikom KP ZSSR L. Brežnjevim. Po 12 urah je Moskvo zopet prav tako naglo zapustil in se vrnil v Prago. Uradno poročilo o razgovorih pravi le, da so bili namenjeni nadaljnjemu razvoju in utrjevanju sodelovanja med Sovjetijo in Českoslovaško. Radio Praga je omenil, da naj bi bili razgovori posvečeni tudi gospodarskim vprašanjem.

Ker je trenutno v Pragi v ospredju vprašanje odstranitve vodnikov liberalnega krila KP iz vseh vodilnih mest v Partiji in v državni upravi, spravljaio nujno Černikovo pot v zvezo s tem. Ker je bil Černik sam med vodniki te skupine in ožji sodelavec Dubčka, je komaj verjetno, da bi se Rusi hoteli razgovarjati z njim o napovedani "čistiki".

Verjetnejše je, da so se o tem menili v Kremlju z bivšim predsednikom vlade ČSR J. Lenartom, ki je bil v Sovjetski zvezi na počitnicah, pa se pred povratkom domov sestal s P. Demicevim, članom-namestnikom politbiroja, in s K. Katjuševim, tajnikom Komunistične partije Sovjetije za odnose z drugimi vladajočimi partijami. Z Lenartom, ki je sedaj tajnik KP, je bil tudi J. Kempny, neki drugi tajnik Komunistične partije ČSR.

Medtem ko nekateri za trdno čakajo na objavo odstranitve Dubčka in tovarišev z vodilnih mest in govore celo o njihovem kaznovanju, opozarjajo drugi na izjavo predsednika gen. L. Svobode, da "ne bo nobenega političnega kaznovanja, dokler bo on predsednik republike".

Bodimo pri vsaki vožnji previdni in zmanjšujmo število irtev!

NIXON JE GOVORIL ZN

Predsednik ZDA je včeraj govoril glavni skupščini Združenih narodov. Pozval jih je, naj podpro ameriške napore za končanje vojskovanja v Vietnamu, govoril o Srednjem vzhodu, o razgovorih s Sovjetsko zvezo, o omejitvi oboroževanja, pa tudi o potrebi končanja ugrabljanja letal.

ZDRUŽENI NARODI, N.Y. — Včeraj je predsednik ZDA Richard M. Nixon dopoldne ob enajstih prišel pred glavno skupščino Združenih narodov in tej razlagal ameriško politiko in njene cilje v odnosih do drugih držav in do sveta na splošno. Poudaril je, da so ZDA storile, kar so le mogle, da bi bila vojna v Vietnamu končana, in da je sedaj čas, da druga stran odgovori na te ameriške korake. Pozval je članice ZN, posebno vse tiste, ki so preje napovedovale, da bo ustavev bombardiranja Severnega Vietnama odprla pot k miru, naj sedaj zastavijo svoje sile, da bo to res doseženo.

V svojem govoru je predsednik ZDA poudaril, da so ZDA pripravljene umakniti vse svoje oborožene sile iz Južnega Vietnama, edino kar zahtevajo, je, da prebivalstvo Južnega Vietnama ohrani pravico, da samo brez pritiska od zunaj odloča o svoji bodočnosti.

V nadaljnjem govoru je govoril o odnosih ZDA do Sovjetske zveze, ki jih hoče voditi v "duhu medsebojnega spoštovanja", izrazil pripravljenost za razgovore s Kitajsko, kadar koli bodo njeni vodniki napravili konec svoji ločenosti od sveta, ki so se za njo sami odločili. Ponovil je željo doseči sporazum s Sovjetsko zvezo o omejitvi oboroževanja držav na Srednjem vzhodu, ki naj pomaga k pomirnitvi tega prostora. Izrazil je upanje na uspeh predloženih razgovorov s Sovjetsko zvezo o omejitvi atomskega oboroževanja. "Čas za te razgovore je bil predložen in je minil, ker ni bilo odgovora", je dejal predsednik Nixon, pa dodal, da so ZDA še vedno pripravljene začeti take razgovore.

Nixon je govoril o načrtih ZDA za gradnjo posebnih umetnih satelitov, s pomočjo katerih bo mogoče odkrivati rudna bogastva na zemlji, pregledavati

posevke in iskati bogata lovišča rib v svetovnih morjih. Koristi teh raziskav in naporov bo deležen ves svet. Vse članice ZN je predsednik opozoril na ugrabljanje potniških letal in poudaril, da je temu treba napraviti konec. To bo možno le, če bodo vse države pri tem sodelovale, kajti dokler imajo ugrabitelji možnost kje dobiti zatočišče, ugrabljanja ne bo konec.

Libija zagotovila ZDA o rabi oporišča Wheelus

PARIZ, Fr. — Predsednik vlade Libije Mahmud Soliman al-Maghreby je izjavil v razgovoru s sodelavcem lista "Le Figaro", da Libija ne bo zahtevala od ZDA, da zapuste letalsko oporišče Wheelus v Tripolitani, dokler ne bo potekla sedanja pogodba o tem.

Pogodba, ki jo je sklenila z ZDA prejšnja kraljeva vlada Libije, bo potekla prihodnje leto, zato ni za novo vlado "noben resen problem", kot je dejal predsednik vlade.

Gesla pozivajo Kitajce k pripravljenosti na vojno

HONG KONG. — Gesla, ki so jih izdali za praznovanje 20-letnice zmage kitajske komunistične revolucije v začetku prihodnjega meseca, pozivajo kitajsko ljudstvo k budnosti in pripravljenosti na vojno.

ZASLIŠANJE ODREJENO

WILKES-BARRE, Pa. — Sodišče je odredilo zaslišanje o zahtevi izkopa in pregleda trupla pokojne Mary Jo Kopechne, ki je utonila 18. julija letos, ko se je avto s sen. E. M. Kennedyjem, v katerem se je peljala, prevrnil z mostu v morje. Okrožni javni tožilec E. Dinis trdi, da je bila v ustih in v nosu utopljene kri in da so bile sledi krvi tudi bluzi utopjenke.

devo ureja tudi Kongres, toda med stebri svobodne demokracije se nahaja tudi pravica ljudstva, da preko svojih direktivnih zastopnikov ureja vprašanja, ki so zanj življenjske važnosti. Vprašanje narodne obrambe gotovo spada mednje.

Vsa ta različna menja bodo sedaj trčila drugo od drugega, ko bo treba praktično določiti postopek za spremembo naborne sistema, ki mu bodo morale logično slediti še druge reforme v narodni obrambi.

Nixonov režim je napravil deželni uslugu, da je načel vsa ta vprašanja s predlogom, kako naj se spremeni in zmanjša sistem naborov. Posamezni deli njegovega načrta bodo gotovo precej spremenjeni, predno bodo stopili v veljavo. Zato moramo smatrati sedanjne številčne podatke kot osnovo za razgovore. Upamo, da bo vse, kar se bo rodilo iz te Nixonove akcije, vendarle v korist naši deželi.

Zadnje vesti

SAIGON, J. Viet. — Ameriška armada je objavila, da bo postopoma pred sodišče 6 od prijetih 8 pripadnikov Posebnih sil, ki so obtoženi umora nekoga domačega agenta. Razprava bo v dveh skupinah, najprej proti tem kapetanom, nato pa proti dvema majorjema in proti polkovniku, ki je bil poveljnik vseh "zelenih beret" v Južnem Vietnamu. Preostala dva od prijetih bosta pričala proti svojim obtoženim 6 tovarišem.

WASHINGTON, D.C. — Predstavniški dom je s 339:70 izglasoval dopolnilo k zvezni ustavi o neposredni volitvi predsednika ZDA. Predlog mora odobriti z dvotretjinsko večino še Senat, nato pa tri četrtine vseh držav, predno bo postal obvezen zakon dežele.

