

## Newburške novice

### Včasih nekateri vesti zaostajajo

Tako na primer je zadnjič ostalo neomenjeno, da sta se poročila dva naša para. Če klovek pomisli, koliko priprave je treba za take reči, kolike zavestnosti je že samo nevestina oblikovala in kako ženin skrbi, da bil ja prav ostrižen in občutil vso to pomislimo, potem je takoj neodpustljiv greh potrošil o poroki zapovstati. Pa pol mesecev opustil tega iz hudobije, morda nalašč. Druge vesti tako zamotale, da sem poroke kar pozabil. Torej vse pred oltar Joseph Škerl na Anton Škrlovo družino iz cerkevne neveste pa je hčerka Jelena Papeževne družine iz Corlett. Prav dobro južno so pripravile kuharice in vsi so dobro imeli, dokler ni prišlo do časa, da se razidejo vsak na svoj dom želeč novoporočence. Zbrala se je hiša polna gostov, da jima čestitajo v primerno poslavijo njih pomembni dan. V imenu fare jima je čestital Father Slapšak, v imenu sosedov pa France s hriba. Vsem tem se pridružimo tudi mi in jima želimo še mnogo veselih v srečnih let skupnega življenja. Ko pa enkat pride Peter iskat Pavla, takrat pa naj sv. Peter odpre na vse stežaj nebeske vrata. Vsak dobr oče si zaslubi nebesa in vsaka mati istotako, ako vzgojita svoje otroke za dobre državljanje in dobre kristjane. Ad multos canos sanos annos! Bog jih živi.

Kdor hoče brati . . .

Slavna opera družba iz New Yorka, Metropolitan Opera Co. bo gostovala v Clevelandu od 27. marca do 1. aprila. Vzorilo se je na osm oper, v katerih bodo nastopili najslavnajši pevci, katerih zadnje čase nismo slišali v Clevelandu.

Sledče opere se bodo predstavile: v pondeljek 27. marca zvezda Otel, v italijanščini; v torek 28. marca zvečer Louise v francoski; v sredo večer 29. marca zvečer Thais v francoski; v petek popoldne 30. marca zvečer Manon v francoščini, Lohengrin v nemščini; v soboto 1. aprila Tosca v italijanščini, zvečer Lucia di

Ta naj se naroči na knjige družbe sv. Mohorja. Do 20. marca bomo pobirali za te knjige in želimo, da se jih prav veliko naroči. Mi pri tem nismo ničesar drugega (pobramo samo dollar) kot zavest, da smo priporočali dobro čtivo v današnjih dneh, ko je toliko slabega čtiva tudi v slovenskem tiskanega. Med tem ko delajo nasprotniki vere in sovražniki Boga in Njegove Cerkve z mrzlično vnemo in ne prestane gonje za razširjanje njih brezverstva, moramo tudi mi delati za božje kraljestvo in izobrazbo ljudi z vsemi močmi. Kar je telesu dobra, tečna in zdrava hrana, to je našemu razumu dobro čtivo, ki človeka izobrazuje in k dobermu, poštenemu in miroljubnemu živiljenju nagneva. Povej mi kaj bereš in povedal ti bom kakšen si, je prav tako resnično kot: povej mi s kom se družiš in povedal ti bom kdo si.

### Spominek bo odkrit

Pevsko društvo Zvon je zdaj za lepo idejo, da se napravi tudi Andreju Žagarju spominska plošča v Slovenskem narodnem domu na 80. cesti, kjer je pokojni toliko let delal v korist Doma in družbe tega Doma. V nedeljo 12. marca ob 8. zvečer se vrši primeren program in odkritje te spominske plošče. Vsi smo vabljeni.

### Župnik iz cvetočega vrta prihaja

Številno naših faranov, ki so videli igro s zgorajnjim naslovom na svetovidskem odru, pa tudi drugi, ki niso bili tako srečni, da bi bili mogli prisostvovati tej krásni drami, se bodo razveselili vesti, da pride igra v naš Dom na 80. cesti in sicer v nedeljo večer 19. marca. Ta igra je ena najlepših slovenskih iger in kdor je viden s kakšno popolno izrazitostjo svojih vlog so igralci šli skozi to predstavo, nam bo pritrdir, če rečemo, da kaj takega med slovenskimi igralci še ni videl. Pripravite se za 19. marca. Igrali bodo v korist naše nove cerkve.

