CLEVELAND, O., 12. OKTOBRA (OCTOBER), 1938

LETO (VOLUME) XXIV.

KAKO SE GODI SLOVENCEM NA KOROŠKEM?

Gospod urednik: — Pred nekaj meseci ste me naprosili, da bi vam popisal naše razmere pod Nemčijo, zlasti, kako se godi Slovencem tostran meje. Rad bi vam bil takoj vstregel, toda nemogoče je bilo. Zakaj? Skoro mi ne boste verjeli, ako vam povem razloge, zakaj nisem mogel pisati. Gotovo vam je znano, da tu vlada najstrogejša cenzura, pod pretvezo valutnih in deviznih postav. V resnici pa da nas nadzirajo, zlasti pa zato, da inozemstvo, posebno pa Amerika ne zve resnice. Vsako pismo, ki gre v inozemstvo se presveti in ako je količkaj, kar je sicer resnično, toda nečastno za ugled Nemčije, se uniči. Pisavca pa neusmiljeno zaprejo in pošljejo v koncentracijsko kaznilnico v Dachau in sicer, ne da bi ga zaslišali ali sodili. Na redke čase se mi posreči potom kakega obiska spraviti pismo preko meje in odtod po svetu. Prav zato se na koncu dopisa ne podpišem, kajti, ko bi se podpisal in vohune imajo tudi pri Vas (v Italiji jih imajo samo v Rimu 3000) sicer pa me poznate in veste, da pišem in tudi morem pisati kot očividec resnico.

Da bo Nemčija kdaj pogoltnila Avstrijo, to je vedel vsakdo. Žalibog je bila zadnja avstrijska vlada prelahkoverna in ali ni videla ali pa ni mogla videti nevarnosti. Ljudje, ki so uživali pri tedanji vladi največji ugled, tako n. pr. sedanjí deželni predsednik Seyz Inquard, so imeli v avstrijski vladi visoka mesta, tudi ministrske sedee; v resnici pa so ruvali zoper državo kot izdajice, kateri so prisegli zvestobo. Mnogo izmed njih jih je bilo celo članov katoliške akcije in ako to dejstvo upoštevamo, tedaj bomo razumeli, da so ti zahrbtniki mogli v početku premotiti celo avstrijske škofe, ki so jim slepo verovali in s tem jim sedli na limanice. Odtod poziv avstrijskih škofov za časa ljudskega glasovanja, ki je bilo le gola komedija. Da je ta poziv rodil pri nemških katoličanih v rajhu grozno ogorčenje, vam je znano.

Državni kancelar Schuschnig, izvrsten mož in globoko veren katoličan, je napravil

ono usodno napako, ker Hitlerja ni poznal, še manj pa vedel, kako je podkopana Avstrija prav od mož, ki so vživali njegovo največje zaupanje, da je šel sploh k razgovoru v Berchtsgarden. O o-nem razgovoru sem mogel po tajnih potih zvedeti dvoje, ki nam prav jasno kaže, kakšen je prav za prav Hitler. — Hitler je poštenjaka in odkritega Schuschniga prav neprijazno sprejel in mu je kakor kakemu šolarčku bral več kot pol ure iz svoje knjige: "Mein Kampf." Začuden Schuschnig je ta pouk kvitiral s tem, da je med tem kadil cigarete. Ko mu je kasneje vendar le rekel, da je branja zadosti in da naj preideta k programu, radi katerega je prišel, se je začel naduti in domišljavi Hitler šele pogajati in pogovarjati. Hitler pa je mož, kateri zahteva od vsakega, da se mu nepogojno vkloni. Gorje človeku, ki bi se mu drznil vpreti. Ko mu je Schuschnig nekaj oporekal je vzrotil, ter zakričal: "In to pravite meni, največjemu Nemcu vseh časov?" Gospod urednik, ali ste videli že kdaj kako nadutost, ki bi bila večja od te-le, ki se zrcali v teh dveh dejstvih?

Kako se je tajno in dosledni delalo za priklopitev Vam lahko povem iz tega, kaj je tedaj pripovedoval radio, ko so Hitlerja čakali, da se pripelje v Linc, glavno mesto njegove ožje domovine. Ker se je precej s slovensimi sprejemi po deželi zamudil in je ljudstvo nestrpno čakalo njeg-a, so pustili na radiju govoriti može, ki so bili pod prejšnjo vlado zaprti in sicer po pravici zaprti radi veleizdaje, katere pa je moral Schuschnig na Hitlerjev pritisk izpustiti na prosto. Slišal sem med drugimi nekega katerega izrazi in besede so mi takoj vtisnili misel: "a real jail bird indeed." Ta nam je pripovedoval, kako so zadnjih 14 dni pred priklopitvijo Avstrije k Nemčiji v tisočih malih tiskarnah po kletah in visokih planinah v kočah, ki so bile rad hude zime zasnežene do strehe, delali in tiskali tajna na-

REV. S. LAMPE, O.S.B., ZLATOMAŠNIK

Kakor znano, imamo dandanes v Združenih državah ameriških 115 slovenskih duhovnikov, ki delujejo v vinogradi. Gospodovom po raznih farah. Starosta med njimi je čast. gospod Ciril Zupan OSB., večletni župnik v Pueblo, Colo., ki je star že 76 in pol let; njemu pa sledi tudi duhovnik reda benediktincev Rev. Simon Lampe, ki je letos na dan sv. Frančiška Asiškega, 4. oktobra obhajal svojo zlato mašo.

Rev. Simon Lampe, OSB.

Rev. Lampe vodi sedaj in upravlja v Red Lake, Minn., misijonsko postajo (Boarding Indian School); pomaga mu 14 šolskih sester benediktink; ondi se nahaja okrog 200 indijanskih otrok, fantov in deklic.

