DRUSTVENE IN DRUGE SLOVENSKE VESTI

Važna dočka glavnega odbora JSKJ, tikajoča se reprezentacije na mladinski konvenciji, je navedena v raztolmačenju v članku glavnega tajnika, ki je v slovenščini in angleščini priobčen v današnji izdaji Nove Dobe.

Iz glavnega urada se poroča, da je kampanja za pridobivanje novih članov v mladinski oddelek JSKJ že zelo živahnata. Ištakno se poroča, da nekateri kandidati oziroma kandidatinje za delegatstvo na mladinski konvenciji dosegajo že prav lepe uspehe.

Društvo št. 66 JSKJ v Joliu, III., priredi v nedeljo 10. marca popoldne in zveče "Card & Bunc Party" v prostorih A. S. H. kluba na 1318 Highland Ave.

V uredništvu Nove Dobe se je pretekli teden oglašil sobrat J. L. Zortz, član društva št. 6 JSKJ v Lorainu, O.

Od avtomobila ubit je bil bližu mesta Salem, Ohio, rojak Frank Jurjavčič, član društva št. 41 JSKJ in SNPJ. Zapuščeno, eno omočeno hčer, pet nedorashih otrok in brata. Rojen je bil na Žirovskem vrhu nad Skofjo Loko.

V Johnstownu, Pa., je umrl rojak John Tegelj, star 60 let, član društva št. 16 JSKJ. Zapuščeno, pet hčera in tri sinove. Rojen je bil na Planini pri Rakeku.

Pomladanski koncert pevskega zbora "Zarja" v Clevelandu, O., ki se bo vrnil v nedeljo 10. marca, obeta biti eden najslajnejših, kar jih je še dosegalo podalo slovenskemu občinstvu to edilčno pevsko društvo. Samostojni pevski zbor "Zarja" je nedvomno najmočnejši slovenski pevski zbor v Ameriki, in za njegove zmožnosti najlepše govorijo dejstvo, da je vpravil že več oper; nekatere teh so laskavo ocenili celo glasbeni kritiki velikih clevelandskih dnevnikov. Zanimivo pri tem zboru je, da je med pevci in pevkami skoraj polovico tu rojene mladine. Med pevci je tudi več članov in članic JSKJ. Koncert se bo vrnil v auditoriju Slovenskega Narodnega Domu na St. Clair Ave. in se bo pričel ob treh popoldne.

Klub "Vesna" v Lorainu, O., vprizori v sredo 13. marca zvezcer v prostorih S. N. Domu svojo prvo igro. Zabavna tri dejanka "Whittlin'" se bo izvajala v angleščini.

Pevsko društvo "Cvet" v Clevelandu, O., naznanja, da bo v nedeljo 5. maja priredilo pomladanski koncert v Slovenski dežavski dvorani na Prince Ave.

Slovenska Narodna Čitalnica v Clevelandu, O., ki ima svoje prostore v S. N. Domu na St. Clair Ave., naznanja, da priredi v nedeljo 31. marca čajanko, ki bo združena s predavanjem o domačem vrtnarstvu in s tem.

Dalje naznanja, da je prejela sledeče knjige prevodov iz angleščine, ruščine in nemščine: "Dobra zemlja," roman iz Kitajske, in "Trije ljudje," kateri je spisal ruski novelist Maksim Gorkij; "Saga o Forsytih," angleški spisal Galsworthy; "Si-

Približuje se zadnji rok za prijavljanje oziroma plačanje dohodninskega davka (Income Tax). Davčni zakon od 1. 1934 je uvedel razne spremembe glede dohodninskega davka, in je umestno, da vsi oni, ki morajo prijaviti svoj dohodek, znajo o njih. Ti so vsi samci (poročeni ljudje, ki ne živijo skupaj z ženo, se smatrajo za samec), ki so tekom leta 1934 imeli surov dohodek (gross income) od \$5,000 ali več ali pa čist (net) dohodek od \$1000 ali več, nadalje zakonski, živeči skupaj, ki so tekom l. 1934 imeli surov dohodek od \$5000 ali več ali pa skupen čisti dohodek od \$2500 ali več.

V slučaju potrebe se tak bond lahko vidi nazaj proda, toda ne prej kot v 60 dneh po nakupu. Za bond, ki se na primer glasi na \$100.00, za katerega je kuped plačal \$75.00, bo lastnik bonda, ki ga proda vidi nazaj po šestih mesecih, dobil zanj polnih \$75.00, in toliko v obrestih, kolikor znesajo v šestih mesecih.

Izdaja federalnih "baby bonds" je v prvi vrsti namenjena za "male" ljudi, z malimi zaslužki in prihranki. V Washingtonu sodijo, da je mnogo denarja skritega po domovih, ker ga mnogi ljudje ne zaupajo več bankam, s katerimi so imeli po nekdanji tako siabe izkušnje. Pri nekaterih ljudeh so tudi vse dobre in solidne banke izgubile zaupanje. Zvezna vlada nudi z izdajo "baby bonds" priliko za obrestnošno hranjenje tistim ljudem, ki verujejo in zaupajo edino se federalni vladni v paperju.

Osebni odbitki (personal exemptions.) Novi zakon ni spremenil znesek osebnih odbitkov. Samci oziroma poedinci smejo odbiti \$1000 od svojega čistega dohodka, dočim poročene osebe, živeče skupaj, odbijajo \$2,500. Vdovci, vdove, razporočenci in možje, katerih žene ne živijo z njimi, se smatrajo kot samci, kar se tiče dohodninskega davka, in zato smejo odbiti le \$1000 za sebe. Na drugi strani pa samec, ki v lastnem domu vzdržuje postarno mater, dete ali drugo odvisno osebo, se smatra kot družinski poglavarski (head of a family) in sme odbiti \$2500.

Ako mož in žena, ki živita skupaj, oba zaslужita, smeta vložiti eno samo prijavo ali pa dve prijavi, ali smeta odbiti le enkrat \$2500. Poleg osebnih odbitkov sme davkoplačevalci odbiti po \$400 za vsako odvisno osebo: otroke pod 18. letom, postarne starše ali druge osebe, ki so odvisne od njegovega vzdrževanja. Ne sme se pa odbiti \$400 za ženo.

Torej, človek, ki ima ženo in tri mladoletne otroke pri sebi,

je dal premogovnim podjetnikom v zapadnem Kentuckyju odlok, s katerim se zvezni vladi zabranjuje vsljevanje pravilnika za premogovo industrijo. Zvezna vlada se bo proti obema celokoma pritožila na najvišje zvezno sodišče.

SENATNI ODSEK za preiskavo družb, ki izdelujejo municijo in orožje, je ugotovil, da je delga vrsta teh družb tekom svetovne vojne, v katero je bila zapečljena tudi Amerika, delala sijajne dobičke. Dobički so znašali vse od 27% do 362% na vloženi kapital. Ko so progresivni senatorji v avgustu leta 1917 priporočali, da se naloži davek na profite izdelovalcev municije in orožja, se je večina postavodajalcev odločila za davek na kavo, čaj in druge potrebščine. To dovolj jasno kaže, kdo ima dobiček od vojne.

DVA LAHNA POTRESNA sunka so v jutru 1. marca čutili v nekaterih delih držav Nebraska, Iowa, Missouri in Kansas. Potres ni napravil nikake skode.