### Frank Barbič in Free Press

Neki Frank Barbič, ki je že leta sramotil vero, cerkev in Boga s svojim nesmiselnim pišarenjem v protiverskih listih, se sedaj pere in jezi na Zvezdu društva sv. Imena ter pravi, da ga hoče pripraviti ob delo. Ni tako, Mr. Barbič! Te ne sreče Vam prav nič ne želimo, pač pa zahtevamo, da prenehate zvite pisariti in podtikati in natolcevati veri in Cerkvi neresnične in nečastne reči. Vi se sklicujete na "Free Press" in na Vaše državljanstvo. Kar se tiče Vašega državljanstva, bi bili Vi veliko bolj sposobni za rusko-komunistično državljanstvo, kakor pa za ameriško, kjer imamo tudi katoličani zajamčeno prostost prepričanja, ne samo Vi in Vam enaki elementi. Kar se pa tiče "Free Press" pa "free" samo to, kar je istine in poštano. Po Vašem bi bilo "free" tudi hoditi po glavah drugih, prav tako kakor delajo v Rusiji Vasi pristaši. Pišite dostojno in resnico brez prisomnjenega natolcevanja in podtikanja, pa bo vse dobro, četudi ne pišete v krščanskem duhu. Saj vemo, da Vam kaj takega ni mogoče. Ne bo pa pustila Zveza Najsvetjejšega Imena, da boste Vi, ali pa kdo drugi, sramotili naše prepričanje. Samo bodite pametni če je Vám mogoče — pa bo mirna Bosna!

### Fond za novo cerkev

Ta eden smo dobili za ta fond \$258.53 darovanega in \$1,200.00 posojenega. To je lep napredok za en tened. Vse tako zgleda, da bomo šli to popladi naprej s zidanjem. Sedaj je vse ležeče le na tem, koliko ljudi bo priskočilo temu podvzetju v bližnji bodočnosti. Prihodnji tened bodo

šli nabiralci in nabiralke med farane, da poizvedo, ali imamo 500 faranov, kateri bi bili pravljenci sodelovati vsaj po en dolar na mesec poleg sedanjih prispevkov. Jaz sem govor, da jih imamo več kot 500 takih in da bomo torej čim preje začeli z načrti in kakor hitro so ti gotovi, pridejo proračuni od raznih kontraktorjev, potem pa, hajd kvišku cerkev in stolp. Nič ni s čakanjem. SEDAJ ALI NIKOLI!

To naj bo naše geslo. Nekateri se še bojijo. Nič bat! Če res pride do tega, da bi na noben način ne šlo naprej, bomo še vedno lahko prenehali, da imamo le stavbo pod streho. Zdi se mi pa, da prihajajo boljši časi, četudi ne morda kaka utopija. Le ne dajte se begati. Dolar je dolar pa naj ga prinese Peter ali Pavel, ženska ali moški. V nedeljo ob 11. je sej za celotni cerkveni odbor. Popoldne ob 3. pa za vse nabiralec in nabiralke, kateri naj se udeleži tudi glavne cerkveni odbor.

### Spomenik pok. Andreju Žagarju

Newburška naselbina se spominja svojega, nad vse dragega prijatelja pokojnega Andreja Žagarja. Živo ga ima v svojem spominu vsak. Kako tudi ne! Saj je bil prijatelj vsakemu, prijazen, dober je bil. Njegova vesela narava in prijaznost se je vsakemu prikupila. To mi bo potrdil vsak. Kolikokrat smo slišali od rojakov pripombe: "Dolga čas je, delam malo, pa ne vem, kam bi šel." In vselej je bil odgovor: "V našem dom grem, bo Andreje kaj povedal." In tako je tudi bilo. Prihajni in gostoljubni Andreje je bila tista vabljiva oseba, da smo šli vsi radi v našem dom na 80. cesto.

Zato se ga vsi živo spominjam. Spomin na dobrega prijatelja ostane za vedno v spominu. Zato se je zavzelo društvo Zvon, čigar ustavnitelj je bil pokojni Andrej Žagar, več let njega predsednik in nazadnje dolgoletni tajnik, da se nepozabnemu Andreju postavi spomenik, lepo sliko ali bronasto ploščo, ki bo visela na steni v veliki dvorani SND. To bo dokaz, da je bil pokojni rodom. Zanimal se je tudi za dramatiko, samo smo ga večkrat viden na odru. Pred vsem pa je bil odličen pevec-basist pri pevskem zboru Zvona.