Iz življenja našega jubilara izvajamo sledeče:

Rev. Simon Lampe je bil rojen 5. decembra 1865 na Brezovici pri Ljubljani, njegov oče je bil železniški čuvaj rojen leta 1812 v Črnem vrhu pri Idriji, mati pa na Igu pri Ljubljani leta 1833. Pokojna Rev. Dr. Franc in Evgen Lampe v Ljubljani sta mu bila v bližnjem sorodu. Ime Lampe se naglašja na zadnjem zlogu. Po očetovi smrti 15. decembra 1875 se je njegova družina preselila najprej na Vič, potem v Ljubljano. Šolal se je v Ljubljani, najprej na Grabnu, potem pa ves čas do leta 1882 v Marijanišču. L. 1883 je odšel z Rev. Buhom v Ameriko in prišel 2. novembra v benediktinsko opatijo sv. Janeza, Collegeville, Minn. Tam je stopil v benediktinski red 4. julija 1884. Po neslovesni obljubi 5. julija 1885 je bil že kot klerik poslan od preč. g. opata v indijansko šolo opatije sv. Janeza pri Collegeville, Minn. Bil je prefekt in učitelj v tej šoli za Chippewa dečke iz White Earth in Cloquet, Minn. Tu se je ob Baragovi slovni in slovarju z vso vnamo poprijel indijanske. Slovesne obljube je naredil 25. oktobra 1888. 1. novembra 1888 je bil v St. Cloudu posvečen v mašnika. Glo-rijo je zapel pri sv. Štefanu v Brockway, Minn., 5. novembra. Nato so ga poslali za pomočnika v indijanski misijon v Red Lake. Odtod je obiskoval razne druge indijanske misijone, kot Thief River Falls,

Rev. dr. Jos. Debevec umrl

Po daljšem bolehanju na želodcu je dne 5. oktobra v Ljubljani umrl upokojeni gimnazijski profesor Rev. dr. Josip Debevec, brat urednika "Ameriške Domovine" Mr. James Debeveca; dosegel je starost 71 in pol let.

Pokojnik je bil rojen v Begunjah pri Cerknici. Gimnazijo je študiral v Ljubljani. Leta 1888 je stopil v semenišče in bil ordiniran leta 1890. Eno leto je bil kaplan na Breznici, eno leto v Trnovem pri Ljubljani in bil eno leto prefekt v semenišču. Leta 1894 se je podal na Dunaj, kjer je študiral teologijo in dosegel prvi doktorat. Leta 1900 je napravil profesorski izpit na univerzi v Gradcu in dosegel drugi doktorat. Dve leti je bil suplent v Ljubljani in deset let profesor na gimnaziji v Kranju, kjer je poučeval klasične jezike. Potem je bil prestavljen v Ljubljano, kjer je proslil leta 1924 za pokoj.

Bil je zaveden Slovenec in med svetovno vojno je bil zelo preganjan po avstrijskih nemških. Govoril in pisal je vse slovanske jezike, poleg tega še italijansko nemško, francosko, angleško, arabsko in seve grško in latinsko, kar je poučeval v šoli. Silno rad bi bil prišel na obisk k svojim sodnikom v Ameriko, pa se je bal vožnje po morju radi svojega slabega želodca. Poleg brata Jamesa zapušča v Clevelandu tudi brata Antona, v Lorainu pa sestrično Mrs. Pepco Eisenhardt.

Dr. Debevec je mnogo pisal. Zlasti je še danes priljubljena med dijaki njegova vzgojna povest "Vzori in boji." Pod raznimi psevdonimi je napisal mnogo krajših povesti in ljudskih iger. Največje njegovo delo je prvi popolni prevod iz italijanske v slovensko znanca Dantejeva "Divina Commedia." Pisal je tudi številne kritike, največ književne in književno-zgodovinske v Dom in Svet, katerega urednik je bil pred leti in tudi zdaj ob času smrti, v Čas, Mladiko. Priredil je tudi 2. izvod dr. Krekovega "Socializma."

Vse svoje življenje ni poznal drugega kot knjigo in delo. Zdj je dokončal in pustil veliko nedokončanih misli, ki jih je imel v nahr. Naj počiva mirno v ljubljani domači zemlji poleg očeta in matere.

PREDSEDNIK BENEŠ ODSTOPI

Praga, 6. oktobra. — V sled zahteve Nemčije je danes predsednik čehoslovaške republike odstopil. Pri tej priliki je imel po radio, jako ganljiv govor, kjer je omenil, da je to storil za razvoj vladne politike. Novi predsednik bo izvoljen pri prihodnjem zasedanju parlamenta.

Tajniki in tajnice, bodite točni pri odpošiljanju asosmentu na glavni urad.

NOVI SLOVENSKI ODVETNIK

Pittsburgh, Pa. — Naše mesto Pittsburgh in država Pennsylvania imata v svoji sredini sedaj še enega slovenskega odvetnika in sicer Frank Bolte, člana društva Marije Device št. 50 KSKJ., ki je dobil kot tak državno licenco dne 30. septembra t. l. Svoj odvetniški posel bo vršil v Pittsburghu in okolici.

Naš novi odvetnik je sin Mr. in Mrs. Michael Bolte, ki spada že zadnjih 30 let k društvu

Frank Bolte

sv. Jožefa št. 41 KSKJ. Dr. John J. Bolte, prvi in edini slovenski zobozdravnik v Pittsburghu, je brat tega novega advokata.

Naš novi advokat je moral prestati veliko težav in naporov tekem svojega študiranja, da si je tudi s težkim delom pomagal vzdrževati velike stroške učenja; delal je tudi kot premogar v rovih.

Leta 1934 je graduiral na pittsburski univerzi in dobil B. A. diplomu. Zatem se je naš Frank glede nadaljnjih študij prava podal na univerzo v Michigan; po dovrstitvi iste se je pa vpisal na znano Duquesne univerzo v Pennsylvaniji. Med temi študijami je bil tudi tri leta za učitelja na ondodni lokalni šoli; zadnje leto svojega učenja je pa delal pri Potter Title & Trust Co. Na že omenjeni Duquesne univerzi je dovršil vse šolanje letos v juniju in sicer z odličnim uspehom. Zdj se nahaja v uradu odvetnikov Oliver K. Eaton in W. H. Coleman, pri obce znani odvetniški firmi v Pittsburghu.

Leta 1937 je bil izvoljen v svojem okrožju za največjim številom oddanih glasov v urad davčnega kolektorja (Tax Collector).

Člani društva št. 50 KSKJ. so ponosni, da imajo Frank Bolte-ta kot člana v svoji sredini. Tako se tudi mi pridružujemo čestitkam drugih pittsburskih Slovencev in mu želimo vse najboljše.

Frank J. Lokar.

LISTNICA UREDNIŠTVA

Tajnikom in tajnicam krajevnih društev svetujemo, da naj prečitajo današnji uredniški članek in naj ga preberejo tudi na prihodnji seji. Mogoče se bo besedilo one stare pesmi že vendar enkrat premenilo ali pa v pohvalnem tonu izboljšalo.

DEMONSTRACIJE NA DUNAJU

Dunaj, 8. oktobra. — Danes je imel pri večernicah v katedrali sv. Štefana kardinal Innitzer pridigo, v kateri je zelo obsojal nemško vlado in Hitlerja vsled vmešavanja v cerkvene zadeve. Cerkev je bila nabito polna vernikov, mnogo jih je stalo tudi zunaj.