PARIZ, Fr. — Rdeča stran pri razgovorih o končanju vojskovanja v Vietnamu je označila Nixonovo napoved umika novih 35.000 mož iz Južnega Vietnama za prevaro in zahtevala ponovno "popoln in brezpogojen" umik vseh ameriških oboroženih sil iz Vietnama.

BEIRUT, Lib. — Predsednik Naser, o katerem trdijo, da ima hudo influenco, je odstavil načelnika arnadsnega glavnega stana in dal v hišni zapor svojega glavnega pomočnika Al Sabryja, ki je znan po svoji naklonjenosti Sovjetski zvezi. Prijetih je bilo še več drugih, ki so znani po svoji naklonjenosti in zvezah s Sovjetsko zvezo in njeno politiko. Cilj vseh teh Naserjevih ukrepov naj bi bilo zmanjšanje sovjetskega vpliva v vladi.

TEL AVIV, Iz. — Al Fatah, glavna arabska gverilska skupina, je včeraj objavila, da so njene skupine napadle več izraelskih postojank na meji proti Jordaniji ter pri tem prizadele Izraelcem hudo škodo. V Tel Avivu trdijo, da jim o tem ni nič znanega. Takega velikega napada ni bilo in seveda tudi ne "veliko škode".

WASHINGTON, D.C. — Senat je v glavnem zavrnil vse poskuse omejiti izdatke za oborožene sile in odobril včeraj za orožje, opremo in druge potrebščine oboroženih sil v tekočem proračunskem letu 19.98 bilijonov dolarjev.

Sedanji rusko-kitajski spor v luči preteklosti

Nenadni obisk predsednika ruske vlade Alekseja Kosygina v Peipingu pretekli teden in njegov razgovor s predsednikom kitajske vlade Ču En-lajem je sprožil znova razpravo o rusko-kitajskih odnosih, o resnosti sedanjega spora med obema velikima državama ter o možnosti in verjetnosti večjega vojnega spopada med njima. Podatki, ki bi omogočili stvarno presojo položaja na kitajsko-ruski meji in odnosov med Moskvo in Peipingom, so pičili in nezanesljivi. K boljšemu razumevanju teh odnosov nam delno lahko pomaga pogled v preteklost, tehtanje stikov in razmerja med Rusijo in Kitajsko od prve dobe pa v moderni čas.

Rusija je bila do začetka novega veka čisto evropska država, v Azijo je segla šele v 16. stoletju v času Ivana Groznega, ko je kozak Jermak Timofeev prešel Ural in osvojil za carja vse porečje reke Obi. V naslednjih sto letih se je ruska oblast raztegnila vse do skrajnega roba Azije ob Beringovem zalivu in nato segla še preko tega v Aljasko.

Kitajska država je v prvih tisočletjih bila omejena na pravo Kitajsko. V kolikor se je širila, se je le proti jugu, na sever se je pred mongolskimi ljudstvi zavarovala še v času pred Kristusovim rojstvom z znanim "Dolgim zidom". Kitajci so postopno začeli gledati tudi v smeri proti severu in severozahodu. Ko so odbili hunski napad in Hune zasledovali proti njihovim bivališčem, so ti krenili proti zahodu in postali šiba Evrope in posebno Zahodnorinjskega carstva. Tedaj so prvič segle kitajske meje do Turkestanu in Mongoliji je bila pod kitajsko oblastjo.

Ko je bila ruska država v 9. stoletju komaj dobro ustanovljena, je kitajska država preživela že 5000 let in segala od Tihega oceana vse do Kaspiškega jezera, kasnejše meje evropske Rusije. Obe državi sta se vendar razvijali vsaka po svoje in sta druga za drugo komaj vedeli. Položaj se je bistveno spremenil, ko so se Mongoli otrsli kitajske oblasti, se pod Džingiskanom združili in začeli svoje osvajalne pohode. Premagali so Ruse ob reki Kalki 1223, 13 let kasneje pa preplavili večji del Rusije, požgali Kijev in druga ruska mesta ter zavladali nad Rusijo. Njeni gospodarji so ostali nato skoraj četrto tisočletje.

Mongoli so osvojili in podjarmili tudi Kitajsko. Toda osvajači so skoro utonili v višji kitajski kulturi in se zlili s Kitajci. Središče mongolske države je postala Kitajska. Rusija je bila posredno podložna Kublaj kanu, ki je vladal kot kitajski cesar mogočno državo, raztezajočo se od obale Tihega morja in Indijskega oceana, pa vse do Dnepra in perzijskih meja.

V naslednjem razdobju je Kitajska oslabela, mongolska ljudstva so si znova priborila svojo neodvisnost in začela napadati kitajske pokrajine. V tem času je Rusija, ki se je otrsela mongolskega jarma, uničila mongolsko oblast v današnji južni Rusiji in se začela naglo širiti v Azijo. Do prvi stikov je prišlo, ko je mongolski veliki kan, ki se je sprl s Kitajci, iskal zaščite pri Rusih. Predno jo je dobil, se je s Kitajci pobotal in o Rusih ni hotel nič več slišati.

Do prvih neposrednih sporov in spopadov med Rusi in Kitajci je prišlo na meji Mandžurije, ki je bila tedaj del Kitajske, kot je še danes. Po daljših pregovorih so Rusi in Kitajci podpisali sporazum v Nerčinsku l. 1689, ki je ustavil rusko prodiranje ob Amurju. To je bila prva pogodba Kitajske s kako krščansko državo.

Kitajci so samozavestni in ponosni na svojo staro kulturo in na večtisočletno zgodovino ter gledajo zviška na vse tujce, smatrajo jih in jih imenujejo kar naravnost za "barbare". Kitajski cesar se je kot "Sin neba" smatral visoko nad vsemi ostalimi vladarji sveta in vsak, kdor je prišel predenj, je moral na kolena in mu tako izkazati čast in pokorščino.

Kitajskaje je zaprla vase in v tehničnem in znanstvenem svetu zaostala nad zahodnim svetom. Njeno oslabelost so izrabile zahodne sile, prav posebno pa tudi Rusija, ki je razširila svojo oblast v Osrednjo Azijo, začela siliti v Kitajski Turkestan, Mongolijo in v Mandžurijo. Kitajska je v preteklem stoletju morala odstopiti Rusiji preko pol milijona kvadratnih milj ozemlja. Zasedla je Mandžurijo in se umaknila iz nje šele po porazu v vojni z Japonsko.

Rusi niso na Kitajce, odkar so se prvič z njimi srečali, nikdar gledali prijazno. Bili so kljub raznim mejnim sporom toliko modri, da so se izogibali vsakemu velikemu spopadu z njimi. Ko je prišlo v prvi polovici 18. stoletja do precejšnje napetosti na meji v Osrednji Aziji, so prišli car in njegovi svetovalci do zaključka, da se s Kitajci vojskovati ne "izplača". Stroški vojskovanja bi bili po njihovih računih veliko večji od koristi morebitne zmage.

V začetku tega stoletja, posebno po naglih uspehih Ja-

ponske, so na Zahodu začeli na veliko razpravljati o "ru-meni nevarnosti", ki preti krščanski Evropi, v prvi vrsti seveda Rusiji. Razprava o tem ni od tedaj nikdar čisto utihnila, je le pojenjala, da se je nato znova poživila. Čisto utihnila je samo v času, ko je Mao zmagal na Kitajskem s svojim komunizmom in je prišlo do "tovarištva" med Mosko in Peipingom. Rusi so tedaj celo pomagali Kitajcem pri gradnji prvih atomskih naprav. Čisto so pozabili v svoji misli na komunistično tovarišijo na staro trenje med Rusi in Kitajci. Čas tovarištva je naglo minil in k staremu nacionalnemu in državnemu nasprotstvu med Rusi in Kitajci je prišlo še vprašanje komunistične pravovernosti.

Ce je preteklost lahko kažipot za sedanji in bodoči čas, potem ni računati s prijateljstvom in ne z dobrim sosedstvom med Rusijo in Kitajsko, prav tako pa tudi ne s kako vojno na življenje in smrt.