Njemu gre torej priznanje, da se je ustanovilo pevsko in izobraževalno društvo v newburški naselbini. Kmalu po prihodu iz starega kraja, je mladi Andrej organiziral fante v zbor in potem tudi dekleta. Tako se je gojila naša lepa pesem in govorica na tujih tleh pod njegovim vodstvom. Ta zbor bo letos obhajal 25 letnico obstanka in našemu prvemu boritelju za narodni podvig gre vse priznanje.

Pokojni Andrej Žagar je bil tudi več let oskrbnik SND in pod njegovim vodstvom je podjetje lepo napredovalo. Zato je direktor sklenil, da gre v tem oziru z vsemi močmi na roko. Bronasta plošča, slika in drugo stane veliko. Zato priredi naše društvo Zvon v nedeljo 12. marca koncert. Sodelovalo bo tudi pevsko društvo Slovenija pod vodstvom g. Ivana Zormanja. Tem potom se vabi vse prijatelje pokojnega Andreja Žagarja, ob bližu in daleč. Pridite na koncert, da tako pomagate svojemu prijatelju, da se mu postavi častni spomin. Videli boste, kako se bo slika odkrila. Mlada dekleta bodo deklamirala. Slišali boste govorje od naših najbolj zmožnih govornikov.

Vse to se bo vršilo v nedeljo 12. marca zvečer ob 7:30. Če se postavi spomenike padlim vojakom, ki se boriči za domovino, za kralje in diktatorje, je naša dolžnost, da postavimo sinu svojega naroda časten spomin, saj je vse svoje življenje delal za kul-

turo in izobrazbo svojega naroda.

Čast Tebi, nepozabni sin slovenske matere in slovenskega naroda, iz katerega si izsel in za katerega si vedno deloval. V nedeljo 12. marca bo slavnostni dan, častni koncert v počast Andreju Žagarju. Prijatelji, pridevite vsi!

## Prebivalstvo sveta se stalno množi

Washington, 3. marca. Dvignju modernega znanstva in tehnologije je pripisovati dejstvo, da se prebivalstvo sveta nepriskrivljeno in hitre množi kot bi se moglo preskrbiti za vse potrebe naraščajočega prebivalstva. Se v letu 1620 je svetovno prebivalstvo štelo komaj 500,000,000 ljudi, dočim jih je bilo v letu 1930 že nad dve milijardi. V gotovih državah se prebivalstvo letno pomnoži za dva odstotka. Ako se to naraščanje prebivalstva ne bo ustavilo, pravi prof. Raymond Pearl, ki poučuje na John Hopkins univerzi, je pričakovati splošne lakote ali pa silovitih vojsk, kajti za vse ljudi ne bo prostora na svetu.

**HOLY NAMERS NOTICE**

Reminding you that our monthly meeting is to be held next Tuesday, March 7th. We are asking all of you members to make a great effort to attend this meeting. Look around your neighborhood and see if you can bring some member back who has fallen away from the society. If any fellow wishes to become a member of the society come down to the Holy Name Room in the school next Tuesday and we will be proud to take care of you.

This month we have arranged a pinchle tournament for you members. Paul DeLost is in charge of this and he will announce the prizes at the meeting.

Joe Gornik, one of the board members, is going to arrange to have a speaker for Tuesday.

Announcing that Hank Malensek our vice president, is going to be the Chairman for the March meeting. Let's all make a good showing for the meeting by coming down Tuesday.

**ST. VITUS CONTINUES STREAK**

The winning streak of our CYO Seniors was stretched to 14 games as they emerged victorious in two crucial games.

What was supposed to have been the closest game of the year turned to be nothing but a good workout as the Seniors overwhelmed the strong team of Our Lady of Perpetual Help. The score was 35 to 15. Pebil and Konchan were the scoring aces. They scored 13 and 10 points respectively. Melle and Intihar also assisted in the scoring while Sire and A. Kopore played well defensively.