Kardinal Innitzer, ki je šele pred nekaj tedni odobral nastop Hitlerja je zdaj izrazil svoje razočaranje nad njegovim početjem, ker hoče zatre-ti vse, kar je verskega in katoliškega. Zato je navduševal osobito katoliško mladino, da naj ostane zvesta sv. veri kakor v dejanjih, tako tudi v srcu.

Naziji napadli katoličane

Po dovršeni pobožnosti je še tisočglava množica vernikov pred cerkvijo hotela videti kardinala in je klicala "Heil Christus!" "Heil Innitzer!" — "Slava Kristusu!" "Živel Innitzer!"

Tedaj so iz bližnjih kavarren prihiteli razburjeni naziji in pričeli dejanski napadati katoličane s klici "Heil Sieg" (slava zmagi), "Zu Dachau mit Innitzer!" (kardinala naj se odvede v koncentracijsko taborišče v Dachau).

Naziji napadli škofijsko palačo in izvršili bogoskrunstvo

Okrog 9. zvečer so naziji vdrli v škofijsko palačo, pobrali razne svete podobe in križe s sten ter jih zmetali čez okna na cesto na grmado, zunaj stoječi so pa metali kame-nje v okna palače. Policija se je več kot pol ure trudila, da je razgnala nad 5000 oseb močno druhal, požarna bramba je pa pogasila ogenj.

Nazijska druhal vrgla kanonika skozi okno

Da da nazijska druhal duška svoji razjarjenosti, je vdr-la tudi v stanovanje 60 letnega kanonika Rev. Johana Krawanika in vrgla starčka skozi okno, da si je revež obe nogi zlomil; kanonikovo stanje je zelo kritično. Nekaj demonstrantov je policija že zaprla.

Kmalu zatem je nekaj vladnih uradnikov obiskalo kardinala Innitzerja, ki je bil zelo prestrašen in razburjen; uradniki so se mu bolj hladnokrvno opostili, da je ta nemir povzročilo kakih 50 "neodgovornih" oseb. Govori se in ob-čeno sodi, da bo od slej naprej nazijska vlada strogo nadzorovala kardinala Innitzerja.

KONVENCIJA AMERIŠKE DELAVSKE FEDERACIJE

Houston, Texas, 10. oktobra.

Na tu se vršiči konvenciji A. F. of L. je bila danes soglasno sprejeta resolucija, da naj vlada premeni devet točk znane Wagnerjeve delavske postavbe, da bo ista bolj v prilog delavstvu. Dalje je konvencija zahtevala, da naj predsednik Roosevelt imenuje Donalda Wakefielda Smitha v odbor za narodne delavske razmere. Zaeno je zbornica odobrila resolucijo za takojšnjo oprostitev ali pomilosočenje Thomas J. Mooneya iz zaporov

Katedrala sv. Štefana zaprla Dunaj, 10. oktobra. — Iz strahu pred ponovno demonstracijo od strani vernikov in nazijev, je dala policijska oblast včeraj stolno cerkev sv. Štefana zapreti. Ljudstvo je prihajalo v trumah k sv. mašam, pa se je moralo domov vrniti ali iti k maši v druge cerkve. Ves ta nastop sovražnikov katoličanov bo slednje še bolj utrdil v veri; pri tem je treba pomniti, da je pretežna večina dunajskega prebivalstva naklonjena sv. Cerkvi.

Pritožbe pri Hitlerju

62 letni kardinal Innitzer se namerava v kratkem podati v Berlin vsled pritožbe pri kanclerju Hitlerju, ker so nazijske oblasti na Dunaju začele preganjati katoličane. Iz Rima se dalje poroča, da bo tudi papež Pij pošlal oster protest vladi v Berlinu v zadevi zadnjih demonstracij na Dunaju.

NEMCI OKUPIRALI VSE SUDETSKO OZEMLJE

Berlin, 10. oktobra. — Po zadnjem monakovskem dogovoru je nemško vojaštvo do danes okupiralo vse sudetsko ozemlje; tako tudi v 5. zoni, kjer bi se imel vršiti plebiscit. Hitlerja v teh krajih povsod navdušeno pozdravljajo, kakor rešenika. Nemčija je na ta način vzela Čehoslovaški 11.500 štirjaških milj ozemlja, in okrog 4 milijone prebivalstva; navedena država je merila prej 54.244 štirjaških milj, sedaj pa meri samo še 42.744 štirj. milj. Vsa važna industrijska mesta so sedaj v nemških rokah.

SMRTNA KOSA

Dne 4. oktobra okoli poldne je v Clevelandu, O. po dolgi bolezní preminula dobro poznana rojakinja Mary Šimenc, rojena Slesbir, stara 44 let. Doma je bila iz vasi Stolnik, fara Stranje pri Kamniku in je prišla v Ameriko pred 18 leti. Ranjka zapušča tu žalujočega moža Louisa, tri hčere, Frances, Mary in Josephine, dva sinova, Louisa in Jackie. V Sheboyganu, Wis., zapušča brata Franka, v stari domovini pa mater Agnes in šest bratov, Joseph, Florjan, Valentin, Anton Mihael in John. Bila je članica društva sv. Jožefa št. 169 KSKJ. in društva Marije Vnebovzete št. 103 JSKJ. — Naj v miru počiva; prizadetim naše iskreno sožalje.

KONVENCIJA AMERIŠKE DELAVSKE FEDERACIJE

Danes je bila v zborovalni dvorani precej burna debata, ko je resolucijski odbor predlagal, da naj se predsednika C.I.O. John L. Lewis prisili k resignaciji. A. F. of L. se noče družiti z delavsko unijo, kjer vlada diktator in kjer imajo svojo besedo tudi komunisti. Splošno se sodi, da predsednik Rooseveltov apel v zadevi sporazuma med A. F. of L. in C.I.O. ne bo imel nobenega uspeha.