NAŠA MLADINA IN NJENA KONVENCIJA

Tekma v pridobivanju novih članov za mladinski oddelki J. S. K. Jednote od strani kandidatov za mladinsko konvencijo je v teku. Kandidati, ki se podajo v to tekmo, morajo biti člani mladinskega oddelka že od 31. decembra 1934 ali od prej, morajo biti v Minnesota najmanj 10, v drugih državah pa najmanj 12 let starci, in pridobiti morajo vsaki najmanj 5 novih članov mladinskega oddelka v tej kampanji, ki se je pričela 14. februarja in se bo zaključila 30. junija. Kjer bo več kandidatov v tekmi za čast delegatov, bo končno zmagal tisti, ki bo imel v svoj kredit vpisanih največ novopriskrbljenih članov mladinskega oddelka.

Starci, ki imajo v mladinskem oddelku otroke, kateri odgovarjajo kvalifikacijam, naj jih navdušijo za pridobivanje ujihovih otroških tovarišev in vrstnikov za mladinski oddelki J. S. K. Jednote. Seveda jim pa tudi starci v odrasli bratje in sestre lahko pomagajo pri pridobivanju novih članov. Ni toliko važno, kdo novega mladinskega člana pridobi, ampak v tej tekmi je važno, komu v kredit je zapis.

Konvencija mladinskega oddelka JSKJ se bo vrnila meseca avgusta v mestu Ely, Minnesota. Ely je rojstno mesto J. S. K. Jednote, tam je njen sedež in njeno novo uradno poslopje. Tam se bodo mladinski delegati lahko nekoliko približne seznanili s poslovnim ujihovim organizacijom in z njenim poslovanjem. Biti delegat ali delegatinje prve jugoslovanske mladinske konvencije pomeni tudi precejšnjo čast in odliko. Ta konvencija bo za vedno ostala zapisana v zgodovini merskih Slovencev in istotako bodo ostala zapisana v zgodovini imena delegatov in delegatinj prve mladinske konvencije.

Potovanje na konvencijo in nazaj bo za mladinske delegate ponujeno in zabavno obenem. Na svojem potovanju bodo videli marsikaj, cesar ne vidijo v krajinah, kjer so bili rojeni. Spoznali bodo predvsem severno Minnesota, ki je v poletnem času v resnici mokro. Se mene vleče tja vsako poletje, dasi že več let prihajam tja kot glavni nadzornik J. S. K. Jednote. Koliko bolj pa bo ta dežela zanimala še naše mlade fante in dekleta! Videli bodo tam krasna šolska postopja, kakrsna je videti le v malokateri državi. Videli bodo lepa jezera, s katerimi je severna Minnesota bogato obdarjena. Videli bodo šumeče gozdove temnih smrek in belih brez, ki so posebnost tistih severnih krajev. Seznanili se bodo s svojimi mladimi brati in sestrami iz Minnesota in drugih držav. Tudi za primereno razvedrilo v konvenčnem mestu bo poskrbel glavni odbor.

To vse in še mnogo drugega bo nagrada za tiste mladinske člane, ki bodo Jednoti pridobili največ članov za mladinski oddelki. Prepričan sem, da se bodo čutili za svoj trud ter za trud njihovih staršev, sorodnikov in prijateljev bogato poplačane. Nenavdno jih bo poletni počitniški izlet v Minnesota ostal trajno v najlepšem spominu.

Vedno bližje prihaja čas, ko bo naša mladina morala prevzeti vodstvo vseh naših podprtih organizacij, in seveda tudi vodstvo J. S. K. Jednote. Iz tega vzroka je zelo važno, da to mladino na lep in vabljen način seznamimo z našo organizacijo, da jo zanj zainteresiramo. Ta mladina ima po večini veliko boljšo šolsko izobrazbo, kakor smo jo imeli mi, ki smo se v to deželo priselili iz starega kraja. Mladina je neizčrpiva vir energije. Naša dolžnost je torej, da vsaj del te mladinske izobrazbe in energije obraemo v smer, ki bo v korist J. S. K. Jednote.

Nasa sedanja kampanja za povečanje članstva našega mladinskega oddelka in mladinska konvencija JSKJ, ki bo krona te kampanje, sta dva nova projekta, ki sta namenjena edino napredku in korist J. S. K. Jednote. Moje trdno prepričanje je, da bosta vsestransko uspešna.

Torej, vsi na delo za večji mladinski oddelki ter za večjo in pomladajo J. S. K. Jednote!

John Kumš, predsednik gl. nadzornega odbora JSKJ.

OPOZORILO UREDNIKA

Urednik smatra za umestno, da posebej opozori društvene uradnike in člane J. S. K. Jednote v splošnem na članka glavnega tajnika in predsednika nadzornega odbora, ki sta danes priobčena na uredniški strani. Oba članka naj bi članstvo pažljivo prečitalo.

Za društva, ki imajo znatno število članov v mladinskem oddelku, ki pa še niso imela 200 mladinskih članov 31. decembra 1934, je važno poročilo o dolgebi glavnega odbora, da bodo do lastnega delegata na mladinski konvenciji upravičena vsa društva, ki bodo 30. aprila 1935 izkazovala po 200 ali več članov v mladinskih oddelkih.

Čas za doseglo omenjenega števila mladinskih članov je sicer na kratko odmerjen, vendar agilna društva tudi v dobrih sedmih tednih lahko dosežejo velike uspehe, če se resno zavzamejo.

Za olajšanje pridobivanja novih članov v mladinski oddelki je tudi važna izredna določba, ki bo v veljavni do 30. junija letos, po kateri zadostuje, da prošnje za pristop mladinskih članov odobrita le društveni predsednik in tajnik, nakar se za morejo takoj odpeljati na glavni urad.

O MLADINSKI KONVENCIJI J. S. K. JEDNOTE

DRUSTVENI TAJNIKI POZOR!

V zapisniku letne seje glavnega odbora sta čitali, da bodo društva poslala delegate na prvo narodno konvencijo mladinskega oddelka JSKJ na podlagi števila članstva z dne 31. decembra 1934. Na priporočilo nekaterih glavnih odbornikov je glavni odbor ta sklep spremenil v toliko, da bodo društva poslala delegate na podlagi števila članstva, ki ga bo mladinski oddelki imel z dnem 30. aprila 1935. Torej, vsako društvo, ki bo dne 30. aprila 1935 v mladinskem oddelku štelo 200 ali več članov, bo upravičeno do enega delegata, društva pa, ki bodo 30. aprila 1935 štela manj kot 200 članov v mladinskem oddelku, bo združil glavni tajnik, da bodo poslala skupnega delegata.

Dne 31. decembra 1934 smo imeli samo dve društvi, ki sta v mladinskem oddelku šteli nad 200 članov. Imamo pa več društva, ki so takrat štela med 150 in 190 članov, in tem bo sedaj dana prilika, da bodo lahko poslala svoje lastne delegate, ako se bodo od sedaj pa do 30. aprila zavzela, da dosežejo število 200 ali več. Gotova je, da bi se vsako društvo rado ponašalo s svojim lastnim delegatom, in gornja spremembu jim bo to omogocila.

Nadalje so bile od glavnega odbora začasno suspendirane vse tiste določbe v pravilih mladinskega oddelka, ki so zahtevale, da mora biti vsaka prošnja za pristop v mladinski oddelki predložena na društveni seji. To se je storilo radi tega, da se odstrani vse morebitne ovire kandidatom za delegate. Imamo namreč društva, ki zborujejo prvo nedeljo v mesecu, a kampanja bo trajala do 30. junija. Pri takih društvih bi kandidati po prvi nedelji v juniju ne mogli več povisati število novih članov, ker bi isti mesec ne bilo več nobene seje, dočim bi kandidatje pri društvih, ki zborujejo tretjo ali četrto nedeljo v mesecu, imeli v tem oziru veliko boljšo ugodnost. Da se torej ne bo nobenemu kandidatu godila krivica, je glavni odbor gornje določbe suspendiral do 30. junija in do takrat se imajo vse prošnje predložiti samo društvenemu predsedniku in društvenemu tajniku.

