

Ljubljansko barje in okolica.

— cesta, pot
— reka, potok
— jarek

↑ višina v metri
⛔ cerkev
— železnica

MERILO
0 1 2 3 4 5 6 Km.

The map shows the city of Ljubljana (LJUBLJANA) at the center, with the Ljubljanica river flowing through it. Surrounding areas include the Ljubljana Marshes (LJUBLJANSKO BARJE) to the south and east, and various other towns and villages such as Vrhnika, Brezovica, and Žalec. The map includes a legend for roads, rivers, canals, and railways, as well as a scale bar and elevation markers. The map is framed by a double-line border with coordinates.