In the other game our team outscored the powerful St. Joseph's team from Collinwood. This was a heated battle, the teams going full speed all the way, the final score being 27 to 21. Pebil and Al Kopore were the top scorers, with "Plinky" leading with 11 markers. Konchan, Melle and Intihar played great defensive ball.

N. B.—The schedule for the following week has not as yet been drawn up but as soon as the schedule comes out the players will be notified.

**SPRING FROLIC**

The young clubs of St. Vitus parish are sponsoring a Spring Frolic on Thursday, April 20 in the school hall. The Orels, Sodality, Holy Name and Dramatic Clubs have combined for this one big affair. Admission will be by invitation only. You can procure your invitation from the officers of all the above clubs; they cost only 25¢. Lou Trebar will furnish the melodies.

**MILLIONAIRE FOR A DAY**

Have you done anything about becoming a millionaire for a day yet? You doubtless have already entered the contest. Don't forget to keep up the good work and help us make a tidy sum for St. Vitus Church.

**NOCTURNAL ADORATION SOCIETY**

St. Vitus parish which is part of Group 6 of the Nocturnal Adoration Society will have its hour tonight between 11:00 and 12:00 P. M. The group meets in the Guild Room of St. Paul's Shrine, E. 40th and Euclid at 10:45 P. M.

**FRIDAY PARTIES**

Every Friday evening after devotions in church a good crowd gathers in the church basement. We have missed you and you and you. Why not come down this Friday?

**OPEN HOUSE**

Watch for announcements of an Open House meeting of the Holy Name Society soon. A former Notre Dame football star will be asked to appear at this meeting.

**SODALITY NOTES****LENTEN SPIRITUAL BOUQUET**

Lenten spiritual reflection go hand in hand, according to Our Lady's Committee which suggests a spiritual bouquet to be made voluntarily by each Sodalist during the Lenten period. The bouquets consists of Masses, Communions, rosaries, Stations of the Cross, aspirations, litanies and Blessed Sacrament visits. Each girl sets her own quota. These prayers will be collaborated, and at the expiration of Lent, the enormous spiritual bouquet will be placed on our Lady's altar.

Don't you think this is a good idea? Why don't you try it, too? For aren't our prayers and God's mercies like two buckets in a well—when the one goes down, the other comes up?

**ATTENTION SODALISTS!**

Tomorrow morning all Sodalists will attend the 7 o'clock Mass and receive Holy Communion in a group. Please wait in the church lobby before Mass. Special intention is for our fathers with St. Joseph, the saint-of-the-month.

**GENERAL MEETING YESTERDAY**

Last evening a general meeting was held at which standing committees submitted full reports of their progress. A more detailed report will be published next Saturday.

**JUNIOR JOURNAL****ATTENTION, YOU JUNIORS**

Every member of the Jrs. H. N. who was in the last Minstrel show or had anything to do with it must come to the rehearsal this coming Wednesday evening because March 17th the Jrs. will travel over to Holy Redeemer Parish and put on the show there.

**JUNIORS LOSE TO ST. JOES 20-18**

Juniors ended the season with a loss to St. Joseph in a thrilling overtime battle. The boys led all the way until a sudden uprising by the boys from St. Joseph's in the last period which tied up the game. The score was 20 to 18. Johnny Kromar was the team high scorer, as usual, with 6 points. He has scored 65 points over the complete season to run away with the individual scoring race. Joe Kos, who has greatly improved, again showed a tremendous amount of fight. Kos and Murgel scored 4 points. The Juniors ended up in third place in the CYO Junior League a half game behind St. Paul's.

**CHALLENGE**

Junior Ping Pong Champion Ed Modic challenges Senior Champion Ed Zak. What say, Zak?

**The Younger Set at St. Christine's****LENTEN DEVOTIONS**

Ge, we just can't let this chance go by without saying something nice about the very fine attendance at these devotions last Tuesday night and on Ash Wednesday, when not only the younger generation but the large English group of the parish turned out in such commendable numbers. I am still pinching myself to make sure that it wasn't just a dream of mine. Please, don't wake me up too rudely by a sudden letdown in this matter of your splendid attendance. Somehow, I dare hope you'll keep it up; maybe you'll even bring along some friends next Tuesday and every week during this penitential season. I cannot describe adequately how wonderful it feels to know that, finally, there are in evidence convincing signs of real practical religious spirit among many members of our parish. You just wait and see, how you'll be able to notice showers of God's blessings in your lives for doing things for your soul and for the good Lord, Who did so much for us.