Vse prošnje za sprejem v mladinski oddelki morajo biti poslane naravnost na glavni urad Jednote in ne na vrhovnega zdravnika.

SAMO PAR BESED KANDIDATOM

Noben kandidat za delegata naj ne misli, da ima kdo drugi boljšo priliko biti izbran za delegata kot on. Delegate se ne bo volilo, kot se jih voli za redno konvencijo Jednote, zato o kakem "pullu" ne more biti gorova. Vsak kandidat za mladinsko konvencijo se bo lahko sam izvolil za delegata, če bo delaven in marljiv in če ne bo spal, dokler bodo njegovi protikandidatje na delu. Vsak kandidat bo torej sam svoje srečo kovač, in če bo končno izgubil, ne bo mogel kriviti druge, kajti imel je isto priliko, kot drugi. Tudi ne smejo kandidatje po malih krajih misliti, da bodo njih bratci in sestri po večjih krajinah imeli boljšo priliko od njih. Nikakor ne. Večjih mestih je več društev, več članov, torej bo tudi več kandidatov. Kandidat v malih premogarski naselbini v Pensylvaniji bo imel isto priliko, kot kandidat v velikem Clevelandu. Povdram, da ima vsak kandidat priliko biti izbran za delegata, in izbran bo tisti, ki je naredil trden sklep in ki je bil neprestano na delu od zdaj pa do 30. junija. Pet novih članov ne bo izvolilo vsakega kandidata delegatom, zato naše dečke in deklice že sedaj opozarjam, da naj nikar ne nehajo pri petih ali desetih, kajti njih protikandidat bi znal imeti enega več, in kaka škoda bi bila če bi delegatstvo izgubili samo zato, ker ste bili za enega člana prekratki.

Vsak član ali članica mladinskega oddelka, ki želi kandidatizirati za delegata ali delegatinjo, naj nemudoma prijavi svojo kandidaturo društvenemu tajniku. Društveni tajnik naj pa v vsakem slučaju, kadar pošlje prošnje na glavni urad, označi ime kandidata, kateremu se imajo novopriskrbljeni člani kreditirati.

Z bratskim pozdravom,
ANTON ZBAŠNIK, gl. tajnik JSKJ.

VSAK PO SVOJE

(Nadaljevanje s 1. strani)

Škodilo, če bi krsčanski ljudje in parodi postali malo bolj poganski.

Uradni šmelj in politični šmelji tudi v tej deželi si jajšči vozita in orjeta skupaj. V New Yorku imajo neki volilni precinki, kjer je registriran en sam volilec, pa je ob prilikah vso volitev dotični volilni lokal ves danpr, kar stane davkoplačevalce \$1,100.00. Pa pravijo, da je depresija in da ni denarja v Ameriki!

*

V indijanskih jezikih baje ni nikakih izrazov za kletvine. Večina Indijancev živi v rezervacijah, kjer se ne vozijo z avtomobili niti ne begajo pred njimi, ne igrajo niti kart niti golfa in ne plačujejo nikakih davkov. Čemu bi potem rabili kletvine?

*

V Chattanoogi, Tenn., so se zdravniki v neki bolnišnici ravno pripravljali, da bi nekemu črnemu, katerega je bila njegova sladka boljša polovica obstrelišča, odstranili kroglo iz glave, ko se je črnec dvignil in izpljunil kroglo. Zdravniki so moža začudeno sledili. Slišali so pač že pravljice o zmajih, ki so bijavili ogenj in žveplo, niso pa še nikoli slišali o črnemu, ki bi bljuval svinec.

ZA DAVKOPLAČEVALCE

(Nadaljevanje s 1. strani)

sme odbiti \$2500 in nadalje \$1,200, t. j. po \$400 za vsakega otroka. On je podvržen davku samo, ako zaslubi več kot \$3700. Ali, ako je zaslubiš vsaj \$2500, mora prijaviti svoj dohodek, tudi če nima plačati nikakoga davka.

Samec ali samka, ki živi s postarno materjo, sme odbiti \$2500 kot "družinski poglavar" in še \$400 za mater, ki jo vzdržuje. Ali, ako mati ne živi skupaj z njim, pa jo podpira, on sme odbiti zase le \$1000 in \$400 za mater.

Davčni zakon od 1. 1934 je zopet uveljal odbitek za zasluno dohodek (earned income credit), dodaten odbitek od 10 odstotkov na prijavljenem zasluku, ki ga davkoplačevalec sme odbiti, ko zračuna, koliko mora plačati davka. Novi zakon določa le en normalni davčni odstotek (tax rate), namreč 4 odsto od čistega zasluka po odbitku vseh dovoljenih kreditov. Oni, ki imajo vecje dohodek, morajo plačati čez normalni odstotek dodaten davek (surtax), ki sega od 5% za dohodek od \$6000 do 59% za dohodek čez en milijon dolarjev.

Za človeka, katerega dohodek izvira iz mezde ali plače, je prav lahko izračunati čisti dohodek. Ta je navadno isti kot več dohodek, ki le da sme odbili druge davke, ki jih mora plačati, in darove, ki jih je dal za dobrodelne ali kulturne svrhe. Recimo, da tak človek je zaslubi \$2000, je samec in nima nikake odivisne osobe. Naj takoj odbije 10% (earned income). Od \$1800 odbije \$1000 zase. Preostane \$800, od katerih mora plačati 4% kot dohodinski davek, namreč \$32.

Prijaviti je treba dohodek najkasneje do 15. marca 1935. Tiskovino za prijave (income tax return) je treba podpisati pred notarjem in vposlati davčnemu uradu (Collector of Internal Revenue) določenega obdobja. Ob enem je treba plačati vsaj četrtnino dolžnega davka. Ne pozabite dodati novo tiskovino Form 1094, kajti drugač je treba plačati dodatnih \$5.00.—FLIS.

National SSCU Bowling Tournament

May 4 and 5, 1935, will be two red-letter days in the Union's calendar, for on the first Saturday and Sunday in May the first national open SSCU bowling tournament will take place in Cleveland, O.

Every member, male and female, and juveniles between ages of 16 and 18 years, shall be eligible to participate, provided they have been members in good standing at least 90 days previous to the day of the tournament.

Our Union offers attractive cash prizes for this tournament. A total of \$150 shall be divided among the male members bowlers as: \$50 for the team champion, \$25 for the doubles champion, \$15 for the individual champion, and \$10 for the all-events champion. A cash prize of \$10 for the doubles champion and \$5 for the singles champion shall be awarded to the female bowlers. In addition twelve medals, ten for the men and two for the ladies, will also be awarded.

Like in other open bowling tournaments, the transportation expense for out-of-town bowlers will have to be defrayed by the visiting teams and individual participants.

* * *

This bowling tournament is the opening gun for sport activities in our Union on a national scale. For the last three years athletic activities among our lodges have been confined to local competition, that is, the caliber of members residing in one state was not matched with the strength of members residing in an adjoining state.

With the revival of the sports fund our lodges can look forward to sectional and national competition in the major sports: bowling, basketball and baseball. However, this does not mean that other sports are not to be encouraged and games scheduled among out-of-town teams are to be suppressed.

It merely emphasizes the sports most actively engaged in by our component members. With the arrival of summer will also come plans for baseball tournaments both in hardball and softball.

For the present our Union is concentrating its efforts for the coming national SSCU bowling tournament. It is looking forward to a large representation, and if advance reports are any indication, the tournament should be an overwhelming success.