BESEDA IZ NARODA

Zahvala Slovenske pristave

CLEVELAND, O. — V nedeljo, 7. sept., se je v kljub nekam dvomljivemu vremenu zbralo na Slovenski pristavi proti pričakanju zelo veliko ljudi. Že pri sv. maši, ki jo je daroval č. g. msgr. L. Baznik, je bil lep obisk. V popoldanskih urah so pa avtomobili prihajali tja do šeste ure zvečer. Upravni odbor Slovenske pristave, ki je ta piknik priredil v korist Slovenika v Rimu, je z zadovoljstvom ugotovil, da uspeh ne bo izostal. Točno ob sedmih zvečer so razdelili nagrade. Vse so ostale v Clevelandu. Posebno uspešen je bil č. g. Falež, svetovidski kaplan, kar pa ni nič čudnega. Kupil je sam nad 200 listov in že vnaprej povedal, da bo dal vse za Slovenik. Č. g. Tone Sršen in ga. Kristina Srok sta dobila vsak po eno nagrado. Bila je že tema, ko so poslednji veseli in zadovoljni odhajali s Pristave.

Upravni odbor se na tem mestu zahvaljuje vsem, ki so pripomogli k tako lepemu uspehu. Č. g. msgr. L. Bazniku, ki je daroval sv. mašo v kapelici na Orlovem vrhu, č. g. Faležu za vzpodbudne besede. Naša iskrena zahvala vsem trem orkestrom, Veselim Slovincem, Sonetu in Vandrovcem, ki so brezplačno in z veseljem vzpostavili razpoloženje na Pristavi, kot ga že dolgo ni bilo. Zahvala gre tudi požrtvovalnim kuharicam, ki so neumorno hitele in odlično postregle gostom, kakor tudi točajem, ki so se spet kot običajno dobro izkazali. Prisrčna zahvala vsem, ki so založile kuhinjo s pecivom. Prav tako tistim, ki so prodajali listke in tistim, ki so jih kupili. In slednjič še tistim, ki so v našem imenu vabili na piknik, Slov. radio oddaji, ki jo vodita gg. dr. Milan Pavlovič in Pavle Borštnik, "Ameriške-mu Slovincu" in še prav posebej "Ameriški Domovini", ki nam vedno rada ustreže.

Brž ko bodo vsi računi poplačani in vse urejeno, bomo objavili, koliko smo z združenimi močmi zbrali za Slovenik!

Se enkrat Bog plačaj vsem!

Vabilo na jesensko prireditev Društva SPB

CLEVELAND, O. — Poletje je za nami, naučili smo se veselja v naravi, sonca in svežega zraka, hodili smo na piknike, izlete, v parke. Ali ni lepo, da ima vsak letni čas nekaj svojega, nekaj, česar se veselimo, ker nam prinaša prijetno spremembo.

Septembra bo kmalu konec, jesen je tu, potem pa bo prišel oktober, ta prijetni, skoro najprijetnejši mesec leta, ko že radi gremo na kakšno prireditev v zaprte prostore, med svoje prijatelje in znance, da se v prijetnem okolju, v veseli družbi, ob pogrnjenih mizah, razvedrmo, poveselimo, zaplešemo.

Društvo slovenskih protikomunističnih borcev Cleveland že sedaj najprisrčneje vabi spoštovane rojake in rojakinje, starejše in mlajše, na svojo letošnjo jesensko prireditev, na družabno večerjo s plesom, katere se bo vršila v soboto, 11. oktobra 1969, ob sedmih zvečer v veliki dvorani pri Sv. Vidu. Se še spominjate, kako prijetno je bilo lansko leto na jesenski prireditvi našega društva, kako zadovoljni ste bili z dobro večerjo, kako veseli ste odšli domov in nam obljubili, da boste zopet prišli?

Tudi letos se bodo člani društva SPB potrudili, da bo Družabni večer v soboto, 11. oktobra, v avditoriju sv. Vida dosegel lep uspeh, da bo zadovoljil vse udeležence, ne samo ta mlade, ki se bodo lahko naplesali in so ob tem že itak zadovoljni, pač pa tudi odrasle, ker bodo postreženi z odlično večerjo in tudi dobra kapljica bo na razpolago. Pripravili bomo pečene svinjske zarezance in pečeno govedino z okusnimi domačimi ologami. Tudi domačega peciva ne bo manjkalo. Kaj pa cena? Ta za današnjo draginjo ni visoka, saj stane posamezna vstopnica samo \$3. V to ceno je vključena vstopnina, večerja in ples. Ali ni to dober kup?

Naše društvo ima vedno veliko potrebo in izdatkov. Običajno je čisti dobiček od naših prireditev namenjen za invalide, za potrebne preostale pokojnih borcev. Čisti dobiček naše letošnje jesenske prireditve pa bo šel v korist kritja upravnih stroškov in potreb društva. Tudi to mora biti, da društvo lahko obstoja.

V prihodnjih dneh in tednih do 11. oktobra se bomo še kaj oglasili in Vas ponovno povabili na našo prireditev, da do tedaj ne pozabite. Vstopnice so že v prodaji pri vseh članih društva. Sežite že sedaj po njih!

Pismo rojaka iz Francije v spomin F. Močilnikarju

Novica o Florijanovi smrti nas je presunila. Grozno. Stirje neboljeni otročki, mlada žena, na mah in kruto strti vsi upi in obeti, nenadomestljiva vrzel med iskrenimi borci za čast in ime slovenstva.

Koliko načrtov, koliko vsakovrstnih podvigov je hranil v sebi ta hrust z mehkim srcem. Kako naravnost z otroško radostjo je dopolnjeval seznam vseh dragih nam sorjakov, ki jih je odkrival po samotnih vaseh in presrečen je bil, če si mu kdaj še sam pribaril kakšno ribico. Nenehno je vrtal, kombiniral, ustvarjal, zavzeto vedno rad prisluhnil topli domači besedi; sredi najnapornejšega dela ti je znal poslati prisrčen pozdrav. Komaj si prišel k sapi, ti že odkriva lepote Mehike in Colorada. Zvesti sin svoje rodbine, neutrudni sel slovenstva širom sveta.

Zdaj pokojno počiva to nemirno slovensko gorivo, ko si mi še naprej v kupe življenja medu in otrova nalivamo. Da so nam ob takih mejnikih dane sile gigantov, bi se, majhni kot smo, levje borili za slehernega od bratov zoper nasilje rane smrti. Pa nam večni gospodovalec življenja po svoje križa naše človeške račune. Zastonj krič groze, zaman tožna rotitev, postava je kruta in enkratna: v biser strni, če je v tebi še kaj minora, v avditoriju sv. Vida dosegel lep uspeh, da bo zadovoljil vse udeležence, ne samo ta mlade, ki se bodo lahko naplesali in so ob tem že itak zadovoljni, pač pa tudi odrasle, ker bodo postreženi z odlično večerjo in tudi dobra kapljica bo na razpolago. Pripravili bomo pečene svinjske zarezance in pečeno govedino z okusnimi domačimi ologami. Tudi domačega peciva ne bo manjkalo. Kaj pa cena? Ta za današnjo draginjo ni visoka, saj stane posamezna vstopnica samo \$3. V to ceno je vključena vstopnina, večerja in ples. Ali ni to dober kup?

Tokovi dogodkov v svetu se zloveže zakoreninjajo tudi med naš novi slovenski rod. Malikovanje vsega materialnega postaja najširši in najvišji zakon, z ocpovedmi združenimi napor, le še šara preteklosti. Pri vsem tem še boj za svoj lastni prostor na soncu, za svojo slovensko besedo, dedino stoletij.