SKRIVNOST VIŠOKE STAROSTI

Turško časopisje je zadnje čase začelo prinašati poročila in podrobnosti iz življenja tistih starih Turkov in Turkinj, o katerih je zadnje ljudsko štetje ugotovilo, da so nad sto let stari. Takih ljudi je na Turškem 6240. Če torej smemo verjeti turškim listom, ženske na Turškem dalj časa žive kakor pa moški. Od 6240 ljudi, ki so nad sto let stari, je 3985 žensk, torej nekaj manj kot dve tretjini. Najstarejši je vsekakor tisti Turek, ki je po podatkih ljudskega štetja star že 157 let ter se je udeležil že grško-turške vojne pred 110 leti in tudi krimske vojne pred 80 leti. Ti nad stoletni starci in starke pa so postali tako stari samo zaradi tega, ker so v glavnem uživali le kislo mleko in kamlični čaj, kakor namreč trdijo turški listi. Ti ljudje alkohola ne poznajo niti po imenu. Pač pa radi kade. Prav gotovo pa ima pri tem veliko zaslugo tudi ugodno podnebje. Zanimivo je namreč, da je največ teh stoletnikov v vzhodnih delih Male Azije.

Najboljše zobne ščetke, katere se prodaja v Ameriki so narejene iz ščetin divjih prešičev na Ruskem. Te ščetine nabirajo posebni lovci po gozdovih z debelih dreves, kjer jih puščajjo prešiči, ko se ob drevesa drgnejo.

(Nadaljevanje s 1. strani)

vodila in jih po zaupnikih širili po celi Avstriji. Vsega tega ni zapazila ali pa ni hotela zapaziti avstrijska policija. Organizirani nacionalni zaupniki so se vrili do najzaupnejših mest. Tako n. pr. je bila zasebna tajnica poštnjaka Schuschniga organizirana Hitlerjanka in naročena ogleduhinja. — Kar je v Ljubljani Slovenec, to je bil na Koroškem "Kaerntner Tagblatt" nemški katoliški dnevnik. Urednik mu je bil monsignor Paulitsch, mož sicer slovenskega imena, ki pa ni znal našega jezika in nam sicer tudi ni bil nikdar naklonjen, vendar pa je bil njegov list odločno katoliški, njegov tajnik, pa je bil organiziran nacionalni socialist in špijon. Isto je bilo s katoliško tiskarno v Celovcu in vsepovsod po celi Avstriji. Ko so zasedli Avstrijo, so bili uredniki katoliških listov, takoj odstavljani in vtaknjeni v ječe. Ne da bi jih kdaj zaslišali ali sodili, zaprli so jih enostavno in jih drže še danes po ječah. Tako je monsignor Paulitsch, ki je prestal lansko leto smrtno nevarno operacijo, še danes zaprt in na smrt bolan. Kaj se postopa z jetniki Vam pove ta-le slučaj. Msgr. Paulitsch gre obiskat njegova sestra in mu nese seboj bonboniero čokoladnih bonbonov. Ko mu jih hoče izročiti, jo ustavi: "Tega mu ne smete dati." Sestro oblijejo solze in da bi jo potolažil brat, ji reče: "Saj je vse eno dobro, le nesi naj, bom pa le enega pokušil." — "Tudi tega ne smete," in strgajo mu bonbon iz rok.

Možje, ki so zvesto in pošteno služili svoji državi, so bili enostavno odstavljani. Ako pa so komu dokazali, da je strogo postopal proti državi, nevarnimi puntarji, so jih zaprli v Dachau, kjer morajo ostati od 6 do 8 let v strogi ječi. V Dachau je nad 90.000 jetnikov, katerih edina krivda je, da so bili in so drugega mišljenja, kakor so nacionalni socialisti.

Vse katoliško časopisje je prenehalo, tako da vsi časopisi enako pišejo, resnice ne zvemo. Prav katoliški časopisi, katerim so takoj dali najbolj za-

grizene urednike, pišejo najbolj strupeno, in z katoliškim denarjem, vstanovljeno časopisje prinaša zdaj najostrejša, najnevarnejša, priporočila zažiganje mrličev itd. Iz inozemstva ne sme noben odločen katoliški list čez mejo. Tudi ljubljanski Slovenec ni smel več mesecev. Zdaj sicer prihaja, pisati pa zato ne sme resnice. Je pač jugoslovanska vlada v sila priateljsskega razmerja z Berlinom, zato pa je tudi v Jugoslaviji cenzura: jako ostra in nihče si ne upa pisati kaj več, kar zlasti mi onstran meje sila obžalujemo.

Mudi se mojemu obisku, da odide preko meje. Zato vam pa v naslednjih vrsticah kar navedem brez posebne zveze posamezna dejstva, iz katerih Vaši bralci sami spoznajo, kako se godi nam Slovincem in pa katoličanom. Pribita resnica je, da so morali nekateri (bilo jih je 5) slovenski duhovniki, zapustiti fare le zato, ker so bili narodni. Voditelja koroških Slovincov, so prvi dan, ko so Nemci zasedli Avstrijo, prišli na mejo, ker so njegovi lastni farani — oziroma nekatere propalice — telefonično sporočili, da potuje preko meje. Zupniku Poljancu, to je ime bivega voditelja, je njegov škof svetoval, naj se odmakne za par tednov, da se duhovni pomire. Mož je šel v najboljši veri na postajo, da se pelje v svoj rojstni kraj na Stajerskem. Ker ni vedel koliko časa bo treba tam ostati, je vzel seboj 2500 šilingov, torej nekako 350 dolarjev. Preden je še moge povedati koliko denarja nese preko meje, so ga preiskali, našli denar in ga vlekli v ječo, kjer so ga pustili nad dva meseca. Ko je prišlo do razprave, je sam državni pravnik moral pripoznati, da se je zgodila "napaka." Možu pa se je tako godilo v ječi, da je on, ki je bil poprej prava podoba zdravega človeka, prišel smrtno bolan iz preiskovalnega zapora in umrl; dne 25. avgusta so ga pokopali v Škocijanu. Udeležila se je tega pogreba ogromna množica ljudstva in 84 duhovnikov, ki so molče manifestirali in protestirali proti nasilju. Slovenski duhovnik ne dobi na noben način dovoljenja, da bi smel preko meje. Le eden je v teku 5 mesecev se pokazal v Ljubljani. Ta je smel preko meje, ker je jugoslovanski podanik. Ljubljana se je pa temu obisku čudila, da je sploh mogoče, ker je bil to po dolgih petih mesecih prvi in edini duhovnik, ki je prišel preko meje.