Now that we've somewhat caught up with long neglected news in other fields we can return to some news about our little ones. Oh, yes, they are still here with us as much as ever, and as lively as ever.

They've all had quite a bit of excitement recently. Some began to guess and hope secretly for unexpected off-days. Their expectations were soon in a mess through rearrangement of the teaching staff and through the arrival of temporary help. Which seems to have caused some confusion as evidenced by mix-ups in the lineups where third-graders insisted on marching with the Junior High pupils because their regular teacher was shifted. Frankie Vidmar actually decided to have an operation as long as he could't have his own teacher. Joan Rammel said she didn't think she was in the third grade any longer because the regular fourth grade teacher was teaching her. Jackie Fosch refused to be confused any longer after the first day and simply stayed in bed thereafter. And Rita Kolovich told her sister Claire, a fifth grader, that she'll jump from the third to the eighth grade because her teacher was there now. Myron Mlachak was the only one in that room to remain calm and deliberate, claiming he likes the school well enough to take his time getting through the grades no matter what the teachers were to be.

**OUR ALUMNI**  
We didn't have the space the other day to mention more of these, who are spreading the name of St. Christine's by their achievements. There is, for instance, Dannie Novak, whose brilliance is adding luster to the halls of Cathedral Latin, where of years we used to drill heads from all over town in Latin and Greek conjugations and declensions. Ah, them were the days! . . . And, have you heard that Evelyn Mlachak is becoming quite a naturalist at Shore? You haven't? Well, she's already an assistant lecturer on snakes—of all things! She's so good at that subject that her instructor suggested she can talk about them so delicately and gently that little children could fall asleep during her lectures as easily as Tony Gole did during her dissertation in class. . . . Jane Kovacic, Fox, Anne Kocman, Nettie Markun, Albert Phillips and George Kaliope are slowly, but surely, nearing the end of their careers as seniors at Shore. Which will make it eight completing a high school course out of a class of 20. Not so bad, eh? . . . Wonder if the Grads of '36 know that their classmate Lucinka Teraskan has been confined to her bed for months and months! Suppose YOU were in her place! Wouldn't YOU appreciate an occasional visit from your old friends and playmates? Some of the rest of you Alumni could also drop in on her up on 209 St. Try it once and see for yourself how good it will make her feel. And . . . you'll feel good about it yourself. Oooh, yeessss! Did you notice it as we did? Gosh, but it feels good to see Mary Smrtnik, '34, around the old places a little more often recently. Honestly, Mary, we're glad to see you! How about dropping in on one of our Alumni meetings one of these months? . . . The last meeting was somewhat shortened for various reasons. Somehow we keep wondering if it wouldn't be better to have these meetings of ours some other evening. So many go to school and claim they have so much home work! But, there are apparently too few evenings in an ordinary week. What can we do?

**JOE AND RUDY**

There are certain meetings at which Jake "Casanova" Novak displays quite an appetite but quickly goes on a diet when on visits to his

**VARIETIES—THE SPICE OF LIFE**  
By JOE AND RUDY  
After Stations in Slovenian, we'll try to follow example of neighboring parishes from now on and encourage sociable gatherings and little parties every week. YOU come around next week, Friday, and see for yourself how things are turning out. A visit may prove to be to your great advantage especially in these days when you're beginning to wonder just how you're going to get an Easter outfit or a Spring suit. Come around; you never can tell!

**FRIDAY NIGHTS**

After Stations in Slovenian, we'll try to follow example of neighboring parishes from now on and encourage sociable gatherings and little parties every week. YOU come around next week, Friday, and see for yourself how things are turning out. A visit may prove to be to your great advantage especially in these days when you're beginning to wonder just how you're going to get an Easter outfit or a Spring suit. Come around; you never can tell!

**BASKETBALL BY WEAZER**

Beginning of Lent curtailed the usual weekly program on our hardwood courts. But even so, our Seniors managed to absorb a couple defeats, giving no tangible signs of snapping out of their recent slump. We're beginning to realize just how Vitt must feel when his Indians hit the toboggan and when no amount of master-minding seems to help. The two games we lost were to St. Jerome's and St. Francis' teams.