In ti, ko se truden od dolge poti srečuješ s to zemljo polj in potokov, zemljo planin in sive-

ga morja, zemljo sanj in obetov, pa ti po licu sramežljivo spolzi solza, tedaj začutiš, kako si še vedno ves njen. Čim jačje besne vanje viharji, tem bolj postaja nepogrešljivi del tebe, te vsega prevzema, ti ob sleherni zaslučni muki razkolje srce. Sin, hči, ti kliče od daleč in vedno pri tebi; pohiti, strni v biser svoj sen. Brazdaj in orji, sej in oplodaj, seme bo klico v bodoči naš rod.

Prijateju Florijanu Močilnikarju, neutrudnemu borcu za slovenstvo, večna slava! Slovenskim rojakom bratski pozdrav! Ivan Zver, Francija

V času paprike in paradižnika

Paprika je presenetljivo bogata vitaminov. Pripravljamo jo na različne načine: kot solate, kot tople samostojne jedi, kot dodatek k jedem. Paprika vsebuje 85 odst. vode in ima majhno kalorično vrednost. Kljub temu pa je biološko skoraj najvrednejša zelenjava, celo znatno bogatejša od sadja. 100 g paprike vsebuje namreč od 100 do 300 mg C vitamina, kar je celo več kot pri limoni in pomaranči. V papriki najdemo še vitamine A, druge pa le v neznatni količini. Nekateri sorte paprike so rdeče. Rdeča barva pa prihaja od karotina, ki je v bistvu provitamin A. Intenzivno rdeče zrelje paprike uporabljamo za izdelovanje začimb: sladka in pekoča paprika. Kot smo že pisali, uživamo papriko surovo, kuhano in konzervirano. Največ je vredna surova paprika, posebno če jo pripravimo v solati. Če jo kombiniramo s paradižnikom in čebulo, dobimo jed, ki vsebuje prav vse vitamine.

Paradižnik je od pozne pomladi do pozne jeseni redni spremljevalec vsakega obroka. Uporabljamo ga kot dodatek k jedem, kot samostojno jed ali pa v solati. Uvrščamo ga med najvažnejše zelenjave, ki ohranijo organizem delovno sposobnost in zdravje. Ima sicer majhno kalorično vrednost — 100 g daje le 25 kalorij. Vendar ima veliko vitaminsko vrednost. Največ vsebuje vitamina A, potem pa sledi C in skupina vitaminov B; paradižnik je prav tako важен vir mineralnih snovi in kislin. V plodu je precej kalcija, fosforja, magnezija, kalija in železa. Kisline pa delujejo osvežljivo. Najprimernejše je, če paradižnik uživamo v solati, v kombinaciji s čebulo in oljem ter drugimi dodatki. V takšni kombinaciji dobi organizem prav vse vitamine nespremenjene. S kuhanjem ali dušenjem se namreč vitamini precej spremenijo. Seveda pa so tudi jedila, ki smo jim med pripravo dodali paradižnik, zelo cenjena.

F. S. FINZGAR:

POD SVOBODNIM SONCEM

"Vrževa jih, Abiatar. Prerokujem ti pa, da dobiček odneseš ti!"

Epafrudit se je dvignil.

"Sedi, igra takoj začneva!"

"Na Mojzesa, da te ne razumem!"

"Razumeš me naglo brez Mojzesa in talmuda, samo če nisi pustil pri lepi Sari svoje pame-ti!"

"Dobre volje si, Epafrudit! Ne zamerim ti!"

"Poslušaj! Cas beži!"

Obrnil je peščeno uro.

"Druga polnočna straža nastopi. Mudi se mi! — Ti, Abiatar, si mlad, čvrst in često sem občudoval talent, ki ga kažeš pri kupčijah. Zato te čislam, zato sem te klical. Ali kupiš od mene vilo, pristanišče, vrt, skratka vse, razen mene. Jaz sem ti tako staro blago, čemu bi ti bil?"

Abiatar je osupnil. Prej bi bil veroval, da gre Teodora v puščavo, kakor da proda Epafrudit najboljšo trgovsko postojanko v Bizancu.

"Epafrudit, ne šali se z menoj! Do polnoči sem delal, truden sem in žal bi mi bilo noči in počitka!"

"Ne trati praznih besed! Odgovori!"

"Kupim."

"To je kupna pogodba in cene, vse do pičice natančno! Preberi in podpiši, če si zadovoljen. Če nisi, javi naglo, prodam drugemu!"

Abiataru je zažarelo blede lice, ko je razgrnil pred njim Grk široki pergament. Poglobil se je v številke in nemirno begal od vrste do vrste. Epafrudit ga ni opazoval. Zagledal se je v

drobni sviž, ki je tekel naslišno v peščeni uri.

"Podpišem!"

Abiatar je bil vzradoščen, ko je prebral pogodbo.

"Kaj pa s vilo? Imaš je mnogo, a v pogodbi je ni."

"Niti kosmiča je ni pod mojo streho. Razprodana."

"A-a-a," je strmel Abiatar.

"Dobro torej, podpiši. Toda prej mi prišeži na vse očake, na oba templja in na grob in prah Abrahamov, da ne zineš besedice o tem, dokler jaz ne izginem od tod."

"Skrivnosti so v tebi, Epafrudit."

"Prišeži!"

"Prišegam!"

"Sedaj podpiši! Toda letnico, ki je še ni na pogodbi, pomakneva za leto dni nazaj!"

Abiatar se je zopet začudil.

"Hitro, sicer kupi kdo drugi!"

Zid je podpisal in dostavil za leto starejši datum. Nato je podpisal Epafrudit, zvil pergament in ga prazen kos papirusa in mu narekoval:

"Epafrudit, prejasnemu gospodu!"

Ker se preselim sam v vilo, katero sem kupil pred letom od tebe, te prosim, da izvoli tvoja prejasnost ukreniti, da se morem v mesecu dni nastaniti v njej!

Abiatar."

"Sedaj je vse gotovo. Tvojo odpoved shranim s kupno pogodbo vred. Kadar ti jo pošljem na dom, odšteješ denar in drugo jutro bo vila prazna. — Ali pomeni dobro, kaj si prisegel! Pojdi!"

Abiatar je stal osupel in bi bil rad še govoril. Toda Grk je zamahnil z roko in Zid se je poslovil.

Ko je sedel v nasilnici, si je mel roke od radosti, da bo po-

slej prvi trgovec v Bizancu. Toda mnogokrat se je prestrašen zamislil in mrmral: "Skrivnosti, kakšne skrivnosti!"

Epafrudit pa se je doma veselil. Obrnjen proti carski palači je dvignil suho roko in govoril:

"Le pridi, despojna, le pridi po svilo! Pravdo naperi zoper mene, da zapleniš vilo in zlato! Prijetni bi bili moji vrtovi, da bi ljubkovala po njih. Ha, verolomnica! Domisli si, da ste vi despotje dobili modrost od nas, od Grkov! Kljub temu pa je imamo v sivih glavah še toliko, da raztrgamo tvoje mreže, kakor bi zamahnil po pajčevini! Prekleta!"

Epafrudit se je razvnel, njegove oči so puhtele ogenj, začel je naglo hoditi po gladkem mozaiku.

"Žrtvoval sem mnogo," je pomislil. "Zlati tisoči s o padli v morje, vrgel sem jih proč kakor gnilo sadje. Toda še imam dosti, da živim do smrti pokojno in brez skrbi, da poležujem na lepših preprogah kakor despo-

na, da se moje oko naslaja ob dragocenejših umetninah, kakor jih ima carska palača. Pa še to bi žrtvoval, na deski bi spal, samo da umrem z zavestjo: Ni te zmagala ostuda zlobna! Svila je oteta, moj dom rešen njenih rok, sedaj gre za Iztoka in Ireno — in zame seveda. Za beg je treba najboljših konj, Slovenci potrebujejo orožja. A tega ne dobim v eni noči. Osem dni, samo osem dni mi še podari, usoda, potem ležem in porečem: Končano! Pride le še veliki dan, ko me zagrnejo večne sence. Pridi potem! Epafrudit te z veseljem pozdravi."