Katehetom so zabičali, da se mora v šoli pozdravljati: "Heil Hitler," potem šele — ako hočejo "Hvaljen Jezus Kristus." Nekateri so prosili, ker so imeli na smrt bolne starše ali sorodnike, da bi smeli preko meje, toda nihče ne dobi dovoljenja. Znan mi je slučaj, da je hotel mlad duhovnik vstopiti k strogim kartuzijanom v Pletenje, da bi mu niso dali dovoljenja, da bi smel preko meje. Nič boljše se ne godi nemškim duhovnikom. Za najmanjšo besedico v cerkvi ali na leci, kličejo duhovne pred sodnijo. Katehetu, ki je otroka vprašal, koga je treba bolj ubogati, Boga ali ljudi, so vzeli pravico pouka. Na Stajerskem bi imeli imeti novo mašo. Novomašnik pride. Mlaji so postavljani, vse je za novo mašo, ki se je imela vršiti prihodnji dan že pripravljeno, peljejo ga po tamonjni navadi v cerkev, da podeli novomašniški blagoslov. Mladi duhovnik obljubi, da se bo ljudi spominjal jutri pri svoji novi maši in prosi, da naj tudi verniki molijo zanj v teh hudih in žalostnih časih. To je bilo zadosti, da so ga takoj zaprli in da gospod do danes ni pel svoje nove maše.

Osebo poznam odvetnika dobrega katoliškega moža in zvestega pristaša Schuschnigove vlade. To je bila njegova edina krivda. Zato so mu pa vzeli advokaturu. Mož nima premoženja. Od česa naj živi on in družina? Žena ima v Ljubljani starše, ki je ne morejo podpirati z denarjem, so pa pripravljani dati družini potrebne hrane, ako pridejo v Jugoslavijo. Odvetnik prosi dovoljenja za izselitev. Ko mu to neusmiljeno odbijejo, vpraša od česa naj živi. Ali veste, kaj so mu odgovorili? Tako kakor gi odgovoril kak Neron ali Kaligula: "Kaj nam pa to mar? Ako ne morete živeti, pa crknite."

Vse katoliške šole so prepovedane. Mala semenišča so škofom odvzeta. Obljubili so škofom, da ako oddajo semenišča mirnim potom v "na-jen," da bodo pustili v vsaki deželi po eno katoliško gimnazijo, kamor lahko pošljejo svoje dijake. Verovali so škofje danim besedam. Deset dni pred začetkom šole pa so prelomili to dano obljubo in tudi oni šoli odvzeli pravico javnosti. V ženske katoliške šole in samostane so nastanili vojaštvo ali pa policijo, redovnicam so prepustili kak konec samostana tako da niti oken ne morejo odpirati, ker so nadlegovane od vojaštva.

V Celovcu je bil katoliški učiteljski konvikt, katerega predstojnik je duhovnik. Takoj poprevratu so se iz Nemčije vrnil učiteljsniki, ki so radi veleizdaje morali bežati pred poprejo meje. To druhal so vsilili v katoliški konvikt. Nekoč pogreši predstojnik, da so iz vseh sob izginili križi. Preiskava ničesar ne dožene. Zdaj v počitnicah pa so praz-

nili gnojlišča in stranišča ter našli v njih vse one križe. Čudili so se delavci, med njimi večinoma socialisti, ki so se zgražali nad tem bogokletnim početjem, ter so v dokaz resnice pustili to najdbo fotografirati. Skofija je odredila za to bogoskrbnstvo zadostilne pobožnosti.

Nemški listi so trdili, kako ubožna je bila Avstrija in da je priključitev za Avstrijo prava dobrota. Resnica pa je — tako piše poročevalec pariško-gospodarske in finančne agencije — da je Nemčija s priklo-pitvijo Avstrije dobila: 1. Umetniške zbirke neprecenljive vrednosti, ki so bile last države in Habsburžanov, med drugimi tudi zbirko gobelinov, vse v vrednosti okoli 900 milijonov dolarjev. Te zbirke je konferenca poslanikov v Parizu leta 1919 ocenila na nad 9 milijard zlatih frankov. 2. Zlati zaklad avstrijske narodne banke v višini 750 milijonov šilingov v zlatu in devizah. 3. Zasebno zlato, ki se je moralo na osnovi dekreta iz meseca aprila oddati nemški državi banki. Tega zlata je bilo po vsej priliki 800 milijonov zlatih šilingov. 4. Tuje valute v rokah zasebnikov, ki so se morale oddati nemški državni banki. Vrednost znaša 1 milijardo zlatih šilingov. 5. Vse premično in nepremično imetje Habsburžanov cenjeno na 800 milijonov zlatih šilingov. 6. Državni gozdovi in rudniki, osobito solni rudniki na Tirolskem, Stajerskem, Solnograškem in Zgornje Avstrijskem v vrednosti približno 2 milijardi zlatih šilingov. 7. Židovsko imetje, ki je v tem času bilo zaplenjeno in katerega vrednost znaša okoli 3 mi-

lijarde zlatih šilingov. — V tem spisku pa še ni drugih znatnih aktivnih postavk, katerih vrednost se ne da natančno določiti, n. pr. železni rudniki v Erzbergu, solni in tobačni monopol itd. Brez Erzberga in obeh monopolov znaša avstrijska dola 17 milijard zlatih šilingov.

Denarja je pa zdaj dosti, toda kaj, ko bankovci niso kriti in so torej v inozemstvu skoro brez vsake vrednosti. Ljudstvu pa, kateremu so obetali zlate čase, so se začele odpirati oči, kako grdo so bili goljufani. Marsikdo stiska v nemem gnevu pest. Nam Slovincem, ki smo verovali obljubam, kakor so verovali nemški katoličani, pa jemljejo tudi zadnje ostanke še narodnih pravic. Smatrajo nas itak v svoji nadutosti za manj vredno raso, ki smemo biti srečni, ako smemo ob nas obrisavati svoje pruske škornje.

Poprej smo imeli — ako že ne vsega v izobilju — vsaj vsega zadosti, zdaj bo pa kmalu začelo primanjkovati vsakdanjih reči, kakor jih primanj-

To čaka v prav dogledni prihodnosti tudi nas, ako ne še kaj hujšega. Pri tem pa se pri vsakem shodu drznejo govoriti o prostosti, katero smo dosegli in o krutem tiranstvu kateremu smo ušli. Lorain, O.—Reminiscing over days gone by, the words of the following song bring back to me fond memories:

Will they come back, come back again,
Days of my innocent childhood;
Will they return to cheer my heart—those sweet hours—
When in dim twilight hours I am dreaming.

The song goes on—

No, never on earth will they return, etc.

True indeed, those childhood days have gone, never to return. Those were the days when we as little boys and girls attended classes at our parochial school at SS. Cyril and Methodius', where under the kind guidance of our Sisters of the Order of Notre Dame, we were taught not only the three "R's" but the four "R's"—Reading 'Riting, 'Rithmetic and Religion.