* * *

The purpose of the national bowling tournament is to bring together members interested in the art of kegling. Cash prizes and medals are offered as inducements. In the East, namely, the following states: Ohio, Pennsylvania, New York; and in the West, namely, Illinois and Indiana, bowling is a popular sport. Easy to learn, the game is followed eagerly by many of our members.

In other states, for instance Minnesota, bowling takes a back seat for such winter sports as hockey and basketball. Nevertheless, SSCU representation from other states is looked forward to, if the obstacle of transportation expense can be overcome.

* * *

Next year, if our Union decides to sponsor another similar national bowling tournament, some other central point can look forward to holding the national SSCU tournament in their city. Thus, the Cleveland keglers would have to travel at their own expense to another city.

And then again, if the demand becomes strong enough, our Union can hold an Eastern and Western SSCU bowling tournament. However, for the first attempt, it must be satisfied with one central location.

* * *

To increase the interest of its youth in the South Slavonic Catholic Union is the underlying reason for the first open national SSCU bowling tournament, as well as the sponsoring of other athletic tournaments.

Always seeking ways and means to promote good-fellowship among its members, and to advertise its name, our SSCU indirectly invites outsiders to become prospects for membership. With this view in mind let us all get together and make our first national SSCU bowling tournament a grand success.

Napredok, No. 132

Cleveland SSCU Bowling League

Cleveland, O.—Members of Napredok Lodge, No. 132, SSCU, are reminded of the meeting to be held Friday, March 8. The second Friday of each month is the date scheduled for our regular monthly meetings.

Our lodge will hold a big dance on April 27. At the last meeting it was decided that each member must take two admissions, at 25 cents each. Our treasury is depleted and it is necessary that we build it up and salaries for lodge officers who have served during 1934 have to be paid. Ill-feeling toward purchasing the tickets should not be shown toward the secretary, for it was the decision of the lodge and not his

Please remember our meeting next Friday, March 8. Important discussions will take place that are of interest to all members.

Betsy Ross News

Cleveland, O.—All members of Betsy Ross Lodge, No. 186, SSCU, are requested to attend the regular monthly meeting Thursday, March 14, to be held in the library of Slovene Workingmen's Home on Waterloo Rd., at 7:30 p.m.

This meeting is of vital importance, and all are urgently asked to be present. All members who desire to participate in the national SSCU bowling tournament are requested to attend, in order to give our athletic supervisor ample time to fill out your entry blanks and forwarding them to the athletic commissioner by April 1st.

Social following our last meeting turned out to be a huge success. A good time was had by all. I wish to thank all members of George Washington Lodge and Collinwood Boosters, as well as their friends, for their kind visit.

Our Betsy Ross Lodge is making forward strides in its enrollment of new members, enrolling two in the adult department at the last meeting. They are: Frank Poje Jr. and Bertha Starman. We made a pledge at the last meeting to enroll new members at each of our lodge meetings this year.

Sister Katherine Riddle is on the sick list, nursing sore fingers. Members are requested to pay Sister Riddle a visit and cheer her up.

Last Friday Betsy Ross bowling team rolled a match game against the Grdina's Furniture Store. After the last ball was rolled, the Flagmen came out on the long end by a margin of 229 pins. George Kovitch, with 597, and Al Jeleric, with 584, starred for the evening. Another return match game will be played Friday evening, March 8, on the alleys at St. Clair and E. 149th St. Games will begin at 9:30 o'clock.

A TIGHT SPOT

"John, dear, I am to be in an amateur theatrical. What would folks say if I were to wear tights?"

"They would probably say I married you for your money."

All bowlers are requested to turn in the money to their respective captains for the tickets issued them about two months ago. The league officials wish to have the matter taken care of by next Sunday when the circuit meets again at the Superior and E. 118th St. Alleys.

The tickets were issued as part of the preparation for the coming national SSCU bowling tournament, when the Triumvirate of SSCU English-conducted lodges of Cleveland shall be in readiness for the mammoth affair.

BRIEFS

Anna Sterle, juvenile member of Lodge No. 149, SSCU, of Canonsburg, Pa., announces her candidacy for delegate to the forthcoming juvenile convention with 16 new enrollments to her credit. "This is only the beginning," says Anna Sterle, who implies that she expects to get many more before the curtain rings down on the juvenile drive.

Matthew (Mickey) Cesnovar of Cleveland has signed to play with the Detroit Tigers of the American League. Although only 18 years of age, but 6 feet tall, Mickey first received his big league training under Clark Griffith, owner of Washington Senators. One of the Tiger scouts was so impressed with his dazzling fastball that he offered better terms to the Slovene southpaw and the result is a contact with the Detroit team.

Entry blanks for the national SSCU bowling tournament to take place in Cleveland on Saturday and Sunday, May 4 and 5, have been mailed to all athletic supervisors. Blanks properly filled out together with entry fees must be forwarded early enough to reach Louis M. Kolar, SSCU athletic commissioner, 6117 St. Clair Ave., Cleveland, O., not later than April 1, 1935. Other lodges who are interested in participating in the tournament are requested to write for entry blanks.

Columbia University of New York announces a series of Yugoslav lectures during the month of April. The evening of April 2 will be devoted to Serb literature, April 9 to Croat literature and April 16 to Slovene literature. All the lectures will be given at 305 Shemerhorn Hall.

George Washington Lodge, No. 180, SSCU, of Cleveland will hold its regular monthly meeting next Friday evening, March 8, in Room No. 2 of the Slovene National Home (new building). All members interested in the coming national bowling tournament should attend. After the meeting card games will be played as well as bunco, and two prizes, one for the men and one for the women, will be given away. Meeting will begin promptly at 8 o'clock.

Are you doing your part in the juvenile membership drive? The contest closes on June 30, 1935. You can make some youngster happy by aiding him or her to boost the number of new juvenile enrollments to their credit, which will give them enough points to be chosen delegate to national juvenile convention to be held during August in Ely, Minn.

POSTMASTERS

All fourth class postmasters have been under civil service since the Taft administration, but the first, second and third classes have been appointed by the president and confirmed by the Senate.

Alloys of Lorain

Lorain, O.—Sport activities in our St. Aloysius Lodge, No. 6, SSCU, have been dormant more or less for the last three years. But, beginning with 1935, we shall embark on a new deal.

For this reason I am calling upon all members, both male and female, who are interested in bowling and softball, to get in touch with me within the next two weeks. Plans for a softball team will be formulated and arrangements made to organize one team, or possibly more, to enter the national SSCU bowling tournament.

My address and telephone number are given below:

Y. A. Boosters

Walsenburg, Colo. — Once more we wish to remind everyone of our dance to be held on Saturday, March 9, at the Walsenburg Pavilion. Dancing will begin at 9 p.m. The Y. A. Boosters again have engaged the services of Tony Just and his orchestra to furnish the music for the evening. It is with great pleasure that we extend an invitation to all SSCU members and their friends of Walsenburg and neighboring vicinity. The dance committee is doing its best to make this dance a big success, and they assure all guests in attendance a grand time, which will long remain in their memories.

Our lodge is eagerly awaiting the speedy recovery of Bro. Frank Kren, who had the misfortune of fracturing his leg while working.

We welcome three new members into our unit. They are: Lena Chiess, Tony Just and Frank Just. We would like to see the newest additions to our lodge present at our next regular monthly meeting to take place on March 17. Come on, members, show us that you have the true SSCU spirit and attend our meetings. The last assembly was very poorly attended. Even the secretary was an absentee. Must be the spring fever.

Mt. Shavano and Colorado Sunshine lodges must be asleep again. Pleasant dreams, but don't sleep too long. Let us hear from you.