Ko je potem še osnoval podrobne načrte za beg, se je na morju že zasvital prvi trak zgodnje zarje. Tedaj je začul na dvoru nemir.

"Iztok se vrača!"

Sel mu je naproti skozi per-

stil, da bi govoril z njim in se domenil glede konj in orožja, katero se mora pripraviti vsem, ki bi z njim uskočili preko Hema.

Ko je stopil na marmorni tlak pod vitkimi korintskimi stebriči, je zaslišal sredi dvorišča smeh. Krdelo služinčadi se je gnetlo in se glasno smejala. Iz smeja pa so donele razglašene strunice in hripav glas je pel visoko pesem.

Epafrudita je pograbilo. Zanj tako resni trenutki, tehtnica na življenje in smrt, služinčad pa razgraja in se smeje. Z brzimi koraki je planil mednje. "Psi!" je zakričal.

Krdelo se je pošibilo v silni grozi, vsa kolena so se pripognila in vse ustnice so prosile:

"Milost, gospod, milost, prizanesi nam!"

Izmed klečeče množice se je dvignila v sivem jutru motna postava, odeta v dolgo haljo.

"Epafrudit, prejasni gospodar, Radovan te pozdravlja!"

Trgovcu se je razvedrilo mrlično lice, ko je zagledal gugajočo se postavo Radovanovo. Prijazno ga je pozdravil.

"Od kod, očka? V jutro se ja-

viš sredi dvorišča?"

"Ne razumeš pevca, ki spiš na svoji postelji in večerjaš pri svoji mizi; ne razumeš ga. Kakor utrinek zvezde kane z neba na sever, kane na jug. To je pevec, gospodar."

"Zakaj nisi prišel snoči! Zdaj vendar nisi mogel v mesto, ker bi ti straža ne odprla vrat."

"Prišel bi bil, gotovo bi bil.

Ali obnemogel sem od strašne žeje. Toda dobili so se dobri ljudje in so rekli: Sedi in pij z nami, zagodeš in zapoješ nam. In sedel sem in pil, godel in pel, da me prsti bolijo, da so strune razpraskane in da je moje grlo raskavo kakor podplati na razhojeni nogi. In tedaj sem rekel: Dosti tega. Radovan! Dvignil sem se iz pivnice, šel ter se naslonil na tvoja vrata. Nisem razbijal, nisem dramil, na bogove, da nisem. Pa so prišli tvoji ljudje, z nosilnico so prišli in Numida me je spoznal, me poklical, odprl in peljal na dvorišče. Dobri so tvoji ljudje, gospod, odpusti jim!"

Grk je zamahnil z roko, trepetajoči sužnji se vstali.

"Sedaj grem takoj do sina, do Iztoka. Važne reči mu povem."

"Iztoka ni doma. Straže nadzira."

"Ga ni doma! Prav za prav čeden sin, da ga ni doma, ko pride oče." Radovan je utrujeno govoril.

"Radovan, truden si in počitek bi se ti prilegal. Numida, pospremi gospoda v stan. Ko se prebudiš, bo sedel sin ob tebi."

"Tako se spodobiti! Modre besede. Počitek se mi tudi prileže, seveda. Dokler sem jezdil na tvojih zlatih bizantincih, se je potovalo, he. Vedomec ne hodi tako zlahka. Ali nazaj grede je bila bridkost!"

Radovan se je oprijel Numide in se prestopil.

"Dobro me drži! Moje oči so slabe! Počakaj! Še nekaj!"

"Epafrudit, gospod, jasni gos-

pod!" je kričal Radovan za Epafruditom, ki je že izginil pod arkado.

"Kaj želiš, očka?"

"Ko bi ukazal požirek vina! V taberni je bilo slabo. Tvoje je bolje. Hvala sem ga na vsem potu!"

"Samo poželi! Numida je tvoj hlapec!"

"Hvala, gospod, hvala!"

Radovan je odšel, trdno oprt na sužnja, prek dvorišča.

V globoki žalosti naznanjamo, da je dne 21. avgusta 1969 v Gospodu preminul naš ljubljeni soprog, oče in stari oče

Mark Živoder

Pokojni je bil rojen dne 24. aprila 1894 v vasi Poklek v župniji sv. Križ pri Kostanjevici. Tam žaluje za njim več sorodnikov. V Ameriko je prišel 15. avgusta 1913.

Pokopali smo ga dne 23. avgusta 1969 na pokopališču Kalvarija. Rt. Rev. Msgr. Louis B. Baznik je v cerkvi sv. Vida zanj daroval slovesno pogrebno sv. mašo ter opravil svete pogrebne obrede v pogrebni zavih in na pokopališču. Iskreno se mu zahvalimo za vso naklonjenost in duhovno tolažilo.

V žetovnem pogrebni zavih na 6502 St. Clair Ave. so ob krsti molili skupni sv. rožni venec članice Kluba Kršćanskih Mater pri sv. Vidu, člani in članice društva Naš Dom št. 7. SDZ ter številni drugi prijatelji in spoštovalci pokojnega. Vsem izrekamo našo toplo zahvalo. Posebno se zahvalimo za vse, kar so člani društev št. 14 HBZ in št. 7. SDZ storili v počastitev pokojnega kot svojega dolgoletnega sočlana in odbornika. Pri društvu Naš Dom SDZ je pokojni bil 37 let tudi tajnik. Joseph Kovačević naj prejme našo najlepšo zahvalo za ganljive besede slovesa v imenu članstva društva sv. Nikola.

Iz vsega srca se zahvalimo dobrim sosedom za prvo pomoč in skupni venec. Hvala vsem, ki so prispevali in posebej Miss Arlene Nenstiel, ki je zbirala. Prav tako smo globoko hvaležni Mrs. Josephine Nenstiel in vsem drugim sosedam in prijateljcem ki so prispevale in pomagale, da smo po pogrebu priredili skupno okrepčilo udeležencem pogreba, ki so se odzvali našemu vabilu. V času najhujše žalosti so nam nudili vsestransko pomoč tudi Mrs. Kristina Dujlo, Mrs. Mary Rudar, Mrs. Jeannie Brglez in člani njihovih družin. Bog jim povrni stotero. Prisrčna hvala dobrim možem, ki so nosili krsto.

Žetovnemu pogrebni zavih se zahvalimo za izvrstno ureditev pogrebni priprav in vodstvo spreveda. Posebej hvala sorodnikom in drugim, ki so prihiteli k pogrebu od daleč. Bog povrni vse darove za sv. maše in druge dobre namene, posebno za Dom ostarelih na Neff Road. Iskrena hvala za vse cvetje in vence ter vsem, ki so dali na razpolago avtomobile za pogrebni sprevod. Razposlali smo zahvalne kartice, kolikor smo imeli naslove. Lepo prosimo, da nam oprostite tisti, ki morda radi kake pomote naše posebne zahvale niso dobili. Sprejmite, prosimo, tole skupno javno zahvalo, ki je želimo izreči vsem, ki ste pokojnega v dolgi boleznini obiskovali in tolažili in vsem, ki ste ga ob slovesu počastili.

:- The Story of The City of Euclid :-

"I like to see a man proud of the place in which he lives. I like to see a man live in it so that his place will be proud of him." — Abraham Lincoln

Euclid was a Greek mathematician who lived about 300 years before Christ. Born in Megara, Greece, he was the founder of the Megarian School of Philosophy. He taught and founded a school at Alexandria and did considerable work in algebra and geometry, which are the basics in surveying.

In 1796 the Connecticut Land Company sent Moses Cleveland and 41 surveyors to the North-

ern Ohio area. Upon arrival in Cleveland, they were not pleased with the working conditions, the terrain, forests, swamps, etc.

They refused to work, so a deal was arranged with them, which gave them as a fringe benefit or incentive, the opportunity to purchase all the land in Euclid Township at \$1 per acre.