Years have come and gone, but memories still linger on. Memories of those happy, care-free days! Wouldn't it be a pleasure if we could just for one day return to the old classroom and sit with our hands folded on our desks and see our dear school friends, see dear Sister standing at the head of the class. Alas, this is all but in spirit. Impossible! The Hand of God has already called several of the Sisters as well as the pupils to their eternal re-

KAY JAY TEAM SET FOR PLAY IN PIN WHEEL

Cleveland, O.—Garbed in attractive blue and gold shirts, the St. Joseph's, No. 169, pinwheelers, co-backed by August F. Svetek, will make their debut in league play when the B circuit sends up the curtain Oct. 12 at Pozelnik's new alleys on Waterloo Rd.

The team, co-captained by Michael Zlate and Frank Matohi, will bowl every Wednesday night thereafter, and according to advance reports will be out to pile up a lot of lumber.

Kay Jay bowling enthusiasts are invited to come out and watch the Collinwooders make a bid for the league title.

KAY JAY LEADS IN SOFTBALL CLOUTS

Joliet, Ill.—Frank Kerne, member of KSKJ Society No. 8, who captained the Joliet Rivals softball team this season, won high batting honors for the third time in five years, according to record released recently. Kerne, with a .304 percentage, will be presented with the Sport and Luggage Shop trophy at the Rivals' softball banquet next month. The team in its most successful season since 1934 won 25 tilts in 38 starts and recorded a .265 batting percentage in the amateur softball circuit.

J. Malesich, who was released during the season, averaged .389 in seven games, while W. Sak in 37 games batted .282. C. Crnkovich clipped .252 in 38 and S. Marolt .235 in eight.

ward and the rest of us all have our own responsibilities, making it impossible. Furthermore, we have lived those years, they have gone from us forever.

But plans are under way to have a reunion of all the boys and girls that ever attended SS. Cyril and Methodius' Parochial School. The program is as follows:

The festivities begin on Sunday morning, Nov. 6, at 8 o'clock, when Holy Mass will be offered for all the living and deceased pupils by the Rev. Ludwig J. Virant, pastor at Madison, O., who some years ago himself attended our parochial school. Everyone is kindly requested to receive Holy Communion. After Mass pictures will be taken in front of the church and we will have an opportunity to meet some of the Sisters who taught us, for a number of them are planning on attending Mass.

At 6 o'clock in the evening there will be Solemn Benediction. After the church services a banquet will be held at the Slovenian National Home at 7 o'clock.

A most sincere and cordial invitation is extended to all you boys and girls who attended our parochial school to attend and help make this Homecoming Day at SS. Cyril and Methodius' Parish a success.

PITT MEMBER PASSES BAR EXAM

Pittsburgh, Pa.—Frank Bolte, a member of KSKJ Lodge No. 50, who successfully passed his examination on Sept. 30, will soon enter into the practice of law in Pittsburgh and surrounding communities. (Photo on Page 1.)

Frank Bolte is the son of Mr. and Mrs. Michael Bolte, who has been a member of KSKJ for over 30 years. Dr. John J. Bolte, Pittsburgh's only Slovenian dentist, is a brother of Frank.

The new attorney is self-educated. While a student in high school, he spent his summers and spare time working in the coal mines to earn enough for incidentals and necessities. He received a scholarship to the University of Pittsburgh, graduating with honors in 1934 with a B. A. degree in education. While in his last year at the University of Pittsburgh, he again worked in the coal mine every night, carrying on a full schedule of classes in the day school at the University, to which he traveled every day. In addition to his regular college work he took advanced graduate work in political science at the University of Pittsburgh and the University of Michigan.

After his graduation from the University of Pittsburgh he taught school for three years, teaching eight subjects daily. While teaching, he attended Duquesne University School of Law in Pittsburgh every evening. In his final year at the law school he worked in the legal department of the Lawyers' Title Co., an affiliate of the Potter Title and Trust Co. of Pittsburgh.

Mr. Bolte graduated from the Duquesne University Law School in June of this year with one of the highest averages in his class. He took his bar examination in July of this year, and passed successfully Sept. 30.

At present he is serving his clerkship in the law office of Oliver K. Eaton and W. H. Coleman, one of Pittsburgh's leading law firms, and hopes to continue in that office after his final admission to the bar in the very near future.

In 1937 he was elected tax collector in Snowden Township, Allegheny County. He was a candidate on the Democratic ticket and received the highest vote of all the candidates in that election.

The members of Lodge No. 50 are proud in having Frank as a member, and they, as well as all the Slovenians, wish him untold success. His character and ability will make him a valuable asset to the legal profession and a distinct credit to the Slovenians.

"BRINGING UP FATHER," PACKED WITH HUMOR, WAUKEGANITES' NEXT FARE

Waukegan, Ill.—It's good news in abundance that we are offering you here today. For years we have all howled at the comic antics of Jiggs and Maggie as the latter tries her best to bring her spouse up in society. Bruce Brandon, celebrated New York playwright, has prepared a new and original version based on the cartoon of "Bringing Up Father," the same comic strip that made George McManus famous all over the world. And this play is to be offered by the Mother of God Actors' Guild at the school auditorium on Sunday, Oct. 30.

It would be impossible for anybody, young or old, to sit through a performance of this great comedy without having more laughs than they ever had in one evening heretofore. Laughs are scarce these days and worth their weight in gold. This is the first play of the guild for the coming season. Through a reliable source, we were informed that each and every member of the large cast that is going to appear in the play have been howling with glee at the rehearsals. And you'll follow their lead when you see the antics that Maggie puts poor Jiggs through in this sprightly and hilarious masterpiece. There's not a dull moment from the rise of the first act curtain until the very fall of the curtain at the last act. People everywhere have been following Jiggs and Maggie in George McManus' internationally known cartoon for over 25 years, and they'll pack the auditorium the night it is presented here.

The play is in its third week

of rehearsals, which will continue every evening until the evening of the play. At the recent annual meeting, Ed Svete was elected president of the guild, one of the most active dramatic groups in this vicinity, to succeed John Gostisha, who was president for two terms past. Miss Mary Gosar succeeds Miss Marie Grom as secretary, who retired also after serving in that capacity for the past two terms. Other officers elected were: Jack Repp, treasurer, and Ann Cankar, Joe Miholic and Marge Papesch, board of trustees. The other retiring officers: Millie Gerchar, treasurer, and Ed Svete, who was vice president last year.