While we keep on boosting for a bigger and better Young American Booster, Tony Just and his orchestra, along with the Boosters, will welcome you at the Walsenburg Pavilion on Saturday evening, March 9.

Mary R. Dolenc, Sec'y,
No. 216, SSCU.

Our SSCU

Ely, Minn. — Minnesota is known as the state of 10,000 lakes and with its beautiful forests it is a sight to see, especially during the summer months. We, who reside in this territory, have the privilege of enjoying the sights of nature every day. If conditions will improve we shall be in the seventh heaven. When the temperature goes to 40 below zero we look upon it as mild winter weather, and when it is 10 below we consider it nice weather.

In this beautiful "isle of somewhere" we organized our SSCU. From the year 1898, when it was first started, our Union has grown and expanded, and under the leadership of the SSCU Supreme Board it shall continue to do so. It seems to me that the Supreme Board used excellent judgment when they decided to hold the first SSCU juvenile convention in Ely next August. It is our duty to support the juvenile membership campaign.

Our Union was the first to put into service the system whereby members could borrow on their certificates. It was among the first to accept the 20-year plans, which is of special interest to the younger members. If the member joins

at the age of 16, then by the time he is 36 years old his certificate is paid up for life. In addition, our Union carries sick, operation, indemnity and disability benefits. Among the

fathers and mothers who have children that are eligible for the candidacy of delegates should help them reach their mark. And each juvenile who was in the junior department

in 1934 has the privilege of running for delegate. To those candidates who have the largest number of new juvenile members to their credit shall go the honor of being chosen delegates.

It is suggested that lodges elect campaign committees for the juvenile membership drive. I hope that the foregoing lines will be accepted by the members in the spirit that it is given. Frank Jerich.

FROM THE OFFICE OF SUPREME SECRETARY, SSCU

JUVENILE CONVENTION, SSCU

ATTENTION, LODGE SECRETARIES!

In the minutes of the Supreme Board meeting you have read that the lodges shall send delegates to the first national SSCU juvenile convention based on the enrollment as of Dec. 31, 1934. At the suggestion of some supreme officers, the Supreme Board agreed to alter its original decision to the extent that lodges shall send delegates based on the juvenile enrollment as of April 30, 1935. Therefore, each lodge which on April 30, 1935, has an enrollment of 200 juveniles or more shall be entitled to one delegate; and lodges which on April 30, 1935, have an enrollment of less than 200 members shall be combined by the supreme secretary for the purpose of sending a joint delegate.

On Dec. 31, 1934, we had only two lodges commanding an enrollment of 200 or more juvenile members. We have several lodges who on that date had an enrollment of from 150 to 190 members. This new setup will offer these lodges an opportunity to send their own delegate, if between now and April 30 they take it upon themselves to reach the mark of 200 or more juveniles. Undoubtedly each lodge would rather send its own delegate, and the alteration in the original plan will enhance the possibilities.

The Supreme Board also suspended temporarily those rules governing the juvenile department which require that each application for membership in the juvenile department be presented before the lodge meeting. This was done in order to remove all obstacles that might possibly cross the path of the candidates for delegates. For instance, we have a lodge which meets the first Sunday of the month in June, yet the campaign will continue until June 30. The candidates in all such lodges could not possibly increase the number of new members after the June meeting, since for the month of June the lodges would hold no more meetings. On the other hand, candidates of those lodges which meet on the third or fourth Sunday of the month would in this case have better opportunities to improve their records. In order to eliminate any injustice, the Supreme Board suspended the foregoing rules until June 30, and until then each application for membership in the juvenile department need be presented only to the lodge president and lodge secretary.

All applications for membership in the juvenile department must be forwarded direct to the home office of our Union, and not to the supreme medical examiner.

A FEW WORDS TO THE CANDIDATES

No candidate for delegate need think that someone else has a better chance of being selected for delegate than he. Delegates will not be elected in the manner of elections held for the Union's regular convention, and hence there can be no excuse about this or that candidate having a "pull." Each candidate for the juvenile convention can elect himself or herself for delegate, if he or she will but work and not wait until the running mates get on the job. Each candidate is master of his destiny, and if at the close of the campaign he or she loses out, then it shall be the fault of no one but himself or herself, because each had an equal opportunity. Further, candidates in small settlements need not think that their brothers and sisters in the larger settlements have better opportunities than they. Indeed not. In the larger cities are more lodges, more members, and hence, also more candidates. A candidate in a small mining town in Pennsylvania will have the same chance as the candidate in the large city of Cleveland. I repeat that each candidate has a chance of being delegate, and those shall be chosen that have made firm resolutions to stay on the job between now and June 30. Five new members will not elect every candidate. Therefore I caution our boys and girls not to stop after securing five or even ten new members, because other candidates in the same lodge or group may enroll one more than they, and it would be a pity if the candidate should lose by a margin of one new member.

Each juvenile member who wishes to run as candidate for delegate should inform the lodge secretary immediately. And whenever the lodge secretary forwards an application for membership to the home office, he or she should inform the home office to what candidate shall be credited the new enrollment.

ANTON ZBASNIK, Supreme Secretary, SSCU.

Organize Ladies' Social Club

Joliet, Ill.—On Feb. 15 the young ladies of SS. Peter and Paul Lodge, No. 66, met at the home of our secretary, John L. Jevitz Jr., to organize a ladies' auxiliary of No. 66, SSCU. The name selected for the club is: Ladies of SSCU.

Mrs. Frank E. Vranichar was elected temporary chairman and Miss Elizabeth Jevitz temporary secretary. Serving of refreshments followed the regular order of business.

Our second meeting was held on Feb. 22 at the home of Misses Celia and Elizabeth Jevitz. The forthcoming SSCU Juvenile Convention was the topic discussed at this assembly. Considerable enthusiasm was shown by all the members.

After the business session refreshments were served, followed by entertainment provided by John Donald Jevitz, son of our secretary, who sang songs. Pinochle was played during the balance of the evening. The club will meet on March 7 at the home of Mrs. Frank E. Vranichar.

Purpose of the club is to arouse the ladies' interest in the lodge and create more activity. It does not matter what your likes or dislikes may be, for we are arranging a host of activities bound to please all members. Our first concerted step will be to assist our lodge when it sponsors a card and bunco party on Sunday afternoon and evening, March 10, at the American-Slovene-Croatian Club rooms, 1318 Highland Ave. All members are urged to do their best in making this card party a success. Anyone able to contribute a prize toward the affair should kindly forward same to Mrs. Frank E. Vranichar or the lodge secretary.

We are watching with interest the progress of SSCU young ladies in other localities.

Elizabeth Jevitz, Temporary Secretary.

With the Pathfinders

Gowanda, N. Y.—A special meeting was called on Sunday afternoon, Feb. 24, for the purpose of organizing the 1935 Pathfinder Baseball Club. The enthusiasm of the members that turned out for the meeting fares well for the future of our baseball team. Although it seems rather early to do anything about baseball, the main purpose was to elect a captain and manager to go ahead and formulate plans for the coming seasons. Candidates for manager were Peter Batchen, Charles Sternisha, Thomas Sternisha, Philip Palcic, Joseph Selan, Charles Sternisha and Louis Korbar. Charles Sternisha was elected captain. With Peter Batchen and Charles Sternisha at the helm, we hope to have a promising team. Definite plans were discussed and these will be announced as soon as completed.

We gratefully solicit any suggestions that anyone may wish to offer. The Pathfinders are looking forward to the SSCU baseball championship contests this summer, if any possible arrangements can be made.