On Thursday the Jerry's took away

"flame's" home. Could the reason be that her "paw" is observing things too closely, Jake?

Al Phillips wanted to know the other day what he could use as a remedy for insomnia. Why not try a daily walk past Lucille Urantka's house and insure some pleasant dreams. It might work!

This will be a scoop on Weazer! "Chardon Cowboy" Bozeglav occasionally gets lost in Collinwood! Buy a better magnifying glass. Weazer; you are missing a lot of clues in this case. Perhaps you better get a stethoscope to count Tony's heart-throbs. If you miss any, give us credit for telling you where to look for at least one of them!

Rudy Bradac used to appear to us as being a very lonely man; sometimes we ascribed it to an inferiority complex until we found out that he just does on radio serials like Orphan Annie, Jane Arden and Dick Tracy. Come on, "Roots," get wise to yourself and note the long pants you've been wearing for these many years!

Did you notice the flashes of Nor-

bert Daluga's new white scarf? We wondered where and how he got it until we noticed that Dot Swita's blouse was made of what looks like pretty much the same material.

Candid camera study of Clarence Rupai in an unguarded moment shows him tired and discouraged with his hands over his red and burning eyes. What's the trouble, Clarence? It can't be overwork causes so many sleepless nights!

These inseparable neighbors, Mary Jane, Josephine and Genevieve Bradac are all adithe these days. Reports have it that it ain't over Chinese checkers. We'll have to dig out those names, girls!

It appears that Mary Gombach is opening up a new bureau, furnishing information on who's who among the more eligible bachelors of this territory. It is whispered that you can simply dial T. N. F. on any phone at any hour of the day and get a three minute bulletin of blah, blah, blah on the subject. Get ready for the rush, Mary, and slip us some of the dope. Which we'll need for next week!

**St. Mary's Spectator and Commentator****YOUNG MEN'S HOLY NAME REVIEW****MONTHLY MEETING**

The Young Men's Holy Name Society will hold its monthly meeting in the Study Club Room on Thursday, March 8th at 7:30 p. m. All members are urged to attend this meeting. And all members who as yet have not made their ticket returns for both the Valentine Dance and basketball Carnival are requested to do so at this meeting. Remember boys, there's always room for new members in the Holy Name Society. Following the meeting members may entertain themselves by playing cards and ping-pong.

**WE THANK YOU ALL**

The Young Men's Holy Name Society and also the committee in charge of the recent basketball carnival wish to extend their sincere thanks to the following teams that played at the carnival: St. Vitus, St. Christine's, St. Lawrence (Perfolia Furniture), Carr-Horton's and Factory Furniture. And may we in turn someday return our services to you all. Again we thank you all for your kind cooperation in making our first basketball carnival a success.

**KEGLERS SUBDUED**

Last Sunday afternoon the Holy Name keglers traveled to the south side of town to meet the St. Ann bowlers in a bowling match and in hopes of continuing their winning streak. But, believe it or not, it took the St. Ann bowlers to hand the Holy Name keglers their first defeat of the season. Congratulations girls. The cause of the keglers first downfall may be due to several causes, first they may have been a bit too chivalrous when they gave the girls a 300 pin handicap; second, the St. Ann bowlers are just plain good; third, the keglers didn't like the bowling alleys; and fourth, they had an off day. The above causes for the downfall were given by the keglers. And should you happen to meet any of them, which is not likely to happen, they probably will have more excuses for their defeat. If you have noticed, the keglers have been making themselves a bit scarce since their defeat at the hands of the St. Ann bowlers.

The girls met St. Columbkille's lassies twice during the past week. The first game they lost on their own floor at Noble by 27-20. Theresa "Penny" Potokar and Jose Jamnik played great ball in that game. Thirsting for revenge they then invaded the old K of C gym Sunday night for a return tussle. It was a torrid battle which a fair-sized audience enjoyed immensely. Present were quite a number of boys from SS. Peter and Paul's parish in Garfield Heights who liked our lassies fighting spirit so well that they shook the rafters with their encouraging rooting. But, the see-saw contest ended with our girls at the short end of a 19-7 score. Marie Recher and Emma Supance were the stars on our side, while Marianne Intihar had the doubtful distinction of being tossed out of the game on fouls. Since Freddie Zelle has apparently taken special pains to coach Marianne, this occurrence seems to indicate that he is teaching her the wrong things about the game.