AT THAT TIME Euclid Township included all the territory

east of Glenville, about 600 feet west of East 140 Street, including the site where Fisher Body Co. is presently located, the east side of Hayden Ave., part of East Cleveland and all of South Euclid, Lyndhurst, which then was known at Euclidville, Richmond Heights, known as Clara-bell, Norwood Station, later called Noble, and all of Collinwood Station and Nottingham Station comprising more than 35 square miles.

The population of the entire Township of Euclid in 1820 was 809, whereas the population of

Cleveland in 1820 was 600 excluding Ohio City, which was west of the Cuyahoga River. The population of Ohio City in 1820 was 348.

THE FIRST SLOVENIANS to settle in Euclid Township were Joseph Turk and his brother-in-law, Mike Skebe, in 1893 in the Collamer St. area, now E. 152 St. This was in the days when the horse was king for transportation. As more immigrants began arriving they found jobs

at the Round House and Boiler Shops of the Lake Shore and Michigan Southern Railroad,

(now Penn-Central), and the Medal Brick and Tile Co., now Collinwood Shale.

In time they began to move farther east toward Nottingham Station as the Lake Shore Painesville and Ashtabula R.R. street car (red car line) expanded. Shortly after the turn of the century, they began settling in the Gardner St. (now E. 185 St.) area, which they called Berwick.

Among the early settlers, whom I recall, were James Rotter, father of Dr. Carl W. Rotter, a grand man and good diplomat.

He is deserving of much credit that the Slovenian Home on Recher Avenue is at its present location.

OTHERS that I remember are Frank Zagar, Anton Kos, Joe Plevnik, Anton Vehovec. These men were the so-called grass roots of the organization working for the building of the Slovenian Home.

In the years following, more of our Slovenian men and women settled here. To name a few and the year of their arrival:

1904 — Anton Vidrih and Jo-

seph Opalek.

1905 — Joseph Pajk, Anton Globokar, Frank Pajk, Anna Jager, Anton Kos, Andy Bartelj and Frank Bajt.

1906 — Frank Vidrih, Joe Kapudija, Frank Kos, Frank Solata, Louis Kausek, Anton Kršnic, Pavel Krnc, Andy Krenzar, Andy Kikel, and Edward Tomc.

1907 — John Kezmaric, Louis Zdesar, Frank Nose, Anton Kenik and Joseph Turk.

1908 — John Gorjup, Ignac Perko, John Fabec, Rozi Vidrih, John Prijatelj, Anton Katosič,

★ New York, N.Y. — Miss Colorado, Adria Elaine Easton, 21-year-old semi-finalist in the recent Miss America contest, has been signed to perform her baton twirling act at Radio City Music Hall in New York.

★ Oklahoma City, Okla. — Thieves took \$3,000 worth of possessions from a residence here but if they use them, they'll lose them. Sid Huckaby, the owner, said the loss was confined to 60 racing pigeons. If they are ever released, they'll just fly back home, he said.

★ San Francisco, Calif. — The city is "seriously considering acquisition" of Alcatraz, possibly for use as a tourist attraction. The rocky island in the middle of the bay was abandoned by the federal government as a maximum security prison. Its inmates were moved to other prisons around the country. The board of supervisors voted to express interest after learning the federal government, which still owns the island, wanted some sign of official interest.

★ St. Paul, Minn. — With the enrollment of two men, the Arthur B. Ancker Memorial School of Nursing has gone coeducational for the first time in its 77-year history. Officials of the school, at St. Paul Ramsey Hospital, hope that the entrance as freshman student nurses will start a trend. "We would like to have more young men enroll," said Mrs. Ruth C. Smith, associate director of Nursing education. So far, the only problem of the two males in a class with 86 women, plus an all-feminine corps of upper classmen, has been uniforms. They are wearing their own clothes until the arrival of new outfits — white pants and blue-and-white-striped

overblouses. And they hope they'll get only pins and not caps at the capping exercises at the end of the year.

★ St. Joseph, Mo. — A 1967 Ford was taken from the Klein Motors lot here, but police found it later the same night and notified the owner. An employee of the used car firm went out to pick up the car and return it to the lot only to find it had been stolen again. The next day police found the two-stolen vehicle. This time a detective stayed with the car until the owner arrived for it.

★ Allentown, Pa. — Home economics girls took industrial arts and vocational agriculture — and boys learned cooking and home economics — in a six-weeks switch of classrooms, teachers and subjects at Northwestern Lehigh High School. In the shop, the girls made cedar chests, benches and spice racks and learned how to repair electric cords. During their agricultural course sessions, they planted flowers, trimmed shrubs in the school yard and studied landscaping. As for the boys, they agreed the most enjoyable part of the whole course was getting to eat what they made.

★ Washington, D.C. — The discovery of nearly 40 manlike teeth and two lower jaws may add another 2 million years to the history of man. The find, announced by a Chicago University Anthropologist, appears to be almost 4 million years old. Until now, the oldest hominid or (man-like) fossils — found by Louis Leakey in Africa's Olduvai Gorge — were dated at 1,300,000 years. An expedition led by F. Clark Howell, chairman of the Chicago anthropology department, found the teeth and jaws in Southern Ethiopia.

Euclid Slovenian Home Celebrates Golden Anniversary On October 5th

On Sunday, Oct. 5th, 1969 the Slovenian Society Home on Recher Ave., Euclid, Ohio, will celebrate their 50th Anniversary with a banquet and program. We expect this banquet to be a very special gala affair and we hope that the four charter members still living will be with us, so that we can show our appreciation to them for their participation in organizing this Home half a century ago.

Fifty years is a long span of years and we couldn't begin to mention all the wonderful people that worked so hard to build this place up from a very small, plain building to the present large, efficient, fully air-conditioned structure which we now enjoy. We can only say that anyone who ever worked for this institution can be proud of themselves when they see what a wonderful meeting place it is for all the Euclid and neighboring Slovenians

to meet, have fun and perpetuate the good old Slovenian traditions. We feel, however, that we must mention our capable and ever helpful Ladies Auxiliary, or Gospodinski Odsek, who have done so much to help our Home at all times.

THIS AFFAIR will start at 4 p.m. and dinner will be served in the upper as well as the lower hall, where the public address system will bring the entire program to the people seated there. There will be no reservations and the guests will be seated on a first come — first served basis.

After dinner our honored guests will be presented, among whom we hope will be the four charter members still with us, as well as all past "Men of the Year" from our Home. There will also be entertainment from our various cultural groups, ie, Circle No. 2, Zvezda, Slovan, Baton Twirlers,

Choral Group, as well as the Euclid Chapter of "Barbershop Quartet." We are sure everyone will enjoy the program and afterward there will be dancing to the excellent music of Frankie Kramer's Orchestra.

Tickets can still be procured from any of our officers or directors, or contact our Club Room Managers, Chuck or Bertha Starman, Tel.: 531-9309, and they will take care of you. Our officers and directors, as well as all the other people involved in our organization, will certainly try to see that everybody is well taken care of and we are sure that everyone will have a good time.

Make plans to join us on this momentous, special occasion and help us make this Golden Anniversary a really great celebration.

Stanley Pockar,
Secretary

Graduate Nurse

Miss Augustina Golek, daughter of Mr. and Mrs. Frank Golek, 1134 E. 63 St., graduated on September 9, 1969 from Jane Addams School of Practical Nursing. She was presented the Health Service Award from the Cleveland Ladies Auxiliary No. 14 of the Jewish War Veterans of the United States.

Presently she is charge nurse in the Oral Surgery Clinic of Case Western Reserve School of Dentistry. She attended St. Vitus School and is a graduate of Notre Dame Academy.

Congratulations!

Frank Legan Is Honored At Recognition Banquet; Mr., Mrs. Andy Rezin Sr. Mark 50th Anniversary

On Sunday, Sept. 21 at 5 p.m. the Slovenian National Home of Maple Heights will hold its Second Annual Recognition Day Banquet.