Sled Sliding

Amelia Kaluza and Edith Palcic were recently reported as seen sliding down Dugway on a two-foot sled. We could just as well have charged admission. We hope that Louis Kolar will arrange for an SSCU sled sliding championship, or else we will just naturally have to claim the championship for them.

New Members

Be sure to get that new member by the next meeting. We already have two new candidates, but it's up to you to add another.

Joliet No. 66

Joliet, Ill.—Everything is in readiness for SS. Peter and Paul Lodge's first social event of the year, which will be in the form of a card and bunco party, Sunday afternoon, at 2:30, and evening, at 7:30, in the American-Slovene-Croatian Club rooms on Highland Ave. Slovenes and Croats in the neighborhood are planning to attend in large numbers, thus assuring us of a fine reception and welcome into their midst. A cash award of \$2.50 will be given away at the party.

The entire management of the card party has been turned over to the Ladies of SSCU, a recently organized auxiliary to our society. We feel fully confident that they will handle the program to the satisfaction of everyone. The men have pledged to assist the ladies to the fullest extent and help clear the path for the SSCU No. 66 feminine group to go over the top with their initial activity.

In the bulletin recently mailed to all lodges by John Nemanich, secretary of the United Slovene Societies of Joliet, we find the following entertainments scheduled for the remainder of March and April:

March 10: No. 66 card and bunco party. Have you invited your friends or contributed a prize?

March 28: St. Anne, C. O. F., card and bunco party in the Slovenia Hall.

April 11: St. Cecilia, No. 12, DSD, card and bunco party in the Slovenia Hall.

April 22: Slovene Ladies' Union, dancing party in the Slovenia Hall.

April 27: Knights of St. George, No. 3, KSKJ, dancing party in the Slovenia Hall.

Try to attend and patronize these social events, if you possibly can. Committees in charge sacrifice much effort and time and money, in many cases, to help make the event a success, which is as much yours as it is theirs, and mine. In fact, we are all working for a fraternal cause. In case of sickness, death, when assistance is needed, you receive it. I receive it. Some may not take part in a program because it is sponsored by a group of which they are non-members. But remember this, you have friends in that group, and you help them by helping the unit, which is the true meaning of fraternalism; it is also a nice pastime.

Members who wish to pay their assessments at my home are sure to find me waiting for them on the following days of the month: 5, 6, 10, 11, 15, 16, 20, 21, 24, 25 and every Sunday morning until noon. In case of sickness or death members are requested to report promptly regardless of the date.

Some members are under the impression that assessments should be paid by the last day of the month. This is not true. Assessments must be paid by the 25th of each month, the day that the lodge report together with collected assessments are forwarded to the home office.

I ask that members co-operate with me in this matter wherever possible, and such as we have enjoyed in the past.

At the annual meeting of our lodge a resolution was adopted and sent to President Roosevelt, U. S. Senator James Hamilton Lewis; representative in Congress, Chauncy W. Reed, and Congressmen-at-Large Michael L. Iggo and Martin A. Brennan.

For the past few weeks I have written to you. May I have the pleasure of meeting you all at the American-Slovene-Croatian Club rooms Sunday afternoon or evening?

Sport Flashbacks

Springdale, Pa.—You may know him as only the younger brother of the famous brother act of St. Louis, but in his opinion he is Elmer "The Great." No doubt the song "Where's Elmer?" doesn't have to be sung, for he will let you know when he's around.

I've always wondered how the famous brothers came by their pitching talent, but now the mystery is cleared. Elmer confessed to Lon Warneke, star hurler of the Cubs. Both were tossing horsehide to keep their pitching arms in shape when Lon warned Elmer to take it easy and save his arm.

"You can't kid me, Lon," shouted Elmer. "I'm a pitcher like my brother and I never get a sore arm. Look at my screw ball. It's better than yours. I gotta admit Paul is a good pitcher, and Dizzy is darn good, but I'm the fellow that taught them all they know."

Yes, you guessed it. It's just another modest Dean.

Stopwatch—Stop

A stopwatch that goes when it should stop, and stop when it should go was too much for Coach George Keegan of Notre Dame. It raised his normal Irish temperature to boiling point and now he must buy a new watch.

In Saturday's game, Feb. 16, the Ramblers were determined to stop the Blue and Gold's three-game sweep, but were foiled by a watch.

A few minutes after the second half started the watch lived up to its name—it stopped. The rival cagers figured the game was almost over when they discovered they only started—according to the watch. Twelve minutes later coaches, players and the referee wondered if the game was over. They still had four minutes to play—according to the watch. They decided to play the four minutes and Pitt came out the winner—thanks to the watch.

From authoritative sources came the statement that the watch will not spoil another ball game—Coach Keegan has smashed it to smithereens.

Knowing the Ropes

From Omaha, Neb., comes a new hold introduced to the wrestling fans. It is called the "rope hold" and should be popular with all gob wrestlers.

At a recent wrestling bout between "Roudy Rudy" Laditz and Jack Vincent, things went swell until Vincent threw Rudy against the ropes. Rudy's head jammed between the ropes and Vincent immediately applied the rope hold by twisting the ropes around Rudy's neck. The referee's song may have been, "Stop, he is not the horse thief, he is innocent," as he cleared Rudy's head from the ropes, and you can bet your shirt that he had a tough time doing it.

With a much sore neck and weary eyes on the ropes, "Roudy Rudy" and Jack Vincent finished the fight in a draw.

Round About Town

With Little Stan

Ely, Minn.—After three weeks of beautiful spring weather which tended to arouse romantic inspirations of Little Stan, the weatherman chased Dan Cupid away, and sent some chilling blasts from the far north, and practically scared the daylights out of us.

Anyway, things went on, and Little Stan collected a wealth of news for you all. We'll start in basketball first. Coming into the finals of the city league, the Opera House team defeated the Kay Jays, 27 to 16, in the final round, and the Gophers and Arrowheads battled for consolation in the semi-windup in a game which went overtime.

These Gophers and Arrowheads always put up a good fight, and one never knows who will win out. At the league games the Gophers played hard basketball to get in the playoffs, and once in the playoffs lost to the Opera House, 14 to 11, and came back the second night to lick the A's, 19 to 17.

And now, we are all set for the SSCU state championship battles here on Friday and Saturday. A meeting of athletic supervisors was held in Gilbert on Sunday, and after the plans were completed a little entertainment followed. Mrs. Velacich of Gilbert prepared a delicious meal for the guests, after which members of the Gilbert tamburitza orchestra played excellent music. We certainly appreciated the hospitality, and hope that some day we can return the favor.

Jimmie Maddern was with the boys and his clowning, with the aid of stimulants, had its effect. Their sides are still aching from laughter. Frank Velacich, Frank Erchull and that Kobe feller, all helped to make our stay in Gilbert very enjoyable. Met an old friend in Helen Blodrich. On the way back the boys stopped in Tower, and with Jimmie headlining the entertainment stopped at the Vermilion Tavern, Vida's and Skala's tavern.

Little Stan ran into Tony Stefanich at Skala's, and an incident he related is too good to hold back from anyone, so I'll tell it to you. It was this way: John Dragovan, secretary of the St. Barbara Lodge in Sudan was re-elected for his 27th consecutive year at a meeting held last January. Well, Tony Stefanich thought we ought to celebrate the occasion. Getting things set with Joe Gornik, and a couple of other fellows, beer was promoted and the doings all set to take place at the Catholic Men's Club rooms. Then the time for making speeches came. Tony got up and related Dragovan's history, telling the folks when he came to Sudan, where he was employed and even telling how many children he had, and how old they were. After the speech, which was greeted with much applause, Dragovan called Tony aside and asked him where he received such accurate figures. Oh, Tony says, a little here and a little there, speaking to different friends and close relatives. Anyway, folks, a 27-year record like that is one that is hard to compare. More power to you, John, and Little Stan will drop in and see you sometime.