**SAFETY & STAVISH**

Theresa Gilha had the high single game for the St. Ann's with 174. Stan Brodnik with 201 was high for the Holy Name keglers. With the aid of a 300 pin handicap the St. Ann's beat the Holy Namers by 156 pins. The St. Ann's team was made up of the following: Frances Globar, Steffie Miklavic, Antonia Zupan, Antonia Sray and Theresa Gilha.

And for the Holy Name the following made up the team: Frank Martich, "Bill" Planisek, Joe Kozar, "Cook" Habjan and Stan Brodnik.

A return match has already been booked for March 12th at the Garfield Heights Recreation. The Holy Name keglers feel sure that they will definitely turn the tables this time on the St. Ann bowlers.

**ILIRJA NOTES**

With the coming of the Lenten season, Ilirja has undergone a bit of revising. The mixed chorus is now singing at 8:00 Mass on Sunday, while the boys are chanting the Gregorian at 10:00 Mass. Drop in and listen to the boys sometime! Their rendition of the chant is very well done and most inspiring.

Incidentally, we are having the Way of the Cross on Sunday afternoon, Tuesday, especially for our younger set, this is in English, and Wednesday, the singers are reminded to attend, particularly on Wednesday.

Postlude. Going back to our success of February 19th, . . . Johnny O-4 singing "Cukova Zenitev" from the Ameriška Domovina. How he did it is still a mystery—some claim they locked up this edition but found no "Cukova Zenitev" in theirs. . . . Milko Asseg, our vice-prexy, assisting Mrs. Izanc in the kitchen. . . . Mary Anslovar manipulating the lorgnette very well considering the amount of practice that she had. By the way, Mary, the glasses were most attractive; you should adopt them for your own. . . . Now coming up to date. . . . Just as Mary Tomazin has recuperated from the illness which kept her in bed for our operetta, her brother, Joe Novak, has made reservations for his bed and has occupied it for the past week. Their mother, one of our old stand-bys, has also been on the sick list for some time. . . . Another very good friend of the choir's has been ill for some time, right now he is in Charity Hospital. Paul Kogovsek, one of our honorary

members, has for many years aided in all sorts of carpentry work that may have been needed either in the choir loft or on the stage where various productions were presented.

His time and labor was donated for the better welfare of Ilirja. Let us remember him in our prayers as well as in our musical prayers, and hope that he may have a speedy recovery.

. . . Had a preview of the pictures taken by our photographers, Frank Jeraj and Lou Izanc. . . . Bet Stan Brodnik will never open his mouth to release the voluminous voice of his after he sees the awful faces he makes. . . . Where was Fred Trobenar on that picture? . . . The bass section has announced that they have a new member, Mr. Stih. . . . Where has Kalin been since our operetta? What's the trouble, can't you tell this hectic life? . . . They tell us Lou Brodnik, (vrag in person) suffered a brilliant red when he got a thunderous hand from his co-singers. . . . And those two lovers, Eddie Habjan and "Cookie" Gornik, neither had anything to say. Now, . . . They told us that it is out over with now. . . . Where was the hand for our thunder-maker, Lou Opalet?

**NEWBURG NEWS****ED PLANISEK REPORTING**

Munc Recreation of Community Center — first half champs — holding 29 consecutive victories, received their initial defeat in a non-scheduled game, 44 to 30 by the Ferfolia Furnitures at the St. Stanislaus Basketball Carnival last Sunday evening.

During the first half the FF's held a slight edge on their friendly foes—26 to 22.

The last half was more freely played because the champs were sort of tiring out and the Furnitures kept up their good spirits and running amuck sinking basket after basket. Thus the game ended with the FF's leading with 44 points to the Munc's 30 markers.

T. Kocianic and L. Bajbus produced a wild scoring outburst, meshing 19 and 12 points respectively.

Today (Thursday) the Ferfolia's play the Bethlen Aces in a scheduled game at Central Recreation. If the Furnitures win this game, which incidentally will be reported in next week's column, they will be in the final playoffs. So good luck to the Newburg lads. Here's hoping for them to turn out on top.