Frank Legan will be honored. Frank is a charter member of the Home. He has been a director and was treasurer for many years.

HE ALSO is a member of other fraternal groups in Maple Heights. Frank has been retired from American Steel and Wire for many years. Looking at his lawn and garden on Stanley Avenue, we all know that he has not retired from keeping a lovely yard. He has one of the finest vegetable gardens in the area. One thing he is noted for when working around his yard is that he always wears a blue apron. Mr. Legan and his wife, Antonia, settled in Maple Heights over 50 years ago and raised a fine family.

Mrs. Legan belonged to the cooking club of the Home. Her strudel's are out of this world!

IN JANUARY of this year they celebrated their 60th Wedding Anniversary.

Another big day in our commu-

nity will be Sunday, September 28, 1969. Mr. and Mrs. Andy Rezin, Sr. will celebrate their 50th wedding anniversary. We extend to both of them heartfelt congratulations and continued health and happiness in their wedded life.

AN OBSOLETE DEFINITION

It is often implied by socialist and communist critics of the U.S. economic system that a few people control the wealth in a capitalistic society. And yet, in the United States, which is the leading capitalist nation in the world, there is a greater dispersal of wealth than ever before in the history of mankind. Statistics concerning the material abundance of the average family — television sets, autos, home appliances, etc. — have become a sheer bore. But, they do give some measure of wealth dispersal under U. S. capitalism.

The corporate system represents public ownership in its truest sense. Millions of citizens own the productive industries of the United States. The New York Stock Exchange, or the Big Board as it is popularly called, is the nation's leading marketplace through which millions of investors buy and sell shares of ownership in major American business enterprises — enterprises that recently put men on the moon, among other things.

The Exchange is building bigger, new facilities for the simple reason that more people every year are buying shares in expanding industries. This hardly sounds like the concentration of wealth that we find in the stereotyped definition of capitalism.

Have You Ever Made a Retreat?

FOOD FOR THOUGHT

Oftentimes confusion and despair harass our lives. In those moments of trial, we turn to God for a helping hand. There is no better way than a retreat to give one the grace and help to find his way thru the darkness.

A retreat is a unique experience. It's a wonderful, quiet "meditation week-end" with God, during which one can think out his problems. The DIOCESAN RETREAT

HOUSE, 18425 Lake Shore Boulevard provides both the spiritual atmosphere of a church and the personal comforts of home.

Retreatants take part in daily Mass, at which their closeness to God is keenly felt. They pray the Rosary at the outside Grotto and say the Stations of the Cross daily. During free time, a retreatant may meditate with God, either in the Chapel, on the secluded grounds along the lake, or in the privacy of his comfortable room. The Retreat Master helps him find a practical approach to every day problems, both in his public conferences as well as in private talks upon the retreatant's request.

One's material needs are also well provided. Private and double room accommodations and excellent meals all help to make the week-end seem home-like. A library containing the best of meditative and spiritual reading matter is available to retreatants at all times.

This year the retreat for the men of ST. VITUS CHURCH will begin on Friday evening, Sept. 26, at 7 o'clock with dinner, and conclude on Sunday afternoon, Sept. 28.

Reservations are being accepted at the St. Vitus Rectory Office any day during the week or call Michael Kolar UT 1-6567 or Joseph Avsee Jr., HE 1-5436, in the evening, make reservations immediately.

Please read the following list of OBJECTIONS TO MAKING A RETREAT and admit that one or the other will be exactly what you may have said to yourself at some time or other:

1. I don't have the time!

Can't you give to God, who gives you every minute you have, a mere week-end? Everyone knows that if he wants to do something, he can always find the time to do it!

2. I spend my week - ends with my family — it is the only time I have with its members!

You're a fine man, but aren't there 52 week-ends in the year? Your family will be more than willing to sacrifice your companionship for ONE week-end, if it is going to make you a better person for the other 51 week-ends!

3. Retreats are for pious Joes!

I am just an average man!

Is there a law against raising your batting average? Remember, Christ said, "Be ye Perfect as your Heavenly Father is Perfect." Aren't you a follower of Christ? Don't forget your batting average HERE is your average for all Eternity. There is no batting practice in heaven. NOW is the time for improvement and there is NOTHING that will improve your life more than a retreat.

4. I can't afford it!

You can ill-afford to pass up this opportunity to make up to God for misspent time and money.

5. I don't go in for such church-

1909 — Frank Kovacic, Frank Turk, Anton Kos, Lucas Bojc, Louis Pajk and Terezija Drešček.

1910 — Frank Simoncic, Anton Logar, Helen Prijatelj, John Hovevar, Louis Rechar, Mike Jalovec, M. Skufca, and John Blatnik.

1911 — Frank Gorse, Mike Leskovec, Frank Kausek, Anton Zitnik, John Anzic, John Miklavcic, John Zupancic, Louis Zupancic, Jakop Strekal, Jakop Lenarsic, James Rotar, Frank Zagar, and Louis Oberman.

1912 — Andy Gerl, Joe Plevnik, Anton Vehovec, Steve Trebec, Jim Kusar, Anton Zele, Jacob Zagorc, Valentine Kuhar, Vincenz Koblar, Joe Nosse, Johan Volf, and many others, whom I regret, I can not at this time recollect.

INITIALLY it was the intention of these men to establish a church and a place in which to promote the Slovenian culture and traditions. Many meetings were held as early as 1905. Drives were held to raise funds and certificates of appreciation were sold. The land on which the present Slovenian Society Home stands was purchased from Charles Mix and Associates. The title was transferred to the Austrian Society on Mar. 13, 1907. Officers of the society were listed: Frank Pajk, president; Frank Bajt, secretary.

On August 12, 1909 the property was transferred to Monsignor Felix M. Boff, administrator to Bishop John P. Farrelly of the Cleveland Diocese. A church was built and Masses were held to accommodate the busy people in the area.

Catholic instructions for the residents' children were held over a seven year period, during which they were prepared for First Communion and Confirmation. Classes were taught alter-

nately by Father Ponikvar and Father Paul Hribar of St. Mary's Church in Collinwood.

The parish was not too prosperous and did not have an established staff for conducting classes and services. One Saturday afternoon, October 18, 1917, as Father Paul Hribar and his sister, Anna Hribar, were on their way here to teach the youngsters, his automobile was hit by a passenger train at E. 209 St., then the St. Clair Ave. crossing over New York Central Railroad tracks. Both were instantly killed. That was the tragic end of the first Slovenian Church in Euclid.

FOLLOWING THE CLOSING of the church, the property was sold by the Bishop to John Kracker, who owned a large vineyard in the area, pressed grapes, made and sold grape juice and wine. Mr. Kracker was a widower and a brother-in-law of the older John Prince (grandfather of Councilman John Prince of the 32nd Ward). They were Gottchee Germans (Kočevarji) but were friendly to the Slovenians.

Mr. Kracker sold the land and buildings to the Jugoslovenski Narodni Dom on August 10, 1919, for the sum of \$2,500. Mr. Dragutin Massakoto was then president, and Stanko Turapolac was its secretary. The title of the Home has since changed several times, and the structure has undergone remodeling of minor and major proportions on a number of occasions as time progressed.

During its 50 years of existence, the Home has had many able officers. To name a few of these dedicated men, Mathew Debevec, Ahacij Prezelj, John Ivancic, Frank Levar, George Nagode, Stanley Pluth, Theodore Kircher, and many others.

Yes, it was these people and many others who contributed to make the Slovenian Society

going and praying and sermonizing that one gets in a Retreat?
Perhaps you have never made a retreat. If you had, you would know that a retreat is NOT just a lot of sermons and praying. There are talks and you do pray — but that is just a small part of it. You have time to read, to rest, to think, etc. In a word, you have a great deal of free time — time to spend as you wish to spend it.