You know, Little Stan is going backwards. All this happened on Sunday, and we'll have to come back to Saturday to take in the annual Arrowhead get-together party. Let's sneak the mike upstairs at the National Home, as I understand a broadcast will take place.

Achievements in Medicine

By Dr. F. J. Arch, Supreme Medical Examiner, SSCU

If you are listening to the worth can be established, greatest two recent medical achievements have been the perfection of insulin for treatment of diabetes and the discovery of liver in pernicious anemia, for these have been under control two diseases which formerly were unable. Moreover, both of these achievements were accomplished on this side of the Atlantic.

"Whittlin'" Staged at Lorain March

Lorain, O.—The young vene generation of Lorain will present their first English play, "Whittlin'," sponsored by the Vesna Club, Wednesday evening, March 13, at 8 o'clock.

The committee on arrangements would like to have co-operation throughout play by being very quiet so every word can be heard without difficulty. Kindly keep youngsters as quiet as possible.

The play, "Whittlin'" comedy drama which is silent to understand.

In a small town lived a man, Mrs. Martha Wilson, her daughter Ruth, who her only help and protection. Dr. Adam Good was a good hearted village doctor who always helped everyone never got paid for it. In spare time he would play for poor children.

In the latter half of the 19th century scientific medicine made great strides. Systematic post-mortem examinations were made and the findings correlated with the symptoms. It became apparent for the first time that there were many specific and distinct disease leaving characteristic and sharply defined marks upon the sufferer. Through careful analysis it became possible to diagnose the disease from the symptoms of the sick person, or tell what the disease had been by the marks left on the bodily organs after death. The microscope became much more efficient and the study of bacteria in relation to disease became a great new science. Under the leadership of Pasteur, a large group of bacterial diseases were separated out from the mass of human ailments. Their specific natures were determined, their similarity to the fermentation of fruit juices into wines and vinegar established, and the so-called biological methods of combating them begun. As the earlier facts were added step by step, they were spoken of, and justly so, as discoveries. Today, real discoveries are not so easily made. Every new fact is relative and dependent on previous knowledge.

Each year more than fifty thousand articles are added to medical literature, almost every one of which has either positive or negative value. Most of the articles add a point or two, and these points should not be called medical discoveries, for they are simply contributions. Before a researcher attacks a problem today he must determine from the literature what already has been done. He must then plan and work within the limits of his opportunity, and in the end weigh his findings in the light of the results of others. If a scientist accomplishes a discovery under these conditions, he is entitled to have it called a real achievement, rather than a discovery.

Between the acts and entertainment will be furnished by our home talent. Come on, everyone in and out of town, and yourselves by seeing the following characters in "Whittlin'" perform: Frank Andrew, Victor Balant, Edward Bevec, Angela Kotnik, Margaret Kumse, Anne Jacqueline, Vincent Udovic and John Viator.

Martha Kumse, Pub.

NER(T)S!

The doctor was questioned the new nurse about her patient. "Have you kept a record of his progress?"

The nurse blushingly replied, "No, but I can show my diary."

DOPISI

Ely, Minn.

V zapisniku letnega zborovanja glavnega odbora JSKJ smo brali, da je glavni odbor napravil nekakšno novo kampanjo načrt za pridobivanje novih članov v mladinski oddelku. Vsi smo tudi čitali, da denar mladinskega oddelka se po postavi se porabiti za nikake izdatke ali stroške odraščega oddelka. Kljub temu se sliši tu in tam kakšna opazka, češ, da bi bilo boljše, če bi se tisti denar porabili za stare in bedne člane. Od druge strani pa se in tam sliši opazka, da bi bilo boljše, da bi se opustil asesment mladinskega oddelka za par mesecev.

Zadnje imenovanje bi se lahko napravilo, ker to bi ne bilo proti državnim zakonom, ampak, če resno preudarimo, se bo načrt mladinske konvencije, zasnovan po glavnem odboru, izkazal za Jednoto in njen napredek mnogo bolj koristen, kar pa, če bi bilo opuščenih par asesmentov. Res, da se staršem, ki imajo po več otrok v mladinskem oddelku, nekoliko olajša breme, kadar je opuščen asesment v mladinskem oddelku. Toda mladina se za to niti male ne zmeni. Mladina v največ slučajih niti ne ve, da je bil tak asesment suspendiran. Recimo pa, da bi se dotični denar obrnil za "candy" ali kaj sličnega, bilo bi največje veselje za otroke, pa bi na vsa usta hvalili tisto društvo in tisto Jednoto, kako "fajn" je. Mladina ima pač svoje veselje in svoje razumevanje. Na svoj način pa nam lahko napravi veliko reklame za organizacijo, če jo bomo znali zainteresirati. In to se bo zgodilo v tej kampanji. Mladina se bo začela zanimati za nočno jednoto in spustila se bo v tekmo, upajoč dobiti delegatstvo in plačati počitniški izlet v Minnesota. To ni mala reč in zaradi tega bo med mladino mnogo govorjenja. Na vsak način smo lahko prepričani, da denar, porabljen za mladinsko konvencijo, bo dobro in pametno porabljen. Pridobil bo tisoče novih članov mladinskega oddelka in vzbudil bo zanimanje za J. S. K. Jednoto med našo mladino.

Pomisli moramo, da je od naše strani treba nekoliko žrtvovati in dati nekaj priležnosti naši mladini, da se bo načila ceniti našo Jednoto in da bo ostala včlanjena v slovenskih organizacijah tudi, ko bo odstranljivo. Preprečiti moramo, da ne bo nad vse hvaila tujih zavarovalnih družb, kar se že dandasen dogaja. Prijetijo se tudi slučaj, da naši ljudje in celo člani JSKJ vpisujejo svoje otroke v "insurance," rajši kakor pa v mladinski oddelki slovenske organizacije. Res ni posebno veliko takih, toda tudi tisti posamezni bi morali imeti toliko zavednosti, da bi prej dali svojega otroka v slovensko društvo, kar pa v tujo zavarovalnico, ker to bi bilo njim samim v korist. Ne mislim s tem nikogar osebno kritizirati, pač pa mi je g. Terbovec posodil, ne da bi pozabil primakniti tudi nekaj za obresti, ker sem pošten človek.

Saj ne bi odgovarjal, bogove da ne, pa me je preveč zglobila pripomba g. urednika, češ, če bo potreba, bo še kaj poiskal iz zgodovine.

To je pa kot nalašč, g. urednik! V zgodovini sem imel jaz vedno odlično v spričevalu in se počutim na tem polju kar hočemo to doseči, moramo najprej vprašati svojega sina ali hčer, če je pri volji se nekoliko potruditi in če ima veselje pridobiti kakšnega novega člena za mladinski oddelek. Potem bomo pa seveda morali tudi imi odrasli malo pomagati kandidatom. Vsak, ki hoče priti v poslov za kandidata, mora pridobiti najmanj pet novih članov v mladinski oddelek. Seveda, čim več jih dob, tem več prilika, da bo imel, da bo postal delegat ali delegatinja.

V slučaju, da kateri česa ne

izzume, naj se oglasti pri tajniku, ki mu bo drage volje raztomačil, kolikor je v njegovi moči. Se boljše pa je, da pride na redno društveno sejo, ki se vrši drugo nedeljo v mesecu in se prične ob 4. uri popoldne. Najše omenim, da Jednota plačuje tudi zdravniško preiskavo za učne člane in povrhu plača še 50 centov nagrade tistem, ki pridobi novega člena za mladinski oddelek.