POST-CONVENTION THOUGHTS

By Frances Jancer

The 19th convention of the KSKJ has gone into eternity. What is left as a remembrance that such a convention existed are the supreme officers that were elected and the new by-laws that must be followed.

The past convention gave the younger generation more power than any KSKJ convention ever has, which only goes to show that those at the head of our organization see the need for more interest among the young people of the organization.

Our young members are not slackers when it comes to plugging for the KSKJ—they even dig down into their own pockets to further KSKJ interest. This was proved at the last convention, where it was noted that among 250 official delegates there were approximately 25 unofficial delegates who traveled miles and miles to be in attendance, not only at the social highlights, but sat day after day in the balcony of the convention hall and attended the sessions of the committee on athletics. Among these were members of the Athletic Board and reporters and members of the Our Page staff.

Most of our subordinate societies are giving the younger members equal right and an opportunity to further their interest in fraternal work, but in some cases the iron hand of the older members still rules. Where the old will not cede to the young, the subordinate society will gradually die out. Why? Because they have failed to instill fraternalism into the hearts of their juveniles, they have failed to teach them the duties of operating a subordinate society, they have failed to allow them to become officers of their lodge where they could learn the management of their fraternal insurance organization.

To my mind the ideal subordinate lodge is the one which has a juvenile department that is well trained. That is, have all those under 16 years of age hold their own meetings, with an adult director in charge. Let them elect their own officers and explain to them, in a simple way so all may understand, the meaning of our organization, the meaning of conducting meetings according to parliamentary law.

MEETING NOTICE

Joliet, Ill.—St. John the Baptist Society, No. 143, will hold its regular monthly meeting Sunday, Oct. 16, at 2 p. m. in the old school hall.

We also remind the members and friends that our society will sponsor a card party and dance in Slovenia Hall Nov. 3 at 8 p. m. All are asked to attend, and please donate a prize, as the committee is working hard to make this affair a success.

Frank Bucher, Sec'y.

Baragites Swing into Fall and Winter Program

Will Form KSKJ Pin League; to Renew Bid for KSKJ Cage Crown

Milwaukee, Wis.—Knights and Ladies of Baraga have swung into their fall and winter activities, which are taking shape rapidly and will be announced in the Our Page from time to time. Therefore, do not fail to watch the Our Page for action.

To Form Pin Circuit

Bowling, which has always been of special interest and pastime to the Baragites, is on the schedule again for the coming season. Rudolph Maierle and Arthur Stukel are lining up a league composed of members from the Knights and Ladies of

Baraga, St. John's and St. Anne's Societies. This will be a handicap league. The league will bowl on Sunday afternoons. The location as yet has not been set, but further information on this score will be published in the Our Page. For health and sport—bowl this year!

Added Attraction

Secondly, the old order of the business meeting will not be changed, but an additional attraction after the business adjournment should hold a lure to those infrequent-attending members and an inducement to non-members to join. As this is a preliminary notice to the real announcement for the coming November meeting, don't fail to make a red letter date of Nov. 3 NOW to attend this meeting. You will have no regrets for doing so. So watch the Our Page for more details on all Baraga activities.

Call for Cagers

Another call to arms has been sounded, but this time in the field of basketball. Any of the Knights of Baraga interested in basketball may contact Albert Matzelle, 1035 W. Walker St., Mitchell 6209, for further information. As the Baragas were very close to winning the championship last season in the KSKJ Midwest circuit, it has even a better opportunity to win the championship this season. This can be accomplished by organizing early, but not only this can do the trick. What every team needs is a good cheering section to urge them on to victory. So, fans, why not give the boys a great big hand this year?

KSKJ MEMBERS INVITED TO JOIN CLOSED RETREAT

The Rev. Walter E. Croarkin, noted for his inspiring talks, will be the retreat master.

If you have never made a closed retreat, here is your golden opportunity.

FOR GOD, HOME AND COUNTRY.

By FATHER KAPISTRAN

More than one treaty with Czechoslovakia was broken by the four-power conference at Munich. What a cheap commodity is a promise. And yet they say the world does not need religion. It needs at least the eighth commandment and its guarantee of fidelity.

Swastika, Fasces, and Hammer with Sickle are current symbols of totalitarian states. Man's body, man's soul, man's eternity, are slaves of its system. How different from the church's teaching that all creatures are merely helps toward glorifying God and bringing man to Heaven.

The New York Times Magazine has suddenly discovered, as though it were something new, that "some Catholic colleges hold discussions on the ethical, religious, and psychological aspects of marriage."

I thought we Catholics have been talking about marriage even to children in grade schools. At any rate, there can be no sounder advice than that given in Kres, which is a youth magazine published in Ljubljana. It says that training for marriage begins at the age of seven. This must mean, training in obedience as a member of a well-ordered Christian family.

One of the saddest indictments against a purposely one-child marriage is the handicap with which such a child himself enters marriage. He sentences himself to the common life in which he has had no experience. If a child has never learned to live with a sister, how can he learn to live with a wife?

Whatever may be the difference between the given and the true purpose of the TVA, its success and continuance are a vital part of social and economic reform in this country. The Supreme Court will soon be asked, by private utilities, to condemn TVA as unconstitutional. TVA, in so far as its business of selling electric power is concerned, has already been blessed by the Supreme Bench. Now 16 utility companies are appealing from a decision of a special three-judge federal court at Chattanooga last January, which sustained the constitutionality of TVA's rates.

Mark that these 16 utility groups charge that TVA is trying to get control of the electric power business in its area and to this end has "prescribed electric rates which are non-compensatory, confiscatory, and discriminatory."

To which our president can and should answer: "Exactly."

Not many years ago we called it "greed." Nowadays it is a virtue called "private enterprise."

If TVA can last long enough to show the public that electric rates are exorbitantly too high, it will serve as a yardstick toward equitable distribution of wealth—out of the hands of a few in the hands of the many—as prescribed by the Holy Father.

The precise purpose of TVA is to confiscate and discriminate against the unreasonable greed of our utilities.

MONARCHS, PERKOS SHARE LEAD IN CIRCUIT

Chicago, Ill.—Last Tuesday the St. Stephen's bowlers again tried to knock off a few high scores and add new laurels to their fame. Some of the boys got themselves a little lumber, while others had too many misses or railroads, and one bowler even had the red light shining for him.

The Monarch Beers and Perko's Inn continue to match their skill and luck for first place. "Lefty" Kochevar's 502 helped the Monarch Beers take two games from the Jerin Butchers. "Jamos" Zefran continued his good bowling with a 514 series for the losers.