6. I don't know any of the men who are making the Retreat!
It is better if you DON'T know the others who are making the retreat because the retreat is something between YOU and YOUR GOD. The less distraction, the better. St. Ignatius made his first retreat entirely alone!

7. They tell me you have to keep silence — I couldn't do that!
You won't be the first to learn that the silence is the easiest aspect of the retreat and one of the most satisfying. You will find that keeping silence for a weekend is a pleasant experience, a wonderful way to make up for the times one has spoken out of turn and in a sinful way.

8. I am so tired after my week's work that I just couldn't make a Retreat — I don't have the energy!

All the MORE reason for making one! Altho we speak of the "spiritual exercises", a retreat is also a most restful experience for the body. The change of pace is so great that one leaves a retreat more physically rested than he has been in years.

9. I can't sleep with another person in the same room — I'm a terrible snorer!

Don't let THAT worry you! You may have a private room, if you ask for it sufficiently early. There are several such rooms available.

10. I'm on a diet — A very strict diet.

The Menu out at the Retreat House may not be suitable for me!

Please don't worry about the Menu. The Sisters are the finest cooks available. Inform them of your dietary needs and they will provide the proper foods.

11. I have a heart condition and the stairs and walking wouldn't be too good for me!

There is a first floor room, and if that is already reserved, there is an elevator which is constantly in use — self-operatable. The distance to the chapel and the dining room are not too great. You need not take part in the more strenuous exercises — the outdoor recitation of the Rosary and the Stations of the Cross. You may make these privately in the chapel.

Well, what have you to say NOW, dear reader? No need to say any more — simply call in YOUR reservation TODAY! Let's have a record turn-out this year!

St. Vitus Men's Bowling League

September 11, 1969

On the second night of the new season there were still a few vacancies on some teams, with hopes that all rosters will be complete soon. Frank Dohn sizzled with a terrific 243 game and 602 series. Grdina #2 team had both evening's team highs 982-2752. There were again few 200 games. They were: J. Lamont; 203.

Home what it is today. The pioneer immigrants were bodily in America, their heart, soul and spirit were in their native land, Slovenia, which was then known as Austria. These people had a culture, a culture which they transmitted from one another.

I can not forget the early concerts and dramatic performances they presented without the help of outsiders or government subsidies. They strived to convey this culture to their youngsters, and while the younger generation does not possess the same degree of sentiment for the activities in which their parents engaged, there is still a faint hint of them in the lively polkas they like to play and dance to, the Slovenian songs and, of course, the traditional potica, which has made its prominence even among the people of other nationality and American groups.

SPORTS

FIELDS TO SWITCH

SPORTS OVERNIGHT

Baseball one day, football the next, and baseball the day after — on a perfect field for each sport each day.

That's what Cincinnati will enjoy at its new stadium next year. Cincy players and fans won't have to suffer through football played on baseball infields. Or baseball on fields chopped up by a football game.

Monsanto has perfected a remarkable convertible system for professional sports stadiums at its Astro-Turf research center in Decatur, Ala. A field can be converted from one sport to the other in six to eight hours. The system will be part of the Cincinnati installation in 1970.

With baseball and football play increasingly running together due to extended seasons, plus growing demands on metropolitan stadiums by schools, colleges, soccer teams—the installation of Astro-Turf permits a stadium to serve the entire community far better than it ever could before.

DOES BASEBALL NEED COPS? Don't be surprised if major league baseball, like football, has a "police force" of its own in the future.

Commissioner Bowie Kuhn already has sent "suggestions" to many of the clubs that the players avoid certain night clubs. Then there have been more and more incidents of heavy drinking on planes and the clubs themselves are cracking down.

But there is one big difference between pro football and major league baseball. It has been traditional for baseball clubs to keep their own houses clean. In other words, major league baseball enjoys more "states rights" than pro football, which has more of a centralized power in Commissioner Pete Rozelle. So far, both systems have worked.

METS SEAVER SETS WIN MARK

Tom Seaver became the National League's first 20 game winner of the season — and the first in Mets' history — by turning back the Phillies, 5-1 Sept. 5.

Seaver won 16 games in each of his first two seasons in the majors (1967-68).

CASH BOOTED FOR WORDS

HE SAID TO HIMSELF
Norm Cash of the Tigers was ejected by umpire Bill Kunkel for protesting a third strike in the seventh inning of a game Aug. 31.

Why was he so mad? "He threw me out for something I didn't say," said Cash, who has been booted 3 times this season. Norm didn't cuss the umpire. He cussed himself. Umpire Kunkel said, "We're turning him in for profanity audible to the fans. It was a real good pitch."

Day Nurseries Supported By United Appeal

In 1982 some youthful members of the Y.W.C.A., one of our 154 Red Feather agencies, became aware of the large number of hungry and neglected children in Cleveland.

They organized a day nursery and later opened a free kindergarten that flourished until the Board of Education introduced kindergarten classes in 1997.

As a Red Feather agency today, the Day Nursery Association receives annual support from contributions to the United Appeal of Greater Cleveland.

There are five nurseries (Lake-wood, Mather, Hammill, Bingham and Wade) for youngsters three to eight years old, in addition to Hanna Perkins Nursery for children with developmental problems.

Children are eligible for day nursery services when the mother must work outside the home or if there is illness in the home.

The children learn arts and crafts, the value of books and music and enjoy outdoor play. Staff members of Day Nursery Association believe the most important thing the youngsters learn is how to get along with others, children and adults.

What began 87 years ago as a special project by concerned young women of the Y.W.C.A. continues today as an invaluable service to the community.

In Memory of Paul J. Schneller

In Memory of the late Paul J. Schneller, deceased Sept. 8, 1969.

We honor and pay our respects to the memory of the late Paul J. Schneller, our brother, friend and fellow worker, who expired on September 8, 1969, who side by side with his wife Mary, son Donald and daughters Marion and Joanne and grandchildren has devoted a greater part of his life to the cause of human brotherhood.

Paul was born on July 21, 1904 in Calumet, Michigan. In 1914 his family moved to Chicago where Paul attended a German Parochial school.

In 1916 his family moved to Cleveland, Ohio where he completed his education. In 1916 his father Paul Sr. who had knowledge of insurance and banking, along with other friends, organized The Slovenian Building and Loan Co., which later became the International Savings and Loan Co.

In 1924 upon completing his education he graduated from Spencerian College with a degree in Business Administration. He went to work for International Savings and Loan Assn., and came up from the ranks. On the passing of his father in 1932 he became secretary, later he became president of the predecessor St. Clair Savings Ass'n. in 1953.

PAUL WITNESSED the havoc of automation, and longed for a solution of these problems, from a small spark kindled in Calumet, Michigan a flame had arisen, not to be extinguished.

Paul felt that the strongest bond of human sympathy outside the family relation should be one of uniting together the working people of all nationalities. Paul never advocated violence in any form, he believed in education, intelligence, and enlightenment, and made his appeal to the conscience of his many friends. Paul was a person of peace; he worked for peace, a faith that through his intellect can learn to control nature, a faith that man will

learn to work together, love together, live together and control the universe, not the other way around.

HIS PASSING will leave a void that will be difficult to fill. Paul was helpful to all, many a local contractor and builder were recipients of his help, along with many thousands of home owners who today are enjoying the warmth of their own home. Paul was a long time member of the Euclid Rotary Club, the Pine Ridge Country Club, and a former Trustee of the Euclid General Hospital.

This is the beauty of life, the endless joy of working, searching, thinking, expanding our world of greater avenues for the happiness of all. Paul was a part of this quest, thinking together, there is beauty in this, and the quiet repose of Paul J. Schneller, about whom at the end of his journey in life we can say, "he was a man, a father, a brother, a friend." To you his wife, Mary, son Donald, daughters Marion and Joanne, and grandchildren who made up his family, and bear the deepest pangs of sorrow, we extend our warm sympathy, friendship and understanding. Let us all live so that peace and brotherhood may encompass all of mankind.