Na prihodnji seji bomo imeli nekoliko razmotrivanja o tej kampanji, torej so člani vabljeni, da se v obilnem številu udeležijo prihodnje seje, ki se bo vršila v nedeljo 10. marca. Bratski pozdrav in na svodenje! — Za društvo sv. Sreca Jezusa, št. 2 JSKJ:

Louis Perushek, tajnik.

Cleveland, O.

Ker je tudi mene obsenčila nemilost g. Terbovec, urednika našega glasila, ne sicer kot člana (dasi je član član, pa naj bo zjutraj, opoldne in zvečer, dokler ima plačan asesment), pač pa kot urednika A. D., bom tudi jaz zlomil par kopij na mejanu te zafrkljive polemike o bankah, posojilnicah in drugem osatu.

Da so bila tista "vprašanja in odgovori" v A. D., je kriv g. Terbovec sam. Dobro vemo, kako je skoro v vsaki številki Nove Dobe v svoji kolonji "Vsak po svoje" špikal in pikal banko in to vedno le gotovo banko, dobro vedoč in hoteč, da udari A. D. in njene urednike. Saj nismo kaki Janezki, da ne bi videli in vedeli kam pes tako lepe, udobne in dobro nosete službe, ki je, lahko rečem, najlepša služba, kar jih ima kak naš rojak v tej deželi. To je tudi zgodovina.

Ko smo ustanavljali glasilo za JSKJ, smo imeli člani v mislih, da mora biti glasilo takoj, ki bo služilo koristim članstva in jednote in ki ne bo napadal, ščipalo, zafrkaval in žalilo svojega članstva. In reči moram, da je lahko prišel do takoj lepe, udobne in dobro nosete službe, ki je, lahko rečem, najlepša služba, kar jih ima kak naš rojak v tej deželi. To je tudi zgodovina.

Tako, zdaj sva se menda ponovila in povedala vsak svoje in — vsal po svoje. Jaz sem povedal, kar sem mislil in s tem se debata zaključi, razen če bo treba pisat še kaj zgodovine in to se bo zgodilo pa le na prijazno vabilo od strani g. urednika Nove Dobe.

James Debevec, član dr. št. 37 JSKJ.

Enakopravnost je prinesla (ne vem, ali z vašim dovoljenjem ali brez) tisti vaš odgovor na A. D. z tako "bratskim" naslovnikom: "Krepka zausnica za bankirsko gospodo pri A. D. od strani urednika Nove Dobe."

Nič se ne čudim, če delite zašniece; tega ste se menda naučili v Chicagu. Ampak to vam povem, da meni jih boste prav malo delili. Saj so menda se inštance pri jednoti v veljavni, ali ne?

Tudi ta moj dopis lahko priobčete v Enakopravnosti, če vas je volja. Mene ne bo prav nič bolelo.

KOMENTAR UREDNIKA. — Kot urednik Nove Dobe sem v gornjem dopisu predstavljen članstvu JSKJ za zelo grešnega kozla, torej upam, da mi članstvo ne bo zamerilo, če na to tudi od svoje strani nekaj bleknem v obrambo in pojasmilo.

V prvi vrsti naj bo sobratu Jamesu Debevcu povedano, da "škarji slavne cenzure" pri Novi Dobi nimamo. To velja v čnaki meri za dolgoletne člane in tiste, ki so šele pristopili. Pri nobeni organizaciji niso včlanici naenkrat pristopili, ker rast organizacije je odvisna od tega, da pristopajo novi člani mesec za mesecem, leto za leton.

Prava čista resnica je, da sem si v koloni "Vsak po svoje," katere pač nihče ne smatra za kakšen uredniški članek, ampak za kolono, ki skuša služiti razvedrilu, včasi privoščil zafurane banke in nesposobne, lahkomiselne in nepoštenne bankirje, ter se za to prav nič ne kesam. Tisti, ki so na zmrznjenih bankah izgubili več, kakor jih sem izgubil jaz, bi si jih še bolj privoščili, če bi imeli priliko.

Poudarim pa naj, da nikdar nisem po imenu navajal niti bankirjev, niti bank. Saj vendar nimamo bank samo v Clevelandu in saj ni zmrznila same tista banka, pri kateri je bil Mr. Debevec direktor do zmrzline. Naši rojaki in člani JSKJ bivajo širom vseh Združenih držav in tudi članov J. S. K. J. je v raznih krajin več, kakor v Clevelandu. Vse banke niso zmrznile niti v Clevelandu, niti v Ohio, niti v Združenih državah. Nekatere so bile solidne do bančnega praznika in so bile solidne potem. Nekaj pa jih je v raznih krajih propadlo in zmrznilo in v teh so naši člani izgubili mnogo prihankov. Ali misli Mr. Debevec, da vsed tega, ker je bil on direktor neke banke, kjer imajo naši člani in društva precej zmrznjenega denarja, se mora o vseh propadlih ali zmrznih bankah molčati! Ljudje, katerim je denar zmrznil, naj imajo pravico samo tisti, ki se pomeravat se ne bira smel nihče!

Pa zakaj se ravno Mr. Debevec pričuti tako prizadetega. Ali prikazuje Adamich v svoji knjigi, pa pride Nova Doba in pi-

še čisto nekaj drugega o Adamichu. Končno sem otrokom banku na kdaj imel tako lepo službo pri JSKJ.

In tudi tega se še dobro spominjam iz zgodovine naše jednote, da sem pomagal sedanjemu gl. tajniku Tonetu Zbašniku, ki je potil krvavi pot, da je zmagal na lorainski konvenciji za samostojno glasilo. Takrat sem mu stal na strani z raznimi številkami in drugimi informacijami glede eventualnega glasila, kolikor je sobrat Zbašnik pač potreboval. Mimogrede povedano, se imamo zahvaliti samo sobratu Zbašniku, da ima JSKJ danes svoje lastno glasilo.

Ta pribijem, pa če je komu to

terbovcu še sanjalo ni, da bo on kdaj imel tako lepo službo pri JSKJ.

Rekli ste, g. Terbovec, da ste vedno pripravljeni odgovarjati in da ne boste nobene požrli. Prav imate in jaz sem prav take sorte človek. Trdo delam za svoj kruh in za kruh svoji družini, pa si ne bom pustil ne od g. Terbovca in ne od kakega Caheja metati kamenje v hrbot.

Sprejet sem bil v društvo J. S. K. J. v San Franciscu brez vsakih zaprek in neprilik in ni bilo treba zato pravil izpreminjati, kakor bi rad Mr. Debevec v svojem dopisu zavito sugestiral. Res pa je, da ko sem se prijavil za službo urednika-uravničnika Nove Dobe, nisem bil še toliko časa član JSKJ, kot so predpisovala pravila. Takrat pa je bil Mr. Debevec direktor do zmrzline. Naši rojaki in člani JSKJ bivajo širom vseh Združenih držav in tudi članov J. S. K. J. je v raznih krajin več, kakor v Clevelandu. Ali se to pravi pisati za mir in slog med članstvom? Ali se tako vrača članom, ki so že leta in leta člani jednote? Pravim, da to ni prav, ni pošteno in ne bratko.

Ce si drugi ne, si jaz, kot dolgoletni član, absolutno prepovedujem tako pisanje. Izmed moje sedemčlanske družine, nas je šest članov JSKJ. Kot tak ne bom dopustil, da bi hodil v hišo list, ki hoče učiti moje otroke nekaj, kar nasprotuje očetovim naukom. Jaz sem ramrečen pet novih članov za mladinski oddelok.