The Perko's Inn had a tough struggle with the Korenchan Grocers as they took two games. For the winners A. Terselich, a newcomer to the team, was high with 540, getting a 222 game, while Urban (Uncle Sam) Strohen was next high with 516. "Red" Grill's 522 and Basco's 514 were tops for the losers. "Red" is steadily climbing in his average.

Tomazin's Tavern took two close games from the Parkview team, winning one game by six pins and another by 15 pins. Arbanas, with 516, and Tomazin, with 494, were high for the victors, while Bicek, our Slovenian barber, bowler 550 for the losers, which was the best score for the evening.

Half dollar winners for the evening were Bicek's 223, A. Terselich's 222 and Kochevar's 179.

Bowling fans, come down to the Southwest Alleys and see the boys mow down the pins!

MEETING NOTICE

OUR PAGE COOKING SCHOOL

By FRANCES JANCER

This week's chapter of the Cooking School is dedicated to R. G. Rudman, supreme finance committeeman, of Wilkinsburg, Pa. During the past convention in Eveleth he showed his extreme fondness for griddlecakes, pancakes and waffles.

This favorite hot bread is known in different parts of the country by different names, such as: griddlecakes, pancakes, flapjacks, battercakes, slapjacks, slappers, waffles and hotcakes.

Griddlecakes

2 cups sifted flour, 3 teaspoons baking powder, 1 teaspoon salt, 1 tablespoon sugar, 2 eggs, well beaten, 1½ cups milk, 2 tablespoons shortening, melted.

Mix and sift dry ingredients. Combine egg and milk; add flour mixture and beat until smooth; add shortening. Bake on ungreased, hot griddle. For thick cake use only 1 cup milk.

French Pancakes

1 cup sifted flour, ½ teaspoon salt, 3 well beaten eggs, 1 cup milk, 2 tablespoons melted shortening.

VACATION OVER, NEW YORKERS SET FOR FALL BILL

New York, N. Y.—The vacation period sees most of our people fleeing the hustle and bustle of the big city for the wide open spaces of the country, where the city slicker marvels at the beauty of nature. But now that is at an end and most of the folks are back at the old grind again. To compensate for the good times enjoyed out in the country, St. Cyril's Parish is planning its fall program of entertainments.

The first of these events will take place on Sunday, Oct. 16, when the Altar Society will hold its annual kaffee-klatsch in the church hall on 8th St. This is always an enjoyable occasion for the parish. This year will be no exception, as the musical program will consist of Slovenian polkas and American swing. This should attract our young folk.

On Oct. 22 the St. Cyril's Choir Club is giving a dance, which will be intended mostly for the younger element of the parish. This will be the second event of this kind under the auspices of the newly organized choir club. The first dance was pronounced a grand and enjoyable success by those who attended. This certainly will be no exception. It is billed as a barn dance and all the trimmings of the fall season will decorate the hall. Music will be furnished by Jerry's well-known and well-liked orchestra. Jot this date down in your little red book, so that you will not miss having a very interesting and enjoyable evening. More details of this dance will be announced later.

Social nights for the members of the Holy Name Society and the Young Ladies' Sodality will again be resumed in the near future. These socials have proved a great success and the young people are looking forward for their resumption. Do not miss any of these events.

Every KSKJ lodge should be active in one field or the other. Every active lodge should have an active reporter to Our Page. Is your lodge active? Has it a reporter? If not, why not?—and when?

Real Southern Waffles

2 eggs, 3 cups pastry flour, 3 teaspoons melted butter, 3 teaspoons baking powder, pinch of salt, and milk enough to make a thin batter. Beat egg whites and yolks separately. Mix ingredients and add egg whites last, folding them in. If electric waffle iron is used, add more butter to prevent sticking.

Buckwheat Pancakes

1 cup buckwheat flour, ½ cup flour, 3 teaspoons baking powder, ¾ teaspoon salt, 1¼ cups milk, 2 teaspoons molasses, 1 tablespoon melted shortening.

Sift together flours, baking powder and salt; add molasses and shortening to liquid; combine ingredients and beat well. Bake on hot, slightly greased griddle, turning only once.

Mix flour and salt. Combine eggs and milk; add flour and beat until smooth. Add shortening. Bake on hot griddle, making cakes about 3 inches in diameter, or in very small frying pan, cooking one at a time. Spread each with a tart jelly and roll while hot; arrange on platter and sprinkle with sugar.

German Potato Pancakes

3 eggs separated, 1 teaspoon salt, 1 tablespoon sugar, 3 cups milk, 2¼ cups sifted flour, 1 tablespoon shortening, melted, 3 cups grated raw potatoes.

To well-beaten egg yolks add salt, sugar and milk. Gradually add flour and shortening, beating well. Stir in grated potatoes; fold in stiffly beaten egg whites. Bake at once on greased hot griddle. Finely chopped onions are sometimes put on top of the batter on griddle. Serve hot with meat.

American Potato Pancakes

American potato pancakes are prepared a little differently. To 1 pint of well drained potato pulp add 2 beaten eggs, ½ teaspoon salt, ½ teaspoon baking powder and 2 tablespoons of flour. Mix all ingredients well and add milk if the mixture does not spread easily. Use a frying pan and cook in hot fat to the depth of ½ inch. This amount makes 8 cakes.

English Pancakes

Beat 3 eggs very light. Add pinch of salt and 5 tablespoons flour. Then add milk enough to make a thin batter. (This batter must be as thin as cream.) Fry in hot butter on both sides in a real small frying pan. On each pancake put a teaspoon of lemon juice, and powdered sugar to cover. Roll up and serve hot.

Buttermilk Griddlecakes

1 cup buttermilk, ½ cup sweet cream, 1 well beaten egg, 1 teaspoon soda, ½ teaspoon salt, 1 tablespoon melted butter, 2 tablespoons granulated cornmeal, 2 cups flour.

Mix ingredients in order given. Drop by spoonfuls on a greased hot griddle. Cook on one side and when puffed, full of bubbles and well cooked on edges, turn and cook on other side. Serve with butter and maple syrup. Griddlecakes made from buttermilk have an unusually good flavor and are more tender than made from plain milk or water.

Cream Waffles

2 cups sifted flour, ½ teaspoon baking soda, ½ teaspoon salt, 1 tablespoon sugar, 2 eggs, separated, 2 cups sour cream.

Mix and sift dry ingredients. Combine well-beaten egg yolks and cream; add to flour mixture, beating until smooth. Fold in stiffly beaten egg whites. Bake in hot waffle iron.
